

City Purchases Billing System, Considers Homestead Exemptions

Friday night, during their regular Littlefield city councilmen a net contract of \$19,908.37 for a strip ledger computer as bid by Burroughs Corporation; heard representatives of persons 65 years old

and older concerning the homestead exemption; and viewed a colored slide presentation on the activities of the South Plains Association of Governments. (SPAG) Besides those items four other mat-

ters of old business were discussed and transacted. Beside the Burroughs bid, National Cash Register has placed a net bid of \$25,195 for a similar machine, to be utilized by the city's utility billing

department and accounting department. Financing of the machinery will come from unobligated funds from a refund of \$18,000 on the sewage treatment plant and from Revenue Sharing funds.

Councilmen unanimously voted to accept the low bid. Two representatives from Burroughs were present to answer questions.

Representing persons 65 years old and older were W.R. Kimbrough, Roy Wade, Mrs. Vigo Peterson and E.C. Caldwell. Speaker for the group was Roy Wade, who explained the Senate Joint Resolution which provides that the various political subdivisions of the state may exempt not less than \$3,000 of the value of residence homesteads of all persons 65 years of age or older from ad valorem taxes under certain conditions.

Councilmen advised they would take the matter under consideration and would meet with the other taxing agencies to make a decision.

City Manager Jim Blagg advised that approximately 440 residences inside the city limits are owned by persons 65 years or older, but that a break-down on the property values and of how many would fall in the proposed category was not available. Each individual taxpayer would have to make application for the exemption if granted.

Blagg estimated that if all 440 of the residences qualified, it would mean a

loss of \$17,028 per year to the city tax rolls.

Jackie Bubinek of Lubbock, with SPAG, showed a colored slides presentation of the work in all phases of SPAG. The city of Littlefield has membership in the organization, and receives benefits from its services.

In matters of old business, councilmen authorized Mayor J.E. Chisholm to sign the airport lease agreement; authorized the mayor to sign a five-year lease agreement with Merle Beard on the city shop building at \$135 per month; and authorized the mayor to sign a deed transferring 20 acres of land and the old dump site to the county.

Councilmen reviewed a proposed contract with the Littlefield Independent School District for consolidation of tax offices, but decided to go ahead and consider the appointment of an equalization board and continue with the present system until next year.

Several names were submitted for the board, but appointments will not be made until a special called meeting in the near future. According to the city charter, appointments are to be made this month.

M. Peterman Announces \$10,000 Library Grant

This week V.M. "Pete" Peterman announced the contribution of \$10,000 from the Ewing Halsell Foundation to the new Lamb County Memorial Library fund.

Peterman is a long time friend and associate of the late Ewing Halsell. Peterman applied for the grant, and said he takes great pride in making the announcement. Peterman is a retired farmer and rancher and a member of the board of directors of the newly formed Lamb County Memorial Library.

Ewing Halsell once owned a large portion of Lamb County and founded the town of Amherst. In the Twenties, much of the Halsell Ranch was cut into farm tracts and sold to pioneers who flocked to West Texas during the land boom.

The Ewing Halsell Foundation was founded by Ewing Halsell and his wife Lucile Fortner Halsell in 1957 for the purpose of carrying out their philanthropies during their lives and perpetuating them when they were gone. At his death in 1965, Ewing Halsell bequeathed to the Foundation the bulk of his fortune which had been accumulated by him and his late father from extensive operation in cattle ranching in Texas, Oklahoma and elsewhere.

The Foundation received an additional substantial bequest from the will of Mrs. Halsell's sister in 1971.

Foundation trustees have made most of their grants in the southwestern part of Texas where they are most familiar with the needs and where they are best able to evaluate requests for assistance and where a large part of the income producing assets of the Foundation are located.

In past years Lamb County has benefited from several grants from the Halsell Foundation, including \$800 for historical markers at Earth and Amherst and \$100 in annual support to the Lamb County Red Cross.

Hundreds of thousands of dollars from the Foundation have gone into grants for arts, humanities and education. One of the more familiar donations to residents of this area is a \$25,000 grant to the Texas Tech University Museum toward establishment of a Ranch Headquarters historical museum, and an appropriation of \$32,485 to public manuscripts by TTU's Dr. William Curry Holden on aspects of the history of

cattle industry in the Southwest.

Last week the Library Board announced the donation of a tract of land appraised at \$20,000 from the Arthur P. Duggan family.

A fund raising drive will be announced in the near future. Board members said they hope for a large grant from state funds, but that a substantial portion of the proposed \$175,000 to \$200,000 toward building a library must be raised before the state will match funds.

Members of Friends of the Library and the Library Board are promoting the library construction by meeting with various civic organizations and working with community service oriented clubs and groups throughout the county.

Bob Wear made the first public announcement of plans for construction of the new library at the Woman's Club May Breakfast last Saturday. H.C. Randall spoke to the Noon Lions Club Wednesday. Wear is past president of Friends of the Library.

Library board members are V.M. Peterman, Mrs. Ellarene Holland, Mary A. Wicker, Mrs. Beryl Vann, Mrs. Laura Hay, Mrs. Lillie Mae Silcott, Mrs. Patricia Lewis, Mrs. Bonnie Haberer, Mrs. LaVerna Thompson, Kenneth Ware, Judge Pat H. Boone Jr., Judge G.T. Sides, Paul M. Carmickle, James T. Lee, Clarence Stone, and Mrs. Ocia L. Stone.

A Woman's View

By PEARL BRANDON

ONCE WHEN the Lord was here on earth and was traveling from place to place He chose 70 people and sent them out in pairs, telling them to go to all the towns and villages where He planned to visit later.

These were not the 12 disciples that traveled with Him all the time, but were just an ordinary group of people which He sent on to prepare the way for them. Not one of their names are mentioned.

WHEN THEY returned they were rejoicing and amazed at their success. They said, "Even the demons obey us when we use your name!"

The point I am trying to make is these were little people—just ordinary folk like you and me, but they possessed all kinds of power when they worked in the name of the Lord.

I BELIEVE most of us think too little of ourselves. We just don't have faith enough to try things that look hard, or beyond our reach, but if we go on taking one step at a time and holding on to faith the way opens for us as we go.

Of course we have set-backs, all of us do. We may loose a little ground here and there but pushing on we reach our goal through His help.

AFTER THE 70 came back Jesus prayed a beautiful prayer, "I praise you, Father, Lord of Heaven and Earth, for hiding these things from the intellectuals and worldly wise and for revealing them to those who are as trusting as little children. Yes, thank you, Father, for that is the way you wanted it."

It is wonderful the way He uses the weak things of this world to show His power—little children, the afflicted, the poor, the uneducated—anyone who trusts Him and works in His name.

I DON'T mean He doesn't use the educated and affluent people. He uses every one who will be used by Him, but if you notice even these people are humble and kind.

All of us need the Lord and through His help can fill our station in life regardless of who we are.

My granddaughter gets a small publication from Los Angeles put out by N. B. Wright. In it is a timetable, or clock of life. I thought it was interesting as below:

- "If you are 15, it is 8:51 a.m.
- If you are 20, it is 11:08 a.m.
- If you are 25, it is 12:25 p.m.
- If you are 30, it is 1:25 p.m.
- If you are 35, it is 2:59 p.m.
- If you are 40, it is 4:16 p.m.
- If you are 45, it is 4:48 p.m.
- If you are 50, it is 6:50 p.m.
- If you are 55, it is 8:08 p.m.
- If you are 60, it is 10:11 p.m.
- If you are 70, it is approaching midnight!"

FOR SOME of us it is getting pretty late. This man also said, "when the bell tolls for you at the midnight hour of death, on which side of God's judgement seat will you stand?"

Getting back to us common folk, I think the Lord is glad to have us all work for him, even if we are poor or sick or old approaching the midnight hour of our life.

Friendly Texan Week

TEXANS ARE KNOWN far and wide for their friendliness. In fact our Texas motto is "The Friendship State." Of our many "attractions" offered visitors to our state, friendliness is one of the most important.

To bring to the attention of all Texans the importance of this commodity, Governor Briscoe has proclaimed May 20-26 as "Friendly Texan Week."

The Texas Tourist Council wants this message to be brought to the attention of all Texans prior to the big influx of the 23 million visitors we expect to host this year.

ROBERT W. KNEEBONE, president

of the council, has announced that 22.7 million out-of-state visitors came to Texas last year and they spent \$2.1 billion! There are only three states which attract more—Florida, New York and California.

Governor Briscoe said, "An important part of the heritage of Texas includes hospitality and friendliness. This friendliness has been a major influence in attracting many visitors to Texas and bringing them back for further visits."

"I urge all citizens of Texas to show sincere friendliness and helpfulness to our visitors and I hereby designate the week of May 20-26 as Friendly Texan Week."

Don't Transport Gasoline

THE DEPARTMENT of Transportation's National Highway Traffic Safety Administration (NHTSA) has warned motorists of the hazards involved in the transportation of gasoline in portable containers in the trunks of cars.

The Federal safety agency said it has received reports of motorists purchasing gasoline containers, presumably to store extra fuel in homes and cars during the energy crisis.

sparks from a short in a tail light or brake light can set off an explosion."

"Our best advice," Dr. Gregory said, "is to avoid carrying fuel in such a manner."

ESPECIALLY HAZARDOUS, according to the safety agency, are glass and plastic containers, or most fuel containers used by homeowners for power lawnmowers. Rusted metal containers should also be avoided, the agency warned.

Only in the most extreme emergencies should the transportation of extra fuel be considered, and in these circumstances the container should be rugged, securely closed, and protected against accidental spillage or damage.

THE ABUNDANT LIFE

'Do-Gooders'

ONE OF THE STRANGEST aspects of human behavior is in the way some people criticize and try to discourage other people who are trying to perform necessary community service.

Sometimes they place themselves in open opposition, and they are free to do this; and such action can be respected, because these people can usually be given credit for being sincere. This characteristic is a free society.

THEN, THERE ARE OTHERS who try to discourage workers by the less-respected way of ridicule. They usually show no respect for the persons who are being useful, or for the work being done.

They never seem to exert any effort to learn why the work is being done; they don't seem to have any regard for facts about community needs.

Their loose talk makes it seem that they do not have any interest in helping the community, the community which has provided so much for them.

"DO-GOODERS", they call the workers; and this is supposed to be downgrading, belittling, etc. The real interesting, but tragic fact is that there is an accurate, well-informed use of this term; and there is an inaccurate, uninformed use of the expression.

A "do-gooder", according to dictionary definition, is "an earnest, usually impractical-minded humanitarian bent on promoting welfare work or reform." This is why the uninformed, and non-cooperative persons misuse the term to try to ridicule the earnest, practical-minded community workers.

WHEN RESPONSIBLE CITIZENS work to help public schools which are badly in need of help, they are not "do-gooders"; but are "doing good".

When interested citizens work to

provide additional library for the aged, and the handicapped, the public school students access after school and together with improved services, they are not do-gooders; they are helping build a city.

PEOPLE WHO perform community service only adds to their personal; they never been community

When these people, justification, try to discourage workers by deriding their dis-interest in community and create an undesirable themselves.

This is surely not what Surely none of us want to and remembered as people everything, except that bring us a few extra dollars.

A REAL "DO-GOODER" have much for which recommended, or approved.

On the other hand, when the selfish individual who and take, and take; but not respected or appreciated had to be made, most probably prefer the "do-gooder" course, no such choice.

DOING WORTHWHILE part of our citizenship responsibility, is one of the most personal life-dimensions.

THE OBSERVATION that: when we decide to do worthwhile, we should not to remove stones from rather be prepared for stones in our way.

REALLY APPRECIATED Turn Row's concern for me about bein' out on the streets on my bike. I hope you take him seriously; the lump you save might be mine.

One thing in error tho, was the idea that I'd stopped to wait on my wife. FUDGE, that woman doesn't even know the meaning of the word, "HEEL"! Anytime I have to stop to wait on her, is just because she's stopped to powder her nose. I wish she'd have to powder it a little more often.

RIDING A BIKE is very healthful fun! Just a little matter of balance. I've noticed that Turn Row has one of those "People-Powered Vehicles". It's a three-wheeler, with dual pedals.

Since he's out of balance anyway, he doesn't have to worry about keeping the thing right side up. Too, he probably goofs along and lets his wife do the pedaling.

I'VE NOTICED a good many of our older people are going for the three-wheeled variety of bikes. You see a good many of them on the streets. Shux, I've even seen a bike pulling a trailer with a couple of kids in it. This must be

By EMIL

FROM OBSERVATION, spring fever has sprung. You see people throughout the area with appearances that make them seem to be thinking about something a thousand miles away. Many are not satisfied with what they are doing, and looking for a change of some type, or a greener pasture.

Speaking of greener pastures, I've noticed that there are many acres in the area that are showing a greener tint from corn, milo and cotton. Those areas that are blessed with irrigation water will look like a green carpet in another week or so, while in other locations, if it does not rain they may still be like they are today.

Many farmers are planting their crops dry with hopes of receiving rain to sprout the seed. Of course it is not too late to plant, but the dry weather makes some farmers a bit on the uneasy side. They are having trouble making up their minds as to what and how to plant.

It is my opinion that the seed won't sprout in the sack and those of us who farm dryland will have to plant dry. By doing so, a half to an inch rain will help germinate the seed and we could be off for another crop. But if we wait until we get the half or inch rain to plant we will still not have enough rain to plant on. Guess we will have to think positive to move forward.

DURING 1973, the cost went up about 20 percent. States. Inflation hit the bill a little less sharply than countries, as, for example, 17 percent, England 17 percent, Italy and France 11 percent, many only 5 percent.

MILLION DOLLAR SALE

Stacy-Mason Has A Million Dollars Sales Goal To Meet!

STACY-MASON'S

Gary Stacy, President Of Stacy-Mason Inc.

Friends-Let me explain exactly why Stacy-Mason is having a million dollar sale! You see, in 59 years Stacy-Mason has never had sales to amount to one million dollars in one year. Don't ask me why but we start counting our year on July 1st and it goes through June 30th. It is now less than 45 days until the end of Stacy-Mason's fiscal year. For the 1st time in 59 years Stacy-Mason has a long shot chance at hitting this million dollar sales goal.

As a small boy, I can remember how bad I wanted a bike-when I became a teenager, I still remember how much I wanted a car. Now as a man I want that million dollar sales goal much more than either the bike or the car. For five years this goal has eluded me, but this year I see a big possibility and I am not going to let this opportunity pass without a real effort. The Million Dollar Sale will be my effort. For the next 40 days

until June 30th, Stacy-Mason is going to sell more furniture & carpet than it will in a normal 3 month period. Stacy-Mason prices will make the big difference-Shop Us-Compare anyway you want. You will see I mean to have that Million Dollar Sales Goal by June 30, 1974.

Sincerely Gary Stacy

Tau Chi Chapter Installs Officers

A regular meeting of Texas Tau Chi Chapter of Beta Sigma Phi was held Monday, May 13, in the Reddy Room of Southwestern Public Service building.

New officers for the coming year, 1974-75, were installed. They are Judy Vaughn, president; Bonnie Stephens, first vice-president; Kaye Kendall, second vice-president and extension officer; Sallie Duggan, recording secretary; Pat Stubbs, corresponding secretary; and Edna Crews, treasurer.

Five pledges were given the Ritual of Jewels degree. Receiving their badges in a candlelight ceremony were Debby Collins, Sallie Duggan, Pat Mott, Barbara Starnes, and Edna Crews.

Pledge trainers, Judy and Bonnie, presented each new member with a Beta Sigma Phi crest for their sorority bracelets. Big sisters awarded their little sisters with congratulatory gifts following the ritual.

Service chairman, Judy Vaughn, read a thank you note from the children at the Satellite School for the Easter party favors. A yellow rose was delivered to Carolyn Spies following the birth of her son. An end of school party for the

Primary building was planned.

A workshop to make decorations for the "Miss Lamb County" Beauty Pageant was planned for Monday, May 20. This year the pageant will be held June 14. Entry blanks are available from any member of Tau Chi or may be picked up at the Leader-News Office.

Two boxes of candy were shared with members by Dot, celebrating her recent marriage to Larry Bruce of Amarillo and by Debby announcing the birth of her first nephew.

Members were given the highlights of Judy's recent trip to Las Vegas. She had returned with a souvenir from the famous spots for everyone.

A candlelight spaghetti dinner was prepared by hostesses Debby and Sallie. Carrying out a blue and green scheme. The table was set using blue and green dishes and green candles in wine bottles for accents. Small potted plants were used as a centerpiece, they were presented as the love gifts to each member for the evening.

Attending were: Pat Mott, Kaye Kendall, Pat Stubbs, Debby Collins, Barbara Starnes, Sallie Duggan, Judy Vaughn, Dot Bruce and Ronnie Stephens.

Russian Women To Play Wayland Flying Queens

When the Russian National Team comes to Plainview May 28 for an 8 p.m. game in Hutcherson Center on the Wayland College Campus, the starting lineup could stand 6-9, 6-6, 6-4, 6-2 and 6-2.

And that's women, not men. The Russians will be taking on the Hutcherson Flying Queens in the Tuesday night event. Tickets are priced at \$2 per person with children under 12 admitted for \$1. All seats are general admission.

Brenda Moeller, a junior All-American for the Queens, not only will play in that game but also with the U.S. All-Stars in games against Russia at Madison Square Garden in New York City, Des Moines,

la., Nashville, Tenn., Kansas City, Mo., Albuquerque, N.M. and San Antonio.

Russia won the 1972 Women's World Basketball Jamboree in Lima, Peru and last August captured the World University Games in Moscow, blitzing the United States team 92-53 and 81-44. The Soviets also defeated France, Mexico, Bulgaria, Romania and Cuba.

The Queens hope their emphasis on speed will help wear down the bigger Russians. The Queens were 37-4 and won two national titles in 1973-74.

Tickets will be available at the door the night of the game.

Baseball Race Shaping Up Major League

Like anybody can see in the major league year. Only one team has the top team in the major league. Rotary has won a 3-2 record, and has a bottom at 2-3. The teams are WOW, Fire, and Lions.

And the strange thing is that one of the two losses was a save, by an im-

... scores to take a temporary 10-8 lead.

Ruben Torres slugged a double and two singles to spearhead the Rotarian attack. Adding singles were Rudy Rangel, Robert Flores and Joe Perea. Tommy Williams picked up the win.

Bruce Payne notched two singles for the losers. Brady Bradley and Ricky Silvas doubled, and Bobo Lewis, Alan Jones and Lynn Duffey had singles. Bradley took the loss.

In the minors, Carlisle-Oldham came back from a 7-4 deficit after one inning to drop Leader-News 16-8 Tuesday.

Doing the most damage was Henry Huey, who smashed a three-run homer for the winners.

Buddy Collins and Keith Collins had two singles apiece, and Scott Hensley, Phillip Casados and Larry Wormley pitched in singles. Casados was on the mound.

Danny Marquez pitched for the Newsmen and had a pair of singles. Freddy Sierra doubled, and Steve Vargas and Scott Lewis had singles.

Thursday, Tasty Taco scored big in every inning and bruised Security State 28-1. Adam Solis hurled a two-hitter for the winners, and got a single. Dennis Garcia punched a double, and Adrian Solis and Curtis Williams added singles.

Luis Muniz doubled for the Bankers and Chris Thrash slashed a single.

Highway Patrol Investigates 10 Rural Wrecks

The Texas Highway Patrol investigated 10 accidents on rural highways in Lamb County during the month of April, 1974, according to Sergeant Thurman Keffer, Highway Patrol supervisor of this area.

These crashes resulted in 14 persons injured.

The rural traffic accident summary for this county during the first four months of 1974 shows a total of 38 accidents resulting in one person killed and 26 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for April, 1974, shows a total of 390 accidents resulting in 19 persons killed and 218 persons injured as compared to April, 1973, with 544 accidents resulting in 24 persons killed and 283 persons injured. This was 154 less accidents, five less killed, and 65 less injured in 1974 at the same period of time.

The 19 traffic deaths for the month of April, 1974, occurred in the following counties: three in Palo Pinto; two each in Moore, Terry, Wilbarger, and Lynn; and one each in Gray, Hutchinson, Randall, Swisher, Jack, Lynn, Stonewall, and Wise counties.

Amherst Eighth Graders Honored With Banquet

AMHERST—The Amherst Eighth Grade Class, their teachers and parents enjoyed a banquet, Friday, May 3.

The banquet hall was decorated in the "Rainbow" theme with the use of the colors of the rainbow.

Many types of "Good Luck" ideas were carried out. Some of them were "Coins in the fountain," "Wishing Well," "The Rainbow" and numerous other decorations.

Underwoods Barbecue and all the trimmings were served. Mothers of the class did the work. Gina Patterson, president of the class, was Mistress of Ceremonies.

The program consisted of: invocation by Ricky Yantis; welcome by Jacquelyn Harmon; and the response by Mr. Duvall.

Song selections sung by the girls in the class were "Everything is Beautiful," "Climb Every Mountain" and "United We Stand." The vocalists were: Becky Clark, Molly Delion, Teena Evins, Martha Flores, Jacquelyn Harmon, Debra Hedges, Pamela Kirk, Gina Patterson, Teresa Thompson, Tammy Tomes, and Doris Tucker. Accompanists were Tammy Tomes and Debra Hedges.

The Class History was given by Mark Kelby. A piano solo, "Color My World" was presented by Jacquelyn Harmon. "Fur Elise", a piano solo, was played by Tammy Tomes.

Gina Patterson, Ronnie Bearden, Kenneth Donnell, Joel Bob Fluellen, and Buster Kittrell entertained with jokes.

Teena Evins gave the Class Prophecy, and Doris Tucker gave the Class Will.

Gina Patterson ended the program with notes of appreciation to the parents and teachers for making the banquet possible.

Mrs. W. P. Stone is the class sponsor. Seventh grade mothers served the plates for us, and the seventh grade girls served the tables.

Lamb County 4-H'ers won top honors Saturday, May 4, in the District Elimination Contest in Lubbock. Twenty Lamb County youth were among more than 400 4-H'ers participating in 27 different contests. Freezing, Canning References Available

plan to have a garden this summer part of your harvest. Vegetables and fruit while prices are low, it is wise to read up on freezing and canning.

good, low-cost references are Home Freezing and Vegetables (50) and Home Canning of Fruits and Vegetables (35) developed by the U.S. Department of Agriculture, available from Consumer Information, Pueblo, Colorado, 81009.

Freezing of Fruits and Vegetables suggests the following: vegetables in boiling water ("blanch") before freezing.

Blanching slows or stops the enzymes which may discolor or toughen the vegetables. Blanching time varies with the vegetable. Cool vegetables promptly in cold water and drain thoroughly.

*Use packaging materials that are moisture and vapor proof. For example: glass, metal, and rigid plastic containers; or bags, wrapping materials and waxed cartons made especially for freezing. Do not use ordinary waxed paper, or paper cartons from cheese, ice cream, and milk.

*Put no more food into a freezer than will freeze within 24 hours. Usually this will be about two or three pounds of food to each cubic foot of freezer capacity.

*Store food at 0 degrees F or below. At higher temperatures, foods lose quality much faster.

*Make a list of the foods you have frozen and post it near the freezer. Keep it up-to-date.

Home Canning of Fruits and Vegetables suggests that you use a steam-pressure canner for all common vegetables except tomatoes. Also you should:

*Check the pressure gage on your steam-pressure canner according to manufacturer's directions. An accurate gage is a must for safe canning. If your gage is off five pounds or more, you'd better get a new gage.

*Follow processing instructions carefully. When processing time is up, remove canner from heat immediately.

*The day after canning, test the seal. On a jar that has a flat metal lid, press center of lid; the jar is properly sealed if the lid is down and will not move. Or tap the center of the lid with a spoon. A clear, ringing sound means a good seal. However, a dull note does not always mean a poor seal; store jars without leaks and check for spoilage before use.

Never use canned food that shows any sign of spoilage. Look closely at each container before opening it. Bulging can ends, jar lids, or rims, or a leak may mean the seal has broken and the food has spoiled. When you open a container look for other signs—spurring liquid, an off odor, or mold.

Home Freezing of Fruits and Vegetables and Home Canning of Fruits and Vegetables also cover proper procedures for preserving fruits with and without sugar. These booklets are examples of the more than 200 publications listed in the Consumer Information Index. Published by the Consumer Information Center of the General Services Administration, the Index is available free from Consumer Information, Pueblo, Colorado 81009.

Before You Buy Central Air Conditioning...

ADD IT ALL UP!

THE ROUND ONE

Be careful! Don't just buy the central air conditioner with the lowest price tag! It could cost you a lot more money in the long run. By adding high electric bills and expensive repair costs later!

Put your confidence in The Round One... Carrier's unique central air conditioner. The Round One gives you the most value for your money. That's because it uses less electricity to keep your home cool. And it requires less service because of special protective devices like solid state controls, crankcase heater, brass service valves, and a patented equalizer valve that safeguards the compressor.

Go ahead! Add it all up for yourself... and you'll see why The Round One gives you the most value for your money!

BULA NEWS

DONALD LOONEY, ministerial student from Wayland College, preached Sunday morning and evening at the Baptist church in the

absence of the regular minister, Eddie Riley. This being Mothers' Day, several ladies of the church were recognized. Recognized for

the oldest mother present was Mrs. Ben Pierce, who has been a faithful member of the Bula Baptist Church for many years and has reared all of her children in the Bula church. She continues to attend church when possible. Youngest mother present was Mrs. Larry McCain; youngest great-grandmother was Mrs. Clyde Hogue; mother with greatest number of children present was Mrs. Larry McCain; grandmother who had grandchildren present with Mrs. John Latham, and youngest grandmother present was Mrs. James Sinclair. Each was presented with a corsage.

MR. AND MRS. J. C. Withrow and children Jodie, Jackie, Jeff, Jarod, Carla and Freddie Maxwell, and another daughter and husband, Mr. and Mrs. Joe Price of Olton were in Lubbock Saturday morning for the graduation exercises at Tech University. A son-in-law of the Withrows, Jerry Smith was a candidate for his bachelor degree in electrical engineering. Afterwards they all ate lunch

together at the home of Mr. and Mrs. Jerry Smith, along with his parents and sister from Brownfield.

MR. AND MRS. Wildert Clawson and daughter, Debbie, from Lovington spent Friday night and Saturday visiting in the homes of Mr. and Mrs. J. D. Rowland and the Ivan Clawsons.

MR. AND MRS. Nolan Harlan and children, Ann and John David, attended the graduation exercises Friday morning for South Plains College. Ann's fiancé Rodney Marshall from Silverton was among the graduates.

MR. AND MRS. Eddie Riley and small son, Mike, were in Childress over the weekend to be with her mother, Mrs. Etchel Griffin, who has been ill and was a patient in a Childress hospital.

MR. CLYDE HOGUE and daughter, Mrs. Ronnie Fisher of Littlefield drove to Lubbock Monday and had a visit with the Hogue's granddaughter and family, Mr. and Mrs. Matthews and small son, Chris. Matthews has recently been dismissed from the Army, they had been living in Lawton, Okla.

OUR SYMPATHY is extended to Mr. and Mrs. Fred Locker of the Bula community and other brothers and sister in the loss of their sister, Mrs. Irene Robertson of Sudan. Several from the community attended the funeral Thursday at the Sudan Baptist Church.

GUESTS Mother's Day in the Dewitt Tiller home were their daughter and son, Mr. and Mrs. Johnnie Hall and son John. Also her parents, Mr. and Mrs. John Aduddell of Littlefield.

MR. AND MRS. Gene Bryan visited Sunday afternoon with his sister, Mrs. Hattie Alexander, at the Jewell's Hospitality House in Lubbock.

MR. AND MRS. Roy Blackman of Clarendon visited Thursday and Friday in the Tom Bogard and John Blackman homes and with his mother, Mrs. Nettie Black-

man at the West Plains Nursing Home in Muleshoe.

MR. AND MRS. F. L. Simmons were able to come home Saturday after a 10-day stay in the University Hospital, in Lubbock. Mrs. Simmons had minor surgery and Simmons went for X-rays and tests.

SISTERS Mrs. H. H. Snow of Muleshoe, Mrs. James Cash of Hereford and Mrs. J. W. Layton of Enochs gathered at another sister's home, Mrs. Ed Crume, Saturday and enjoyed Mother's Day with their mother, Mrs. Irene Parker, who has been staying in the Crume home for several weeks. Mrs. Parker's home is in Hereford.

MR. AND MRS. Warner DeSautell and boys, Chris and Cliff of Slaton, were Mother's Day company in the home of her parents, Mr. and Mrs. J. L. Latham. Also his niece, Jerlene Sanders, who has been stationed in Corpus Christi, with the Navy and is to report to San Diego, stopped by for a visit of few days before going to her assignment.

OTTIE NIKLES of Meridian was in the community Thursday visiting with old friends. Oattie and family lived in the Bula Community for several years before moving to Meridian.

MR. AND MRS. Nolan Harlan and children, Ann and John David, drove to Amherst after church Sunday and had lunch with both of their Mothers, Mrs. Lula Harlan, who has been a resident of Amherst Manor for some time, was able to go to the home of Mrs. Mary Britts and enjoy the afternoon with them.

MR. AND MRS. Cecil Jones visited Sunday afternoon at the Knight's Rest Home with her mother, Mrs. Janie Thompson.

WMU MET Tuesday at 2:30 for their weekly meeting, with Miss Vina Tugman in charge of the study on "Mission Work in Costa Rica." Mrs. Richardson read the prayer calendar with Mrs. Williams offering the opening prayer and Mrs. Battles the closing prayer. Attending were Mrs. C. A. Williams, Mrs. E. O. Battles, Mrs. Rowena Richardson and Miss Vina Tugman.

MISS GLADY SETLIFF of Hereford visited over the weekend in the home of her brother, Chester Setliff, and was a visitor at the Church of Christ Sunday morning.

RAYMOND TESTON drove to Friona Sunday to visit with his sister and husband, Mr. and Mrs. Otis Neel. Mrs. Neel is recuperating from recent surgery in Amarillo.

PATTI AND DARRYL Cash of Portales spent Sunday with their grandparents, Mr. and Mrs. John Blackman, while their parents spent the day with his mother, Mrs. Blanche Cash, who was a patient at the Methodist Hospital in Lubbock.

MRS. PEARL WALDEN accompanied her son and wife, Mr. and Mrs. Lowell Walden of Earth, to Carlsbad Monday. Returning Wednesday, they visited in the homes of Mrs. Walden's daughter, Mrs. Marie Aaron and her children who live there.

Forum Club Closes Year

The Forum Club held a patriotic dinner Friday evening for the concluding event of the club year. A patriotic theme was carried out in table appointments and arrangements of United States flags as focal points.

Mrs. Dick Carl was mistress of ceremonies and introduced Bob Wear who spoke on "The Preservation of Our American Way of Life." He pointed out that there have been those who claim our way of life cannot exist over 200 years, according to past history.

He noted that it does not necessarily have to be this way. Civilizations in the past have collapsed not from outside but from decay within. His message included the thought that our American concept will survive if we care enough to teach our children in homes, schools and the nation. "We have emphasized our rights," he said. "Now we must teach them to accept responsibilities."

Mrs. Hubert Henry, president, wished members a pleasant summer and adjourned the club until next fall.

Card Of Thanks

In a time of death, true love and friendship shines forth. We wish to express our sincere appreciation to the entire Spade community, pastor and choir for their love and understanding and for the food and flowers during the passing of our sister-in-law, Willie Hammett. Sincerely, Clifton and Lena Lee Hammett.

Thanks and praise to our Lord Jesus and to our friends and neighbors who so wonderfully expressed their love and sympathy in our sorrow with cards and flowers and other gifts, and especially to those who attended the beautiful mass and service for our little John David whom the Lord called home. Gratefully, The Marselino Duran Family.

When a new Holiday Inn opens, and over 1,600 already have around the world, it's often celebrated with a ceremony that's at least a century old. Throwing away the key to the hotel, the innkeeper proclaims that henceforth, its doors will always be open to travelers.
