Eight Prizes Chosen For Festivities

KEYS to a 1973 Chevrolet Vega are handed to Benny Zahn, left, co-chairman of the steering committee for Festivities Days, by Troy Arms of Armes Chevrolet. The automobile will be one of eight prizes to be drawn during the closing hours of Festivities Days, Aug. 24 and 25. (Staff Photo)

Prizes to be given away during the Fifth Annual Festivities Days in Littlefield Aug. 24 and 25 have been chosen, and events for the two-day schedule are taking shape.

Members of the steering committee for Festivities Days met during a noon session Thursday to choose eight gifts. Included are a 1973 Chevrolet Vega from Armes Chevrolet, a 12-inch diagonally colored television set from Wallace Home Furnishings (formerly E.C. Rogers Furniture), a digital clock radio from Cox Furniture and Appliance, a 10-speed bicycle from Perry Brothers Variety, an AM-FM tape, phono stereo set and a Polaroid Camera from Gibson's, a solid-state electronic calculator from Connell's Office Supply, and a cassette recorder-player from Nelson's Hardware.

The prizes will be drawn at 8 p.m. Saturday, Aug. 25, near the close of the celebration.

Members of the steering committee are co-chairmen, Benny Zahn and Billy Tom Grant, and Bert Wallace, Carrol Black, Janice Sebring, and Rad Richardson. Tom Tollett will serve as chairman for the 1974 Festivities Days committee.

Among the events for the two-day schedule are the Sidewalk Art Show Friday afternoon, sponsored by "We, The Women"; the "Mr. Festivities Days" pageant, co-sponsored by the Festivities Days Committee and Alpha Lambda Zeta Sorority; the parade with David Hamblin serving as chairman; kids' contests with Leon Burch as chairman; the 4-H Fair; Kids' pet dog show; street dances and square dances sponsored by the Circle 8 Square Dance Club; a grand entry of riding poses in Laguna Park following the parade; and concession booths operated by the Hospital Auxiliary, Choir Booster Club, Rotary Club, Cub Scout Pack 641, Band Boosters and "We, The Women."

Another flea market all day Saturday is being sponsored by "We, The Women". Rotarians are planning an ice cream booth and possibly a pie auction. Lions will be manning their dunking tank and judging the beard contest, and the Festivities Days Committee will sponsor carnival-type attractions such as kiddie rides, Bingo, ring toss, dart board, bottle throw and penny pitch.

Among honored guests for the parade will be "Miss Ford Country", Sandy Langford; and various area sheriff's posse.

Included in kids' contests Saturday morning will be bicycle, sack, three-legged races and other track-type events.

Tentative plans are to have street dances both Friday and Saturday nights if bands will volunteer to play.

Feller reporting from our nation's capital said one day this week:

"We don't know how the Watergate business is being played by the media throughout the United States, but here in the nation's capital, the atmosphere has all the elements of the vigilantes, the witchhunters, and the inquisition rolled into one...in all our years as observers of the Washington scene, we have seen nothing like it."

And to drive his point home he quoted this account which appeared in the Washington Evening Star-News, reporting that the President's daughter, Julie Nixon Eisenhower, "broke down in tears Thursday evening while she was a guest at the annual dinner of the Washington radio and television 'news' correspondents."

"The Watergate jokes had flown thick and fast all evening, the Star-News story continues. 'Julie...heard a stinging speech by Morris Udall, saw Watergate hearing film clips with biting-bitter 'funny' commentary and heard Washington comedian Mark Russell rip into the timely topic with gusto..."

"Julie held up bravely through what one newsmen described as a 'heavy-handed, hard-core attack on her father—one that was nastier than it was funny.'"

"It wasn't until the end of the dinner, when the dean of the diplomatic corps, Nicaraguan Ambassador Sevilla-Socarras, patted her on the shoulder and said softly, 'Your father still has one friend,' that the dam broke; Julie just burst into tears..."

Our informant concluded: "Just what it is that has caused or created the prevailing hate-America frenzy among television and broadcast personnel in Washington is something we don't understand. Our hope for the future lies with the grass-roots press where, praise the Lord, a sense of fairness, justice, and perspective still prevails."

Shortages of energy, gasoline, pleopaints, tractor wheels, plywood, cotton seed and other items grab most of the attention, but closer to home the paper shortage is of concern to us.

Less than a year ago our printing plant could order 30 to 35 tons of newsprint on a couple of weeks notice.

Now bookings for newsprint must be six to eight months in advance. Mills are running at 100 per cent capacity and delivery, at best, is still six months.

9 Wrecks Investigated, 11 Jailed Over Weekend

Highway patrolmen investigated five motor vehicle accidents over the weekend.

Friday evening a Florida truck driver struck a "keep right" sign two-tenths of a mile west of Sudan on U.S. 84. Patrolman Weldon Parson estimated damages of \$500 to the truck.

About 10:15 Saturday night, Robert Masten of Lubbock struck a black angus cow and killed it on U.S. 84 1.3 miles west of Sudan. There were no personal injuries. Damage to Masten's '73 Thunderbird was estimated at \$350 and the cow was valued at \$400 by Parson.

In the same location about 15 minutes later, an eastbound car driven by 17-year-old Juan Herrera of Brigham, Utah hit the dead cow in the right hand lane. Parson said the youth's car was a total loss.

Patrolman Vincent Ponder investigated a one car accident Monday which injured one Littlefield girl. Ricky Sibert of 620 W. 6th lost control of the car on a county road two miles east of Littlefield. The car overturned on its top.

Rita McKinney, 17, was taken to Medical Arts Hospital with minor injuries. Sheldon Zahn, 16, and Susan Friday, 15, passengers in the car were not injured.

A two-car accident just outside Littlefield city limits southwest of town occurred about 10:45 Sunday night. Marcial Echevarria Jr. of Rt. 1 Littlefield and Roger Johnson of Anton were driving the vehicles which were both northbound.

According to Ponder, Johnson was following Echevarria closely and Echevarria moved to the left instead of the right. Johnson attempted to pass on the right, hit a rut in the road and lost control and ran into the side of the other car.

County officials jailed eight over the weekend and city officers jailed three. Joe Molina of Olton was arrested Friday night and charged with driving while intoxicated. He was fined \$100 plus court cost.

Don McSwain of Lubbock was arrested Saturday and charged with driving while intoxicated. He made a \$500 bond.

June T. Martin of Littlefield and David R. Martin of Littlefield were both arrested Monday on charges of check law violation.

Daniel Vargas of Littlefield was charged Monday with wife and child desertion and made a \$500 bond.

Three youth were arrested for minor possession.

At the city jail one was arrested on a warrant, one for minor possession and consumption and one for drunk in public.

One case of vandalism was reported to city officers. Buck Teague reported a vehicle ran off the street and into his rock garden at his residence at 137 E. 23rd.

City policemen checked four minor accidents over the weekend.

About 4:04 Friday afternoon cars driven by Phillip R. Pierce of Sudan and Lonnie Dawson Roberson of 401 E. 15th were involved in a minor collision in the 300 block of Phelps Ave.

Later Friday evening cars driven by Dona Gail Davis of St. Rt. 1 Littlefield and Cynthia Lon Chaney of St. Rt. 2 Littlefield collided at 600 E. 3rd and LFD Drive.

Vehicles driven by Joann Kline of 1310 W. 13th and Claude James Parks of St. Rt. 2 Littlefield collided at W. 6th and XIT Drive about 10:10 Saturday morning.

Vehicles, Refrigerators Targets For Clean-Up

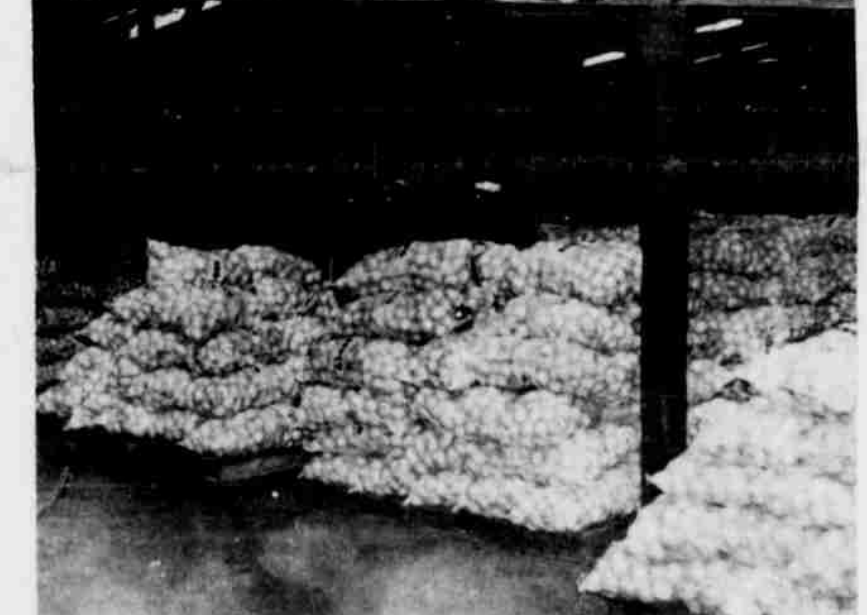

A campaign to rid Littlefield of wrecked vehicles and abandoned refrigerators that may be seen on public and private property throughout the city is continuing, and the city police department is working every day to enforce the Abandoned Vehicle Law.

Police Chief James Cox reported to the steering committee of the Community Improvement Committee during their meeting Wednesday, June 27, that more than 15 cars have been removed during the month of June.

Any vehicle that is left parked more than 36 consecutive hours which is not

Need Uniforms

Babe Ruth officials have asked all boys having Babe Ruth All-star uniforms at home to take them to Vogue cleaners or to Mike Cotter. Several uniforms are missing and they are needed for the All-star tournament next week.

ACRES AND ACRES of onions are being harvested in the Anton-Littlefield area, and a grading machine is now in operation in the cotton warehouse building in Littlefield. The machine is operated by Walter Hobgood of Anton and onions are marketed by DeBruyn of Zeeland, Mich. At the top, workers cull bad onions, while in the center, graded onions are tied and stacked. In the lower photo, onions are stacked according to one of four grades—boilers, pre-pact, large medium or jumbo—for truckers to pick up for distribution throughout the nation. (Staff Photo)

Mari Louise Bennett, Linda Weaver In Contest

Two more entrants have been announced in the Miss Lamb County Beauty Pageant.

Mari Louise Bennett and Linda Weaver are the latest hopefuls in the pageant set for 7:30 p.m. Saturday, July 21, in the LHS auditorium.

Miss Bennett is the 17-year-old daughter of Mr. and Mrs. Otis Bennett of 402 E. 18th. The LHS senior has dark brown hair, brown eyes and an olive complexion. She likes water sports,

*** Can You Eat Everyday Foods and Still Lose Weight?** If you possess (or can develop) these seven qualities you can achieve SUCCESS in attaining and maintaining your desired weight. In the next seven paragraphs success is spelled out for you and you can obtain this success by following the letter in each paragraph.

SERIOUSNESS about trimming your figure...secure in the knowledge that you will feel better...look better...be happier.

UNDERSTANDING that it took time to put pounds on...and it will take time to shed them...but that persistence pays.

COURAGE to stick to your weight reduction plan regardless of how tempting are the second servings...and the rich desserts.

CALORIE-CONSCIOUSNESS...knowing that when food provides more calories than your body uses...the excess is stored as body fat.

EXECUTIVE ABILITY in making a decision to lose weight...to follow through from firm starting date to accomplishment of goal.

SECRECY about your diet plan...knowing that you'll be rewarded by the admiration of friends when they discover your success.

SENSE OF HUMOR to smile at your well meaning friends who try to lure you away from your diet before your desired weight is attained.

About the **FOOD** way to Weight Reduction. The Advantages meals with the family can be enjoyed since you, too, may eat everyday

foods, such as meat, milk, eggs, cheese, fruits, vegetables, cereals and bread and butter. You will form good food habits which will be the basis for maintaining your desired weight throughout life. There is less danger of putting pounds back on because you have a better understanding of foods and food values.

Eating away from home is easier since your meals don't require special formula foods. You will save money because you eat from the family table and expenditures for special preparation are not required.

The disadvantages-you must exercise control in regulating the amount and kind of foods you eat rather than rely on a "measured preparation. You must develop an understanding of the general calorie count of foods as a guide in choosing alternates in your diet.

THE PROLOGUE TO THE SUCCESS STORY... (1) Talk to your physician unless you only want to lose a few pounds. Health may be endangered if an attempt is made to shed pounds too rapidly or foods are eliminated which contain needed nutrients. (2) How much you need to lose and how fast you should lose it is best decided by your physician. In general, you can lose 1 1/2 to 2 pounds per week if you cut 1000 calories from your daily needs. (3) Decide when you will start. Will it be tomorrow, next Monday, OR one of those future days which never arrive? (4) START on the day decided. No more putting it off.

LOW CALORIE CHEESE-CAKE

2 envelopes Knox Unflavored Gelatine
1 cup reliquidified non-fat dry milk
4 eggs separated
Non-nutritive sweetener equivalent to 1 1/4 cups sugar
1/4 teaspoon salt
1 teaspoon grated lemon rind
1 teaspoon grated orange rind

1 tablespoon lemon juice
1 1/2 teaspoons vanilla
1/2 teaspoon almond extract
3 cups (24 ounce) mild creamed cottage cheese
1/2 teaspoon cream of tartar
1/2 cup graham cracker crumbs
1/8 teaspoon cinnamon and nutmeg

Sprinkle gelatine over milk in top of double boiler. Add egg yolks; stir until completely blended. Place over hot water; stir constantly until gelatine dissolves and mixture thickens slightly, about 5 minutes. Remove from heat; stir in non-nutritive sweetener, salt and grated rinds, lemon juice, vanilla and almond extract. Sieve or beat cottage cheese on high speed of electric mixer until smooth, 3 to 4 minutes; stir into gelatine mixture. Chill, stirring occasionally, until mixture mounds slightly when dropped from spoon. Beat egg whites and cream of tartar until very stiff; fold into gelatine mixture. Combine graham cracker crumbs, cinnamon and nutmeg, sprinkle about half of crumbs mixture over bottom of 8-inch or 9-inch spring-form pan. Turn gelatine mixture into pan; sprinkle with remaining crumb mixture. Chill until firm. Loosen from side of pan

"Any 4-H program can be made better with the involvement of 4-H alumni," says Kenneth H. Anderson, associate director, National 4-H Service Committee. "4-H alumni add experience and enthusiasm to programs by serving as volunteer leader, resource persons, seminar and project leaders, judges at 4-H events, and organization boosters." Anderson explained.

"That's only one of the reasons for an all-out alumni search by the National 4-H Service Committee," the organization's spokesman explained. "With the Cooperative Extension Service and

support of Olin Corporation, donor of awards in the national 4-H alumni recognition program, we also hope to involve more former 4-H members in today's on going programs," Anderson added.

Over 31 million 4-H alumni are spread strategically across the country. "And many are doing a great job in their communities aiding 4-H, other youth groups and their communities," the associate director said. "They deserve more recognition than they have sometimes received," he added.

All citizens are being encouraged to participate in

the 4-H alumni search. Names can be submitted to County Extension Service offices by phone or card. Or the attached coupon may be sent to the National Committee. All names will be forwarded to the appropriate State 4-H Leaders.

As sponsor of the program, Olin Corporation provides up to four gold medals of honor in each county and burnished copper plaques to four state honorees.

National awards, eight in number, include expense-paid trips to the 1974 National 4-H Congress, in Chicago, and gold key awards.

MR. AND MRS. TERRY RODGERS

Jackson-Rodgers Vows Exchanged

Miss Mary Kay Jackson and Terry David Rodgers exchanged double ring wedding vows Saturday, June 16, at 7 p.m. in a candlelight ceremony in the Ninth Street Church of Christ.

Parents of the couple are Mr. and Mrs. Roy Jackson Jr. of 1012 E. 14th in Littlefield and Mr. and Mrs. Rafe Rodgers of 116 E. 23rd, Littlefield.

Jack McCormick performed the ceremony before an altar flanked by twin candelabra intertwined with greenery and orchid ribbons and baskets of white gladiolus accented with orchid ribbons.

Presented in marriage by her father, the bride's formal length gown was of white silk organza. The dress was designed with a fitted waist, long flared sleeves caught in deep cuffs of inserted lace and lace ruffles, and a stand up ruffled lace collar. Tiny pearl buttons trimmed the V-shape of the lace inserted bodice. Matching lace sewn in layers accented the bottom of the skirt.

Her veil was edged with lace like that of the dress and flowed into a train. Her bridal bouquet was a cascade of miniature carnations and baby's breath with long white and orchid streamers.

For something old she wore her grandmother's locket, her gown was new. She borrowed her matron of honor's ring, wore a blue garter and pennies in her shoes.

Mrs. E. L. Andrews of Corsicana was matron of honor, and Mrs. Tommy Waldrop of Littlefield was bridesmaid. Stacey Ward of Corsicana, cousin of the bride, was flower girl and Kelly Ward, cousin of the bride, was ring bearer.

The attendants wore formal length orchid polyester crepe gowns. The dresses featured scooped necklines, puffed sleeves and empire waists accented with wide velvet bows.

Monty Rodgers of Whitharral served the groom as best man, and Tommy Waldrop of Littlefield served as groomsman.

Johnny Tipton and Leroy Bradley of Levelland and Glenn Throckmorton of Whitharral ushered and served as candlelighters.

The wedding chorus from Crescent Park Church of Christ presented musical

selections of "Whither Goest," "Twelfth of No and the "Wedding March. A reception at the groom's home followed the ceremony. The table was covered with white lace over orchid and white streamers flanked the bride and groom. Baskets of gladiolus with white streamers flanked the bride and groom. Baskets of gladiolus with white streamers flanked the bride and groom.

Kathy Wade and Sher Wade served cake and punch and Linda Hood registered guests.

The couple is at home in Whitharral after a week trip to East Texas Oklahoma. The bride is a graduate of Littlefield High School, and the groom is a graduate of Whitharral High School. Both are graduates from South Plains College and will attend NTS in Denton, Texas.

Here We Come With Our Feet On The Ground

Bagley-Bowling Vows Solemnized

Jean Alice Bagley of Marfa and Rodney Ames Bowling of Victoria pledged double ring wedding vows in a ceremony Saturday afternoon, June 30, in the First Baptist Church at Marfa.

Parents of the couple are Mr. and Mrs. C.L. Bagley, Jr. of Marfa and Mr. and Mrs. M.A. Bowling of Sudan.

Officiating at reading the vows before an altar decorated with blue and white carnations and glads in marbelized urns and centered with blue candles behind the altar, was Rev. Lloyd Conner, pastor of the church.

C.L. Bagley Jr. presented his daughter for marriage. She wore a gown of cloud white, peau de soie, styled in traditional empire line and belted with a wide satin bow with streamers at the back. The scalloped Alencon lace accented the standup collar and upper sleeves and cascaded in double rows down the front of the skirt. Matching lace formed the caplet which held the lace-bordered chapel train.

She carried a cascade of white roses and baby's breath around in orchid.

Jane Bagley of San Benito served her sister as maid of honor. Bridesmaids were Pauline Alencon of McAllen and Mrs. Ray Allen of Marfa. They wore ruffled backless wrap-around halter dresses with matching triangular shawls. The dresses, basically blue, featured splashes of other pastel colors.

Best man was Tracy Bowling of Sudan, the groom's brother. Groomsmen were two of the bride's brothers, Bob Bagley of Balmorhea and Bill Bagley of Pecos.

Ushering the guests down aisles marked with flowers tied with white satin bows were Steve Dial of Nursery, Dave Baker of Abilene, Sam Rugg of Sinton, and Tom Gabler of Austin. Steve Dial of Nursery and Dave Baker of Abilene lit the candles.

Musical selections were presented by Miss Jane Bagley, who sang "The Psalm of Never"; Pauline Alencon, who sang "For Baby"; and J.M. Humphreys, who sang "The Lord's Prayer".

For her daughter's wedding, Mrs. Bagley wore a pale blue knit dress with raised appliques down the front, white accessories and an orchid corsage.

Mrs. Bowling wore a beige dress with wide satin belt, full skirt and sleeves, beige accessories and an orchid corsage.

Following the wedding, a reception was given in the church fellowship hall.

The traditional wedding cake and punch were served by Mrs. J.M. Humphreys, Mrs. George Mimms, Mrs. Don Stevens, Mrs. Bob Bagley, Mrs. Bill Bagley, Miss Nancy Dubuisson, Miss Sally Ehlert, Miss Marion Butters, and Miss Susan Godbold.

Miss Marfa Gene LaLanne registered the guests in the bride's book.

For their wedding trip the bride wore a pink knit dress with Venetian lace trim, accenting the neckline and the modified empire waistline. She wore the orchid corsage lifted from the bridal bouquet.

They will reside at 306 West Magnolia in Victoria.

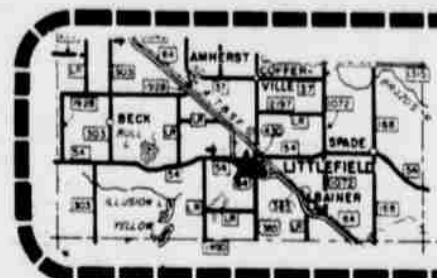

The bride attended Southwest Texas State University, where she was a member of Alpha Chi, Kappa Delta Pi, and Sigma Tau Delta honor societies.

The groom attended Sul Ross State University, where he was a member of the Chemistry Club, and Clip and Brand Club.

A rehearsal steak supper was given Friday night at the Thunderbird Restaurant for 30 members of the wedding party, and was hosted by the groom's parents.

Joys Of Summer

SUMMER HAS OFFICIALLY arrived in Texas, and with it comes increased opportunities of fun-time outdoor activities such as swimming and boating—and often tragedy.

Each year in Texas, an alarming number of persons die in boating and drowning accidents. Only automobile accidents claim a larger number of lives in Texas.

MANY, IF NOT MOST, of these drownings need not happen, according to the Texas Medical Association.

TMA offers the following basic safety rules that will help to avoid a tragic water accident in your family—

- 1) Learn to swim and to relax in the water.
- 2) Never swim alone.
- 3) Do not swim when overly tired or when the water is extremely cold.
- 4) Do not overestimate your ability and endurance.
- 5) Swim at protected pools or beaches under the supervision of a trained lifeguard.
- 6) If a boat overturns, stay with it and don't try to swim a long distance to shore.
- 7) Never dive into waters of unknown depth.
- 8) Try new activities, such as water skiing or SCUBA diving, only after learning the skills from qualified instructors.

SINCE MANY families will do much of their swimming this summer in

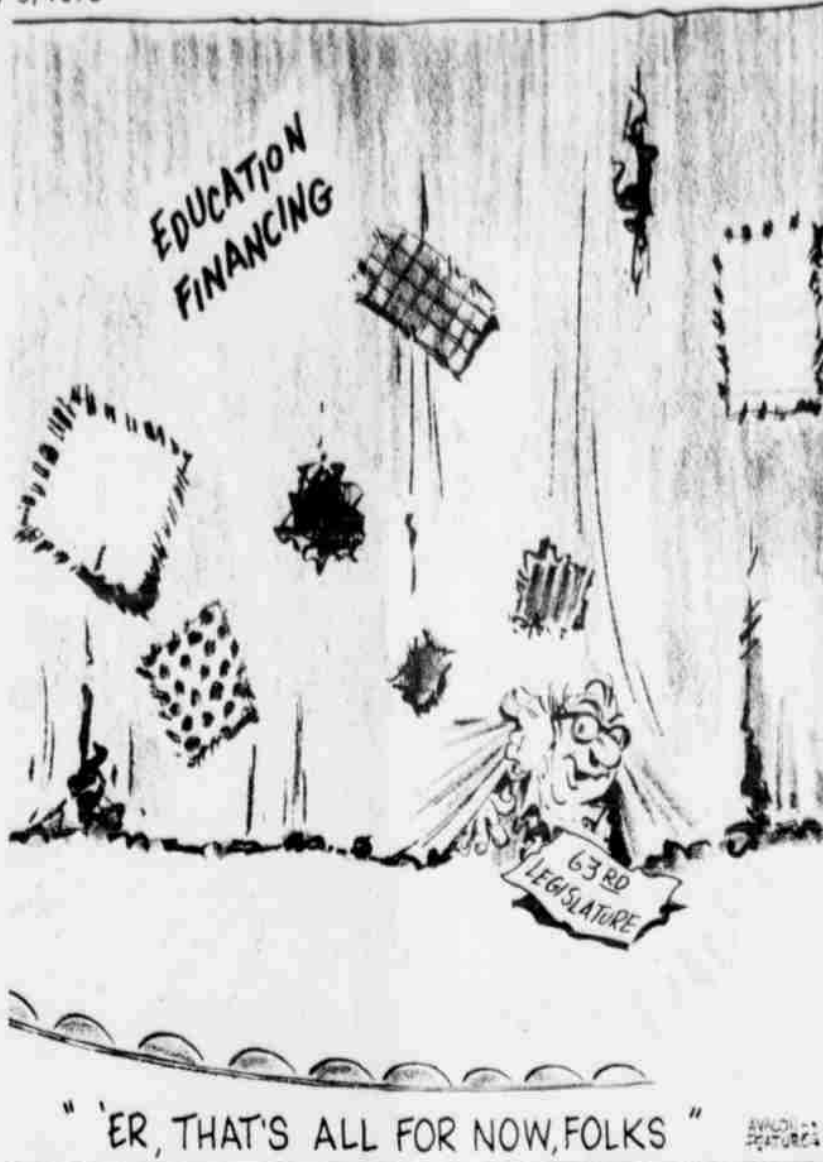

private pools, some special safety precautions are indicated—

- 1) Make certain the pool is kept clean and the water chemically purified.
- 2) Walk, don't run, about the pool. Horseplay should be forbidden.
- 3) Fence the pool and keep the gate locked to keep out small children.
- 4) Keep handy rescue equipment, such as long poles and ring buoys.
- 5) Keep bottles and glasses away from the concrete or metal pool deck.

TMA EMPHASIZED that good manners and common sense in boating will prevent most accidents.

The rules are well known: Don't overload the boat, have life preservers for each occupant; don't stand up or change seats in a small boat while under way; keep a watchful eye out for other boats, swimmers and fishermen; and give all a comfortably wide berth. Even though the rules are known, there are still drownings because someone ignored them.

KNOWING ABOUT artificial respiration and how to apply it could save a life. The mouth-to-mouth method is not very difficult, but start immediately, even in the water; the victim can survive without oxygen to the brain for only a few minutes; with the victim's face up, pull the chin forward, make certain the windpipe is clear; put your mouth over the victim's mouth, pinch shut the nose, and blow; repeat 12 or 15 times per minute; keep it up until medical help arrives.

OBITUARIES

AMOS PATE

Funeral services for Amos Pate, 74, of Lubbock, who died about 12:30 a.m. Sunday, July 1, in St. Mary's Hospital in Lubbock where he had been hospitalized three weeks, were conducted Tuesday morning in Franklin-Bartley Funeral Chapel.

Rev. Preston Harrison, pastor of Westmoreland Baptist Church, officiated.

Burial was in Littlefield Memorial Park.

Pate was a retired paint contractor, and had lived in Lubbock since 1970, going there from Littlefield. He was a member of the First Baptist Church in Littlefield, and was a native of Center.

Surviving are his wife, Mahalia; a son, Jeff Pate of Levelland; three daughters, Mrs. Billie Ruth Bishop of Oakland, Calif., Mrs. Gloria V. Galanda of Aurora, Colo., and Mrs. Margie Manley of Eunice, N.M.; four brothers, Obie Pate of Center, Osie Pate of Littlefield, Delton Pate of Slaton and Elton Pate of Center; two sisters, Mrs. Les Jolly and Mrs. Walt Bush, both of Center; 10 grandchildren; and two great-grandchildren.

DAVID CROCKETT THETFORD

Funeral services for David Crockett Thetford, 67, of Whitharral, who died at 11:40 p.m. Friday, June 29, in University Hospital in Lubbock, were conducted Monday afternoon in the Fifth Street Church of Christ in Levelland.

Bob Smith of Brownfield officiated, and burial was in the Whitharral Cemetery with George Price Funeral Home in charge of arrangements.

Thetford was a native of Floresville and had been a Whitharral resident since 1930. He was a member of the Fifth Street Church of Christ and had farmed in Hockley County until last year.

He married Lillie Pendergrass Feb. 4, 1934 at Whitharral.

Surviving are his wife; three sons, Norman L. Thetford of Denver City, Billy W. Thetford of Anton, and C. E. Thetford of Alpine; four sisters, Mrs. Dovie Turner of Waco, Mrs. Oscar Bremhall of Hanford, Calif., Mrs. Susie King of Hardy, Ark., and Mrs. Anna Belle Richardson of El Cerrito, Calif.; a brother, Washie Thetford of Yakima, Wash.; and eight grandchildren.

Palbearers were Gene Winn, D. C. Caswell, Alva Smith, Ernest Kristinek, Thurmon Dobson and B. W. Gunn.

Breath Of Life Campaign To Begin Here July 23

The annual house-to-house drive of the Breath of Life Campaign to combat children's lung diseases will take place in Littlefield Monday, July 23rd, according to Janice Aaron and Chris Threadgill, campaign co-chairmen, North Texas Chapter of the National Foundation.

Volunteers will call on local citizens to ask help for millions of children who suffer from cystic fibrosis and other lung-damaging diseases.

Contributions to the annual Breath of Life Appeal help support patient care through over 100 C/F Centers across the country, many in teaching hospitals affiliated with leading medical schools.

C/F Centers offer expert diagnosis and treatment for children with C/F, as well as those suffering severe asthma, chronic bronchitis, bronchiectasis and a condition called "childhood emphysema."

Funds are also used for research conducted by scientists throughout the world to find the causes and a cure or more effective control for cystic fibrosis.

C/F strikes one in approximately every 1,500 newborns, the result of both parents carrying the recessive gene for Cystic Fibrosis. It is believed that about 10 million Americans are "carriers" of the gene for C/F.

EIGHT PRIZES to be given away during Festivities Days were chosen by this steering committee during a noon luncheon meeting Thursday. Members are, left to right, Bert Wallace, Bill Payne, Rad Richardson, Benny Zahn, Carol Black and Janice Sebring. See story on page one. (Staff Photo).

THE ABUNDANT LIFE

Talk Reveals Us

By BOB MOORE

THE POWER OF SPEECH is a remarkable endowment, but it carries with it an awesome responsibility. It can be used for good, and is so used by many people.

There are others, however, who use the power of speech for evil.

OUR TALK REVEALS the kind of person we really are. Of course, we may, now and then, deliberately falsify. We can be deceitful in our speech, but, considering our total performance, we will be making known, to all who wish to know, the person we are.

We cannot maintain a continuing falsification, because our true nature will manifest itself.

OUR SPEECH originates in the mind, and, except in instances of deliberate misrepresentation, our talk reveals our basic views, attitudes and disposition.

We may be able to cover up, and pretend for awhile; but the real self must eventually become known.

MUCH OF THE DIFFICULTY in one's life is the result of unwise talk, but it is not the talk per se. What is the source of the talk? If we have been hateful in our talking, we must understand that we were first hateful in our thoughts.

Hateful talk does not come from a clean mind, but from a filthy mind. If we want our speech to be clean, we must keep our mind clean.

IN OUR INTERACTION with our fellowmen, our talking, more than any one other thing, determines the degree of satisfaction.

When our attitudes and views are wholesome, our talk will be wholesome;

and our associations with other people are satisfactory; so far as we are concerned. Our talk will reveal our true nature, our understanding, our consideration and our appreciation of others.

Much of the miserable strife of people is set in motion and fed by the wrong kind of talking which reveals the wrong kind of thinking. This is a waste of human energy, time and talent.

"NINETY PERCENT of all the friction of daily life is caused by the tone of voice. When a man speaks, his words convey his thoughts and his words convey his mood."—Anon.

WHY IS GOSSIP so widespread? because we want to help and encourage others?

Does it come from a mind filled with love and good wishes for others? or does it come from a mind filled with hate and ill-will?

WHEN OUR MIND is filled with charitable thoughts, when we are sincere in wanting to help and encourage others, and when we have reached a high level of mental and spiritual maturity; we will not gossip to others.

PROFANE TALK REVEALS a mind that is debased, defiled and impure, a mind in which the uplifting, honorable and decent thoughts have been suppressed, and the degrading, dishonorable and indecent thoughts have been given first place.

OUR TALK REVEALS US, because we are what we think; and our thoughts reveal our thoughts.

HONNY GRITS

YES, DEAR TURNROW, they do have a fourth of July in jolly old England.—In fact, they even have one in Egypt! Only thing about THAT being, neither of them celebrate the date as a holiday. Well, anyway, at least not for the same reason we do.

However, it's being rumored that England may be considering making the day a national holiday. They'd celebrate it for the same reason that you might set aside a special day denoting your recovery from the plague.

PERHAPS THEY'VE JUST begun to realize how fortunate they were that those rash rebels wanted their own independence!

DOG DAYS IN JUNE?—It was so hot last Saturday afternoon, I noticed a bird chasing a moth and they were both WALKING!

Well, anyway, I'd turned the sprinkler on, and right away a bunch of birds gathered in the mist and seemed to be trying to coax the bugs in with them.

WHICH REMINDS ME of the one about the pioneer whose wife had sent him out to hunt some wild plums. He'd taken his bucket and gun out in the forest, sat down in a clump of bushes and started making a noise like a female wild plum. Oh, well!

Turn Row COMMENTS

By EMIL MACHA

THE SUMMER MONTHS offer farmers a chance to save on income tax by paying their children for farm work and combining vacation and business trips, states Dr. Wayne Hayenga, economist in agribusiness management for the Texas Agricultural Extension Service.

A farmer can deduct wages he pays to his children and still claim them as dependents as long as he provides over half of their support. The support is not hard to meet if the children are living at home. As long as they earn less than \$2,050, the children will not have to pay income tax.

Also, dependent children working for parents do not have to pay social security taxes.

The arrangement should be set up with regular hours and regular paychecks. The amount of pay must also be reasonable and for work actually done.

A farmer can also deduct business-related expenses from business vacation trips as long as business is the primary purpose of the trip.

Only the expenses of the farmer, not the entire family, are deductible. The round trip mileage between the farmer's home and the business site as well as the farmer's food and lodging costs during the business portion of the trip are deductible.

Be sure to keep good records of such a

trip and be able to provide precise questions arise. Receipts are required for all expenses over \$25 and for lodging. Also, only the single occupancy room rate is deductible. Keep receipts with your permanent records.

LOOKS LIKE WE HAD one of the driest Junes since 1911 and at the same time the month of June averaged a degree cooler than average than June has been a below average month.

Usually July is drier than June. If it is true, we may be in for a very dry year. We have one thing in our favor and that is the hurricane season has started and this usually drives moist air into our section of the country.

GOT A FEW returns of the C/F Survey back. Hope to get quite a few more, in case you need another copy of the questionnaire let us know and we will try to get one for you.

HAD A FEW people asking about another "aptitude test", can't think of any questions today, but here is a statement that might tax your brain a little. "It is unwise to close your eyes upon the extremity of your nose. It provides you with your sustenance."

Let me know how you fared on one.

FIREWORKS for the Fourth and thereafter are being purchased by Kyle Shipley who is doing a little bargaining with Ricky Bennett, and David Wiginton, who has already given his money to Greg Payne. Meet The Minister

The Elder Isaac Paul Gipson Family

Elder and Mrs. Isaac Paul Gipson and their two children of Lubbock minister to two area churches every Sunday. Sunday mornings they are at the Sudan Church of God in Christ and Sunday evenings they are at the church at Lorenzo.

Elder Gipson was born and reared at Columbia, La. and attended Vernon Paris School in Leesville, La.

The Sudan and Lorenzo Churches are his first full-fledged pastorates, although he has had experience as assistant pastor of churches in Avondale, Ariz., Pocatello, Ida., and at Fore Memorial Church in Lubbock.

He serves as chaplain of the Lubbock District Conventions of the Church of God in Christ.

Elder Gipson likes music, and plays the guitar and sings. He likes to go fishing when the opportunity comes.

His wife, Bessie Mae Gipson, was born and reared at Cotton Port, La.

She met her intended husband in 1954, and they were

married in California in 1956. She says there's "all the difference in the world" in her husband since he went into the ministry in 1963 at Avondale, Ariz.

Mrs. Gipson serves as District Sunshine Band president, and teaches an adult Sunday School class at the church. She too likes to sing.

Her hobbies are sewing and cooking, but her main pastime is her children and taking care of their needs.

Their oldest child, Patricia, 7, will be a second grader in the Lubbock schools this fall. She is a native of Pineville, La., and says she likes to clean up the house and wash dishes. Her mother gives her lots of credit on the job she does, too.

Danny, their 6-year-old first grader, says his favorite thing to do is "go to the store with Daddy." His job around the house is keeping the trash cans empty and helping with the yard.

He leads the congregational singing at the church, and also leads the "Sunshine Band", composed of children from small to 12-year-olds.

Cattle Picture Is Looking Clo

Just when the weather is beginning to settle after an unpredictable winter and early spring and the beef picture should begin to brighten for the producer, it's not happening.
"There are a number of things clouding the beef picture at a time when production should be increasing to meet the rapidly growing demand," points out Dr. Ed Uvacek, livestock marketing specialist for the Texas Agricultural Extension Service.
"Uncertainty for the future is stemming from consumer meat boycotts, a slowdown in marketings, severe late winter weather followed by spring flooding, a ban on the use of DES (diethylstilbestrol) as a growth stimulant, price ceilings and increased exporting of pork."
"All these things will influence the red meat supplies that will be available this year. It now looks like those supplies will be less than anticipated even though fed cattle marketings are expected to be five percent greater this spring than last and summer marketings should also be large."
The Texas A&M University specialist contends that higher feeder cattle prices and feed prices are limiting the fed beef

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

Following passage June 28 of a "clean" Agricultural Appropriations Bill, the running wrangle over what payment limitation will be applied to farm programs in 1974 and thereafter shifted back to the House, according to Donald Johnson, executive vice president of Plains Cotton Growers, Inc.
"Had the Senate tacked a \$20,000 per person payment limit onto the appropriations bill, as did the House," Johnson said, "the battle as far as this particular issue was concerned would have been over."
The respective Senate and House appropriations bills will now go to conference committee where farm leaders have high hopes the Senate version, without the payment limitation, will prevail.
The House on its money bill not only attached a low-level payment limit but also adopted amendments that would have prohibited sale and lease of acreage allotments from farm to farm and would have blocked the already authorized annual transfer of \$10 million from Commodity Credit Corporation to Cotton Incorporated for cotton research and promotion.
The Senate's action in voting an appropriations bill without such amendments, Johnson continued, "doesn't get us out of the woods by any means," but does leave the door open for further efforts toward a more acceptable program.

Babe Ruth All-stars Chosen

All-Stars for the Babe Ruth league were elected Saturday morning and the league championship was awarded to Marcum-B & C.

Marcum was declared champion by virtue of their one-half game lead over second place Roden. The two teams were scheduled to meet in a game last Thursday, but it was rained out. Since Littlefield will be hosting the District 2 Babe Ruth tournament this year, the remainder of the games have been canceled so that league officials may work to get the field in shape.

Don Avery, president of the league this year, will serve as tournament director. Charles Smith is credentials chairman, Kenneth Jackson is grounds chairman, Ronnie Vaughn the umpire-in-chief, and Jan Stehlik, Nell Cotter, and Gloria Jackson are in charge of the concessions.

The Babe Ruth 14-15-year-old All-stars will be coached by Mike Cotter of Roden Drug and James Grace of Sudan. The 13-year-old All-stars will be led by Jake Moreland of Roden and Sammy Maxfield of Amherst.

The 14-15 All-stars are: Amherst-Richard Holley; Anton-James Melton, Lonnie Timms; Marcum-B & C-John Marquez, Ralph Mendez, Doug Perrin, Danny Martinez; Roden-Bill Turner, Ronald Parmer, Mike Cotter, Ray Vargas; Security State-Tommy Twitty; Sudan-Kyle Martin, Jerry Williams; Ware-Richey-Kyle Jones. Alternates are Matt Hanna (Sudan), Mel Maxfield (Amherst), and Randy Hall (Marcum).

The 13 All-stars are: Amherst-Barry Brown, Ronnie Bearden; Anton-Timmy Belcher; Marcum-Rodney Hall, Stan Jackson; Roden-Greg Moreland, Duffy Reel, Jeff Birkelbach, Dewayne Hayes; Security State-Bradley Allen, George Colbert; Sudan-Joe Williams, Rick Hill; Ware-Richey-Rudolph Smith, Donny Danford. Alternates are Kenny Williams, David Goen, Lewis Willey, Mike Gregg, Blake Cates, and Kenny Motl.

Annual Summer Band Camp To Begin

Texas Tech's 39th Summer Band Camp for pre-college students will swing into action Sunday, July 8, with registration from 9 a.m. to 3 p.m. in Wall-Gates Residence Hall for the young musicians who will be participating in the two-week course of study.

Several area band directors will participate. More than 900 applications have already been received from high school and junior high school students in Texas and across the Southwest, said Band Camp Director Dean Killion, making this the largest pre-enrollment in the camp's history. Last year's enrollment, also a record, was 850.

Also scheduled Sunday are placement auditions for positions in the camp's eight regular bands and four stage bands which are open to students in grades seven through 12. Classes begin Monday, July 9, and will be in session from 7:30 a.m. to 5:30 p.m. daily through July 20 in the Tech Music Building and University Center. Band concerts are scheduled July 14, 15 and 20. Killion and Assistant Camp Director Bill Woods of Seagraves head the 56-member faculty which is offering instruction in band, twirling, drum majoring, theory, music appreciation, stage band rhythms, ensembles, conducting, marching, basic time counting, stage band and flag classes. During the second week, William Francis McBeth, composer-in-residence and

director of bands at Ouachita State University, Arkadelphia, Ark., will teach a class in conducting and rehearsal techniques as part of a band work shop for directors. CLOUDY BEEF PICTURE

A number of things are clouding the beef cattle picture at a time when production should be increasing, says a livestock marketing specialist for the Texas Agricultural Extension Service. Consumer

meat boycotts, a slowdown in marketing, adverse weather, a ban of DES, price ceilings and increased pork exports are affecting production. Higher feeder cattle prices and feed prices are limiting the fed beef output.
