

INNER VIEWS
wade a warren

"OL ELVOR SEZ: "Tapering off on a bad habits is nothing more than rekindling the fire for a new start."

A FRIEND OF OURS dropped by the other day to hand us a clipping from the Ada (Oklahoma) Weekly News and chat a bit about the word progress.

We thought you might enjoy the Okie's comments as much as we did:

"We still hear and read the age-old question raised in relation to the space program which this nation has mounted.

"Why?" People ask.

"Let's agree at the outset about some things. If there is inefficiency, if there is waste and duplication, let us correct these things. But, let's not scrap the program because of them.

"People who ask 'why' about the moon and about space are really asking, 'Why should man attempt to extend the limits of his knowledge and his environment?"

It is the nature of man to extend himself and had God not given man the mind and the will to do it, we would all be wallowing around in some sort of prehistoric time.

"Why?"

"Why" indeed.

"Why did Newton worry about the apple?"

"Why did the Wrights monkey around with those silly contraptions? If God had wanted man to fly, he would have given man wings.

"Why did a funny Dutchman begin toinker with optics and lenses? Why did men care that funny little bug-like things carried disease?"

"Why did Prof. Einstein develop his theories?"

"Why did Christopher Columbus set sail on an uncharted ocean?"

"What drove the Vikings to sail the stormy seas in crude open boats?"

"Why didn't people just throw up their hands at the thought of 'open heart' surgery and admit that it couldn't be done?"

"Why investigate the possibility of transplanting human organs to prolong man life?"

"What drove men like Steinmetz and Edison? Did they operate only for the prospect of economic gain?"

Well, people used to use oil lamps. They used to fire cannons during a cholera epidemic. At one time, children died from things like mumps, scarlet fever and smallpox and they kept throat and a great many other things.

Why did Fleming persist in his search?"

Why did Pasteur continue to work in the face of criticism and rebuke?"

Why did somebody worry about the steam engine? After all, we had the wheel. We had the wheel. We were going along all right.

Why have an automobile? Man would use the use of his legs if he got used to things. Television would put your feet out if you watched it.

Why bother with the secrets of the sea? We don't have gills. We can't swim.

Perhaps some day man will conquer the sea as he does the land? As man mounts and as pressure increases, will man farm the great depths? Will he grow and harvest plankton?"

Why radio, why the telephone? We have steam packets and the pony express. We had carrier pigeons and signals and drums in the jungle.

How do we understand something. Man has progressed because some men and women were not content with the status quo. They reasoned that the world had given them a mind and they would use it. And for generations these men have worked and dreamed and through the years, they have left a legacy of progress.

Man is surrounded by mystery. We are surrounded by the unknown. Man has begun to scratch the surface of the unknown.

Man is concerned about the earth that happens here.

Man is this to say that we should not be concerned about the stars.

Man is asking 'why', perhaps we should be grateful that for those who have the courage to look for answers."

Cats Looking For 3rd District Win

Morton's win-loss record is very deceiving. According to Littlefield head coach Jerry Blakely, the Indians are a much better team than their 1-6 record indicates. And he cites the Indians' 27-20 romp over Muleshoe compared to the 42-14 win the Mules took over the Cats.

"Make no mistake about it," Blakely said, "we're not taking Morton lightly. We feel they could have won any game thus far and any game in the future on any given night."

The Indians' biggest loss of the year was the 21-0 licking they took at the hand

of Tula. Morton lost 13-0 in their opening tilt with Springlake. Hart edged them 14-13, Frenship, 21-14 and Stanton 14-0. Otton kicked the Indians 13-10 last week in the opening district game.

But it's the Indians' only win of the

year which points up how deceitful their record is.

Morton has a very big football team with an offensive line that averages 190 pounds. They have great speed in the backfield. This speed is provided by two halfbacks, Harvey and Thompson, both

160-pounders who can run the 100 in 10.1 seconds.

These two are very exciting runners who can score from anywhere on the field. One reason the Indians' record is so inconsistent is because these two halfbacks were injured most of the early season.

Harvey and Thompson were both back and well for the first time in the Muleshoe game and they were back again in the Otton game. They are clearly the ones to watch for.

Morton is also a very aggressive team. Blakely said they will definitely let you know they are out there. Some outstanding linemen are Flitts (73) a 210-pound senior guard, Corder (62) a 175-pound senior tackle and defensive linebacker, and Carter (72) a 200-pound senior tackle.

Blakely said he just hopes the Wildcats respond to the challenge the way they have in recent games.

"We had great team effort last week that overcame several mistakes that could have been disastrous," the coach said, adding that he considered the Littlefield-Friona game one of the very best thus far.

Giving examples, Blakely said one of the times when the defense rose to the occasion and kept Friona from scoring was when the Cats fumbled the ball on Friona's end of the field in the fourth quarter, giving the Chiefs an excellent opportunity to score.

The fact that Friona is a very good team was evident when they scored 11 plays after the kickoff. The Cats had a little trouble against Friona's triple option early in the game before they got it under control.

The Littlefield-Friona game was one of big plays. One of these big plays was when Alan Mackey blocked a punt, allowing the Cats to get the ball on the five and go in for TD.

Another big play was late in the fourth quarter when Kenny Owens dropped Friona's quarterback for two big losses, one an 18-yard loss and another a 12-yard loss when Friona was in scoring position. Both times Mackey blitzed and got through to the passer.

Blakely said he was a little disappointed in the kicking game, feeling that it should have been better with the consistency Larry Hobratschek has had. Littlefield missed two field goals they shouldn't have missed, one just before the half and the other in the third quarter.

There were some very good offensive plays. Terry Bryson had one of his best offensive nights, doing an exceptionally good job of throwing and running. He completed eight of 13 passes for 91 yards, and rushed 11 times for 49 yards.

Leneral Lewis was the leading rusher, carrying 20 times for 89 yards. Lewis had another good night as a runner, especially during the first half. As offensive lineman, he had one of his best nights of the year consistently blocking good people.

Defensive standouts were defensive tackles Jerry Cox and Randy Cook who played exceptionally well throughout the game.

Eddie Surret did a good job at defensive end and was one of the reasons Littlefield was able to get control of the triple option.

The only significant injury during the game was the broken hand Mike Hopper received.

Littlefield coaches named three Wildcats of the Week following the Friona game. Terry Bryson is the offensive Wildcat of the Week choice, and defensive Wildcat of the Week are Randy Cook and Jerry Cox.

Ice Hits Area

Halloween 1972 is one to remember.

The weatherman played a trick on the area with a heavy ice storm that slicked over the highways and coated trees with ice.

Things that went bump in the night Tuesday were more likely tree limbs falling than little ghosts and goblins.

The early ice storm caused at least one serious wreck in Lamb County when road conditions between Earth and Otton attributed to a wreck that hospitalized two persons, leaving one in serious condition. (See the wreck story on this page.)

Iceing over of electric power lines caused numerous power failures over the area. Electric company employees put in double duty all day Tuesday getting power back into operation.

Rain, freezing drizzle and sleet fell intermittently throughout Tuesday, keeping city employees busy picking up tree limbs which broke under the icy weight.

Road conditions were so aggravated by late Tuesday and early Wednesday that most schools in the area ran busses on the pavements only.

The wintery blast sent the mercury skidding to a low of 28, and the high for Tuesday rose to 61. Moisture from the cold front added .55, bringing October's rainfall to 1.92.

Agriculture officials say the early killing freeze won't help the grain sorghum at all. Unharvested grain will probably fall before it can be combined, especially if there is much wind.

Added moisture will have a downward effect on the grade of cotton.

The first winter storm of the season was well on its way out by press time Wednesday with the forecast a cheering sunny and warm.

Starnes Weekly Grid Contest Winner

Dwight Starnes of Littlefield picked every game right in the Leader-News football contest this week to win first place and the \$5 weekly prize.

Eight persons got 15 of the 16 games right, and LaJuana Pickrell of S. Rt. 2 Littlefield, wins the \$3 second place prize for coming closest to the actual scores in the tie breaker box and Virginia McLelland of Amherst is the third place \$2 winner of the week.

Others getting 15 right are Richard Hopping, Mrs. Doris Robison and Ed McCanlies, all of Littlefield, and Libburn Bales of Sudan, Alex Duggan of Amarillo and Harold Pollard of Enochs.

Twenty-six missed only two each for scores of 14 this week.

Randy Dayton maintains his season lead in the contest.

Floyce Pierce slipped from second to fourth. Douglas McNeese, Mozelle Hutson, Richard Hopping and Alan Mackey are now tied for the second place slot.

2 Injured In Crash

Two persons were injured, one seriously, in a two car crash on an ice-slick highway between Springlake and Otton early Tuesday morning.

The accident occurred 12 miles southwest of Otton on Highway 1072 about 7:15 a.m. when the vehicle Linda Mitchell of Earth was driving hit a slick spot on the icy pavement.

According to Highway Patrolman Joe Young, the Mitchell car ran off the right side of the road and back on and spun sideways on the highway where her car was hit by a pickup driven by Ben Holcomb of Route 1 Dimmitt.

Drivers of the two vehicles were brought to the Littlefield Hospital by Parsons Ambulance. Holcomb was transferred to a Lubbock hospital for treatment of chest injuries.

Both vehicles were total losses.

Coin Club Show Set Here Sunday

Lamb County Coin Club members remind the public of its annual coin show in the Littlefield Community Center Sunday, Nov. 5, from 9 a.m. until 5 p.m.

Admission is free to the general public, collectors, and visitors. There will be hourly door prizes. In addition there will be a \$20 and a \$10 gold piece given away at the conclusion of the show.

During the day there will be buying, selling and exchanging. Free appraisals will be given.

County 4-H Banquet Scheduled Saturday

"A New Day, A New Way" will be the theme for the annual Lamb County 4-H Achievement Awards Banquet, slated for the Littlefield Junior High School Cafeteria Saturday, Nov. 4, at 7 p.m.

Randy Bales of the Amherst 4-H Club will serve as the master of ceremonies and Sheila Lewis of the Earth-Springlake 4-H Club will be the mistress of ceremonies.

Guest speaker for the event will be Lee R. Colgan of Lamesa, county extension agent of Dawson County.

Kent Lewis of the Earth-Springlake 4-H Club will introduce Colgan.

County Judge G. T. Sides and County Extension Staff Agents Mrs. Lynn Bowerman, Buddy C. Logsdon and Bobby Brunson will present the awards to the boys and girls.

Slate Line Irrigation of Littlefield is providing the dinner, and Manager T. L. Timmons will be recognized.

Howard Tooley of the Amherst 4-H Club will present the invocation; Dean Walden of the Littlefield 4-H Club will lead the motto and pledge; Aubrey Pitts of the Pleasant Valley 4-H Club will deliver the welcome address; and

Connie Ham of the Sudan 4-H will introduce the guests.

Representatives from the various Lamb County 4-H Clubs will present reports of the year's activities.

Ushers for the event will be Jim Fields, Durk Green, Brent Been, Kelly Tooley, Pat Britton and Rodney Logsdon.

The W.B. Gages Celebrate 50th Wedding Anniversary

BULA—Mr. and Mrs. W. B. Gage of Littlefield will be honored on their 50th wedding anniversary with a reception in the fellowship hall of the Bala Methodist Church Sunday, Nov. 12.

Friends and relatives are invited to call between the hours of 3 and 5 p.m. Hosting the occasion will be their children and grandchildren. Lillian Barton and W. B. Gage were married at 11 a.m., Nov. 12, 1922, in Webb City, Ark., by Arthur Harris, justice of the peace, while sitting in their new Model T-Ford car.

They moved to Shamrock from Arkansas in 1925, where he was engaged in the ginning business. They moved to the

Bula community in 1933, where he operated the Gage gin until 1947. After retiring, they built their home and moved to Littlefield in 1963.

Gage has been in the ginning business most of his life. He has owned gins at Shamrock, Bula, Pep and Amherst, and at the present time he is associated with his sons, Bill and Jimmy, in gins at Pep and Amherst.

They are the parents of four living children, Betty Medlin of Bala; Bill Gage, Pep; Jimmy Gage of Amherst; and Dorothy Gage of the home. All children and grandchildren plan to be present to honor their parents and grandparents on this occasion.

MR. AND MRS. W.B. GAGE

Olton Church Holds Revival

OLTON—Revival services began Monday, Oct. 30, and will continue through Nov. 6, at the Church of Nazarene, according to Rawlings, minister of congregation.

Evangelist Odell A. Brown, an elder in the church, served as minister of the revival throughout Texas.

"Mr. Brown is a holiness preacher, messages are clear and concise," Rawlings said. "Be with us in our service and all the services will begin every evening at 7:30 p.m. Everyone is cordially invited to attend."

Administrators Attend Workshop

Elsie Seymour and Conley, administrators representing the House of Littlefield, returned from a two-day educational workshop Oct. 27-29.

The workshop was sponsored by the Nursing Home Administrators and Texas League for Singing, and was directed by the University of Texas at Austin, Division of Extension, Distributive Education Department.

Titled, "Because We're This Together," the workshop concerned communication and interpersonal relationships between the nursing administrators and staff, and was approved by Texas Licensure Board, Nursing Home Administrators to count toward 34 continuing education.

At the workshop, Elsie Seymour and Conley, administrators representing the House of Littlefield, returned from a two-day educational workshop Oct. 27-29.

Sears

WARNING!

This Sears MULTI-SPEED Belt Massager with Lighted Switch May be Unsafe...

Only Model 449-29110 (Sears only model with a light), sold from December, 1969 until taken off sale October 4, 1972, is affected.

In order to prevent possible injury to any user, we are requesting that you:

1. Unplug unit.
2. Verify that the model is 449-29110—located on a name plate which is on the underside of the motor housing.
3. If you have model number 449-29110, call your closest Sears store and a service man will come to your home to inspect and modify the unit.
4. Do not reconnect the plug until the unit has been modified.

THERE IS NO PROBLEM WITH ANY OTHER SEARS BELT MASSAGER.

This notice is being issued as a result of tests which indicate the possibility that some of these massagers may involve a potentially dangerous electric shock hazard if someone should touch the massager while touching a water pipe, radiator, faucet or other ground connection.

Kindergarten Program

Williams Kindergarten held its annual Halloween program at the Community Center Tuesday morning.

The entire group sang "Halloween Is Coming."

Singing with the Mother Goose Group were Dale Bradley, Gina Bandick, John Davidson, Jamie Davis, Devron Duke, Greg Houk, Kerry Jones, Traci Kelton, Brad Kloiber, Michelle Mills, Rhonda McClain, Sherrity Newman, Shawn Pickrell, Christie Roper, Sherri Rose, David Sekman, Scott Shipley, Todd Tapley, Dean Vargas and Leslie Ann Warren.

Singing with the Humpty Dumpty Girls were Kimberly Byers, Becky Cary, Vonda Embry, Kelli Huckabey, Mandy Miller, Natalie Nelson, Laurie Ratliff, Tannya Sturdivant and Lisa Zeissel.

Humpty Dumpty Boys

singing were Brian Dutton, Douglas Gilbert, Sammy Hardin, Larry Jones, Kevin Nuttall, Tag Price, Kyle Reynolds, Dwayne Ricks, Gary Simmons and Cary Wallace.

Jack and Jill Girls included Elaine Chisholm, Tamara Bean, Tammy Boomer, Sandra Dutton, Danna Johnson, Kimberly McElroy, Kathie Stanley, Kellie Stanley and Kay Lynn Young.

Jack and Jill Boys in the program were George Davis, Troy Duncan, Jeff Kline, Shawn Lance, Dean Spies, Michael Steuart, Mitchell Steuart, Gary Vaughn, Greg White and Sammy Wilson.

The Jack and Jill and Humpty Dumpty groups are the kindergarten boys and girls and the Mother Goose group is the four-year-olds.

LITTLEFIELD

MRS. J. B. McSHAN 385-4337

MRS. AL CHAMBERS visited her daughter and son-

in-law, Mr. and Mrs. Mike McCullough in Canyon, over the weekend.

MRS. JACK CHRISTIAN spent the weekend in Abilene with her mother, Mrs. A. W. Woodford. Mrs. Woodford had eye surgery.

PAT DOWNS recently attended a T.E.A. meeting in San Antonio.

MR. AND MRS. J. E. Chisholm were weekend guests of Mr. and Mrs. Johnnie Baisden and family in New Orleans, La.

EDWIN COFFMAN took his scout troop to Six Flags for the weekend. The First Presbyterian Church sponsors the troop.

MRS. JACK LEMMONS of Plainview spent Wednesday in the home of her sister, Mrs. J. M. Farmer.

MRS. W. M. DAVIS had as guests Saturday and Sunday, her sister and brother-in-law, Mr. and Mrs. A. D. Dorris of Iraan.

MR. AND MRS. Billy Perkins and family of Amarillo spent the weekend visiting his parents, Mr. and Mrs. Jeff Perkins and her parents, Mr. and Mrs. Ollie Davis.

MRS. MAT PATTERSON of Earth visited Saturday with Mr. and Mrs. I. D. Onstead. She also attended Mrs. Jaquess' funeral.

MR. AND MRS. Nelson Naylor entertained sixteen couples from the Lubbock Round Dance Club Sunday night for dinner.

MR. AND MRS. Jeff Perkins spent last Thursday in Plainview on business.

MR. AND MRS. F. G. Daniell returned Sunday from Albuquerque, N.M. where they attended the funeral for his sister, Mrs. B. B. Haynes.

Christian Church Installs Minister

Rev. Kenneth Cole was installed as minister of the First Christian Church of Littlefield and Muleshoe Sunday evening. The service was conducted in the First Christian Church of Littlefield.

Rev. John Knowles, Executive Minister of the Hi-Plains Area of Christian Churches, presided over the service of installation. The sermon was delivered by Dr. Dudley Strain, minister of the First Christian Church in Lubbock.

Special music was brought by J. L. Sechrist of Lubbock who sang, "Love Is the Theme." He was accompanied by Mrs. John

Moore of Muleshoe at the piano. Flowers for the service were provided by Lubbock View Christian Church.

A reception for the minister and his family followed the service. A flower arrangement from the two churches decorated the serving table and was later presented to the minister.

A number of people from other churches in Littlefield attended the service and extended their welcome to the minister and his family at Littlefield. Visiting ministers were Rev. Dave Hamblin of the First United Methodist Church and Rev. Clem Sorley of the First Presbyterian Church in Littlefield.

GERALD MYERS

Women Earn Certificates

OLTON—A Laubach Literacy Workshop was concluded recently with the organization of the Olton Literacy Council. Mrs. Bob Coen was named coordinator of the group.

Laubach Literacy, or "Each One Teach One," is a method developed by Dr. Frank Laubach to teach people to read and write in specific language.

Nine local women received training certificates during the workshop, including Mmes. John Paul Jones, A. J. Spain, W. E. Andrew, Al Jennings, D. S. Price, Eugene Griffin, C. S. Slocot, W. C. Johnson and Miss Virginia Johnson.

Tech Coach To Speak

Gerald Myers, head basketball coach at Texas Tech University for the past two years will be a principal speaker at the Concerned Citizens Rally next Monday night in Littlefield High School Auditorium.

Myers, the winningest high school coach in the Lubbock schools during the sixties with a 150-50 won-lost record was the first Texas Tech athlete in any sport to win all-southwest conference honors. He was all-conference in 1957-58 and the same year was selected first team UPI Little Man All-America and was an All NCAA District 6 selection.

At 35, Myers is one of the youngest major college head basketball coaches in the nation. He was active in the formation of Tech's first chapter of the Fellowship of Christian Athletes.

Everyone in the Littlefield area is cordially invited to attend the rally next Monday, Nov. 6th at 7:30 p.m. in the Littlefield High School Auditorium.

Your VOTE FOR AMENDMENT 1 IS A VOTE

FOR Better GOVERNMENT

THE EXTRA COST IS VERY SMALL.

The proposed increase will cost each Texan less than 6¢ per year, surely a small amount to pay for what is truly not a expenditure at all but an INVESTMENT.

AMENDMENT ONE RAISES LEGISLATIVE PAY TO \$8,400 ANNUALLY. HERE IS WHY YOU SHOULD VOTE FOR AMENDMENT ONE:

MORE PAY MEANS MORE INDEPENDENCE FROM SPECIAL INTEREST LOBBYING.
It follows as clearly as day follows night that the less financial pressure a legislator feels, the less likely he is to succumb to the influence of special interests. For this reason, any legislative reform program which does not include a reasonable salary program is almost certain to fail.

PRESSURES FROM OUTSIDE EMPLOYMENT WILL BE REDUCED.
Conflicts of interest are always a matter of concern. However, the less a legislator must rely on outside employment, the more independent he can be in making important legislative decisions.

LEGISLATIVE SERVICE IS A FULL TIME JOB.
A State Senator serves over 360,000 people and a House Member serves more than 74,000 and on any given day—whether the Legislature is in session or not—you can be assured there are from a dozen to several hundred persons who will call on their legislator for information or assistance or to request his participation in conferences, meetings, or official functions. Incidentally, week-end requests are the rule rather than the exception.
Moreover, the increasing complexity in the problems of state government and the demands of standing and interim committees meeting between sessions leaves the legislator little time to devote to a private business or profession. The legislator who must depend on income from a business will, on any given day, be forced to neglect either his legislative responsibilities or his business—or both.
And whereas his salary has been fixed for the past 11 years, the legislator finds himself considering more than twice as many bills—from around 1,500 ten years ago to something like 4,000 during recent sessions.

LOW PAY KEEPS MANY QUALIFIED PERSONS FROM BECOMING CANDIDATES

With increased pay, the number of qualified individuals who would be willing to offer themselves for legislative services would definitely increase. (Try asking a few individuals who you feel would be great legislative timber if they would take the job for \$92.31 per week—before taxes—even if they didn't have the expense and agony of trying to get elected every two years.) While \$8,400 would probably not be sufficient to sustain most legislators and their families, it would certainly reduce the amount of money they would have to have from other sources.
To put it another way, if you had a million dollar business would you hire \$400 a month clerks to make policy and management decisions? Well, the State of Texas is a \$3 1/2 billion business, and we apparently expect to get top management talent for \$400 per month. Does that really make sense?

HOW TEXAS COMPARES WITH OTHER STATES

STATE	POPULATION	SALARY
California	19,953,134	\$19,200
New York	18,190,740	15,000
Pennsylvania	11,793,909	15,600
Texas	11,196,730	4,800
Illinois	11,113,976	17,500
Michigan	8,875,083	17,000
New Jersey	7,168,164	10,000
Florida	6,789,443	12,000
Massachusetts	5,689,170	11,000
Wisconsin	4,417,933	8,900
Maryland	3,922,399	11,000
Oklahoma	2,559,253	9,000
Hawaii	769,913	12,000
Alaska	302,173	9,000

Note: All states of comparable population pay much larger salaries than Texas as do many smaller states.

Area Football Roundup

Only three games are left on most of the area's football teams' schedules. Up to date, Bala is the only team in the area that has a season that might be termed as a pushover, because the Bulldogs have not been defeated in six man football this year.

Marching Contest Rescheduled Nov. 15

The University Interscholastic League marching contest which was to be held Wednesday has been postponed due to inclement weather.

The Fighting Wildcat Band was to have participated in the UIL Contest at noon at Jones Stadium on the Texas Tech campus. UIL officials have set Nov. 15 as the new contest date.

The members of the Wildcat Band have been practicing and putting forth a lot of effort on "the show" since the first football game.

The band will be playing six songs including "Victory" in the formation of LHS to complete its show.

There are different regions in UIL and LHS is a member of region XVI. A marching contest is held in each region.

Each organization participating in regional music contests must pay a \$5 fee.

Each competing band must occupy the marching field for not more than eight minutes or less than five minutes.

There are also certain required movements the band must make in order to achieve its rating.

The Wildcat Band has achieved Sweepstakes ratings for two consecutive years and is trying for three. The band made a trip to Six Flags Over Texas in May to perform a concert and participate in a Sightreading contest.

Darlie Rountree, director of the Wildcat Band said, "We have a good chance at making a division I and I think we'll probably do it."

will be in the action this week when they travel to Meadow for another conference tilt. The Bulldogs suffered an injury in the first play of the game Friday when Quarterback Randy Miller dislocated his knee and was relieved by his brother, Stanley. The Bulldogs played undefeated Sundown to a 24-12

Junior Varsity Pops Muleshoe

Tommy Batson and Buddy Jungman teamed up to cross the double stripes three times to down Muleshoe 19-7 in Littlefield JV football.

Batson scored from a yard out and Jungman plunged over from two yards and then ran five yards to ice the win.

Coach Boomer stated that this game was the best overall team effort put out by the winners.

Prussic Acid Can Kill Stock

Although recent summer-like weather tends to indicate that winter is still a long way off, it's just a matter of time before the season's first freezing temperatures arrive.

Such a killing frost can spell danger for livestock producers that have cattle grazing on sorghum stubble or any of the sorghum-sudan hybrid pastures.

"The reason is prussic acid poisoning of the animals," points out Dr. James Armstrong, veterinarian with the Texas Agricultural Extension Service, Texas A&M University.

"The danger of prussic acid poisoning exists mainly in pastures and fields where sorghum stubble is making regrowth and where there is vigorous, young growth of Johnsongrass, sorghum-sudan hybrids and related plants. Such growth generally has a high content of prussic acid, especially if produced under stress of dry or cool weather."

According to Armstrong, the main danger to livestock is grazing such pastures and fields immediately after a killing frost.

He advises livestock producers to wait a week to 10

days following a killing frost before allowing cattle to graze suspect pastures and fields. If only a light frost occurs, the veterinarian recommends removing the cattle until plant growth is killed by a heavy freeze.

"Each year numerous animals are lost from prussic acid poisoning. These losses are needless and rob the producer's pocketbook."

Giving special attention to grazing management and staying abreast of changing weather conditions can avoid cattle losses to prussic acid poisoning," contends Armstrong.

YOUTH POLLED ON CHOICES

Nixon Gains Backing From LHS Students

By TINA RUSSELL

The 18-year-old vote, granted by the 26th Amendment, may well turn the tide of election returns when voters return to polls Nov. 7.

It has been reported that enough vote-conscious young people casting their ballots could decide the outcome of the Presidential election.

The conservative Republican party, supporting incumbent President Richard Nixon, has gained an increasing amount of backing from area youth.

"He has done a pretty good job in running our nation," commented senior Josie Rodriguez. "He has also tried to solve the problems the people in the U.S. have."

LHS student Donna Bowman also supports Nixon because "he's done more for the country than anyone." She added that she thinks "he could be a lot better than McGovern."

Nixon's chief political stance is "unite the country." He cites no single issue as the biggest issue of the '72 election.

"I know more about Nixon than the others," noted Melvin Johnson. "He's doing a good job."

"Others say they back Nixon because they 'don't like McGovern' or because 'he's Nixon' doing a good job."

The more liberal Democratic party with controversial candidate George McGovern deemed indecisive by many, claimed little support from area students.

"I like him," remarks junior Jimi Bruton. "I like his campaign."

The newly-formed Socialists Workers Party (SWP) headed by Linda Jessen has correlated the attention of several students.

Randy Dayton, commenting on M. S. Jessen's platform, said he liked "what she supports."

She supports Women's Lib, the Chicano La Raza Unida party," noted Dayton, "and especially the return of P.W.s."

"I don't like Nixon and I don't like McGovern," claimed Donald Britt, another avid Jessen supporter. "Besides, she (M. S. Jessen) is for individual competition instead of big business."

"Senior Scholastic," a weekly magazine received by American history students at LHS, conducted an election-year poll to see how the non-voting juniors would vote. Mrs. Lucille Betts, history teacher, maintained the election on a local basis.

It is unusual for a Republican candidate to win this large a percentage," she said, indicating the 87.9 vote cast in favor of Nixon.

Speaking of the questions overall she added, "It is most unusual to favor a Republican, especially in this area."

Indicating a certain question in regard to treatment of "draft dodgers," she pointed out that while most students were "not for amnesty," complete forgiveness, the girls "were much more lenient than the boys."

The questions and answers were as follows:

1. If the November election were to be held right now and you could vote, who would you vote for?

The majority of students in Mrs. Bett's classes favored Richard Nixon, 44 boys and 43 girls. Seven boys and two girls said George McGovern, while three boys and three girls named "some other candidate."

2. Regardless of whom you would vote for, who do you think will win?

Again, Nixon took this question with 45 boys and 44 girls behind him. Only nine boys and four girls chose McGovern.

3. Check the three issues you consider most important in this election campaign.

First issue with the boys was the Vietnam War, followed by inflation, then crime in the streets. Fourth was busing, unemployment and welfare reform tied for fifth, followed by environment and tax reform. The girls chose the Vietnam War as the first most important issue, then busing and tax reform. Next came a tie between crime and tax reform for fourth, followed by unemployment, welfare reform and environment.

4. This election is being billed as the one presenting the clearest choice between the two major candidates and political platform. The American electorate has had in decades. In your opinion is there a wide difference, a small, but real difference, or little or no difference?

Students favored a wide difference, with 29 boys and 30 girls voting this way. Sixteen boys and 18 girls said there was a small, but real difference, while nine boys claimed little or no difference.

5. Which political party do you think is more committed to meeting the needs of youth?

The majority of boys (22) said both were equal while girls (25) favored the Republican party. The Republican party came second with boys with a vote of 20 followed by Democratic votes of 12. Girls named Republicans second with 18 votes, and the Democratic party third with only five.

6. Will you campaign for any candidate?

An equal number of both sexes said "no" to this question. Fourteen boys and 12 girls plan to work for the reelection of Nixon. Four boys plan to campaign for McGovern.

7. Whom do you trust more?

Nixon won by a clear

majority of 37 votes by boys and 38 girls over McGovern's five votes from boys and one girl. Twenty-one were not sure (12 boys and nine girls).

8. Who do you think your parents favor for the Presidency?

Thirty-five boys and 33 girls guessed Nixon, while nine boys and two girls said McGovern. Ten boys and 13 girls didn't know.

9. What should be the U.S. governmental process toward U.S. draft evaders?

Boys favored letting them return in agreement to military or public service over revoking their citizenship, 17-16. Twelve agreed to letting them return if they would stand trial, while only six chose complete amnesty. Three had no opinion.

The "more lenient" girls chose revoking their U.S. citizenship or letting them return if they would stand trial, 17 votes on each, next choice was to let the "evaders" return if they agreed to military service and amnesty was favored by two.

BRR!! An ice-coated pine tree holds the attention of several LHS students. From left to right are Gina Beth Bartley, Druanne Wilkinson, Pixie Weige, Dana Middlebrooks, and Tandy Talburt.

'Ex' Planning FOR DECEMBER PRODUCTION To Utilize Spare Time Musical Cast Announced

By TANDY TALBURT

Tommy Crosby, LHS supporter and former student, is once again the pupil of a Littlefield High School teacher.

Mrs. Hazel Ward, English and art teacher, is going to begin giving Crosby painting lessons. The lessons were his idea, and Mrs. Ward stated that she hoped to help him "utilize his spare time." When questioned about his recent artistic endeavors, Crosby said, "I've been messing around, but nothing significant."

Mrs. Ward also stated that, in her opinion, Crosby has talent in the field of poetry. He has written two poems, one of which follows:

The Three Of Us
The three of us,
We were as one.
We had our fights,
But we were friends.
We had our good times,
We had our bad times,
We were close knit —
A family.
We were together,
Spring,
Summer,
Autumn,
Winter came,
Then there were two.
There is no time for sorrow,
Only remembrance.
All we can do is cherish the times we had together.
In memory of Kenny Claunch.

By RITA MCKINNEY

It's getting closer and closer and it's going to be stupendous. It's "The Music Man" and it will be presented by the Littlefield Choir Dec. 16, at the Junior High School Auditorium. Tickets will go on sale in mid-November.

Cast selected for the production were: David Barton - Harold Hill; Maurice Gonzales, Sheldon Zahn, Johnnie Wimberly, and Richard Barton - traveling salesmen; Andy Rogers - Charlie Cowell; Danny Cushion - conductor; Bryan

WEEK OF EXCITEMENT

FFAers' Stock Place In Dallas Contest

By JACKIE HORTON

Ten LHS Future Farmers of America enjoyed the week of Oct. 15-Oct. 21 in Dallas at the State Fair. Along with this week of excitement went many previous hours of hard work on their stock in preparation for the fair.

Marc Payne, Kenan Lichte, Monte Angel, Doug Allen, Steve Carr, Jerry Ogerly, Don Davis, Paul Parsons, Steve Foley, Joe Foley, and FFA sponsor, Art Sommerfeld, left the "ag barns" for Dallas.

Monte Angel and Sommerfeld took their pickups and hauled the animals to the big event. Altogether there were 16 hogs and two sheep that successfully made the trip. At Dallas the group stayed at the Park Plaza Hotel.

Activities at the State Fair included a car show, a carnival, musical exhibits, a horse show and stock show. The horse show displayed English riding, western pleasure, cutting horses and roping horses.

Each boy showed his stock in its division according to its weight.

In the Light Weight Che division Steve Carr took place, Jerry Ogerly 2nd, Monte Angel 16th.

Doug Allen won 15th place in the Middle Weight Che division.

In the Heavy Weight Che division, Steve Carr placed 14th and 15th.

Kenan Lichte placed 2nd with his 239 pound Hampshire pig. Don Davis also placed in the Heavy Weight Hampshire division, taking 13th.

Monte Angel and Doug Allen placed second and 4th respectively in the Light Weight spot division.

Jerry Ogerly placed 1st in the Middle Weight division and seventh in Light Weight York division.

Joe Foley placed 20th in his Suffolk Cross lamb.

Referring to the trip, Davis said, "I thought show was good, and he couldn't have been better. This group returned Littlefield Oct. 21."

FFA officers for this year are: President Weldon Carr; Vice President Don Davis; Secretary Monte Angel; Treasurer Steve Foley; Reporter Steve Carr; and meets the second Tuesday every month.

Rehearsals have already begun in class and in small groups. The first rehearsal for the full company of the musical will be held today at 7:30 p.m. in the Junior High School Auditorium.

A small orchestra consisting of three flutes, two trombones, a bass clarinet, a baritone saxophone, a string bass, a percussion section, and a piano will provide the accompaniment for the musical.

Students who are registered for the Nov. 4 should be at the high school cafeteria by 8:15 a.m. of the test, and they should bring with them the admission slip from the College Entrance Examination Board. It should also bring three sharpened #2 pencils.

Students who wish to register for the ACT in February should register for the test between Nov. 27 and Jan. 29. If you wish to take the Dec. 9 test, you must register before 13.

Mrs. Koua Sue Donworth, choir director, stated, "I am very pleased with the cooperation I am getting from the cast. Although we were a bit late in receiving our music, we are right on schedule regarding our rehearsals."

FLASHBACK
Band Sweetheart in 1951 was Jo Pickrell.

News Briefs

MR. JACK YORK, LHS principal, has been invited to visit the Westpoint Academy in New York.

York, along with several other persons from this area, will be making the trip on Nov. 28 and will fly back Dec. 1.

The trip and tour of the Academy is being made in hopes that students from this area will become interested in attending Westpoint.

FARECENTLY decided to conduct two turkey shoots. This was voted on and passed at the meeting, Oct. 9. These shoots will be held approximately two weeks before Christmas. Details will be announced later.

INDUSTRIAL ARTS Club elected Mari Louise Bennett as their Sweetheart at their first meeting Oct. 17 in the drafting room.

Officers for the new year are Alan Mackey, president; Bill Hamblin, vice-president; Ben McKinnon, secretary; Nato Trejo, treasurer; Randy Cook, sergeant at arms; and Ricky Richards, reporter.

FLASHBACK
Richard Eddings and Lena Naylor were All Wildcat Boy and Girl in 1962.

Team To Attend Basketball Clinic

The varsity girls' basketball team, along with the eighth and ninth grade teams, will be attending the "Flying Queens" basketball clinic this year at Wayland Baptist College in Plainview.

The clinic, set for Saturday will feature demonstrations by the internationally known "Flying Queens" basketball Coaches of some of the more outstanding teams will come to teach techniques and basketball skills.

Miss Collins, basketball coach, has attended the clinic for several years and "played in it" as a high school student at Petersburg.

"BUT HALLOWEEN IS JUST OVER," think these two 'ghouls' as they view the Christmas decorations that were being displayed by mid-October.

'Tomorrow's Homemaker' Competition Planned

On Dec. 5 at 8:30 a.m. the Betty Crocker "Homemakers of Tomorrow" test will be given in the LHS auditorium.

Although the test in LHS is restricted to senior girls, it will be given to senior boys in other states, beginning this year.

The local winners will receive "Homemakers of Tomorrow" pins. Then they will compete with other local winners in the state competition. Awards in the state competition include various scholarships, and other prizes.

The test is designed to help give men and women a deeper appreciation of the American home, and family relationships.

FLASHBACK
Marcia McBride and Mike Lumsden were Outstanding Girl and Boy in 1967.

PROTECT 'INNOCENT'

Names Change For Football

By HICKY RICHARDS

It was third and 10 and the Wildcats had a blitz on "Wild Bill" was stamped over the passer and the quarterback got the slobby pass off at the last moment. Then out of nowhere comes "No Arms" who picks off the ball from the opponent on their 15.

Fired up and ready to play comes the Wildcat offense. "Wimp" steps up to call the play. It's a sweep to the right side with "Cooky" leading the way for "Huk" behind the line of scrimmage. It is second and 12 and with "Wimp" not out of the game yet, he again steps up to call the play. It is a play action pass where "Loddy" goes up the middle and "Wimp" drops back and hits Bones crossing over the middle. Just as the ball hits him a member of the opposing team crashes into him and

he can not hold on to the ball. It is now third and 12 and the play called is a draw which will be run over "Fox." During the play the opponent manages to knock "Skip" back into the hole. "Huk" gains only three yards. Time is called and in comes "Horris" with his water bucket. On fourth and about nine, "German" comes in with his kicking shoe on. He is going to attempt a 51-yard field goal where he will be kicking from the 41. The ball is snapped to holder "No Arms" and it is kicked. It's good! "German" sets a new state field goal record for distance, at 51 yards.

Although the story is fictional, the nicknames have not been changed to protect anyone! When a group of boys are together for days and they get to know each other pretty

well and when certain things happen and for certain reasons, nicknames are given. These nicknames are some you might hear in a practice session or on the sidelines with the Wildcats:

J. E. Johnson — "Huk"
Larry Hobratchek — "German"

Alan Mackey — "No Arms"
Randy Cook — "Cooky"

Floyd Smith — "Skip" (or Smitty)
Bill Hamblin — "Wild Bill"

Jerry Cox — "Fax"
Randy Wesley — "Bones"
Clotis Twitty — "Loddy"

Mike Morris — "Horris"
Terry Bryson — "Wimp"

Wife Crazy About Sports Enjoys Small-Town Life

(Editor's note: The feature stories on the wives of LHS coaches were written by Katalyst reporters Rita McKinney, Tina Russell and Shelly Grant. This is the third in a series of five articles.)

"I like the action and going places. I've always been sports crazy," Brenda Boomer remarked, speaking of the advantages of having a coach for a husband.

The 26-year-old Mrs. Boomer, who is a substitute teacher, added that she dislikes the "overwarmed suppers" and the fact that her husband, Lewis Boomer, is often too tired "when the kids want to play."

Boomer, 28, is the jv./or varsity football and basketball coach and head track coach. He also teaches high school Government.

"The kids" are 5-year-old Tammy and her brother Timmy, who is 2.

Mrs. Boomer went to school in Guymon, Okla. where she was raised. As a senior she was co-head cheerleader and "interested in speech." She graduated in 1963.

She met Boomer at Panhandle State University where they were both students and she married him in 1965. She received a business degree from Wichita State University in 1966.

They moved to Littlefield from Odessa where Boomer coached freshmen for two years before moving to LHS. Speaking of Littlefield, Mrs. Boomer said, "I love it and the people. It's like Guymon. I know everyone here." In her spare time, she paints, both in oils and with watercolors. She also enjoys sewing and decorating.

Littlefield News
By MRS. J.B. McSHAN

MR. AND MRS. Homer Howard returned Saturday from spending a week in Houston with their daughter and family. Mr. and Mrs. Ronnie Glover.

MRS. LEWIS GLASS of Riverside, Calif., former resident of Littlefield, left this week after spending several days with her friends, Mrs. Billy Williams.

MRS. HOUSTON HOOVER spent a few days this week in Tahoka visiting her mother, Mrs. Edwards and other relatives.

MISS GEORGIA BAHLMAN, a teacher in the Springlake schools, spent the weekend with her parents, Mr. and Mrs. George Bahlman of Bala. They all attended the First United Methodist Church Sunday.

MR. AND MRS. Calvin Price were guests Sunday of his brother and wife, Mr. and Mrs. Alvin Price in Seagraves.

MISS OLIVE SHIVES of Los Angeles, Calif. is visiting her sister and brother-in-law, Mr. and Mrs. J. D. Hagler.

MR. AND MRS. Bobby Faulkner of Odessa visited her sister and family, Mrs. Billy Williams over the weekend.

REV. AND MRS. C. P. McMaster attended the funeral for his brother-in-law in Lakeview, this week.

MRS. C. A. JOPLIN and Mrs. W. H. Rutledge returned Monday from visiting relatives. They drove to Dallas and were guests of Mr. and Mrs. Mike Joplin and family. From there Mrs. Joplin flew to Ames, Iowa for a visit with her daughter and family. Dr. and Mrs. H. M. Taylor and Mrs. Rutledge flew to Rolla, Mo. for a visit with her son, Rev. and Mrs. Warren Rutledge and family. They also visited a sister in Decatur before returning home.

MR. AND MRS. Joe Pat Hart of Burger visited his mother, Mrs. Bertha Hart, Saturday.

MRS. CELESTA McWilliams returned home over the weekend from Methodist Hospital where she had major surgery.

Don Workman, former National Collegiate Bull Riding Champion, will speak on the program of the Concerned Citizens Rally Monday night at 7:30 p.m. in the Littlefield High School Auditorium.

Workman was selected by the Lubbock Chamber of Commerce as the "Outstanding Young Man in Lubbock" last year. He serves on numerous boards dealing with banking and agricultural interests in the South Plains area.

He has been active in the West Texas Water Conservation Program for the past several years. Workman is presently vice president in the commercial loan department of First National Bank of Lubbock.

All citizens of Littlefield and the surrounding area are invited to attend this rally.

Card Of Thanks

I would like to express my thanks to our many friends for their prayers, blood, cards, flowers and any other acts of kindness shown to me and my family since I have been sick. We cannot tell you enough how we appreciate all these acts of kindness and love. It would be impossible to thank each person without leaving someone out so please let this serve as our sincere thanks. **THE WINFRED CROSBY FAMILY**

We would like to thank the Littlefield fire department and others for their efforts to save our house. It was heart-breaking to see a house you have wanted for 20 years burn to the ground, but we are so thankful we weren't in the house at the time of the fire. We know the firemen did all they could to save it. **THE YESEL FAMILY**

Antique Show Slated This Weekend

The Twentieth semi-annual Lubbock Antique Show and Sale will be held this weekend, Nov. 3, 4 and 5, at the Texas National Guard Armory in Lubbock. The Lubbock Antique Show and Sale provides a service to buyers of antiques, saving time and travel expense by bringing together, under one roof, 24 dealers from 5 states with a variety of antiques. Whether a person is seeking a particular kind of antique or decorative object the show offers a gathering of interesting objects.

County Survey Committee Garners Service Award

Recognition for an outstanding history preservation program was recently accorded the Lamb County Historical Survey Committee, headed by V. M. Peterman of Amherst. At the Oct. 27-28 Annual Meeting of the Texas State Historical Survey Committee in Austin, 34 county historical survey committees received the Distinguished Service Award for organizing progressive and well-rounded local history programs during the last year. Among the rigorous requirements for the Distinguished Service Award

Lamb Program Tonight

An outstanding program has been planned by the Lamb County Livestock Committee at the county extension office for those interested in sheep production. The program is aimed primarily at raising stocker lambs on small grains and stubble. The meeting will be held at the Springlake School Cafeteria tonight, Thursday, Nov. 2, beginning at 7:30 p.m. Speakers for the program include Carl Menzies, research director, Texas A&M Research and Extension

WHITHARRAL NEWS

MRS. J. E. WADE 299-4267

KENNY DUKATNIK, son of Mr. and Mrs. Adolph Dukatnik, is in Dimmitt working at a gin for his uncle, Delbert Timmons. Kenny graduated from Whitharral last year. **WHITHARRAL PEOPLE** in Lubbock Wednesday evening to see the "Bread" rock concert group perform were Danny Dukatnik, Cynthia Wade, Charla Hisaw, Sherri Gage, Connie White, Darlene Burns, Mr. and Mrs. Charles Addington and Danny Chronister. **MR. AND MRS. Robert Avery** were at their cabin on Lake Thomas last weekend to fish and winterize. They returned home Wednesday. **SATURDAY, NOV. 4,** there will be a lingerie and

NAOMI ROUNTREE is the winner of a gift certificate that was recently given out in a drawing at the local Anthony Store. Charles Barrett, store manager, awarded the certificate.

Registration Begins At Vocational School

Winter registration for the School of Vocational Arts at Amarillo College will begin Nov. 6, according to Everett Williams, Dean of the School of Vocational Arts.

Courses to be offered include air conditioning and refrigeration, automotive mechanics, diesel mechanics, welding and commercial electronics, including repair of radio, television, and two-way radio.

Williams requested that students obtain an application blank to be returned to the SVA Registrar's Office before registration. "Although we will take the blanks the day the students register," he added.

Full-time students, those attending class six hours a day five days a week, will register beginning at 8 a. m. Part-time students, those attending classes five hours a night Monday, Tuesday and Wednesday, will register beginning at 6 p. m.

Those students already enrolled in the five SVA courses will also register Nov. 6.

Late registration will be Nov. 7, 9, 10 and 13. Fee for the full-time welding

class is \$105 for the term in addition to books and tools. Fees for all other full-time courses are \$75 for the term. Cost of books and tools is additional.

FOOD INCREASES
The overall cost of index has risen by 73 per cent in the past 25 years. The increase for all food was 90 per cent.
