

VICKI COOK, RICHARD FOX GET TOP AWARDS

4-H Youngsters Honored

VICKI COOK AND RICHARD FOX Lamb County's 1970 4-H Gold Star Girl and Boy

Vicki Cook of Littlefield and Richard Fox of Earth were honored as Gold Star Girl and Boy for 1970 Saturday night during the Annual Lamb County 4-H Achievement Banquet at Littlefield High School Cafeteria.

Both Vicki and Richard have been in 4-H work eight years and have been active in their communities in various phases of community life.

Serving as master of ceremonies for the event was Kerry Wheeler of the Olton 4-H Club, and mistress of ceremonies was Debbie Fields of the Sudan 4-H Club.

Sandra Mills, of the Amherst 4-H Club, presented the welcome address, following the recitation of the motto and pledge, led by Aubrey Pitts of the Pleasant Valley 4-H.

Special speaker for the night was Raymond Akin of Plainview, who commended the youth of the county in their achievements, and recommended them to the public as tomorrow's leaders. He commented that "these are the youth who know where they're going."

Akin was introduced by Danny Cardwell of the Sudan 4-H Club, and Jerry Ogerly of the Littlefield 4-H Club introduced the guests.

Representatives from the various Lamb County 4-H Clubs presented their reports of the year's activities—each giving a rundown of events attended, projects completed and goals set for the future.

Lady Clare Phillips, county home demonstration agent, introduced the Gold Star Girl, and in introducing her, gave a history of her activities in 4-H.

She stated, "In presenting the Gold Star Award this year recognition goes to a girl who has been a 4-H member eight years. She has had special awards in clothing, electricity, junior leadership, home improvement, food-nutrition, livestock, gardening, entomology and dress revue."

"She has served her club as president, secretary, county delegate, reporter and chairman of council. She has been a leader for several project groups."

"She has made a total of 44 garments

and 28 articles of clothing. She has prepared 315 dishes and 92 meals. She has preserved 645 containers of food and presented a total of 11 demonstrations. She has attended leadership workshop and electric camp.

"She takes active part in school, church and community activities and is now attending South Plains College.

"She is Vicki Cook, the daughter of Mr. and Mrs. Fred Cook of Rt. 1, Littlefield. Vicki has a brother, Randy who is also a 4-H member."

Bobby Brunson, assistant county agricultural agent, introduced the Gold Star Boy.

"Lamb County's 1970 Gold Star Boy has been a 4-H Club member for the past eight years. He has carried projects in dog care, leadership, gardening, beef, swine, safety and electricity," Brunson began.

"He has served as vice-president, reporter, secretary of his club and was a member of the county council and a district council delegate.

"He has been active in school and other organizational activities in his community and attended 4-H electric camp and leadership lab.

"He is presently attending Texas Tech University."

"Lamb County's Gold Star Boy this year is Richard Fox, son of Mr. and Mrs. Jesse Fox of Star Rt. 1, Earth."

Other awards were presented by County

THE ALTAR SOCIETY of the Sacred Heart Parish will be serving their 38th annual dinner here Sunday. Seven of the members who cooked the first dinner will be present, and four of the original group, Edna Dolle, Edith Chandler, Laura Macha and Rose Foltyn are in charge of this year's dinner. The first meal was cooked on Mrs. Elizabeth Schlottman's (picture second from right) coal oil stove.

Sausage And Turkey, From '32 Until Now

Mrs. Rose Foltyn, Mrs. Laura Macha, Mrs. Edna Dolle and Mrs. Edith Chandler, members of the Littlefield Sacred Heart Altar Society, helped cook the first German sausage and turkey dinner in Littlefield in the fall of 1932.

Now, 38 years later, they are in charge of the annual dinner that will be served in the Littlefield Community Center Sunday.

The first dinner was cooked on Mrs. Elizabeth Schlottman's coal oil cook stove which was moved in from the Schlottman farm to the empty Lon Campbell Cafe on Phelps Ave.

The cafe, located in the building where McNally's Jewelry now is, had a half partition that separated it from Gilder's Barber Shop next door, and the women served about 100 men seated on wooden stools at the long counter.

The women remember that W. D. T. Storey was one of their first customers. Dressed like the ranchers around San Antonio and wearing a 10-gallon white hat and broad smile, the long-time Littlefield postmaster sat down, picked up his knife and fork, placed his fists on the counter and called out, "Bring it in, ladies. We're ready!"

'Demonstration' Set By Choirs

Youth of Littlefield Junior and Senior High Schools will change the pace here Monday night, Nov. 23, when they begin their pro-American "demonstration."

The "demonstration" will be presented in a patriotic musical program in the Junior High School Auditorium, beginning at 7:30 p. m., according to Mrs. Marsha Martin, choir director.

"A Tribute To America" is theme of the musical, which will survey the history of the U. S. in music. The audience will be participating in portions of the program when it "sings along" with the choir.

Girls in the high school choir will wear their new purple floorlength formals and the boys will be sporting their new black dinner jackets.

Student accompanists at the piano will be Gail Williams, Kathy Turner and Rita McKinney. Michael Williams will be featured on the guitar in some numbers.

Admission charge will be 75 cents for adults and 50 cents for children older than 12. Younger children will be admitted free.

FARM LABORER KILLED

Juan Tienda, 23-year-old farm laborer of Levelland, was killed about 5 p. m. Saturday when a farm tractor slipped off a jack and fell on him while he was attempting to change a flat rear tire.

The incident occurred about three miles southeast of Littlefield.

Funeral services were conducted Tuesday morning in Levelland, and burial was in the City of Levelland Cemetery.

Homecoming Set At Spade School

Everyone who has ever attended school at Spade, or who has ever lived in the Spade community, is invited to attend the Annual Spade Community Homecoming Saturday, Nov. 14, to renew old acquaintances, eat barbecue and see two basketball games between boys and girls of Spade versus boys and girls of McAdoo.

Since the first homecoming several years ago, the Spade Ex-Students Association and the senior classes have specialized in two things for the entertainment of the community—preparation and serving of the best food and present the best homecoming games.

Highlight of this year's homecoming will be the naming and crowning of a homecoming queen, which will have been chosen by the high school student body.

Registration will begin at 4 p. m. at the school and the seniors, their parents and sponsor will begin serving the barbecue at 5 p. m. To be included on the menu with the barbecue are brown beans, potato salad, homemade pie, bread, tea and coffee.

Price of tickets for the meal will be \$1.50 for adults and 75 cents for children through 12 years old. Profits will go to the senior class.

Ex-Students will conduct their business meeting at 6:15, prior to the games, which begin at 7 p. m. The Spade girls will begin the action, and the boys' game will follow.

The queen will be crowned during half-time of the boys' game, and prize will be given to the former student who travels the farthest distance to attend the event. Persons in the earliest graduating classes will be recognized.

Officers of the Ex-Students Association are: J. E. Long, president; Jim Parks, vice president; and Carole Faver, secretary-treasurer.

Members of the senior class are Bill Elliott, Raymond Sewell, Bonnie Thompson, Janice Reed, Christie Adams, Rudy Gonzales, Debbie Gregson, Sandy Holmes, Linda Hopper, Danny Johnson, Roy Thompson, Mickie Mills and Tommy McAmis.

MORTON VERSUS LITTLEFIELD

Friday 13th Football

Friday night is the 13th and a pair of district 3-AA ball clubs meet in a Friday night affair at Wildcat Stadium. Kick-off time comes at 7:30 p. m.

Friday, somebody's luck will have to change.

Both the Littlefield Wildcats and Morton Indians know that, unless it's a tie, one of them will be lucky enough to win.

Both teams are 0-6 in district play, and both will be trying to avoid the cellar. Morton is 2-7 on the year, thanks to victories over Class A Plains and Farwell early in the season.

From there it has been downhill. The latest loss was to Friona last Friday night, 25-13, a fairly similar score to the 13-0 blanking Friona handed Littlefield a few games back.

While Morton played Abernathy hard, 35-16, Littlefield lost to the same club, 47-14.

You could turn it around, though, and show that Littlefield pushed Floydada, 21-3, while the Indians were scalped 54-0 by the same team.

SO FRIDAY NIGHT'S game is rated a toss-up, with Littlefield hoping a homefield advantage works in the Wildcats' favor. It will be the final game of their careers for 14 Littlefield seniors.

They are Lynn Barton, Wendell Horn, Larry Purdy, Don Hemphill, Wayne Streety, Max Huber, Floyd Baldwin, Pat Boone, Buddy Witcher, Ben Jacobs, Calvin Kilby, Keith Sitton, Kim Hill and Bill Orr. All probably will be ready to play except

20 MERCHANTS GIVE TURKEYS

With Thanksgiving Day only two weeks away, it's time to be thinking turkey, and 20 Littlefield businesses are giving away a turkey in a drawing Monday, Nov. 23.

Registration for the 20 turkeys starts today, and everyone who registers at any of the participating merchants has a chance to win.

Stores giving away turkeys are Anthony's, Case Power & Equipment, Hill Rogers Furniture, Fair Department Store, Fields Cleaners & Men's Wear, Fount Food, Littlefield T. V. Service, Newton's Ladies' Apparel, Norma's, Pat's Record Center, Pennys, Perry's Laundry, Pioneer Super Market, Pratt's Jewelry, Renfro Bros. Grocery, Roberts Lumber, Roden Drug, Stacy Mason, Sprouse Heitz Variety, and Tasty Taco.

WILDCAT BAND

FRUIT CAKES

Band members will begin taking orders for fruit cakes Saturday. Each member will have a display cake and will be competing for the Texas Manor that has the reputation of being the best corn-fruit cake.

McGee said there will be 12 teams competing for the individual award in selling the largest number of cakes. Orders will be delivered before 7:30 p. m.

Three and five pound cakes will be \$4.35, \$6.15 and \$9.45 respectively. The cakes are attractively packaged in metal tins and McGee pointed out that they would make ideal holiday gifts.

Orders for the old British pound cake and the three pound cake contains one and one-half each of pecans, cherries and raisins. Those who are not contacted may place orders by calling the LHS band secretary. Proceeds will be applied toward a new spring band trip.

AWARDS AWARDED

400 View Coin Show

More than 400 persons toured the 20 exhibits and displays at the Third Annual Lamb County Coin Show at the Littlefield Community Center Sunday.

Annie Varnell of Rogers, N. M. won first place on her U. S. coins display of buffalo nickels and then took the best of show award at the show.

D. O. "Jop" Joplin of Levelland placed first with a display of Lincoln errors; E. L. Pitzer of Levelland won first in the foreign displays with a type set of Mexico; and Darla Sanderson of Littlefield won first place in the junior division with an exhibit of world crowns.

Winners for the gold pieces given away in a drawing at the conclusion of the all day Sunday show were John McNally of Littlefield who won the \$20 gold piece; Nilah Rodgers of Whitharral, winner of the \$10 gold coin; and B. M. Morrow, Sudan, \$5 gold piece winner.

Members of the Lamb County Coin Club said this was the best of their three annual shows. Sixteen dealers from as far away as San Antonio were present to give free appraisals, exchange and sell coins and currency.

The coin club meets in the Public Service Reddy Room the fourth Tuesday of each month. Larry Sanderson, president of the local group, said plans were already underway for next year's show. Anyone interested in collecting is invited to attend the meetings.

JOSE F. RAMIREZ of Littlefield and Juan Raymond Ramirez of Olton were injured in a two-vehicle collision Saturday night at the intersection of U.S. 84 Bypass and South Sunset. The pickup, driven by Francisco P. Espinosa of Littlefield, was traveling west on U.S. 84, when the 1963 Chevrolet, driven by Juan Ramirez of Olton, failed to stop at the stop sign while traveling southward on Sunset, and drove into the path of the pickup.

MEMBERS of the Third Annual Lamb County Coin Show display their prizes proudly Sunday. The Coin Show was held in the Community Center with more than 400 persons touring the exhibits. Annie Varnell, of Rogers, N. M. won first place in the U. S. division and took the best of show award. D. O. "Jop" Joplin, second from left, of Levelland won first in special division. E. L. Pitzer, left, of Levelland won first in foreign division; and Darla Sanderson of Littlefield, second from right, first in the junior division.

Scouts Plan Troop Rally

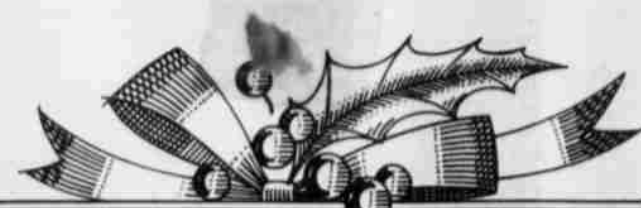

Roland Bell, Scout Master of Boy Scout Troop 641, announces that the Troop is having a Boy Scout Rally.

The date of the rally is Thursday night, Nov. 19, at 7:30 p. m. in the Scout Hut at the corner of sixth and Westside ave.

Boy Scouting is that part of the Scouting Movement especially designed for boys 11 years of age through high school. The purpose of the Scouting movement is to promote the ability of boys to do things for themselves and others, to train them in Scoutcraft, and to teach them patriotism, courage, self-reliance, and kindred virtues.

The Lions Club of Littlefield sponsors Boy Scout Troop 641 and would like very much to have your son become a part of the troop.

Experience shows that your interest and help will have much to do with the satisfaction that your son will gain from Scouting.

CERTIFIED SUBSTITUTE TEACHERS

Pay Raises Approved

Littlefield school trustees raised the daily rate of pay for certified substitute teachers during a short regular monthly board meeting Monday night.

These teachers will be paid \$15 per day in the future, instead of the \$12 per allowed all substitutes in the past. The state returns \$12 of the \$15 for certified substitutes to the local district.

six semester hours of college credit every five years.

The Southern Association of Secondary Schools, of which Littlefield is a member, makes this requirement of secondary teachers here, and the board felt the requirement should be the same for teachers and administrators at all levels.

In another item, the board authorized this year's purchase of two new school buses to be 36-passenger models, rather than 48's, as bought in the past. Several of the bus routes do not carry 48 at all times, and the purchase of smaller capacity

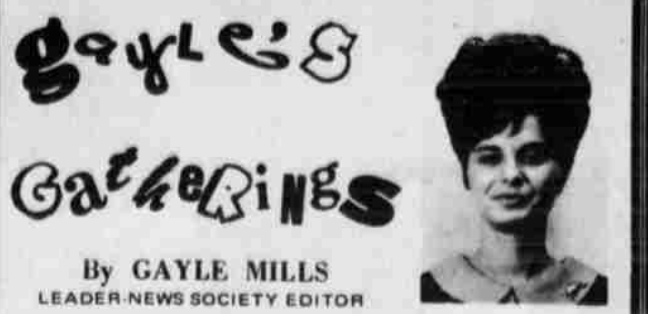

buses will net the district a savings of about 10 per cent.

Also approved by the board was a committee to select textbooks for next year. The group includes:

Paul I. Jones chairman; Tommy Brawley, James Settle, Forrest Martin, Beryle Harris, Jack Christian, Evelyn Blevins, Joan Williams, Georgia Sullivan, Virginia Chambers, Evelyn Holt, Madge Cannon, Kenneth Largent, Lucille Betts, Sam Burnett, Mary Lynn Kochanowsky, Dorothy Keeling, Robert McDonald, Irene Lynn, Leon Burch, Barbara Harlan, Nathan Wilson, David Nelson.

Substitute teachers without certification will continue to receive the \$12 daily rate.

In other activity, the board moved that all professional personnel (faculty and administration) be required to complete

HOLIDAY COOKING is always a chore, and so tiring, but it is well worth it when we are finished and put the final course of the meal on the table. Preparing what our family likes and serving it with a thankful heart makes the meal taste and look like a reward of blessings.

Most American cooks feel a necessity to display their skills

by serving a turkey dinner on Thanksgiving. However, most cooks will not take away from themselves and their families the tradition of Thanksgiving turkey by serving something other than turkey and all the trimmings.

As well as turkey and dressing being the basic theme for a Thanksgiving Day feast, sweet potatoes, yams, onions, squash, carrots, cauliflower, Brussels sprouts, turnips, rutabagas and many other autumn-like vegetables are high on top of the menu. We go all out for the baked pumpkin pies and homemade hot rolls too.

ALONG WITH the traditional Thanksgiving turkey and trimmings, plan a vegetable of "Baked Squash With Almonds."

BAKED SQUASH WITH ALMONDS

6 yellow squash, sliced
2 teaspoons sugar
1 cup slivered almonds
4 tablespoons of butter
1 egg, slightly beaten
1/4 cup dry toasted crumbs
1/4 cup buttered crumbs
Salt to taste
Cook squash in boiling salted water. Drain and mash and add sugar, salt. Saute almonds in butter. Combine egg with dry crumbs and add to almonds. Stir in squash and pour into a buttered casserole.

Top with buttered crumbs and bake at 300 degrees for 20-25 minutes. Serves 6.

WHY NOT TRY a delicious recipe of "Orange Cranberry Salad?"

ORANGE CRANBERRY SALAD
2 apples
1 quart raw cranberries
2 oranges, peeling and all nuts, if desired
2 cups sugar (or more to taste)

Grind all ingredients through food chopper. Add the sugar and let stand overnight in the refrigerator. Add a dash of salt before serving.

TIMESAVER TIPS

WHEN YOU top something with cheese, keep it from becoming tough or hard during baking by covering with buttered bread or cracker crumbs; or even add cheese just a few minutes before removing the dish from the oven.

DO YOUR cast-iron skillets ever rust? If so put a couple of paper towels between the skillets when you put them away. The paper towels will absorb moisture and prevent rust.

YOU CAN DO wonders for green beans, broccoli, spinach or Brussel sprouts by adding a combination of hot melted butter and fresh lemon juice, plus a generous pinch of nutmeg.

DID YOU know that baking dishes of glass bake faster than either aluminum or tin; therefore, if glass dishes are used for baking, oven temperature should be reduced 25 degrees.

BE PREPARED next time for a recipe that calls for crumbled bacon. Try making a whole pound of it at one time, put it into a container and freeze it. Next time a recipe calls for crumbled bacon you will have it already prepared. It is marvelous for deviled eggs, sandwich spreads, garnishes, on top of soups or even try crumbled bacon and chopped onions in mashed potatoes. It's great for a different taste in mashed potatoes.

DIRECTLY FROM the freezer! Leftover bread slices are easier to cube and grate for stuffing if they are frozen first and use directly from the freezer.

IF YOU plan on making stew, you don't have to thaw the meat first in order to brown it. Put the meat under the broiler for 10 to 15 minutes and stir occasionally. It will be nicely brown and you can continue with your soup making as usual.

MAKE YOUR macaroni, noodles or spaghetti yellow and rich-looking by adding a few drops of yellow food coloring to the water in which they are being boiled.

Kay Herring Is TOPS Queen

Kay Herring was named weekly queen of the Be-Little TOPS Club when 19 members met Tuesday night for their regular meeting.

She had lost 3 1/2 pounds. Her runner-up was Oleta Lott, with a loss of 2 1/2 pounds. Jimmie Hayes was recognized for having six weeks of consecutive losses, and total loss for the week by all the members was 15 pounds.

Secret pal gifts were exchanged and members practiced on a skit to be presented Thursday night.

Hazel Davis, chairman, presided for the session, and roll call was answered with the number of pounds lost or gained the past week.

A WOMAN'S VIEW

Banquet

By PEARL BRANDON

AT THIS WRITING all the members of the Littlefield Woman's Club are working very hard getting ready for the annual scholarship dinner which will be held Thursday evening, Nov. 12, in the Lamb County Community Center in Littlefield.

NOW THIS WEEK comes the hard work of providing and preparing the food for the two hundred people we hope to serve.

THIS YEAR we have an outstanding speaker, Dr. Curtis Ramey of Ft. Worth. This is the man who came last year for the V. F. W. All who heard him were very enthusiastic about him.

assistance in bringing him back to Littlefield.

THE SCHOLARSHIP given each year by the Woman's Club goes to some worthy high school girl.

WE ALSO CARRY on interesting study programs.

One of the nice things I like about belonging to the Woman's Club is the opportunity to associate with other women of the town besides our own church group, or our own circle of friends.

WE SURELY HOPE all of you that possible can will come to the dinner this evening and eat a delicious meal and hear a good speaker.

PAUL HARVEY All Quit!

AN EASTERN Airlines jet-DC-8-loaded with 106 passengers was flying at 14,000 feet over Ontario, Calif., when the engines quit.

I don't mean "an engine" quit; I mean all four engines.

THEN, as mysteriously as the engines had quit, they sprang back to life. The plane leveled off about 8,000 feet from the ground, landed safely.

Well sir, after that near-miss with disaster they took those engines apart.

ON THE OLD PROP jobs it's been known for more than one piston engine to ice up simultaneously, but jets don't ice up. And each is totally independent of the other.

But then, two weeks following the first multiple flameout, that same plane was loaded with 128 passengers headed for Mexico City. It landed safely. But no sooner was it on the ground-still on rollout--than all four engines quit again!

THAT'S WHEN Eastern Airlines called out the "ghost-hunters." Lets join their unprecedented search.

When all engines on Eastern's unpredictable jetliner quit a second time, they flew that plane back to Miami empty. There, airline officials, FAA investigators Douglas Aircraft technicians and Pratt and Whitney engineers converged. And all those brains and hands sought some explanation for why--with dual everything insuring the performance of each engine--

nonetheless all four engines had quit at once--and twice!

AND THEY FOUND no reason. By mid-August it had become real spooky. A giant jet which should have been earning \$100,000 a day was just sitting while mechanics dissected her innards and experts scratched their heads.

This became the deepest technical mystery in aviation's history.

Airplane number 778 was put back together and test flown hour after hour, in an attempt to reconstruct the conditions--or whatever--that had caused all four engines to quit. Weeks went by.

AND THEN ONE DAY during a test flight over the Atlantic and the Straits of Florida, the plane was in the hands of a three-man test crew with other experts, engineers and factory representatives observing, when the crew throttled the engines back to the lowest idle, sustaining 150 knots, approached the critical altitude of 14,000 feet.

Then, when the throttles were advanced--sudden--terrifying--silence. When the nose went, down, airspeed increased, the power returned.

TO TRANSLATE technical language as best I can from the reproduced circumstances, if you were driving your car on the highway and took your foot off the accelerator, letting it coast for a full minute, then jammed the accelerator to the floorboard, it would not take hold, might stall out. What happens to this particular jet engine is a little more complex, but that's the gist of it.

Now on that model they're turning on fuel pumps prior to descent and no more trouble.

Perhaps I've bored you with this little aviation shop talk. I keep forgetting; flying stories are not supposed to have a happy ending.

Fewer Rings Around The Collar

The official outlook of job opportunities over the next ten years for white and blue-collar workers has been given.

More rapid growth in white-collar occupations, slower growth in blue-collar occupations and faster than average growth among service and sales workers is the government prediction for the next decade.

According to the 1970-71 edition of the "Occupational Outlook Handbook" distributed by the U. S. Government Printing Office and reported in the October issue of the National Consumer Finance Association "Finance Facts" monthly newsletter, there will be a strong demand for computer operators, systems analysts, recreation workers, engineers, para-medical specialists, office machine operators, and business machine servicemen.

The expansion in white-collar opportunities reflects the continued expansion anticipated for the service producing industries. This involves the growing demand for people capable of performing research and applying scientific findings in industry.

It also includes increasing needs for educational and health services.

Although the number of blue-collar workers as a group will increase at a much slower rate in comparison to their white-collar brethren, the number of craftsmen will grow at about the same rate as total employment.

By 1980, professional and technical workers will increase by one-half. A high school education will be sufficient for 8 out of 10 jobs. Half or more of the total work force will be in white-collar jobs. 7 out of every 10 will be in service jobs.

We don't know what prophetic detergent the government is using but we hope the unemployment rings around the collars can be eliminated for everyone.

While Total Employment Will Go Up by One-fifth by 1980

Dimmitt Pharmacist Hurt In Wreck

A Dimmitt pharmacist apparently went to sleep at the wheel Thursday night and overturned his car near Springlake.

Sandy K. Parsons III, was traveling north on US 385 in a 1965 Volkswagen when he ran off the road on the right side and overturned one time, with the car landing on its wheels.

Parsons was admitted to Plains Memorial Hospital in Dimmitt with possible broken ribs and neck injuries.

Weldon Parson, highway patrolman, investigated the accident after it was reported Friday morning and estimated property damages of \$500.

Parson investigated another accident near Springlake Monday afternoon about 2 p.m. when a truck loaded with alfalfa cubes overturned at the west edge of town on U.S. 70.

Hubert Chisholm of Littlefield was driven east by Melvin Edwards of Sudan, when a right rear wheel came out. Edwards lost control and the truck overturned on its right side.

There were no personal injuries. Property damage was estimated at \$1,000.

Gilberto Vasquez of Olton was driving north on a country road north of about 7:30 p.m. Sunday when he parked tractor on the edge of the road.

The tractor, a 1961 Ferguson, was owned by Leo Smith, was on the opposite side of road headed south. Vasquez was driving when he saw the tractor skidded 75 feet before the left front car collided with the left front tractor, according to Highway Patrolman Bill Angel who investigated the accident.

Property damages of \$1,000 were estimated to the car.

HOMINY GRITS

By CORNBALL BLEVINS

I HAVE TO BE amused by all the hue and cry raised by some of our peers over the question of "Over Population."

Reminds me of the child that crawled into a barrel, looked around, and said: "My, but the world is small!"

I FAIL TO FEEL very much sympathy for the crowded millions in our well polluted, large cities.--If that's the kind of environment they like, and want to stay in, I just hope they're all happy together!"

'Bet'cha if you put one of those guys out in the middle of one of our 160-acre farms in the middle of the night, he'd be scared silly--Yep, and the silence would run him crazy.

WHY, THERE'S enough room between Tucuman, and Las Vegas, N. M. in which to put the whole cities of New York and Chicago, and enough wind to blow their smog all the way to the Missouri Valley!--(Don't tell them about Texas.)

Only thing is, as I recall, there's only TWO beer joints. (I wouldn't know about the dope pushers.) I'm sure this would cause a lot of inconvenience.--(Of course, they could drive into Texas and get their liquor by the drink.)

I WOULDN'T DOUBT BUT what the

Hopi Indians of Arizona would trade land with these people.--As the family and I drove across their reservation, some four year ago, I remarked as to how I couldn't see how the USA could afford to give the Indians this land.--(Sarcastically, of course.)

It would be ideal for a city. (I'm sure nothing but asphalt will grow there)--You wouldn't even have to dig down to put your building foundations on solid rock.--It's on TOP of the ground.--And, of course, the small rocks are in abundance. Plenty for everyone to have his own rock garden.

Then think of the possibilities of all those rocks for breaking store fronts and throwing at policemen!

COME TO THINK of it, they'd have the grand Canyon to dispose their garbage in. It would be a natural for the "Fill System". Probably large enough to last a couple of years, without any more excavation! (That is, if they'd flatten their beer cans before throwing them away!)

OH WELL, I guess we'd better just leave these people right where they are.--I like this country just the way it is, and, anyway, they'd get lost in all this space and the fresh air would probably kill them!

We wouldn't want that on our conscience, would we??

THE ABUNDANT LIFE

Life Control

By BOB WEAR

ALL POWER MUST be kept under control, and wisely directed in order to serve useful purposes. Out of control, power moves indiscriminately and destructively.

We know that water is useful when it is properly controlled, but we have seen the terrifying destruction of the uncontrolled force of flood waters.

We also know the untold damage done by wild fire, such as the recent massive forest fires.

THE PRINCIPLE of control is well-known, and highly respected by most people. There is only one area in which there is a perverse view toward the need for control.

A high percentage of human energy and power is out of control. The commendable concept of personal liberty is being abused to an unbelievable degree. The claim to personal liberty is being used as the excuse for out-of-control human action.

THERE MUST BE CONTROL, and there will be control, one way or another. When human beings refuse to control their actions, it is just a matter of time until some type of imposed control is applied. We must either control ourselves, or be controlled.

There must always be some willing submission to established control, or it is necessary that there be forced submission.

THE LESS we control ourselves, and the more we rebel against lawfully established controls; the sooner we will be ruled by external force. When enough people are out of control, a state of anarchy exists.

Of course, a state of anarchy is temporary; because it is self-destructing. This anarchy brings the imposed controls. The anarchy is gone, and so is human freedom.

"ANARCHY IS THE CHOKING, sweating, deadly, and killing of no rule; the consecration of cupidity and braying of folly and dim stupidity and baseness, in most of the affairs of men."--Carlyle.

To avoid this, and eventual authoritarian rule, we must keep ourselves under control.

EVERY GOOD THING known in the human experience is contingent upon man's willingness to exercise self-control; including submission to the controls which have been established for the common good.

Human power, like all other power, can be constructive or destructive. Under control, the power is constructive; but uncontrolled it is destructive.

WITHOUT SELF-CONTROL, there is little or no freedom. This means no right of choice in anything. There is a loss, or, at least, a massive curtailment of personal movement.

People cannot go where they wish; they cannot do what they would like to do; they are unable to make full plans for a profitable life experience, and cannot carry out the plans they do make.

WIDESPREAD EFFORTS must be made to help more and more persons understand that they are not giving up their inherent rights and privileges by accepting the principle of life control.

In fact, if this principle is not made a working one, personal rights and privileges will soon be dissipated by uncontrolled behavior.

REJECTING LIFE CONTROL is one of the most disastrous choices anybody can make, and it is usually the final free choice the person makes.

Life out of control ruins life.

SALARY HIKES APPROVED

County Canvasses Vote

Lamb County commissioners and the county judge met in a lengthy court session Monday and approved a salary hike for county officials and canvassed votes from the general election among a long list of activities.

The raises were set at \$300 per year for the tax assessor, county clerk, county treasurer, county attorney and district clerk.

A 15 per cent salary hike was given to the sheriff and the commissioners, and a \$600 per year increase was approved for the county judge.

A number of write-in votes were included in the official canvass.

W. G. Finney won the justice of peace precinct 1 post with 217 write-ins. Bill Thomas received one write-in.

Buck Ross got 807 write-ins for JP precinct 4; Ruth Kirby received seven write-ins; and Paul Jensen, Ross Lumsden, L. M. Burnett, and R. B. Hall had one write-in each.

Eight write-ins for 10 votes were cast for county judge, including Paul McCormick, 1; Ruth Kirby, 1; J. B. Davis, 1; Jack Peel, 2; Wilson Vaught, 1; Floyd

Seymore, 1; Charles Jones, 2; and H. L. Dennis, 1.

One write-in was cast for Peggy Poteet for district clerk; one for Mabel Bizzell for county treasurer; one vote each was written in for Mrs. Duane Gray, Susan Simpson and Virginia Moss for county clerk.

Pat Bradley and Son Qualls got one write-in each and Jack Christian, two write-ins, for county school superintendent.

O. J. Parrish got three write-ins and Zeph Robnett, one, for county commissioner, precinct 2; Robert Nichols was written in six times and C. C. Bowman, once, for county commissioner, precinct 4.

In state-wide races, Ralph Yarborough had three write-ins, John Zinger, 1; Billy Hall, 1; and Bill Braden, 1. For governor, Frank Ford and J. S. Stroud, one each. Tuffy Dent and Porter Houston had one each written in for state representative.

In other action, Al Kelley who received 18 write-in votes in the general election was appointed as JP for precinct 2 to fill the unexpired term of the late L. A. Glasscock. Commissioners also voted to

pay one-third of the November salary to Glasscock's widow.

Six county library board members were re-appointed and five new trustees were added. New terms were announced for Mrs. Weaver Barnett and Mrs. R. C. Williams, Sudan; Mrs. James Holland, Amherst; and Mrs. Horace Mitchell and Mrs. Hershail Randall of Littlefield.

Already on the board and re-named were Mrs. C. O. Stone, chairman; Mrs. A. B. Brown, Spade; Mrs. Allen White, Amherst; Mrs. Simon Hay, Sudan; Mrs. C. S. Silcott, Olton; and Mrs. Bonnie Haberer, Pleasant Valley.

An application for \$100,000 was made to the Federal Reserve Bank of Dallas for additional bonds for the county depository.

Other action taken by commissioners included approving expenses of \$1.25 an hour for election judges and officials hired for the general election.

Payment of monthly bills and monthly county receipts were approved, also.

SHOWN is one of the many persons who paused to view the four different divisions of coins on display at the Third Annual Lamb County Coin show held at the Community Center in Littlefield Sunday.

Murder Charge In Olton Case

A 20-year-old Hale Center man in the Lamb County jail on \$7,500 bond being charged with murder with a shooting death at Olton Saturday.

Paul Luevano turned himself in to sheriff's office at Plainview Saturday morning and Lamb County sheriff's officers, armed with a warrant for Luevano's arrest, brought the man to Littlefield and jailed him.

The shooting occurred outside skating rink at Olton when Luevano approached the car where 30-year-old Luyjo Valenzuela from Dumas, Texas, officers reported.

Luevano is accused of shooting seven and possibly eight times with an eight-shot .22 pistol. The man was arrested at Olton Community Hospital.

Lucio Urbano, who was in the car with Valenzuela when the shooting occurred was hit once in the hip with one bullet. He was treated at Olton and released.

The shooting was the extension of several years between the victim and the man charged with his murder, said.

Luevano's father made bond and the accused man was released.

 The Iowa Public Service Company
 announced: "One of the important reasons
 why your car's tires have treads with
 grooves is that they let water run through
 when you brake on wet pavement instead
 of pushing the water ahead of the tires.
 Without the grooves, the car would start to
 'hydroplane,' resulting in loss of driver
 control and car stability."

 Orr, who had been out nearly all year with
 an injury.
 Purdy, one of the top nose guards in the
 district, has missed a lot of action lately
 because of injury and sickness, but is
 expected back.
 Kilby, probably one of the district's best
 defensive linemen, is a senior in eligibility,
 although the 260-pound tackle is classed as
 a junior. The 10-semester rule will prevent
 his return to football next year.
 COACH Lyndon Gathright's starting
 line-up, offensively, will have Hill and
 Sittion, ends; Witcher and Scott McNeese,
 tackles; Brad Nace and Kenny Pratt,
 guards; Street at center; Alan Mackey or
 Jay Trammell at quarterback; Ralph Funk
 and Dennis Hartley at the halves, and
 Danny Estrada at fullback.
 The starting defense will include Lee
 Roy Danford and Funk at ends; Baldwin
 and Kilby, tackles; Allen Grisham at nose
 guard; Hemphill or Chuck Blevins and
 Matt Giles at linebackers; Hartley at
 rover; Barton and Sittion at the halves and
 Horn at safety.
 Morton's leaders, offensively, are a 145-
 pound speedster at halfback, Freshman
 Larry Thompson, and Junior QB Keith
 Embry.
 The leading defenders at Guard M. C.
 Collins, 210-pound senior guard, and Terry
 Harvey, 175-pound senior linebacker.

**Mrs. Robison
 Top Guesser**
 Minnie M. Robison and Leon Burch,
 Littlefield residents, and an Amherst
 Junior High student, Kelley Tooley, won
 the weekly prize money in the football
 contest this week.
 All three had 15 correct predictions each
 and tied for first place with two others,
 Brad Walden and T. P. Wingo Jr., with the
 prize money of \$5, \$3 and \$2 going to Mrs.
 Robison, Burch, and young Tooley who
 came closest in predicting the tie
 breakers.
 Burch's win moves him into a two-way
 second-place tie with Sue Bowman for the
 tickets to the Cotton Bowl game on Jan. 1.
 Mike Sadler, a Texas Tech student from
 Witharral, and Mrs. Sue Bowman of
 Amherst are tied for first place for the
 grand prize.
 The Abernathy win over Dimmitt,
 Turkey over Anton and Plainview's win
 over Coronado were the most often missed
 high school contests, and West Michigan
 over West Texas State was missed most
 often on the college games.
 Seventeen contestants tied for second
 place by naming the winners of 14 of the
 games, and 23 who entered this week
 predicted the outcome of 13 of the tilts.

**Crash Hurts
 Truck Driver**
 A 20-year-old Olton truck driver, Jerry
 Lee Creek, is in critical condition in the
 Intensive Care Unit of Lubbock's
 Methodist Hospital, suffering with severe
 burns he received Monday night in a
 flaming truck crash near Matador.
 A Department of Public Safety
 helicopter landed on 19th Street near
 Methodist Hospital with Creek about 2:30
 a.m. Tuesday, about three hours after
 Creek's produce truck overturned shortly
 before midnight, skidded 425 feet on its
 side and caught fire.
 A passenger in the truck, Dale Wayne
 Woods, 24, of Wichita Falls, is listed in
 serious condition in Methodist Hospital.
 Both were first treated at Motley
 General Hospital at Matador. Woods was
 transferred to Lubbock by ambulance.
 Lubbock police closed off 19th street for
 two blocks in each direction from
 Methodist Hospital, so the craft could set
 down as close to the entrance as possible.
 Highway Patrolman Neal Haroldson of
 Matador said the truck was demolished.
 Creek was on his way to Fort Worth with
 a load of potatoes for S&H Produce of
 Hart, and is employed by L. T. Davis of
 Olton.

Littlefield FTA Hosts District 17 Convention

About 400 Expected

Approximately 400 Future Teachers of America from 27 chapters are expected to converge on Littlefield High School Saturday as the Annual District 17 Convention gets underway.

Registration will begin at 9 a. m. and continue until 9:30, and refreshments will be served in the cafeteria.

Beryl Harris, principal, will deliver the welcome to the delegates.

Entertainment for the morning will be provided by the Littlefield High School Choir, under the direction of Mrs. Marsha Martin, and the morning's speaker will be Rev. R. B. Hall, pastor of the First Baptist Church.

The presiding officer for the event will be Jimmy Winkler, district president from Spur.

Workshops will be held on the subjects of scrapbooks, programs and projects, advisors, parliamentary procedures, drugs, Mr. FTA speeches and Miss FTA speeches.

Piano variety music by Charlotte Hinds, Mary Elizabeth Shotwell, Kelly Fain, Thriess Bingham and Margaret Fain will entertain the delegates at the luncheon held in the cafeteria.

The House of Delegates, consisting of five delegates from each chapter, will meet from 1 to 3:30 p. m. to elect district officers.

Littlefield is running Martha Brown as a candidate for State Representative.

Margaret Fain was elected State Representative last year, and went on to win the office of State Recording Secretary.

This year's officers are: Kelly Fain, president; Charlotte Hinds, vice-president; Marsha French, secretary-treasurer; Carol White, historian; Jo Reid, reporter; and Dena Reast, photographer.

Mrs. Lenton Smith is the advisor for the local group.

BERA HODGES, A. L. Massey and Emilio Abeyta pause for a moment before continuing with their work at LHS. The three are LHS's hard-working custodians.

Custodians Work Early And Late

By MARY DAVIDSON
Three men who do much for our school, but often behind the scenes, are our custodians, Mr. Al Massey, Mr. Emilio Abeyta, and Mr. Bera Hodges.

They put in more hours at the school than any student or teacher—they arrive at 5 a. m. to open LHS, prepare it for the school day, and often do not leave until 6 p. m.

Mr. Abeyta, Mr. Massey, and Mr. Hodges not only do the cleaning of LHS, but are "men of all trades."

They take home ill students, fix leaks, windows, doors, electric appliances and lights, open the school and gym for meeting, and take in money at JV games and basketball games.

Mr. Massey, has been with Littlefield Schools for 24 years, Mr. Abeyta seven years, and Mr. Hodges five years.

In the summer their job is a busy one. They prepare the schools for another year and train boys to help them in the work.

These men often go unnoticed, but if they were not

here, it would be evident. They have worked a great deal to make the complete school what it is today.

MYSTERY CAT

LAST WEEK'S Mystery Cat was Kerry Nicholas.

GUESS WHO this Mystery Cat is? She is blonde-haired Wildcat.

KELLY FAIN, president of the FTA, discusses the FTA District Convention, to be held at LHS Saturday, with Martha Brown, candidate for State Representative.

Lisa Volpe Named DE Sweetheart

Monday, Nov. 2, the Distributive Education Club elected Lisa Volpe as this year's DE Sweetheart.

Lisa, a brown-eyed, black haired, senior enjoys dragging Phelps and listening to "The Rare Earth." The color blue and pizza rate high with Lisa.

Although she is active in Kat Klub and holds an after school job, Lisa still finds time to spend with a certain blond-haired, blue-eyed boy.

Lisa served as VICA Sweetheart, Track Queen, and a

nominee for basketball queen her junior year.

She is also serving as FFA Sweetheart this year.

She is employed as a check-out girl at Gibson's Discount Store.

Time Out For Sports

State-ranked Floydada overcame the Wildcats but not after the Wildcats made the Whirlwinds work for it. Littlefield's offense did not pressure Floydada but defensively Littlefield held Floydada's ground attack to only 74 yards.

Their first score was their only offensive drive of the night. The Whirlwinds drove for 68 yards in the first quarter. Their second came on a screen pass just seconds before the half.

The Wildcats were really up the second half and only let the Whirlwinds have two first downs, a minus two yards rushing, and just 19 yards passing.

The third Whirlwind touchdown came from an interception. Kilby kicked the only Wildcat score from 40 yards out.

The statistics show that Floydada led in first downs by just 10-9, and in total offense by just 158-132.

Littlefield faces Morton for the last game of the season and hopes to overcome the previous losses of this year.

Business Club Discusses Plans

The Business Club met Nov. 3, at 6:30 in Room 18.

At this meeting a refreshment committee was appointed. Vickie Elliot is to bring punch, and Diane Collins and Miss Kraushar are to bring cookies.

Members decided to announce meetings over the school speaker during fourth period, in the business classes, and on notices on the bulletin board.

Several money-making projects were discussed. They included a car wash, a bake sale, a sale of certain items, and a garage sale. Money made from projects will be used by the club for an outing.

Members are considering purchasing individual business club pins or rings.

The next meeting was set for Thursday, Nov. 12.

LHS Speaks Out

By PAM BRANNON and JOAN TIMIAN

If you could become any cartoon character, which one would you choose and why?

Gary Thompson, (Sr.)—"Speedy Gonzales because he's always rushing around people and having his own kind of fun."
Mrs. Martin, (Choir)—"Olive Oil because she always gets rescued."

Gail Williams, (Jr.)—"I'd like to be the Pink Panther because he's so cool the way he just walks around and looks embarrassed."

Porfirio Cristan, (Jr.)—"Captain America would be the one I would choose. Because he stands for Freedom and Justice!"

Judy Curry, (Jr.)—"I would like to be Betty Flintstone. It would be so exciting to live in the Stone Age."

BECKY Kirby, (Sr.)—"I would like to be H. R. Puff 'n Stuff as a cartoon character because he has a cool bod and also a Cling and Clang."

Jim Graves, (Jr.)—"I would be Archie so I could mess around with Betty and Veronica."

Freeda Fudge, (Jr.)—"Bugs Bunny because he's happy all the time. And I like carrots."

Bill Orr, (Sr.)—"Dennis the Menace because he is a mean little boy just like me. I like to clown around with other people but never making them mad at me. Dennis the Menace is a neat little guy."

Jo Dee Fuller, (Soph.)—"I would like to be Top Cat. He was always trying to be a big shot. I'd like to live like he does, if I was a real cat. I loved all of his friends that stayed in the trash cans with him."

Mr. Gilstrap, (Gen. Bus.)—"The King in 'The Wizard of Id.' He has so many problems to solve."

Linda Clark, (Sr.)—"Porky Pig because he st-st-stutters."

Beverly Tiller, (Jr.)—"Precious because I laugh like him."

GOD'S PSYCHIATRY

A DEVOTIONAL

By WAYLAND HUTTO

"Big deal! So we have poverty, so we have crime, so we have racial problems, so we have wars—so what? These things don't bother me."

We are becoming tired of hearing about these problems. We would like to ignore them in hopes that they might just go away and leave us alone. Unfortunately, ignoring them would probably only cause more of them.

Our generation is faced with not only the worries of our own making, but also with those that have accumulated over the years of mankind's history.

If we are not careful, we will become very pessimistic and discouraged because of these disturbing circumstances.

Where can we find the answer? The Bible says that we are to love our neighbors as ourselves—that we are to be kindly affectioned one to another in brotherly love. We are our brothers' keepers. We are our brothers' keepers so to speak.

We must give ourselves to the task of teaching others what the Lord means to us for only He can answer these lasting problems.

To make this less difficult, one must always remember that when he submits himself to this work it must be a totally unselfish commitment founded in love or God will not honor it.

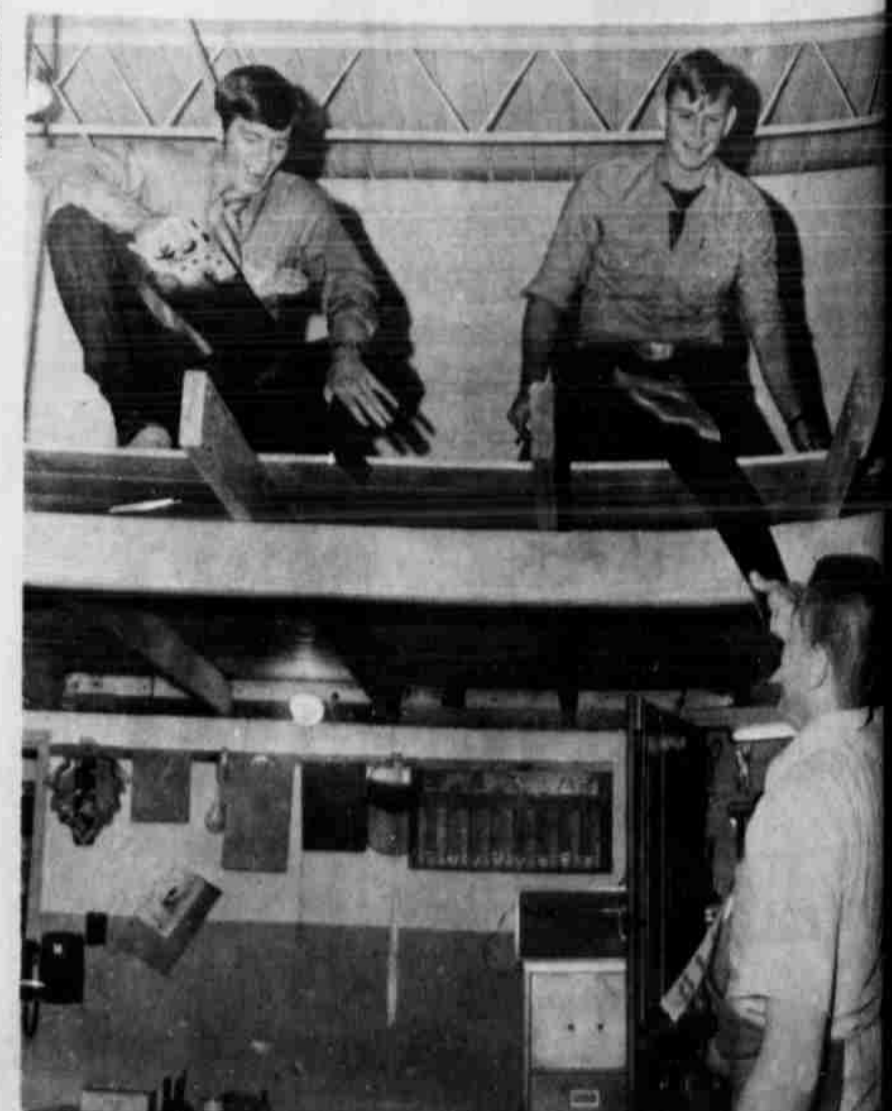

Remember also the source of the love the job requires—God. Don't count on the problems just going away, for if one does, he is threatened with being carried away by them.

one of those easily predictable in the area Friday night. All the area teams had games, but really determined a possible winner.

the Hornets held that distinction the Steers of Farwell in a "must" match of the squads. Of course only the teams can win and this time it was the "hungry" Hornets.

the district title, even more than that to play five more football games in the fifth week of the season. The Sudan game highlights the weekend schedule. In another situation, the Hornets will travel to face a team just as determined to loop crown-Kress' Kangaroos.

the scrappy defense fell down in the second half of the Farwell game leading by 10 points. The Steers followed to score twice in the final half before they stopped a drive at their own one-yard line.

stands just one notch place behind the Amarillo area Class A polls. Ranked fifth to Sudan's fourth place. Kress knocked down the Earth, 26-14, to claim the spot in the 3-A district tie.

the Hornets will have on Bo Lance in the seat. Lance will be choosing his targets from Randy Glover and Steve. The more stable running will be led by David Weaver, Steve Roger Boyles and Gregory Kangaroos will be behind the backing of Mike Motheral.

will be aiming at his backs, Steve Thomas and Harley Terrell. They look to the airways against the defense, because Sudan has little running room this year.

FACE in District 3-B is all over but Matador came in as a dark horse is now riding high without a loop. The Matadors hosted both Amherst and whipped them. The win

over Lazbuddie wasn't just an upset—it was a shocker.

Amherst and Lazbuddie are the only other teams near the crown and still it is out of reach. Lazbuddie will visit Amherst Friday and no matter which team wins, about the best they can expect is tie, with Matador getting the playoff rights.

Amherst sports a 3-4-1 season record while Lazbuddie holds a 7-1. Amherst last faced the Nazareth Swifts and won 42-6.

HAPPY, overjoyed from their first loop win of the year, will visit the Springlake-Earth Wolverines. Upset at dropping a eight-point halftime lead and the game to Kress, the Wolverines will be trying hard to win this final game.

The Wolverines will be quarterbacked by Hoyt Glasscock. Glasscock will have the option of hand off to Tony Barton, George Nance or Eddie Alair or he can pass to Carl Sulser, or Guy Davis.

OLTON this week will travel to Dimmitt to face the up-and-down Bobcats. Last week Dimmitt clawed the Abernathy squad, 20-6, to stop any chance of a three-way tie in District 3-AA.

Dimmitt will be led by Mark

Wohlgenuth in the quarterback slot. Wohlgenuth's chief aid in the backfield will be Daniel Frierson, a 147-pound junior back.

Olton notched a 49-24 win over Lockney last Friday with QB Steve Stockdale leading the way.

ANTON will travel to Nazareth to see if they can do the same to the Swifts as their counterpart the Amherst Bulldogs did. Anton is also riding high after decimating the Turks of Turkey, 41-8.

The running of Quinn Williams and the passing of Tommy Gilbert lead the Bulldogs. Gilbert led the team to a 711-yard total offense against Turkey, hitting 11 out of 13 passes complete for 251 yards, and four TD's. Williams gained 230 yards in rushing attempts.

Anton hold a 1-2 loop record and is not in contention for the crown. Nazareth is now 0-3 for the loop action.

BULA hold on to a 2-6 season record while Whitharral holds a 0-9. Both teams are severely undermanned and have both been hampered by injuries. Until Friday night though, the Bulldogs of Bula still had hopes for the loop crown. Bula faced Three-Way with a 1-1 district record and lost.

Whitharral faced Gutherie in a non-district tilt and was downed 62-36. The Panthers tried every trick in the book to rack up 504 yards offensively and get the lead, but the number two-ranked eight-man team on the Plains just outlasted them.

Both Bula and Whitharral are open this Friday.

Area Basketball Roundup

SPADE BEATS SUNDOWN

Spade's A and B girls hit the hardwood Tuesday night in games against teams from Sundown. The A girls walked away from the Sundown girls 70-56. The B team was put down in a closely contested game 32-27.

Linda Hopper of Spade was one of the top two high scorers of the game with 28 points. She trailed by two Gayla Little, who hit 13 field goals and four free tosses for 30 points for Sundown.

Linda Hopper hit on 11 goals and six charity shots for her 28 points. Christie Adams and Debbie Myers were the other Spade scorers. Christie had nine free shots and nine field goals for 27 points. Debbie had five of each for 15 points.

The scoring went:
Spade 23-13-19-15-70
Sundown 10-11-10-25-56

Bonnie Thompson was the outstanding defensive player for the Spade team. Spade's A team now stands at 8-0 for the season. They will host McAdoo Saturday night for the Spade homecoming games.

Sundown wasn't as merciful with the B girls as was their A squad. Sundown beat the Spade B girls 32-27. Kathy Woods of Sundown was the game high scorer with 20 points.

Gayla Freeman was the Spade high scorer with six buckets and three free tosses for 15 points. Karen Brubel had five goals for 10 points and Brenda Hopper had two free throws for two points.

The scoring went:
Spade 8-5-6-8-27
Sundown 8-6-4-14-32

Gayla Freeman was the outstanding offensive player and Jan Glazner was the star for the defensive playing. The B girls will travel to Petersburg Monday night for their next game. The B now stands at 0-2 for the season.

WHITHARRAL WINS 4th

Whitharral's A and B girls played Smyer Tuesday night and the A girls won their game. The varsity girls beat Smyer, 41-32, while the junior high girls lost, 24-16.

Rita Avery of the A team was the high scorer for Whitharral, but Connie Newsome of Smyer edged her out of the high-point honors of the game. Miss Newsome had 18 points.

The scorers for the Pantherettes were Rita Avery with eight goals and one free shot for 17 points, Christy Clevenger with two field goals and eight free throws for 12 points, Kathy Lynn Williams with five goals and one free toss for 11 points, and Linda Strickland with one free throw.

The scoring went:
Whitharral 14-6-14-7-41
Smyer 6-12-4-10-32

The Pantherettes A squad is now 4-0 for the season. They will travel to Bledsoe for a game at 9 p. m. Saturday night. The game will be Bledsoe's homecoming.

Donna Avery was the high scorer for the B, but was edged out by a Smyer girl with 12.

Donna had 10 points, Gloria Salinas had four, and Charlotte Pelfrey notched two. The B girls are now at 0-2 for the year. Both losses have been at the hands of the Smyer girls.

PEP SPLITS PAIR

Pep Junior High's boys and girls played Lubbock Christian Junior High in basketball and came away with one win and one loss. The girls beat the Lubbock Christian girls 20-10 while the boys fell 22-18.

The high scorer for the Pep girls was Pam Demel with 10 points. Her sister Vanessa Demel followed with six.

The Pep boys were led by Sidney Albus, and his brother Gary. The Albus brothers were high with seven and six points respectively.

OLTON FEMS WIN BY ONE

Olton travelled to Shallowater to take on the A girls of that city and came home with a squeaking 38-37 victory. Dona Sorley hit for a field goal as the buzzer sounded to give the Mustang girls the one-point win.

Rebecca Hodges, with 19 points, was the high-point scorer for the Olton squad, but was not the game's high scorer. Jody Hutton of Shallowater hit for 21 points.

Dona Sorley hit on three field shots and four free throws for 10 points and Connie Hall made four goals and one charity toss for nine points to wrap up the Olton scoring.

Kay Johnson was the outstanding defensive player for the Mustangs. The scoring went:
Olton 18-0-8-2-38
Shallowater 7-6-13-11-37
Olton's next ball game will be the A girls at Springlake-Earth on Tuesday.

Happiness Is . . .

Homework!?!?

Marl Louise Bennett

EVE IT OR NOT, homework is because it gives us good excuses for things.

can get out of cleaning up your room by telling your mother you homework to do, or you can talk on for hours at a time with the of not understanding your work!!! (It also helps your grades!) it's not so bad after all!!!

B. - The national sport in Spain is football, and in England it's cricket!

A. - Then I'd rather be in England!

B. - Why?

A. - Because it's easier to fight a

F. - What's your dog's name?

A. - Ginger

F. - Does Ginger bite?

A. - No, Ginger snaps!!!

COL PICTURES were made of everyone looked nice. (The didn't even crack!)

HE WAS an FHA meeting Tuesday. The best speaker was Mrs. Russell. The teacher of the retarded at the Heart Church. The topic was about teenage youth.

IT. - Do you realize that there are 100 million people over and over? One is and the other is "cool". "cool", "N."

A. - What two words are they,

er. - Can you tell us about the Bunker Hill?

A. - Will, it wasn't fought on the

NINTH GRADE chapter of the organized theatrical group met last morning. The officers were elected: Pres. - Maurice Gonzales, Sec. - Carol French, and secretary - Bill Owens.

WEEK an error was made. The band didn't march at the JV game. They did play at the ninth grade. The freshmen were defeated by the

LJH marching band only has three rehearsals until contest. They will go back the 17th to march at Jones. There they will be given a rating. Better be a 1!!!

riend. You remind me of an Easter

riend. - Why?

riend. - Well, you're dyed, painted, and boiled!

A. - A woman fell overboard from a Saturday, and a shark came over and her over and went away.

er. - You mean he didn't even touch

No. he was a man eating

Caller - I'm a salesman. Is your mother engaged?
Randy C. - Engaged! She's married!

People who cook with pride cook with GAS. Mrs. Cecil Burke does.

Some of the world's best cooks are found in the kitchens of America, and they give themselves every cooking advantage, like gas range cooking. Good cooks like Mrs. Burke and nine out of 10 professional chefs agree that precise temperature control makes the difference in good cooking, and with gas you get exactly that. Gas also gives immediate response and constant temperature, so important in oven cooking. So, give yourself every advantage and cook with gas. Remember, people who cook with pride cook with gas.

Here's one of Mrs. Burke's favorite recipes:

JEWEL CHEESE PUFFS
Mrs. Cecil Burke, 2426 Walnut, Amherst

- 2 cups sifted all-purpose flour
- 2 teaspoons baking powder
- 2 tablespoons sugar
- 1/4 teaspoon salt
- 1 cup butter
- 1 package (8-oz.) cream cheese
- 2 eggs, beaten

Preserves or jelly

Sift together dry ingredients. Beat butter and cream cheese until fluffy. Add beaten eggs and beat well. Blend into sifted dry ingredients. Add dough one hour. On lightly floured board roll dough 1/4 inch thick. Cut individual rounds with floured biscuit cutter. Make an impression in center of each round with thumb. Fill with preserves or jelly (about 1 teaspoon). Bake on an ungreased baking sheet in moderate oven (375 degrees) for 15 minutes or until delicately browned. Serve warm. Makes about 24.

Anton Scouts Slate Meeting

Vernon Stone, Cub Master of Cub Scout Pack 629, and Bill Goen Scout Master of Boy Scout Troop 629 of Anton have announced a joint Cub Scout and Boy Scout Rally.

The date for the community Scouting event is Tuesday, Nov. 17, at the Scout Hut at 7:30 p. m.

Cub Scouting is the program of the Boy Scouts of America for boys 8, 9, and 10 years of age. The activities are slanted toward the home and are built around the needs and interest of the boy.

Boy Scouting is that part of the Scouting Movement especially designed for boys 11 years of age through high school.

The purpose of the Boy Scout Movement is to promote the ability of boys to do things for

themselves and others, to train them in Scoutcraft, and to teach them patriotism, courage, self-reliance, and kindred virtues. Therefore, all boys from 8 years of age through high school and their parents are invited to attend this important Scouting event in Anton.

Theft Reported To Officers

City police are investigating a theft, reported by Sue Tiller.

She reported that a Dyna-Tronic tape deck had been stolen from her vehicle sometime between 11 p. m. Friday and 12:30 p. m. Saturday, while it was parked at the curb near Third and Phelps.

The vehicle had stalled and was left there overnight.
