

Heap Big Wildcats Stomp Chieftains 35-19

from scrimmage for a touchdown, a long kickoff return that was stopped just short of a touchdown, fumbles, an interception, a halfback option pass and

for most of the night, a ball that appeared to have eyes. But most of all, there were the Littlefield Wildcats making up for Little Big Horn, and when

the fighting was over Friday Friona's Chieftains had bit the dust 35-19. The big win, the Cats sixth of the season, boosts them up to first place in

the District 3-AA war. Friona evened their district slate at 1-1, and, like the Dimmitt Bobcats, changed their motto to "wait till next year."

The game was played in typical "football weather," a little chilly with a strong breeze affecting the play. The Chieftains kicked off, and the ball bounced on the 20, rolled past Bill Turner and Pat Henderson and into the end zone. Kenny Owens carried three straight times to the 30 for a first down, and then Fullback Randy Cook rammed up the middle and fought his way to the 44. But the drive stalled, and Turner punted out of trouble and the ball rolled beautifully down to the 9.

Friona's Bill Fallwell fumbled on first down, and Turner was there to recover on the 13. Three plays later, Quarterback Terry Bryson followed his blockers around the right end, leaped over Dee King, who made a lunging try on the four, and trotted in for six points. Turner added the point after, and Littlefield was in the lead with four and a half minutes gone in the game.

Ricky Hopping kicked off, and Teddy King took the ball on the 12. He headed for the right sidelines, cut up a hole, and was suddenly in the open and speeding down the field. Bryan Myres saved the touchdown with a diving tackle on the 13, but King pushed over from the two five plays later. Davy Carthel made it 7-7 with his PAT.

The Cats next drive was aborted when there was a fumble on Bryson's handoff to Henderson. Kevin Welch recovered on the Cat 47. Owens broke up Friona's second down sweep when he blasted through and dropped Dale Parsons on the 49, and the Chieftains punted away to the 17.

That ended the quarter, and the teams exchanged punts once more before Littlefield settled down. Starting on the 30, Bryson kept on the option and scampered to the 41. His pass on the next play was deflected on the line, but

LAMB COUNTY LEADER-NEWS

VOLUME 51 NUMBER 54 LITTLEFIELD, LAMB COUNTY, TEXAS, SUNDAY, OCT. 28, 1973 14 PAGES

15 CENTS TAX INCLUDED

ND OUT IN ADVANCE

the Amendments In A Nutshell

Legislatures may wish they had had another date for submitting the constitutional amendments on the election ballot.

- 5. Permitting tax levies for constructing seawalls to be made by majority vote, rather than two-thirds, in the affected coastal area.
- 6. A proposal to eliminate the dual jurisdiction of county and district courts in probate matters.
- 7. Authorizing the veterans land board to issue \$100 million more bonds for loans to veterans wishing to buy 10 or more acres of land, a self-sustaining program.
- 8. Removing the constitutional ceiling on tax levies for bonds by towns and cities. Now a city under 5,000 population can levy at a rate up to 1.5 per cent of its total value of taxable property; larger cities up to 2.5 percent.
- 9. Permitting the Legislature to exempt from property taxes the water supply facilities of any nonprofit corporation or cooperative.

PROPOSITIONS ARE:
Increasing legislative salaries to \$20 annually and providing for annual sessions.

IF ANY OF the above fails at the Nov. 6 election, the content still could be considered at the Constitutional Convention in January, which will consider the recommendations of the Revision Commission and other proposals.

gugan Reveals Water Projects In Jeopardy'

Current actions of the Executive Council of the Federal Government, if implemented, will result in the practical withdrawal of the federal government's participation in any large scale water development projects," says Arthur P. Guggan, Jr. of Littlefield, chairman of the Water Development Committee of the West Texas Chamber of Commerce.

Proposition 1 has received the most attention, with an active group of business, labor and other organizations supporting the effort to increase the present \$400 monthly salaries for lawmakers.

If the salary-and-annual sessions proposal is defeated, legislators sitting as delegates to the constitutional convention will be in a difficult position, especially if they are running for office in the May 1974 primaries. If the new constitution provides higher legislative pay, as nearly every commentary suggests, this would be hard to justify in the face of an adverse Nov. 6 vote.

Sponsors hope for—but do not really expect—a large turnout for the November election. But the mood of the voters is hard to calculate right now, largely the result of the turmoil in Washington which really has little to do with the merits or demerits of revising the Constitution of Texas.

Patrolmen Investigate Third Fatal Wreck Within Six Days

Fidel Gomez Friday was killed in a pickup-station wagon accident near Olton about noon Thursday, and two other persons riding in the pickup were injured.

The fatality is the third death investigated by Texas Highway Patrolmen in Lamb County within a week.

STANLEY PATTERSON (80) takes a play into the Wildcat huddle in Littlefield's 35-19 win over Friona Friday. Patterson and Bill Turner, both split ends, alternate taking plays when the Cats have the ball. Coaches Lewis Boomer (with phone), Rod Hench and Jerry Blakley watch tensely. (Staff Photo)

Girl Scout Fund Drive Begins Here Thursday

Orville Bassett of Shook Tire Company, has been named chairman of the Girl Scout Fund Drive which is to begin Thursday, Nov. 1, with the business drive in Littlefield.

Twenty-one volunteer workers, under the leadership of Bassett, will seek to collect \$3,500 "to continue and expand Scout activities for girls from 7 to 17 years old in this area."

"I have accepted the chairmanship of this campaign," Bassett said, because I believe that the Girl Scout program provides the best opportunity for girls of our council area to acquire the fundamentals of American citizenship."

A house to house campaign will be conducted Sunday, Nov. 11. Littlefield has 136 registered Girl Scouts, 28 registered adults working with 11 troops for Brownie, Junior, Cadette and Senior Scouts.

The troops meet once a week and the girls and their leaders plan the troop activities. Among their community service projects have included the spook house and Halloween carnival sponsored by the troops; participation in a "get out the vote" campaign by making and distributing "I Have Voted" tags; provided baby sitting services for voting parents; and provided transportation to the polls.

"Your campaign contributions help maintain the Girl Scout Little House by providing utilities, insurance, maintenance and supplies and will pay the final payment on the note for the building," Bassett said.

He called attention to the increasing need for youth programs today when young people are spending so much of their time away from home, and when they have so much more leisure time on their hands.

"Through Girl Scouting," he asserted, "girls enjoy wholesome recreation, form rewarding friendships, develop practical skills and healthy attitudes that may well determine the direction their lives will take."

Troop leaders and administrative personnel are kept up to date on current events. This past year, 31 training events were offered adult volunteers throughout the Caprock Girl Scout Council. Eighteen trips were made to Littlefield by executive staff members to work with leaders and service team members.

Sorghum Prussic Acid Can Kill Livestock

"Although warm weather tends to indicate that winter is still a long way off, it's a matter of time before the season's first freezing temperatures arrive. Such a killing frost can spell danger for livestock producers that have cattle grazing on sorghum, stubble or any of the sorghum-sudan hybrid pastures," says County Extension Agent Buddy C. Logsdon.

The reason is prussic acid poisoning of the animals.

The danger of prussic acid poisoning exists mainly in pastures and fields where sorghum stubble is making regrowth and where there is vigorous, young growth of Johnsongrass, sorghum-sudan hybrids and related plants. Such growth generally has a high content of prussic acid, especially if produced under stress of dry or cool weather.

According to Logsdon, the main danger to livestock is grazing such

pastures and fields immediately after a killing frost.

He advises livestock producers to wait a week to 10 days following a killing frost before allowing cattle to graze stubble pastures and fields. If only a light frost occurs, remove the cattle until plant growth is killed by a heavy freeze.

Each year numerous animals are lost from prussic acid poisoning. These losses are needless and rob the producer's pocketbook. Giving special attention to grazing management and staying abreast of changing weather conditions can avoid cattle losses to prussic acid poisoning, points out Logsdon.

For further information, Logsdon may be contacted at 2nd floor of Lamb Co. Courthouse or telephone 385-4004.

Three Arrested, Two Thefts, Cases Reported

Andrew Lee Porter of Littlefield was arrested on a liquor law violation charge by county authorities Friday afternoon. His bond was set at \$1,000.

Two thefts were reported to county officers. Bill Bradley of 300 Crescent Drive reported the theft of a tool box and assorted tools valued at \$75-100 taken from his pickup parked in front of his residence.

Steven Smith of Olton reported the theft of a welder, cutting regulator, hoses and a butane and oxygen bottle sometime Wednesday or Thursday.

At the city police station, one was arrested on a warrant one on suspicion of burglary.

Two vandalism reports were received. Dr. James Shotwell reported the breakage of two small windows, one large window and a drapery tear at his office at 500 E. 6th.

The Littlefield radio station reported someone had torn output lines off the radio tower.

Women Drivers Pose Family Problems

Jim Norman who lives northwest of Earth said he's told his wife and daughter at least 100 times to drive slowly on country dirt roads. Now maybe they'll listen to him.

Norman has, or maybe the word should be HAD a car and a station wagon. His 18-year-old daughter Jim Ella Norman, was driving the station wagon to school about 7:55 Thursday morning. His wife, Ella Travis Norman, was on her way to town in the family car.

The daughter thought she had a flat tire, stopped in the center of the road and got out to look at the tires. Along came the girl's mother. When she saw the station wagon, she was traveling too fast to stop, and she couldn't go around the vehicle because it was in the middle of the road.

The car skidded 126 feet before it plowed into the station wagon and knocked it into the right bar ditch. There was extensive damage to both vehicles, and both drivers got tickets. The daughter was filed on for parking in the roadway, and the mother was cited for failure to control speed.

THP officer Vincent Ponder investigated the accident.

Former Resident Named General Telephone Mgr.

Jimmy Bennett, former Littlefield resident, has been named area public affairs manager in General Telephone Company's Western Area offices at Brownwood, according to W. C. Wells, Western Area General Manager.

Bennett will direct the company's public affairs programs in the newly organized Western Area.

JIMMY BENNETT

The native of Paducah started his career in telephony in 1960, as stockman at Brownfield. He later served as cable splicer's helper, and cable splicer, moving to Memphis in 1964, in the same capacity.

Bennett moved to Brownfield in 1966, as communications consultant, and was named to a similar post in San Angelo in 1968. He became division office manager at Brownwood in 1970, and assumed the title of area service office administrator in 1973.

He attended Littlefield High School and West Texas State University at Canyon. He is president of Brownwood Optimist Club, and a member of the Masonic Lodge.

He and his wife, Joyce, have three children: Cindi 13, Jay 9, and Randy 5.

CST Returns This Morning

Is your clock up to date today? Central Standard Time officially made its debut at 2 a.m. (or is it 1 a.m.) this morning, and if you didn't turn your clock back an hour before you went to bed, or immediately after you got up today, then your clocks and watches are not up to date.

Early Risers Lions Plate Chili Supper

The Lions Club Early Risers Lions will sponsor a chili supper Friday evening, Nov. 2, between 5 and 7 p.m. in the Junior High School Cafeteria.

Tickets for adults are \$1.50 each, and children and students may eat for \$1.00. Tickets will be available at the door.

Friendship Is Theme For Beta Sigma Phi

Friendship was the theme for the program during the regular meeting of the Tau Chi Chapter of Beta Sigma Phi Monday night.

Kaye Kendall and Judy Vaughn presented the program.

Each member was called upon to illustrate a special deed of friendship they had experienced.

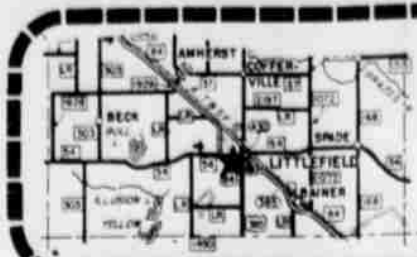

A city council report was given by Bonnie Stephens and

the annual Thanksgiving dinner for members of all three chapters and their husbands was discussed.

Members donated new magazines to be given to area hospitals.

Bonnie Stephens was hostess for the evening, serving Cokes and doughnuts to Dot Simmons, Judy Vaughn, Kaye Kendall, Gayle Mills, and Glenda Young.

At the close of the meeting, each member was presented a "seed flower" as the love gift.

In your business and at home, electricity is something you can hardly do without. We care about your need for electricity . . . that's why we're continually researching new ways to provide you with the power you need.

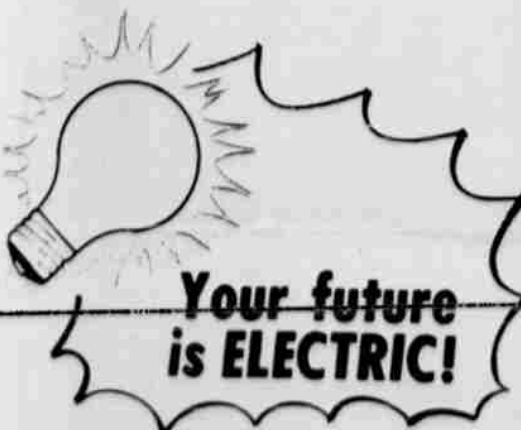

Today, natural gas is our most abundant source of fuel, and we use it wisely for the purpose of providing you with kilowatts that are 100% usable.

Tomorrow other sources will be needed. We'll be able to use them, and

you'll still be using your electric outlets — with never an interruption. The possibilities are only as limited

as man's imagination and ingenuity. Fusion, nuclear, breeder reactor . . . yesterday those words were science fiction. Today they're the promise of tomorrow.

You can be sure that the electric appliance or machine you buy today can still be used tomorrow . . . because it is electric.

WE NEED YOU!

OLTON HOME Demonstration Club will meet Tuesday, Nov. 6, in the home of Mrs. Bill Pittillo with County Extension Agent Mrs. Lynn Bowermon presenting a program on diabetes. MRS. ANNIE LANGFORD returned home Thursday from Littlefield Hospital.

Hastings-Palmer Vows Solemnized

Double ring wedding vows were exchanged Oct. 4 between Lenda Kay Hastings of Azle and Michael Emmett Palmer of Fort Worth, during a ceremony in the home of the groom's parents, Mr. and Mrs. E. E. Palmer in Fort Worth. The bride is a former Littlefield resident, and is daughter of Mr. and Mrs. J. B. Hastings of Azle Star Route, Box 575, Azle.

For the simple wedding, the bride wore a white dotted swiss dress with fitted waist and pink waistband coming to a bow in the back, and Cameo necklace. Her veil of illusion was attached to a Victorian cap. She carried a bouquet of baby pink and white carnations over a white Bible. Vows were exchanged

beneath a candle arch decorated with white gladiolus. Mrs. Larry Springfield of Springtown was matron of honor, and Soapy Scoggins of Fort Worth served as best man.

Following the wedding, a reception was served in the home, with Nell Montgomery and Jo E. Jones serving the two-tiered wedding cake and punch.

The couple is now at home in the Green Oak Square Apartments, 6701 Calmont, Apt. 107, Fort Worth. The bride is employed as a secretary for a furniture firm. The groom attended Weatherford Junior College and Tarleton State University. Grandparents of the bride are Mr. and Mrs. J. R. Hastings of Littlefield.

MARY JANE SANCHEZ
**Couple Slates
Wedding Date**

OLTON—Mr. and Mrs. Pete Sanchez announce the engagement and approaching marriage of their daughter, Mary Jane, to Reynaldo Garza, son of Mr. and Mrs. Hilario Garza of Springlake. Vows will be exchanged in St. Peter's Catholic Church Nov. 10 at 11 a.m. Friends and relatives are invited to attend. Miss Sanchez, who attended Olton Schools, has been employed in Garland for the past two years. Garza, who attended Springlake schools, has served with the armed forces in Vietnam and is presently stationed at Fort Bliss, in El Paso.

The SX-70 is here.

Once or twice in a lifetime, there comes a revolution so radically new, it actually changes the way we live our lives. Television was one. We at Polaroid believe the SX-70 is another. The original cascade of revolutions, mechanical, chemical, optical and electronic, that made the SX-70 possible, had only one purpose: to free us from everything cumbersome and tedious about picture-taking, so that it could become the simple creative act it should be.

Now that all you need to do is frame your picture, bring it instantly into perfect focus and push a button, now that the picture is automatically delivered into your hand in less than two seconds, to time itself and develop into a photograph of a depth and brilliance unparalleled in amateur photography, what might once have seemed like a family duty or even just an interesting hobby, can become a spontaneous and constant pleasure in your daily life.

Ask for a demonstration.

Safe Halloween

APPLES, COOKIES, candy, cider, and donuts seem to go right along with the witches, ghosts, ghouls, and goblins of Halloween. The goodies are treats—payments in lieu of tricks. Or are they?

This Wednesday evening the annual pilgrimage begins for the long anticipated treasurers. Will it be "trick or treat?" or, "trick or treatment?" For many children it is an evening of great fun and adventure, but for some it can turn into a night of tragedy and sorrow.

EACH YEAR, far too many children are injured and killed Halloween Eve by motorists unable to see them darting unexpectedly into the street. Others are badly burned as their costumes are ignited by flames from lighted candles and lanterns.

These tragic situations could be avoided if parents would observe rules of good sense and safety, such as the following suggestions offered by Liberty Mutual Insurance Companies.

USE ONLY bright costumes. A white-sheeted ghost is more easily seen by a passing motorist than a black-clad witch. But even brightly clothed children may be hard to distinguish as the evening darkens. No fluorescent strips which would make them even more visible, is suggested.

DO NOT ALLOW children to carry lighted candles, or lanterns, or any type of open flame. Many children have been burned in past years when their costumes, often made of extremely flammable material, caught fire. A flashlight would be easier to carry, and would also make crossing the street safer.

Be sure to chaperone all children who

would not normally be allowed outside alone at night. Younger children should be out only in the early evenings. The discreet presence of an adult can stop a problem situation from developing.

A MAJOR PROBLEM each Halloween is children who have been cut, drugged, or poisoned. Apples and cup cakes can have razors hidden in them. Any kind of non-commercially packaged edible can have drugs or other poisonous ingredients added to them.

Be very careful that gum, candy, and other snacks are securely wrapped, and that the wrapping has not been opened and resealed. It is best to trick or treat in your neighborhood.

KEEP A LIGHT on in front of your house so that there is no danger of children being injured by walking into objects or holes they cannot see in the dark.

If there is a pet in the household, keep it away from the door.

CHILDREN ENJOY putting on make-up as part of their costume, but be careful of what they use. Cheap make-up can in many instances cause complexion problems for youngsters—or hurt their eyes.

FINALLY, when your child goes out for the evening, make sure you know where he or she is going and what time he or she should return.

Halloween can be a real treat for everyone. One way to ensure it, is to follow these simple rules of safety. The result will be an enjoyable and safe evening for children and parents alike.

Safety on Halloween is NOT a magic act.

School Finance Crisis

Governor Dolph Briscoe has been urged repeatedly—since the 63rd Regular Session of the Legislature adjourned last May 28—to call a special session to deal with the present and growing crisis in the Texas public schools.

It now appears that Governor Briscoe will not present to the Legislature a comprehensive school reform program until the regular legislative session in January 1975. Nevertheless, conditions are becoming critical in Texas public school finance.

There seems to be a good chance the Governor may call a special session next year—after the Constitutional Convention completes its work—to provide temporary relief for the schools for 1974-75.

The gravity of financial problems now facing Texas schools, and the forecast of greater hardships in 1974-75, were clearly indicated by results of a recent

TSTA survey of Texas school district officials. Of the 1,145 school districts, 725 responded to the TSTA questionnaire.

The survey findings, a complete copy of which was sent to Governor Briscoe on September 26, includes these:

—Forty-four percent of the responding districts indicated they had to increase local school taxes—in amounts ranging from 1 to 114 percent—this year to balance their budgets.

—Seventy-five percent said they will have to raise local taxes in 1974-75 to keep school programs at their present levels.

—Twenty-nine percent said they had to curtail some of their 1973-74 instructional programs, and 55 percent foresee program cutbacks in 1974-75.

—Fifty-one percent said they would have to use reserve funds to meet their 1973-74 budgets; many others said no reserve funds are available.

—Thirty-two percent said they had to cut back this year on the number of faculty members employed; 68 percent said such cutbacks would be required in 1974-75.

—Forty-two percent said they expected to have to reduce local supplements of state aid for teachers' salaries in 1974-75.

—TSTA Texas Schools

"IT IS MY INTENTION TO STICK AROUND!"

A Woman's View

By PEARL BRANDON

WHEN I SIT DOWN to write this column, I think of all you people out there who may read it, and I would like to say what the Lord might want me to say to you.

I think of Him coming to visit us in person, like He did nearly 2,000 years ago when He lived and walked like other men here on earth.

How excited those people must have been, "Look, the Master is coming!"

I WONDER if they took the time to straighten their house a little, or change their clothes, or maybe clean up some mess they had made before they asked Him in.

Or did they just run out to meet Him, knowing it didn't matter any way.

ONCE DURING the depression, a family lived near us in a tent. Times were really hard and they had a large family of children.

I have often thought of that little mother working all day long every day washing and ironing and cooking—and doing all the other things it takes to keep a large family.

She used a tub and rub-board for washing, and she prepared meals and served them from large pots from the stove.

They didn't even have a table, no room for one any way. Beds enough for the family and a stove to cook on to keep warm by filled the tent.

Through all this I never heard this

little mother complain or ask for anything for herself.

OF COURSE as times got better and the children grew older things improved for them. The children grew into fine young men and women.

I have often thought if Jesus should have come into our community, then, as He did long ago visiting in the homes, I think He would have visited that family first, and gave that little mother a blessing. She is gone now, but her memory lives on among some of us who were less brave than she was.

EVERY DAY we see around us signs of the passing of time. We are young and then we are old.

To old people it seems but yesterday when they were young and strong, but all of life is beautiful if we take the time to see it.

NOW IT IS autumn and the leaves are turning gold, the days are mild and lively.

Nature is beginning to get ready for the long winter rest. Let's enjoy these beautiful days while we can.

OUT THERE in the world we hear the far cry of nations at war and the roar of confusion but here in our little town it is calm and serene.

The crops are maturing and harvest is beginning.

THERE ARE FRIENDLY faces every where and living hands to help in time of personal trouble.

Let us look to our Heavenly Father to carry us through this time of crisis in the world.

"And He shall judge among the nations and rebuke many people: and they shall beat their swords into plow shares, and their spears into pruning hooks; nation shall not lift up sword against nation, neither shall they learn war any more." Isaiah 2:4.

MAY THE TIME come soon when all men everywhere can live at peace with each other and enjoy the fellowship of each other as we do here in our little town of Littlefield.

DEAR EDITOR

October 22, 1973

Editor, Lamb County Leader
Littlefield, Texas 79339

Dear Sir:

The Lubbock Area Silver Streak Trailer Club held our monthly rally at the city park last weekend, and we want you to know how much we appreciate the very friendly people of Littlefield.

Several of our citizens, including Chamber of Commerce members came by and visited with us. Your local citizens, Byron and Ruby Douglas and Baker and Rosemary Johnson, served as host and they certainly did a wonderful job of hosting the rally.

We had 13 Silver Streak Trailers and 14 families in attendance at this rally. We all enjoyed your hospitality and the very nice trailer park, and we will look forward to returning at a later date.

Again, thanks for a wonderful weekend.

Sincerely,

J. D. Strickland,
Hazel Strickland,
President

Canyon, Tex. 79015

THE ABUNDANT LIFE

Be-Biggling

"BE-BIGGLING" is the opposite of be-littling. I don't know who coined the word, "be-biggling", but it is a good one; and expressive of one of the greatest needs and most helpful of all human manifestations.

THE MAJOR DIFFERENCE between "be-biggling" and "be-littling" is the difference between building-up and tearing-down; and this can be the difference between a worthwhile life and a misused life.

We can build up others and what they do; or we can tear down others and what they do.

WHICH IS EASIER, to build up or to tear down? All of us know that it is easier to tear down, to "be-little". Without much thought or effort, we can speak slightly of others and their accomplishments.

Unfortunately, there will usually be some degree of dishonesty mixed with our "be-littling" comments. In many instances, perhaps in most instances, our "jealousy" and our "smallness" will be showing.

EVEN IF WE KEEP this immature talk honest, we are still on the wrong side of life. We do not lift ourselves by pulling others down.

We do not improve our lives by pointing out the flaws and faults we see in the lives of our fellowmen. The disgusting truth is that we are just making our own lives less desirable, when we "be-little" other persons and what they do.

WHY SHOULD WE FEEL that it is necessary to "cut other people down to size?" More often, than not, we only

reveal how little we are.

Why do we so often think that we put someone in his place?

To do this, we usually assume that is not very complimentary lose.

WE MUST BE MORE patient in order to be constructive. It is mandatory in what we say to others; to "build-up"; but this needs to be done.

We help ourselves and others when we "be-biggle" them; but we hurt anybody, when we "be-little"

"BE-BIGGLING" WILL help to create and maintain a social climate for personal betterment for satisfying associations with persons than any one thing we can do.

If we try, we can find something to live in and in the work of other people, honestly appreciate and compare.

MANY FAMILIES, and other related social units could be new and happy condition if the involved would stop "be-littling" other; and begin building another.

Discouragement must be replaced by encouragement, and fault-finding be replaced by complimentary "bigging" will banish most unhappiness which torments members of these closely knit units.

IT IS IMPORTANT and right up to the other person to himself and other people.

We can find something constructive to say and do, if we try.

By CORNBALL BLE

LUCKY ME, I DON'T live in Lubbock! Them that like it can have it. There's too much country in me, for me to be able to envy those guys anything.

They can have the Red Raiders, their colleges, their chamber of commerce, their taxes, and most of all, they're welcome to their traffic.—That especially around five o'clock in the afternoon!

I'VE DRIVEN in Dallas, Fort Worth, San Antonio, Oklahoma City, and even Los Angeles, Calif., but I'm afraid my heart's a little weak for Lubbock's 5 p.m. traffic, especially around 19th and University.

I'd already quit worryin' about the boss's new wagon I was drivin'. I'd even gotten over frettin' about the fact that I'd been run through mud and fresh road tar with the thing.

By the time I'd gotten far enough out of town that I could see the pavement in front of me (instead of the bumper of another vehicle) I was whisperin': "Lucky me, I LIVE!"

NOTICE WHERE someone I'm not

mentionin' has taken notice of the Leaf, or White weed, as they're mostly called. You'd think, from his whines, that that weed is as new in this neck of the woods.

No such thing. That weed was before any of us were. For information, the thing is pretty hard to kill. All you have to do is keep it ground level for a couple of years.

AFTER WHICH TIME, you hole about three inches deep in it and pour it full of crankcase oil and fire method!

INCIDENTLY, if you didn't clock back that hour last night, outta step with your neighbors, you may even have time to go and go to church, yet. Or did you some other excuse, rather than sleeping?

DON'T LET THIS balmy weather you into a state of false security. A bunch of us get caught with our freeze down!

Turn Row COMMENTS

By EMIL MACH

THE 1973 COTTON crop is almost in the bag for High Plains producers. The expected bumper crop, due to expanded acreage, uniform earliness of planting and favorable weather conditions, may bring an additional bonus, says a research scientist with the Texas Agricultural Experiment Station here.

Micronaire values, based on data taken from daily temperature readings, could top 3.5 or higher, he says.

Dr. Jack Gipson, cotton physiologist based at the Texas A&M University Agricultural Research and Extension Center, explains that research shows a strong correlation between the average prevailing temperatures of the late summer months and the fiber quality of High Plains cotton.

"While several factors influence the quality of cotton," he says, "micronaire (a fiber quality measurement) and oil seed content are determined in large part by prevailing temperatures during August, September, and early October.

"Of the various fiber quality measurements used in the cotton industry," Gipson explains, "micronaire is of most concern to area producers since it is invariably the limiting quality character for this area.

"Micronaire provides a measure of the maturity of cotton fibers. Although it is not a measure of fiber diameter it is so closely correlated with diameter (or fineness) that it serves the cotton industry as a reliable indication of fiber fineness.

The researcher explains that in practice a particular cotton variety will have the genetic potential to develop fiber with a particular degree of fineness. But if environmental conditions, particularly temperature, are unfavorable, this level may not be achieved.

"For the current season," he says, "it appears there will be 52 days with 75

degrees F or below in the critical period. This pegs the current season's micronaire at about 3.5, based on varieties grown in the past.

"For the current season, there has been an appreciable increase in varieties with a higher micronaire potential which will be reflected in higher overall average," he observed.

"Taking these into account, it is likely that micronaire values for the 23 county area will average 3.6 for the 23 county area.

"Extreme micronaire values of High Plains may range from a low of 3.0 (very fine fiber) to a high of 4.0 (coarse fiber), he explains. The average for the High Plains area from 1957 through 1972 is 3.43."

The scientist reports that the micronaire recorded on the High Plains since 1957 was 3.93, in 1958. "In 1957 there were 37 days between Aug. 15 and Oct. 15 when the average temperature were 75 degrees F or below."

The lowest value was recorded in 1958. That average was 66 days averaging 75 degrees F or below from Aug. 15 to Oct. 15.

THEY SAY THAT in New York you want to live to a ripe old age become a scientist. The mortality rate for scientists is about 20 percent below the national average, according to "Statistical Bulletin" of the professors and clergymen be second best chances, 10 percent below average. Government officials have a mortality rate 10 percent higher than average. Physicians and surgeons have a rate 10 percent higher than average. Highest mortality rate by far—response would probably be "a life and a short one"—was found reporters and journalists.

All Things Considered

by Lee C. (Tot) Lewis
of Whitharral

The supreme duty of every man is to make a life. Anyone can make a living. Character is better collateral than capital.

Nothing is inevitable that is wrong. Following the line of least resistance is what makes rivers and men crooked.

It is ridiculous to be more concerned about clothes than character.

It isn't your position but your disposition that makes you happy or unhappy.

Be game—but not everybody's.

Setbacks pave the way for comebacks.

FACIAL EXPRESSION—The beauty of the face consists not only in features and complexion, but is largely in expression. No wonder those in love always think their loved one is beautiful.

Active, happy love draws the facial lines upward instead of permitting them to droop, lights up all the features with a glow of radiant warmth, brings smiles not only to the lips but to the eyes as well, and redoubles the beauty of any face.

Linda Horn Attends Market

Fashion-merchandising students at South Plains College are in this weekend to view women and children's market collection at Apparel Mart.

Godley, fashion-merchandising coordinator at SPC. She also teaches a class in fashions at Reese AFB.

Coin Club Plans Show

Lamb County Coin Club met Tuesday night with 16 members and two guests present.

The entire meeting was devoted to plans for the annual coin show, slated for the Community Center Sunday, Nov. 4.

General chairman for the show will be Larry Sanderson. Course chairman is Ernest Mills and exhibition chairman is Bryan Steger.

A table will be set up for free evaluations of coins, and dealers will be present with coins for sale or trade.

Free door prizes of silver dollars will be drawn every hour between 11 a.m. and 4 p.m. The final drawing at 5 p.m. will be for two \$10 U.S. gold pieces.

CHAIRS IN PAIRS?

Next time you're considering new chairs for your home, you might think about chairs in pairs.

There are many advantages in buying twin chairs. The main advantage is that they help to unify a room.

Another advantage of chairs in pairs is that they help you simplify furniture arrangements in a room. By using twin chairs, you can get a beautiful setting.

LEGAL THE STATE OF TEXAS County of LAMB NOTICE IS HEREBY GIVEN That by virtue of a certain Execution issued out of the Honorable 72nd District Court of Lubbock County, on the 7th day of September 1973, by J. R. Dever, District Clerk of said 72nd District Court for the sum of SEVEN THOUSAND THREE HUNDRED SEVENTY & 78/100 (\$7,370.78) Dollars and costs of suit, under a Judgment, in favor of Clark Equipment Co., Plaintiff in a certain cause in said Court, No. 66636 and styled Clark Equipment Co. vs. Charley Farley, Individually and d/b/a Charley Farley Trailer Sales and Manufacturing and Farley Sales and Wrecking, placed in my hands for service, I, E. D. McNeese as Sheriff of Lamb County, Texas, did, on the 17th day of September 1973, levy on certain Real Estate, situated in Lamb County, Texas, described as follows, to-wit:

The East Three (3) acres of the East Half (E/2) of Acreage Tract No. 37 of College Heights Addition to the City of Littlefield, Lamb County, Texas, according to the map or plat of said Addition recorded in Deed Records of Lamb County, Texas

The West Half (W/2) of Acreage Tract No. 38, of College Heights Addition to the City of Littlefield, Lamb County, Texas, according to the map or plat of said Addition recorded in Deed Records of Lamb County, Texas

The West Five Feet (W/5) of Lot 6, Block 2, Houston Sub-division of Block 19 West Side Addition, Littlefield, Lamb County, Texas

All of Lot No. Twelve (12) in Block No. Three (3) of the Original Town of Sudan, Lamb County, Texas, according to the map or plat of said town recorded in the Deed Records of Lamb County, Texas

and levied upon as the property of Charley Farley, et al. and that on the first Tuesday in November 1973, the same being the 6th day of said month, at the Court House door of Lamb County, in the Town of Littlefield Texas, between the hours of 10 a.m. and 4 p.m., by virtue of said levy and said Execution I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Charley Farley, et al.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lamb County Leader-News, a newspaper published in Lamb County.

Witness my hand, this 11 day of October 1973

s/E. D. McNeese Sheriff Lamb County, Texas By V. L. Smith Jr., Chief Deputy.

FOOTBALL CONTEST

Enter Our Contest Each Week
Nothing To Buy - Just Pick Winners

It's so easy. . .
Anyone can enter!
Read the rules. . .
Start Winning
RULES
OF THE CONTEST:

All you have to do to be eligible for the weekly cash prizes is to complete the form below and place (or mail) it in the designated box at the Leader-News office. It is the contestants responsibility to see that the form has been placed in the entry box and the Leader-News assumes no responsibility for blanks lost, or delayed in the mails.

One game is listed in each advertisement. Pick the winner and insert the name of that team in the OFFICIAL ENTRY BLANK below. Then in the "Tie Breaker" section, put the scores you believe each of the teams will make. Weekly judging will be based on the total number guessed correctly. In case of a tie, the tie-breaker will be used to determine the top winners. Decision of the Leader-News scoring judges will be final.

To be eligible for the 2 free tickets to the New Year's Game at the COTTON BOWL, the total number of correct guesses will be totaled through the season.

LIMIT—One entry per contestant per week.

BE SURE to complete the forms by PRINTING plainly your name and complete address and turning in the entry blank only. Contest winners will be announced in each Thursday's issue of the Leader-News.

Teachers Seek Soup Labels

Teachers and P-TA are collecting soup labels to be used for premium coupons for classroom projects and teaching aids.

Deadline for turning in the order for such equipment as projectors and books is Dec. 8, therefore labels should be in the hands of the teachers or P-TA prior to that time.

brighter. MRS. ALLEN PURDY, Mrs. Pearl Pace, and Mrs. Lone Jackson visited several in the home Thursday.

FIVE JUNIOR High Acteens from First Baptist Church: Kim Green, Amy Patton, Mary DeLeon, Betty Head, Kathy Haynes, with their sponsor, Mrs. Donna Cawthon, visited at the home Wednesday and brought Halloween favors for the residents.

MRS. NORA TALKINGTON was taken to the Littlefield Hospital Tuesday.

MRS. JEWEL FOUST had as visitors Sunday her daughter, Mrs. Fay Steffy and Mrs. Fay Barker.

THE HIGH School Cheerleaders sent out a beautiful pot of flowers to the home Saturday. They were at the homecoming festivities and crowning of football queen. We wish to express our thanks for such a lovely jester. They are so beautiful.

MRS. ANN CREWS of Anton visited her mother, Mrs. Maud Hemphill Saturday.

MRS. SUSAN THOMPSON, Mrs. Grace Robertson, Ophelia Kirby,

and Opal Swift from the Sunset Baptist Church came Monday and visited with all the patients and distributed Sunshine cards.

MRS. B. B. HISAW had as visitors Monday, Mrs. Tommy Howard of Whitharral, Mr. and Mrs. Danny Chronister and Jamie Lee, who without doubt is the youngest visitor to ever come to the home. He was 12 days old and is Mrs. Hisaw's only great-grandchild. Mrs. Chronister is her granddaughter.

MRS. A. L. CLIFTON of Slaton and Mrs. Nina

Moore and daughter visited with their sister, Mrs. Mary Wright Saturday.

MRS. TOMMY SEYMORE was visiting her mother-in-law Saturday.

MRS. LEVI COBLE was visiting in the home Monday.

MRS. SYBIL RAY had as visitors Wednesday, her brothers, Elmer Linton from Sherman, Mr. and Mrs. Wilton Linton from El Paso, Mr. and Mrs. Ray Linton of Wilcox, Ariz., Mr. and Mrs. Clarence Linton from Corpus Christi; a sister, Mrs. J. L.

Hoyt of Galveston; a nephew, Marvin Lee Bridwell from Galveston. They were here for the funeral of Pickett Ray.

WENDELL TOOLEY of Lamesa was visiting his grandmother, Mrs. Maggie Weaver, over the weekend.

MRS. FAY BATSON of Dallas came by Tuesday and took her sister, Mrs. Mellie Smith, to Oilton to

visit her daughter, Mrs. Fay Huckaby.

MRS. CORA AMMONS had as visitors over the weekend, her grandson, Gaylon Ammons and his mother, Mrs. Rex Gilstrap of Littlefield.

OTHER VISITORS of Mrs. Sybil Ray this week were Mrs. Cecil Price, Mrs. Norma Holtcamp, Mrs. Anna Brandon and Mrs. Aldine West.

PEP NEWS

Knight's Rest Home

BENCH LEVELING on 23 acres of E. C. Curtis farm five and one half miles north of Springlake is in 50-foot strips from border to border. A pipe in the middle allows watering from both directions. The cut and fill was made with a scraper and maintainer. The strips are level from side to side with a .3 grade the length of the border and a six-inch cut and six-inch fill on each border. (SCS Photo)

PEP SENIOR Carnival was held in the Pep High School Auditorium Oct 27. Attraction of a cake walk and other games were held throughout the evening. Climaxing the evening was the crowning of King and Queen of all grades.

MR. AND MRS. J. E. Knight have returned from Lake Brownwood.

MRS. LULA DICKERSON visited Mrs. Mary Wright Wednesday afternoon.

ALAN L. JAMES of Anton, right, receives the American Farmer Degree from National FFA President, Dwight Seigmiller of Decorah, Iowa, during the 46th Annual FFA Convention in Kansas City, Mo. recently. (Personal Photo)

Alan L. James Earns American Farmer Degree

ANTON—Alan L. James, 20-year-old Hockley County Youth from Anton received the American Farmer Degree, highest degree of achievement in the FFA organization, last week in Kansas City, Mo.

The award was presented at the 46th annual FFA Convention.

James was one of the 59 Texans and 548 in the nation, including two girls.

James received the Lone Star Farmer degree in 1971, highest an FFA member can achieve on the state level.

In addition to having earned the State Degree as a candidate for the American Farmer Degree he must have been out of high school for at least a year and must have in operation a supervised farming or agri-business occupation program. He must have earned \$1,000 through his FFA projects and must have his earnings productively invested or deposited in a bank. James has had projects

in cotton, milo, swine and cattle production. He is a sophomore, majoring in Animal Science at South Plains Junior College. He plans to continue his education at Texas A&M University.

He was treasurer of the Littlefield District FFA in 1971-72.

James is the son of Mr. and Mrs. Thomas James of Anton.

He is also the grandson of Mrs. Carl James of Wolff

MY ALBUM OF MEMORIES

Presbyterian Evangelist Louis Evans tells the story of a dog he found by the side of a busy road. Its leg was broken, and the animal badly bruised and dazed.

He gathered the pet into his arms and carried him home where he was given every attention. Finally, completely healed, the dog suddenly disappeared.

Dr. Evans felt mistreated by the ungrateful dog, until one day, soon thereafter, the animal appeared at his door with another dog, similarly battered and hurt.

What a beautiful example for us from the world of so-called "dumb" animals.

Our compassion for others should instill in us every day of our lives the desire to bring others to God, the source of all healing and love.

Amherst 16 Sundown 12

Amherst jumped out to a quick 10-0 lead Friday and held on to squeeze past Sundown 16-12 in a District 2-B outing.

Butch Sutton opened the scoring with a 28-yard field goal in the first period. Then Sandy Moore sprinted 62 yards for a score, and Sutton's kick made it 10-0. Sundown came back in the second quarter on a three-yard pass from Phillip Smith to Randy Wood.

Moore scored his second TD of the night in the third stanza on a five yard ramble.

Morton 13 Olton 0

Morton's Larry Thompson rambled for two touchdowns Friday, and it was enough as the Indians swept past the Olton Mustangs 13-0 in a District 3-AA clash.

While the Morton defense stymied every Mustang drive, Thompson raced nine yards in the first quarter for one touchdown, then added a one-yard dive in the final stanza to clinch the win.

The Indians bring their 1-0 district record to Littlefield next to put it up against the Wildcats.

Ninth Graders Rip The Mules

The Littlefield ninth graders ripped apart Muleshoe Thursday 28-0.

Alonzo Cavazos sprung for three touchdowns to account for 18 points. Cavazos' runs were of 9 yards, 15 yards and 83 yards, and he finished the night with 174 yards rushing. Hank Connelly, who totaled 75 yards, picked up the other Littlefield touchdown with three seconds left in the half of on a one yard dive. Ralph Mendez kicked four extra points.

"We feel like we put it all together against Muleshoe," Coach Eddie Hooper said. "We had good games both offensively and defensively. We picked up 358 yards total offense, made 19 first downs and had four penetrations, while holding them to three first downs and one penetration."

"Offensively, Cavazos and Connelly were outstanding, and we had good play on the line from Jack Speck and Tony Cowan. On defense, Brent Garland had one of his best games, and is Hustler of the Week for us. Speck and Cowan also played well defensively."

The ninth graders now are 4-3, and take on Dimmitt next. "They've got a pretty good record," Hooper said. "They beat Muleshoe also, and I'm sure they've got a pretty good team."

CYNTHIA WADE, left, was crowned queen of homecoming activities at Whitharral Friday night as a chilled crowd cheered the activities. She was escorted around the field on a float by Benito Lopez (22) who was named football hero. Members of the queen's court were Terri Howard, center, who was escorted by Danny Dukatnik (72), and Joli Grant, escorted by Johnny Dominguez (33). (Staff Photo)

Anton 28 Ropes 6

In a District 5-A contest Friday, the Anton Bulldogs blasted the Ropesville Eagles 28-6.

Donald Wills drew first blood on a 38-yard scamper in the first quarter. Lonnie Timms kicked the extra.

In the second period, Tommy Gilliam threw a 10-yard scoring toss to Brady Goen to increase the Anton lead. Gilliam then added the PAT. Later in the period, Gilliam dashed five yards for another score, and after he kicked the extra it was Anton 21-0.

After a scoreless third quarter, Anton got on the board when Gilliam scored on a 15-yard pass play.

Ropesville's only score came near the end of the contest when Jerry Martin ran 20 yards.

SAFE FROM BLINDNESS

Over 400 million persons suffer from trachoma. For 5 cents the United Nations Children's Fund can provide antibiotic ointment to save one of them from blindness.

9-12

Sandhill Crane Hunt Slated

The Muleshoe Jaycees have scheduled their Eleventh Annual Sandhill Crane Hunt to be held Oct. 27, 28; Nov. 3, 4; and Nov. 10, 11, 1973.

The Muleshoe Jaycees have arranged again for land adjacent to the Muleshoe National Wildlife Refuge. This refuge is the oldest in the State of Texas, and during the winter months, there are as many as 100,000 Sandhill Crane wintering away from their Arctic breeding grounds.

The Muleshoe population represents the largest concentration of this species in the United States.

The Jaycees will also provide transportation to and from the hunting area. Shells and licenses will be available and the guides will leave the XIT Restaurant, 102 W. American Blvd., which is hunt headquarters, one and on-half hours before sunrise each day.

The costs for the hunt are as follows: \$5 per day; \$7.50 per weekend; and \$15 for all three weekends.

The hunter who kills the largest bird during the hunt will receive a 12-Gauge Browning Automatic Shotgun.

For more information, contact Richard Hawkins, 803 W. 7th, Muleshoe, Texas 79347. Phone Area Code 806-272-4930 or 272-3308.

JOHNNY DOMINGUEZ (33) is aided down field for Whitharral's first touchdown of the game Friday night in the battle between the Whitharral Panthers and the Loop Longhorns. Clearing his way are Gary Hayes (20) Bud Reding (82) and Eddie Chavez (88). Dominguez scored twice. Benito Lopez once and Bud Reding had four PATs for the Panthers. Final score was Loop 44, Whitharral 22. (Staff Photo)

Center Opens At E. 6th And Harral

Harry Fisher and family have begun a new work at Littlefield in the Littlefield Revival Center located in the old Salvation Army building at E. 6th and Harral.

Rev. Fisher and his wife, Jo, have been married 21 years and have been in the Gospel ministry 15 years. They have five children, ages 10 years to 20.

Fisher was first ordained in the Baptist Church in 1961, he received the baptism of the Holy Ghost in 1969 and was ordained in the Full Gospel in 1972.

Rev. Fisher has pastored four Baptist Churches and has started three new works in revival centers. He believes it is his calling to open and establish revival centers, believing in the "Body Ministry" "Deliverance" "Healing" and "Nine Gifts of the Spirit."

HARRY FISHER

Fisher has ministered to hundreds this past year, while he has held meetings in several different states and 32 different churches—from Full Gospel, Assembly of God, Baptist, Jesus Name, Pentecostal Church of God, Church of God in Christ.

Fisher has ministered to the white, black, Spanish, and the Indian. It is his conviction that "we must love one another and allow God by His Spirit, to bring together all into one body in Christ Jesus."

"If you have a church home, attend your church. However, if you do not have services on Thursday, Friday, or Saturday, please visit the revival center," he stated. "For those without a church home, there are services on Sunday night."

All services are at 8 p.m.

KENNY OWENS (32) crashes over left tackle to put Littlefield ahead 13-7 in District 3-AA lead with a 2-0 mark, but Morton comes to town next week with the Cats' win over Friona Friday. The win put the Cats in sole control of the a 1-0 district record. (Staff Photo)

...Wildcats

Continued from Page 1
Henderson came back for it and took it to the 46. Cook did his thing again, and carried two or three reluctant Chieftains with him to the 39. The Cats used the option for a few more plays, and with the ball resting on the four Owens sulked his way in. Turner's luck was slightly wide left, and with 4:51 left in the half, the Cats were up 13-7.
Friona would have been happy to take that score into the dressing room, but Henderson had other ideas. The Chieftains punted to the 22, and on second down Henderson carried straight up the left side and caught Friona thinking ahead. He made it past the first wave of tacklers, headed left, and slipped past Dee King. It was a footrace from then on, and not many people have caught Henderson this year in a flat out sprint. No one did this time, and there

was 1:05 showing when Henderson crossed the line. Bryson cut into the end zone on the option for the two-point conversion to make it 21-7 at the half.
It was 28-7 two minutes after the second half started. Carthel took the kickoff for Friona on the goal line, headed up the middle and then saw his life pass before his eyes as a horde of hungry Wildcats surrounded him. The ball popped loose as he was hit, and Turner was in the right spot to recover on the 27. On third and one from the 18, Bryson faked the handoff to Owens up the right side, was hit by Ricky London, and pitched out perfectly to Henderson, who skirted the sidelines for his second touchdown. Turner's kick was true.
Friona came back passing. Quarterback Clay Bandy hit David Hutson and Dale Parsons for two first downs, and a run by Carthel put the ball on the 16. Bandy then faked a handoff to King and prepared to pitchout to Parsons. But Cook came in from his middle linebacker spot and knocked the ball loose and into the hands of Defensive End Kenny Trotter,

who recovered on the 23.
Turner, who plays in the defensive secondary, had turned his ankle in that series, and when he came on to punt for Littlefield the injury hampered him. His punt was high, and the ball came down on the 46. Or rather six feet above the 46, for it bounced squarely off the helmet of Wildcat Gary Lichte, who had raced downfield to cover the kick.
On second down, Parsons started a common play for Friona, a sweep left. But he stopped suddenly, and lobbed a long pass to Hutson, who had worked behind the Cat secondary. Hutson was tackled from behind by Henderson, but he stretched over for the touchdown. Teddy King tried to bull his way over right tackle on the conversion, but he was stopped short.
Littlefield's drive stalled on the 45, and Owens came in to punt. With the wind to his back, the ball took off well, and Parsons raced back to the one before he got to it. He dodged his way to the six before going down.
The Chieftains still had

some spirit left. After making one first, the quarter ended and they gained advantage of the wind. They moved steadily downfield before they hit a snag on the 23. Faced with a fourth and nine, Bandy dropped back to pass, then scrambled out of his pocket to the left. He stopped short of the line of scrimmage, and fired a perfect pass to Hutson nine yards deep in the end zone. Bandy rolled right trying for two more, but he was ridden down by Cook and Ricky Richards on the two.
That made it 28-19 with over ten minutes still left. But the Chieftains had to score twice to win, and Littlefield used the clock wisely.
They ground out five minutes before Owens punted to the 18, and Friona had to step up their offense. An 18-yard pass to Cleveland moved the ball to the 42, and on second down Parsons tried his halfback pass again. This time all the receivers were covered, and Ricky Hopping, Doug McCain and Richards held a defensive line meeting on his chest. On third down, Bandy was dropped to the 35, and with fourth and 17, Bandy tried a screen pass to King.

Craig Ratliff got to King the same time as the ball and slammed him to the ground on the 28.
Henderson took the option pitchout down to the nine, Owens banged up the middle to the three and then Henderson again carried on the pitchout around the right side. King pushed him into the end zone trying for the tackle, and when Ricky Hopping kicked to make it 35-19, the Chieftains were ready to light the peace pipe.
Bandy tried a long pass to Parsons, but Bryan Myres grabbed the interception on the 45 and slipped back to the 20. A clipping penalty moved the ball back to the 45, but it really didn't matter, for the clock ran out after four plays.
Henderson piled up 144 yards on 13 carries to lead the Cat arsenal. Cook chipped in 73 on 11 tries, and in all Littlefield rolled for 301 yards rushing.
The next hurdle for the Cats is Morton, who come into Wildcat Stadium fired up from their 13-0 win over Olton Friday. Morton is 4-2-1 for the year, and their district slate is spotless at 1-0.

CLAY BANDY (10) of Friona got rid of this pass, but he was sacked four other times by the powerful rush of the Cat defensive line. Ricky Hopping (75) breaks in just a little too late, and Doug McCain (76) and Ricky Richards (65) also rush in. (Photo by Richard Rodgers)

JV's Blister Muleshoe

The Wildcat JV swept past Muleshoe 33-14 in Littlefield Thursday.
The Cats got off to an early 7-0 lead when they engineered an 18-play drive following the opening kickoff. Danny Martinez made it 13-0 when he returned a Muleshoe punt 70-yards for a touchdown.
The Mules then came back and scored twice to take a 14-13 halftime lead, but then Littlefield pulled away for good with 20 points in the last two quarters.
Quarterback Ronald Parmer scored twice for the Cats on punts of nine and 11 yards. Sammy Schlottman had an eight yard touchdown and Steve Cruz went in from the four. Johnny Cruz booted three extra points.

The JV totaled 243 yards rushing, and Kip Elms added 23 more on two pass receptions. Schlottman sprinted for 116 yards on 25 tries, Parmer gained 67 on 18 attempts, and Albert Ayala picked up 40 yards on 11 carries.
"Our offensive line just blocked great," commended

JV Coach Robert Bolton. "Especially Brad Banner, Doug McDonald and Dean Walden. Defensively, Parmer played well along with Ricky Hodge and Kip Elms."
The JV, now 4-3, take on Dimmitt in their next encounter.
