

**LAST QUARTER SCORE MAKES IT 14-7**

**Olton Edges Inspired Cats**

WORKMAN, Olton's fine 190-pound fullback, slips across the Wildcat line for the winning score in the fourth quarter of the Mustangs' victory. Workman carried the ball 41 times for 330 yards during the game and he tallied both Olton touchdowns.

A rampaging 190-pound sophomore fullback led the Olton Mustangs to a come-from-behind victory over an inspired Littlefield Wildcat football team here Friday night, 14-7.

Keith Workman, the South Plains' leading scorer, bulled five yards for the winning score with 9:37 left as the Mustangs overcame a 7-6 Littlefield margin that stood through three quarters of the hard-fought contest.

Workman scored both Olton TD's in galloping 330 yards in 41 carries as the Wildcats shut down the vaunted Olton passing attack with a thunderous blitzing defense.

The Littlefield defense got the Wildcats their only touchdown of the night when red-dogging linebacker Matt Giles hit QB Steve Stockdale with such fury

the ball wobbled into the arms of Cornerback Ralph Funk.

Funk sped 55 yards with the interception return for the lone Wildcat score midway in the first quarter.

Stockdale, the area's premier passer, was held to his lowest production of the season as he connected on 5 of 14 passes for 52 yards, including a two-point conversion toss that followed the final score of the night.

It was Littlefield's intense pressure on the Olton quarterback that opened the way for Workman to make big gains on the draw play.

Time and again the Wildcats were bearing down so hard on Stockdale that they ran past Workman on the delay maneuver.

The big Olton fullback made

most of his yardage straight up the middle, usually on a draw or a similar delay.

Penalties played a large part in the contest witnessed by almost 3,000 fans--with probably as many here from

Olton as there were from Littlefield.

The bulk of the infractions went against Olton, which drew

11 for 102 yards. The Mustangs had a 70-yard TD run by Workman called back in the first period when an official spotted a clip.

Littlefield drew only three penalty flags for a total of 32 yards, but two cost the Cats in a crucial way.

A five-yarder nullified a seven-yard TD run by Funk just before the half when the score was 7-6.

With the score still at that juncture as the fourth quarter opened, an official ruled a Wildcat hit late on a third down play.

Instead of fourth and 10 at the Littlefield 24, Olton had a first down at the 12 and three runs by Workman gave the Mustangs the go-ahead tally.

It was a tremendous football game from the start, typical

of the Olton-Littlefield games of the past with fierce hitting on both sides. Tempers flared a couple of times, but for the most part it was plain hard-nosed football.

The hitting was so vicious in the first period that the pressured Stockdale saw two of his passes intercepted, and both Littlefield and Olton lost a fumble apiece.

After Olton recovered a Cat fumble at the Littlefield 38, Giles hit Stockdale on a second down pass attempt, and Funk intercepted.

Ralph turned on the speed for a 55-yard Wildcat score. Calvin Kilby kicked the extra and Littlefield led, 7-0, with six minutes left in the first quarter.

After the kick-off, Olton reached the Littlefield 47 before

**Early Freeze  
Plagues County**

Earliest freeze ever recorded by the United States Bureau of Meteorology, Oct. 7, leaving a blanket of sleet and snow flurries over the area.

That date goes back to 1894 when a light freeze fell on the same date. The last time a hard freeze hit the area was in 1901.

The temperatures failed to get into the mid-40's through the night, then plunged to the low 30's just before sunrise on Monday morning, where temperatures stayed below the 30's for two hours.

Although this freeze came later than the freeze that set

a 17-year record last Oct. 13, the 1970 area crops are much more mature, and the damage less severe.

While a good percentage of cotton over the area would have benefited from several weeks of warm weather, many farmers were applying defolliants and getting ready to start mechanical harvesters.

In areas where cotton was planted late, the premature freeze could cut lint production drastically. Cotton farmers north of the sandhills, especially those who replanted the first week in June, and farmers in the Hart Camp community who planted late following a hail, are hurt more by the early freeze than most others over the area.

The feed crop isn't expected to be hurt from the freeze unless wet weather and high winds follow and cause the crop to fall.

**County Sets Budget Hearing**

**First Hearing Is  
2 P.M. Monday**

The Lamb County commissioner's court has submitted the 1971 budget which is on file in the county clerk's office at the courthouse with two public budget hearings pending.

The entire budget will be considered in a public hearing set for 2 p.m. Monday, Oct. 12 in the county courtroom.

To operate county affairs, the estimated assessed valuation of Lamb County is \$42,000,000. This assessed valuation for 1970 is based on approximately 25 per cent of the true or market value of the property assessed. The tax levy for the 1971 budget is 95 cents on each \$100 of assessed valuation, the same levy in effect here since 1955.

Changes in the budget for next year include increases in salary schedules for most county employees and all elected officials varying from \$25 a month to a 15 per cent raise.

When salaries of officers are increased, a separate public hearing is required, and a hearing for this purpose will be held when commissioners convene in regular session the last day of the month.

Almost \$15,000 will be added to the officers' salary fund which is up from an estimated

\$205,242 this year to approximately \$223,214 for 1971.

These salary increases include 15 per cent for the commissioners and sheriff. Deputy hired in the sheriff's office was increased by 10 per cent.

Raises of \$600 went to the county judge, the county judge's secretary and the county librarian.

Raises of \$300 annually went to the tax assessor-collector, county clerk, county attorney and his stenographer, district clerk, deputy district clerk, county treasurer, county agent, stenographer of the extension service and county welfare worker.

Increases from \$150 to \$200 annually went to the veterans' service officer, county agent, assistant county agent and home demonstration agent.

In June commissioners voted an overall evaluation increase of 27 per cent to cover an \$81,280 needed in additional revenue brought on by an approximate 20 per cent increase in operating costs. The tax rate of 95 cents per \$100 assessed valuation was not changed.

Rather than budget to the hilt, commissioners said the reserve would be kept on hand pending any unforeseen difficulties arising before the courthouse bond is paid off three years from now.

The road and bridge fund is up from last year's estimated \$349,025 to \$388,715 for the coming year.

The general fund, which includes travel expenses, sheriff's department, office supplies, election expenses, library, welfare, courthouse maintenance contract and various itemized expenses is up from the estimated \$230,435 for 1970 to an estimated \$245,150 for 1971.

**Salvation Army  
Starts Drive**

The house-to-house maintenance fund drive for support of the Salvation Army's 1971 program will begin in Littlefield tomorrow.

According to Captain Daniel Hudson, the return-by-mail campaign for funds has netted the Army \$494.50 toward its \$3,000 goal.

FLORENCE DUNN, daytime dispatcher at the Littlefield police department, says busy spells come in spurts. She is at the recently installed teletype machine. During bad weather the department gets many calls asking for road conditions, and all the tapes concerning the weather are saved to keep people who are traveling advised of the latest developments.

**SNAKES, SKUNKS AND SPREES**

**Dispatcher's Day Can Be Dizzy**

By NILAH RODGERS  
Leader-News Staff Writer

If there is a python snake loose on Littlefield's streets, a skunk acting up under someone's house, or a fight or hair pulling spree going on, Florence Dunn, the day shift dispatcher for the Littlefield police department is usually the first person to know the latest goings-on.

"When someone called about a python snake loose on the sidewalk," Mrs. Dunn said, "I thought it was a hoax. But we got several more calls, and sure enough someone had a pet python that got out of the cellar where they kept it. The owner promised to keep him up."

"And we've had several calls about skunks under a house," she added. "Snakes, too."

"We've had a flea call. These

people said they had fleas in their house and they wanted the police to come and see where they were coming from."

One of Mrs. Dunn's duties as dispatcher is to log all calls pertaining to the police department or that may need to be referred to later, and some of the entries make more interesting reading than the items that make headlines in the newspaper.

Last year some girls living near Crescent Park thought they were being attacked by black birds swooping down on them while they were playing in their back yard and later while riding their bikes around the park. Police couldn't find any birds hitting the description and chalked the incident up to the recent showing

of Alfred Hitchcock's film, "The Birds."

Mrs. Dunn said most calls from children are kids just playing with the telephone. "Youngsters who call the police department when their parents are fighting usually won't give their name and address," the dispatcher said. "But most generally, calls come from adults," she added.

There are lots of calls about prowlers, too, but most of these turn out to be nothing more than a dog. But regardless of the caller or subject matter, Mrs. Dunn said a dispatcher needs to stay calm. "If you don't you can't get any information," she said. "You have to stay calm, and calm them down."

All of the calls for the various offices located in the City Hall come through the switch-

board in the police station, and Florence gets lots of chewings by irate water users on the days the water bills are received through the mail. In such cases she refers the caller to the water department.

Most city and rural wrecks are reported by calling the police department, too, and sometimes these are even funny. "One morning after a rain a woman had a wreck near Bainer Smith," Mrs. Dunn said. "She demanded to know why a slick when wet sign wasn't out there."

In addition to all the telephone calls, the dispatcher handles radio traffic, oversees six burglar alarms, keeps a record of dogs licensed in Littlefield, and logs the time, location and types of fires reported.

Names New  
Secretary**

Mrs. Connie Skarda is among new faces at the city hall and will be serving as secretary in the Chamber of Commerce office.

She began work in the office Thursday.

Mrs. Skarda, experienced in the clerical line of work, came with her husband and young son to Littlefield July 1 from Clovis, N. M.

Her husband, Lamar, is a state meat inspector and serves both Littlefield and Muleshoe as inspector for slaughterhouses.

Mrs. Skarda was born in Enid, Okla. and has resided in the state of New Mexico about 12 years.

She attended New Mexico State University at Las Cruces and has worked as secretary for the Lomas Del Ray Corp. in Las Cruces, a land development corporation; as a clerk for Wilbur-Ellis in Lubbock, feed lot consultants; a clerk for Beneficial Finance in Los Angeles, Calif.; and was employed by Dr. Dugan, a urologist in Las Cruces.

**Year-Olds  
Apply Now**

Robert Dunn, Lamb County assessor-collector, said he is accepting voter registration applications from 18, 19 and 20 year olds.

On Friday, two 18-year-olds and a 19-year-old applied.

Receipts are being issued for pending action by the court ruling whether Congress can grant the age limit change by a constitutional amendment.

**THE TALL LOVELY CANNAS**

The largest of these brilliant flowers grows as high as 10 feet, and even the smaller kinds are between 2½ and 4 feet tall.

Cannas grow very easily and have been widely cultivated as a garden plant in all parts of the United States. They need rich, warm soil and plenty of moisture. The big root must be dug at the end of the flowering season and stored for the winter.

It is so easy to have beautiful flowers in your home, or sent to a special friend—all that is necessary is to telephone us at 385-4461, we will send them on their way.

MRS. JOHNNIE KNOWLES

## Miss Ford Is Bride Of Johnnie Knowles

Miss Judith Ann Ford became the bride of Dr. Johnnie Lee Knowles in a candlelight ceremony, Saturday evening, Oct. 10, in the Crescent Park Church of Christ in Littlefield.

Bob Wear, minister, officiated for the reading of the vows.

Vows were pledged before an altar centered with a candle tree of pale tapers decorated with emerald foliage, flanked by two pedestal arrangements of pink gladiolus in Grecian urns, flanked by two candle trees with emerald foliage and English ivy.

Wedding music was presented by the chorus of the Crescent Park Church of Christ, and featured Alvis Jones as soloist. He sang the "Twelfth of Never" and "Whither Thou Goest". Traditional wedding marches were used.

The bride, given in marriage by her father, wore a Juliet gown of candlelight antique Spanish lace. The gown was designed with a fitted empire bodice and high wedding band neckline. The full bishop sleeves gathered to wide scalloped cuffs. Her softly gathered skirt was encircled at the hemline with natural scallops, and it swept to a mini train. She wore a matching lace mantilla veil that was caught in a Juliet capulet and drifted to chapel length. The bride's bouquet was made up of burgundy sweetheart roses, English ivy and a white orchid atop a white Bible.

Her bridal attire was "something new", for "something old" she carried her grandmothers wedding band, "something borrowed" was a pair of cameo earrings belonging to Mrs. Bob Wear. She wore the traditional blue garter and six pence minted in the year of her birth.

Honor attendant was Miss Jan Ford, sister of the bride. The brides other attendants were Mrs. Jim Ford, sister-in-law of the bride of Wolfe City, Miss Karin Cheek of Bedford, Miss Martha Naylor and Miss Kay Armistead both of Littlefield.

They were attired in cranberry floor-length gowns of crepe, featuring an empire waistline outlined in candy pink peau de soie. A long train was accented at the back by a Dior bow. The long full sleeves were caught with a band at the wrist with matching self ruffle. Headpieces were of candy pink peau de soie, made in a Dior bow. They carried tapering bouquets of pink gladiolus, centered with burgundy sweetheart roses and English ivy surrounding lighted votive cups.

Candlelighters were Misses Kelly and Margaret Fain. They were fashioned in dresses patterned like the other attendants. Flower girl was Jill Yarbrough, cousin of the bride. She wore a floor length dress of candy pink peau de soie. Mark Yarbrough was ring bearer.

Guests were seated by Denny Walker and Loren Langston of Lubbock. Dr. Steve Geist of Kingman, Kan. served as best man. Groomsmen were Ricky and Tommy Knowles of Lubbock, brothers of the groom, Mike Fowler of Lubbock and Jim Ford of Wolfe City, brother of the bride.

Miss Chere Kierce registered the guests at a table laid with a carpet length net cover over satin and featuring a large cluster of candy pink satin roses and lighted votive cups.

Following the ceremony a reception was held in the fellowship hall of the church.

The brides table was of white floor length wedding satin. The top of the table was covered in white french lace and formed drape type scallops over the skirt of the tablecloth. In each scallop was a large cluster of candy pink satin roses and long satin stems that hung to the floor. An arrangement of pale pink and burgundy sweetheart roses centered the table. A three tiered wedding cake on a mirrored tray was served with pink sherbet punch, pink and white mints, and mixed nuts. Crystal and silver appointments were used.

The groom's table was covered with an ivory linen cloth that featured a double ring chocolate cake and coffee. Silver appointments were used. A large pink memory candle centered the table.

Serving in the dining room were Mmes. Kim Hanlin, Roy Dale Pierce, Jimmy Butler, Tim Tapley, and Butch Brown, others assisting were Mmes. Allen Rhodes, Russell Blevins, Jack King, and R. B. Kirby.

Scot Yarbrough distributed rice bags from a wicker basket. The bride is the daughter of Mr. and Mrs. H.M. Ford of Littlefield and the granddaughter of Mr. and Mrs. M. M. Hodges. She is a graduate of Littlefield High School and attended Texas Tech.

Knowles is the son of Mr. and Mrs. Cloyce Knowles of Lubbock. He is a graduate of Lubbock High School, Texas Tech, and the University of Houston College of Optometry.

As the couple left for a trip to points in central Texas the new Mrs. Knowles wore a blue plaid suit with a matching blouse and bone accessories, and the orchid lifted from her bouquet.

The couple will be at home at 7920 Rockwood Lane in Austin, where the groom is practicing optometry.

MRS. JIMMY SMITH

## Charlotte Sawyer Weds Jimmy Smith

Miss Charlotte Sawyer and Jimmy Smith were united in marriage recently in the First Baptist Church of Earth.

Rev. David Hartman officiated for the reading of the double ring wedding vows.

Parents of the couple are Mr. and Mrs. Kenneth Sawyer of Earth and Mr. and Mrs. Curtis Smith, also of Earth.

Wedding music was presented by Mrs. Bob Belew, as she accompanied soloist, Mrs. Jimmy Craft, as she sang, "The Twelfth of Never" and "The Lord's Prayer."

Given in marriage by her father, the bride wore a formal gown of white satin, the bodice of lace over satin featured a scalloped neckline adorned with seed pearls. The long fitted sleeves ended at the wrist with cuffs of gathered lace. Her gown was fashioned with a straight skirt, trimmed with lace appliques and tiny seed pearls. The flowing train was attached at the waist and pleated to a U-yoke in back. Her two tiered chapel length veil of silk illusion fell from a circular headpiece, accented by beads. The bridal bouquet, carried atop a white Bible, was a white orchid surrounded by white carnations and enhanced by long streamers tied in love knots accented individually by miniature white mums.

Mrs. Jean Meador, served her sister as matron of honor. She was attired in a brown street length A-line dress fashioned with an empire waist and scalloped neckline. Bridesmaids were sisters of the groom, Mrs. Terry Parish and Mrs. Larry Parish. They were attired in identical street length tangerine dresses featuring brown bows.

Lisa Dutton, cousin of the bride from Las Cruces, N. M., served as flower girl. Nephew of the bride, Cary Sawyer, served as ringbearer.

Kenny Kendrick served the groom as best man. Darrell Sawyer, brother of the bride, and Johnny Collins were groomsmen. Serving as ushers were Gayle Sawyer, brother of the bride, and Terry Parish and Larry Parish, brothers-in-law of the groom.

The bride's mother was attired in an apricot knit dress and white accessories. Her corsage was a white orchid surrounded by tangerine lily-of-the-valley.

Following the ceremony a reception was held in the Fellowship Hall of the church.

Cake, nuts, mints and punch were served from crystal and silver appointments by Miss Linda Gregory, Mrs. Allen Doggett, Mrs. Dave Koontz and Mrs. Gayle Sawyer.

For a wedding trip to Ruidoso, N. M., the bride chose a three-piece orange knit suit trimmed in blue, to complement her attire, she wore blue accessories and an orchid corsage lifted from the bridal bouquet.

The bride, a 1968 graduate of Springlake-Earth High School, has attended Draughon's Business College in Amarillo. She has been employed by Southwestern Investment Company of Amarillo.

The groom received his diploma from Springlake-Earth High School in 1963. He has completed four years of service in the U. S. Air Force and is presently engaged in farming. The couple are now at home in the Dodd Community.

# DEAR EDITOR

What Our Readers Think

## Taxpayer Opportunity

Mr. Bill Turner  
Editor Lamb County Leader-News  
Littlefield, Texas 79339

Dear Bill,  
I would like to take this opportunity to emphasize the hearing on the proposed budget for 1971. The Commissioners' Court has set a public hearing on Monday, October 12, at 2 p.m. in the Commissioners' Courtroom at the courthouse. This is the time and place at which the Commissioners' Court decides how and where to spend the money which will be collected from the taxpayers of Lamb County. Each taxpayer has this opportunity to express his opinion on how his money should be spent.

One of the items proposed to be raised 15% is the maintenance contract. For those who may not know, this contract covers the janitor service in the courthouse. I personally am attempting to consider this raise as a way to enable the courthouse to be kept cleaner than it has been the last few years rather than a raise as a reward for NOT doing a needed job. Some of those who have taken off from their jobs to come serve on a jury or jury panel had to set on a dirty bench and look at dusty tables and old cigarette butts, then, sit in a jury box which has not been cleaned since the last jury occupied it might like to appear and express their feelings on this matter.

Proposed salaries for officials and employees will also be

considered at this meeting. Raises for officials must, by law, be considered separately at another meeting which will be held later. The proposed raises range from about 4% for some officials to 15% for others.

Some employees' salaries are not to be raised at all. Others are to receive token raises and a few substantial raises are proposed to bring some salaries up to more decent amount. For example, the deputy district clerk is paid \$250 per month for a 40-hour work week, with a proposed raise to \$275. She has the same hours, duties and responsibilities of a deputy county clerk or deputy tax assessor-collector who is paid \$350 to \$375 per month.

In my opinion this is unjust. The unfairness of this has been pointed out in a private meeting with the Commissioners' Court to no avail and with no reason being given for failure to provide equal pay for equal work and responsibility.

The taxpayers now have their opportunity to let the local governing body know how they want their money spent. Whether anyone will be interested enough to appear and whether opinions and ideas expressed at that time will be given any consideration by the four commissioners and county judge remains to be determined.

Yours very truly,  
Ray Lynn Britt  
District Clerk

## Our Small Hospitals

October 5, 1970

Dear Editor:  
I am writing this letter in regard to all the small hospitals in the area.

If the people care about their small hospitals in the rural areas, it is time for them to write or call their Representatives and Senators. As you may have read in the Lubbock paper, the state health department is asking for some things that are not possible and also are not feasible.

1. Registered professional nurses required on duty around the clock.
2. 20% autopsies of all deaths in the hospitals. This would be impossible unless it would be in a teaching hospital or where it would be necessary to find out the cause of death.
3. There must be a sprinkler system all over the hospital, whether the hospital is fire-proof or not. This requirement is possible, but would cost a considerable sum for most hospitals to carry out.

Small hospital cannot be closed if these requirements are not met, but they can lose their Medicare participation. It would be impossible for small hospitals to stay open without Medicare participation. It would also be impossible for many elderly people to go to the large hospitals in the large cities for medical care.

## 'Hearing It Like It Is'

September 29, 1970

Lamb County Leader-News  
313 W. 4th St.  
Littlefield, Texas

Dear Sir,  
Cornball Blevins (Hominy Grits, Sunday, September 27, 1970) may believe that he is "telling-it-like-it-is", and that from him, we, young or old, are now "hearing-it-like-it-is". If this is an example of "like-it-is", it is little wonder that hypocrisy is the focal point in youth arguments against the old generation and the system redundantly heralded as "the establishment."

Mr. Blevins finds long hair repulsive because it has become the trademark of the rebellious. "And rebellion is NOT GOOD." However, our great nation was born of

rebellion, and the state of Texas became a republic on the same battlefield. As to the length of hair, many of the leaders in American history wore their locks long and sported wigs.

Mr. Blevins notes that the youth of today are seeking an identity that is different from the preceding generation. This he deems good if the change is for the better. However, he then immediately says that youth is blind, and is playing into the hands of the enemy. "If these United States falls into the hands of the Commies, we'll learn what 'Restraint' really is!" It sounds amazing like the tactics of Joseph McCarthy with his "The only good Red is one that's dead."

The youth of this nation face a world which has the explosive tendencies of nitroglycerin, but the youth possess the tools to correct

## HOMINY GRITS

By CORNBALL BLEVINS

ONLY IN America can it happen! --When you think of all the "Screwy" things that go on in these United States, you wonder if this won't go down in history as the "Cockeyed" age!

A high state official boo-ed off the stage by a bunch of arrogant nincompoops! --Colleges taken over by the students --Open riots and destruction while the police are ordered to stay out of the way!

INDEED, the national Guard may, openly, be ordered to leave their rifles empty! (What other country orders its law enforcement officers to give the outlaws an even break?) Known offenders are allowed to go free simply by a technicality in court procedure.

The wife of the Attorney General can afford a double hinged tongue, and no one even offers a "Tch-Tch!!--The women have decided that they want "Liberty". (What in Tunkets' name, else do they have?)

THE HIGHEST PAID laborers in the world are on strike, and idle, because they are demanding higher pay!

And we argue about who is the most equal! (Everybody wants to be more equal than anyone else!) --Our Constitutional rights demands that everybody must love us! --We may solve this by instituting the 18-year old vote.

AN AVOWED ATHEIST (woman) starts (founds) a church! (Solely, I suppose, as a tax-dodge)--Indeed, many large churches are in big business, TAX-FREE!

We pay people NOT to produce, while millions are starving--Indeed, we're paying the way for the afore-mentioned strikers.--Where, oh, where else could THIS happen?

WE'RE RIDING the crest of the highest economy in the world, while we're using the cheapest dollars this nation has ever known!

We sport the highest educational level of any nation in the world, (with a few exceptions), and show the least knowledge of how to cope with our problems!

WE CAN PUT men on the moon, yet have trouble driving a car across a bridge!

We can transplant human hearts and yet be perfectly powerless in the face of the common cold! Surely, some day, we'll wake up and find all this to be just a dream???

### PAUL HARVEY

## A No-No Word

IT'S HARD to believe that just a few years ago we did not broadcast such words as "Cancer."

Even more recently the word "syphilis" was a no-no; nothing to be said aloud outside the confines of a professional medical symposium.

WE'D BETTER START talking about it. The American Social Health Assn. says "The increase in the rate of infectious syphilis in the United States is so dramatic that national emergency action is needed."

My dear widowed mother may have made many mistakes in rearing my sister and me, but she did one important thing very right:

She scared the gizzards out of us about venereal disease.

RECENT GENERATIONS have been taught differently. Mod-medicinal men insisted we must never relate fear with the sex act or we'd warp somebody's libido. Well, we're ending up with a lot of unwarped libidos and lame brains.

Infectious syphilis can blind, cause insanity and kill.

THIS YEAR the reported incidence of this disease nationally is 8.5% higher than a year ago and accelerating; one recent month it was up 27.3% over the same month a year ago.

In the state of New Jersey the increase was 55.3%.

AND I'VE BEEN giving you only the "reported" cases.

In Illinois, 70% of all venereal disease cases are treated by private doctors and only 4% to 16% of those are ever officially reported.

Syphilis, which could be eradicated completely with presently available medication within a period of one year, continues to rank as our nation's number two killer among communicable diseases.

AND THE OTHER word, "gonorrhhea"--a similarly curable and eradicable disease--remains our third most frequent infectious disease.

Only the common cold and the flu occur with more frequency. As is, the National Communicable Disease center in Atlanta estimates that only 15% of the cases of gonorrhoea are reported.

I AM FINDING it altogether as difficult to discuss these social diseases as you are to be reminded of them. Yet looking the other way is unnecessarily perpetuating and pyramiding the two venereal diseases which are already costing the lives of 1,000 Americans a month and infecting a reported 1.5 million this year!

And the longer we delay in eradicating these diseases the more resistant they become. Some of the bugs are already almost immune to antibiotics.

THE AMERICAN SOCIAL Health Assn. reports the most dramatic increase in social diseases has occurred in the last six months. The association's medical director, Dr. McKenzie-Pollock, blames the conspicuous increase on "indiscriminate sex."

And deriving from this, he says, "the gonorrhoea epidemic is already out of control."

WHILE CARRIERS are learning, in their own self-interest, to seek medical treatment and cure, I know only one home remedy for the yet unhooked: a double-dose of old-fashioned, parentally administered fear--that promiscuity can ruin your life. Because it sure can.

"But I'm not against Woman Liberation . . . you're free to go anytime!"

## Police Check Tape Theft, Investigate Eight Wrecks

City police have received one more report of theft in the city this past week, and have investigated several wrecks.

Chris Wallace of Spade reported that 13 new 8-track stereo tapes had been taken from a 1955 Ford pickup while it was parked at the Wildcat football stadium Friday night. She reported that the pickup was locked and that someone had broken out a window on the driver's side.

The tapes were taken from the glove compartment.

Police investigated eight wrecks from Sunday through Friday of the past week--three of which occurred on Dollar Day Monday.

Sunday morning, a 1955 Ford station wagon, driven by Tony James Johnson of Littlefield and a 1969 Chevrolet pickup, driven by Carl Wayne Davis of Littlefield, collided at the Deep Rock station.

The Johnson vehicle drove between the cafe and service station and around the building. Johnson didn't see the pickup because of falling rain and sun in his eyes, and the two collided at the corner.

The station wagon was damaged about \$100 on the headlight, left front fender and bumper, and the pickup received about \$200 in damages to the left back of the cab and left side of the bed.

Sunday night, Julia Wilson Johnson of Littlefield was driving a 1962 Oldsmobile north on Duggan, when she lost control of the auto and struck a utility pole about 60 feet from East Delano.

Approximately \$400 in dam-

ages resulted to the pole, two transformers and broken lines. Her automobile received about \$250 in damages to the bumper, hood, grill, both front fenders and windshield.

Monday morning, a 1965 Pontiac, driven by Michael Gregory Carter of Littlefield, and a 1961 Chevrolet, driven by Maria Vargas of Littlefield, collided in the intersection of East 14th and East Delano.

The Vargas vehicle was making a left turn onto East 14th at the intersection, when the Carter vehicle came from the East and the two collided.

That same morning, a 1966 Chevrolet wrecker, driven by Ralph Baragal Perez of Littlefield and a 1967 Dodge, driven by Ina Lora Aldridge of Littlefield, were both traveling south on Hall Avenue.

Perez was in the right lane and the Aldridge vehicle in the left lane attempting to go to Pierce Oil Station at the intersection of 4th Street when the wrecker struck the auto on the back right tail light and bumper.

The wrecker was damaged on the headlight, grill, bumper and guard on the left side.

Monday night, a 1960 Ford truck, driven by Manuel Gonzales Jr. of Littlefield, was traveling west on Delano, and when at the intersection of Hall Avenue, a 1969 Plymouth, driven by Paul P. Woolman of Lake Springs, Mo., pulled into his path.

Woolman had stopped at the stop sign, then proceeded to make a left turn onto Delano to travel west.

The auto received about \$300

in damages to the right fender, bumper and grill.

The truck received minor damages to the left bumper.

Tuesday afternoon, vehicles traveling south on Drive were involved in an

collision at East 6th. A 1968 Chevrolet, driven by Pauline Hawk Fulcher, had stopped at the intersection.

Another 1968 Chevrolet, driven by Edward Jay Sealey, had struck the first car from the rear.

Thursday afternoon, International, Littlefield, driver May Ashley of Littlefield traveling south on Hall Avenue from Delano when a Chevrolet, driven by Winters of Dime, left turn off Hall Avenue

at the intersection of the path of the International. Both vehicles received \$250 in damages.

Friday afternoon, a 1965 Plymouth, driven by Ellis of Littlefield and a Dodge, driven by Francis of Littlefield, were traveling west on 6th.

According to the traffic officer's report, Ellis Francis looked as if he didn't know if he had a national on.

The Plymouth was about \$200 to the bumper, fender, radiator, light, wheel and tire. Dodge had about \$150 in damages to the right fender and frame, slight scratch the back door, and front next to door.

### THE ABUNDANT LIFE

## Inferiority

By BOB WEAR

FEELING INFERIOR is probably the cause of more human unhappiness and ineffectiveness than any other life principle.

With some persons, the feeling begins early in life and is never discarded. Many other people pick this feeling up along the way.

All of us have some of this feeling, but we must not permit it to become dominant in our life view.

Work that is necessary is important. If we do it skillfully, we have good reason for pride and a deep satisfaction.

WE MUST STOP comparing ourselves with others. Most people who do this concentrate on one outstanding feature of others, and compare the whole of themselves with this one feature.

This is foolish. Then, there are some who compare themselves with only a few exceptionally gifted and unusually well-trained people.

LET US CHOOSE GOALS which are within our reach, not goals which belong to someone else.

We are not inferior just because we are unable to attain the goals someone else may have attained. We are different, but this difference is not to be considered as inferiority.

SELF IMPROVEMENT is perhaps the most effective way to overcome inferior feelings.

WE HAVE remarkable potential for self-betterment, and we can begin today the very rewarding and enriching work of developing this potential.

If we try, we can find the right things to read, and the right things to do.

DO NOT EXPECT too much in any part of the living experience, but fashion expectations according to reality and truth.

"The really happy people are those who do not expect too much from life, who have hobbies, reasonable ambition, and who recognize that it is human to have one's ups and downs."

WE MUST STOP feeling inferior, because it is a hurtful state of mind which dissipates our peace of mind and our personal effectiveness.

### A WOMAN'S VIEW

## Crowded Closets

By PEARL BRANDON

EVERY ONCE in a while I just have to go through my closets and straighten them out.

It isn't a job I like, so sometimes they are almost as bad as Fibber McGee's used to be. When I open the door everything falls out.

Closets are wonderful to store things in and forget about.

ONCE I HEARD a preacher say, "The Lord knows what you have hidden in your closets."

I thought to myself, I was glad it was the Lord that knew instead of that preacher. The Lord would understand how it came to be there.

I HEARD once about a circuit riding preacher who hid the family comb in the Bible where he was visiting. When he came back a month later it was still there, just like he left it.

I thought that was a kind of sneaky way to find out whether or not they were reading their Bible as

they should. In those days a new comb was hard to come by. Imagine how that housewife must have felt after dusting the Bible off and putting it in a prominent place before the preacher came.

WE CAN'T FOOL the Lord. He knows whether or not we read our Bibles, even if we do dust them off before the preacher comes.

We don't have secrets from the Lord. Maybe that is what Jesus meant when he said that is what is spoken in closets will be shouted from house tops. He also said,

"WHEN THOU PRAVEST, enter into thy closet, and when thou hast shut the door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly."

Maybe that is what the preacher meant by crowded closets. . . unless we clean them out we can't get in there to pray.

## Time To MOVE UP

It's Promotion Time... Sunday School Commencement time. Every youngster longs for this time of year. They have done well and must be promoted. They are moving ahead, making progress in the teachings of God. In that there is delight. Perhaps Promotion time should be just as important to adults as to the young. Maybe we should check our progress in Christian living. If we had to earn our yearly promotion where would we be? Are we going to church more? Have we increased our giving? Do we help more in various church programs? Do our lives reflect deeper religious beliefs? Would my pastor O.K. my promotion? Would my family give me a card? How about my relatives, friends and business associates? It is Promotion time and can we meet the challenge? Can we truly say it is Time for us To Move Up.

## MRS. W.J. PRITCHARD

Funeral services for Mrs. W. J. Pritchard 88, formerly of Anton and mother of Reese Pritchard of Anton were conducted Saturday afternoon at the Seventy-Eighth Street and University Avenue Church of Christ in Lubbock. Clark Johnson of Lubbock and Hubert Setliff of Plainview officiated. Burial was in the Anton Cemetery under the direction of Franklin-Bartley Funeral Home.

Mrs. Pritchard died about Thursday noon at her residence following a four-month illness. She had been a Lubbock resident for 10 years, and had resided in Anton 25 years prior to moving to Lubbock. She was a native of Montague.

She is survived by four sons, Vivan Pritchard of Plainview, Tom Pritchard of Hamlin, Reese Pritchard of Anton, and Wiley Pritchard of Lubbock; five daughters, Mrs. Bertha Evans of Lubbock, Mrs. Ola Maberry of Mineral Wells, Mrs. Dorothy Bevels of Farmington, N. M., Mrs. Naomi Simmons of Dumas, and Mrs. Ollie Daniel of Lubbock; a sister, Mrs. M. W. Huff of Lubbock; 35 grandchildren; 71 great-grandchildren and 21 great-great-grandchildren.

## GLEN BERNIE MORRISON

Services for Glen Bernie Morrison, 54, of Mrs. Faye Morrison of Springlake, were Saturday morning in the First Baptist Church of Quitaque.

Rev. Freddie Martin, pastor, and the Carl Oglesby, pastor of United Methodist Church officiated. Burial was in Resthaven Cemetery under the direction of Quitaque Funeral Home.

Morrison was found dead at his home miles southeast of Quitaque, Thursday. He had been a lifelong resident of Brisbane, Texas.

Justice of the Peace Gary Hunt of Springlake acting coroner, ruled the cause of death a heart attack. He said Morrison had been found about six to eight hours after he died at 9:30 a.m.

He was a member of Masonic Lodge 1248.

Survivors include his wife, Dottie Morrison, a son, Terry Don Morrison of the Springlake, Mrs. Glen Dale Baird of Springlake, three brothers, Travis Morrison of Springlake, Garrett Morrison of Plainview and Ray Morrison of Dallas; a sister, Mrs. Faye Morrison of Springlake; and two grandchildren.

## FRANK H. LOCKE

## Gayle's Bakeries

By GAYLE MILLS  
LEADER-NEWS SOCIETY EDITOR

IT'S TIME to be thinking about those holiday goodies you'll be making to send to servicemen overseas, with the deadline for regular parcels being Nov. 6, and air mail parcels Dec. 11.

No gift is more welcome than home-cooked treats from your own kitchen! Loved ones always seem to enjoy receiving holiday goodies, for they have such meaning to them, since they come from home and the cook adds her own personal touch and hard work to the gift.

Items such as fruitcakes, candies, cookies, relishes, preserves and breads can be shipped long distances if they are properly packed and wrapped.

Sturdy or moist goodies should be selected for shipping, as fragile sweets will crumble on a long distance journey overseas. Moist cakes, sturdy breads, bars, and other solid foods make the best travelers. Frostings on cookies and

If you like good religious-hymn music, listen to "Songs of Faith" program every Sunday morning on K-R A N, 1280 on your dial, Morton, Texas, Adv.

cakes should be avoided on foods mailed long distance, for they usually become dry and brittle and flake off.

Use sturdy containers! The use of heavy cardboard boxes reinforced with corrugated paper are convenient and satisfactory for most shipping.

Metal containers help to keep moisture in the treats and protect if the package should be dropped. It is necessary to seal containers airtight or the goodies are likely to spoil or dry out. Secureness insures their freshness. Remember to put layers of waxed paper between your candy.

To cushion the treats on their trip, use waxed paper, shredded paper, excelsior, or paper napkins. (Note: Don't use popcorn for overseas mailing since it absorbs odors and moisture and could cause illness if eaten.) Line the container well.

When mailing such things as cookies, wrap four to six per package and secure. Always pack the heavier ones on the bottom. Put a heavy cushion on the top and bottom of the container, then tightly secure with masking, plastic, adhesive or freezer tape.

The outer wrappings are important, too. Use a plain heavy paper and wrap and secure tightly with a sturdy tape and twine. It is best to print the mailing and return address directly on the package with permanent ink.

Cover the writing with transparent Scotch tape so that the name and address won't get smudged. Include a name and address label on package, and it is a good idea when using these labels to cover them securely with Scotch tape. So much of the time they will come off real easily when dried.

Food preserved in jars can also be shipped, but special packing care must be used. Ask your grocer to supply you with boxes that have cardboard sections that protect jars. Newspapers stuffed around jars also help prevent breakage.

Why not say "I Care" to our boys overseas and express your holiday greetings with some favorite recipes for goodies from your kitchen.

You might want to try this recipe for "Christmas Butter Fudge" for a starter.

#### CHRISTMAS BUTTER FUDGE

4 cups sugar  
2 cups milk  
1/2 cup butter  
1/4 teaspoon salt  
1 teaspoon vanilla  
1/4 cup finely-chopped candied cherries  
1/4 cup blanched pistachios  
Combine sugar, milk, butter and salt into a large saucepan. Bring slowly to a boiling point, stirring constantly until sugar is dissolved. Continue cooking over a moderate heat, stirring occasionally, until the candy forms a soft ball when dropped into cold water.

Remove from heat immediately; set pan in cold water. Do not stir or beat until cooled to lukewarm.

Add vanilla; beat until candy becomes thick and creamy and loses its shine. Add cherries and nuts; fold in quickly.

Pour candy into a buttered 8-inch square pan; let stand at room temperature until firm. Cut into squares; decorate with candied fruit, if desired. Yield: 2 1/2 pounds of fudge.

THE RECIPE FOR "Huck Finn Oatmeal Cookies" that was in the Sept. 27 issue of The Leader-News would be a good cookie recipe to include.

## Alma Anders Named Queen

Mrs. Alma Anders was named monthly queen and weekly queen of the Be-Little TOPS Club when it met Tuesday night for its regular session.

To gain the monthly queen title, Mrs. Anders had lost a total of 7 3/4 pounds, with 2 1/2 of those lost the past week-giving her the weekly queen title too.

Runner-up for the monthly queen title was Juanita White, who had lost 4 1/4 pounds. Runner-up for the weekly

queen title was Jimmie Hayes, with a loss of 2 1/4 pounds. Total loss by all members for the month was 28 pounds and total loss for the week was 13 1/2 pounds.

Hazel Davis, chairman, presided for the meeting and presented a report on the trip to Hereford to the A.R.D. day. Those attending the meeting besides herself were Vieda Gage and Audrey Long.

Secret pal gifts were exchanged, measurements were taken, and weights were recorded. Each of the 15 members answered roll call with the number of pounds lost or gained the past week.

## Whitharral

DONNA AVERY

THE SENIOR CLASS at Whitharral High School served dinner to members of the community last Sunday, one of the various fund raising projects that the seniors plan for the year.

THE BOY SCOUTS and the Cub Scouts had their weekly meeting Tuesday. The Boy Scouts made plans to enter the Scout-O-Rama in the Texas Dome of South Plains College on Nov. 14. Gary Hayes and Dale Crank were presented their certificates for earning the first class rank in Boy Scouts. Also Tenderfoot rating was earned by Eddie Chavez. The Cub Scouts enjoyed a program on magic. Den mothers for the group are Kay Herring and Sally Dukatnik.

THE PANTHER Band has been practicing this week and planning half time activities for the homecoming game. Homecoming will be on Oct. 30 and the opponent will be Cotton Center.

THE PANTHERS played at Sterling City this past week. The score was 36-0 in favor of Sterling City. Whitharral still had some players out because of injuries.

THE LIONS Club met Thursday night. The program was presented by a member of the Texas Wildlife Department. The Lions planned their annual broom sale for Saturday.

TRAVIS JOLLY, a resident of this community some 20 years ago, was killed in a car-train wreck at Amarillo this week. He stayed with his sister and her family, J. C. and Bernice Stanley while at Whitharral.

MRS. KAY McCORMACK, and two Whitharral freshman, Joli Grant and Terri Howard attended a three-day conference on drug abuse in Lubbock this week. The conference was held in the Lubbock-View Christian Church.

THE YOUNG FARMERS met Tuesday night. They decided on their club vest. Those attending were Glen Howe, president; F. J. Bryson, vice president; Omar Tripp, advisor; Danny Grant, Ernest Kristinek, Marion Polk, Loyd Hood, and Don Avery.

THE HOME Demonstration had a meeting at Levelland Thursday. It was a county fun due cooking at the First National Bank. The next meeting will be next Tuesday at Mrs. James Miron's.

RECENTLY, MRS. D. C. Thetford went to Galveston to a THDA convention. She attended with a number of ladies throughout the state. They went on a number of tours.

MR. AND MRS. D. C. Thetford visited their son Mr. and Mrs. Norman Thetford, Kathy, David, and Scott at Denver City. They went on to Alpine to visit Mr. and Mrs. C. E. Thetford and Matt. They saw the Ross vs Tarlington State game while they were there.

WHITHARRAL JUNIOR High played a game at Cotton Center. The Panthers lost, 22-6.

IF ANYONE would like to buy magazine subscriptions, please check with any Whitharral Band member. They are trying to reach a goal of \$50.

MRS. D. C. THETFORD attended the Home Demonstration council at Levelland in the Reddy Room. She attended TOPS at Levelland Thursday night.

homecoming crowd a thrill a minute for the first three quarters of the Bulldogs game against New Home before falling, 43-30, Friday night. Bulldog Danny Spradley gave the homecoming crowd one of its biggest lifts when he ran a second quarter kick-off 94 yards for an Anton TD. The only threat in the first quarter was made by the Bulldogs as they played to New Home's one-foot line and were held at that point by the stubborn Leopard defence. The opening of the second quarter revealed a two-point safety for New Home. This occurred on a bad pass on an Anton punt attempt that ended in the end zone. Brent Couch booted the free kick from the 20 and a Bulldog charged downfield and covered the ball on the New Home 39. Anton took over the ball from this point and worked their way to the 14. Quinn Williams took the hand off and plowed over for an Anton TD. The Bulldogs took the lead, 6-2, with 6:56 left in the half. New Home received an Anton fumble on the Bulldog 34 and worked to the 12 before Jimmy Fillingim charged 12 yards for a Leopard six pointer. The conversion failed. New Home again took the lead, 8-6, with 3:58 left in the half. Ricky Maloney kicked deep in Anton territory where the ball was fumbled by Anton and recovered by the Leopards on the Bulldog 34. A 23-yard pass play from Fillingim to Maloney netted another TD for New Home. The boot for the extra was good, and the visitors led, 15-6, with 2:58 remaining in the half. # Hornets Sting Vega

By GARY BRYSON  
Leader-News Sports Writer

It was a looked like pretty rough night for the Sudan Hornets Friday when the Longhorns from Vega came calling, with a perfect 4-0 record, looking to make the coaches preseason picks for a Vega district championship correct.

Sudan just wasn't on the believing end of this, as they sent the 'Horns home with their tails tucked between their legs. The Hornets pulled out the upset victory by 28-14.

David Weaver, senior running back for the Hornets, pounded the Longhorn line for 135 yards and two touchdowns. Besides his great scrambling, Weaver showed that he could kick, too, by making four out of four extra-point kicks.

The Steers struck in the initial period when Dickie Robinson carried from the two to score. The Longhorns had taken a Hornet punt, after just four downs, and began their march. With the ball at the Vega 48-yard line, it took only 12 plays for the Steers to go over. In the drive Vega picked up 52 yards and four first downs. Kenny Donathan of the Longhorns attempted the kick for the extra, but he missed. The Steers were ahead with 5:32 on the clock, 6-0.

Vega was forced to punt in the closing seconds of the first period, and the Hornets drove 60 yards in their first three downs. Weaver got the final 20 steps and a touchdown, then kicked the extra. With 10:29 left in the half the Hornets had pushed ahead, 7-6.

The Hornets were not finished though. A tough defensive unit allowed the Steers only nine yards after the kickoff and Vega had to punt the ball away. Donathan, the Vega punter, put his toe into this kick and with a big Vega bounce, it traveled 65 yards.

This would not stop Weaver, however, he stooped low to gather up the ball and then

sprinted 52 yards toward the Vega end zone. One more block and he would have gone all the way. This run let the Hornets set up shop on the Vega 38-yard line. Again it took the Hornets only eight plays with three firsts to make the score. This time it was Bo Lance who carried the ball across on the quarterback keeper. Weaver again kicked a good one, giving Sudan a 14-6 lead with 5:31 left in the half. Vega, though, was determined not to be finished off by the Hornet offense. The Steers took the initiative and marched 62

yards in 11 plays before Ronnie Fangman stole across from the two to make the score, 14-12. Longhorn quarterback Bronc May elected to keep the ball on the extra point attempt and crossed the goal line with 0:55 left to play, knotting the score 14-14 at the end of the first half.

The third period was the breaking point for the Steers. They controlled the ball more of the time but could move it but 58 yards. The Hornets could do little spectacular in the third period, either. In the 14 plays they controlled the ball they picked up 94 yards.

The fourth quarter saw the Hornets out sparkled the Steers in every way.

Sudan took a punt on its own 42-yard line. The first play netted eight yards, plus a 15-yard penalty against the Steers. This set up the first and ten at the Horns' 35. Weaver was given the handoff and he didn't stop.

With 9:11 on the clock in the game the Hornets surged ahead, 20-14. Weaver then kicked his third extra-point attempt to give Sudan 21 points. Vega was now hurting for a score. The Steers took the kickoff and marched 18 yards from their own 22. A fourth and five situation came up while on their own 40 yard line. The coaches elected to go for the first, but that try failed to pick up even a yard. The Hornets were now knocking again from the Vega end of the field. Twelve plays took the Hornets down within the Vega seven. A penalty against the Hornets cost them the first down and another TD. Vega then tried to pass and three attempts failed. The Steers had just under a minute to make a score that could still possibly give them the ball game.

On fourth down, the Vega team lined up in punt formation, and they had just 0:31 seconds to score. It was a fake, but the punter missed the snap and went back to his three to pick it up and try for the bomb, but was deluged by about seven of the Hornet defenders.

The Hornets were now knocking again from the Vega three. With 0:06 showing, the Hornet quarterback tried the sneak, but was repelled. With three seconds left in the game He again tried on the keeper and this time it was good. With 0:00 left on the clock Weaver kicked his fourth extra point and the Hornets had their 28-14 upset victory over previously unbeaten Vega.

Sudan, losing to Springlake-Earth last week, is 1-1 in district play.

Stockdale's field goal attempt from the 13 was only slightly wide to the right.

The Wildcats got a break with 5:30 left in the third period when Giles' punt touched an Olton player and Center Wayne Streety recovered for the Cats at the Mustang 40.

The Cats drove to the Olton 18, but the Mustangs came up with a big third down play when Curt Gregory nailed Hartley for a two-yard loss.

Trammell's fourth down pass to Lee Roy Danford was good to the Mustang 15, but short of a first down.

With a minute left in the third quarter the Mustangs started a drive that resulted in the winning touchdown at 9:57 of the fourth period. Workman carried for 25, 2, 23 and 3 yards, but on a third down try, Hartley nailed him for a four-yard loss at the Littlefield 24.

Wildcat Jerry Kemp was in on the play, as on a lot of others, but an official ruled he hit too late.

The infraction moved the ball to a first down at the Cat 12, and Workman got a five-yard TD on third down.

Stockdale's pass to Rey worked for the extras and Olton led, 14-7, with 9:57 left in the game. The teams exchanged punts, but Olton got the better of it with eight minutes left in the game.

The Mustangs got the ball at the Littlefield 39, after officials ruled it touched punt receiver Wendell Horn. Olton's Collin Johnson fell on the free ball, and the Mustangs controlled both the ball and the clock for three minutes.

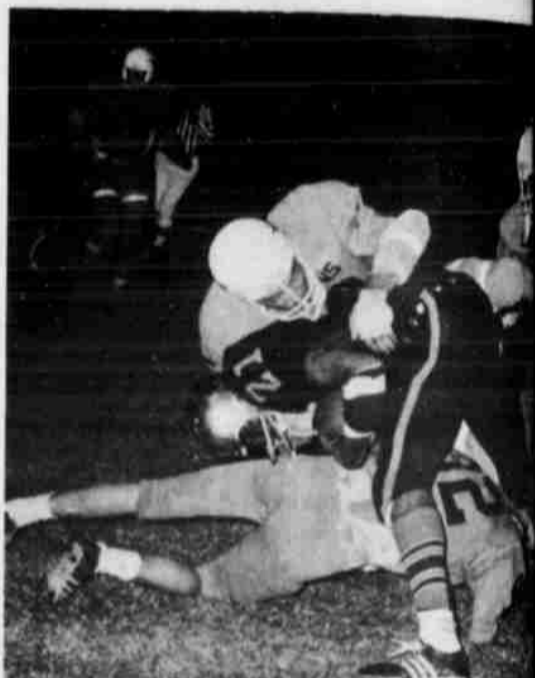

The Mustangs drove to the Littlefield three, despite a 15-yard penalty, but the Wildcats stopped Workman on a fourth-and-one try.

Littlefield moved out to the 21, where a fourth-down fake punt caught Giles three yards short of a first. With 1:30 left, Olton sent the Workin' Workman down to the Cat 1-yard line, but had it paced back to the 20 on another 15-yarder. The Mustangs then just ran out the clock.

Defensive standouts in the game were: Littlefield—Hartley, Kemp, Giles, McCary, Purdy, Kenny Pratt and Leonard Huey. Olton—Gale Long, Johnny Arroyas, and Jim Key.

GREGORY McNABB, of Sudan is stopped by a trio of Vega defensive men, early in the first quarter.

HORNET RUNNING back David Weaver picks crucial first down for Sudan on the second play of the second period. Two plays later Weaver is away for a 20-yard score, Sudan's first.

## JV, 9th Score Over Abernathy

Both the Littlefield Junior Varsity and the Littlefield Ninth Grade football teams met with victory in games against Abernathy Thursday. The JV beat the Abernathy JV by 6-0. The 9th grade whipped the Abernathy 9th by 12-5.

The Littlefield JV led all Abernathy JV in most all

of the statistics as well. Thefield racked up 132 rushing and 11 first downs they completed five of 11 for a total of 69 yards. The Little Cats put 221 yards. The Abernathy rushed for only 44 yards on four out of 10 plays.

Randy Trotter scored the field's sole TD. Trotter from the one-yard line score.

Outstanding for the defense were Bill Hamblin, Davila, Joe Cristan, and Johnson. Standouts on the offensive squad were Lenearl Lewis, Ricky Smith, and Charles Smith.

The 9th Grade trounced Abernathy 9th more so. The Cats picked up 132 yards with 155 yards rushing and also picked up five out of seven completions. The Abernathy 9th picked a total of 51 yards, all in runs.

Terry Bryson carried scores across on runs of 21 and 21 yards. Both point attempts failed. The main reason behind Abernathy's loss was offensive mistakes. The Cats got on 11 fumbles of the nathy team, while only three.

Kenny Owens, Bryson, Kelly Pratt, and Chris Lufkin were the defensive stars, and Luis Villareal was also outstanding on the defense in what the coach called "good team effort."

Springlake-Earth traveled to Bovina Friday night only to return with a 21-7 defeat. The game was the second conference tilt for the Wolverines and they now hold a 1-1 record in loop action.

The first Bovina score came from Roy Ramirez on a two-yard scamper in the first period. Jim Harris kicked for the extra point.

The Wolverines came right back, in the second period, to knot the score, 7-7, on a three-yarder by Eddie Alair. Hoyt Glascock kicked the extra point. The half ended with a 7-7 deadlock.

Mike Beauchamp of the Mustangs took the second half opening kickoff on his own eight and scampered 92 yards for the Bovina TD. Harris then kicked another extra point to give the Ponies a 14-7 lead.

Beauchamp, again in the third quarter, carried the ball across from the Wolverine one-yard line for another Mustang score. Harris kicked his third extra-point of the night for the final score of the game.

## WILDCATS

Continued from page 1

the Charging Wildcat Linemen batted away a pass. Funk was right on the spot again, intercepting at midfield and returning to the Olton 39.

Two plays later, the Wildcats fumbled and Olton recovered at the Mustang 33. Olton came roaring back to the Littlefield 25, on a Workman draw for 22 yards and a 25-yard pass from Stockdale to Rey. HB Lynn Barton broke up a pass on first down, Nose Guard Larry Purdy nailed Workman for a 6-yard loss, and HB Porfirio Cristan barely batted away what would have been a fourth-down touchdown pass to End Alonzo Springer.

On the final play of the first period, QB Jay Trammell's long pass intended for End Jerry McCary was intercepted by Luis Rey at the Littlefield 48.

Olton scored six plays later, five of six carries by Workman, the last for 10 yards. When the pass from center went astray on the extra point try, the Wildcats still led, 7-6, with 9:37 left in the half.

Littlefield next drove to the Olton 22, where the Mustang defense stiffened.

But the Wildcats had another chance three plays later, when Cristan recovered a fumble caused by Purdy's hit on Rey. From the Olton 45, the Cats moved on the ground for three first downs to the Olton 11. Hartley got one on a seven-yard run, Funk got another on a six-yard, fourth down carry, and Barton kept for seven yards to the 11.

Funk swept left end for an apparent seven-yard TD, But a five-yard infraction ruled it out. From the Olton 12, Rey nailed Funk for a three-yard loss and on fourth down, the Cats' fake field goal pass attempt was stopped at the Mustang 10.

Opening the third quarter, Olton moved down to the Littlefield 7, where outstanding defensive work by Giles and Huey brought up fourth down-and-three.

Stockdale's field goal attempt from the 13 was only slightly wide to the right.

The Wildcats got a break with 5:30 left in the third period when Giles' punt touched an Olton player and Center Wayne Streety recovered for the Cats at the Mustang 40.

The Cats drove to the Olton 18, but the Mustangs came up with a big third down play when Curt Gregory nailed Hartley for a two-yard loss.

Trammell's fourth down pass to Lee Roy Danford was good to the Mustang 15, but short of a first down.

With a minute left in the third quarter the Mustangs started a drive that resulted in the winning touchdown at 9:57 of the fourth period. Workman carried for 25, 2, 23 and 3 yards, but on a third down try, Hartley nailed him for a four-yard loss at the Littlefield 24.

Wildcat Jerry Kemp was in on the play, as on a lot of others, but an official ruled he hit too late.

The infraction moved the ball to a first down at the Cat 12, and Workman got a five-yard TD on third down.

Stockdale's pass to Rey worked for the extras and Olton led, 14-7, with 9:57 left in the game. The teams exchanged punts, but Olton got the better of it with eight minutes left in the game.

The Mustangs got the ball at the Littlefield 39, after officials ruled it touched punt receiver Wendell Horn. Olton's Collin Johnson fell on the free ball, and the Mustangs controlled both the ball and the clock for three minutes.

The Mustangs drove to the Littlefield three, despite a 15-yard penalty, but the Wildcats stopped Workman on a fourth-and-one try.

Littlefield moved out to the 21, where a fourth-down fake punt caught Giles three yards short of a first. With 1:30 left, Olton sent the Workin' Workman down to the Cat 1-yard line, but had it paced back to the 20 on another 15-yarder. The Mustangs then just ran out the clock.

Defensive standouts in the game were: Littlefield—Hartley, Kemp, Giles, McCary, Purdy, Kenny Pratt and Leonard Huey. Olton—Gale Long, Johnny Arroyas, and Jim Key.

## Smyer Smacks The Panthers

Whitharral's eight played Smyer a good hard game at the Bobcat homecoming Friday night, but couldn't capitalize on their breaks in the 51-6 encounter.

Whitharral beat the Bobcats on first downs and penetrations but couldn't best them on the scoreboard. The Panthers tied the Bobcats 17-17 on first downs and penetrated the Smyer 20-yard line eight to seven times but bogged down on all but one scoring attempt. Whitharral's TD came in the third period when Johnny Graham hit pay dirt on a two-yard plunge.

Graham gained 192 yards from the line of scrimmage and completed eight out of 13 passes for another 200 yards to out gain and out pass any of the bobcats.

James Hayes turned in an outstanding performance, catching six of the passes. Carl Hoelcher gained 88 yards for the night, and Coach Kirby White lauded Randy Wade and Finis Tipton for their good defensive jobs.

Whitharral meets Gail there Friday. Gail leads the district as far as man power is concerned and the Panthers will travel with Graham still limping some from the leg injured two weeks ago. Wade is still having some trouble with an injured ankle, and Wade was knocked unconscious Friday night several minutes before the Smyer game ended. Wade was replaced by 102-pound Mike Lopez who has also been out with injuries. And Jackie Bryant is another player who has been on the battered list.
