CHARLES FEAGLEY, Sudan police officer, points to the place on the water tower where Robert Edwin Drake Jr. (inset), 17-year-old Sudan youth, was electrocuted Thursday night. A naked wire carrying 2,400 volts, shown with arrow, is an arm's length from the tower and is about 25 feet from the ground.

Power Line Kills Sudan Youth, 17

Tragedy Ends Tower Climb

Tragedy struck Sudan Thursday night when 17-year-old Robert Edwin Drake Jr. was electrocuted shortly after 11 p.m.

The youth, known to his friends at Sudan High School as "the wittiest boy", was fatally injured when he came in contact with a high-voltage power line while attempting to climb a leg on the water tower, located on the city square.

The youth, who was to be a senior next year at Sudan High, was pronounced dead on arrival at Littlefield Hospital at about 12:30 a.m. Friday.

He was the son of Mr. and Mrs. Robert Drake Sr. of Sudan, and his father is manager of Plant X of Southwestern Public Service Co.

Robert had been playing with several other young people in the city square when the tragedy occurred.

Young Drake was burned on his left forearm and suffered a crushed shoulder and lungs when he fell 25 feet to the ground, according to a Southwestern Public Service Co. spokesman.

The attending physician attributed both the electrical shock and chest injuries as cause of death.

Witnesses saw electrical sparks as the youth came in contact with the 2,400-volt power line, about an arm's length from the tower leg. The power line serves the mercury vapor street lights around the square.

Frank Nichols and Harold Murphy, both of Littlefield, stopped to help City Officer Charles Feagley administer artificial respiration and summon an ambulance.

Funeral services are scheduled at 3 p.m. today in Sudan's First Methodist Church.

Rev. Jack Riley, a Methodist minister from Amarillo, Rev. Aubrey White, pastor of the Sudan Church, and Rev. Robert Brown of Plainview will officiate, and burial will be in Littlefield Memorial Park with Hammons Funeral Home in charge of arrangements.

Robert was born Nov. 18, 1951, at Seminole and moved with his family to Sudan when he was five months old.

He was a member of First United Methodist Church, of the National Honor Society at Sudan High School, was on the student council, a back on the football team, a guard on the basketball team, a member of the track team, golf team, and was in the band several years. He was vice president of UMY of his church.

Surviving are his parents; one sister, Brenda Joyce, a Texas Tech student; and two grandmothers, Mrs. H. H. Drake of Tula and Mrs. J. T. Agee of the home.

Shot Wounds Boy, 15

Accident At Service Station

A 15-year-old Littlefield boy, Lawrence Hagerty, is in serious condition in the Lubbock Methodist Hospital suffering from a gunshot wound in the right side of his face inflicted in an accident that occurred about 1:25 p.m. Thursday.

According to investigating officers, young Hagerty was standing outside the Bell service station on Hall Ave. when another youth, 13-year-old Gary Evans, who was inside the building, pulled the trigger on the .38 caliber pistol he was examining.

The bullet went through the plate glass window and hit the Hagerty boy in the right cheek.

Parents of the gunshot victim are Mr. and Mrs. Ira Hagerty.

S. A. Davis operates the service station where the accident occurred. Davis reportedly keeps numerous guns at the station and sells them as a sideline business venture.

Littlefield Chief of Police F. A. Fitzgerald and officer Brooks Cundiff investigated.

Fitzgerald said there are conflicting reports on why the gun was loaded.

In the police investigation, the Evans youth said the gun was loaded and went off when he pulled the trigger.

Fitzgerald said the service station operator said the gun was not loaded and bullets were in a nearby drawer.

Water Import Plan Gets Clayton Boost

Rep. Bill Clayton, in a talk Wednesday before the Littlefield Lions Club, urged voter approval in the August 5 voting on Constitutional Amendment 2, which would allow the state to sell \$3.5-billion in bonds for its part in importing water into the state from the Mississippi.

Clayton called the water importation program the greatest Texas has ever undertaken, and forecast that within the next 50 years the entire nation would be under a water plan for importing water from Alaska and Canada.

The State Representative from Springlake explained to his audience that the bonds would be sold only as work progressed, and not on the market before the money was needed.

Bonds sold, if approved in the election, will be self-liquidating, where the users pay on a contract basis for the water used. No taxes will be used to retire the bonds.

Construction costs will be shared by the state and the Federal Bureau of Reclamation. Texas will pay its share on the basis of water to be used by cities and industry, while the balance that goes for

irrigation purposes will be the burden of the federal department.

All receivers will pay their share for the water on the basis of amount used.

The major opposition to the plan is caused by "misleading information given out by the Louisiana press", Clayton said. But he reported a study is being carried on to show the people of that state that such a project would actually help them—not hurt. The report is due in 1973.

Clayton, who is also executive secretary of Water Inc., pointed out briefly the effect of Bull Lake being used as a major reservoir for the water, and how such a place could be of recreational value.

The Texas Water Plan, estimated to cost between \$9 and \$10-billion, is three to four times larger than the famous project recently carried out in California, Clayton said.

"But our biggest problem is not the financing, as it is the people opposition...and we're working hard on that," he said.

CITY URGES CONGRESS

Keep Bonds Tax Exempt

JOELLA LOVVORN
Editor, Leader-News

City councilmen voted Thursday night on a resolution to Bob Price, John W. Ralph, Yarbrough and George W. Price, urging congressmen to retain the federal tax exempt status of municipal bonds by voting against any plan that would alter or restructure the system of government capital financing.

Resolution No. 79 was adopted and passed during the regular meeting as a result of recent legislation now being considered in Congress to eliminate, or modify, the tax exempt status of municipal and other public bonds.

If such legislation passes, interest rates would increase on local government

borrowing through bond issues, and the burden of the additional cost would be shifted directly to the local property taxpayers, thus reducing the market for public bonds," says the resolution.

City Manager Jim Shearer read the resolution to the councilmen stating that "the reciprocal immunity by which the Federal government and state and local governments do not tax each other would be destroyed, thereby opening the gates for an unnecessary additional burden in the form of higher taxes on all people."

"Whereas, such legislation is another step in the direction of diminishing the authority of local home rule by forcing communities to become financially

dependent on Washington," states the resolution.

And continuing, "Whereas, the system of local government capital financing through the issuance of tax exempt bonds has enabled this community and hundreds of other communities in the

\$13 Million Spent Locally For Automobile Upkeep

To Lamb County families who will be spending their vacations this summer by taking automobile trips to the hinterlands, be prepared. Costs are up.

Food, gasoline, lodging for the night, tolls and sales taxes in many places will be found to be higher than in previous years.

Two years ago, according to a survey made then by the American Automobile Association, a day on the road cost about \$36 per couple.

Now, at today's prices, it takes nearly \$41, it is estimated.

This assumes that they cover 300 miles a day and that they get 15 miles to the gallon of gas.

Thus, a two-week trip for two Lamb County people will cost approximately \$574. And that is just for the necessities. It does not take care of any outlays for amusements, souvenirs or admissions to places of interest.

The facts and figures are based upon the latest reports from the Commerce Clearing House, the Bureau of Labor Statistics and others.

The \$41-per-day budget breaks down to \$15.50 for meals and snacks, or \$2.50 more than in 1967, \$13.00 for sleeping accommodations, \$1 increase, \$9 for gas and oil, also \$1 more, and \$3.50 for tips and miscellaneous, an increase of 50 cents.

In addition to the cost of a vacation being higher, the annual expense involved

in the ownership and operation of a car has mounted considerably.

For the typical driver of a standard-size car in the medium price range, driven 10,000 miles a year, it now comes to \$1,550, it is estimated. The cost per mile, 15.5 cents, compares with the 13.6 cents that the AAA reported in 1967.

Most of it, \$1,160, is for fixed costs.

Wildlife Survey Being Conducted

Game Warden Pat Donnelly began a survey this week to determine how much wildlife was destroyed in violent weather last week.

"We found quite a few dead birds," he said.

He reported that the quail crop was hardest hit, especially in Bailey County, but that the number destroyed wasn't excessive.

Donnelly said the birds are just starting to hatch off. He reported seeing a number of thumb-sized quail and prairie chickens, "so it didn't get all of them."

This survey is separate from the one that will be made prior to setting bag limits in September.

Vegetable Processing Feasibility Discussed

Feasibility of establishing a vegetable processing plant in West Texas was discussed at a special luncheon for members of Commerce representatives today, June 17, in the Crescent House restaurant.

The Phase I report, "Production of Processing Vegetables in Selected Regions of West Texas" was brought to the group by Jackson E. Simpson of the Agricultural Research Service of the U. S. Department of Agriculture, Washington, D. C., and by Walter A. Meyer with the Marketing Division of the Texas Department of Agriculture in Austin.

In Simpson's report he said, "Many areas have been considered in the past to evaluate the possibilities of growing vegetables to support processing operation. In view that a vegetable processing plant should, if possible, get its commodities within a reasonable distance, it was deemed desirable to make a more detailed study of a rather small area in the West Texas

"A six-county area located within the High Plains region, including Lamb, Bailey, Castro, Deaf Smith, Parmer and Hale Counties, was chosen for this study because:

1. It represents one of the best over-all areas for vegetable production in the entire West Texas.

2. A majority of the vegetables that presently go into processing are produced in these counties.

3. There is an abundance of excellent crop land in these counties.

4. Most farm operators in this area now have excellent irrigation systems."

Walter Meyer will present Phase II of the program on "Determination of Marketing" by sometime in the late fall.

Last step will be "Determining Facility Location."

Attending the meeting from Littlefield were John Clayton, Warren Dayton, Larry Milner, Deb Bawcom, Jim Kelly, Gene Pratt, and Joe Montgomery.

Representing Spade were Don Bell and Larry Lockwood.

Dinges-Pierce Exchange Vows

Miss Vickie Lynn Dinges and Quinton Nelson Pierce were joined in marriage Tuesday, June 10, in the First Baptist Church of Amherst with Rev. Glenn Willson, pastor, officiating.

Parents of the couple are Mr. and Mrs. Grover H. Dinges of Littlefield and Mr. and Mrs. Joe H. Thompson of Amherst.

The church was decorated with a candelabra of emerald foliage flanked on each side with baskets of white gladiolus.

Geoffrey Grizzle, soloist, and Mrs. Jomeryl Harmon, organist, presented the traditional wedding music, "Whither Thou Goest" and "Because." At the close of the ceremony, Miss Grizzle sang "The Lord's Prayer."

The bride was attended by her sister, Mrs. Jim Priddy, matron of honor. She wore a yellow floor-length gown and carried a yellow long-stemmed rose.

Candlelighters were Steven and Teresa Thompson, brother and sister of the groom.

The bride, given in marriage by her father, wore a semi-fitted, A-line gown of peau de soie with a lace yoke front and back. The lace train fell from the back yoke in soft pleats. Her elbow-length veil of matching lace was held by a peau de soie bow. Her bouquet was made of white french carnations surrounding a white orchid.

Best man was Joe Thompson of Amherst.

Ushers were Kim Harmon, Doug Cummings, and Steve Dinges of Littlefield.

Miss Joy Priddy of Amherst registered the guests.

A reception was held in the fellowship hall of the church with Mrs. Arthur Summers and Mrs. David Goen serving.

For their wedding trip to Ruidoso, N. M., the bride chose a yellow A-line dress with white accessories. Her corsage was lifted from her bridal bouquet.

The couple will be at home in Dallas.

Lasiter-Pope Joined In Marriage

Melinda Denise Lasiter and Michael Claud Pope were united in marriage in a double ring ceremony Saturday night, June 21, in the First Baptist Church with Rev. R. B. Hall, Jr., pastor, officiating.

Parents of the couple are Mr. and Mrs. Robert J. Lasiter and Mr. and Mrs. Claud Pope, Jr. of Littlefield.

Presented in marriage by her father, the bride wore a Renaissance gown of white silk organza over peau de soie and English net applied in hand run Alencon lace. The moulded bodice, featuring a high neckline of the lace, buttoned in the back with organza covered buttons. The long puffed sleeves of net and lace applique were gathered to cuffs of organza with button and loop closure. The controlled A-line skirt was accented with a vertical row of applied lace medallions down the center front. The fan shaped detachable train fell from the midriff and repeated the A-line lace motif sweeping to chapel length. Her mantilla was outlined in natural scalloped Alencon lace, and drifted beyond the length of the train. Her bouquet was a cascade of stephanotis and emerald ivy arranged around a white cymbidium orchid atop a white lace-covered Bible.

Cheryl Lasiter attended her sister as maid of honor and Cheryl Reast, of Littlefield, served as maid of honor.

Sandy Penn of Littlefield, Sandi Nelson of Childress, and Marcy Atkins of Dallas, cousin of the bride, served as bridesmaids.

Their formal-length gowns of primo were fashioned along princess lines.

The maid of honor wore a petal-pink dress and the bridesmaids wore gowns of candy pink. They featured velvet ribbon trim of shocking pink from the neckline to the hem, forming sweetheart bows at the neck. A bow and streamer of the pink velvet ribbon accented pleats in the back of the gowns. Their headpieces were bouffant tulle.

TOPS Club Holds Meeting

OLTON—Farmers Crops of TOPS met Tuesday morning in regular session at the Women's Club House with Mrs. Katherine Allen presiding. Following the weighing in ceremonies and the singing of the "Piggy Song", Mrs. Walter Schreier demonstrated the making of burlap daisies. This group welcomes visitors or new members.

attached to a shocking pink velvet ribbon bow matching the ribbon trim on the dresses.

The bridesmaids carried single long-stemmed roses matching the color of the velvet ribbon on their dresses.

Kay Perry of Cherokee, cousin of the bride, was flower girl. Her dress was candy pink with shocking pink ribbon trim. She carried pink roses.

Tracy Pope, brother of the groom, was ringbearer.

Chris Pope, brother of the groom, and Kirk Perry, cousin of the bride, were candlelighters.

Kerry Pope, brother of the groom, presented the guests with rice bags.

Claud Pope, Jr., of Littlefield, served his son as best man.

Mike Perkins of Littlefield was honorary best man.

Groomsmen and ushers were Roland Dove of Lubbock, Ed Ross Mayers, Jr. of Taylor, cousin of the bride, and David Perkins of Littlefield.

The mother of the bride wore a dress and coat ensemble of seafoam blue silk Alaskine. She wore matching shoes and hat, and carried a white beaded purse topped with a cymbidium orchid that matched the color of her dress.

The mother of the groom chose a two piece ensemble of aqua primo featuring a lace border at the hemline. She wore matching accessories and a white cymbidium orchid.

The church decorations included a candle tree and an emerald foliage arrangement. Arranged in front of the choir rail was a large anniversary candle flanked by pedestal arrangements of petal pink gladioli and American beauty mums. Candelabras with pink candles and emerald foliage flanked the candle tree. The aisles were decorated with pew markers of pink candles and salvia foliage.

Miss Nancy Lipscomb of Dallas registered the guests at a table in the foyer of the church.

Mrs. Bob Ward of Lubbock, pianist, accompanied Dianne Perkins and Diane Kesey as they sang "Whither Thou Goest," "Wedding Prayer," and "The Lord's Prayer."

Miss Nancy Henson, organist, played several selections as a prelude to the service and furnished the traditional wedding march and recessional.

The reception was held in the parlor of the church.

The bride's table was laid with a white satin cloth overlaid with shocking pink net. The gathered skirt was encircled with pink velvet ribbon which formed a bow at the center front. The bride's bouquet, entwined in a six-aper candelabra, formed the centerpiece for the table. The four-tiered cake was decorated in white with touches of pink and silver. It was topped with fresh roses in the bride's colors of three shades of pink. Punch, nuts, and mints were served from crystal and silver appointment by Mmes. Albert Perkins, Mike Richardson, and Miss Joyce Thompson, all of Littlefield, and Miss Beth Morehead of Meadow.

The groom's table was laid with a cutwork linen cloth and featured a miniature tree with flowers in shades of pink. A small bride and groom stood underneath an arch of greenery. Chocolate cake and coffee were served from silver appointments by Misses Nancy Lipscomb of Dallas and Marian Schmidt of Brookshire.

Others assisting in hostess duties were Mmes. James L. Jones, Kenneth Reast, Gene Bartley, Lewis Wilkenson, and D. J. Stafford.

For their wedding trip to Tres Ritos, N. M., the bride wore a matching shocking pink dress and coat ensemble trimmed with pink crystal buttons. Her embroidered linen shoes accented the shocking pink color, and she carried a beige purse and gloves. Her corsage was lifted from her bridal bouquet.

The couple will be at home at 3121 22nd Street in Lubbock, where they will continue their studies at Tech.

The groom is a junior psychology major, and the bride is a sophomore music education major.

Out-of-town guests included Mr. and Mrs. Howard C. Perry of Cherokee, maternal grandparents of the bride, Mr. and Mrs. Ed Mayers of Taylor, Mr. and Mrs. Charles Perry of Cherokee, Mrs. Joy Magee of San Angelo, Mrs. Annee Atkins of Dallas, and Miss Lucille Lasiter of Washington, D. C. Mrs. Beulah Pope of Lubbock, paternal grandmother of the groom, Mrs. U. J. Shower Honors Pearl Durham

Miss Pearl Durham of Lubbock, bride-elect of Pfc. Larry Renfro of Andrews, was honored with a Lingerie Shower Saturday, June 14, in the home of her aunt, Mrs. Wanda Edwards of Lubbock.

Miss Patricia Dunn of Littlefield was co-hostess.

Guests were served refreshments of strawberry cake and lime punch from a serving table laid with a lace tablecloth over pink.

The table featured a small flower arrangement and pictures of the bride and groom.

Honored guests were mother of the bride, Mrs. Russell Durham of Lubbock, and sister of the bride, Mrs. Joyce Hill of Friona.

Out of town guests were from Dallas, Friona, and Littlefield.

James H. Stowe Gets Citation

ANTON—The United States Air Force recently awarded Staff Sergeant James H. Stowe a citation and a medal.

Sgt. Stowe is the husband of Marisol Gann Stowe.

They have two children, Shanna Elaine, five, and Andrew Kevin, three.

They now live at Merced, Calif., where he is stationed.

The citation read:

"Staff Sergeant James H. Stowe distinguished himself by meritorious service as an Electronic Warfare System Technician in the 355th Armament and Electronic Maintenance Squadron, Takhli Royal Thai Air Base, Thailand from January 6, 1968 to December 21, 1968. During this period, Sergeant Stowe's outstanding professional skill, knowledge and leadership aided immeasurably in identifying problem areas in the field of Electronic Warfare Systems Maintenance and in developing and implementing procedures capable of solving these problems. Despite extremely adverse conditions, Sergeant Stowe consistently provided outstanding maintenance support for F-105 Aircraft through his technical capabilities. The distinctive accomplishments of Sergeant Stowe reflect credit upon himself and the United States Air Force."

Those attending District Conventions throughout the year were Faye Bussey, Bonnie Mann, Peggy Starnes, Maudine Massengale and Elnora Trimmer, with quarterly reports given at each meeting.

8 cakes were baked and presented to teachers of our local schools in honor of National Teachers Day, May 4.

15 members helped on the Mothers March of Dimes Drive.

16 members helped on the Cancer drive.

All monthly requirements were met with membership quota set at 54.

The auxiliary now has 64 members.

What The Leader-News Thinks

Good Medicine

THE FIRST NEGRO Justice of the United States Supreme Court, Thurgood Marshall, has said:

"Anarchy is anarchy is anarchy. It makes no difference who practices it. It is bad, it is punishable and it should be punished....The seeds (of anarchy) are here, but nothing will be settled

with guns, fire bombs or rocks. The country can't survive if the perpetrators go unpunished. It's that simple."

THE NATION OWES Justice Marshall a vote of thanks for his statement of unchanging principles on which the security and freedom of U. S. citizens rest.

THE FARMER'S WIFE

Up Town?

By LIBBY MUDGETT

THERE'S A VERY good writer, name of Larry King, that doesn't like us very much. By us, I mean inhabitants of small West Texas towns.

Of course, you understand, he considers Odessa small.

THE ONLY PLACE I have ever read any articles by Mr. King, himself a Texan, is in Harper's Magazine and they consider themselves very enlightened and avant-garde. Translated to small West Texanese, that means liberal and 'way out there."

Nevertheless, as I said, Mr. King is a very good writer and has some perceptive comments about us. He quotes the editor of an Odessa newspaper as saying that his newspaper does not review books because "We aren't in business to sell merchandise through our news columns."

LISTEN, for be it from any newspaper I write for not to be cultural and give reviews. Let's go one better and review some of the things Mr. King has said about us. Leave us not be closed-minded.

"To be sure, among Odessa's 83,000 residents are numerous men and women at home with good books, stimulating conversation, and the proper salad fork."

I TOLD YOU he considered Odessa small and I'm just glad that out of 83,000 people he found some that will pass muster.

"Money...permits much travel, shopping sprees to Neiman-Marcus or New York, some few sons packed off for refurbishing by the Ivy League."

Now right there you have the reason most of us aren't broad. It takes money to broaden oneself, or so it would seem.

"EVEN SO, Odessa has more working men and small merchants of limited vision than czars of commerce or industry...."

Apparently Billie Sol missed Odessa on his rounds of commerce and industry. THERE was a man whose vision could never be called limited.

"...more chasers after Chamber of Commerce values than patrons of the arts."

DID YOU MEMBERS of the Chamber of Commerce ever know that you were a little oh, certainly not subsversive, of course, but sort of, well, backwards?

"It is...more beer than martini,

state to provide the people with indispensable physical needs such as hospitals, schools, water and sewage disposal systems, etc.

"Therefore, the City Council of Littlefield, Texas, urgently requests that members of Congress retain the historical tax exempt status of municipal bonds by voting against any plan that would alter or restructure the system of local government capital financing."

In other matters of business, councilmen voted to accept a request from Clyde Hilbun that the city discount the amount owed on delinquent taxes, penalty and interest on the H. H. Holmes property in Littlefield.

Hilbun holds judgment on the property, and as Holmes is deceased, Hilbun can foreclose on his property with his judgment. Hilbun offered to pay the discounted amount owed.

Councilmen read and approved minutes of previous meetings, approved bills for payment, and heard a report from City Manager Jim Shearer on state legislative matters affecting cities.

He mentioned several bills that were passed which were considered detrimental to cities, including the Texas Tort Claims Act involving governmental immunity, "which has been watered down some" from its original state; and the increase of longevity of firemen and policemen to \$1 per month per year of service.

Among beneficial measures passed were:

S. B. 20, raising interest rate ceiling on municipal bonds to 6 1/2%.

H. B. 10, reducing time required to elapse between municipal sales tax elections from two years to one.

S. B. 373, requiring insurance companies to tender property in city or county where it is located.

S. B. 202, making property leased from bank taxable to lessee.

H. B. 122, increasing benefits and expanding options under Texas Municipal Retirement System.

S. B. 143, making it a felony to interfere with police, firemen, other emergency personnel during riots or disasters.

S. B. 233, authorizing mutual-aid police utilization between cities during riots or disorders.

H. B. 431, clarifying state and local responsibilities during emergencies.

S. B. 547, expanding regional planning cooperative activities and authorizing increased state financial assistance.

S. B. 634, authorizing home rule cities to acquire, construct, and operate off-street parking facilities and to levy tax up to 50 cents.

S. B. 668, authorizing local governments to control development in flood areas (in effect, placing key responsibility on such governments in qualifying for federally-guaranteed flood insurance.)

H. B. 260, establishing a statewide system of libraries and library cooperation.

OWNER'S REPORT

Appreciate Home

By BILL TURNER

FOLKS who have lived in West Texas long enough to know the "difference" still get peeved by our weather at times.

Usually this time of discontent is in the spring, when we can expect hail, wind, rain, mud, flood and sand.

We get plumb down-in-the-mouth about our weather, particularly when it affects crops, on which not only the farmer but also most of the rest of us depend.

It's a good time to get away for a few days. Once you do, you begin to realize West Texas is pretty hard to beat—weather and all.

ON A FAST and furious business trip to Florida this week, I spent three days driving about 1,000 miles and looking at weekly newspapers in small towns and cities of that state.

A newspaper compadre of mine had just acquired several of the newspapers, and wanted some outside opinions about them.

It was pretty hard to think about anything other than the weather. Florida is all they say it is—mostly sunshine.

Somebody forgot to mention it was blistering hot and muggy humid sunshine.

It reminded me of the Houston-Galveston area in the hottest part of the summer.

And it would be pretty hard to get along without refrigerated air.

THE AMAZING THING about Florida, to me, is how those folks are able to attract tourists in the summer time. I always knew Florida was a tourist's dream in the winter, but I never realized how many people spend a couple of weeks there in the summer.

A story on the front page of the Orlando daily told how Florida

attracted millions of visitors who spent \$5.5 billion there in 1968.

The average stay for each visitor in the winter was 19 days. The trip for the average tourist in the summer was 12 days.

We Texans get tourists to stay for an average of about 3.5 days, according to state statistics.

How Florida commands that much attraction in the summer is beyond me. It's bound to be through promotion, but I'd be surprised if their "repeat customer" figures are high.

The only thing that would make me stay that long—in the summer—would be the fact that I got lost because of the state's lack of highway markings in some places.

I DON'T KNOW how our "tallest windmill" would rate as a tourist attraction in Florida, but chances are it would do pretty well with Florida promotional schemes behind it.

It would be great in the summer time, because a drink of water should have plenty of appeal.

We could learn a lot from Florida, though, because the area around Orlando is just about the fastest growing spot in the country right now.

I guess it would be growing still faster if the waitresses would speak up for Florida oranges once in a while.

One waitress had a skeptical look on her face when I asked her why the state didn't promote its biggest farm industry by putting orange slices in front of the customers occasionally.

"They're just too expensive," she said.

"I wouldn't be surprised if a good bit of the fruit we serve doesn't come from California."

PAUL HARVEY

Rain On His Parade

PRESIDENT NIXON is not inclined to be a vindictive man, otherwise we might logically conclude that Gov. Nelson Rockefeller's continuing tour of Latin America is the penance he pays for early opposition to the Nixon nomination.

"Yanqui Go Home!" Every where, Rockefeller's reception was humiliatingly unfriendly and frequently hazardedly hostile.

He has completed only two legs of his four-part "look-and-listen mission." He insists that he will continue the tour. He shouldn't.

The second tour was cut short when two governments, Peru and Venezuela, canceled their invitations.

IN BOLIVIA, to avoid threatened bloodshed, his visit was cut from 22 hours to three hours.

"I am not afraid," Rockefeller kept saying. "I tell you again, I am not afraid."

Gov. Rockefeller has extensive land holdings in Venezuela. You might expect him to be welcomed as "home folks" there. He wasn't. Leftist students pledged demonstrations in Caracas.

Venezuela's President Caldera mobilized 24,000 troops to guard Rockefeller's entourage. Then, at the last minute, Caldera decided it was still unsafe, asked that the visit be postponed.

HE EXPLAINED THAT President Nixon had wanted to know how the people of Latin America, are thinking and he, Rockefeller, found out.

Now he plans to leave for Brazil June 16.

When President Nixon first announced this mission, it was for the avowed purpose of evaluating future U. S. aid programs in Latin America.

That was an open invitation to any mercenary Latins to turn on the heat.

They remember that after the disastrous Nixon trip 10 years ago, when he was spat upon, the United States promptly approved another gigantic aid program, hopeful of burying Communists under an avalanche of American dollars.

TWO YEARS LATER, President Kennedy's Alliance for Progress promised more Yankee money.

It is understandable if Latin-American governments might now allow their "acute need" to be dramatized by rioters. I have no evidence that leaders of those nations invited or incited demonstrations, but the temptation is obvious.

If our President wants to know "what the people of Latin America are thinking," our State Department has eyes and ears on the scenes better prepared and less susceptible to purposeful distortion than Gov. Rockefeller's.

THE ABUNDANT LIFE

Holding Our Own

By BOB WEAR

THE EXPRESSION "Holding Our Own" is well-known to all of us, and is used frequently; usually in an encouraging sense.

In this writing it is being used to refer to those elements of life which are, and have always been essential to human well-being.

THE CHANGERS OF THINGS have probably eliminated this expression and the idea it presents from the human scene.

Many people keep saying, "We live in a changing world" as if they thought everything was changing.

THE TRUTH IS THAT there is not as much change as many folk want to think there is.

The man who flies today is basically the same man who once rode his horse and he made his rounds. He may think that everything has changed, but it hasn't.

He may even pretend that he has changed. But the changes are superficial and peripheral, not basic. This man's basic nature and needs have not changed, and cannot be changed.

HE MAY FLY, but he must still take food into his body. He must have rest. He needs companionship.

He has personal responsibilities to meet. He has spiritual needs, too. This man may try to pretend that everything, including himself, has changed.

He may be appalled by the thought expressed by the statement, "holding our own."

IT IS AN OBSERVABLE fact that the more he pretends that he is some sort of a new man, a modern man, the more trouble he has in his personal living experience.

The greater the false concept of change that leads him to ignore his natural and basic needs, the bigger his difficulty with life.

THIS MAN MAY CONTINUE to learn, to grow mentally and, in

other ways, he may learn new and change in many ways.

There are, however, things of him which do not change, cannot change.

He may continue to pretend everything about him changes, pretending will not make it so.

THE UNSOUND VIEW everybody and everything change that nothing about us or our life is fixed or certain is a big part of the cause of present-day misery and despair.

There is far too much of viewpoint expressed by W. Seward when he said, "The circumstances of the world are a variable, that an irrevocable purpose or opinion is also synonymous with a foolish one." This goes along with unproven theory that there are specifics, no absolutes, not fixed and nothing certain.

SOME THINGS DO NOT change and cannot change. Conceal these, we can "hold our own" are properly informed, and will pay the price.

It will be the only end investment we will ever be able to make. Here is our great need.

The true, the good, the pure, the decent, and the time-tested right not change. All departure from these leads to disaster.

OUR TIMES SHOUT loudly strong the disappointment, confusion, disillusion, hopelessness of those who have their way.

These are the people who do themselves, and assume that true, the good, the pure, the decent and the time-tested right are all changing. They are the people are not "holding their own."

SOME THINGS DO change, and cannot be changed here in lies our strength and hope.

THE PHILOSOPHER

More Problems!

(Editor's note: The Sandhills Philosopher on his Johnson grass farm this week is worrying about the big cities, but not enough to lose any sleep over.)

Dear editor:

According to a newspaper I was reading last night, 90 per cent of the big cities in the United States are just about broke, facing bankruptcy, the article said, although I've never heard of anybody's foreclosing on a city. Who'd want to take New York in on a debt? Or Chicago? Or Dallas?

As I understand it, it's the cities, not the city people, who are broke, as most of the latter seem to be doing fairly well, although occasionally some of them have to borrow on their boat to meet the payments on their color television set, and some get confused trying to remember whether they're paying for last year's or the year before last's vacation trip, both of which they took on credit.

However, the cities' plight is not a laughing matter, because it has just about wrecked the farm problem.

Back in the old days, 15 or 20 years ago, no politician would think of running for office unless he had

a solution for the farm problem and while none of the solutions ever worked, I had no idea they meant was they were going to make the city problem so everybody would forget the problem.

It's like stopping worrying about one son who dropped out of school because another son is in the penitentiary.

Personally, I don't have answers. It used to be, when I couldn't make it on the farm, I was advised to give it up and get a job in town. You suppose the and are now running cities by same principles that failed the farm?

I hope not, because the last city mayor that if they can't it in town they'd better give up and get a job in the country.

As it is, most of them are they've got to look to Washington to help them get out of debt afraid they're on the wrong Washington is an expert on getting into debt, but as for getting out, I'm blinded if I know, they should look. Certainly, me. Did I notice you dodging Yours faithfully

**Mary Stone
Receives Honor**

ANTON—Miss Mary Lee Stone, daughter of Mr. and Mrs. J. W. Stone of Dimmitt, has been cited for outstanding scholastic achievement at West Texas State University.

During the first semester Miss Stone was named to the Mary E. Hudspeth Honor Society after obtaining a 2.8 grade average of a possible 3.0.

The second semester, she attained a 2.9 grade point average.

She will be a sophomore next fall and is majoring in biomedical sciences.

She is the granddaughter of Mr. and Mrs. Lee Stone of Anton and Mrs. C. O. Dooley of Abernathy, who is a former Anton resident.

Both her parents are graduates of Anton High School.

BULA

MRS. JOHN BLACKMAN 933-2328

FATHERS DAY company for the J. W. Laytons were all of their children who live in this area. They included Mr. and Mrs. Eldrid Mize and grandson Kelly Mize from Crosbyton; Mr. and Mrs. Earners Ellison of Lubbock; Mr. and Mrs. Zane Ellison and small son, Troy, of Muleshoe; Mr. and Mrs. J. E. Layton and boys and Mr. and Mrs. Harold Layton and children of Enochs.

MRS. M. M. Thompson of Riverside, Calif., was met at the Lubbock airport Wednesday. She will be spending several weeks in the home of her daughter, Mr. and Mrs. Cecil Jones.

MRS. J. D. BAYLESS of Enochs had the misfortune of falling Friday afternoon during the storm and breaking her left arm. The break is in a very difficult place to handle. The bone was crushed up near her shoulder. She was sent to Lubbock Tuesday by her Littlefield doctor, for a check with a bone specialist.

COMPANY FOR the weekend in the V. C. Weaver home were cousins of Mr. Weaver, Mr. and Mrs. Bob Weaver, and her mother, Mrs. Griffith of Portland, Ore.

MRS. PAT RISINGER has recently bought the Jean's Beauty Shop at Bula and will be taking charge Monday of this week. Mrs. Risinger has been working for several weeks with Joy's Beauty Shop in Littlefield. She is a spring graduate of McBrides School of Beauty Culture in Lubbock.

MRS. BEVERLEY DeSautell and friends, Mrs. Dorothy Spence and Mrs. Margaret Brown of Lubbock, spent the day recently with Loreta Winfield of Littlefield. The ladies reminisce over things of the past. They were all school friends and this was the first time they could be together in two years.

THE "BULA BEARS" played the "Enochs Dodgers" Thursday on Enochs field. This was the little league's first matched game. Bula won 13 to 7. A large crowd of parents turned out to see these youngsters play.

MR. AND MRS. Ray Kennison and girls, Kem and Dusty of Olton, visited Sunday with her parents, Mr. and Mrs. Tom Bogard.

MR. AND MRS. Dee Simms and daughters, Jackie, visited

for a short while Sunday with Mr. and Mrs. John Blackman and attended services Sunday evening at the Church of Christ.

MRS. JULIA Setliff and Chester drove to Crowell Saturday afternoon, spending the night with a son of Mrs. Setliff's, Mr. and Mrs. Ennis Setliff. Chester returned home Sunday afternoon and Mrs. Setliff is going with her son, Ennis, and wife to visit Mrs. Setliff's daughter, Mrs. Eva Earnhart of McAlester, Okla.

BULA HEAD Start is in their second week of teaching. So far only 13 children are attending. Mrs. Zoy Risinger is the teacher assisted by Mrs. Dora Baca. Tuesday the children received their T.B. tests and Wednesday they were carried by bus to the dentist for dental check-ups.

ATTENDING A workers conference at the First Baptist Church in Muleshoe Monday evening were Mrs. Edd Crume and girls, Donna and Diane, also her mother, Mrs. Parker; Margaret Richardson, Rev. Eddie Howard, Mrs. Clyde Hogue, Mr. and Mrs. P. R. Pierce, Mrs. Rowena Richardson and Miss Vina Tugman.

MISS BARBARA HUFFMAN and Earl Huffman of San Antonio are here for a visit of several days with their grandparents, Mr. and Mrs. V. C. Weaver, and other relatives.

MR. AND MRS. F. L. Simmons have received word from their daughter-in-law in San Diego, Calif., that their son, Darmon Simmons, had been admitted to the Navy hospital in San Diego for tests and x-rays and that there was a possibility that brain surgery may have to be done.

ATTENDING THE Llanos Altos Youth Rally in Muleshoe at the Trinity Baptist Church Monday evening, June 9, were Rev. and Mrs. Eddie Howard, Allan, Barbara and Helen Black, Donna and Diane Crume, Margaret Richardson and Shiela Medlin.

MR. AND MRS. Dudley Cash and children from Stillwater, Okla., spent the weekend with their parents, John Blackman, and Dutch Cash. They came to see his father, Dutch, who has been quite ill and spent most of the past week in the Methodist Hospital in Lubbock.

MRS. STELLA Wood and Miss Gladys Setliff of Hereford drove down Friday afternoon. Gladys spent the night with her mother, Mrs. Julia Setliff, and Chester while Mrs. Woods spent the night with her nephew, Mr. and Mrs. Cecil Jones.

OTIS NEEL and son, Dale, of Friona, visited with friends here Tuesday afternoon.

MR. AND MRS. Earl Shields and children of Lelia Lake spent Fathers Day with her parents, Mr. and Mrs. R. E. Jones. Kennon and Patricia stayed over for a week's visit with their grandparents.

MR. AND MRS. Bill Black of Lubbock visited Tuesday

with his parents, Mr. and Mrs. H. M. Black, and his grandmother, Mrs. E. W. Black.

WARNER DeSAUTELL from New Orleans, La., spent Thursday with his wife and sons, Criss and Cliff. He is doing deep see diving off the coast of Louisiana and was able to fly in just for the day to be with his family.

MRS. DeSAUTELL and boys have been spending most of the time while her husband is gone with her parents, Mr. and Mrs. John Latham in Lubbock.

J. D. SWANNER of Corpus Christi is spending this week with his sister and family, Mr. and Mrs. C. A. Williams. Mr. Swanner has been in this area for several weeks spending some time with his brothers and sisters while recuperating from a severe illness.

COMPANY FIRST of the week for the F. L. Simmons were his sister, Mr. and Mrs. Harold Pritchard from Thorndale.

FATHERS DAY guests in the Buck Medlin home were her parents, Mr. and Mrs. W. B. Gage, and Dot and Mrs. L. H. Medlin from Littlefield; Mr. and Mrs. Jim Gage and children of Amherst; Mr. and Mrs. Dennis Medlin and son Dewayne of Littlefield; Bill Gage of Lubbock and Mr. and Mrs. Glenn Salyer.

MRS. DARNELL WILLIAMS was able to return to her home Tuesday morning after spending the weekend in the Morton Hospital.

MR. AND MRS. Bill Black of Lubbock were supper guests Friday evening of his grandmother, Mrs. E. W. Black.

MR. AND MRS. P. R. Pierce visited Sunday afternoon in Littlefield with Mr. and Mrs. Doyle Swift and Mr. Elmer Swift and his daughter, Mrs. Dewey Jackson and children, Pat and Martha of Fort Worth.

C. A. WILLIAMS was a patient this past week in the Morton Hospital for a series of tests and medication.

**City-County Officials
Invited To Regional Meeting**

The Lubbock Metropolitan Council of Governments (LMCOG), established in 1967 as a voluntary association of governments, has invited Lamb County and city officials to a meeting of regional officials in Lubbock Friday, June 27.

Purpose of the meeting, to begin with registration at 11:30 in the Tech Student Union Ballroom, has been termed "to help create a voluntary association of governments in the South Plains region."

LMCOG is not a government, nor does it have taxing authority. Its discussions and recommendations are in an advisory capacity only.

At the meeting, a presentation describing the possibilities of a regional organization will be made, followed by a discussion of by-laws for such an organization with a name appropriate to the South Plains.

The event will begin with a "dutch treat" luncheon at noon in the Ballroom of the Student Union Building on the Texas Tech campus.

The primary purpose of LMCOG is to improve the quality of life in the region by promoting the development of the regional environment (economic, social, physical). The organization is a voluntary association of governments in the South Plains region.

County judges, county commissioners, city councilmen in a 20-county region have been invited to attend this general meeting to discuss the establishment of a Regional Association of Governments.

WORSHIP IN CHURCH

and get a spiritual lift for the whole week

die to live

The Book says this earthly body must die IF it is to live. How cheerfully the farmer plants his corn! He knows it must die, but he also knows that death is part of the process of life. Immediately after the seed is buried in mother earth, all the ministries of God are set in motion to work a miracle. For it is said, that to make one little yellow grain, requires the sunshine and the rain, the hoarded riches of the soil — and God. It is all the miracle of Life. The hull rots and falls away, much like the sins of a man being reborn of God. It is the Lord's way of carrying on His creative process to multiply the sustenance of both man and beast. Then thank God for life that is born of death. The fruit of summer and of autumn waits upon this death-to-life miracle of a good God, as a reborn soul waits to be used of his Lord. Then, there is no death — what seems so is transition. Come with me to church this week.

You In The Church
The Church is You — form a combination for good. Every man, woman and child needs the influence of the Church. So, come let us go into the house of the Lord. Let us support her program of service to humanity. Be a faithful worker. A daily bible reader and attend services regularly.

Power Within

By REV. ROBERT WHYBREW
Church of the Nazarene

SCRIPTURE READING: St. Luke 24:45-53

TEXT: Luke 24:49 "And, behold, I send the promise of my Father upon you; but tarry ye in the city of Jerusalem, until ye be endued with power from on high."

Acts 1:8 "But ye shall receive power, after that the Holy Ghost is come upon you; and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth."

IT IS SIGNIFICANT that in the two instances in which Jesus used the phrase "upon you," He linked the coming of the Holy Spirit with power.

Jesus spoke of the Spirit as "the Comforter," and probably the best translation of the word is "Strengthener".

Thus the Holy Spirit is the One who strengthens us by being with us. When He is within us, then we are unified, and hence fortified. We go places, we do things.

THE APOSTLE PAUL prays for the Christians at Ephesus that they might "be strengthened with might by the Holy Spirit in the inner man", Eph. 3:16.

It is the inner man that makes the outer man. If the inner life is weak, then weakness spreads to the outer life. If there is confusion within, there will be confusion without. The Holy Spirit is Power where it counts—in the inner man.

The Spirit doesn't give us a shot in the arm that lifts temporarily and then lets us slump. He strengthens us with might in the very fiber of our being.

THE DIFFERENCE in a person being and after the infilling of the Holy Spirit is the difference between a sailboat and a steamboat.

The sailboat depends on environment, on circumstances. When the wind blows, it sails ahead; when the wind ceases, it stops.

The steamboat depends on power within and goes ahead with or without the help of the wind. Some are sailboat Christians—they are circumstance-driven. Others are steamboat Christians—they are Spirit-driven. WE ARE NOT TO BE SELF-SUFFICIENT BUT SPIRIT-SUFFICIENT. "In the Power of the Spirit, grow!"

SINCE IT IS THE POWER of the Spirit, it is therefore spiritual in nature.

Until Pentecost, the disciples believed in the spirit of retaliation, in the use of physical force to gain spiritual ends. But after Pentecost the disciples relied on spiritual weapons—the power of love and faith and forgiveness.

They overcame evil with good, hate with love, the world by a cross. They believed that mercy was stronger than might, love was stronger than law, forgiveness was stronger than force, faith was stronger than fear.

When Stephen was being stoned by the mob in Jerusalem, he cried out with a loud voice, "Lord, lay not this sin to their charge". Acts 7:60.

When Ananias was sent by God to call on the new convert Saul, as he prayed in a certain home, he called this dreaded enemy of the church "brother". Acts 9:17.

THIS WAS THE SPIRIT that enabled the man to overcome the world. And this is the Spirit that will help us to overcome today.

Spiritual power comes to the human only through the inner working of the Holy Spirit. He not only redeems us from wrong actions, but wrong reactions as well.

He not only transforms our disposition, but also our inner disposition. This is "power from on high," "power in the inner man," and a power that is spiritual in nature.

THE POWER of the Holy Spirit is made available to us for two distinct purposes:

1. To enable us to face life victoriously.
2. Witness effectively.

POWER IS THE RESULT of an intimate relationship with the person of the Holy Spirit.

Receive Him, and you've got it. Without Him, you cannot have it. And remember, you cannot receive the power of the Holy Spirit apart from the purity He imparts. Many would like to have the power but are not willing to make pure in heart. It would be dangerous for God to give His power to an impure person.

THIS PERSON WOULD USE it for self ends. God can only entrust His power to one who accepts His cleansing. Again, we must not seek power for the spectacular, the show thing. This is the mistake that Simon Magus, Samaria made. The power of the Spirit is not for exhibition or self-glory. It is for service, for the glory of Christ. God can give His power only to those who are fully surrendered and dead to self.

It's one thing to want the Holy Spirit so you can use Him; it's another thing to want Him. He can use you. There are vast spiritual resources available to the Christian—resources for victorious living and effective witnessing.

IN THE DAYS before rural electrification, a certain farmer went to the city and bought a book of electricity. He read it carefully and then decided to carry on a few simple experiments. First of all he set up a two-battery, attached some wire to it, and made an electric doorbell.

He was delighted when he pushed the button and the bell rang.

Finally he decided to electrify the whole house. So he put in all the equipment—wiring, fixtures, and switches—and when the work was complete, with great anticipation went to turn on the switch.

But there were no lights. Disappointed, he sent to the city for an expert electrician. The man went over, examined the equipment thoroughly, but could find no fault with the materials and the installation.

Finally, he turned to the farmer and said, "Sir, from where are you getting your power? The farmer then directed him to the two-batteries with which he had first started his experiments.

The electrician laughed and said, "That's enough power for a doorbell, but not for lights and appliances. However the main power line is nearby, hook-up to it and you will have all the power you need."

WORDS CANNOT EXPRESS

our heartfelt thanks to all who helped us during the tragic deaths of our loved ones, Mae Sevier and Ray Sevier. To the volunteers from Sudan, Amherst, and Littlefield who helped recover the bodies, the county employees who took their machinery and pulled the car to the road, Hammons Funeral Home who did a remarkable job, the many friends who brought food, visited and called with words of comfort, the pallbearers, Rev. Willard Cox, Rev. R. B. Hall and everyone who sent flowers and those who made donations to the High Plains Children's Home in Amarillo, in their memory we say God Bless each and everyone of you. THE CHILDREN OF RAY AND MAE SEVIER, Mrs. Hazel Ivey and family, Mrs. Rosie Ivey and family, LeRoy Sevier and family, Mrs. Paula Sevier Black and family, Lonnie Sevier and family, Carolyn Sevier. 6-22-I

and Kimberley Powell, and Debbie Hill.

MRS. LOIS WHITE was hired as high school match teacher at a recent meeting of the Sudan School Board of Trustees. Mrs. White is the wife of the Sudan Methodist minister, Rev. Aubrey White. W. E. Hancock, school superintendent, stated that the increased enrollment of the elementary school will necessitate the hiring of two additional teachers for the lower grades. It was also announced sealed bids will be accepted at the next board meeting for the purchase and removal of the old bus barn and the west stands of the old football stadium. Further information can be obtained by contacting the school office during business hours.

THE CITY OF Sudan is sponsoring an all-out clean-up Campaign, getting underway June 16 and continuing through June 30, according to Mayor Arnold Reed a specially developed fogging machine which is mounted on a pick-up and operated by one man has been purchased by the city. He also stated that the same city ordinance that was enforced last year concerning vacant lots will apply this year and is being

put in motion. Property owners that do not clean up these lots will be charged for these services by the city.

REV. AND MRS. Aubrey White recently moved from Idalou to Sudan. Rev. White has assumed duties as pastor of the church. He is a graduate of McMurry College, Abilene, and the SMU Theological Institute. He has been in the ministry for 29 years. The Whites have three sons, all married with families.

HOMER MORRIS recently underwent an emergency appendectomy in the Methodist Hospital in Lubbock.

MRS. MURIEL Crouch was in El Paso during the weekend to visit her brother-in-law, Hubert Samples, who has been seriously ill.

DON A. HARPER, 16, son of Mr. and Mrs. Raymond Harper, has been granted junior membership in the American Angus Association at St. Joseph, Mo., it was recently announced by Lloyd D. Miller, secretary. This junior membership entitles the member to register purebred Angus at regular membership rates and the privileges of the association until the age of 21. There were 177 young people

in the United States to receive junior membership last year.

Security Holds Babe Ruth Lead

Security State remains atop the ultra tight Babe Ruth League standings, but only half a game ahead of second place Roden and Sudan, and two games ahead of cellar-dweller Ware-Richey.

At least that's the way the standings appear without a report on Friday night's Security game at Sudan.

SUDAN-16

Ware-Richey lead until the sixth inning when Sudan rallied to score 14 runs in two innings to beat them 16-5.

Earnest Johnson was the winning pitcher for Sudan, allowing Ware-Richey batters only two singles.

The leading batters for Ware-Richey were Glennie Francis and David Williams, with a single each.

The top hitters for Sudan were Johnny Thomas with a double and a single, and Earnest Jefferson with a triple.

Eddie Surrent was the losing pitcher.

RHUBARB—Littlefield Legion coach Arthur Hedges, right, tries to get across point during a heated discussion with umpire Ron Fudge, but succeeds only in getting a point...out of the park. Tossing Hedges out of the park made little difference in the Wednesday night game against Levelland. The argument came the final out of the game, and the visitors won, 7-3. Base umpire Buster Owens behind Hedges.

Bankers Full Game Ahead In Minor League

Security State took advantage of idle Leader-News and vaulted a full game ahead of the Newsmen in the standings by winning two games.

The Bankers are now 10-1 after wins over PCA and Coca Cola, while Leader-News is 8-1.

SECURITY-7 COCA COLA-6

David Davis had a fielder's choice hit when Danny Dukatnik of Security was trying to get to home; the third baseman missed the ball and Dukatnik came in to win the game for Security, 7-6, over Coca Cola.

Randolph Smith was the winning pitcher, allowing four hits.

Buffalo Lake Due Blue Cat

SAN ANGELO—Between 25,000 and 30,000 blue catfish are due for some special handling and VIP treatment by biologists of the Texas Parks and Wildlife Department.

The fry will be loaded by Lonnie Peters, Department fisheries supervisor in La Porte in oxygen-charged bags and transported by commercial airliner. Normally, fish are held until cooler fall months, but in this case the tiny catfish are going to newly renovated Buffalo Lake at Umbarger where predation dangers have been lessened due to recent lake treatments to remove would-be predators.

Biologists have found that the trip will take a little over two hours from one end of the state to the other, will offer less change for time and temperature to cause death, and at less cost than hauling by Department vehicle.

Dukatnik was the batter for Security who double and a single followed by Smith, who single.

Dean Walden was Cola's leading hitter with a double and a single followed closely by Smith and Tommy Robinson each with a double.

The losing pitcher was Vargas.

SECURITY-13 PCA-3

Kerman Wilson of Security pitched a no-hitter to aid teammates in overcoming PCA.

The leading hitters Security were Frank Tre with a double and a single, Danny Dukatnik, with singles, and Mike Gregg, who single.

George Colbert was losing pitcher.

TALLEST BUILDINGS

New York's Woolworth Building was completed in 1913 and was the world's tallest building. The Empire State Building was completed 18 years later.

SAFE!!—Pat Duffy's tag at home plate was ruled late on Levelland's Pat Washington in Wednesday night's Legion ball game here. The play took place during the sixth inning, making the score 6-3 for the visitors, who went on to win 7-3. Duffy pitched for Littlefield.

Legion Team Now 2-3

Littlefield's American Legion brought its conference record up to 2-3 following Friday night's victory over Frenship.

Victory was sweet for the locals on two accounts. First, they had lost to Levelland Wednesday after leading most of the game. Second, one of their three earlier losses had been to the Frenship club.

LITTLEFIELD-7 FRENSHIP-6

Littlefield edged out Frenship 7-6 in American Legion action Friday night.

Randy Walker was the top hitter for the locals with two.

inings and a triple. Tony Barton followed Walker with two singles.

Eddie Mote was the winning pitcher, allowing Frenship batters only three hits.

Littlefield will have another game with Lubbock High here Wednesday night at 8 p.m.

LITTLEFIELD-3 LEVELLAND-7

The sixth inning was disastrous for Littlefield against Levelland Wednesday night.

Littlefield went into the

inning with a 3-1 lead, and blew sky high with errors to allow the visitors five runs...and the game.

Levelland was allowed only four hits, as compared with Littlefield's six. Gary Robinson had a home run, Mickey Johnson and Randy Walker doubles each, and singles for Pat Duffy, Charles Carter and Tony Barton.

Littlefield sprinkled its scoring with one in the second, third and fifth innings.

Levelland had runs in the third and seventh, besides the big sixth frame.

Butane Bumps Rotary

Rotary finally lost its second game of the season in the Major League, but maintains a game and half lead over second place Lions and Butane.

Playing a back-to-back schedule, Rotary bounced back from the 3-1 loss on Thursday night to win Friday 10-0 over Batson.

W.O.W., still looking for its first win after 10 straight losses, and improving all the way, has two opportunities to get into the winners' column this week. The Woodsmen face Optimist Monday and Rotary Thursday.

ROTARY-10 BATSON-0

Rotary skunked Batson 10-0 Friday night as Willie Huey, the winning pitcher, allowed John Marquez the only hit of the night for Batson.

The leading hitter for Rotary was Lonnie Twitty

with a single and a double. Doug Perrin and Jimmy Stanaford hit two singles each. Marquez hit a double.

Randy Lucas was the losing pitcher.

BUTANE-3 ROTARY-1

Gary Brown had his first game as a losing pitcher Thursday night. He also allowed his first hits of the season when Rotary lost to Butane by a score of 3-1.

Brown allowed Tommy Batson two singles and Connie Bowman a single. All three Butane scores were made in the third inning. Rotary got its run in the fourth.

The leading hitters for Rotary were Jimmy Stanaford with a single and a double, Reggie Payton and Tommy Twitty a single each.

Rickey Richards was the

winning pitcher, allowing four hits.

Lions Governor To Be In Lfd.

District 2-T2 Governor Don Taylor of Plainview will be the installing officer here Tuesday night when the 1969-70 slate of Littlefield Lions Club officers are formally installed.

The installation night will begin at 7:30 p.m. in the Community Building.

Former Littlefield Resident Presented With Bronze Star

Lieutenant Balford R. Rochelle, a former Littlefield resident and LHS student, has won the Bronze Star Medal for his services in the Republic of Vietnam.

Lt. Rochelle is the son of Mrs. Alta M. Rochelle now of Dallas.

In the citation accompanying the award, Lt. Rochelle was described as an advisor to the Vietnamese Navy's Landing Ship Tank 500 and the (Vietnamese) Fleet Command Logistics Staff. Lieutenant Rochelle provided advice and assistance in planning and conducting combat operations, training, logistics and communications. "He participated in 121 days of operations," the citation continues, "in eight extended deployments and was often subjected to enemy fire."

The citation, signed by Vice Admiral Elmo R. Zumwalt Jr., Commander Naval Forces, Vietnam, concludes, "Lieutenant Rochelle's

outstanding performance of duty significantly contributed to the operational effectiveness and capabilities of Landing Ship Tank 500 and the Vietnamese Navy Fleet Command.

"His devotion to duty, courage under fire, and sense of responsibility were in keeping with the highest traditions of the United States Naval Service." The Lieutenant is also authorized to wear the Combat "V" with the medal.

The award-winning Lieutenant was also awarded the Vietnamese Navy's Staff Service Medal First Class by the Assistant Vietnamese Navy Fleet Commander, Commander Do Keim during ceremonies held in Saigon April 3.

The recipient of the two medals is a graduate of Littlefield High School and graduated from McMurry College in Abilene in 1961. He joined the Navy in 1962

and was assigned to duty in the Republic of Vietnam in April of 1968.
