## Pre-Registration Slated For Summer School Here

Seventeen possible courses are scheduled for high school summer school in Littlefield June 9 through July 22.

Classes can be taken for credit or non-credit, but all students who take courses for credit must have the approval of either their high school principal or counselor.

Tuition will be \$30 per course for students residing in the Littlefield Independent School District. For students outside the Littlefield district the charge will be \$40 per course.

Those taking courses may earn one semester credit or credit for two quarters. Seventy hours are required for one semester, 47 hours for one quarter unit of credit.

Tuition is payable at the time of registration May 19 through the 23rd. Tuition will be refundable during the first week of classes only. Any student withdrawing after June 13 will forfeit tuition paid for that course. Any student withdrawn by the administration for disciplinary reasons will forfeit tuition.

Proposed courses set for the summer classes include English grammar 1, 2 and 3 and English literature 1, 2 and 3; world history 1 and 2, American history 1, and 2, and government 1 and 2.

Math taught will depend on the need. Biology and health are tentative courses. Other courses may include art 1, typing 1, woodworking 1, and physical education 1 and 2.

Pre-registration is set by May 9, and anyone needing any of these courses are asked to pre-enroll by calling the counselor at 385-4314 or high school principal Tommy Brawley at 385-5683.

Courses offered will depend on the number interested, and at this time all subjects are tentative.

Students who are taking any course for credit will be governed by school policies.

Each course offered will count either one semester or two quarters. It is possible for a student to earn either one semester, two quarters or one full unit of credit in most of the solids.

## Breath Of Life Campaign Scheduled Here In May

Mrs. Bobby Brunson has been named chairman of the Breath of Life Campaign to fight children's lung diseases, according to Chuck Laurent, president of the Lone Star Chapter, Cystic Fibrosis Foundation.

Mrs. Brunson of Littlefield, will lead local volunteers in raising funds during May to support research and care programs for children affected by lung-damaging diseases like cystic fibrosis, severe asthma, chronic bronchitis, bronchiectasis, and a condition called "childhood emphysema."

Cystic fibrosis, an incurable genetic disease, is inherited when both parents carry the recessive gene for C/F. It is believed that one in 20 persons or 10 million Americans may carry the C/F gene, usually without knowing it. Current research funded by the Cystic Fibrosis Foundation is seeking a practical test to identify these carriers.

Because of improved therapy and constant research, many C/F patients are living beyond infancy to their teens and into young adulthood. That same kind of therapy is relieving and often curing children suffering from other respiratory afflictions whose symptoms resemble those of C/F.

The Breath of Life Campaign supports not only research but over 100 C/F Centers for diagnosis and treatment across the country, six of which are located within Texas.

## P.E.T. Workshop Sign-Up Closes Here Tonight

Parents, teachers or guardians who wish to take advantage of the last opportunity to sign up for a special workshop on learning to prevent the Generation Gap may attend the second session of P.E.T. (Parent Education Training) tonight at 7 in the XIT Room of the Security State Bank.

According to Nina Harris, one of the two instructors of the workshop, "The response of the 11 persons who have signed up is very enthusiastic, and those in the class are anxious to get to the heart of the matter."

The minimum fee for the course is \$20 per person, and will include the cost of a hardback textbook and a workbook.

The class attempts to teach adults how to listen so children will talk, talk so their children will listen, and solve problems so that no one in the family loses. The resulting closeness and cooperation has been reported to make both children and parents happier and to eliminate the so-called generation gap.

## Court Declines Endorsement Of House Bill 1089

In a regular commissioners court meeting Monday, commissioners took no action on a request before them to endorse House Bill 1089 concerning weather modification.

More than 20 interested persons attended the meeting in the county courtroom Monday afternoon.

In other matters on the agenda, Ernest Connell met with the court at 1 p.m. to present prices on tables and chairs to furnish the new county agriculture community building. Commissioners asked for prices and specifications, but took no action on purchasing equipment.

On the matter of liability insurance for the county, commissioners asked that competitive bids from Lamb County representatives be presented at the next meeting.

Commissioners canvassed the school election returns, approved county and precinct bills, and monthly and quarterly reports before adjourning the meeting.

BAND BOOSTERS Sedell Black and Wayde Streety choose a beef for the annual Band Barbecue, which is scheduled Saturday, May 3. The barbecue is one of several projects the Band Boosters sponsor to aid the band programs of all grades. Boosters will be sponsoring the Wildcat Band's trip to San Antonio next Thursday, April 24. ## Apathetic, Expensive Vote Predicted On Amendments

When voters go to the polls to ballot on the two pending constitutional amendments Tuesday, the called election will cost Lamb County at least \$2,000.

Apathy is expected to prevail among voters who express their wishes concerning pay raises for teachers and representatives.

County Clerk Mary Beth Willey predicts that less than 500 will vote on the constitutional amendments. She said she is basing that figure on the fact that only a little over 700 voted in the last constitutional amendment election when voters had a say on eight proposed amendments.

Many voters are disgruntled that an election is being called in April on issues that could be easily included in the November election.

By law three election personnel are required per registration and certification table, and three persons are required to count the votes (this could be the same three).

Three persons are required to count absentee ballots, too. As of Tuesday,

only 10 persons had voted absentee. Some persons have expressed the opinion that they plan to vote against both amendments because of the vast waste of taxpayers money bringing two issues to a vote at a time when the state should be economizing.

## Pee Wee Signup Slated Monday

Registration for Pee Wee League Baseball is slated for 7:30 to 8:30 Monday night in the REA Willy Room.

There will be a \$5 fee for each boy for insurance and registration.

Boys are to bring their completed registration form, their birth certificate and must be accompanied by one parent.

Boys eligible for Pee Wee League can be six years of age before Aug. 1 and not be 9 years old before Aug. 1.

For further information contact Floyce Pierce.

## Trustees Accept Roof Bids, Discuss Moving Ninth Grade

At an otherwise routine meeting Monday, the Littlefield School Trustees accepted bids for building improvements, and discussed again the feasibility of moving the ninth grade to the high campus.

On other matters, new board members Gardner, David Hampton, and Ray Ratliff were sworn in and Hopping was re-elected. The financial statement was accepted and the board passed a resolution on the resignation of outgoing board member Dickelbach for his years of service to the school and the community. The school calendar for the coming year was discussed and the board accepted the resignation of Gene Planiken for the coming year, and discussed the possibility of a summer school program and the combining of the school tax offices.

The board unanimously accepted a bid of \$13,391 from Martin Roofing of Littlefield for roof repairs on the Building, the Elementary II Building, the Junior high gym, press boxes of Stadium and the west end of the stadium.

Plans of Littlefield submitted for the widening of the visitors' road on repairing the visitors' road at Wildcat Stadium with a bid

of \$13,391. The vote was unanimous to accept the bid.

While taking no official action on the moving of the ninth grade to the high school campus, the board discussed the proposal at length and invited comment from several citizens who were in attendance at the meeting.

A special called meeting has been set for April 28 in the High School lunchroom to again consider the move.

City Manager Jim Blagg was in attendance to discuss the possibility of combining the city and school tax offices. No action was taken, but it is expected that the school and the city council will approve a plan.

A summer school program was discussed and full details of the proposed program may be found elsewhere on this page.

The board unanimously approved the school calendar for the coming school year.

The first teacher's in-service days will be Aug. 20-22, and school will start Aug. 25.

In-service days are also scheduled for Oct. 24 and Nov. 14. Thanksgiving holidays will be Nov. 27 and 28. Christmas holidays will be Dec. 22-Jan. 2. Other teacher in-service days will be

# Missionary Baptist Youth Night

Services are conducted by the Missionary Baptist Church and XIT in Littlefield. Services at 7:30 p.m. featuring preaching by Rev. Buchanan and Gospel singing by the church members. Youth emphasis will be given in the service. Rev. Buchanan has a ministry with the youth through the church's departments of his pastorate in Wichita Falls," states the pastor, Rev. Ronnie Williams. "He is an effective youth speaker and will be relating Bible truth to the issues of the young. Special music will also feature the young people of the church. All area youth are urged to attend this meeting," he continued.

The revival will conclude Sunday with the evangelist doing the preaching.

The church buses are running for all services.

SENIOR DIVISION WINNERS of the "Star Is Born" talent show Friday night are a quartet on the back row, composed of Stanley Patterson, Richard Barton, Ben Farmer and David Blevins, second place; Glynis Hall, left front, third place; and Jan Sisson, right front, first place. (Photo by Penny Kelton)

# CLIPS & TIPS

By JOELLA LOVVORN

MRS. BELLE DOW called me the other day inquiring about some ingredients that were left out of Kevin Riley's winning recipe in the 1975 County 4-H Food Show. He went on to the District Contest in Lubbock March 22 and won a blue ribbon with it.

The recipe was of "Southwest Taster Bread" and didn't include the 1 cup of milk to be used. The recipe is repeated here.

**SOUTHWEST TASTE BREAD**  
2 envelopes active dry yeast  
1/2 cup warm water  
3 Tbsps. of honey  
1 cup milk  
3/4 Tbsp. salt  
1 1/2 cups whole wheat flour  
1/4 cup wheat germ  
1 1/2 cups white flour

Sprinkle yeast into very warm water in 1/2 cup measure; stir in 1 tsp. of the honey. Stir until yeast dissolves. Let stand, undisturbed, to proof until bubbly and double in volume, about 10 minutes. Combine remaining honey with the milk, butter, or margarine and salt in a small saucepan; heat until butter melts. Pour into large bowl; cool to lukewarm. Stir in yeast mixture. Stir in whole wheat flour and wheat germ until smooth; add enough all-purpose flour to make a soft dough. Turn out onto lightly-floured surface. Knead until smooth; and elastic, about 10 minutes, using only as much flour as needed to keep dough from sticking.

Place dough in a large buttered bowl; turn to bring buttered side up. Cover with towel. Let rise in a warm place, away from draft, 1 hour, or until double in bulk. Punch dough down; turn out onto lightly-floured surface; knead a few times; invert bowl over dough; let rest about 10 minutes.

Divide dough in half and knead each half a few times; shape into loaf. Place loaf in buttered 9x5x3-inch loaf pan. Let rise in a warm place, away from draft, 45 minutes or until double. Bake at 400 degrees 40 minutes, or until browned. Remove and cool.

Survivors include the widow; two sons, Kenneth of Perryton and Arthur of Austin; a daughter, Mrs. Pam Calvert of Haleyville, Ala.; his mother, Mrs. Effie Splawn of Muleshoe; a sister, Mrs. Jackie Brown of Muleshoe; two brothers, Glen of Muleshoe and Woodie of Whiteface; and six grandchildren.

**F. A. VILLEGAS** Services were conducted Wednesday morning for Frederico Aguilar Villegas, 34, of Olton who was dead on arrival at Olton Medical Center Sunday at 7 p.m. Villegas apparently died of electrical shock when he lifted a piece of irrigation pipe while rabbit hunting and the pipe struck a high voltage line.

Justice of the peace W. G. Finney pronounced Villegas dead. Villegas, a farm laborer, was born at Pearson in Frio County. He had been a resident of Lamb County and Olton two years.

Services were conducted at St. John's Catholic Church in Hart with Rev. Raphael Chan, pastor, officiating. Burial was in Hart Cemetery under direction of Parsons Funeral Home of Olton.

Survivors include his wife, Viola; three daughters, Virginia, Valentine, and Amelia, all of the home; his parents, Mr. and Mrs. Herbert Villegas of Hart; two sisters, Lelia Villegas of Hart and Mrs. Rachel Sanchez of Olton; five brothers, Gilbert of Colorado, Manuel of Olton, Miguel of Hart, Armando of Indiana and Louis of Hart.

world. Especially in semi-arid or mountainous regions—the Near and Middle East, North Africa, the British Isles, and in many parts of South America—lamb has always been one of the main sources of protein.

Unlike we of the U.S.A. who have never learned to appreciate the uniquely delicious goodness of lamb, other peoples have long savored lamb and mutton and have developed countless, delicious ways to prepare this meat.

Because sheep thrive on sparse pasture land and require no grain feeding to produce high quality meat, this animal may soon prove to be of even more value and interest to this country and to a hungry world where grain shortages seem to be an inevitable part of the future.

More often than not, those Americans who proclaim, "I don't like lamb," have never tasted it. And, the criticism that lamb has a strong off-odor and flavor has probably resulted when the meat was improperly cooked at too high a temperature.

So overcome your prejudices against lamb as a strong-flavored, expensive meat. Think lamb, but don't think luxury. Lamb has too long been considered a springtime-only meat specialty that brought dollar signs flashing to mind. Not necessarily true! Just try an economical lamb cut—the shank. One shank per person is the just-right serving; look for especially meaty ones.

To prepare lamb shanks, braise or cook in liquid to tasty tenderness. For Lamb Shanks Sweet 'n' Sour, the flavorful braising liquid is rich and beefy canned Brown Gravy with Onions.

It's the convenient, no-fuss way to add robust flavor and moistness to many a main dish, or to create an "instant" gravy or sauce.

For this dish, add vinegar for tang, brown sugar for sweetness, and garlic for zest. Cook slowly to tenderize the meat and blend the flavors; add carrots during the last hour of cooking. Then ladle over hot noodles and await the compliments. There won't be long to wait.

**LAMB SHANKS SWEET 'N' SOUR**

4 medium lamb shanks (about 3/4 pound each)  
2 tablespoons shortening  
1 can (10 1/2 ounces) Brown Gravy with Onions  
4 tsps. vinegar  
1 Tbsp. brown sugar  
1 medium clove garlic, minced  
4 medium carrots (about 1/2 pound), cut in 2-inch pieces  
Cooked noodles

In large heavy pan, brown lamb in shortening; pour off fat. Stir in gravy, vinegar, sugar, and garlic. Cover; cook over low heat 30 minutes. Add carrots; cook 1 hour more or until done. Stir occasionally. Thicken gravy if desired. Serve with noodles. Makes 4 servings.

**TIPS AND TIDBITS:**  
1. Save energy by using the old-fashioned clothesline. You can dry clothes outdoors in any temperature.

2. Everytime you open the door to let your pet dog or cat out, there's a heat loss that adds to utility bills. Open the door just enough for the animal to slip through. It isn't necessary to open it wide—and you'll conserve energy.

3. Never place thermostats on exterior or cold walls. Your thermostat will keep your furnace working when the rest of the room has reached a comfortable temperature.

4. Except for formal occasions, try eating in the kitchen if it's large enough for a counter or table. The heat from cooking will keep you comfortable, and you can save energy by shutting off dining room registers.

# THE ABUNDANT LIFE Not All Bad

LIFE IS "NOT ALL BAD". We know this, and it is very important that we be constantly conscious of this fact. Of course, we must not let this realization blind us to the bad that does exist.

We know that life is not all good, but whatever of the good there is must be seen and appreciated. When this is done, we have a much better chance to cope with the bad; and perhaps eliminate some of it.

REALITY AND HONESTY require us to see both the good and the bad. We read and hear so much about the bad that we could easily feel overwhelmed and discouraged.

Therefore, it is very necessary that we use our own initiative in identifying the good and keeping it before us; in the full view of life. Our action will also be directed toward making sure that the "good" is not crowded out, or overcome by the bad.

SOME OF THE BAD must be ignored, because it will be part of the happenings or situations about which we can do nothing; so far as changing it. The one thing we can and must do is see to our defenses, to make sure that we are protecting ourselves against the bad we cannot change.

Some bad will be near enough to us to do something about, and we will have opportunity to help make improvements, some improvements.

We will surely want to do what we can, but there is no basis for thinking that we

can improve everything that is improved. Much of our strength for doing whatever we can come from our recognition and appreciation of "the good" in the total picture.

THE BAD MUST NOT dominate the good, because in its proper place.

So far as our thinking and actions are concerned, we can give the good its due; and enjoy the predominance. This change of attitude equip us for the most meaningful life.

"I SHALL PASS through this world but once. If therefore, my kindness I can show, or any good I can do; let me do it now; let me do it or neglect it, for I shall never see it way again." —De Grellet

This is a reasonable reminder to be proof to many that life is "not all bad".

THE EXISTING BAD will be another, touch our lives, but a part of reality. We do have great capacity for resisting and its influences.

It helps to know this, if we are in our efforts to make ourselves deliberately seek "the good" have free course in our lives.

"Life Is Not All Bad."

# GRIPES!!

SO WHAT ARE we supposed to do? Muster another set-up of armed forces to send to be offered, on the altar of Vietnam? Should we enter into another 'half-fought Police action to stop the onrushing Red heathen of Hanoi?

From the hue and cry of some of the media, you'd think that would be the very course to take. They're trying to make us feel ashamed of our lack of renewed support for the South Vietnamese. They flaunt the shame of our "lost face" in the eyes of the rest of the world. They are telling us as how our prestige has fallen on its face. (And how true!)

FROM WHERE I SIT, it looks as if the first job of selling should be to the Vietnamese, themselves. If they're so sold on our system of government and "freedom", how come they're not willing to fight for it? (You might ask some of the fellows who were over there.)

Doesn't it make you want to ask questions, when you read of the "cream of the Vietnamese army" kicking old women and children in the face, in order to secure passage on an escape plane? What did you think when you read of the stolen armaments and supplies that disappeared from the docks and later showed up in the hands of the Viet Cong, during the height of our "Action" over there?

# Turn Row COMMENTS

By EMIL MACH

IN CASE A writer wants to know if he has any readers, all he has to do is write about a couple of UFO's, and bang, you hear plenty of comments. Thanks anyway.

I'VE BEEN RATHER busy and haven't had time to figure out a day by day weather forecast for this spring and summer. Due to the neglect, I've noticed that some of you are turning to other sources, such as the electronic media and other types of printed medias. Now you won't have to wait each day for what the weather will be like, because in this column you will get a rundown on rain and shower activity for the remainder of this month as well as May. I hope that this information will be as reliable as the spring forecast that I have given you in the past years.

We should receive some precipitation at least once a week for the remainder of April, with the heaviest rainfall around the 30th of the month. Also we can expect some rain and hail the later part of this week.

Now for the month of May. We will receive some moisture during each week of May. A word of care should be taken around the middle of the month because of a very good possibility of a late freeze and the weather will remain cold and rainy up and through the 25th of May. After the 25th there will be a warming trend with more rain through the 30th.

As a sneak preview as to what the weather will be like in June, expect more rain with warmer temperatures and around the 15th we can expect heavy rain.

SOME IN THE AREA are planting fever, especially since the rain and snow over the week feel the same way, but maybe we wait a while. The soil temperature average for the past 10 days is a little over 51 degrees and that is a little cold to plant. We should wait until the day average is in the middle of the price of seed as well as the quality of good quality seed, we should get into a big hurry and have to get

Rev. Glenn Willson, pastor, and Rev. John Rankin, a retired minister of Lorenzo, officiated.

Burial was in Amherst Cemetery with Payne Funeral Home handling arrangements.

Edwards died in South Plains Hospital at Amherst at 5:30 p.m. Thursday following a lengthy illness.

An Amherst area resident since the 1930s, Edwards was a retired farmer. He married the former Lara Bell Butler in 1906 at Weatherford.

Survivors include to sons, Loyd of Amherst and Jim of Kennewick, Wash.; a sister, Mrs. Bill Young of Mission; a brother, O. W. of Mission; and six grandchildren, 19 great-grandchildren and three great-great-grandchildren.

Pallbearers were Dean Carpenter, Jimmy Rose, Jimmy Gate, Martin Hardwick, Bob Payne and Leroy Sawyer.

**PAULA FEREM** CIRCLE—Funeral services were held at 4 p.m. Wednesday in West Amarillo Church of Christ for Mrs. Paula Ferem, 25. She and her parents, Mr. and Mrs. Doyce Wynn of Amarillo are former residents of the Circle Community.

Mrs. Ferem and the pilot, Dr. Lee Michael Harris of Amarillo, were killed in a plane crash Sunday, April 6, near Claude.

Mrs. Ferem is survived by her parents and one daughter, 18 months of age.

She was the niece of Mrs. J. J. Moses and Tom Beeson, both of Circle, Mrs. Vina Stewart of Olton, Mrs. T. C. Covington of Cotton Center, and a cousin of Mrs. Robert Struve of Circle.

**CECIL GUNNELS** Cecil Clyde Gunnels, 61, of Lubbock died at 2:05 p.m. Saturday, April 12, in Methodist Hospital following a lengthy illness.

Resthaven-Singleton-Wilson Funeral Home will handle local arrangements before the body is transferred to Smith Funeral Home in Rochester where services are pending.

Gunnels was a carpenter and a native

of Haskell County. He moved to Lubbock in 1958 from Morton. He was a member of the West 19th Street Baptist Church.

Survivors include his wife, Geneva; three daughters, Mrs. Kay Clawson of Lubbock, Mrs. Anita Schlotzman of Pep and Mrs. Karen Rhodes of Clovis, N.M.; three sons, Clyde Jr., of Odessa, and Larry and Roger, both of the home; four sisters, Mrs. Grace Helton of Rochester, Mrs. Ada Horton of Lubbock, Mrs. Nell Blackstone of Lubbock and Mrs. Juanita Brown Gunnels of Morton; a brother, Jack Gunnels of Morton; 16 grandchildren; and five step-grandchildren.

**JOHN E. HALL JR.** John Edward Hall Jr., 54, of Hale Center, died Friday in Hi-Plains Hospital.

Funeral services were conducted Monday in Hale Center's First Baptist Church.

Officiating was Rev. Carrol Green, pastor. Burial was in Hale Center Cemetery by Freeman Funeral Home.

Hall, born in DeKalb, married Margie Tucker in 1951 at Lovington, N.M. They moved to Hale Center in 1954 from Wolforth. He had previously been Hale Center chief of police and was employed as a dirt contractor at the time of his death.

Survivors include the widow; four sons, John Edward III of Littlefield, Edward Lynn of San Antonio, Danny and Jimmy, both of the home; two daughters, Mrs. Mary Lee Stewart of Jacksonville, Ark., and Miss Kathy Hall of the home; one sister, Mrs. Cora Clay of Brownfield; and five grandchildren.

Mrs. McGowen was born Oct. 1, 1883 and died April 8. She was preceded in death by a son M. D. McGowen in 1955 and by her husband, Dave in 1958.

Survivors are one daughter, Lavada Lennon of Ranger, one son Doyle of Fort Worth, five grandchildren, 13 great-grandchildren and one great-great-grandchild.

**HOWARD K. SPLAWN** Funeral services for Howard Kenneth Splawn, 61, of Muleshoe who was killed Monday, April 7, in a one-truck rollover east of Muleshoe, were conducted Wednesday afternoon in 16th and Avenue D Church of Christ.

He was the father of a former Olton teacher and Coach, Kenneth Splawn. Officiating was Ivan Woodard, minister. Burial was in Bailey County Memorial Park Cemetery by Singleton-Ellis Funeral Home.

Splawn was killed about 5:25 p.m. Monday when the gasoline truck he was driving ran off a county road about three miles east of Muleshoe and rolled up-sidedown into the ditch.

Highway Patrolman Joe Young said visibility had been cut to near zero by high winds that picked up dust off a plowed field.

Young theorized that Splawn had seen a vehicle coming off a dirt road onto the paved county road and then lost sight of the car and threw on his brakes to avoid hitting the vehicle.

The truck skidded off the road into the ditch. Splawn was pronounced dead at the scene.

Splawn, born at Frederick, Okla., had been a Muleshoe resident since 1936, going there from Whiteface.

He delivered gas for Western Phillips 66 Co.

*This Series Made Possible by These Business Firms and Individuals Who Support Our Right to Worship Freely.*

**YOU, TOO, CAN BE A WITNESS**

A famous man with a serious dental problem was referred to a friend of mine whose skills in oral surgery are known nationwide. Now my friend is a devout Christian as well as a renowned dentist. When his famous client let out a furious oath, he was immediately invited to rise from the chair and leave. "I am a Christian and no one takes the name of my Lord in vain in my office," the dentist said. "Haven't you heard anyone swear before?" the big man asked. "Yes, but not twice in my office," the dentist answered. "I didn't mean to hurt your feelings," the man said. "My feelings are not hurt. He has been offended whose name you used in vain," the dentist responded. Needless to say, spiritual things were dealt with that day. That dentist's office, for a little while, was a witness stand for God. The man whom God loves does not choose his friends by their wealth, their intelligence or position. He chooses them by their character . . . and their attitude and relationship toward God. No other criteria is ever considered.

# Littlefield Host School For 2-AA Track Meet

The 2-AA District Track Meet is to be held at Wildcat Stadium this Friday, April 18. Friona, the defending Champions, should be the early leader because of their great strength in the field events. Weight men, Kevin Wiseman and Davey Carthel, have the best throws in the discus and are also expected to place in the shot put. The Chieftains have three outstanding high jumpers. All

have cleared the bar at 6' with David Clark jumping 6'3". The Chief's Ronnie McLellan has the best time in the 800 with a 2:04.8. Olton, another top contender, should be strong in the pole vault, having two vaulters going 12'6" or better. The Mustangs should score heavily in the intermediate hurdles with Glen Johnson having the best time of 40.3. Olton also has the two top milers, Freddy Stockdale and

Leslie Gray. Dimmitt should be strong in the sprints with Robert Mayberry and Glen Veals having the best district times in the 100 and 220. The Bobcats sprint relay has broken two records this year and has posted one of the area's best times. Quarter miler, Cliff Parker, has the district's best time of 50.8 while high hurdler, David Smith, leads the district with a 15.3.

Morton should score well in the sprints. The Indian's David Ramby has posted good times in both the 100 and 220. With effort and a few breaks, Littlefield could be in the race for the district title. Having improved each week, the Cats could score in every event. Rick Hopping has the best distance in the shot put while the Cats mile relay has posted the best time in the district.

MEMBERS OF the varsity track team are: top row: Buddy Jungman, Jimmy Durham, Bill Turner, Juvencio Rodriguez, Rick Hopping, Dean Walden, Randy Hall. Bottom row: Ricky Walbrick (manager), Tony Cowan, Brian Goss, Steve Cruz, Stanley Patterson, Jack Speck, and Lewis Soria. Not shown, Ronald Parmer.

MEMBERS OF the ninth grade track team are—top row: Terry Foley, Leo Green, Vernon Wesley, Brett Middlebrooks, David Jones, Greg Moreland, Willie Don Mason, Ronnie Milligan, Raymond Baiza, Dallas McCurry, Randy Taylor. Bottom row: George Davis, Joel Rangel, Robert Leal, Duff Reel, Darren Richards, Jeff Ratliff, and Mike Gregg. (Staff Photo)

## Cats Champions Of Lobo Relays

Littlefield out raced the field Friday, at the Lobo Relays in Levelland. The Cats amassed 171 points compared to second place Abernathy with 110 points for the Championship. Littlefield won eight of 14 events, and every member of the track team placed in the 5-team affair. Littlefield's sprint relay composed of Steve Cruz, Stanley Patterson, Jimmy Durham, and Bill Turner started things off

right by placing first with a time of 45.6. Buddy Jungman kept things going by winning the half-mile in a 2:05.6. Littlefield's quarter-milers, Turner, Patterson, and Cruz placed first, second, and third respectively. Bryan Goss had his best day despite the wet weather by scoring 26 points. Goss won the high jump, the broad jump, and was third place in the high hurdles.

For the second week in a row, Tony Cowan placed first in the mile. Also placing in the mile were Louis Soria and Juvencio Rodriguez.

Littlefield intermediate hurdler Ronald Parmer was second with a time of 42.9. Parmer also placed in the 100-yard dash. The Cat's sprinter, Jimmy Durham, was third in the 220-yard dash and fourth in the 100.

Weight man, Rick Hopping added to the Cats total by winning the discus and placing

second in the shot put. Other field events placers were Bill Turner—second in discus; Dean Walden—third in the shot put and sixth in the discus; Stanley Patterson—sixth in the high jump; Steve Cruz—sixth in the broad jump.

Littlefield rounded out their point total by winning the mile relay (Patterson, Jungman, Cruz, Turner) for the fifth week in a row.

The Cats will compete in the district track meet this Friday April 18.

## Littlefield Second Off-Season Events

Five area schools competed in an unusual off season track meet this past Friday at Levelland. There were eleven events open to any athlete not on the varsity track team. This was run in conjunction with the varsity meet and total team points ended as follows: Levelland 193, Littlefield 113, Slaton 63, Morton 63, and Idalou 54.

The following individuals scored for Littlefield:

1. Shot-Jack Speck, fourth;
2. 12 man shuttle run, second; Team members—Reginal Payton, Bradley Allen, Jeff Ratliff, James Kemp, Leo Green, DeWayne Hayes, Eddie McCurry, Duff Reel, Ronnie Milligan, Blake Wood, Layne McKinnon and Freddie Martinez.
3. 60-yard low hurdles—Brad Banner, fifth.
4. 40-yard dash—Blake Wood, fifth; Randy Hall, fourth; Brent

Middlebrooks, sixth. 5. 30-yard bear crawl—Kevin Yandel, first.

6. 240-yard shuttle hurdle relay—first, team members: Danny Martinez, Lonnie Twitty, Rudy Ayala and Raymond Baiza.

7. Fat Man 220-yard dash: Julian Saenz, second; Randy Hall, sixth.

8. 120-yard tire pull—Brad Banner, second; Terry Foley, sixth.

9. Cross country—placed in the following order: Danny Martinez, first; Robert Leal, third; Rudy Ayala, fourth; Joel Rangel, fifth; Freddie Martinez, eighth; Eddie McCurry, 21st; Layne McKinnon, 25th; and Blake Altman, 33rd.

10. 8-man mile relay, first—Team members: Stan Jackson, Robert Hall, Reginal Payton, Brent Middlebrooks, Lonnie Twitty, Willie Don Mason, Kevin Yandel and Raymond Baiza.
