 NUMBER 39

WITH 'NORMAL' WEATHER CONDITIONS

140,000 Bales Forecast

Forecasters of High Plains cotton are correct. Lamb County and others in 1971 will harvest the cotton crop since 1965, the sixth crop in Plains history—and may see an all-time crop of cash dollars.

Normal rainfall at the Lubbock Weather Station for September is about 2.25 inches, average minimum temperature is 57 degrees, average maximum is 85 degrees, and the average freeze or frost date is Nov. 4.

The estimate is up 214,000 bales from the guess made on Aug. 1, primarily due to errors in acreage figures on the earlier assessment and to beneficial rains on dryland cotton during August.

Standing acreage is now estimated at 2,392,000, up from 2,222,000 estimated on August 1 before firm criteria were available on which to judge the extent of cotton plantings.

Farmers were required to certify planted acreage to county Agricultural

Stabilization and Conservation Service offices by Aug. 1, and ASCS office managers now have a much better idea of the acreage devoted to cotton production. Some however still have not announced an official total.

Value of the Plains crop, at 2,015,000 bales, could pass the \$400 million mark this year for the first time. In 1961 when the Plains grew its biggest and most valuable crop, 2,457,703 bales, cash value to farmers was calculated at just below \$400 million.

Other years in which area production was greater than prospects now seen for 1971 include 1958, 1962, 1963 and 1965. Respectively, production for those years totaled 2.1, 2.4, 2.2 and 2.3 million bales.

The 1971 crop could pump a total of

\$412,355,000 into the High Plains economy, basing its value on an average 24 cents a pound for lint and \$55 per ton for cotton seed, and including \$136.3 million in price support payments already made in the area.

A crop in line with the current estimate would exceed last year's production of 1,734,767 bales by over 280,000 bales. It would even farther outstrip the crops of 1966, 1967, 1968 and 1969, when ginnings came to 1.3, 1.3, 1.6 and 1.5 million bales respectively.

Officials of PCG and the LCE point out that the September 1 estimate, as is the case to some extent every year, likely will require adjustments as the season progresses. "With ideal weather conditions for the next two months," says Jerry Boothe, Chairman of the LCE Statistics Committee, "this crop could yield as much or even more than the crop of 1961. On the other hand," he cautions "if rainfall, temperatures and an early freeze should all work against us, our rosy predictions could go right out the window and production could drop to a million-and-a-half bales."

The long range weather forecast for the Plains calls for September temperatures one to three degrees below normal and for rainfall of two inches or more in most sections. Effects of such factors, if they materialize, will depend on timing of rainfall and low temperatures, conditions that follow in October, and of course on the freeze date.

Donald Johnson, Executive Vice President of PCG, says "If weather conditions are not extreme, either good or bad, the estimate should be well within the ball park."

A BUMPER CROP for 1971 has been promised for area farmers, if the weather permits, and L.L. Harrold, who farms immediately north of Littlefield, predicts good turnouts of cotton and grain sorghum if a freeze doesn't come too soon.

JURORS CALLED

11 Criminal Cases On Court Docket

Criminal cases will be heard in court Monday, Sept. 13, at 10 a.m. A panel of 100 jurors has been called for hearing, beginning Tuesday.

Cases to be heard are Paul Luevano, driving while intoxicated; Ronnie Mack Hollis, driving while intoxicated; subsequent; Cathy

Dianne McMillan and Billy Mike Hice, burglary; Delbert Don Jackson, malicious destruction of private property; Emilio Tomas Coronado, burglary; Gene Mixon, malicious destruction of private property; Vernice R. McWilliams and Betty Davis McWilliams, robbery; and Manuel DeLeon Jr., burglary.

The first 60 listed on the jury panel are to report at 9:30 a.m. Tuesday, Sept. 14. The next 20 are to report Wednesday, Sept. 15, at 9:30 a.m. and the last 20 are to report Thursday, Sept. 16, at 9:30 a.m.

J. L. Manuel, Lfd.; Clyde Parish, Earth; Olga Graham, Littlefield; Earl Robertson, Olton; Benny Moore, Olton; Charlie Weschke, Lfd.; Robert Kirk, Lfd.; Leta Bell, Olton; Elbert Hooper, Olton; Charles Gardner, Lfd.

Lillie O. Montgomery, Lfd.; Wilburn E. Andrew, Olton; James W. Jackson, Lfd.; Edna Johnson, Lfd.; B. W. Armistead, Lfd.; Mrs. Luther Wood, Anton; Mrs. W. L. Crabtree, Lfd.; Gene O. Ratliff, Lfd.; C. L. Bowers, Olton; J. L. Brady, Sudan.

E. A. Bishop, Lfd.; T. C. Mooney, Sudan; Mrs. Crill Bulls, Earth; Mrs. P. E. Jones, Lfd.; Kenneth L. Burgess, Olton; Frieda D. Rice, Lfd.; Salomon Monreal, Earth; Driscoll Bryant, Lfd.; Mrs. Joe Mac Bush, Anton; Frank Cornelius, Olton.

Dr. W. S. Dickenson, Lfd.; E. C. Ross, Lfd.; Mrs. R. E. Williams, Sudan; Jessie Colbert, Lfd.; Acie Daniell, Sudan; Felipa E. Garcia, Springlake; R. N. Tucker, Lfd.; George Wm. Fields, Lfd.; Mary W. Foster.

SIDEWALK ART GETS DISPLAY

About 20 paintings which received recognition in the Annual Sidewalk Art Festival will be on exhibit in the lobby of Security State Bank, beginning today.

Paintings from the adult, intermediate and junior divisions which received first, second and third places—as well as honorable mentions—will be included in the exhibit, and will remain on display through Friday, Sept. 11.

CHIEFS' SPEED CONCERNS BLAKELY

Wildcats Lost Crosbyton

No one had to warn the Littlefield Wildcats about Crosbyton this week.

The warning for this year came exactly one year ago, when the Chiefs won an 18-14 thriller in the season grid opener's dying seconds.

Practically the same Crosbyton team will be back when the Wildcats take the field for the first time this year at 8 p.m. Friday in Wildcat Stadium.

Seventeen of the 22 offensive-defensive positions are manned by the veterans who ran circles around the larger Wildcats last year.

It's that "speed to burn" that has new Littlefield Coach Jerry Blakely concerned. "We hope to play well enough to win, and right now I'd be happy with one point," Blakely said. "Crosbyton is an explosive team, they can score from 80 yards out in a hurry."

"They're the type of team you can hold time after time, but then they break the long gainer on you," he explained.

All the Crosbyton backs are 10-flat

speed. The fastest is QB Billy Johnson, the boy who last year as a wingback got behind the Littlefield secondary in the final 13 seconds to snare the pass that went for an 85-yard touchdown bomb.

Joining Johnson in the backfield are Bobby Williams, Willie Williams and Bobby Ferree, all familiar names back from the 1970 team.

Bobby Williams, 173-pounder, is a hard-running halfback on offense and a team leader from his nose guard post on defense.

"This boy is as quick a nose guard as you'll find, and we're going to have to be able to handle him to make our offense go," says JV Head Coach Lewis Boomer, who has scouted Crosbyton in its two pre-season scrimmages.

QB Johnson is Crosbyton's safety on defense, with the Chiefs using his speed to cut down opponents' chances of breaking the big play.

In the line, the Chiefs are led by a pair of good-size tackles, 194-pound Kris Ellison

and 183-pound Ruben Acevedo. They go both ways and anchor the Crosbyton line.

Littlefield will go into the game with one starter on the injury list. Split End Mike Carter probably won't see action, a deep shoulder bruise failing to respond in time for the season opener.

The Wildcat offensive line-up: Matt Giles, tight end; Larry Hobratsch, split end; Chuck Blevins, strongside tackle; Ricky Sanchez, weakside tackle; Scott McNeese, strongside guard; Kenny Pratt, weakside guard; Don Britt, center; Jay Trammell, quarterback; J. E. Johnson, flanker; Dennis Hartley, fullback; and Ralph Funk, tailback.

Defensively, the Cats will go with Allen Grisham and Sanchez at ends; Danny Estrada and McNeese at tackles; Bill Hamblin and Giles at middle linebackers; Lenearl Lewis and Johnson at outside linebackers; Hobratsch and Hartley at cornerbacks and Jerry Kemp at safety.

Pep Farm Dinner Slated Sept. 23

The annual Pep Farm Appreciation dinner, sponsored by Littlefield merchants, has been scheduled for Thursday, Sept. 23, in the Parish Hall of St. Phillips Catholic Church at Pep.

St. Phillips Altar Society is preparing sausage, homemade bread and all the trimmings for the event.

Littlefield merchants buy the tickets for themselves and a Pep farmer at \$3 each, and tickets are now available in the Chamber of Commerce office.

Persons may either come by the office or call 385-4451 to arrange for the tickets.

Extra bread and sausage will be for sale after the dinner.

Sudan Man Jailed, Two Bonds Set

Early Sunday morning, Kenneth Ray Williams of Sudan was jailed and charged with auto theft and driving while intoxicated.

Officers said he drove a 1969 Rambler Javelin, owned by Kent Phyllips of Amherst, from the parking lot on Phelps Avenue and proceeded to the 1000 block of Irvin Street. He lost control of the vehicle and struck a light pole, then proceeded to the corner of Texas Avenue and stopped.

His bonds were set at \$2,000 for auto theft, and \$1,000 for DWI, and he remained in the Lamb County jail at presstime Wednesday.

Grid Guessers Begin Contest

Entries in the annual Leader-News Football Contest are coming in at a fast pace, and this year's contest is off to a good start.

Sunday's edition carried the first in a series of 12 weekly contest forms, and entries may be brought in or mailed to the Leader-News office.

Deadline for bringing entries to the office is 5 p.m. Friday before gametime, and those brought in later will be disqualified.

Weekly winners will receive cash prizes of \$5, \$3 and \$2 for first, second and third places respectively, and the winners will be announced in the following Thursday's issue of the Leader-News.

Regularly participating contestants will be vying for two free tickets to the Cotton Bowl classic on New Year's Day, plus \$25 for trip expense money.

The tickets will be awarded on the basis of the most number of wins over the 12-week season.

Teacher Reception Slated Tuesday

Littlefield school teachers and administrators will be honored with a reception Tuesday night, Sept. 14, in the Flame Room of Pioneer Natural Gas Co.

The Chamber of Commerce's red coated ambassadors and the board of directors will serve as hosts for the 7:30 to 9 p.m. event.

WILDCAT BOOSTER ORVILLE BASSETT is a marked man. Here, he's pinned down with "Go Wildcats!" banners held by Coach Jerry Blakely and Quarterback Club President James Walker. Bassett was elected "Booster of the Week" by Quarterback Club members, and he'll be on the sidelines Friday night with the Littlefield team when the Cats meet Crosbyton. Blakely hopes he gets to know Bassett pretty well, because Orville will keep the job next week if the Wildcats beat Crosbyton.

Orange Bingo Game Worth \$100

There were no winners in the blue Newspaper Bingo game, and the prize for the orange game now goes to \$100.

If there are no winners in the current orange game, the prize will go to \$150, but if there are winners, the \$100 in Bingo Bucks will be shared.

So, pick up those orange cards today and Friday. You could be the winner of \$100.

PAUL HARVEY

Jail For Farmer

JAIL FOR William Glascock—and he could be you.

Since some of those Earl Warren Supreme Court decisions defending the rights of wrongdoers at the expense of their victims, in Chicago our locked-up juries have been serving more time than have our criminals.

WHILE WE'RE this confused about who are the good guys and who are the bad guys, watch your step.

Remember Bill Glascock
William R. Glascock is a farmer, 34, farms 100 acres south of Joliet, Ill.—sweet corn, melons, variety vegetables.

HE IS A productive member of the community and a responsible citizen otherwise, serves on Joliet Junior College's board of education.

One night he looked out of his window and saw some people helping themselves to his ripe acorn squash; two men and a woman, loading the trunk of their car with his squash.

HE FETCHED his .44 varmint pistol and went out and down to where they were and ordered them to stop. Instead, they slammed the car trunk lid on his squash, jumped into the car and started off. Again he holed for them to stop, and when they didn't, he plinked the car—put a slug in the front fender which luckily, he thought, penetrated the fender, hit the battery and stopped the car.

He then took the three back to his farmhouse and called the sheriff and the three were arrested, charged with

criminal trespass. And you'd think that would be that.

THE POLICE then arrested farmer Glascock, I mean they took him downtown, confiscated his gun, fingerprinted him and put him in jail, charged with "unlawful use of a weapon."

Now the characters who stole his squash; that's a mere misdemeanor; a minor fine.

BUT THE FARMER, protecting his property, violated a state statute by shooting at a car.

And it comes out the law there says that even if you saw your own car being stolen from your driveway—if you shoot at it—you're going to be in more trouble than the car thief!

WHEN LOCAL MEDIA including the Joliet Herald-News reported this conspicuous injustice, citizens thereabouts raised such a ruckus that the charges against farmer Glascock were dismissed, his gun was returned... but...

Had he been less well-known he might still be in jail.

FURTHER, when this case comes to court Sept. 9, the thieves will try to use the farmer's technical violation to get themselves off.

Indignation in and around Joliet has been expressed most vehemently by women.

They feel less and less safe these days on the streets and they don't like laws which leave their own property unprotected—which leave them vulnerable even at home.

—Interlandi in "Los Angeles Times"
"What Happens When the Ice Cube Melts?"

DEAR EDITOR
What Our Readers Think

Here's A Remedy

Dear Editor,

As Littlefield is always looking for industries, I thought this might be of interest to Littlefield leaders and businessmen.

s/Melba Gray
Star Route 2
Littlefield, Texas 79339

As a result our own standard of living has reduced itself to about one-half of the national average.

Agriculture is being liquidated and our communities with it because we as businessmen have been sleeping longer than "Rip Van Winkle."

If we as leaders of the community don't wake up and support the largest industry in America, our life line to prosperity, rather than watch it die, we don't deserve to be called leaders.

How can we call ourselves businessmen and at the same time sit idly by and watch the well run dry that provides our community with its wealth?

We are all trying to attract new industry and yet let the largest industry in America liquidate itself.

There is a \$10 million sleeping giant in our back yard—support it.

(From Minnesota Business and Industrial Promotion Agency.)

Sleep Longer Than Rip Van Winkle

I know this sounds almost too good to be true, but this \$10 million industry will almost double the per capita income for everyone living in your county, up to par with the national average.

Thousands of communities are spending from thousands to hundreds of thousands of dollars trying to attract new industries with only a fraction of the rewards, this one will bring. You already have this industry, we call it **THE SLEEPING GIANT**.

This mighty industry, the sleeping giant, is called Agriculture. It's that area outside your community that hasn't had a pay raise in the past fifteen years.

It's the largest industry in the United States, but it's sick and dying, because rural businessmen, civic leaders, clergy, educators and labor has not realized it's the well that provides the community with its standard of living.

We have ignored it.

THE ABUNDANT LIFE
Want Less

By BOB WEAR

SOME WANTS are justified, but it is obvious that the wants of many people are out of control and many are totally unrealistic.

We must learn to draw the line between wants and associated with our needs; and those which are the off-spring of greed, self-indulgence, vainglory, covetousness and the like. There is a difference, and what a difference!

IF WE ARE ALWAYS wanting something else, we are never able to be totally thankful for what we have. Our wants are predominate in our thoughts, and we are blinded to what we have.

This is one of the most common ways in which we human beings make ourselves poor.

EVERY ONE IS POORER in proportion as he has more wants, and counts not what he has, but wishes only for what he has not." Anon.

We may have everything we need for our living, for our work, and for every legitimate life-function, but want more. If this describes us, we are in trouble; because we have set ourselves on a frustrating course.

This inordinate desire can very easily blind us to the fact that we are already well-equipped. Thus, we become as though we were not well-equipped. This is a loss we impose upon ourselves.

THE MORE WE GET, the more we want" is an aphorism which finds substantial support in the practical knowledge

of the human experience.
"He who loves silver shall not be satisfied with silver; nor he who loves abundance with increase; this is also striving after the wind."—The Bible.

THE APPETITE GROWS by that on which it feeds. "When goods increase, they are increased who eat them; and what good is there to the owners thereof, except the beholding of them with their eyes?"—The Bible.

If we permit our wants to get bigger and bigger, we will destroy all possibility of personal contentment and peace of mind. The appetite soon becomes so big that satisfying it is beyond the realm of possibility.

WE CAN UN-COMPLICATE our living experience by wanting less. This means that we rid our lives of the destructive feelings of avarice and covetousness. The way is made clear for appreciation of what we have, and a continuing thankfulness which becomes a source of strength and happiness.

AN EMPTY LIFE cannot be filled with things. Many people refuse to curb their wants, and let them become progressively more demanding. This is a hopeless manner of life. The hidden hunger is never satisfied, and the real life is wasting away because of malnutrition.

PERSONAL HAPPINESS and effectiveness are encouraged as the individual wants less, and makes the best of what he has.

HONNY GRITS

By CORNBALL BLEVINS

YOU NEVER GET to be very popular by telling people the truth.—Strange, isn't it?

For instance, try telling someone their ol' clunker's not worth fixin'." "Why she's been one of the best for 15 years!" Or, maybe, "She's been over a hundred and fifty thousand miles, without having a wrench laid on her."

"LOOK, FELLOW, it's time she HAD a wrench laid on her. In fact, a set of glands won't get results. What that ol' gal needs is a whole new monkey!"

So?—you lose a customer and friend. Whether it's mechanic, doctor, or preacher, if you want to be popular, you gotta tell the people what they want to hear.—So? What price popularity?

MECHANIC: "Oh, no, nothing seriously wrong with the ol' buggy. We'll pour in a can of 'Instant-Overhaul' and she'll be good as new."

Doctor: "Well, ol' man, it's time you were slowing down. Everything seems to be normal, and besides, smoking never hurt ANYONE!"

WITH UNDERSTANDING
Friends, relatives and working associates who have unalleviated hearing losses may be suffering serious psychological side effects, and should be treated with special understanding.

Preacher: "Everything will be all right if you just THINK about God once a week and put a little in the kitty. Don't worry about the dirty thoughts you harbor in your mind, and, besides, no one thinks anything about your being a little tight, and out with a different gal every night. It's the way the modern world lives."

IN THIS SOFT-SOAP world in which we live, the truth just ain't popular. AND, there's places you'd better keep silent. F'R instance:

You shouldn't tell the little woman she's just not made for stretch-pants. It's a no-no to tell the waitress that her girdle is showing below her mini, AND, by all means, don't tell your husband he's becoming a lazy, fat, slob!

FACT OF THE business, we've built our social standards on the same level by which our politicians operate, that of telling the people what we think they want to hear!

Small wonder the youngsters see through our hypocrisy! We don't want to hear it like it is! We live in an idealistic dreamland. Of course, we're not so stupid as to think that everything's ideal, we're just trying to behave as tho things were going according to our ideals!

SOMEWHERE in between these two extremes must be a place for solid living. Could be like the feller says, "Prepare for the worst, while hoping for the best!"

OBITUARIES

MARSHA LEE WHITE

Funeral services for Mrs. Martha Lee White, 89, who died about noon Tuesday at the South Plains Hospital of Amherst where she had been a patient about a week, were conducted Wednesday afternoon in the chapel of Horn-Harris-Crouch Funeral Home of McKinney.

Rev. G.B. Bradshaw, retired Baptist minister, officiated, and burial was in Pecan Grove Cemetery at McKinney.

Mrs. White had lived in Amherst Manor several weeks, and was a longtime resident of McKinney.

Surviving are two daughters, Mrs. James P. Arnold of Sudan and Mrs. Ruby Lacy of Ardmore, Okla.; a son, C. Roy White of Ardmore, Okla.; eight grandchildren and 21 great-grandchildren.

WILLIAM J. HEIM

Funeral services for William J. Heim, 83, of the Vigo Park Community, who died Sunday morning in South Plains Memorial Hospital at Amherst following a long illness, were conducted Monday afternoon in the Wallace Funeral Chapel in Tulia.

Rev. Roland Moore, pastor of the First United Methodist Church at Vigo Park, officiated, and burial was in the Rose Hill Cemetery in Tulia.

Heim was a native of Iowa and went to Swisher County in 1933 from Claude. He was a retired rancher, who worked on the JA Ranch before he bought his own property in Swisher County.

Surviving are two sons, Raymond Heim of Amherst and Lloyd Heim of Kerrville; five grandchildren and seven great-grandchildren.

Handshaking

(Editor's note: The Sandhills Philosopher on his Johnson grass farm discovers a peculiar custom in use in Viet Nam.)

Dear editor:

I was reading along in a newspaper last night not thinking much about what I was reading, you know, like a man listening to his wife carrying on a conversation with him while his mind is on tomorrow, when I hit a paragraph that made me sit bolt upright.

According to it, when you're campaigning for office in Viet Nam you can't shake hands with more than five people in one place without risking getting arrested for disturbing the peace.

That's exactly what it said, and I believe it's worse than the other practice they have over there, you know, locking up your opponent if you win the election. After all, it's sort of a universal habit not to care much what happens to a defeated candidate, regardless of what country he gets beat in. How many defeated candidates for Vice President can you name?

But can you imagine what would happen to a candidate in the United States if he was limited to five handshakes in one place?

I have never understood it, but well established that the one who shakes the most hands gets the most votes. No difference what you're running for or whatever qualifications the office demands. American running in Viet Nam handclasp-less, would suffer frustration from sheer lack of votes.

Has Congress looked into this? How many returning Viet Nam have picked up this no-handshake rule? It may be all right to Viet Nam, but you introduce that limitation over here and you're in political trouble.

In fact, the handshake is an effective medium for getting votes. More effective than television charges big for its services, that's why the voters don't catch on to it. Charge say 15 cents per vote and double if he gets to you the same rally.

Why should the most effective for getting elected, owned by the people, allow candidates to shake scott free?

LITTLEFIELD

MRS. J. B. McSHAN 385-4337

Mrs. W. R. Montgomery and Mrs. Steve Stubbs spent Friday in Hereford visiting Mrs. Stubbs' sisters and husbands, Mr. and Mrs. J. F. Messer and Mr. and Mrs. Rubin Munsen. Mr. and Mrs. James Ivey of Denver, Colo. spent last weekend in the home of his parents, Mr. and Mrs. Tom Ivey Sr.

Jim Tom Brittain returned Tuesday from Dallas, where he spent the holiday weekend attending the gift market.

Mr. and Mrs. David Shockley of Ft. Worth spent Labor Day weekend with her mother and husband, Mr. and Mrs. W. R. Kimbrough.

Mr. and Mrs. Oscar Wilemon and Mr. and Mrs. J. D. Hagler attended the showing of "Spain" in the Palo Duro Canyon, Sunday night.

Mr. and Mrs. Douglas Perkins and family of Amarillo were Labor Day weekend guests in the home of her parents, Mr. and Mrs. Leonard Hill and his parents, the Jeff Perkins.

Mrs. Pearl Wallace had as guests during the holiday weekend her mother, Mrs. Della Coker and her sister, Mrs. Catherine Hood of Lubbock and Ray Willingham of Odessa. Her mother remained for a longer visit.

Mr. and Mrs. Frank Romero of Espanola were Saturday night and Sunday guests in the home of Mr. and Mrs. Ben Crawford. They were on their way to Dallas where he will enter dental school.

Sunday guests in the home of Mr. and Mrs. Jeff Perkins were their daughter and husband, Mr. and Mrs. Roy Byers Jr. of Springlake and their grandson and wife, Mr. and Mrs. Danny Byers of Earth.

Mrs. Ronald Yandell is a student at Midwestern University in Wichita Falls. She is the daughter-in-law of Mr. and Mrs. Reed Yandell.

Some other students attending Texas Tech in Lubbock are: Mike Talbut, son of Mr. and Mrs. Johnny Talbut. Mike is a freshman; Keith Slaughter, son of Mr. and Mrs. C. C. Slaughter of Rt. 1 Amherst, a freshman; Max Huber, a freshman, and he is the son of Mr. and Mrs. Leonard Huber; and Tom Ivey, Jr. resumed his studies at Tech last week, and is a senior journalism major. His parents are Mr. and Mrs. Tom Ivey Sr.

Bud Witcher, son of Mr. and Mrs. A. C. Witcher, is a freshman student at South Plains in Levelland.

Jackie Howell is a freshman student at Wayland Baptist College in Plainview. His parents are Mr. and Mrs. Donnie Howell.

Some of the ones attending West Texas State University in Canyon are: Carla Chambers, a junior student, and daughter of Mr. and Mrs. Al Chambers; Beverly Chisholm, daughter of Mrs. Coy Piercey, and she is a junior student; Frances Hampton is a senior and is the daughter of Mr. and Mrs. H. O. Hampton; La Tonya Daingerfield is a junior student; Gene Williams Jr. son of Mr. and Mrs. Gene Williams Sr., is a freshman; and Terry Stone, a senior, son of Mrs. Ophelia Stone and L. B. Stone.

Guests over the weekend in the home of Mr. and Mrs. E. O. Woolever were their daughter and family, Mr. and Mrs. H. D. Parrish and girls of Lubbock, and Woolevers mother and sister, Mrs. E. H. Woolever and Mrs. Lee Myers of Levelland.

Mrs. Robert Kier has enrolled at the Veterinarian College at Texas A&M and her husband, Robert, is working on his doctor's degree in Geology at the University of Texas and will finish in December. Mrs. Kier is the daughter of Mr. and Mrs. Merlin Yarbrough of Littlefield.

Mrs. Horace Tharp is a patient in Littlefield Hospital where she underwent surgery on Monday. Her sister, Ina Cox

of Amarillo, is a guest in the Tharps home.

Mrs. Helen Saxon had as holiday weekend guests her son and family, Mr. and Mrs. E. B. Saxton and boys of Skellytown.

Miss Ginger Maurer is a student at Colorado College in Colorado Springs, Colo. Her parents are Dr. and Mrs. R. E. Maurer.

Mr. and Mrs. J. M. Griffin and Mr. and Mrs. A. W. Evitt returned Sunday from a trip to Midland and El Paso. They each visited their sons and families in Midland. Mr. and Mrs. Griffin were guests of Mr. and Mrs. Kenneth Griffin and family and the Evitts were guests of Mr. and Mrs. Wayne Evitt and family. They spent several days in El Paso as guests of the Evitts daughter, Mrs. Barbara Pierce and son, Monte.

Steve Owens, son of Mr. and Mrs. Buster Owens, is a student at N.M.M.I. in Roswell, N. M.

Miss Leona Harms is a student at West Texas State University. Her parents are Mr. and Mrs. Wilbert Harms.

Anton Students Attend Journalism Workshop

ANTON—Thirteen Anton High School students attended a Journalism Workshop recently at Texas Tech in Lubbock. Students attending were Randy Parrish, Pat Melton, Kim Newton, Rhonda Kiesel and Janie Synatchskze, all members of the Bulldog Bark newspaper staff; Christi Stone, Mike Kneblick, Carolyn Hodges, Mark Walthall, Dusty Peters, Mary Cantu, Zoe Butler, and Sylvia Luna, all of the yearbook staff. They were all instructed on newspaper, yearbook writing, and editing. Staff members of the yearbook section planned a dummy yearbook during the workshop, learning about layouts and cover designs. In the newspaper section Pat Melton and Randy Parrish studied about writing editorials, interviews, headlines, and columns. Kim Newton and Rhonda Kiesel attended the editor's seminar, learning about editing a newspaper. Everyone was then briefed on the press, and the law of a newspaper. At the close of the workshop, a banquet was held for the presentation of awards. Those

receiving awards were Dusty Peters and Mike Kneblick for the best cover design; best front page spread went to the whole yearbook staff; Kim Newton and Rhonda Kiesel received honorable mentions for newswriting in the editor's seminar.

Mrs. Schulz To Be Honored

Mrs. Albert Schulz will be honored, by her children, on her 90th birthday Sunday, Sept. 12, from 2:30 p.m. to 5:30 p.m., in the St. Martin Lutheran Church of Littlefield. Mrs. Schulz has been a resident of Littlefield since 1929, and is presently living with her son and family, Mr. and Mrs. Edgar Schulz. All friends and relatives are invited to attend, and it is requested that "no gifts be brought."

YOUNGSTERS in three age groups joined the arms locked race during Festivities Days. Some didn't make it back with all they started out with, as a pair of lost shoes will attest.

"THERE'S NOTHIN' TO IT", bet I could do that", is the expression caught on the face of Michelle Mills, spectator at the youth races in Laguna Park.

School Of Ballet Opened At Sudan

Tutu King recently opened enrollment for Tutu's School of Ballet at Sudan. The school offers a wide selection of study. She just returned from Chicago where she studied for six weeks with the Stone-Camryn School of Ballet, the Evanston School of Ballet, Gus Giorlando Jazz School, and attended Master Classes with the New York City Ballet.

Before coming to Sudan, Mrs. King, a ballet major at Texas Christian University, danced professionally with Chicago Lyric, Ft. Worth Civic Ballet, Melody Top Musicals. She has performed in the Nutcracker Suite and Swan Lake; the Boyfriend at Casa Manana in Ft. Worth; Wichita, Oklahoma; the King and Little Abner.

Tutu is at present with the Lubbock area students the open study dance professionally trained instructor. The school uses the newest methods of teaching and discipline.

Classes have been for children from age adults. The school has excellent facilities in 507 Main St., Sudan. Open house and will be held at Saturday, Sept. 11, early enrollment call 3561.

Tea Fetes Sorority

Sorority members of the Exemplar Chapter of Beta Sigma Phi were guests at an afternoon tea, given by the Chapter's President Joan Johnson, in her home Aug. 29.

The hostess presented each guest with a copy of the chapter manual and a program book on beginning day.

Yearbook Chairman Claire Sawyer, presented each guest with a copy of the 1971-72 calendar yearbook containing assigned programs, hostesses, and social events.

Terri Miller, program chairman, gave a list of the names of program topics to be presented at the meetings.

Joan Johnson made the presentation of the Exemplar Chapter Charter received from the International Office of Beta Sigma Phi in Kansas City, Mo.

A letter of welcome, concerning the organization of the Exemplar Chapter, received from the president of the Beta Sigma Phi International Sorority, was read to the members.

The serving table was set with a selection of miniature crescent cheese rolls, sweet swirls, and cinnamon rolls which were served with tea, coffee and punch.

Guests attending were Clair Sawyer, Paula Schroeder, Terri Miller, Ann Pullig, Janet Houk, Loretta Winfield, and Carolyn Spies.

The first regular meeting of the 1971-72 club year will be held on Monday, Sept. 13, in the Reddy Room of Southwestern Public Service Co.

Pep Schedules Supper Friday

A get-acquainted supper will be held for the teachers of Pep School, their families, and families of the community Friday evening Sept. 10, at 8 p.m., in the Pep Parish Hall.

Everyone planning to attend is asked to bring a covered dish of some kind for the meal.

Jack Birdwell, ag teacher, will present an outline in regards to the ag progress this year at the Pep school.

Wedding Vows Read In Olton

OLTON--Mrs. Minnie Simmons and George A. Bodkin exchanged wedding vows Sunday evening in the home of Mr. and Mrs. Don Spain.

Rev. Ronnie Travis, pastor of Hopewell Baptist Church officiated for the ceremony.

Attendants were the host and hostess.

Spain sang "Happy The Home", accompanied on the piano by his daughter, Miss JoEllen Spain.

At the reception, the table was laid with a white lace cloth and centered by an arrangement of pink and white roses and asters. Misses JoEllen and Janet Spain presided at the table, serving wedding cake, punch, coffee and assorted nuts.

Others present for the wedding were the groom's son and his wife, Mr. and Mrs. Wilton Bodkin; Mr. and Mrs. Leroy Bodkin and their daughter, Jackie and their son, Jimmy of Hereford; Sharon Hendrick, Barry Cowart and Steve, Robin, JoEllen and Janet Spain.

They will make their home at 409 Main Street in Olton.

Miss Gullett Is Honored

OLTON--Miss Ronda Gullett, bride-elect of David Derrington, was feted Friday with a pre-nuptial courtesy in the home of Mrs. Burley Favor.

Special guests were Mrs. Jack Gullett, mother of the honoree, and her grandmothers, Mrs. Joyce Harper of Floydada and Mrs. I. D. Grimsley. An aunt of the honoree, Twyla Woodring of Littlefield also attended.

The serving table was laid with a white linen cloth edged with lace, and centered with an arrangement of pink carnations and miniature white mums, with accents of pink net, a pink bow, and pink streamers lettered in silver with the names "Ronda" and "David." Light pink napkins were engraved with personalized deep pink lettering.

White cake squares, frosted in white and trimmed with pink miniature wedding bells tied with pink bows, and pink fruit punch were served by Mrs. Lynn Gullett, sister-in-law of the honoree, and Miss Susan Nicholas. Appointments were crystal and silver.

Hostesses presented the honoree with a corsage of pink miniature mums tied with pink ribbon, pieces of her chosen china, selections of her chosen glassware, a steam iron, sheets and a carving knife.

VA BENEFITS
Veterans, widows, and others can write, phone, or visit any VA office for details about the whole range of veterans' benefits, services, and programs. ENOCHS NEWS

MRS. ALMA ALTMAN

MR. AND MRS. Joe Milsap visited Mr. and Mrs. N. O. Sullivan of Lubbock last Wednesday. They have both been sick but are reported improved enough to be home again.

WMU Ladies met last Tuesday morning with a business meeting. Mrs. Bryant gave the devotional. Mrs. Loretta Layton was in charge of the business and the theme was "The Lost Influence." Mrs. Nichols read the prayer calendar. Those present were Loretta Layton, Flo Nichols, Wilma Petree, Essie Seagler, Ellen Bayless, Alberta Bryant, Josie Vanlandingham, Wanda

Layton, Inez Sanders, Rose Nichols, Sandra Austin, and son, Jeff. Essie Seagler gave the closing prayer.

DEBBIE ADAMS, daughter of Mr. and Mrs. Bobby Adams was admitted to the Methodist Hospital Monday and underwent heart surgery Thursday. Mr. and Mrs. W. R. Adams, the grandparents, stayed with their children.

THOSE SPENDING the day Tuesday with the Harvey Blackstones were her brother, Mr. and Mrs. Tom L. Brown Jr., and Kathy of Lynn, Calif. and a sister, Mrs. O. C. Hair of Dallas, also Mr. and Mrs. Abbe, Rhonda and Mike of Maple.

MR. AND MRS. Bob Newton of Enochs and son, Steve attended the 25th wedding anniversary of her sister, Mr. and Mrs. Timmy Barns. They also were supper guests in the home of their son, Mr. and Mrs. Tom Newton of Levelland.

MR. AND MRS. J. L. Burns of Lubbock visited their niece and family, Mr. and Mrs. J. E. Layton last Sunday.

MR. AND MRS. Jack Austin visited their daughter and family, Mr. and Mrs. Orphus Tate of Mobeetie from Tuesday until Friday.

Brigham Young was the father of 57 children.

Gayle's BAKERIES

By GAYLE MILLS
LEADER-NEWS SOCIETY EDITOR

IT'S back-to-school time once again and the kiddos are bound to be coming home from school hollaring "hey, mom, I'm hungry, whatcha got for a snack?"

Some of the snack foods so demanded by youngsters (and oldsters, too!) appease their appetites but contribute very little nutritionally.

Here's a new recipe that is more nutritious than so many other desserts or snacks, and it's sure to be popular with the youngsters simply because it tastes so good.

Made with almonds and coconut, it has a more cake-like texture than the usual bar cookies, thus obtaining the name "Coco-Almond Cookie Cakes."

You can wrap the squares or bars in saran or foil and pack into lunch boxes for dessert (along with their other lunch); or serve with a glass of milk for that "after-school treat", or even serve with vanilla ice cream for a dessert the whole family can enjoy.

In addition to the almonds and coconut, eggs, brown sugar and whole wheat flour are combined to give this recipe high credit nutritionally.

If you are unable to obtain whole wheat flour at your favorite shopping place, in the health foods department, if you wish a substitution of 1 1/2 cups of unsifted all-purpose flour may be used in place of the 1/2 cup whole wheat flour specified.

Natural almonds are simply shelled almonds that are still wearing their cinnamon-brown skins. The easiest way to chop them is to use an inexpensive jar-type chopper. If you don't have one, a wooden salad bowl and a hand chopper with a curved blade can be substituted.

this time. I'm sure most women, like myself, are always in favor of a few time saver hints.

FOR THOSE BALL POINT pen marks that won't come out of white blouses, shirts or that favorite sweater, try spraying the portion that's got the ink marks with hair spray before laundering. Repeat the process if it hasn't disappeared completely.

TO KEEP strings in the hoods and bottom hems of youngsters' jackets from pulling out, attach a plastic cafe curtain ring to each end.

SMALL PURSE size scissors come in handy, especially if you have little ones that have difficulty in drinking from a long straw. Children can reach their drinks better if you cut their straws down to child size with the scissors.

TO REMOVE grease spots from suede shoes, rub the spots with a cloth dampened with alcohol. When it is dry, hold the shoes over steam from boiling water. Brush with a stiff brush to raise the suede nap.

TO RAISE a carpet nap pressed down by heavy furniture, rub gently in the direction of the nap with a dull knife blade.

NYLON CURTAINS will have the body they had when they were new if you add powdered milk to the water before giving them the final rinse.

WASH SHOWER CURTAINS and rubber bath mats in your automatic washing machine along with a couple of bath towels. The roughness of towels helps clean the shower curtain.

HOUSECLEANING SHORT CUT—wax window sills, door handles, refrigerators, washing machines and porcelain finishes. The reason? Waxed surfaces are easier to clean.

FESTIVE ICE CUBES: Garnished ice cubes add a gay note to many fruit drinks. Fill an ice cube tray about two-thirds full, using boiled water to make the cubes clear. After the water freezes slightly, add an orange, lemon or lime wedge, or a pineapple tidbit, fresh berry, cherry or grape. Finish filling with water and freeze again.

MEASURING FLOUR? Well don't shake the cup! Instead, spoon the flour lightly into the measuring cup, then level off with a spatula.

AREA SERVICEMAN

JAMES C. BANDY

James C. Bandy, 20, son of Mr. and Mrs. Dewey J. Bandy, Route 1, Sudan, recently was promoted to Army Sergeant while serving with the 57th Signal Battalion at Ft. Sill, Okla.

Sgt. Bandy is a radio relay attendant with Company D of the Battalion X.

LARRY D. VAUGHAN

Private Larry D. Vaughan, son of Mr. and Mrs. Theron D. Vaughan of Route 1, Muleshoe, recently completed nine weeks of advanced individual infantry training at Ft. Polk, La.

During the course, he received guerrilla training and lived under simulated Vietnam conditions for five days, fighting off night attacks and conducting raids on enemy villages. He was taught methods of removing booby traps, setting ambushes and avoiding enemy ambushes.

Other specialized training included small unit tactics, map reading, land mine warfare, communications, and firing the M-16 Rifle, M-60 Machine Gun and the 3.5-inch Rocket Launcher.

His wife, Lynda, lives on Route 2, Sudan.

THE NEXT time the youngsters insist on a "sweet treat" after school, surprise them with this tasty recipe, and be giving them nutrition at the same time they are satisfying their hungry appetites.

COCO-ALMOND COOKIE CAKES

- 1/3 cup shortening
 - 1 cup granulated sugar
 - 3 eggs
 - 2 teaspoons vanilla
 - 1 cup unsifted all-purpose flour
 - 1/2 cup whole wheat flour*
 - 1/2 teaspoon salt
 - 2 teaspoons baking powder
 - 1 cup flaked or shredded coconut
 - 1/2 cup chopped natural almonds
 - 1/2 cup brown sugar (packed)
 - 1 tablespoon flour
- Cream shortening with granulated sugar; beat in 2 eggs and the vanilla. Sprinkle the flours, salt, baking powder and coconut over creamed mixture; mix well.
- Spread mixture evenly in 8-inch square baking pan.
- Beat remaining egg with almonds, brown sugar and 1 tablespoon flour. Pour evenly over mixture in pan.
- Bake at 350 degrees for 35 to 40 minutes or until pick inserted into center comes out dry. Cut into bars or squares.
- Makes 16 to 18 bars; 32 to 36 squares.
- * if unavailable, use 1 1/2 cups unsifted all-purpose flour.

HERE'S ANOTHER after-school treat the kids are bound to enjoy, and it will also provide good nutrition as well.

CHOCOLATE-ALMOND BANANA COOLS

- Melt semi-sweet chocolate bits in a saucepan over very low heat, stirring; mix in a little milk to thin to dipping consistency.
- Slice peeled bananas into 1 1/2 or 2-inch pieces; spear one cut surface of each with fork and dip each into chocolate to coat.
- Turn the fork in a shallow bowl of chopped or sliced almonds to cover sides and top.
- Place in shallow pan and freeze.

I WOULD like to add a few household hints to my column

Powder Puff Mechanics Course Set

South Plains College will offer a course in Powder Puff Mechanics beginning Oct 5. The course lasts five weeks, and is specifically designed for women.

Ladies will learn what to do and what not to do when their cars give them trouble, and will learn an easy way to fix a flat.

Other valuable information will be given by Claude Kirkpatrick, instructor of the course, and the class will meet each Tuesday evening from 7:30 to 9:30 in Room 112 of the Technical Arts Building.

Cost of the course is \$10. Women who have previously taken the course praise it highly.

For further information, contact the Office of Continuing Education at South Plains College, phone 894-4921.

BROILER WEEK

Governor Preston Smith has designated the week of September 12-18 as "Texas Broiler Week." Texas currently ranks seventh in the nation in broiler numbers with more than 184 million birds produced annually. The state's broiler industry boasts a total worth of almost \$100 million.

Comfort is...

Fresh, warm air gently circulating from floor to ceiling . . . down-to-earth dependability . . . easy-on-the-budget operating costs. Comfort is gas heating. There's no heat more comfortable.

And there's no heat cleaner than gas. Gas burns clean. It's one energy source that doesn't dirty the air.

Air-circulating gas heating systems also give you the first-half of a built-in gas air conditioning system. Adequate heat ducts can carry cool

air to your whole house too - so you can add-on gas cooling right away or later if you prefer. Together, gas heating and gas cooling are an unbeatable combination for year 'round total comfort.

If you're building a home or planning to replace an out-dated heating system, choose thrifty gas heat. Check with your heating contractor.

Notice

AN ACT BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS: SENATE BILL 249, Section 1. (a) This Act shall apply to every county in this State. In all the counties, each owner of any livestock shall within six months after this Act takes effect, have his mark and brand for such stock recorded in the office of the county clerk of the county. These owners shall record the marks and brands whether the brands and marks have been previously recorded or not.

FACTS CONCERNING RERECORDING OF BRANDS IN TEXAS

All brands and marks on Texas livestock must be rerecorded with County Clerks after August 30, 1971, according to a new law passed during the last session of the Texas Legislature. Producers will be given a six-month period (August 30, 1971 through February 29, 1972) in which to register these brands and marks and the location on the animal which they are currently using, after which time any unrecorded brand will be available for use on a "first-come" basis. Producers shall record the marks and brands whether the brands and marks have been previously recorded or not.

All brands and marks must be rerecorded every 10 years. Each County Clerk records for his or her given county only, so many producers may need to record their brands in additional counties if their operations are extensive.

The owner shall have the right during this six-month period to file the mark and brand now recorded in his name. In the event it cannot be determined from the records who first recorded the brand and mark in the county, then the person who has been using such mark and brand the longest shall have the right to have the brand and mark recorded in his name.

It should be noted that it is illegal to brand livestock without first properly recording the brand with the County Clerk in the county in which the livestock are held.

When the brand or brands are recorded, the location on the animal on which the brand is to be applied must be designated. If the brand is to be applied to more than one location on the animal, it must be so recorded and each additional location for the brand on the animal shall constitute a separate recording.

There is no limit to the number of brands and/or marks which may be recorded in a county by a person as long as requirements of this law governing the recording and rerecording of livestock brands are met. Minors may have marks or brands separate from that of the father or guardian, which must be recorded or rerecorded as provided by the new law.

After the expiration of six months from the taking effect of this Act, (February 29, 1972) all records of marks and brands now in existence in the County shall no longer have any force or effect and after the expiration of six months, only the records made after this Act takes effect shall be examined or considered in recording marks and brands in the County.

It is important to note that if a Producer filed his mark and brand several years ago and his brand is the only brand filed of that nature he will be able to retain his brand whether he files for it August 30, 1971, or November 1, 1971, just so he files for it by February 29, 1972. If he has not filed for it by February 29, 1972, then anyone may file for it after that date.

The fee of \$2.00 shall accompany each Application to Record or to Rerecord Marks and Brands.

The Lamb County Clerk's Office will begin accepting Applications to record or rerecord marks and brands on Monday, August 16, 1971; thereby, giving the Clerk's Office more time to check the previous marks and brands and determine that there shall be no duplications. In the event a Producer files his Application and upon the Clerk checking the records and it is determined that said brand has been recorded by another Producer, the County Clerk shall notify said Applicant that the

MR. AND MRS. Aubrey Oursbourn and daughter, Mrs. C. H. McClure returned Sunday from Richland, Mo. where they visited relatives.

MR. AND MRS. Othol Light and two daughters, Mrs. James Cowart and Mrs. Johnny Hodges visited relatives in Missouri last week.

BOB WORLEY returned home Saturday from Hi-Plains Hospital in Hale Center, where he received treatment for asthma.

MRS. LILLIAN GREEN is visiting her sister, Mrs. Viola Paxton in Lubbock. Mrs. Paxton fell in her home one day last week and broke her jaw. Mrs. Paxton is in Methodist Hospital.

THE REV. AND MRS. Gene Davis and Paul attended the bi-annual General Conference of the Assemblies of God Church held in Kansas City, Mo. recently. Enroute to the con-

requested brand is not available.

The applications will be held in the Clerk's Office and will be recorded in the bound book on August 30, 1971, or as soon thereafter as possible. The date of the application shall be the date considered for the "first-come" basis.

The Applications To Registrar Marks and Brands may be obtained at the Lamb County Clerk's Office and the staff will be happy to assist in completing and filing the Applications.

Public Hearing Notice

Southwestern Public Service Company, Plant X, P. O. Box 1261, Amarillo, Texas 79105, has applied to the Texas Water Quality Board for an initial waste control order for an existing discharge not to exceed an average low of 1,450,000 gallons per day of industrial wastewater (97.0% cooling water, 6% process water, 2.4% boiler blowdown) from the electric generating station which is located four miles south of Earth on F.M. Road 1055 and in Cottle County School Land, League 240, Lamb County, Texas. The industrial wastewater effluent is retained in an evaporation pond and there is no discharge to the surface waters of the State. A public hearing on this application will be held in the Texas Water Quality Board Fourth Floor Board Room, 314 West 11th Street, Austin, Texas at 9:00 a.m. on September 30, 1971, to receive evidence on the conditions, if any, under which the order may be issued. Additional data will be developed at the hearing, but further technical information concerning any specific aspect of the discharge, if available, can be obtained by writing the Texas Water Quality Board, P. O. Box 13246, Capitol Station, Austin, Texas 78711.

SEVEN LETTERMEN BACK

Young Amherst Team Fired Up For Season

Amherst has only seven returning lettermen this season after losing 13. The Bulldogs' weak spot, then, is experience. Although some have played quite a bit,

new Bulldog head coach Truitt Read said the team is still young.

Strong in their favor is desire, enthusiasm and spirit. Leadership is good, too, with several seniors who are "balls of fire."

The Bulldogs face a rough non-conference schedule, playing tough-as-a-boot Springlake-Earth in their first tilt.

District-wise, there's Anton and Matador to contend with. "And we'll be there to win them all," Read said.

Senior quarterback Doug Cummings heads up the Bulldog offense which will run the double slot, wide-spread formation. Weighing 160, Cummings is one of the three Bulldog captains.

Other returners are Butch Sutton who's been playing linebacker and end and will probably be the Bulldog fullback this season. A 175-pound sophomore, Sutton is one of the captains. Lonnie Burton, 220-pound senior offensive and defensive tackle completes the leading trio.

A number of Bulldogs are fighting for starting spots in the offensive line-up. Definite starting positions will be detailed after the scrimmage this Friday with Whiteface.

Kim Harmon, 175-pound senior, returns as a tackle but will probably start in the backfield this fall. Danny Carter is pegged as defensive halfback. Len Ivey, a 150-pound senior, is a lineman both defensively and offensively.

Randy Fullenwider, 160-pound junior, will probably play defensive end or linebacker and tackle on offense. D. J. Johnson, 160-sophomore, is slated for tackle and defensive end. Steve Taylor, 140-pound sophomore, is offensive guard and back-up middle guard. Terry Lerner, a junior, will start at end.

A freshman, Stanley Miller, will start at defensive linebacker and may go both ways. David Rangel is a 165-pound starting back. Wes Gage, a 150-pound sophomore, is one of four in the running after starting positions in the Bulldog backfield.

Other possible starters are Lewis Jimenez, a junior and probable starter at end. Danny Carter is his contender. Randy Stanley is a possible starting wingback.

The four seniors, Harmon, Cummings, Ivey and Burton, are the backbone of the Bulldog experience. "We're young and inexperienced," Coach Read said, "but the players have a great attitude. They want to play."

CAPTAINING THE Amherst Bulldogs are Doug Cummings and Lonnie Burton, both seniors, and Butch Sutton, a sophomore. Truitt Read, Amherst's new head football coach, goes over a play with the trio.

RECEIPTS UP

Cash receipts from livestock marketings in the U.S. for 1971 should top last year's \$29.6 billion, says Dr. Ed Uvacek, Extension livestock marketing specialist. Producer prices for livestock next year will probably average well above those in the first half of 1971. This suggests that cash receipts from livestock marketings could run nearly \$1 billion higher in 1972.

Amherst Meets Springlake-Earth

Six big games highlight the schedule for the area's seven teams as they open the season Friday night.

The spotlight will be on a pair of the tilts, with Class B Amherst traveling to Class A Springlake-Earth and Class AA Littlefield facing the Crosbyton Chiefs.

Anton's Bulldogs will be at home against Wilson, but Whitharral and Olton will be on the road.

Sudan travels to Sundown, Whitharral goes to Klondike and treks to Tulia.

All the games are at 8 p.m. Friday.

Duffy-Monroe Team Wins Labor Day Me

Neil Duffy and Smiley Monroe, Littlefield Country Club champions the past two years, teamed up to win the Labor Day Partnership here Sunday.

The pair shot 135 to take top honors in the two-day, 36-hole tourney. Their seven-under total edged three teams which carded 136's.

Second place went to Bill Glenn of Dimmitt and Alvin Webb of Littlefield. Third place was won by Muleshoe's Dick

Johnson and Irvin St. Clair. These spots in a play-off were won by Johnson, who was playing partner after Dick Tubb won Saturday's play.

The defending champion from Dub Malaise and Johnny Lubbock, didn't get going in their first day 74 placed them in flight, but they went on to win with a 142, even par.

Second went to Lowe-Carter third were Nelson-Nelson, after both teams were 145 in regulation. Marlin Bumpass and Fred Slaton won the second flight while Crawley-Tabor and Salmon split second and money.

In the third flight, Nick Barlow with 158, while Bowman's second at 159 and Lamar's third at 161.

TWENTY QUESTIONS

Know Your Boating Safety?

You own and operate a motorboat, and you think you do a good job. But how much do you really know about your boat and the laws under which you operate?

Take the following test from the Texas Parks and Wildlife Department and find out how much you know.

Circle what you think is the correct answer at the end of each question, and then check your answers with those at the end of the test.

Each question counts five points. A score of 70 percent is passing. If you make less than 70 percent, you'd better brush up on boating safety. It could save your life or the life of someone you love.

1. A person may ride on the gunwale or

seat back when a vessel is underway. (True, False)

2. It is required that the Certificate of Number be aboard the motorboat when it is in operation. (True, False)

3. The three basic situations in which the nautical rules of the road apply are crossing, overtaking, and meeting head-on. (True, False)

4. Motorboats must yield the right-of-way to rowboats and sailboats. (True, False)

5. Every boat must have a Coast Guard approved life saving device for each person on board. (True, False)

6. You are responsible for damage

caused by the wake of your boat. (True, False)

7. When fueling, it is important to keep the filler spout in contact with the tank to prevent sparks caused by static electricity. (True, False)

8. If your boat capsizes, you should immediately head for shore. (True, False)

9. It is not necessary to report boating accidents unless someone is killed or injured. (True, False)

10. Motorboats of closed or semi-closed construction are required to have aboard one or more Coast Guard approved fire extinguishers. (True, False)

11. Water should be used to put out gasoline, oil and grease fires. (True, False)

12. The first thing to do if a person falls overboard is to swing the stern of the boat away from him. (True, False)

13. Keep to the left in narrow channels. (True, False)

14. Gasoline vapor is heavier than air and therefore tends to collect in low pockets in the bilge of the boat. (True, False)

15. The buoys in a channel are either red or blue. (True, False)

16. After Jan. 1, 1972, boats required to be numbered are: a. Canoes, b. Sailboats, c. Rowboats, d. All of the above if propelled wholly or in part by machinery.

17. Registration numbers displayed on a motorboat must be: a. At least three inches high, b. Black, c. Placed on the stern, d. All of the above.

18. A small craft storm warning pennant is: a. A black square, b. A red triangle, c. A red square, d. A yellow triangle.

19. A red flag with a white stripe running from one upper corner to a diagonal lower corner which is displayed from a buoy or boat means: a. A storm is approaching, b. Someone is in distress, c. Diving operations in progress, d. Boat is at anchor.

20. Mouth to mouth resuscitation should be used if necessary in the following cases: a. Drowning, b. Smothering, c. Electric shock, d. All of the above.

Answers: 1. (F) 2. (T) 3. (T) 4. (T) 5. (T) 6. (T) 7. (T) 8. (F) 9. (F) 10. (T) 11. (F) 12. (T) 13. (F) 14. (T) 15. (F) 16. (d) 17. (a) 18. (b) 19. (c) 20. (d)

SPECIAL ATTENTION

An ear infection deserves the immediate attention of your family doctor or a medical ear specialist. Don't use self-prescribed medications in treating such maladies.

MOURNING DOVE—WHITE-WINGED DOVE

Hunting Regulations-1971

DAILY BAG LIMITS

MOURNING DOVES

Daily Bag Limit-10, Possession Limit-20

WHITE-WINGED DOVES

Daily Bag Limit-10, Possession Limit-20

NOTE: Bag limits of both white-winged and mourning doves may be taken during the open white-winged season.

SHOOTING HOURS:

● Mourning and White-winged Doves: 12 noon to sunset.

OPEN SEASONS

MOURNING DOVES:

North Zone-September 1 to October 30

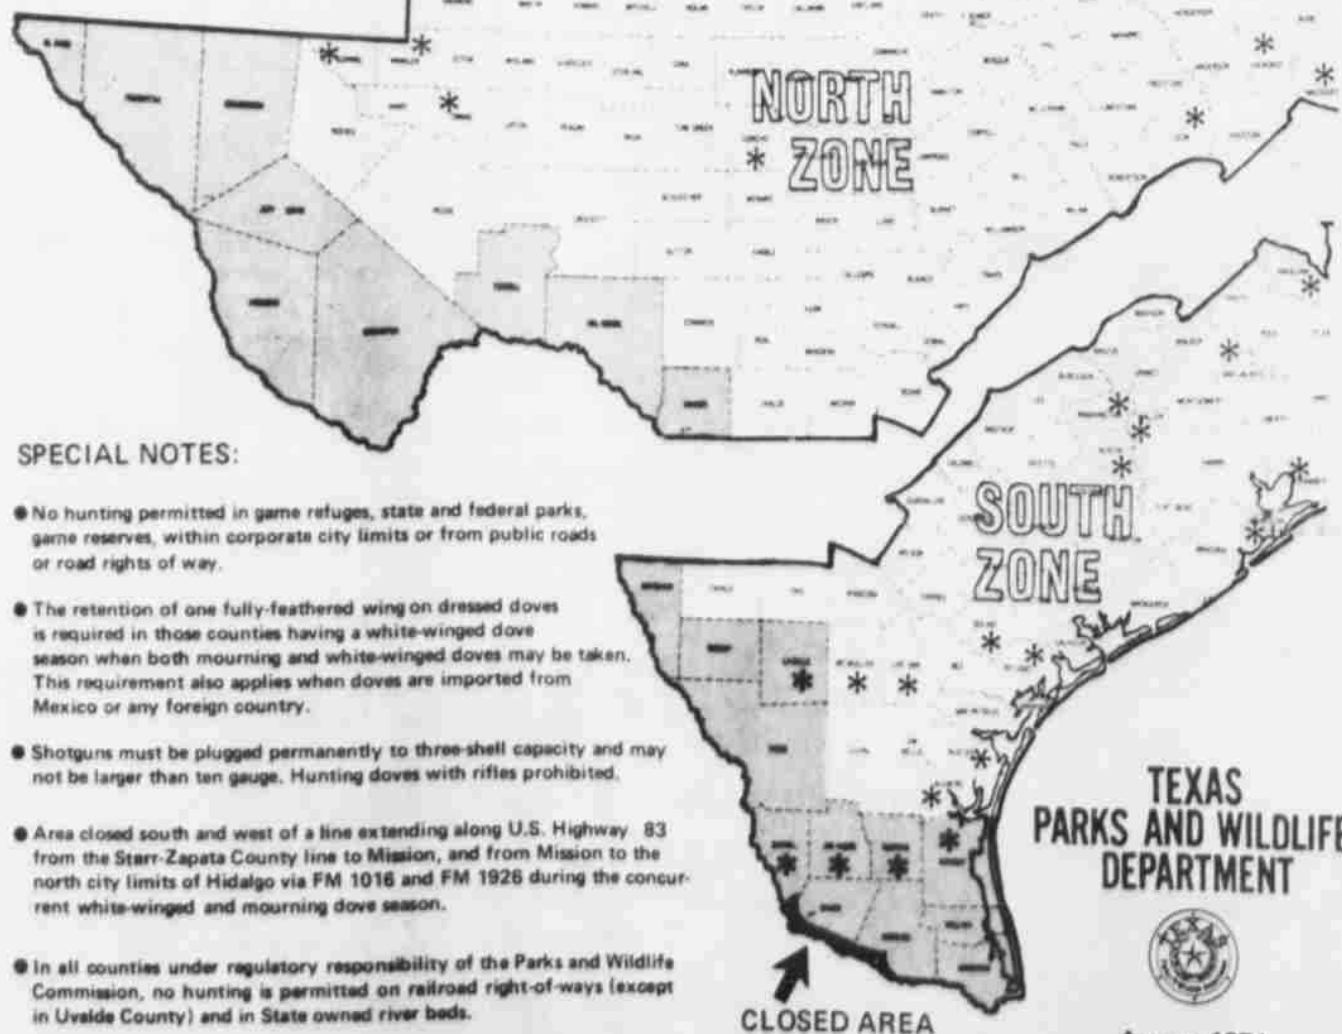

MOURNING DOVES:

South Zone-September 25 to November 23, except in those counties having white-winged season where it will be September 4 & 5, September 11 & 12 and September 25 to November 19.

WHITE-WINGED DOVES:

Shaded Zone-September 4 & 5 and September 11 & 12

NOTE: Both mourning and white-winged doves may be taken during the open white-winged dove season.

SPECIAL NOTES:

- No hunting permitted in game refuges, state and federal parks, game reserves, within corporate city limits or from public roads or road rights of way.
- The retention of one fully-feathered wing on dressed doves is required in those counties having a white-winged dove season when both mourning and white-winged doves may be taken. This requirement also applies when doves are imported from Mexico or any foreign country.
- Shotguns must be plugged permanently to three-shell capacity and may not be larger than ten gauge. Hunting doves with rifles prohibited.
- Area closed south and west of a line extending along U.S. Highway 83 from the Starr-Zapata County line to Mission, and from Mission to the north city limits of Hidalgo via FM 1016 and FM 1926 during the concurrent white-winged and mourning dove season.
- In all counties under regulatory responsibility of the Parks and Wildlife Commission, no hunting is permitted on railroad right-of-ways (except in Uvalde County) and in State owned river beds.
- A white-winged Dove Stamp for a \$3.00 fee is required of all persons who hunt white-winged doves. This stamp is required in addition to the valid hunting license.

* Counties not under regulatory responsibility of the Parks and Wildlife Commission

County Crude Production Aids Economy

Production of Texas crude oil last year again hit an all-time high while additions to reserves continued to lag, according to the latest compilation of the Texas Mid-Continent Oil & Gas Association.

Lamb County, which has had recorded production since 1945, had a total crude oil output of 11,601,829 barrels up to the beginning of 1971. Lamb County production in 1970 was 369,376 barrels at the rate of 738 barrels daily.

Fifteen counties produced more than 25 million barrels with Andrews topping the list with 71,684,656 barrels followed by Ector with 68,562,247 and Scurry with 58,065,376.

Gregg remained the all-time champion with a cumulative production of 2.2 billion barrels. Ector is second with 1.7 billion barrels.

The state's oil fields produced 1.2 billion barrels of crude bringing the total for the past 81 years of recorded production to 34.1 billion barrels.

"Economic benefits from the production were felt throughout Texas," says Kenneth E. Montague, Association president, "as 205 of the state's 254 counties had producing oil wells. It is unfortunate that more oil was produced than was found in Texas—pulling our reserves down for the third straight year."

Industrial Tour Scheduled Sept.

The industrial tour for Sept. 10-11, as sponsored by the Chamber of Commerce, will be held Tuesday morning, Sept. 10, at Line Irrigation. Those interested in making a tour are asked to contact Chamber office, 385-4411.

Theft, Vandalism Checked By Police

City police are investigating a lawn edger, and a case of vandalism at Gregg Upholstery Shop. A citizen reported to police Tuesday morning that a Wizard gas edger had been stolen sometime from a trailer while it was parked at residence. Another citizen reported to police that a 6'x7' plate glass window at Upholstery Shop had been hit and broken with a rock.

"Can't you read these signs?"

RENFRO BROS. 42nd

Anniversary Celebrated

Not many cities can boast of a business operated within it 42 consecutive years by twin brothers whose earliest customer has shopped with them faithfully all those years—and still does.

But Littlefield rightfully can make this claim.

Norman and Raymond Renfro, twin brothers, came here in 1926, right after the peak of the land boom, and in 1929 opened Renfro Bros. Grocery and Market in a small wooden building on the east side of Phelps Avenue, in about the 300 block.

Previously the brothers had worked for other grocery stores here—after farming west of town that first year—and decided to open their store. They asked Bob Cox, of Cox Tin & Plumbing shop, if he would become their customer should they begin their own business. Cox said yes and has stuck with his word 42 years.

Two years after launching their business venture, the brothers moved their store across the street, still on Phelps, into a brick building that is now occupied by the new portion of Perry Bros. Variety.

Through the years, the business grew and expanded, and Renfro Bros. Grocery and Market was moved to its present location at 819 E. 4th St.

The brothers have in their possession a Sept. 10, 1931, edition of the Lamb County Leader in which the entire front page is dedicated to the

celebration of their second anniversary as a Littlefield business.

Quotes from the edition include:

"Raymond and Norman Renfro, known throughout Littlefield and in this section as the 'Renfro Twins,' established their business firm in the faith that Littlefield and this section were without peer in offering an opportunity to young men in business."

"Throughout the two years of their business life they have never lost sight of the fact that success in business comes only through honesty in dealings and a continued active interest in serving the public."

"There is one thing that everybody knows is true of the Renfro Brothers. They work early and late in serving their customers."

"These young men were employed by Littlefield grocery concerns previously to entering business for themselves, coming to the city about five years ago from McKinney, Texas."

Norman said he first came here in October of 1925 and stayed a few weeks. The next year he and his brother came to stay.

On the back of the 1931 edition is a full page ad, a "Whale of a Sale," celebrating the second anniversary.

It is believed the Renfro Brothers have been in the same business the most consecutive years of anyone in Littlefield,

although Norman stated he would not want to be "quoted on that as a definite statement".

The Renfro Bros. Grocery & Market has been a consistent advertiser in the Leader-News for the 42 years they have been in business.

Alton Renfro, a brother of the twins, has been associated with his brothers as market manager approximately 40 years.

Stanley Aaron has been with the Renfro Brothers for the past 11 years and is now the store manager.

This week, Renfro Bros. celebrates its 42nd year in the grocery business in Littlefield.

Queens Named

At TOPS Club

The Be-Little TOPS Club met Tuesday evening with the chairman, Hazel Davis, presiding.

Queen of the month was Joyce Caldwell, with a 7 3/4 pound loss. Runner up was Rose Zyburra with 4 1/4 pound loss. Loss for the month was 13 3/4 pounds.

Ora Streety was named KOPS Queen.

Weekly queen was Rose Zyburra with 4 1/2 pound loss. Runner up was Joyce Streety with 1 3/4 pound loss. Loss for the week was 7 1/4 pounds.

There were thirteen members present.

GM's answers to your questions about the automobile excise tax.

THE PRESIDENT OF THE UNITED STATES, IN HIS ADDRESS ON SUNDAY AUGUST 15, RECOMMENDED TO CONGRESS THAT IT REPEAL THE 7% EXCISE TAX ON PASSENGER CARS EFFECTIVE AUGUST 15.

What is the excise tax?

The excise tax on cars is a 7% Federal tax imposed on the wholesale price of the car and is included in the manufacturer's suggested retail price as shown on the price label on the car.

What will you have to do to collect the refund?

Your dealer will furnish General Motors the names and addresses of purchasers who qualify for the refund. We will then arrange for the refund directly with you.

Who will receive the refund if the excise tax is repealed?

If Congress follows the recommendations of the President, GM will pass along the full amount of the excise tax reduction to purchasers who took delivery of a new General Motors car between August 15 and the date the tax is repealed.

Who will pay the refund?

General Motors will pay the refund to you as soon as possible, if the tax is repealed. Then GM will arrange for reimbursement from the government.

This is an excellent time for you to see us about a new 1971 Olds, Cadillac, Pontiac or GMC Pickup. We have a wide variety of models for immediate delivery.

NEW LITTLEFIELD 4-H Club officers are: left to right, Sharla Cook, president; Dean Walden, vice-president; Gary Lichte, secretary-treasurer; and Regina Macha, reporter. The club met in the District Court Room Tuesday night and discussed plans for the Annual 4-H

Fair that will be held in the Lamb County Courthouse Saturday. The public is invited to attend. A bake sale will be held in conjunction with the fair and the proceeds will be used to help defray expenses of the fair.

Know Your Status

A wife's ignorance of the family's financial situation can lead to serious complications in the event of her husband's death, according to Frank T. Rea, president of the Texas Society of Certified Public Accountants.

He advises wives to look into arrangements made for their future, citing statistics showing that, on the average, women live five years longer than men; and also that most wives are younger than their husbands.

"These facts," Rea says, "support the point that a woman, likely to outlive her husband, should acquaint herself with

family finances and prospects for survivors in the event of the breadwinner's death."

He poses some questions a wife can ask herself to test her knowledgeability about a situation she is likely some day to face:

"Should your husband die, where would you look for his will, stock certificates, insurance policies and other valuable papers?"

"Do you have a list of his holdings? What about employee benefits or pension plans at his place of employment? Would you be eligible for social security benefits?"

"In what banks does he have deposits?

How would you gain access to safe deposit boxes?"

"Would the mortgage on your home have to be paid or is it covered by mortgage insurance?"

"Who is his lawyer, his stock broker, his insurance man and his accountant?"

Rea advises wives who can't answer such questions to ask their husbands for the information.

His advice to men is that, while it is admirable to make adequate provision for one's family, it is imperative that the wife be informed of these arrangements. Otherwise, much of the benefit of the financial planning may be lost.

Texas Baptists Seek To Raise \$1 Million

Texas Baptists in nearly 4,000 churches across the state will seek to raise \$1 million in a special offering in September as part of their greatest effort in history to apply Christ's love to the spiritual and physical needs of all Texans.

The \$1 million goal for the Mary Hill Davis Offering, named after a pioneer missionary, accompanies a week of prayer for state missions in Texas Baptist Churches Sept. 12-18.

"We are urging every Texas Baptist church to have a part in the largest offering of this type in history," said Dr. Charles McLaughlin of Dallas, secretary of the denomination's State Missions Commission. Sunday, Sept. 26, has been suggested as "ingathering

Day" when the church members bring their offerings and share in a special service of dedication.

About 400,000 dime banks, each of which will hold \$5, have been sent to Texas Baptist churches throughout the state, said Miss Eula Mae Henderson, executive secretary of the Woman's Missionary Union.

About one third of the offering will be used for new missions work in metropolitan areas where such ministries couldn't otherwise be started.

Other urgent missions needs

which the offering will help fund include: a transition program for church buildings which to build, a "care and maintenance" program to provide facilities for Latin American congregations, a mobile unit to serve worthy Latin American Negro students, the River ministry in Minnesota-Wisconsin student summer camps, the Mexican Baptist Institute, San Antonio Valley Baptist Harlingen.

Cloud Seeding Conference Set

Texas municipal and agricultural groups interested in the possibilities of terminating drought by cloud seeding have been invited to attend a Southern Great Plains Weather Modification conference to be held in Oklahoma City, Okla., Oct. 6.

The meeting was called by Governor David Hall of Oklahoma upon recommendation of the Oklahoma Weather Modification Study Committee, headed by Ferdie J. Deering, editor and manager of The Farmer-Stockman magazines.
