LUPE MENDEZ and Boots Crews, Levelland sheriff's deputies, display two of the guns recovered from the break in of the Courthouse in Clovis last week. One of the guns was found in a lake south of Anton. Two Anton men, Albert Sierra and Larry Rowlett, have been arrested in connection with the break in.

Anton Men Arrested, Charged With Break-In

Two Anton men have been arrested and charged with a recent break in at the Curry County sheriff's office.

Taken into custody were Albert Sierra, 19, and Larry Rowlett, 18. They were arrested by Boots Crews, Anton deputy, and Lupe Mendez, sheriff's deputy out of Levelland.

The deputies recovered two guns which were among several weapons and

a quantity of ammunition taken in the break in in which the sheriff's office and the Curry County Mental Health offices were ransacked.

Crews and Mendez arrested Sierra and Rowlett in Anton. One of the guns was recovered from Alexander Lake south of Anton. The men were returned to Clovis following their arrest in Anton. A Clovis man is also being held in connection with the break in.

Voice Of Democracy Speech Winners Named

Chesna Dickenson of Otton High School, daughter of Mr. and Mrs. W.B. Dickenson Jr. of Otton, took first place honors in the Lamb County Voice of Democracy Contest with her speech on "My Responsibility To Freedom."

She will receive a \$50 savings bond for the honor, and will compete in district competition next month.

The 25th annual contest is again sponsored by the John Henry Chapman VFW Post 4854 and the Ladies Auxiliary, in conjunction with the National VFW promotion.

Second place winner was Andy Rogers of Littlefield High School. His taped recording won a \$25 savings bond prize.

Taking third place honors was Glenda Phillips of Otton, and she will be presented a plaque during a special honor ceremony in January.

Winning fourth place was David Hinchliff of Springlake-Earth, and he, along with Tandy Talburt and Mike Morris both of Littlefield, who placed fifth and sixth respectively, will receive medallions.

All local prizes are provided by the local Post and Auxiliary.

Their 3-5 minute taped speeches—based on patriotism—were judged on originality, sincerity, simplicity, accuracy, adherence to the subject, positive approach, effective but restrained use of quotations, coherent development of the subject, presentation that challenges the listener or charts a course of action, and adherence to the program rules.

This is the second consecutive year that an Otton student has taken the first place honor in the contest. Last year's winner was Jimmie Kay Graham, daughter of Mr. and Mrs. Calvin Graham of Otton.

Fires, Wrecks Head Officers' Holiday

Littlefield and Lamb County law enforcement officials enjoyed a fairly quiet Christmas weekend while firemen and highway patrol units stayed busy.

There was one rural fire that completely destroyed a three bedroom brick home east of Spade and a large storage barn at Whitharral was a total loss. There were two rural wrecks Christmas day resulting in one injury. There was a three-car pile-up at 9th and Hall about noon Friday, just before the holiday began but no wrecks inside the city limits Friday evening through Monday midnight.

City police arrested one for disturbance and two drunks. At the sheriff's office, no arrests were made.

A Lubbock woman was injured in a two-car accident at the Amherst crossroads about 4 p.m. Christmas day.

A car driven by Virgil Reed Bowman collided with an eastbound car driven by Charles Pearson of Bovina in the intersection of U.S. 84.

Bowman was making a left turn at the time of the accident. Mrs. Elender Bowman, 44, was taken to the Amherst hospital for treatment of back injuries.

Both vehicles were towed away from the scene by wreckers. Richard Lowter, highway patrolman out of Muleshoe, made the investigation.

Lowter investigated a hit and run accident about 8:25 Christmas night.

Robert Tipps of Levelland was traveling south on U.S. 385 about four and one-half miles north of Littlefield when a hit and run driver struck the left rear of Tipps pickup and left the scene of the accident.

A car and pickup pulling a cotton trailer collided at the intersection of FR 1072 and a county road at Fieldton about 10:25 Sunday morning.

Kippy Lee McLelland of Van was driving the pickup and attempted a left turn. John Franklin Robison of Anton attempted to pass at the same time.

Highway Patrolman Weldon Parson estimated damages of \$500 to the car and \$250 to the pickup.

City Sales Tax Revenue Down

City sales tax returns for the quarter ending Sept. 30 were down 3.8 percent from the same period in 1971.

This week the state returned \$24,406.08 to Littlefield from July, August and September sales of taxable items. This was down \$953.42 from the \$25,359.50 returned for the same quarter a year ago.

The check was up \$2,437.85 from the previous quarter, with a return of 21,968.23.

Total revenue thus far for the year is \$70,868.70, compared to \$69,837.76 for the same three quarters in 1971.

C-CA Seeks Nominations For 'Outstanding' Citizens

The Littlefield Chamber of Commerce and Agriculture office is seeking nominations for Outstanding Citizen.

Outstanding Woman, and Outstanding Farm Family of the Year, to be recognized at the annual C-CA Banquet Jan. 27.

Individuals, clubs or organizations who wish to submit names as nominations for any of these awards are asked to submit a resume of the individual's activities—especially during 1972—with the nomination.

New deadline for submitting nominations is 5 p.m. Tuesday, Jan. 9.

The "outstanding citizens" for the past year will be community choices this time, and a new phase of the recognitions will be the selection of a farm family, instead of farmer of the year as in the past.

The outstanding woman's plaque will be provided by Jim Jones Conoco, the plaque for the outstanding citizen will be donated by A&B Office Supply, and the plaque for the farm family of the year will be provided by the Lamb County Leader-News.

All nominees should be recognized for their outstanding contribution to the community as a whole.

Persons wishing to make nominations are asked to bring them to the Chamber of Commerce office in the city hall by deadline time.

C-CA Banquet Set Saturday, Jan. 27

The annual Chamber of Commerce and Agriculture Banquet has been scheduled for Saturday night, Jan. 27, in the Junior High School Cafeteria.

New officers for the upcoming year will be installed, and a slide presentation of 1972 activities of the community and Chamber of Commerce will be the program.

Rad Richardson is serving as banquet chairman and tickets for the steak dinner will be \$3.75 each. Dr. Bill Armistead will be program chairman, in cooperation with the C-CA, and has chosen 400 slides and placed them in story form for a portion of history of Littlefield.

BARBARA PRUITT is the new Chamber of Commerce and Agriculture secretary. She began work Thursday and has several years of experience in the clerical field. Her husband, Jay Pruitt, is a city patrolman, and they came here from Lubbock. (Staff Photo)

Annual Retreat Slated Jan. 9

The Littlefield Chamber of commerce and Agriculture will conduct its second annual planning retreat Tuesday, Jan. 9, at the Holiday Inn Parkway at Lubbock.

This year's retreat will begin at 1:30 p.m. and conclude that night when all ideas are presented. Participants may return home that night.

"The reason for going out of town is to get away from the business, telephones and other interruptions to devote a few hours to making plans for the upcoming year's work," stated Bill Payne, C-CA executive.

He continued, "Every member is urged to take a half a day from their business and participate in the retreat to plan the goals and objectives to further the Chamber for the coming year."

There will be a \$7.50 charge assessed, payable to the C-CA, to take care of the costs of a steak dinner and other incidentals which are necessary for the meeting, Payne advised.

Community Farm Sale Scheduled For Mid-January

The Littlefield Chamber of Commerce and Agriculture is sponsoring a Community Farm Sale sometime in mid January, as a service to farmers who have a few items they wish to sell, but not enough to merit a full-scale farm sale.

Farmers and ranchers are invited to begin listing items now with the C-CA office, by calling 385-4451, so that a sale sheet may be worked up.

Ronnie Smith, Barry Armes and J.W. Bitner Jr are working on the sale, and Bitner will serve as the auctioneer.

A 5 percent commission will be retained on all sales not to exceed \$50 and will be used to cover the cost of advertising the event and auctioneer's fees.

Executive Vice President Bill Payne stated, "Pass the word to your farmer friends and encourage them to list an item they will sell. We are willing to sell anything from grease guns to combines."

Wooten Wedding Solemnized At Anton

ANTON—Miss Elizabeth Messer of San Jose, daughter of Mrs. Maria A. Moffett of San Jose, Calif. and Gary Leon Wooten, son of Mr. and Mrs. Wooten of Anton, were joined in marriage in a double ceremony, Dec. 22, at the Central Baptist Church in Anton, with Rev. Harmon Bishop, pastor, officiating. The bride, given in marriage by Leon Wooten, wore a long white dress of tulle with lace edge and a full skirt of tulle with lace over taffeta. The fitted bodice featured a sweetheart neckline circled with seed pearls and long sleeves ending in a Queen Anne cuff at the wrist.

The headdress was of tulle with lace edge and was attached to three staggered tiers of shoulder, elbow and wrist length, all edged in

Matron of honor was Mrs. Danny Spradley of Anton, wearing a long gown of blue velvet, carrying a bouquet of white roses.

Serving the groom as best man was Danny Spradley of Anton. Ushers were Randy Spradley and Virgil Morton, both of Anton.

Organist was Mrs. Jim Copeland of Anton and soloist was Rev. Harmon Bishop of Anton.

Following the ceremony, a reception was held in the home of the groom's parents.

The bride attended Cupertino High School in San Jose, Calif. The groom, a graduate of Amherst High School and Draughon's Business College in Lubbock, is at present a member of the United States Army Security Agency.

After a short leave, the couple will fly to Frankfurt, Germany, where he will be stationed.

MRS. GARY LEON WOOTEN

Hatley-Pittman Vows Exchanged

Donna Hatley became the bride of Burl Pittman Dec. 19, 1972 at 8 p.m. in the home of the bride's parents.

Parents of the couple are Mr. and Mrs. Don Hatley of Littlefield, and Mrs. Oail Parmer of Brownfield.

Given in marriage by her father, the bride was attired in a white street length wedding gown. She carried a bouquet of red and white feathered carnations. Her maid of honor was Shannon Hatley, sister of the bride. She wore a red street length dress designed like the bride's, and carried one red carnation.

Attending the groom as best man was Mark Payne of Littlefield. Kerry Hatley, brother of the bride, lighted the candles.

Ronnie Fisher, cousin of the bride, performed the double ring ceremony before an altar of white candles and red poinsettias.

A reception followed the ceremony. Mrs. James Blackwell, sister of the groom, and Mrs. Rodney Claunch, sister of the bride, served the three tiered cake and red punch from a table of white and red.

Linda Hood registered guests in the bride's book.

The couple will make their home in Brownfield where the groom is employed.

New LVN Class To Begin Jan. 6

South Plains College will begin a new class Jan. 16 for persons interested in entering a Licensed Practical Nurse. The program objective is to train practical-nurses to provide nursing care under the direction of a licensed physician, a licensed nurse, or a registered nurse.

Lecture and clinical experiences are provided in a 12-month program, college nursing is available on the SPC campus. Twenty-six weeks of theoretical instruction is given on the South Plains College campus while the remaining twenty-six weeks are spent working in 40 hour per week schedules in actual hospital work.

The South Plains College LVN program is approved by the Texas Educational Agency and Texas Board of Nurses Examiners. The program utilizes graduates for assurance. Instructors are Mrs. Nevelle Banner and Mrs.

Helen Brown.

Persons interested in entering the LVN program at South Plains College must meet the following entrance requirements: (1) be between the ages of 18-50 years old, (2) a high school diploma or have passed the G.E.D. exam, (3) good physical and mental health (each applicant is required to have a physical exam before acceptance into the program) (4) moral integrity, (5) definite interest in nursing, (6) pass nursing aptitude exam, and (7) have a personal interview with the Director of Nursing at SPC.

Nursing Aptitude Exams must be taken and passed by Jan. 15 or persons will not be allowed to register in the program.

Persons interested in obtaining a time and date for taking the Nursing Aptitude Exam may contact the Guidance Department at South Plains College, phone 894-4921.

Teacher Exams Set Jan. 27

Less than two weeks remain for prospective teachers who plan to take the National Teacher Examinations at West Texas State University Jan. 27 to register.

Dr. Kenneth Waugh, director of the WTSU Testing and Counseling Center, said registration materials must be in the office of the Educational Testing Service at Princeton, N.J., by Jan. 4 for an applicant to be eligible for the Jan. 27 testing.

At the one-day test session, a candidate may take the Common Examinations, which include tests in professional and general education, and one of the 23 Teaching Area Examinations designed to evaluate a prospective teacher's

understanding of the subject matter.

STATE Capital NEWS

By BILL BOYKIN

WHEN SEVERAL Texas cities, including Austin, had fuel problems during the recent ice storm, city leaders and Texas residents took another look at proposed legislation which would expand oil and gas production in this state.

"Utilization" does not have much glamour as a legislative topic, but it takes an added importance during ice storms.

Legislation proposed to increase utilization activities in Texas oilfields would support cooperative projects in Texas oil gas fields to recover at least a portion of an estimated 98 billion barrels of oil left in the ground after current operations.

PUBLIC'S RIGHT TO KNOW

Two additional legislative proposals which deal with the "public's right to know" were unveiled recently by Rep. Price Daniel Jr., Liberty, who has enough pledges to be elected House Speaker next legislative session.

Previously, Daniel distributed a so-called "newman's privilege" statute which would protect confidentiality of source. Last week he announced his support for major changes in the state's "open meetings" law and a new "open records" statute.

If his proposals are approved by the state legislature, several major improvements would be made in the current open meetings law, Texas editors and reporters believe.

1. Governmental bodies would have to convene in open session before closing meetings.

2. The legislature would be covered by the open meetings law.

3. Closed meetings with lawyers would be limited to sessions approved by the recent Attorney General's opinion.

4. Only location—not purchase—of real estate would be covered in closed session exemptions.

5. Appointments by governmental bodies would not be covered in future closed session exemptions—only deliberations on dismissals or discipline actions.

6. Emergency closed session would require two-hour notice and phone calls to media willing to pay the cost of the calls.

7. Fines for violations of the law would be increased.

The open records law would spell out in state statutes which records must be open to the public. Common law now governs the right of the public to inspect public documents.

REVENUE SHARING

The first check received by the state through the new federal revenue-sharing program boomed hopes of avoiding additional state taxes in 1973.

Gov. Preston Smith accepted the \$40.9 million payment as fiscal agent for Texas.

He promptly announced he will submit a no-new-taxes budget for the 1973-75 fiscal period in anticipation that federal revenue-sharing funds will amount to a total of about \$300 million during the period.

About the same time, Legislative Budget Board came up with an \$8.8 billion budget proposal which is expected to require an additional revenue. However, part of the LBB recommendations remained unsettled due to changing federal welfare legislation affecting state costs.

While incumbent Gov. Dolph Briscoe has not been working directly with Smith on the gubernatorial budget recommendations, he has stated repeatedly he thinks new taxes can be avoided.

Next House Speaker Price Daniel Jr. recently has stated he, too, sees an excellent possibility of a tax-free legislative session beginning in January.

The initial \$40.9 million revenue-sharing installment will be followed by another early next year for the state's first-year total under the new federal program.

Local governments also received their first revenue-sharing checks during the last week. In many cases, the local checks varied substantially—below and above—from the original estimates due to updated census figures.

SCHOOL FINANCE PLAN

The State Board of Education passed along to the new 24-member Board a committee report proposing far-

reaching alterations in public school finance.

The Board at a special meeting accepted the committee version of a comprehensive foundation school program but delayed formal approval. The largely-new Board takes over Jan. 13.

Board Chairman Ben Howell of El Paso said the report seems to meet requirements of a 1971 federal district court ruling invalidating the present system of financing schools.

Under the committee plan, the new foundation school program would be financed completely from state revenue by 1978-79. The local share of program costs would be gradually reduced from 20 per cent in 1973-74 to zero by 1978-79. A variety of other proposals for altering finance formulas are included in the seven major committee recommendations.

Texas State Teachers Association has come up with its own plan to meet thrust of the federal court decision. The TSTA program would cost \$2 billion for the next school year, as compared with \$1.4 billion for the plan before the State Board. The latter represents an increase of \$201 million over the 1972-73 minimum foundation program cost.

INAUGURATION PLANNED

A committee of Austin citizens has formed to plan the Jan. 16 inauguration of Gov. Dolph Briscoe and Lt. Gov. Bill Hobby.

The committee, headed by former Gov. Allan Shivers as honorary chairman and Charles Nash as general chairman, projects a traditional round of activities including four inaugural balls and a \$25-a-plate Democratic dinner.

Briscoe and Hobby will be formally inaugurated at a noon ceremony in front of the state capitol. The inaugural parade is scheduled for 3 p.m. to 4:30 p.m. A public reception will be held in the capitol rotunda from 5 p.m. to 7 p.m.

3 Sentenced, 6 Not Guilty Pleas Heard

Nine persons were arraigned on 12 cases in district court before District Judge Pat Boone Jr. here Friday.

Six pleas of not guilty were heard and three of those charged entered pleas of guilty and were sentenced to 12 years, with sentences probated.

Tye Brown pleaded not guilty to a charge of defrauding with worthless check.

Jimmy Burrows entered a not guilty plea to a charge of possession of marijuana.

Susie Crespin entered a not guilty plea to forgery and passing.

Joe B. Springfield entered a not guilty plea on arraignment for securities violation.

Three pleas of guilty were heard.

Raulo Duran pleaded guilty to a burglary charge and was sentenced to four years, sentence probated.

Lupe Crespin entered a plea of guilty to three forgery charges and was sentenced to four years, sentence probated.

Eugene Aguirre entered a guilty plea to a burglary charge and was sentenced to four years, sentence probated.

Calling the continent to Prayer

Wonder Of Wonders

"KEY 73" is the name given to a year-long program aimed at delivering the Christian Good News of love and forgiveness to the entire continent. "Key 73" is a call to the nation and neighbors to come to Christ; it is a program which will deliver that message to hundreds of millions of people.

In Littlefield, plans have been made, prayers have been offered and work has been done to put Key 73 into effect among thousands of men and women, boys and girls. The same is true in towns and cities all around the nation.

A group of Christians representing more than 130 religious denominations have pledged their support to this mission, and, the mission theme: Key 73—Calling Our Continent to Christ was agreed upon by this group in a meeting of only two hours.

There has been no call or need to compromise doctrines or profess ecumenism—only an agreement on the

Lordship of Jesus Christ.

The mission, then, will aim at getting all Christian from the comfortable pews of their churches into an involved ministry in the unique task of spreading the Gospel. Over the year, the Key 73 program will develop in six phases:

1. A call to prayer and repentance
2. A call to the Word of God
3. A call to the resurrection
4. A call to new life
5. A call to proclamation
6. A call to commitment

The program in Littlefield began Tuesday, Dec. 26, at 12 noon. At that time, the fire siren was sounded in a short blast; a devotion was played through the city's public address and all citizens were called to a moment of prayer in preparation for the call to spread the Good News of Salvation.

This noon prayer call will continue for two weeks and will provide a firm foundation for the work to follow in 1973.

... FIRE

Continued from Page 1

Lajean Adams' three bedroom brick home five miles east of Spade was totally destroyed Christmas day when the central heating unit located in the center of the house caught fire.

Mrs. Adams was home at the time of the fire, but by the time she noticed the blaze the fire was out of control. Two units from Littlefield and two from Abernathy answered the call. Both the home and the contents are total losses. Fire Chief Leon Durham said \$30,000 would be a conservative estimate.

Firemen were called to a fire at the Whitharal Gin Sunday when a large tin storage barn caught fire. Losses were said to be high with much of the loss in white sack cotton seed stored in the building and 50-60 bales of cotton. An old fire truck which was stored in the building was destroyed also.

Units from Whitharal, Littlefield and Levelland fought the blaze.

THREE VEHICLES were involved in a collision Friday afternoon at the intersection of Highways 385 and 54 (Hall Avenue and Ninth Street). A 1970 Dodge was being driven southward on Hall by Marilyn Wells of Littlefield, while a 1963 Studebaker, driven by Berg Kolbjorn of Webb Air Force Base, was going north on Hall Avenue. A 1972 Chevrolet pickup, owned by Juan Perez of Littlefield, was stopped on Ninth waiting for the traffic light to change, when the Studebaker and Dodge collided at the intersection and were knocked into the pickup. HONNY GRITS

By CORNBALL BLEVIN

I GUESS ABOUT this time of year we should have the most gaily decorated garbage heaps of any nation in the world, or do you save your Christmas wrappings to clutter up the closet 'til next year?

Anyway, Christmas is over now, and we can start steeling ourselves for that flood of "Please Remits" that'll be clutterin' our mail boxes, come the first of the year. 'Twas fun while it lasted, tho. Wasn't it?

SPEAKIN' OF THE first of the year. That's the time of "Fresh Starts" and Resolutions. Maybe a resolution to be of more help to our community and a fresh start in that direction wouldn't be amiss.

Then, surely it wouldn't hurt if we could have a small carryover of the Spirit of Christmas, right on down into the new year.

LOOKS AS THO we'll have to suffer along with those Dallas Cowboys for another week, at least. For the most part, we watched—in disgust—last Saturday as they were soundly beaten, 'til the last two minutes of the game.

Number two son was the only one of our bunch that continued to hold out hope for them, right down to the wire. A riot would have been quiet, by comparison, when they finally pulled the game out of the fire!

WORLD'S MEANEST WOMAN: The gal that gives her husband a large gift certificate. Good only at a ladies dress shop!

WE'RE GLAD to see the farmers gettin' their cotton out of the fields. Here's hopin' the wind doesn't get too rowdy before they get the fields plowed. I don't agree with those Californians that say: "We don't trust air that you can't see!"

Speakin' of cotton, I never heard such a variety of prices quoted! Some say they're gettin' as high as 24 cents, others as low as: "Can't even sell it!" to 11 cents.

All seem to be wishin' that they'd lost the whole crop and planted grain, instead. (What, with the present price of grain.)

SEVERAL HAVE SAID that they wouldn't plant cotton at all, if there was any way they could get the subsidy check without it.

Looks as tho our former big crop, "King Cotton" has had it!

Oh well, if they can get this Revenue Sharing thing perfected, maybe that we won't have to grow anything, period!

THERE'S TALK that your next year's model cars will be government certified.

73 Feed Program Announced

USDA announced its feed grain program on December 11. Farmers are given two choices as follows:
 Choice No. 1: Farmer must plant an acreage of sorghum or better land equal to his base allotment. Payments will be 33 cents per bushel times farm's yield on first half of acres.
 Supplemental payment will be made in case the market price to plus payment on first half does not equal 70% of sorghum parity as of Oct. 1, 1973.
 Choice No. 2: Farmer must plant 15% of his base acreage and restrict planting to his 1972 acreage or payments will be 23 cents per bushel times projected

yield on first half of base allotment.
 2. There will be no guaranteed income provision beyond the loan and payment.
 Loan Level: The loan level for all grain produced by farmers under the feed grain program will be the same as 1972. This is \$1.79 per hundred pounds national average.
 Reseal: There will be no reseal for 1972 grain sorghum held in commercial storage.
 Illustration of 1973 feed grain program, 100 acre base allotment, 100 bushel per acre yield:
 Total Payments: Choice No. 1: \$33 x 50 acres—\$1,650.00 (1972 payment was \$1,900.00).
 Choice No. 2: \$23 x 50 acres—\$1,150.00.
 Other provisions:
 Oct. 1973 —70% Parity Guarantee. No restriction on planting, No. 1 choice.

Restricted to 1972 level of planting or less. No further guarantee of income except loan level, No. 2 choice.
 1973 Loan Level: \$1.79 per hundred pounds—same as 1972.
 Summary: A. There will be 14% less payments for minimum compliance in Choice #1 compared to 1972 (\$5.00 per acre less on first 50% than 1972 with 100 bushel yields) and 5% more set-aside required.
 B. Quality of set-aside land will be higher.
 C. Loan level —\$1.79 cwt. (Same as 1972).
 D. There will be no additional set-aside with pay.

Wieners made without filler are 85% meat, 10% water and 5% salt, sugar, spice and cure which are listed on every package label. NO ingredient can be used in any amount without prior approval of the USDA.

Prune Damaged Trees, And Care For Wounds

Recent ice storms may have damaged trees in your landscape. However, with careful and proper pruning, these trees can be saved, points out County Extension Agent Buddy Logsdon.

First, survey the damage and plan for corrective pruning. Remove damaged limbs at the point of origin or just above a good side branch. Don't leave stubs unless absolutely necessary.

If, due to severe damage, a branch or main trunk must be stubbed back, paint the wound with a tree wound dressing that is available at any garden center or nursery. Orange shellac may be used as a temporary wound dressing. Continual pruning and attention is necessary under these conditions to prevent sucker growth at the end of the stub.

If a trunk or main scaffold branch has split due to the excessive weight of ice, remove the trunk that has broken away, advises

Logsdon. Cables and bolts may be used to pull the damaged trunk together, but this can be best accomplished by a professional tree man.

Where a broken limb has pulled loose back along the side of a trunk, smooth the torn area with a sharp knife or chisel and paint all exposed cuts or wounds with a tree wound dressing.

Although winter season appears well underway, Logsdon suggests that homeowners may want to provide some protection for landscape plants and shrubs to prevent or reduce cold weather damage. Plastic covers may be used to protect plants but they must be removed as soon as severe cold conditions have passed.

Heavy mulching with hay, straw, or cotton burs can also prevent damage to normally winter hardy annuals. Once extreme cold conditions have passed, the mulch can be removed from the top of the plants to expose them to light.

For more information on pruning ice-damaged trees and winter care of landscape plants, contact the county Extension office, adds Logsdon.

Bond Sales Reach \$89,730

Sales of Series E and H United States Savings Bonds for the eleventh-month period totaled \$89,730 in Lamb County. Of this amount, \$9,760 were purchased during the month of November, according to C. O. Stone, chairman of the Lamb County Savings Bonds Committee.

The 1972 goal for Lamb County is \$130,000.

During November, Texans purchased \$17,169,531 in Savings Bonds. The year-to-date sales amounted to \$194,211,487 for 98 per cent of the state's goal of \$177.5 million.

National sales during the month totaled \$345 million, a 19.2 per cent increase over 1971 sales of \$457 million. January-November sales were \$5.7 billion for 109 per cent of the national sales goal of \$5.3 billion. Exchanges of Series E and Savings Notes for new Series H Bonds amounting to \$308 million were reported for the first eleven months of 1972, 33 per cent above the \$231 million exchanged in 1971.

MRS. ALMA ALTMAN

CARL HALL was released from the Littlefield Hospital Saturday after spending several weeks there. He will be staying with his daughter and family the J. E. Laytons. He has been enjoying the visit from his son and wife, the Lawrence Halls from Ft. Anaheim, Calif.

the pastor, Rev. Charlie Shaw, with a Christmas gift.
FARMERS IN this area are enjoying this pretty weather and rejoicing over the fact they can gather some more of their crops.
MR. AND MRS. C. C. Snitker are staying with their father, F. C. Snitker, at Muleshoe, part of the time because of his declining health.
MRS. JOHN GUNTER and Mrs. Ann Sowder presented a musical recital at the Bula School Auditorium last Sunday afternoon. There were about 20 pupils who performed.

MRS. TREVA AUTRY was released from the Littlefield Hospital last Monday after spending about ten days there.
OUR COMMUNITY was saddened by the death of the mother of our residents, Mrs. Annie Peterson died Dec. 13. Funeral services were held at the Woodrow Baptist Church Friday afternoon, Dec. 15. Burial was in the Slaton Cemetery with Sanders Funeral Home in charge. Her son is Buford Peterson, who operates Peterson's Grocery Store here. Several Enochs people attended the services. She was a resident of a Slaton nursing home several years and was hospitalized for a month or more before her death.

About 25 of the Enochs Baptist Church women gathered at the home of Mrs. Louise McCall Friday night for their annual Christmas party, and to reveal names of their secret prayer sisters by presenting them with their gift.
They sang Christmas carols, played games, and ate cookies, coffee, and punch. They drew names for the new year.

THE YOUNG PEOPLE of Enochs church presented a Christmas play Sunday night, titled "Christmas at the Carey's." It was a three-act play sponsored by Mrs. Sandra Austin. After the conclusion of the play, refreshments of cookies, punch, and coffee were served. The church presented

of Albuquerque, N.M. were here for the occasion. They have two sons, Woodrow and Theo Vanlandingham of California, who were not able to be here.

Coffee Honors Bula Teacher

BULA--Mrs. Margarette Marshall, first and second grade teacher in the Bula school system, was honored Thursday morning, Dec. 21, with a coffee by other members of the school faculty in the research classroom.

The serving table was covered in a Christmas cloth centered with a Christmas arrangement. Refreshments of candy, cookies, punch and coffee were served to all members of the faculty.
Superintendent Sinclair presented Mrs. Marshall a gift of a friendship book and jewelry with her birthstone as a token of love and appreciation from other faculty members.
Mrs. Marshall has been with the Bula school system since beginning of the school term this year.
She retired at the beginning of the Christmas holidays and will move back to her home in Littlefield.
Superintendent Sinclair and Principal G. O. Smith were both presented Christmas gifts of shirt and sox from other members of the faculty.

Trojans Overcome Deficit To Win 59-43

Lubbock's Christ the King Trojans spanked the Littlefield Wildcats 59-43 for their eighth straight win there Thursday night after the Cats led three times.

The score was tied 15-15 at the end of the first quarter, then the Trojans held a five-point lead at halftime. CTK added three more to their lead at the end of the third quarter then roared to a 57-35 lead with just over a minute to play.

The Wildcat offense got off to a slow start, scoring only three points, and those in free throws, in the first seven minutes of the game before they took an 11-4 lead in the first quarter behind a three-point play by Tommy Batson.

The Wildcats resumed command in the second quarter, building up a 23-16 lead with 4:11 left in the half on a couple of layups by Randy Cook and outside jumpers by Terry Bryson and J. E. Johnson.

The Trojans scored eight consecutive field goals to take a two-point lead. Randy Dayton gave the Cats their lead back seconds later, but CTK got three straight buckets to lead 30-25 at halftime. CTK held a 40-32 margin going into the final quarter.

Littlefield's Johnson led the

Cat scoring with 11. Dayton added 10. Cook contributed 9. Batson 7, and Bryson 6.

THE LITTLEFIELD JV girls nipped CTK girls 62-58 in the 7em contest. Pam Turville led the winners with 32 points.

All three high school teams play Sudan in a home game tonight. The varsity and JV boys host Denver City Friday night.

Pep Rallies, Wins

A rally in the fourth quarter was strong enough to give the Pep Buffalos a 63-60 win over Wellman Thursday night.

Wellman maintained the lead for three quarters, but fell aside when the Buffalos jumped ahead by sinking 22 points in the final stanza.

Sparkplugging the winners was Lafayette Demel with 17 points. Roger Vick got 14, Gary Abus 12, Danny Miller 12. Sidney Abus six and Tommy Abus two.

In girls' action Thursday, the Pep girls edged out Wellman, 55-52. Miki Demel scored 19 points for the winners. Pam Demel swished the nets for 16, Mary Franklin 14, and Mitzi Abus got six.

TURN ROW COMMENTS

THIS ABNORMAL WEATHER is hard to believe, light frost, warm sunshine and calm days. The cotton harvest is in full swing with many farmers waiting as much as four days to get their trailers from the gins.

Other farmers are carrying some of their cotton to areas where the gins are not quite so busy because customers were hailed out in late June.

Some of these gins are tagging from 400 to 500 more bales than they anticipated for the 1972 crop year. A bumper cotton crop is definitely being harvested.

Price is varying from 10 to 20 cents a pound. It seems that most of the cotton is tinged, spotted or barked. Mike is good and so is the staple. Wet weather this fall is one of the contributing factors to the blemished cotton.

License, Permit Deadline Extended

The Texas Highway Commission has extended the license and permit filing deadline for owners of signs along Interstate and primary highways.

The Commission extended the filing deadline from Dec. 31 to June 30, 1973. Advertising industry and individual sign owners requested the extension because the previous deadline did not permit sufficient time to comply with the Texas Highway Beautification Act.

The Act requires a permit for each existing or planned sign. Also, anyone erecting or maintaining signs within 660 feet of an Interstate or Federal-aid highway must have a license to engage in outdoor advertising.

Sign owners are advised to apply for a license and all necessary sign permits as soon as possible since no further extension of the deadline is contemplated.

Both license and bond applications are available through the Right of Way Division, Texas Highway Department, P. O. Box 5075, Austin, Texas, 78763.

In addition, owners must obtain a \$5 permit for each sign. Permits for new signs will not be issued unless they conform to the law. Sign permit application forms can be obtained from the right of way sections of Highway Department district offices.

Owners of signs who have questions about the program or the new deadline date should contact the nearest Highway Department district office.

Dear Abby

And it's all over an ugly refrigerator

By Abigail Van Buren

DEAR ABBY: Six months ago a married couple split up. The wife sold all the furniture, so their large new refrigerator, and I let her have a smaller one.

Five weeks later this couple went back together. The wife had told her husband that we had returned their refrigerator if they ever decided to [This is not true.]

Well, we didn't want to make a big stink, so we returned their refrigerator and take our old one. I had theirs delivered, and when ours arrived I had them painted, "I AM UGLY" on the refrigerator in bright blue enamel!

I called her up and asked her about it. She said, "You fat b——!"

Abby, we didn't have to sell her refrigerator, we did it as a favor to her. Now, we've been vulgar letters and crank phone calls from her, we pass her on the road she makes obscene [She's 22 years old.]

The police suggest we sign a complaint against her, we did it as a favor to her. Now, we've been vulgar letters and crank phone calls from her, we pass her on the road she makes obscene [She's 22 years old.]

The police suggest we sign a complaint against her, we did it as a favor to her. Now, we've been vulgar letters and crank phone calls from her, we pass her on the road she makes obscene [She's 22 years old.]

Any suggestions?

DEAR MRS. M.: If she's annoying you, by all means sign a complaint. The poor woman sounds disturbed.

DEAR ABBY: Something has bugged me for some time. Maybe you can put me straight on it.

It irritates me when my grown, married children have their own homes just walk right in without or calling—and sometimes without even speaking. I would not do that to them as I respect their privacy enough to knock on their door.

Am I just a selfish person to resent this invasion of privacy? And why do grown children do this?

NO NAME

DEAR NO NAME: It's habit. Since your boys once THEIR home, even tho they have their own now, they feel that what's yours is still theirs.

If you are bugged by their lack of consideration of your privacy, why not lay it on the line and get it straightened out?

DEAR ABBY: I have an experience I would share with other frustrated parents.

When our kids were in high school we were quite there were places they couldn't go, and things they couldn't do. They gave us the old line, "Everybody else does it." We spent many uneasy hours wondering if perhaps we were depriving them of some harmless fun, but we stuck to our guns.

Now our children are grown and have families of their own, and each of them has come to me and said, "You held us down when we were kids. If we didn't have you with the other kids we were chicken, but if Pop and Mom that settled it, and we were off the hook."

I asked, "Then why did you gripe so much because we couldn't do what the other kids could do?" They said, "Well, sometimes we didn't think we ought to, but we wanted to. We would have done it if you had let us. We got in trouble, we would have blamed you, because let us do it. Thanks, Mother, for not letting us get into trouble."

MRS. C. IN LISBON

DEAR MRS. C.: Well said.

DEAR ABBY: My home is on the verge of being sold and there seems little I can do about it. If I had my husband, there will be three teen-ager children and a father, but I see no other solution.

My husband is a professional man with a career. He has admitted to having had sexual relations with a young woman patient 10 years his junior and says he's in love with her, but he claims he is also in love with me. Can this be?

We were married when we were both in our 20's years ago and I still love him. Our sex life has been tremendous, yet he tells me that "in the line of duty" he helped this woman to find her "ego identity" by having sex with her.

I can't stay married to a man who would have sex with other women in the line of duty or for any reason.

Is this something new in psychotherapy? I can't understand it. I really believe this will help their families? What of their own emotional involvements and that of their families?

DEAR HEARTBROKEN: No professional man with a right mind would have sexual relations with a patient. A husband needs treatment himself and should not be allowed to continue practicing until he has been rehabilitated.

If you love him, don't leave him, but DO insist on a psychiatrist about his problem. If he continues as he is, he will not only lose his family but his practice as well.

DEAR ABBY: You once gave a definition for "HEARTBROKEN" before a high school audience in St. Louis 10 years ago. What was it?

DEAR LOREN: To be able to stick with a job until it's finished, to do one's job without being supervised, able to carry money without spending it, and to be able to bear an injustice without wanting to get even.

Problems? Trust Abby. For a personal reply, write to ABBY, BOX 69700, L. A., CALIF. 90069 and enclose a stamped, addressed envelope.
