Bicentennial plans continue

Organizations and individual citizens of Littlefield are busy preparing their portion of the giant April 30-May 1 Bicentennial Celebration-estimated to be the best ever for this city.

Prize tickets are now on sale, and a parade, barbecues, dances, art show, fiddling contest, kiddy carnival, voting primaries, and grand openings for several businesses are planned for the special days.

All activities, which are usually

ANTON-Saturday, President Gerald Ford laid aside his prepared speech on military preparedness and the economy, and spoke first to the West Texas State University students,

commending them as students for their return to a belief in the American ideals

He said, "I have a great deal of faith in the young people and what they are going to do in the years ahead. There is a stronger belief in America in the young people of today, and there are indications that the American free enterprise system has what appeals to them.

Then he spoke of the improved economy and lessening of tensions in the world. He said, "Twenty months ago when I had the privilege of becoming president, we were in a period of many problems. Many critics were doomsayers who said that we were going to have a depression like the 1930's. The American people did not believe it. The American people

City Council to meet

The city council of Littlefield will meet twice this week-at 7 p.m. for their regular meeting tonight, and at 12 noon Friday for a specially-called meeting to consider awarding a bid for the 1976 street seal coat program.

Tonight, the council will consider six items on the agenda, besides routine business of approving the minutes, financial statement and departmental reports.

In matters of old business, the council will discuss an ordinance setting the water and sewer extension policy.

New business matters will include: 1. Appointment of members to the Airport Zoning Board.

2. Appointment of members to the Planning Commission.

3. Discuss a letter from Terance O'Rourke concerning natural gas "banking deals"

4. Discuss a letter from the Lubbock Chamber of Commerce concerning the southern route for Amtrak.

5. Consider a resolution supporting the study to be done by the South Plains Association of Governments concerning joint landfill operations.

"There is one basic truth I believe in-we should never forget that a government big enough to give us everything we want is big enough to take from us everything we have.'

West Texas State University student body president, Paul Thomas, presided at the meeting, in the WTSU Field House. School Board buys insurance

The Littlefield school board met in a lengthy session Monday night.

The top agenda item was insurance on school buildings. Kelly Insurance Agency won the insurance contract. The three-year policy has an annual premium of \$17,346.

The school calendar for 1976-77 was approved by a vote of 5-1. Doyle Winfield cast the dissenting vote. Students will start school Aug. 23 and will get out of school May 20. The students will enjoy an eight-day Christmas vacation and will again be out three days for Easter.

After canvassing the votes, Doug Walden and David Hampton were sworn in as board members. Hampton was elected as board president and Dick Hopping vice president.

A marathon one-hour twenty-threeminute executive session saw Richard Ingram receive a \$300 raise and Carleton Parker a \$600 increase.

All board members were present except for Hopping.

Little Dribblers begin playoffs

Littlefield and four other teams will collide in the West Texas Playoffs of Major League Little Dribblers at Levelland this week. The tournament began Wednesday and runs through Saturday.

Littlefield opened the tournament Wednesday by meeting Sudan. The winner of that game will play Plains at 12:45 p.m. Thursday. Idalou and Seymour are also entered in the double elimination tourney.

The championship game is set for 7 p.m. Saturday.

'Miss Lamb County' Pageant postponed until June 5th

The 'Miss Lamb County' Pageant has been re-scheduled for June 5 instead of during the Bicentennial Days Celebration as originally planned.

Due to too many conflicting student activities, the event is postponed to the later date.

Persons wishing to enter are asked to contact Kris Bean at 385-4618 or Kyra Cox at 385-4649.

The contest is sponsored by Tau Chi Chapter of Beta Sigma Phi.

All contestants must be single and never have been married. They must be 17 years old by July 1, and no older than 22 on July 1

Other entries are expected to be included, and persons or organizations wishing to have their organizations listed are asked to contact one of the two co-chairmen.

Each organization selling tickets will receive 10 percent of the gross. Tickets are a one dollar donation each. For further information contact Marty Mangum, ticket sales chairman, or the Chamber of Commerce office.

Preliminaries to Saturday's events are to begin April 29 when the Littlefield Circle Eight Square Dance Club hosts a Bicentennial square dance in the new County Agriculture and Community Building.

Paintings and other art forms will be on display during the weekend in the Community Building. Dee Dee Davis and Sarah Tollett are chairmen of the art show

At least two events, a museum and a fiddler's contest, are still in the planning stages.

The barbecue, sponsored by all the Littlefield bands, will feature enough barbecue to feed the entire population of Lamb County. Tables will be set up under the trees in LaGuna Park and the three Littlefield bands will entertain during mealtimes.

The steering committee for the Littlefield Bicentennial Celebration includes Hubert Henry, Tom Tollett, Benny Zahn. Paul Carmickle, Carol Black, Sarah Tollett, Marty Mangum, Bill Adams and Randall.

Concerning the possibility of a National Health Insurance Program. Mr. Ford said that he preferred to use the present health insurance programs to develop an improved program rather than the federal government taking over all health insurance. 'However," he said, "Concerning catastrophic illnesses. "It is my feeling that Medicade and medicare should be implemented to cover such financially devastating crises.

could choose a running mate. Then he added, "There are many outstanding Republicans, including Senator John Tower, who would make a good vice president.

A lady asked him to list the qualities of a good leader. He said that a good leader for our country should be: (1) A person in public life has to be honest with himself and frank with the people he represents. (2) A leader must have a basic intelligence. (3) He must have an experienced background. (4) He must be able to make decisions. When one sees the kind of problems that come across the President's desk, he must decide "Yes" or "No"-there can be no "Maybes". (5) He must have constructive ideas for solving problems. Just to say what is wrong is not enough.

In response to a question. What do you think about the concept of winning?" Mr. Ford said that he had competed all of his life. He continued, 'Competition is good, but it has to be fair. It stimulates men to do more." He said, "It is also good for Americans to compete with other countries." He added that since he had competed in sports, he had long ago learned how to win and how to lose.

The President reminded his audience that he had recommended decontrol of oil and natural gas to stimulate the production of these energy sources. Congress passed a modified oil control bill, but did nothing about natural gas. He said that our domestic use of oil is down about 2 percent since 1973, and got a laugh when he said that it was because the people drove slower. He proposed an expenditure of 160 million dollars for next year to be used in research on solar and other energy research.

President Ford concluded his visit to Canyon by shaking hands with people both inside and outside the Field House. During the time he was in Canyon, the street in front of the Field House was barricaded and traffic routed around the college area. Security was very tight and many law enforcement officers from the DPS. Randall and Potter Counties sheriff's departments, Canyon and Amarillo police aided with the crowd control.

One group of college students had their sack of beer confiscated by the Randall County sheriff.

Media coverage was very thorough since many had come with the presidential party on Air Force One. Radio, TV, and newsmen and women, including a newsman from Reuters, filled a large area reserved for them.

The President expressed his appreciation for the fine reception he had received in Texas where he says he considers himself to be an underdog. He said he brought a message to WTSU from Miami, Fla.-They thanked him for sending them Mercury Morris. The trip was classified as political. but for the thousands of people who were able to see and hear the President of the United States it was a memorable occasion. It is no small thing to be present a few feet from the speaker's platform and hear bands begin playing Ruffles and Flourishes and hear the announcement, "Ladies and Gentlemen-The President of the United States!" Television or film just can not compare with the real thing!

Easter cookery can be out-of-theordinary, fancy and still nutritious, says Mrs. Mary Sweeten, foods and nutrition specialist.

'The family's favorite recipes, providing a well-balanced meal, can be decorated or garnished a bit to create a fancy Easter feast," she said.

Mrs. Sweeten is with the Texas Agricultural Extension Service, The Texas A&M University System.

Set the scene by decorating the table with spring flowers, customary bunnies and chicks, and decorated Easter eggs for the centerpiece. Then the eggs can be used the next day in dishes such as egg cutlets or creamed eggs on toast.

And the nutritional centerpiece eggs also can be made into hot deviled egg in cream sauce, cheese fondue. potatoes souffle, scalloped ham, eggs and potatoes and vegetable-egg cas-

continue to be graded according to tenderness and taste. In addition, grading will continue to be voluntary and inspecition will continue to be mandatory.

The new standards have resulted in four changes.

First, all beef must be graded for both quality and yield. Before, beef could be graded for either or both. The quality grades will remain the same-Prime, Choice, Good, Standard, Commercial. Utility, Cutter and Canner.

Yield grades, numbering from 1 to 5, indicate how much saleable meat can be taken from a carcass with the most useable meat available from the lower yield grades.

Second, the minimum amount of marbling specified will be the same for cattle between 9 and 30 months old.

As a result, slightly leaner beef will qualify for U. S. Prime and Choir

Thompson died at 7:52 p.m. Saturday. April 10, in a Big Spring hospital after a lengthy illness.

Born in Motley County, Thompson was a resident of Big Spring since 1973. He married LaNell Moore there Nov. 23, 1973.

He was a truck driver for P. and R. Transport of Coahoma and was a former marine.

Survivors include his wife of the home; three daughters, Renee of the . home, Mrs. Linda Russell of Clarksville, Tenn. and Mrs. Tommy Harendt of Lubbock; two step-sons, Rex Moore of the home and Ricky Moore of Anton; his parents, Mr. and Mrs. Earl Thompson of Big Spring; one brother, Kenneth Thompson of Matador; his grandmother, Mrs. Annie Thompson

seroles," she added.

For ladies' salad luncheon during the Easter season, the specialist suggested this attractive plate. Potato salad, a tomato wedge, cooked chilled broccoli with a peppy dressing and assorted sandwich quarters with a bowl of French onion soup. Use a molded ginger ale fruit salad with half a banana rolled in chopped nuts garnished with a fresh strawberry for dessert, she added.

Another suggestion for Easter salad is cottage cheese in the center of a plate of watercress, surrounded with gelatin, eggs and deviled eggs. Nut bread sandwiches would be a good accompaniment to this plate.

'A gelatin ribbon salad with layers of cooked green peas, diced raw celery, diced cooked celery and sliced hard cooked eggs satisfies nutritional requirements-and tastes good too," she said.

Children will enjoy a "make believe" fried egg for dessert. Place a peach round on a slice of plain cake and surround it with whipped cream. Or candy Easter eggs on iced cupcakes will be favorites too. Also, chiffon pies in pastel colors are a light dessert that would be suitable if the meal was especially rich. Mrs. Sweeten said.

Another fancy dessert is a butterfly cake. Cut a round layer cake in half. Turn the layers so that the cut side is on the outside, ice the cake and then decorate with chocolate chips, shaved chocolate and colored frosting for a glamorous butterfly," she said.

She suggested that children would love a bunny cake. Make the face on the round cake and cut the ears out of the second round layer. Use colored coconut or jellied candies to decorate the eyes, nose and mouth and use toothpicks for whiskers.

LAMB IS A SPECIAL springtime entree. When the occasion calls for an elegant touch, Roasted Leg of Lamb is the answer, according to the Texas Department of Agriculture home economist.

Moist, tender, flavorful and easy to prepare, it's sure to be a winner with guests. Lamb sold in this country must be less than one year old; therefore, the meat is tender and can be cooked by dry heat methods such as broiling, pan-broiling and roasting.

ROASTED LEG OF LAMB

to cup butter Juice of 3 lemons 11/2 tsp. Worcestershire sauce 1 tsp. dry mustard 1 tsp. MSG 3 Tbsp. cooking oil **3 bay leaves** 1 tsp. garlic salt Pepper to taste 1 leg of lamb

[about 5 pounds]

Combine all ingredients except lamb. Bring to a boil; remove from heat and cool. Place lamb in a Dutch oven and sprinkle with salt. Pour butter mixture over lamb and marinate in refrigerator for 12-24 hours. Bake uncovered at 450° for 114 hours.

Decrease temperature to 350 degrees and continue to bake until done. (Allow 30 to 35 minutes per pound for roasting.) Meat thermometer will register 175 degrees for medium and 180 degrees for well done. Garnish with parsley and cracked pepper. Yield: 6 to 8 servings.

conference

AMHERST-The annual United Methodist Women's conference was held in the Polk Street Methodist Church of Amarillo April 7-8.

The Amherst UMW was represented at the meeting by Mrs. Jomeryl Harmon, Mrs. Norman Patton, Mrs. R. H. Campbell and Mrs. Joe Miller. The president, Mrs. H. H. Stephens of Big Spring presided.

The theme was "Service through love."

The main speaker was Miss Juanelava Rose of Tulia who teaches at a college in Taiwan. She majored in music and played seven different instruments from there.

The two-days and a night programs were of inspiration to all attending. Several tapes were made of various numbers

Mrs. Witten presided over the morning sessions. The colors were presented by Boy Scout Troop No. 641. Mrs. Doris Waters, Lamb County THDA chairman from Littlefield led the pledge to the flags. The invocation was by Rev. Benny Goss, pastor of Sunset Avenue Baptist Church, Littlefield.

Jim Settle, member of Chamber of Commerce and Board of City Development and Mrs. Ruth Miller, Oklahoma Avenue Home Demonstration Club member from Littlefield gave the welcome on behalf of the Lamb County Club women.

Mrs. Lorene Hulse, a member of the Oklahoma Avenue Home Demonstration Club played the piano. Stilwell Russell, Victory Choir Director of Littlefield First Baptist Church, led singing.

4-H members from Lamb County who served as ushers are Petra Lewis of Earth and Dan Foley of Littlefield.

A noon luncheon was served at the Community and Agricultural Building.

The afternoon program, which featured three workshops on safety, health, recreation and cultural arts also include election of officers, a message from the state THDA Board, presentation of the 1976 THDA academic scholarship winner and a business session.

The workshop, which began at 1 p.m., included discussions on safety measures to take during tornado weather, use of blood for therapeutic purposes and a presentation on quilting in which homemakers will participate.

In the group session on safety, Dr. E. W. Kiesling of the Department of Civil Engineering at Texas Tech University discussed research that had been conducted on movement of tornadoes and on in-resident shelters.

Mrs. Nancy Adams, medical technologist at the Brownfield General Hospital in Brownfield, presented information on the function of blood and its therapeutic uses during the health workshop. And in the cultural arts session, two home demonstration club members gave a talk on the art of quilting. Club members demonstrated how to make yarn flowers.

Concluding the day-long annual meeting were an-読む nouncements of officer elections. Both Hockley and Castro County invited the women to their county for the 1977 annual meeting. The decision on the location will be made later Mrs. Janie Hallett of Lubbock County was elected as the new District 2 THDA director. She will take office in January. The Home Demonstration Club women expressed their appreciation to the merchants who helped with the courtesy packets and door prizes. LITTLEFIELD: Pazaz.

A tempting offer on a gas grill.

Right now, we're making you a tempting offer on gas gritts with twin burners! Independently Controlled twin burners never use more gas than you need. For big meals, use both burners. for smaller meals, save gas and money by using one burner and half the grill. A gas grill edds a new dimension to family meals and entertaining. It eliminates the fuss and bother of cooking outside while it keeps the flavor and the fun. And, because you take cooking heat out of the house and the burden off your air conditioning, you save energy too.

SC Elections To Be Held

The elections for the 1976-77 Student Council will be held Monday April 26. The candidates must turn in their petitions by Friday the 23 complete with the signatures of 25 students.

The positions which are to be filled during the elections; are president, vice-president, secretary, treasurer, parliamentarian, publicity director, social chairman, and two councilmen-at-large. There is a change in the election of class representatives. In the past there were four representatives from each class. This year there will be only one boy and one girl representative from each class. This will eliminate eight representatives and only allow room for students who wish to fill the job to its fullest capaity.
