

LOWELL FULTON and his dad are pioneers in the radiator repair business, with their years of experience adding up to some 70 years. Fulton is also an ordained minister with a bachelor of divinity degree. Radiators and his Bible represent Fulton's vocation and recreation.

## Lowell Fulton Repairs Radiators, And Souls

WILAH RODGERS  
News Staff Writer

Reach up as far as you can, and it will reach down the rest of the

This is one of the sayings hanging in the Fulton Radiator office. On the wall is a well-worn Bible with scribbled notes and various pieces of paper marking favorite passages.

Lowell Fulton's greasy hands and his Bible are his way of life—his vocation and his avocation—Lowell Fulton is an ordained minister with a degree and owner and operator of the Fulton Radiator Shop.

Double the bachelor of divinity degree in the Fulton family; Mrs. Fulton has a BD degree also.

Fulton and his dad have more than 70 years of radiator repairing business between them, with Fulton's dad in

this field 32 years, and Fulton doing radiator work 40 years.

Lowell Fulton's dad put in the first radiator shop in Oklahoma City, Okla. He also worked in the first radiator shop in Dallas for several years. The senior Fulton was deferred during WWI to repair airplane radiators. After the first war was over he moved his family to Lubbock where he had the distinction of having the first Lubbock radiator shop.

"There is quite a difference in radiator repair now from what there was years ago," Fulton said. "Years ago we did our repair work with different size soldering irons. Now we use special radiator repair torches."

Fulton still gets some of the old model radiators now that restoring old

# Voters To Determine Hospital District Fate

Governor Preston Smith signed a bill Tuesday making it possible for the directors of the Earth-Springlake Hospital Board to call a new election to abolish the hospital district.

The special election will be March

29 with W. C. Maxey serving as election judge.

Representative Bill Clayton introduced the bill this session to allow an election to be called to dissolve the district. The bill passed in both chambers.

Present directors of the hospital district ran on a platform of getting the hospital district abolished.

Opposition candidates Don Bryant, Fred Smith, Kenneth Cowley, Pat McCord and John Bridges were elected in the April 6, 1968 election of directors for the hospital district.

These five replaced incumbents Marshall Kelley, Hershell Belew, Doug Parish, Neil Pounds and J. D. Chesney.

The opposition board said the Earth district was not large enough to support a hospital district without too much added burden to tax payers.

The district was created in May of 1967, following an election which resulted in a 238-223 majority favoring the district.

Almost immediately a petition was filed seeking an injunction against the original directors and a recall of the election which created the district.

The petition was filed on June 30, 1967, with Lubbock attorney Reed Quilliam as counsel for 22 dissatisfied voters named in the suit.

"I don't believe those favoring the hospital district can justify it," Quilliam said.

He told the committee that most of the 4,000 persons in the new district were already closer to the two hospitals in Littlefield, one in Olton, one in Amherst, one at Dimmitt, or

the two at Muleshoe than they would be to the proposed facility.

However, the 154th District Court upheld the original decision and ruled the election would stand. An appeal was then made by Quilliam to the 7th Court of Appeals at Amarillo.

This appeal was still pending when the present directors took the reins.

The directors withdrew this appeal, asked that no new taxes for a hospital district be assessed and asked for a bill to let the tax payers vote on whether

or not they wanted the hospital district.

"We feel that the district was created without the consent of the majority of the people's approval," director Kenneth Cowley said.

"We ran on the platform that if the hospital district was created that it should represent the voice of the majority of the tax-payers. We want this brought back to a vote to let the majority decide on whether they want to support such a district or not," Cowley concluded.

## School Week Plans Told

Littlefield will observe "Back to School" week March 3-7 during the official Texas Public Schools Week.

This year Public Schools Week marks the 115th birthday of Texas Education on a full public level.

Parents and interested persons are invited to visit classrooms and observe the usual routine of instruction during the week, according to Paul I. Jones, superintendent of Littlefield schools.

Monday, March 3, will be back to school day for primary, junior high and senior high.

Tuesday has been designated as visitation day for Elementary II. Tuesday evening, all Littlefield bands will give a band concert in the Junior High auditorium.

Visitation day for Elementary I has been set for Wednesday.

Jones said the visitation days are scattered so that everyone can be accommodated with ease. If the day set aside for the school you wish to visit is not convenient, visitors are welcome any day Monday through Thursday, Jones said.

There will be no school Friday, March 7, for Littlefield students.

Schools will be closed so that teachers may attend the annual teachers' meeting in Lubbock.

## Area Sportsmen Organize Club

Area sportsmen will meet in the Springlake Community Building Monday night at 7:30.

The purpose of the meeting is to form a sportsmen's club, elect officers and directors and establish by-laws for the organization.

The new organization will have programs on all phases of sports including hunting, fishing, varmint calling and athletic activities.

Through the organization, the group hopes to have activities that will be of interest to various televised sportscasters, and have some area action shown.

In addition, an official organization would enable area sportsmen to receive help from national organizations such as the National Rifle Association. These organizations will provide instructors to teach the proper handling of guns to young riflemen, women, and others who might not be familiar with guns and laws.

The fledgling club plans monthly or bi-monthly meetings in a different town or community, to make the club a county-wide organization.

## Whitharral Students Breakfast At School

Seventy-five to 100 Whitharral students are taking part in the pilot breakfast program the Whitharral schools are participating in on a trial basis.

The breakfasts include cereal, either hot or dry, fruit, buttered toast, and hot chocolate. "Of course we vary our menus," said Mrs. Ruby Moore, lunchroom supervisor and dietitian, "just like you would at home."

Some mornings the students get fresh fruit, such as an orange or half a grapefruit. At other times the fruit is a banana to be eaten with the cereal. Canned fruits are also used in the menus.

Later some of the fruit will serve as juices. "But right now the children seem to enjoy the hot chocolate on these cold mornings so much," Mrs. Moore said. "We have used some juice," she said. "This morning we served tomato juice."

Some sweets are included, too. The toast is served with honey or jelly or the bread is made into cinnamon toast to vary the breakfasts.

Bacon or sausage and eggs will be served occasionally.

A charge of 15 cents per student is made for students eating breakfast, except for some underprivileged students who may pay less or cannot afford to pay at all.

Superintendent Archie Sims reported that over 90 per cent of those eating the first week were paying customers.

The school is in its third week of the program. The Whitharral School board voted to try the pilot breakfast program the remainder of the school term on a trial basis.

One more worker was added to the cafeteria staff, and the school buses run ten minutes earlier since the program began.

"The breakfasts are going over real good," Mrs. Moore reported. "Just real good."

UMMM UMMM! Boy that's good chicken! These are the sentiments of Chuck Russell as he sat between his parents, Mr. and Mrs. Charles Russell at the annual Blue and Gold Cub Scout banquet Tuesday night. See Story Page 13

## \$4,500 IN LITTLEFIELD

# County Goal \$8,860 In Red Cross Drive

An overall goal of \$8,860 has been set by Lamb County Chapter of American Red Cross when it begins the annual fund drive Saturday, March 1.

Each city and community in the county are conducting separate kick-off breakfasts, instead of the usual breakfast held in Littlefield as in previous years.

Mayor J. E. Chisholm, Littlefield drive chairman, said the goal for Littlefield has been set at \$4,500.

Olton's goal is \$1,100; Earth's goal is \$800; Sudan's goal, \$700; Amherst, \$600; Springlake, \$500; Spade, \$300; Pleasant Valley, \$150; Hart Camp, \$125; and Fieldton, \$100.

## License Plate Sales Ahead Of Last Year

Vehicle registrations in Lamb County through Saturday are ahead of registrations in 1968 at that same time, according to Herbert Dunn, County Tax Assessor-Collector.

Through Saturday, registrations totaled 2,015 compared to 1,897 for that day last year.

Dunn is urging owners to register vehicles as soon as possible to avoid the last-minute rush. He also reminds owners to bring titles and last year's registration receipts before attempting to acquire new license plates.

Fees for the 1969 plates are the same as in 1968. For vehicles weighing up to 3,500 pounds, the fee is \$12.30; from 3,501 to 4,500 pounds, \$22.30; 4,501 to 6,000 pounds, \$30.30 and 6,001 pounds and over, 55 cents for each 100 pounds.

"Since our chapter was granted its charter in April of 1931, Lamb County residents have generously supported our Red Cross program," said Mrs. Bonnie Haberer, Lamb County chapter chairman who is also chairman of the Pleasant Valley community drive.

"Those of us who are closely associated with the Red Cross program know the great value it is as a link between the civilian community and the nation's armed forces," said Mrs. Lyle Brandon, county fund chairman.

According to a report released by Mrs. Ruth Wade, executive secretary of the Lamb County chapter, a total of 558 service contacts were made by the Lamb County Chapter between Jan. 1, 1968, and Jan. 30, 1969. Included in these contacts were 162 active servicemen, 195 veterans and 201 civilians.

"We earnestly solicit your support, as Red Cross desperately needs your help in time and money," said Mrs. Wade.

## 105 GOVERNMENT EMPLOYEES

How many elected officials are there in Lamb County, conducting local government operations?

According to a special governmental study, the number of elected officials serving the local area is greater than in most communities.

It lists a total of 105 such officials, or approximately 44 per 10,000 population, who hold elective office locally.

This is more than in most parts of the United States, where the average number in elective positions is 26 per every 10,000 people.

# Smith Heads County Import Water Group

Lamb County officially has an import water association.

The Lamb County Water Association was formed recently when approximately 38 interested persons attended an organizational meeting in the courthouse.

Elmer McGill of Olton served as temporary chairman and conducted the meeting, in which 24 directors, representing each community and area in the county, were elected.

The directors elected officers: John D. Smith of Littlefield, president; Elmer McGill of Olton, vice president; and Donnie Clayton of Springlake, secretary-treasurer.

Directors will meet in the near future to establish a purpose and bylaws to be presented to the organization.

Purpose of the water association is to promote the interests of Lamb County in the High Plains water import program, which plans to import several million acre feet of water annually from the lower Mississippi River to the water shortage areas of West Texas, New Mexico and Oklahoma.

Target date for the importation of water is 1985. This water is to be brought to this area through a series of canals, lakes and pipes across Louisiana and Texas. Cost of the project is estimated at an excess of \$10 billion.

The Lamb County Import Water Association will exert every effort to push the water import program, to advise and educate the public on the program and promote the county's interests.

Ray Riley of Sunnyside and Dick Godwin of Hereford were principal speakers at the meeting. They represent Water Incorporated and have been instrumental in forming similar water associations in other counties.

Riley and Godwin spoke on aims and objectives of county water associations and described the import

JOHN D. SMITH

## Forum Members Meet To Discuss Projects

Mrs. Hubert Henry will be host to the Forum when it meets today at her home. Last meeting of the group was held the past Thursday night in the XIT Room of Security State Bank, with

Mrs. John Driskill serving as hostess. Eleven members heard a report by Mrs. Kenneth Lynn on the International Friendship Garden, to which Forum, as a federated club, has contributed.

## Easter Seal Letters Delivered

Easter Seal Appeal letters are being delivered this week in Lamb County, according to Joe Montgomery, Easter Seal representative for the Easter Seal Society for Crippled Children and Adults of Texas.

As representative, Montgomery serves as contact representative for disabled persons needing Easter Seal rehabilitation services and serves as treasurer of the Easter Seal Appeal in Littlefield. The Easter Seal Society offers physical and occupational therapy, speech and hearing programs, and special equipment loans to make the best use of their abilities to overcome handicaps.

Montgomery pointed out that all of these programs are important if Texas is to continue to provide the best in rehabilitation services for its own disabled citizens.

The Texas Federation of Women's Clubs sponsor the project.

Brownsville was selected as the site of the Friendship Garden because the city is the terminus of three transcontinental highways that join with the Pan American Highway, which goes all the way to South America.

The city also has an international airport, and is a port of entry from Mexico. Kiwanis Clubs of the United States have already erected a Mexico-United States Friendship marker on the garden site. Other organizations have pledged active support in the completion of the garden.

It was noted that the local Forum not only supports national projects, but local ones as well. The club recently donated money to the local satellite school for the retarded.

Members took a written test to culminate individual study, which began in September, of the "Digest of Texas Motor Vehicle Laws". The Texas Federation of Women's Clubs advocates the study program with the idea of making members aware of new traffic laws.

MRS. RHEA BRADLEY is amused at some of the recipes found in this antique Whitehouse Cookbook given to her by her grandmother. Besides the usual recipes for meats, vegetables and desserts, this book contains some unusual suggestions on such things as cures for warts and how to keep mice out of pantries.

### DINNER GUEST

Mrs. Dolores McCain had as Sunday dinner guest Miss Florence Dickson.

## Cook Book Tells How To Get Fat, Cure Ills, Spill

Mrs. Rhea (Sandy) Bradley has an antique cookbook that has recipes for everything from asafetida bags to removal of warts, and cures for wasp stings and whooping cough.

Of course it also has conventional recipes if the cook knows how to measure a gobletful of flour, a gill of milk, and a lump of butter the size of a hen egg.

If you want to soft soap someone, there is a recipe for that, too.

Evidently, cooks in the past century cooked in larger quantities. Some of the recipes call for measurements in pounds and for mixing in two or three gallon stone jars. When sugar is added, the recipes instruct that it be thrown in.

Some of the remedies are used today, such as using baking soda on bee stings. Other recipes would be rather hard to concoct due to the ingredients.

A cough syrup calls for syrup of squills four ounces, syrup of tolu four ounces, tincture of blood root one and one-half ounces, camphorated tincture of opium four ounces.

"I've offered to let my doctors use some of my recipes," Mrs. Bradley laughed, "but they didn't seem too interested."

The book declares that croup can be cured in one minute with alum and sugar.

This is almost an instantaneous remedy, it says, as well as being a cure for whooping cough.

Other odd instructions give this preparation to rid a house of mosquitoes. If a bottle of oil of pennyroyal is left uncorked in a room at night, not a mosquito, nor any other blood sucker will be found there in the morning.

For mice and rats in your pantry or shelves, you might try this remedy. If a rat or mouse gets into your pantry, stuff into its hole a rag saturated with a solution of

cayenne pepper, and or mouse will touch for purposes of communications depot of supplies.

Other helpful include how to keep shoes, and how to furnish polish.

To take white spots from varnished furniture, the book says, hold a hot lid over them until they disappear.

People in the nineteenth century seemed to be concerned with being lean, rather than overweight. According to this authority, lean generally due to lack of power in the digestive tract to digest and assimilate fat-producing elements of food.

First restore digestion, take plenty of sleep, and all the water the stomach will bear in the morning. Exercise in the open air, oatmeal, cracked graham mush, baked apples, roasted beef, beef. Cultivate jolly and bathe daily.

Mrs. Bradley's grandmother gave her a cookbook. "I could read all day," Mrs. Bradley said, "but I'm not active in church and Scout work and playing bridge."

The Bradleys have in Littlefield 19 years. Mrs. Bradley is a resident engineer in the Highway Department. She and her husband are the parents of children, a girl, Charles, fourth grader, and a son, a first grader.

Brownie with Good Preheat oven to degrees.

Melt 1 stick oleo with 3 tbs. Cocoa.

Mix in 2 Eggs, 1 Sugar and add 3 1/2 Flour and pinch salt.

1 cup Chopped Nuts. Grease and flour 8 pan. Pour in batter, bake 15 minutes. While hot, spread small marshmallows on place in oven to spread 2 minutes.

ICING 1 1/2 box Powdered Sugar, 1 1/4 cup Cocoa, 1 1/2 stick Oleo, 1 1/2 tsp. Vanilla, 3 tbs. milk. Beat together.

For COLD take 60

## Clothing Appeal To Begin Feb.23

Residents of Littlefield will have the opportunity to give clothing and blankets for needy persons in 30 countries overseas during the week of Feb. 23.

Rev. Philip Berry, the local CWS Clothing Appeal chairman, indicates that lightweight clothing of all types and blankets are especially needed for refugees and disaster victims.

Clothing should be clean and have at least six months' wear or use remaining. It is also requested that persons bringing clothing and blankets also contribute 10 cents per pound to cover costs of export packing, insurance, port charges, and other essential expenses.

In Littlefield, clothing and financial donations may be turned in at any of the following Littlefield Ministerial Alliance churches: Salvation Army,

First Baptist, First Methodist, St. Martin's Lutheran, Sacred Heart Catholic, Church of the Nazarene, First Christian, Four Square Gospel, Antioch Baptist, Emmanuel Lutheran, Assembly of God, First Presbyterian, First Street Baptist, Parkview Baptist, Calvary Mission Baptist, and Lums Chapel First Baptist.

Clothing is distributed overseas by Church World Service through church-related agencies. Much of it is sent to refugees and other displaced persons in Africa, the Near East, India, and Vietnam.

Each year Church World Service provides emergency aid to victims of hurricanes, floods, cyclones, earthquakes, and similar natural disasters.

On the average, persons in some 20 disaster areas are given aid by CWS each year.

## Iowans Like Littlefield

Chamber of Commerce Manager Jim Kelly received a letter this week from a Bettendorf, Iowa couple, the Walter Stewarts, comparing their town of 20,000 with Littlefield.

Mrs. Walter Stewart wrote: "Bettendorf, with 20,000 people, does not have a nursing home, hospital, indoor or outdoor theatre, or facilities for Scouting."

"We are just astonished at what your city of Littlefield has to offer for such a city of your size," Mrs. Stewart said.

"We like Bettendorf—don't get me wrong—but I just wanted you to see what two different towns are like. This is the reason we want to return to Littlefield this summer and stay a while."

"We are going to do some traveling first up north and then start down south. Some day we may call on you."

In a previous letter to Kelly, the Iowa couple expressed interest in Littlefield as a place to retire. "My husband is constantly remarking about Littlefield to so many people," Mrs. Stewart wrote. A specific inquiry was about nursing homes and

institutions where she could do volunteer work. The Stewarts are active church members and she said she had worked with handicapped persons and as a volunteer in nursing homes. "Both of us have to keep busy," she said.

Inquiries such as Mrs. Stewart's keeps the C-C manager and secretary busy, especially since the downtown beautification.

**No Cookies!**

Mrs. Gene Hanlin, cookie chairman for Littlefield Girl Scouts, has received word the cookies have been mis-routed and will not arrive in Littlefield until next week.

Mrs. Hanlin will contact leaders or cookie chairman as soon as she knows when the cookies may be picked up.

Cookie sales will begin March 6, as previously announced.

# LITTLEFIELD

MRS. J. B. McSHAN

385-4337

Mr. and Mrs. Joe Edwards left Friday to spend the past weekend in El Paso with their grandson, Gary Don Pierce, who is stationed at Ft. Bliss.

Mrs. Buck Teague is a patient in Methodist Hospital in Lubbock.

Mrs. Bill Street was in Amherst last Wednesday week, Feb. 19, to help her mother celebrate her 82nd birthday. Mrs. Marks, a patient at Amherst Manor, called in several of her friends to share the beautiful cake that Mrs. Street had brought.

Mr. and Mrs. Neil Wood and children joined a group of friends from Lubbock last Thursday and all spent a delightful weekend in Tres Ritos, N. M.

Mr. and Mrs. Horace Mitchell, Mr. and Mrs. Gerald Kehoe and Rev. and Mrs. Clem Sorley attended the Chamber of Commerce banquet in Muleshoe last Friday night.

Betty Hodges and Frances Ricks returned home Sunday from a trip to Dallas, where they attended the gift show, then to Huntsville where they attended the Texas Press Association Printing Management Conference held at Sam Houston State College.

Mr. and Mrs. E. L. McCain spent Sunday in Paducah where they attended the 50th wedding anniversary of her brother and wife, Mr. and Mrs. S. J. Perkins. There were over 60 friends and relatives that called between 2 and 5 Sunday afternoon. Mr. and Mrs. McCain returned by Plainview and visited with their daughter and family, Mr. and Mrs. Clyde Spann Jr.

Mr. and Mrs. Mancel Hall went to Lubbock Saturday to help his mother, Mrs. Christine Hall, celebrate her birthday.

Circle I, of the Presbyterian Women's Organization, met at the church Monday morning for their Bible study "Christ our High Priest". Mrs. M. M. Brittain was leader and Mrs. George White was hostess. Circle II met at the church Monday night with Mrs. Horace Mitchell as leader and Mrs. J. D. Hagler as hostess.

The Presbytery of Plains will hold a weekend retreat at Hidden Falls at Wayside, this Friday and Saturday, Feb. 28 and March 1 for Senior Highs. Discussion subject is "The Beautitudes: Forming the Christian Life". The cost is \$5.

Paul I. Jones, Superintendent of Littlefield Public Schools, returned last Thursday from a trip to Atlantic City, N. J., where he attended the American Association of School Administrators annual national convention. Jones, along with 40 other school officials from the South Plains, attended the week long convention.

Mr. and Mrs. E. O. Woolever spent Sunday in Idalou as guests of Mrs. J. B. Mitchell.

Mr. and Mrs. A. F. Tubbs returned Monday from a trip to San Angelo where they took his mother, Mrs. Ella Wilson of Tulsa, Okla., to visit her daughter and family. They went to Brownwood to visit relatives before returning home.

Mr. and Mrs. G. W. Steffey of Tishomingo, Okla., former residents of Spade, left Monday after visiting in the home of Mr. and Mrs. Jerry Parmer at Spade.

Mr. and Mrs. W. E. Blackman and their daughter and husband, Mr. and Mrs. Carroll Ray were in Rogers, N. M., Sunday to attend the 25th wedding anniversary of Mr. and Mrs. A. J. Blackman. The men are brothers.

Lloyd Yeary of California has returned home after attending the funeral of his brother, Albert Yeary, last week.

Mr. and Mrs. J. M. Farmer, Ben, Ann and Nevil Manning spent the weekend in El Paso and Ruidoso, N. M.

Mr. and Mrs. Joe Dunn and Timothy of Big Spring were in town the past weekend to help his father L. L. Dunn celebrate his 86th birthday.

Stan Harrell, son of Mr. and Mrs. Pete Harrell, is to have surgery on his knee at the Methodist Hospital Friday morning.

Mr. and Mrs. T. R. Brasher accompanied their daughter, Mrs. Tracy Perkins, to Lubbock Wednesday to visit their son-in-law, Jess Inman, who is a patient in the Methodist Hospital. He hopes to be coming home in another week.

Mr. and Mrs. Jess Renfro celebrated their 45th wedding anniversary Sunday with a few friends and relatives.

Joella Lovvorn visited in Farwell Sunday with her brother and sister and their families, the M. D. Lovvorns and the Bob Dollars.

Sunday dinner guests in the Dewey Hutson home were Mr. and Mrs. Clyde Matthews and Becky and Miss Judy Hutson of Littlefield.

## Mission Study Conducted At Amherst Methodist

AMHERST—The Methodist Church-wide Mission Study was concluded at the Sunday evening service.

Mrs. Virgil Hinds directed the study "Christ and Crisis in Southeast Asia".

It concerned the people of Burma, Thailand, Cambodia, Laos, North and South Vietnam, Singapore, Malaysia, Indonesia and the Philippines, their complex cultures and deep-rooted traditional and varied religions.

Rev. Douglas Gossett presented a colored film "Faith in Revolution" which showed that Christianity was taking hold in a number of places.

The young people of the church had a part on the program. Debbie Holland

## Olton To Form NFO

Farmers and those interested in farming in the Olton area are holding a meeting tonight to form a National Farmers Organization.

Charles Lewis, temporary chairman for the group invites all farmers and persons interested in agriculture to be at the Olton Production Credit party room at 7:30 tonight, Feb. 27.

Mr. and Mrs. George Harms of Anton visited in the home of Miss Emma Sell Monday.

Mr. and Mrs. Philip Weadock of Temple visited last weekend in the homes of her sisters, Miss Emma Sell and Mrs. B. D. Birkelbach, and with her brother, Mr. and Mrs. Ernest Sell. They returned home Sunday.

Mrs. John Breedlove and Ella Keener, of Ware's, returned Wednesday from Dallas where they attended the gift show.

Guests this weekend of Mrs. Jack King Sr. and Carol are her son Keith and Miss Constance Plummer of Abilene.

Deverell Lewis, former Littlefield resident, was a visitor in town Saturday. Lewis is head backfield football coach at Richardson High School.

## Nichols Circle Conducts Study

Mrs. D. C. Lindley was hostess to the Mary Francis Nichols Circle of First Baptist Church Monday night.

Mrs. Jessie Jordan, program chairman, led the circle in a discussion on the story of a church and on the story of First Baptist Church.

Mrs. Jordan was assisted by Mmes. Walden, Bass and Barnard.

Mrs. Walden led the group in prayer for foreign and home missionaries.

A hot dog supper was served by Mrs. Lindley to the members, Mmes. J. L. Barnard, W. E. Bass, J. Jordan, Jack Hardin, Herbert Dunn, W. Martin, W. Hogan, Less Barker, G. V. Walden and Miss Alice Gordon.

## Bride-Elect Honored With Wedding Shower

Miss Sue Killough, bride-elect of William Jones, was honored with a bridal shower in the home of Mrs. Forbes Tatum Saturday afternoon, Feb. 22.

Receiving the guests were Mrs. Tatum, Mrs. Delton Jones, mother of the bridegroom and Miss Killough.

Corsages of white carnations were presented to the honoree and Mrs. Jones. Guests were registered in a book placed on a round table, covered with white satin, trimmed with royal blue ribbon and centered with gold candelabra holding a blue candle. Mrs. Buddy Trimmer, sister of the groom, presided at the register.

A white hand crocheted cloth, covered the serving table. Appointments of silver and crystal were used with a centerpiece of royal blue and white assorted flowers, flanked with crystal candelabra with white candles.

Refreshments of snowballs, homemade assorted cookies, pecan Swiss cheese sandwiches, fruit punch and coffee were served. Favors were white marshmallow pillows tied with royal blue ribbon, lily of the valley flowers and centered with a gold wedding band.

Alternating at the serving table were Mrs. Robert Lunsford, Mrs. W. O. Hampton, Mrs. Alvis Tubbs and Miss Suzann Tatum.

Gifts were displayed in the bedroom and den areas. Assisting Mrs. Tatum as hostesses were Mmes. Robert

### Firm Name Left Off List

Lee Auto Service of Littlefield was inadvertently left off the list of firms and individuals donating parts and labor for repairing the station wagon at Girlstown.

Dickey Lee, owner of Lee Auto Service, donated the tires, starter, and did the tune-up work on the Girlstown vehicle.

The Leader-News offers apologies for this oversight, and extends thanks to Lee, all the volunteer firemen, and everyone who had a part in aiding Girlstown.

"DAZZLING! Once you see it, you'll never again picture 'Romeo & Juliet' quite the way you did before!"

## What The Leader-News Thinks

### Attack On The Anthem

For several months our National Anthem has been under attack. It all started when 26-year-old Jose Feliciano gave a "soul" rendition of the Anthem preceding the fifth game of the world series. Something shook up the St. Louis Cardinals that day. They scored 3 runs in the top of the first, and didn't do anything the rest of the day, losing 5-3.

Whether or not it was the Feliciano rendition which did the trick is hard to say, but there is no doubt that a lot of people were rubbed the wrong way.

Many personalities have jumped into the controversy. Frank Sinatra has called it "a terrible piece of music." Joan Baez, who has found nothing that we can recall which she professes to like about this country, calls it "just so much trash." Mitch Miller calls it a "joke."

On the other hand there are several great stars and composers who defend the song. Marian Anderson is "well satisfied" with it; Irving Berlin, who composed the great "God Bless America", (which is often mentioned as a replacement for the "Star Spangled Banner") thinks that it would be a "terrible mistake" to change. Richard Rodgers is on

record as saying that "tradition is more important than simplicity", in answer to those who protest the difficulty of singing the Anthem. Duke Ellington commented that the singing of the song is not the issue. "It's the symbol of our great nation—and that's all there is to it."

Meantime, a national magazine is conducting a poll, with coupons for voting, on whether or not the anthem should be changed—and to what. The results are to be submitted to the Congress, the magazine proudly proclaims.

If you feel strongly about this, we'd suggest you write your Congressman or Senator. If you don't, somebody else will.

As for us: Frank Sinatra may have trouble with the range of the "Star Spangled Banner"; it may be a "joke" to some, and "trash" to others; but it is the most beautiful—and meaningful—piece of music ever composed to so many Americans who were at Bataan, Panmunjom, and a thousand other points of tearful pride, that it would be a travesty and a tragedy even to consider making a change.

Too many men have wept, unashamedly, at the relief of hearing it played.

OUR NATIONAL ANTHEM.....

Does it stick in your craw or bring a lump to your throat?

(See Editorial)

### PAUL HARVEY

## Not Illegal

IF ANY SCHOOL remains all white or all black because it is an all-white or an all-black community, this is "segregation" but not necessarily "discrimination."

The Nixon Administration is taking another look at the guidelines by which we have sought to force race-mixing in all schools whether it made sense or not.

THE PRESIDENT'S secretary in charge of health, education and welfare, Robert Finch, says segregation per se is not illegal. "If you look at the Supreme Court decision, segregation in fact is not prohibited by law. What is prohibited by law is deliberate discrimination."

SECRETARY FINCH says, "If segregation in fact were prohibited by law, what are you going to do with all the solid Negro schools in solid Negro areas in Northern cities?"

Heretofore there has been agitation to mix up the blacks and whites in every classroom, even if youngsters had to be bused across town to do it.

Now, says Secretary Finch, we are re-examining the old guidelines.

MANY SOUTHERN SCHOOL districts have long protested that they are providing equal or better schools and facilities for black youngsters. The Supreme Court decreed, nonetheless, that "separate but equal" constituted discrimination.

Mr. Finch now says that we should consider whether a district is making a genuine effort to make certain that every child, regardless of race, is getting an equal share of the district's educational resources.

IT MAY SOUND as though

### THE PHILOSOPHER

## Our Postal System

(Editor's note: The Sandhills Philosopher on his Johnson grass farm offers some free advice to the post office department this week. There are times when it's hard to follow him.)

Dear editor:

I've always figured the U. S. Post Office Department is like the U. S. Weather Bureau, if a forecast is right 70 per cent of the time and the mail is on time about the same percentage, everything's normal, but according to articles I've been reading in all the newspapers I've seen lately, there's a move on to improve the postal service.

Critics say it's old-fashioned, it doesn't use modern streamlined business principles, you never hear of a postmaster getting so good in one town he's promoted to a bigger town, you never hear of a rural carrier forging ahead, going into business for himself, and opening up his own route.

I don't know about these criticisms, I know that about the only time I fail to get my copy of The Leader-News out here on this Johnson grass farm is when I fail to pay for it, but there are some modern ideas the post office department no doubt could try out.

For example, take the money

Secretary Finch is talking one way and acting another.

Recently he denied further federal aid to eight Southern school districts for "failure to meet the guidelines."

He said this was the "ultimate punishment" the federal government could decree in school desegregation disputes.

BUT THEN, within hours, Atty. Gen. John Mitchell filed lawsuits against school districts in Houston and Louisiana.

Finch says the lawsuits were filed by the attorney general without consulting him. He called it "part of the birth pangs of a new Administration."

He said, "I think down the road ahead we are going to have to have greater co-operation between the Justice Department and HEW in this whole area of compliance."

AND DEFENDING his own action in withholding further federal aid from those eight school districts for "failure to meet the guidelines," Secretary Finch said he now had no alternative but to follow the guidelines inherited from the previous Administration. It is those guidelines he promises to re-examine.

SECRETARY FINCH says he is "not arguing for a dual school system which constitutes a prima facie indication of deliberate discrimination."

But his stated position indicates a new degree of respect for those state, city and school administrators who have been conscientiously seeking to eliminate discrimination from public schools—but who have considered the arbitrary busing of youngsters to distant schools merely for the purpose of race-mixing to constitute another kind of discrimination maybe worse than the first.

order business. The post office department doesn't push this line hard enough, doesn't use modern merchandising methods.

Like it is now, you go in the post office and ask for a money order and what happens? They want all cash.

How many cars, television sets, speedboats, sets of furniture and such like would car dealers and big stores and mail order houses move today if they had such an old-fashioned policy?

Why I guarantee if the post office would get abreast of the times and start selling money orders for ten per cent down and 36 months to pay the balance, it'd double or triple or maybe even quadruple its business in that one single department. At income tax paying time, business would skyrocket.

And stamps. Did you ever hear of the post office holding a Spring or Fall sale on stamps?

And packages. Sure, they ask you to mail early, but do you know of a single post office offering trading stamps for mailing early?

It's going to be interesting to see what the new Postmaster General does about some of these hide-bound customs at the post office.

Yours faithfully,  
J. A.

### THE ABUNDANT LIFE

## Littlefield's Future

By BOB WEAR

IF ALL OF US THINK, and talk, and act, and work as if there is a good future for our city; there is very likely to be a good future. We are thankful for all individuals and groups with this forward-looking view.

THERE IS ONE BIG, but removable barrier to the progress of Littlefield.

The negative force that is being released by those who think, and talk, and act, and work as if there is no good future for our city. This condition must be changed.

It should be replaced by the optimistic, hopeful view of our future.

HERE IS A TRUE STORY that graphically portrays the danger of negative feelings, and should help us see why such self-destroying feelings must be changed.

Once there was a town by the name of Flagstaff, Maine. It was located where a large body of water was to be impounded.

During the months before the area was flooded, all improvements and repairs in the whole town were stopped.

Why paint a house if it were to be covered with water in six months? Why repair anything when the whole town was to be wiped out? Why beautify the yards? Why do away with the junk piles?

THE TOWN HAD NO FUTURE and, because it had no future, it had no present. Week by week the town became more bedraggled—More gone to seed—More woebegone—More unsightly.

The man who told this story finished by saying, "Where there is no faith in the future, there is no power in the present."

LITTLEFIELD IS GOING to be a better city now, and have

more possibility of a future; if we assume that we have a future, and then use the power of this expectation in the present.

IN ORDER TO HAVE a future, we must think and act for a good future. Then, we must match our thinking and acting with appropriate deeds.

If this doesn't do anything else, it will brighten the present and give us vigor and motivation to do our best.

OUR DOWNTOWN beautification and improvement told the world that someone cared, and had faith in our future. This is the same thing we must maintain. We cannot stop. Everybody must act as a cheerful booster.

Much has been done, but more must be done. All have worked diligently, but people must become involved.

Let us "throw away hammers, and get horns"; let us stop knocking, and join cheering squad.

ALL OF US KNOW that individuals think and act for themselves into present ineffectiveness, and a dreary future. The same thing can happen to a city. On the other hand, constructive thought, talk and action can be profitable to both individuals and cities.

LET US BE GUIDED by time-tested observation: "Where there is no vision, the people perish."

Let us adopt the view—have a good city, and it is becoming a better city. We are enough of us do this, it will do so.

WHERE THERE IS FAITH in the future, there will be power in the present.

### THE FARMER'S WIFE

## Poor Willie Mae

By LIBBY MUDGE

POOR WILLIE MAE, Poor Good Housekeeping Institute. Poor Good Housekeeping magazine. Poor Nixon.

NASTY ME, for crying crocodile tears because Willie Mae got her come-uppance at the hands of reporters and congressional investigators when Nixon appointed her to the position that I had applied for long ago, before anyone even knew who was going to be the next President.

Miss Willie Mae Rogers has been the director of the Good Housekeeping Institute, promotional arm of the Good Housekeeping magazine, for the last sixteen years.

FOR QUITE SOME TIME there has been a suspicion that some hanky-panky was going on in connection with the Good Housekeeping Institute's Seal of Approval, which used to be a sure-fire guide to dependability.

But now it begins to look like the Seal can be "bought" by companies agreeing to purchase so much advertising in the Good Housekeeping magazine, says a sub-committee on government operations investigation the Institute for unethical practices.

WILLIE MAE, looking like a typical well-padded battle-axe, sailed into the White House's Fish Room with all the confidence of Cassius Clay for a press interview right after Nixon appointed her to be his "consultant on consumer affairs". Nixon had already made his first mistake and so had Willie Mae.

It seems that the plans were for the government to just pay her expenses while Good Housekeeping kept on paying her salary. Wow! How's that for a conflict of interests?

THEN SHE MADE her next mistake.

When a reporter asked her what her salary was at Good Housekeeping, she forgot that her life was supposed to be an open book and answered "What a personal question! I will also not tell you how old I am, or how much I weigh!"

To which the reporter observed, "Well, there goes the truth-in-packaging act."

AND WILLIE MAE made next mistake by not laughing. Well after all, that was a pretty cute remark, but she only got him a cold stare.

Then came the obvious question about what would the Rogers do when so many manufacturer's products that have been awarded the Seal of Approval by herself came up for investigation as alleged "cheaters" of the public.

SAID SHE: "I don't think that will come up. I'm not in the job to advise on products. You've got to accept the fact that I'm basically honest."

Well, reporters don't have to accept that fact about anyone at all, and she should have known that, which was another mistake.

THEN SHE BLEW the whole thing by answering to the question if she thought government should be in the field of consumer protection all, "If necessary".

By now Nixon was wishing he'd never heard of Willie Mae almost as much as he wished he'd never heard of "I don't believe in conservation for conservation's sake" Walter Hickel, Interior Secretary.

TO MAKE MATTERS worse someone reminded him that the Food and Drug Administration had seized nine cases of Electrasol dishwashing powder for allegedly having a substance harmful to the eyes right after Willie Mae had given Electrasol her Seal of Approval. And somebody remembered that some electric vaporizers that also bore Willie Mae's Seal were being investigated by the National Commission on Product Safety for causing injuries to more than 100 users.

WELL, WILLIE MAE'S back in her office in New York now signing "I don't have any more business in politics than a 2-year-old" and I am reapplying for that job.

I'm wanting to do something about all of those stupid stamps you have to paste in those stupid books and go exchange for some "gifts" from a stupid store that makes stupid women think they're getting something for nothing.

# DEAR EDITOR

## What Our Readers Think

### For Free America

Feb. 21, 1969  
Vung Tau, South Vietnam

Dear Sir:

Just dropping you a line. I am a local serviceman from Littlefield. I am presently assigned to the 536 Tas Vung Tau, Vietnam (Air Force). I have been in the AF for 22 years and will soon be returning and will retire around November of this year.

I'll give you a rundown on my past Air Force career. I volunteered Nov. 3, 1942. I was with 545th Heavy AF Bombardment Wing in England 8th AF for one and one-half years.

I was assigned to 7499 Support Group at Wiesbaden, Germany, in the Air Lift for a year. I was with 320 Bombardment Wing at Guam for 6 months.

I spent nine years in Europe in various organizations, France, England, Germany, Italy and Spain.

I am presently assigned to the 536 Tas Air Lift Squadron.

We carry supplies in various types of missions in South Vietnam. I was also on the first Atlas F Missile that was launched at Vandenberg AFB, Calif., Aug. 1, 1961.

I treasure my AF career. I have traveled and experienced many adventures that I wouldn't have had the opportunity for if I hadn't been in the Air Force.

I have served with some of the highest officials in the AF and again it has been a pleasure and an experience I'll never forget.

If you use this letter in your paper, I would appreciate it very much. I treasure Littlefield as a milestone that gave me the opportunity to make a successful goal in the Air Force.

I would like to take this opportunity to say thank you for reading this.

I really feel that our efforts put forth here are for a FREE America so we can live in a free nation and make the necessary changes as deemed when we feel it is necessary.

Again I thank you.

Sincerely,  
/s/MSgt. R. L. Grisham

### Interesting 'Issue'

Editor:

I make this renewal largely on account of the Farmer's Wife and the news items by Beulah Newton.

The quail hunting "issue" was interesting like a "tempest in a teapot".

I would say in this controversy the "majority" should be mostly the folks who own the pastures. They punch the cows, brand the calves, fix the windmills, and shut the gates after the "sportsmen" have gone home. They also pay taxes.

The Judge is a brave man and I shall vote for him as long as he wants the job—if I live that long.

## Projects Adopted 'We, The Women'

Printing a cookbook beginning a theatre group and conducting a garden show this spring instead of the Christmas Homes tour, were topics of interest for possible projects to be conducted by "We, The Women" when they met Tuesday noon in the Reddy Room for a regular meeting.  
The March meeting will begin a membership drive, and all members are to bring a guest to the meeting, March 25.  
Betty Kehoe, new president, presided for the discussions, and election of a new secretary-treasurer.  
Mrs. Beth Kelly, who is the new secretary for Littlefield's Chamber of Commerce, was elected to serve as secretary-treasurer for the Chamber-affiliated woman's organization.  
Mrs. Kelly reported that \$500 of the organization's treasury has been placed in a savings account to interest.

Sonya Patton was to keep the scrapbook of the coming year.  
Other projects to be completed this year are an annual sidewalk art show and the community song. Members voted to have the library book to be held April 21-25.  
Mrs. Roy McQueen representing the County Historical Society, spoke of an organization to get a museum for the County. Members of "We, The Women" voted to help the project in any way could.  
Hostesses for the meeting were Myda Smith, Thelma Vorheis.

## Wesleyan Service Guild Has Study On Burma

Wesleyan Service Guild of the First United Methodist Church of Littlefield, met in the church parlor Monday, Feb. 17.  
Mrs. Jerry Trees, program leader, led the study "Christ in Crisis in Southeast Asia" and presented a program on Burma.  
The president, Laverne Seay, appointed committees to serve for the Northwest Texas Conference Wesleyan Service Guild annual meeting to be held in Littlefield, March 22 and 23.  
Mrs. Ina Mae McQuinn, hostess, served refreshments to Mmes. Elveta Collins, Anna Mae Miller, E. Grant, Louise Stone, Ophelia Stone, Mildred Smiley, Mattie Clark, H. L. Byrd, L. Trees, Laverne Seay, Wade and Miss Char Smiley.  
The next meeting will be Monday, Feb. 24, in the church parlor when the Trees will present the study on Thailand.

## Anton FHA Names Pal Sweetheart

ANTON—The Anton FHA Chapter held a sweetheart banquet Saturday, Feb. 15. The theme was "Sweetheart Through The Ages".  
The speaker was Ruth Rucker, chairman of the Texas House Economic College Chapters and dean at Texas Tech and economics major. She was from Pampa.  
Judy Grace, FHA President, presented the award of the month. They are Loretta Biffle and Judy Fisher.  
The girls that are working toward a degree were recognized.  
Mrs. Mary Johnson, business teacher presented roses to the senior Billy Moore who presented the FHA "Pal Heart" and the FHA Sweetheart award to Miss FHA for 1968-69. She is Miss Malva Tapp. She was crowned by P. Pritchard, last year's FHA and presented a bouquet of roses by Ruth Herin.

## Students Form Panel For Panel Discussion

"Living With Discipline" is the theme of the panel discussion by members of the student council for the Littlefield Junior-Senior High P.T.A. meeting Monday night in the High School Auditorium.  
Mrs. Charles Hinds, P.T.A. president, said the Monday night program is considered the highlight of the year. There will be a free nursery with members of the Future Teachers of America sitting with the children.  
Mrs. Kenneth Reast is sponsoring the panel group. Members of the panel are Milynda Morris, Mark Jordan, Quinn McKinnon, moderator, Larry Birkelbach, Martha Brown, and Marsha French.  
Preceding the panel program, the Littlefield High stage band will play selections for 15 minutes.  
The teen-age panel will give their opinions of discipline at home and school. Discipline will be discussed from several angles. The group will give their opinions on whether there is enough or too much discipline in the home and school, how they feel about extremists groups and the pressures of social life on the students.

## NO ACCIDENT

Hay quality is largely determined by the fertility of the soil on which it grows and the stage of growth at harvest time. A soil test now will provide the information needed for determining how much and the kinds of plant food needed while observation of the growing crop will determine when it should be harvested.

# OBITUARIES

**W. R. DAVIS**  
Funeral services for W. R. Davis, 71, of Mount Vernon, former Olton resident who died Monday morning at Franklin County Hospital in Mount Vernon, were conducted Wednesday afternoon in Olton's Northside Church of Christ.  
Dale Self of Levelland officiated and burial was in Olton Cemetery with Sam Harvey Funeral Home of Mount Vernon in charge of arrangements.  
Davis was born in Wood County and had lived at Olton 23 years before moving to Mount Vernon three years ago. He was a retired farmer and a member of the Church of Christ.  
Surviving are his wife, Zula; four sons, Thomas Davis of Hart, L. T. Davis of Olton, Richard Davis of Lubbock and George Davis of Plainview; two daughters, Mrs. Opal Faye Boone of Plainview and Mrs. Jerry Conner of Tucson, Ariz.; six stepsons, Charles Pool of Odessa, Jody Pool of Fort Sill, Okla., Bobby Pool of Eloy, Ariz., and Gene Pool, Clarence Pool and J. D. Pool, all of Los Angeles, Calif.; 19 grandchild and one great-grandchild.

**SARAH CAMILLA GRAU**  
Funeral services for Mrs. Sarah Camilla Grau, 74, longtime Clovis area resident who died Friday in a Clovis rest home, were conducted Monday afternoon in the Charles V. Steed Memorial Chapel at Clovis.  
Rev. John Stout of Grady, N. M., officiated and burial was in Mission Graden of Memories Cemetery.  
Mrs. Grau, who went to Grady in 1914 had lived in Clovis six years.  
Surviving are two daughters, Mrs. Lucile Poteet of Grady and Mrs. Jean Samples of Olton; two brothers, Hugh Gamble of Rio Alto, Calif., and Roy Gamble of Haskell; a sister, Mrs. Anne Anderson of Sacramento, Calif.; six grandchildren; and three great-grandchildren.

# THE SKAT

## OFFICIAL LHS NEWSPAPER

### 1968-69 Honor Graduates Named For Littlefield HS

LHS Honor Graduates for 1968-69 were named after the first semester grades were recorded. To become an Honor Graduate a student must maintain a 2.5 average all through high school.

Others making up the Honor Graduates are Cathy Barton, Allen Williams, who was the top boy of the class, Nancy Hall, Diane Kesey, David Conway, Milynda

Morris, Candice Porcher, Elaine Tiller, Lanet Gilley, and Carla Chambers.

The Honor Graduates will wear cords of gold at graduation and will be recognized at the ceremonies.

THE 1968-69 honor graduates were named last week after their first semester grades were recorded. They are, (left to right front row) Connie Wimberly, valedictorian; Janie Hyatt, salutatorian; (not shown), Cathy Barton; Allen Williams; Nancy Hall and Diane Kesey. (back row) David Conway, Milynda Morris, Candice Porcher, Elaine Tiller, Lanet Gilley, and Carla Chambers (who is not shown).

### Bake Sale Set March 6

On March 6, in the Littlefield High School gym, a bake sale, sponsored by the Student Council will be held.

Luther Hill, the auctioneer, will auction off the various items baked by the athletes.

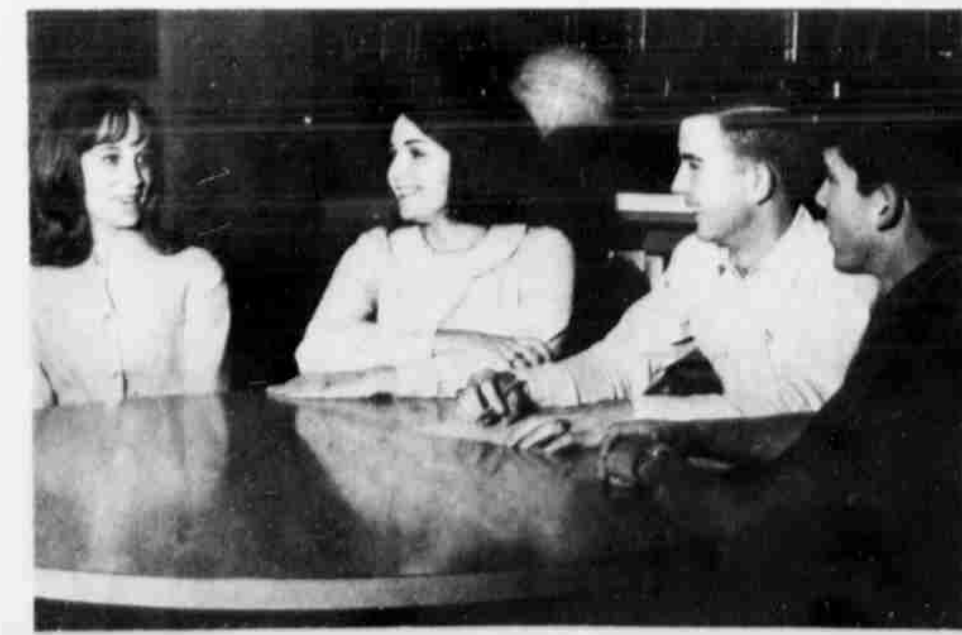

The proceeds of the sale will go toward financing the All School Banquet, which will be designed to honor the athletes and the presidents, and vice-presidents of all organizations.

### Wildcat Band Members Make Ready For Contest

Some of the Wildcat Band members will travel to Lubbock Saturday, March 1, to participate in the solo and ensemble contest at Monterey High School.

There are 26 band members trying out for solo. They select their solo song, choose a piano accompanist, and practice until the song is memorized.

Ensembles are composed of a group of three or more people, and there are 11 groups trying out for the ensemble contest.

FOUR OF FIVE members of a student panel, has been asked to speak at a PTA meeting March 3. Members of the panel are from left to right, Marsha French, Milynda Morris, Quinn McKinnon and Mark Jordan. Two other members of the panel who are not shown are Martha Brown and Terry Birkelbach.

### STUDENT VOICINGS

QUESTION: Do you think a woman could make a capable president and why?

Jackie Sims (Jr.)—I would like to think a woman could be a capable president, but when one really thinks about this particular subject, a woman is more emotional and inclined to get nervous when important decisions have to be made, more so than a man. A man is supposed to be the leader of the household or family, so therefore, I think a man would be a better leader of our great country or nation. In most cases the men go to greater extents and levels in education than women do to learn more about the curriculum of the world. They can also accept more responsibility easier than women.

Betty Boone (Jr.)—No. Women's true emotions are not mentally or physically strong. Armed forces would not want a woman for a commander in chief.

Allen Newton (Jr.)—If a woman has been involved in politics for a long time and has an experienced political background, I don't see any reason why she could not be president.

### ATHLETICS IN ACTION

This coming Saturday, the Wildcat track team will host the first annual Wildcat Relays.

Twenty-five schools from classes AA and AAA have been invited to participate in the meet and it is anticipated that at least 12 schools will participate.

Preliminaries in competition are scheduled to begin at 9:30 a.m. and the finals are to begin at 1:30 p.m.

Last Saturday, the Cats participated in the Brownfield Invitational meet.

Robert Rendon was the only trackster to place in the finals, with a fifth in the 880.

The mile relay team, consisting of Travis Danford, Kenneth Twitty, Randy Walker and Rendon, placed seventh in the finals.

A schedule of the remaining track meets is as follows:

- Littlefield, March 1; Denver City, March 8; Levelland, March 15; Hereford, March 12; Seminole, March 29; a district meeting at Snyder after the Easter holidays; and a regional meet at Odessa, April 18-19.

A group of girls who get very little recognition, but who did a good job of representing Littlefield High School are the volleyball teams. These girls have been doing a fine job this year and deserve your support.

The A-team has a 2-6 record, while the B-team has a 4-1 record for the season.

The A-team competed in the Colorado City tournament Friday and Saturday of last week. They won a trophy for sportsmanship.

Among team members are Doris Ashley, Evah Tucker, Junnie Gray, LaTonya Dangerfield, Lanet Gilley, Vollena Francis, Vicki Cook, Elaine Graves, Rhonda Gilley and Sandra Carter. Next game to be played is at Seagraves Friday.

They will play Pep here March 3; Shallowater there March 6; Pep there March 10; Morton there March 11; Hereford there March 17; Morton here March 18; and a district volleyball tournament at Sweetwater March 22.

### Thoughts

We need to suffer that we may learn to pity.

The silent bear no witness against themselves.

NEWLY ORGANIZED business club elected officers last week. Officers are, (front row left to right) Elaine Tiller, president, and Jean Davis secretary-treasurer; (back row, left to right) Marshall Allen membership chairman; Pat Chandler, vice president; Diane Kesey, hospitality; Gay Nicholas, program chairman; Beverly Chisholm, membership chairman, Tina Martinez, membership chairman; and Juanita Samaniego, reporter.

### New Club Officers Are Elected

By JUANITA SAMANIEGO

Guess what? Now there's a new club for all the future business leaders to join. Isn't that just wonderful?

A business club is just what the extracurriculum of LHS needs to fulfill its role.

Of course, many people are involved in two or three organizations already.

However, one must realize that this is an opportunity that arises once in a lifetime. Not all schools have a business club. Therefore, we must strive to make the LHS Business Club the most substantial club.

A business club can provide for the teaching and training of our prominent business leaders of future America.

A business club meeting was held last Wednesday, Feb. 19, in the typing room. Although only a few members attended, much was accomplished.

The first thing accomplished was the election of officers.

THIS WEEK'S Guess Who might be seen in chemistry class. He has light brown hair and brown eyes.

### THE BEAT GOES ON \*\*

By MILYNDA MORRIS

You know, I just realized the other day how conformed our society really is.

Traffic lights signal travelers when to proceed, when to halt, when to yield to other motorists. These automatic devices issue commands that are obeyed by almost everyone.

We follow our bell system at school. At a certain sound, approximately 350 students arise from their chairs, leave the classrooms of LHS and crowd into the corridors. At another signal, they each go to class again.

It's kind of nice to realize that we have an orderly society—one that runs pretty smoothly with co-operation. Co-operation— that's the key.

While driving by the Tech campus in Lubbock recently, I saw a troop of ROTC marching on the practice field. I thought for a minute about how terrible it is to have to have trained men with guns ready to be called into action in such an ordered society as ours.

Co-operation is the key. Do you co-operate? Do you at least try to co-operate? Who can achieve a goal without co-operation?

### Chili Supper Fetes FTA

The Littlefield Chapter of FTA met in the homemaking lab for a chili supper Monday night, Feb. 17.

The members provided the food and other supplies. Twenty-nine members attended.

After the supper, an election of officers was held. Officers for next year include Jan Christian, president; Tonya Bingham, vice president; Carolyn Lumsden, secretary-treasurer; Terry Walker, historian; Donarex Bowen, photographer; and Juanita Samaniego, reporter.

Members decided that a Teachers Tea, to be sponsored by the FTA members, will be given on March 5. Members of the committee in charge of the tea are: Koleta Giles, Beverly Chisholm, Janie Hyatt and Carol King.

Business club members can visit such places as Reese Air Force Base. Accountants, lawyers, and other businessmen will speak for business club meetings.

The members who attended decided to call the new club the "Professional Club", and is only a tentative name. Anyone who is interested in joining the club and who has a creative

### Six Weeks Tests Keep Books Open

This week, students at LHS have been cramming, reviewing, comparing notes, and studying for six weeks tests; and trying their best to make the highest grade possible.

Test grades are very important to all the students, particularly the seniors who must maintain a C average this semester in order to be exempt from their final tests.

As this six weeks comes to an end, students have seen that the past six weeks have been filled with action.

Several assemblies, the crowning of the basketball queen Janice Oldham, the quarterback banquet honoring students for outstanding sports records this year, and several other activities that have made the term a very pleasant one.

JAN CHRISTIAN, Tonya Bingham, Terry Walker, Carolyn Lumsden, Juanita Samaniego and Donarex Bowen are the newly elected FTA officers. They will be representing FTA members throughout next year.

### SKAT STAFF

The SKAT is edited by the first period journalism students of LHS, and published each Thursday by The Leader-News without expense to the school or taxpayers. The SKAT invites other media to use stories or articles therein.

- Editor, Milynda Morris. News Editor, Danny Gowen. Sports Editor, Roy Bolton. Feature Editor, Laqua Graham. Reporters, Junnie Gray, David Roden and Juanita Samaniego. Advisor, Miss Joella Lovvorn.

SUGGESTED FOR IMMATURE AUDIENCES

# Happiness Is ..

## MOODY EXPRESSIONS

Kathy Turner

Have you ever noticed how people look at themselves? How do their faces look when they are happy, their eyes are "glowing" or "watering"? When they are sad, their eyes get big and their teeth...

Some people are sad, they frown, and they never talk. When they're mad, they squint, they glare, and they grit their teeth.

Some people are scared, they tremble, they sweat, and they pray!!! When they're surprised, they open their eyes wide and quickly grin, and they start laughing!

When they cry, their entire faces get red, they are embarrassed, they blush, think, and then laugh!

When we all feel sorry for ourselves and then we cry and think, "I really love me!"

Usually moods and expressions are temporary and are actually a big joke. Look at all your friends, how many of them that you've had a good laugh, go to the mirror, and how do you feel?

Track boys have been working out in shape for track, so now you see why the boys have been looking like they've been running and RUN DOWN!

As we know, the first track meet was held March 8 and we hope our boys did a great job! We know they will if they ever get on their feet and really get 'em guys!

At this one: Eight men are in a room. Each man shakes hands with each of the others once. How many handshakes are there?

Answer: 28 handshakes—not 56. Remember when A shakes hands with B, B has shaken hands with A and A has to do it again.

Over the weekend, the junior high had a

bake sale. Over twenty cakes and around ten pies were sold. We appreciate all of you who took part in it. It has helped us tremendously!

The freshman girls volleyball team won its first game last Tuesday against Shallowater. The girls have played only four games and are just getting warmed up! They will go to Seagraves Friday to compete in a match and then again Saturday for a tournament. The team is really looking forward to the tournament.

So keep up the good work girls and go on up that winning streak!!!

Be prepared for the answer by the time you finish reading this paragraph, without retracing your steps: A bus started out empty. At the first stop it picked up ten passengers. Stopping again, it let off five passengers and picked up twelve. At the next stop, eight passengers got on and two got off. When the bus stopped again, 14 passengers got on and nine got off. One more stop and two passengers got on and one got off.

Ready with your answer?

The question: How many stops did the bus make?

Bored and restless? Try writing your zip code in Roman numerals.

Mrs. Pyland writing a note for her milkman: "Don't leave milk today. Of course when I say today, I mean tomorrow because I am writing this note yesterday."

Saturday, the bands will be participating in solo and ensemble contest at Lubbock. The groups have been working hard and are almost prepared for the big day.

So let's bring home a lot of "I's". Good luck and don't get scared!!!

Have a good week, and.....good luck on your report cards!!!

## Fieldton Church Slates Revival

Fieldton Baptist Church will begin revival services this Sunday, March 2, and services will continue through March 9.

Rev. Murie Rogers, pastor of First Baptist Church at Skellytown, will be the evangelist for these services.

Gerald Qualls, minister of education and music, at Second Baptist Church in Amarillo, will lead the music for the revival.

Mrs. Gerald Qualls will be the pianist, and help with the music during the revival. Morning services will begin at 10 a.m. Monday through Friday and the night services will begin with prayer services at 7:30 and congregational singing at 7:45.

The public is invited to attend these services.

## Amherst Seniors Schedule Play

AMHERST—The cast for the Senior Class of '69's Play has been rehearsing about three weeks.

The play will be presented to the public in the Amherst School Auditorium Thursday, March 6.

Members of the cast for "Pick A Dilly," a three-act farce, are Linda Johnson, Brenda Davis, Joy Priddy, Cassandra Ivey, Rodney Maxfield, Bruce Nicholson, Betty Elms, Debbie Lynch, Delores Abbott, Debbie Landers, Pat Duffy, Ronnie Hedges, Carty Mac Shipley, Mike Coifer, Royce McAdams and Darrel Moates.

In addition to this cast are those who will help with stage managing, sound effects, publicity, etc.

The Senior Class sponsors are Billy Pierce and Coach Larry Barker.

## HART CAMP

MRS. EDWIN OLIVER

262-4242

MRS. PAUL HUKILL returned home Saturday from O'Brien where she had spent a few days with her sister and family, Mr. and Mrs. Ab Johnston. Mrs. Johnston had been in the Knox City Hospital with a blood clot in her leg but was at home when Mrs. Hukill left Saturday.

VISITING IN THE Aubrey Neinast home Sunday were Mr. and Mrs. Roy Osthus and son, Pat of Lubbock. The Neinast family and the Osthus family were Sunday night supper guests of Bill Johnson.

DANA DAUGHTREY of Olton spent Friday night and Saturday with Pam Foster in the V. L. Foster home.

MR. AND MRS. BLANTON Martin carried the Intermediate Sunday School class of Hart Camp Baptist Church to Littlefield Friday night for a bowling party and hamburger supper. Mrs. Martin is the teacher. Attending were Mr. and Mrs. Martin, Mike Burleson, Steve Parkey, Greg Burleson and Don Parkey.

MRS. OMER NEELEY was in Plainview last Wednesday night to visit a friend, Mrs. A. E. Richards in the hospital there. Mrs. Neeley spent the night at the hospital with her.

MR. AND MRS. BLANTON Martin spent last Wednesday night at Knight's Rest Home sitting with Billy Ray Morgan. Morgan died early Thursday. He was buried Sunday with funeral services being held Sunday afternoon. Martin attended the funeral services.

MR. AND MRS. J. W. Wells and Mr. and Mrs. Aubrey Neinast and family attended a house warming Saturday night honoring Mr. and Mrs. Henry Ahrens and children near Olton.

MRS. VICTOR FOSTER'S cousin, Mrs. R. J. Deathridge of Ackerly, was seriously injured Friday afternoon in a car-tractor collision 12 miles south of Lamesa. She is in the Medical Arts Hospital in Lamesa. Her 4-year-old son, Donny Jay Deathridge, was asleep in the back seat of the car and was not seriously injured. The accident occurred about 2:40 P.M. as Mrs. Deathridge and her young son were enroute to the Medical Arts Hospital at Lamesa to visit her father-in-law who was seriously ill. The father-in-law died as Mrs. Deathridge was enroute to visit him.

A BIBLE STUDY program was attended by three ladies of the WMS Monday morning at the Baptist Church. The study was from Ephesians and the topic for the lesson was "A Missionary Treatise on the Church". Mrs. Dewey Parkey was in charge of the program in the absence of the Bible Study Chairman, Mrs. L. W. Sullivan.

MRS. O. J. NEELEY left last Thursday for Oglesby, to visit her parents, Mr. and Mrs. J. W. Brewer. Mr. Brewer's 71st birthday was Thursday. He has been seriously ill for several months with cancer. Mrs. Neeley returned home Monday afternoon and reported her father's condition is very serious.

MR. AND MRS. BLANTON Martin visited last Wednesday at Southland with his mother, Mrs. S. D. Martin.

MRS. J. W. WELLS was one of eight hostesses to a baby shower Feb. 9 at St. Martin's Lutheran Church in honor of Mrs. Robert Pitman

and infant son, Shawn Allen Pitman.

O. J. NEELEY and daughter, Teresa, were in Anton Monday afternoon where they attended funeral services for Mrs. A. E. Richards of Ralls who died Sunday in a Plainview hospital following a short illness. Funeral services were held in the Anton Primitive Baptist Church. Neeley served as one of the pallbearers. Mrs. Richards husband is a Primitive Baptist Minister and he performed the wedding ceremony of the Neeleys daughter and son-in-law last summer.

MR. AND MRS. Aubrey Neinast and children and Bill Johnson attended the Spade homecoming activities Friday night at Spade. Mr. Neinast and Mr. Johnson are Spade High School graduates.

MR. AND MRS. M. W. Wheeler, Mrs. Elma Burleson, Lajuana, Mike and Greg, Mr. and Mrs. D. R. Leonard Brenda and Danny, Mrs. Edwin Oliver and Debbe, Mr. and Mrs. Blanton Martin and Rev. and Mrs. J. D. Nelson and Lesa were all visitors Saturday night at Knight's Rest Home in Littlefield. Valentine Cookies were served to all the residents of the home and a sing-song was held in the lobby of the home with all present participating.

MR. AND MRS. V. L. Foster, Pam and Kimmie were in Lubbock Sunday. While there they saw the movie "Romeo and Juliet."

MRS. EDWIN OLIVER and Debbe, Mrs. V. L. Foster, Mrs. Roy Hendrick and Sharon, Mr. and Mrs. D. R. Leonard, Brenda and Danny and Lajuana Burleson all attended the basketball games between Olton and

## 'Get-Together' Club Meets

The "Get-Together" Club met in the home of Mrs. Joe Oden Thursday afternoon, Feb. 20, with all members attending.

Mrs. Martin Farmer demonstrated making burlap flowers.

New officers were elected. They are president, Mrs. Faye Jolly; vice-president, Mrs. Charles Hinds; secretary, Mrs. Joe Oden; and reporter, Mrs. R. N. Nicholas.

Refreshments were served to Mrs. Martin Farmer, Charles Hinds, R. N. Nicholas, Faye Jolly, Raymond Lancaster, Enloe, Millard Phillips, Daisy Brock, Henry Sagar, Grego and the hostess, Mrs. Oden.

Floydada Friday night, Pam Foster, daughter of Mr. and Mrs. V. L. Foster, played her last game with the Olton High School Varsity team; she will graduate in May.

MRS. GEORGE STEWART and her Girl Scout troop had a Valentine party last Tuesday afternoon at their meeting.

L. W. SULLIVAN, Mrs. J. W. Wells, Mrs. Dewey Parkey and Edward Kinsky have been on the sick list this week.

# First Annual Wildcat Relays Slated Here

MICKEY JOHNSON DRIVES FOR TWO MORE

## Dogs Win Bi-District; Meet Miles Friday

The Amherst Bulldogs, playing in their first regional tournament, clash with District 12-B champion Miles Friday afternoon at 4:45 in the first round of the Region 1 tourney at Levelland.

The Bulldogs earned their ticket in the two-day event Monday night when they won their first bi-district title, dumping highly touted Whiteface by a healthy 78-65 margin.

Adrian, 1-B, and Fort Hancock, 16-B, meet in the first battle of the tournament, starting at 3:30. The evening's schedule includes Allison, 3-B, and Sands, 13-B, at 7, and Quitaque, 7-B, clashes with Meadow, 9-B, at 8:15.

A Bulldog victory would pit them Saturday morning at 10 against the Adrian-Fort Hancock winner, with the evening's winners meeting at 11:15.

The championship battle will be played at 8 p.m. It will be preceded at 6:30 by the third place game, which pits the morning's two losers.

To be played in the Texan Dome on the campus of South Plains College, tickets per session will be \$1.25 for adults and 50 cents for students.

Amherst's win over Whiteface was impressive, in the fact that the 'Dogs beat a team that was coached by Max Dickerson, chosen this week as the South Plains Class B Coach of the Year, and had a first-team All-South Plains player, Joe Tienda, and honorable mention Dale Burris, on the squad.

Amherst had only an honorable mention named by the Avalanche-Journal sports department. He is Royce McAdams.

Rebounding and defense was the name of the game in the Bulldog-Antelope clash. And Amherst dominated both.

Shooting was pretty well even as far as accuracy went, but the 'Dogs of Coach Bert Grimes just got the ball off more often than did the losers.

Most of the Amherst points, 31 of which came from the talented hand of junior Mickey Johnson, were made from under the basket. Whiteface, on the other hand, had to make its points from well outside, and shot with amazing accuracy.

Johnson hit 11 of 21 field goal attempts and nine of 15 free shots for his total contribution.

Royce McAdams was the

The first annual Wildcat Relays get underway at Wildcat Stadium Saturday morning when the first starter's gun fires at 9:30.

Members of the LHS coaching staff have been working at a hectic pace the past few weeks, preparing equipment and facilities for the first event of its kind here.

Nine teams, including the host Wildcats, will be competing for a wealth of prizes. Included will be Tulia, Hereford, Muleshoe, Canyon, Olton, Levelland, Seminole and Slaton.

First, second and third-place medals will be awarded to the top three placing individuals in each event. In addition, trophies will be awarded to the overall winning team, winning 440 and mile relay teams, and the high point individual.

Following a scratch meeting of the coaches, which will be held at 9 a.m., the track preliminaries will start at 9:30, the same time as the preliminary of the pole vault, long jump and discus events.

Track finals will begin at 11:30. Prelims in the high jump and 400 will start at 1:30.

Seven lanes will be available for running events on Littlefield track, which was established the summer of 1967.

There will be no preliminary sprint relay, but two heats necessary on the mile relay, and to Coach Raymond Birchfield.

All timers, catchers and judges will be volunteers from the community.

Among the athletes participating will be Slaton's Richard Washburn. He was the champion quarter miler AA last spring, but is not expected to be in top form with only two weeks preparation since basketball.

## Johnson, Matthews Lane On South Plains Teams

Olton's Kenneth Johnson and Spade's Wayne Matthews kept Lamb County from being almost completely shunned by Lubbock Avalanche-Journal in its selections of All-South Plains basketball teams.

Johnson was named to the A-J's Class AA first team, which was dominated by four players from the 3-AA championship Dimmitt club.

Matthews landed on the Class B first team, though his team lost out to Amherst in the District 5-B race.

Two players did, however, the honorable mention lists.

Charles McClain, another player was listed there, as was McAdams, one of four seniors on the 5-B championship Amherst club.

Johnson, 6-1, 190 senior, scored 183 of 277 field goal attempts and 183 at the charity line for 353 points. He also snared 333 rebounds and 15-6 Mustangs, who lost in consolation play only to Dimmitt.

Matthews, ending a fine high school career at Spade, was the second scorer on the first team, with 105 points. Only Ropesville's Ricky Jones scored more points, 665. The senior was also third among the team in rebounding, with 384.

Actually, six of the 10 first team were from 3-AA. Be Dimmitt's four and Johnson, who contributed a player.

The only player on the Class B team from District 3-A, the conference in which Springlake-Earth defending champion Sudan beat was Kyle Sheets of Farwell.

## IN OVERTIME Idalou Tops Spade Fems

It took an overtime for the AA Idalou Wildkittens to tame Spade's girls, but they finally won the bi-district warmup contest by a narrow 62-60 margin.

Actually, Idalou had a much harder time winning than even the score indicated. Spade led throughout the contest, and was ahead by nine with 3:29 remaining in the game, when guard Carol Stubblefield fouled out. Shortly afterward, Bonnie Thompson followed her.

And that opened the door for Janice Foreman and company.

The District 5-B champs held a 39-31 halftime command, and even though they scored only four points in the third period, led 43-41 after three periods of play.

Belinda Thompson was high for Spade, with 32 points. Christi Adams was next with 18.

Idalou's Foreman canned 39 points to lead the victors in scoring. She accounted for 23 of her points from the foul line, where she missed only one attempt the entire evening.

Spade outscored Idalou 20-18 from the floor, but the Wildkittens held a 26-20 edge at the foul line. Idalou had 21 personal fouls to Spade's 20.

The Spade fems, who went all the way to the regional tournament last year before losing out, will meet Bula Tuesday in bi-district at Levelland, bidding for another regional tourney and a ticket to the state meet at Austin.

## Leads Victory Slaton Girls Champs

Marsha Dawson canned 30 points in leading the Springlake-Earth Wolverettes past Sundown Tuesday night, 65-47.

The Wolverettes are grooming for their Tuesday night battle with 4-A champ Ralls, in a bi-district clash to be held at Abernathy.

Springlake-Earth is the defending state Class A champion. Sundown has been picked by many observers as the best Class B team in the state.

Slaton's girls captured the District 1-AAA title Tuesday night by thumping Tulia, 48-30.

Slaton is a District 3-AAA school, but so few schools in the conference have basketball, a special district was formed that they might compete.

Littlefield has no girls basketball on the Interscholastic League level.

## Some Day EVERY Cotton Farmer Will Plant A Seed Like DUNN 56-C

Dunn seed comes up fast, matures early, produces HIGH yields. It's ready to strip before many of the shorter staple varieties. Dunn is a real money maker!

**LONG STAPLE:** Dunn's 56-C ginned good as long staple cotton, producing 1 1/16" to 1 3/32" staple with 85,000 to 90,000 P.S.I. and 4.0 Micronaire.

**BRED FOR STRIPPING:** Dunn 56-C is a medium size stripper-type stalk, early maturing with large storm proof bolls and excellent stripping characteristics.

**MATURES EARLY:** The first bale on the Plains in 1968 was produced from Dunn 56-C in just 122 days!

**WILT TOLERANT:** Analysis shows Dunn 56-C to be among top three brands in wilt tolerance.

**GET ALL THE FACTS ON DUNN 56-C**

## Whitharral Athletes Honored

Athletes of Whitharral High were honored at the athletic banquet Friday night in the school cafeteria. Special football honors were kept by the Rodgers family when Terry Rodgers was named Outstanding Player of the year and Monty Rodgers was revealed as the Outstanding Back of the year. Earlier in the year the Rodgers brothers placed the All-District team when Monty Rodgers named All-District halfback and Terry was honorable mention offensive and defensive guard. Wayne Hoelscher was presented with a plaque for being chosen "Fighting Panther" for the 1968 season. All three of these honors were voted on by team members. Other grid honors went to Loyd Hoelscher, honorable mention all district end; Wayne Hoelscher, honorable mention defensive halfback; Jim French, honorable mention all district linebacker; and Larry Gage, honorable mention offensive end. Panthers participating in boys' basketball who won special recognition were Johnny Graham, outstanding basketball boy of the year, and Jimmy Pence, an alternate in the All-Star team. Graham's honor was voted on by teammates and Pence tied for All-Star with six votes from district coaches. Awards were made by Odie Summers, football coach, and Jack Bell, basketball coach. Other football and basketball players honored Friday night were Mark Thomas, Rex Avery, John Garcia, Ronald Pence, Randy Wade, Joe Paul Tedder, James Hayes, Finis Tipton, Bobby Cardenas, Eddie

Johnson, Loyd Strickland, Kenny Dukatnik, and Carl Hoelscher. In girls' basketball, Kathy Lynn Williams was named Outstanding Forward of the year, and Shari Throckmorton was honored as Outstanding Guard of the year. Miss Williams was also recognized for being named honorable mention on the all-district team. Linda Wade was also selected as an honorable mention all-district player. Others girls getting recognition Friday night were Karron Johnson, Ann Denney, Karen Hayes, Linda Andrade, Christy Clevenger, Kathy Williams, Alice Davilla, Marla Sadler, Cynthia Dukatnik—all tournament guard at Anton, Rita Avery, Lupe Andrade, and managers Sharon Throckmorton and Sue Tipton. Jim Moylan, Texas Tech tackle, was guest speaker. Moylan's topic was "Game of Life". Moylan came to Tech from Southland without a scholarship. He made All-Southwest tackle and has been drafted by the Minnesota Vikings. He told the young people present that sports teaches one to get along with his fellow man, pointing out valuable lessons that carry over into adult life. He admonished athletes to learn early what is right and wrong, and to practice the right.

WHITHARRAL ATHLETES honored include: from left, Terry Rodgers, Kathy Lynn Williams, Wayne Hoelscher, Shari Throckmorton, and Monty Rodgers. Johnny Graham, also recognized at the banquet, is not in photo.

Large cupids and hearts of red styrofoam decorated the center of the table.

GIRLS SERVING were attired in white blouses and red velvet skirts. Among these girls was Cynthia Carson, daughter of Mr. and Mrs. John R. Carson of Amarillo and granddaughter of Evangelist and Mrs. Raymon Carson.

## Insect Collection Shown In New SPC Building

A South Plains College freshman from Littlefield is exhibiting her insect collection of approximately 500-600 varieties in the new biology building of the college.

The collector is Leona Harms, daughter of Mr. and Mrs. Wilbert Harms of Rt. 1, Littlefield.

The collection began as a hobby for Miss Harms when she lived in Learing, Iowa, before coming to Littlefield in 1962.

Her first species were placed in a 4" by 14" box. Then in the seventh grade, she entered her collection, three boxes 12" by 24", in the Science Fair in Littlefield.

She received a purple ribbon and a chance to place her entries in the Lubbock Regional Science Fair. She

received a third place small bronze medal there.

In the eighth and ninth grades, her entry received blue ribbons in the Littlefield Science Fairs.

The collection began to increase until she now has nine boxes, those on display at the college. They are listed by kingdom, class, order, family, and several genus and species of the insects.

Miss Harms has spoken to a number of Home Demonstration groups and 4-H Clubs on insect collection, displaying her own collection as a part of the program. Entomology was her 4-H project and her 4-H Record Book on Entomology was entered in the regional division, winning for her a small gold pin with an insect, the 4-H emblem, and the word "Entomology" engraved on it.

The college freshman spent three years at Littlefield High School assisting instructors in judging assignment collections. She has tried to hatch many of the insects as "better specimens are obtained this way," she said.

Most people notice the butterflies from South America and Formosa first. She obtained them through a relative and friend she knew in South America who brought back several butterflies from the foreign country for her collection. She also received a Polyphemus moth through the mail from her grandmother in Iowa.

"Insects are just a sideline," Miss Harms admits. Her major is art and she is studying under the direction of Don Stroud and Burl Cole at South Plains College.

Talented at sketching, Leona does charcoal, pencil, open and ink sketches, and paints in watercolor and oil. She did numerous illustrations for the Littlefield school publication "Skat", of which she served as editor, and for various other clubs, yearbooks, 4-H projects and others.

Another talent winning her awards is her poetry. She began her hand with poetry writing when about twelve years old. In a poetry anthology contest in high school, she wrote a sonnet which was printed in the 1967 fall anthology of Mountain States, Texas, and Missouri High School Poetry, "Young America Sings", with a special mention, the highest honor.

In the spring of 1968, she submitted a 12 line, free verse poem and it was printed in the spring, 1968 edition of "Young America Sings", also with a special mention. It was printed in "Songs of Youth", a collection of poetry from every state in the union.

Miss Harms is serving as co-editor of the college newspaper, "The Plainsman Press" this year.

SOME UP SOME DOWN

There were more cattle, hogs and turkeys on Texas farms and ranches Jan. 1 than a year ago, but fewer sheep, goats and chickens, reported the Texas Crop and Livestock Reporting Service.

ON DISPLAY in the new biological science building at South Plains College is a 500-600 specimen insect collection belonging to Leona Harms, a freshman art major from Littlefield. She has collected insects for nine or ten years, receiving many awards.

## EARTH

MRS. BEULAH NEWTON  
257-4341

M. E. KELLEY has been dismissed from the hospital in McKinney, where he had surgery a week ago for Emphysema. His condition is much improved and he plans to come back home in about two months. Mr. and Mrs. Kelley have been living in Marlo, Okla., for several months, for health reasons. They hope to be able to stay at home, at least for the spring and summer.

THE LLANOS Altos Latin American Baptist Association will meet in the First Baptist Church with the Earth youth as hosts Monday night, March 3, at 7:30 p.m. All Latin American youth are urged to attend.

MR. AND MRS. R. S. Cole were guests Sunday of their son and family, Mr. and Mrs. Wayne Cole and baby of Olton.

MR. AND MRS. Pete O'Hair returned home Sunday. They had been with Mrs. O'Hair's parents, Mr. and Mrs. M. E. Kelley.

MR. AND MRS. R. S. Cole were in Amherst Saturday where Cole had medical care. Cole sustained an injured hand about a week ago while at work at K.M.P. Pump Co.

DR. AND MRS. C. T. Richardson visited their children, Mr. and Mrs. Curlee and children in Lubbock, Sunday afternoon. They also visited friends in Hale Center.

MR. AND MRS. R. S. Cole and Regina visited Cole's niece, Mr. and Mrs. Gary Kimbrough, in Olton Sunday afternoon.

SEVERAL of our Ag boys and dads left Sunday morning with their stock, for Houston. The boys will be gone all week. Gaston returned from Oklahoma Sunday at 1 a.m. and left
