Littlefield Man, 29, Named In Charges

Timothy A. "Tad" Driscoll, 29, of 318 E. 22 in Littlefield, was named as the new sheriff of Lamb County Friday on a charge of burglary. A bond of \$1,500 was made on this charge and an additional bond of \$2,500 was made on a charge of receiving and concealing stolen goods, a felony, filed Sept. 3 by the Lamb County sheriff's office.

First Bale Is Ginned

The race was on Wednesday for the first bale of cotton ginned in Lamb County for 1970, and Don Carter won.

Carter pulled the first county bale for this year across the scales of the Gage Gin at Amherst at 3 p.m. The cotton was hand-pulled from 20 acres of irrigated cotton, Dunn 56C variety, planted May 5 and grown five miles north of Amherst. The seed cotton weighed 1,900 and ginned a 440-pound bale with 900 pounds of seed.

The producer received 50 cents a pound for the cotton, \$100 a ton for the seed and the ginning was free.

The second bale was brought in to the Producers Co-Op at Amherst at 6:30 p.m. the same day by Dean Elms.

Elms' bale weighed 2,380 and ginned a 540-pound bale with 900 acres of seed. The Gregg cotton was planted May 8 and was hand-pulled off seven acres of dryland grown south of Amherst.

This year's first ginning is almost a month earlier than the first bale gathered last year.

DON CARTER of Amherst got 1970 first bale honors Wednesday for a 440-pound bale ginned at the Gage Gin at Amherst. Shown is Carter, Michelle Gage and Brad Carter atop the bale, and Jimmy Gage, ginner.

There Is Law And Order By Degrees At The Kirbys

Ruth Kirby does her own thing -- and does it well.

Mrs. Kirby said she'd always wanted to go to law school, so when Texas Tech added a law school to the university three years ago, Mrs. Kirby was one of 72 to enter the charter class.

When her class graduated May 16, she was the top graduate from the law school with a higher overall average than any of the others who received their doctor of jurisprudence degree.

Mrs. Kirby took her bar examination June 23 and she was notified Wednesday that of the 600 persons taking the exam that she and a classmate tied for the highest grade on the bar examination, and that the top five grades were made by those in her class.

Mrs. Kirby and Marwin Brakebill, a Ralls farmer, scored the top marks. "I've been given three different grades," Mrs. Kirby laughed. "My teacher called me Wednesday to say I made 90, Texas Tech reported a grade of 92, and in a letter from the Supreme Court my grade is 91. At any rate, the top five coming from Tech speaks well of the school."

Now that Mrs. Kirby has a license to practice law, if there is a legal hassle at the Kirby household, the Kirbys can really get down to case histories.

Mrs. Kirby is the wife of Littlefield attorney Jerry Kirby, and their daughter Linn Coombs graduated with honors this year from the University of California at Los Angeles and will get her grade on the California bar examination this December. Linn is a research attorney for a judge of the state court of appeals.

The Kirbys have another daughter, 11-year-old Leigh, who plans to break with the

family law tradition in favor of medical school.

Mrs. Kirby got her bachelor of arts degree from the University of Texas where she majored in Spanish. While living in Austin she was a secretary at the law school and met Jerry Kirby while he was a law school student.

After they were married she worked for him two years. "But now I want to do something on my own," she said. "I don't plan to work with his firm right now, and I certainly don't plan to go into competition against him."

One of the first classes she met as a first year law student was a lecture by a man from the accrediting agency who spoke all morning on why women don't make good law students. But Mrs. Kirby had her mind made up to get her law degree, and she had a perfect attendance record while she attended law school every day, five days a week, two full school terms for three years in getting her degree.

Stanley Doss Runs For JP

Stanley Doss has been appointed to be placed on the Democratic ballot for the office of justice of the peace precinct 4, following the absence created by the death of J. N. Bowen.

Doss was selected by members of the Democratic executive committee Thursday night, according to Glenn Batson, chairman.

Buck Ross, Paul Jensen and Mrs. Ruth Kirby had also applied for the appointment, Batson said.

The Democratic ballot is now closed, and no name will appear for the JP post on the Republican ballot.

Kelly Resigns C-C Position

J. M. "Jim" Kelly, who has served as Executive Vice President of Littlefield's Chamber of Commerce for nearly four years, has resigned that position to accept a position in another city.

Kelly, a native of Longview, came to Littlefield Dec. 1, 1966 from a similar post at Carrollton. His resignation here will be effective Oct. 15.

Kelly and his wife, Beth, have two sons, Craig, 10 1/2 and Patrick, 2 1/2.

The Kellys are members of Littlefield's First Methodist Church.

TEAM TEACHING EMPLOYED AT LJHS

English Goes Modern

By NILAH RODGERS
Leader-News Staff Writer

The old gray mare ain't what she used to be, and neither is the teaching of English.

The language arts department of Littlefield Junior High School has been changed to a system of team teaching, using six full-time teachers, and each of the almost 500 seventh, eighth and ninth grade students will be exposed to the viewpoint of all six of the instructors during this school year.

Mrs. Ruth Badger, head of the language arts department, Mrs. Dovie Blackmon, Mrs. Alma Faye Carter, Mrs. Barbara Harlan, Mrs. Dot Simmons and Mrs. Amy Turner take turns presenting the lessons to large groups at the beginning of each session, then the classes break up with students moving freely to the library, to individual classes, or staying behind to see a certain teacher for specialized help.

One objective of this innovative method is to teach students to take responsibility for their own education. With students progressing at their own rate, they should learn more.

With this flexible method, a really bright child can write a contract with his teacher to do specialized, advanced studies. And for the slower student who can't quite get the work that is presented, this method frees a teacher for individual attention.

The number of teachers employed is the same as last year, but where each teacher was busy the full period every day in conventional classes, one teacher can successfully handle 60-70 students or more in a lecture, releasing three or four others to help individuals or a group.

All students go to the auditorium at the beginning of their class. Ninth graders meet class

In the end, it was "too many mistakes," said a disappointed Coach Deverelle Lewis, that cost the Cats the ball game. "Our kids showed a lot of improvement, and they deserved to win."

The miscues amounted to five fumbles and a pair of intercepted passes. The fumbles cost the Wildcats at least a pair of touchdowns, possibly more.

Not only did the Cats miss Barton's play selection, they could have used him at his defensive left half post, where Crosbyton dropped that last-minute bomb that won the game.

A pair of untried quarterbacks did pretty well for themselves, however. Junior Jay Trammell and Soph Alan Mackey got some needed experience and they also got some mileage out of the Wildcat ground game, which at times appeared awesome.

Defensive tackle Kenny Pratt, who had an outstanding game got the Cats on their way in the first period when he recovered a fumble at the Crosbyton 21. Back-To-School Nights Slated

It's back-to-school time again for parents of Littlefield students, when hundreds of interested parents flock to the classroom to get acquainted with teachers, school officials, materials and techniques.

Parents of students in all grade levels will observe the special time set aside for them on three days this week.

Monday night, from 7:30 to 9 a.m., parents of primary, kindergarten and high school students will "go back to school". At 7:30, parents will convene in their child's first period classroom, and after going through a full day's sched-

ule, parents will be served refreshments.

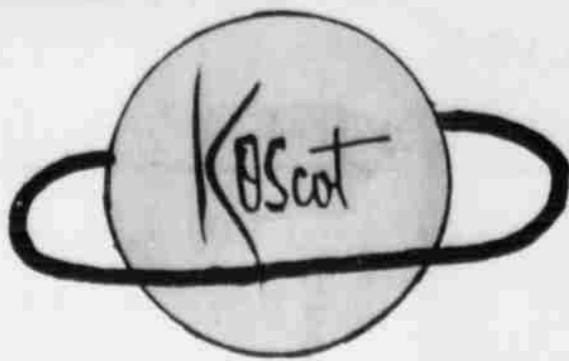

Classrooms in Elementary I and Junior High School buildings will open Tuesday night at 7:30 for parents and friends of the students there.

The back-to-school session for Elementary II parents will convene there Thursday night, Sept. 17, between 7:30 and 9 p.m.

Assistance in directing parents to their child's classroom will be provided in all of the buildings, and a campaign for new P-TA memberships will be conducted by P-TA officers.

TOMMY MACKEY, central office repairman for the General Telephone Company, acquired and installed the switchboard and headset used for listening to cassette tape recordings in the up-dated language arts department at Littlefield Junior High School this year. Tommy Brawley, junior high principle, helped Mackey with the installation. As many as eight students can listen to the same or different tapes at the same time. All lectures are recorded and students are responsible for listening to any missed class period. Listening are Liz Harlan, Sharia Grant, Leo Herrera, and Robby Newton assisted by Mrs. Paul I. Jones, librarian.

Crockett-Lemons Vows Said

BULA--An arch entwined with white carnations and gladiolas, tied with hot pink satin bows, wedding bells and greenery formed the setting for Miss Janice Sue Crockett who became the bride of Jimmy Dale Lemons, Saturday afternoon, Aug. 29 in the First Methodist Church in Morton.

Russell Dameron, minister of the East Side Church of Christ officiated for the double ring ceremony.

Parents of the couple are Mr. and Mrs. John Crockett and Mr. and Mrs. L. T. Lemons of Morton. Miss Crockett moved to Morton with her parents about two years ago from Bula.

Escorted to the altar by her father, the bride wore a formal length gown of silk organza over fille taffeta, designed with a yoke and sleeves of french Alencon lace. The lace accent was repeated in wide skirt panels front and back. The back panel and skirt extending into a chapel train. Braicet length sleeves completed her gown. Her veil was attached with a

circle of pearls with a veil in three lengths.

Miss Treva Lemons, sister of the groom was maid of honor. Her dress was hot pink crepe, street length, long sleeves with a high neck-line, trimmed in white lace. She wore a hat of matching color with a nylon net circle veil. She carried a single white carnation. Dawn Seigler of Morton was the brides flower girl, she was dressed to match the maid of honor.

Donnie Lemons, brother of the groom was ring bearer and served as best man. Steve and Doug Crockett, brothers of the bride seated the guests.

Miss Karen Rosycell, organist and Miss Rita Jane Brown, soloist presented the nuptial music. Karen Fred registered the guests at the wedding in the brides book.

For her daughters wedding, Mrs. Crockett was dressed in a blue silk with bone acces-

sories and wore a corsage of white carnations. The groom's mother was attired in a two piece blue knit with white accessories and a white carnation corsage.

A reception in the fellowship hall of the church followed the ceremony. The three tiered wedding cake and strawberry punch was served by Vickie and Ann Cloud, cousins of the bride.

Following a short wedding trip to Austin and San Antonio the couple will be at home in Levelland, where he is employed with Texas Electric Company.

Out of town guests for the wedding were Mrs. L. A. Short and Dennis and Kenneth Short of Avondale, Ariz., Messers. and Mmes. Bradley Robertson and children from Patricia, Larry and Lynn from Deming, N. M.; H. Lewis Irvin, Danny Irvin all of Lubbock; Floyd Jackson of Balmarhea; John Hubbard, Cecil Jones and John Blackman of Bula; Leon Kessler and children of Littlefield.

A rehearsal dinner was hosted by the groom's parents at the Spot Restaurant in Levelland Friday evening, following the rehearsal.

**CONVERT YOUR HOME TO COMFORT
ELECTRIC HEATING NOW...AND WE'LL
INSTALL STORM WINDOWS... *free!***

Now is the time to bundle up your home for winter. Now is the time to install whole-house, comfort electric heating because, right now, with every qualifying electric home heating installation, we'll install *free* a complete set of storm windows for the heated portion of your home. All you need do is call Southwestern Public Service Company. Our electric heating specialist will gladly and professionally determine the exact heating requirements for your home.

Modern electric comfort heating is already being enjoyed by over 4 million American families... almost 5,000 in our area alone. The reasons are many, but what most people like about clean electric heating is the *comfort* it gives. An even warmth from floor to ceiling creates a comfort unlike any other heating method. You owe it to yourself and your family to get the facts about electric heating!... and now is the time to do it.

Storm windows have proven their value in keeping out cold, wintry winds, holding down

inner heat loss and contributing to lower heating costs. The storm windows now offered *free* with qualifying home electric heating installations, are 2-track, aluminum windows with screen, and custom made to fit your own windows. Storm windows do an excellent job of combating dust storms, too.

IS YOUR HOME ELIGIBLE?

This offer is available to residential customers of Southwestern Public Service Company, living in existing single family homes and qualifying for the special residential electric heating rate. Should you already have storm windows or windows of such design or shape that they do not lend themselves to normal installation, do not despair—we have a special, most attractive plan for you, too.

McAndrew Wedding Solemnized In Austin

Miss Rosemary Monroe, La. and Miss McAndrew were married Saturday at the University Methodist Church Chapel of Austin.

Rev. William Holmes officiated for the reading of the vows. He used the same ceremony that was composed by the bride's grandfather, the late Rev. Jesse B. Leverett for the ceremony of the bride's parents. It was used for sentimental reasons.

Parents of the couple are Mr. and Mrs. John E. Smith of Monroe, La. and Mr. and Mrs. Arthur R. McAndrew of Manassas, Va.

The church was decorated with baskets of white mums, gladiolus, daisies, candelabras of white tapers and a kneeling bench that was entwined with ivy.

The bride, given in marriage by her father, wore a dress of ivory slipper satin. It was fashioned with a chantilly lace yoke front, featuring a Peter Pan collar and a fitted waist ending in a point in front. Her sleeves were fitted and tapered over the hands and buttoned. The skirt was gathered with a front wide inset of chantilly lace and back ended with a chapel length train. She wore a veil of illusion, trimmed in applied chantilly

lace and her head piece was fashioned with lace flower petals, trimmed in applied chantilly lace also. She carried a bridal bouquet of daisies centered by yellow roses, accented with greenery and stephanotis atop the prayer size Bible. The Bible was a gift from her maternal grandparents when she was sixteen.

For "something blue" she wore a lace trimmed garter; "something borrowed" was a string of matched pearls, belonging to her mother; "something new" was a pair of pearl earrings, a gift from her father; "something old" was an ivory chiffon and lace handkerchief.

Attending the bride as maid of honor was Miss Beverly Smith, sister of the bride, Miss Sara Campbell of Hurst and Miss Susan Melton, classmates of the bride were bridesmaid's.

Serving the groom as best man was Tommy Garcia of Austin. Gordon Jacobson of Fort Worth and Jack Dryden were groomsmen. Ring bearer was Stanley Smith, brother of the bride.

Following the ceremony a reception was held at Gondola House in Austin.

The bride's table was covered with yellow tulle over white linen and was centered by a cascade of yellow daisies, mums, gladiolus, with yellow tapers. The three tiered cake was topped with wedding bells, and a bride and groom. It was cut with the same silver knife used to cut her parents' cake. Presiding at the table was Miss Linda Schrub, Miss Teresa Johnson, and Miss Nancy Nugent all of Midland.

The bride is a graduate of Permian Basin High School at Odessa, where she was an honor student. She is now a sophomore medical art major at Texas University.

The groom is a graduate of Paschal High School in Fort Worth. He has attended Rutgers University at Brunswick N.M. Also, college of Serborne Paris, France and is now a senior economics student at Texas University.

They will live in Austin, where both are students at Texas University.

Bruce Faulconer of Grandprarie was organist.

The bride is the granddaughter of Mrs. J. E. Smith of Amherst, and Mrs. Jesse B. Leverett of Stinnett.

FIVE GENERATIONS of the Lewis family are living in Littlefield. Included in the family portrait are Mrs. Myrtle Dickerson (top left) and Mrs. Dorothy Francis (top right). Seated front row, left to right, are Mrs. Georgia Lewis, 85-year-old great-grandmother, eight-month-old Angela Kay Stueart, and Sherri Francis Stueart.

Five Generations Reside In Lfd.

Mrs. Georgia Lewis, 85-year-old great grandmother, who lives at 1005 West 5th Street in Littlefield has five generations of girls in her family, and all five generations live in Littlefield.

Mrs. Lewis moved to Littlefield in 1946 with her husband, Cornelius. She has five children, three of which live in Littlefield.

Her daughter Mrs. Myrtle Dickerson, with her husband, Volle, and five of her seven children moved to Littlefield in 1950. Two of her children still live here.

Mrs. Lewis' granddaughter, Mrs. Dorothy Francis moved to Littlefield in 1949 with her husband, Choice, and one son. Six more children were born here and all seven of their children have lived in Littlefield and gone to Littlefield schools. Two

of them are married, but still live here.

Sherri, the great granddaughter of Mrs. Lewis, and daughter of Mrs. Francis, married Danny Stueart, who had lived in Littlefield all of his life also. They still live here with their daughter, eight month-old Angela Kaye Stueart, the great great granddaughter of Mrs. Lewis.

Officers Elected

The junior chapter of the Future Homemakers of America had their first meeting of the year Tuesday, Sept. 8, in the homemaking room at Littlefield Junior High School, for the purpose of electing officers for the 1970-71 school year.

Officers elected were President Judy Cannon; first vice president Kim Jungman, second vice president Laquinta Clark; third vice president Rita McKinney; fourth vice president Beth Williams; fifth vice president Janice Ray; secretary Dana Middlebrooks; treasurer Linda Shelley; and parliamentarian and historian Connie Novied.

NEW DAUGHTER

Mr. and Mrs. Chris McClure of Canyon are parents of a baby girl, born Saturday, Sept. 5, in the Littlefield Hospital. She has been named Cristi Gay and weighed 6 lbs., 4 ozs. The grandparents are Mr. and Mrs. Pat Downs of Littlefield and Mr. and Mrs. Buck McClure of Springlake. Mrs. McClure and Cristi Gay were dismissed and will be staying a few days in the home of her parents, Mr. and Mrs. Pat Downs.

Future Plans

Mr. and Mrs. Wade Polk of Littlefield announce the engagement and approaching marriage of their daughter, Ann to Gary Schovajsa, son of Mr. and Mrs. E. L. Schovajsa of Amherst.

The couple plan an October 9 wedding at 5 p.m. in the First Baptist Church of Amherst.

The bride-elect is now attending her senior year at Amherst High School.

The prospective groom is a graduate of Littlefield High School and is now attending Texas Tech.

New Arrival

Mr. and Mrs. Garen Landrum announce the birth of a daughter, Kyla Michelle, born September 6th, in the Littlefield Hospital. She weighed 7 lbs., 1 oz.

The paternal grandparents are Mr. and Mrs. Neil Landrum of Littlefield and the maternal grandparents are Mr. and Mrs. David Stafford of Levelland, formerly of Littlefield.

Great-grandparents are: Mr. and Mrs. John W. Feagley of Amherst, Mrs. C. H. Messer of Littlefield, and Mr. and Mrs. J. D. Hiberd of Haskell.

THE JERRY KIRBY household could be referred to as Kirby, Kirby and Coombs, attorneys at law, with three of the four now lawyers. Kirby has been an attorney in Littlefield since 1956. Ruth Kirby got her doctor of jurisprudence degree from Tech in May, graduating at the head of the class, and tied for the highest grade of the 499 who passed out of 600 Texans taking the bar examination. The Kirby's daughter, Linn Coombs, graduated with honors from the University of California and is awaiting the results of her California bar examination.

Lamb County Youths Discuss Democracy

Lamb County students will soon be receiving information on the "Voice of Democracy Program", sponsored by VFW Post 4854 and the Ladies Auxiliary, in conjunction with the National VFW promotion. According to Stella Pugh, chairman of the Auxiliary, this year's topic for the speech to be written, and later recorded, is "Freedom, Our Heritage". "We plan to deliver materials to all Lamb County schools, beginning Monday. Students may pick up the brochures from their respective principal's office," Mrs. Pugh stated. Mrs. John T. Ramage of Spade is co-chairman of the contest. Area students will again be trying for local, district, state and national honors in the contest. On the local level, winners will receive a \$75 bond for first place \$50 bond for second place, \$25 bond for third place and medallions for fourth and fifth place winners. The winner on the local level will then enter competition on the district level, then to state and national if he or she qualifies.

Winner of the State competition will receive a five-day, all-expense paid trip to Washington, D.C. where the national contest will be held.

Winners in the national contest will receive cash prizes of \$10,000 for first place, \$5,000 for second place, \$3,500 for third place, \$2,500 for fourth and \$1,500 for fifth.

Deadline for entries has been set at Dec. 10, so that they may be mailed to the proper personnel for judging.

Geoffrey Grizzle was winner of last year's local contest, and she was among 35 who entered.

James Robison Crusade Scheduled This Month

James Robison, the 26-year-old evangelist who will lead the coming crusade in the Littlefield Junior High Auditorium, gets to know thousands of young people every year.

High School assemblies, small informal groups and individual counseling give him an opportunity to communicate with the youth of America in a unique way.

From Alaska to Florida, James hears youth asking for answers to questions that puzzle them.

Young people love James because they love him, and they love to hear him speak. Using a conversational approach, James speaks for his crusades by example.

The youth of America are surrounded by areas of darkness. James is here for eight nights, Sept. 14-21, Sunday night, Sept. 20. He is here to give the service, and the County Community Center.

week, something the English department had never been able to do until this year.

Six groups of students go to a certain room on composition day, but the teachers rotate, and each of the six teachers grades and evaluates written work so that a student gets the viewpoint of all six teachers in a reporting period.

If a student misses a lecture, make-up classes are simple because cassette recordings are made and are kept in the library. Several students may listen to the same cassette, or individual students may listen to separate cassettes. It is the responsibility of the student to listen to any lecture he has missed.

There are viewers for filmstrips, also, and overhead projectors may be used for large and small groups.

San Angelo was one of the first schools to use team teaching in this manner. Fort Worth is using this method in a traditional school building and in the new domed John Glenn building designed especially for the modular system.

Littlefield teachers were told they could expect mass confusion the first six weeks until students got used to the modernizing of the language arts department, but from the start there have been few problems, little noise, and instant liking of

the idea. "Ninth graders are actually fighting over the books," Amy Turner said. "They like the cassettes and film strips," said Mrs. Jones, librarian. "They're having fun."

Later all this may be old hat, but for now it is a big thing in the world of English.

Pep Dinner Set Sept. 24

Tickets for the Annual Pep Farm dinner, slated for Thursday, Sept. 24, at 7:30 p.m. in Parish Hall at Pep, will go on sale in the Chamber of Commerce office this week.

The event is being sponsored by Littlefield merchants, and Pep farmers are preparing the food.

To be included on the menu will be some of that famous Pep sausage, sauerkraut, mashed potatoes, green beans and homemade bread.

Littlefield merchants buy the tickets for themselves and a farmer at \$3 per ticket. The C-C office has requested that cash or checks be paid for the tickets, to avoid any billing this year. Extra bread and sausage will be on sale after the dinner.

attended summer sessions and passed their bar examination in March. But Mrs. Kirby didn't go to summer school because she didn't want to leave Leigh by herself.

"I guess I'm the type to tend to over-mother," she said. "But some of the things that other women find satisfaction in just aren't for me. I do my own thing."

"Being a woman and older, and yet being accepted by a group so lively and bright was rewarding," she said of her class. "It was a lot of hard work and all sort of grueling--sort of a toughening process, with your whole grade on what you make on tests that lasted up to five hours. And the bar exam, spread over three days, was an endurance contest in itself. Now I'm ready to put some of this hard work to good use," she concluded.

Of AC spark plugs packed eight to a carton, and three cases and 10 boxes of shotgun shells number 7 1/2 shot valued at \$450.

Entry to the gin was gained by prying a door on the southwest side of the building, and missing was a standard cassette tape recorder and \$10-\$12 in change.

DEAR EDITOR

What Our Readers Think

Dove Cooking Hint

Dear Editor, It is dove hunting time again, and it seems that some hunters are getting their limit--and as usual, some are not. There is something about dove hunters that I can't understand. There are too many hunters that won't take time to prepare and cook the birdie after they have killed them. Some have told me that they just leave them in the field. (I hope they know they shouldn't do that). A game warden could catch them.

Personally, I don't know if it is against the law or not--if it isn't, it should be.

The purpose of this letter is to encourage all hunters to try to get all the birds they kill. If they don't care to dress and cook the birds themselves, maybe they have a friend or neighbor that would just love to have them.

There are several different ways to cook doves, but I am sure frying is the most popular way. And to make them really good, they must be fried right.

Here is a good recipe. Field dress birds if possible. Birds that are not dressed early are bad.

- Soak dressed and cleaned birds overnight in salty water.
- Next day-- 1 egg, well beaten 1 cup milk 1 teaspoon black pepper 1 teaspoon meat tenderizer 10 doves--back and breast. Split poultrybone on breast so it will lie flat in skillet. 3 slices bacon 1/4 stick butter or margerine 1/2 cup Crisco oil 1 1/2 cup flour Mix egg and milk well. Add pepper and tenderizer. Punch dove parts with fork. Set electric skillet at 350 degrees. Fry bacon until crisp and remove from skillet. Add Crisco oil and butter or margarine, and be sure skillet is hot. Dip dove parts in the milk and

egg mix, then into the flour that has been seasoned with a little salt.

Place in skillet and fry about 8 or 9 minutes.

The thermostat on all skillets are not exactly the same, but on my skillet, about 345 degrees is about right. But 350 on most will be close.

This is my recipe, and I may not say it right, but it sure will cook it right.

Thanks

Says Thanks

Sept. 9, 1970

Dear Mr. Turner,

We of Beta Sigma Phi want to take this opportunity to say "Thank you" to all who helped make our pageant a success.

To the merchants both locally and in the surrounding area give a special thank you for their support through entries and the purchasing of program ads.

Our local paper, The Leader-News, helped in so many ways with our advertising campaign, thank you personally, Mr. Turner.

Sincerely, Rene Williams Tau Phi Chapter Beta Sigma Phi

THE ABUNDANT LIFE Need Each Other

By BOB WEAR

IT SEEMS UNBELIEVABLE that there could be so much strife, division, disunity and hostility among us. Of course, we want to think that it seems worse than it actually is.

Nevertheless, there is entirely too much: far more than we can afford. In the current social and political climate, everybody is losing; and we are foolishly risking the loss of the good life.

IT IS ALMOST as if some kind of madness has taken possession of people.

There is alienation where there could be friendship; there is fighting where there could be peace; there is wanton destruction where there could be building; there is resentment where there could be appreciation; and there is weakness where there could be strength.

All of us are affected to some degree.

THERE ARE TWO strong reasons why it is mandatory that we fully recognize our need for each other. We have common enemies, dangerous enemies. We need each other so we can present a united front, because this is probably the most important one element in our defense.

Then, we have common needs which can never be supplied unless we admit our need for each other, and act accordingly.

NOW IS THE TIME to admit that we need one another, and stop the pretense of assumed independence. It will not help us if we wait until the full harvest of our present foolishness convinces us of our mutual need. We must be convinced now.

Is it so difficult to admit what is so obviously true?

"HOW BEAUTIFULLY it is ordered, that as many thousands work

for one, so must every individual bring his labor to make the whole. The highest is not to despise the lowest, nor the lowest to envy the highest; each must live in all and by all. So God has ordered, that men, being in need of each other, should learn to love each other, and to bear each other's burdens." -G.A. Sala.

"I NEED YOU" has often been the difference between success and failure in the relationships among loved ones and friends.

Our need for each other, however, goes beyond these two areas of human associations; and includes people we never see or know.

IT IS QUITE NORMAL to find satisfaction in the knowledge that someone or some worthy cause needs us, and we have reached a vital point in our understanding when we admit our dependence upon others; upon many others.

INTERDEPENDENCE is the cardinal principle of our social structure, and is fundamental in the Christian system, too. "There is a destiny that makes us all brothers; none goes his way alone. All that we send into the lives of others comes back into our own." Markham.

To whatever extent we recognize our interdependence, we are moving in the right direction.

IT IS NOT POSSIBLE for us to withdraw from our fellowmen, and live a life apart from them.

Of course, there is a disease in which we may become independent, and for this we all seek, but complete or absolute independence is impossible.

WE NEED OTHERS, and they need us. When these facts are admitted and accepted in an atmosphere of kindness and sincere appreciation, there will be hope for us.

BE SURE a lot of you women, yourself, are always included in any household hints might save you time on a day.

IN FALL and winter come which bring long play-days for pre-schoolers, who envy older sisters and just a tad off to school and leaving behind to do nothing mother.

WAY I've found to keep the dears busy is to equip small-fry Lancelot in a covered football helmet, a "sword" cut from corrugated cardboard and with foil. For "play", cover cardboard with varying sizes with Now he is all set to play armor.

IDEA may be a little on mother's nerves, but she likes a little musical you can place a dozen or little round jingle on a paper plate. Place paper plate of the same size down on top of the Staple or tape the two together all around the rim and you've made a clous and musical tambourine. Hold the tambourine brim and shake it or tap what you want, you can color it.

Immunization Survey Set

A survey, taken annually to determine the extent to which people have been inoculated against communicable disease, will be made here the week of Sept. 14 by the Bureau of the Census.

Interviewer who will visit households in this area included in the sample survey is Mrs. Rosemary McNeese of Amherst.

The immunization survey is part of a national program coordinated by the U.S. Public Health Service.

Information on immunization will be collected in conjunction with the Bureau's monthly survey of employment and unemployment for the U.S. Department of Labor which provides a continuing measure of the economic health of the nation as a whole and of its major regions.

Facts supplied by individuals participating in the survey are kept confidential and the results are used only to compile statistical results. The law safeguarding the privacy of the individual applies to all information collected by the Census Bureau.

they can match the card to the telephone numbers and dial the party desired.

WHETHER YOU ARE planning a winter vacation, with a week in the south or on a ski slope, your complexion will feel the effect and needs your attention. Any vacation means a change of climate, more outdoor exposure, and probably changes in your skin. Take along an antibacterial soap, for a mild, germfighting protection wherever you go. By maintaining your regular beauty and grooming routine, your skin is sure to remain smooth and clear whatever the climate.

USE OF a cold skin freshener to close pores after a facial cleansing is an important step in your facial process. I find that keeping my skin freshener in the ice box, it is always good and cold and ready to use. Those with oily complexions will especially enjoy this finishing touch-- it is so refreshing, no matter what time of the year.

FOR A LITTLE manicure magic after the nails are filed and cleaned, try applying vinegar to the nails and let it dry. Then apply your favorite nail polish as usual. Your will find that your polish will wear off instead of chip off.

JUST HAPPENED to find a good recipe for Spiced Tea. A real good stimulating treat for the oncoming of cold weather.

Instant tea
1 teaspoon lemon juice
1 teaspoon sugar
Dash cinnamon
Dash ground cloves.

For each cup, prepare hot tea as directed on package, adding lemon, sugar, cinnamon, and cloves. Makes 1 serving.

TIP FOR THE HUNTER WITH HUNTING season well on it's way, you men can exercise extreme caution when in possession of a loaded gun. Remember to always carry the gun in a position that will give you control over the direction of the muzzle, even when off balance from stumbling or tripping. Never fire the weapon until you are absolutely certain of your target. Carelessness is responsible for thousands of hunting fatalities and injuries suffered each year.

Activities

WEDNESDAY, SEPT. 16
LITTLEFIELD Woman's Club will conduct a tea at 2:30 p.m. in the Flame Room of Pioneer Natural Gas Co. for the first meeting of the year. New members will be honored, along with District President Mrs. LeRoy Johnson. Subject of the president's address will be "Federation."

Two Receive MA Degrees

Two Master of Arts degrees were conferred upon Abilene Christian College students from Littlefield at the summer commencement exercises Friday, Aug. 14, in the ACC Moody Coliseum-Auditorium.

Keith Lynn King of Littlefield, was awarded the Master of Arts degree in history with a minor in government.

A Master of arts degree in Bible with a minor in Church history was awarded to Thomas Jackson Wicker of Littlefield.

The commencement address was delivered by Archie Crenshaw of Stone Mountain, Ga., minister, businessman and professor at Oglethorpe College in Atlanta, Ga.

Scout Leaders Plan Roundtable

The George White District of the South Plains Council, Boy Scouts of America begins a full schedule of important District meetings in September.

The first District meeting scheduled is District Roundtable, where all Cub Scout and Boy Scout leaders plan the meetings for their Cub Scout Pack or Boy Scout Troop.

Scout Leaders attend this meeting so they may provide the very best experience possible for the boys in their Pack or Troop.

The first District Roundtable meeting is scheduled for Monday night, Sept. 14, at the First Methodist Church in Littlefield at 7:30.

Area Meet Set

Young Farmers in this area will attend the Area 1 Young Farmers Convention in Hereford Saturday, Sept. 19.

Activities will be in the Hereford Community Center. Registration begins at noon and the general session will be at 1:30. The meeting closes with a banquet at 6:30 p.m.

Six or seven couples from Witharral will be among those attending.

'Sew It With Cotton' Contest Scheduled

A "Sew It With Cotton" contest for 1970 has been scheduled for Littlefield High School Auditorium Tuesday, Sept. 22.

The event, sponsored by Bailey and Lamb County Women's Cotton Promotion Association, is open to everyone

except home economics instructors and home demonstration agents, and is not limited to Cotton Club or Cotton Promotion Association members.

Women who sew for the public are not considered profes-

sionals and may enter garments for themselves or for others.

First place winners in each category or designated alternate from County contests will enter the district contest to be held later in Crosby County--as soon

as time and place have been determined.

Seamstresses must be at least nine years old by date of the contest, and not more than two items made must be constructed especially for the contest.

Entry blanks may be secured at Ware's Department Store, H&M Fabrics or at Claunch Gin at Bula.

Seven Area Women Enrolled In Course

Seven area women are among 43 persons who are enrolled in the Nursing Home Administration course at South Plains College in Levelland this year. This is the first year the college has offered this particular course.

Among members of the class are Dorothy N. Baldwin and Jean Huffman, Littlefield Hospitality House; Carlene W. King, Medical Arts Hospital; and Genyry E. Lowry, Linda Lu Lowry, Elsie M. Seymore and Dorothy Weaver, Amherst Manor.

The course is a study of the practical aspects of procedures and problems for those in search of more knowledge in the field of Nursing Home Administration. The complete course contains five parts and meets for a total of 200 hours.

Persons seeking to satisfy the educational requirements of the Texas Nursing Home Administrators Licensure Act and anyone who is interested in knowing more about Nursing Home Administration may be enrolled in the class. These

courses do not receive academic credit at the college and the college is not able to offer them by correspondence.

The 200 hours are divided into five parts. Each part meets six hours a week until that part is completed. A brief interval will be given between each part.

Classes are held from 3 p.m. until 9 p.m. each Thursday on the campus of South Plains College in Room 101 of the Technical Arts Building.

Certificates of completion will be awarded to those who successfully complete the five parts.

Mitchell Masters was the instructor for the first part which has been completed.

The second part, under the direction of Don Melton, is underway at this time. Three more parts will be taught following the completion of this one.

For additional information contact Don Yarbrough, Director of Continuing Education at the college.

Shower Honors Two At Enochs

ENOCHS--A double shower was given recently in the Enochs Baptist Church fellowship hall honoring Mrs. Carl Henderson of Enochs and her sister-in-law, Mrs. Utah Carroll Burger of Fort Stockton.

A pink and blue shower was given to honor Mrs. Henderson and a bridal shower honored Mrs. Burger, the former Elizabeth Henderson, daughter of Jake Henderson of Enochs.

The hostesses were Meses. C. P. Price, Mrs. Margie Peterson, Joyce Beasley, Pauline McCall, Treva Autry, Alma Altman, Essie Seagler, G. R. Newman, Dorothy Nichols and J. D. Bayless.

Refreshments were served to the guests from a table covered with a white lace cloth over white satin with a centerpiece of yellow roses. Pink punch, white cake with yellow and pink roses on top was served to the guests.

The brides table was covered in a pink cloth with a bride and groom centerpiece, and an array of gifts was displayed.

The baby shower table was covered in blue and centered with a stork and garden flowers. This table also held many gifts. The gifts were record-

ed by Mrs. Alma Altman as they were opened.

Those attending were Meses. Tony McKinney, J. O. Dane, Lloyd Pollard, Keith Price, J. B. Vanlandingham, C. H. Byars, J. C. Pearson, E. F. Campbell, C. A. Petree and Mrs. Mary Grusendorf and the ten hostesses.

Lewis Family

Has Gathering

A short visit of friends and relatives from California and Oregon recently prompted a fun gathering for friends and members of the Mrs. Georgia Lewis family in Crescent Park.

A picnic supper was held for all from the youngest-age 5 months, to the oldest-age 85 years, during the family-visiting session.

After supper, games of "42" baseball, volleyball, and tennis were played by some, while others just enjoyed the togetherness.

Those enjoying the festivities included: Mrs. Georgia Lewis, Littlefield, and her children: Mr. and Mrs. Dub Roberts, Sacramento, Calif.; Mr. and Mrs. Vollie Dickerson, Mr. and Mrs. James Garrett, Mr. and Mrs. Virrel Roberts, all of Littlefield.

Mrs. Lewis' grandchildren and great grandchildren and great great grandchildren attending included Mr. and Mrs. Bill Moorehead, Tanya, Karen, and Kathy of Denver City; Mr. and Mrs. Rud Loffin, Rene, Robin, and Ruann of Lubbock; Mr. and Mrs. Kenny Roberts, Sacramento, Calif.; Mr. and Mrs. Danny Stuart and Angie and Mr. and Mrs. Jim Francis of Littlefield; Mr. and Mrs. Charles Dickerson, Stacey and Jeff of Levelland; Mr. and Mrs. Gerald Pair, Karen, Kathy and Eddie of Plainview; Mrs. C. E. Dickerson and Gary of Levelland; Mr. and Mrs. Choice Francis, Bill, Merri, Vollena, Glenn and Kenny of Littlefield.

Friends of the family attending included Mr. and Mrs. Otis Roberts, Pat and Diane of Eugene, Ore., and Larry Metcalf, Levelland.

Medal Given

Lfd. Soldier

Private First Class Michael R. Brandt, son of Mr. and Mrs. Benjamin H. Brandt of Littlefield, received the Army Commendation Medal recently while serving with the American Division in Vietnam.

Pfc. Brandt earned the award for meritorious service as a Rifleman with Company C, 4th Battalion, 3rd Infantry of the division's 11th Infantry Brigade.

He was graduated from Littlefield High School in 1969.

Scout Troop Has Court Of Honor

Littlefield Boy Scout Troop 637 awarded second class ranks to four boys in a court of honor at the Scout Hut Tuesday evening.

Buster Owens, scout master, conferred second class ranks on Blake Wood, Fay Lee, Ricky Richards and Mike Cotter.

Merit badges were earned by Bobby Mathews for camping, citizenship in nation, citizenship in community and home repairs.

As a good turn troop 637 recently cleaned the rubble from the roadways along Highway 54 near the REA building.

One Is Injured
 Only one rural wreck was reported in Lamb County during the Labor Day weekend. Weldon Parson, Department of Public Safety official, investigated the single two-car accident about 7 p.m. Monday when a 1969 Ford driven by John St. Clair of Route 2 Olton was in collision with a 1966 Ford pickup driven by Jessie Streety of Star Route 2 Littlefield.

The accident occurred five miles east of Littlefield on 1072 when both vehicles were traveling south. Streety attempted to make a left turn into the driveway leading to his house at the same time the St. Clair car attempted to pass. The front of the car hit the rear of the pickup resulting in damages of about \$400 to the pickup and a minimum of \$1,000 to the car.
 Mrs. Ora Streety, a passenger in her husband's car, was taken to the Littlefield Hospital by a Hammons ambulance. St. Clair was cut on his chin, but his wife Janette and son Johnny were not injured.

Two Jailed By Police

City police have jailed two adult males since Wednesday, and another is still in jail waiting for the posting of a \$200 bond.

One adult male was arrested Wednesday night, charged with drunk in public. He appeared before the judge, was fined and released.

Another adult male was arrested early Thursday morning, charged with destruction of private property. He paid for the damaged property, was fined and released.

The third man is still in the city jail, after he pleaded "not guilty" before Judge Ben Noble Wednesday morning. His bond was set at \$200 and the bond has not been posted.

Police have investigated one wreck the latter part of the week last week.

Wednesday, a 1966 Chevrolet station wagon, driven by Jesse Faye Bitner of Littlefield and a 1964 Buick, driven by John Douglas Morton of Levelland, were involved in a collision at the intersection of Fifth and Duggan.

The Morton vehicle was traveling west on Fifth, when the Bitner station wagon was attempting to make a left turn off of Fifth onto Duggan, and entered the path of the Morton auto.

Attend The

JAMES ROBISON

Crusade For Christ

Junior High
Auditorium
September 20-27
7:30 P.M.

James Robison is the voice of evangelism for this generation. Humble in spirit, yet courageous and bold in proclaiming Christ, he preaches with great power and conviction.

This dedicated 26 year old man is being heard by more than 600,000 persons a year in crusades across America, and more than 125,000 in high school assemblies. During the first four months of 1970, 5,980 persons have accepted Christ during his crusades. Since the beginning of his evangelistic ministry eight years ago, over 4,000,000 persons have heard him preach and over 60,000 have professed Christ.

James Robison preaches with the force of youth and his appeal to young people is evidenced by the large crowds of teens and young adults who attend each crusade meeting. But his solid Biblical and doctrinal preaching, mature beyond his years, appeals to people of all ages. He delivers Christ's message of salvation with such earnestness and sincerity that all who hear him are deeply impressed.

James Robison's life began in the charity ward of St. Joseph's Hospital in Houston, where a baby was born to a 41 year old woman whose alcoholic husband had deserted her. When the baby was three weeks old, the desperate mother placed an ad in a Houston newspaper, asking for someone to care for and love her baby. Rev. and Mrs. H. D. Hale of Pasadena took James, and cared lovingly for him until his mother came for him when he was five years old.

James lived a life of poverty with his mother and her new husband, an illiterate yard man. No one seemed to care about the boy's spiritual life; no one invited him to church or told

him about Christ. Later his mother divorced her second husband, and James' real father came back into their lives. Because of his drinking, there was always trouble in the home.

When James was 15 years old, his mother allowed him to go to visit the Hales in Pasadena for the first time since he left their home at the age of five.

It was during this visit that James accepted Christ. The Hales and their church members had prayed unceasingly for James to know Christ, and he gives them credit for leading him to the Saviour.

When he was 18 years old, during a Daniel Vestal revival, James answered God's call to be an evangelist. He changed his plans to enter the University of Texas to study law, and enrolled in East Texas Baptist College. Almost immediately he began preaching, and his ministry since that time has had God's hand upon it.

James is married to the former Betty Freeman, and they are the parents of Rhonda Rene, born in 1964, and James Randol, born in 1969. The family lives in Hurst, Texas.

God has raised up James Robison for our day. His ministry is Holy Spirit empowered, his preaching is Bible-based, his invitation is simple, and his personal dedication to Christ is challenging. He communicates his burning passion for souls to others, so that entire communities become witnesses for Christ.

"I know the Person in whom I believe. I know Jesus Christ," says Robison. "This is the Jesus that I try to introduce people to through simple gospel messages, through the preaching of the Word of God and through personal witnessing across the country."

This is the young man who will lead our coming Crusade for Christ.

Weaver Scores Three Hornets Sting Sundown, 46-6

By EMIL MACHA
Leader-News Sports Writer

An aerial display and the speed of the ball carriers made the scoreboard light up like a pinball machine as Sudan downed Sundown, 46-6, Friday night at Sudan.

Bo Lance's ball handling and the speed of Harry Jefferson and David Weaver highlighted the game for the Hornets.

Infractions weighed heavy for the Sudan squad as Weaver scored twice after long runs to have them called back.

After a series of downs by both teams, Jefferson exploded around his left end and scamper 66 yards for a Sudan sixpointer with 3:57 left in the first quarter for a 6-0 Sudan lead.

The stubborn Sudan defense, led by Eugene Lopez, Gary Edwards, and Johnny King on the line and Roger Bellar, Gregory McNabb, and Weaver in the backfield was hard to penetrate.

The Roughnecks' best advance in the quarter was to the Sudan 24.

Weaver and Gerald Chisholm put the rush on and Sudan gained possession on the Sundown 29. McNabb plowed to the 21, then Bellar charged enough for a first, and the drive was completed by Steve Edwards with a 19 yard TD.

Kim Ingram kicked the first of four extra points for the night. Chisholm set the stage for another Sudan TD as he recovered a fumble on the Sundown 13.

Lance charged to the three in the next two downs, Sudan drew a five yard penalty for off sides, Bellar then slipped the eight yards for another TD.

Sudan led 19-0 with 4:25 left in the first half, and took that lead to the dressing rooms.

In the third quarter Sundown tried a new game of attempting to run through the line instead of around. But after four downs they were forced to punt the ball.

On the return trip Sudan got a pair of first downs then had to give up the ball after coming within 13 yards of the goal.

Later in the quarter Weaver crossed the double stripes but

was called back on a clipping infraction.

On Sudan's first play of a new series, another touchdown by Weaver was called back on another clipping violation.

Lance came back with the same pass play and Weaver crossed the goal line from 42 yards away, with seven seconds left in the third quarter.

Leading 26-0 going into the last quarter, Sudan took possession of the ball after Sundown had to give it up on downs and Weaver scampered 45 yards on a pass play from Lance for another tally, with 8:38 left in the game.

Sundown took control of the ball after a short kick and scored with James Hayes carrying the ball from the Sudan 37.

Sudan still lead 32-6 with 7:02 left in the game.

After a first down, Jefferson went around left end to romp 33 yards for his second TD.

The Sundown charge was stopped by Lance as he recovered a fumble on the Sudan 41-yard line.

Two plays later Weaver took a hand-off and ran 44 yards for another sixpointer. Ingram kicked the extra with 2:43 left in the game, making it 46-6.

Sudan ended the night with seven complete passes in 10 attempts for a total of 202 yards. Sundown did not connect in three attempts.

SUDAN TACKLE Allen Roberts helps plow the way for Quarterback Bo Lance in the Hornets' season opener against Sundown Friday night. The Hornets downed the Roughnecks, 46-6.

Springlake-Earth Downs Amherst

By GARY BRYSON
Leader-News Sports Writer

The Amherst Bulldogs and the Springlake-Earth Wolverines clashed Friday night in the first game of the 1970 football year, with the Wolverines the victors by a score of 26-0.

Springlake-Earth rolled to the victory over Amherst with Hoyt Glasscock, a junior quarterback, handing off to his backs for two touchdowns and carrying one in himself. Mike Clevinger the Wolverine backup quarterback, carried one across the goal in the fourth period for the final score. Glasscock kicked two extra points.

The big guns in the offensive drives were Tony Barton of the Springlake team and Bobby Clayton for Amherst. Barton racked up 150 yards in the rushing department. Clayton carried the ball 21 times for 135 yards rushing and ran kick-offs back for gains of 5, 10, 45, and 57 yards. Clayton also showed why he was chosen on the All-South Plains second team for defense by being in on over 30 tackles.

The difference in attacks was clearly shown in both running and passing with Springlake picking up 346 total yards rushing and completing 12 of 18 passes for a gain of 208 yards. Amherst went to the air just once and it was incomplete. The Bulldogs did rush for 260 yards against the tough 3-A team.

Four times the Bulldog squad had the fans on the edge of their seats by being within scoring distance, but each time the Blue and White's drive fizzled out. The closest Amherst came to scoring was a first and goal

situation from the Wolverine seven yard line. The drive, started with an interception by Senior Ricky Miller, and a 15-yard penalty on that play, led the 'Dogs to the two yard line 14 plays and three first downs later.

The game was under the control of the Wolverines all night long, but not a total loss for the Amherst squad. Coach Sessums pitted his District 3-B team against a District 3-A team that is one of two favored in that conference.

The Wolverines were scoreless through the first period but a Glasscock to Barton hand-off for three yards put the initial points on the scoreboard. Glasscock kicked for the extra points.

A 19-yard run by Glasscock set the Springlake squad up on the three-yard line, and two plays later Senior Ricky Enloe scampered two yards for the score. That made it 13-0 at the half.

With a first and goal situation on the Wolverine eight, Amherst fumbled and lost the ball. Eight plays later and after a 43-yard pass completion, Glasscock carried the ball the last 17 yards to score.

The final Springlake score came near the end of the fourth quarter when reserve quarterback Mike Clevinger crossed the line from eight yards out for six more points. The extra point kick was good by Glasscock.

This Friday the Amherst crew takes on the other favored team in the 3-A race as they meet Sudan in another home tilt. Springlake-Earth will travel to Hale Center.

OLTON TAILBACK Gary Kelley is hog tied by a Tulia Hornet in Olton's 45-12 victory.

Olton Wallops Tulia, 45-12

Olton, behind the quarterbacking of Steve Stockdale, stomped the Tulia Hornets Friday night to the tune of 45-12.

Luis Rey started the Olton scoring spree with an interception that he returned to the goal from 41 yards out. Stockdale kicked for the extra.

Keith Workman ran for four yards and Marlos May ran from the 11-yard line for 12 other first quarter points. Stockdale hit on one conversion to give the Mustangs a comfortable 20-0 lead in the first period.

Workman caught a Stockdale pass for a 32-yard score and Stockdale missed the extra point try. At the half Olton had completed 26 points to six for the Hornets who tallied on a three-yard run by Johnny Dann.

In the second half Stockdale passed to Alonzo Springer for another six points. May and Workman both scored another touchdown in the third period. Stockdale kicked one more PAT to give Olton it's 45 points.

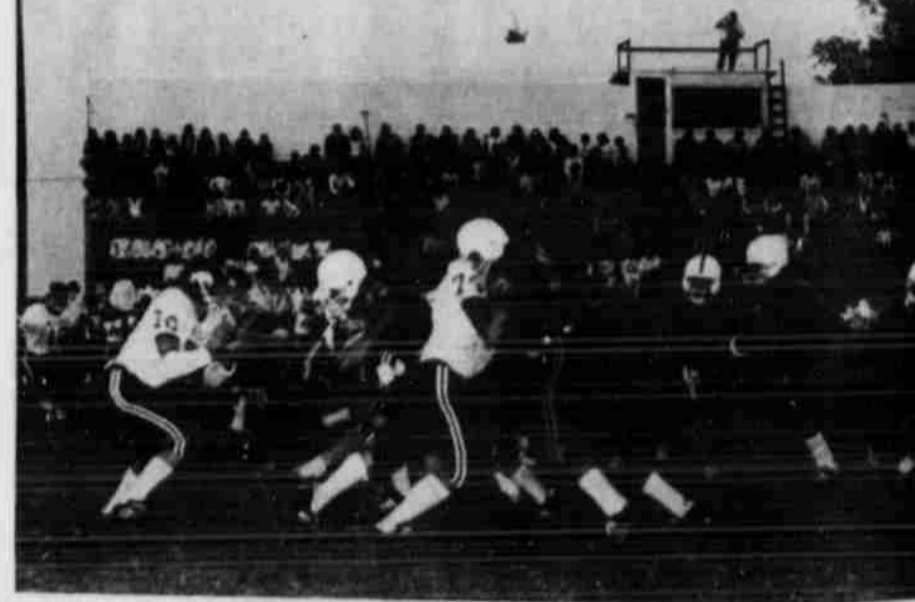

Aubrey Rodgers of the Tulia team scored on a three-yard running play to make the final score 45-12 for the Mustangs. Workman was the workhorse

for the Mustangs as he carried the ball 13 times for 132 yards. May carried 12 times to add 81 yards to the offense.

Stockdale hit on 10 of 18 for 205 yards, with Springer his main target. Alonzo caught five for 115 yards. In all Olton had 527 yards gained, compared to Tulia's 261.

Rey was an outstanding defender with a pair of interceptions, one of which he returned for a TD. Others outstanding on defense were Gary Durham, Jim Key and Luis Jimenez.

Olton will play Muleshoe in a home game this week, starting at 8 p.m.

SPRINGLAKE-EARTH'S Hoyt Glasscock (10) kept the ball on this fake and ran for 25 yards for S-E against Amherst in their 26-0 victory. Amherst players Doug Cummings (12) Kim Harmon (70) and Larry Edwards (73) are in on the play.

Funk. Two plays later, Willie Williams went wide left and scored from seven yards out. A pass attempt for two extras went incomplete and it was 7-6, Wildcats.

Crosbyton rolled down to the Wildcat 1-yard line early in the third quarter, following a 52-yard run by Willie Williams and a pile-on penalty against Littlefield. But the Wildcats kept the lead, holding off the Chiefs when Chuck Blevins and Dennis Hartley tackled Williams just outside the goal line on fourth down.

FB Danny Estrada then broke for 88 yards to the Chief 10, where he fumbled and the Chiefs recovered. Estrada seemed to have a clear shot at a TD when he broke completely free near midfield, but in the midst of his run he got leg cramps and the last 30 yards were pure pain and hobbles, enabling the Chiefs to catch up and recover.

When Crosbyton couldn't move, the Cats had another shot, driving to the Chief 15, where a pass from Trammell to Keith Sitton looked like a winner. But Sitton was a step out of bounds when he caught the ball, and on the next play the Chief

line got to Trammell, ending the threat.

With 25 seconds left in the third quarter, Bobby Williams, Willie's brother, went 53 yards on a draw play for a Chief TD. That made it 12-7.

The fourth period saw the Cats fumble away one drive at the Chief 34, then another at the Crosbyton 5 with 4:22 left in the game.

FB Larry Purdy, who also had an exceptional game at nose guard, led the way on the drive to the 5, carrying five times for 45 yards.

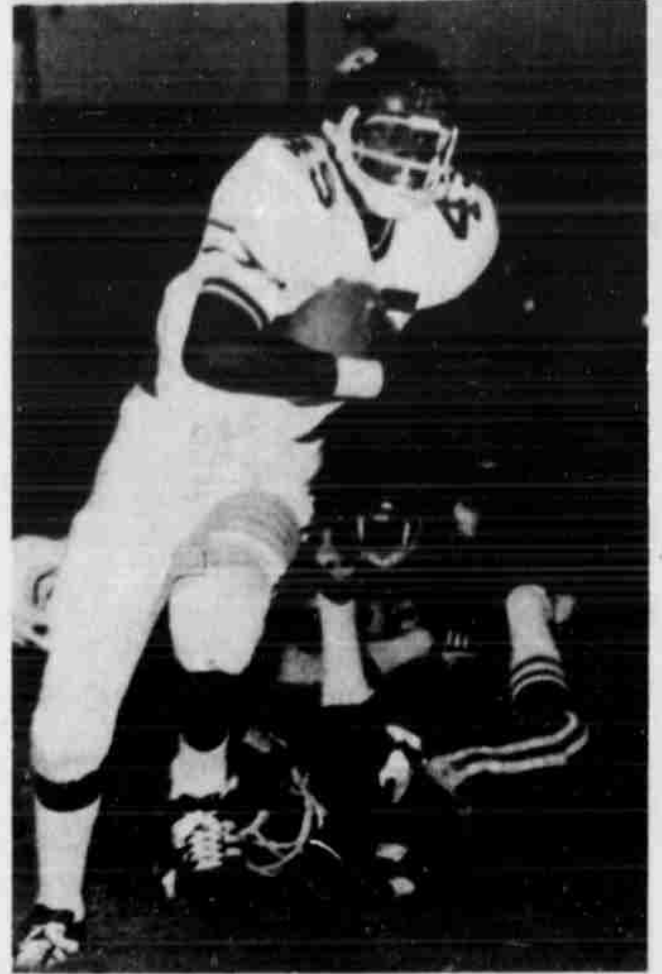

Crosbyton ate up almost three minutes of the clock before kicking out to the Littlefield 44.

On the first play from there, Funk hit off right tackle, cut upfield and raced 56 yards to a score. Kilby's kick made it 14-12 Littlefield, with only 57 seconds left.

Then came the bomb, after the Chiefs faced fourth and 23 from their own 15-yard line. QB Freeman, although pressured, lofted the ball downfield to Billy Johnson, who faked a cut inside then flew down the right sideline. Johnson never missed a stride and sailed into the end zone a few steps ahead of Safety man Funk, who just couldn't close the gap.

With the clock showing 0:13, the Wildcats were out of luck, 18-14.

Gall's Borden County Coyotes nipped the Bula Bulldogs 18-10 in the opening home game Friday night.

Bula got on the scoreboard in the first quarter with a yard run by Mitchell and a run by Steven Hodge failed and the first quarter 8-6. The Coyotes led Bulldogs scoreless in the second and third, then Ron Ristgen TDs from the 10 and the while Bula kept the Coyotes scoreless.

Coyote scoring was Charles Belleck on a pass with Jim Hodge running in the first frame. Rick Hodge caught a pass for a 40-yard then converted. Belleck accepted a pass and ran 40 yards with the extra point falling Joe Harding ran from 20 out and converted, then again from the 15 and made point after just before the end of the third quarter.

Gall's Henry Oliver ran it to pay dirt from 30 out in the third quarter, and Henley ran from the 15 on his own conversion.

Bula travels to Wellman day for a try to even its season record.
