Almost 300 Area Seniors Receive Diplomas

WORK IS NEARING COMPLETION on the visitors' bleachers at Wildcat Stadium, as the only thing lacking is final paint job. All the lumber in the old stands was

replaced and the new lumber is to be supported by metal braces.

Graduation exercises last week and this week mark the end of public school attendance for 298 area students.

Eighty-five Littlefield seniors are slated to walk across the stage tomorrow night at 8 p.m. to receive their diplomas. Tonie Gardner is valedictorian and Richard Barton is salutatorian of the 1975 LHS graduates.

Baccalaureate services will be tonight at 8 p.m. in the Junior High School Auditorium with Rev. Clem Sorley, pastor of the First Presbyterian Church delivering the sermon.

Sheila Dangerfield will offer the invocation, Rick Schaap will read the Scripture and offer prayer, and David Blevins will present the benediction.

Olton High School will present diplomas to 64 seniors at 8 p.m. tomorrow night. Holly Ann Daughtrey and Kim Barnett have been named valedictorian and salutatorian. John Rodriguez is high ranking boy at Olton.

Tuesday night 40 Springlake-Earth seniors received their diplomas in commencement exercises. Terri Smith was valedictorian of the class, and Sharla Lowery was salutatorian.

Sudan High School will give diplomas to 23 seniors in exercises there Friday night. Honor graduates are Rex Baccus, valedictorian, and Cheryll Harvey, salutatorian.

Anton High School has 20 graduates in the 1975 class. Monty Newton is valedictorian, and Rebeka Bramlett is salutatorian.

Two Sets Littlefield Siblings Start School, Graduate Together

Twins graduating in the same class isn't so unusual. Littlefield has even had two sets of twins graduate in the same year.

But when two families have brothers and sisters which aren't twins start to school the same year and graduate together, the event is news worthy.

Friday night, Vickie Mears and her

sister Loretta will walk across the stage and receive their diplomas together much as they started school together 12 years ago.

Randell Cory Logsdon and Rodney Charles Logsdon started to school the same year and they both receive their diplomas tomorrow night.

The Mears girls are the daughters of Mr. and Mrs. Melvin Mears. Vickie was born September 16, 1956, and Loretta was born in August the next year. Thus Vickie and Loretta were slated to begin school together since Loretta's birthday fell after the first of September.

Both have been active in band with seven years of participation, and both have been active in the Business Club and Distributive Education the past two years. Both won solo and ensemble I ratings, and both have had poems published their junior years.

The Logsdon brothers are the son of Mr. and Mrs. Buddy Logsdon. They are both four-year agricultural students and members of the 4-H Club since they were

old enough to join. They both belong to the Industrial Arts Club, participate in livestock judging, are participants in the National 4-H and Citizenship Heritage Tour in Washington, D. C.

Their agricultural and rodeo interests have contributed to both receiving two-year scholarships to South Plains College.

Candy Strippers Sought For Summer

Girls who wish to work as candy strippers for both hospitals this summer are invited to attend an organizational meeting Monday, June 2, at 3 p.m. in the dining room of Medical Arts Hospital.

Persons applying for the Junior Volunteers of the Hospital Auxiliary must be 15 years old, or have finished the ninth grade.

Anyone wishing further information may call 385-5422.

Probation Violation Charged, Woman Named In \$2,500 Theft

Antonio Martinez was charged with violation of probation this week after he was involved in an accident at Olton and arrested. Martinez had been sentenced to three counts each of strong robbery and burglary and had received probation sentences of eight months on each of the three counts. He was charged with violation of probation.

In other activity at the sheriff's office this week, two young men from Friona were charged with possession of marijuana. They entered guilty pleas before County Judge Bill Angel and were fined \$256 each and given 30-day jail terms, probated six months.

An Anton man was charged with simple assault, one was charged with no driver's license, a Littlefield man was jailed on a check law violation, an

Amherst man was arrested on a drunk charge, and one alien was picked up.

Dog Licensing Clinic Slated

A dog licensing and vaccination clinic is scheduled Friday afternoon in the fire station of city hall in Littlefield.

All dog owners are invited to bring their dogs from 1 to 5 p.m.

Fee for the vaccination is \$3, and licensing fee for females is \$3, and \$2 for males and spayed females.

All dogs within the city limits must be vaccinated and licensed annually.

Court To Act On By-Laws, Rural Fire Contract

Several items are slated for consideration in the commissioners court end of month meeting Friday, May 30. Among these is forming by-laws for the use of the new County Community Building now under construction.

Any club or civic organization which has a request regarding the by-laws may make their wishes known at the Friday meeting.

Other items slated for action are a lease agreement with the sheriff's posse on county property at the rodeo grounds, and discussion of a rural fire protection contract with the city of Littlefield.

Commissioners will also discuss kitchen equipment for the Community Building and the Board of Equalization.

TRIBUTE to all soldiers who were killed in combat and to veterans of the war who died later was presented in the Littlefield Cemetery Monday during a special Memorial Day ceremony. Giving the tribute is Rev. Clem Sorley, as the honor guard and color bearers participate. To the right of Sorley is James Timian, post commander of VFW Post 4854. (Staff Photo)

HEAVY EQUIPMENT is still on the job at the site of the new \$30 million American Cotton Growers' denim mill east of Littlefield and dirt work is expected to continue

for the next 3 to 4 weeks. Here the earth movers are stockpiling top soil to be used later in the construction. (Staff Photo)

EDITORIAL

(EDITOR'S NOTE: This item was written by Zoy Risinger, who has taught school for years at Bula, and expresses her sentiments about the recent celebration at Bula, commemorating 50 years of the community's existence, and the closing of the Bula School System.)

By ZOY RISINGER

BULA—In droves, the exes came and for three days last weekend, Bula celebrated. Exes were here from Alaska and Albuquerque, and they flew in from California. They drove from as far away as Cotulla and Del Rio and Fort Worth. They came from Amarillo and Abilene, from Littlefield and Levelland, from Muleshoe and Morton, Odessa, Portales, and Clovis, and from scores and scores of other cities, towns, and farms.

The first teacher of the Bula School came, the first janitor came and students who attended the first day of school in 1925. They were octogenarians or two weeks old and everywhere in between. They were teachers, preachers, doctors, nurses, artists and

musicians, soil scientists and farmers. They were business men, beauticians, secretaries and poets.

They wore long dresses, short shorts, ruffles and lace, or blue jeans. But they came and they stayed. They shook hands, they slapped shoulders, hugged and kissed. They laughed and cried and laughed some more.

There were art and craft shows, historical exhibits, and a music festival. There were races and contests and a parade for the queen in a horse-drawn cart.

There were speeches, tributes, memorials and standing ovations.

The Booster Club served a snack lunch Saturday noon, the Lions' Club a barbecue supper Saturday night, and the community a covered-dish dinner Sunday—all to overflow crowds.

So they came—some on canes, some crutches, some in wheel chairs, some on cradle boards—but they came with happy memories of the past. And they left feeling a bit sorry for everyone who had never been a part of Bula.

CLIPS & TIPS

By JOELLA LOVVORN

COOKING MEAT outdoors is a great way to keep the house cool in summer—but don't forget that vegetables can be cooked on the grill too, advises Marilyn Haggard, foods and nutrition specialist.

"Skewer raw vegetables and cook on the coals, turning slowly until done. Raw vegetables such as potatoes, carrots and onions may be parboiled a few minutes before placing on the skewer to hasten cooking time," she said.

Frozen vegetables can be cooked on the grill in aluminum foil folded into a package, using the drug-store wrap.

"Place the frozen vegetables in the center of a piece of heavy duty aluminum foil. Dot with about 2 tablespoons of margarine or butter, 2 teaspoons of water and 1/4 teaspoon salt for each 10-ounce package.

"Close the package carefully to keep moisture inside. Place it on the grill and cook 15 or 20 minutes, turning once or twice," she said.

generally recover slowly, if at all, so it is often best to replant. If there is sufficient room, the less damaged plants can be left while the remainder of the crop is replanted.

Most vegetable seed will germinate rapidly now that the soil has warmed, so replanting is often the best alternative. Of course, if transplants can be obtained, the gardener can gain several weeks of valuable growing time.

In many areas it is too late to replant some garden crops such as potatoes, carrots, cauliflower and other cool season vegetables.

"Due to late season cool weather, spring gardens have generally been making limited growth until the past several weeks," points out the specialist. "So, even though replanting will bring some delays, these may not be quite as great this year due to overall seasonal conditions."

Whether gardeners leave damaged plants to recuperate or whether they decide to replant, the overall delay in home vegetable production will mean closer attention to care and maintenance of the growing plants in the coming months, emphasizes Cotner.

"Insects will become more active as the growing season progresses, so plants must be checked more closely and control measures taken as the situation warrants. Also, watering will become more critical as the growing season enters the hot summer months.

"Adversity such as that resulting from severe weather damage tests the 'true grit of the home gardener,'" says Cotner. "It makes him realize that vegetable production isn't all 'peaches and cream' and that all the fresh produce at the supermarket doesn't just happen. Hopefully, however, it will bring all home gardeners closer to nature and to living things, and will instill in them the will to try again."

LAWN MOWING can be hazardous to your health, especially if you disregard safety when using a power mower.

Every year 55,000 Americans are treated in hospital emergency rooms for injuries resulting from the use of power lawn mowers. Many victims lose fingers or toes; some accidents prove fatal.

"Most of these lawn mower accidents could have been prevented if a few safety rules had been followed," contends Wayne Keese, agricultural engineer for the Texas Agricultural Extension Service, who is in charge of safety educational programs.

"The first rule in safe operation of a lawn mower is to become completely familiar with your machine. Read the owner's manual carefully. Make sure everyone who will be operating the lawn mower understands the controls and knows how to stop the engine quickly in case of an emergency," emphasizes the Texas A&M University System specialist.

"Before mowing, clear the entire lawn of sticks, stones, wire and debris—anything that could be thrown by the mower blade. Then get pets and small children out of the mowing area."

Keese advises disengaging the clutch and shifting into neutral before starting the engine. Keep your feet away from the blade when starting the engine.

"Stop the engine whenever you leave the mower, if even for a moment," cautions Keese. "Always stop the engine and disconnect the spark plug wire if you intend to check or work on the mower."

"Also stop the engine and allow it to cool before refueling. And use safety containers for gasoline," advises the engineer.

"Exercise extreme caution when mowing on slopes or wet grass, and never pull the mower toward you. Use a 'plug-in' electric mower only when the grass is dry," adds Keese.

HOME VEGETABLE GARDENS are highly susceptible to high winds, heavy rains and hail contained in spring thunderstorms in Texas. And recent weather has taken its toll.

"Damage is often widespread, and then decisions must be made as to whether to leave the damaged plants in the garden or to start over and replant," points out Sam Cotner.

"Some plants such as squash, cucumbers and beans often receive heavy damage," says Cotner, a vegetable specialist for the Texas Agricultural Extension Service. "They

Ruptured Pipeline Threatens Farm Families Monday Morning

Approximately 25 families were routed from their sleep and evacuated from their homes early Monday morning when an eight-inch Mid American (Mapco) butane pipeline ruptured shortly after midnight Sunday.

The rupture occurred one mile south of the Spade Highway at the Fieldton cutoff about 12:30 a.m. and butane shot into the air 60 feet.

The Lamb County sheriff's office was notified and deputies were at the scene until 4 a.m. The area was sealed off and all families in the area were notified to evacuate the area.

THE ABUNDANT LIFE

Don't Wait

By BOB

WE KNOW THAT WAITING for some things is an essential part of living, and it is very important that we learn everything we can about the waiting that has to be done.

When waiting is the wise action, then we should wait. In these instances, we cannot afford impatience; but we are inclined to be impatient.

Since we recognize this problem, we should be able to manage it without suffering too much loss. If, however, we refuse to learn how to wait patiently and graciously, when waiting is justified, we disable ourselves.

hand, in performing a piece may not only result in no positive evil." -Kietzing.

WE LOVE THE MEMBER family, but many of us go on day intending to tell them that we are going to do something to convey the message better than we are going to spend more on them, or, perhaps, we are going to tell them better. Many folk are going to do these things, but they never do sensible advice in this area "wait". Do it now.

There are a number of reasons should heed the advice, "don't wait" but the big reason is that we do not know how soon it will be too late.

"WHOSOEVER IS OUT of patience is out of possession of his soul. Men must not turn bees, and kill themselves in stinging others." -Bacon.

WE APPRECIATE many people themselves, and for what they have a sincere desire to encourage by letting them know that we appreciate them.

We should tell them, "Don't wait. The time will come, when it is too late to act on our good intentions.

THERE ARE MANY THINGS for which we must not wait. In the first place, waiting is neither necessary nor appropriate. If for these things we wait, we are likely to lose them.

There are some things we can do, and should do; and there should be no delay, because delay is not justified. Delay will usually cause unnecessary and oftentimes irreparable loss for us and for others.

WE WANT to improve ourselves our skills; and there are many reasons why we should, but let us wait.

WHEN WAITING is justified, we must wait and do so in such an understanding way that it will be effective in itself, and in its accomplishment.

"TIME DRINKS UP the essence of every great and noble action ought to be performed but is delayed the execution." -Sarna.

"DELAY ON YOUR PART often means stealing time that belongs to others. Delay in answering a letter, in speaking a word, in proffering a helping

"DON'T WAIT", unless it is absolutely necessary; and then do it with patience and good cheer.

SOMETIMES YOU just can't win! Here it is we're coughing up \$52,000 bucks for President Ford's swimming pool, and the Canadians best us by coming up with a \$200,000 job for Trudeau!

Talk about putting your finance in soak—Or, is it that we're trying to clean up our politicians??

AND, FROM THE home front are still looking pretty good, and crop prospects are concerned. rain, and no hail, YOU ALL!

SPEAKIN' OF FORD, it seems he's standing quite a bit taller since the Mayaguez incident. About the only place I can think of where stock is on the increase.

Anyway, he's getting the attention of more people.

MEMORIAL DAY has come and Wonder why it is that it always that I need a day off, after my day. Did notice that as far as the were concerned, it was business usual. No flags out on main less!—Or were they put out late day?

TURN ROW

COMMENTS

By EMIL MACH

FIRST OF ALL—A great big thank you from my wife to all of you who helped her in manning the concession stand last week during the Regional Girls' Little Dribbler's Tournament.

Many of you did a lot more than was expected, but we are glad that you did, because someone had to fill in for those that couldn't find time to help.

I'm sure that the officers of the league would also like to express their thanks to all who made the tourney a success.

Although none of the local teams advanced to state or national teams, but they did their best in their performances and this region will be represented by some fine teams.

I wonder what will happen to some of the girl athletes who performed. Many show a great amount of talent, but I wonder if they will have the opportunity to develop this talent and go on to bigger and better things.

IT IS STILL rattlesnake time, and some reason some of the snakes can visit their city cousins because an snake was killed within the city limits. This time it was in the street in the Olan Cowan's Lumber Yard. You people who have been riding in some of the vacant lots around town might use a bit of caution. We don't have a single one to lose.

USE RIGHT JARS

Use standard canning jars, with appropriate lids and screw bands for home canning. Mayonnaise and other jars are not made to withstand the high temperatures of canning—and they're not safe to use.

WHAT DOES A TOURNAMENT of this size do to help the community that hosts such an event.

First of all, for the sake of economics, it brings dollars into town, and lots of dollars.

HANDY AIDS

Washed mascara brushes and short leftover lengths of seam or bias tape are excellent cleaning aids for sewing machines. Use these "recycled" items to remove build-up lint from thread guides, tension, discs and/or the bobbin case.

THERE ARE TWO important characteristics of a leader—first, going somewhere, and second, he attracts people to go along with him.

Vo Ag Teacher Hired, Classroom Bid Accepted

Lowrance, the board also voted to provide an additional \$3,000 to \$5,000 worth of tools and \$2,000 worth of supplies for the department.

In other personnel matters, the board accepted the resignation of Lumir Dusek for the coming year and voted to provide an automobile for Tax Assessor-Collector Carlton Parker on a plan similar to what is now being provided the superintendent, high school principal and athletic director.

A low bid of \$10,146, submitted by James Starnes to remodel the high school cafeteria to provide additional classroom space in high school, was unanimously approved by the board.

SOMETHING TO THINK ABOUT

Have you ever considered what would happen if all men of this earth literally followed the two greatest commandments of God, the Ten Commandments and the Golden Rule?

No master planner living on this earth could compete with these plans set down by God for the benefit of man. We would know more of what the Promised Land is like if all men could learn to live by these guidelines.

God's two greatest commandments are to love Him first, and there is no doubt that we give loyalty

to our first love. If we so loved Him and trusted Him, He would live through us daily.

The next greatest command is to love our neighbor as ourselves. It isn't hard to know how much we love ourselves if we think of whom we consider first when our own welfare is threatened. If our neighbor got this same kind of consideration, the strife between mankind would come to an end.

God's great commandments. Know them. Learn them. Practice them in our world today.

Area Scouts Compete In Bull Lake Camporee

Scouts from the George White District Boy Scouts of America gathered at Bull Lake Friday, May 16, to participate in the district's Spring Camporee.

Some may ask, "What is a camporee?" It is many things. It's the thundering of hundreds of feet on their way to an evening campfire. It's the blue smoke from many campfires cooking hamburger mulligan or spaghetti or ham and eggs or French toast. It's the patter of rain on many tents at night. It's the ripple of wind-blow flags in the morning sun. It's catching the idea of teamwork in a patrol. It's the spirit that says, "Our gang is as good as anybody." It's "Young America" learning self-reliance firsthand.

A camporee is a showplace of the Scout program and, therefore goes far beyond just a gathering of boys.

The Spring Camporee was designed to test scouts on various camping skills. The events were: first aid contest, fire building and water boiling (in a paper cup), knot tying relay, height judging event, distance judging event, compass course event, plant identification contest, rope lashing event, tent pitching event, and canoe relay contest.

The events were scored as to accuracy, neatness, correctness, and speed.

There were approximately 175 scouts and leaders from seven area communities in attendance.

They were Troop 600, sponsored by the First Baptist Church of Littlefield; Troop 601, sponsored by the Jaycees of Morton; Troop 613, sponsored by St. Michael's Catholic School of Levelland; Troop 614, sponsored by the Lions Club of Earth; Troop 625, sponsored by the First Presbyterian Church of Levelland; Troop 635, sponsored by the Volunteer Fire Department of Sudan; Troop 637, sponsored by the First Methodist Church of Littlefield; Troop 640, sponsored by the Lions Club of Sundown; Troop 645, sponsored by the Neighborhood Council of Morton; and Troop 677, sponsored by the Rotary Club of Levelland.

The competition was tough, but spirits were high as all

gathered for the ribbon ceremony.

Elra Oden from Morton who is District Scouting Chairman and Dan Butler from Levelland who is District Scout Executive for the district awarded the ribbons.

Troops receiving first place ribbons were 601 of Morton, 625

of Levelland, and 640 of Sundown.

Troops receiving second place ribbons were 637 of Littlefield, 645 of Morton, 677 of Pettit, and 600 of Littlefield.

Troops receiving third place ribbons were 614 of Springlake-Earth, 635 of Sudan, and 613 of Levelland.

LOOKING OVER activities for the District Spring Camporee at Bull Lake Friday are Mike Tibbets of Troop 614 at Earth, Tom Hilbun of Littlefield, Scout Commissioner; and Bobby Nelson of Troop 600 of Littlefield. In the background, Elra Oden, District Scouting Chairman and scouts are working at a rope lashing event. (Personal Photo)

Boys Ranch Schedules Extravaganza

June 6th and 7th in the Municipal Auditorium at 8 p.m., Texas Boys Ranch presents its second musical and bluegrass extravaganza featuring such greats as: Chubby Wise (composer of "Orange Blossom Special") on his fiddle; 11-year-old National Champion banjo picking genius Jimmy Henley, picking with the phenomenal 15-year-old Jimmy Gyles on the mandolin; the all-time favorite former Miss Texas, Judy Mallett, who has fiddled her way to national fame; Bill Harrod, director of the Lubbock Symphony, playing a variety of numbers with great expertise; Doug Bruton, the most talented young man in Lubbock according to Bob Hope; Johnny Ray Watson, singing a few gospel soul numbers; and many, many more.

Tickets are available at the following locations: Sears, Luskey's, Dunlaps, and Hemphill Wells. Price range is \$3, \$4, and \$5. "All proceeds will go to the new boys' ranch in Lubbock. The show is one of our major means of support," stated Larry Rountree, director of financial development, "and we hope to provide good clean family entertainment worthy of the public support."

Border Patrol Examination Set In June

The U.S. Civil Service Commission has announced that the Border Patrol Agent examination will be open for receipt of applications from May 19 through June 19. In order to receive early consideration, applications should be postmarked no later than

May 30. Border Patrol agents enter on duty with the Immigration and Naturalization Service at grade GS-7 (\$10,520 per year) and have promotion opportunities to grade GS-9 (\$12,841 per year). A Border Patrol agent conducts a variety of immigration law enforcement functions to prevent the smuggling and illegal entry of aliens into the United States. These duties include detection, apprehension, and deportation of illegally entered aliens; interrogation of suspected violators; inspection and search of automobiles, trains, buses, airplanes, ships and terminals to detect aliens entering illegally; and other duties to enforce the law.

Persons selected for appointment participate in a three-month intensive training course in the Border Patrol Academy where the agents study immigration and nationality laws, Spanish, marksmanship and undergo physical training. Assignments after training are along international boundaries and coastal area of the United States and in some locations in the interior of the country.

No prior law enforcement experience or education is required; a written test must be passed for eligibility. Candidates must be 21 years of age or older; however, candidates who have reached their 20th birthday may apply, but cannot be appointed before age 21. Information on the physical and application requirements is contained in the announcement which may be obtained from: Dallas Area Office, U.S. Civil Service Commission, 1100 Commerce Street, Room 6B4, Dallas, Texas 75202.

Persons may call toll-free WATS from any place in Texas; 1-800-492-4400.

Election of lay and clergy delegates to the 1975 General Conference and announcing of pastoral appointments will be the major items of business at the Northwest Texas Annual Conference of the United Methodist Church in Lubbock June 3-6.

Bishop Alsie H. Carlton, bishop of both the Northwest Texas and New Mexico conferences, will call the Conference into session Tuesday morning, June 3, at First United Methodist Church.

Appointments will be read Tuesday evening by Bishop Carleton. Dr. Sam Nader, pastor of the host church and Dr. Clifford Trotter, District Superintendent of the Lubbock District, will welcome all pastors, delegates and families to the Annual Conference.

An equal number of lay and clergy delegates will be chosen by secret ballot to attend the General Conference in Portland, Ore. The delegates will consider petitions for legislation to be brought before the world-wide body of 10,000,000 members in the United States. In addition, the Northwest Texas Conference will choose delegates to the 1976 Jurisdictional Conference in Lincoln, Neb.

Texas Boys Ranch, Inc. Accepting Applications

Texas Boys Ranch is now accepting applications for admission to this new facility for boys on the South Plains.

In order to qualify for admission, a boy must: (1) not be younger than six years old nor older than 15; (2) be of average intelligence; (3) not be a serious delinquent problem; (4) have no available resources for a healthy living situation; (5) be a resident of the State of Texas; (6) be in good physical health; (7) have no severe personality problems; and (8) have the ability to perform in the public school system.

"We are primarily seeking applicants from the 15-county South Plains Associations of Governments area," explained Roger Engles, Executive

Director of the ranch, "and we expect the State Department of Public Welfare to license our operation on or before the first of July. The ranch's Assessment Committee will begin to process applications next month with every expectation of choosing ten boys to occupy our first cottage just as soon as our license is received from Austin."

County judges, families, churches, educational facilities, and concerned citizens throughout the fifteen county area may receive more information regarding admission into Texas Boys Ranch by writing to Texas Boys Ranch, P. O. Box 6040, Lubbock, Texas 79413 or by calling (806) 747-3187.

Management Course Set

A management, marketing and merchandising seminar dealing with today's business, Management 241, will be offered this summer at South Plains College.

Classes will meet at 7 p.m.

Wednesdays for 10 weeks, beginning June 4. Buddy Moore, instructor in marketing and distribution at SPC, will serve as instructor.

"The class will trace the beginnings of business to the present, explore the problems faced by business in today's society and also discuss the social responsibilities of business in today's world," Moore said.

Four hours of college credit will be given upon successful completion of the course.

BRIDGETT TWITTY goes in for an uncontested layup last Thursday in the Littlefield Senior division 37-32 win over Sudan. Basketball Clinic Slated For You

The second annual Littlefield Basketball Clinic will be held for girls June 9-13 and June 16-20 for boys who are in the fifth, sixth, seventh and eighth grades.

The clinic will be directed by head basketball coaches Dee Blevins and Sam Bean.

Clinics will stress basketball fundamentals and overall team play. The clinics will be conducted so that each participant will receive a total of 20 hours instruction with time provided for individualized teaching.

Clinic hours will be from 9:30-11:30 in the morning and from 1-3 p.m. in the afternoons. Morning sessions will stress fundamentals and afternoon session will be devoted to game situations.

All participants will be covered by insurance and properly supervised at all times. Participants will be issued a personalized tee shirt from the clinic. Awards will be given for Best Defensive Player, Best Offensive Player, Most Im-

proved Player and Champion.

The number of participants will be limited. Signups may also be required at that time.

Hale Center, Dalhart Win Regional

The Hale Center major and junior league squads won regional girls Little Dribbler crowns Saturday in the Littlefield Junior High gym, earning them a trip to the state finals.

Dalhart won the senior title, blasting Littlefield 47-15 in the championship game.

Hale Center's junior team had the roughest time in the tourney. They won their first round game over Abernathy, then lost a 26-25 heart-stopper to Dalhart that put them in the loser's bracket. They met Abernathy again and won 34-19. That put them in the finals against the same Dalhart squad they lost to earlier.

After three quarters, Dalhart looked like they had the regional title wrapped up with a 22-17 lead. Then the Hale Center girls got hot, outscored their opponents 10-1 in the final period, and won it 27-23.

Hale Center's major league team met Abernathy in the finals, a rematch of their first round meeting which Hale Center won 41-40. This time it wasn't as

close, and Hale Center took their second regional championship 38-33.

The Littlefield senior girls reached the finals with a 40-17 victory over Sudan. The score was fairly close at the half, with Littlefield ahead 15-10. Then the locals buried Sudan underneath 18 third period points.

Bridgett Twitty paced the winners with 11. Ann Hill was close behind with 10, followed by Brenda Williams with six and Jamie Lee with five.

Tracey Hill led Sudan with six points. Dalhart repeated their second-round defeat of Littlefield in the finals. In the second round, Littlefield got 11 points from Lavonna Sanderson but lost 33-24. Nine players scored for Dalhart, with Kay Howell's seven points leading the way.

Miss Howell tossed in 17 in the championship contest, and teammate Tonie Ramirez made eight more. Dalhart scored 20 points in the second period for a 32-10 halftime margin and coasted in with the win.

Gloria Brockington led the losers with six points. Jamie Lee put in three,

Sandra Healy and Ann Hill two, and Lavonna Sanderson and Bridgett Twitty made a free throw each.

The major league Littlefield team was eliminated with losses to Hale Center and Abernathy.

Hale Center outscored the locals in every period and won 30-12. Kim Tollett's four points led the losers. Michelle Phillips, Robin Streety and Sally Wilkinson hit a basket each, and Vicki Tunnell and Pam Fisher made free throws. H. C.'s Carrie Sagesar ripped the cords for 22 points.

Abernathy jumped ahead 11-1 in the first quarter and was never challenged in their 30-19 victory. Michelle Phillips spearheaded the Littlefield offense with 11 tallies. Sally Wilkinson followed with five and Kim Tollett notched three.

Russell Giles poured in 14 points for Littlefield's junior squad, but Abernathy's 12 last period points gave them a 22-20 win. Littlefield led 12-10 after three quarters.

Kim Spencer had four for the losers and Pam Williams sunk two. Vicki McKenzie's 12 led Abernathy.

GOING UP HIGH with the shot is Littlefield's Robin Streety, as she protects the ball from two Friona players. The local major league squad beat Friona 22-11 in the opening round of the regional Little Dribbler Tournament. (Staff Photo)

Marcum-B & C Levels Sudan

Jimmy Avery's two-hit pitching led B&C-Marcum Olds to a 19-8 win over Sudan Saturday in a Jr. Babe Ruth outing.

B&C-Marcum pushed across 14 runs in the first inning to build an insurmountable lead.

Richard Soria and Joe Rodriguez blasted a homer and a double each to lead the winner's attack. Donnie Green slashed two doubles and a single, and Jackson collected four hits.

Steve Ritchie was the losing pitcher. Ricky Hill and Ricky Moore got the two Sudan hits.

TREASURED SWEATER
Dramatist Eugene O'Neill was a four-time Pulitzer Prize Winner and was awarded the Nobel Prize for Literature in 1936. But he was equally proud of being a certified able seaman. One of his cherished mementoes was a heavy black pullover-jersey sweater with "American Line" embroidered in white across the chest. He wore the sweater on and off for years, long after it had become riddled with holes.

WOW TAKES MAJOR SHOWDOWN

Back-To-Back Wins Keep VFW Close

VFW moved into the runner-up spot in the minor league by winning big back-to-back games last week.

The Veterans bounced Security State 17-11 Friday, then edged Carlisle-Oldham 17-15 to up their record to 3-1. Their only loss of the season was to Leader-News, who are coasting along in first with a 4-0 mark.

In major league play, WOW kept their unbeaten streak alive Friday against second-place Birkelbach, but it took extra innings to do it. The score was knotted at 3-3 after six innings, then the Woodsmen drilled home seven runs in the seventh to win 10-3. Several Birkelbach errors opened the gates for WOW's rally.

Saturday, Lamb Co. Electric shorted the Fire Dept. 8-5 with four runs in the second.

VFW 17, SECURITY STATE 11

The Veterans trailed 9-7 going

into the third, but exploded for eight scores that inning and held on for the win.

Junior Rangel provided most of the firepower, slapping a triple and two singles. Joshua Rangel cracked two singles, and Steven Raney and Eric Demoss added singles. Walker Brooks took the win on the mound.

Oscar Torres was the losing hurler, but popped a double offensively. Randy Sheaffer, Jimmy Ratliff, Rudy Espinoza, David Tunnell, Eric Fleming and John Lee all pitched in singles.

VFW 17, CARLISLE-OLDHAM 15

VFW rallied again against C-O, this time battling out of a 13-6 hole with seven third-inning runs. C-O took the lead, 15-14, in the top of the fifth, but the

Veterans pushed across three

runs in their last at bat for the victory.

Junior Rangel hammered out a double and single. Eric Demoss, Phil Terry, Joshua Rangel and Pitcher Steven Tisdale had singles.

Clay Vincent handled Carlisle-Oldham's pitching and punched a double and two singles. Martin Sanchez smashed two doubles, and Mark Bryant and Donald Bryant had two hits each.

WOW 10, BIRKELBACH 3

It was a real heart-breaker for Birkelbach. They had a shot at avenging their only loss of the year, but WOW's extra-inning spurt was too much for them to overcome.

Bryan Gregory had a good night at the plate, slashing four singles for the winners. Randy Healy, Mark McCanlies, Randy Kemp and Lynn Timjian had two hits apiece. George Brockington picked up the win.

Ronnie Smith, Bobby Martinez, and Lupe Martinez hit two singles each for Birkelbach.

LAMB CO. ELECTRIC 8, FIRE DEPT. 5

Adam Soliz got the Firemen started off right with a grand slam homer in the first inning. But Fire Dept's lead quickly went up in smoke as the Electricians countered with four runs in the second and two insurance scores in the fourth.

Kerry Rainbolt threw a six-hitter for the winners and notched a double. James Randel and Gerald Twitty had a double and a single each, and Jimmy Sexton and Randy McCarty both added two singles.

Bobo Lewis took the loss, but knocked a double and a single. Clark Pylant doubled, and

Leslie Yarbrough and Leonard Castillo singled.
