Area Bands Enter UIL Contest, Two Earn Sweepstakes Trophies

AT BAND SENIORS display the plaque the Band won in UIL Concert and Sightreading in Dimmitt Tuesday. They won a I rating in and a II in sight reading. The band is now planning an out-of-town trip to the Fiesta Flambeau in San Antonio April 24-27, and will be sponsoring fund-raising projects. (Staff Photo)

The Littlefield High School Wildcat Band earned a I rating in concert and a II in sight reading Tuesday during the UIL Concert and Sightreading competition in Dimmitt.

Judges for the contest were Richard Crain of Belton High School at Belton, for sight reading; and James A. Mallow of Brady High School, Wayne McDonald of Eldorado High School, and Joe Rogers of New Braunfels High School, for concert.

The Wildcat Band is now preparing for an out-of-town trip to San Antonio, where they will march in the Fiesta Flambeau parade—the largest lighted and televised parade in the world, according to Band Director Tom SoRelle. The four-day trip is to begin April 24, and several fund-raising projects will be conducted in the near future to sponsor the trip.

While in San Antonio, the band will also play in a river concert in downtown San Antonio, in conjunction with the Fiesta events.

Other area bands competing in the UIL competition in Dimmitt this week included the Springlake-Earth Wolverine Band, which won the sweepstakes by taking number I ratings in both concert and sight reading; the Sudan Hornet Band which also walked away with two I's and the sweepstakes awards; the Olton Mustang Band which earned a II in concert and a I in sight reading; and the Anton Bulldog Band, which won a I in concert and a II in sight reading.

Corn Production To Be Discussed In Olton Meeting

A corn production meeting has been set for Monday, March 17, in the Agricultural Community Building at Olton.

The evening event is designed to inform producers and others of latest developments, methods and techniques known for production of corn on the High Plains.

Olton's Agricultural Community Building is located one block south and one block east of an intersection of Highway 70 with Farm to Market Road 168.

The 8 p.m. meeting is open to producers and others interested in improved production practices of corn. List of topics will cover the outlook for grain sorghum and corn prices in 1975, irrigating for maximum profit, controlling corn damaging insects and improved cultural practices for maximum profit.

South Plains County Extension agents of the Texas Agricultural Extension Service are sponsoring the special meeting.

Homestead Exemption Deadline Is April 1

Persons 65 years old or older who wish to claim a Resident Homestead

Exemption have until April 1 to make application.

Applications for persons living in the Littlefield Independent School District must be made at the school tax office at its new location in the former Hill Rogers Furniture Building on east 9th at

the intersection of the old Lubbock Highway and the Bula Highway.

Application deadline is April 1. This is an annual procedure and a new exemption must be filed every year to keep the exemption in effect.

Men's Steer Show Premium

Walden, 16-year-old son of Mr. Douglas Walden of Littlefield, won Wednesday with \$4,216.23 prize for his grand champion steer Monday for the top spot of the Southwest Junior Livestock Show at Lubbock.

Walden closed Wednesday with the 1,230 animals in the Livestock Show.

White Truck Co. bought the steer, then donated the 1,230 animal, named Teardrop, to the Children's Home, after bidding above the floor price.

Walden's brother, Dean Walden, won \$3,922.52 at the 1974 show with a steer, making this year the Walden family took the premiums of the show.

Walden reserve champion Hereford, by Teresa Lively of the Earth FFA, brought \$501.93 premium bid of \$1.50 by First Bank of Lubbock.

Candidates To Meet For Special Session

School board candidates for the school board election will meet a question and answer session tonight at 7:30 in the Willy Room of Lamb County Electric Cooperative.

The session, sponsored by "Parents for Schools", will be open to all taxpayers and other interested persons that they may be informed of candidates' positions for the board.

Survey Begins At Mill Site

Hugo Reed of Hugo Reed and Associates Land Surveyors of Lubbock made a preliminary survey Wednesday at the site of the new cooperative-sponsored open-end spinning mill and textile plant east of Littlefield.

When the weather permits, the surveying will be completed.

The deal on transferring the land from the Griffin Estate to the Chamber of

Commerce was closed Tuesday with the signing of instruments. The land will then be transferred to the American Cotton Growers Association at a future date.

A five-year contract was also signed with the Griffin Estate that the estate will use all the surplus water after the city and industry use what they need.

Absentee Voting For School Starts

Absentee balloting for school board posts begins Monday in the school tax office. Absentee balloting continues through April 1.

This year the Littlefield system has three trustees whose terms are expiring. Ten persons are seeking these places.

Terms of Mickey Ratliff, David Hampton and Werner Birkelbach are

up. Ratliff and Hampton are running for re-election.

Others who've placed their names on the ballot are Carolyn Hodge, Jay Bridwell, James Bolen, John Despre, Troy Gardner, Orville Bassett, Dr. Howard Head, and Charlene Terry.

The school board election will be held Saturday, April 5.

Wildcats Named To All District Team

Two Littlefield Wildcats were named to the honorable mention list of the District 3-AA all district basketball team, which was dominated by state champion Dimmitt, Morton and Friona.

Ricky Parker, a Littlefield junior, and Narva Simington, a Littlefield sophomore, were

selected as honorable mention.

The all district team included Dale Cleveland, Gene Strickland and David Hutson of Friona, Mike Williams, Kenneth Standmire and Roy Thompson of Morton, Steve Myatt, Craig Williams and Jim Birdwell of Dimmitt and Kevin Workman of Olton.

Spring Sports Schedule Set For District 3-AA

Athletic Director Jerry Blakely has announced the spring sports schedule for District 3-AA, and the first event is the volleyball tournament to be hosted by Littlefield Monday, March 17.

All matches will be played in the Littlefield High School Gym and the first match is scheduled for 10 a.m., with Olton meeting Dimmitt. The second match will find Morton meeting Friona, and at 11:30, Littlefield will meet the winner of the 10 o'clock game.

The final match is scheduled for 1:30 p.m.

Tuesday, Coach Bobbie Pylant will take her seventh and eighth grade tennis teams to Morton for the district meet. The first golf match is scheduled for Dimmitt April 8.

On April 9, Littlefield will host the varsity girls and seventh and eighth grade track meet. The second golf meet will be April 10 in Olton.

Morton will host the ninth and varsity boys' and girls' tennis meet on April 11.

April 12 has been set as an alternate date for girls' track and high school tennis.

The third golf meet is scheduled for April 15 in Littlefield and the final golf match is slated for April 17 in Friona.

Spade Longhorns In State Tourney

The Spade Longhorns were in Austin for the state Class B tournament and were scheduled to meet McGargle in the first game of the tourney at 10 Saturday.

The finals were scheduled for 8 Saturday night.

Complete pictorial coverage of the Spade games will be in Thursday's edition.

Kindergarten, First Grade Pre-Registration Scheduled

Students who will be entering Littlefield Public School next fall in kindergarten or the first grade, should be registered in the principal's office of the Primary school building sometime during the week of March 17-21.

Students who are presently attending public school kindergarten are already registered, and do not need to register again.

Children eligible for kindergarten next year include:

All children who are educationally handicapped who are five years old on or before Sept. 1, 1975 will be eligible to attend the full-day kindergarten program. Educationally handicapped are those who may have difficulty reading or understanding the English language, or if they are from low income families of \$3,000 per year or less.

In addition, any other child who will be five years old on or before Sept. 1, 1975, will be eligible to attend kindergarten

one-half day. Plans are for the 1/2 day students to attend in the morning, and will remain in the room for instructions in a smaller group when the full day students go to the lunch room.

The basic academic program will be stressed in the morning, and an enrichment program in art, music, and physical education will be stressed in the afternoon.

"It is very important for each child who is eligible and plans to attend kindergarten next school year to be registered this spring in order that plans may be made to provide the proper number of rooms," stated Forrest Martin, principal.

"Every child who will be six years old on or before Sept. 1, 1975, should be registered for the first grade. Every child registered for the kindergarten or first grade, must bring his birth certificate and record of immunizations," he concluded.

Good-Boone Wedding Solemnized At Kenna

Cynthia Gay Good of Elida, N.M. and Patrick Henry Boone IV of Littlefield were married in a double ring wedding ceremony Saturday afternoon in the home of the bride's grandparents, Mr.

A. J. Kennemer, pastor of Littlefield's First Baptist Church, officiated.

Parents of the bride are Mr. and Mrs. Charles Good of Elida, N.M.

The groom's parents are Judge and Mrs. Pat Boone Jr. of Littlefield.

Mrs. Bud Bilberry accompanied Shirley McDonald on the organ as she sang "Twelfth of Never" and "Whither Thou Goest."

Charles Good presented his daughter for marriage. She wore a gown of white silken organza accented in re-embroidered Rachel lace. The softly draped bodice featured a high wedding band neckline of lace, and long bishop sleeves were shirred to lace cuffs. Tendrils of the lace marked the outline of the bodice and accented the natural waistline

with a peaked cummerbund outline in lace. The full circular skirt was bordered in rows of lace encircling the skirt which extended to a mini train. The entire silhouette was complemented by a matching mantilla style veil, which was also outlined with the lace and lace petals sprinkled throughout.

She carried a cascade bouquet of bridal pink roses and stephanotis on a white Bible.

For "something old", the bride wore a wedding ring belonging to her maternal grandmother, Mrs. Ora Freeman. "Something new" was her bridal dress and veil; "something borrowed" was a Bible belonging to an aunt, Mrs. Randy Hestand; and "something blue" was a garter made and given to her by her paternal great-grandmother, Mrs. Maggie Moore. In the bride's shoes were pennies minted in the years of the couple's birthdates.

Judge Pat Boone Jr. was his son's best man, and Jami Southard of Kenna, N.M. served as maid of honor.

Tom Lewis of College Station, the groom's cousin, served as candlelighter and usher.

The maid of honor wore a dress of deep pink crepe, featuring a bodice with long cuffed sleeves, trimmed with re-embroidered Alencon lace. The mandarin collar was trimmed with matching lace. She carried a nosegay of carnations, and wore a matching headpiece.

Following the wedding ceremony, a reception was served in the bride's grandparents' home.

Registering the guests was the groom's sister, Mrs. Mike Qualls, and the rice bags were distributed by the bride's cousin, Shawna Good.

Servers for the reception included Mrs. Wayland Burney and Miss Ann Howard. Others

helping with the hospitalities were Mrs. Randy Hestand and Mrs. Billy Frank Good.

The table was spread with a candlelight color floor-length satin cloth overlaid with tulle. The tulle spread was lace trimmed and appliqued with white satin wedding bells outlined with seed pearls, and a candelabra centerpiece with better times pink carnations. The three-tiered white wedding cake was decorated with pink rosebuds with a miniature bride and groom on top.

For their wedding trip to Red River, the bride chose a three-piece pant suit of pink and white, with white accessories. She wore a pink rose corsage lifted from the bridal bouquet.

The new Mrs. Boone is a 1973 graduate of Elida High School and is now attending Eastern New Mexico University in Portales, N.M.

The groom is a 1971 graduate of Littlefield and is also attending ENMU at Portales. He is employed by Boone Ranch of Elida.

They will reside west of Portales in the Redwine Addition.

Other out-of-town guests at the wedding besides those in the wedding included the bride's grandmother, Mrs. Ora Freeman of Williamsburg, N.M.; Mr. and Mrs. Billy Frank Good of Caprock, N.M.; Mr. and Mrs. Michael Qualls of Portales, N.M.; Mr. and Mrs. Bill Harris of Vernon; Mr. and Mrs. Bill Freeman of Earth; Mrs. Pat Boone of Littlefield; Judge and Mrs. Pat Boone Jr. of Littlefield; Mr. and Mrs. Willard Nelson of Wilmett, Ill.; and Mrs. Robert Lewis of College Station.

Get two tax advantages with your own retirement plan at Security State Bank

Now a person not participating in a formal retirement plan can set aside up to \$1,500 annually under Security State Bank's Individual Retirement Account and gain two tax advantages.

One, you can claim the full amount you set aside as a deduction on your Federal income tax.

Two, no income tax is due on interest earned until funds are paid out to you—for example, following your retirement.

These tax advantages enable your retirement fund to grow faster and larger than an investment of equal value earning on identical return because your earnings in Security Individual Retirement Account compound tax free.

You and/or your working spouse can each deposit up to \$1,500 annually (or 15% of your income... whichever is less) in the Security Individual Retirement Account. There is no set up cost, no maintenance fee, and your investment is protected by Federal Deposit Insurance Corporation up to \$40,000.

You'll want complete details about how your account can be set up, what requirements are involved, and how you can begin to make deposits, and when you can begin to collect benefits.

We'll provide complete information about our Security Individual Retirement Account if you will talk to one of our officers.

OBITUARIES

NETTIE BLACKMAN

Services for Mrs. Nettie Blackman, 92, of Bula, who died Thursday afternoon at the Muleshoe Nursing Home following a lengthy illness, were conducted Saturday afternoon in the First United Methodist Church at Bula.

Officiating were Harvey Whittenburg of Hartley and Don Stone, pastor of the Bula United Methodist Church.

Burial was in Littlefield Cemetery with Singleton-Ellis Funeral Home of Muleshoe in charge of arrangements.

Born at Seymour in Baylor County, Mrs. Blackman had been a Bailey County resident since 1933, moving to Bula from Donley County. She was a member of the First United Methodist Church of Bula and a life member of the Women's Society of Christian Service.

Survivors include two daughters, Mrs. Cleo Adudell of Hollister, Calif., and Mrs. Pat Carter of Lovington, N.M.; four sons, M. F. "Buddy" Blackman of Muleshoe, John Blackman of Bula, Robert Blackman of Lovington, N.M., and Roy Blackman of Clarendon; seven grandchildren, 15 great-grandchildren and five great-great-grandchildren.

The family suggests that memorials be made in the form of contributions to the Muleshoe Nursing Home Auxiliary.

JAMES HALL

Services for James Theodore Hall, 55, of Joshua, were conducted Saturday afternoon in Trinity Methodist Church in Plainview with Rev. Russell McAnally, pastor of Merkel Methodist Church, and Dr. Clifford Trotter of Lubbock officiating.

Burial was in Plainview Memorial Park under direction of Lemons Funeral Home of Plainview.

Hall died at 12:30 a.m. Thursday in Joshua following an apparent heart attack.

Born at Marysville, Hall grew up in Olton, graduating from Cross Plains High School. He moved to Plainview in 1937 and married the former Nellie Belle Groff Nov. 16, 1940, at Plainview. The couple moved to Olton in 1956 and to Pampa in 1966. They had been residents of Joshua since 1970.

Hall was a member of the United Methodist Church, a 32nd degree Mason and a member of the Olton Masonic Lodge and the Fort Worth shrine. He was a salesman for Forrest Chevrolet in Cleburne.

Survivors include his wife; a daughter, Mrs. Bruce Fuller of Huntsville; a son, Thomas E. of San Ysidro, Calif.; four sisters, Mrs. Kay Harris of Shreveport, La., Mrs. Doris Givens of Odessa, Mrs. Joan Kunkel of Austin and Mrs. Wanda Voyle of Burkett; his father, Ira of Brownwood; and four grandchildren.

ZELMA JACKSON

Services for Mrs. Zelma Jackson, 84, of Lubbock were conducted Thursday afternoon with Rev. David Evtets, pastor of First Baptist Church in Anton, officiating.

Burial was in Anton Cemetery under direction of Rix Funeral Directors.

Mrs. Jackson died at 7:45 p.m. Tuesday in University Hospital following a lengthy illness.

Mrs. Jackson had been a Lubbock area resident since 1925, moving here from Granger. She was a charter member of First Baptist Church of Anton and was active with Lubbock Children's Home.

Survivors include four daughters, Mrs. Jessie Turner of Paris, Mrs. Alma Strimple and Mrs. Zollie Farmer, both of Longview, and Mrs. Elmyra Wolsch of Austin; two sons, Clarence of Lubbock and James of Pampa; eight grandchildren and several great-grandchildren.

MRS. J. W. KELLEY

Services for Mrs. J. W. Kelley, 92, of Earth, were conducted Friday afternoon at the First Baptist Church in Earth with Rev. David Burum, pastor, officiating.

Burial was in Earth Cemetery under direction of Parson-Ellis-Singleton Funeral Home.

Mrs. Kelley died about 8:45 p.m. Tuesday at South Plains Hospital at Amherst following a brief illness.

Mrs. Kelley had been an Earth resident 51 years.

Survivors include a daughter, Beulah Banforth of Earth; a son, Ray Kelley of Earth; three sisters, Mrs. Mayme Watson of Monrovia, Calif., Mrs. Ethel Henderson of Chickasha, Okla., and Mrs. Rubie Hodge of Earth; seven grandchildren, 15 great-grandchildren and 11 great-great-grandchildren.

FRANK MOTL JR.

Services for Frank Motl Jr., 56, of Red River, N.M., were conducted Friday morning in the First United Methodist Church in Anton with burial in Resthaven Memorial Park in Lubbock.

Rix Funeral Directors handled the arrangements.

Motl, an Anton resident from 1938 to 1970, died at 5 p.m. Tuesday in Taos, N.M.

Motl owned and operated the Terrace Towers Lodge in Red River, which he bought in 1970. He was a veteran of WW II and a Lutheran. He married the former Eula Langston in 1940 at Lubbock.

Survivors include his wife; two daughters, Mrs. Linda Shipley of Lubbock and Mrs. Gayle Benton of Fountain, Colo.; a son, Gary Motl of Lamesa; four sisters, Mrs. Violet Pittman of Bakersfield, Calif., Mrs. Jay Dean Peters of Austin, Mrs. Dottie Byrley of Perryton and Mrs. Dorothy Hooper of Anton; a brother, Richard of Clovis, N.M.; his mother, Mrs. Frank Motl Sr. of Anton; and three grandchildren.

NELLIE MAE WISEMAN

Funeral services for Mrs. Nellie Mae Wiseman, 73, who died at her home near Sudan at 6 a.m. Friday, March 14, following a lengthy illness, were conducted Saturday afternoon in the Sudan Church of Christ.

Officiating were Willard Cox of Sentinel, Okla. and Art Lynch, minister of the Sudan Church.

Burial was in Littlefield Memorial Park with Hammons Funeral Home in charge of arrangements.

Mrs. Wiseman was born April 8, 1901, in Indian Territory, Oklahoma and had been a Sudan area resident 42 years. She was a member of the Church of Christ at Sudan.

Surviving are her husband, B. P. Wiseman; three sons, Kenneth Wiseman and Weldon Wiseman, both of Sudan, and Dean Wiseman of Dimmitt; two daughters, Mrs. Laverne Bernethy of Dimmitt and Mrs. Rosa Nell Wood of Claremont, Calif.; two brothers, W. F. Howard of Childress and O. W. Howard of Crosbyton; a sister, Mrs. Effie Mills of Anton; 11 grandchildren and six great-grandchildren.

Pallbearers were Bill Boyles, Wayne Swart, Thomas Harper, Coleman Terrell, Edgar Chance and Pete Phillips.

Honorary pallbearers were Joe Fisher, Verna Wood, Travis Campbell and Weaver Barnett.

"HOWDY THERE MA'AM!"

A Woman's View

By PEARL BRANDON

THIS WEEK I was talking with a friend who gave me a quotation which came from his father who passed away in 1935.

This friend is retired now so this must be an old, old quotation, I think it bears repeating. "The weeks, the months, the years may pass but God is forever."

WITH GOD there is no time. He is eternal.

This friend said his father always had prayers and Scripture reading every night, and the things he had taught his family never left them. How wonderful the memory of a good father.

I THINK of the seasons of life passing—the spring time when the earth gets green and begins to bloom, the growing season of summer when there is much work to do, cultivating and working the fields, then comes autumn and harvest time—and last of all winter—the time of old age—the last season of life when we no longer are in the hustle and bustle of living.

Now we have time to sit down and contemplate the past. It seems only yesterday we were swift and strong, out in the struggle of life. Then we realize how short life is.

LIKE THE QUOTATION above, everything may pass but God is forever. I am glad He allows us to share that eternity with Him. Like the childhood of spring, the youth of summer, the mid-

dleage of autumn and the old age of winter—we pass with the seasons, but it is not the end for us. We cross over into eternal life with our heavenly Father and those loved ones who have gone on before.

WHY SHOULD we fear death or what is to come? The Lord says, "Take no thought, saying, what shall we eat? Or what shall we drink? ... for your heavenly Father knoweth that you have need of all these things."

"But seek ye first the kingdom of God, and His righteousness; and all these things shall be added unto you." He also said, "Let not your heart be troubled, neither let it be afraid."

SOMETIMES it is hard not to be afraid, but usually the things we are afraid of don't happen.

Even in pain and suffering we can be thankful for the great love of God that never passes.

MY HUSBAND, Lyle Brandon, is back in the hospital at Medical Arts. He is suffering from an infection of the right lung where he was operated on in Oct. '74. He has been pretty sick, but at this writing is better.

We are constantly reminded of the kindness of people, especially in this town.

Thank all of you for being so good to us. May God bless you.

CLIPS & TIPS

REGULAR CARE of a mixer can give it a longer service life. Regular cleaning can prevent damage to the motor and the possibility of electrical shock.

The head can be wiped with a soft, soapy cloth, then rinsed and dried. But consumers should avoid abrasive cleansers which can mar the finish. The head should never be immersed in water.

The beaters and bowl should be washed after each use, either by hand or in a dishwasher. Before using the mixer again, be sure that all parts are completely dry.

It's a good idea to wipe the cord occasionally with a damp cloth when the mixer is unplugged.

Concerning oiling the mixer, instructions from the manufacturer of each individual appliance should be consulted in each case. Some of the newer models cannot be lubricated at home.

FRESHNESS IS THE KEY to keeping fruits and vegetables good tasting and nutritious.

"One way to hold them at their peak of freshness is to store them properly at home," says Sally Springer with the Texas Agricultural Extension Service. "Except for onions, potatoes and bananas, produce can be refrigerated. Also, separate bruised or decayed produce before putting it up and use it as soon as possible to avoid loss of nutrients."

She reminds consumers that another way important vitamins and minerals are lost from fresh vegetables is by overcooking them in too much water.

Reviewing specific directions, the specialist said, "Bring about one-half cup of water in a saucepan to a full boil. Add the vegetable, cover and cook only until tender crisp."

"Since Vitamin C is especially water-soluble, it usually ends up in the cooking water. That's why using vegetable liquid in gravies, sauces and soups makes the most of the vitamins available," she said.

She noted that many nutrients in fruits and vegetables are found near the skin or peel. Whenever possible, serve or prepare them without peeling. But if peeling is necessary, try to make it as thin as possible, she advised.

TIPS AND TIDBITS:

1. Give your car a tune-up. Keep your engine tuned according to the specifications given in the owner's manual. A major tune-up is called for every 10,000 miles. This should include spark plugs, ignition points, and condenser. Inspect the choke for proper operation. Replace air and fuel filter elements.

2. A light left on at night in a vacant house can provide you with a measure of convenience and security. But lights left on during day-light hours waste electricity. By using a timer you can make sure that your home won't be completely dark when you're away, yet save electricity during hours when lights aren't really needed.

3. You'll save electricity by covering all liquids stored in the refrigerator—especially if yours is a frost-free model. Moisture is drawn into the air from uncovered liquids making the refrigerator work harder.

THE ABUNDANT LIFE

We Can Do It

By BOB...

A STRONG POSITIVE attitude is essential to a realization of the best in our living. This attitude is neither omnipotent nor omniscient, but it is highly desirable.

This positive attitude is no guarantee that we can have everything just the way we want it to be. Neither does it mean that we can do everything we would like to do.

IN LIVING, there are some uncertainties. We cannot always know what to expect, and we must learn how to live with this fact of life. "We can do it." There are sufficient certainties to enable us to stabilize our life situation. Yes, we can live with uncertainties; and can do so in a very acceptable manner. We can do this by attaching our lives to the identifiable and available certainties.

"HAPPY THE MAN who can endure the highest and the lowest fortune. He who has endured such vicissitudes with equanimity has deprived misfortune of its power." -Seneca.

CHANGES ARE ALWAYS being made, in some aspects of our living. Some of these will be justified; some will occur because of fallible human judgments; some will be caused by the passing of time; and some changes will be the result of other happenings.

POTENTIALLY, WE HAVE considerable capacity for making the necessary adjustments to change. Some changes will be of very little concern to us, but others may be

traumatic. Some will be easier than others, but we can do it. It helps us to realize the "do it".

OUR BEST HELP will be believing in, and holding to, that which is unchangeable and true. There are easily recognizable aspects of life which are unchangeable. For these, we should be grateful. There are specific solutions which are enduring.

THERE WILL BE some things to do, and some unpleasantness to endure; but life is not that pleasant. There is much that is pleasant, and we are that it is so. We are not, however, in expecting just the unpleasant to a minimum, and be our aim. "We can do it." We all; we can handle the unpleasant.

THERE MAY BE HANDBICAPS. Some may be minor, some may be very severe. If there are handicaps, adjustments must be made according to the nature of the handicap. Knowing that "we can do it" strengthens us for the doing. Of course, the handicaps may be severe that we will need assistance, so, assistance is available. We should seek and accept it to the greatest degree of gratitude.

WE CANNOT DO EVERYTHING. We can usually do more than we can.

NOTICED WHERE SOME character, in our suburban journal, is going to great lengths to prove that your family doctor shouldn't be immune to suit for malpractice. Guess in our mixed up society, that should be expected.

I suppose with all others considered, since we that hang out our shingle in inviting public trade, are laying ourselves liable to law suits, that the doctor shouldn't be exempted.

YOU CAN BET, HOWEVER, that once the door is opened, that there will be a bunch of people looking for an excuse to get a few easy bucks, via this route. On the other hand when this sue-crazy fad hits the doctor's profession, you'll be lucky if you can find a doctor to

As for myself, I want to be regarded my doctor as a friend, concerned about my good health, to think he's sympathetic toward aches and pains, and wants to be I'd hate to think he regards me possible law-suit, every time I see office.

I MAY HAVE trouble understanding some of his methods, and figuring he is always wants to shoot me backside with a monstrous needle. My complaint is a sore throat, but all, I went to him for help. He come looking for me!

I'm sure there are some doctors are a disgrace to their profession, there are other practitioners of trades. I think, however, they are very small minority. A doctor can his oath lightly. He has to be de-

Baumgardner Back From Japanese Job

By MRS. TOM STANSELL SPRINGLAKE— John H. Baumgardner of Halfway, professor in the school of Agriculture of Texas Tech University, returned home last month from six months in Japan where he was supervisor in the construction of a model feed lot by the U.S. Feed Grain Council. Baumgardner's wife, Maretta, taught several years in Olton.

The model feed lot is at Kyushu which is the southern most island. Here few Americans have been seen. Baumgardner found little unemployment in Japan where it is considered that accepting charity "kills the soul." When a person becomes too old to perform his task, or if he becomes incapable of continuing, the employer finds something he can accomplish and keeps the worker on the pay roll.

Baumgardner saw people cleaning out a riverbed with buckets and shovels. He was told "To be sure we can use steam shovels but our people need the work."

Baumgardner reports many, many cattle are being fed in Japan and lockers are overstocked with meat. The steaks are cut as thin as bacon and then cut into bite sized portions which are picked up by chop stick.

Fish is served raw in slices and dipped into varieties of sauces. Japanese foods never lose their nutritional value by over cooking.

Much noise is made by noodles and soup being "slurped" from bowls. Baumgardner was told by the interpreter that he should make more noise while eating or it would be thought odd that he did not show more appreciation of his food.

In most Japanese hotels there is one large tub that is at times occupied by 15 or 20 people who cleanse themselves from a nearby basin before getting into the large tub which is for relaxation. As the water is always warm in the large tub and the hotel rooms have little heat, people warm themselves by staying as long as three hours in the tub.

The Texan was amazed at the crowded conditions on elevators, trains, subways and planes. Uniformed attendants push the passengers aboard. One "people pusher" said by his efforts 30 more people could be carried in a train or subway car. Baumgardner said Japan has a marvelous transit system with bullet trains arriving and leaving every 15 minutes. He compared this with our wasteful "transit system" with a car for almost every adult member of the family.

He learned by experience that most people in Japan are honest. He left articles in different hotels as he traveled to various places on the islands. Upon his return his possessions were intact.

Tokyo is a very safe city in spite of the fact that the streets and shops are not lighted at night in order to conserve energy. He was told mugging is unheard of and he saw women alone going to work and returning late at night.

Baumgardner spent Christmas in Holland with a brother who was there on Sabbatical leave from Purdue University. The Texas Tech professor went to Poland and to Rome where he gave instruction in the recycling of feed lot manure.

MR. AND MRS. Roger Wade and family visited the T. C. Wades over the weekend. Also visiting were Dina and Dina Grant of Levelland. Their mother Patsy Grant returned to Miami, Fla. for further face surgery.

RHONDA BRYANT entered the 4-H princess contest in the Livestock Pavilion in Lubbock Sunday afternoon. Those from Whitharral attending were Mr. and Mrs. Don Reding, Mr. and Mrs. Driscoll Bryant, Mark and Jackie, and Willie Bryant. Others attending were Vickie Proctor, Mr. and Mrs. Fred Smith, and Mr. and Mrs. Jimmy Ted Irvin.

FRESH LEFTOVERS

Store leftovers in the smallest container possible. This helps keep the food fresh longer because the smaller the container, the less room there is for air.

"Rhyme Of The Ancient Water Heater"

Water, water everywhere
And not a drop to drink;
And none to bathe and none to wash.
There's something wrong, I think.
Our ancient water heater,
It burst at 3a.m.
The signs of strain and stress,
I never thought to check for them.
So first thing in the morning
I'll remove this albatross.
An electric water heater
Will alleviate my loss!

Reason 12. We have had years of experience and our people have been specially trained. We will do our best in preparing your return, and then we'll carefully check it for accuracy.

Tech's Concert Band to Perform Today

Tech's Concert Band will give its annual spring performance with a public performance at 2 p.m. today in Lubbock Central Auditorium.

There will be no admission charge.

Director Dean Killion will conduct the 94-member organization in presenting a program of selections from its tour repertoire.

Guest artists will be Mike McGhee, who will be featured in Russell Bennett's "Rose Garden"; Kathy Roper, who will be heard in Cecile Maude's "Concertino, Op. 10" and Mack Bibb, tuba, who will play Alexandre Guilmant's "Symphonique."

Also on tap are such works as "Sketches on a Tudor Psalm" (Fisher Tull); "Symphony for Band" (Morton Gould); "Festival at Bagdad" (Rimski-Korsakov); "Fiesta del Pacifico" (Roger Nixon); "Alborada del Gracioso" from Ravel's "Miroirs"; "Begin the Beguine" (Cole Porter); "Washington Grays" (C. S. Grafulla), and Pedersen's "Bosco Rosco" featuring the trombone section.

Today's concert will be the ninth and final program in a series of performances which included appearances at high schools in Andrews, Midland, Odessa, Big Spring, San Angelo, Arlington, Azle and Lewisville.

Public Notice NOTICE OF INTENT TO ENGAGE IN WEATHER MODIFICATION ACTIVITIES Notice is hereby given that Atmospherics Incorporated of 5652 East Dayton Avenue, Fresno, California, 93727, who holds License No. 2 of the State of Texas, intends to engage in a weather modification operation designed to increase rainfall and decrease hailfall, for and on behalf of Better Weather Incorporated, Littlefield, Texas, and will conduct such a program by means of aerial application of artificial nuclei as follows:

1. The area over, or within which, equipment may be operated, shall include portions of the counties of Deaf Smith, Randall, Parmer, Castro, Swisher, Bailey, Lamb, Hale, Cochran, Hockley, and Lubbock. 2. The target area, within which rainfall augmentation and hailfall suppression is intended to occur, can be described as follows: The boundary of the target area shall be a line beginning at a point of origin at Littlefield, Lamb County, Texas and running northwest along Highway 84 to its intersection with Road 37 near Amherst; thence due west on Road 37 to its intersection with Road 303; thence due north on Road 303 to Sudan; thence northwesterly on Highway 84 to its intersection with the western boundary of Lamb County; thence due north through Lazbuddie to Highway 86; thence easterly on Highway 86 to the western boundary of Castro County; thence due north along the western boundary of Castro County to the southern boundary of Deaf Smith County; thence due east along the southern boundary of Deaf Smith County and Randall County to a point approximately four miles west of Happy in Swisher County; thence due south along Road 1424 through Edmonson to its intersection with Highway 87 near Hale Center; thence southerly along Highway 87 to Abernathy; thence westerly along the southern boundary of Hale County to the southeast corner of Lamb County; thence four miles south along the eastern boundary of Hockley County; thence due west to Road 168 south of Anton; thence north-west to a point three miles east of Highway 385; thence north to a point on Highway 84; thence northwest along Highway 84 to the point of origin at Littlefield.

3. The equipment, materials and methods to be used in conducting an operation within this area of approximately 2,200 square miles, include a 5 cm radar system, cloud seeding aircraft, and the aerial application of silver iodide or other nuclei considered appropriate to the artificial nucleation of clouds or weather systems. 4. The person in charge of this program shall be Thomas J. Henderson, Atmospherics Incorporated, Fresno, California.

5. The program may be operational at various times throughout the period from 23 April 1975 through 30 October 1975. 6. Any person who feels they may be affected in some adverse way by this program may file a formal complaint to the Texas Water Development Board, P. O. Box 13087, Capitol Station, Austin, Texas, 78711.

Area Homeowners Warned Of Fraudulent Home Repairs

By DOROTHY POWELL, County Extension Agent Every homeowner is potential prey for the fraudulent home repairman, and with the approach of spring, more and more of these roving repairmen will be knocking on doors. The home improvement fraud is one of the most common consumer complaints. Itinerant workmen claim to be experts at everything—from resurfacing driveways and roofs, to putting up aluminum siding. Although tactics are varied, scarce techniques are common. For example, a "termite exterminator" may come to the door, asking to check the house for termites. He goes to work and disappears. Five minutes later he returns with a bottle of termites, supposedly caught while inspecting the house. Naturally the homeowner agrees to let him "spray" immediately at whatever price. However, the termites probably came from the inspection pocket. Failure to live up to contract is characteristic of these workmen. Also, some contractors may fail to conform to local building codes, and homeowner ends up paying anyway. Here are some pointers to remember: —If you hire a door-to-door repairman, ask for the name and address of his company. —Check this out with the Better Business Bureau. —Get bids from established contractors. —Know what the entire job will cost before signing a contract, including interest, service, charges, labor, and materials. —Have the starting and completion dates in writing. —Some door-to-door repairmen may be completely honest—but beware of the fraud.

Students, Senior Citizens Urged To File Tax Return

The Internal Revenue Service (IRS) today urged part time workers such as students and senior citizens who had tax withheld from their pay to file income tax returns whether they owe any taxes or not.

Many of these people, according to Walter Perry, administrative officer in charge of the Plainview IRS office, will miss out on refunds of money which is rightfully theirs if they do not file a return to claim their refund.

Perry said persons who are unsure of their tax status should check their Form W-2. If this statement of earnings shows that tax was withheld, they should file a tax return.

"All too often a person will discover that he or she did not earn enough during the year to be legally required to file," he said. "At that point they forget all about the money that was deducted from their paychecks every week. Although they've never seen it, this is still their money. All they need to do to retrieve it is file a return."

The tax official said persons who continually earn below the filing requirement can avoid having tax withheld from their pay by filing out a Form W-4E and giving it to their employer.

Workers who are entitled to refunds should file as soon as possible, Perry said, because as the April 15 filing deadline approaches, IRS service centers are swamped with returns, that help," Milner concluded.

slowing the refund process. Toll-free tax assistance is available to North Texas residents on the IRS' state-wide number, 800-492-4830.

Tejano Day Queen Named In Festivities Friday

Evelyn Bazan, daughter of Mr. and Mrs. Steven Bazan of Levelland, was named Queen of Tejano Day in ceremonies Friday night, Feb. 28, at South Plains College.

A total of 237 students from area high school registered for the day-long activities. Schools represented for Tejano Day were Abernathy, Anton, Brownfield, Cooper High School in Lubbock, Crosbyton, Lamesa, Levelland, Littlefield, Lockney, Lubbock High School, Meadow, Morton, Muleshoe, New Deal, Plains, Post, Ralls, Ropes, Seagraves, Slaton, Sundown, Whiteface and Whitharral.

Evelyn, 17, is a junior student at Levelland High School. She won a first-place trophy and a \$50 scholarship to SPC. She was sponsored by Mexican-Americans for Success of Levelland.

Runner-up in the Queen Contest and recipient of a \$25 scholarship to SPC was Linda Valdivia, 17, a senior student at Abernathy High School. Linda, the daughter of Mr. and Mrs. Antonio Valdivia of Abernathy, was sponsored by the Spanish Club at Abernathy High.

Trophies and scholarships to SPC were awarded to the winner and runner-up in the talent, oratory and Queen contests. Scholarships were awarded by Los Tejanos, Mexican-American service organization at SPC which sponsored Tejano Day festivities.

Jesse Reyes Jr. of Ralls took first place in both the oratory and talent contests, winning two \$50 scholarships to SPC for his efforts. Theme of the oratory contest was "Una Cultura Sin Fin," or "Culture Without End."

Jesse performed a flamenco number on the guitar in the talent contest. Jesse, son of Mr. and Mrs. Jesse Reyes Sr. of Ralls, was sponsored by the San Miguel Catholic Youth Organization of Ralls.

Norma Martinez received a \$25 scholarship for second place in the oratory contest. Norma, the daughter of Mr. and Mrs. Florence Martinez of Lamesa, was sponsored by the Lamesa High School Spanish Club.

Ruben Montelongo of Lubbock won second place in the talent competition. He sang and played a Spanish song on the guitar. Ruben was sponsored by Our Lady of Grace Catholic Church of Lubbock.

Lenin Juarez, attorney at law from Lubbock, spoke on "The Chicano Impact on West Texas" Friday afternoon as guest speaker during the general session. Juarez, a native of Kermit, received a bachelor of arts degree from Texas Tech University and a juris doctorate degree from the National Law Center, George Washington University, Washington, D. C.

He was introduced by Frank Gonzales, assistant professor of Spanish at SPC and sponsor of Los Tejanos.

Raul Perez of Plainview, president of Los Tejanos, served as master of ceremonies for the general session. Dr. Marvin Baker, president of SPC, gave the welcoming address and Glenn Pounds, director of financial aid at SPC, discussed financial aid services available at the College.

Music during the evening meal in Texan Hall was provided by a combo from Idalou, "Grupo Internacional."

Area Educators Schedule State TSTA Convention

The ninety-sixth annual convention of the Texas State Teachers Association will be held in Houston March 19 through 22, with some 10,000 members and guests expected to attend.

Registration will begin at 1:30 p.m. March 20, with the first General Session scheduled for 7:30 p.m. in the Arena, Astrohall. Carl T. Rowan, prize-winning nationally syndicated columnist and author, and former director of the U.S. Information Agency, as well as deputy assistant secretary of state, will address the con-

ference. School Bell Award recipients will also be introduced.

The second General Session will be held beginning at 9:30 Friday morning, March 21, at which time Lesley Stahl, Washington-Based reporter with CBS news, will address the convention.

Four sessions of the House of Delegates are scheduled: from 4 to 6:45 p.m. and 8 to 11 p.m. Friday, and from 9:30 a.m. to 12 noon, and 1:30 p.m. to adjournment on Saturday, March 22.

Industrial Survey Complete, Areas To Be Included

Area development plan expansion in the next 5 years.

The survey also revealed that 20 of the industries surveyed also plan to expand employment during the near future.

The survey covered general manufacturing, agri-related, and oil and gas related industries, with a total employee representation of almost 6,000. Of this number, about 4200 were production workers, 450 were management employees and the others worked in clerical or administrative jobs.

In discussing the survey, Milner said, "Some of the reasons that keep our industries from expanding are labor supply, reduced sales, resources, financing, lack of technical information and air pollution laws."

"Our area development department is dedicated to helping all the towns in our service area with new and existing industries. We feel the information gained in this survey will aid us in providing that help," Milner concluded.

The survey also revealed that 20 of the industries surveyed also plan to expand employment during the near future.

The survey covered general manufacturing, agri-related, and oil and gas related industries, with a total employee representation of almost 6,000. Of this number, about 4200 were production workers, 450 were management employees and the others worked in clerical or administrative jobs.

In discussing the survey, Milner said, "Some of the reasons that keep our industries from expanding are labor supply, reduced sales, resources, financing, lack of technical information and air pollution laws."

"Our area development department is dedicated to helping all the towns in our service area with new and existing industries. We feel the information gained in this survey will aid us in providing that help," Milner concluded.

Card Discusses Future Green Thumb Program

Texas Farmers Union Thumb Advisory Board special session recently discussed the future of the program.

President Ford had a bill providing \$12 earmarked for National programs for the elderly.

President Ford had a bill providing \$12 earmarked for National programs for the elderly.

on-going national program community service activities in rural Texas will cease at the end of the three months period.

This means community improvement and development projects will cease, that community service such as outreach to help the aged, shut-ins, and handicapped will stop. That help through teachers aides and library aides will end. Also, work on parks and recreational areas will be terminated.

The Advisory Board passed a resolution requesting that the appropriated funds be released and that Green Thumb be continued.

The Advisory Board urged that all interested persons write their Congressman.

Junior High Tennis Meet Starts Tuesday

Tennis matches are expected to get underway at 9:30 a.m. in Morton Tuesday for the District 3-AA Junior High Tennis Meet. Littlefield's boys' team includes Joe Ybarra, Ricky Henson, Rodney Hampton, Stevie Jackson, Mark Coffman, Brent Jones and Jimmy Clayton. Girls' team members are Karla McCanlies, Kammy Cary, Cindy Thrash, Dana Daniel, Wanda Williams, Kelli Hampton and Serianne Kirk.

SAFEGUARD HEARING
While hearing loss problems occur most frequently among the elderly, over 20 per cent of those afflicted with a serious hearing handicap experienced the onset of their hearing loss began prior to their 17th birthday. For this reason, they urge those of all ages to safeguard their hearing ability.

CLOSE OUT NOISE
Tight fitting interior doors in a home can help to localize noise to one or two rooms, permitting the rest of the house to be quieter.

PENNIE SEXTON, left, and Buddy Jungman were two of Littlefield's participants in last week's Wildcat Relays won by Olton with 114 points. Friona was second with 85 points

and Dimmitt had 84. Littlefield finished with 44 points ahead of Springlake-Earth, Farwell, Anton, Plains and Bovina. (Staff Photos)
