Group Sets Bake Sale

Mrs. Beulah Dunlap was named chairman of a decoration committee for Chamber of Commerce Banquet during the regular meeting of "We, The Women" Tuesday noon, and Saturday, Oct. 22, was chosen as date for the organization's annual bake sale. Hostesses for the monthly meeting were Mrs. Louise Bennett and Ruth ...

NEW CHAMBER of Commerce board members are, left to right, Kip Cutshall, Bob Roden, Hubert Henry and E. D. (Buddy) Bingham. These new C-C directors will take office Feb. 1.

Improved Danny Spies Coming Home Soon

Danny Spies may be at home in about two weeks. His father, Gene Spies, reports that he spoke with Danny on the phone about 8:45 a.m. Wednesday. Danny told his father he was getting a bath while he was talking. "He speaks good sentences, but still rather softly," Spies said. "We thought we might get to bring him home this weekend, but his doctors feel they will not get to work with him enough to permit his release before next weekend," Spies continued. "They've begun raising his head a little more each day, and so far no complications have arisen. Most of the soreness he's had is just about gone, and he's more relaxed now," he said. "They plan to take him down to the

physical therapy room for the first time Friday," Spies said, "and when we get him home, we will continue some form of therapy every day. He'll have to return to Methodist Hospital once a week for therapy there."

Danny has been in the Lubbock hospital since Aug. 30, when he was injured by a run-away motorcycle in Laguna Park.

Felipe Cristan, also injured in the incident, came home from the same hospital Saturday, Oct. 11.

"We'll certainly be glad to have all our family at home again," Spies con-

Survey Says Incomes Are Better In Area

According to figures compiled in a nationwide survey of family incomes, residents of Lamb County have been improving their financial position in the last few years.

With wages and salaries on the rise generally in the area, most local families have benefited.

As a result, more of them are now to be found in the "over \$5,000" categories and fewer in the lower income groups than ever before.

The extent to which these changes have been taking place, with the step-by-step progress into higher income brackets, is detailed in a copyrighted report released by Sales Management.

It shows, for communities throughout the country, the proportions of their populations in each income division.

The purpose was to gain a better picture of the purchasing power of a locality than is afforded by the "average income" figure.

It shows whether the so-called average represents earnings that are well distributed or whether they are unbalanced by a few families with big incomes compensating for many more with small incomes.

In Lamb County, it appears, the balance is good and the general level of earnings relatively high.

Locally, at the beginning of this year, some 62.3 percent of all households had disposable cash incomes of \$5,000 or

Area Bank Deposits Show Healthy Gains

Despite soggy weather and the delayed harvest, deposits in Lamb County banks are up over \$2 million compared with the same period last year.

Deposits are up \$2,051,116.94 over the bank call date Oct. 30, 1968 in the six Lamb County banks, Anton's Citizens State Bank and Littlefield Federal Savings and Loans.

Most banking officials attribute the increase to farm program payments and a good grain crop.

Deposits for the eight establishments Oct. 30 last year were \$48,928,890.44 compared to \$50,980,007.38 on Oct. 21, 1969, the official federal and state bank call date this quarter.

Loans are up \$987,934.38 this year. Loans for the period ending Oct. 21 totaled \$29,935,781.82. For Oct. 30 last year, loans totaled \$28,947,847.44.

Both deposits and loans are up at Littlefield Security State Bank, Olton State Bank and Littlefield Federal Savings and Loans.

Deposits are down and loans are up at Earth Citizen State Bank and Littlefield First National.

Deposits are up and loans are down at Littlefield Federal Savings and Loan, Anton Citizens State and First National Banks at Sudan and Amherst.

The Littlefield Security State Bank had \$11,481,991.34 in deposits for this quarter. Deposits for the third quarter last year were \$10,153,895.74, showing an increase of \$1,328,095.60. Loans are up \$1,421,556.68 with this year's loans

AT SPECIAL MEETING

City Joins Area Fight On Gate Rate Increase

City councilmen have passed a resolution opposing the application of Pioneer Natural Gas Company for an increase in the natural gas gate rate which will be applicable to the city of Littlefield, and have resolved to "actively participate in any group of West Texas cities organized for the purpose of contesting said application."

The resolution was adopted in a special called session Monday.

The resolution continues: "And will contribute on a pro rata basis on the cost of the gas, as determined by the number of Pioneer Natural Gas Company users within the city of Littlefield and the number of such users within all cities participating in such organization and contest."

The council's action came as a result of Pioneer's request to the Railroad Commission for an increase in the "gate rate" from 28 cents to 34 cents per 1,000 cubic feet of gas, in a territory covering 61 cities, towns and villages, located from Pampa on the north, Odessa to the south, Quitaque and Turkey to the east, and the New Mexico line to the west.

The "city gate rate" is the fee charged to transmit gas from a producing area to the city where it is used.

City Manager Jim Shearer emphasized the cost to Littlefield by saying, "If the proposed increase is passed on to citizens, the cost per meter per month would amount to 75.9 cents. There are 2,104 meters in Littlefield, and you can visualize the cost involved," he said.

A spokesman from Pioneer offices in Amarillo was quoted in the Oct. 6 issue of "The Wall Street Journal" as saying that the cost of gas in the field, labor, materials and supplies, as well as increased interest rates makes the increase necessary.

A new gate rate won't have any immediate effect on current gas rates, the company said, but according to the Wall Street Journal, the spokesman indicated that if the increase is approved, it will probably be followed by requests for increased rates from the West Texas cities where Pioneer delivers its gas.

A hearing on the request to the Railroad Commission, which serves as Texas' oil and gas regulatory agency, has been scheduled Nov. 4, before the Commission in Austin, at which time protests by the cities involved will be filed. A postponement has been requested by the cities.

Cities are retaining legal counsel, an accounting firm and engineers to study the proposed increase and develop arguments against it.

To fight the proposed increase, Shearer said it may cost Littlefield from \$1,052 to \$1,578 or 50 to 75 cents per meter, depending upon how many cities participate and the extent of the case.

"We feel citizens are entitled to representation in this matter, and we feel

See PIONEER, Page 2

Street Garbage Pickups Continue

It's still trash-in-front weather in Littlefield, and city employes have been making two trips across town per day in most areas, to take care of trash pickups.

Extremely muddy alleys have prevented alley pickups, and citizens are asked to place trash containers at the curb on paved streets.

"We appreciate the cooperation of citizens in placing their cans at the curb," City Manager Jim Shearer stated. "We realize this is an inconvenience, but we'll be back in the alleys as soon as the weather permits", he concluded.

Pick-Up Driver Injuries Critical

Romeo Kirven, a 49-year-old Sudan Negro, is in critical condition in a Lubbock hospital following a pick-up-truck-tractor accident Sunday afternoon.

Both vehicles were traveling east on U. S. Highway 84 two miles west of Amherst. Weldon Parson, highway patrolman who investigated, said the semi-truck driven by Grandville Leon Mays of Clovis, N. M., was on the inside lane and the pickup in the outside lane, when apparently the driver of the pickup turned suddenly to his left in front of the truck.

The truck struck the left side of the pick-up by the driver's door, went into the median uprooting a tree and shearing the pick-up in half. The vehicles continued down the median and struck another tree uprooting it, with the truck coming to a stop on top of the pick-up.

Kirven was taken to Lubbock by Hammons ambulance for surgery and treatment of internal and head injuries, a fractured left leg and right ankle.

Five hours were required to clear the wreckage.

ROMEO KIRVEN of Sudan was critically injured Sunday afternoon in a Highway 84 mishap two miles west of Amherst. Kirven was still in the disected pickup when the truck tractor came to rest atop the tree root and cab. The pickup bed, rear chassis and wheels were left up the road about 50 yards near the first tree the vehicles struck.

2 Decides Grid Contest

Two was the magic number in the News football contest this week, as it took their toll on the guessers. Only 12 contestants got 12 games and the final results on tie-breakers named these winners:

1st, Jenice Pollard of Rt. 1, Sudan, 2nd, Randy Bales of Rt. 1, 3rd, and third, Doc Bowman of Amherst, \$2.

Doc Bowman, who leads the contest this season, it was his second time to "win the money."

He holds the season lead with 92 points right, four ahead of four other contestants. Season standings are on page

the other nine who got 12 games and shared the prizes were John Waters of Sudan, Joe Bellar of Sudan, Troy Smith of Amherst, and Alice Sell, Bob Bromlow, Joe Don of Sudan, Loyd Hood and Carl Odum, all of Littlefield.

There's still time to enter the contest. Just get an entry blank from Sunday Leader-News and turn it in or to the Leader-News by Friday at 5

o'clock. There's a typographical error in one game in this week's contest. Check in the lower left-hand corner. The contest should read "Snyder vs. Slaton" rather than Smyer vs. Slaton.

SCENT PARK has some unusual inhabitants these days—sea gulls! We saw the gulls were blown in with our rainy days and the damp climate of our fancy. Two are shown making a landing near the south end of park.

Water Shortage

Students at the Sudan schools were sent home before 9 yesterday morning because there wasn't any water.

It was a dilemma that met W. E. Hancock, superintendent of schools. The roads in the Sudan school district were all so muddy school buses hadn't been able to run off the pavement all week.

But the main water line in Sudan broke early Wednesday morning and residents found themselves up to their rain caps in moisture but without city water.

EDITORIALS

What The Leader-News Thinks

Take Care!

HALLOWEEN MAY SEEM harmless enough a tradition, but each year some unsuspecting children are treated with tragedy instead of the expected sweet or surprise.

Give it a little thought, and you'll see how a Halloween celebration could trigger any one of many accidents.

TAKE A GROUP of excited children about dusk on the streets and you have an excellent potential for a traffic accident. If these children are in dark clothing and wearing a mask restricting their vision, your chances for a traffic fatality are even better.

Masks may contribute to other possible hazards. One limiting vision may cause a fall or prohibit a youngster from seeing glass, steps or other potential danger. For the very young, a mask may pose a problem of suffocation.

BULKY, POORLY FITTING costumes may catch on fences or bushes, or even cause an additional traffic hazard.

If your "little goblin" wants to be a pirate and carry a knife or sword, insist that it is a toy or cardboard one.

Painful burns or even more tragic accidents may await a youngster carrying a candle-light pumpkin or dressed in flimsy, flammable clothing. Avoid this by using a flashlight—never a candle—to light a jack-o-lantern and by flameproofing costumes.

TO FLAMEPROOF a costume, dip in a mixture of three quarts warm water, seven ounces borax and three ounces boric acid. Repeat the process each time the garment or costume is washed.

One of the most helpful precautions to take for youngsters is to be sure that they are properly supervised by an adult or responsible older child. And, if they are your children, have them stay in their own neighborhood.

IF YOU ARE DRIVING on Halloween, especially at dusk, drive slowly and be especially careful on side streets.

Brighten the way for the children by keeping your porch light burning. If you prepare any decorations or costumes for the occasion, be sure they are flameproofed.

With proper precautions Halloween can be a lot of fun.

"All right, I want to see a little student unrest!"

THE FARMER'S WIFE

Tale Of Woe

By LIBBY MUGGETT

THERE'S MANY REASONS why I'll never make a news reporter or a photo journalist. But the main one is that men from Mars could land on this farm out here and I'd try to get them to please move out of the way so I could get a shot of that gorgeous sunset before all the colors changed.

Had occasion to be in Albuquerque the other Friday evening and the moon began to rise over the Sandia Mountains just about twilight. I determined to shoot that lovely scene from the motel terrace while the light was right.

JUST AS I HAD everything in focus, a young fellow with long sideburns ambled in front of my camera. With my usual singlemindedness, I waited until he ambled on.

Again just as I was ready to snap, another young buck trekked in front of me with the grace of a cat. Impatiently, I waited until he slithered on by.

ONCE MORE just as everything was right and I was about to click the shutter release, two muscular lads sauntered into my viewfinder.

By now, the light was fading fast and the moon was dangerously close to being already risen instead of just rising.

I lowered my camera, stomped my foot, and glared at several other young men, some tall, some short, but all muscular and well built, that were getting ready to walk into camera range.

ONE OF THEM, a dead ringer for Bobby Hayes except that he had a short beard, halted and stopped the others with "Hey! Can't you guys see you're gonna ruin the lady's picture?"

At that, they all politely stopped and patiently waited until I got that stupid shot of the moon rising over the Sandias.

THAT NIGHT on the late TV news I learned that they were all part of Arizona's football team in town to play the University of New Mexico the next day.

I was immediately convinced that I had had the chance to take a photo of a future Don Perkins or maybe even a budding Johnny Unitas or Bart Starr.

PAUL HARVEY

Want To Be A Cop?

HOW WOULD YOU like to have a dangerous, underpaid job with irregular hours, dealing with rotten people?

"Fringe benefits" include kids calling you "pig," hoods calling you "fuzz," and unseen others throwing bottles or bullets at your head from apartment windows.

I don't know who'd want a job like that but some men—even some women—do. Fortunately, for, if our cities are jungles in spite of our lawmen, we'd be in a hell on earth without them.

A POLICEMAN'S LOT is not a happy one, yet applications for the force have recently doubled in Detroit. Cleveland has 1,400 applicants for 500 job openings—and for 146 years men have been standing in line to become Texas Rangers.

Detroit and Cleveland recruited those recent applicants with a regular advertising campaign. Denver and San Francisco are similarly seeking to promote police recruiting with measurable success.

THE INTERNATIONAL ASSN. of Chiefs of Police reports that "most departments remain under authorized strength."

Television cops, Raymond Burr and Jack Webb, have made recruiting tapes for Los Angeles, Pittsburgh, Seattle, Zanesville, Ohio, and other cities.

But Roy Holladay of the police chiefs' association says recruiting is stimulated by urban riots perhaps more than by advertising.

SOMETHING ABOUT the menacing disturbances in our

THEY WEREN'T ALLOWED to leave the motel grounds that night and were just killing time. They would have willingly talked and posed until the coach finally made them go to their rooms (which was at a pretty late hour, believe me, and they were one more noisy bunch of kids.)

The next morning while I was having breakfast in the motel coffee shop, the whole team filed past me one by one with that particular grace possessed only by well trained athletes in top physical shape.

BY NOW I was much wiser, but cameraless. Sick at heart, I picked out the exact ones I was sure would someday be his generation's Jimmy Brown or Joe Namath or Bob Lilley or O. J. Simpson.

I decided to run get my camera and catch them as they came out of their reserved dining room after they'd eaten breakfast.

I WAS INFORMED that they would be in there for several hours. Something called skull practice. I left feeling that I was the one that needed the skull practice, not them.

I fervently hope that nobody, absolutely nobody, from Arizona ever makes a pro football star. I'll be certain to my dying day that he was one of the ones with time on his hands that I could have interviewed and photographed.

THIS TALE of woe gets sadder. A few hours before trying to get the shot of the moonrise, I was trying to get a shot of an airplane's propellers catching the sun's rays as they slowly stopped whirling.

A noisy crowd kept getting in my way, but by gritting my teeth and plodding on in my singleminded way, I got the shot I was after.

THE SAME LATE TV newscast that enlightened me about the Arizona football team also explained the existence of that noisy crowd at the airport.

Glenn Campbell had just flown in to go deer hunting.

With my stupidity and luck, the shot of the moonrise will be underexposed and the propellers will be overexposed.

streets appears to focus attention on police problems and motivate men to "serve where they are needed."

Where heretofore police departments have sought to sell law enforcement as a "career with good pay and retirement benefits," now they are appealing to the conscience of men who want to join "a domestic peace corps" without which our nation is threatened by chaos and anarchy.

Pittsburgh ads emphasize, "It takes a man to take this job."

A SAN FRANCISCO recruiting poster reads, "Murder, rape, looting, chaos—that's why we need cops; that's why we need you!"

The elite corps of Texas Rangers never has had a recruiting problem. Last month eight new rangers were selected from among 500 applicants.

Rangers have had an uncomfortable problem along the Mexican border. During disputes over illegal entry of Mexican-American farm workers they have been accused of "brutality." Yet among those wanting to be Rangers are some Mexican-Americans.

A RANGER IS PAID no more than a sergeant in the state highway patrol, yet they enjoy an enviable "image" with the public at large.

Texas Gov. Preston Smith says, "Texas without Rangers would be like Texas without the Alamo."

How would you like to have a dangerous, underpaid, thankless, dirty job? I wouldn't either.

But I think God every night that some few selfless men do.

Cotton Quotas, Allotment Revised Upward For 1970

Last Wednesday, the U. S. Department of Agriculture announced a revised national marketing quota of 16,008,333 bales (standard bales of 500 pounds, gross weight) and a revised national acreage allotment of 17 million acres for the 1970 crop of upland cotton. This represents an increase of 941,666 bales in the quota and an increase of one million acres in the allotment from that announced on Oct. 1, 1969.

This increase is brought about by the declining 1969 crop prospects caused primarily by abnormal weather conditions throughout much of the Cotton Belt. The September 8 Crop Report, on which the original determinations were made, indicated a 1969 crop of 10,984,000 bales. The current report indicates production of 10,428,000 bales. The increase in the quota and allotment is necessary to assure the maintenance of adequate stocks in the United States to provide a continuous and stable supply of different qualities of cotton needed in the U. S. and foreign cotton consuming countries.

Revised state allotments for the 1970 crop will be announced within a few days.

Also announced were the following additional provisions of the 1970-crop program for upland cotton: 1. DOMESTIC ACREAGE ALLOTMENT—For the 1970 crop, the farm domestic acreage allotment has been set at 65 percent of the farm acreage allotment, the minimum authorized by law. Farmers who sign up to participate in the program and who plant at least 90 per cent of their farm's domestic acreage allotment, but not in excess of the

permitted acreage for the farm, are eligible for price-support payments on domestic allotment.

2. SKIP-ROW RULES—The rules which were in effect for the 1970 crop will be applicable to the 1970 crop. In general only the land actually planted to cotton is counted as cotton for determining compliance with these provisions.

3. LEASE AND SALES ALLOTMENTS—The final date for applications for the transfer of allotments is December 31, 1969. Producers in 381 cotton-producing counties in the U. S. have applied for the transfer of allotments outside the county. Allotments cannot be transferred from one county to another.

4. PROJECTED YIELDS—A national yield of 500 pounds per acre has been established for the 1970 crop. A reduction of 45 pounds per acre is set for the last three crop years.

A reduction announced on Oct. 15 reflects the failure of cotton to realize the levels expected on the trends a few years ago. The 1967 yield for 1967-68 was 469 pounds per acre, established at 545 pounds per acre the previous upward trend. During the four years, yields have been above and have trended down since the 1970 national projected yield of 500 pounds per acre, adjusted for abnormal trends and for changes in farming practices.

Projected State yields will be announced within a few days.

...PIONEER

Continued from Page 1

this is the most economical professional representation we can get—by working on a collective basis with other cities in the area," Shearer said.

He continued by saying, "We feel that we owe it to our citizens to investigate this matter, and that probably we will be able to save them some money."

"Pioneer Natural Gas Company may be entitled to the full increase they are requesting, but if the cities don't appear to present testimony or cross examine the company's witnesses, then this almost means the cities agree that the rates requested are justified and satisfactory," he said.

"We have no feelings of ill will toward Pioneer Natural Gas Co.," Shearer emphasized. "We're satisfied with their service, and they're serving the citizens of Littlefield very well. The relationship between Pioneer Natural Gas and the city of Littlefield has always been satisfactory, and we hope it will continue that way," he continued.

Seventy-two representatives from 24 of the cities affected met in Lubbock Thursday night to formulate plans for a united protest of the proposed rate hike. Included in the group from Littlefield were City Councilmen Paul Carmickle, James Shotwell, and Chester Harvey, City Attorney Ted Sansom and City Manager Shearer.

They heard a panel presentation by two attorneys from Hereford an engineer from Amarillo, and a certified public accountant from Pampa, concerning aspects of rate cases.

After questions and discussions on the matter were completed, the representatives elected Littlefield's City Manager Shearer as permanent chairman of the group of West Texas cities, and appointed a steering committee which will select a team of specialists—attorneys, CPAs and engineers—to represent the cities before the Railroad Commission in Austin.

The steering committee met last night to plan action for appearances during the hearing and for retaining professional consultants.

WETTEST FALL, EARLIEST FREEZE

Ain't this the drizzling? And if it isn't drizzling, it's pouring.

This has been a year of record breaking—all the wrong kind of records for the economy of this farming county. After the June 13 hail storm, (making it just about too late to plant cotton unless there were plenty of long hot days and a late freeze) cloudy, wet weather set in. Weather officials say this is the wettest fall in more than 20 years, plus the earliest freeze in 17 years.

The rains Monday morning left precipitation measurements of well over seven inches for the week in many spots over the area.

Past records show this October the wettest in Littlefield in 28 years, with more rain recorded only in October, 1941.

Official estimates say there will be as many as 40,000 acres of cotton in Lamb County alone that will not be worth harvesting.

Of the cotton that is harvested, more than twice the pounds of lint will be required to make a bale in most cases. Farmers will spend more harvesting this, going over more ground to get a bale, in many cases five to six times the usual acres.

In normal years cotton seed pays for ginning. Instead of taking 2,000 pounds of raw cotton to make a bale, farmers are expected to pull 4,000 pounds or more per bale and net half the seed, with both seed and cotton bringing poor grades and low prices.

Gas Hearing Is Postponed

At the request of various Pioneer Natural Gas Company, the Railroad Commission of Texas postponed the hearing on Pioneer rate adjustment application until following an announcement by K. B. Watson, senior vice president and general counsel for the company.

The rate rule will apply to Pioneer's West Texas System and will have no immediate effect on current gas rate to consumers, said.

"Several communities were represented at the hearing called by Railroad Commission and felt the hearing date of Nov. 4 would not be the necessary time," Watson said.

According to information from Pioneer, a group of cities have a steering committee made up of representatives from the communities. A representative group requested the postponement.

MR. AND MRS. DANNY RICHARDS

Danny Richards To Lead Revival

An old fashioned revival will begin Sunday night at the First Assembly of God Church at the corner of Hall Ave. and 14th Street.

The Evangelist will be Rev. Danny Richards of Arlington. Danny and his wife sing and play different types of guitars. Everyone is invited to attend each night at 7 p.m.

Revival services will continue through Sunday, Nov. 16.

WSCS Continues Bible Studies

AMHERST—The WSCS met on Wednesday, with the president Mrs. Jomeryl Harmon, presiding.

The program opened with a prayer by Mrs. W. J. Holland, Sr.

The opening song was "Work For The Night is Coming".

A talk, "A Christian At Work in Today's World", and scriptures John 5:17, Psalms 90:16 and 17 and Ecclesiastes 3:2 were presented.

Prayer was led by Bro. Gossett.

Mrs. Brownlow brought the concluding lesson, "Being A Christian in Today's World."

She concluded with a dismissal prayer. Eleven members were present.

Activities

TUESDAY, NOV. 4 LAMB COUNTY Chapter of Cancer Society will meet at 7:30 p.m. in Olton at the Production Credit Association Building. Hubert Henry is president and will preside for the business session and program.

DISMISSED: Mrs. Lucille

LITTLEFIELD

MRS. J. B. McSHAN

385-4337

Mrs. W. D. Chapman returned Saturday from Dimmitt where she had been visiting her son and family, Mr. and Mrs. Jimmie Chapman and granddaughter, Mrs. Margaret Catoe and son Jim Bob for the past two weeks.

Mr. and Mrs. Jim Bowen spent Friday and Saturday in Kermit, attending the JP and Constable seminar.

Mr. and Mrs. Bob Wear left Tuesday for Birmingham, Ala., for a short visit, and will return to Littlefield Nov. 7.

Mr. and Mrs. Hubert Henry returned from Big Spring Saturday evening after Mrs. Henry attended an area meeting of the instructors of Distributive Education.

Mr. and Mrs. Loyd Alford Allen of Concord, Calif., are parents of a son, born Oct. 26. His name is Kenneth Scott. Paternal grandmother is Mrs. Frances Gamble of Concord. Great-grandmother is Mrs. W. D. Chapman of Littlefield and great-great-grandmother is Mrs. J. W. Chapman of Amherst Manor.

Mr. and Mrs. Monroe Sell and son, Steve of Denver, Colo., visited in the homes of Miss Emma Sell, Mrs. B. D. Birkelbach, Ernest Sell and other relatives over the weekend. They left for home Monday.

Ron Briley of Ballinger will occupy the pulpit Sunday morning and evening at the Ninth Street Church of Christ.

Mrs. M. M. Brittain left Monday for Fort Worth to spend the week visiting her aunt.

Circle I of the Presbyterian Women's Organization met Monday morning at the church. Mrs. Clem Sorley led the Bible lesson, "A Hallelujah Chorus". Hostess was Mrs. George Nickelson who gave the Mission Book of Prayer. Circle II met at 7:30 p.m. Mrs. Sorley lead the lesson and Mrs. Gerald Kehoe was hostess and gave the Mission Book of Prayer.

Miss Laurie Donelson of Snyder is spending a week with her grandparents, Mr. and Mrs. J. B. McShan.

Guests Sunday in the home of Mr. and Mrs. V. S. Cassel to help her celebrate her birthday were her brother and several of her nieces and nephews, E. E. Taff, Burtha Trimmer and Ruth Dozier of Knox City; Mr. and Mrs. D. A. Maye of Rule; Mrs. Madge Derry Berry and grandson Jimmy Derry Berry and Mr. and Mrs. J. T. Trice of Snyder; Mr. and Mrs. Evert Henderson of Lorenzo; Mr. and Mrs. Mike Sellar of Lamesa; and Arnold Hudspeth of Rochester. Mr. and Mrs. F. E. Yohner helped Mrs. Cassel

prepare the meal and Mr. and Mrs. Hugo Kinkler and Mr. and Mrs. Frank Rogers called in the afternoon to wish her a happy birthday.

Guests last Wednesday until Friday in the home of Mr. and Mrs. J. D. Hagler were Mmes. A. D. Skinner, J. R. Merdith, Hub Colley and O. O. McCurdy, all from Vernon.

Mr. and Mrs. Lloyd Neeley of Sunnydale, Calif., former residents of Littlefield, visited with friends, Thursday and Friday, in Amherst and Littlefield.

Miss Olive Shive of Los Angeles, Calif., is visiting her sister and husband, Mr. and Mrs. J. D. Hagler.

Mrs. T. R. Brasher is a patient in the Littlefield Hospital. Two of her daughters and sons-in-law of Lubbock visited her Sunday. They were Mr. and Mrs. A. Z. Plunkett

THE CORNERSTONE

OF YOUR COTTON PROGRAM

a special message for the cotton producer who wants to make more money

Are we exaggerating? Giving too much credit to the least cost item in your entire cotton production program? University researchers don't think so. Their studies show that **quality of planting seed** definitely affects net profit; that most "farmer saved" seed is decidedly inferior to pure seedstock, by as much as 116 pounds of lint an acre in some cases. Think about it. You can do two things to make more money: improve your product and lower production costs. The **only** common link between the two is **quality seed**.

There is no excuse for planting poor quality seed when you can get both guaranteed quality seed and supply in one economical package. You get both through SEED BANK, the

unique service provided by your own cooperative, Growers Seed Association. Growers has enough top quality, proven and tested seed to plant hundreds of thousands of cotton acres. Decide on the variety you want, apply at your local coop gin or elevator, receive your bank certificate and forget about it. Your seed will be ready next spring. Growers guarantees it in writing. Seed can also be custom treated.

But sign up now to be assured of the variety you want and the amount you need. Seed are sold first come, first serve, and the early freeze has created an unusually strong demand for planting seed. See your local coop for top quality JOHNNY COTTONSEED brand seed.

WHITHARRAL

Mrs. J. E. Wade
299-4267

MRS. CURTIS STAFFORD was in Lamesa Thursday through Sunday visiting with her parents, Mr. and Mrs. O. L. Harp. Her sister, Mrs. Corine O'Brien of Palm Dale, Calif., was also visiting in Lamesa at the time.

VISITING IN THE J. E. Wade home recently, were Mr. and Mrs. Guy Russell of Arlington. Mrs. Russell is Mrs. Wade's aunt.

MR. AND MRS. Jimmie Hisaw honored their daughter Sharla with a slumber party on her thirteenth birthday Oct. 17. Attending were Connie White, Donna Avery, Cindy Tedder, Sherri Gage, Debbie Williams, Cynthia Wade, Joli Grant, Terri Howard and the honoree, Sharla Hisaw.

J. E. WADE was in Amarillo Tuesday to attend a Producers Grain Association meeting. He is the Hockley County Co-op representative to these meetings. Wade was accompanied to the meeting by Rudolph Shockey, manager of the Levelland Co-op Elevator.

MESSERS AND MSES T. C. Wade, Ernest Kristinek, F. J. Bryson and Danny Grant attended the District II Farm Bureau Appreciation Banquet at the KoKo Palace Convention Center in Lubbock Tuesday, Oct. 21. The guest speaker was John White, Texas Commissioner of Agriculture.

WHITHARRAL SCHOOL Superintendent Archie Sims returned Thursday from the Migrant Workshop which was held in McAllen. Other teachers and aids attending were Mrs. Becky Howe, Jo Waters, Lupe Cardenas and Kay McCormack.

THE LOCAL TEXAS State Teachers Association unit met at the Levelland High School Cafeteria Tuesday to view the latest teaching aids. Teachers attending the luncheon and meeting were Mmes. Louise Heard, Nancy Wright, Voncie Bates, Hazel Alexander, Mary Ellen Guerry, Sarah Jones, Becky Howe, Juanita Cross, Archie Sims, Coach Jerry Durham, Mr. and Mrs. Louis McCormack.

THE WHITHARRAL girls' varsity team brought home their first basketball victory, when they competed with Ropesville there for their starting game of the season Monday night. The victory came late in the last quarter. Whitharral lagged as much as 6 points at the middle of the third quarter. Forward Kathy Lynn Williams made 33 of the 36 points that won the game for Whitharral over Ropesville's 30 points. The 'B' team lost their game to Ropes. Whitharral girls will play their next game at Sundown Nov. 4 beginning at 6 p.m.

MR. AND MRS. Curtis Stafford had visiting in their home Monday evening their niece and nephew, Mr. and Mrs. John Purnach and their daughter and family, Mr. and Mrs. Freddy Woodley and Brien all of Lubbock. Also attending were their son and family, Mr. and Mrs. Don Stafford and another daughter, Mrs. Don Grant and children of Whitharral and Mrs. Stafford's sister, Mrs. Corine O'Brien of Palm Dale, Calif. Mrs. O'Brien flew back to California Tuesday morning.

THE WHITHARRAL Lions Club met Thursday, Oct. 16, in the High School Cafeteria. Leon Boss, Bob Grant called the meeting to order. The Junior Class served the meal. After a short business meeting, business representatives from South Plains College spoke on midmanagement courses being

offered at the college. Twenty members, guests and visitors attended.

MRS. HENRY JONES is staying in Muleshoe with her grandchildren Billy Jack and Jenny Sue Milburn while her daughter, Mrs. Barbara Milburn, is recuperating from surgery. Mrs. Milburn was released from a Levelland hospital Friday after a week's stay. Barbara is a teacher in the Muleshoe school system.

A GROUP OF FARMERS from Whitharral were in Colorado deer hunting the past week. They reported a lot of hunting but not much luck on bringing home the venison, getting only one deer. Making the trip from Whitharral were Bob Grant, David Mitchell, Roger White and Ernie Mitchell, also Glen Butner of Ropes, Gary Stacy and Bob Whitney of Levelland.

MR. AND MRS. Don Reding, Bud and Roger were in Canyon Saturday afternoon to attend West Texas States' homecoming activities with their daughter, Paula. They also attended the football game between WTSU and New Mexico State.

JOLI GRANT AND Cynthia Ann Wade, Whitharral 4-H members, received recognition and pins, when they attended the Hockley County 4-H Achievement Banquet in Levelland Saturday evening.

Joli received her award (a pin) from the General Foods Corporation for the outstanding work that she performed in the foods and nutrition field. Cynthia Ann received her pin award from the Carnation Company for accomplishments in dairy foods. Others attending were Mr. and Mrs. R. J. Clevenger and Joey, Mr. and Mrs. J. E. Wade and Mrs. Bob Grant, Mrs. Wade and Mrs. Clevenger, 4-H leaders, assisted in the presentation of awards.

MRS. E. G. WADE honored her daughter, Mrs. Bob Smith of Sacramento, Calif., with an ole fashioned Sunday dinner. Attending the dinner were Mr. and Mrs. J. E. Wade, Linda and Cynthia, Mr. and Mrs. Ralph Wade and Kathy, Mr. and Mrs. T. C. Wade, Greg and Randy, Mr. and Mrs. Joe Wade and Arlene of Hereford, Mr. and Mrs. Leon Slape and Dennis, Levelland; Mr. and Mrs. Ernie McDaniel, Big Spring; Mr. and Mrs. Roger Wade, Shawn and Shannon, Lubbock; and Miss Shirlene Butner of Ropes. Mrs. Smith will return to California Tuesday after a week's stay with relatives.

MR. AND MRS. Claude Lee Horton and boys of Andrews were Saturday guests in the home of Mrs. Horton's parents, Mr. and Mrs. J. M. Mixon.

MRS. BOB CRANK was released from a Levelland hospital this past week. GARY HAYES, son of Mr. and Mrs. B. E. Hayes, is a patient in a Levelland hospital.

Tech's Queen To Be Crowned During Halftime

Texas Tech's Homecoming Queen will be crowned as a highlight of halftime activities at the Red Raider-Rice University football game at 2 p.m. Saturday, Nov. 1, marking the first time the event has taken place in the stadium. In previous years, Homecoming officials pointed out, the queen was crowned in ceremonies preceding the game.

Five finalists for the title were named in student balloting Wednesday, but identity of the queen—the candidate receiving the most votes—will not be announced until the coronation ceremony at the game.

The 10 semi-finalists whose names appeared on the ballot Wednesday are Rene Brooks, Hart senior; Angella Clement, Carrollton senior; Lynn Cox, Ozona senior; Susan Hancock, New Home senior; Pamela Kirk, Borger junior; Susan Morris, Dallas senior; Peggy Woodridge, Claude senior; Barbara Zimmerman, Oklahoma City senior; Janis Lynn Jones, Raton, N. M., junior; and Peggy Kincannon, Pasadena senior.

G. H. WOOD attended funeral services Wednesday, Oct. 15, for his nephew, A. M. Wood, 57. Last rites were held in the Church of Christ at Dora, N. M. Also attending the funeral were Mr. and Mrs. V. G. Wood, Mr. and Mrs. T. C. Kennedy and Mrs. Kennedy's father, C. T. Wood of Littlefield.

MR. AND MRS. C. W. Phillips were Tuesday overnight guests of their son-in-law, daughter and granddaughter, Mr. and Mrs. Cecil Maddox of Friona.

MR. AND MRS. Church Edgin had as visitors Sunday his sister, Mrs. Pearl Wynn, and Mrs. Wynn's son and daughter-in-law, Mr. and Mrs. Floyd Wynn, all of Hobbs, N. M.

MR. AND MRS. L. B. Kennedy returned recently from a visit with friends and relatives. At Panhandle, they visited Mr. and Mrs. Elmer Baker. At Neosho, Mo., they spent some time with their daughter and family, Mr. and Mrs. Joseph Thommarson, Nelda and Mark. They visited another daughter and family, Mr. and Mrs. Bill Ayers, Mike and Melody in Anderson, Mo. and Mrs. Kennedy were guests of Mr. and Mrs. W. C. Gunter in Grove, Okla.

DURING THE weekend Mr. and Mrs. Drexel Lawson were in Burkburnett with her aunts, Mrs. C. C. Gilbert and Miss Mable Gladden. In Jacksboro, the Lawsons visited her uncle and aunt, Mr. and Mrs. John Campbell. They were with Mrs. Lawson's cousin and her husband, Mr. and Mrs. Billy James in Wichita Falls.

VISITING SUNDAY AFTERNOON in Levelland with Jim Smith were his mother, Mrs. Bernice, and her mother, Mrs. L. A. George. Smith is attending South Plains College.

VISITING SUNDAY with Mr. and Mrs. N. W. Livesay

were her nephew and his family, Mr. and Mrs. Ray Cox, Susan, Beth, Tim, Frank and Judy of Canyon; Livesay's sister, Mrs. Lula Barber of Lockney and her son-in-law and daughter, Mr. and Mrs. Glen Bowers of Duncan, Okla.

MR. AND MRS. E. S. Huckabee returned Friday from Possum Kingdom Lake where they were joined by his brother and sister-in-law, Mr. and Mrs. Oscar Huckabee of Sunray. The two couples went to Lake Hubbard to visit Mr. and Mrs. Roy Taylor of Muleshoe.

SUNDAY, Mr. and Mrs. Alva Kersh had as dinner guests their son and his family, Mr. and Mrs. Melvin Kersh and Stoney of Fort Worth, and the Alva Kersh's daughter and her family, Mr. and Mrs. Bill Lunsford, Johnny, Teresa and Rocky of Springlake. Other dinner guests were the Kersh's son and his family, Mr. and Mrs. Leroyce Kersh, Mike, Billy and Leigh Ann, and her brother and his family, Mr. and Mrs. Don Huguley, Donice, Stacy and Preston, all of Olton.

BILL WALDEN of Hereford called Tuesday in the home of his mother, Mrs. E. W. Walden.

MR. AND MRS. Homer Worley visited from Friday until Sunday in the rolling plains area. At Haskell, they were with his mother, Mrs. Bertha Worley. At Knox City, they visited Worley's brother and sister-in-law, Mr. and Mrs. L. V. Worley.

MRS. GEORGE BOHNER returned Sunday from Orlando, Fla., where she spent several weeks with her brother-in-law and sister, Mr. and Mrs. Jim Mc Dougal.

MRS. OPAL PETERS of DeLeon came Monday to visit Mr. and Mrs. A. D. Moses and Carla.

MRS. HOLLIS CAIN was hostess to the Thursday bridge club last week. Guests were Mmes. Elroy Wisian, Dolan Fennell, Billy Wayne Clayton, Kenneth Hinson, Jim Winder, Orville Drake and Clifford Hopping.

MR. AND MRS. Jess Welch and Mr. and Mrs. Frank Adams spent the weekend in Amarillo with Mr. and Mrs. J. A. Stiles.

MR. AND MRS. Tom McGill had as house guests during the weekend their son-in-law and daughter, Mr. and Mrs. Allen Duncan of Shallowater.

OBITUARIES

MRS. MINNIE E. PATRICK

Services for Mrs. Minnie E. Patrick, 77, of Lubbock, formerly of Littlefield, who died at 8:15 p.m. Sunday in West Texas Hospital following a lengthy illness, were Tuesday in the Skyline Baptist Church with the Rev. Arthur Thomas, pastor, officiating. Burial was in Peaceful Gardens Cemetery by Rix Funeral Directors. Survivors include two sons, Robert Patrick of Lubbock and William Patrick of the home; three daughters, Mrs. Mozill Weaver of Earth, Mrs. Birtha Black of the home and Mrs. Pearl Turner of Lubbock; a half-sister, Mrs. J. B. Williams of Littlefield; 23 grandchildren and 15 great-grandchildren.

MRS. AGNES ORVILLE PATE

Services for Mrs. Agnes Orville Pate, 64, longtime area resident, who died early Thursday in Dimmitt's Plains Memorial Hospital following a lengthy illness, were Saturday in the First Baptist Church of Littlefield with the Rev. Dr. Lee Hemphill, a former pastor, now of Abilene, and the Rev. R. B. Hall, pastor, officiating. Burial was in Littlefield Memorial Park by Hammons Funeral Home. Survivors include her husband, Amos; three daughters, Mrs. Billie Ruth Bishop of Red Valley, Calif., Mrs. Gloria Galanda of Aurora, Colo., and Mrs. Margie Manley of Eunice; a son, Jeff Pate of Levelland; six brothers; four sisters; 10 grandchildren and a great-grandchild.

KENNETH IRISH

Kenneth Irish, 47, of Lubbock, a Littlefield teacher, died at 10:30 p.m. Thursday in Methodist Hospital where he had been a patient for some time.

Funeral services were Saturday at Methodist Church in Lubbock with Dr. Bumpers, pastor, and Rev. Phil Sanders, assistant pastor, officiating.

Burial was in the City of Lubbock by Sanders Funeral Home of Lubbock.

The newsman, who had received academic honors as a student, was a reporter for The Avalanche-Journal years.

A native of Dallas, Irish was a graduate of North Dallas High School, graduated from Southern Methodist with three degrees.

He was a member of Phi Alpha national history honorary; Sigma Kappa professional journalism society; and Phi, national honorary society for Greek.

He had been a member of First Methodist Church in Lubbock for 25 years.

Irish is survived by his wife, Cora; his mother, Mrs. Russell Irish of Dallas.

KING OK OFFSET HARROW

SMOOTHER STUBBLE CUTTER YOU EVER PULLED

NO SIDE DRAFT

Works like a tandem; Cuts like an offset

- Operates the way you operate a tandem harrow. Turns either direction at the end of the field.
- Properly adjusted, it creates no side draft.
- Extra cutting action eliminates necessity to overlap each turn over the field; eliminates furrow on one side of the harrow; leaves smooth level field.
- Available with round and cut discs.
- Sizes suitable for all power tractors.

New design really works! We have it! See it now!

Prepare For Halloween - Spooks On Loose

Be Goblins Not Vandals

"Trick or treat!" It is Oct. 30 and Halloween is in the air. Young children everywhere have been looking forward to the night of Oct. 31 since the first pumpkin of the year appeared in a market and costumes portraying the roles of anything from monsters to good fairies appeared for display in downtown windows.

When the big night rolls around, they descend on the homes of the townspeople demanding treats from every door. So, a warning—be ready for the little goblins with all kinds of good candies, or you may be tricked!

Yes, Halloween is in the air. You can tell it by the muffled snickers in the halls at school, the sudden rush on Brand X soap and low grade toilet paper at the super markets and perhaps old lipsticks disappearing from mothers' purses.

The soap and lipstick will in all probability be smeared on windows of cars and houses. The toilet paper might be used to "decorate" the trees and shrubs around a house whose master may forget to answer the ring of wandering ghosts and goblins with showers of candy, fruit and popcorn balls.

These are annual pranks, expected by most households in Littlefield.

Not only are these tricks expected, but they are accepted good naturedly by the average person.

The same stores that sold the soap will probably have another run-on window cleaner. Most people do not consider 39 cents spent for window cleaner too great a price to pay for something

LHS Speaks Out

QUESTION: Do you approve of the fact that LHS is being moved down to 3-AA next year? State reasons for your answer.

Marsha French (Jr.): I approve because we have a better chance at all UIL activities. I think it will add spirit to the school to be larger than those we compete with.

Monte Trotter (Sr.): I approve but I think we are jumping out of the frying pan and into the fire. Some people don't realize how tough this district is. It's one of the toughest districts in the state and it should not be underestimated. Just because Littlefield is going down, doesn't mean they will win state.

Margaret Fain (Jr.): No, I don't approve. I like the district we are in and I like the towns we play football with. It just seems to be degrading to be moved down like this.

Kathie McBride (Jr.): I know it will be hard to get used to, but I guess it will be for the best. We'll just have to wait and see.

Elaine Graves (Sr.): I feel it will be bad for LHS to drop to 3-AA. The Girls Athletic Association is just getting a good start. If we drop to 3-AA, the school will have to start basketball which will take us a long time since it will have to be started in junior high.

Girls in other 3-AA schools do not play volleyball. This drop may or may not hurt our football. It will mean smaller schools to play against, but these smaller schools are the toughest in 3-AA competition.

Linda Hill (Soph.): Yes, I approve of the fact that LHS is being moved to 3-AA next year because now we might have a better chance at winning district. Also now games won't be so far away and more people can go to the games.

Sandra Carter (Jr.): Yes, I definitely approve. For several years LHS has been at a disadvantage because we have had fewer students than some of the other schools in our district. In 3-AA we will have an advantage over the schools that are presently in the AA district.

done in slightly mischievous fun, but all the fun stops when the "pranks" become expensive vandalism rather than something to laugh at.

Slashed tires will take a lot of money to replace. Spray painting on public and private property has also proved costly. Farmers have been known to discover batteries stolen or farm machinery tampered with on Halloween night.

These things take the fun and joy out of the holiday of spooks, and city police are usually prepared for a busy night on Oct. 31.

I suggest that this Halloween we give the "cops" a rest and make the key word to our pranks, if any, "mischievous," not "malicious."

Time Out For Sports

The Wildcats travel to Sweetwater tomorrow night to take on the Sweetwater Mustangs. The Mustangs and the Wildcats are both 1-1 in district play.

Last Friday night the Wildcats just could not get together; therefore, they were unable to hold the strong Snyder Tigers. The Tigers scored in every quarter, but their defense was also something to talk about.

They held the Cats scoreless throughout the game, while they ran the score up to a 55-0 margin over the Wildcats.

The Wildcats had only one scoring drive. The drive came about during the fourth quarter when Danny Estrada romped 23 yards, carrying the ball to the Snyder 11 yard line. That was the lone scoring threat the Cats made throughout the game.

The Littlefield Junior Varsity fell to Lubbock High Saturday with a score of 42-20. Scoring for Littlefield were Porfirio Cristan, LeRoy Danford and Dennis Hartley. Hartley also made two extra points for the JV.

CARL DAVIS, president of the VICA, has perplexed Lisa Volpe, new sweetheart of the club, as he attempts to explain parts of the motor.

Sweetheart Elected

"I feel I am truly a part of LHS," was the opinion of Lisa Volpe, a new student from Midland Lee High School, when she was elected Littlefield's Vocational Industrial Clubs of America Sweetheart.

Her responsibilities as sweetheart will include representing the Littlefield chapter of VICA in the district and possible state competitions.

Lisa, a lively brown-haired, brown-eyed junior, rates spaghetti as her favorite food and blue as her favorite color. She likes listening to Creedence Clearwater Revival and enjoys watching Laugh-In.

Lisa has been greatly impressed by the spirit and friendliness of LHS. She will also represent VICA in school and class activities.

The selection of the VICA District Sweetheart is usually based on general appearance, speech, personality, general attitude, mental maturity, and accomplishments.

In order for Lisa to evaluate some of these things, she was scheduled during the week for an informal tea in the school cafeteria. It is also in order for a panel of judges to conduct personal interviews with candidates. The candidates talk to the general public from one to two minutes longest. The talk will be answered the questions she would feel to represent the district at the State Sweetheart Contest.

We all want to wish Lisa the best of luck at the Sweetheart Contest.

Homemaking And Music Only Class Not Taught

When asked his views on LHS, Mr. Harry Ford, the new geometry teacher stated, "If I didn't like it, I wouldn't have come back!"

SC Runs For Secretary

The Student Council of Littlefield High School will be attending the district convention Saturday, Nov. 8, in Denver City. These students will be running for the office of secretary of the district.

Delegates elected to cast votes for the offices at the convention are Mark Jordan, Lynn Barton, Jan Christian and L. D. Holt.

The Student Council is still selling "Snug Bugs." Anyone wishing to purchase the thermo zipper bag is asked to contact Mrs. Charlene Reast, Student Council sponsor, or any Student Council member.

***THE WAY IT IS

By DONAREX BOWEN

The following was taken from Paris High School's "Cats Meow." It was written by Sports Editors Mike Blackburn and Mack Weaver.

Does this apply to Littlefield? Does this remind you of our own high school? (I hope there is no one guilty of this.) But if you are one of those "so called fans" read this and take heed!

"We wonder how many Paris football fans saw the Wildcats score in Friday night's game against McKinney. If you are one of those who left before the last 33 seconds, you missed the final score. Paris staged a spectacular drive from deep in their own territory to score against the Lions. This drive was possibly the greatest of the night.

Yes, the Cats have lost two non-conference games, but they have also won one, which should be enough to hold loyal fans.

The Wildcats need fans that will stick with them when the going gets tough, and not just when they are on top. Those boys notice when the stands on Paris' side of the stadium begin to clear before the final three minutes.

High School athletes play because of spirit, devotion, and feeling of support from their community. Pros don't need fans as much because they get paid, but if amateur athletes have no support, no community pride in their efforts, what have they to work and sweat and hurt for?

The '69 Cats are a young team. Young in that they have less experience than most teams. They have drive and spirit, and will fight to the finish if they are backed by devoted fans.

No team can be expected to fight for a school and community that leaves them in their hour of need. We, the sports editors, know from personal experience on Friday nights, that boys can play better when the fans enhance their spirit by urging them on. Many games have been won by a comeback because of spirit in the team, and the spirit is often caused by spirit in the stands.

We urge all loyal Paris Wildcats fans to support as you have done, stay with us, no matter what. You other so called fans, you that leave if we are behind, can stay home on Friday nights because you're dead weight and only depress our spirit.

Let us plead with your civic pride, your pride in your city, to stay with the Cats win or lose, and not be known as a town who doesn't care for their youth."

After playing pro baseball for two years in Colorado, he attended college at Southwestern Oklahoma, Central Oklahoma, Cameron Agriculture College in Oklahoma, Texas A&M, West Texas State and United Electronic Laboratories in Kentucky. He majored in biology, social science and math.

He was superintendent in Crawford, Colo., for four years. He was superintendent in Plainview, Okla., for two years, where he also was the basketball and baseball coach.

Mr. Ford has taught at Olton and once before in Littlefield. While in LHS he taught Algebra II, Geometry and Physics. He said, "I have taught nearly every subject there is to teach except music and homemaking."

Some of his favorites include the color red, T-bone steak and all kinds of sports.

Mr. Ford's wife, Ruth, has been an elementary teacher for many years in Littlefield. He has two daughters, Mrs. Ann Pullig and Mrs. Janice Sheppard and four grandchildren ranging in ages from five to nine.

WHILE WATCHING his students take a test, Harry Ford, new Geometry teacher, is momentarily while grading some papers.

Students Seek All-Region Choir

Fifteen choir students from Littlefield High School will be going to Lubbock High School Saturday, Nov. 8, to audition for All-Region Choir.

Those who will be going are Rene Clark, Geoffrey Grizzle, Sheila Harrell and Teresa

Turvaille, First Soprano; Vicki Davis and Peggy Ritchey, Second Soprano; Ann Hopper and Terry Walker, First Alto; Betty Boone, Marilyn Price and Linda Horn, Second Alto; Mark Rogers, Second Tenor; Chuck Blevins, First Bass; and Wayland Hutto and Joe Williams, Second Bass.

Each student had to audition for Mr. Troy Carter, choir director, in order to be eligible to go to All-Region tryouts in Lubbock.

For All-Region tryouts, each student will sing four songs which include "O Bella Fusa" by Orlando, "Let Nothing Ever Grieve Thee" by Brahms, "With the Voice of Praise" by Handel and "Drink to Me Only With Thine Eyes".

The top four of each section of the All-Region choir will be eligible for the All-State choir and the fifth person will be an alternate.

There will be an All-Region choir rehearsal Friday, Dec. 5 and the All-Region Concert will be held Saturday, Dec. 6.

Vicki Cook Installed As FHA President

The Future Homemakers of America installed their new officers for the 1969-70 school year, Monday, Oct. 27, in the high school auditorium.

The table was set with a white table cloth, two bouquets of red roses, eight white candles, four on each side and one red candle in the middle of the table.

Eight guides came forward to light a white candle from the red one. As they lit the candles, they stated the eight purposes of the Future Homemakers of America.

These purposes are: to promote a growing appreciation of the joys and satisfactions of homemaking, to emphasize the importance of worthy home membership, to encourage democracy in home and community life, to work for good home and family life for all, to promote international good will, to foster the development of creative leadership in home and community life, to provide wholesome individual and group recreation and to further interest in home economics.

Rosanne Funk, the new president, then began service by installing Vicki Cook as the new president. Each turn installed each officer into their duty office.

The other officers were Tonya Bingham, vice-president; Martha Sanders, third vice-president; Kim Bridwell, fourth vice-president; Cathy Lumsden, fifth vice-president; Pam Cox, secretary; and Rosanne Funk, parliamentarian and

Counselor- Person To See

MANY INTERESTING brochures and pamphlets found in Mrs. Jordan's office provide information for any student who has any questions about college.

If you need information on college entrance exams, a change in your graduation plan or just a good shoulder to cry on, the place to go is the counselor's office, and the person to see is Mrs. JoAnn Jordan.

Mrs. Jordan takes care of the problems of approximately 300 high school students and tries eventually to get them all out of high school and into college or into a training program for a desired profession.

Available in her office are pamphlets, books, catalogues and numerous other guides to help you plan your future. Along with all of the written material supplied, she gives you valuable counseling and individual attention.

A staff of students are on duty from the first bell in the morning to the last bell in the afternoon.

Students are invited and readily encouraged to come in and speak with Mrs. Jordan, or pick up material on a variety of subjects from college choice to a vocational training school.

On display in the counselor's office are free brochures and pamphlets, which Mrs. Jordan urges all students to look through.

SAT Test On Nov. 1

The Scholastic Aptitude Test will be given at Littlefield High School Nov. 1 in the study hall. All students taking this test need to bring their ticket of admission and two sharpened pencils.

The SAT is a three-hour objective test given to seniors, designed to provide a standard measure of the verbal and mathematical abilities of candidates for college admission.

Many colleges require their applicants to take the SAT so their admissions officers can use the SAT scores as a standard measure of ability when they compare the applications from various schools.

NEWLY INDUCTED members of the National Honor Society are (left to right) Robert Rodriguez, Lynn Barton, Wayland Hutto, Kenneth Richardson, Kathie McBride, Pam Stafford, Sandra Carter, Charlotte Hinds and Kay Armistead.

"Children today may live to see the first man on Mars and the last elm tree in the United States."

SUGGESTED FOR IMMATURE AUDIENCES

Happiness Is...

NEWS!!!!!!

Mary Showell

LAST THURSDAY the first Honors assembly was held at 8:40 a.m. in the junior auditorium. Alan Mackey led the students in the "Pledge of Allegiance". Mr. Brawley then made several announcements and presented awards in the Court of Honor and on the Roll.

The Court of Honor for the first six weeks is as follows: seventh grade: Richard Barton and Gardner; eighth grade: Lanona Betts, French, Kim Jungman, Larry Lobaugh, McBride, Connie Norried, Bruce Peel, Pratt, Janice Ray, Andy Rogers, Spencer, and Pam Turvaille; ninth grade: Terri Birkelbach, Weldon Culp, Kenny Jackie Gregg, Mary Elizabeth Shotwell, Johnny Wimberly.

Coach Allen states that some of his hobbies are fishing, hunting, taking care of his tropical fish, participating in anything that has to do with athletics, and most of all, trying to be a better coach. That's okay, we already think you're the BEST!!!

He now teaches freshman science. And is a coach for the 7th, 8th, and 9th grade football teams.

He was asked what he thought of the three football teams here, and he replied, "The freshman football team has potential to go far and win many games, if they'll only work together as a team."

"The eighth grade football boys have a lot of ability and interest toward football. With a little more experience they'll have a lot of ability and interest toward football. With a little more experience they'll have a good, going team, and be able to win over anybody."

"The seventh grade boys, though young, are going to be the best that have been around, not only in number, but in experience and ability. This extra year of playing is going to help a lot."

He had a very complimentary opinion of L.J.H. He said, "The kids have a lot of pep, they are fully energetic, and they have proved that they are behind the boys, all the way. They also have the best pep rallies I've ever seen, for a junior high. They know how to work hard, and appreciate it. They take their losses well, and always profit from their victories, in more than just football. They know how to get things done...and they do it right. I like the faculty, the students, and everything about L.J.H."

Well Coach Allen, we all appreciate the way you feel about us, and we think the world of you!! We're glad you're here, and we don't ever want you to leave!! Keep up the GOOD WORK Coach, and.....Beat Hereford.

HAVE YOU HEARD the jazz beat coming from the band hall in the wee hours of Tuesday and Thursday mornings? Well, it's Mr. SoRelle's recently organized junior high stage band. This band is made up of a guitar, string bass, piano, tenor saxophone, alto saxophones, cornets, tubas and drums. Previous to its organization we were informed by a high schooler that "L.J.H just couldn't cut it with a stage band." Drop by—let us SHOW YOU!!! Douglas, you're doing an absolutely fantastic job.

CAN YOU BELIEVE it's just one week till MARCHING CONTEST???? The L.J.H Band is doing a great job considering the four days we missed last week due to "monsoon like" weather! Let's keep it up, and bring home an I, and above all, KEEP THAT WILDCAT SPIRIT UP!!!

Rainy weather also hindered football last week. The Freshman boys lost a hard fought battle to the Plainview Bulldogs last Thursday night at the junior high practice field on very slippery turf.

The eighth grade game was postponed this past week. We're sure you saved all that energy for this week's game.

The seventh grade White team was victorious this past week in a 22-14 victory over the Maroons. We're so proud of both of our newly organized seventh grade teams!!!!

WHO WRITES out about ten copies of pep rally schedules every week? Who is always at the football games? Who is always keeping up with the cheerleaders' and twirlers' possessions? Who is always around to boost Wildcat spirit or to add a cheery word? Yes, you guessed it. It's MRS. PYLANT. What would all of us ever do without her??? Do we ever stop to thank her, for her great WILDCAT SPIRIT? MRS. PYLANT, you're just a great all round person. Thanks for being a devoted WILDCAT!!!

THE STUDENT COUNCIL has been selling candy, and the Home Economics members are selling pillow cases. Better hurry before they SELL OUT!!!

WELL, "TWIRP WEEK" is arriving once again. Good luck girls, make the best of it, and "Start Twirping"!!!

Have a Good Week and HAPPY HALLOWEEN!!!!

NFO Meeting Set

Levelland Area Farmers are sponsoring a National Farmers Organization meeting Thursday, Oct. 30, at 8:00 p.m. in the Women's Building at the Levelland Fair Grounds. Ron Crist, coordinator of the Hereford NFO will be guest speaker.

Ladies are invited to attend and refreshments will be served.

JOHN MASSO

Fair Store Re-Locates

The Fair Department Store is celebrating its re-location at 333 Phelps with a grand opening Thursday, Friday, Saturday, Sunday and Monday.

The Fair first established in Littlefield in 1961 at 200 Phelps. A year later the store was moved to 321 Phelps. The new location, next to the First National Bank, is double the size of the previous building and the inventory has been increased for more selection. Discount prices are offered on

the wide variety of merchandise.

John Masso is owner and operator. Mrs. Nola Pearson, Janie Costillo and Mary Sanchez are clerks. The grand opening sale is in appreciation of Fair's customers for letting them improve service and continue growth.

GOOD INFLUENCE?

A teacher affects eternity; he can never tell where his influence stops.

PEP

Mrs. Conrad Demel Phone 933-2222

THE PEP SENIOR Carnival was held Saturday Oct. 25 in the Pep High School Auditorium. There was a variety of carnival attractions throughout the evening. The king and queen for the first to fourth were Terry Albus and Roxanna Demel. Terry is the son of Mrs. Evelyn Albus and Roxanna is the daughter of Mr. and Mrs. Conrad Demel.

Mr. and Mrs. Max Demel over the weekend.

MR. AND MRS. Tony Dueterhaus and son of Morton visited in the home of Mr. and Mrs. A.A. Dueterhaus over the weekend.

MR. AND MRS. Clarence Brown and family of Rhineland visited in the home

of Mr. and Mrs. A.A. Dueterhaus over the weekend.

MRS. HENRY FRANKLIN and son, Gary, attended the wedding of Cecilia Fetsch and Thomas Roach at Rhineland Oct. 25.

MR. AND MRS. E. V. Meyer visited with Alfred Meyer who is a patient at the Veterans Hospital in Big Spring Oct. 25.

SALMON SAUCE
As a sauce for poached salmon, add dry mustard, sugar and lemon juice to mayonnaise. Make the sauce well before serving so the flavors will mellow and blend.

Thursday, Oct. 30, 3:30 p.m.—Pep Rally.
Thursday, Oct. 30, 5:30 p.m.—Freshman Football Game—Hereford.

Weeks Past and Present highlights Coach Allen. Coach Allen has done so much in the short amount of time he has here. He is really an asset to our school.

Coach Allen was born in Lamesa, in 1947. He and his family moved to O'Donnell. He attended school there, and graduated from O'Donnell High School in 1965.

At O'Donnell High, he participated in band track, among other things. In band he played clarinet, but later changed to saxophone. He enjoyed both instruments. He did very well in track. He went to State in his junior and senior years in high school. In his senior year he won 7th place in 2nd mile. And his senior year he won 3rd place in regional.

After graduating from high school, he attended Lubbock Christian College (LCC) for two years. His major there was Psychology. He ran track often at LCC. He won 5th in both his freshman and sophomore years, in the National Junior College Relays.

In 1964 he left for Oklahoma City, Okla., to attend Christian College. He stayed at OCC for two years. His major there was Physical Education. And science was his minor.

He was also an outstanding track participant in his junior and senior years at OCC. In his senior year he won fifth place in Small Area Indoor Meetings—the 5 mile relay.

In June, 1969, he went to Billings, Montana, to work.

He might add the fact that his best time in the 5 mile relay was 1:52.6. Hey all you boys...Try to beat it!

He was married in 1967 to his lovely wife, and they moved to Littlefield in August, 1969, and now reside at 301 East 15th.

They are members of the Crescent Park Church of Christ.

THE SCHEDULE:
 Thursday games:
 Littlefield Frosh at Hereford, 5:30 p.m.
 Littlefield Jr. V. at Estacado, 4:30 p.m.
 Friday games:
 Sudan at Springlake-Earth, 7:30 p.m.

Olton at Floydada, 7:30 p.m.
 Ropes at Amherst, 7:30 p.m.
 Bula at Smyer, 7:30 p.m.
 Whiteface at Anton, 7:30 p.m.
 Whitharral at Cotton Center, 7:30 p.m.
 Littlefield at Sweetwater, 7:30 p.m.

Area Teams Battle For Top Berths

Four Littlefield area teams—Sudan, Springlake-Earth, Olton and

Whitharral—stake their hopes in district play on important games coming up Friday night. Sudan and Springlake-Earth meet in the feature match of District 3-A, with the outcome probably having a large bearing on the 1969 championship. Olton will travel to Floydada and the Mustangs need a victory to stay in contention for the District 3-AA championship which the Ponies have won two years in a row.

Whitharral will go to Cotton Center and the Panthers also need a win to stay in the battle for their 8-man football flag. Three other Littlefield area teams—Amherst, Anton and Bula—have yet to win a game this year, and each will try to end long losing skeins.

Springlake-Earth will be host to Sudan this Friday night, with Sudan showing a 2-0 mark in district to Springlake-Earth's 1-1. The Hornets topped Bovina, 15-6, two weeks ago, then had to fight for their lives in a 22-21 fourth quarter win over Vega last Friday night.

The Wolverines lost a 34-12 battle to Farwell, but came back strong last Friday night with a 64-0 trouncing of Bovina.

A Sudan win would put the Hornets in the driver's seat with Farwell, while a Springlake-Earth victory would keep the Wolverines in contention and hoping for a later Sudan win over Farwell.

Olton will trek to Floydada in hopes of evening both clubs' records at 4-1. The 4-0 Whirlwinds have the inside track on the 3-AA title at present, but a Mustang win would put Olton's defending champs into a strong chance for the playoffs.

Whitharral with a 1-1 record for district play will journey to Cotton Center. Whitharral lost to Smyer in a district opener and won over Bula 62-24 last Friday night.

Amherst will host Ropes. It will be homecoming this Friday night for Amherst. This may be what is needed to get the ball rolling so the Bulldogs can get on the top side of the score.

Amherst lost to Sundown last Friday, 40-6, and to Lazubidze, 20-7, the week before.

Anton will host Whiteface this Friday night. Anton is also looking for its first win this season. Anton lost to Ropes last week, 38-19, and to Hart, 49-7, the week before.

Bula will face Smyer at Smyer this Friday night after losing to Whitharral last week and to Southland, 48-36, the week before. Bula is 0-3 in district play.

SPRINGLAKE-EARTH'S Terry Bridge, leading scorer for the South Plains, is shown picking up yardage against Bovina just before the half in the Wolverines' 64-0 victory last Friday night. Bridge tallied 29 points for the night, upping his season total to 105, tops on the Plains.

8th Grade Nips Plains

The Littlefield "B" team slipped to a 1-1 record in the quarter when the finally crossed the stripe and scored a 6-0 victory over the lone TD in the game. The "B" defense held the Plains to a mere 13 yards rushing and 13 yards passing.

Outstanding for the defense were Johnny Washington, Ratliff, and Jim Berry. The defense was led by Tommy Watson, and Jim Berry.

8th Grade "A" Ties Plainview

In a battle between the Littlefield 8th grade "A" team and Plainview Coronado 8th grade, the Littlefield 8th took the lead in the third quarter, but finally had to give ground in the fourth quarter and settle for a 6-6 tie here Tuesday night.

It was a scoreless ball game the first half, but changed in the 3rd quarter when Gary Brown charged 65 yards on a punt return.

The "A" team held Plainview scoreless the remainder of the third quarter and finally had to give way in the final period when Plainview tallied six points.

The "A" team's leading ball carrier was Kenny Owens who gained 32 yards and averaged 5.8 yards per carry. Len Richey carried the ball twice and ground out 8.5 yards per carry.

A pass from Brown to Terry Bryson netted 10 yards. The "A" team gained 38 total yards to Plainview's 172.

The entire defensive unit was outstanding, led by Brown, Owens, Bryson, Pat Henderson and Floyd Smith.

DANGEROUS WHALES

Killer whales attack walrus, seals, porpoises and sometimes balloon whales. They are potentially more dangerous than sharks and barracudas.

Crippled Cats Meet Sweetwater

Littlefield's line-up for the Wildcats' gridiron battle at Sweetwater on Halloween night will be dotted heavily with juniors and sophomores.

But Coach Deverelle Lewis isn't playing "trick or treat" with Sweetwater. It's just that the injury toll of the past two weeks has caught up with four regular starters.

Of the 16 boys manning the 22 positions on the Cats' offensive and defensive starting units, eight will be seniors and eight will be soph and juniors.

One Wildcat tri-captain, Split End and Safety Steve Owens, is definitely out of the Sweetwater game with a hurt knee.

Another tri-captain, Tackle Monte Trotter, is slowed with an ankle injury and may see only limited action.

Light End Gary Nace, who with Owens missed the entire Snyder game last week, is down with a leg injury and will get little action, if any.

Richard Ayala, a starting guard, was hurt in the Snyder clash and missed the first two days of practice. He won't be starting and may be limited on playing time.

Four other Wildcats—Kim Kloiber, Jerrell Haberer, Jim McCary and Ralph Funk—have been slowed this week by sickness or injury, but

Whites Nip Maroons In 7th Grade, 6-0

The 7th Grade Whites continued their domination over the Maroons here Monday night, 6-0.

Playing on extremely wet grounds, neither team was able to mount an offense.

The Whites picked up the lone score of the night on Mark Thornton's 20-yard run in the first quarter.

The rest of the night amounted to a stout defensive battle, with the Whites getting 5 first downs to the Maroons' 2. Total offense was only 46-25 in favor of the Whites.

Thornton got 40 yards on three runs and Michael Cotter picked up 21 on two carries to lead the White offense.

Jerry Soria led Maroon rushers with 60 yards on eight tries.

Outstanding on offense for the Whites were Thornton, Doug McCain and Jimmy White. Top defenders were Jesse Vargas, Joe Padillo, Jimmy White and Stanley Eller.

For the Maroons, Soria led the offense while Rodney Logsdon, Salvador Martinez and Tommy Hutson paced the defense.

Cat JV Drops Clash With Lubbock, 42-20

Littlefield Junior Varsity dropped a 42-20 decision to Lubbock JV here Saturday morning in a hard fought clash that was close for three quarters.

Littlefield jumped into an 8-6 lead in the second period on Dennis Hartley's 2-yard run, plus Hartley's run for the extras.

After Lubbock took a 14-8 lead at halftime, the JV Cats came up with 12 points in the third period on Porfirio Cristan's 80-yard kick-off return and Lee Roy Danford's 70-yard run.

But Lubbock held a 28-20 advantage after three periods

and clicked for 14 more points in the final stanza. Outstanding offensively for Littlefield were Cristan, Hartley and Jerry Kemp.

Top defenders were Michael Carter and Larry Birkelbach.

Lubbock led in first downs, 16-7 and in total offense, 322-163.

Of Littlefield's 153 yards rushing, Danford's lone carry for 70 steps topped the list. Cristan had 42 yards on nine trips, Hartley, 28 on 15 carries and Kemp 22 on six runs. Jay Trammell hit two of seven passes for 10 yards.

The Cats lost five fumbles compared to Lubbock's two. Both teams had one pass interception, the Cats' lone pick-off by Matt Giles.

Tasty Taco Features Many Mexican Dishes

There's a Mexican fiesta every day at Tasty Taco. Chico Mendez began this new adventure in dining for Littlefield residents about six months ago, but Chico is not new in the restaurant business. Chico has been in this type business 17 years, and has managed restaurants specializing in Mexican foods at Big Spring, Corpus Christi, San Antonio and Denver, Colo.

Chico is assisted by his brother, Ralph, and the Mendez family has been in Littlefield since about 1948.

The Tasty Taco menu features such taste tempters as chili con queso, chalupas, guacamole salad, tacos, enchiladas, refried beans and Spanish rice. Tasty Taco's deluxe and regular dinners are big sellers along with beef tacos, chiles rellenos, bean chalupas, beef enchiladas, and green beef enchiladas.

"Green means hot to us," Chico said. "Some people who come in here don't know what green enchiladas and green beef enchiladas mean. But once they know and try these dishes, they are sold on them."

Hot cheese sauce goes over the plain green enchiladas and the green beef enchiladas are served with hot chili con

queso (cheese sauce with hot green peppers). Tasty Taco makes all their own sauces and foods. They make their own special Spanish sauce, chili con queso, enchilada sauce, rice, and cook their own beans for refried beans.

"The thing about Mexican food," Chico said, "is that it takes much work and time to prepare. It takes 4-5 hours just to prepare the enchilada sauce."

The Tasty Taco seats about 60 people at a time, and the decor is authentic with velvet pictures, sombreros, and other decorations from Monterey, Mexico.

"And there are plenty of employees to take care of the customers," Chico said. "Most important, nearly everyone here is related one way or another, so we have no trouble with the help. These are people that care and they give good service and make you feel at home and everyone wants to come back."

Although 90 per cent of Tasty Taco customers come especially to eat Mexican food, steaks, fried chicken and short orders are on the menu. Chico is not only familiar with south of the border dishes, but is something of a fried chicken expert, too. "And we sell many, many kiddie plates," he concluded.

Why Cook Tonight?
