Lamb County Spelling Bee Set Saturday

Lamb County's Annual County-Wide Spelling Bee will begin the "spell-down" at 1:30 p.m. Saturday in the District Courtroom of the courthouse.

Two spelling bee winners from each of the six schools in Lamb County will compete in the event and Mrs. Beth Manning of Sudan will serve as pronouncer.

County School Superintendent C. Roy Stevens is director. At presstime, only six contestants had been named. They are Lisa Clayton and Camille Hinchliffe, seventh and sixth graders respectively, at Springlake - Earth Schools; Linda Ivins and Marvin Matthews, both seventh graders of the Spade School; and Gaylene Rogers and Susan Black, sixth and eighth graders in Sudan Schools.

Littlefield will conduct its contest Friday.

SPRINGLIKE WEATHER came to a halt Tuesday and residents woke up Wednesday morning with approximately an inch of snow on the ground. Weathermen were predicting about three inches before the skies clear up. This bloom-covered tree in the back yard of the Gerald Giles home at the corner of Lake Avenue and Second Street was covered with snow Wednesday morning.

Temperature Dips To 24

Spring's early appearance did a disappearing act here Tuesday and Old Man Winter covered the area with a one-inch blanket of snow by 9 a.m. Wednesday morning.

Snow was still falling at presstime Wednesday with up to three inches expected before an expected warming and clearing Thursday.

The Littlefield area was in the center of the heaviest snowfall over the Panhandle and South Plains. Roads were reported icy and hazardous in spots between Littlefield and Amberst and between here and Levelland.

Snow plows were already at work early Wednesday clearing heavy snow accumulations over the county on U. S. 84 near Sudan, U. S. 70 west and east of Springlake and 303 south of Sudan in the Beck Gin area.

In Littlefield, snow plows were employed on city streets to prevent later icy conditions, and overpasses were salted. No accidents were reported to city officials or the highway patrol through Wednesday noon.

Following unseasonably warm weather, the mercury dipped to 24 degrees Tuesday and refused to rise above 30 degrees.

The long range forecast predicted clearing and a rise in temperatures beginning today.

Larry Cox Spins To Top Recording Field Job

Cox, a 1960 Littlefield School graduate, has been nominated as "Engineer of the Year" for the 1969 Grammys.

In only five albums, Cox is chosen as one of the nominees on the basis of his technical contributions to the music industry, and the National Academy of Recording Arts and Sciences announced Cox's nomination Feb. 10.

Cox won the nomination for his work on the album, "Velvet and Bold Brass" by the Jerry Singers on Dot Records.

Cox worked on two of the five albums that were nominated for Best Sound on Record. He won the nomination with a

Warner Brothers engineer, Lee Herschberg, who won the Grammy several years ago for Frank Sinatra's "Strangers in the Night."

Cox and his wife Nicki attended the Grammy Awards presentation on March 11, and the awards will be aired on nationwide television May 7.

"A piece of the nomination should go to the inspiration I received from my years in the Littlefield High School Band under the direction of Beryl Harris, whose sincerity is a challenge to me," Cox commented.

Mr. and Mrs. Cox and their two-year-old daughter Gina have made North Hollywood, Calif., their home for the past year and one-half where Cox

is a recording engineer with Wally Heider Recording, a Filmways Company.

Cox has recently completed work on Ricky Nelson's latest album, in the past year he has recorded or worked with "Mama" Cass Elliot, The Fifth Dimension, Steppenwolf, Sue Raney, Johnny Tillotson, Ray Peterson, Bing Crosby, Bill Cosby, Ravi Shankar, High Masakela, Rod McKuen, Julie London, Jackie DeShannon, Mason Williams, The Monkees, The Beach Boys, Frankie Laine, Kenny Rogers and the First Edition, Brian Hyland, and many others.

Cox's parents, Mr. and Mrs. Harley Bussanmas, his sister Lynn Ann, and grandparents, Mr. and Mrs. E. J. Bussanmas all live in Littlefield.

Cox attended Littlefield schools from the sixth grade through high school. He became interested in the recording field when he began working at the local radio station

Most Marriages Follow Tradition

... FIRST COMMON LAW AGREEMENT FILED

By NILAH RODGERS
Leader-News Staff Writer

Less than one month after the law went into effect allowing common law marriages to be registered, a Littlefield couple applied for an informal marriage certificate.

Both now 21 years old, the couple said they had been living together as man and wife almost five years--or since they were 16 years old.

Thus far this couple is the first and only common law pair

to gain a semblance of respectability under the new code. Although the majority of teens think the revised marriage law is something new, most parents regard the status as age-old and merely what they called "shacking up."

Despite what seems to be a nation-wide shift in values, moral ideas and knocking the establishment, marriages in Texas remain an integral part of the institution to which most persons still subscribe.

Marriage takes only a few minutes, costs only \$5 and is one of the most lasting and binding of contracts made under the laws of Texas and most other states.

Both parties to a marriage must make application to pur-

chase a marriage license in Lamb County and all other Texas counties. The male partner must be 19 years of age, or have the consent of a parent or guardian if he is between 16 and 19, and the female partner must be 18 or have consent of parents or guardian if she is 14 to 18 years old.

Proof of age must be shown by each person applying, either by showing a birth certificate or state driver's license.

A blood test is required from both persons applying for a marriage license. The test must be made by a qualified physician or health agency to certify that each is free of certain diseases, primarily venereal. This 25-year-old law is criticized frequently, but most states have similar requirements.

There is no longer a three day waiting period. Persons can be married as soon as a medical certificate and license are issued. Blood tests can be made within 21 days of the marriage. Couples with advance blood tests can be married right away. Couples who do not have blood tests may make application for a license, but it will not be issued by the county clerk's office until results of the test are presented.

After the license has been issued, the couple has 21 days to

have the ceremony performed. Getting married in Texas is a simple matter once the license is issued. A marriage in Texas can be performed by any ordained minister or officer of a church authorized to perform marriages, by a justice of the

peace, or a county or district judge.

The license must be returned to the county clerk's office by the person performing the ceremony within 30 days. It is then

Littlefield Bands Present Concert

bands will be presented at the annual Mid-winter Concert of the Littlefield Bands at 8 p.m. tonight in the Littlefield Junior High School Auditorium.

Music to fit every mood will be presented, according to Band Directors Anthony and Tom SoRelle.

Featured on the concert will be the first public performance of the Littlefield Junior High Band, under the direction of Tom SoRelle. They will perform "A New Sound," "More Blues," and "Some Thursday."

Other music on the program will be "Krazy Klock," "Safari," "Beddown," and "Firework Music." "Caslight Gaieties," and "Room Dixie" will be played by the 100-piece Junior High Band.

The next step in the spot-

light with "March Juno", "Britannia", and "Toccata for Band."

The concert will be concluded with the Wildcat Band's performance of "March Onward", "Festivo", and "Overture in B Flat."

Immediately following the concert, a short Band Boosters meeting will be held in the auditorium. All Band Boosters are urged to be in attendance.

Admission to the concert will be \$1 for adults and 50 cents for students, or by presentation of a current Band Boosters' Membership Card.

Chamber Sells Follies Tickets

Littlefield's Chamber of Commerce is handling tickets for the Ice Follies--to be conducted in Lubbock April 1-5.

A special section has been reserved for Littlefield in the Tech Coliseum Thursday night, April 2, at 8 p.m.

The Chamber of Commerce will share the profits on the show tickets and reservations for the Thursday night show and a Saturday, April 4, children's matinee, must be in the C-C office by Friday, March 20.

Adult tickets are selling for \$3 and \$4--according to where the seat is located--and tickets for children under 16 years old are \$1.50 and \$2.

Reservations for the tickets "are coming in very slowly", said Chamber Manager Jim Kelly.

CHAMBER OF COMMERCE representatives will be wearing new jackets this year. President Jim Jones takes a look at his new Newport Red coat with the royal blue and white "Littlefield" shield. A royal blue tie will complete the ensemble.

Girl Scout Week Being Observed

National Girl Scout Week is being observed this week, March 8-14, and all Littlefield Girl Scouts will wear their uniforms to school today to celebrate the 58th birthday of the organization.

A "Girl Scout Fair" will be observed from 1 to 6 p.m. Saturday in the Old Knit Shop building near Holder's Restaurant, and will offer an opportunity to the public to become better acquainted with the Girl Scout program.

Exhibits detailing the Scout program will be set up, and coffee, Cokes and homemade brownies will be for sale during the fair.

The girls will conclude their observance of Girl Scout Week by attending Sacred Heart Catholic Church Sunday in a group.

To Fill Term

Herschel C. Randall has been appointed this week to the Planning Commission and Housing Standards Commission, by members of the city council. Randall will complete the unexpired term of a member who moved from Littlefield.

Randall will serve the two years left on the five-year term.

Farm Program Deadline Looms

Lamb County farmers have one week before the 1970 cotton and grain program participation sign-up ends.

Farmers are urged to sign their intentions with the Lamb County ASCS as soon as possible before the deadline. With only 50 per cent of farmers eligible to participate signed, this means the ASCS office will have to take 160 applications per day up to the cutoff date.

This year participants will receive entire payments in one lump rather than in two payments as they did last year. Payments are expected in July or as soon as all acreage is certified.

Littlefield Schools Await State Fund Assignment

The State Board of Education in Austin recently approved a local fund assignment of \$217,200,000 as the total amount which local school districts in Texas will contribute toward financing the 1970-71 basic Foundation Program.

"We are awaiting the assignment for Littlefield in the next few days," School Superintendent Paul I. Jones said Tuesday morning.

The amount is approximately 20 percent of the total cost of the Foundation Program, with the state paying the rest. The 61st Legislature set the local fund assignment at \$204,900,000, plus 20 percent of the cost of new programs approved.

The Board also approved an economic index for each of the state's 254 counties. The index determines the total contribution to be made by all districts in a county as their share of Foundation costs.

In turn, each district is assigned an amount based on its percentage of total tax valuation in the country.

Tentative indexes for counties were listed in a Texas Education Agency letter sent Feb. 10 to district and county superintendents throughout the state.

The economic index for every county is re-computed each year, based on the latest available three-year averages of assessed valuations, school population, and income.

Scholastic population data covered 1967-69. Other data were drawn from 1966-68, depending on category.

The formula for computing the index is weighted,

The greatest effect is produced by a county's income total, which has a weighting of 72.

County assessed valuation is weighted by 20. School population, with a weight of eight, has little effect on the final index.

The income total for each county includes values added by manufacturing, value of minerals produced, value of agricultural products, and payrolls from retail, wholesale, and service establishments.

Board Re-Hires All Teachers; Six Resign

Littlefield trustees re-elected all teachers presently in the school system's employ at a regular meeting Monday night.

However, a number of the teachers will not be with the system next year. Six resignations were accepted, effective the end of the present school term.

The six who resigned were: Mrs. Addie Abernathy, fourth grade; Mrs. Jewel Harris, third grade; Troy Carter, choir director; Miss Wilma Martin, Elementary II special education; Mrs. Jo Ann Jordan, counselor; and Maylon Smith, high school science.

In other action, the board set the date for opening of bids on insurance of buildings, fixtures and furniture for 7:30 March 23, and approved the monthly financial report.

MR. AND MRS. LARRY WELDON WISDOM

Becker-Wisdom Vows Solemnized

Mr. and Mrs. Larry Weldon Wisdom are now at home in Canyon following a wedding trip to Clovis, N. M.

Miss Linda Gail Becker and Larry Weldon Wisdom were united in marriage in a double ring ceremony at the St. Paul Lutheran Church of Levelland, Jan. 24 with Rev. A. L. Kline, pastor of the church, officiating.

Parents of the couple are Mr. and Mrs. A. J. Becker, Jr. of Sunizona, Ariz., and Mr. and Mrs. J. W. Wisdom of Littlefield.

Given in marriage by her father, the bride wore a formal-length gown of peau de soie highlighted with lace cutouts and long puff sleeves. The gown was fashioned with an empire waist and featured a chapel-length train of peau de soie edged in lace. The detachable train fell from the waist. Her shoulder-length veil of silk illusion was attached to a lace petaled crown.

Attending the bride as maid of honor was Karla Becker of Sunizona, Ariz., sister of the

bride. Bridesmaids were Sherri Muller of Lubbock, cousin of the bride, and Cheryl Keller of Levelland. Flower girl was Angela Becker of Slaton, cousin of the bride.

Serving as best man was Bobby Crittenden of Littlefield, nephew of the bridegroom. Groomsmen were James Crenshaw of Levelland, cousin of the groom and Wayne Monroe of Canyon. Ring bearer was Allen Wisdom of Levelland, nephew of the groom, and Carl Davis of Littlefield served as ushers.

Mrs. Wisdom is a graduate of Levelland High School and South Plains College. She is presently attending West Texas State University.

Wisdom also attended South Plains College and is a student at WTSU. He is employed by Sportsman Barbers in Canyon.

Olton Children Get Vaccine

OLTON--Almost 500 children in Olton, including preschoolers, were given the Rubella vaccine last week in a German Measles Clinic sponsored by the Olton Lions Club.

Immunization for 163 preschool-age children was provided by the Lions Club. Vaccine for 327 school children was furnished by the state.

Donations made to help finance the pre-school immunizations, were \$110.

Assisting Miss Leta Bell, school nurse, with registration for the clinic, early last month, were Mmes. Garland Rose, Noland Holland and T. C. Kennedy.

Darrell Morris, Regional Immunization Field Representative from the State Department, and Drs. C. E. Johns and O. H. Jones, administered the vaccine. Several high school students and Lions Club members also helped with the immunization program.

Supper Fetes Honor Students

ANTON -- Honor students were honored by the Cochran-Hockley County public school week Citizens committee with a buffet supper at Levelland High School Cafeteria Monday night. The program was presented by "The Chimes", a girls' singing group.

About 250 students from the two counties attended. Those attending from Anton were, Steve Roe, Sherry Herrin, John Cantu, Beatrice Garcia, Jessie Cantu, Gene Ann Herrin, Bill Moore, Judy Motl, Lorelle Biffle, Zita Hooper, Patriciae Byrum, Jeff Hobgood, Patti Stone, Bill Walthall, Mr. and Mrs. Sid Landers and Mr. and Mrs. Max Washington.

AUBIE McSWAIN

Revival To Begin At Baptist Church

Aubie McSwain, a former t.v. personality, movie star and night club entertainer will direct revival singing at the Littlefield First Baptist Church March 15-22.

Mart Hardin, Frederick, Okla., pastor, is evangelist in the revival that begins this Sunday. He has served as pastor of the Oklahoma church since 1961, and has been pastor at O'Brien and Merkel. A Texas Tech and Southwestern Seminary graduate, Brother Hardin participated in the '65 New Zealand Evangelistic Crusade and the Crusade of the Americas Revivals in '66.

Aubie McSwain is minister of music and youth at the First Southern Baptist Church at Del City, Okla. Before becoming a Christian in 1960, Mr. McSwain acted in many television westerns and starred in a movie, "Born to Swing," the story of a quartet that he organized named the "Four Mints."

The Four Mints sang in night clubs throughout the U. S., and during the height of their success, were fourth in money-making surpassed only by the Mills Brothers, Four Aces and the Ames Brothers. Finished with the glitter of night clubs and show business, "I have truly found success.... this is the best and only way. To live without God is not really living," he testifies as a Christian.

He is a native of Center and attended East Texas Baptist College in Marshall. Services are set for 7:30 p.m. Monday through Saturday. A "Noonspiration" meal will be

served in the basement Monday through Friday with Sunday morning worship at 10:30 following the 9:30 Bible study and the closing service will be at 7:10 Sunday evening.

Do Your Baking With Scout Cookies

With the annual Girl Scout Cookie Sale now in progress in Littlefield several good recipes, utilizing the cookies, have been submitted.

BUTTER FLAVORED
The Butter Flavored Shorties and Vanilla or Chocolate Cookies can be crushed and mixed with shortening to make wholesome and delicious pastry for pies such as custard, lemon, butterscotch, chocolate cream, etc.

These Girl Scout Cookies may, also, be used to line a mold to be filled with your favorite gelatin desserts.

The cookies are very good if topped with a marshmallow and dot of butter and browned quickly under a broiler.

COOKIES 'N FRUIT
Turn a 22-ounce can of cherry pie filling into 8-inch pie plate. Press 6 to 8 Butter Cookies lightly into surface.

Heat in 400 degree oven until bubbling, 15 minutes. Spoon into dessert dishes, with cookies on top of each serving. Serve warm with cream. Makes 4 to 6 servings.

KoKo Cookies are delicious with peach or pineapple pie fillings.

APRICOT WHIP
Using stewed dried fruit sweetened to taste 1/2 table-spoon plain gelatin, 3 table-spoons cold water, 1 cup hot apricot syrup, 3/4 cup crumbled Butter Flavored Cookies, 1 cup whipping cream, 12 stewed apricot halves.

Soften gelatin in cold water; add to hot syrup and stir until dissolved. Cool and chill. When slightly jellied and beginning to set, whip until light and fluffy.

Fold in crumbled cookies and whipped cream. Place the apricot halves in bottom of mold and stand Butter Flavored Shorties around the edge. Pour in gelatin mixture and chill until firm.

COOKIE SOUFFLE
Using Butter Flavored Cookies, 1 cup scalded milk, 12 cookies--broken, 4 egg yolks, 1/2 teaspoon vanilla, 4 egg whites, pinch of salt.

Pour milk over cookies, add well beaten yolks, and cook in a double boiler until thick.

Cool, add vanilla and stiffly beaten whites and salt. Put in a pudding dish in pan of warm water to bake for 35 minutes at 325 degrees. May be served with chocolate sauce.

MINT ICE CREAM
One can condensed milk (sweet), 1 pint cream (2 jars), 12-20 chocolate cookies --thoroughly chilled to make brittle.

Whip cream and add condensed milk slowly mixing well. Put mints in a paper bag or between two sheets of heavy oil paper and roll to crumbs. Stir these into the cream and pour into the tray of electric refrigerator.

When practically frozen, stir once more.

CHOCOLATE CREAM ICE BOX CAKE

One cup heavy cream, 1/4 cup sugar, 1/2 cup instant sweet cocoa mix or 1/4 cup cocoa and 1/4 cup sugar, dash of salt,

1/2 teaspoon vanilla, 12 butter flavored cookies.

Whip cream mixed with cocoa mix or cocoa and sugar, salt and vanilla until thick.

Spread some of the mixture on each cookie and put them together in a stack or roll, placing it on a platter or refrigerator dish. Frost outside with remaining chocolate cream.

Store in refrigerator 8 hours or overnight, then cut in diagonal slices about 1 inch thick. For Mocha Roll, add 1 to 2 teaspoons instant coffee to the cream mixture. Serve with chocolate sauce.

A good variation is to use plain sweetened whipped cream and when ready to serve, add a sauce of sliced strawberries.

DEAR EDITOR

What Our Readers Think

An Open Letter

Clovis, N. M.
March 3, 1970

Chamber of Commerce
Littlefield, Texas

Dear Sirs:

I am writing this in regard to your city and the most wonderful people in it and would appreciate very much for you to see that it is publicized.

Our son Carroll Bennett was taken ill on his way home to El Paso from Clovis, N. M., and had to be hospitalized in Littlefield Feb. 4, and had to spend 20 days there.

We want all the people of Littlefield to know how gracious everyone there was to us.

Dr. Still, who had his case and so ably worked with him, and the night nurses, Mrs. Jo Langford, Wanda Jenkins, Wanda Williams, John Aguilar and also all the day nurses that were so nice.

We really appreciate all the hospital force, and the waitresses and manager of Fishers Cafe in assisting us in getting blood donors.

All the men at the Police Station and Air Base thanks for offering

Enjoyed Campsite

March 5, 1970

Dear Sir:

Our Trailer club had the pleasure of camping in your city campground the weekend of Feb. 21 and 22. This is a note to express our appreciation for the wonderful hospitality everyone in your community extended our group.

We truly enjoyed our weekend in Littlefield and hope to return again soon.

Thanks again,
Eddie Ramsey

Back Your Servicemen

Bill Turner

I am writing this letter in a reply to several questions I was asked while I was visiting in Littlefield this past week.

I am in the United States Army. I have been in the service for about 14 months. I have been trained as a Medical Corpsman, and have worked in a military hospital for nine months.

For this period of time I have talked and worked with many Vietnam injured.

They have told me that while in Vietnam they felt they were fighting for freedom for Americans.

When they got back to the U. S. they found they did not have the backing they thought they did while in Vietnam.

The men going to Vietnam, from the hospital in which I worked as a medical Corpsman, did not want to go for that very reason.

The American people need to back their men all the way. They can protest all they want but that is not helping their influence with the American Soldier in Vietnam. What the people of America need to do is encourage the men in Vietnam.

They can write to them, send boxes of candy; just anyway to let them know they the entire American population is backing their efforts while they are over there.

You know that it is not their choice to be there but they are there and they want to know the United States is backing them all the way.

and also to your County Attorney, Curtis Wilkinson whom we have known since a child and to his sister, Ineta Denis of Olton for sitting and all those that offered their assistance in any way.

Thanks to all the Cafes where we ate for being so nice and the Crescent Park Motel in helping out so much.

We say thanks, and think you have a wonderful city and most gracious people.

From the family of Carroll Bennett, his wife, Dessie, son Bob, father, mother, sisters Dorothy Taylor, Evalene Hicks, Helen Ruth Robinson.

Mrs. C. K. Bennett

Lamb County Library

Littlefield, Texas

Dear Bill,

I want to thank you for the publicity the paper has given the library through stories and pictures. Thanks to your staff, the monthly book reviews in the Lamb County Library are being well received and enjoyed very much.

Many people did not know Littlefield had a library and through the Leader-News have found enjoyment and help for research papers.

I especially would like to thank Nilah Rodgers for her story on dyslexia. We had calls from other parents about this problem and one student in Littlefield High School, who had never heard of this handicap before the article came out in the paper, is doing a research paper on dyslexia now.

Yours truly,
Mrs. Jack Hicks.

Girl Scout Week

THE TIME IS RIPE for constructive and extensive improvement in our society.

Young people are the ones who will be active in changing our institutions.

ADULT CITIZENS of the community--as individuals or as members of local organizations and clubs--should involve themselves in helping youth redesign the nation nearer to a realization of the American dream.

Being aware of youth in a negative way is becoming a national adult habit.

Perhaps we should re-tool ourselves to be aware of the large percentage of youth-on-the-move who are seeking and learning constructive methods of achieving the changes so badly needed in our society.

GIRL SCOUTS of the United States of America is one organization that is teaching youth the positive approach to responsible citizenship.

For 58 years, good citizenship has been part-and-parcel of the Girl Scout movement. So have been the teaching and learning of enduring values--high standards to live by all one's life.

THE CONCEPT in THOUGHT and in action of service to others is also built into the Girl Scout program.

Across the country Girl Scouts of all four age levels are active in community service projects--finding a need and filling it.

"AWARENESS--ACTION" is the theme Girl Scouts of the United States of America, the world's largest girl youth organization, has chosen for the next three years.

During this Girl Scout Week, be aware of the active contributions the Girl Scouts are making in our own community and throughout the country.

To the approximately four million girls, men and women in Girl Scouting, we extend congratulations for Girl Scout Birthday, March 8-14, 1970!

THE ABUNDANT LIFE

A Winning Spirit

By BOB WEAR

IN THE MULTIFARIOUS experiences of life, many people never have a chance for victorious living because they do not possess the first prerequisite of victory. They do not have a winning spirit.

It seems that many splendid people never expect to succeed in anything, and, with this defeatist attitude, they usually fail.

A WINNING SPIRIT enables us to do the important things that should be done. We see the obstacles, we are realistic, but a winning spirit makes us strong. We are not invincible, but we never give up if the job needs to be done. We keep trying.

"The block of granite which is an obstacle in the pathway of the weak, becomes a stepping stone in the pathway of the strong." --Carlyle.

THIS IS THE SPIRIT which must animate us as individuals, as families, as groups and as a community. Too many people and communities are giving up.

This loss, by default, is perhaps the most ignominious human loss. What is worse than losing just because we stop trying?

WE MAY POSSESS all elements of victorious living, but if we do not have a winning spirit there is no hope for a satisfying life experience. We are like a stove with the fire gone out, or an engine with the steam all gone.

The desire to do is the principal element in a winning spirit. Certainly, we may fail in some things; we will fail in some times; but there will never be any appreciable success without the desire to succeed.

"The first essential of achievement is a desire to do."

THE GREATEST GOOD is realized when this winning spirit is correctly and closely related to all of the essentials of a wholesome life.

We must think that we are able to do what needs to be done, and act on this feeling with the highest degree of know-how, and guided by the greatest wisdom.

"To think we are able is almost to be so; to determine upon attainment is frequently attainment itself; earnest resolution has often seemed to have about it almost a savor of omnipotence." --Smiles.

PEOPLE AND COMMUNITIES become insipid when we accept defeatism, when we stop trying, when we no longer have a winning spirit. There are many people and communities radiant with life today just because they refused to give up.

WITHIN THE LIMITATIONS of good sense, and good judgment; we can do what needs to be done, and we can be what we should be. This is the spirit essential to meaningful living.

"You may be whatever you resolve to be, --Determine to be something, -- 'I cannot,' never accomplished anything; 'I will try' has wrought wonders." --Hawes.

WE MUST KEEP TRYING even after we have tried and suffered a temporary set-back. We are not defeated unless we stop trying.

The desire to do, plus the resolution to keep trying is a winning spirit.

A WINNING SPIRIT is appropriate to our origin, our purpose for being and our ultimate destiny.

DOWN TO EARTH

Cheating Society

BILLY SOL ESTES is eligible for parole.

The news stirs embers of memory and controversy over the West Texas agricultural manipulations of a few years ago.

One can still find a good argument in West Texas over whether Billy Sol was really a crook or simply caught in practices common to many others which could have made him a permanent fortune if things had worked a little differently.

THE FACT that Estes was a churchman as well as a wheeling and dealing political figure added a dramatic dimension to the picture. Since the days of Billy Sol Estes, America has been racked by scandal after scandal, involving dishonesty and cheating of epic proportions. We've developed the sophisticated term "credibility gap" to find a polite way to accuse governmental leaders of lying.

ONE HAS THE STRONG IMPRESSION that Diogenes of ancient Greece, wandering about with his lantern looking for an honest man, would have difficulty finding one with a church light in our current chaos of moral standards.

Americans are learning to cheat at a very early age.

Many teenagers have estimated that up to 90 percent of their classmates cheat in school, and many place value gradations on cheat-

ing, pointing to "serious ones" centered in final examinations and shrugging their shoulders over daily work which is copied and handed in as their own.

AMERICAN YOUNG PEOPLE have learned how to cheat from watching their parents tell white lies, and defend income tax deceptions and sharp business practices as necessary for making a living. The moral integrity of the western frontier centered in the idea that a man's word was his bond. That idea is fast fading into folklore.

THE COMMAND for Christians is exceedingly plain. Jesus says "let your yea be yea and your nay be nay" (James 5:12). Shades of gray fade into blacks and whites when it comes to telling the truth and living the truth.

No amount of sophisticated terminology or rationalization that a majority of the people do it are adequate defenses for cheating.

HONESTY IS A PRIMARY requirement for doing business, maintaining relationships, or having a viable society.

To ignore one of the basic Ten Commandments is to sow the seeds of America's downfall.

The way back to integrity is not through preachment or columns but through individual commitment to tell the truth and do the truth.

PAUL HARVEY

End Draft Now?

CANDIDATE NIXON during the campaign pledged himself to doing away with the military draft, promising to promote an all-volunteer armed force "when the Vietnam war ends."

One of his first acts as President was to create a commission of military manpower experts, instructed to study ways and means of accomplishing this end. They did,

AFTER A YEAR of study these specialists reported to the President that we can and should abolish the draft and establish an all-volunteer military force "without necessarily awaiting the end of the Vietnam war."

But then, no sooner is this recommendation placed on the President's desk than it is contradicted and apparently countermanded by two or three individuals in government and the Pentagon. Now what?

WHEN AN ELECTED LEADER gets himself in trouble on some sensitive issue, it's political SOP to "name a committee" or "a commission" to "investigate it."

This allows for a protracted delay in the decision-making process and diverts public pressure.

I DO NOT BELIEVE that President Nixon's naming of a blue-ribbon commission to contemplate ending the draft was "a political gesture." I believe the President sincerely desires--and for more than just political reasons--a prompt return to our nation's civilian tradition.

He selected a former secretary of defense, Thomas Gates, to head the study group. Its staff studied closely the experience of Great Britain and discovered "the fully volunteer force much more productive because of lower turnover and the superior performance of more experienced servicemen."

BRITAIN HAD DECIDED in 1957 to withdraw from all commitments

A WOMAN'S VIEW

More About Elijah

By PEARL BRANDON

WE HAVE HAD A LOT of discussion on Elijah since I wrote about him a few weeks ago...of how he fled into the wilderness and fell asleep under the juniper tree and the angel came and administered unto him.

This same story tells of how Elijah was still confused even after a long sleep and being cared for by the angel. The Bible says, "he arose, and did eat and drink and went on the strength of that meat forty days and nights". And still he was confused!

HE FINALLY CAME to a cave and lodged there, still trying to understand what had happened.

You remember in the story the Lord told him to go stand on the mount before the Lord and when he did the Lord caused a storm to pass by.

It was a big storm, "A great and strong wind rent the mountains and brake in pieces the rocks before the Lord"...but the Lord was NOT in the wind.

After that an earthquake came but the Lord was NOT in the

earthquake...and then a great fire but the Lord was NOT in the fire.

AFTER THE STORM, the earthquake and the fire, the Lord came to Elijah in a "still small voice."

Many times in the storms of life we grow panicky. Once I read a story about a woman who was deathly afraid of thunder and lightning.

One day when a black cloud was approaching she fell across the bed and started praying for the cloud to go away.

While she prayed she fell asleep and when she awoke the storm had passed over and she was safe.

THE LORD ANSWERS our prayers in many ways. He don't always make the storms go away or cause us to sleep through them, but the Lord gives us strength to FACE them.

We are fearful when we see the approaching black cloud. When this happens we need to go deep within ourselves and listen for the "still small voice."

"Be still and know that I am God", saith the Lord.

MARRIAGE

Continued from page 3... recorded and sent to the county clerk. Only one marriage was voided in Lamb County in 1969.

Once a marriage is completed by a judge and recorded by the county clerk, the marriage is complete and the legal contract, and is regarded by most couples as final.

Simple as it is, the marriage contract is the most binding and comprehensive in the law. It can be voided by payment of a bonded term or completion of agreed performance. A marriage can be annulled only in the courts, and only one of a fairly large number of Texas divorce grounds are available to the parties to a divorce to terminate a marriage.

Divorce is simple but parties seek it are no children, but is somewhat unusual. Divorces include arrangement for custody of children, distribution of community property and frequently financial arrangements for the children. Texas law provide for alimony to a spouse who has no children.

A minimum of one year is required for a divorced person to be remarried, except to a spouse who granted the divorce. An altar-bound divorcee are crossing rivers into Oklahoma.

Texas' new six-month period after a divorce from a state authority separates could get in trouble return to Texas if either spouse file charges.

Essentially, marriage is an emotional contract, annulment usually involves emotional.

Happily, most men even in today's altered circumstances, carry terms of the agreement until death do us part while the comparative periods where the divorces seem to approach marriage rate, in Lamb County licenses to hold a healthy lead over action.

Last year divorces over the period a year marriages were down. There were 169 more Lamb County divorces in '68. Fifty-four were granted last year compared to 46 granted before.

Lamb County has been marriage licenses of the with the first license in 1910. County records G. T. Galloway and were issued the first license on Dec. 25, 1910.

'Lite A Bike'

Week Sched

Littlefield Veterans Foreign Wars and the Ladies Auxiliary are combining efforts in carrying out Preston Smith's "Lite A Bike Week", set for March 13-14.

The organizations are every child to bring their own bicycle to the Community Center a.m. Friday, March 13.

Reflective tape will be bicycles for safety. According to Stella, "We have kits for 500 bicycles and we feel this will be of all the bicycles that brought to the Center."

A bicycle parade will be given to the girl with the best rated bicycle in the Littlefield police station. Under firemen will be the VFW and Ladies Auxiliary in the day's events.

HOMINY GRITS

By CORNBALL BLEVINS

"JA EVER HAPPEN to be left holdin' the tail of a mad bull?--Well, that's one place that discretion's better than valor. --Sure better have a fence handy to jump over when you turn loose of that bull's tail!

That is precisely what happened to our president, he's been left holdin' that tail, after the bull's been turned loose.

EVERYBODY'S HOLLERIN' for him to commit himself on the integration question, and he ain't ready to answer!

Trouble is, ain't nobody happy with the deal. The Negro, while seeking freedom, has found himself in the same boat with the white--the victim of force!--He can't attend the schools of his choice, he must be bussed across the county to attend a school selected for him by a dictator.--He ain't happy.

The white, while in the same predicament, is gripin' "If it's good for the south why ain't it good for the north?""--The Tennessee governor, a white back, rented a whole tv network to air his feelin's on this subject.

YET, MR. NIXON ain't talkin'-- Can't say I blame him, anything he says is gonna be wrong!--When you step into a family fight, chances are you'll wind up with both parties beating YOU up, then walkin' off arm in arm!

I've made this statement before, that I don't envy the president, and I haven't changed my thinkin' yet! --He DOES have my sympathy, I still feel that he's a victim of circumstance, after all, 'twasn't him that got that bull all riled up!

THE REALLY BIG thing that's happened is, that all of us have lost another facet of our freedom. --(They're goin', fast.)

Nonetheless, I guess that if we don't have gumption enough to resolve our own problems, Big Brother is more than happy to take over. --Should re-teach us the lesson, that if Sam is gonna furnish the dough, he's gonna run the show!

I'M SURE that Mr. Nixon will speak up when he feels the time is ripe, meanwhile, I'm equally as sure, he's holdin' onto that spinnin' bull's tail and keepin' a weather-eye on the nearest fence!

NOTICE

STATE OF TEXAS,
COUNTY OF LAMB,
this 12 day of January,
the Board of Trustees of
the Independent School
District convened in Regu-
lation, open to the public,
the following members
present: Werner Birkelbach,
President, Pat Downs,
Bingham, Bob Roden,
Barton, Wayne Streety,
Fleming Newton and the fol-
lowing: None constituting
quorum and among other pro-
cess had by said Board of
Trustees was the following:
RESOLVED, the term of of-
fice of Jack Barton and Pat
Downs members of the Board
of Trustees of this School Dis-
trict shall expire on the first
day in April, 1970, said
day being April 4, and on
said date a trustee elec-
tion will be held in said
District.
RESOLVED, it is necessary
for the Board to pass an order
changing the procedure for
conducting said election;

scribed place for absentee
voting is also the absentee
Clerk's mailing address to which
ballot applications and ballots
voted by mail shall be sent.

5. The manner of holding
said election shall be governed,
as near as may be, by the
Election Code of this State,
and this Board of Trustees
will furnish all necessary
ballots and other election
supplies requisite to said
election.

6. Immediately after said
election has been held, the
officials holding the same shall
return to the president of the
Board of Trustees in a sealed
envelope a copy of the returns,
poll list and tally sheet for
said election, and this set of
election returns shall be used
by the Board of Trustees in
canvassing said election.

Another copy of the return,
poll list, and tally sheet of
said election shall be delivered
to the president of the Board
of Trustees in an unsealed
envelope and this envelope
shall be available in the office
of the superintendent open to
inspection by the public for
60 days from the date of the
election.

7. The presiding judge for
said election shall return to
County Clerk of Lamb County,
Texas, immediately after the
votes have been counted the
ballot box containing the
voted ballots and all other
election supplies and said
ballot box shall be preserved
and kept in accordance with
the terms and provisions of
the Texas Election Code.

8. The Board of Trustees
shall give notice of said
election, and this combined
Election Order and Notice
shall serve as Notice for
said election. The President
of the Board of Trustees is
hereby authorized and in-
structed to post or cause to
be posted said combined
Election Order and Notice
at three public places where
notices are customarily
posted in this school district,
and said posting shall be
made at least 20 days before
the date of said election.

The President shall also
cause a copy of this combined
Election Order and Notice to
be published one time in a
newspaper of general circula-
tion in the county where this
school district is located. Said
publication shall be not more
than 30 days nor less than 10
days before the date of said
election.

9. It is further found and
determined that in accordance
with the order of the Board
of Trustees the Secretary
posted written notice of the
date, place and subject of
this meeting on the bulletin
board, located in the admin-
istrative office, a place
convenient to the public,
and said notice having been
posted and remained posted
continuously for at least 3
days preceding the date of
this meeting.

It is further found and
determined that this district
is located in Lamb County
and that written notice of
the date, place and subject
of this meeting was furnished
to the County Clerk of each
county in which this district
is located and that said
notices were posted by the
County Clerk of each of
said counties on the bulletin
board at the door of the
county courthouse for said
county, a place convenient to
the public, at least 3 days
preceding the date of this
meeting. The returns of
said election shall be
attached to the minutes of
this meeting and shall be a
part thereof for all intents
and purposes.

The above order being read,
it was moved and seconded
that the same do pass. There-
upon, the question being called
for, the

following members of the Board
voted AYE: Warner Birkelbach,
Buddy Bingham, Wayne Streety,
Bob Roden, Jack Barton, Pat
Downs, Flannery Newton and the
following voted NO: None.

Lamb County Needs Conservation

About two-thirds of our
state's land still needs soil and
water conservation treatment,
Joe Blevins, Lamb County SCS
said.

Blevins said that although
many critical conservation prob-
lems have been solved there
are many acres in Lamb County
that still need conservation
treatment, and most of this land
needs some conservation every
year--especially cropland.

Texas has 25 million acres
of dry cropland, 7 million acres
of which need protection with
cover crops or crop residues.
Some 5 million acres need ter-
races, diversions, or water-
ways as well as cover from
residues or growing crops.
Out of 8.3 million acres of
irrigated land, 3.7 million acres
need an improved irrigation
system to prevent erosion or
water loss.

resounding reasons why you should buy a new Chevrolet instead of a new something else:

- 1 Higher resale value.** Year after year. No other car in Chevrolet's field gives you as much back on your initial investment.
- 2 Deep down value.** Exclusives like flush-and-dry rocker panels and an extra set of fenders keep Chevrolet looking good longer.
- 3 Smooth, smooth ride.** Because of Chevrolet's computer selected springs, Full Coil suspension and advanced body mounting system.
- 4 Impressive styling.** The impression is that it's an expensive car, if you want to make an impression.
- 5 Massive interiors.** Result? Room to stretch out or to sit tall. Chevrolet has more front leg room than any other car in its field.
- 6 Side-guard beams.** Chevrolet puts more between you and the outside. Steel beams built into every door.
- 7 A finish that lasts.** It's unfortunate other cars in Chevy's field don't have a Magic-Mirror finish because it sure keeps its shine.
- 8 Exceptional engines.** Chevrolet's standard 350-cubic-inch V8 runs on regular fuel. Plus there are five more engines available.
- 9 Tremendous selection.** Of colors. Of accessories. Of engines. Of transmissions. Of fabrics. And of models. There are nine big Chevrolets alone.
- 10 America's favorite.** Something a new "something else" can't claim. If actions speak louder than words, doesn't this say something to you?

Cast Readies For 'Mouse That Roared'

"The Mouse That Roared", the 1970 All-School play, will be presented at 7:30 p.m. Mar. 13 and 14 in the high school auditorium. Admission will be 50 cents for students and \$1.00 for adults.

The play is a comedy about a small country, Grand Fenwick, that declares war on the United States. The Duchess of the country, Gloriana, is worried about her country's increasing bankruptcy and as her solution, she proposes to declare war on the United States!

From her recent study of the great nation, she has learned that when the United States loses, it is very apt to pour aid to the vanquished country. So, she sends Tully Bascom, a for-

est ranger, to lead the Fenwickian Army into battle. And, to her great surprise--they win the war! This presents more problems for both countries. The oddity and impossibility of the situation in this play makes it a very comical production.

Unlike last year, the same cast of characters will perform both nights. The play cast is as follows: Gary Garrison as Tully Bascom; Monte Trotter as Mountjoy; Lynn Barton as Benter; Mark Jordan as Secretary of State (Mr. Beston); Steve Owens as Professor Kokintz; Wayland Hutto as President of United States; Jerrel Haberer as General Snippet; Danny Short as Will Tatum; Allen Hobratchsk as Tom Mulligan and Robert Rodriguez as the announcer.

Marilyn Price, Carla Grimes, Jane Nowlin and Sharon Parrott are tourists; Ann Hopper plays Ann; Jan Christian is the page; Geoffrey Grizzle, Gloriana; Tonya Bingham and Billie Richey, ladies in waiting; Evah Tucker, Miss Johnson (Secretary to Secretary of State); Juanita Samaniego, Miss Wilkins (Secretary to the President).

Mary Davidson and Kathie McBride are the General's daughters; Debbie Steffey, housekeeper to Kokintz and Elaine Graves, Mrs. Bascom. There will also be four soldiers and four students.

The cast worked frequently for the production of this play.

THE ALL-SCHOOL play cast is all smiles waiting for their opening night. "The Mouse That Roared" will be presented March 13-14 in the high school auditorium. 1st row, l to r: Dave Jordan, Kerry Nicholas, Glen Short, Tonya Bingham, Billie Richey, Janna Gilbert, Sharon Parrott, Marilyn Price and Juanita Samaniego. 2nd row, l to r: Evah Tucker, Sally Davidson, Allen Hobratchsk, Lynn Barton, Mary Davidson, Kathie McBride, Dena Reast, Ann Hopper, Carla Grimes and Debbie Steffey. 3rd row, l to r: Marty Mangum, Ronny Chaney, Gary Garrison, Bob Grissom, Danny Short, Mark Jordan, Jerrel Haberer, Steve Owens, Monte Trotter, Jane Nowlin, Elaine Graves and Rita Munger.

Band Rates High At Solo And Ensemble Contest

Approximately 60 LHS band students traveled to Plainview on Saturday, Feb. 25, to compete in the UIL Region XVI solo and ensemble contest at Wayland Baptist College.

Time Out For Sports

The Littlefield High Volleyball team scored another victory against Hereford.

The varsity won both games scoring 13-11 as time ran out in the first game and 15-9 for the second game.

Junie Gray scored 11 points for the evening.

The Littlefield JV lost their first game 13-7 when time ran out. The girls came back to win two straight, 15-13, 15-3.

Iris Oberlechner scored the most points totaling 15.

The Littlefield Wildcat track team dominated the Wildcat Relays with a total of 108 points to win the first place trophy.

Leonard Huey placed first in the 100-yard dash with a time of 10.4. He also placed first in the 220 with a time of 23.0.

Calvin Kilby placed third in the Shot Put with a toss of 44' 5". He also placed second in the Discus with a throw of 123' 3".

Charlie Holt placed third in the Pole Vault with a vault of 11' 6".

Littlefield placed second in the 440 Relay with a time of 45.5. The boys also placed second in the Mile Relay with a time of 3:35.8.

Steve Owens placed second in the 330 Intermediate Hurdles with a time of 42.6.

Lee Roy Danford placed fifth in the long jump.

Levelland placed second in the track meet.

CHIEF LIBRARIAN

Chief keeper of the Vatican library, Cardinal Giuseppe Caspar Mezzofanti (1774-1849), could translate 114 languages and 72 dialects, and spoke 60 languages fluently.

Evah Tucker Crowned Football Queen

Tuesday night, Evah Tucker was crowned football queen at the annual Quarterback Club Football Banquet.

The candidates for the honor were escorted by the tri-captains of the Wildcat football team for the 1969-70 season. Evah was escorted by Steve Owens, Diane Maner by Eddie Hickman and Dianne Perkins by Monte Trotter.

Frosty brown hair and sparkling gray eyes best describe Evah. She is active in Kat Klub, National Honor Society and is working on the all-school play. While sewing or knitting, Evah likes to listen to Creedence Clearwater Revival.

Evah was recently elected class favorite of the senior class.

Diane Maner has red hair and anything yellow will set her blue eyes aglow. She likes Neil Diamond, Tom Jones, running around, sewing and cooking. Diane has been a cheerleader for the last three years and is presently serving on Student Council.

Dianne Perkins has brown hair and brown eyes. Her hobbies include water and snow skiing. The songs of Johnny Rivers will set her foot tapping or bring a tear to her eye. Beef stew ranks as Dianne's favorite food. Her activities include band, Student Council, National Honor Society, annual and cheerleading. This summer Dianne hopes to qualify for the Lion's Club Exchange Program tour which will last five weeks.

EVAH TUCKER, senior, was crowned 1970 Football Queen at the Football Banquet, March 3. Her admirers include tri-captains: Steve Owens, Monte Trotter and Eddie Hickman.

"PLEASE, PAT, let me have it," begs Jan Christian as she and Pat Boone battle for a cake at the Bake Sale, March 5. The cake was finally sold to Pat for \$22.75.

High Priced Cakes Sold At Auction

The Student Council Bake Sale will be held March 21.

The cakes sold for various prices, mostly around \$10.00 each. Mr. Bitner bought the first cake of the auction for \$20.00.

Pat Boone did better than that. He bought a cake for \$22.75, which was the highest priced cake sold.

FTA-PTA Give Coffees For Teachers

The Littlefield Future Teachers of America presented the LHS faculty members with an early morning coffee. The coffee was held during Public School Week, at 7:45 a.m. Wednesday, March 4 in the home-making lounge.

Jan Christian, president of FTA, greeted the guests while Kelly and Margaret Fain served sweet rolls, sausage tidbits and coffee. Most LHS teachers were present.

High School PTA treated high school faculty Thursday morning.

Primary-Elementary PTA members honored primary-elementary faculty members with a coffee at the home of Mrs. Rhea Bradley. The coffee was from 9 to 11:30.

Most Texas schools were open all week for visitors and parents of the students. Schools were closed Friday, as teachers were in Lubbock attending the District TSTA meeting.

THESE BOYS WERE HONORED as 1969-1970 outstanding football players at the Quarterback Club Football Banquet. They are, from left to right, front row, Jerrel Haberer, outstanding offensive lineman; Dennis Hartley, Most Valuable JV player; Charlie Holt, outstanding offensive back. Back row, Monte Trotter, outstanding defensive lineman; Eddie Hickman, fighting heart award and Steve Owens, outstanding defensive back.

Hinds Leads Learn-Live

Tuesday, March 3, the Littlefield representatives for the Learn and Live Program, went to Lubbock to participate in the second round of the Department of Public Safety sponsored program.

The Littlefield team led by Charlotte Hinds met a strong opponent in the team from Plains. They came out on the short end of the score 150-45. Other members of the team were Meloni Brantley and Wayland Hutto.

Miss Hinds scored the second highest number of individual points, scoring 50.

On April 24, the members of the Littlefield team, as well as all other teams that participated in the program will attend a banquet at the Koko Palace, in which all awards for appearing on the program will be presented. The Littlefield team will receive a trophy for their first round victory over Coronado High School.

"The Computer Mate Selector says you are one of four million girls suited for me!"

Enjoyment Added By Music

Webster defines music as "the art of combining tones to form expressive compositions."

Our music department, band and choir, of LHS tries to do this very thing. Mr. Troy Carter, choir director, said that "Choir is to teach to interested students, the basic techniques of voice--how to use it, take care of it, and develop it."

Mr. Phil Anthony, band director, gave the purpose of

band as "To give each student a solid musical background through the performance of music, and to develop a sense of individual and group responsibility."

Mr. Carter received a Bachelor of Music Education from the University of Southern Mississippi.

Choir students are not graded on their ability, but how they develop their own capabilities. Anyone with the ability to sing

but does not use it will not make as good as the one who does use it.

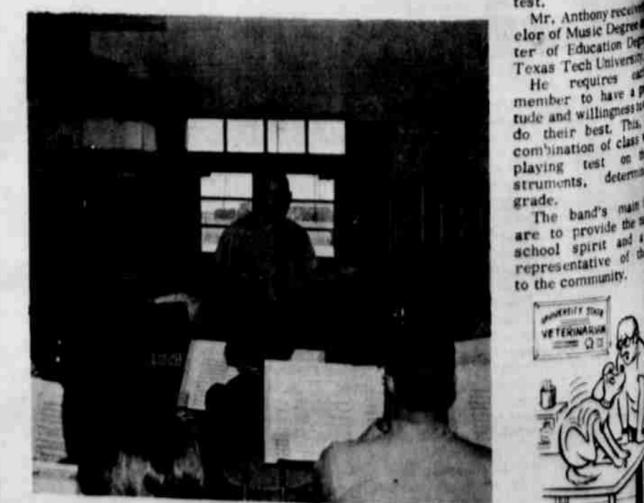

The Dirty Dozen folk music group from pella Choir, is a small group is needed an entire choir.

The choir performs public concerts, civic organizations, UIL, regional and state UIL solo and ensemble test.

Mr. Anthony received a Bachelor of Music Degree from the University of Texas Tech University.

He requires each member to have a positive attitude and willingness to do their best. This combination of class playing test on instruments, determined grade.

The band's main purpose is to provide the school spirit and a representative of the school to the community.

MR. PHIL ANTHONY, LHS Band Director, listens carefully to the sound of his band. This is an important organization in the music department.

The LJH Stage Band made its premier per-
formance at Honors Assembly on Tuesday, and
I must say, "WE WERE GREAT!" Tonight is
the Spring Band Concert at 7:30 p.m. in the
Junior High Auditorium. The Junior High and
High School bands will present their contest
numbers, Let's everyone attend.

The Junior High band is on the move again
Saturday. They will be going to the annual Music
Festival at Hale Center.

Congratulations are in order for PAT GLAZ-
ENER and CHERYL CARTER for being added
to the high school volleyball team. This is cer-
tainly quite an accomplishment, and we're all
very proud of you.....

GRACIOUS. How many of us know the mean-
ing of gracious?? This was passed on to me
last week, and I thought it worth sharing with
you.

"Most all of us would like to be gracious,
for we realize that this precious attribute is the
passport to many of the things we yearn for—
admiration, respect, love, and happiness. It
is a mistake to think that gracious people are
born that way or that being gracious de-
pends entirely on one's upbringing. Gracious-
ness is an acquired trait, as readily acquired
as good manners—which constitute an impor-
tant part of it. It is a personality art, but un-
like most arts one need not have a special
talent for it. Only the desire to be gracious,
plus thoughtfulness and practice are required.
The key to the art is the Golden Rule—
applied so consistently that it becomes almost
instinctive. It is a matter of treating others
the way you would like to be treated—not be-
cause it is the diplomatic thing to do, but be-
cause you want to treat them that way. It is
pretty much a self-taught art. You observe the
behavior of the most gracious person you know,
and emulate his or her example until gracious
behavior becomes characteristic of you, too."

HAVE A GOOD WEEK!!

AMHERST

Mrs. Lester LaGrange 246-3336

MRS. LESTER LaGrange was
brought home by ambulance Sat-
urday afternoon from the Meth-
odist Hospital in Lubbock. Mrs.
Allan White had taken her to
Lubbock Airport Feb. 27 to meet
her son, Lester Jr., of New York,
who was in Dallas on business
and had come for the weekend.
Shortly after 5 p.m. they were
caught in turbulent weather on
Loop 289 outside of Littlefield.
An accident occurred on the
rain-slick road. The victims
were taken by ambulance to
Amherst Hospital and doc-
tors sent them on to Methodist
Hospital in Lubbock. Mrs. White
suffered a broken wrist on one
hand. Her other arm and both
legs were broken. La Grange
had a broken pelvis and is in
traction. Mrs. LaGrange had
two broken ribs, a broken knee
cap and all three had head lacera-
tions. Mrs. LaGrange Jr. flew
from New York to be with her
husband in Lubbock.

MR. AND MRS. T. J. Wil-
liams and children visited her
mother, Mrs. F. M. McArthur,
during the weekend.

MRS. A. B. Carter's piano
pupils who presented the piano
ensemble at the Littlefield Jun-
ior High school auditorium Sun-
day afternoon were Kathy and
Sharlyn Patterson, Craig and
Pam Holland, Gaye Weaver,
Mandy Coffey, Lana Weaver,
Teresa Templeton, Jay Reel,
Denise Ferguson, Ronnie Bur-
ton, Janice Lee and Judy Miles,
Lisa Garland and Cindy Huber.

Rattlesnake Roundup Set

The world's most unusual sporting event is scheduled for March 13, 14, and 15, in Sweetwater.

The 12th annual Rattlesnake Roundup, the world's largest, is expected to draw hunters and spectators from throughout the world.

Last year, nearly two tons of rattlesnakes were registered during the three-day event. Several foreign hunters were involved in the hunt which yielded 4,000 live rattlers for 3,400 pounds of danger.

The annual hunt, sponsored by the Sweetwater Jaycees, features the live snake display in the Nolan County Museum.

Registration for the gins at 10 a.m. Friday, March 13, in the Nolan County Museum.

A Job Well Done!

It Started
In 1912 . . .

Scouting had its origin in England soon after Baden-Powell founded Boy Scouting in 1907, but did not start in America until 1912. Mrs. Juliette Low, an English widow of an Englishman, was instrumental in the boom of the Boy Scout movement in America. She was a good friend of Lord Baden-Powell. She determined that not only boys but girls as well should have this training, and to work immediately upon her return to America. From her first troop of 12 girls, Girl Scouting has grown to a world-wide movement which boasts 3 1/2 million members in the U.S. alone!

GIRL SCOUT LAW NO. 1

"A Girl Scout's
honor is to be
trusted . . ."

In words, these, but how important. In times in the world's history there is a real need for girls who tell the truth and keep their promises. We commend the Girl Scouts.

LHS Volleyball Fems Take One Out Of Three

THREE LEVELLAND defenders jump to block a Vollena Francis spike. Sandra Carter and Lisa Volpe stand by to assist in case the ball falls to their side.

IN B TEAM action, Linda Hill "digs" a Levelland serve as Luanne Lucas moves back to cover.

The girl Volleyballers of LHS lost their cool against the Levelland Lobos Monday night to come home with one win out of three. The freshman team was the only one to pull through with a win.

In the freshman game, Pat Glazener, Cheryl Carter and Linda Williams led the girls to a two game win over the Lobos. The first game score was 15-7.

In the second game, as second string players kept being put in, the Cats came out on top 15-13.

Miss Glazener and Miss Carter scored eight points each for the night while Miss Williams added seven for the wins.

In the varsity game, the female Cats bombed one serve after another to kill their own strategy.

The first game score was a close 15-17 while the Cats took their second game 15-10.

The Lobos proved to be the better team though as they came out of the third game winning 15-8.

Lisa Volpe gave the Cats the majority of their scores making 11 of the 38 points scored that night.

The junior varsity failed to do much better as they got stopped in two games straight.

Levelland took the opener 15-10, and again, not connecting on serves, killed the Cats. They also took the second game, a little harder though, 15-13.

Out of 23 points made for the Cats, Carolyn Gray scored seven while Doris Ashley made five.

Tomorrow night the home team takes on Colorado City in the Wildcat gym, with the freshmen starting at 4:30.

BASEBALL PRESIDENTS Bob Bromlow and Gene Pratt look over basketball tournament trophies.

Coaches, Area Cage Stars In Invitational Tourney

Area basketball coaches, high school and college cage stars and title holders will be participating in the invitational basketball tournament here Thursday, Friday and Saturday.

Proceeds from the Coca Cola-sponsored tourney go to the Littlefield Babe Ruth and Little League summer programs.

Jim Curtisinger, Little All-American from West Texas State University, and Lewis Sessums, Amherst coach, will lead Amherst Butane in the Amherst-Coston 66 opener at 5 p.m. Thursday. Travis Danford and Vernell Kemp, former LHS athletes, will pace Coston's.

Jerry Durham, Whitharral basketball coach who starred at ENMU, and Jerry Williams, who played for Sayre, Okla., Junior College will head Littlefield Coca Cola against Lubbock Coke at 6:30 p.m. Thursday. Ronnie Hill, former Sudan High star who made All-South Plains, will guide the Lubbock team.

Jim Upton and LHS coaches Jim Jefferies and Lyndon Gathright will head Interstate Financial House when they meet Sudan's Nix Implement at 7:30 Thursday night. The Sudan team is paced by Duane Gray and Joe Bellar.

Former Harlem star Sam Garrett and Morton High basketball coach Ted Whillock guide Morton in an encounter against Plainview at 9 p.m. Thursday. Sherman Ray and Joe Beavers, who played for Wayland, will be at the Plainview helm.

Price of admission will be 25 cents for students and 50 cents for adults.

Finals begin with consolation play at 6 p.m. Saturday. The third place playoff follows at 7:30 and the championship game is set for 9 p.m. Trophies will be presented for first, second, third and consolation, and a teammanship trophy and first and second all-tournament trophies will be presented to the sponsor.

H & M Fabrics Feature Quality Materials

H & M Fabrics has a complete line of all sewing accessories and quality fabrics, including as many 100 per cent cotton fabrics as they can get. The winter clearance is in full swing and 60-inch woolsens that sold for \$6.98 a yard are now \$3.98. One table of fabrics has been reduced from up to \$2.98 a yard to \$1.

H & M has a full line of wear-dated bonded acrylics that are machine washable and guaranteed for one full year. All fabrics at H & M are guaranteed to do whatever the bolt says they will do.

Spring fabrics are arriving daily. Hazel Hopper advises those wanting her dressmakers to sew their Easter outfits for them to come in early. At H & M, customers can choose their fabrics, patterns and sewing notions, then have their measurements taken and leave their dressmaking to seamstresses Mrs. Bud Vann or Mrs. Jap Anderson. These two ladies sew for the public in the sewing room at H & M where it is convenient for persons to come by for fittings. Dressmaking charges depend on the detail of the pattern.

McCall's, Simplicity, Modes Royale and authentic patterns from the Western Fashion Collection are available at H & M. H & M also has stretch material for western wear. Notions include Coates and Clarks thread and zippers, a complete line of La Mode buttons, trims, braids, ruffling and laces.

H & M is a Singer dealer too, offering Singer sales, service and repairs.

Small gift items can be found here too, such as baby shower items, hose, scarves and scarf rings. Hand-crafted items made by students in the satellite program for retarded children are displayed at H & M. Mrs. Hopper sells crafts made by the students without any profit for herself.

Mrs. Hopper has been operating H & M for two and one-half years. The Hoppers live two miles east of Spade where Travis farms. They have two daughters, Linda and Brenda, who attend school at Spade. The Hoppers are avid basketball fans, and fishing, boating and skiing is a family affair.

Lily Days To Begin Thursday

The annual Texas Football Boys' Lily Day for Crippled Children in Littlefield will be held Thursday and Friday, beginning at 3 p.m. each day.

Members of the Littlefield Wildcats Football team, led by Coach Deverelle Lewis, will be stationed on streets downtown to pin Easter lilies on lapels of shoppers.

Football players conducting the sale will be identified by the Easter Seal coin canisters they will be carrying.

Bob Lilly, defensive tackle of the Dallas Cowboys football team, is serving as State Chairman for the Football Boys' Lily Day for Crippled Children in Texas.

The Easter Seal Appeal is conducted by the Easter Seal Society for Crippled Children and Adults of Texas, which last year provided treatment and services for 20,591 crippled children and adults in Texas.

Ninety percent of the funds contributed during the Easter Seal campaign remain in Texas to finance rehabilitation services for handicapped Texans. The Easter Seal Society annually spends more money for direct services to the handicapped in Texas than is collected in the Easter Seal Appeal.

Wildcats Take Honors At Relays Saturday

Flying Wildcat team honors at Littlefield Relays Saturday, rolling up points in every event.

Calvin KILBY shows his shot put form in the Wildcat Stadium Saturday. Kilby took shot put and second in discus.

MIKE Parsons broke his own Wildcat record Saturday by four seconds. This champion set a 4:42.4 mark.

ALAN Mackey takes a handoff in the freshmen of the Wildcat Relays. Littlefield freshmen led in both relays.

showed Littlefield with 108 points, followed by Levelland with 95, Slaton and Tulia with 84 each, Brownfield with 56, Olton with 46 and Muleshoe 20. Brownfield overshadowed all

CHARLIE HOLT spirals 11' 6" to win third place for Littlefield in the Wildcat Relays here Saturday.

STEVE OWENS took second in the 330-intermediate hurdles with a time of 42.6. Owens ran a 42.5 in the preliminaries.

CHARLES CARTER holds the first place team trophy the Wildcats won Saturday with 108 points. On the left is Ralph Funk and Wendell Horn is front right. Littlefield freshmen won second in the frosh division with 85 total team points.

century in 10.4 and the 220 in 23 seconds flat.

With Huey the only Wildcat first placer, it took a strong showing of seconds, thirds, fourths and fifths for Littlefield to capture the meet trophy. Calvin Kilby won third in the shot put and second in the discus, Charley Holt was third in the pole vault, Steve Owens was second in the 330-intermediate hurdles, and Wildcat relay teams were second in both the 440 and mile.

Individual star of the meet was Mike Gleason of Tulia, who won first in the long jump, high jump and both hurdles.

Gleason's 20-6 long jump broke the relays record of 19-6.

Other records falling were in the pole vault, where Jimmy Rogers went 12-1 to break the old standard of 12-1/2; in the mile, where Olton's state runner-up in 1969, Mike Parsons, won in 4:42.4 and bested his own 1969 record of 4:48.1; and in the mile relay, where Levelland's team raced to a 3:33.3 clocking to better the 3:38.0 mark set by Littlefield in 1969.

The Wildcat mile relay team was second in the event, posting a 3:35.8 and also beating the old record.

In the Frosh division, Littlefield relied on a host of runner-up places to win second in the overall meet.

Best showings were by Jerry Cox, second in the discus; Alan Mackey, second in the 440; and Jess Davila, second in the mile run.

Complete results in both divisions:

\$1,000 Match Highlights Card At Sports Arena

A \$1,000 challenge match between The Destroyer and Mr. Wrestling will feature the wrestling card at Littlefield Sports Arena Saturday night. If Destroyer can get a fall in 10 minutes or less against Mr. Wrestling, he can claim the \$1,000 put up by Mr. Wrestling.

Other matches Saturday night will pit The Beast against a rising newcomer, Sal Dominges, and Billy Spears against another new face to the area, Bobby Lane.

Matches start at a new time, 9 p.m., and doors open at 7:30. Advance reservations can be made by calling Littlefield Sports Arena.

Fishing Guide Is Available

The 1969-70 Texas Fishing Guide is now available from the Texas Parks and Wildlife Department district and regional field offices and license deputies across the State.

The "Guide" is a digest of regulations for the sport fisherman in any of the fresh or salt waters of the state.

License requirements; fresh water regulations; laws in the different counties; lake laws; regulations governing the sale of fish; rules of possession; transportation and sale of minnows; saltwater regulations; rules for importation, possession or sale of tropical fish and rules in regard to protected species are covered in the guide.

This year's format has been simplified to make for easier use.

120 YD. H.H.: 1. Steve Flournoy, Brownfield, 17.3; 2. Ron Bartley, Slaton; 3. Larry Thomas, S'Lake-Earth; 4. Brian Sanders, S'Lake-Earth; 5. Jim Chance, Brownfield; 6. Donnie Henderson, S-Lake-Earth.
