## School Board OK's Tax Roll

School trustees approved a tax roll for the new year at their meeting Monday night. The roll is up approximately \$165,000 for the year, and will mean an additional \$100 in local tax revenue. Tax rates are 100 per cent collection, would be \$1.00.

In activity, the board heard an annual salary freeze report, a report on District 3-AA ticket sales and approved the monthly financial statements.

Financial figures show 1,897 in school, 1,108 Anglo, 587 Latin and 202 Negro.

In comparison with 1,895 two years ago, which included 1,185 Anglo, 540 Latin and 170 Negro.

Salary freezes, Supt. Paul I. Jones said, that salaries are being

continued at last year's scale, with two exceptions:

1. Those who were granted raises and were employed and working prior to the freeze;
2. Those who acquired additional degrees are allowed to draw the additional salary for their current degree on last year's salary scale. This is an increase in position rather than salary, Jones said.

On 3-AA ticket sales, Supt. Jones said the district has a policy that tickets are sold at home stations only. There are no advance ticket sales at the visiting school.

Three other items brought up included a question on the band's non-participation in the South Plains Fair Parade, the opening of school gymnasiums for practice, and the investigation of underground irrigation at the junior high practice football field.

Trustee Glenn Batson brought up the first two items. He asked why the band didn't participate at Lubbock when the school board voted that it do so.

Supt. Jones said he understood the board's intention was that the band be "permitted and encouraged" to march in the parade.

Jones said a question arose as to whether that performance would be counted as one of a maximum of three allowed, and that the school already has three planned, including the major trip to Corpus Christi next spring along with two University Interscholastic League events.

Batson said his intention from the beginning was "participation" by students in as many activities as possible.

He contended the band could have participated in the parade, and not in the contest judging, without jeopardizing its number of trips.

On the other subject, Batson asked that the school open the gymnasiums for youngsters to practice, on their own, as previously discussed by the board.

Jones said the gyms would be open this week, and a procedure worked out for students to use the facilities if they wish.

Trustee Werner Birkelbach brought up the discussion of underground irrigation of the junior high practice field.

Birkelbach said he thought the drilling of a small well and the installation of underground irrigation would mean a savings on the school water bill.

He was authorized to be a committee-of-one to get cost estimates on the matter.

## Escape As Plane Goes Down

A plane, including an 18-month old child, escaped injury early Monday morning when a 6-place Beacherft craft ran out of gas and made a forced landing in Sudan between the Union and Farmers Co-op gin.

Patrick Wash, a 21-year-old pilot, was pilot of the plane at the Lubbock Airport in Amarillo. He and his passengers, Jan Carver, 19, Bobby Moyers, 21, and Mrs. Frank's baby, departed from Abilene at 1:50 p.m. Monday.

The plane apparently got off course, and landed Lubbock just before 5 p.m. Monday. The plane was running out of gas. The pilot landed Lubbock again about 10 p.m. Monday, then the Lubbock station contacted with the plane and the Texas Highway Patrol to insure the plane was to the ground in the line of parked trailers at the airport. The plane was coming to rest about 25 feet from the corner post of a barbed wire fence.

The plane was to the ground in the line of parked trailers at the airport. The plane was coming to rest about 25 feet from the corner post of a barbed wire fence.

PLANE made a forced landing between the Union Compress and the Farmers Co-op Gin at Sudan in the pre-dawn dark Tuesday morning. All six occupants escaped injury. The plane ran out of gas and was forced to land. The Lubbock airport was contacted to direct the plane to Plainview when the plane had to land.

## Parade Opens Homecoming

Annual ex-students homecoming activities get underway today with a parade down Phelps Avenue at 7 p.m.

Immediately after the parade there will be a giant bonfire and pep rally on the parking lot at Wildcat Stadium.

All ex-students are invited to attend the pep rally in the LHS gym at 3:15 Friday afternoon. Homecoming candidates will be escorted in and seated on the royal stage during the rally. Three senior girls, Mary Davidson, Debbie Hafley and Debra

McAnally, are vying for 1972 Homecoming Queen honors.

Littlefield Lions Club members will host their annual homecoming pancake supper from 5-7 p.m. Friday in the Littlefield Junior High School cafeteria. Tickets for the pancake supper may be purchased from Lions Club members or bought at the door. Tickets for all the pancakes a person can eat sell for \$1 for adults and 75 cents for students.

Game time for the Littlefield-Friona battle is 7:30 p.m. Crowning of the

homecoming queen will highlight half-time activities.

All ex-students are invited to attend a dance at the Littlefield Country Club immediately after the game. Emil Shattel and the Panhandle Playboys of Memphis, Tex., will furnish the music. Tickets to the dance are \$5 per couple or \$3 stag, and all proceeds go into a scholarship fund.

Ex-students will conduct a business session and elect officers during a short meeting at the dance.

Graduates from the 1961 class are planning to get together and sit as a group at the ball game. Contact Jimmy Duke for further information.

The class of 1942 is planning a special 30th anniversary get-together. And the 1962 graduating class is having a barbecue at the Littlefield Country Club at noon Saturday.

Officers of the Ex-Student Association this year are Ernest Mills, president; Kenneth Houk, vice president; Kay Nelson, secretary; and Lawrence Macha, treasurer.

## Cats Must Beat Friona To Stay In 3-AA Race

It'll be another of those District 3-AA whingdings Friday night when the Littlefield Wildcats play host to the Friona Chieftains in Littlefield's homecoming game.

With any of the eight 3-AA teams capable of beating any other on a given night, nobody knows what to expect, other than some hard-hitting football.

Littlefield, with a 1-1 record in two previous matches, has its back to the wall, while Friona, 0-2, can stay loose and play the spoiler's role.

"THE PRESSURE is on us," says Wildcat Coach Jerry Blakely. "If we're going to stay in contention, we have to win this one, and all the rest, too."

Blakely told his Wildcats following last week's 13-7 loss at Olton: "It's up to us, we can roll over and play dead and lose the rest of them, or we can come back and win them all."

Speaking to the Quarterback Club Tuesday night, Blakely said: "I sincerely believe our kids are going to accept the

challenge, come back strong, and play the kind of football it takes to win in this district."

THE FIRST ASSIGNMENT in the Blakely plan is not an easy one.

"Friona is a very physical team, they hit as hard as any team we'll play. The Chiefs aren't real fancy, because they don't have to be. They have good size, and they get after you."

The Chiefs are 2-2-1 for the year, and they are the only 3-AA team which was able to beat Muleshoe. They did it, 13-6, with a hard-nose defense that wouldn't yield to Mule pressure in the fourth quarter.

After that, however, Friona fell to Olton,

23-13, and to Dimmitt, 16-14, although the Chiefs won everything except the score against the Bobcats.

WHILE LITTLEFIELD is meeting Friona, eyes also will be on the other district games, especially two key ones pitting Lockney against Floydada and Olton against Abernathy.

If all went according to Littlefield wishes, the district could be in a six-way tie Saturday morning, with everybody except Friona and Morton sporting 2-1 marks.

"But we can't count on that," says Blakely. "We just have to take them one at a time, and we'll have to play our best game of the season to beat Friona."

THE CATS will go into the Friona match with one starter out. Defensive leader Danny Estrada hurt a knee in the first quarter of the Olton game, and he'll be out at least two weeks, maybe three.

The only other injury suffered by the Wildcats at Olton was a slight one to defensive end Allen Grisham, who had a ruptured blood vessel below one knee. Grisham will be ready to go against Friona.

THE CHIEFS run the wishbone offense, and their quarterback, 155-pound Johnny Bandy, is a dandy at reading the option. Littlefield scouts say he's a definite threat as a runner, and can be accurate as a passer.

Bandy scored once against Dimmitt by running over three would-be tacklers. Still a bigger threat, however, is another Chief, 195-pound Mike Royal, who runs hard and fast, for a boy that size. Royal is the key man on Friona's wide option. Another Friona back who may be re-

membered for his play against Littlefield last year is Bill Bailey, 178-pounder who had the Cats wishing he'd "go home" after he starred in Friona's 13-0 victory on a snow-covered field.

## County Has No Callers

No one appeared at the scheduled hearings Monday afternoon on the proposed housing authority for Lamb County nor the county budget hearing, and Lamb County commissioners approved the county budget and entered Lamb County into a cooperative agreement with the South Plains Regional Housing Authority.

In other action Monday during the regular session of the commissioners' court, the court (1) approved the transfer of \$20,000 fund from the general fund to the officers' salary fund.

(2) Approved the payment of \$15,000 to West Texas Equipment Company.

(3) Approved the purchase of and a notice to bidders for a 1972 1/2-ton pickup for Precinct 2.

(4) Approved payment of precinct and county-wide bills.

(5) Approved the monthly reports of all county officials.

## Flea Market Here Saturday

Littlefield's first community-wide Flea Market will be held on the parking lot in the 500 block of Phelps Avenue all day Saturday, and area residents are invited to shop.

Among booths to be set up are food and drink stands, handcrafts, antiques, used clothing, and "just about anything you can think of," according to Chamber of Commerce Manager Bill Payne.

The spaces are all taken, and "an interesting array of items will be for sale," Payne emphasized.

## Rev. Wetzel Heads Board

Rev. Louis Wetzel was named chairman of the board of the Littlefield satellite school for retarded children during a directors' meeting at the school Tuesday afternoon.

Rev. Wetzel replaces Rev. Clem Sorley in the chairmanship as the school begins its fourth year of operation in Littlefield.

In the Fall of 1968 the Lubbock State School for the Mentally Retarded sent its representative, Bobby White, to Littlefield to meet with Paul I. Jones, Jim Kelly and various citizens representing the schools and civic clubs. The purpose was to determine whether or not a "satellite school" for retarded children could be established in Littlefield.

Mrs. Joyce Oliver, school nurse, Mrs. Nan Largent, special education teacher, and Mrs. Jo Ann Jordan, school counselor, along with Superintendent Jones, knew of children who needed such a service. The Rev. Phil Berry, then pastor of St. Martin's Lutheran Church, believed his congregation would provide a room. White said the State School would select, train and pay a teacher. So, the "Littlefield Classes for Retarded Children" were projected.

## 'No Parking' Area Established

City police are issuing tickets on cars which park along the red curb south of Littlefield Hospital on Sixth Street.

The curb has recently been painted red to designate a "no parking" zone, and citizens who are accustomed to parking along the street are reminded that the area is now a "no parking" zone.

## Salvation Army Campaign Opens

"The Salvation Army starts its advance gifts campaign today with a meeting at the Crescent Park Restaurant at 10 a.m.," states Rev. David Hamblin, campaign chairman.

The general gifts and area and women's divisions campaigns will have a kick-off meeting next Wednesday, Oct. 20, at the First United Methodist Church, when coffee will be served to all team captains and workers, Hamblin reports.

Workers in the advance gifts drive include James Lee, J. E. Chisholm, Kenneth Ware and Warren Dayton.

Among the team captains named by Hamblin are Doyle Patton, Rev. Joe James, A. J. Kennemer, Rev. Harvey Hallmark, Rev. Clem Sorley, Bruce Porcher, Flannery Newton, Kip Cuthsall and Dr. Albert Perkins.

Some of the workers include Ausencio Hernandez, Ralph Mendez, Corene Sanchez, Edna Dolle and Rev. R. N. Tucker. Other workers will be named later.

The women's division is headed by Mrs. Susan Wilemon and Mrs. George White. The area division is comprised of Amherst, Spade and Sudan, and the team captains are to be named later.

Paul I. Jones, superintendent of Littlefield schools, will supervise the public school campaign.

AMHERST-Mrs. Audrey Long, member of the Be-Little TOPS Club of Littlefield, was among those in attendance for the Area Recognition Day held in the Littlefield Community Center Saturday.

The Be-Little TOPS Club were hosts for the meeting and luncheon with fifteen area clubs in attendance.

Mrs. Hazel Davis, president of Be-Little TOPS Club, serves as area chairman. Mrs. Nell Hobbs of Ropesville is area captain, and Mrs. Mona Spence of Plainview is area supervisor.

A graduation exercise for KOPS, "Keep Off Pounds Successfully," was on the agenda. Lucile Robinson of Littlefield was winner by having lost 40 pounds since January.

Mrs. Long led the group in singing.

Attending from Plainview were three men of the Sirplops TOPS Men's Club, Eugene Davis, Wimpy Price and Carol Don Hayes.

Muleshoe will be hosts for the next ARD meeting after the first of the year.

## XYZ Club Add New Members

Mr. and Mrs. R. L. Tisdale and Mrs. Margarette Marshall were introduced as new members when the XYZ Club met in the Flame Room of Pioneer Natural Gas Friday afternoon. Guests were registered by Mrs. L. L. Massengill.

The devotion and prayer was lead by Mrs. W. M. Davis. Mrs. J. D. Dodgen gave a humorous reading which included jokes on several members.

Mrs. Davis, president, presided during the business session. U. E. Kelly read the minutes of the August meeting and gave a financial report. Appointed to serve on a nominating to select a slate of officers for 1971-72 were Mmes. Massengill, L. L. Dunn and Katherine Rumback.

The group voted to invite Mrs.

IT SAY IN THE PAPERS, that Phase II of Mr. Nixon's economic renovation will require a couple of Boards being set up to oversee the thing. Since wages are frozen, I'm sure their starting salaries will be high enough??

EVIDENTLY, we're all set to turn the manufacture of armaments over to the Russians, Chinese, and the Japs. Ain't it nice to have friends like that?

SMILE FOR TODAY: "As hard to find as an acceptable appointee for the Supreme Court!"

STILL DON'T HEAR much about Spiro—I'm beginning to worry!

SURE, TAXES ARE HIGH!—It takes money to support the best cotton-pickin' country in the world. After all, we want THE BEST, don't we?

NEVER SEEN a feller so determined to protect us from ourselves as that feller Nader. Could be we're like the sixteen year-old lass whose parents were so busily protectin' her from the boys. DON'T OVERDO IT!

WHAT DO YOU THINK the world would have been like if Mother Eve hadn't eaten that peach?

WHEN IT GETS to the point you're

afraid to change occupations, OLD AGE has done set in!

WHAT HAS THE world come to, when a newspaper ad salesman comes up with a first bale of cotton?

IF YOU WORE one of the first maroon and white football uniforms of OL' LHS, it's later than you think!

DON'T BELIEVE Mr. Mutscher ever said whether, or not, he got his Airy-go-Plane.

IT WAS MY IDEA, that the criminal gave up all his "Rights" when he was convicted of violating the law!

MR. CARLEN IS somewhat disenchanting with his fans down at Tech. Can't say I blame him much. Wonder just what it is about football that turns what might otherwise be, decent people, (fans, that is) into uncouth animals?

## Worn Out

By LIBBY MUGGETT

WELL, I'D read about it and heard about it and seen pictures of it and now I've seen it in the raw. I guess you could say Boulder, Colo., since it became a hippie hang out, that is.

AND IN MY mind's eye all I can conjure up about it is beards, long uncombed hair, and dirty, faded blue jeans.

Let me hasten to add that I was straightened out time and time again about the fact that beards, long hair and faded jeans do not necessarily a hippie make. To be honest, I saw many of the things (?) working very hard.

I SAW A LOT of them not doing much of anything, either.

It got to where when I saw a young lad with relatively short hair and maybe just a mustache and wearing jeans with some of the blue still in them, I began to wonder what was wrong with him.

Which just goes to show you something or other.

MET AND TALKED to one of the hard working beards. Very nice fellow, college degree from Purdue, art major, soft spoken, level headed, and extremely polite.

He had long kinky hair, red, a kinkier beard, also red, but no mustache, which made him look a little naked at this stage of the game. He was reputed to be the best foreign car mechanic in Boulder.

I ASKED HIM was he really the best foreign car mechanic in town and he said probably; he was so good, in fact, that he was thinking of going into business for himself.

He went ahead talking about his plans, which were very practical and carefully thought out, and five will get you ten he'll make a go of the whole thing.

I ASKED HIM if he enjoyed working on cars as much as he did painting and he

said certainly not, giving me a look clearly reserved for idiots, and added as though explaining to a child that he had to earn a living, or otherwise he would sit around and paint all day. So, see?

And before you get the idea that just the male members of whatever this group of humans is are the only guilty ones, let me add that long, unwashed, unfixed hair, dirty jeans, and the ever present steel rimmed eye glasses adorned the dainty feminine members, also.

AFTER A COUPLE of days of constant exposure to teeming masses of all this, I began to think that I was injured to it all. But I wasn't.

My host and hostess informed me that we were going out to dine in one of the nicest places in town. (And it certainly was.)

I WAS LOOKING forward to clean shaven faces, clean cut hair, slacks, shoes instead of sandals, and all that.

What I got was what I'd had ever since hitting town. Except more.

I was aware of the fact that many of these creatures put patches on their jeans many times when they weren't needed, just as they searched diligently to find worn out jeans to buy.

BUT WHEN ONE tall, well built young fellow came strolling into this lovely plush restaurant, I did a double take.

I thought at first that his patch had fallen off, because he definitely needed one. But I was assured that he looked exactly like he wanted to look, he'd never had a patch, and furthermore, a patch was the last thing he wanted.

BUT IF I'D been his ma, I'd have heated up the iron fast and pressed a patch on about five inches above the crotch in the front, just to the left of the fly.

I'd also have made him put on some underwear.

# EDITORIALS

## Newspaper Week

THERE WILL BE no brass bands and parades to signify the event. But Oct. 10-16 has been designated as National Newspaper Week.

This year, the theme of the week will be "Newspapers—Growing With America."

DURING NATIONAL Newspaper Week, editors must be forgiven if they blow their own horns a bit. For one week, they can offer rebuttal to the cynics who spend the other 51 weeks disagreeing and finding fault with the news or editorial views of the local newspaper.

There are thousands of these newspapers in this country, and they stand as a symbol of the independence of our

citizens. Beyond that, they are the one and only regularly printed record of the daily events in the life of a community.

A community without a newspaper is little more than a name on a map or a collection of dry statistics in the archives of some courthouse. Newspapers are the breath of life.

WHILE WE ARE reminded, during National Newspaper Week, that these newspapers are "Growing With America", it is well also to recall that growth without freedom would mean little—and that newspapers are, in the final analysis, the voices of free men.

## THE ABUNDANT LIFE

### Our Troubles

By BOB WEAR

"A STITCH IN TIME saves nine" is an old, old adage, but its age takes nothing from its truth and relevance.

Doing what needs to be done at the first opportunity we have for the doing will certainly limit our difficulties, and lessen both the number and intensity of our troubles.

NEGLIGENCE will multiply our troubles, and there is no exception. If we let this spirit of negligence prevail, we cause our situation to worsen from two sides.

We neglect what should be done, and we decrease our capacity for doing what needs to be done when we do try to take the indicated action. "Negligence is the rust of the soul, that corrodes through all her best resolves."—Feltman.

OBVIOUSLY, we must overcome negligence in order to limit the difficulties which will otherwise increase and complicate our troubles.

We must do the best we are able to do when the action is first indicated. When we do this, our troubles are easier to solve, and we prevent many from developing. This requires a continuing alertness, and a firm resolve to act during the beginning stages of troubles. Such action is much, much easier and more effective than carelessness and neglect.

WE WILL HAVE troubles always, but we do have the advantage of keeping them under our control by being wise in our living. If we do not act to keep them under control, they can eventually overwhelm us.

We must also be sure that we never inflate and enlarge the troubles which do concern us.

"THE WISE MAN thinks about his troubles only when there is some purpose in doing so; at other times he thinks about other things."—B. Russell.

A trouble-free life is impossible, but this is not just cause for unhappiness. Generally, we can keep our troubles to a minimum by using good sense in our plans and our actions.

With this preparation, we can cope with the inevitable troubles, as they come;

always remembering that they can usually be used for good in some way.

"MEN'S HAPPINESS springs mainly from moderate troubles, which afford the mind a healthful stimulus, and are followed by a reaction which produces a cheerful flow of spirits."—E. Wigglesworth.

Troubles fill the world, and we can make them our troubles to a degree of intensity that we become less capable in our own personal life situation.

There are many of these things about which we can do nothing, and these must be put out of our thinking. If there is anything we can do, we must do it; but filling our lives with troubles which are not our own can be disastrous for us.

A SENSIBLE ATTITUDE toward troubles will give us the greatest possible strength and wisdom to handle them so that they become stepping stones rather than stumbling blocks.

board included all of the above mentioned plus Sid Hopping, who raised the first money needed, Clem G. Sorley, pastor of First Presbyterian Church, Mrs. Bess Coen, Mrs. Albert Perkins, and many volunteers who agreed to provide cookies, milk, cold drinks, and supplies when the State School's budget could not do so.

Two classes were formed and began to operate in November, 1968. Mrs. Hazel Mackey taught the class for young children at St. Martins Lutheran Church. Mrs. Oleta Richardson taught the class for older children at the Sacred Heart Catholic Church.

Last year the First Baptist Church offered the Antioch Mission Church Building to the classes provided the advisory board could raise funds to pay utilities and insurance. The Rev. R.B. Hall worked with the board in working out the plan. Near the end of 1970 the teachers and children were in their new home.

New teachers were secured when Mrs. Mackey elected to secure an advanced degree which would enable her to be more professional in working with children who have special needs and Mrs. Richardson, who lived in Olton, retired because of personal demands on her time. The current teachers are Mrs. Mae Blevins, who has the older class and worked as a volunteer with Mrs. Richardson, and Mrs. Pauline Dempsey, who has the younger class and had also been a volunteer in the beginning of the program.

The advisory board began to enlarge its number with the hope that a rotation system could be worked out in order to relieve some members, bring in new ones, and thus sustain the program. Experience in other communities indicated this to be wise. New members, including Rev. Louis Wetzel, Rev. David Hamblin, Rev. Doug Morton, Mrs. George White, Rev. Joe James and Miss Anna Lee Neale were added to the board. Even with this addition, however, no one wanted to rotate off the board, so the plan for rotation of officers was not carried out.

Meanwhile, it became evident that a greater representation was needed anyway and additional new members came to the advisory board including Tommy Ballard, Gene Spies, Aubry Niennast and, most recently Mrs. Craig Wallace.

With these members, trained and capable teachers, and a building all for its own use the advisory board is pleased that the Littlefield Classes for Retarded Children is now about to begin its fourth year of operation.

### First Bale Ginned At Pep

PEP—Bill Gage ginned his first bale of cotton at Pep Oct. 5, when Philip Simmacher's Paymaster 202 was hand pulled from his farm.

Buttons were first put on men's coat sleeves by Frederick the Great, to keep his soldiers from wiping their noses on their sleeves.

Gage is now manager of the Pep Gage Gin. The cotton was planted May 20, and the 2,100 pounds of seed cotton turned out 460 pounds of lint and 900 pounds of seed. Mr. and Mrs. Bill Gage and sons, Michale, 14 and Wesley, 8, moved to Pep in April from Lubbock, where Gage was employed at Barretts Automotive as a salesman.

### Self-Defense Course Scheduled At SPC

South Plains College at Levelland will offer a short course in self-defense for an eight weeks period, beginning Thursday, Oct. 14, from 7 to 10 p.m. in the Women's Gym on the campus of SPC. The course is designed to help all women learn how to avoid becoming the victim of a criminal. Crimes committed against women range from simple robbery to murder. Included in this course will be a discussion of the nature and causes of crime, the devices to use and precautions to take for property protection and personal safety, and the effective deterrent and avoidance of criminals. Also, included in this course will be the weapon skills and personal defense techniques that even the smallest woman can employ in order to escape the direct physical criminal. Imagine that you are most dangerous possible; you are strangled from the attacker. What can you do? Regardless of your weight, or age, you can learn how to protect yourself. Knowledge and practice simple personal techniques. Mrs. Barbara Lind is the instructor. Men admitted, only if their attendance. Cost of the course and a minimum of fifteen persons is required. Registration can be made the first night of class. For further information contact the Office of Education at South Plains College, phone 894-8222.

**Car Wrecks  
Killed By THP**

Patrolman Weldon investigated three two-vehicle accidents through Monday. The first wreck occurred about two miles east of Littlefield on U.S. 84 when a man, Delbert Ray, was traveling east in a Chevrolet. Hazel Carter was driving a 1961 Buick and attempted a left turn into the right lane and hit the passenger door of Lunger's car.

Street in Amherst was the scene of a minor two-car wreck Saturday morning. A Ford pickup driven by a gardener of Amherst parked truck belonging to the street.

Two cars collided in the west traffic lane. There was damage to each of the vehicles. No one was hurt in any of the accidents.

**NINA TALBURT, nurses aid for Littlefield Schools, was all smiles as she greeted the visitors in the Primary building during back-to-school night for Primary and Elementary II Thursday evening.**

## 588 Texas Men To Be Drafted

A draft call of 588 men for the remainder of 1971 has been called for the State of Texas by Colonel Melvin N. Glantz, the State Director.  
Glantz said none will be ordered for induction in October, 363 in November, and 195 in December, all from the extended or first priority groups.  
Glantz said he had been advised by Director Dr. Curtis Tarr, that the RSN cut-off for 1971 would be number 125 for men in the first priority group.  
Tarr advised that all men in a class available for service who have been found qualified mentally, physically and morally with RSN's of 125 or below can expect to receive an induction order.  
If men in the first priority group with RSN's up to 125 are not ordered for induction in 1971, they will be placed in the

extended priority group to be inducted in the months of 1972 ahead of the 1972 year group (1962).  
Orders for induction call are being mailed throughout with 30 days notice required in all cases.  
Orders for physical examination being mailed by throughout the state days notice being required.

# Cutthroat Tactics Continue 3-AA Pot Begins To Boil

...yes; but Olton, too?  
...as a year of cutthroat  
...District 3-AA with practically  
...capable of beating the leader.  
...few weeks supported the theory,  
...yadada maintained its role of

break. Nothing to get enthusiastic about. We were playing close but couldn't win. But, we beat Friona, then this one was one of those rivalry things, and of course, the kids knew Coach (Jerry) Blakely (coach at Olton for two years before moving to Littlefield).  
"But the other night (against Littlefield), they kicked us, we drove down to the 40 and kicked to them at the 8. They had to punt back to us, and I think they still needed eight yards for a first. We threw a screen pass on the next series (Steve Stockdale to Keith Workman for 38 yards) for a touchdown and from there, the defense kinda took charge.  
"It was our best game by far. Thirteen points is not enough to get excited about; we're not killing anybody. But we had a 70-yard drive, first time all year we've put together a long drive.  
"But, now we have to play Abernathy, and I know they will be tough; they've shown that."

EVIDENTLY, all eight teams are tough.

## ... WILDCATS

Continued from Page 1

are 184-pound Carroll Cook and 179-pound James Pera in the line, and a pair of hard-hitting linebackers, 157-pound Mario Pera and Bailey.

THE WILDCAT offensive line-up: Matt Giles, tight end; Larry Hobratsch, split end; Chuck Blevins, strongside tackle; Ricky Sanchez, weakside tackle; Scott McNeese, strongside guard; Kenny Pratt, weakside guard; Allen Grisham, center; Jay Trammell, quarterback; J.E. Johnson, flanker; Dennis Hartley, fullback; and Ralph Funk, tailback.  
Defensively, the Cats will go with Grisham and Sanchez at ends; Pratt and McNeese at tackles; Bill Hamblin and Giles at middle linebackers; Lenearl Lewis and Johnson at outside linebackers; Mike Carter and Hartley at cornerbacks and Jerry Kemp at safety.

## Burglars Take Big Cache Here

More than a \$1,000 in merchandise, including a cache of guns and ammunition, was taken from the Bell Service Station on Hall Avenue Monday after burglars knocked off the front door latch.  
More than \$100 in cash and a set of diamond rings valued at \$350 were missing, also.  
Of the nine guns taken, four were new, four were used and one was an antique. The new guns included a .357 Smith & Wesson pistol, a Smith & Wesson .22 revolver, a German-made .38 special snub nose revolver, and an Italian-made .25 automatic.  
The used guns were a Llama .38 special revolver, a 12 gauge 870 Remington pump shotgun and a used .30 Marlin rifle. The antique was a .45 revolver.  
Several boxes of ammunition included ammo for a .38 special, .32, .357, .38, .45, and 12 and 20 gauge shotgun shells.  
The Lamb County sheriff's officers have recovered all of the tape players and tape decks taken from the cars that were broken into near the ball park on the night of Sept. 24. A 16-year-old juvenile has been charged in connection with the thefts and has been released to his parents pending a hearing before the county judge.

WILDCATS OF THE WEEK are Allen Grisham, best defensive player, and Kenny Pratt, best offensive player, in the Littlefield-Olton game. Head Coach Jerry Blakely named defensive end Grisham for his fine tackles and his "best defensive game yet" against Olton Friday. Blakely added that Grisham has responded well at offensive center in addition to his defensive efforts. Pratt is another Wildcat who goes both ways, playing offensive guard and defensive tackle. Pratt threw the key block which enabled Ralph Funk to ramble 68 yards for a Littlefield TD.

## Olton Meets Lopes, Wolverines Try Vega

Only three football teams in the area went down in defeat last Friday. Littlefield bowed to Olton, 13-7, in a District 3-AA clash. Sudan fell to Vega, 26-8, in a 3-A tilt and Whitharral was downed by Garden City, 52-14, in eight-man football.  
The Olton Mustangs have a spotless record in district competition and will travel to Abernathy for another 3-AA battle. The Mustangs came from behind in the last half to beat Littlefield.  
Abernathy was blanked by Lockney, 14-0, and is 1-1 for the season. The Antelopes opened district play with a 10-7 win over Morton.  
Springlake-Earth has not been defeated in conference play and will travel north to battle with Vega. The Wolverines squeaked past Bovina last Friday, 7-0, and won over Sudan, 27-6, in District 3-A play.  
Vega is also 2-0 in district competition. They downed Sudan last week and Kress, 14-13, the week before.  
The Sudan Hornets will host Hart, Friday, and will be trying for a win in District 3-A.  
The Hornets bowed to Springlake-Earth and then to Vega in district play and are 2-3 for the season.  
Hart is 0-1-1 for conference play. They lost to Kress, 45-8, last Friday and tied Farwell, 13-3, in the district opener.  
Amherst and Anton will rest this Friday and will start their Class B competition, Oct. 22.  
Both teams enjoyed victories last Friday. Anton kept its perfect record by spilling New Deal, 48-12.  
Amherst dumped Meadow, 18-8, in its last pre district game.  
In eight-man football, Whitharral will trek to Cotton Center for a first try in conference play.  
The Panthers were clipped by Garden City, and Cotton Center lost to Gail, 60-0.  
The Bula Bulldogs will host Flower Grove in the Bulldogs' last home game of the season in six-man football.  
The racing Bulldogs ran over Southland, 66-19, last Friday and are undefeated for

the season. Flower Grove was stomped by Union, 45-0 last week.  
Littlefield, Olton and Whitharral will start their games at 7:30. The remainder of the teams in the area will kick-off at 8 p.m.

## FFA Members Seek Donations

Members of the FFA at Littlefield High School are seeking farmers who will donate grain for the March of Dimes.  
Any farmer who wishes to donate grain is asked to contact any member of the FFA, or Art Summerfield, the ag teacher at LHS.  
Goodpasture Grain or Littlefield Farmers Co-op Elevator will accept grain for the boys.

## Deer Permit Issuance Dates, Locations Set

Dates and locations have been announced for issuing antlerless deer permits to qualified landowners in South Texas.  
Qualified landowners who wish to draw antlerless deer permits should arrange to be present or have a qualified representative on hand to receive the permits.  
By county they are scheduled as follows:  
Aransas, Oct. 18-19, Parks and Wildlife Regional Headquarters, Rockport; Atascosa, Oct. 18-19, County Courthouse, Jourdanton; Bee, Oct. 18-19, County Courthouse, Beeville.

## 11-Year-Old Top Guessers On Football

Five persons tied with 14 correct winners each in this week's football guessing game, and little 11-year-old Shauna Clayton did better than anyone in the tie breaker scores to win the weekly first place prize of \$5.  
Ronnie Fisher of Littlefield and Chas. Didway of Post were exactly the same points away on the tie breakers, so the other \$5 weekly prize money is divided equally among them, and they receive checks for \$2.50 each.  
Raymond Duval of Amherst and Sue Bowman, also an Amherst resident, had scores of 14 this week, also, but were farther away on the score box.  
Paul Yarbrough remains in first place for the season prize of two tickets to the Cotton Bowl game on New Year's Day and \$25 expense money. David Hampton is still in the second slot after five weeks. Mozelle Hutson, Harold Bowman and Lloyd Pollard are all tied for third place thus far.

## Two Are Jailed On DWI Charge

Seven persons were booked into the county jail this week, two on charges of driving while intoxicated, two for drunk and investigation, one drunk pedestrian, two aliens, and one juvenile was charged with burglary.  
Roy Earl Ottwell, 40, of Lubbock, was charged Saturday on driving while intoxicated, and was released Monday after being fined \$100 and 30 days in jail with jail time suspended.  
An Oklahoma man, Hubert A. Langford, was arrested Monday on a driving while intoxicated charge, subsequent offense. He was fined \$200 plus three days in jail.  
Other arrests included a 16-year-old Littlefield youth who was charged with attempted burglary, a 38-year old Snyder man who paid a \$22.50 fine, two Hart men on drunk charges, and two aliens.

## Police Jail One

City police jailed one adult male Monday after he refused to pay a fine for a traffic violation.  
He preferred to serve time to pay the fine, and was released Tuesday.

## Homecoming Activities Kick Off Here Tonight

By WANDA COTTER

**BEAT FRIONA!!!**  
This is the theme for the 1971 Homecoming activities of LHS, which gets underway today with a Homecoming parade at 7 p.m. The parade will assemble behind the courthouse at 6:45. Several LHS clubs have entered floats in the parade. Kat Klub, FFA, GAA, and DE are all competing for first place in this division of the parade. NHS, FTA, FHA, WILDCAT annual staff, and the journalism classes are entering decorated cars in the parade. The cheerleaders, twirlers, mascot, and bell ringer are combining their talents to decorate a car, also. Marcum Olds-Cadillac-Pontiac, Armes Chevrolet, Lamb County Leader-News, Armes Equipment Company, Newton Insurance Agency, and Garland Motor Company are all planning to participate in the parade.

Immediately following the parade, a bonfire will be held in the parking lot of Wildcat Stadium. Wood has been piled in the parking lot and the fire will be ignited at the first of the pep rally. The Wildcat Band will play at the bonfire and the cheerleaders will lead chants and yell as spirit is generated through the crowd.

Another pep rally will be held in the high school gym Friday afternoon. Candidates for Homecoming Queen will be introduced. Queen candidates are Debra McAnally, Debbie Hafley, and Mary Davidson. Debra McAnally is the 18-

year-old daughter of Mr. and Mrs. John McAnally. This brown-haired, blue-eyed LHS senior is a member of FTA, Kat Klub and the Wildcat Band. Debra has been a varsity cheerleader for two years and now serves as head cheerleader. She is FFA Sweetheart and co-editor of the Wildcat annual staff. When Debra was asked of her reaction to being named a candidate for Homecoming Queen, she replied:

"I was really surprised and happy I couldn't believe I had been lucky enough to receive an honor as great as this."

Debbie Hafley, a brown-haired, blue-eyed senior at LHS, is the daughter of Mrs. Georgia Hafley. Since transferring from Levelland, Debbie has been very active in LHS. Debbie serves as a senior representative on the Student Council. She is employed as a DE student at Britain's Pharmacy and serves as president of Industrial Arts. Debbie is a member of Kat Klub as well as a reporter for both the Skat and Katalyst staffs.

Mary Davidson, 17-year-old senior daughter of Mr. and Mrs. James Davidson, has blonde hair and green eyes. Mary holds many offices such as reporter of Kat Klub and GAA reporter. She is a member of FTA and serves on the Skat and Katalyst staffs as well as playing on the tennis team. Mary feels that Homecoming Queen candidate is one of the greatest honors anyone can receive.

"It makes me feel even more a part of LHS," she says. The Littlefield Lions Club will hold their annual pancake supper from 5-7 p.m. Friday night at the Littlefield Junior High School cafeteria. The pancake supper is an annual event at each LHS Homecoming. Tickets may be purchased from Lions Club members or bought at the door. Adults will be admitted for \$1 and children under 12 must pay a price of 75 cents.

The Littlefield Wildcats will meet the Friona Chieftains in a district battle at 7:30 Friday night in Wildcat Stadium. The Wildcats have a 1-1 record in district competition while the Chieftains are still looking for their first district win. The Homecoming queen for the 1971 football season will be crowned during half-time ceremonies of the game. The three hopeful candidates are Debra McAnally, Debbie Hafley, and Mary Davidson. All three girls

are seniors at LHS and they were elected by popular vote of all classes at LHS from a ballot of 17 girls. Immediately following the game, ex-students will meet at the Littlefield Country Club for a dance. Emil Shattel and the Panhandle Playboys, a band from Memphis, Texas, will play for the dance. Tickets to the dance are \$5 per couple or \$3 stag. Proceeds from this event will be donated to a scholarship fund. A business session of the ex-students will be conducted at the dance.

Graduates from the LHS class of 1961 are planning to sit together at the Homecoming football game. Members of this class may contact Jimmy Duke for more information.

A noon luncheon at the Littlefield Country Club is being planned by the 1962 class. The luncheon is planned for Saturday.

The Student Council has been working on plans for the '71 Homecoming weekend since early September. Jay Trammel, Student Council president, has appointed committees to plan different aspects of the event. The general committee is composed of Jay Trammel and Mike Morris. Members of the committee to contact LHS clubs are Gail Williams and Karol Terry. Linda McAnally, Wanda Cotter, Carol French, and Jill Owens are on the committee to contact downtown merchants. Cynthia Adair and Linda McAnally are in charge of publicity. The awards committee is Andy Rogers, Linda Horn, and Amy Owens. Randy Trotter and DeLon Walker compose the transportation committee. Linda Horn and Cynthia Adair are in charge of decoration of the gym. Monte Angel is to find artificial grass for decoration.

### CATHY COMMENTS HAPPINESS

By CATHY GILES

Have you ever given much consideration to happiness? Most people never do because it is such a difficult emotion to evaluate and yet, it is the very thing which enables us to overcome the disappointments and tragedies throughout life. It sometimes makes a day worth enduring and a life worth living.

Happiness begins with such basics as a courteous smile and a warm "hello." It is a feeling which begins deep within a person and if allowed to prosper and grow, it spreads like a wild flower. By affecting many through contact, happiness cannot be overcome by any hindrances or obstacles. It is the one thing in life which is truly sincere and cannot be duplicated or faked. Happiness reveals to us the joys of life which are sometimes overlooked. Confidence, love, and trust are all byproducts of this emotion.

Happiness remains one of the few things in life which does not carry a price of money. It is available to anyone and to everyone. Its only price is a smile or a simple show of friendliness. It grows within, but there no one is able to see it. So get busy and exhibit a little happiness to others. Your life will be enriched by it and you will probably enlighten someone's day by proving that life has not been completely corrupted. It all begins with a simple smile.

**HATS ON**—Mrs. "Tiddy" Blakely, LHS history teacher, and Principal Beryl Harris don hats for LHS hat day, held last Friday. Below, cheerleaders wear their hats to sell student tags.

AW, GEE WHIZ—Sportsman Dennis Hartley, left, and Hero Scott McNeese proudly display their plaques presented them by the GAA.

### McNeese, Hartley Named Hero, Sportsman By GAA

Scott McNeese, senior at LHS, has been voted "Hero" by the Girls Athletic Association. He is captain of the Wildcats and a member of the Skat and Katalyst staffs.

Dennis Hartley, also a senior at LHS, was voted "Sportsman." He is also a captain of the Wildcats.

Although Hero and Sportsman are chosen each year, this

### Kat Klub Members Busy Making Float

Kat Klub members busily folded napkins for their homecoming float and made locker boosters at their Thursday, Oct. 7 meeting in the woodshop.

The Kat Klub boosters were designed by Judy Curry and said "Stomp the Mustangs." The homecoming float was begun for Homecoming Parade Oct. 14 at 7 p.m. The theme of the floats this year is "Beat the Chieftains."

### Spanish Club Sells Homecoming Mums

Hey, guys! It's that time again! Time to get that certain girl a mum for homecoming.

The Spanish Club sponsors the mum sales and takes the orders Thursday and Friday at noon. The mum prices are mum with L, \$2.50; mum with number, \$3; mum with L and glitter, \$3.50; mum with number and glitter, \$3.50; pennant with football, \$1.00 each; ball streamers, \$1.00 each; footballs, bells, helmets, 50 cents each; Homecoming 1972 ribbon, \$1.00 each.

### Fan Makes Banner For Grid Players

A banner, made by Charlie Powell, was presented to the Varsity Football players. The banner was made to show the football boys that the town is behind them and to encourage them to do a good job, according to Powell.

The banner is 24 inches wide and 12 feet long. It is maroon vinyl with white letters that read, "Littlefield Wildcats."

It took Powell, working in his spare time, about a week to complete the banner.

### LHS SPEAKS OUT Sex Education

Should sex education be taught in public schools? Why? Why not? This was the question presented to the students at LHS this week. Out of 56 opinions, 47 students answered "yes" and nine answered "no." Many students feel that "sex" is a responsibility of the home, and that it is the parent's responsibility to teach their children. Others think that through this, people can see the truth about sex because many parents don't inform their families about sex. Here are some of the opinions of the students.

**SHEILA JACKSON**—"I don't think sex education should be taught in public schools because I believe it's our parent's responsibility to tell us about it."

**LINDA BIRKELBACH**—"Yes, I feel sex education should be taught in public schools. People would learn not only facts on the subject but the true sense in which one must see sex."

**TIM WALKER**—"Yes, because it might help destroy some of the myths about sex that exist today."

**LARRY LOBOUGH**—"I think it should be taught in the home, but if not, it should be taught in school."

**DOROTHY WILLIAMS**—"Yes, I feel that people should have the responsibility to know that sex isn't at all bad and it's how you use it. Other schools are teaching it now and it is very educational."

**LANONA BETTS**—"Yes, because some people don't know what they should about life."

**KENNY FRANCIS**—"Yes, because it isn't taught in very many families."

**EMMETT HEARD**—"No, because if a person wants to know something about sex, they should ask their parents about it."

**JOHNNY ROBERTSON**—"Yes, because the pupils will be more educated for future life."

**BOB GRISSOM**—"I don't see

why not. It would help to get a lot of misconceptions cleared up, and besides it ought to be a fun class."

**ANN COFFMAN**—"Yes, I think it would be an interesting class, and very beneficial."

**MR. GILSTRAP**—"It should be taught at home as a family project with the advice of the family doctor and minister. If ever in school, it should be taught by highly qualified teachers."

**JESSE DAVILA**—"Yes, sex education would help a lot of teenagers who are in trouble and the ones who are headed in that direction."

**CHERYL CARTER**—"Yes, I think it should be taught so kids will know what it's all about and won't go out and try it to see."

**KAREN WALKER**—"I think it should be an elective. If the students want to take it, they can and if they don't want to, they don't have to."

**JOHNNY PRENTICE**—"No, because sex is the deterioration of the immoral thoughts and ideas of men and women."

**MIKE MORRIS**—"Yes! So the population explosion will not explode!"

**JERRY COX**—"Yes, because everyone is stupid about the subject."

**COACH BLAKELY**—"No, this is probably a responsibility of the home."

**SHANNON HATLEY**—"Yes, I think it should be taught in grades starting with the fourth or maybe even the third, because some kids never find out anything from their parents. They learn from other school mates."

### Senior Makes Neat Boards

By PAM BRANDT  
Have you stopped lately and looked at the bulletin board in front of the principal's office? This attractive part of LHS is designed and made by senior Cynthia Adair. Nearly every week the board takes on a new face, with one of Cynthia's ideas. Designing the bulletin board, making a new calendar in the hall each month and reporting

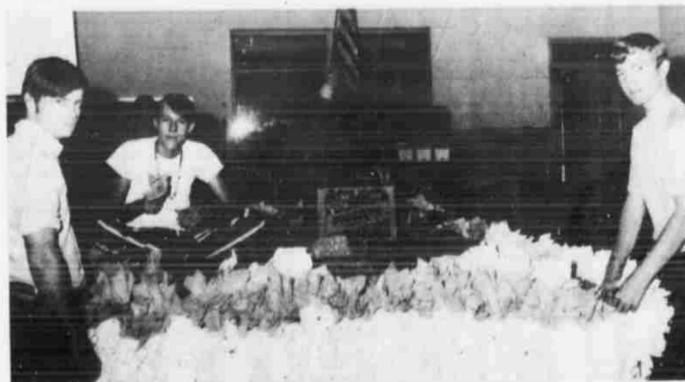

The LHS Library under the direction of Mrs. Ana Belle Burks is open from 8 a.m. until 4 p.m. each school day for student use. Mrs. Burks student assistants for first period are Tresa Wood and Cathy Murry; second period, Shannon Neinst; third period, Velva Lee and DeAun Ogerly; fifth period, Rebecca Gomez and Thriess Bingham; sixth period, Donna Bowman; and seventh period, Brenda Simington. This year a total of 85 new books have been added to the library and Mrs. Burks says she expects another shipment of paperbacks. A subscription to 33 magazines, the Lamb County Leader-News, and the Lubbock Avalanche Journal are on display for students to read. According to Mrs. Burks, the students of Mrs. Hazel Ward's English II class have checked out short stories, Mrs. "Tiddy" Blakely's sophomore world history classes are using reference columns for a research paper, and some of the senior English IV students of Mrs. Irene Lynn's classes are doing research for extra credit papers.

Student Council news to the SKAT are among this busy young lady's duties as publicity director of the Student Council. Miss Adair stated that the bulletin board will have a variety of faces such as students elected to offices, features of holidays, and spirit boosters during football season. During her study hall, Cynthia works on the bulletin board and she added that it is fun and she enjoys the work very much.

### Enrollment Remaining Stable

The 1971-72 senior class is larger than last year's class by two students. This year there are 105 students, compared to the 1970-71 enrollment of 103. However, no two classes are ever "alike," Principal Harris notes. He explained that differences may be wider than numbers indicate with one year a class being more academically inclined, and another year, a class more outstanding in extracurricular activities.

## 'Orderly Marketing' Plan Is Initiated

The Grain Producers Association is initiating a nationwide drive to encourage all grain producers (milo and corn) to follow its plan for "orderly marketing".

The purpose is to strengthen grain market prices by the use of a systematic plan of feeding the grain into the market channels as it is needed and consumers are willing to buy it.

The plan has four basic points, three of which are for farmers to follow, and the fourth is a favorable government feed grains program for 1972. They are:

(1) Placing 20 per cent of 1971 crop in government reseal with intentions of not redeeming it until the 1972-73 marketing year, or a market price of \$2.50 per cwt.

(2) Hold balance (80 per cent) until January 1, 1972, in order to see what the actual size of 1971 crop is (prospects of a smaller than predicted crop will strengthen market).

(3) Distribute the sales of the

80 per cent of 1971 crop, which is to be sold over a period of six months (about 15 per cent per month).

(4) U.S.D.A.'s announcing a 1972 grain program that will cut back in production of grain in 1972.

GSPA President A. W. "Dub" Anthony, Jr., of Friona, said, "If all farmers will follow this plan, we will definitely see higher grain prices again, and not in the too distant future. It is up to the farmers."

"It is our hope that the banks and elevators will add their encouragement to this program," Anthony said.

The word salary comes from "salarium" meaning salt money, since Roman soldiers received part of their pay in salt.

## School Enrollment Survey Scheduled

What is the school enrollment in the United States this fall? Walter A. Freeman, Jr., Director of the Bureau of the Census Data Collection Center in Denver, has revealed that a number of households in this area will help to provide the answer when they are interviewed by Census Bureau representatives during the week of Oct. 18-22.

The questions on school enrollment and related subjects such as living arrangements of college students will be in addition to the usual ones asked in the monthly survey on em-

ployment and unemployment conducted nationwide by the Bureau for the U. S. Department of Labor.

The October 1970 survey showed that 60.4 million persons from ages 3 to 34 years were going to school, from nursery school to college. This was 56 percent of the U.S. population. Of the 29.3 million in this age group not enrolled in school, 27 percent were high school graduates.

The monthly survey of the labor force provides a continuing measure of economic conditions in the country. The

August survey from employment had risen, force increased. Unemployment, on an adjusted basis, edged percent of the labor force in July. Information supplied by individuals participating in the survey is kept confidential and results only to compile totals.

**What Is A Football Player?**

BETWEEN the innocence of boyhood and the dignity of man, we find a sturdy creature called a football player. Football players come in assorted weights, heights, jersey colors, and numbers, but all football players have the same creed: to play every second of every minute of every period of every game to the best of their ability.

Football players are found everywhere—underneath, on top of, running around, jumping over, passing by, twisting from or driving through the enemy. Teammates rib them, officials penalize them, students cheer them, kid brothers idolize them, coaches criticize them, college girls adore them, alumni tolerate them, and mothers worry about them. A football player is Courage in cleats, Hope in a helmet, Pride in pads, and the best of Young Manhood in moleskins.

When your team is behind, a football player is incompetent, careless, indecisive, lazy, uncoordinated, and stupid. Just when your team threatens to turn the tide of battle, he misses a block, fumbles the ball, drops a pass, jumps offside, falls down, runs the wrong way, or completely forgets his assignment.

A football player is a composite—he eats like Notre Dame, but, more often than not, plays like Grand Canyon High. To an opponent publicity man, he has the speed of a gazelle, the strength of an ox, the size of an elephant, the cunningness of a fox, the agility of an adagio dancer, the quickness of a cat, and the ability of Red Grange, Glen Davis, Bronco Nagurski, and Jim Thorpe-combined.

TO HIS OWN COACH he has, for press purposes, the stability of mush, the fleetness of a snail, the mentality of a mule, is held together by adhesive tape, bailing wire, sponge rubber, and has about as much chance of playing on Saturday as would his own grandfather.

TO AN ALUMNUS a football player is someone who will never kick as well, run as far, block as viciously, tackle as hard, fight as fiercely, give as little ground, score as many points, or generate nearly the same amount of spirit as did those particular players of his own yesteryear.

A football player likes game films, trips away from home, practice sessions without pads, hot showers, long runs, whirlpool baths, recovered fumbles, points after touchdowns, and the quiet satisfaction which comes from being part of a perfectly executed play. He is not much for wind sprints, sitting on the bench, rainy days, aftergame compliments, ankle wraps, scouting reports, or calisthenics.

NO ONE ELSE looks forward so much to September or so little to December.

Nobody gets so much pleasure out of knocking down, hauling out, or just plain bringing down the enemy. Nobody else can cram into one mind assignments for an end run, an off-tackle slant, a jump pass, a quarterback sneak, a dive play, punt protection, kick-off returns, a buck lateral, goal line stands, or a spinner cycle designed to result in a touchdown every time it is tried.

A football player is a wonderful creature—you can criticize him, but you can't discourage him. You can defeat his team, but you can't make him quit. You can get him out of a game, but you can't get him out of football. Might as well admit it—be you alumnus, coach or fan—he is your personal representative on the field, your symbol of fair and hard play. He may not be an All-American, but he is an example of the American way. He is judged, not for his race, not for his religion, not for his social standing, or not for his finances, but by the democratic yardstick of how well he blocks, tackles, and sacrifices individual glory for the over-all success of his teams.

He is a hard-working, untiring, determined kid doing the very best he can for his school or college. And when you come out of a stadium, grouching and feeling upset that your team has lost, he can make you mighty ashamed with just two sincerely spoken words—"We tried."
