1970 Football Schedule Set Except For Opener

Littlefield's football schedule for 1970-71 is almost complete, following a meeting of District 3-AA officials at Olton Monday night.

Coach Deverelle Lewis was busy Wednesday trying to line up an opening game, but it appeared fairly certain the Wildcats would be meeting Levelland and Slaton in non-district play.

Tentatively, the schedule calls for Littlefield to play Levelland on Sept. 18 and Slaton on Sept. 25, with Sept. 11 still

District 3-AA schedules were adopted Monday night, calling for the eight teams to play a round robin, no dates open, from Oct. 2 to Nov. 13, 1970.

The slate calls for Littlefield to meet Lockney there Oct. 2, Olton here Oct. 9, Friona there Oct. 16, Dimmitt here Oct. 23, Abernathy here, Oct. 30, Floydada there Nov. 6, and Morton here Nov. 13.

The complete district schedule: Oct. 2-Floydada at Dimmitt, Friona at Olton, Abernathy at Morton, Littlefield at Lockney

Oct. 9-Dimmitt at Friona, Morton at Floydada, Olton at Littlefield, Lockney at Abernathy. Oct. 16-Morton at Dimmitt,

Littlefield at Friona, Floydada at Lockney, Abernathy at Olton.

Oct. 23-Dimmitt at Littlefield,

PLACE GARBAGE AT THE CURB

City garbage trucks will discontinue picking up trash in alleys as long as the alleys are muddy.

"If residents will place containers at their curbs on the streets, we'll pick it up there," City Manager Jim Shearer stated.

Harvest Work At Standstill

"Everybody talks about the weather but nobody ever does anything about it." Will Rogers once quipped

Chances are all farmers in the Lamb County area would do something about the wet cloudy weather that hit Monday if they could.

With the cotton harvest just around the corner, the rains that came Sunday night and continued through press time Wednesday mean nothing but trouble, delays and lowered grades for farmers.

Rainfalls recorded for a three day period average from 3.18 inches in Littlefield to over 4 inches in other parts of the county.

Another inch of rain fell over most of the area Tuesday night, bringing total precipitation to 3.2 at Embry Gin. Fieldton and Hart Camp recorded 3.5 inches, and Lums Chapei, Whitharral and Spade measured over 4 inches in three

Turbulent weather took its first swat at the area Sunday night when a tornado touched ground at 10:15 north of Olton at the Raymond Carson and Floyd Light

Windows were broken out of two rooms and a television antenna was torn down at the Carsons, 413 miles northwest

A barn was damaged at the Light home five miles north of Olton on the Hart Highway.

While the rains interrupted-the cotton and grain sorghum harvests in the area, optimistic farmers say the rains are adding to subsoil moisture, and predict "a good year next year.

Election ballots, naming new members to the board of directors for the Chamber of Commerce, are still trickling in to the C-C office, and only two more days remain until deadline

Four new directors will be elected from the ballot of 12 nominees, including Buddy Bingham, Jim Tom Brittain, Clinton Byers, Ernest Connell, Kip Cutshall, Hubert Henry, Roger Lowe, Gene Pratt, Gene Ratliff, Bob Roden Tommy Thrash and H. D. Walthall.

Deadline for returning ballots is Friday, Oct. 24 at 5 p.m.

The new directors will be presented at the Chamber of Commerce banquet Jan. 29 and will assume their three-year terms

They will replace Warren Dayton, Charles Duvall, James Lee and Bill Turner, who are retiring from the board.

Remaining on the board to complete unexpired terms are John Clayton, Gerald Kehoe, Joe Montgomery, Jim Jones, Pat Downs, Doyle Patton, Jim Vandenburg

and Kenneth Ware.

his win follows a third place effort of last Sexton guessed right on 14 of the 16

games and nudged out four other contestants with the same number of Both weeks he gained ground on the

season leader, Doc Bowman of Amherst, but Bowman continued to enjoy a two-game lead over his nearest competitor, Leon Burch of Littlefield.

The season standings of the top 36 are on page 10. Winning second place this week was

Roger Sell of Littlefield, who gest a \$3 check for his efforts. Third place money of \$2 goes to Jan Miller of Littlefield. The three top winners were joined by Lee Roy Nuttall of Friona and Barry

Bearden of Amherst in picking 14 games But Sexton, Sell and Mrs. Miller came

closest on the tiebreakers to take the prize money

The 12-week contest is in its seventh week. Contestants must turn in entry blanks or mail them to the Leader-News by 5 p.m. Friday. Entry blanks may be obtained from last Sunday's Leader-News.

Dent Is Commission Chairman Former Lamb County Judge Otha Dent has been appointed commission chairman of the Texas Water Rights

Commission by Gov. Preston Smith. Gov. Smith appointed Dent, a 16-year veteran of the commission, Friday.

First Cotton Bale Stripped Dryland

ginned Monday

Producer Billy Smith took 2,370 pounds of Lankart 3840 stripped from acres of dryland 10 miles southwest of Littlefield to Lumsden Gin where a 570 pound bale was ginned, a 24.05 per cent turnout.

The cotton, grading middling light spot one inch staple length with a 4.5 micronaire, was planted May 11.

Smith received a \$50 premium for the first bale and \$75 per ton for the 950 pounds of seed. He sold the bale for 100 points above the loan value and Central Compress at Sudan gave him a \$10 bonus.

ATTLEFIELD JUNIOR HIGH

onors English Class'Fun

HRODGERS

lefield junior high English class to discuss Jackie Onassis and anigarde subjects that aren't ics of conversation in English

part of the plan for the ar honors English class now in year here: idents in this class have to be

not necessarily 'A' students,"

Mrs. Ruth Badger said. ats in the accelerated class do, in everything other ninth graders days, leaving a day each week ore or less spontaneous'

ular activities. atra day is spent reading plays, current events, doing creative

are all kinds of possibilities," said Later we want to put do choral reading; we've hardly

the event you've enjoyed vice versa-you have more days.

picked. Those in this year's class were recommended by their eighth grade English teachers.

Mrs. Badger finds that students with "B" averages often make A's after getting in the honors class.

"My word!" Thriess Bingham said when she learned she'd been recommended for the class. "Everyone in there makes the honor roll every six weeks. Now I'll have to do that too."

"And she does," Mrs. Badger said. "One day I asked her what she considered a failing grade. 'Ninety' was her answer.' Students in this class are fast learners,

cutting out the need for repetition and drilling. "The parts of speech begins in the third grade," Mrs. Badger said. "These students learned then, instead of waiting until they were in the ninth grade. They aren't the ones who could, but the ones who do. This class brings them out of their little shells of self-interest."

"The class makes you want to try to achieve a higher goal," Thriess said. "Everyone participates." "It gives you a greater opportunity to

express yourself," Stella Rodriquez said, "and explore other fields.

Debbie Sorley likes the class because it's different, "venturing out with discussions.

"Everyone says what he feels," Weldon Culp said, "and he is not afraid he'll get killed for it."

David Barton likes the class because the same things aren't repeated over and over. Weldon Culp likes the class for the same reason. "It gets so boring going over the same thing. Some classes go so slow it's plumb pitiful," he said. "This class is

"These students are more apt to be extroverts," Mrs. Badger said with a soft laugh. "When you have all A students, you have talkers," she said.

"In here it isn't just fact after fact," Mary Shotwell said, waving an emphatic hand to illustrate her point. Three or four imitated her gestures, and she smiled self-indulgently

Donald Britt likes the class because there are 16 girls and only six boys. "These students read papers," Mrs.

Badger said, "They're up on almost any subject. Students revealed some of their

thinking when they discussed the play, "Out of Control," about a boy who had been over-indulged by his parents and became a delinquent. Pat Kirby described a delinquent as someone who knows right from wrong

but goes wrong on purpose to get even.

"If his parents had loved him enough,

they'd have made him do right," Johnny Wimberley said.

"I'd rather my parents tell me 'no' sometimes," Thriess Bingham said, "then I feel wanted at home and loved. If they say 'yes' all the time I feel they don't love me. Above all, I want them to trust me." Donald Britt said parents are

delinquent when they show preference to Tommy Crosby thinks children should accept their parents' authority without question. "They've had experience," he

said, "seems to me they're doing all right in THEIR generation." Pam Huber pointed up the generation "The older generation wants security," she said. "We want to do our

"Money is too important to some parents," Debbie Sorley said, "because they've been through the Depression and

Does Littlefield have delinquents?

Denese McCurry said those who pushed over the tombstones in the graveyard "were wanting or needing attention'

The teens have their ideas about what can be done about delinquency, too. "The Girl Scouts have been having a discussion about having a Teen Town," Jean Reast said.

"If we had some place to go with parents chaperoning," Donna Bowman suggested, "there wouldn't be any

Grain Diversion Open To Grazing

Acreage diverted under the 1969 feed grain and wheat programs may now be used for livestock grazing, according to L. D: Aten, office manager of Lamb County Agricultural Stabilization and Conservation Service.

Grazing began Wednesday, Oct. 15. The program affects only livestock grazing on land diverted under annual commodity programs. No diverted acreage may be harvested.

"Diverted acreage is land set aside

from crop production by farmers participating in voluntary commodity "Diverted acreage must be kept in conserving uses, and among other provisions, this means no livestock may graze during the growing season. Vegetative cover is required to be

maintained, to protect the diverted land

from erosion," Aten said.

Action Aplenty

A YOUNG RIDER, Teddy Patterson, shown top left, took third place honors in the Pee Wee Boys' division, barrel racing event of the Benefit Playday Sunday, sponsored by Lamb County Sheriff's Posse, Jaque Reep and Cynthia Patterson, lower left, copped first place ribbon race honors in the Senior Girls division. Shown above, James Blackwell grabs a potato and gets ready to head for the other end of the arena to place it in a barrel, while Dave Whited waits to place another potato in the bucket. A little more than \$200 was added to the Spies-Cristan fund as a result of the Play sy. See story page 10.

NFO Lists Reasons For Grain Holding

Members of the Lamb County National Farmers Organization (NFO) are advised to hold their grain sorghum for contracts and a base price of \$2.30 per hundred pounds for three

1. It is felt that the government estimate of this year's crop is greatly exaggerated and is being used to try to beat down the gains NFO members have made in grain sorghum bargaining. Although the NFO

collective bargaining program has raised grain sorghum prices 30 to 50 cents per hundred weight above support prices, this is still not a satisfactory price and must be raised further.

This action steps up

NFO's attempt to block grain sorghum so that grain can be fed onto the market at a more

and hold their grain sorghum and all other grains, placing particular emphasis on yellow corn and wheat since wheat is being used for feed.

Yohners Know How To Winterize Plants

Yohner's Feed, Seed and Fertilizer, 409 W. Delano, have everything needed to winterize your fruit trees, roses, iris and other perennials. They have special winterizing fertilizers, material for treating plants for fungus growths and a special preparation for such problems as peach tree borers.

Yohners also have all kinds of potting soil in their store where there is an abundance of plant care products. A large selection of pottery flower pots can be found here, too.

Yohners offer many services for those with livestock. They do custom grinding and custom feed mixing of all types of livestock rations, and they have several good varieties of horse feeds.

Waynes Feeds are their main line. Yohners clean seeds. They are equipped to clean soybeans and other varieties of beans, peas, grain, wheat,

barley, rye and grass seeds. They remind you that it is time to book seed for next year, too. Yohners have Asgrow and DeKalb and can get any

variety their customers want

Mr. and Mrs. F. E. (Shorty) Yohner at them first, If they don't have it, they can get it for you.

Mr. and Mrs. Yohner have been owners and operators of this business since they purchased the firm in August, 1964. following the death of former owner Marshall Howard.

The Yohners are long-time Littlefield residents. Shorty has lived here since 1916 and he was a Littlefield implement dealer for 34 years. All three of the Yohner children attended Littlefield schools, and the Yohners are members of the First Baptist Church.

Shorty and Mrs. Yohner are assisted in the feed and seed business by their son

Both Mr. and Mrs. Yohner enjoy yard work. Mrs. Yohner is a former garden club member and keeps up with the plant world by "reading and studying all the Other hobbies include reading, knitting and some decoupage work.

Shorty enjoys the reputation of being a good cook. He specializes in cakes and desserts, likes to make jellies, preserves and relishes, and cooks all the Christmas, Whatever your needs, Yohners say try Thanksgiving and special family dinners

MARYLAND SEN. JOSEPH TYDINGS is seeking legislation to outlaw the sometimes awful mistreatment of show horses.

Just four years ago, our federal government was financing some hideous misuse of laboratory animals.

EVEN NOW I CANNOT bring myself to detail some of the senseless, useless tortures to which animals were subjected, though I have a file full of evidence.

And some of the worst such "research" was conducted with money supplied by the National Institutes of Health.

Anyway, so hideous did this misuse of animals become that Congress subsequently passed the Laboratory Animal Welfare Act, accomplishing major reforms. The valid use of laboratory animals for medical purposes has been vastly

NOW SEN. JACOB JAVITS of New York and Rep. Paul Rogers of Florida are seeking approval of a new laboratory-animal bill of their own design. They say it provides for further reforms.

In reality, however, their proposed bill would transfer authority away from the U. S. Department of Agriculture, back to the Department of Health, Education and Welfare.

Veterinarians of the USDA have done a splendid and enthusiastic job of policing this situation despite a comparatively minuscule budget.

NOW AGAIN to entrust supervision to HEW, which for so long blocked all efforts at reform, is

not "progress." Man's increasing inhumanity is measurable, provable, in many ways. Crime, per se, is increasing nine times faster than our population is increasing. Violent students terrify teachers. Every

THE ABUNDANT LIFE

'Situation Ethics'

year 10,000 American children suffer physical abuse at the hands of their own parents; one to two a day are thus killed.

TO RELATE this cruelty with our casual misuse of animals is impossible, except that most psychologists agree that we can accustom ourselves to-and eventually accept-some hideously barbaric practices.

In Jean Pierre Hallet's book, "Congo Kitabu," he recites the last agony of a turtle which, mutilated by Pygmies and yet alive, was tossed by them into boiling water. His graphic account would make you throw up!

YET, AS HALLET SAYS, "Unfortunately, our humane philosophy has built-in limitations, Its theory and practice are confined mostly to our relations with animals which resemble ourselves.

We show kindness to the warm-blooded furry mammals and warm-blooded bipedal birds, but the further an animal diverges from human form, the less chance it has for humane treatment.

"REPTILES, FOR EXAMPLE, are feared, loathed and tormented. although most of them are entirely harmless; the really dangerous ones such as crocodilians and venemous snakes have even acquired a synthetic aura of evil.

"And when we deal with animals outside the vertebrate phylum, we feel no moral compunctions; although we would never cook a living cat or dog for dinner, or perhaps even a turtle, the living lobster boils in our pot while we watch, like Pygmies, with indifference or academic curiosity."

THIS IS WHY SOME of us oppose the casual misuse of lower animals; not just for what it does to them-but for what it does to us.

It also means that some things

What The Leader-News Thinks

'Cleaner Air Week

year's date for "Cleaner Air Week

But this particular week should have more than a little significance to everyone who breathes. That

Clean air, once regarded as a

AIR POLLUTION is a serious

In extreme circumstances, such as smogs which have crippled activity in such locales as New York City and London, choking death has come quickly to its victims—4,000 in four days alone in

It's a peak, potentially deadly threat to the lives of us all. During the special week, Texas focuses on the problem of pollution. Air pollution causes, its consequences and cures will be brought before

Pollution has been a part of our society from the very beginning, but it has become concentrated now to such a degree that we can no longer live with it.

IT HAS BEEN TRACED as a definite contributor to such health problems as emphysema, bronchitis, lung cancer, colds, pneumonia and bronchial asthma.

The economic loss from air pollution has been estimated at more than \$60 per year for each man, woman and child. Crop damage, corrosion, cleaning bills, wasted fuel, accidents from reduced visibility these known effects keep mounting.

AIR POLLUTION IS 8 "mix"-compounded from exhausts of millions of automobile emissions from power plants and industries, effluent from incineators and heating plants, smoke from backyard trash fires and municipal rubbish dumps.

Nor is all visible to the eye. Toxic fumes pour forth from other sources into the limited ribbon of air which surrounds the earth.

TO MEET OUR CHALLENGE, the Clean Air Act of Texas was passed by the Legislature in 1965. A Texas Air Control Board was created the following year.

The Air Control Board, in carrying out its air control program, has the authority to file law suits and seek injunctions against offenders of its regulations.

Nationally, according to the FDIC

report, the amount on deposit in all

commercial and mutual savings banks

came to more than \$464 billion, a sharp

rise over fiscal 1966, when the total was

MY OH MY, we Americans are indeed a queer and contradictory We range from extreme

conformists to extreme non-comformists.

The conformists think the non-conformists are weirdos and the non-conformists think the conformists are dead.

WELL THANK GOODNESS. there's need for all of us. The conformists tend to keep the non-conformists from going too far out, and the non-conformists tend to keep the conformists from petrifying completely.

What started this trend in my thinking was a gentleman architect named Brockhurst C. Eustice.

Mr. Eustice is evidently non-conformist. He built his dream house "inharmonious" to his neighborhood.

SEE, HIS NEIGHBORHOOD WAS MADE UP of ranch style and colonial homes, and he had the gall to throw up a two-story cubed house. AND without windows on the street side, which I have a sneaking suspicion caused the most alarm among his neighbors.

Not that his dream house was a shack. Not hardly, at \$55,000. But it just didn't suit his

neighbors, so they sued on that "inharmonious" bit and won. Mr. Eustice now has 90 days to either tear down his dream house or haul it away.

HE'S GOING TO APPEAL, but I wouldn't give ten cents on his chances of winning.

But that's us all over. One person's convictions are another person's hang-ups.

WHAT'S ACCEPTABLE now to one person may not have been acceptable to that same person five or ten years ago.

And what's not now acceptable to one person may be perfectly legitimate to him or her five or ten years from now.

For instances ten years ago, would you women have dreamed you would ever have or want a wig, or even a wiglet? How about narrow-legged pants for you gentlemen?

OR WOULD YOU WOVEN dared to imagine yourses dresses even the merest part inch above your knees? Or in any colors except black to gray, navy, and the dule green?

THE FARMER'S IN

Time Changes Thin

Not only are we inconstant the perspective of years, wind inconsistent at the same time.

BY GOLLY, I just may doing that very thing, Hey there, Mr. Eustice, I

you win that appeal of your! I may need your lawyer.

THE WEEK of Oct. 19-25 is this Not too impressed with this fact? Perhaps not, since there are hundreds of special "weeks" being proclaimed over the country.

doesn't miss many, does it?

guaranteed part of our American heritage, is becoming a priceless possession as Texans move more and more into the cities and as industrial progress feeds its byproducts into our atmosphere.

and difficult problem, affecting everybody every day. When air pollution becomes severe it triggers illness which may produce premature death for thousands of people, says the Texas State Department of Health.

London in 1952, for instance!

THIS PROBLEM doesn't occur just in "other places"

GOVERNMENT SURVEY SAYS

Money Is Plentiful In Lamb years ago it was \$1,235 per person.

\$398 billion.

Despite the tight money situation that prevails today, there is a plentiful supply of money on tap in Lamb County. A government survey shows that the

volume of currency in circulation locally is at a high level. Most of it is in the vaults of banks and in the tills of merchants.

The seemingly contradictory situation of tight money and ample supply has been created, in large measure, by the Federal Reserve Board in its efforts to combat inflation. It limits the amount of credit a bank may extend by requiring the bank to keep a larger part of its funds in reserve.

The amount of money on deposit in Lamb County banks as of the close of compared with the total two years earlier of \$29,404,000.

The deposits consisted chiefly of \$15,829,000 in checking accounts maintained by individuals, partnerships and corporations, and \$12,641,000 in savings accounts and other time deposits. Inter-bank and government accounts made up the remainder.

Added to this was the undetermined amount of money on hand locally in the form of cash kept in private safes and vaults and in people's pockets.

The findings are by the Federal Deposit Insurance Corporation, which has just released data covering banks throughout the country it is the first such survey since 1966.

The supply of money available for the credit needs of a community are considered a major factor in its economic well-being.

These funds, put into circulation by banks through loans to business concerns, to prospective homeowners, to automobile buyers and others, are vital to its maintenance and growth.

If the funds on deposit in Lamb County banks were to be divided equally among the local population, they would figure out to \$1.356 per resident. Two

SPIRIT WAS HIGH and the crowd was large at the Wildcat Homecoming pep rally Friday, when visit teachers and the student body cheered the 'Cats on to a fifth consecutive win over the Lobos and posses of the "Golden Trap"

A CODE BY LIVE BY seems to be the idea that the advocates of "situation ethics" are trying to

They want us to think that we cannot know beforehand how to behave in any situation; that we must wait until we are in a situation before we can know how to act.

These careless thinkers would have us believe that we live in a world of relativities.

A WORLD OF RELATIVITIES is not the world of reality, but is the figment of human imagination. This fictitious world is a world without fixed guidelines, without

without order and meaning. It is a world in which everything essential to human well-being is either destroyed or so badly altered that it no longer serves its intended

absolutes, without specifics, and

THE RESPONSIBLE HUMAN BEING, in order to function as such, must have a code for living. This means that there must be fixed standards made up of absolutes and specifics.

Card of Thanks

OUR HEARTFELT THANKS go to all those who did so much for us in our days of sorrow in the loss of our beloved wife and mother, Mrs. Nora Tisdale. For the wonderful doctors and nurses of Littlefield Hospital, for the local pastors who visited and prayed with us and for us-for those who sent food, flowers and all other expressions of sympathy we shall ever be grateful. THE R. L. TISDALE FAMILY.

THE Bula and Pep Future Farmers of America would like to thank James Grimes of Littlefield, for his fast and efficient repair work on the station wagon used in their educational work and activities. 10-S-T

Lucky Penny Aids Homecoming Queen

Graveyard Top Float

queen, expresses her feelings time-consuming jobs of

Wearing a white knit dress with a black, gold, and red plaid coat and black accessories on the big night, Jan added a final touch to her ensemble with a lucky penny concealed

Jan was escorted onto the field during the Homecoming game halftime by Lloyd Jacquess, president of the Ex-Students Association. The ther two nominees. Diane Maner and Dianne Perkins. were escorted by other members of the club for

Cheers arose from the packed stadium Friday night as blonde, blue-eyed Jan Christian was revealed as the victor of the Homecoming Queen

Spectators watched to see cover her face with her hands when she cried with joy and happiness as she was crowned and received her red roses. Coming back into the stands. congratulations.

Christian, newly elected all year around. Besides taking 1969-1970 Homecoming care of the many about winning the coveted cheerleader, she is treasurer of the Student Council.

Active as president of the Future Teachers of America and a member of the National Honor Society, Jan still finds time to devote to being assistant editor of the 1970 Wildcat Annual Staff.

Enjoying swimming, Jan spent much of her time last summer teaching swimming lessons at the Crescent Park Swimming Pool. She also enjoys sewing and skiing.

Besides the queen contest, other Homecoming activities this year included a bonfire Thursday night following a parade downtown and a pep rally in the high school gym Friday afternoon. Floats and decorated cars in the parade were entered by LHS organizations, businesses, civic clubs and individuals.

"If you want a good parade, an elated and very excited girl it looks like you need to tell the kids, not the merchants. "That's the best parade I've ever seen in Littlefield." "Great floats!" These were some of the comments heard she was swamped with shouts during and after the parade crys and kisses of sponsored by the Student Floats were judged by a committee of the alumni, and money prizes were given to the two best floats by the Ex-Student Association. The Student Council gave a first place trophy and second and third place ribbons. The prizes were awarded at a spirited pep rally Friday afternoon.

The trophy was presented to the Kat Klub for the second consecutive year.

Their float portrayed a Lobo Cemetery, where Littlefield had buried the Lobos for the past four years. Steve Dinges acted as preacher, Adoffo Aguirre as mortician the pep rally, and Angela Dayton as a lone mourner in black.

Distributive Education Clubs of America earned second place with their "jail house" float. Their theme was 'Cage the Lobos'

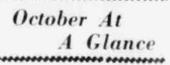

Third place was awarded to the Girls' Athletics Association's float. It was made up of a giant cannon ready to shoot a Lobo, over the rainbow. Their theme was 'Get A Lobo'

Suppressed excitement and Wildcat spirit could be felt building up in the halls and classrooms all day Friday, but at the pep rally, students allowed their enthusiasm to

burst forth in the forms of yells, chants, whistles, applause and shouts of "Beat Levelland!!"

Wendell Ashley, one of the tri-captains of last year's team. spoke to the student body and Wildcat team with encouraging words to "Keep that trap!!

Koleta Giles, 1968-69 Homecoming queen, told "How it Feels to be Homecoming Queen" and emceed the entrance of this year's three nominees, who were seated royally under a maroon and white arch during

TUESDAY, OCT. 28 8:00 a.m. Student Council 7:30 p.m. Choir Fall Concert

FRIDAY, OCT. 24

Jean Keeling, a 17-year-old senior at LHS won a trip to some European country or to India. She will not know which country until sometime in

Jean was encouraged by Mrs. Richard Sugarek to apply for the 1969 event, sponsored by Girl Scouts of America. When she failed to win, her scout leaders and parents encouraged her to apply for

SKAT STAFF

It was helpful to Jean to know the background in American History and knowledge of differences in culture and customs of various parts of the United States. The more she knew of her community the better prepared she was to win this trip.

Jean was selected by her council on the basis of scout experience, participation in school and community events

and relative activities, skills, hobbies and knowledge and

Troop 203 endorsed Jean and sent her application to the Regional Office in Kansas City. She then went to a house party in Artesia, N. M., which had many international people present. Women observed

Time Out For Sports

Tomorrow night the Littlefield Wildcats will travel to Snyder to meet the Tigers. who like LHS are also 10 in district play. The Snyder team is very well balanced and promises a tough battle for the

Last Friday night's game against Levelland was sparked by the Wildcat deferse holding the Lobos to 22 yards rushing and only two first downs in the second half. The defense held the Lobos to a score of 6

on the Wildcats first play from scrimage Quarterback Charlie Holt was able to connect a pass to Gary Nace for a 65 yard touchdown. Newton kicked the extra point to make the score 7.0

Another outstanding score of the game came when Raiph Funk took a pitch from Holt. and following his blocking, scampered 75 yards for the second TD. This was the last

play of the first half. In the second half, the Wildcats made their third TD when Holt passed the ball to Eddie Hickman, who succeeded to the seven yard

Funk carried the ball over the line and Newton kicked the extra point to make the score

Holt then moved the Wildcats in an 80-yard drive in the fourth quarter. Hickman carried the ball across the goal making the score 26-6.

The Littlefield Junior Varsity will meet the Lubbock High JV in the Wildcat Stadium. The Wildcats are looking for a victory after the last two outstanding wins over Plainview and Abernathy

LOBO CEMETERY took the highest honor at the Homecoming Parade. The float, constructed by the Kat Klub, received first place at the pep rally last

Salad Supper Marks FTA Initiation generalization

The Initiation of new members was the highlight of

20, in the library.

A salad supper was furnished by several members. Jan Christian, president, appointed an apple and note

Jean's manners, her social grace, her ability to deal with international persons, her attitude toward the United States and foreign policies, and how she got along with other

which there were 84 participants, Jean Keeling was selected as one of the 15 to make the trip.

Between now and the time dean begins touring the country chosen for her, she

will work toward preparing strengthen her Spanish and know girl scouting locally, regionally, nationally, and nternationally.

Jean plans to major in architecture and interior decorating at the University of exas at Austin.

After 11 years of scouting, wants to become a professional Girl Scout. She is now the vice-president of the Caprock Council Senior Planning Board.

A youngster now has to pass more tests to get into college than his father had to pass to get out."

committee and a bulletin board committee.

A report on the district the FTA meeting Monday, Oct. planning session in Lubbock. was given by Jan and Carolyn Lumsden. This was the deadline for

any new membership for the ordering of FTA pins. Jan appointed a committee

to be in charge of a decorated car representing FTA in the Homecoming parade. Those on the committee were Charlotte Hinds, Timmie Campbell, Carla Owens, Mary Davidson, Linda Horn, Martha Brown, Debra McAnally, Cynthia Adair, Kathy Turner and Joanna Rogers, chairman.

Also discussed was the selling of Christmas candles.

people. Out of a ten state region, in PSAT Given To Juniors

The Preliminary Scholastic Aptitude Test was given to the Juniors Tuesday, Oct. 21.

The PSAT is a two-hour Scholastic Aptitude Test (SAT). The PSAT measures two

kinds of abilities that are important in college work: the ability to read with understanding, use words correctly and reason with them, and the ability to use and reason with numbers and other mathematical abstractions.

Scores will be interpreted to students to serve as a guide for making plans toward education after high school.

There are no passing or failing scores on the PSAT. Scores will be considered high or low only in comparison with those of other students of the same sex and grade level.

LHS Speaks Out

QUESTION: What is your opinion of the dress code at Littlefield High School?

looks like."

effortless. Monte Trotter (Sr.)-"The dress code in LHS cuts off individualism. There are teenage girls who can sit more modestly in a dress eight inches above their knees than some adult women can in one down to their knees. Sideburns improve the looks of some men and boys' faces. For these reasons I believe that each individual student should determine his own make of dress according to his moral standards and beliefs, his parents ideas, and his own good taste. I think that a small

extreme, instead of just one Ann Hopper (Jr.)-"It is good to have a code to go by concerning the dress of the students because there are some people who will go to extremes. LHS has a good code which really is not strict because most of the students are conscientious about the

Take Defeat As Well As Victory

Coach Lyndon Gathright is e new government teacher at Littlefield High School. He is also first assistant coach in football and head track coach.

Born in Morton, Mr. Gathright attended Morton High School, where he was a four year letterman. He lettered in football, basketball,

Homecoming Honors D.E. ers

The DE Club held a meeting Oct. 13, at 7:30 p.m. in the Industrial Arts Room, with Randy Brestrup presiding.

The members discussed decorating the DE window downtown, and honoring the past and present DE students from the classes of 1929, 1939, 1949, 1959, and 1969.

Members also discussed decorating a car for the Homecoming Parade.

It was decided that the DE bake sale would be held in the vacant lot between Wares Department Store and Moss Shoe Store. The sale will be

Further discussions about DE Sweetheart and Mr. and Miss DE will be held at a later

track and baseball.

He attended Wayland Baptist College for one year where he played basketball and ran track three years at Howard Payne.

Serving his country was also part of Coach Gathright's past activities. He obtained the rank of Private First Class and served two years in special services for the United States Army.

Coach Gathright and his wife, Barbara have three children. Lyndall is age six, Donna age three and Kristi is ten months old.

Carpentry is his favorite hobby and he ranks football as his favorite sport. His favorite teams include SMU and the Dallas Cowboys.

Before coming to Littlefield, Coach Gathright coached one year in Irving and five years in Plainview He is in

his seventh year of coaching. "The hardest part of coaching is being able to take defeat as well as victory," he explains. He estimates that during a single season, the

coaches spend 80 to 90 hours a week working just on football. Having always wanted to teach the subject, he enjoys government. He also likes the idea of teaching all seniors.

Coach Gathright likes the over all unity of the student body at LHS. He states that the school spirit "is the best" of any he has been supported. of any he has been around.

A WORRIED Coach Gathright phones information the playing field after a Lobo touchdown made score 7-6, Wildcats favor.

Happiness Is..

SPIRIT! ! !!!!!!

SPIRIT AROUND L.J.H. has really SHARON WHITE brought up an interesting wing these past two weeks. Everyone thought in health last Friday. She mentioned have finally realized that the "12th" the fact that many girls around here won't yell important as the first 11. The twelfth at high school games in front of their male one that keeps the team going. YOU companions (?) because it makes them look relfth man. Your spirit and enthusiasm "un" dainty?? Sheesh! We don't know of any, ep rallies, games, and everywhere else e boys realize that we're behind 'em, but there probably are some. Come on girls, it doesn't look bad! Really, it looks better for want them to win, too. They need us. need them. Together, we make a pretty both of you to yell, than, to, well, you know. Anyway, you could teach the boy to yell. If Tonya can make Ben yell, ANY girl can make spirit, the victories, and everybody's ANY boy yell. So from now on, everyone try using your lungs, instead of your lips!!! toward it. It's really great to be a part

going" junior high. I'm sure everyone ms way. Let's keep the spirit rolling LAST WEEK'S FOOTBALL VICTORY over undefeated Olton has certainly done more for the morale of LJH than anything in a long time. FRESHMAN BOYS proved to us last It all began with a very spirited pep rally. lay that they could really Anyone who was there will agree that the gym sem", if they made up their minds was filled with enthusiasm, and never before showed Olton how to "play ball", and this year have we had such a big sound. Quite a ere we proud of them. Keep it up, number of people have mentioned that spirit has been at low ebb. However, if the spirit shown last week continues, LJH will most assuredly stay on top in everything! A big thanks goes to all the visitors for coming to the pep rally. It was great having LJH exes join us. We would like to extend another big welcome to everyone today at 3:30 p.m. Let's give the freshman team a big send-off for tonight's game with Plainview. It promises to be packed with excitement. The cheerleaders, twirlers, and Mr. SoRelles' BIG BAND will be on hand playing and marching. It all begins at 5:30 in Wildcat Stadium. See you there!!

THE EIGHTH GRADERS traveled to Slaton Tuesday the 14th, to tie one game, and lose another. The A team tied 6-6. Outstanding offensively were Terry Bryson, Gary Brown, Len Richey and Kenny Owens. Defensive standouts were Pat Henderson, Floyd Smith, Gary Brown, and Kenny Owens. The B team lost, unfortunately, with a 28-14 ending. Outstanding players were Kevin Kirby and Johnny Washington for the offense with Bruce Peel, Kelly Pratt, and Kirby on defense. Kenny Owens and Craig Ratliff both received injuries Tuesday night. They are now back in school, and doing fine. We're glad you pulled through,

EGGS

FARM PAC

GRADE A

THE SEVENTH GRADE TEAMS went to Levelland Monday the 13th, and came home with one loss and one victory. The Maroons won, 22-6. They were playing Levelland's "B" team, 7th grade. Outstanding players were Jerry Soria, Tommy Wilson, Danny Brockington,

Richard Barton, Tommy Batson, Rodney Logsden, Luis Villareal, Dan Cristan, and Glen (Goonie) Smith. The Whites lost, 28-0, playing against the Lobo 7th "A". Outstanding were Jimmie Stanaford, Stanley Eller, and Rickye

ALL THESE BOYS, seventh and eighth, played excellent, and they had a couple of the best coaches around behind them. Their losses could be because there's not enough spirit behind them. How many of us support them as we should? We're for you boys, although we may not show it. We'll try harder, though. As the ole saying goes: We're with Ya team-So

THERE WAS NOTHING MORE to be desired last Thursday night at Wildcat Stadium, except maybe a blanket or two. The cool, crisp, autumn night provided a huge crowd with some really great football. Perhaps we had better state again-the score was 27-8, cats favor!! Also, some of the outstanding players were Alan Mackey, Randy Dayton, Artorio Soria, Jessie Davila, Donald Britt, J. E. Johnson, Manuel Aguilar, and Ray Mendoza. Ruben Marival received a badly sprained ankle during a play. He's back at school, on crutches, and seems to be doing better. Just goes to show you how hard those 'Cats will fight!'

TUESDAY, the 14th the FHA officers, members, sponsor, and several guests met in the home economics room at 4:15 for an

installation of the new officers. Martha Brown, former FHA president, began the ceremony by installing Thriesa Bingham, the newly elected president. Each officer then gave her purpose and duty. After the ceremony, refreshments were served in the living room. We would like to thank all parents who were there. Our special guests were last year's officers of FHA. A special thanks goes to you all for coming.

WEDNESDAY MORNING, the 15th, the FHA members, officers and sponsor had a business meeting in the Home Ec. room. They discussed plans for this year's activities. This year is going to be a busy and fun-filled year for all of the FHA girls.

CALENDAR OF WEEK Thursday, Oct. 23-Pep Rally, 3:30 p.m. Thursday, Oct. 23-Freshman game, 5:30 p.m. in Wildcat Stadium.

TUESDAY, OCT. 28th, the first choir concert will be held in the high school auditorium. All choirs will sing several numbers An added attraction will be the "Dirty Dozen" We are looking forward to seeing Mr. Carter's choirs sing and entertain us.

THE BAND IS marching hard, now, preparing for contest. They will perform tonight at Wildcat Stadium. Please try to come. Mr. SoRelle, you're going to work us to death! The halls are really sounding good. Let's

keep that noise down!!!

Top 36 In Grid Contest

IN SOUTH ZONE

at Snyder Friday night.
Once again, Littlefield takes the role of under dog in the contest, mainly because of Snyder's tremendous showings against Estacado, Dunbar and

The Tigers tied Estacado, the state's third-ranked Class AAA team, beat Dunbar by three points and dropped a one-pointer to Lamesa.

Littlefield took top-heavy defeats at the hands of Dunbar and Lamesa.

Comparative scores against Colorado City and Lakeview give Littlefield a slightly better chance. Snyder dropped a 20-14 decision to Colorado City, 46-20 victor over the Wildcats. And Snyder topped Lakeview by four TD's, two scores better than Littlefield's 34-20 victory over the Chiefs.

The Cats go into the game minus two of their top stars, Steve Owens, split end, safety and backup quarterback, and Gary Nace, tight end and

backup safety.
Owens suffered a knee
injury in the victory over
Levelland last Friday night, and Nace is nursing a thigh

the Booster Club meeting his changes for the positions involved.

Keith Sitton, who already is defensive starter, will handle Owens' split end spot and Kim Hill, a 156-pound junior, will take over at Nace's tight end post. L. D. Holt also is slated

for action at tight end. Ralph Funk, already a starter on offense, will go to Owens' safety post.

26-6 win over Levelland.

Mark Thorton got the other White TD on a 28 yard run. Stanley Eller tallied two

points on a conversion after the first White TD, and Ashley ran for two after the third The Maroon scores came on

27 yard run by Tommy in the new arena Sunday Wilson and a 5-yard scamper by Jerry Soria. Wilson added two points on a run after Hospital Fund.

Soria's TD.

Although the Maroons lost the ball game, they led in first drew riders from clubs in downs, 11-6, and in total plays, Plainview, Lubbock and

Floydada, who entered poles, But the Whites won the potato, flags, barrel relay, rings game on long strikes and a and ribbon races.

The Pony Express Teams, composed of riders from the total offense lead of 216-99. The Whites drew 70 yards six penalties, while the Floydada Pony Express Team, the Lubbock Pony Express Team and the Blue Pony Maroons were penalized 25 on

five infractions Ashley led ball carriers with Express Team from Plainview, his 128 yards in two carries, donated \$60 to the while Eller carried eight times fund-money which they were for 37 steps. Thorton ran for to have received for 18 yards on five carries. Connie participation in the afternoon's Bowman caught one pass for events.

Offensive White standouts Pony Express Race was the Ashley, Eller and Floydada Team, taking second Stanaford. Tops on defense place was the Lubbock Team were Jimmy White, Morris and winning third place was Dixon, Jesse Vargas, and Joe the Plainview Team. Don Padillo.

For the Maroons, Soria had events include: 59 yards gained on 22 carries, while Wilson had 27 on 11 trips. Danny Brockington got 27 on 7 carries. Tommy Batson completed two of three passes for 16 yards, hitting Tommy Wilson on both tosses.

Maroon offensive leaders time". were Soria, Wilson, Brockington and Batson, while Flags: first, Sherri Patterson; second, Judy Barnell; and third place, "no time". Rodney and Cory Logsdon, Brad Grisham and Glenn Smith Barrels: first, Rhonda Bennett, second, Sherri Patterson; and third, Cindy led the Maroon defense.

JV Game Set For Saturday

Rainy weather and a postponement has caused rescheduling of three football games here.

Littlefield JV's game with Lubbock JV, originally set for tonight, is to be played at Wildcat Stadium Saturday at 10 a.m.

Eighth grade games were to be played at Plainview Estacado Tuesday night, but were called off because of the weather. Coach Jerry Trees said the games might be rescheduled for tonight.

Littlefield Freshmen will meet Plainview Estacado here tonight at 7 p.m.
