LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, SEPTEMBER 21, 1972

AMHERST'S MAYOR, Arthur Hedges, and a city commissioner George Thompson unveil the historical marker dedicated at Amherst Saturday afternoon. Another city councilman, Eddie Landers, read the inscription. An afternoon of entertainment and speeches from several county, district and state dignitaries concluded with a basket supper. (Staff Photo)

HONORING TOWN, FOUNDER

Amherst Unveils Marker

Amherst residents made a big day of the unveiling of the historical marker honoring W. E. Halsell and his son, Ewing Halsell, and the town of Amherst Saturday afternoon.

Men grew beards, women prepared huge basket suppers, young people sang and played and participated in contests, and the old timers reminisced in the shade of big elm trees in the city park.

The ceremony opened with Kyla Harmon leading the several hundred present in the singing of the national anthem.

"One Night Stand," a local group of musicians, played several numbers before the historical marker was unveiled. Amherst's mayor Arthur Hedges read the inscription telling how Amherst was founded in August 1923 on a... See AMHERST, Page 4

150 PEP and Littlefield residents were served German sausage, sauerkraut, mashed potatoes, green beans, tomatoes and homemade bread Tuesday night during the annual Pep Farm Dinner. The Altar Society of Saint Philips Church prepared and served the food for the feed. The dinner is sponsored by the Chamber of Commerce in appreciation of Pep residents who trade in Littlefield. More Petitions Issued On Liquor Election

Fifteen more petitions for signatures to call a liquor election in Littlefield this fall were issued Monday. The additional petitions were issued on the same application filed earlier and brings the total number of petitions to 50.

Approximately 613 signatures of qualified voters who live in precincts 10 and 14 must be secured before Oct. 6 before an election can be called.

Following the certification of all signatures, Lamb County commissioners must call an election not less than 20 days nor more than 30 days following the next regular meeting after certification.

This means that if the required number of signatures is obtained and the

commissioners set the election when they meet the second Monday in October, as required by state law, the election would occur no earlier than Oct. 30 and no later than Nov. 7.

Concerning statements in the Lubbock and Amarillo papers on the Sunday afternoon meeting of "Concerned Citizens of Littlefield" stating that an effort would be made to publish names of persons who sign the petition, Charles Ary said he contacted the Federal Bureau of Investigation.

"People have constitutional rights to believe, sign and vote as they please," he said. The civil rights of the constitution says that no one's name can be published with the intent to slander."

REV. CAGLE DENIES STATEMENT

Concerned Citizens Are Planning 'War'

The "Concerned Citizens" of Littlefield have called their second meeting Sunday afternoon at 2:30 in the Missionary Baptist Church, located at XIT Drive and 8th Street, to hear a speaker from TANE (Texas Alcohol and Narcotics Education) and make future plans for "waging a war on the liquor issue", according to the new president of the organization, Rev. J.B. Cagle.

R.R. Holton, associate executive director of TANE, will present statistics that have been gathered by his organization concerning the liquor issue throughout the state of Texas.

The "Concerned Citizens" were reorganized this past Sunday afternoon, and new officers were elected.

The organization had been inactive since the spring of 1969, and met again Sunday to become organized to represent the citizens in Littlefield who are not in sympathy with the legal sales of liquor as proposed on 50 petitions which have been issued for circulation in the city.

At least 613 qualified signatures must be certified on the petitions to the Commissioners' Court during the next meeting after the petitions are filed, before an election may be called. The

city's last liquor election was in December, 1967 when the "legal sale of all alcoholic beverages for off-premise consumption only" was defeated 1,106 to 745—or 59.8 percent to 41.2 percent.

Rev. Cagle and Rev. R.N. Tucker, spokesmen for the "Concerned Citizens", openly denied other reports that their organization had decided to publish all names on the petition, but stated that the matter had been only mentioned in conjunction with the last liquor election.

Rev. Cagle also denied a quote which was attributed to him in the Amarillo Daily News, which stated: "We are going to make these 'wets' so miserable they won't try this for another 20 or 30 years." He emphasized, "I'm not that stupid! I know they can petition again in six months."

Both spokesmen stated that they would "possibly" acquire a list of registered voters within the voting precincts involved, to make contacts with the voters on the issue.

Other officers of the "Concerned Citizens" are David DeBusk, secretary-treasurer; Rev. Benny Goss, publicity director; and Troy Armes, finance chairman.

Fly-In Breakfast Scheduled Sunday

The Littlefield Chamber of Commerce will sponsor its Second Annual Fly-In Breakfast at the Littlefield Municipal Airport Sunday morning from 7 to 10 a.m.

Breakfast will be served to all fly-in's during that time, and transportation to church will be provided.

Pilots may radio by Unicom for landing instructions on two paved runways —4,000 ft. and 2,800 ft. runways.

Manager of the Chamber of Commerce Bill Payne encourages all pilots to "fly in, eat breakfast and visit with all your flying acquaintances."

Lamb County Better Weather, Inc., has arranged for all three twin engine planes used in the Hail Suppression program in Lamb, Hale and portions of other adjoining counties to be at the Littlefield Municipal Airport Sunday during the annual fly-in breakfast.

The pilots who have been flying the planes during the three-year weather modification program will be on hand to show all interested persons how they fire hail suppression chemicals into cloud updrafts and answer questions.

Plans call for the planes to arrive about 6:30 a.m. and stay until 10 or 10:30.

THE FIRST of two early Sunday morning accidents occurred about 4:15 a.m. on intersection of Highway 385 and Santa Fe railway. There were no injuries in the one-car turnover. (Staff Photo by Emil Macha)

TEXAS TOPS NO. 102

Texas TOPS No. 102 met Sept. 18, Monday night, in the dining room of Medical Arts Hospital.

Members were weighed as they came in.

Rose Zyburra called the meeting to order.

Roll was called and members answered with the number of pounds gained or lost.

Rose Zyburra read a letter about the next area recognition day Oct. 14th at Muleshoe, inviting all members from Littlefield to attend.

Secret pal gifts were given and during the next meeting, secret pals will be revealed. New pals will be drawn.

All sang the fellowship song and meeting was adjourned. The next regular meeting will be Tuesday night, Sept. 26.

Suzann Tatum Honored With 'Tasting Luncheon'

Former classmates of Miss Suzann Tatum, bride-elect of Gaddy Wells, honored her Saturday, Sept. 16, with a pantry shower "Tasting Luncheon" from 11 a.m. until 1 p.m. in the home of Mrs. O. L. Walker, mother of Mrs. Neida Monroe, a hostess.

Assisting Mrs. Monroe with hostess duties were Mrs. Verna Butler, Mrs. Barbara Steffey, and Mrs. Pat Conway. Each guest brought her favorite casserole, salad, or dessert, along with her recipe to be filed in a decoupage recipe file designed and made by Mrs. Elray Rasco of Sudan.

Centering the buffet table, which was laid with a runner of muted shades of pink, purple, and lilac, was a wicker bird cage filled with purple and hot pink flowers above which fluttered a watermelon pink bird.

In the den, guests were seated at serving tables decorated with matching table covers, plates, cups, and napkins. Each table bore a brass container filled with a dry flower arrangement in fall colors. Lying by each place setting was a colorful pot holder, a party favor.

Pantry and kitchen items were presented to the honoree along with the hostesses' gift of the recipe file and a Betty Crocker recipe book.

An added highlight for the honoree was the appearance of her uncle, Straus Baker of Hobbs, N.M., who presented her with numerous pantry items, each tagged with ideas and advice for its use by the bridal pair.

Attending the luncheon were Mrs. Verna Butler and Mrs. Neida Monroe of Amarillo; Miss Frances Hampton, Canyon; Misses Martha Naylor and Kim Harp, Lubbock; Mmes. Ann

Manning, Edith Birkelbach, and Gerry Pierce, Lubbock; Mrs. Jonell Smith and Suzann Tatum, Dallas; and Mmes. Barbara Steffey, Brenda Farmer, Pat Conway, Forbes Tatum, and O. L. Walker of Littlefield.

In addition to honoring Miss Tatum, the luncheon also celebrated the fifth anniversary of the graduation of most of the girls from Littlefield High School in 1967.

Shower Honors Suzann Tatum

Miss Suzann Tatum, bride-elect of Gaddy Wells, was honored with a bridal shower Saturday afternoon, Sept. 16, in the home of Mrs. Lenton Smith.

The serving table, laid with an ecru cutwork cloth, was centered with an arrangement of purple and cranberry fall flowers in a polished brass pedestal bowl flanked by brass candlesticks holding cranberry candles.

Perched among the flowers was a pink bird with cranberry plumage. A corsage of matching flowers was presented to the honoree by the hostesses.

Presiding at the serving table were Mrs. Vergil Zoth and Mrs. Jack Aduddell, who served refreshments of pinwheel and ribbon sandwiches, assorted cookies, snowballs, purple and cranberry mints, nuts, raspberry punch, and coffee from silver and crystal appointments.

Approximately 60 guests called during the afternoon. They were greeted by Mrs. Lenton Smith, Mrs. Forbes Tatum, and Miss Suzann Tatum, the honoree.

Mrs. Pat Conway registered the guests. Mrs. Wayne Butler directed the guests to the refreshment table while Miss Thriess Bingham played soft piano music during the afternoon.

Greeting guests in rooms in which gifts were displayed were Mrs. Randy Smith of Dallas, sister of the honoree, and Mrs. Pryor Hammons.

Hostesses for the bridal courtesy were Mmes. Mack Tucker, Stanley Doss, Wayne Butler, Delton Jones, Dick Carl, Joye Hall, Frank Bartley, Kenneth Wiseman, Gene Gibson, Alvis Tubbs, Weldon Findley, Jack Aduddell, Pryor Hammons, D. J. Stafford, Vergil Zoth, and Lenton Smith. Their gift to the honoree was a Mixmaster food mixer.

Out-of-town guests were registered from Hobbs, N.M.; Eunice, N.M.; Waco, Levelland and Denton.

MRS. J. B. McSHAN

MR. AND MRS. Otto Jones attended the funeral of her brother, Robert L. Higgins of Seymour over the weekend.

AMHERST

MRS. LESTER LA GRANGE 246-3336

Historical Survey Tuesday were V. M. Peterman, chairman of the committee, Mr. and Mrs. Roy McQuatters, Spade, Mrs. A. H. Schivally of Fieldton, Mrs. Gladys Joplin and Mrs. Minnie Matthews of Littlefield; Mr. and Mrs. L. E. Slate of Sudan; Mrs. Lester LaGrange and Lee Payne of Amherst. It was held in the sitting room of the Blossom Shop.

MR. AND MRS. Charlie Murrell Sawyer are visiting James E. Murrell in Albuquerque.

MR. AND MRS. Maurice Brantley are visiting their son, Donnie and family in Houston.

MEMBERS OF THE First Methodist Church are invited to attend a stewardship seminar at Muleshoe Church 4 to 8:30 p.m. next Sunday. Bring a sack lunch. Drinks and dessert will be furnished.

MR. AND MRS. C. H. Pickrell of Fieldton were here Saturday.

CARTY MAC SHIPLEY who attends Tarleton State College, Stephenville, was home for the weekend.

AMONG THE many out-of-towners here Saturday afternoon were R. L. May of Kress and Mr. and Mrs. Herman Bussanmas of south of town.

MRS. SUE BRANTLEY Martinez was pictured in the current issue of the Baptist Standard magazine. She and her husband, Jesse Martinez, serve as special associational

ministers in the Dallas Lee Park area. She is the daughter of Mr. and Mrs. Harvey Brantley.

RAYMOND CANTRELL and his mother, Mrs. Lucy Cantrell, fished near Marble Falls last week.

MR. AND MRS. David Harmon were in Hereford Saturday night and attended the wedding of Kathy Williams and Michael Kemp. Kathy is the daughter of Mr. and Mrs. Glynn Williams and the granddaughter of Mrs. Mabel Chafin and Mr. and Mrs. Larkin White.

MRS. O. P. LANE returned from a visit of several weeks with her son, Sid and family, in Vernae, Utah. Her son, Bill, from Arizona brought her home.

MRS. JUDY BOWMAN and one of her students, Jana Heath of Hale Center, were here for the weekend with her parents, Mr. and Mrs. "Doc" Bowman.

MRS. N. B. EMBRY spent last week with her daughter, Mrs. Larry Leonard and children in Dallas.

MR. AND MRS. Ray Blessing were in Lubbock for the weekend with their sons, Pat and Jedd and families.

MRS. C. C. CARRICO and Mrs. Gene Willard were in La Mesa, Calif., last week to attend funeral services for their sister-in-law, Mrs. Ardis Bolton. They were joined by Carl Bolton of Dimmitt and Mrs. Cecil Williams of Stratford. Mr. and Mrs. George Williams and Carrico met them in Amarillo Friday as they returned home by plane.

REV. AND MRS. Gene Louder and Monte visited her mother, Mrs. Lester LaGrange Tuesday.

REV. GEORGE BUTLER and Joe Miller were in Lubbock Monday for a special session of the Northwest Texas Conference held in the First United Methodist Church.

MRS. OBY BLANCHARD and her daughters, Mrs. Raymond Gilder of Fort Worth and Mrs. Davis May of San Antonio left this week for a visit with their son Oby Jr. and family in San Marcos, Calif.

Activities

STORY HOUR for pre-school children will be this morning and every Thursday morning at 10 a.m. in the Lamb County Library in the basement of the courthouse.

THE LITTLEFIELD Hospital Auxiliary will have a covered dish and membership luncheon at the Flame Room of Pioneer Natural Gas at noon Thursday, Sept. 21.

Sudan Slates 20th Annual Homecoming

SUDAN-The 20th Annual Homecoming for ex-students of Sudan High School will be held Saturday, Oct. 28, at the school cafeteria.

Honored classes will be those of 1931, 1941, 1951, 1961, and 1971.

A reception by Future Teachers of America is scheduled from 6 to 7 p.m. during registration.

Dinner, prepared by Sudan Band Parents Organization, will be served at 7 p.m. with entertainment provided by the former Texas Melody Boys.

The homecoming football game will be Friday night, Oct. 27, when the Hornets will meet Vega Longhorns in Hornet Stadium.

Following the game, the Sudan Booster Club will have a pie-caffe-coffee concession in the school cafeteria.

Agent Offers Tips On Clothes Buying

By LYNN T. BOWERMAN
Lamb County Extension Agent.

By this time of year, your little boy has been in school long enough to have the knees out of those jeans and your daughter has ripped a seam loose in that new dress.

If you hate to mend let me give you a few hints on how to avoid those rips to begin with. First, careful buying can cut down on mending. Follow these suggestions.

*Pick types of garments best suited to your family's needs and to the kind of care these clothes will get.

*Check sizes and fit. Getting just the right fit avoids many strains that cause damaging rips and tears later.

*Study style features and trimmings to see if they will hold up in use. Some, although satisfactory in dress clothes, are not practical in garments for work or play.

*Examine the workmanship of a garment, outside and inside, to make sure it is appropriate and serviceable for the material, style, and cut of garment, as well as for the use and care it will get. Look for flaws.

*Take time to pick the best garment, whether clothes are piled in a stack or hanging from a rack. Don't hurry. All clothes of a kind, or even a size, are not equally good buys.

While one choice seems as good as another, clothes are made by individuals, some of whom are more skillful and exacting than others.

Second, before you or a member of your family wears a new garment, check it over. Strengthen any weak spots and correct any manufacturing errors that might cause trouble later.

Often there are faults that catch your attention at once; other weaknesses may not be so obvious. A few well placed stitches and repairs at this time will help you get the best possible service from your purchases. It will be worthwhile to check the points listed here.

DANGLING THREADS
Fasten off thread wherever stitching ends. Pull these threads to the inside and tie securely. Or if threads are long enough, run them through a needle and fasten with a few stitches—or pull the threads inside a hem or fold.

STITCHING
Rip out and restitch any broken, knotty, drawn, or crooked stitching. If this repair is inside a garment, let replacement stitches overlap at each end of the space you have ripped out.
If repair is on the outside,

pick out enough stitches so you can pull thread ends to the inside and tie them. Replacement stitches on the outside should just meet, not overlap.

SEAMS
Seams that are too narrow can sometimes be stitched a little deeper to make them hold. If the material is fraying—but not badly—simply overcasting of the raw edges will make a seam secure. If the material frays readily, it's better to run a row of machine stitching near the cut edges then overcast or finish with zigzag machine stitching.

A good way to guard against broken stitching when seams are curved or bias is to stitch them again, using a short stitch, about one-sixteenth inch beyond the seam line.

HEMS
In readymade dresses, hems are often loosely put in with a stitch that ravel. This kind of hemming is a convenience if the dress length must be changed, but in use it is hazardous.

Stitching that ravel and pulls out can easily result in a sagging hem that tends to catch on shoe heels. Better pull out such stitching and rehem with secure stitches between hem and dress. Use silk thread for extra strength.

BINDINGS
To save a big mending job later, make sure that all bound edges are securely stitched. If binding is sewed too close to the edge, rip the binding open, ease the binding in a little deeper, then restitch.

STRETCHY EDGES

If the outer edges of neckline, collars, plackets, armholes, and pockets are cut on a curve or a slight bias—rather than on the straight on the goods—they sometimes stretch, then tear.

To prevent such stretching and tearing, stay the outer edges on the underside with straight (twill) or bias tape. Or rip open the facing, and sew tape next to the edge, then restitch facing.

BELT LOOPS

In readymade clothes the ends of belt loops are simply pulled to the inside and knotted. These knots frequently come untied and pull out.

To fix them, draw the loose end to the inside of the dress with the help of a crochet hook. There the loops should, if possible, be securely attached to a side seam with a few strong stitches.

County Teachers To Hear Speaker

Dr. Jack Lee Nance, associate professor of education at West Texas State University, will discuss "Humanizing Education" before the Texas State Teachers Association of Lamb County Monday, Sept. 25 at Sudan at 7:30.

Dr. Nance came to West Texas last year from East Central State College at Ada, Okla.

Nance received a Bachelor of Arts degree from Bethany Peniel College, Bethany, Okla., in 1955 and a Master of Education degree from

Southern Methodist University. He received his Ph.D. from the University of Oklahoma in 1965.

He is a member of the NEA, OEA, Pi Kappa Alpha Fraternity, Association of Secondary School Administrators and the Association of Teacher Educators, Board of Directors.

Born in Shamrock, Okla., in 1932, Nance is a graduate of Miami High School.

He is married to the former Martina W. Foster and they have two children.

OLTON

MRS. W. B. SMITH JR.

Study Club Feted At Breakfast

AMHERST--The first meeting of the Amherst Study Club for the new club year was when the yearbook committee, Mrs. Clyde Brownlow, Mrs. Homer Peel and Mrs. Karen Rich hosted a breakfast Saturday morning in fellowship hall of the Methodist Church.

The menu consisted of sausages in pastry swirls, banana bread slices, an assortment of fruit tidbits, cottage cheese, coffee cake, iced fruit juice and coffee. Members were seated at a U-shaped table, lighted with candles and Mrs. Ronnie Schroeder returned thanks. The president, Mrs. Brownlow, gave the welcome and Mrs. Peel presented the yearbook outline. The title of the study is "Accepting Our Opportunities and Acknowledging Our Obligations."

Mrs. W. P. Stone, chairman of membership, introduced the new members, Mmes. Dennis Lange, Bob Donnell, J. D. Nelson, Donald Booth, Tim Conatser and Arnold Macmanus.

Twenty-three attended.

Needle Point Course Offered

South Plains College will offer a short course in Creative Needle Point beginning Monday, Sept. 25 from 7:30-9:30 p.m. lasting for four weeks at a cost of \$15.

Classes will meet in Room 115 in the Technical Arts Building. It is suggested that each person bring a pair of scissors, pencil and paper.

All other supplies will be furnished. A number of different stitches will be shown, such as: Continental stitch, basket weave, Milanese stitch, Hungarian stitch, Jacquard stitch, slanted Gobelin stitch, Scotch stitch, Morrish stitch, and Bargallo stitch.

After completing the course one should be able to execute any design one would desire to make on ones own canvas. Instructor for the class will be Mrs. Clyde (Patsy) Grappe. Mrs. Grappe makes a special effort to make the class a "fun class" and not something that would be boring to those participating.

For further information, interested persons should contact the Office of Continuing Education at South Plains College, phone 894-4921.

Parish Council Sets Bake Sale

A bake sale is slated Saturday, Sept. 23, in the recruiting building two doors north of Roden Drug on Phelps Ave.

The sale sponsored by the Parish Council of Catholic Women will feature homemade bread, cakes, pies, cookies and candy. All proceeds will go to Boys Ranch at Pettit.

DEAR EDITOR

What Our Readers Think

Legal Liquor Tax Adds Up

September 19, 1972

Dear Editor,
I read in last Sunday's Leader-News that some of the people working for us in our county offices are asking for a raise in pay. Let me point out that if these same people were working for a private enterprise, holding the same position, they would be making a lot more money than they are asking for working for us.

I also read that the schools are going to borrow the money to make the September payroll. Who is going to pay the taxes for this? Our Concerned Citizens think we can carry the tax load without legalized liquor. But in reading our paper, it seems we have a lot of delinquent taxes that are not paid. This tells me that our people are overburdened with taxes as it is. The fact is that legalized liquor probably won't cure this problem, but it sure will help it.

To give you an idea how much tax money liquor brings in, under mixed beverages it pays 10% tax. The Crescent Club opened on September 17, 1971. Since this time the following taxes were paid, to-wit:

September, 1971	\$192.41
October, 1971	544.50
November, 1971	558.38
December, 1971	534.06
January, 1972	539.35
February, 1972	411.32
March, 1972	548.23
April, 1972	575.50
May, 1972	526.02
June, 1972	548.10
July, 1972	591.58
August, 1972	400.20
TOTAL TAXES	\$5,969.67
Permits	\$2,120.00
GRAND TOTAL	\$8,089.67

The City of Littlefield, Texas will receive \$895.45. The County of Lamb, State of Texas, will receive \$895.45. TOTAL \$1,790.90

The Citizens for Progress think if you will study this and try to estimate how much taxes we are sending to Dimmitt,

Writer Praises Ary

Dear Editor
I would like to tell the people that are criticizing Charles Ary because of his part in the liquor election something about him.

In March and April of this year we tried to help Lana Anderson by starting a fund for her. Local people were real good to give what they could but Charles Ary donated one night's business which was over \$270. Charles gave everything the Crescent Club made off of food and drink and Jr. Smington gave his full night's salary. Not one other business or business man in Littlefield offered to do anything like this.

Lana (Rummy) is not the only one Charles has helped. He also gave for someone in Whiteface.

Rummy was home last weekend and she made a special trip to the Crescent Club to thank Charles, his wife, and Jr. for what they had done.

I think that the people of Littlefield should stop and look at the good Charles has done through the Crescent Club rather than criticizing and putting him down.

s/Roxy Baber

Lubbock and Clovis, in addition to what we are keeping at home, you will see why we need legalized liquor. Everyone who owns property or works in Littlefield has a stake in this petition, and if you are concerned about your town, county and schools, you should sign the petition on legalized liquor so we can call it to a vote. Thank you.

Charles Ary, Chairman for Citizens for Progress
Box 542
Littlefield, Texas 79339

Pastor Says Thanks

September 19, 1972

Mr. Wade A. Warren
Publisher
Lamb County Leader-News
313 W. 4th Street
Littlefield, Texas 79339

Dear Mr. Warren:
This is a kind of "Letter to the Editor" expressing the appreciation many Presbyterian leaders felt for the kind hospitality of Littlefield, its Chamber of Commerce and the First Presbyterian Church exhibited in an area meeting held Saturday, September 16.

In particular, the personal welcome by Pastor Sorley and the representative of your Chamber of Commerce, along with the letter and attractive brochure on your city was gratefully received by all. After the meeting, several of us took the opportunity to walk down your remodeled main street and see in a first hand way the significance of this beautification project.

During our walk we purchased copies of the Thursday, September 14 issue of your paper and read with interest the column on page 2 by Mrs. J. B. McShan that included news of our area Presbytery gathering.

Gratefully yours,
s/Robert Dow Nicholson
Robert Dow Nicholson
Senior Pastor

Break-Ins, Theft Are Investigated

City police officers are investigating two cases of breaking and entering and a theft which were reported late last week.

Entry was gained to Wilemon Oil Co. sometime late Friday night or early Saturday morning when the subject went through a broken window on the west side of the building.

Taken from the building was \$3 from a metal box that was inside an unlocked desk drawer, and an Emerson brand electric radio.

Sometime the same night, entry was gained to Littlefield Frozen Food Locker through a broken window on the kill floor.

A citizen in the 600 block of E. 8th reported the theft of an electric white solid state clock radio from her residence sometime Saturday.

OBITUARIES

KENNETH DEWAYNE CONLEY

Funeral services for former Sudan resident, Kenneth Dewayne Conley, 26, of Abilene, who died of injuries received Sunday near Jayton in a freak rockslide, were conducted Wednesday afternoon in the Sudan Church of Christ.

Conley died Sunday morning in Callan Hospital in Rotan shortly after arrival. Mike White, minister, officiated and burial was in the Sudan Cemetery with Hammons Funeral Home in charge of arrangements.

Kent County Sheriff R. G. Goodall said that Conley was struck by a large boulder on a rock hunting expedition with several others near Jayton about 9:30 a.m. Sunday.

The sheriff said Conley was swinging down a slope using a rope, which was tied onto a large boulder at the top of the hill, when the rock apparently gave way and fell onto Conley, striking him on the right side under his arm. His ribs and hip were crushed.

Conley was a native of Oklahoma and had lived in Abilene six years. He was employed at a service station in Abilene at the time of death.

Surviving are his wife, Rita; a son, Michael of the home; a daughter, Leann of the home; his parents, Mr. and Mrs. Dewane Conley of Sudan; his grandparents, E. L. Crain of Thomas, Okla., and Mrs. Anna Conley of Sudan; a brother, Eugene Conley of Sudan; a sister, Mrs. Zelma Sizemore of County Line.

JOYCE TROTTER

Funeral services for Joyce Trotter, 4-year-old daughter of Mr. and Mrs. J. R. Trotter of Denton who died Tuesday afternoon, are scheduled for 10 a.m. today in Denton.

Graveside services will be conducted at 10 a.m. Friday in Littlefield Cemetery.

Among survivors besides the parents are two brothers, two sisters and her grandparents.

Loyd Hood Wins First

Three newcomers to this year's football contest outgassed all other contestants last week to win the weekly prize money.

All three turned in perfect scores, and the winners were chosen on the basis of the tie-breakers.

Loyd Hood, 301 19th, Littlefield, wins first place and the \$5. Becky Cook of Amherst wins the \$3 weekly prize, and Kevin Hutson, former Littlefield resident who resides at Euless, is third place winner of the \$2 prize money.

Twenty contestants missed only one game each, and 24 persons were right behind with only two misses out of the 16 games.

The most often missed game was the Seagraves over New Deal win. The Thirteenth game was counted right on every entry because of a mix-up in the game schedule.

Weekly prize winners made no difference in the season standings since none of the three winners entered last week. Mrs. Byron Ford of Sudan, Harold (Doc) Bowman of Amherst and Floyce Pierce of Littlefield are in the lead with 30 correct predictions thus far.

See page eight in this issue for a list of the top contestants.

JERRY ROBERT SILHAN

Funeral services for Jerry Robert Silhan, 87, of Morton, a farmer in the Pep community for 41 years, died Monday afternoon in Medical Arts Hospital in Littlefield following an extended illness, were conducted Wednesday afternoon in Hammons Funeral Home Chapel.

Silhan was born in Czechoslovakia and farmed at Pep until his retirement approximately two years ago.

Rev. Thomas Lange, pastor of St. Martin's Lutheran Church, officiated and burial was in Littlefield Memorial Park.

Surviving are his wife, Mary; six sons, Felix Silhan, Eddie Silhan, Frank Silhan and Johnny Silhan, all of Morton, and George Silhan and Dannie Silhan, both of Pep; two daughters, Mrs. Ella Marek of Pep and Mrs. Martha Fain of Lubbock; 21 grandchildren and 10 great-grandchildren.

JAMES BRIAN DUNCAN

Funeral services for James Brian Duncan, infant son of Mr. and Mrs. Lowell D. Duncan of Amarillo, were pending at presstime with Blackburn-Shaw Martin Road Chapel in Amarillo.

The infant was born Saturday and died Monday at High Plains Baptist Hospital.

Surviving are his parents; his grandparents, Mr. and Mrs. Frank Duncan of the home, Aubrey Mobbs of Amarillo and Mrs. Hazel Mobbs; and his great-grandparents, Mrs. Ferrell Artley of Amarillo and Mr. and Mrs. Parker of Earth.

IRA HOWELL

Funeral services for Ira Howell, 64, of Littlefield, who was found dead at his home about 1:30 Tuesday afternoon, are scheduled for 10 a.m. Friday.

At presstime, the place for the service had not been determined by Hammons Funeral Home. Burial is to be at Grandfield.

His brother, Phorious Howell, who resides across the street, found him lying on the couch in the living room with a .22 calibre pistol in his hand and a bullet wound in his right ear.

Peace Justice Stanley Doss ruled the death was by self-inflicted gunshot wounds.

Survivors will be published at a later date.

THE ABUNDANT LIFE

Grudges Must Go

GRUDGES MUST GO. They must be dropped, discarded, completely given up if we want a satisfactory life. These deep feelings of resentment or ill-will can dissipate personal happiness, destroy peace of mind, over-shadow the sunshine of our blessings, and cause all kinds of unnecessary troubles.

A grudge is never harmless, and is never helpful. It always hurts, and the spread of the hurt may be unbelievably wide. This feeling of resentment or ill-will seeks satisfaction. It would be bad enough, if it were confined to the person who harbors it because of the great damage to that person. In addition to this evil, there are many others which develop as the grudge reaches out for satisfaction.

ONCE A GRUDGE takes hold of a mind, it is not inclined to let go. It seems to be almost indestructible. Of course, it is not all this strong. It can be held in check, and blasted out of our mind. We can get rid of it, with very great effort. A grudge has in it the possibility of ruining one's life, at least, and it usually does great damage to others. Nobody gains. Everybody loses.

THERE IS SOMETHING BETTER. This ugly, pernicious feeling cannot force itself upon us. Therefore, we can keep it out of our mind; and this is what we must do. This is much better than having to struggle to get rid of it. We must manage ourselves so that we never

permit any action of any kind to abuse our mind with grudges. We cannot afford this ill-will. Grudge is ill-will. It can do no good cause trouble for us, and for those are made its objects. It is destructive, but constructive. It can build up, but tears down. It can improve people or situations, but it makes them worse. It is evil, and it is the very worst forms of evil.

MALEVOLENCE is the opposite of grudge, and it is vicious. "It is the mind of Satan, the great evil outcast from all joy, and the opposite of all goodness and happiness," Hamilton.

It is emotional malignancy, as does a canker, because it is a source of corruption and debasement. In its working it multiplies existing sorrow, calamity. It causes evil, when it existed.

WE MAY EXPECT GRUDGES from people who admittedly are doing their own choice, but it is surprising to find grudges among "good" people is not uncommon, but it is disappointing. Almost invariably "good" people will try to justify this ugly feeling. They justify a bad situation worse.

If the feeling of grudge enters thought processes, there is only one right thing to do: get it out of it.

HOMMY BRITS

By CORNBALL BL

LOOKS AS THO Lubbock's little hassle with their garbage collectors may get to be a pretty stinking situation, yet!

I'D HEARD OF "White Lightning" about all my life, but I'm of the opinion that all who saw last Friday night's game with the Lobos, thought they were seeing flashes of the darker shade! — We're really glad they're on OUR team.

I know we can't give any one of the boys credit above the others. The team is really shaping up. The defense really shines! They were tough when they needed to be. They stood toe-to-toe with heavier boys, and whipped them out!

WE SAW SOME long runs that were exciting and beautiful, along with some well executed broken-field running, that kept the score board busy. It's hard not to pick out one, or two for special praise, but we mustn't forget the kids that take the opposition out of the way, and pave the way to the goal line.

Anyway, it looks like we've got a winner on our hands (unless something happens.) And that because they're playing as a team! — **GREAT GOING, CATS!**

NO. 1 SON WRITES about some of his problems with the military. He's been made a squad leader.

"DAD" he writes, "I guess you know about some of the problems you can have when you're dealing with people. They resent you because you are in authority over them, especially if you try to make them shape up. Then, on the other hand, if you're a little lax and let them get into trouble, they curse you for that! Either way you aren't very popular, period. You just can't win!"

"I can see where, up 'til now, I've led a very 'sheltered life' (for which I'm grateful.) However, it's an education in itself, learning just what the human mind is capable of coming up with, in the field of filth. Yet, I guess my education's just started!" — (Picture of a youngster growing up.)

LOOKS AS THO the kid has discovered a truth, already, that many of us never learn. Our society is at very low ebb because we've given over to the gripes and moans of the malcontents. They want freedom from authority, and protection, too!

They don't want to be subjected to authority, yet are constantly blaming the "establishment" for the troubles they have bought for themselves!

WOULDN'T IT BE wonderful, if parents and the high courts could come

face to face with this problem, the futility of doing away with restrictions?

The freedom of being able to do "own thing" may not be as valuable as first thought. Freedom from all does away with protection also!

WOULDJA BELIEVE THAT was out all day Saturday, THREAT OF RAIN?

BUGS AT OUR HOUSE! Every size, shape, and variety of community can supply. You find cans, boxes, and bottles of alcohol thought humans were the only ones to get pickled?

You got a kid in biology? Do know what I'm talkin' about! — And, you know what? — The my life raises our own butterflies! — Er, well, not just plants some dill, and let take its course. Hm, wonder what adds the flavor to dill pickles?

... Amherst

part of the Haiselt Sod House pasture.

The Amherst Lions Club had celebration with Charles Maxfield as master of ceremonies. Special were State Rep. Bill Clayton delivered the principal address. District Judge Pat Boone Jr. was the welcome.

V. M. Peterman, president of Lamb County Historical Commission recognized Mrs. Lester LaGrange and Mrs. L. E. Slate, Mrs. Elda and numerous other members committee who made the possible.

Later in the evening: musical groups, Charles Smith, Tommy Chestnut, and Ronnie Kyle Shipley and Kenny Peel led the crowd which was estimated at 500.

Bennie Harmon was named in the Lions Club "whisker" contest. Amherst grade school and Bob Payne presented pupils in jumping, and hula hoop contests. Awarded prizes to hula hoop contest Sammy Maxfield, Gayla Ann Cook, Dale Edwards.

Approximately 200 stayed for basket supper.

Special Days Slated At SP Fair

City and area students and teachers, plus college students and military personnel will be special guests of the Panhandle South Plains Fair Sept. 25-30.

Five "special" days have been set aside during the weeklong run, with "area school day" slated on opening day. Some 100,000 free gate admission passes will be

distributed to schools throughout the South Plains and eastern New Mexico.

In addition, 40,000 tickets will be distributed in Lubbock for "Lubbock school days" on Tuesday and Wednesday. One-half of the city's schools will be dismissed early on Tuesday and the other half will be let out of classes early on the following day.

"Military day" is Thursday, and all military personnel, plus civilian personnel at Reese AFB, will be admitted to the grounds free upon presentation of identification cards.

"College day" is Friday and all students attending colleges will be admitted free with proper identification.

Fair officials pointed out

that the public also is invited on these days as well.

Opening day traditionally has been "area school day" because about 30 area schools participate in the "Parade of Bands" which officially launches the fair. This year's parade through downtown Lubbock is set to start at 10 a.m. It also features high school bands in Lubbock, but the host aggregations do not compete for any of the \$1,200 in prize monies offered in competition in Classes B, A, AA, AAA and AAAA.

All participating bands receive trophies, however.

A host of new attractions and exhibits, plus two free shows — "The Sensational Leighs" performing on the giant space wheel, and Tony, the organ grinder, and Chris, the wonder monkey — are slated this year.

In addition, the fair's top drawing card — Charley Pride — will appear on stage in Fair Park Coliseum on Monday and Tuesday night's along with The Pridemans, country and western singer Johnny Duncan, ventriloquist Alex Houston and Elmer and The North Door. Tickets are priced at \$5, \$4 and \$3.

On Wednesday night, "the best in gospel music" will be featured, starring The Blackwood Brothers Quartet, The Blackwood Singers and J. D. Sumner and The Stamps Quartet. Tickets are priced at \$3 and \$2.

An all-star Mexican variety show is slated Thursday. It will star Lola Beltran, Cuco Sanchez, Graciela Flores — "Mexico's Miss Personality" — a mariachi band, Juan Puente and Oscar Zamora.

Roy Clark, The Sound Generation and Tom T. Hall and The Story Tellers round out the week on Friday and Saturday nights. Tickets for the Mexican variety show and

Clark's performance priced at \$4.50, \$3.50 and \$2.50.

All shows will be at 8:30 and 8:30 p.m. daily.

Tickets may be obtained at Fair Park Coliseum from 9 a.m. until 5 p.m. (telephone 763-6900).

Pep

MRS. CONRAD DENNIS

A GET-ACQUAINTED supper, sponsored by the P-T-A was held recently at the home of Mrs. J. C. Snitzer, superintendent of the teachers and custodians. They were joined by Mrs. Gary Brakebill, chemistry-math and science teacher; Mrs. Bowen, typing, shorthand and bookkeeping, seventh grade and history; M. G. G. history; Roger Jones, English; Mrs. Jenkins, trouble shooter for students; Mrs. Alice Keen, homemaker department; Jack Birdwell, ag. department for high school. Grade school first and second, Mrs. Gilbreath; third and fourth, Mrs. Joann Miller; fifth and sixth, Mrs. J. C. Snitzer; Mrs. Valeria Shannon; Mrs. Evelyn Alton, custodian Norman Ford; Mrs. M. G. Gary, reading.

MR. AND MRS. Leo and girls of Friona were dinner guests in the home of Mr. and Mrs. Conrad Dennis and family Sept. 18. Peggy Sherley of Littlefield.

MRS. LYDIA GREEN, Mrs. M. G. Gary of Littlefield Hospital. Mrs. Green had an accident with a lawn mower and Mrs. Gary has a respiratory infection. Both are recovering fine.

In 1909, Mrs. Baird replaced a bicycle with a wagon to get her bread to the customers faster... and fresher.

Today, Mrs Baird's Bread is still delivered to the store as soon as possible after each bake... because her family still cares about freshness.

Ford Division's new F-Series pickup trucks, including this F-100 Ranger XLT, feature the most extensive changes in six years. The F-100 250 350 light trucks include an all-new cab, new interiors, new exterior sheet metal, longer wheelbases and wider tracks. Cab length is increased two inches, permitting more leg room and a roomy storage area behind the seat in most models. New features include front disc brakes on all two-wheel-drive models, double wall construction of the cargo box and optional power steering and automatic transmission in four-wheel-drive models.

Most changed Ford Division car for 1973 is the full-sized Ford. Shown here is the LTD four-door hardtop. All-new sheet metal below the window line and a new segmented grille give the 1973 Ford a more formal look. All 1973 Fords have a new impact-absorbing bumper system, although the overall length of the car is increased only about one inch. Power front disc brakes, power steering, SelectShift Cruise-O-Matic transmission and a 351-2V eight-cylinder engine are standard in all new Fords.

Have a good week and don't run into any
trees. IT'S UN-HEALTHY, right
J.D.?????

Cotton Talk

Current indications are that most cotton producers have been "pretty well satisfied" with the cotton section of the Agriculture Act of 1970, and "with some reservations" would probably be pleased to see it extended beyond the 1973 crop.

This is what Donald Johnson, executive vice president of Plains Cotton Growers, Inc., told ginners and other industry people attending the 1972 annual meeting of Plains Ginners Association Sept. 16 at the Lubbock Country Club, Lubbock.

Concerning the "reservations," Johnson said most producers with whom he had discussed a cotton program for 1974 would like to see the present program extended:

—If the payment level can be kept at the present statutory minimum of 15 cents per pound;

—If the loan level can be raised to give a little more protection against disastrous prices in the event of overproduction on any given year.

—If the limitation on payments to individual farmers can be kept at the present level of \$55,000 per crop, and

—If the "boom to bust" aspects of the program can be eliminated, meaning if some means can be incorporated into the program to assure enough production to a adequately supply markets without unduly depressing prices.

On this latter point Johnson went on to say "This is a tough order to fill, admittedly, but it is extremely important that it be filled in the provisions of any future cotton program."

"Unless some way is found to keep supply and demand in better balance," he said, "it seems to me we are doomed to a vicious and crippling circle of high prices one year and high production the next, then low prices followed by low production, and back around again. So there needs to be a levelling out from year to year of both supplies and prices if our industry is to achieve anything like its maximum potential."

Discussing further the development of a new cotton program, Johnson stated "We have to realize that the High Plains alone can't pass a program—that we can't take a plane load or a train load of farmers or ginners to Washington and in the course of a few days get enough congressional and administration support to make our dreams come true."

He noted that there are producers in other parts of the cotton belt and other segments of the industry, "any and all of which may have needs with regard to program provisions which don't exactly parallel the needs of High Plains producers."

"In addition the present administration in Washington, which at the moment looks like it may be the next administration also, has a well established farm policy course—a course which it would take almost unheard of pressures to get reversed."

Therefore, Johnson continued, "Reality forces us to consider what we want in a cotton program, at least to some extent, in terms of what we have a chance of getting. And what we have a chance of getting will depend on how successful we are over the next 12 months or so in getting the administration, other sections of the cotton belt and other segments of the industry to see things our way."

. . . LEVELLAND

Continued from page 11

photographers wouldn't go to the wrong field.

Principals in all buildings were notified to make announcements to their students and the band buses were cancelled.

An ambulance was requested to be on duty at Wildcat Stadium and someone was asked to pray prior to the start of the game, a doctor was made available in case of injuries, someone to announce halftime activities at the game was appointed, and someone was sent out to check the public address system.

The Highway Patrol was informed that traffic between Littlefield and Levelland would be going in an opposite direction. The FFA boys and the Band Boosters were on hand to open the concession stands and the Boy Scouts came out to raise the flag.

And that was only the beginning!

Top-of-the-Line '73 Monte Carlo

The all-new Monte Carlo, the flagship of the Chevrolet fleet, is among the most changed of all seven Chevrolet car lines in 1973. Featuring beautifully sculptured side and rear-quarter metal, new grille, and an optional Landau or opera-type vinyl roof, the Monte Carlo is a styling classic. Many months of advanced chassis and suspension engineering work have given the Monte Carlo handling and roadability said to equal or surpass that of Europe's most expensive personal touring cars. Introduction date for all 1973 Chevrolets will be Thursday, September 21.

Baggies' For Men Invade Pant Scene

Invading the pant scene's fashions mark a change in the of menswear since the market's, according to expert.

their influence is its appearance in the big news.

ky Culp, Texas Extension specialist, clothing specialist, the new fashion in viewed its impact.

is a pant that fits the seat and falls from hem widths 24-28 inches. Cuffs

two to three inches wide, pleats and a waistline higher than that of conventional hip-hugging jeans are other major component parts of the look," she said.

Currently, most widely accepted by youth, baggies coordinate with skinny-rib tops and layered looks.

Also it's having a strong impact on women's pant fashions, the Texas A&M University specialist noted of the new design.

"Perhaps most important, baggies bring back the pleat and wide cuff to pants. For the more sophisticated and

mature consumer—male or female—the fuller pant leg makes a more flattering, dressier and less teenage look.

"Baggies provide one look among many from which the customer can choose—their introduction doesn't necessarily mean other pant styles, such as flares and straight legs, are no longer fashionable," Mrs. Culp pointed out.

Turning to cost factor of the new fashion look, the specialist eyed the consumer role in "styling expenses."

"As new fashions are introduced, the consumer

absorbs added manufacturing, designing and styling expenses. Baggies are no exception.

"Retail prices average 15 per cent higher for jeans and 20 per cent for slacks. Consumers generally are more willing to pay "a little extra" for current and new fashions," Mrs. Culp added.

441,300 BLIND There are an estimated 441,300 blind people in our nation today.

FUTURE BLINDNESS Before another year passes an estimated 34,650 Americans will become blind.

1973 Buick engine story.

All new Buick engines for 1973 have a new emission control system. A special exhaust gas recirculation unit and air injection reactor help reduce pollutants, yet provide smooth idle and good per-

formance on no-lead or low-lead fuels. And a time-modulated choke system helps control emissions while giving quick starts and smooth operation during warm-up.

Buick engineers have gone to a lot of trouble in 1973 to create the kind of engine smoothness you've come to expect from Buick. And that comes from building in an emission control system as an integral part of Buick's engine.

AUTO SHOW

ARMES CHEVROLET

Hey, look them over... give them a cheer! The greatest cars are ready for ooh's and ah's this year. They're real beauties—sleek and shiny and ready for outstanding performances. Visit the showroom of your authorized dealer, today.

ELEGANT NEW CUTLASS—The popular Cutlass Supreme again tops the intermediate lineup from Oldsmobile in 1973. Completely redesigned, the Cutlass Supreme is available in a colonnade hardtop coupe (shown) and a four-door sedan. Standard engine is the 350 cubic-inch V-8 four-barrel with the 455 cubic-inch V-8 four-barrel available as an option.

THREE-DOOR OLDS OFFERED—Oldsmobile's new entry in the compact field, the 1973 Omega, will be offered in three body styles... a two-door coupe, a four-door sedan and a hatchback coupe (shown). The rear door of the hatchback opens upward to reveal a flat carpeted load floor extending from the front seat to the rear end when the rear seat back is folded down. Interiors feature attractive bound's tooth check cloth and vinyl seat trims.

FREE COFFEE & DONUTS THURSDAY

Need for affection not inherited

By Abigail Van Buren
(© 1972 by Chicago Tribune-N. Y. News Synd., Inc.)

DEAR ABBY: I am the mother of three children: boy 9, and two daughters, 6 and 3. The two older ones are my natural children; Tammy, the youngest, was adopted when she was five days old. Believe me, when I tell you that I couldn't love Tammy more if she were my own daughter and blood. But she is my problem.

Tammy seems to be crazy about men! Any man who smiles at her in the grocery store, she will grab his hand and want to go with him. If a man comes to our home, whether she has ever seen him or not, Tammy wants to climb on his lap and kiss him. She has a big hit with all the men because she is affectionate, but she worries me.

Do you think her real mother could have had this kind of a girl? We know that Tammy's mother was a runaway girl, and she had Tammy when she was 15. I can't help wondering if this aggressiveness with men could have been inherited from her mother? [Our older daughter, who is not adopted, is shy, and she won't go near a man unless she knows him very well.]

Please tell me what you think, Abby. Is there any way I can break Tammy of being so forward with men? Is it hopeless because her mother may have had the same problem?

DEAR WORRIED: Stop worrying. Tammy's need for male attention, affection and approval is not inherited trait. [Such behavior is learned—not inherited.] Question: Is Tammy's father giving her enough attention and affection? If not, ask him to work on that. He should train Tammy to be less forward and more respectful with men.

DEAR ABBY: Why do I not have the right to say to a fat person, "My, you're fatter, aren't you?" People seem to think it is all right to say to me, "My, you're thin, aren't you?"

Not everyone who tells me I am thinner is fat, and I can't accuse them of being jealous, but I resent the remark anyway.

I am and always have been slender, but I look at my carefully selected clothes and receive many compliments. Why do some people think a thin person's mind being told he looks thin?

Can you explain the psychology back of this dumb remark? It has bugged me for years.

DEAR THIN: Most people equate fat with ugliness, thin with beauty. Of course excessive thinness is not desirable than excessive obesity, but it has been [humorously] that a woman can't be too rich or too thin; you don't have to count your calories, count your losses, lady.

DEAR ABBY: To the parents of "Twenty Six and Single": I didn't write that letter, but I could have. If you love your daughter, but you will lose her if you don't accept the blessing that she is a happy, productive person even though she isn't married and has no prospects yet.

She may not need you to look after her children, she needs you in other ways. Would you rather that she be an unhappy marriage, or one that ended in divorce that she just lived with her boy friend?

Making your daughter feel that she has "let you down" because she isn't married yet will give her feelings of worthlessness, and insecurity, which are bound to make her less attractive to any man she might meet.

Making her feel loved, worthwhile and secure will give her a glow that will attract the right kind of people to her. Pray for the strength to avoid prying questions of boy friends and dates and prospects of marriage. If your daughter has any good news, you will be the first to know.

DEAR ABBY: I was surprised in reading your letter to note that you referred to a man who would not come with his wife's parents as "a person who sits in a corner like a wart on a pickle." It brought back memories of my dear mother. She was the only one I ever heard use that expression.

DEAR FLORENCE: Your dear mother and father must have gone to the same school. That's where I heard that expression.

DEAR ABBY: Three cheers for the boss who opens the mail that comes to his place of business, regardless of who it's for! Where do employees get off having their personal correspondence sent to their offices anyway? These people have homes.

You can bet your bottom buck that mail addressed to one's place of business is read on company time, answered on company time with the company's stationery, typewriter and stamps, too.

This is stealing, far as I'm concerned.

DEAR ABBY: This is for people who are afraid to leave a tip on the table for fear a busboy or waitress might steal it: There is an unwritten law of waitresses and busboys. They do not take each other's tips! They are loyal to each other, and I can assure you because I was a waitress for many years.

If you see a waitress or busboy pick up a tip, it is to prevent a customer or a child from picking it up. I assure you, this happens more often than you think.

Customers should NOT try to hand the waitress personally. I've had my arms loaded with a tray of food, and customers have come up to me and tried to hand the tip in the pocket [always the wrong pocket!], or they'll HAND it to me when I don't have a free hand.

Please, folks, just leave the waitress' tip on the table. She'll get it.

DEAR MARGIE: Thanks for the tip.

DEAR ABBY: Re "Thank you" notes from newlyweds: here's one for you: in response to a gift check we gave you young couple for their wedding gift, they wrote, "Thank you for the donation which will be used toward the purchase of a second-hand desk."

How about that? No names please.

DEAR PUZZLED: Well, at least they were honest.

Problems? Trust Abby. For a personal reply, write to **DEAR ABBY, BOX 69700, L. A., CALIF. 90069** and enclose a stamped, addressed envelope.

Actually they've never been able to improve much on this design.

Area football goes into the third week with all teams looking for a win after most of the area's teams suffered defeat last Friday.

Amherst hosts Nazareth Friday, Amherst travels to Sudan, Springlake-Earth entertains Dimmitt, and Olton goes to Lockney. Whitharral and Bula are open this Friday.

The Amherst Bulldogs are after their first win of the season after suffering defeats to Sudan and Wilson. This week's foe, Nazareth won over Wilson, 7-0, last Friday.

Anton, after enjoying a week's rest, goes to 1-1 Sudan for a pre-season grid battle. Sudan was dumped by Plains, 39-6 Friday, at Plains but took a 19-8 win over Amherst in the season opener.

Anton has played only one game this season. The Bulldogs took a 34-32 win over Sundown.

In pre-season play, Springlake Earth blanked Class AA Morton, 13-0, in a season opener and was defeated 6-0 by Class AA Cooper. The Class A school hosts another AA school Dimmitt Friday before going into district play. Dimmitt dumped Farwell, 26-6 last week and was defeated by AAA Muleshoe, 20-6, the week before.

Olton will be looking for their first win of the 1972 season as they battle Lockney.

Last week Muleshoe took

advantage of Mustang mistakes and won the battle, 21-8, although the Mustangs out-performed the Mules on the field. Tulia tripped Olton in their first game of the 1972 season, 12-6.

Lockney lost to Post, 21-14, last week and won over Frenship, 10-7, the week before.

Kick-off time for the games is at 8 p.m.

RESIDE in the

It's 1973, and Chevrolet roofs are opening, seats are swiveling, bumpers are retracting, hatches are flipping up.

Did you ever have so much to talk about that you didn't know what to say first?
We're happy to report that's us for 1973. But since everything must begin somewhere...

Isn't it romantic?

You see that rectangle beaming at you from above? That's a moonroof. Not to be confused with a sunroof. (Although many people will undoubtedly be caught using it like one.) A power roof is available on Chevelle and Monte Carlo; a manual one on Nova.

Bumpers are exciting?
This year's are something to get

stirred up about. One of our new bumpers, for example, is built around twin hydraulic cylinders. So on minor impact, the whole system retracts to cushion the shock.

It's standard on all big Chevrolet, Chevelle and Monte Carlo

New Malibu Colonnade Hardtop Coupe.

models. Nineteen different models to choose from.

New Nova Hatchback Coupe.

Look what we hatched

You know us for our little Vega Hatchback. Now dependable Nova has one. Which literally makes it half trunk with the backseat down. It's a feature as practical as Nova itself.

We've been thinking about your legs

One of the few things people asked us to improve in our popular Chevelle was leg room in the backseat. Well, your knees will be pleased with the '73s. There's almost 3 1/2 more inches in the sedans.

So what else is new

Naturally this is only a taste of what's new for '73.

Among other things, we're introducing larger gas tanks for longer cruising range, a new Exhaust Gas Recirculation system, a hatchback for wagons, and a highly refined flow-through power ventilation system.

Plus a reading light for front seat passengers, improved suspension systems, engines that give you performance combined with gas economy, reclining seats and scores of dramatic styling changes.

We invite you to see it all at your Chevrolet dealer's.

(above) Caprice Coupe. Our new uppermost Chevrolet. Its luxury, comfort and quiet ride rival the most expensive cars you can buy.

(below) Monte Carlo S Coupe, America's newest road car. With the handling of the finest European cars, and the looks and comfort of an American car.

Card Of Thanks

We wish to express our deep appreciation to everyone for your concern, your visits, your prayers, the beautiful floral offerings, the food, and for every kindness extended during the illness and death of our beloved wife and mother. Our special thanks to the doctors and nurses at the Littlefield Hospital. Also to Bro. Kenemer and Bro. Wells for the beautiful service. THE FAMILY OF MRS. W.D. (ETHEL ELIZABETH) PRYOR.

We, the family of Travis Hopper, wish to take this means of expressing our heartfelt thanks to the host of friends who have expressed their sympathy to us in our time of sorrow. To the many who provided food, to those who sent flowers, also those who contributed to other worthy causes we wish to say 'Thank You'. To those who have been so wonderful to send cards and letters which mean so much you will always be remembered. To Bob Wear and Mack Greenaway, the ones who provided the beautiful song service, and to all others who rendered services in the memorial service no one will ever know the comfort and strength given to each of us. May God bless each of you. HAZLE, LINDA, BRENDA, AND BRIAN, MRS. W. L. HOPPER, MR. & MRS. TROY HOPPER, MR. & MRS. K. B. HOPPER, MR. & MRS. "SHINE" MILLER.

Wildcats Face Blitzing Tigers Here Friday

Slaton will be out to avenge the 34-0 defeat the Wildcats delivered the Tigers last year when the Slatonites travel to Littlefield Friday night.

The Wildcats drubbed the Tigers to the standoff in a downpour here last year after rain inundated the Tiger field and forced a change in location.

Slaton is 0-2, losing 45-0 to Brownfield and 40-12 to Kermit. "Naturally, Slaton is better than these scores indicate," Coach Jerry Blakely said. "They've lost to two good AAA teams. I expect they'll be anxious to get back in their own AA level."

Weight wise Slaton and Littlefield should be comparable. When it comes to speed, Blakely said he believes the Cats are quicker than the Tigers. Although pre-season write ups would make the Tigers appear exceptionally fast, they haven't shown that speed yet.

The Tigers run a pro type offense, always with one and sometimes with two wide receivers. They run the so-called Houston veer, or triple option.

Defensively, they run an eight-man front. They like to blitz linebackers and they generally play a forcing type defense.

Some Tigers to watch are QB Eddie Jones (10), the best passer Littlefield has faced this year, and two big running backs, Ron Bartley and Ken Schuette.

Bartley (32) is the 190-pounder senior who rushed for 800 yards last year. Schuette is a 205-pound senior, and both backs were starters last year.

Outstanding linemen are Jerry Hopper, 160-pound guard and Don Butler, 190-pound senior center. Both are returning starters.

The Wildcats are in good shape physically. Tailback J. E. Johnson, who

was hampered with a leg injury last week, should be back and in the running this week. Otherwise the Cats are without injuries.

Offensive and defensive lineups for the Cats should be exactly the same as the past two weeks.

Expected to start for the Wildcats on offense are quarterback Terry Bryson; fullback Arturo Soria; tailback J. E. Johnson; halfback Pat Henderson; ends Chris Pope and Leon Hodge; tackles Randy Cook and Ricky Richards; guards Bill Hamblin with Larry Hobratschk and Mike Hopper

alternating at one guard spot; and Kenny Francis at center.

Defensively the lineup should be the same as last week with Eddie Surrett and Randy Wesley at ends; Jerry Cox and Cook at tackles; Kenny Owens and Hamblin inside linebackers; Johnson and Hobratschk outside linebackers and Henderson and Bryson will alternate at cornerbacks with Alan Mackey at the other cornerback spot. Leneral Lewis will start at safety.

ROAD TO THIRD VICTORY

Cats Win Trap, Belt Lobos 34-6

ROGERS
 morning it was at the Littlefield game would be Littlefield due to in Levelland. The Wildcat players because they crowd would be toward them. Reception was senior and Randy Wesley. They beat them in Wesley said. He course, that the would be so much played before a crowd. For the townspeople getting glimpse of the '72 there was no way

the victory could have been more satisfying.
 The Wildcats slaughtered the Lobos in grand fashion, 34-6. Pat Henderson led the rout with 221 yards rushing and two touchdowns. His first down came in the first quarter from 30 yards out. Henderson took a handoff through the left side, broke two tackles, and outran the last defender for the first touchdown of the game. The conversion kick by Larry Hobratschk was blocked, but after 5:41 seconds, the Wildcats had a 6-0 lead — a lead they would never relinquish.
 That touchdown came after

an interception by Lenearl Lewis. The Lobos had the ball on the Cat 25-yard line by way of a fumble on Littlefield's first offensive play. The Lobos quickly lost 9 yards and on third and 19, Lewis stepped in and ran the ball back to the 98 yard line where Henderson took over.
 Littlefield scored again in the first quarter after two consecutive QB sneaks by Terry Bryson from the 4. The try for a two point pass fell incomplete.
 J. E. Johnson, senior tailback who scored three touchdowns against Silverton, notched his only score of the night with 1:36 left in the first

half. Johnson powered his way in from the Lobo 9, breaking three tackles enroute. This time, the conversion attempt was successful with Henderson taking a pitchout around the left side. That made the score 20-0 at the half and the "Golden Trap," symbol of football superiority between the two schools, was locked firmly in the Wildcats' grasp.
 Levelland's kickoff sailed into the end zone, and Littlefield took over from the twenty. Or rather, Henderson took over. The crowd hadn't yet settled in their seats when Henderson took the first down handoff and raced 80 yards for

the score. The point after was true, and for all practical purposes the game seemed to be locked up.
 However, the Lobos chose this time to mount their only serious threat of the contest. After taking the ball on their own 26 yard line, Levelland grinded all the way down to within two steps of pay dirt. Two consecutive fumbles later (one by both teams), the Lobos had started over with a first down on the 8. Three plays netted 3 yards, and the 4th down pass sailed over everyone's head.
 The Cats couldn't get on of the shadow of their own goal posts and Chris Pope punted out of the end zone to the 26 yard line. Levelland again got down to the 12-yard line, and on 4th and 11, QB Bobby Smith dropped back to pass. No receiver could be found, and Eddie Surret, Randy Cook, and Wesley charged in to tackle Smith for a loss of six. The Lobos never threatened again until the last minute and a half of the game.
 To keep things simple, in the fourth quarter Lenearl Lewis exploded for a 76-yard touchdown run braking a nearly "certain" tackle after 25 yards.
 The Lobos had to wait until Littlefield fumbled on their own 17 to score. Sam Mitchell

bullied his way to the goalline on first down, but the pass for 2 points was far off the target.
 Overall, the defense once more was impressive, and they have allowed only six points in two games. Chris Pope had some good punts under pressure, and Hobratschk has been kicking well.
 Although the offensive line had some lapses in pass protection and opening holes for the running backs, the runners didn't need much help. They showed speed, moves, and strength, and after witnessing Friday night's game, fans might soon be looking for another District Trophy.

The Littlefield junior varsity football team started their season night by defeating Tahoka 7-6.
 The JV was led by passing and running of quarterback Richard Barton. Barton connected with Larry Ashley on a 62-yard pass and ran for Littlefield's only score. Mike Cotter booted the extra point which proved to be the margin of victory.
 Incidentally, every football team that wore the maroon and white of Littlefield won their games last week — the freshmen won 14-0 also against Tahoka.
 The JV journeys to Levelland tonight.

THE SKAT

OFFICIAL LHS NEWSPAPER

Foreign Exchange Student Goes Naturalization

CAROL HAYNES
 When asked what she liked most about Littlefield, she said she admired the people because they are "so friendly." The hardest thing Kari encountered in her new surroundings was remembering all the names. She said she also had trouble understanding English when everyone spoke at once.
 Kari said she enjoys football and pep rallies although she said she did not understand football. She said on the subject, "I like it... all I know is it's good if he runs with the ball, and bad if he drops it." In Norway Kari enjoys skating and gymnastics.
 Kari takes the standard courses for seniors, English and government. She also said she takes typing, choir, speech, and annual. She said she likes choir the best.
 Life in Norway is really not too far removed from life in the United States, Kari explained. At home Kari went to the weekly public dance where she met with her boy friend, Snorre. Kari smiled when she said that the emphasis was on the "friend," instead of the "boy."
 In addition to the United States, Kari has visited England, Sweden, Denmark and Germany and has spent a weekend in Paris.

MASCOT VICKI GRIMES and Bellringer Ann Coffman were recently elected by the Student Council to boost LHS spirit.

New LHS Mascot, Bellringer Elected

By DRU WILKINSON
 PAMI BRANDT
 When one recovers from the overwhelming excitement after the "Fighting Wildcats" tear onto the gridiron at the Wildcat-Tiger game Friday night he may look about the sidelines and see two very enthusiastic people who will be boosting school spirit and promoting good sportsmanship.
 Vicki Grimes and Ann Coffman, newly elected mascot and bellringer were chosen Tuesday by the Student Council to represent LHS.
 Vicki, a senior, was ready for the first pep rally and game. She noted that she was "full of enthusiasm and beaming with excitement about being a 'real' Wildcat."
 Vic said she has wanted to be mascot for several years.

And Someone Still Went To Levelland?

Mass confusion reigned over the principal's office Friday morning as preparations were being made to switch the schedule of the Littlefield-Levelland game.
 It took a lot of effort to go through the red tape required to switch the game from the Lobo Stadium to the Wildcat Stadium. Workers had to be obtained to usher, sell tickets, take tickets and millions of other necessary jobs.
 Change for the ticket sales had to be picked up from County Tax Assessor-Collector Sid Hopping's office. A substitute teacher had to be rounded up to take over Ken Largent's class because he was taking York's place in the office while the latter was marking the football field. City officials had to be notified. The City Manager had to grant permission for use of policemen to patrol area in and around the stadium during the game.
 The scheduled caravan escorted by Littlefield sheriff to Levelland had to be cancelled. Radio Station KZZN had to be notified to make regular announcements of the change over the radio, and the newspaper was informed of the change so that their reporters and

'Tiddly' Enthusiastic About 'Cats' Season

EDITOR'S NOTE: Shelly Grant, Tina Russell and Rita McKinney of the Skat staff, interviewed the high school coaches' wives recently for a "Getting To Know You" feature. This is the first in a series of five stories.
 "Frankly, I think we're winners!" was 34-year-old Mrs. Jerry Blakely's response to a question concerning her prediction on the Wildcat football season.
 Petite and energetic, Mrs. Blakely, or "Tiddly", is the wife of Coach Jerry Blakely, and is a World History teacher and cheerleader sponsor at LHS. Mrs. Blakely and "Coach" moved to Littlefield from Otton in June 1971 when Blakely was chosen as head coach and athletic director at Littlefield High.
 Asked how she likes Littlefield, Mrs. Blakely said, "I love it — the people. I like the size of the town, too. I like the kids; they're good kids."
 "Tiddly" grew up in Seagraves and graduated from Seagraves High School in 1956. She was a high school twirler and drum major. Volleyball also occupied some of her time.
 Attending the University of Texas at El Paso, "Tiddly" served as twirler for one year. Later, after she and "Coach" were married, Mrs. Blakely worked while "Coach" attended Eastern New Mexico University. She graduated from Wayland Baptist College in 1971 with an English major and a minor in history. She added, with emphasis on the first and last words, "Someday I hope to teach English."
 It may sound like the traditional high school romance but Mr. and Mrs. Blakely met at Seagraves in high school and were "childhood sweethearts." Now the "sweethearts" have three children of their own: DeEnna (11), Scott (9), and BJ (Barbara Jan, 2).
 "Tiddly" likes all sports, and you guessed it! Especially football. It's exciting, she said, but there's also a lot of pressure of winning and losing.
 She went on to say that she never really "has a husband during football season," but "you know he's around."
 "I know my husband is happy, and I'm behind him all the way!" Her mind on sports most of the time, Mrs. Blakely's favorite football team (besides the Wildcats, Naturally) is the Texas Longhorns. But she said she'd like to judge twirling and teach it, if she ever had the time.

'War Hero' Joins 'Troops' At LHS

By SHELLY GRANT
 A "war hero" has joined the LHS troops!
 This soldier served in the Army as a Military Policeman in Augusta, Ga., where one of his duties was "to have Mrs. Eisenhower's hair fixed every Thursday."
 Jack York, new principal at LHS, said he thinks that the entire community of Littlefield, as well as the students, has "one of the finest attitudes I've ever been around." Asked what he would most like to see improved at LHS, York answered, "School pride", and continued that we all "need to be proud of Littlefield High School and we all can improve," in this area, he explained.
 Before moving to Littlefield with his wife, Georgette, and his children, Brent (7), and Lyndy (4), York worked in Canyon as assistant principal for two years. Previously, he coached at Canyon High School. He said he thinks there is "more future in administration" when asked why he stopped coaching.
 York began his coaching career at Shamrock, then went to Groom where he stayed two years. Following this, he moved to Lefors for two years. While studying for his master's degree, at WTSU, he coached the freshman football team there. His last coaching job was at Canyon.
 Graduating from Shamrock High in 1954, York played basketball, football, and ran track. As quarterback of his football team, he won all-district honors three years, all-regional two years, and all-state recognition his senior year.
 In 1959, he graduated with a BS degree from WTSU where he played football and majored in physical education.
 York said he'd like to sky dive because he has never tried it and thinks it would be "fascinating to jump out of an airplane." When and if he has any spare time, the principal enjoys hunting. The Baltimore Colts rank as his favorite pro team.
 York said coming to Littlefield "offered an opportunity for me, and I have not been disappointed."
 Asked whether he was a Democrat or Republican, he laughed, "I'm a Baptist," but "I'm well-pleased with the present administration."
 What really was his "underlying motive" in entering the Mr. Festivities Day's Pageant? "I really don't know," he smiled, "but, third ain't bad."

THIS HANDSOME FOURSOME consisting of, left to right, Ricky Hatley, Denise McCurry, Shannon Hatley, and Andy Rogers were named FHA Dreamboy, FHA Sweetheart, FFA Flawgirl, and FHA Buddy, respectively.

ing Norwegian?
 WIVELSRUD and Principal Jack York chat at the Coffee sponsored by the Student Council. Kari York have something in common — they're at LHS first time this year. Kari is the first foreign exchange student. York comes to Littlefield from Canyon.
