

Annual C-C Banquet Slated Here Jan. 29

Rev. Wyatt Will Be Speaker

A widely known area Methodist minister, after-dinner speaker, master-of-ceremonies, convention speaker and youth lecturer, has been slated for Littlefield's

Annual Chamber of Commerce Banquet here Friday night, Jan. 29.

Kenneth Wyatt, of Tulia, "has that 'One In A Million' God-given talent to say something worth saying in a way worth saying it", according to Chamber of Commerce officials.

Rev. Wyatt has spoken for several organizations in Littlefield, and has been well received.

Not only is he known as a speaker, he is becoming more popular as a children's portrait painter.

He is listed in America's Methodist "Who's Who," is listed with "Joan Franks Productions", is speaker for Knife and Fork Clubs of America, Inc., on the National Circuit, is an eight-state area youth consultant and staff member for the Methodist Church and is a Naval veteran. He attended public schools in Stephenville, is a graduate of Tarleton College, McMurry College, did graduate work at Baylor University, the University of Denver, and advance study at Iliff School of Theology.

"With an amazing out-pouring of definitely original humor through anecdote, stories, impressions and role-playing, Kenneth Wyatt will leave you weak from laughter, yet strong in spirit that will naturally come from his most positive approach to life." C-C President Jim Jones said.

According to Jones, Rev. Wyatt is very effective at using facial expressions and self-made sound effects in his speeches.

Tickets to the annual banquet will go on sale soon, and Jones has emphasized that all citizens make their plans now to attend the event.

Other highlights of the banquet will be the naming of the "Outstanding Citizen of the Year", "Outstanding Farmer", and "Outstanding Woman".

New directors for the Chamber of Commerce and outgoing directors will be recognized.

Milkman's Call Puts Stopper On Stolen Truck

A stolen milk truck became a do-it-yourself milk shake making machine when it collided with a Muleshoe city patrol car in Muleshoe at 8:30 Christmas day.

Larry Dempsey of 807 S. Sunset reported the theft of his Bell Milk truck at 7:50 p.m. Friday after a friend phoned Dempsey and told him he had seen someone driving the retail route truck down 15th Street, then out onto the bypass toward Amherst.

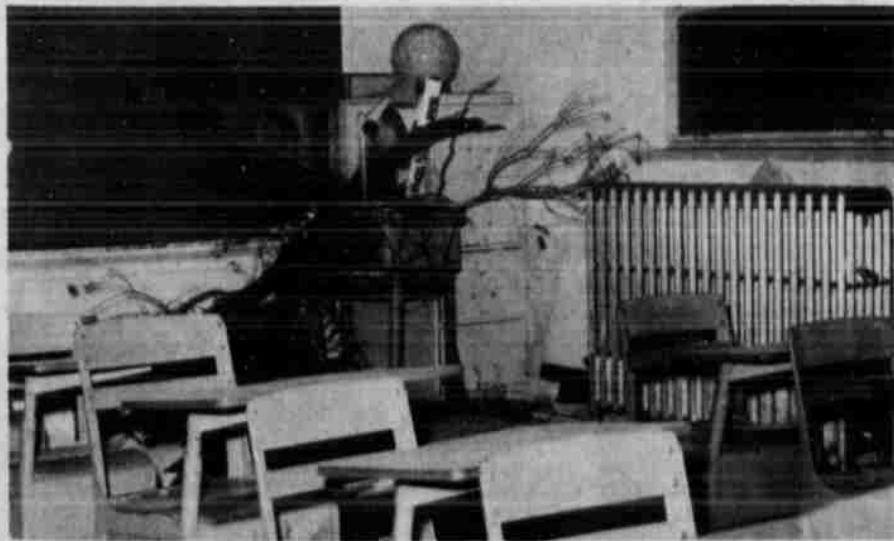

Law officers in Sudan and Muleshoe were alerted and Muleshoe officials set up a road block. When the driver saw the patrol car was about to stop him, he rammed the car in the back, then jumped from the vehicle and ran.

At presstime Saturday a suspect had been jailed in connection with the theft and wreck, but no charges had been filed. Damages of \$200 were estimated on the patrol car.

The milk truck was taken from its parking place at the Deep Rock Service Station and was loaded with milk and dairy products and had a full tank of gas when it was taken. The theft was reported within 10 minutes after the disappearance of the truck.

IMPROVEMENTS NOTED AT WHITHARRAL

Ill Wind Brings Better School

TREE LIMBS were blown through windows in the Whitharral Elementary last May, and inside walls were pushed out.

REPAIRS TO existing buildings are complete, and each classroom now has storage units the length of the rooms and sinks with running water. Radiators were removed and central heating and air conditioning were added; old furniture was replaced with new equipment.

By NILAH RODGERS
Leader-News Staff Writer

A community's school is the hub of small towns like Whitharral.

So when the brunt of the tornado swooped down out of the darkened sky and exploded on the school grounds like a giant ball of fire on the Friday night of April 11 this year, many people looked at the resulting rubble, shook their heads and said, "Well, that's the end of the Whitharral school."

But it was only the buildings that were in shambles, not the school spirit.

Today Whitharral students are attending classes in one of the most modern public school systems. Every classroom boasts central heating, refrigerated air conditioning, and complete new lighting systems.

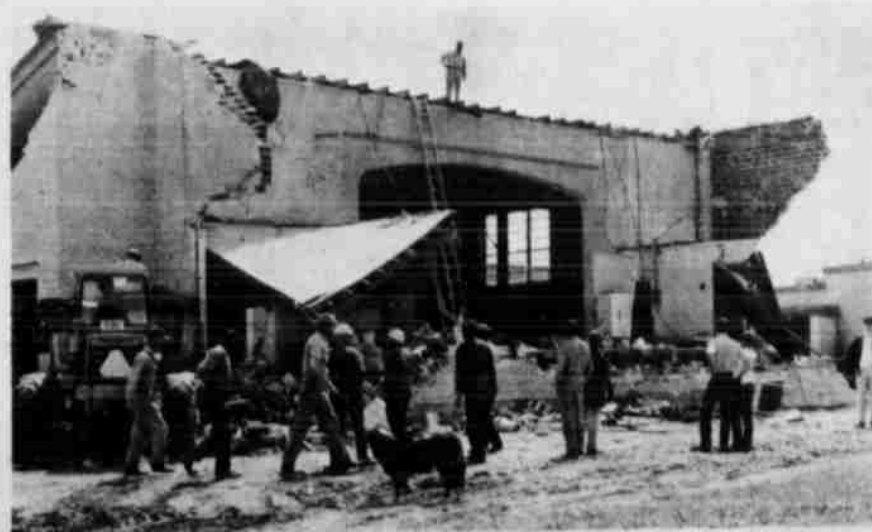

Storage units the length of the rooms, plus sinks with running water were installed in all elementary classrooms, and playground equipment and fences were replaced.

One hundred seventy-six thousand dollars (\$176,000) were spent to repair existing buildings, lower the ceilings and install the heating and cooling systems. Another \$18,000 was spent for new furniture, supplies and equipment. And when Whitharral students are called on the carpet, it is literal, for the administrative offices are all paneled and the floors covered with red rugs.

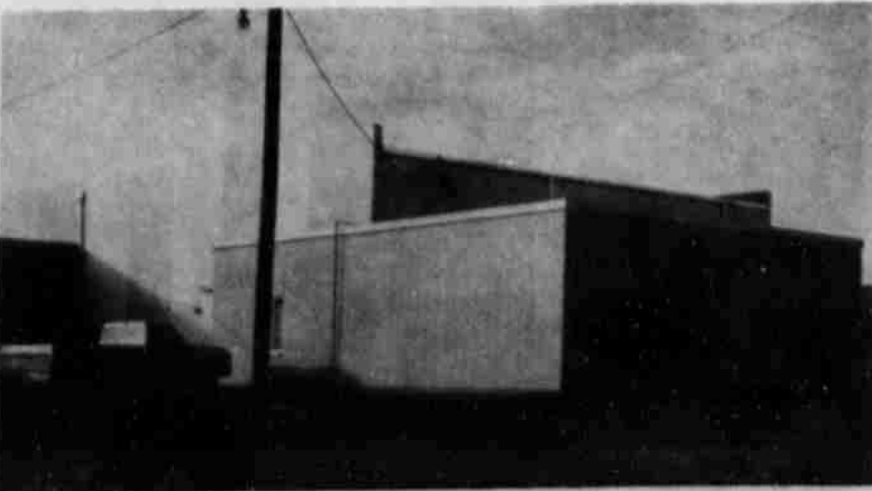

The demolished concrete block agriculture building has been replaced with a \$31,291 gleaming aqua metal structure that also houses the buses.

The old gymnasium was repaired for use as a practice and junior high gym, minus the dressing rooms and storage space which were damaged beyond repair. A new gym is under construction, and although basketball season will be over before it is completed, next year all of the games will be played on a 62 x 100-foot tartan floor in a \$148,000 structure.

Far from being gone with the wind, the Whitharral school is bigger and better ever.

EVERYONE PITCHED in and helped clear debris out the day after the tornado at Whitharral.

THIS IS THE way the old gym looks now after it was repaired and an addition was made. It is being used as a junior high and practice gym. A new high school gym is under construction where the old bus barns were located.

Ramage-Holcombe Vows Said In Spade Church

Miss Carolyn Kathleen Ramage and James Wendel Holcombe pledged double ring wedding vows Saturday evening Dec. 26 in the Spade United Methodist Church.

Rev. Don Shepherd of Grace Presbyterian Church of Lubbock officiated for the ceremony.

Parents of the couple are Mr. and Mrs. Robert L. Ramage of Spade and Mr. and Mrs. Price A. Holcombe of Trent.

Candelabras with white tapers, greenery and bridal wreath accented the altar. Blue votive candles and Christmas greenery further adorned the church.

Mrs. Gayle Bowen of Lubbock, organist, presented the selected sacred music, accompanied by Randy Tyler of Lubbock, as he sang "The Wedding Prayer" and "The Lord's Prayer".

Presented in marriage by her father, the bride wore a formal-length empire dress of candlelight peau de soi. The bodice was overlaid with lace and featured a scoop neckline and long lace sleeves that tapered to a point at the wrist. Her fingertip tulle veil was held by a fitted cap covered with candlelight peau de soi, adorned with lace and bordered with a double row of white pearls. The veil was further trimmed with lace appliques and tiny seed pearls. She carried a white orchid atop a white Rainbow Bible. White frenched carnations and blue ribbons completed the bouquet.

Mrs. Doyle Pendleton of Norfolk, Va. was matron of honor. Her formal-length empire dress of tropic blue peau de soi featured a scoop-necked

bodice, overlaid with white lace, and short lace sleeves. The veil of blue tulle was held by a white crown tiara edged in white pearls, and she carried a long stemmed white carnation.

Lt. (jg) Doyle Pendleton of Norfolk Va. was best man. Candles were lighted by Capt. Richard Ramage of Ellsworth Air Force Base, Rapid City, S.D. and Marcus Ramage, of Odessa, brothers of the bride. Guests were seated by Charles Ramage of Midland, brother of the bride and Ronald Holcombe of Trent, brother of the groom.

Guests were registered by Mrs. Dan Stewart of Lubbock, sister of the bride.

A reception was held in the fellowship hall immediately following the ceremony.

The bride's table was laid with a white lace cloth and bordered with blue satin bows and silver braid. Her bouquet provided the centerpiece. A traditional three-tiered cake and yellow punch was served to the guests by Mrs. Marcus Ramage of Odessa, Mrs. Richard Ramage of Rapid City, S.D., and Mrs. Charles Ramage of Midland, all sisters-in-law of the bride.

Other members of the houseparty were Mrs. Leon Leonard, Miss Ethel Bundick, Mrs. Norman Frey, and Mrs. Ray Smith.

For traveling, the bride wore a military-styled aqua knit suit and the orchid corsage lifted from her wedding bouquet.

Miss Ramage was a 1965 honor graduate of Spade High School. She received a Bachelor's of Applied Music Degree from Texas Tech University in 1969 and a Master's of Applied Music Degree from Texas Tech in 1970. She has been employed as a graduate teaching assistant in the music department at Texas Tech University and as organist at Grace Presbyterian Church in Lubbock.

Holcombe was a 1965 graduate of Wink High School and received a Bachelor of Science Degree in government from Texas Tech University in 1969. He is presently stationed with the United States Army in Ft. Hood, Texas, where the couple will make their home.

NARCISSUS

Another lovely spring flower that can stand the winter outdoors, and come bursting forth in the spring, is the narcissus.

According to Greek mythology, there was a handsome youth who fell so in love with his own image, that he spent all his time looking at his reflection in a clear pool. He was so entranced with himself, he couldn't leave the water. There he died and was changed into the flower narcissus.

An interesting story, but we feel flowers are just God's way of letting all of us view his creative beauty. We take pride in the way we prepare them when you order our flowers.

THE ABUNDANT LIFE

Two Worlds

By BOB WEAR

THERE ARE TWO WORLDS, and we live in both of them. My world is a world within a bigger world, and your world is a world within a bigger world.

IN MY WORLD, patriotism can have whatever place I choose to give it. There can be a place for law and order.

There can be respect for personal and property rights. Thrift and industry can be just as important as I wish them to be.

I can be diligent in doing my work, and conscientious to do it the very best I know how. I can respect all rightful authority, and I can give honor to whom honor is due, and respect to whom respect is due.

MORALITY AND DECENCY can have a prominent place in my world. Understanding and wholesome tolerance toward other human beings should have a proper place, too.

There would be more gratitude than grumbling, and more appreciation than faultfinding.

PERFECTION IS NOT part of my world, but personal maturity can be and will be my aim. There will be flaws, but I can make it a world of man growing and improving.

There will be no destructiveness, but the efforts will be constructive. Everything will be done for building up and encouraging others.

GOD AND ALL pertaining to him can be made the center of my world, and will be if I choose to make it a satisfying world.

If I do well with my world, I may be able to make a little worthwhile contribution to the big world, I may be able to make a little worthwhile contribution to the big world.

THERE ARE TWO WORLDS, and we must not get the two confused.

THE PHILOSOPHER

Looking Ahead

(Editor's note: The Sandhills Philosopher on his Johnson grass farm has a prescription for 1971.)

Dear editor:

Along about this time of the year it's customary to try to look ahead and predict what's going to happen in the next twelve months, or anything to get your mind off what happened in the last twelve, but the prediction business is in poor standing these days, nothing seems to turn out the way the experts forecast, from Viet Nam to the economy to the football season, so I thought I'd switch.

Instead of saying what's going to happen, I'd like to suggest what ought to happen.

And if you put it in one sentence, what the world needs most in 1971 is to rediscover the ability to kid itself.

Everybody takes everything too seriously, from college students to world statesmen. All the leaders are afraid they're going to say the wrong thing or pick up the wrong fork. They have the idea everything you do has to be exactly right, everything you say has to be written down in advance.

Why, if they receive an award or a testimonial and all they need to say is

thank you, they pull out a paper and read it off. "I thank you."

Nobody ever admits he has a crop failure, politically speaking. If a commission, after spending a year and a million dollars, criticizes some program, the program director claims the criticism basically was complimentary. Right now, both parties are still claiming they each came out ahead in the November elections.

One time, I read once, one of President Lincoln's cabinet members came to him privately and said another cabinet member had said the President was a fool for taking a certain action, figuring Lincoln would fire the man outright for such disloyalty, but Lincoln, without having to research the matter and read his answer from a script, said, "You know, the more I think about what I did, the more I'm afraid he's right."

Anybody can laugh at what a humorist says, but the measure of a real man is his ability to laugh at himself.

I'm not saying this is going to happen in 1971, but it might be a good prescription for the whole world. See you next week, not quite so seriously.

Yours faithfully, J. A.

A WOMAN'S VIEW

Counting Blessings

By PEARL BRANDON

IN ALL the hurry of Christmas it is hard to find time to write this column, but would like to express appreciation to everybody. It is wonderful to live in a small town for Christmas—where everyone you meet is your friend or acquaintance.

WHERE NEIGHBORS run in with a box of candy and friends stop by to say "hello," "Merry Christmas."

My mother is elderly and can't get out much any more. People go out of their way to be especially nice to her.

TWO DIFFERENT groups of young people came by to sing Christmas carols to her and visitors from the churches, friends and Eastern star brought her gifts.

Then our wonderful, big family began rolling in from different parts of the country to visit—some to stay only a few hours and go on.

OTHERS CAME to share Christmas with us and those who live close brought food for Christmas dinner.

Everybody brought gifts. Those who couldn't come called. All day the phone rang and people talked.

IT IS WONDERFUL to see all the nice young people of the family (we have all age groups) get together for a while.

It is great to have the children underfoot and all over the place and it is nice for the older folks to recall old times and laugh over things that happened long ago.

IT IS GOOD to eat the sumptuous food including the traditional turkey with all the trimmings with loved ones. I must not forget the lovely Christmas cards.

THERE ARE a few missing from our family circle this year, and as always, this brings sadness, but it does make us appreciate each other more.

Take it all in, all this is a wonderful Christmas time and we wish all of you equally the same.

WE HOPE YOU had a lovely Christmas and a blessed new year.

HONEY BRITS

By CORNBALL BLUES

QUICK, UNCLE, do something! Make those of meanies quit charging so much for the luxuries I'm heaping upon myself! We know that you're in command of the situation, and all you gotta do, is just speak up. After all, ain't you in charge of everything?

OF COURSE, while you're at it, don't meddle with the price of my products, or labor. What we want is that my products be at a peak, while the things I buy be at rock-bottom prices.

In other words, I'd like to live in luxury, and at the same time, be able to put up a big nest-egg to take care of myself in my old age. —While you're at it, I want you to be sure that my dollars will double in value while I have them stashed away in the old sock!

NOW, UNCLE, I don't want you to do anything to curb my buying power. After all, if I see some tidbit that might add to the ease of life, I'm going to buy it, regardless of price. Whether a new automobile, or, goldplated tooth-brush.

And, another thing, This 40-hour work-week is just too much! I'd like you to get the boss to double my hourly wage, and cut the number of hours by at least one-third.—This would give me more time to spend the extra money I'd be earning.

SOMEWHERE in this plan, tho, you'd better include legislation to keep the boss

"Thanks a lot."

this NEW YEAR

We speak blithely of The New Year, as though there were some magic in the month of January. We talk as if bad things will, of themselves, become good things, with no effort on our part except to rearrange the calendar.

We have proof in II Corinthians that old things really pass away and all things become new. And what a boon that is only for the turning of a new leaf. How sweet it is that we can begin again. For some of the old would be a pill much too bitter to swallow.

But underneath all this, all of us know, the newness must be within us. We must think new thoughts. We must become new persons.

We must cultivate new attitudes and even develop a new heart. If we love, it must be stronger this year. If we create, it's got to be better.

We can't have a New Year unless we make it a new one. Let us make Christ our pattern, our ideal.

This New Year would be a grand and beautiful New Year if we could make it a Church-Going-Year.

Happy New Year, Everybody!

MRS. JOSEPH D. PARKER

Miss Edwards Wed

To Joseph Daniel Parker

Kathryn Jane Edwards and Joseph Daniel Parker pledged double ring wedding vows before an arrangement of greenery and red candles at the Crescent Park Church of Christ, Saturday evening, Dec. 26.

Glenn Owen of Abilene, foster brother of the bride, officiated for the ceremony.

The bride is the foster daughter of Mr. and Mrs. Bill Owen of Littlefield. The groom is the son of Mrs. J.W. Parker of Lamesa and the late J.W. Parker.

The bride, given in marriage by her foster father, wore a formal length gown of silk shantung, fashioned with an Empire waist line and sleeves of chantilly lace, adorned with tiny pearls. Her chapel length train of lace was attached to the bodice with a white velvet bow.

The shoulder length veil fell from a head piece of miniature flowers and stems. She carried a bride's bouquet, centered with an orchid.

For "something old and borrowed", she wore her foster mother's first wedding ring and "something new" was part of her attire. She wore the traditional blue garter and a penny in each shoe, one for the year of her birth and one for the year of the groom's birth.

Attendants for the bride wore formal length dresses, fashioned with a dark green velvet bodice and light green satin completing the dresses. They each carried a long stem rose.

Attending the bride as Maid of honor was Miss Sherry Griffin of Carlsbad, N.M. Bridesmaids were Linda Hutto of Lubbock and Linda Cathey of Pueblo, Colo. Candelighters were Gary Edwards and Randy Gray, nephews of the bride.

Serving his brother as best man was Tim Parker of Lamesa. Groomsmen were Dave Parker of Lamesa, brother of the groom and Jerry Roberts of Lubbock. Ushers were Jim Owen, foster brother of the bride, and Eugene Edwards, brother of the bride.

Registering the guests before the wedding was Debbie Edwards, niece of the bride.

Wedding music was presented by the Crescent Park Church of Christ choir. They sang "Because", "Twelfth of Never", "Whither Thou Goest", and "Be With Us Lord."

A three tiered white cake was served at the reception immediately following the ceremony, in the Fellowship Hall of the church. The brides bouquet decorated the table.

Presiding at the serving table were Mrs. Richard Bennett of San Antonio, sister of the groom, Mrs. Jim Owen of Dallas, and Mrs. Johnny Robertson of McKinney.

For their wedding trip to Western Colorado, the bride chose an aqua and white dacron suit complimented by white accessories, and the orchid lifted from her bridal bouquet.

Mrs. Parker graduated from Littlefield High in 1966, attended Lubbock Christian College and graduated from Abilene Christian College in May of 1970. She is now employed by the Hale Center Public Schools.

Parker graduated from Lamesa High in 1959, attended Lubbock Christian College and West Texas University. He is presently enrolled in the Sunset School of Preaching in Lubbock.

After January 1 they will reside at 5th and Ave. G in Hale Center.

PRECIOUS COMMODITY

Time is a very precious commodity, and hours spent in the kitchen can often be put to good use in other ways. This doesn't mean that taste-tempting dinners are a thing of the past. It simply means that smart menu planning and wise use of your gas range are required. To get the most from your gas range with the least amount of time, money and effort, the American Gas Association suggests that you plan meals that can be completely prepared on only one part of the range—an all-oven meal, for example. With a little planning, an elegant meat dish, appetizing vegetables, and luscious dessert can all be prepared at the same time in the oven—often in only a little more than an hour.

Seven Injured

Seven persons were injured at Olton Christmas day when a 1963 Chevrolet driven by 22-year-old Jerry Ramond Gallagher collided with a parked car in the 1400 block of A Street in Olton about 8:15 p.m.

Gallagher, his passenger, 22-year-old James Lambert, and all five of the Mack Brown children sitting in the parked car were taken to the Olton hospital by a Parsons Ambulance.

Lambert was transferred to Methodist Hospital in Lubbock with severe head injuries from being thrown through the windshield. Gallagher had severe laceration on his face and head.

Two-year-old Tommy Brown has a broken shoulder or collar bone, three-year-old Mark, 12-year-old Tony and 13-year-old Alice Fay had facial lacerations, and five-year-old Michelle had a cut on her head, according to Highway Patrolman Joe Young who assisted Olton city police with the investigation.

Officers said Gallagher's car hit the front of the Brown's 1964 Plymouth that had been driven to its parked position by Mrs. Brown. Mrs. Brown had left the children in the car and had gone inside the house where she had parked.

The impact of the cars threw the Brown vehicle into a 1969 Plymouth parked behind it. The Chevrolet and the Brown's car were both totaled and damages of \$100 were estimated to the second parked car.

Five Ponies All-Plains

Five Olton Mustangs have been named to the AA All-South Plains grid team.

Heading the offensive dream team were Jimmy Key, 195 senior center; Steve Stockdale, a 170-pound junior back; and Keith Workman, a 190-pound sophomore back.

Named to the defensive team were Olton's Gary Durham, a 165-pound senior lineman and Luis Rey, a 160-pound senior secondary.

Mike Parsons was named to the honorable mention list both offensively and defensively.

Two of the three offensive team members, Stockdale and Workman, will return for more school boy action next year. Stockdale, who made a name for himself scrambling and passing last year, didn't have to chuck as often this year, but he still hit 55 per cent of his passes, or 67 out of 114, for 1362 yards and 12 touchdowns. He was intercepted only 12 times during the entire season.

In the yardage department, early in the season Workman carried 43 times and picked up 434 yards rushing. Workman

wound up as one of the top scorers on the South Plains with a total of 10 points. And although only a sophomore, he finished the year with 1,387 yards rushing, a 6.2 per game average.

All of these All-South Plains selections also made the All-District squad and most of them were repeaters from a year ago.

Gary "Bull" Durham was one of the Mustang captains this year and was another All-District returnee. "Bull" made All-District guard and corner back last year, and won the 1969 Fighting Mustang Award from his teammates. This season Durham was a two-way starter. Jim Key was another All-District letterman and a Mustang captain.

Luis Rey was another repeater for All-District and All-South Plains honors. Rey went offensively and defensively, and in addition to his defensive powers could catch in a rough crowd.

Senior Mike Parsons won his laurels for his good hands and his endurance as a long distance runner. Besides the grid honors, Parsons has placed second in the mile at the state meeting for the past two years.

Spring Registration Scheduled At WTSU

Registration for the spring semester at West Texas State University will be Jan. 14-16 in the Activities Center, according to Dr. Donald Cates, dean of admissions and registrar.

Cates said that former West Texas State students who were not enrolled last semester but who plan to enroll for the spring term should visit the registrar's office Jan. 4-8 to fill out an application for readmission.

"This will save those students some time during registration," he said.

"When returning students come to register we ask that they bring with them the registration materials they received the week of finals and their fall grades.

"Students who are lacking some of the registration materials will line up at the southeast entrance to the all-purpose room of the Activities Center," Cates said. "Those who have their materials will begin registration at the northeast entrance."

Prior to registration, Cates said, the American College Test (ACT) will be given to all beginning freshmen Jan. 11 in the auditorium of the Old Administration Building. Freshman orientation will be Jan. 12 in the Activities Center.

No estimated enrollment figure for the spring semester

has been given. Last spring's enrollment was 7,018 and the recently completed semester's enrollment was 7,905.

Tax Deductions For Losses Are Restricted

The Tax Reform Act of 1969 limits the federal income tax deduction for long-term capital losses, according to Ellis Campbell, Jr., IRS District Director for North Texas. The Act allows only 50 percent of an individual's long-term capital losses to be used to offset ordinary income. Thus it takes \$2,000 in losses to get the maximum offset of \$1,000 against ordinary income.

While the \$1,000 limitation is unchanged in the case of joint returns, the new law limits the deduction to \$500 on each return of a married couple filing separately.

Campbell said that new long-term capital losses carried over from pre-1970 tax years can be fully deducted under the old tax rules. The 50 percent rule does not apply.

The maximum capital gain tax rate is 25 percent on the first \$50,000 of gains and 29.5 percent on any excess over that amount.

tryouts Set For 'Texas'

The directors request that applicants bring both school and home addresses, social security number, and a photograph at least bill fold size. They will be looking for actors with command of the stage, voices that can be heard outdoors, with understanding character motivation and conveyance of a variety of emotion. Actors must be prepared to give a memorized reading, not to exceed three minutes. They will double as members of the chorus and all must audition for singing as well as acting roles. The "Texas" production is outdoors and does not use microphones. Singers in the "Texas" chorus are a vital part of the production. Applicants should bring one prepared number which will show the singing voice to its best advantage. An accompanist will be provided or singer may bring his own. Many singers will double in minor speaking roles and/or as technician assistants, so each singer must present a short memorized selection to display the quality of the speaking voice. Dance auditions will be conducted at 4:00 p.m. Men and women with ballet, modern dance and/or body movement training are desired. However, experience and training are not required. Applicants should bring appropriate work-out clothing. Other audition dates are: Jan. 16, 10 a.m. and 1 p.m. at WT Campus, same location as above; Jan. 24, Women's Gym at Texas Tech University in Lubbock; Feb. 27, at El Centro College in Dallas; March 7, in Oklahoma City, Okla. For further information call 806-655-2182, or write to "Texas" Musical Drama, P. O. Box 268, Canyon, Texas 79015.

Gayle's BAKERIES

By GAYLE MILLS
LEADER-NEWS SOCIETY EDITOR

I KNOW A LOT of you have leftover turkey from the Christmas holiday so let's talk turkey again.

Why not spring a "Turkey Salad" with fruit, vegetables, and nuts, served with tiny "Hot Cheese Biscuits" or a "Lone Eagle Sandwich", which combines slices of turkey, ham

and cheese. Your guests and the family will love these tasty recipes—and "mama" won't have to go to a lot of preparation either.

TURKEY SALAD

2 cups diced cooked turkey
1 cup cooked peas
1 cup diced celery
3/4 cup chopped walnuts
2 tablespoons lemon juice
1 teaspoon minced onion
1/2 teaspoon salt
1/4 teaspoon pepper
3/4 cup real mayonnaise
Lettuce

Mix together turkey, peas, celery, walnuts, lemon juice, onion, salt and pepper. Toss with mayonnaise until evenly coated. Chill.

Serve in crisp lettuce cups or in a lettuce lined bowl. Garnish plate with cranberry sauce. Makes 4 (1 cup) servings.

NOTE: Seedless grape halves

or chopped apple may be used in place of walnuts.

CHEESE BISCUITS

2 cups sifted flour
3 teaspoons baking powder
1 teaspoon salt
1/2 cup grated cheese
1/3 cup corn oil
2/3 cup milk

Sift together flour, baking powder and salt into mixing bowl. Add and stir in cheese. Blend in corn oil with fork or pastry blender. Add milk; mix until dough forms. Gently knead on lightly floured board, 15 to 20 times. Roll out or pat to 1/2-inch thickness. Cut with floured biscuit cutter. Place on ungreased cookie sheet.

Bake in 450 degree F. (very hot) oven until lightly browned, 12 to 15 minutes. Makes 12 (2-inch) biscuits.

NOTE: For soft biscuits, arrange on cookie sheet with sides touching. For crusty biscuits, place well apart.

LONE EAGLE SANDWICH (HAM, CHEESE AND TURKEY)

1 loaf unsliced white bread
Mustard with horseradish
Mayonnaise
6 slices cooked ham
6 slices turkey
Lettuce
3 slices American cheese
Black olives

Trim edges of loaf. Cut lengthwise into 3 slices; cut each slice in half lengthwise. Toast all 6 pieces on both sides. Spread cut surfaces with mustard with horseradish and mayonnaise. Place ham, turkey and lettuce on 3 slices of bread. Top with remaining bread slices. Arrange cheese on top of each sandwich.

Broil about 5 inches from source of heat 2 to 3 minutes or until cheese is slightly melted. Arrange 3 sandwiches in shape of "spread eagle." Garnish with black olives.

Makes 3 generous servings.
