

CROWD of approximately 1,000 persons gave the Littlefield High School Band and the Junior High Band ovations for their performances during the "For America" concert here Thursday night. The band members were stirred as the huge 28 x 14-foot flag was unfurled in the background, and as 50 other large flags—representing every state in the union—were brought down the aisles by Boy and Girl Scouts of Littlefield troops. GUNSHOT WOUNDS

Hunter Seriously Hurt

Roberson remained in serious condition this morning and was still in the intensive care unit of the Methodist Hospital in Lubbock, following gun shot wounds from a hunting accident Wednesday.

Roberson was on his way to the Fieldton community center when he was shot while hunting rabbits with a .22 rifle. Cook stepped over an

electric fence and evidently stepped on his shoe laces and fell, causing the gun to go off. He was shot twice, once in his stomach and in his left side.

Council Appoints Equalization Board

City councilmen discussed three items on their agenda Thursday night, during the regular session.

They considered and adopted Ordinance No. 283, appointing the Board of Tax Equalization. Boots Askew and Bill Kelly were added to the Board, making it a five-man committee. Others who were appointed at the last meeting were Curtis Chisholm, Wayne Winfield and Clinton Byers.

Councilmen discussed at length the status of property on West Sixth, and decided to turn the matter over to City Attorney Ted Sanson.

The community antenna television franchise agreement with Diversified Communications Investors, Inc. in Lubbock was discussed briefly, and due to the fact that all details were not complete, councilmen decided to wait and act on the matter at the next meeting.

Baccalaureate Services Today At Area Schools

Baccalaureate services are set today in seven of the 10 area schools.

Baccalaureate for Littlefield seniors is tonight at 8 o'clock in the Littlefield Junior High Auditorium.

Services at Olton are today at 8 p.m. in the school auditorium.

Sudan seniors hear their sermon tonight at 8 p.m. in the Sudan High School Auditorium.

Baccalaureate at Anton is at 7:30 this evening in the Anton school auditorium.

Amherst baccalaureate is at 8 p.m. in the school auditorium.

Whitharral seniors hear their sermon at 8 p.m. in the Whitharral First Baptist Church.

Spade seniors have baccalaureate this morning at 11 in the high school auditorium.

Bula and Pep schools held their baccalaureate last Sunday.

Springlake-Earth seniors will have their baccalaureate next Sunday, May 30, at 8 p.m. in the school auditorium.

Hail Suppression Set For Second Run

Lamb County will go into the second year of its hail suppression program beginning Tuesday week according to Lamb County Better Weather, Inc. members.

The hail suppression program is scheduled for four full months in this county, or June 1 through the last day of September, and will include the portions of Lamb County north and east of U.S. 84 to the county line, also west from Highway 37 at Amherst to Highway 303 going north to the county line.

H.L. Messamore, secretary of the Lamb County hail suppression group, said

Friday that \$7,000 more was needed to pay for four months coverage.

Lamb County's part of the four-county target area is \$27,600. This money is paid by farmers on a voluntary assessment of 32 cents per acre.

Portions of the county objecting to weather modification, including the

dryland areas south and west of Littlefield toward Bula and Pep and the Olton area are not included in the program.

Lamb County is joined by portions of Floyd, Hale and Swisher. This year, as last year, Atmospherics, Inc. will seed clouds with silver iodide flares fired from twin-engine planes headquartered in Plainview.

Water Supply Loan Okayed

A \$48,000 loan has been approved by the Farmers Home Administration for development of a rural community water system by the Sunnydale Water Supply Corporation, according to a release from Congressman Bob Price.

The loan will enable the Association to install water lines and other equipment for the development of an adequate water system to residents who live west of the Highway 84 Bypass.

Water lines in the system will be tied to city water lines near the bypass, and the water supply will be purchased from the City of Littlefield.

A large number of the water wells in that area are contaminated.

Approximately 33 families will be served by the system, which will extend to the airport and beyond Lumsden Gin.

The FHA loan will be repaid in 40 years, at an interest rate of five percent.

President of the Sunnydale Water Supply Corporation is Eddie Wallace of Route 1.

★ STUDENT TRANSFER DEADLINE IS MAY 31

Parents of students wishing to transfer to another school district are reminded that the transfer deadline is May 31.

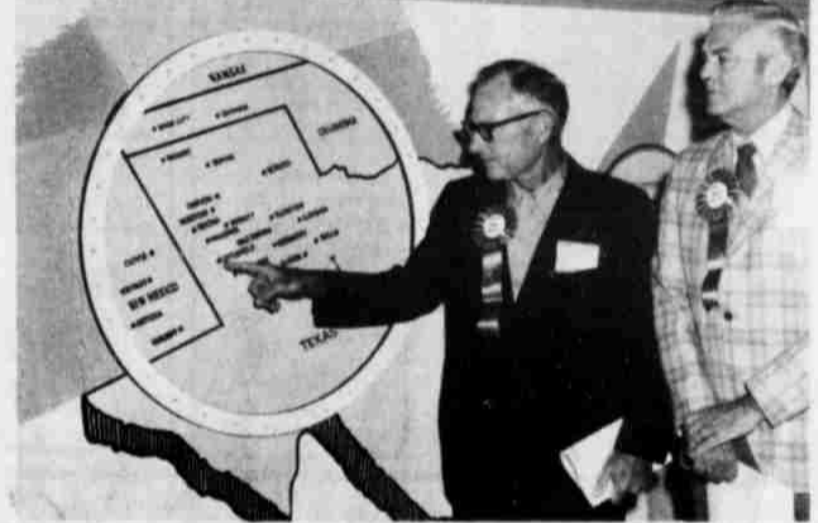

Students who want to transfer to another school district for the coming year may go to the superintendent's office where they wish to attend school and fill out a transfer form by the last day of May.

8th Grade Parents Meet

A meeting has been slated Monday at 7:30 p.m. in the Junior High Library for the parents of 8th grade students.

The purpose of the meeting is to discuss high school credits and requirements.

FREE PLANT SITE

ARTHUR DUGGAN AND MAYOR J. E. Chisholm represented Littlefield in manning a booth at the American Apparel Manufacturers Trade Show and Convention in Dallas this past Tuesday through Friday. Littlefield was among 23 Texas, New Mexico and Oklahoma communities served by Southwestern Public Service Company who offered a free plant site to any interested apparel manufacturer, and distributed information about their community at the trade show.

MAIL CARRYING DONE

Thaxton Retiring To 'Go Fishing'

Ewing C. Thaxton is trading in his right-hand-driving car he terms "the answer to a lazy mail carrier's dream" for fishing equipment.

After almost 33 years of postal work and "talking" fishing, Thaxton says he's going to quit playing post office and do more than just talk about fishing.

This smiling rural mailman, who was named "Rural Mail Carrier of the Year" this past summer over 1,500 fellow employees, will make his last delivery next Monday.

Thaxton started his postal career in Littlefield as a substitute clerk the first day of August, 1938. He became a regular clerk in 1942 but his civil service career here was interrupted during WWII while he served in the Army from June, 1942 until October, 1945. Twenty-one months of his overseas duty was in North Africa and Sicily where he was in an Army Post Office center.

He resumed work at the Littlefield Post Office in November, 1945, and became assistant post master in 1949.

Thaxton took over C. A. Joplin's rural route after Postmaster W. D. T. Storey died, and more than 16 years, or half of his postal service tenure has been carrying rural mail.

He has finished off the better parts of seven cars delivering mail to his rural patrons. The last three cars have been right hand drive autos.

The Thaxtons have lived in Littlefield since 1928, and with a big grin Thaxton declares that he has lived here almost long enough to be an early settler.

Thaxton worked for his brother in a hardware store here for 10 years before beginning his postal work.

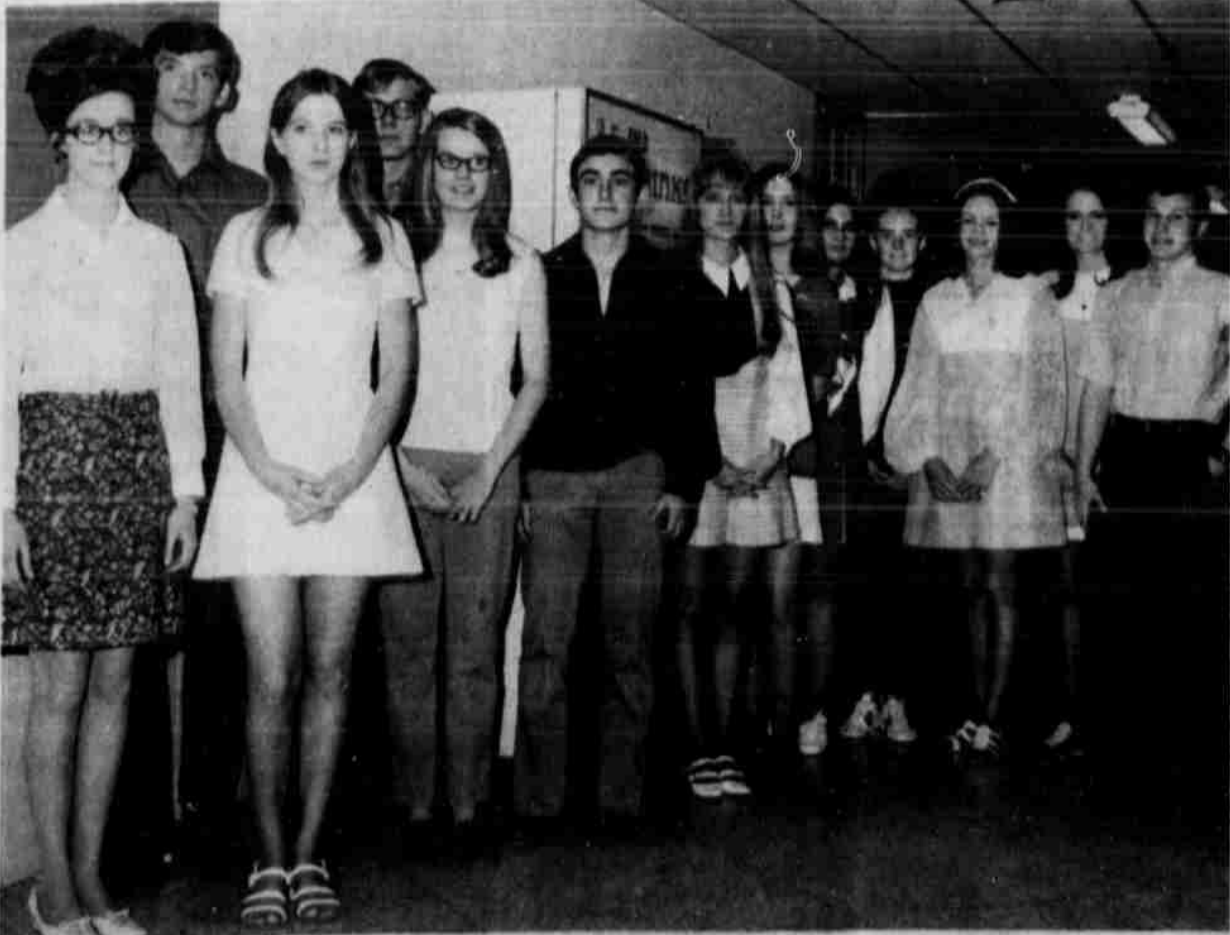

His route begins on East Ninth, goes within three miles of Anton, two of Hart Camp and Fieldton, and one of Bull Lake and ends north of the railroad track. He is "the mailman" to almost 350 families on the more than 100-mile round trip.

Since beginning his rural route, Thaxton said good roads and better autos have about done away with the dependency rural patrons used to have for their mailman. But there is still a closeness in many instances, Thaxton said, "and people always come to your aid when you need it."

This summer he hopes to get in plenty of fly casting experience on mountain trout. And if a fly doesn't work, he'll use the fly casters' secret weapon—a big juicy worm.

LITTLEFIELD POST OFFICE employees and their families honored retiring rural mail carrier Ewing C. Thaxton with a party Tuesday evening. Thaxton is shown here with his new mail box inscribed with his years of service and a new rod and reel from fellow postal employees.

BESIDES BEING sharp intellectually, Littlefield High School's 13 honor graduates also hear the sharps and flats. An even dozen of the seniors have been Wildcat Band members, with most of them in band all three of their high school years. Of the baker's dozen, Becky Broadus is the only student who hasn't been in high school band, but she was in the junior high band two

years. LHS honor graduates are, left to right, Becky Broadus, Wayland Huffo, Pat Sanders, Ken Richardson, Vickie Wimberley, Robert Rodriguez, Marsha French, Kathie McBride, Charloffe Hinds, Sandra Carter, Kay Armistead, Margaret Fain and Lynn Barton.

Emergency Loans

Emergency loan funds are available, and are being taken, and more have been requested to combat the effects of the drought which grips the area, according to Lynn Futch, state director of Farmers Home Administration.

President Nixon has asked the Congress to add \$65 million to the fund which FHA finances its nationwide emergency farm loan program," Futch said.

Emergency loans are made to enable farmers and ranchers to continue normal operations which have been disrupted by drought. These loans previously available in 53 Texas counties, and now in 235 counties.

The drought has centered in Texas and Oklahoma, but that emergency loans may be made outside of designated areas to applicants who have suffered losses as a result of the drought.

Interest rates on emergency loans are 4 7/8 percent, repayable as soon as possible, consistent with the financial ability of borrowers," Futch said.

Applications for loans should be made at the office of Farmers Home Administration, located in the basement of the office in Littlefield.

Thieves Hit Twice Concession Stand

A concession stand at the ball park has been hit by thieves twice the past week, and law enforcement officers are making investigations.

On Tuesday night, thieves entered the stand and took off the window cover on the concession stand and the building. Taken were seven dollars, valued at \$14; one jar of bubble gum; 15 boxes of bubble gum; and an unknown amount of

On Wednesday night, the thieves took the window sill out of the concession stand and took away a microphone and a microphone amplifier and a microphone belonging to General Telephone Company.

The thieves also took Cokes and candy.

THE LARGEST FLOWERS

The Rafflesia, found in the East Indies, is the largest known flower in the world. It measures from three to four feet across. The entire plant consists of a single blossom that may weigh fifteen pounds. The cup in the center of the blossom holds about 12 pints of water. Unusual and in a way beautiful, they are not enjoyed by the natives because they have a bad odor.

We don't sell the Rafflesia, nor do we have any intention of ever having it. We do, however, have a complete selection of all the lovely flowers you will ever want.

Manley-Staffel Wed In McAllen Church

Miss Nina Beth Manley became the bride of Carl Allen Staffel Saturday evening, May 8 in the Harvey Drive Church of Christ of McAllen.

Jack Fowler officiated for the reading of the double ring wedding vows.

A wrought-iron archway entwined with boxwood and pink roses centered the front of the church. Baskets of pink stock and white gladiolus, and candelabras adorned with leatherleaf fern, white gladiolus, stock and roses flanked either side of the archway. Pedestal arrangements of pink stock and gladiolus were placed at each side of the church. Two spiral candelabras were set beside the steps leading to the altar, and candelabras entwined with boxwood and pink satin bows lined the processional aisle.

Musical selections of "Love Song", from Romeo and Juliet, and "Be With Us Lord" were presented by an a cappella chorus including Allan and Dianne Brumley, Bill and Martha Jim Bender, J. L. and Barbara Taylor, and Mark Fielder.

Given in marriage by her father, the bride wore a candlelight gown of peau d'ange lace and imported silk organza over taffeta creating an Empire A-line effect. Her full Bishop sleeves were banded by narrow cuffs and accented with lace appliques. The slightly raised collar and bodice were adorned with the lace and a cluster of pearls. Appliques of the lace cascaded down the front and the length of her train. She wore a cage-design mantilla of peau d'ange lace and illusion. Her formal cascade bouquet was of white carnations and gypsophila, centered with white orchid and pink roses.

Mrs. Pamela West, sister of the bride, was matron of honor. She wore an Empire style gown of floral organza over taffeta, with a floral print on a white background. She wore miniature chrysanthemums in her hair, pink accessories and she carried a pink lace basket filled with daisies, chrysanthemums, pink carnations and cascades of English ivy. Miss Constance Crone, the

maid of honor, and bridesmaids Miss Margeret Billmek and Mrs. Treva Nell Manley, sister-in-law of the bride wore gowns, accessories and carried baskets identical to those of the matron of honor, except the organza print of their gowns had a pink background.

Bobbi LeNell West, niece of the bride, served as ring bearer and Dawn Michelle West was flower girl. They wore floor-length pink crepe dresses. Bobbi LeNell wore flowers in her hair and Dawn Michelle wore pink carnation wristlets and carried a pink lace basket filled with flowers.

Robert O'Neal was best man. Groomsmen were R. B. Staffel, brother of the bridegroom, Robert W. Manley Jr., of Amarillo, brother of the bride, and Don Mosley of Corpus Christi were groomsmen. The guests were seated by David and Richard Hare and Cliff Springer, all of Corpus Christi.

The mother of the bride wore a formal gown of pink brushed satin with silver accessories and pink camellias. The mother of the bridegroom wore a formal gown of pale rose polyester with silver metallic and crystal trim and white accessories.

A reception was held at Gaslight Manor in McAllen, immediately following the ceremony. The centerpiece on the bride's table was an arrangement of pink snapdragon and stock. Miss Lynn Braden presided at the bride's book. Assisting at the reception were Misses Diana Mathey, Jamie Kay Henderson, Celine Guerra, Tina Reyes, Louise Holzem, Bunnye Buehring and Cindi Rogers.

The couple will live in Sombach, Germany, following a wedding trip to Corpus Christi.

The bride traveled in a pale blue linen suit with white accessories and she wore the orchid lifted from her bridal bouquet.

Out-of-town guests included Mrs. C. E. L. Marmion, Mrs. Jack Fowler and children, Mr. and Mrs. John Rice, all of San Antonio; Mrs. M. B. Tomlinson Sr. and Mr. and Mrs. Hugh Pettigrew of Dallas; Mr. and Mrs. A. B. Blackman of Grand Prairie; Mr. and Mrs. M. B. Tomlinson of Fort Worth; Mr. and Mrs. Guy F. Warren of DeSota; Mr. and Mrs. Lowell Moseley of Corpus Christi; Mr. and Mrs. Dwayne West of Andrews; and Mrs. Mary Fowler of Hollis, Okla.

The bride attended Littlefield High School and is a candidate for graduation from Edinburg High School in June. The bridegroom graduated from Ray High School in Corpus Christi and Pan American College.

County History Week Observed May 23-29

According to V. M. Peterman, chairman of the Lamb County Historical Committee, this week has been designated by Governor Preston Smith as "County History Appreciation Week in Lamb County."

The Governor "urged all citizens to support and participate in the activities of this observance," because of the fact that "the State of Texas has had a proud and colorful history; an unsurpassed heritage filled with dedication, devotion and individualism."

"We owe a great debt to our forefathers; the pioneers and early settlers whose accomplishments have been an inspiration and a guiding light to all Texans," the official memorandum reads.

MRS. LONNIE EARL DEAR

Miss Brewster Wed To Lonnie E. Dear

Miss Sharon Leigh Brewster and Lonnie Earl Dear repeated double ring wedding vows Thursday evening, May 20 in Parkway Drive Church of Christ at Lubbock.

Bill F. Phillips of Randolph Church of Christ in Universal City officiated for the candlelight ceremony.

Parents of the couple are Mr. and Mrs. R. L. Brewster of Petersburg and Mr. and Mrs. J. W. Dear of Springlake.

Tiered candelabras with white gladiolas and greenery decorated the front of the church.

Musical selections were "My God and I," "Twelfth of Never," "Wise Men Say," and "Almost There."

The bride, given in marriage by her father, wore a floor-length gown of white peau de soie covered with a sheer overlay of organza and lace appliques. Her long sheer organza sleeves were also adorned with the lace appliques. The long train and headpiece featured satin flowers and rhinestones.

She carried a cascade of white carnations, centered with a white orchid, entwined with greenery and white and blue ribbons.

Marylee Noster of Merkel attended the bride as maid of honor. She wore a formal length satin gown featuring a white bodice and blue A-line skirt with silver trimming.

Bridesmaids were Myrna Dear of Springlake, sister of the groom, Dyna Rucktashel of Lampasas and Gail Dehliner of El Paso. They were fashioned

like that of the maid of honor except their dresses were of all blue satin. They carried long-stemmed white roses entwined with ribbon and greenery.

Flower girl was Miss Lisa Wade of Lubbock. Ringbearer was Tod Goodnight, also of Lubbock.

Serving the groom as best man was Gary Keenes of Lubbock. Groomsmen were Seth Bursey, Gary Bills, both of Lubbock and Jeff Jones of Grand Prairie. Guests were seated by Lelan Dear of Springlake and Harold Bute of Hale Center.

The bride's mother was attired in a street-length dress of blue crepe, long sleeves, silver trimming and silver accessories. The groom's mother wore a pink crepe street-length dress and coat, featuring pink and blue trimming and blue accessories.

A reception followed in the parlor of the church. Karen Dear and Darla Dear, sisters of the groom, presided at the serving table.

For her honeymoon to Ft. Worth and Dallas, the bride chose a midnight-blue tailored dress with a pleated skirt and white accessories.

The couple will reside at Varsity Village on 4th Street in Lubbock.

The bride and groom both attend Lubbock Christian College. She is affiliated with Christliche Apamen and he is affiliated with Koinonia.

Worth Remembering

It takes a little doing, but enthusiasm can be generated almost like electricity.

That point was proved in Littlefield this week at the Bands for America Concert presented by the Littlefield Wildcat Concert Band and the Junior High Concert Band.

The recipe for making this enthusiasm started with an idea, mixed well with the hard, sometimes exasperating, work of preparation, then baked by a warm, receptive audience.

A giant 14 by 28-foot flag made by Senior girls provided the frosting that gave Littlefield statewide publicity via television, daily newspapers and radio. All of it was, naturally, complimentary.

And the audience which heard Thursday night's concert was lavish in its praise of the performance given by both bands.

All of this must be extremely satisfying to the directors, John McGee and Tom SoRelle, and to every band student, for it caps a school year which may in the future be called the "Year of the Bands."

It was a sweepstakes year, and will be looked upon by those students who put in the necessary hard work as a "good time."

For, in later years, they will know that only those things for which they gave their very best efforts stand out as times to remember.

This was one of those times.

Summertime

ONLY A VERY STODGY adult with a very short memory can fail to have a feeling of kinship with the young people of the nation now looking forward to the eminent closure of school for the Summer.

There is something timeless about the joyous freedom of the first days of summer vacation.

AMERICAN YOUNGSTERS are double blessed. In spite of all the clamor and confusion over what is being done wrong in this country, we still have a great land.

And millions of youngsters will see it this summer as they travel with their parents—camping, fishing or just looking.

Freedom from the discipline of the schoolroom will give millions of youngsters a chance to realize, along with their folks, that there are still wide open spaces, still plenty of blue sky and quite a few unpolluted streams and lakes, as well as mountains and forests.

AND THEN IN thousands of communities across the country, there is the tranquility of the family backyard, and perhaps even an old-fashioned hammock under a shade tree.

Incidentally, as we really begin to appreciate the good Earth of these United States in the early days of summer, it is well to remember that June 14 is Flag Day.

A little show of patriotism never hurt anyone.

DISPLAYING OUR FLAG on appropriate occasions such as Flag Day is one way in which we can express our awareness of the many freedoms and privileges that we all enjoy in greater measure than most of us ever realize.

Freedom from the schoolroom may be short-lived, but our other freedoms and symbolized by our Flag, can be perpetual if we value them and guard them.

THE ABUNDANT LIFE

Life's Echoes

By BOB WEAR

IN THE ESTABLISHED order of life, there are certain fixed laws which work without human thought or assistance.

The wise people will learn to recognize these laws, and cooperate with their workings to the best of their ability.

The unwise will never know why they seem to have so much difficulty, and will probably blame others; or fate, or something.

THE LAW OF COMPENSATION, and the law of retribution are always working in the human experience. These are combined in "the inexorable law of sowing and reaping."

In applying this viewpoint to the living experience, we can see enough of its influence to be convinced that it is real.

WE GET FROM LIFE, generally speaking, what we put into it; and we receive from others just about what we give to them.

In the long range, total view, this observation holds true.

IF WE ARE KIND, wholesomely tolerant and understanding in our associations with our fellowmen; we will receive about the same type of treatment from them. "Mercy to him that shows it, is the rule."—Cowper.

If we are harsh, intolerant and critical; we will find that others are about the same way in their attitudes and expressions toward us. There will be some people who will try to treat us kindly, even when we are ugly in our behavior toward them; but

even this eventually ends.

"THE MEASURE YOU GIVE will be the measure you get."—Bible. This is the general law of life for you and me and all others. We may not want to admit its workings, but this doesn't change anything.

"Retribution is one of the grand principles in the divine administration of human affairs; a requital is imperceptible only to the wilfully unobservant. There is everywhere the working of the everlasting law of requital: man always gets as he gives."—Foster.

A FATHER, trying to teach his son this lesson, took the boy out into the nearby hills, and had him yell the words, "I hate you, I hate you." The echo came back, "I hate you, I hate you."

Then, he told his son to yell the words, "I love you, I love you." The echo answered, "I love you, I love you."

THE FATHER USED THIS experience to help the boy remember that he could expect life to give to him according to what he gave to life.

"Blessings ever wait, on virtuous deeds, and though sometimes late, a sure reward succeeds."—Congreve.

LIFE AS IT APPEARS TO us, is the echo of our own thoughts, words and deeds.

If we are wise in our thinking and behavior, life's echoes will inspire and encourage us.

A WOMAN'S VIEW

Sickness

PEARL BRANDON

IN CASE SOME of you may have wondered what happened to this column the last few weeks, I will tell you.

I have been sick and had to stay a spell in the hospital. I had a round with the flu and almost got whipped.

A HOSPITAL is a wonderful place to go when you get really sick. You just go in and turn yourself over to the doctor and let him start worrying over your troubles, trying to figure out what to do to get you back on your feet again.

Then the nurses are so kind and are there at the punch of a button, and your meals are brought to you in bed. They are nice meals, too, if you felt like eating.

AS I SAID, it is good to go to the hospital when you are sick and I was glad to get there, but as soon as I began getting better I started wanting to go home.

I don't think I am by myself in this either.

The favorite question from the other patients was, "are you going to get to go home today?" Then the doctor has to start fighting the battle of trying to keep you there long enough to get you well.

I AM GRATEFUL to the doctor and to those who helped look after me at the hospital but it is so good to be home.

Last night I lay in my own bed and listened to the wind blowing in the trees by my bedroom window and to the loud snoring of my husband and felt grateful to God for letting me come home again.

SPEAKING OF my husband's snoring it used to bother me a little, especially nights I couldn't sleep until I had to stay four weeks in hospital.

I tell you, when I got home that time his snoring was music to my ears.

ONCE I READ about a little girl who had always shared a room with her little brother. The family bought a new home where all the children could have a room to themselves and the little girl was lonely stuck in that room by herself.

"Look, you have this beautiful room, all your own!" and the little girl cried, "I don't care about that. I want to sleep in the room with Bobby. He snores me to sleep."

THAT'S THE WAY I feel now about my husband's snoring. I'm grateful to hear him, he snores me to sleep.

HONNY GRITS

By CORNBALL BLEVINS

ACCOLADES AND A BIG HURRAH to the bands of Littlefield schools and their directors. If you missed the concert Thursday night, you were the big loser.

IF YOU WERE THERE and didn't have difficulty swallowing at times, then you must be dead! It was a great performance, accomplished by a great bunch of kids. You just don't play the way they did, and with as much spirit, unless you FEEL what you're playing. We salute them along with their teacher-directors.

I GOTTA TAKE issue with Mr. Paul Harvey (Along with Mr. Nader) about their views on the "Soft Automobile". Seems they're mostly concerned with the cost of fixing a wrecked automobile, rather than the well-being of the "Wreckee".

Looks as tho they wanta build a car that's impact proof. I'm sure this can be done, if you build them along with the okaks fir a Sherman Tank.

KNOW FIRST, THAT the auto manufacturers are building what the public is demanding, as nearly as possible.

You, the customer, dictated the design and influence the price of the automobile by what you show a preference for. (If you want to drive it into a brick wall; be my guest!)

THE MANUFACTURES put or experimental model and see public accepts the thing. If it start like the well-known hot-cake, start making the thing in earnest.

When you dictate that you want and "class" at the lowest point that's what they're gonna build compact, cheap job built of tin and steel. Yet having a sporty look that they'll build it for you. Even a plush, \$25,000 job.

WHICH DOESN'T HAVE much with solid impact damage. May be that the auto isn't built for the purpose of colliding with a brick wall.

Secondarily, but not to be discounted the fact that an auto's fitness reason that you can crash one, "Total it out!" and still walk away.

SOLID IMPACT IS your worst enemy. A wreck The "accordion" and wrecked vehicle is to your advantage cushions the impact.

To illustrate this fact, try tying on the top of your head. Now, head down and run into a brick wall.

O.K. now substitute a pillow for your head and go through the same procedure can't tell the difference, you'd repeat the first step and keep your speed. Soon, you won't care.

Police Check Two Thefts

PAUL HARVEY J. Edgar Hoover

Sometime late Tuesday night or early Wednesday, someone broke into the Mobil Station on Hall Avenue by entering a window on the south side to the restroom. A cigarette machine was broken into and some Kools were taken, along with a small eight-transistor radio, valued at \$40; and a new 12" crescent wrench, valued at \$5.

One citizen reported that someone took two tool boxes from his pickup which was parked in a garage next door sometime Thursday night or Friday morning.

One of the tool boxes was a red tractor tool box and the other a gray tool box. Value was placed at \$35 and \$40.

THE EVIDENCE against J. Edgar Hoover was a lot of political hot air.

Louisiana's Congressman Hale Boggs let out the first yelp and within hours all the little jackals joined in the chorus, yapping at the heels of the lion.

BOGGS SAID the FBI was tapping his telephone. When that allegation focused all the TV cameras in his direction, he embellished his indictment: The FBI was tapping his telephone and he could prove it.

When that remark had been drained of all possible repetition, Boggs announced that he would go before Congress and "present irrefutable evidence" that the FBI had been bugging his telephone.

HE WAS LAUGHED out of court. He harangued Congress for most of an hour on the subject, but he presented no evidence of any kind.

The chorus of yapping continued. News magazine cover stories grudgingly plucked a bouquet of accomplishments from Director Hoover's brilliant record then, with that bouquet, sought prematurely to decorate his grave.

NOW, OF ALL PEOPLE, Ramsey Clark and Burke Marshall are ganging up to conduct what they call "a blue ribbon citizens' inquiry" into the FBI.

These two water boys for radicals were themselves a dozen years in the highest offices in the Justice Department, over the FBI, positions in which they could have investigated, exposed, corrected any possible wrongdoing in the FBI.

Amherst Study Club Installs New Officers

Amherst—The final year of the Amherst Study Club year was held last night. Mrs. Sterl Harmon, Bill W. P. Holland and Ray were hostesses in the home.

Mrs. A. J. Mote, president, welcomed guests and members. She introduced Mrs. Clyde Brownlow, who received the club's activities for the year. She asked the question "Have We Made our mark for the good in the time that was ours?" Mrs. Mote presided in a candlelight ceremony as she installed the new officers. Each was presented a Dutch Iris blossom tied with satin ribbon in a color in relation to her office.

New officers are: federation counselor, Mrs. Howard Campbell; parliamentarian, Mrs. W. P. Stone; historian, Mrs. Willis Hedges; press reporter, Mrs. Lester LaGrange; treasurer, Mrs. Nathan Rich; secretary, Mrs. Douglas Gossett; corresponding secretary, Mrs. W. P. Holland; vice president, Mrs. Homer Peel; president, Mrs. Clyde Brownlow. Her iris blossom was tied with the ribbons of the other officers, thus signifying that each one's help would be necessary in making her term as president a success.

The hostess served homemade ice cream and cake to guests, Mrs. Ray Laventhal of Lufkin, Mrs. R. L. Baker of Chandler, Ariz., and Mrs. Virgil Cooper of Littlefield. Members Mmes. T. J. Williams, Nathan Rich, Lewis Sessums, Howard Campbell, W. P. Stone, Bill Elms, Ray Blessing, W. P. Holland, Willis Hedges, Homer Peel, A. J. Mote, Sterl Harmon, Lester LaGrange and Clyde Brownlow.

Mrs. Mote was given thanks for her leadership as president.

the Earth is HIS

The soil is God's priceless gift to man. It is a tangible gift neither plant, animal nor man can live without. We depend on soil for just about everything. Although a mixture of dead plants, animals, rocks and other forms of life, it constantly changes through weathering to retain its perpetual productiveness. But man has upset its natural balance with tools and fire and set in motion damaging erosion. Americans are guilty, and that's what we've got to stop. Jeremiah said, and let us say with him, "the whole land is made desolate, because no man layeth it to his heart." Then grieved Jeremiah said, "They have sown wheat, but shall reap thorns. Oth, God, let us be good Stewards of His Precious Soil, for, surely This Earth is His.

Strawberry Chiffon Dessert
 Mash 1 pint berries. Mix sugar and corn starch in saucepan. Add water and mashed berries. Cook over medium heat, stirring constantly, until mixture comes to boil and boils 2 minutes. Remove from heat. Stir in food coloring. Cool.
 Fold remaining 2 pints berries into cooled mixture. Pile into pie shell. Chill. Serve with whipped cream, if desired. Makes 6 to 8 servings.
 Note: For Glazed Peach Pie: Follow recipe for Strawberry Pie, substituting 3 pounds peaches (peeled and sliced) for strawberries and omitting food coloring.

Teenagers Volunteer For Work

Are there any teenagers who would like to become a Junior Hospital Volunteer? Any boy or girl who is 15 years old, or who has finished the ninth grade, and those between that age range through college age, are eligible to participate. An orientation program and tours of both hospitals will be conducted May 31 at 1:30 p.m. Those interested are asked to meet in the dining room of Medical Arts Hospital at that time. The work program will begin June 1 and anyone wishing to receive additional information may call 385-5422 or 385-3482.

Mrs. Raney Hosts Sunnysdale HDC

Sunnysdale Home Demonstration Club met in the home of Mrs. Lee Raney. The meeting was called to order by Mrs. Louise Brice, with 9 members present. Mrs. Lady Clare Phillips, Home Demonstration Agent, was present as a visitor. Twyla Woodring gave the devotional. Roll call was answered with the name of a "flower." Plans were discussed for a meeting with the low income families, in the basement of the Salvation Army building, at 1:30 p.m., May 27. "Decorating homes on a limited budget" will be the topic. Plans for a joint meeting with the Oklahoma Avenue Home Demonstration Club June 17 were also discussed. The 4-H girls will present the program. Mrs. Phillips gave a demonstration on "the tailoring of clothes." She presented many useful hints. The next meeting will be in the home of Gladys Glass, 811 South Sunset. Roll call will be answered with a "favorite recipe."

Mike Sadler Graduates Top Of '71 TTU Class

Michael Sadler of Whitharral graduated his class for the highest academic honors in Texas Tech University school of engineering when he received his degree in engineering physics in an announcement exercises Friday. The son of Mr. and Mrs. Ervin Sadler of Whitharral, he was valedictorian of his class and graduated from Whitharral High School in 1966. He attended South Plains College one year before transferring to Tech.

Sadler attended Texas Tech for two semesters and made the Honor List every semester. He was the top student over more than 300 in the TTU engineering school, completed Tech with a 3.93 g.p.a. average, earning a \$4,400 scholarship.

This summer he will participate in an eight-week Soviet workshop at the Indiana University in Bloomington, Indiana. At the workshop everyone will live together in one dorm where they will be required to carry on their conversations in Russian to get a working knowledge of the language.

Sadler plans to get a Ph. D. in physics, and proficiency of a foreign language is a requirement. He has 14 hours of Russian from Tech.

Sadler will begin graduate work at the Indiana University this fall. He chose the Indiana college over a nuclear engineering grant from the University of New Mexico.

Last summer Sadler participated in undergraduate research at Texas Tech under a National Science Foundation grant. He was paid and received college credits for his work in the electrical engineering department on electrical properties of semiconductors.

At Texas Tech University, Sadler was in Sigma Pi Sigma, a physics honorary fraternity; Tau Beta Pi, an engineering honorary fraternity; and Alpha Phi Omega men's service fraternity.

Larry Belcher Fund Established At Anton

ANTON--Michael Knebliek and Larry Belcher are typical students of Anton High School. Two weeks ago they were riding a motorcycle on the Spade Road and had a serious accident. Mike suffered a compound fracture of the ankle and Larry suffered a broken leg. Larry, however, developed complications and has been listed in serious condition in the Intensive Care Unit at the Methodist Hospital in Lubbock. Larry's accident was not covered by insurance, so the seniors decided to contribute the money they had earned for a senior trip to a fund to help pay the costs of the accident. The Larry Belcher Fund was opened at the Citizens State Bank with a deposit of \$536.76 made by senior class sponsor, Jim Rich.

Since that time, other contributions have been coming in for the fund. Included are: Hemphill-Wells, \$50; Lubbock National Bank, \$50; Pollard Ford, \$50; Harry Morris, \$50; Bovina High School Senior Class, \$50; Joe Hesson, \$50; J. W. McReynolds, \$10; and Bonnie Ruth Marler, \$5.

As a reward to the seniors, an anonymous gift of \$536.76 was sent with the stipulation that it be used for the seniors to take a trip. The seniors will take the previously scheduled trip to Lubbock Thursday and the remainder of the money will be added to the Larry Belcher Fund.

The KoKo Inn in Lubbock offered the seniors the use of their pool, rooms, and snacks as a reward for their unselfish act. The Larry Belcher Fund has been established as a permanent fund by the senior class of 1971. It will be used to aid students who need it.

Larry is out of intensive care now and a cast was put on his leg Thursday. He was expected to be returned to his home Saturday.

OBITUARIES

MRS. WILLIE MIDDLETON

Mrs. Willie Middleton, 74, of Littlefield, died Thursday afternoon in a Littlefield nursing home following a lengthy illness. Services were conducted Friday morning at the Assembly of God Church in Littlefield, with Rev. Harvey Hallmark, pastor, and Blanton Marton of Hart Camp, officiating.

Graveside rites and burial were in the Rule Cemetery with George Price Funeral Home of Levelland in charge of arrangements. Mrs. Middleton had lived in Littlefield since 1963.

Surviving are a son, James G. McClure of Dallas; one daughter, Mrs. John W. Sones of Levelland; two sisters, Mrs. Ona Keith and Mrs. Livy Adams of Houston; and five grandchildren.

S. H. HAILE

Funeral services for S. H. Haile, 82, of Amarillo, who died Thursday morning in the High Plains Baptist Hospital in Amarillo following a brief illness, were conducted Saturday in Amarillo.

He was father of Mrs. Merrill Brigrance of Olton. Haile was a retired Amarillo real estate man, was a member of the First Baptist Church, and was a past president of the Western Cowpunchers Association.

He was born in Dickens County and went to Amarillo in 1943.

Others surviving besides Mrs. Brigrance, include his wife; two sons, Houston Haile of Dumas and Jerry Haile of Tulsa, Okla.; two other daughters, Miss Cordie Haile of San Francisco and Mrs. Hattie L. Slagle of Center, Colo.; a sister, Mrs. Pearl Hodges of Clyde; 11 grandchildren and 13 great-grandchildren.

JAMES L. CROSBY

Funeral services for James L. Crosby, 92, of Amherst, who died early Saturday morning in the Amherst Manor Nursing Home where he had been in bad health about three years, are scheduled for 3 p.m. today in the Church of Christ at Amherst.

Officiating will be Leonard Tittle, minister, and burial will be in the Littlefield Memorial Park with Payne Funeral Home in charge of arrangements.

Born Oct. 15, 1878 in Aberdeen, Miss., Crosby had lived in Amherst since 1924.

Surviving are two sons, Lloyd Crosby of Littlefield and Howard Crosby of Amherst; one daughter, Mrs. Marie Cummings of Centralia, Ill.; a brother, Clint Crosby of Hamilton; three sisters, Mrs. Fannie Ballard, Mrs. Faye Oglesby and Mrs. Hallye Jones, all of Hamilton; six grandchildren and nine great-grandchildren.

HIPOLITO REYES MONTIEL

Funeral services for Hipolito Reyes Montiel, 17, formerly of Hart, who was found dead Tuesday in an El Paso motel, were conducted Friday morning in the Trinity Baptist Mission in Olton.

Burial was in the Olton Cemetery with Parsons Funeral Home of Olton in charge of arrangements.

The youth was found Tuesday by hotel personnel and was dead on arrival at Thomas General Hospital in El Paso.

He was a native of Mexico and had lived at Hart until about a month ago when he moved to El Paso.

Surviving are his parents, Mr. and Mrs. Ermarlinda Montiel of Portales, N. M., and three brothers, Gabriel Montiel, John Montiel and Ben Montiel, all of Hart.

Anton Study Club Installs New Officers

ANTON—"Atlantis and the Golden Apples" was the theme used by Mrs. H. G. Timms to install the new officers of the Anton Study Club Monday night. The apples were used to symbolize "words of wisdom."

Officers for 1971-72 installed were: Mrs. C. E. Slinger, president; Mrs. R. R. Pritchard, vice president; Mrs. S. M. Monroe, recording secretary; Mrs. Edith Whitfield, corresponding secretary; Mrs. Jerry Biffle, treasurer; Mrs. Claude Couch, parliamentarian; and Mrs. Sid Landers, reporter.

Preceding the installation of officers, the Anton Study Club met at the home of Mrs. Claude Couch for a salad supper. Twenty-two members, and Mrs. Gilbert, mother of Mrs. Couch were present. Associate members Mrs. K. W. Wells and Mrs. Sol Gann were also in attendance.

An invitation to the graduation of Eva Luna at South Plains College was read. She was the 1969 recipient of the Carolyn Grundy Scholarship. A letter of appreciation from Carolyn Hodges, 1971 Girls State selectee was also read. The treasurer reported that \$68.15 had been earned by the bake sale, for the benefit of the ambulance building.

The president Mrs. Orval Williams, discussed the four amendments proposed for the election Tuesday to the Texas Constitution. This was the concluding meeting of the year.

Car Wreck At Amherst

Another wreck inside the city limits of Amherst occurred this week.

A 1965 Chevrolet pickup driven by Charlie F. Carrico, 71, Amherst, was traveling south when he hit a 1965 Ford station wagon traveling east and driven by Joy Long Cantrell of Amherst.

The wreck was at the intersections of Henderson and 10th Streets, and neither driver applied their brakes, according to Highway Patrolman Bill Angel.

Dina Cantrell, Mrs. Cantrell's three-year-old daughter, was taken to South Plains Hospital in Amherst where she was checked and released.

Government run by women is called gynarchy.

CONGRATULATIONS TO OUR BRONZE MEDALLION TEAM

Marion Williams left, parts manager and Bill Blackman, service manager, second from right are being awarded the Bronze Medallion by Ford Marketing Corporation Service Representative, Howard Paulus of Dallas.

The awards are presented on efficiency and excellence of parts and service merchandising for the year 1970. They were one of five to win this outstanding award in the West Texas Zone and have frequently been among the list of winners.

H. A. "Mitch" Mitchell (right), Ford Dealer, joins Howard Paulus in congratulating Williams and Blackman and expresses his appreciation to the loyal Mitchell Ford customers for making these awards possible.

Come by and visit our Medallion Team. We are always happy to see you.
