

Green Thumb Program Gets Go-Ahead For '74

Green Thumb Director, Robert ... of Waco, has announced the ... of the Green Thumb Program

Contract which will fund ... through September of this ... the Texas program at its ... of 172 job slots for Texas.

The refunding of Green Thumb ... level as last year. I an- ... no cut-back in our present ... of curtailment of project,"

Green Thumb is a public ser- ... -ment-training program for ... persons 35 years of age and

Program is sponsored by Texas ... Unions and funded by the ... ment of Labor under Operation ... am. The Program has operated ... since October 1970.

Lamb County program began in

1971 with one crew. Another crew was later assigned to the county, with work being divided to the north and south portions of the county.

Charlie F. Carrico of Amherst is foreman of a group from Littlefield, and Murl Chisholm of Littlefield is assistant foreman.

Foreman of the group at Olton is Mack Keating of Olton. Area foreman is O. M. Yell, and area supervisor is Mrs. Hazel Abernathy of Plainview.

The state director also reported that the program would continue its projects in the same 16 counties as last year.

"The continuing strong support from local project sponsors, community leaders, and congressional representatives is most heartening," Mullins said. The Texas Green Thumb Staff and enrollees pledge to continue our program of rebuilding Rural Texas", in the upcoming months.

Cancer Society President Presents Annual Report

Lamb County County unit of the American Cancer Society will meet ... night, Feb. 12, in the Melvin ... me, 711 Ave. A in Olton.

Plans for the annual fund- ... campaign, slated for March, will ... used, and goals for individual ... will be set.

Melvin Rape of Olton, president of the County Cancer Society has ... that Texans gave the ... Cancer Society more than ... dollars this past fiscal year.

County residents contributed ... \$9,000 of that amount.

Money is one way of showing the ... now being placed on cancer

New action programs are ... -ly emerging to help save over ... lives we are now losing from ... Rape said.

According to the 1973 Annual Report of ... American Cancer Society, Texas ... now available to the public, the ... Society has four main program ... professional education, public ... service/rehabilitation and

Professional education provides up-to- ... information on cancer diagnosis ... -ment to the medical and allied ... professions. The past fiscal year, ... programs reached over 64,000 ... dentists and nurses. Also, 17 ... and 26 conferences were sup- ... by the American Cancer Society

Education helps save lives by ... ing public awareness and ... ge about cancer prompting ... gnosis and treatment of the ... This year over 30,000 programs ... presented to an audience of ... people. Programs included ... educational films, physicians and ... kers, also thousands of exhibits

and millions of educational pamphlets. Rape is the education chairman for Lamb County.

The service rehabilitation program seeks to save lives, to ease the pains and lighten the many burdens the disease places on its victims and their families.

This year, the total number receiving ACS Service in Texas was 17,390 Texans. Rape is the service chairman of the Lamb County Unit of the SCS. For example, the "Reach to Recovery" program for mastectomy patients served 1,120 women. This is a new program which has recently been organized in the Lamb County area.

Another example, 288 laryngectomies were given free esophageal speech lessons by the Society.

Research is a crucial phase of the ACS activity which enhances the possibility of finding those answers that will be useful to humanity for control of cancer.

During 1973, grants in Texas included: 17 National fellowships, 31 research grants and eight Texas Division fellowships.

The total of these grants exceeded \$1,804,600. For every dollar raised in Texas last year, 36 cents was spent on research. "One further fact here", stated the local president, "for every dollar raised in the State of Texas, the Cancer Society spent \$1.04. The additional four cents came to Texas from research grants made by the National Society."

Rape concluded, "I feel that fighting cancer is a local responsibility and a challenge every concerned individual should meet. Every man, woman and child in our community has a stake in the outcome and each has a responsibility to participate in it. The American Cancer Society provides the opportunity."

County are included. One is a 2.2 mile stretch from the east city limits of Olton to the Hale County line at a cost of \$18,000 for the purchase of right of way.

The second location is a 9.5 mile stretch from the east city limits of Springlake to the west city limits of Olton at a cost of \$31,500 for the purchase of right of way.

Statewide the program provides for construction or reconstruction of a total of 2,036.1 miles of rural and urban highway facilities.

Estimated cost of construction is \$235 million.

The program also includes \$15 million for the state's share of right of way costs for US- and State-numbered highways across the state. Included were needed projects in both urban and rural areas.

Also considered are the condition of existing facilities, existing and projected traffic, safety and planned area development.

LL Baseball Meeting Slated

Everyone interested in Little League Baseball for boys in the age range of 9 to 12 years old, including the coaches, parents and umpires, are asked to attend an organizational meeting Monday night, Feb. 11, at 7 p.m. in the XIT Room of Security State Bank.

Plans for every phase of this year's program is to be discussed, and scheduling will be considered.

LAMB COUNTY LEADER-NEWS

VOLUME 51 NUMBER 82 LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, FEB. 7, 1974 8 PAGES

15 CENTS TAX INCLUDED

SALE OF 1974 license plates started Friday. Tax assessor deputy Pam Trotter displays the first and last series of prefix letters for Lamb County passenger cars. This year's tags are lettered CJD 25 through CJP 124. Motorists have until April 1 to display '74 plates. (Staff Photo)

Vehicle Registration Began Friday In County

Feb. 1 and April 1: Two important dates for Texas motorists to remember.

Friday, 1, in person motor vehicle registration began at county tax offices and substations.

April 1 is the deadline for Texas motorists to display their 1974 license plates.

Within this two-month period, 8.4 million motor vehicles must be registered to operate on Texas streets and highways. Again, as in recent years, the same rules for motor vehicle registration apply.

The motorist may register his vehicle in person at his county tax office or substation by bringing in the entire handy three-part form he received in the mail from the Texas Highway Department. It takes only a few minutes to process the form, collect the fee and send the motorist on his way with new license plates.

Or, drivers can save themselves a trip downtown if they register by mail prior to March 1. Simply send in the complete three-part form, the registration fee plus one dollar for each vehicle to the

Tax Assessor-Collector in the county in which they live.

After March 1 it will be necessary to go to the county tax office or substation in person as 30 days are required for mail delivery. In any case, owners will find the procedure simplified by using the computerized forms.

With the form, certificate of title and last year's registration receipt are not needed.

Whether applying by mail or in person—the important thing for the driver to remember is do not separate the three-part application form. The entire form must be mailed or taken to the county tax office or substation.

A stick-down strip showing the new license number is attached to all sections of the form. The tax office separates the form, returning part of it as a receipt for the owner.

Applications for license plates should be sent only to the local county tax office. Motorists should NOT send their payments to the Texas Highway Department because this will delay their registration.

Liquor Violations Filed Against 3

Five persons were charged with various offenses at the Lamb County jail this week.

Herman Wilson, 47, of Littlefield was charged with liquor law violation Thursday, and released on a \$500 bond.

R. C. Willard, 27, of Littlefield was charged with violation of the liquor law Saturday and released Monday. He was fined \$200 plus court cost.

Sheriff's deputy Wayne Cooper went to Indianapolis, Ind., and picked up two men on county charges. Booked here Sunday were Joe Bunton, 29, on a charge of violation of probation, and Bill Ritter, 31, was booked on a grand jury indictment.

Sunday, Phillip Doyle Jennings, 19, was charged with driving while intoxicated. He was fined \$100 plus court cost and 10 days, probated.

County authorities are investigating theft and vandalism on the Charles Carpenter farm northwest of Littlefield over the weekend. After filling a vehicle with gasoline, a plug was pulled on a gas tank and 500 gallons of gasoline was let out on the ground.

City Council Meets Tonight

Littlefield's city council will meet for its first of two monthly meetings tonight in the Council Chamber of the City Hall.

The meeting will begin at 7 p.m. with three items of business slated for discussion.

Jim Clayton, representing the South Plains Health Provider Organization, will be present to discuss a food service sanitation ordinance.

Councilmen will next consider the awarding of a bid for 60,000 square yards of seal coating.

One matter of old business is to be discussed. The council will consider an ordinance giving Pioneer Natural Gas Co. a monthly pass through provision

Roster Complete With Seven Posts Contested

The political boat is loaded for the 1974 May primary.

When the filing deadline ended Monday, seven elected officials had drawn opposition candidates.

Fannie Rogers filed for the office of Lamb County treasurer against incumbent Lucy Moreland in the waning hours before the filing deadline. Mrs. Rogers' filing makes all but two of the county-wide offices contested.

Three seek the post of county clerk. Mary Beth Willey filed for re-election. She is opposed by Kathryn Day and Betty Hall.

The county judge's post and the terms of two commissioners are expiring. All three places have drawn opposition candidates. Bill Angel is running for county judge against incumbent G. T. Sides. T. L. "Buddy" Free, commissioner of precinct 2 at Earth is opposed by Clarence Kelley. Long-time commissioner of precinct 4, Hubert

Dykes, is opposed by Eugene Young of Amherst.

Two of the five justices of peace with expiring terms have drawn opponents. In the Littlefield JP precinct 4, Jerry Collins has filed for the office now held by Stanley Doss. Norman Humphreys has filed for the JP precinct 5 post at Sudan where W. P. "Toby" Vereen is incumbent.

Unopposed JPs are E. L. "Jack" Yarbrough at Amherst, E. Ted Borum at Earth, and W. G. Finney at Olton.

County wide, Ray Lynn Britt is unopposed for the office of district clerk, and C. Roy Stevens is running unopposed for county school superintendent.

Glenn Batson is the county democratic chairman. He has filed for another term and is unopposed in his bid for this position.

District Judge Pat Boone Jr. is alone in his bid for another term in the 154th judicial district.

Four Olton Citizens Honored At Banquet

By JOELLA LOVVERN

Four of Olton's citizens were given special recognition and standing ovations Tuesday night during the 17th Annual Olton Chamber of Commerce and Agriculture Banquet in the school cafeteria.

The "Outstanding Citizen" award was presented to Melvin Rape by Joe Turner, the 1973 recipient of the same award. Margie Coen was honored as "Outstanding Woman" and received her introduction and plaque from last year's recipient, Margaret Parsons.

Larry Witten, the 1973 recipient of the "Outstanding Farmer" award, presented this year's award to Raymond "Cotton" Lewis.

The first annual "Outstanding Fireman" award was presented to Eldon Franks, who retired Jan. 1. That award was presented by Bub Holt.

Theme for the night's program was "Counter Measures For Crises" with cleverly done decorations of tape measures down the tables, the Sears catalogue pages as napkins, and suggestions on conservation of paper, fuel, energy, etc. written everywhere.

Besides the introduction of the special citizens of the year, another highlight of the evening came when the speaker, Reagan V. Brown, recently appointed special assistant to Governor Dolph Briscoe, entertained his audience of about 250 persons with humorous notations throughout his speech.

He was introduced by State Representative Bill Clayton.

Brown noted that this was the 97th speech he had made since joining the Governor's staff. In keeping with the theme of the night, Brown stated, "Don't

waste wishes on things that might have been." He went on to quote a poem written by Henry Van Dyke, and emphasized four points the poem makes. 1. Think clearly; 2. Love your fellow man; 3. Give an honest effort; and 4. Trust in heaven and God securely.

At the close of his speech, Brown accepted a plaque in behalf of Governor Dolph Briscoe. A gift of a gray felt hat was presented to Brown.

During his introductory speech, Rep. Clayton made a brief progress report on the "Con Con" meeting (Constitutional Convention). He stated that he had received many inquiries and letters urging that special attention be brought to Article I (the Bill of Rights) and the Preamble of the Article, where some delegates were attempting to take the reference to "God" out of the preamble of the constitution. He was strongly applauded when he said, "I'm proud to report that God is still there!"

The 1974 officers of the Olton C-CA were introduced by Garland Ruthart. They are Garland Ruthart, president; Carl McClure, vice president; Ken Burgess, secretary-treasurer; and Melvin Rape, past president.

Other 1974 directors are Owen Jones, Larry Garvin, Lloyd Graham, Gene Trotter, Elmer Moore, Leon Noack, Basil Sherman and Stephen Smith.

Members of the staff include Eldon Franks, manager; and Frances Redinger, secretary.

Guests from most area cities were introduced by Melvin Rape.

Serving as master of ceremonies for the night was Larry Garvin, and presenting the dinner music on the piano was Pat Hukill.

OLTON CITIZENS recognized four citizens as "outstanding" during their 17th Annual Chamber of Commerce and Agriculture Banquet Tuesday night. Named Outstanding Citizen was Melvin Rape, left; Outstanding Fireman, Eldon Franks; Outstanding Woman, Margie Coen; and Outstanding Farmer, Raymond "Cotton" Lewis. (Staff Photo)

MR. AND MRS. JOHN GOEN

Reception To Honor Mr., Mrs. John Goen

In observance of their 50 Wedding Anniversary, Mr. and Mrs. John Goen of Anton, will be honored at a reception from 2 to 4 p.m. Sunday, Feb. 10, in the home of their son, Mr. and Mrs. Boyd T. Goen, 206 East 8th Street in Anton.

Hosting the event are the couple's children: Mr. and Mrs. Don Goen, Mr. and Mrs. Boyd Goen, both of Anton, Mr. and Mrs. Johnny J. Lindsey, of Tucumcari, N.M. and Mr. and Mrs. Bobby Raper of Lubbock. The Goen's oldest son, Kenneth Lee, was killed in an automobile accident in 1949.

The former Miss Hiva Sills and Goen were married Feb. 14, 1924 in Greenville. After their marriage they farmed near Greenville until they moved to Chelsea, Okla. in 1925. They moved to Anton in 1928 where Goen had been engaged in custom harvesting and construction until his retirement in 1972.

over gold satin and decorations will feature gold and red floral arrangements in a Valentine motif.

Guests will be greeted and served by grandchildren. They are Mr. and Mrs. Harold Hutchins of Tucumcari, N.M.; Mr. and Mrs. Johnny Williams, Shallowater; Michael Williams, Miss Linda Raper, Miss Marla Raper and Mr. and Mrs. Carl W. Goen, all of Lubbock; Mr. and Mrs. Boyd W. Goen, Weatherford; James Robert Goen, Earnie Dale Goen and Mr. and Mrs. Gene Goen, all of Anton.

Two grandchildren, Mr. and Mrs. Ray Gregg of Tulsa, Okla., and Mr. and Mrs. James Lindsey of Germany, will be unable to attend.

Assisting in the houseparty will be Mrs. Louis Boothe, niece of the Goen's and her daughters Lisa and Phyllis.

They are grandparents of 13 grandchildren and 10 great-grandchildren.

Friends and relatives of the family are invited to attend.

Senior Citizens Are Entertained

AMHERST—The Amherst Senior Citizen Social Club was entertained by a group of musicians, Tuesday night, Jan. 29, at the Amherst Community Center.

Fiddle and guitar music was enjoyed by the 53 persons who attended.

The South Plains Hospital Auxiliary. Serving as hostesses were Mmes. Morine Nicholson, Avis Schroeder, Melva Mote, Velma Harmon, Helen Mixon, Edna Seymour, Edith Humphreys, Bertha Black, and Della Thomas.

Refreshments of sandwiches, assorted cookies, spiced apple cider, and coffee were served to those attending.

The next meeting will be Tuesday, Feb. 12, at 7 p.m. Anyone interested is welcome.

Salad Supper Fetes Circle

AMHERST—Mrs. Verdell Burton was hostess for the salad supper of the Ruth Salesbee Circle of the Baptist W.M.U. at her home Monday night.

Mrs. Bobby Brantley and Mrs. Dick McDaniel gave the devotional and Mrs. Raymond Duvall the prayer before the meal.

Those attending were Mmes. Winston Ferguson, Gene Young, Jimmy Cowan, Bobby Brantley, Dick McDaniel, Troy Jones, Hudson Cantrell, Raymond Duvall and Burton.

Banquet To Honor Cubs

Cub Scout Troop 641 will be honored at their annual Blue and Gold Banquet in the Lamb County Community Center Monday night, Feb. 11, at 7 p.m.

In addition to the covered dish supper, an awards ceremony will recognize boys who have earned awards.

Members of the troop and their parents are urged to attend and bring a covered dish.

Also scheduled will be a cake auction sale. Cakes sold will be baked by Cub Scouts and their fathers.

Junior High Students View Science Show

"The world we live in today is merely a stepping stone to tomorrow, with countless challenging questions left for scientists and engineers to answer," is the message of opportunity as presented to Littlefield students when General Motors' national assembly program, "Previews of Progress", appeared at Littlefield Junior High School Monday afternoon.

The non-commercial show seeks to encourage more student interest in science, engineering, and related vocational careers. It was presented live and in non-technical language by General Motors lecturers, Joe Duran and Jack Tourney of the Detroit central office.

Two highlights of the 45-minute program included energy conversion techniques involving fuel cells and solar cells. Potentially one of the most significant scientific developments of the century, fuel cells convert chemical energy into electrical power with much greater efficiency than is now obtained from conventional power plants.

The GM representatives also explained how the energy of the sun can be converted into electricity by running a model of the Surveyor Lunar Roving Vehicle on solar cells. A 300-watt lamp, simulating the sun's rays, powered the Moon Rover across an unulating table top surface.

Students also saw two fast-paced demonstrations which illustrate recent developments toward solving water

MRS. DAVID HOFFMAN (Linda Clayton) of Colorado Springs had the misfortune to fall in January while skiing, breaking her leg near her ankle. She continues to improve and is teaching in a Colorado Springs school after an absence of several days.

MR. AND MRS. Davis May of San Antonio were here with her mother, Mrs. Pearl Blanchard, during the weekend. Mrs. Blanchard's sister, Mrs. Edna Arnold of Shallowater died here in the hospital Saturday night after being a patient there several weeks.

MRS. DON HEVERN was a winner in the McCall's magazine contest. She received notice Saturday that she was fourth prize sweepstakes winner. A check for \$500 was enclosed.

MR. AND MRS. David Harmon went to Dallas Saturday for a visit with their daughter, Mr. and Mrs. Ron Coffee and family, and attend the baptismal service for their three-month twins at their United Methodist Church.

MR. AND MRS. N. B. Embry took their daughter, Mrs. Larry Leonard, Kelly Ann and Justin as far as Abilene Friday as they returned home after a visit here. Dr. Leonard of Dallas met his family there. The Embrys visited relatives in Abilene and relatives at Sunrise Beach on LBJ Lake and at Brady as they returned home.

MR. AND MRS. W. P. Holland attended the basketball game at Tech Saturday.

GENE PRIDDY was returned home from Lubbock Wednesday where he underwent major surgery successfully in January. Their daughter, Mrs. Richard Castell (Joy), of Abilene was with them a few days in Lubbock.

REV. JARRELL THARP of Powell, Wyo. visited his parents, Mr. and Mrs. S. J. Tharp for a brief visit last week. Mr. and Mrs. David Harmon took him to the plane in Lubbock as he returned home.

MRS. RAY BLESSING was in Olton Saturday for the meeting of the Delta Kappa Gamma.

DONNIE GILLILAND of Lubbock visited her parents, Mr. and Mrs. Troy Gilliland and sister and husband, Mr. and Mrs. Dale Edwards for the weekend.

MR. AND MRS. Bill Elms and Mr. and Mrs. Wilson Vaught of Littlefield were in Crosbyton recently and toured the new gin, all electric American Cotton Growers.

MR. AND MRS. Leon Hardwick Jr. of Clovis visited his mother and other relatives recently.

MR. AND MRS. Roger Britt are business visitors in Austin this week.

MRS. DOC (Artie) Shavor returned from Dallas last week. She and Doc accompanied their son Bennie and family after their holiday visit here. Doc has been in the Baylor Rehabilitation Center several weeks where he is still a patient for therapy treatment. Doc was severely injured in an automobile accident almost six years ago.

BILL (W. E.) McDaniel of Lubbock visited his son, Dick and family and sister, Mrs. John Faust last Saturday.

MRS. S. E. Lance is spending this week with her son, Harold and family in Quanah.

MRS. EFFIE VEACH was brought home (the Amherst Manor) Sunday from Methodist Hospital at Lubbock where she underwent major surgery.

SHERYL WILLSON and Hoyt Wauhob of Booker spent Sunday to Tuesday with his parents in Booker. Both are students at Wayland College, Plainview.

AMHERST is well represented at the El Paso Fat Stock Show in session. They left Friday afternoon to return Feb. 9th. Those making the trip are Kelly and Howard Tooley, Eddie Duvall, Ronnie and Steve Bearden, and Danny Carter. Adults accompanying them are Don Carter, Barry Bearden and George Tooley.

THE AREA Interscholastic School Meet will be held in Cotton Center April 2, at 2 p.m. Judges are to be from Texas Tech and West Texas State. The track, golf and tennis matches will be at different times and places. These will be announced at a later date.

AHS Seniors Are Honored

AMHERST—"Everything is Beautiful" was the theme for the banquet honoring high school seniors in Fellowship Hall of the United Methodist Church, Friday night, Jan. 30. This is an annual courtesy given by the UMW (United Methodist Women).

The room and tables were decorated, bearing out the theme "Everything is beautiful".

Rev. George Butler gave the invocation. Mrs. Jim Gage, president of the U.M.W. the welcome and senior D. J. Johnson the response. A group of singers from the Wesley Foundation at Texas Tech presented the program and Howard Tooley gave the benediction.

Mrs. Gage was general chairman, Mrs. Jomeryl Harmon chairman of the foods

committee, Mrs. Clyde Brownlow, the decorations, Mrs. George Butler, the entertainment and Mrs. Robert Dysart, chairman of the invitations and place cards committee.

One out of every 50 drivers on the road is drunk. Not just drinking — DRUNK.

Governor's Office of Traffic Safety

Shower Honors Joyce Yandell

HART CAMP—Miss Joyce Yandell, bride-elect of Eugene Schwab of Shallowater, was honored Saturday afternoon, Jan. 26, with a miscellaneous bridal shower in the home of Mrs. Edwin Oliver of Hart Camp.

As guests arrived they were greeted by Miss Debbie Oliver and gifts and guests were registered by Miss Debbie McMahan of Lubbock.

Thumb print cookies filled in assorted colors, lime punch and coffee, were served from crystal appointments from a table covered with lime green over white with a large heart centering a flower arrangement carrying out the brides chosen colors.

Misses Debbie Oliver and Debbie McMahan presided at the serving table.

The honoree was assisted in opening her gifts by her

mother, Mrs. Chester Yandell and the prospective groom's mother, Mrs. Louise Schwab of Shallowater.

Along with the array of gifts was a set of club aluminum Teflon 2 cookware and a mixer as gifts from the hostesses.

Among the 45 guests registered were relatives of the bride and groom, Mrs. Louise Schwab of Shallowater, Mrs. Donald Schwab of Levelland, Mrs. Wayne Schwab of Lubbock and Mrs. Bill Lunsford and Teresa of Springlake. Others registered from Hart Camp, Littlefield and Olton.

Assisting Mrs. Oliver with hostess duties were Mes. Odessa Mitchell, Betty Jordan, Nancy Hackler, Beverly Stewart, Blanton Martin, V. L. Foster, L. E. Ball, Wesley Neinast, Irene Stamps, Prudie Jefferies and Aubrey Neinast.

SHADES OF FLASH GORDON! What was once limited to scientific journals and comic books is now a reality as Sue Pointer and Tony Smith of Junior High School witness the operation of a real laser beam. General Motors representative Joe Duran explains how lasers are currently being used in delicate surgery. 3-Dimensional Photography and making exact measurements. This live science demonstration was one of nine presented to Junior High School students Monday afternoon. (Duran Photo)

PREVIEWS OF PROGRESS.... Roy Ogerly, Sharia Seals and Jordan Giles view the results of a water pollution experiment conducted at Junior High School Monday afternoon, as part of GM's live science show, "Previews of Progress." The demonstration consisted of mixing two common manufacturing pollutants together with other organic elements to produce clear water at the bottom. The top of the beaker and solid materials at the bottom. The clear water is safe to return to surface streams while the solids can be deposited in a sanitary land fill, changing wasteland into useful land. (Duran Photo)

EDITORIAL

It Really Is Tougher

OUR FRIENDS in government do more for us every year. They collect more in taxes to cover part of the bill and pay for the rest with huge federal budget deficits and inflation.

According to the Tax Foundation, Inc., a family of four with one wage earner making \$10,000 of income in 1966 could be making \$13,500 today and be less well off after taxes and inflation had taken their cut.

Federal income taxes on the larger salary today are up from \$945 to \$1,401. The social security tax has been boosted from \$277 to \$632.

The average state tax of \$73 on \$10,000

income in 1966 has gone to \$212 on \$13,500 in 1973.

Inflation has reduced the dollar's value 37 percent in terms of purchasing power since 1966.

On the average, if you made \$13,500 in 1973 your take-home pay was \$11,255. This was worth around \$8,239 in terms of 1966 dollars—\$466 less than the \$8,705 that a man making \$10,000 took home in 1966.

THINGS REALLY are getting tougher every year; and, to a large extent, it is because government is doing so much more for us or to us—however you want to look at it.

Braggarts

IF ANYONE WONDERS why government deficit spending and inflation are so hard to control, they have only to read the letters to constituents from congressmen across the country.

A typical letter describes to the home folks how their Senator has helped to get a "...fair share of federal funds," for their state.

He and his colleagues have been so successful that this particular state receives \$300 million more in federal funds than the citizens of the state paid in federal taxes in 1972.

IF EVERY STATE considers its fair share of the federal pork barrel to be

hundreds of millions of dollars in excess of its contribution in taxes, how can there be anything other than continued inflation and continued devaluation of the dollar?

Taxpayers must learn to quit voting for people who make a career of bringing home a disproportionate share of the bacon from Washington.

NO EFFORT is more worthy than that of controlling inflation by controlling federal spending. Today, the first obligation of elected representatives is to curb inflation, not brag in letters home of their spending prowess.

OBITUARIES

EDNA ARNOLD

Funeral services were conducted Tuesday afternoon in the First United Methodist Church of Shallowater for Mrs. Edna Arnold, 82, of Shallowater, who died at 2 a.m. Sunday in South Plains Hospital in Amherst.

Officiating was Rev. Max Browning, pastor.

Burial was in the City of Lubbock Cemetery with Sanders Funeral Home in charge of arrangements.

She had been a resident of Lubbock County since 1916, and she was a member of the First United Methodist Church of Shallowater.

Surviving are five sons, Lester Arnold of Big Spring, Arlie Arnold of Shallowater, Wayne G. Arnold of Plainview, Lynn Arnold of Hereford and Winfred Arnold of Tulia; two daughters, Mrs. Victor Herring of Brownfield and Mrs. Roy Tyler of Hereford; three sisters, Mrs. Pearl Blanchard of Amherst, Mrs. Ethel Bell and Mrs. Dale Baldwin, both of Vernon; a brother, Iram Hiram Frost of Vernon; 16 grandchildren; and 18 great-grandchildren.

CAMPBELL JACKSON DUGGAN

Masonic graveside services for former Littlefield resident, Campbell Jackson Duggan, 86, who died at 9:05 a.m. Sunday, Feb. 3, in Corpus Christi, were conducted Wednesday afternoon in Littlefield Memorial Park.

Rev. George Butler, pastor of the First Methodist Church of Amherst, officiated.

He was an uncle of Arthur Duggan of Littlefield.

Burial was directed by Clifford-Jackson Funeral Home of Corpus Christi.

He was in the title abstract business, an oil lease broker and was the first postmaster for Littlefield. He was a charter member of the Littlefield Lodge 1161, and a member of the Scottish Rite of El Paso. He was also a member of the El Paso Shrine.

Surviving are two sons, Jack Duggan of Corpus Christi, and William Duggan of McLena, Va.; a daughter, Maryann Duggan of Irving; and five grandchildren.

J. D. MOORE

Funeral services for J. D. Moore, 66, of Ballinger, who died at 9:20 a.m. Friday, Feb. 1, in the Ballinger Memorial Hospital, were conducted Sunday afternoon in the Avenue B Church of Christ in Ballinger.

John Morgan, minister, officiated, and burial was in the Crews Cemetery with Ballinger Funeral Home in charge of arrangements.

Moore was born Dec. 1, 1907 in Ballinger and was a cattle trader. He was a member of the Church of Christ, and married Mildred Glasscock, Nov. 6, 1926 in Ballinger.

Surviving are his wife; three sons, Delwin Moore of Spur, Dee Moore of Jayton and Jerry Moore of Ballinger; three daughters, Mrs. Doris Cypert of Ballinger and Mrs. Shirley Buckbee and Mrs. Marcia Thornburg, both of Dallas; a brother, Foy Moore of McCamey; three sisters, Mrs. Zell Barnett and Mrs. Grace McEntire, both of Littlefield, and Mrs. Maxie Wilkey of Yantis; 11 grandchildren and five great-grandchildren.

FLORENCE H. WATSON

Funeral services for a former longtime resident of Littlefield, Mrs. Florence H. Watson, 87, of Riverside, Calif. who died Friday, Feb. 1 in Riverside, were conducted Wednesday morning in the George J. Carroll Funeral Chapel in Gainesville.

Burial was in the Gainesville Cemetery.

She had been a longtime resident of Littlefield before she moved to California in the early 1940's.

Surviving are three sons, Richard Watson of Littlefield, Cecil Watson of Turkey and Roy Watson of Wichita Falls; a daughter, Mrs. O. G. Harvey of Hamlin; and 2 brothers and 5 sisters.

Benefit Dance

A Valentine Benefit Dance featuring the rock band Pegasus will be held this Saturday night, Feb. 9, at Pop's Place in Littlefield. All proceeds will go to the American Heart Fund.

Mrs. Janice Sebring, director of the Lamb County Chapter of the Heart Fund which is sponsoring the dance said, "We're trying to build enthusiasm among the young people of Lamb County for the Heart Fund, and at the same time make money to help in the battle against heart disease." The band, which will be playing for free at the dance, consists of Kenny Pratt-bass guitar; Bruce Hall-lead guitar; Porfirio Cristian-drums; Jackie Howell-organ; Luis Rey-vocals; and Mike McKeegan-guitar. Manager of the group is Marty Mangum.

Admission is \$1.50 stag, \$2.50 for couples. The dance will last from 8 p.m. to midnight. Pop's Place is located at the intersection of Highway 385 and 18th Street, next to the Lamb Bowling Lanes.

Proposals Submitted For Constitution

More than 325 different proposals for inclusion in the new Texas Constitution have been introduced by delegates to the Texas Constitutional Convention, Representative Bill Clayton (D-Springlake) has reported.

Clayton, who has introduced an entire new constitution as well as several proposals dealing with conservation, expressed his opinion that the Convention will soon become bogged down with the new suggestions. The Convention, while reportedly "ahead of schedule" at the present time, has devoted most of its time to committee meetings and hearing.

AVALON-FEATURES

CLIPS & TIPS

By JOELLA LOVVORN

WHEN'S A BISCUIT a biscuit? I've learned lately that the word "biscuit" can mean many things. To the English and some Europeans, it's a cookie or cracker. And because they're cut like biscuits, small fancy ice creams are called biscuits in French cookery.

But to an American, a biscuit is quick bread.

According to information I received from the Campbell Soup Company, biscuits originally were a flat bread carried and eaten by travelers and soldiers. To extend their keeping quality, they were baked not once, but twice. And the French word "biscuit" literally means just that—"twice cooked!"

Whether dropped or cut-out, beaten or plain, biscuits have long been a quick bread specialty in many parts of America—and the combination of chicken and biscuits has been a longtime tradition too!

Here's the recipe for an easy one-dish meal.

COUNTRY STYLE CHICKEN 'N' BISCUITS
2 cans (15 1/4 oz. each) chicken stew
1 pkg. (10 oz.) frozen succotash, cooked and drained
1/4 cup finely chopped onion
1 medium clove garlic, minced
1 pkg. (8 oz.) refrigerated biscuits
1 Tbsp. melted butter or margarine
Parmesan cheese.

In a 2-quart shallow baking dish (12x8x2"), combine the stew, succotash, onion, and garlic. Bake at 400 degrees for 14 minutes; stir. Top with biscuits; brush with butter. Sprinkle with cheese and bake 15 minutes more or until

biscuits are done. Makes about 4 1/2 cups.

WANT TO CAMOUFLAGE raisins so that they'll be eaten? Here's a recipe for a raisin cream pie that your family will clean up. (You may want to drop the name raisin when the pie is mentioned, if some of the members of the family are strong protesters against it.)

RAISIN CREAM PIE
Cook a 9-inch pie shell, set aside.

3 eggs
1 rounded cup sugar
1 Tbsp. flour
1 cup raisins
1 cup milk
Small lump butter.

Mix the ingredients for a custard of the yolks, (leaving the whites for the meringue) by mixing them with the sugar, flour, milk and butter. After you've cooked the raisins in enough water to cover, and have ground them until they come apart, pour off the excess water, stir into the cream mixture and cook in a double boiler until thick. Pour into the baked pie shell and spread the meringue on top. Place it in a heated oven until the meringue is golden brown.

TIPS AND TIDBITS:

TO KEEP THE BOTTOM crust of your fruit pies from becoming soggy, sprinkle a few dry bread crumbs on the crust before putting in the filling. The crumbs will absorb much of the juice. To add a little flavor, use a few vanilla wafer crumbs or finely ground nuts instead of the bread crumbs. They will also absorb some of the juice of the fruit.

HAVE TROUBLE storing your garden hose? An old auto tire makes a good storage place. Simply coil the hose inside the tire where the tube normally goes. It will back up into the tire and stay coiled until you are ready to use it again.

DID YOU EVER have frozen clothes on your line in the winter? A handful of table salt added to the rinse water of your clothes will keep them from freezing when you hang them on the line during cold weather.

WHEN WASHING and rinsing colored materials, add a teaspoon of epsom salts to each gallon of water. This prevents delicate shades from fading or running.

All Things Considered
by Lee C. (Tot) Lewis of Whitharral

My life must touch a million lives in some way ere I go from this dear world of struggle to the land I soon shall know. So this the wish I always wish, the prayer I ever pray: Let my life help the lives it touches by the way.

The poorest man is he who has nothing but money. (John D. Rockefeller)

The best and happiest lives are built by the day.

THE ABUNDANT LIFE

Worry Erodes

WE SAY TO EACH OTHER, "don't worry"; "worry won't help"; "worry does no good"; and other similar statements; but worry continues to be one of our big problems.

The usage of the word "worry" varies from person to person. Some use it to refer to all degrees of concern, from the least to the greatest. We should be more exact, because this misuse causes misunderstandings. Some of what we often call "worry" is not worry, but is just proper concern.

SENSIBLE, WHOLESOME CONCERN is not "worry". In order to be responsible, we must be properly concerned; but "real worry" tends toward irresponsible decisions and actions, and can even cause us to be irrational.

It can be so upsetting that we cannot think straight.

WORRY IS "mental distress or agitation resulting from concern for something impending or anticipated". It is not necessary that we permit our concern to produce "worry".

Our word "worry" comes from a word which means to "strangle" or to "restrict". "It implies an incessant goading or attacking that drives one to desperation." The concern we feel becomes over-powering, and we bow down in despair.

REAL WORRY ERODES, it eats away or wears away our strength, our peace of mind, our happiness, our ability to solve problems; and enough of it can literally wear away one's life.

"Anxiety" is the word we often use to express this state of mind which is "a

negative product of the imagination".

THIS FEELING OF "anxiety" produces a very state of tension.

If we persist in this mental erosion of the faculties, Carrington defines "anxiety" as degradation of the valuable protective mechanism to the useless destructive "worry".

MUCH OF THE WASTE resources is the extremely often choose to relieve the normal functioning of prepares us for action. If these, we are in trouble; we will severely damage our mentally and spiritually our vital forces.

The "tensions of worry" exist, should be discharged positive and constructive help need help to do so, we need help.

"DON'T WORRY" something you can do, do nothing about it, forget it be over-simplification, but the test of close inspection. Forgetting is not always human beings are equipped to forget, when we honestly admit that there is nothing about a situation.

WITHIN A WELL-ESTABLISHED "faith structure", as part formed sense of values, we "erosion of worry".

HOMINY GRITS

By CORNBALL BLE

NUMBER ONE WORRY, for this week, is the truckers' strike. The comedy of Watergate can take a back seat for awhile.

Of course, you have the energy shortage to cope with, but the stopping of the big wheels of the highway is a part of that, and may well become the most serious phase of the crunch.

THE UNIONS, perse' aren't a part of the strike, but are being slowed considerably by the antics of the independents. Even union rigs have to have fuel, and when you drive up to a truck stop, only to find it encircled by cold rigs, or the station closed, you just don't make any purchases.

Couple to this, the fact that even with fuel, you may be tooting the road, and have a brick dropped through your windshield from some overpass. Then too, you may have stopped at some coffee shop and return to your rig, only to find it sittin' on a bunch of slashed tires. These things are happening.

LOOKS AS THOUGH the situation will get somewhat worse before it begins to improve. And those that are trying to go along with the business of hauling the nation's freight, are having to be slowed for sake of caution or the inability to buy fuel.

What it will amount to, is the fact that

we're about to be faced prospect of a big vacant middle of our tables, when dish was supposed to be!

FOODSTUFF IS only a pictures, but probably of portance. All forms of fuel, natural gas) comes to our truck, as well as most drygoods, and hardware—cluded. In fact we could say 90 percent of everything delivered by trucks.

The railroads can't handle. They have neither the equipment, nor personnel. They would be out of the question.

LET'S HOPE THE "power" can come to an acceptable with these fellows right away consumers, will have to take the added expense. Nature have to cut down on our order to get by.

Thus, the trucker can go for hauling less, at a great speed, while we, the consumers spend all our paychecks for wins?—NOBODY!!

AND YOU WERE worried you didn't have gas fishing?—That's bad.

Turn Row COMMENTS

ACCORDING TO A report from the U.S. Department of Agriculture, classing offices at Lubbock, Brownfield, and Lamesa tested and classed samples from 50,000 bales during the week ending Friday, Feb. 1. This brought the total for the season to 2,425,000.

This is far ahead of the volume at this date last year when samples from 1,445,000 bales of the 1972 crop had been classed.

THESE WARM AFTERNOONS and weekend seem to stimulate individuals to work around their yards in an effort to clean up and fix up. I'd like to make a few comments and that is that regardless how safe the job may look, there is a certain amount of danger involved.

For example, although this could be in violation with a city ordinance, the burning of trash or weeds requires a certain amount of caution. In the alleys there seems to be always a certain amount of clutter and often a hidden spray can of some sort. One individual in our community was cleaning his yard and was burning some weeds and clutter when a spray can exploded. The noise was startling, but what came after the loud bang could have been very dangerous.

This particular can was a paint can and the individual was sprayed with paint from the can, which in turn was ignited from the fire on his clothing was

slapped out, and no damage but what would have happened there was no one around, the individual been a child. This and panic, this accident could fatal.

It is good to clean up and fix us be careful because we do single citizen to lose.

DO YOU REMEMBER about this time when Mayor Chisholm signed a proclamation designating February as Grandparent Month? Well it's that time again, so we put new light on this and go all-out to visit some person. A good place to start is our rest homes.

LOOKS LIKE CORNBALL chance to run for a paying job. The only political jobs left are paying jobs on the school board jobs are rather thankless and so, as commented by many after a couple of decisions were the board a few days back.

IT IS NOT enough that you brave upon occasions, for requisite; you must have good head does a nation more than a hundred strong arms. Experienced general than a valiant soldiers.

MRS. J. R. Coen returned Friday, Jan. 25 from Ponce, Puerto Rico after a two months visit with her daughter, Mr. and Mrs. L. G. Stephenson and children Lawrence and Rachael. Stephenson is an accountant with Commonwealth Oil Refinery, which is the largest refinery in the world. While there they visited several resort cities on the island, they also celebrated two Christmases, one Dec. 25 and one Jan. 6. The Jan. 6 celebration is more significant to the islanders than the one on Dec. 25.

MRS. W. G. Thornton visited last weekend in Sweetwater with her son, Garland Thornton and family. Mrs. E. B. McNeil of Lubbock, mother of Mrs. Garland Thornton, accompanied her. MR. AND MRS. Roger Kendall returned from a week's vacation in Phoenix, Ariz.

MRS. MARY DAVIS had as her house guest for two weeks her sister-in-law, Mrs. Naomi Collins of Ballinger. Mrs. Collins returned to Ballinger Friday.

MR. AND MRS. Oscar Arend returned Monday to their home in Colorado Spring, Colo. after a week's visit with his parents, Mr. and Mrs. Henry Arend.

MR. AND MRS. Elmer Hall spent a week vacationing in Austin, Corpus Christi and McAllen.

MRS. HARRIETT BLACKLEDGE of Lubbock spent Sunday in Littlefield with her father, Harris T. Ray.

SENIOR HIGH YOUTH of the First Methodist Church were entertained at a pizza party in the home of Mr. and Mrs. Charles Hinds Sunday night.

MRS. C. M. MEARS of Friona is spending the week in the home of her son, Mr. and Mrs. Melvin Mears. Also visiting in the Mears Home Sunday was their son, Danny Mears, and Debbie Oliver. They are both students at South Plains College.

MRS. JERRY STOWELL of Oxnord, Calif. and Mr. and Mrs. Johnny L. Moore of Amarillo left Monday for their homes. Mr. and Mrs. James A. Moore of Texas City will remain two weeks with his mother, Mrs. John Moore, and Wanda. They were called home due to the death of their father, John Moore.

MR. AND MRS. Cecil Hall were in Amarillo Sunday buying new merchandise for The Gallery. They are moving March 1 to a larger building formerly occupied by Stitch-in-Time, where they will expand their stock of crafts and picture framing.

MRS. MABLE SORLEY of Ft. Worth is spending the week with her son, Rev. and Mrs. Clem Sorley, and seeing for the first time her great-granddaughter, Stephanie Amber Heard, daughter of Mr. and Mrs. Donny Heard.

MISS JOSIE HILBUN of Roby and Mrs. Nina Rogers of Abilene spent the weekend in Littlefield with their sister, Mr. and Mrs. W. D. Hall and brother, Mr. and Mrs. Allen Hilbun.

J. E. CHISHOLM was in Montgomery, Ala. from Sunday through Tuesday on business.

REV. AND MRS. Clem Sorley visited Mr. and Mrs. Jerry Kehoe and son in Seymour Friday. The Kehoes are former Littlefield residents.

MRS. J. E. Chisholm spent a week with her son, Dr. Dale Howard in Denver where he was a medical seminar. His wife are stationed at Dr. Howard's mother to Littlefield three days' visit with Mrs. Chisholm returning to Oxnord.

DR. AND MRS. Perkins are in the Mexico where Dr. Perkins is serving as a Dentist for two weeks. Dr. Perkins has served capacity on three castles.

MRS. HEIDI and David of Dallas visited her parents, Mrs. Delton Jones, weekend.

WALTON BAKER Skellytown was a guest home of his parents, Mrs. W. O. Baker, weekend.

A GROUP of young men from the First Baptist Church left today by chartered bus to participate in a Lay Mission at Highland Church. They will Sunday night. Those on the trip were Kip Farmer, Karen Rhonda and Randy Mackey, Loreta Mears, Christy Penn Shelton and Lisa Webb.

MR. AND MRS. Tom of Amarillo were at the home of his parents, Mr. and Mrs. W. D. Hall and brother, Mr. and Mrs. Allen Hilbun.

THE SKAT

OFFICIAL LHS NEWSPAPER

Parent Concerned By Student Problems

JEFF GONZALES in Littlefield is to lead a group therapy session for students. Mrs. Nina Harris, coordinator at the Littlefield Mental Health/Recreation Center, will help with any and all problems arising from bad relationships. "Our therapy sessions are for all ages. We have sessions for kids in kindergarten to high school students. We also have sessions for adults."

Theater Managers' Efforts Abused

CHANDLER Theater has been a place of Littlefield since May. The theater has been showing movies with a piano accompaniment. Most of the movies shown were with a piano accompaniment. Mrs. Charles Culp, who is now the manager of the theater, is planning to remodel the theater. She hopes to make the theater more comfortable and to have more movies available to the public. The Culp's efforts, she says, have been abused by some of those who cannot perceive the value of one of Littlefield's few places of entertainment.

bottled up inside themselves and this is how hostilities start. The group therapy session is the best method of combating this and other maladjustments. "Take a parent-adolescent relationship, for example. A child can't take things out with his parents because either he is in fear of punishment or knows he will not be heard. In a group therapy session, we have two different families. The children from one family talk to the parents of the other family and vice-versa. Thus, both the parents and children receive new information and insight on the way things—and the circumstances of certain situations.

"Of course, this is only step one, because the parents did not hear what the children said, and the children did not hear what the parents said. This step is done this way to encourage both parties to talk

HAIR STYLES like hemlines are getting shorter and shorter as shown on Stephanie Benner. Gina Bartley models the longer style. By the way, Gina was looking at the camera for the picture taking!

JOE BROCK, LHS's new coach, is explaining a play to a P.E. student. This is Brock's first year to teach. He is a winter graduate of West Texas State University. (Photo by Stephanie Benner)

about their problems freely and without fear. It is also done very confidentially. "Step two is getting the children and the parents to talk together in front of each other without fear or hesitation but with truth and frankness. "Here the psychiatrist comes in. His job is to keep the sessions at a level plain of understanding and offer unbiased advice and suggestions. He also works with the individual problems and tries to bring out all views. Trying to keep arguments from getting started, he offers an impartial compromise which is usually acceptable to both parents and children.

"Step three is the children and the parents having the ability to talk freely and openly to their parents without help from anyone." Mrs. Harris also said that the sessions are for those who are of the same age, and they can have similar or different problems. Their only common factor is their age.

"Many times, it helps to talk out your difficulties with someone your own age, and someone who can understand better," said Mrs. Harris. "There are drawbacks to this type of work. There are those people who simply refuse to come for help because of their stigma of being ashamed to need help in a matter of this type.

JILL OWENS, Tonie Gardner and Pam Turvaville await a rebound at Friday night's game against Dimmitt. The fems lost 59-41, but staged a good attempt to down the Bobbies. (Photo by Carol French)

Rita McKinney Awarded

By LISA ROBERTS Rita McKinney has been named Littlefield's 1973-74 Betty Crocker Family Leader of Tomorrow. Rita, along with other seniors, competed for this honor by taking a test on Dec. 4. She is now eligible for state and national honors and will receive a special award from General Mills, Inc., sponsor of the annual educational scholarship program.

Winners of the State Family Leaders of Tomorrow receive a \$1,500 college scholarship while state second-place winners receive a grant of \$500. The state winner also earns for his or her school a 20-volume Encyclopedia Britannica reference work, "The Annals of America."

Honor Roll Named

By KAREN DRAKE Twenty-four LHS students studied their way to the top of the academic list to receive recognition due them for a semester of hard work. The Court of Honor and Honor Roll for last semester consist of only 7.2 percent of the student body.

Among these students 10 percent of the Senior class once more achieved their goal. Carol French, Barbara McBride, Bruce Peel and Andy Rogers placed on the list for Court of Honor, the most difficult to obtain since the grade average for this honor must be 90 or above in all subjects.

Next in rank is the Honor Roll which is an easier goal but is still difficult to achieve. Seniors who placed on this list were Elvira Castillo, Pat Sevier, Terri Chandler, Larry Lobaugh and Glydene Spencer.

For the Junior class Richard Barton, Tonie Gardner and Lisa Wells received recognition for the Court of Honor. Following them are Carla Sanders, Kim Wood, Debbie Birkelbach, Teresa Crosby, Joe Foley, Steve Mangum, Cena Stowers and Kay Wesley who achieved a goal for achievement on the Honor Roll list. The Junior class placed 10.5 percent of their students on the academic list.

Sophomores are a little behind with an average of 2.9 percent. One student, Bryan Gregg, earned recognition for the Court of Honor. The Honor Roll list contains three names from the Sophomore class which are Dora Moya, Sharla Birkelbach, and Jerry Schulz.

Choir Students Win 12 First Place Medals At Contest

By DONA DAVIS Littlefield Choir Students won 12 first place medals at the Region 16 UIL Choir Solo and Ensemble contests Saturday at Monterey High School in Lubbock.

"I thought the kids did very, very well," said Mrs. Don worth, choir teacher. Jan Sisson received a I rating. This will make her eligible for the State UIL Solo and Ensemble Contest which will be in Austin in late May or early June.

A madrigal consisting of David Blevins, Rita McKinney, Bryan Myres, Danny Cushion, Jan Sisson, Shauna Clayton, Kevin Gardner and Leigh Kirby received a I Rating. Another madrigal consisting of Pam Parrott, Karen Walker, Olga Mendez, Chris Brady, Rachael Montalvo, Michael Williams, Mark Roden and Kevin Yandell received a II rating.

ANDY ROGERS—"I usually study with either the T.V. or radio on. I study for each test in the order I will be

BB Girls Claim Lack Of Unity Problem

By DEBBIE BIRKELBACH The four seniors on the girls' basketball squad all seemed to agree that the attitude and unity of the team needs to be changed.

At the beginning of the year, Coach Robert Bolton said, "A great deal of our success will depend on our senior leadership."

Jill Owens, a six foot one inch forward, averages 21 points a game. Jill was elected co-captain by her teammates. Last year she made the All District Basketball team and went to state in track. Jill said she plays basketball, "Because it's a challenge and it's a fun sport. If I could change one thing on the team it would be the attitude. Everybody on the team is jealous of each other."

Pam 'Turtle' Turvaville, a five foot eight inch forward and ball-handler, averages 11.5 points a game. 'Turtle' said she plays basketball, "Because it's a cool game and it gives me an idea of being able to work with a team. The thing I like best about basketball is the feeling of teamwork and sportsmanship. If I could change one thing on the team it would be the attitude. We have the ability to win, but not the attitude to win."

Georgia Ann Jackson is a five foot four inch forward. Georgia said she plays basketball because, "I sort of like it and in order to run track I have to be in athletics. I think I have contributed a small portion to the team, but I don't play that much. One thing on the team I would change would be to let everyone do their part in helping us to win."

Mari Louise Bennett is a five foot three inch guard who has missed the last few games of the season because of a leg injury. Mari Louise said she plays basketball because, "I like it. It's a challenge and it's fun to compete. I love sports and being active. The one thing about the team I would change would be the unity. When we come together as a team, we ought to act like a team. We should put aside our petty jealousies and individual feelings and work and pull together."

BANDSMEN REHEARSING for Solo and Ensemble Contest are John Richey, Steve Mangum, Cindy Purdy, Lori Wilkinson and Sheldon Zahn.

Cats Suffer Double Defeat By Dimmitt

By TERRY BRYSON Littlefield dropped their first game of the second half of the Dimmitt Bobcats by a score of 74-53 Friday.

"We played pretty good except for the second quarter," Coach Dee Blevins said. "That's when they jumped out ahead of us. Tommy Batson played good throughout the game, and Randy Cook did a good job rebounding. Also Andy Rogers, Ricky Parker and Gary Lichte came in and did a good job when some of the others got in foul trouble."

Batson led the scoring with 16 points followed by Lichte with 13 and Cook with 12.

Student Board Member Idea Unfavorable

board handles school business, and is in itself a business, and I just don't think a student would be mature enough to handle a business. However, it would be nice to have a student's viewpoint on certain matters." Another member of the board Glenn Batson, said he is very much in favor of having a woman on the board. "Women have good ideas too." Batson said, "I'm also in favor of having a student on the board, but not in a voting seat. I think it'd be real great for a student to meet with the board and give their ideas on

things that come up. Kids are a lot smarter than we think they are." One of the current problems facing LHS, as well as schools all over the country, is the effect of the fuel shortage will have on the school. Batson said, "I don't think it (the fuel shortage) will affect the school a whole lot. I'm opposed to cancelling any activities of the school." The dress and hair codes of LHS were changed during the 1972-73 school year, and this is the first year these codes have been in effect. How have the changes worked? According to Birkelbach,

there have been 'no problems' with either adults or students over these changes. Another change made during the last school year concerned the high school cafeteria. Regular cafeteria-style meals were dropped because they were too expensive, according to Birkelbach, and now only "snack-bar" type foods are offered. Birkelbach said there were no plans to bring cafeteria meals back to the school. He explained that cafeterias aren't intended to make a profit and they generally operate at a loss.

The LHS cafeteria, he said, has been operating at too great a loss. When asked to clarify a rumor concerning the date of graduation, Birkelbach said Principal Jack York had brought up an idea of a graduation date change because of the time lapse between the baccalaureate service and the actual graduation. York said many students who attended baccalaureate weren't even sure they would graduate. So there is some talk of rearranging the dates. Just what is the proposed quarter system that will go

into effect in 1975 and how will it affect LHS? Birkelbach explained that the quarter system would change the way the school year is divided. Instead of being split up in two semesters with six week periods, the year would be divided into four nine-week periods. Many people still don't seem to be aware that school board meetings are open to the public, according to Birkelbach. He said the board is now meeting in the high school cafeteria so there's plenty of room for anyone who wants to attend.

'Regulars' On Honor List Tell About Study Habits

By TERESA CROSBY Out of the 347 students who attend Littlefield High School, 23 made the Court of Honor or Honor Roll for the first semester. There have been more than 30 students on the Court of Honor or Honor Roll at any time during the 1973-1974 school year and most of the students that are on it this time are always on it. So some of the "regulars" on the Court of Honor and Honor Roll were interviewed about their study habits.

DEBBIE BIRKELBACH—"I study for the test that will be the hardest, first. I study for it for about an hour, usually English, and just read over my notes until I know them. For the easier tests like History I just study for about 10 minutes. I'd suggest to other students that the best study habit that they could have is to listen in class."

RICHARD BARTON—"I study for tests in the opposite order in which I'll have to take them. That way the material will be fresh on my mind for the first test. I can read over my notes once and then just read over them again right before the test and I know it. I

only remember the test material long enough to take the test then I forget it. Depending upon the material from which the test is to be taken, I would suggest to other students that they organize their time accordingly."

CARLA SANDERS—"If I'm studying definitions then I study before the test. But if it's for History tests then I get my studying just from listening in class. I'd tell other students that the more you listen in class the better you will do on the test, and it's lots easier that way."

JOE FOLEY—"I study the night before tests and that's all. I read over everything two or three times. I take one question at a time and learn it, then go to the next, and so on. Then I go back and reread the whole thing."

ANDY ROGERS—"I usually study with either the T.V. or radio on. I study for each test in the order I will be

BRYAN MYRES and Edward Yoakum, both seniors at LHS, were chosen Business Club Dreamboy and Buddy, respectively. The honors are given to two students each year by the club. (Photo by Eileen Hinkley)

Buy a singing Valentine greeting for your sweetheart (or maybe just a good friend). See a member of the Journalism class next week (we're in good voice!)

ANDY ROGERS and Cindy Wattenbarger (far right couple) were crowned Basketball King and Queen at the Pep Rally Tuesday afternoon. Other candidates for the honors were for Queen, Lori Wilkinson and Patty Hamblin and for King, Dean Walden and Benny Williams. Kelly Pratt is shown escorting Miss Wilkinson during the ceremonies. (Staff Photo)

Friena Beats Wildcats, 68-49

Tommy Batson's 24 points were high for the game but they were not enough as Friena defeated the Wildcats by the score of 68-49.

However, Friena was not able to call the game theirs until the final quarter as the Cats had a 12-9 lead at the end of the first quarter, trailed by one at the half, 26-25 and by nine at the end of the third

quarter, 46-37. But Friena was able to score 22 points in the final period as compared to Littlefield's 12 to make the final score 68-49.

Besides Batson's 24 points, Chris Pope had 8 as did Randy Cook, Gary Lichte had 4, Kelly Pratt and George Brockington 2 apiece and Bennie Williams scored one.

In the girl's game, Tonie Gardner scored a big 31 points to lead the Cat scoring but Friena defeated Littlefield by a score of 89-58. Pam Turville scored 13, Jill Owens 12 and Jan Grand added two more for the Cats.

The boy's JV also lost, 59-34. Turner had 12 points for the Cats in the losing effort while Hopping added 10, Twitty 5, Marquez 4 and Hodge 3.

Spade Score 107 Points:

Spade ran its district record to 10-0 with a 107-41 rout of Nazareth. Marvin Matthews led the scoring with 24 points. Nazareth, whose record fell to 0-10, was led by Keith Gerber's 13.

Nazareth won the girl's class 52-21. Debbie King of Nazareth led all scorers with 18 points. Gayla Freeman had eight for Spade.

OLTON NEWS

MR. AND MRS. Bill Schreier of Abernathy attended the funeral for Mrs. Locke. Monday night they were guests in the home of their sister-in-law, Mrs. Pearl Schreier. Tuesday they visited in the home of another sister-in-law, Mrs. Schreier. Tuesday they visited in the home of another sister-in-law, MRS. VERA HICKMAN of Earth, formerly of Olton, underwent major surgery at Methodist Hospital in Lubbock Tuesday. She was in intensive care two days, but is reported to be improving now.

MRS. QUENTIN REDINGER received treatment at Hi-Plains Hospital in Hale Center last week.

BARTON PRESTRIDGE underwent major surgery at Central Plains General Hospital in Plainview last week.

MR. AND MRS. Clury Phillips visited in Amarillo recently with their son-in-law and daughter, Mr. and Mrs. Milford Lambright.
