Ford, Denise McCurry and Annette Henry. In the bottom photo are some of the pilots and the planes they flew. David Waldrop of Odessa won the plaque for spot landing. W. G. Tillery of Albuquerque, N.M. received a plaque for coming the farthest distance. E. W. Lovvorn, 58, of Grady, N. M. got a plaque for being the eldest pilot; and Danny Cardwell, 17, of Sudan was the youngest pilot.

Cat-Lockney Tilt Toss-Up In 3-AA

The game of the year for Littlefield and Lockney—and possibly for all of District 3-AA—shapes up here Friday night at 7:30 when the Wildcats entertain the unbeaten Longhorns of Coach Jerry Cannon.

A Lubbock newspaper already has tabbed Lockney a "solid favorite" for the district title, but Coach Jerry Blakely's Wildcat troops have other ideas.

One state-wide rating service is calling the game even, and this early in the district wars, nobody knows for sure who has what.

For certain, Lockney has speed and an explosive offense.

Littlefield's strong point thus far is a "solid defense," an admission from Coach Blakely and also attested by the fact that the Wildcats have given up an average of only 64 yards per game on the ground.

No one has belittled the Lockney defense, either, because the Longhorn defenders were plenty adequate in the team's wins over Levelland, 20-15; Post, 27-7; and Idalou, 19-6.

Littlefield's offense put on its best show of the year last Friday night, and it was the offensive line that got things under control in the victory over Slaton, 34-0.

Previous to that, it was almost all defense as Littlefield dropped a 6-2 game to Levelland and the defense created most of the scoring opportunities in the Wild-

cats' season opening win over Crosbyton, 58-6.

"Our offensive line controlled the game for us against Slaton," Coach Blakely told the Quarterback Club Tuesday night.

During the film, Blakely pointed out the blocking of Tackle Chuck Blevins, Guard Scott McNeese and Tight End Matt Giles on one side of the line, Tackle Ricky Sanchez and Guard Kenny Pratt on the other, and Center Allen Grisham.

They opened up the holes that allowed Littlefield to gain more than 300 yards on the ground.

And, for the first time this year, the Wildcats found success in the air, with QB Jay Trammell on target for six completions.

Littlefield's line-ups will remain the same for the Lockney game. The Cats came out of the Slaton clash with no injuries, although possibly more battered than in previous games.

"We'll probably use Blevins a little more at defensive end, to relieve Sanchez and Allen Grisham, who go both ways," said Blakely. "And we'll get Danny Estrada at offensive tackle some to spell Blevins."

The split end will be Larry Hobratch and the flanker will be J. E. Johnson. Rounding out the backfield are Tailback Ralph Funk, FB Dennis Hartley and QB Trammell.

Defensively, the Cats go with Sanchez and Grisham at ends, Estrada and McNeese at tackles, Lenearl Lewis and Johnson at outside linebackers, Giles and Bill Hamblin at middle linebackers, Hartley and Mike Carter at the edges and Jerry Kemp at safety.

Lockney's offense is high-powered, with FB Pat Bennett (190) providing the power and the rest of the backs plenty of speed.

Bennett probably is the fastest of the bunch at 40 yards (4.6), but the others, halfbacks Charlie Mathis (172) and Cleo McGee (178), and QB Tony Ford (169) can beat him in the stretch. Ford is one of the top two passers in the district.

"They ran for 400 yards against Levelland, 200 by ground and 200 by air, and that's scary," says Blakely. "If you'll remember, we got 88 in all against Levelland."

But the Wildcats are banking on the rapid improvement they've shown since the Levelland game to prove they can move the ball.

They'll have to do it against a beefy Lockney defense, which shows a split-six that averages 212 pounds per man on the front four.

Top defensive stars are Bennett at

defensive end, Ricky Gross and Mike Dietrich at tackles, Mathis and Danny Lambert at linebackers and John Clark at safety.

FOOTBALL CONTESTANTS come in all shapes and sizes. Ken Brantley, an eight-year-old Littlefield third grader, is one of the youngest avid contestants. His picture was snapped when he deposited his entry. He is the son of Mr. and Mrs. Bill Brantley, 929 W. 10th.

23 Stops Set On Farm Tour

Lamb County Extension Service and County Soil Conservation Service will have 23 diversified farm demonstrations on display for individual tours the next few weeks.

Of special interest on the tour is 160 acres of broadcast cotton under a center pivot wheel roll sprinkler system. Recently 98 agronomists from throughout the cotton belt visited this plot.

From 3,000 to 3,500 acres of cotton are planted this season in this "sea of cotton" cultural method. There are several fields in this area with double row cotton, too.

Buddy Logsdon and Bobby Bruson at the extension department and Joe Blevins and other SCS employees encourage all interested persons to take time out from their busy schedules to visit as many of the stops as possible. Most stops are marked by special demonstration signs and easily accessible to private vehicles.

Additional information concerning any of the particular plots may be obtained from local cooperators or the Lamb County agents' office or local SCS office.

Information on all plots will be published in a demonstration summary at the completion of this crop year and will be available for distribution.

Profits from cotton and the strength of the industry in Lamb County depends on the proper selection of varieties. Many variety demonstrations are included in the tour including some of the newer varieties in this area, plus broadcast and narrow-row planting plots.

Land leveling, grassed waterways and other water conservation measures, and corn and grain sorghum varieties and practices are included among marked locations.

For a list of all the marked demonstrations cooperating in the tour program this year, and a map marked with the corresponding numbers, see pages 5-8 in this issue.

Interest is great in the flea market set for Oct. 16, according to Bill Payne, Chamber of Commerce manager.

The C-C is selling space for the booths on a first come, first serve basis, and Tuesday afternoon inquiries from five towns had been received, and five persons had already reserved booths for the upcoming flea market.

Booths will be 15' X 20', and only 30 spaces are available, Payne said, unless other arrangements can be made to secure more space across the street. Locations are \$3 each.

The flea market will be held on the city parking lot across the street east of Mitchell Ford, Inc. in the 500 block of Phelps Avenue.

Besides being a big crowd puller from this area, towns sponsoring flea markets report that people drive in from far-away to shop, swap and buy.

The C-C is sponsoring the flea market and is furnishing only the space. Payne said those buying space for the booths would have to furnish their "trappings."

The Chamber is using money collected for the spaces in advertising the event. Payne said a notice of the forthcoming event had been published in an antique journal and that out-of-town inquiries from those with antiques to display had been received from towns as far away as West Brook, Colorado City and Friona.

In addition to antiques, the flea market is expected to produce everything from fresh vegetables, hand crafts and home baked products to white elephant items from the attic and outgrown clothing.

Olton Schedules Musical Program

OLTON--An evening of singing has been slated for Saturday, Oct. 25, in the Olton School Cafeteria.

Requested to return for a repeat performance, the "Country Gospel Singers" will present a musical program for Olton residents beginning at 8 p.m.

Johnny Flannagan, and his wife, Nelda of Slaton, and Morris Taylor of Post comprise the trio.

James Brooks, stated "that all interested person are invited to be present for gospel singing and western music."

In 1960, Japanese industry consumed 40 million pounds of primary nickel. In 1970, this had grown 400 per cent to over 200 million pounds. In 1980, estimated demand for the versatile element in Japan is expected to be about 425 million pounds, or just 10 million pounds under total free world consumption of nickel in 1959.

MRS. BUFUS L. LEE

Williams-Lee Vows Pledged In Sudan

Miss Minnie Lee Williams became the bride of Bufus Longfellow Lee Saturday, Sept. 4, in the Mount Olive Baptist Church of Sudan.

Officiating for the double ring wedding ceremony was Rev. H.K. Thomas of Lubbock.

Parents of the couple are Mr. and Mrs. Lee Williams of Sudan and Mr. and Mrs. Charlie Lee of Littlefield.

The wedding vows were read before candelabras decorated with yellow candles and large yellow bows. On either side of the candelabras were baskets of yellow mums accented with greenery.

Presented in marriage by her father, the bride wore a formal-

length gown of bridal satin with an overlay of bridal lace and appliques. The gown featured long sleeves and a scalloped lace yoke trimmed with seed pearls. Her matching lace edged veil fell to floor-length forming her train. She carried a bridal bouquet of white carnations.

For "something old and borrowed" she wore a string of pearls and pearl earrings, belonging to Mrs. Darwin Reid; "something blue" was the traditional blue garter; and her bridal attire was "something new".

Brenda Simington of Littlefield presented the piano selections, and Beverly Kemp of Littlefield sang "I Love You Truly".

The Candles were lighted by the bride's cousins Annie Ruth Williams and Jerry Lewis Williams. Oletha Johnson seated the guests.

Mattie Scott attended the bride as maid of honor. Mary Jo Williams, cousin of the bride, and Janice Lee, sister of the groom, were bridesmaids. They wore yellow headpieces and carried long stemmed yellow carnations. Cathy Williams was flower girl and Billy Williams, brother of the bride was ring bearer.

Kenneth Twitty of Littlefield served the groom as best man. Groomsmen were Kenneth Lee and Charles L. Lee, brothers of the groom, from Littlefield.

For her daughter's wedding, Mrs. Williams wore a peach colored dress featuring long sleeves, with white and gold accessories. She wore a white corsage.

The groom's mother, Mrs. Lee, wore a blue dress with black accessories, and a white corsage.

A reception followed in the fellowship hall of the Church. The table was decorated with a yellow satin and lace table cloth with a center arrangement of yellow roses, flanked on either side by yellow candles. The three-tiered yellow and white cake was topped with white wedding bells. Mrs. Celia Williams served the punch and Mrs. Letha Johnson served the cake.

The guests were registered by Billy Williams.

For a going away dress, the new Mrs. Lee wore a yellow crepe dress, with white accessories.

The bride is a senior in High School, and the groom is employed by Levelland Mobile Home Manufacturing Company.

The couple will be at home at 400 West 2nd Street in Littlefield.

Shower Honors Miss Shaw

AMHERST--Miss Terri Shaw, bride-elect of Bruce Nicholson, was honored with a miscellaneous shower Saturday afternoon, in the home of Mrs. Cleon Johnson.

The guests were registered in the guest book by Carla Nicholson.

A white lace cloth over satin covered the serving table, featuring an arrangement of blue and white flowers and love birds. Mrs. Gary Porter and Stephanie Carter served fruit punch and cookies from a milk glass service.

Hostess' gifts were a set of aluminum cookware, a blender, and an electric skillet.

Hostesses were Mmes. Eryle Abbott, Don Carter, Gerald Coffey, Hazel Davis, C. A. Duffy, Bill Elms, Bennie Harmon, Arthur Hedges, James Holland, Mut Hufstetler, R. E. Ivey, Eddie Landers, A. D. Lynch, Leroy Maxfield, C. R. Roberts, Bennie Shipley, Luke Swart, Charles Mixon, Eugene Priddy, E. L. Black, Gene Campbell, Bole Clayton, Marvin Wagner, Pete Templeton, Guy Hufstetler, Jr., Cletis Dunn and Cleon Johnson.

The couple plans an Oct 9 wedding in the Amherst Church of Christ, with only the immediate family attending.

September Student Named At Amherst

AMHERST--The Horace Mann Chapter of the National Honor Society of Amherst High School met recently in the High School library, with Cindy Crosby, president, presiding.

Charles Muncy, son of Mr. and Mrs. Clarence Muncy, was named student of the month for September.

Charles, a senior, was voted last year as "the most likely to succeed," and "bookworm". He is presently treasurer for the society.

Mrs. Edith Simmons of Plainview is a patient in Medical Arts Hospital where she had surgery on Monday. She is the mother of Bob Simmons of Littlefield and employed at the hospital.

Rev. and Mrs. T. M. Mitchell of Goldthwaite are visiting their son and family, Mr. and Mrs. Horace Mitchell.

Mr. and Mrs. Alen Armistead of Alpine, students at Sul Ross, spent the weekend visiting his parents, Dr. and Mrs. B. W. Armistead and her parents, Mr. and Mrs. J. E. Knight.

Mrs. Malvin Donelson and children, Devin and Laurie of Snyder spent Sunday visiting her parents, Mr. and Mrs. J. B. McShan.

HONEY GATS

By CORNBALL BLEVINS

NO, THE SUN hadn't gone out! It was up there, hidin' behind all that wet weather all along. Can't say I blame it for stayin' in out of that!

IF YOU'VE GOT a tape deck in your car—park in a well-lighted area, lock your car securely, and sit inside it with a baseball bat when attending these nighttime ball games! (Incidentally, know where a guy could buy a used tape-deck?)

WE THINK IT'S nice of Mr. Osorio to surrender, when HE gets ready.

DO YOU have a yen to go down to Lubbock and help them solve their garbage problem?—Or, do you read their paper?

SPORTS HEADLINE: "Jim Carlen says QB position 'Up in Air' after 28-0 defeat"—Could be reworded: "Carlen looks for Scapegoat"

NO, NOT ALL of the younger generation are rebels, drop-outs, and hippies. In fact, a very small percentage are. Most of them are still polite, mannerly, and want to be helpful.

Take the case of Gene Pratt. Stuck in the mud, out at the ballgame, on a Friday nite. (Due to poor driving, no doubt)—Anyway, his car had come to a sickening "Whoa". Even tho' the speedometer was still registerin'.

As he relates the story, he says that somethin' like nine or ten of our young teenagers offered help, via the ol' push method.—Even insisted that HE stay in the car to do the drivin'. (Which, he reluctantly, did!)

SHORTLY AND ANON, he was on the way home, under his own power, and much relieved indeed.

"This," says he, "Should deserve honorable mention. So many are busy criticizing our youngsters, that they don't notice the good they do."

(AMEN)

"Why don't you write a letter to the editor?" I asked.—"Oh, no," quoth he, "I'm no good at that sort of thing. Besides, people might think I'm just trying to get attention for myself."—Oh, well—

Anyway, 'tis done, and I'm in wholehearted agreement with him. The youngsters of this neck of the woods are the best you'll find anywhere. After all, WE raised 'em, didn't we? They'll probably turn out ok, in spite of us!

IT'S A VERY SAD comentary, when the whole barrel is judged by the rotten apple that's makin' all the stink!

"Apples come in different shapes"; News item—Yeah?—So do stretch-pants!

See where a fifteen-year-old kid in Oklahoma City lost his case in federal court, defendin' his right to wear a beard—Shucks, if he can grow one at that age, they might ought to humor him!

No, I'm not going to write about the prison riot in Attica, N. Y.—I couldn't bring it up without bringin' up my supper with it!

The "Good-ol' Days" were when you really had an appetite, and a cast-iron stomach to go with it!

"S'funny, they call 'em "Hot Pants", but, they start disappearin' when cool weather sets in.

WE THINK OUR WILDCATS CAN DEHORN LOCKNEY!—YEA, CATS, GO!!

THE ABUNDANT LIFE

Humility

By BOB WEAR

HUMILITY IS ONE AMONG the most misunderstood of all life qualities. Many people consider it one of the worst forms of weakness; and undesirable from every standpoint. There are others who have some appreciation for it, but feel that there is no place for it in a world like our world. Some appreciate it, but just do not seem to know how to make it a working part of their life style.

We must dig deep in laying the foundation of humility. It is not a characteristic that can be successfully feigned; it doesn't work well as an assumed trait. It must be a sincere, genuine, wholehearted, conscientious and knowledgeable quality of character. True and enduring humility does not come easy, but its development is worth our greatest and continuing effort.

HUMILITY, TRUE HUMILITY, is the absence of vanity and arrogance. It is most unfortunate that so many people consider it undue self-depreciation. We must remember that there is neither virtue nor profit in self-depreciation. In fact, there is no good reason for deliberately de-valuing one's self. It is a true self-estimate that helps us. This is essential to true humility, and must never be permitted to cause the unexcusable practice of subverting our inherent or potential worth.

THE CIRCUMSTANCES OF LIFE do not automatically cause us to become humble. There are people in all of the different kinds of circumstances who are arrogant, boastful and otherwise

vainglorious. There are also people in these differing situations who have developed the rich, rewarding and greatly appreciated quality of wholesome humility.

We lose too much if we accept the widespread inferior usage of the words "humble" and "humility". The life quality of intelligent, sincere humility is too valuable not to be sought continually. The spirit of true humility does not have in it such undesirable elements as cowardice, lethargy, lack of initiative and servility. In fact, every desirable human characteristic is at home and very comfortable with humility.

TO BE HUMBLE TO SUPERIORS, is duty; to equals, is courtesy; to inferiors, is nobleness; and to all, safety; it being a virtue that, for all its lowliness, commands those to which it stoops.—T. More.

Maturity of the highest degree is impossible without the working principle of humility in a life. This is the principle that produces the stability and quiet strength of the mature person. Such people never feel the need to be arrogant, boastful or pushy; but will go about the business of living with dignity, industry and diligence.

HONEST, WHOLESOME PRIDE and wholesome self-respect are not objectionable attitudes. In fact, they are very essential to a meaningful life. They are part of the power of humility.

Humility is the great need in all areas of human relationships to help restore and maintain peace and good order.

THE FARMER'S WIFE

Party-Poopers

By LIBBY MUGGETT

Well, I finally got to go to one. A real, honest to goodness cocktail party at a real, honest to goodness exclusive country club.

And believe you me, it was a real, honest to goodness disappointment and let me assure all of you who have never had the dubious pleasure of attending one, you haven't missed a thing.

Oh, the clubhouse with all of its various adjoining rooms was a rambling, beautifully decorated thing, just like in the movies.

And the cars driving up in the drive disgorging all of its beautiful people was just as glamorous as in the movies. But right there is where the movies and reality parted.

THE MEN stood around in little groups exclusively male and the women sat around in little groups exclusively female. I could see right away that I would never know what people such as this thought and said if I didn't flit around and eavesdrop. So I did.

And that was the biggest disappointment of all. If any of them were doing any thinking at all, it didn't come out in their conversations.

There I was in the midst of moneys, supposedly alert and knowledgeable businessmen, financiers, etc. and etc. and the men were all talking about their golf game and the women their favorite charity.

I WAS GNASHING my teeth in utter frustration when I heard one man say that he was putting in a fresh seafood restaurant.

I grabbed his arm and said how great, what had he been doing.

He said he had been in chemicals. I asked why was he getting out of chemicals and he said because he wasn't making any money in it.

I asked did he mean he went broke, he said just about, and I said that was hard to understand since medicine cost so much.

He explained that he was in chemicals used in oil field work and the conversation was just beginning to get interesting when I was slammed up in the corner, informed I was embarrassing my host and hostess and if I didn't quit asking questions I was going to get taken home.

SO I WANDERED over to one of the women's groups and resorted to the age old tactic of telling a lady that her gown was gorgeous. She said thank you, it was a Givenchy, that mine was lovely, too.

I said thank you, mine was a Penney. She looked puzzled and said she didn't believe she was acquainted with him, what city was he in.

I told her lots of cities, this particular one came from the one on Main between Zale's and the little book shop.

She said I must be mistaken, that was J. C. Penney's. I told her she was right, to the head of the class, J. C. Penney's it was.

ONCE MORE I was slammed up in the corner and told I was embarrassing my host and hostess and to behave or I was going to get taken home.

By this time it was becoming apparent that the truly happiest people in the whole place, the ones really having the best time, were the waiters, waitresses and bartenders.

I was just finding out all about bartending school from a very self-possessed interesting young man when I was slammed up in the corner and told all that again.

I wondered out loud if it would be all right to turn off the canned music and play the beautiful baby grand piano over in the corner, there didn't seem to be anything else worth doing.

I got taken home.

the county this year. He has a variety demonstration located 2 1/2 miles east of Sudan on Farm Road 1843. Varieties are:

| |
|-------------------|
| Belew 5-B |
| Northern Star 998 |
| Paymaster 101B |

MIKE CARTER, DON CARTER — have some excellent grain this year and four varieties located 2 miles east of Sudan on FM 1843. The varieties are:

| | |
|-------------|-------------|
| NK 265 | NK 275 |
| Pioneer 820 | Pioneer 845 |

MARVIN BOWLING — crops are not too lush in this area this year. However, Bowling has some good dryland grain sorghum on part of his farm — on FM 37. Varieties are:

| | |
|---------|-----------------------------|
| NK 222G | Asgrow Rico and Pioneer 848 |
|---------|-----------------------------|

IVAN OGERLY — 3 miles west of Littlefield. Basin terrace and parallel terraces.

LEWIS FIELDS — of Sudan has some cotton varieties that are looking good, located 4 miles west of Sudan on Clovis

Highway and north across the railroad track. The varieties are:

| | |
|-------------------|----------------|
| Belew 5-B | Paymaster 111A |
| Stroman 254 | Dunn 56C |
| Rilcot Stripper S | Lockett 4789A |

JOHN BRIDGES — 3 miles north of Earth has some excellent corn again this year. The demonstration plot is not as elaborate as last year, but some good corn varieties for the area and include:

| | |
|-------------|--------------|
| McNair 210B | McNair X202 |
| DeKalb XL45 | Pioneer 3306 |

Located 3 miles north and east of FM 1055

A. E. "PETE" O'HAIR — 2 3/4 miles north of Earth has fescue grass KY-31

GENE TEMPLETON — farm, 2 miles southwest of Earth has an unusual demonstration this year with about 160 acres of broadcast cotton under a center pivot wheel roll sprinkler system. A special effort should be made to see this field this year. Recently 98 agronomists from the cotton belt visited this plot.

There are several narrow row and broadcast cotton plots located throughout Lamb County. Ginners and ag officials estimate close to 3,000 to 3,500 acres of cotton planted with this cultural method during 1970-71, and a great deal of excitement was noted in this group as they observed this "Sea of Cotton." Varieties include Broacot CA 491 and Paymaster 18. There are many other fields in this area with double row cotton that looks good at this point.

Almost every community in the county this year has someone trying this method of producing cotton. Check with neighborhood ginners for location of some of these plots.

GENE TEMPLETON — 2 miles north of Nickels Gin. Double row cotton on home place. This is an excellent field of cotton this year. This should make a big yield barring any bad weather.

E. C. CURTIS — 5 1/2 north of Springlake. Bermuda grass waterways and diversion terrace.

A. C. LIGHT — 4 miles north of Olton. Cover crop of small grain in cotton.

T. B. WHEELER — of Olton has some grain that should yield real high this year. The variety demonstration plot is located at the northwest corner of FM 1842 and Highway 168, 5 miles north of Olton. The varieties are:

| | |
|-------------|-------------|
| NK 280 | PAG 516 |
| Pioneer 833 | Pioneer 828 |
| McNair 654 | |

HOMER WORLEY — 1 mile east and 1 mile south of Circle; parallel terraces, and wheel-moved sprinkler irrigation system.

H. C. ARMSTRONG — 1 1/2 north of Fieldton. Minimum tillage of corn following cotton.

See TOUR MAP, Page 6

Highway patrolmen investigated two wrecks and city police checked three wrecks this week.

Brian Hamilton of Rt. 4 Dimmitt struck a Black Angus bull while driving a 1971 Ford Torino seven and one-half miles north east of Littlefield about 9:30 p.m. Sunday night.

The Angus, owned by T.C. Faver, was killed. Its value was estimated at \$250. Damage to the front of the car was minor, according to Highway Patrolman Bill Angel. Neither Hamilton nor DeAun Ogerly, a passenger, were injured.

THP Weldon Parson investigated an accident Monday afternoon involving a mobil home being pulled by a pickup.

The accident occurred at the intersection of U.S. 84 and FR 37 when a 1970 GMC pickup driven by Nolan D. Ray of Phoenix, Ariz. was pulling the trailer west and a 1965 Chevrolet driven by a Carlsbad, N.M. man, Shannon Travis Phillips, crossed the intersection and the pickup struck the car in the left side.

There were no personal injuries, and damage to the pickup was about \$100 with about \$400 damage to the car.

Littlefield police investigated motor vehicle accidents Sunday, Monday and Tuesday.

Carla Nell Grimes of 297 N. Wicker was driving a 1963 Chrysler south on Westside about 11:30 Sunday morning when she said another car almost stopped in front of her and her car was hit from behind by a 1968 Dodge driven by Sierra Adelaido Flores of 1121 Park.

Monday about 6:20 p.m. a Wolforth woman backed into a parked car owned by Mrs. J.R. Coen. Eva I. Landis was backing a 1965 Chevrolet from a driveway and struck the left front fender of Mrs. Coen's car with the right rear fender of the Chevrolet.

Tuesday morning, Linda Nell

Drake of Levelland turned into Perry's Laundry on 10th Street and the brakes failed on the 1960 Buick she was driving. The car plowed into the front of the laundry, knocking out the door of the laundry and two large plate glass windows. Mrs. Drake was taken to the Littlefield Hospital where she was treated for minor injuries and released.

3 Persons Jailed By Officials

Truman Sims, 21, of Muleshoe, remains in the county jail following his arrest last Monday on a forgery charge.

Eddie Dale Anderson, 28, of Floydada was arrested last Wednesday and charged with carrying a pistol. He was released the same day on a \$1,000 bond.

Stafford J. Cleveland, 22, of Lubbock, was arrested Saturday on charges of disturbance and driving while intoxicated. He posted a \$1,000 bond Monday and was released.

Area Fair Winners Are Announced

Area winners in the clothing division of the Youth Department of the 1971 Panhandle South Plains Fair, and area winners in the textile division in the Women's Department have been announced.

Winners in the senior clothing division of the Youth Department are Sherry Pittman of Earth, apron; Mitzie Albus of Pep, dress.

Criss Dent of Earth took first place for her pot holder in the senior household linens division.

In the junior culinary division Sydney Albus of Pep won two first places, with refrigerator cookies and rolled cookies. Other first place winners were Allayne Stover of Earth, brownies; and Greta Albus of Pep, peanut butter cookies.

Senior bread division first place winner was Thomas Albus of Littlefield, plain biscuits.

Mitzi Albus won a first place in the senior cakes and cookies division with her angel food cake and iced chocolate cake; Jane West of Sudan, non-iced pound cake; Sherry Williams of Sudan, refrigerator cookies; and Oletha Johnson of Sudan, rolled cookies.

Mitzi Albus of Pep also won first place in the senior candy division with her cereal candy; Thomas Albus of Littlefield, peanut brittle; Steven Albus of Littlefield was a second place winner for date loaf; and Marilyn Eagle of Earth won third place for peanut patties.

In canned fruits and vegetables classification Marianne Dawson of Springlake took a first place for her string beans, black-eyed peas and tomato juice; and Sherry Pittman of Earth, soup mixture.

Allayne Stover of Earth won three first places in the pickles classification with her watermelon rind pickles, chow chow and catsup; Kay Dent of Earth won first place for her peach sweet pickles; Mitzi Albus, chili sauce; and Colita Biles of

Springlake, pickled peppers.

Colita Biles also took a first place prize for peach preserves in the preserves and jellies classification; and Becky Littleton of Springlake, pear preserves.

Receiving honors in the Textile division, sewing classification were Mollie Heard of Littlefield, lady's dress; Mrs. Jerry Young of Littlefield, lady's underwear.

Other sewing winners were Mrs. Leonard Albus of Pep, baby coat; and Mollie Heard, lady's coat.

First place area winners in the classification of quilts were Mrs. C.J. Albus, bedspread; and Helen Adarian of Littlefield, stitchery wall hangings.

Mrs. C.J. Albus was a blue ribbon winner in embroidery classification, for other items of merit.

ENOCHS

MRS. ALMA ALTMAN

WEEK OF PRAYER for state missions was held at Enochs Baptist Church from Sept. 12 through 18. The theme was "People - People - People." Among those attending were Mrs. Rowena Richardson, Miss Vina Tugman, P. R. Pierce, C. A. Williams, E. O. Battles, Mrs. E. W. Black, Sandra Austin, Flo Nichols, Alberta Bryant, Loretta Layton, Essie Seagler, Inez Sanders, Dovie Dane, Etta Layton, Ellen Bayless, Wanda Layton, Wilma Petree, Rose Nichols, Dicie Snitker, Margie Petterson, E. F. Campbell, C. H. Byars and Jeff Austin.

MRS. L. E. NICHOLS visited her daughters, Mrs. L. B. Davis and family of Shallowater and Meyrlis Nichols Tuesday afternoon until Wednesday afternoon.

MRS. MARY HARDIN, mother of Mr. Inez Sanders, fell

at her home, receiving bruises and sprains.

W. M. BRYANT is reported on the sick list this week, and under the care of his doctor.

MRS. GALE SIMPSON flew to Dallas on Thursday to be with her sister, Mrs. Geneva Wassom, who suffered a kidney stone attack and is in a hospital there.

MR. AND MRS. H. B. King were in Monte Vista, Calif. last week on a business trip, and attended the 8th annual irrigation field day.

MR. AND MRS. Chester Petree drove to Hobbs, N. M. to visit with his nephew, Mr. and Mrs. Earl Roberts and family.

MR. AND MRS. R. H. Baker and Duwayne left early Wednesday morning for Houston where Duwayne will begin tests and x-rays in preparation for back surgery. He was to be admitted into the Children's Rehabilitation Center Sept. 24. He is a senior at Morton High School, and grandson of Mrs. Alma Altman. He has been told by physicians that he has two double curvatures in his spine that was caused by polio and did not show up until he was nearly grown.

KEITH COATS, son of Mr. and Mrs. Kenneth Coats has been released from University Hospital and is reported feeling fair. He was in traction and taking physical therapy for a back injury he received.

MRS. ALMA ALTMAN attended the funeral of her sister-in-law's mother, Mrs. Alma Haynes, at Post. Among others in attendance were Mr. and Mrs. Dave Altman of Tulsa; Mr. and Mrs. Woodrow Altman of Snyder; Mr. and Mrs. Floyd Crosby and Mr. and Mrs. Luther Harrold of Littlefield; Mrs. Artie Baxter, Mrs. Deamous Altman and Mrs. James Altman, all of Post; and Clark Altman of Hart.

NUMEROUS FIELDS of grain sorghum are included in the individual crop tours scheduled over Lamb County the next few weeks. Wayne Phares of Olton is shown in a field of heavy-headed grain in the Olton area.

OFFICIAL LHS NEWSPAPER

TWIRLERS in full swing for the '71 football season are, left to right, Mary Shotwell, Wanda Cotter, Amy Owens, Carla Owens, and Karol Terry.

Twirlers Add Variety, Appeal To Half-Time

By WANDA COTTER

After the last football game this year, three of the Wildcat Band twirlers will put their uniforms into storage for the final time while the other two twirlers will eagerly await the arrival of another marching season.

The twirlers for the 1971-72 Wildcat Band are Wanda Cotter, Carla Owens, Amy Owens, Karol Terry and Mary Shotwell. After being chosen as twirlers last spring, these girls began working on routines for pep rallies and half-time appearances. They have been featured in several two-baton routines and twirling routines during the first three half-time appearances.

Wanda Cotter, an LHS senior, has been a twirler for five years. Outside of twirling, Wanda stays busy participating in several organizations. She is secretary-treasurer of FHA, social director of Student Council, an associate editor of the Skat, and a member of the Wildcat annual staff. Wanda also participates in Kat Klub and band, and she is a reporter for the Katalyst.

Some of Wanda's favorite pastimes include water skiing, talking, collecting piggy-banks, and being with friends. Blue and green are her favorite colors and she lists English as her favorite class.

Carla Owens, a senior at LHS, is beginning her fourth year as a

twirler with the band. Carla participates in various school activities such as Kat Klub and FTA. She also serves as secretary of the Wildcat Band and business manager of the 1971-72 Wildcat annual staff.

Journalism rates as Carla's favorite class and her favorite colors are blue and red. She works at Pratt's Jewelry on Saturdays and after school. Sewing, swimming, reading, and being with friends take up much of Carla's time.

Amy Owens, another LHS senior, has been twirling with the band for five years. Amy serves as historian of FTA, parliamentarian of the Student Council, and secretary-treasurer of GAA. An active member of Girl Scouts, she serves as president of her troop. She is also active in her church youth group and is an officer in MYF.

Amy enjoys her government class more than any other class. Blue is one of her favorite colors. Reading and swimming occupy much of her spare time. She also enjoys water skiing.

Karol Terry, an LHS junior, is beginning her third year as a twirler. Karol also participates in FTA and is one of the junior representatives on the Student Council. She is a member of the 1971-72 Wildcat annual staff and plays clarinet in the Wildcat Band.

Karol says that her favorite class is American history. Pink, maroon, and white are included

on a list of her favorite colors. Karol spends much of her time working at Hari-Thaxton Hardware. During her spare time, she enjoys water skiing and sewing.

Mary Shotwell is a junior at LHS and has been a twirler for two years. Mary is a member of FTA and the Wildcat annual staff. She plays flute in the Wildcat Band and has won many honors such as being named a member of the All-Region Band and first chair in the Texas All-State Orchestra. Mary also serves as organist of the Methodist Church.

Purple is a favorite color of Mary's and she enjoys her biology class the most. Needlepoint, playing the guitar, and playing the piano take up most of her spare time.

ALL SMILES are the Industrial Arts officers: Debbie Hafley, Delon Walker, Michael Carter, Danny Estrada, Dennis Hartley, and Jay Trammell.

LHS SPEAKS OUT School Improvement

COLODIS TWITTY—"I have no comment."
LARRY HOBRATSK—"I think LHS is about as good as could be expected. The faculty is fairly good this year and the people are about the same. Football is coming on great!"
JERRY OGERLY—"I think LHS could improve by having a Rodeo Club."
LENEARL LEWIS—"I think LHS can be improved by more communication between members of the student body."
JACKYE GREGG—"I think LHS worries more about the rules it has established rather than teaching the kids. After all, that's why we are here (to learn and maybe have fun!)!"
JIMI BRUTON—"Yes, I think it could be improved by letting the students dress the way they want to and let the boys wear their hair the way they want to."
See LHS SPEAKS, Page 10

JV Hit Hard By Levelland

The JV was downed 21 to 6 by Levelland in a game here Saturday at 4 p.m. The outstanding defensive player was Pat Henderson; outstanding on offense were Terry Bryson and Nato Trejo.

"The defense played well as a unit, but the JV made too many mistakes," according to Coach Lewis Boomer.

The only score made was when Terry Bryson ran 31 yards for a touchdown. The point after attempt failed.

The JV will play Floydada there at 7 p.m. tonight.

CHOIR OFFICERS

LHS Acapella choir elected officers for the coming year. They are Chuck Blevins, president; Holly Hinckley, vice president; Shelia Harrell, secretary; Jim Bob Harris, publication; Beverly Tiller, social chairman; Charlotte Jennings, treasurer.

Booster Signs Made At Kat Klub Meet

Kat Klub met Thursday, Sept. 23 to make locker boosters for the varsity football players before the Littlefield-Slaton game. Locker boosters were designed by Linda Horn, senior at LHS. Boosters were pictures of charging football players with the words, "Kat Klub says: Go Get A Tiger."

Each week a member of Kat

Klub designs a locker booster to help boost the spirit of the Wildcat team. The locker boosters are placed on the locker of each football player and the managers.

Wildcat Captain Scott McNeese commented on the locker boosters. "They're real nice. They help the team to know the students of LHS are behind the fighting Wildcats. When we know LHS is behind us, we can play a better game."

Kat Klub will meet next week in the woodshop to plan the homecoming float Thursday, Sept. 30 at 7:30 p.m. All members are asked to come.

Senior Girl Scouts Meet

Troop 203 of the Senior Girl Scouts meet every Tuesday at 7:30 p.m. in the Juliette Low Scout House.

Sophomore, junior, and senior girls make up the troop and membership is open to all high school girls.

Mrs. Ann Owens sponsors the girls and their projects. Among their money raising projects are a garage sale, a bake sale, and a car wash. This year, troop 203 will have the Bingo booth in the annual "Girl Scouts' Carnival." They are also planning a long trip for the summer.

FLASHBACK
D. E. Sweetheart in 1950 was Janet Brooks.

Junior Class Holds Party For Crosby

Gaiety filled the air Sunday afternoon when a birthday party was held for Tommy Crosby, son of Mr. and Mrs. James Crosby, by the junior class in the LHS cafeteria. Tommy was 17 years old Sept. 27.

Terri Birkelbach headed the food committee, Druanne Wilkinson organized the decorating committee, and Bill Hamblin was in charge of the gift purchase, four tapes. Thriess Bingham directed the skit, "Sick Sister."

Girls Athletics Plan Activities

The Flame Room was the scene of Girls Athletics meeting Tuesday Sept. 21, at 6 p.m. Approximately 30 members were present.

Plans were made for an entry in the Homecoming parade. According to Miss Grey, G.A.A. president, work on the float began Monday, Sept. 27.

Hero and Sportsman were chosen at the meeting. Names will be announced at a later date.

Streety's Record Sets Pace For Future Vo-Ag Students

The goal of every student enrolled in vocational agriculture was reached this summer by Wayne Streety, Jr., a 1971 graduate of LHS.

Streety, son of Mr. and Mrs. Wayne Streety, was named a Lone Star Farmer at the state Future Farmer of America convention in Houston. Only two per cent of all students enrolled in vo-ag attain this goal.

"I want to congratulate Wayne for receiving the state

farmer degree," said Art Sommerfeld, LHS vo-ag instructor. "I hope this will encourage other FFA members to receive such honors in the future."

Instructor Sommerfeld is working with 154 boys in vocational agriculture, including 23 freshmen, in this, his first year at LHS.

Requirements for the Lone Star degree include at least two years enrolled in vo-ag, a supervised farming operation, and demonstration of proficiency in parliamentary procedure.

Streety's supervised farming operation made far more than the minimum \$500 required, and he demonstrated his abilities in parliamentary procedure at countless banquets and other activities.

He won many honors in livestock judging, became an Eagle Scout, and was active in football and track during his high school career. He began his training in vo-ag in 1968, became a Green Hand in September, 1969, and received the Chapter Farmer honor in September, 1969.

Streety is now attending South Plains College.

WAYNE STREETY, JR.

UIL Now

As the school year begins, students need to contemplate on what field of events in University Interscholastic League they should like to participate. Even though the events do not start until the Spring, the teachers would be happy to help any interested person with his chosen field of work.

The following teachers will be of service to any individual wishing information on any UIL subject: Mrs. Elizabeth Ayres - one-act play, debate, informative speaking, and persuasive speaking; Miss Janice Kraushar - typing and shorthand; Darle Rountree - band solo and ensemble contest; Miss Koma Sue Donworth - choir solo and ensemble contest; Mrs. Daphne Smith - spelling and plain writing, ready writing; Mrs. Amy Turner - UIL journalism; Nathan Wilson - UIL science; Rex Gilstrap - UIL supervisor; Kenneth Largent - co-sponsor.

We urge all students to participate in UIL. It strengthens our school as a whole and the individual who participates.

Boomer Booms With Enthusiasm

By CATHY NELSON

Lewis Boomer, new coach at LHS, "booms" right into his subject matter, his students report. His enthusiasm generates an atmosphere of excitement in his classes.

A native of Seagraves, Coach Boomer attended high school at Elk City, Okla. where he was a three year letterman in football and basketball and a two-year letterman in track.

After graduation Coach Boomer enrolled in Panhandle State College, Godwell, Okla., where he was a three-year letterman in football and an All-Conference defensive end his senior year. He graduated with a major in social studies and a minor in physical education.

Having received his diploma from PSC, Boomer moved to Odessa where he taught at Bowie Jr. High School. Three years later he began teaching at Odessa High School where he stayed for two years as football and track coach. During Coach Boomer's first year at LHS he is head JV football coach, head track coach, JV basketball

coach and American Government teacher.

Coach Boomer and his wife, Brenda, reside at 115 E. 15. They have two children, a girl, Tammy, age four, and a boy, Tim, age one and a half.

Industrial Art Mod

Some of the words describe Byron Williams' industrial arts class. Mr. Williams is that if students of kind of decoration, work better.

In his shop room, all the things are in red with the one tool cabinet with UT orange. The shelves are green and yellow and he is planning to have storage shelves pink.

In his drafting room, the different colors, in green, yellow, blue, and white.

In the Industrial Arts department features a white, and blue. The yellow. As a final touch has also put blue easels on the wall.

WELCOME TO MY WORLD—or the world of wood, that is. Donald Britt extends the royal welcome at the door of LHS industrial arts. In keeping with the rest of the department, the door is decorated in bright blue and white.

LHS Students Selling Magazines For Funds

"Magazine Selling" has been the order of the day for most LHS students recently. Sales ended Tuesday in the project, sponsored by the Student Council and introduced in an assembly Monday morning, Sept. 20. At this assembly, all students were given pamphlets containing a wide selection of magazines for new subscribers or renewals. Order blanks were also received to record the subscriptions.

This year money prizes were to be awarded to the three top salesmen. A \$15 prize was to be given to the person who sold the most out of all three classes; a \$10 prize was to be given to the person who came in second in

the two remaining classes; and a \$5 prize was to go to the person who sold the most in the remaining class. All classes were competing against each other.

If \$10 worth of subscriptions were sold, a student received a black and white poster; if \$20 worth were sold, one received a black lights poster; and if \$30 worth were sold, one received a larger black lights poster or one of the Walt Disney characters.

This was one of the largest fund raising projects scheduled for the school year. It will help support banquets, assemblies, summer work shops, and expenses for the future foreign exchange student.

7th Scores Win, Tie With Levelland

Littlefield 7th Graders scored a win and a tie in battles against Levelland Monday.

The 7th B racked up a 24-8 victory as Tommy Hodge scored 18 points on touchdown runs of 40 and 60 yards and three extra-point runs. Blake Wood got the other Littlefield TD on a 20-yard run. Outstanding defensively was Tackle Johnny Lopez, according to Coach...

sort of like the Lubbock School system's dress code. Littlefield is just about the only school on the South Plains with a strict dress code."

JOE WYATT-"I think the hair rule should be changed and facial hair permitted."

RICK SANCHEZ-"I think LHS could be improved by getting a new coke machine that wouldn't be out of order all the time."

ALMA AGUIRRE-"I think it could be improved a little by means of school spirit. I think it is great to be in a great school. I like everything about it."

TINA RUSSELL-"Yes, the rules don't have to be so strict. They aren't going to keep people from doing what they want to, and we aren't in the second grade. I also wish we had more lunch period."

SANDY STANSELL-"I wish they would make the halls wider."

BOONIE SMITH-"It needs a new dress code."

INVERTED END QUARTERBACKS ANTELOPE WIN

Lockney, Abernathy Both Unbeaten

...who has been in military there's something familiar about "I need three volunteers, you and you." Luke Nickerson almost had volunteers to play quarterback, pointed to, Kent Snodgrass, and led the Antelopes to week. the Abernathy squad, with

...NDING WILDCATS in the Slaton game were Chuck Blevins and Trammell on offense and Leneari Lewis, defense. The three were by Head Coach Jerry Blakely at the Quarterback meeting Tuesday Blevins, left, was named for leading the blocking and playing a major helping the Cats control the line of scrimmage for the first time this Blakely said Trammell, center, senior quarterback, threw with success Friday night, and moved the team well. Lewis, right, for his defensive work at outside linebacker. This junior made key tackles and big plays.

four players sidelined—including the top two quarterbacks. So, from the ranks of the receivers, split end Snodgrass was picked and it proved a key point in the 20-0 win over Hale Center.

That Abernathy victory was one of six posted last week by District 3-AA teams. The final—and muddy—weekend of September brought to a close the non-conference portion of the 1971 football

season, and next Friday night, the district's eight teams start what could be the most cut-throat struggle in history. Going into this opening round, the district boasts two undefeated, untied elevens and another with an unbeaten-but-tied tag. And just as predicted in the pre-season coaches' poll, the struggle should stretch from leader to last place.

The first-round games sent Morton to Abernathy, Dimmitt to Floydada, Olton to Friona and Lockney to Littlefield. Floydada is defending champion and pre-season pick, and Littlefield was voted the No. 1 challenger. But, after three weeks of play, challengers and champion appear too close to differentiate.

Abernathy and Lockney wound up as unbeaten teams, with Friona having only a tie on its record. Dimmitt, Floydada and Littlefield have been beaten only once each and each by a Class AAA team.

Friona held on for a 13-6 win over previously unbeaten Muleshoe 13-6, and the defense made the difference. "Not so much one individual," said coach Bob Owen, "but defense, period. We held them on a two-point extra point try after they scored to pull within one (7-6). Then, we held them four downs inside the five in the last two minutes. Also, we stopped them in the fourth quarter after we had fumbled about our 30.

"I definitely think it will help us as a

football team," added Owen. "We know we can hold people now—if we can do it again now, in this tough district. Boy, it's rugged."

Abernathy Coach Nickerson echoed that. "The way the district looks now, a guy could look up and see four or five teams ahead of him and still have a good football team."

Nickerson had to go with Snodgrass, a starting split end, after the top two quarterbacks, Dave Davenport and Steve Riley, were sidelined with fever and headaches on Wednesday.

"We had to go back to basic plays, straight handoffs," said Nickerson. "But Kent is a good athlete, and the change didn't bother him. We didn't have time to work on passing, but his ball-handling was flawless."

Snodgrass scored the first touchdown for the Antelopes and finished with 28 yards rushing. He completed one pass for 26 yards, too.

Floydada warmed up for its title defense with a 24-0 thumping of Post. Fullback Jim Kunkel scored the first three Whirlwind TDs on runs of 3, 35 and 85 yards to pace the triumph.

Littlefield started with Ralph Funk's 51-yard touchdown scamper. Funk followed with two more touchdowns, and the Wildcats sauntered on to a 34-0 win over

Slaton. Littlefield gained over 300 yards on the ground and allowed Slaton only 54.

The bullish rushes of fullback Pat Bennett led Lockney to a comeback 19-6 win over Idalou. Bill Hill returned the kickoff after Idalou's TD 96 yards, and Bennett picked up one TD and 116 yards rushing for the unbeaten Longhorns.

Dimmitt bounced back from a 7-0 halftime deficit to score in the final quarter, then went for two points—successfully. Tailback Daniel Frierson got the touchdown from 11 yards out, then skirted right end for the two winning points and the Bobcats will enter district play with a 2-1 record.

Morton jumped to a 6-0 halftime lead against Farwell last week, but the hosts came back with three TDs to overtake Morton 20-12. Jimmy Harvey and Alan Joyce scored for Morton, on runs measuring 45 and 50 yards.

Olton, the district's only team without a victory, fell to undefeated Tahoka 14-12. Marlos May put the Mustangs in front in the first period on a 48-yard sprint up the middle and tailback Keith Workman scored from the three in the fourth. A run for the extra points failed after Workman's score, however.

FOR ACTION, IT'S FOOTBALL, whether pro, college, high school or junior high. In this photo, the action is Littlefield Junior Varsity-style, with Leon Hodge making the hit that popped the ball loose from Levelland's quarterback. Coming up fast at left is Pat Henderson, named Littlefield's top defensive player in the game, which Littlefield lost, 21-6, here Saturday afternoon. Next action for the JV, and also the Freshmen, is tonight at Floydada. The 9th plays at 5:30 and the JV goes at 7.

AREA FOOTBALL

Wolves, Sudan In Spotlight

Some Area football teams will start playing for keeps as they begin district competition Friday.

The battle of the week will be between Sudan and Springlake-Earth at Wolverine Stadium. The game will be the first game for both in District 3-A.

Both teams stand 2-1 in pre-district action.

The Wolverines have allowed only eight points thus far and have scored 139. Springlake-Earth blanked Amherst and Farwell in their first two games and was tripped by Dimmitt, 8-7, Friday.

Sudan went south for a couple of games and took on neighboring Amherst for their three games before district play.

The Hornets have scored 72 points against their opposition and have allowed 21 points to be scored against them.

Olton will travel to Friona for their first district 3-AA game. The Mustangs are 0-3 and Friona is 2-0-1 for the season.

In Class B, 0-3 Amherst will travel to Sundown for a non-conference game. The Bulldogs have been battling Class A teams for their pre-conference experience.

Anton will travel to Meadow Friday for another game before district play. Anton is 3-0 for the season.

Whitharral travels to Dawson for a non-conference tilt Friday. The Panthers have not been able to win a game so far this season.

In six-man football, Bula will be going to Flower Grove for their third game. The Bulldogs enjoy a 2-0 record and have scored 167 points.

8th A Blanks Abernathy 11

Littlefield's 8th Grade A-team romped to a 20-0 victory over Abernathy here Tuesday night after the 8th B dropped a 28-12 decision in the first of a pair of games.

Bill Turner was the 8th A top offensive star with a pair of touchdown runs for 15 and 25 yards. QB Ronald Parmer got the other Littlefield TD on a 15-yard run.

Coach Kenny Carter named John Marquez as the leader of the Littlefield defense that blanked Abernathy.

In the B game, Carter named QB Ken Turner outstanding on offense and Safety Gary Pace the standout on defense.

QB Turner scored one TD on a 10-yard run and HB Pace got the other on a two-yard blast.
