LITTLEFIELD GUNS FOR UPSET

Cats Try Unbeaten Lamesa

Boose Story News Story

Littlefield's Coach Verelle Lewis walked into the Booster Club meeting a late Tuesday night, and a business session already underway.

The group was discussing some steps at the ball stadium, and ideas on how much lumber would be needed were being tossed around.

Nobody noticed Lewis coming a little white.

Later, before giving details of Littlefield's 10-7 loss to the last Friday night, Lewis told the group:

"Fellows, you had me surprised when I came in. All I had at first was about the beer and building some. I'm glad somebody finally pointed, because it sounded like maybe you were doing some gallows."

Liquor Violation Arrest In City

A bookman was arrested by city police on a liquor law violation early this morning and turned over to officials.

City Bogard, Littlefield police and patrolman Wayne Cooper and Samuel Douglas Finley of the city at 3:45 a.m. Wednesday. Police said they had seen the pick-up by Finley Friday night and were arrested.

City police encountered the pick-up crossing the railroad tracks again Wednesday, they followed and arrested Finley in the flats.

Seven quarts of beer, four quarts of beer in pints, and one-half case of wine and vodka were confiscated.

Willard was picked up by county police Sunday and released to Dimmitt Monday.

John Hangel was jailed on a traffic violation Sunday. He was fined \$100 and released in jail.

Henry Henderson, owner of the Amherst Grocery at Sudan, reported the theft of two Waldo watches and a watch from his store about noon Wednesday. The watches are valued

Crossing Hog Truck Wrecks

A hog crossing Highway 84 early this morning caused two separate accidents one minute apart.

Calvert of Muleshoe, driving a Pontiac southeast on Highway 84, was hit by a hog inside Lamb County. The truck hit the big truck at 6:45 a.m.

A truck owned by Jack Grace of Amherst was killed and an estimated \$150 damages done to the Pontiac. The hog was still in the middle of the road when Robert Earl Conley of Amherst, driving a 1962 Chevrolet and heading southeast, hit the hog again and estimated \$150 damages to his truck.

Patrolman Weldon Parson was called. He said it was dark at the time and the drivers' headlights didn't help in time.

The accident occurred at Amherst Monday morning.

A Ford station wagon driven by Bob of Amherst was parked on the 7th Street and FM 37 when a truck driven by Mrs. W. P. Hedges hit the right front bumper and the driver's door as she was making a U-turn. About \$50 damages were done to the Rich car and no damages to the Hedges vehicle.

Lamesa's undefeated Golden Tornadoes invade Wildcat Stadium Friday night at 7:30 tabbed as a team with "good depth, fine quarterbacking, lots and lots of desire, and man, what speed."

That description appeared in Lamesa Press-Reporter Sunday following the Tors' 38-0 win over Sweetwater, a game described by Lamesa writers as the "best performance by a Lamesa team in the last 10 years."

Lamesa could be, however, looking past the Wildcats. They've already counted Littlefield among their wins: "With four wins under their belt and Littlefield next, this could be a 5-0 team when they tackle highly respected Colorado City here Oct. 17," wrote Press-Reporter Editor Walter Buckel.

"Lamesa has a fine team," says Littlefield Coach Deverelle Lewis, "but our boys are going into the game with the idea they can win."

Lewis said workouts this week, following the 10-7 loss to Tulia last Friday night, have been "enthusiastic" sessions. "I believe our bunch is ready to play football," he added.

The Littlefield coach concluded that against Tulia, "we just weren't able to get them mentally prepared. The defense played a fine game but we had a lot of mental lapses on offense."

The Wildcats came out of the Tulia tilt with no serious injuries, but a virus was taking its toll early in the week. Four boys, Eddie Hickman, Kenny Pratt, L. D.

Holt and Bill Orr, missed practice with "the bug" early in the week.

All were expected back Wednesday, in time to get ready for the Lamesa clash.

Lamesa is touted as "one of the best defensive clubs around, they really get after you," according to Wildcat Chief Scout Jim Jefferies.

"They have good pursuit, and quickness, on defense, and they like to hit," added Jefferies.

Offensively, Lamesa has stayed on the ground most of the year, using good speed and balance to grind out touchdowns.

The Tors opened the year with a 7-6 win over strong Snyder, who later tied

See WILDCATS, Page 9

New Industry Sets Sights On Hog, Cattle Market

A new industry has opened in Lamb County.

The first and only marketing place for cattle and hogs is the Lamb County Hog and Cattle Co., one mile west of Amherst.

Owned and operated by L. B. Eady and his wife, Phoebe, the new business is the marketing place for livestock grown by area farmers.

A cattle buyer has been in for over 10 years, Eady hopes to encourage more

farmers to raise livestock with a market close to home that pays top, competitive prices.

"With farming the way it is," Eady said, "the average farmer is going to have to quit windshield farming and go back to raising more hogs and cattle. By supplying farmers and ranchers with a handy market that pays as much as those in the bigger towns, I feel that more people will raise livestock."

Eady plans to buy all types of hogs and cattle but will specialize in top hogs that are ready for market. These will be shipped to San Antonio.

Fat calves will go directly to a packing company in San Antonio, too.

Feeder cattle bought by Eady will go to three local feed lots, and he will buy and sell stocker cattle for farmers wanting light cattle and stalk field cows for those wanting stock to feed on stubbles.

Within six months, Eady hopes to have stocker pigs to replace fat hogs sold.

Facilities at the Lamb County Hog and Cattle Co. include a loading chute for double or single deck trucks, pens to accommodate 300-head of cattle and a 40 x 60-foot hog barn to accommodate up to 250 hogs at a time. The 15,000 pound capacity scales are government tested and Eady is bonded. A 16-foot covered trailer is on loan at all times for hauling.

With the present set-up, 400 hogs and 300 cattle can be handled each week. "We'll be open from sunup to sundown," Eady said, "and at night if anyone breaks down on the road."

The Eadys live just 300 yards southeast of the new business.

Although set up for some big transactions, the Eadys will sell one hog or a calf or half a beef for those wanting to buy meat for their home freezers.

Mr. and Mrs. Eady have lived in the Amherst area about 20 years. Their children are Judy Roundtree, Chris, a 1963 Amherst High graduate, Debbie Burk who graduated in 1967 from Amherst and Doug who is a freshman this year.

Mr. and Mrs. Eady are members of the First Baptist Church and go fishing, boating and horseback riding for recreation.

L. B. EADY has started a new industry for Lamb County at a hog and cattle market established near Amherst. Eady says he will offer growers competitive prices and feels the new market will fill a need for farmers wishing to get into livestock production.

Bromlow Wins Contest

Bob Bromlow of Littlefield survived a wave of upsets on the gridiron last weekend to pick 14 contests right and win the Leader-News football contest.

Bromlow missed only the Littlefield-Tulia and Sterling City-Whitharral contests and guessed right on a pair of college upsets, A&M over Army and Oklahoma State over Texas Tech.

Doc Bowman of Amherst, the season's leader, came up with 11 right this week, and a number of contestants gained ground on him.

Bowman has a total of 53 for the season, but five persons are trailing closely with 51. Season standings, listing the top 38 contestants, are on page 9.

Bromlow picked up the \$5 first prize

easily this week, but the battle for second and third place money was a close one between six contestants.

The six picking 13 games right were Joe Blevins, Mozelle Hutson, Debbie Mitchell, Charles Thompson, Donna Durham and Doug Perrin, all of Littlefield.

Blevins won third place money of \$3 and Mrs. Hutson picked up third prize of \$2 when they came closest on the tiebreakers.

There's still time to enter the contest for this week. Entry blanks, which are in last Sunday's edition of the Leader-News, must be turned in to the Leader-News office or mailed to Box 72, Littlefield, by 5 p.m. Friday.

Aubrey R. Jones Gins First Bale

Aubrey Jones of Amherst is the first farmer in the Littlefield area to gin a bale of cotton.

Jones took 1740 pounds of Paymaster 111 seed cotton to the Gage Gin at Amherst Saturday morning about 11:00. It ginned out a 470-pound bale.

The cotton was grown one and one-half miles east of Amherst and was hand picked. It graded a strick low 1 inch and 1/32 with a 4.5 micronaire.

A premium of 50 cents per pound for the cotton and \$1 per ton for the seed goes to Jones.

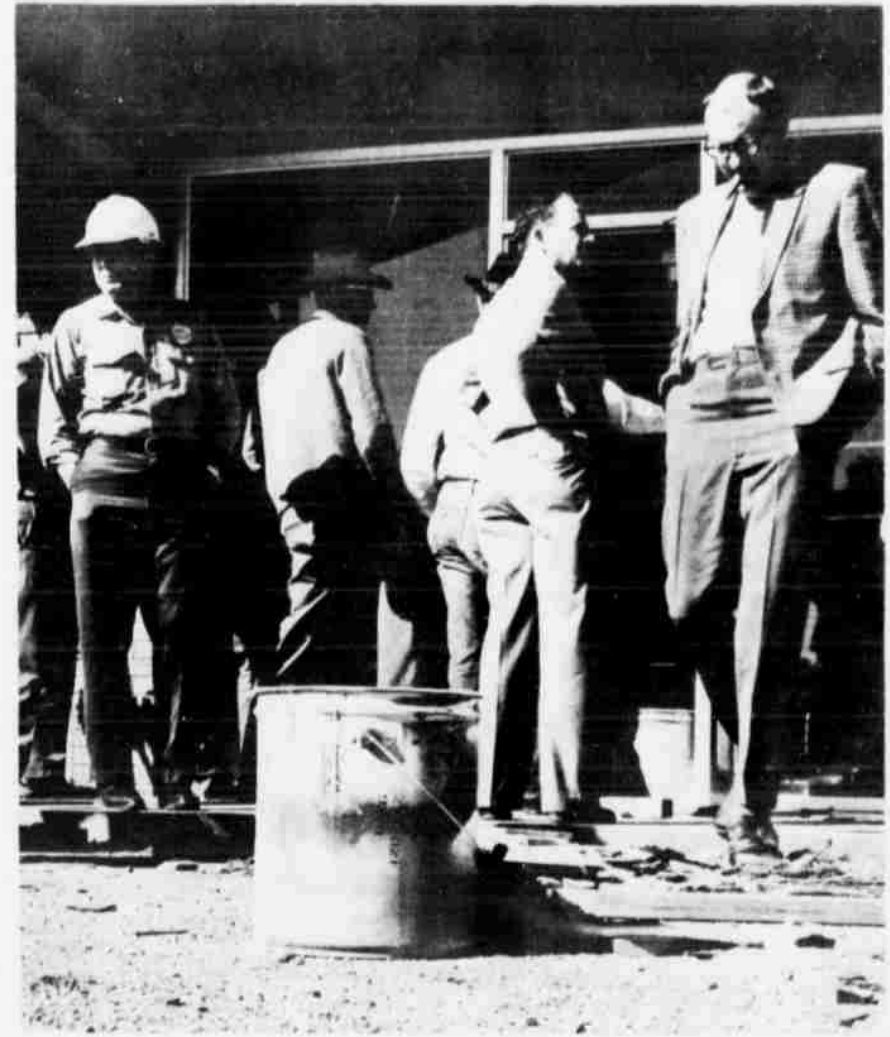

Harvest Estimate Off

Farmers in Lamb County and in the Littlefield trade area have been especially hard hit by wet weather, scattered hail storms and boll worms.

According to one official's estimate, Lamb County alone has been hurt by 25,000 bales lost to the forces of nature.

Lamar Aten, Lamb County ASCS office manager said his first estimate for this 1969 crop year was 125,000 bales. This estimate has been reduced to 100,000 bales or less with the adverse weather conditions that have plagued farmers since early September.

The Monday morning rains in this area varied from traces up to two inches in the Whitharral area, slowing grain harvesting and adding unnecessary leaf growth to stunted cotton.

A BUCKET OF LACQUER, in foreground, being used to finish the interior of a new building being built by Kirby and Ratliff, Attorneys, exploded Tuesday morning and seriously burned Nowlin Tubbs, a painter. Tubbs received second and third degree burns over almost half his body when his shirt caught fire. Damage inside the building was minor, as the fire was contained mainly to the bucket.

Wrestling Benefit For Spies - Cristan

A benefit wrestling match, to aid the Spies-Cristan Hospital Fund, will be conducted Saturday night at 9 in Littlefield Sports Arena.

Tickets are available at \$2 each in the Chamber of Commerce office, located in City Hall. After taxes are paid on the receipts, proceeds will go to the hospital fund.

Billed for action are two women, Jean Antone vs. Betty Niccoli. A death match will feature Alex Perez and Art Nelson, and a tag team match, made up of Ricky Romero and Rufus Jones vs. Krusher Karlson and Dusty Rhodes, will be featured, plus one other match.

The death match may prove to be exciting, as Alex Perez and Art Nelson will be allowed to wrestle until one can't get up.

Danny Spies, 7-year-old son of Mr. and Mrs. Gene Spies, underwent a second brain surgery Tuesday morning. According to Rev. R. B. Hall, surgeons worked two hours in repairing part of a break in the sack around the brain which

had been leaking cerebrospinal fluid (a watery and colorless fluid, filtered from the blood, which bathes the brain and spinal cord, cushioning them from shock.)

"Surgeons removed some trapped fluid on the other side of the brain and made another spinal tap to relieve the spinal cord," Rev. Hall said, and continued by saying "The doctor says that chances are the mend will do enough good that the rest of the break will go ahead and heal."

Rev. Hall said he spoke with Mrs. Jose Cristan Tuesday and she reported that Felipe's left leg would be checked again the latter part of this week, and if they didn't have to put a cast on it, he would get to come home late this week or next week.

Rev. Hall's own son, 7-year-old Roger, is now back in school on crutches and "is going everywhere."

The three boys were the more severely injured out of a total of five injured in the Aug. 30 motorcycle mishap in Laguna Park.

'GERMAN MEASLES MUST GO' and 2-year-old Kelli Wright, daughter of Mr. and Mrs. J. D. Wright of Anton, takes her place in the fight against the disease by way of the needle-less vaccine gun. Dr. J. R. Fain administers the shot while "Mama" gives Kelli a hand of comfort. The eradication program will be conducted Wednesday, Oct. 22 at the Migrant Health Department and at the schools.

Honorary Society Meets In Amherst

The Delta Chapter of Kappa Gamma, an honorary society for key area teachers, met at 4 for a coffee program. Joyce Hedges, Cummins, Marie and Florice Blessing and coffee, doughnuts, and balls to 26 members in Amherst, Sudan, Olton, Springlake and Littlefield.

Littlefield teachers who attended were Daphne Smith, Ruth Ford, Addie Abernathy, Audie Collins, Gladys Houk, Hazel Ward, Iona Donnelly, Flora Burks and Harriett Cummings.

NATIONAL 4-H WEEK
October 5-11 is National 4-H Club Week and it has so been proclaimed by Governor Preston Smith. In an official memorandum, he urges all citizens to support and encourage the work of the "To Make the Best Better" organization. Projects and activities are available under the 4-H program for urban and suburban, as well as the rural youth of Texas. Details are available from local county Extension agents and local 4-H leaders on how to start a club in your neighborhood.

WHITHARRAL CHEERLEADERS, Gayle Burrus, senior; Rita Avery, junior; Cynthia Dukatnik, junior; and Linda Wade, junior, exhibit the Panther Spirit Stick.

THE WHITHARRAL BAND is drumming up enthusiasm for their Homecoming game with the Smyer Bobcats, Friday night on the Panther Field. The band will march during half time.

Homecoming Plans Set At Whitharral

WHITHARRAL—Homecoming activities at Whitharral include the crowning of a football queen, a pancake supper, bonfire, special pep rally and a reception for ex-students and football lettermen.

Activities get underway at 7:30 Thursday night with a giant bonfire south of the football field.

Friday afternoon the public is invited to the pep rally at 3 p.m. Members of the Whitharral Lions are sponsoring a pancake supper from 5 until 7 p.m. preceding the first district game of the season with the Smyer Bobcats that begins at 7:30.

Three football queen candidates will be presented at

halftime activities and a queen will be crowned. Marla Sadler, Cynthia Dukatnik and Rita Avery are candidates.

Following the game, the band parents are sponsoring a reception in the cafeteria. Ex-students and varsity players will be honored guests.

Members of the senior class are taking orders for mum corsages. Contact any senior or call the high school for flowers for homecoming.

Spade PTA Has Meeting

SPADE—The local chapter of Spade PTA met in a regular session Thursday, Oct. 2, in the school auditorium.

The president, Mrs. Duane Gray, presided for the business meeting.

The Pledge of Allegiance was led by Dianne Williams.

Music consisted of several piano selections played by Fran Gray and Kelli Moberley, students of Mrs. Phillips. Mark Cowan sang "Ole Man River" and "He's Everything to Me", accompanied by Mrs. Phillips at the piano.

Meditation was given by Rev. Jim Smith, pastor of the Methodist Church of Spade.

Linda Hopper, a Spade junior, gave a report on the Texas Farm Bureau Citizenship Seminar which was held in Waco.

Refreshments were served in the school lunchroom following the meeting by the sophomore Mothers assisted by Mrs. Ruth Ivins and Mrs. Robert Offield.

4-H'ers To Receive Two Scholarships

Two outstanding 4-H members—a top ranking young woman and a top-ranking young man—will receive scholarships for good citizenship at the 48th National 4-H Congress in Chicago late this fall.

The 1969 national citizenship winners will receive their \$600 scholarships in memory of Thomas E. Wilson, long-time president of the National 4-H Service Committee, Inc. The awards also provide for expense-paid trips to the Congress for the two national winners.

The purpose of this awards program conducted by the Cooperative Extension Service, is to encourage good citizenship activities among 4-H members.

These activities increase interest, understanding and knowledge of the responsibilities of a good citizen. They emphasize the concern of "good citizens" for the welfare of others through acts of community service as well as participation in community, county and state groups.

State 4-H winners must be at least 14 years of age, but no more than 19 on Jan. 1, 1969. They also must have completed at least three years of 4-H work.

Last year's winners were Carol Anne Smayda, Trenton, N. J., and Michael Bullock, Glasgow, Va.

The awards will be presented to the 1969 winners at The Conrad Hilton hotel

during the National 4-H Congress, Nov. 30-Dec. 4.

Pancake Supper, Broom Sale Set

WHITHARRAL—Whitharral Lions have set two annual activities...a pancake supper and broom sale.

The pancake supper will be from 5-7 p.m. tomorrow, Friday, preceding the Smyer-Whitharral Homecoming district game. Lions invite everyone to come eat all the pancakes they want for 75 cents.

Lions say it is time for all witches to buy their brooms the following morning. Saturday Whitharral Lions will be selling brooms, mops, ironing board covers and the many things made by the Lighthouse of the Blind. Part of the proceeds go to the fund for the blind and net profit made by the Whitharral club will be used for community projects.

SALARY

The armies of the ancient Roman Empire were paid "salt money", or a "salarium". Occasionally, when the Emperor's coffers were depleted, he paid off his soldiers with the salt itself. Hence, our word "salary" for wages.

EDITORIALS

What The Leader-News Thinks

Officers Need Help

DO YOU LIKE to go camping? Then wake up. One of the nation's vital resources is in danger—our recreation areas.

Joseph W. Bennett, in his recently published and revealing book, "Vandals Wild," has stated that by the year 2000 ".....we'll have 16 to 20 million destructive vandals desecrating our parks and waterways....."

Presently 95 per cent of the population is allowing five per cent of the population to desecrate and ruin things that are meaningful to us.

Wide-spread destruction done out of pure cussedness is common. In one Oregon county, officials became so outraged over vandalism in a park that they closed it. The park was reopened after one resident volunteered information leading to the arrest and prosecution of the vandals involved.

IT IS UP TO the private citizen to help do something about this deliberate, lawless and costly destruction.

If a cure is not found, closure of our public playgrounds and recreation areas will be in order.

No one wishes to pay taxes to provide vandals with property to destroy.

SO CONCERNED CITIZENS should help the authorities apprehend the destroyers.

DEAR EDITOR

Thank You

Leader-News
Littlefield, Texas

Dear Mr. Turner:

It would be difficult to express enough appreciation to properly thank all of those who so quickly responded to the needs of Hurricane Camille victims by their volunteer work and contributions. It is with such feelings and thoughts in mind that your Lamb County Chapter Red Cross—and those it serves—say THANKS to you and others who have helped provide the publicity—and the funds that allowed the Chapter to meet its goal in the local campaign for Hurricane Camille victims.

Again, my sincerest thanks and that of a grateful Chapter for the publicity on the Camille operation, 1969.

Very Sincerely Yours,
/s/ Bonnie Haberer
(Mrs.) Bonnie Haberer
Chapter Chairman

German Measles Eradication

RUBELLA (German or "3-day" measles)

REGISTRATION FORM

Read carefully, complete all items.

One Day Only
Wednesday, Oct. 22, 1969

Pre-Schoolers (Ages 1-5) At Migrant Health Dept.
605 East Fifth Street—8:30 - 11 A.M.

All Other Children At Schools
12:30 - 3 P.M.

WHICH CHILDREN SHOULD RECEIVE RUBELLA VACCINE:

All children ages 1 through 10 years should receive the vaccine. However, due to a limited supply of vaccine, only children ages 5 through 10 years will be given the vaccine.

WHICH CHILDREN SHOULD NOT RECEIVE RUBELLA VACCINE:

Children who have already received rubella vaccine.
Children sick with high fever on the day of the immunization program.
Children who are sensitive to chicken or duck, chicken or duck eggs and feathers, or neomycin.
Children who are being treated for cancer or leukemia.

IF A CHILD IS UNDER A DOCTOR'S CARE AT THE TIME OF THE CLINIC CONSULT HIM BEFOREHAND.

PARENT OR GUARDIAN _____ TELEPHONE NO. _____

STREET ADDRESS _____ CITY _____

ZONE OR ZIP CODE _____ COUNTY _____

Names of Children to be Immunized	Age

I hereby state that I have read the above information and that I am the PARENT or GUARDIAN and I hereby request that rubella vaccine be administered to the above children.

THE FARMER'S WIFE

A Mormon I'm Not

By LIBBY MUGGETT

A MORMON I'm not. But a lover of good music I am. Also of good photography. And of anything done first class, which is how the Mormons always do.

THEREFORE, when I saw that the Mormon Tabernacle Choir was going to sing, accompanied by that magnificent pipe organ of theirs in Salt Lake City, I attended (via television) the semi-annual Conference of the Church of Jesus Christ of Latter Day Saints. I'm glad I did.

NOT JUST BECAUSE that choir must sound mighty close to what the singing of the heavenly hosts must sound like.

Not just because stills of some of the most magnificent scenery from all over America were flashed on the screen during the singing.

Not just because that organ music never fails to move me from the depths to the heights and all points in between.

BUT MAINLY because an old enemy of mine delivered a rattling good talk. And it's always nice to know that former enemies improve themselves.

In retrospect, I think he must not have been near as much an ogre as I thought at the time.

It was just the office he held that immediately puts all farmers and their families on the defensive.

I'M SPEAKING of former Secretary of Agriculture Ezra Taft Benson.

Hadn't seen Benson since the days when it seemed that every single utterance from his lips dashed every hope I had farmwise to the ground.

But I was young then, and there's since been some even worse utterances from other Secretary of Agriculture's lips that were even more hope-dashing. They've been downright faith-stomping.

IN FACT, there have been many times I wished we had Ezra back. But I digress.

In his little talk to the Conference, Ezra let us have it. For not taking up for our Bible reading, prayer saying astronauts in greater numbers.

FOR LETTING ONLY 2% of the people (2% being the percentage of professed atheists) getting prayers and Bible reading banned in schools.

For letting the Supreme Court get by with ruling in direct contradiction to the will of the majority of the people. (He neglected to mention just exactly what we were supposed to have done here.)

For permitting "iniquity in high places" to go on and on and on.

For our apathy while organized communism is taking over the campuses of the majority of our higher institutions of learning.

FOR NOT MINDING our p's and q's about the subjects offered our young people and taught by just about anybody.

For supporting the filth in literature, movies, and other forms of the arts. (I don't, honest I don't, Ezra!)

And so on.

HE EVEN LIT into us for permitting atheistic Russia to be recognized diplomatically in the first place back in 1933. He had lots of documented evidence and direct quotes from different communist leaders that related how communists swore beforehand, and how our leaders were aware of it, that they were going to take over a whole generation of young Americans and completely undermine their faith in the American way of life and do away with their morals.

According to Ezra, they've about accomplished their purpose.

I HOPE he's wrong.

Oh how I hope he's wrong. But I gotta ask: Ezra, if all these things are so already, where have you been and why have you stayed silent so long? We've needed your voice!

THE ABUNDANT LIFE

Unholy Conspiracy

By BOB WEAR

WHEN GUESSES and assumptions are presented as facts, or as proven and demonstrated truth one of the greatest of human evils has been perpetrated.

The following report of the National Conference for High-School Biology Teachers held at the University of Chicago, Nov. 24-28, 1959, will be of interest to many people.

"THE CONFERENCE was an outgrowth of the planning for The Darwin Centennial Celebration and was designed to enable outstanding scientists and outstanding high-school teachers to think together about the improvement of High-School instruction in science."

THE CONFERENCE "provided increased awareness of the broad relevance of the concept of evolution in modern thinking."

It led also to a clearer realization of the problems involved in the incorporation of modern concepts into the teaching of high-school biology."

THIS UNHOLY CONSPIRACY, which is gaining momentum, has very definite aims and purposes.

The general purpose is to teach the "theories" of evolution as fact, and make it the focal point in the entire school curriculum. This is to be done for "the purpose of controlling the thoughts and attitudes of the students."

"AS BIOLOGY TEACHERS, we must have clearly in mind those changes in thinking and attitudes which we wish to produce." This was said by Mr. John C. Mayfield, Associate Professor of Biology, University of Chicago, 1959.

Of course, we are thankful for all honest teachers who teach the hazy, unproven evolution theories for what they are—unprovable theories.

SPEAKING OF THE AIMS of teaching biology, Mr. Mayfield said, "Properly taught, the knowledge which our students gain should produce in them a sense of the universality of evolutionary processes, from pre-biological molecular level through the pre-human world to man, with his

physical, biological and social sciences, and, through history, the humanities."

This cannot be taught as fact, because it is not fact.

"EVOLUTION IS THE GREATEST unifying concept in Biology", said Mr. Mayfield.

This is what Mr. Mayfield said. "Several of the noted biologists who spoke at The Conference were strongly in favor of teaching evolution all through the biology course instead of limiting its consideration to one unit near the end of the course."

THE PURPOSE of this conspiracy comes into sharp focus when we consider the conclusion as expressed by Mr. Mayfield.

"Members of The Conference were strongly impressed by the scientists' complete acceptance of evolution as a fact...."

This must surely be one of the most unscientific conclusions on record, because the theories of evolution are not a body of systematized knowledge.

NEW TEXTBOOKS WERE PLANNED. In the Conference, the "enthusiastic teachers proposed that, with the help of scientists, they urge publishers to produce textbooks that treat evolution openly and adequately."

They also suggested that teachers who believe in teaching the subject make special efforts to obtain positions on textbook selection committees.

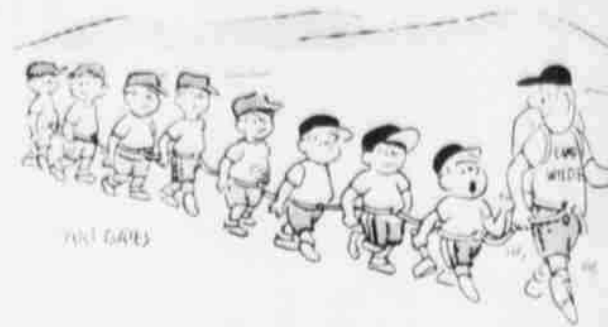

They were urged to work for approval of the books that treat the topic most suitably."

THE CONSPIRATORS are determined to make unproven, unscientific theories into a philosophy.

This is a philosophy that downgrades mankind, and exerts an unjustified, and undermining force against Christianity.

TAUGHT AS A FACT, evolution enters the area of philosophy and becomes a pseudo-religious system.

Teaching it is contrary to court interpretations of the first amendment to our national constitution. (More on this subject to follow)

"Shouldn't we have taken off these ropes when we got down the mountain?"

PAUL HARVEY

News Before Fact

I CAME TO WORK on the morning of Monday, Sept. 22, 1969.

What I'm about to relate could have happened most any morning and did—with variations—again this morning. But I am citing a specific experience out of the past so as not to contribute to the practice I intend to criticize.

WAITING ON MY DESK that particular morning was the accumulation of overnight newswire copy plus sundry messages relating to late-breaking developments. From the newswires and scores of reporting city-desks and assorted reports from reporters at home and abroad I prepared to edit and analyze the events of the day.

Because noise makes news, much of the stuff I sifted and sorted had blood on it. A rape in a New York subway, rioting in the name of religion in Ireland and India.

BUT THEN I BEGAN to note again the too-frequent penchant of some newshawks to make news happen.

To say it bluntly, a ream of dispatches were promoting violence, not reporting it.

To say it legally, newshawks, however inadvertently, were themselves inciting others to riot.

EXAMPLE: At 6:39 a.m. on that date, the Associated Press Illinois spot summary reported: "Chicago blacks have been asked to take part in a nationwide protest against job discrimination today."

Similarly, United Press International at 6:02 a.m. had given more than 200 words to "promoting" a "Black Monday Rally."

THE UPI SAID, "Workers, students and teachers have been urged to leave their jobs and

classrooms to attend a Monday Rally today in support of efforts to get more jobs for Negroes. The rally, scheduled by the Civic Center in the Chicago Loop, is to be by....."

The UPI also stated that Black Monday rallies had summoned "in Pittsburgh and Albany, N. Y. The announced Detroit as target."

THUS DID THESE national news services lend themselves mobilizing massive turnouts their acknowledged potential violence.

On that same date, UPI much of the arrival in Chicago Abbie Hoffman. He, a leader of Yippies who disrupted Democratic National Convention last year, arriving to face conspiring to "incite, promote, encourage and carry out" a riot, was met at the airport quoted with further inflammatory utterances intended to "10,000 demonstrators to Park today" and "100,000 converge on the city" for obvious purpose of demonstrating in his behalf and thus disrupting his.

AT A SUBSEQUENT conference" this troublemaker provided a nationwide for his inflammatory utterances.

On that same date, nationwide news services doubtless increasing participation by focusing thousands of attention on a "19-mile hike" to the Wisconsin capitol.

GRANTED, the news must spotlight men of violence they slip up on us in the day purposely and in advance advertise, publicize and promote their activities IS INEXCUSABLE.

OBITUARIES

EARNIE SMITH

Services are pending in San Bernardino, Calif., for Earnie Smith, 60, brother of Mrs. Sam Hutson of Littlefield.

He was killed in San Bernardino, Calif., Tuesday, when he and a companion were struck by a car while crossing the street.

He was a former resident of Littlefield and had been employed by County Wide News and as a mechanic at Garland Motor Company.

Other survivors include a daughter, Nora Lee Joyce of San Bernardino, Calif.; a brother, D. A. Smith of San Bernardino, Calif.; two other sisters, Mrs. Charlie Harvey of Grand Prairie and Mrs. Robert Serrier of San Jose, Calif.; and a grandson, David Joyce of San Bernardino.

MRS. NAOMI COLE

Services for Mrs. Naomi Cole, resident of Littlefield since 1940, died early Saturday at Methodist Hospital-Clinic, where she had been a patient for a month, were Monday at the First Baptist Church with the Rev. Hall, pastor, officiating.

Burial was in the Littlefield Park by Hammons Funeral Home.

Survivors include her husband, Cole of Littlefield; a daughter, Juanita Clancy of Wichita, Kan.; a brother, Henry Griffin of Chicago; two sisters, Mrs. Viola Hassell of Littlefield and Mrs. Lillian Payne of Roswell, N. M.; and a grandson.

Tax Bills Mailed Out

City, school, state and county tax bills are now in the hands of Littlefield and Lamb County residents.

City and state and county tax bills were mailed the first of the month and some of the school tax bills have been mailed. The rest of the school taxes will be in the mail by the end of the week, according to Sid Hopping, school tax assessor-collector.

If taxes are not paid by Jan. 30, a penalty and interest charge will be assessed in all three taxing departments.

If county taxpayers pay their state and county taxes in October, for the year 1969 on personal property and real estate, they receive a 3 percent discount. If paid in November, a 2 percent discount is received and if paid in December, a 1 percent discount is allowed.

If not paid by Feb. 1 a 1 1/2 percent penalty and interest charge is assessed.

If city taxes are not paid by Jan. 30, a 10 percent penalty and interest charge is assessed.

If city taxes are not paid by Jan. 30, a 10 percent penalty and interest charge is assessed, and if still not paid by March 1 or thereafter, 1/2 of 1 percent will be

charged for every month the bills are delinquent.

If school taxes are not paid by the first of January, 1 percent penalty and interest will be assessed on the amount due. If not paid by the first of July, the penalty will increase to 3 percent and interest to 8 percent.

All taxing agencies join in urging taxpayers to pay taxes early so as to avoid the interest and penalty charges which will not have to be paid if the tax burden.

Pioneer Gas Co.

Files Application

Pioneer Natural Gas Company announced its intention to file an application with the Public Utility Commission of Texas for an increase in the city gate rate for gas delivered to its West Texas System.

A new gate rate for Littlefield and Lamb County cities will have immediate effect on current gas rates.

However, such an increase would establish a new cost of gas at the city gate for any subsequent changes in city and commercial rates in cities on the Texas Distribution System.

EARTH

257-2051

MRS. BEULAH NEWTON

SEVERAL COLLEGE students were at home this weekend. Kelley Earl O'Hair, Eddie Sam Jones and Beverly Britton of West Texas in Canyon were at home.

GUESTS THIS weekend in the W. O. Jones' home were their daughter and husband, Mr. and Mrs. Jimmy West of Lubbock. They are both students at Texas Tech.

GUESTS LAST Wednesday of Mr. and Mrs. Leon Foster and David were their daughter and sister, Mrs. Walter Elam and Cheri Lynne of Lubbock.

MRS. BUD GOOCH is at home. She had been in Galveston taking medical treatments for 2 1/2 months.

MRS. GLADYS Parish is a patient in the South Plains Hospital in Amherst. Mrs. Parish is suffering from a back ailment.

RECENT GUESTS of Mrs.

Lena Hite were her sisters, Mrs. Blannie Kinsey of Oklahoma City; Mr. and Mrs. Geo. Prostan of Amarillo and a nephew, Dr. Avon Flanagan and daughter, Ann, of Farmington, N.M.

RECENT GUESTS of Mr. and Mrs. H. S. Hickman were friends, Mr. and Mrs. W. C. Colwell of Decatur.

MRS. L. T. Smith is supposed to come home from Methodist Hospital Monday. Mrs. Smith underwent surgery last Monday. Her condition is much improved.

DOUG MESSER was injured in a one truck accident last Tuesday morning near Sudan. Doug fell asleep at the wheel. He sustained severe bruises, cuts and a slight concussion. It has been reported he is doing fine and is not in serious condition.

SERVICES AT the Baptist

Church Sunday morning and evening were conducted by Rev. Will J. Roberts of Sayre, Okla., a returned missionary from Kenya, East Africa. Will J. and family have spent six years in Africa and will return next July. Will J. is son of Mr. and Mrs. Leonard Roberts, who are former residents of Earth.

PANSY BEEN was at home over the weekend from Lubbock. Pansy is daughter of Mr. and Mrs. Dutch Been and is a student at Texas Tech.

MARSHEL KELLEY is a patient in South Plains Hospital in Amherst. Marshel is suffering from emphysema. His condition is much improved at this time.

MR. AND MRS. Cecil Ginn were guests of his mother Sunday afternoon and attended services at the Baptist Church Sunday evening.

A NEW BUSINESS has opened in Earth. It is a health spa, located where the dining room of the Wolverine drive-in was once located. Mr. and Mrs. McGeath have remodeled and installed all new equipment. They took their training in Phoenix, Ariz.

MR. AND MRS. R. S. Cole and Regena visited their son,

Mr. and Mrs. Wayne Cole of Olton, Sunday afternoon. They also visited in the home of Mr. and Mrs. J. F. Cole.

THE LANOS ALTOS annual associational meeting of the WMU of the Baptist

Church was held in the First Baptist Church in Earth, Thursday. The Earth ladies furnished lunch and served approximately 100 guests and members.

GUESTS OF MRS. Alice

Martin last week were her brother and wife, Mr. and Mrs. J. W. Freeman of Houston.

MRS. ALICE MARTIN was in Hereford Thursday evening where she held a Tupper Ware party.

LHS Speaks Out

What do you think should be done to prevent vandalism in Littlefield?

Marty Mangum (Jr.): The prevention of vandalism starts in the home. The main problem with vandalism is a family project. The parents must care enough to see that their children know what is right. To prevent vandalism the parents must try to help keep their children in line.

Coach Gathright: Vandalism is a problem everywhere. Littlefield's problem of vandalism is on a lower scale than most communities. To combat vandalism best is to prevent it. To prevent it best is to educate the citizens against it. If all citizens are made aware that vandalism always costs them indirectly, and sometimes directly, they will be less likely to commit the

crime. When vandalism has not been prevented, then firm and severe measures should be taken against those found guilty to prevent the same from repeating the crime.

Mrs. Betts (American History): Infuse into school spirit the idea that students should take PRIDE in keeping buildings, equipment and grounds in tip-top shape. Downtown and out-of-town people do judge our school by appearances.

Mike Collins (Jr.): I think that all these small kids, maybe 10-15 years old, are doing it for recognition. I don't think anybody is a born vandal. The older ones, though, are most likely doing it for "fun" or "kicks" and severe measures should be taken with them.

Dena Reast (Jr.): The people in Littlefield should prevent vandalism by keeping their homes locked or in safety. A campaign should begin in town against vandalism. If the people of the town are completely aware of the vandalism occurring in the town they will begin prevention of vandalism. The prevention should be started personally before it can spread.

Rosanne Funk (Sr.): I think that the citizens of Littlefield should enforce the law more strictly. It is up to the people of Littlefield to fight back. Each one should do his part in preventing further vandalism.

Gary Nace (Sr.): I think the city should hire older, more experienced policemen. Some of the ones we have are too young. They should be more strict when they do catch someone. They should not let a rich boy off just because he belongs to a prominent family. The law should be the same for everyone.

Vicki Cook (Sr.): Parents should teach their children to respect other people's property.

WRAPPING ANKLES is one of the many tasks of trainer Marshall Allen and manager Melvin Johnson. Here they give careful attention to Eddie Hickman.

Allen, Johnson Aid Wildcats

Two important, under-mentioned members of the Wildcat football team are the managers. Head manager and trainer is Marshall Allen. Melvin Johnson serves as assistant manager.

These two boys donate much time and work to the Wildcats. They spend an average of six hours daily at the field house.

Marshall, a senior, has completed a student trainer course sponsored by Cramer Products. He was a manager his sophomore year and a trainer his junior year.

This will be Melvin's first year as manager.

The managers have many responsibilities. They store equipment, look after each player, fold and put away game equipment, and hand out fresh clothing.

Being a trainer can be tiresome at times. Marshall will tape ankles, wrap knees, clean scrapes and cuts, give sound treatments, and whirlpools.

Melvin spends most of his time collecting valuables, handing out equipment and putting it away.

Mr. Maylon Smith Enjoys Busy Life

Chemistry teacher, tennis coach, antique collector, car trader, sports lover, and science club sponsor all compacted into one 25-year-old Aggie? Yes, Mr. Maylon Richard Smith, chemistry teacher, new this year to Littlefield High School is exactly that.

Originally from Richland Springs, he likes the people of Littlefield but doesn't care for the country. He came to Littlefield nearly two years ago when he was the first to answer his application for a teaching position.

Mr. Smith taught at Junior High last year and still teaches eighth grade science there during the afternoons. More industrious students with less reprimands helped and a greater challenge helps him to enjoy teaching at LHS.

Mr. Smith is a busy man for he has two professions. During the summer months, he is an entomologist. After checking crops for insects, he advises the farmers when to spray and what type of insecticide to use.

Since this job lasts just the three summertime months, Mr. Smith fills the other months of the year with other professions and would like to give either of them up.

If you do not find Smith teaching or checking area crops for bugs, you can catch him helping out in the field. When he cannot help himself useful any other way you may find him watching the game.

Even though he is collecting antiques, Mr. Smith trades could be considered antiquities. He has been buying and selling them for some time. At the present he has 1968 Skylark for sale.

Delores Smith, Mr. Smith's wife, is a secretary for the school. Mr. Smith is now working a science club, something he has never had. Anyone who wishes to join or want information should contact him.

OFFICIAL LHS NEWSPAPER

Bug Collectors Sigh; Work Is Finished

Where have all the lone bugs gone? If you have noticed a shortage of bugs, they will be in the biology lab.

Last Friday, Oct. 3, the biology students handed in their bug collections. They were required to have eight orders and at least three insects for each order. The eight orders are: Orthoptera, grasshoppers, roaches, crickets, mantises, and walking sticks; Homoptera, cicada, leafhoppers, aphids, and scale insects; Hemiptera; true bugs; Odonata, dragonflies, damselflies, and skimmers; Lepidoptera, butterflies and moths; Diptera; flies and mosquitoes; Coleoptera;

beetles; and Hymenoptera; bees, wasps, ants, and velvet ants.

Mrs. Charlene Reast, biology teacher, said, "The three most important facts to the collections are the number of bugs, accuracy and classification, and the neatness and originality of mounting. These factors will determine their grade."

There were about 70 students required to hand in a collection. These students had three days in class to work on classifying the "hard bugs." Mrs. Reast always gives the students at least one day to ask her about the bugs they cannot find in any book. This way

they can make sure their efforts of catching, killing, posing and mounting of the bugs will not be lost in vain.

Time Out For Sports

The Littlefield Wildcats meet the Lamesa Tornados tomorrow night at Wildcat Stadium. Lamesa has a good team but the Wildcats are ready for them. The Wildcat spirit has been great all year and this will be an important factor in tomorrow night's game.

The Wildcats lost to Tulia last week 10-7. Tulia scored its only touchdown on the third play of the game.

The Wildcats quickly marched to the Tulia one yard line, but were unable to score. Littlefield made its touchdown in the second quarter when Charlie Holt ran in from the five yard line. The half ended with the score tied 7-7.

In the second half the game turned into a defensive battle with neither team able to move the ball. However, late in the fourth quarter the hornets got close enough to kick a field goal making the score 10-7.

Littlefield moved the ball into the Hornets' territory, when Holt threw his fourth interception and Tulia took over.

Tulia drove into Littlefield territory but the defense rose to the occasion and held the Hornets. When the game ended Tulia had won 10-7.

The Littlefield Junior Varsity will travel to Abner tonight to play the Antelopes. A win is predicted after last week's win over the Plainview J.V. here in the Wildcat Stadium.

The J.V. was behind only one time at a score of 18-14, but Paul Danford scored on seven and five yard runs to put them in the lead. The Plainview J.V. was unable to score after this and the score ended 26-18 for the first J.V. victory this year.

PAT BOONE, a junior at LHS takes time from a busy schedule to help paint the fence of a hog pen.

Boone Named District FFA Vice-President

Pat Boone was elected vice-president of the Littlefield District Future Farmers of America, Thursday, Sept. 18, at a meeting held in the Sudan High School auditorium.

A junior in Littlefield High School, his duties will be to assist the president when he is unable to attend. He will be serving in this office one year.

At the meeting, elections were held for eight offices. They are president, vice-president, reporter, treasurer, sentinel, secretary, historian, and parliamentarian. Only one member from each chapter is allowed to fill an office. Plans were made for the district banquet to be held sometime in December. The club voted on incoming dues and decided to leave them the same, 25 cents.

An active member of FFA, Pat has served the organization for two years.

GARY BRITT receives his letter of commendation from Mr. Beryl Harris, high school principal.

THE NATIONAL Insect League is Bob Grissom's way to show off his bug collection. Windell Horn, Vollena Francis and Pat Boone seem to enjoy his explanation of the flies versus the ants.

Girls Organize For Spirit

The Girls Athletic Association met Sept. 29 to choose an organization committee, a constitution committee and a homecoming committee. Plans for these committees were not revealed.

The organization committee consists of Brenda Feagley, Cindy Feagley, Teresa Turvavill, Iris Oberlechner and Carolyn Gray.

The constitution committee includes Jackie Sims, Mary Wilson, and Oleta Mercer.

Members of the homecoming committee are Luanne Lucas, Doris Ashley, Becky Broadus, Becky Kirby, and Linda Hill.

GAA also made locker boosters that will be placed on the lockers of the football players. This is one of the many ways GAA helps to boost the team's morale.

"Dirty Dozen" Chosen

The Dirty Dozen, a singing group chosen from the Acappella Choir, has been selected by Mr. Troy Carter, choir director.

The members of the Dirty Dozen are: Joe Williams, Wayland Hutto, Chuck Blevins, DeLon Walker, Mark Rogers, Betty Boone, Becky Kirby, Marilyn Price, Geoffrey Grizzle, Mary Tucker, Pernecia Savage, Peggy Richey, and Terry Walker, guitarist.

The purpose of this group is to sing at social functions such as dinner dances and club parties. Their selections vary from folk music to pop tunes.

In order to be a member of the group, one must audition with Mr. Carter and be able to harmonize with other members of the group.

BRITT EARNS MERIT AWARD

Gary Britt, a senior at Littlefield High, has been awarded a letter of commendation honoring him for his high performance on the 1969 National Scholarship Qualifying Test.

Gary works actively in several LHS organizations. He is in the band, stage band, Spanish Club, Latin Club, and is vice-president of the National Honor Society.

Gary's hobbies are water skiing, tennis and girls. He likes to go out with friends and have a "blast" when possible, otherwise he watches television or reads. "Then Came Bronson" rates as his favorite show, and he could listen to C C Revival all night.

He could eat his weight in charcoal-broiled steak and anything green will catch his eye.

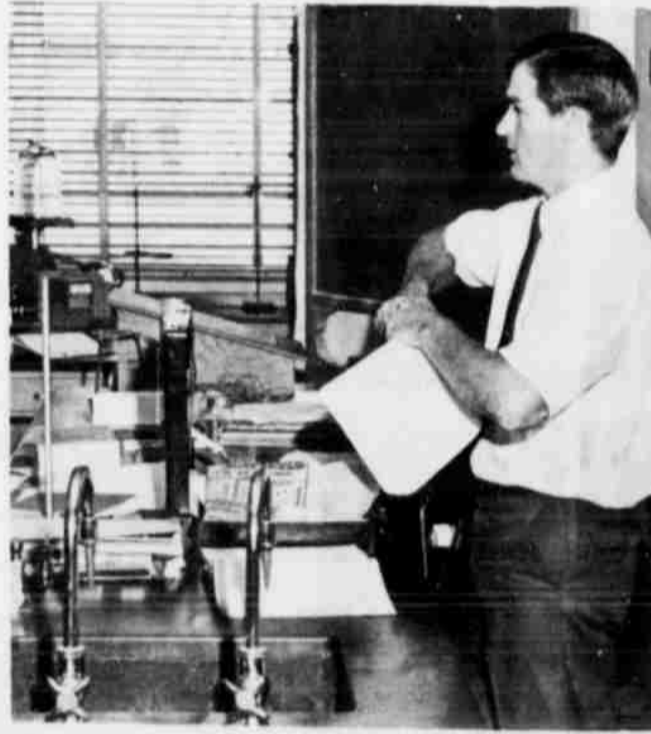

Gary has attended school in Littlefield all of his life. After graduation, he plans to attend the University of Texas at Austin with a possible major in

mechanical engineering. Gary is among 39,000 students in the United States who scored in the upper two percent of those who are expected to graduate from high school in 1970.

The National Merit Scholarship corporation announced in September that the commended students rank just below the 15,000 semifinalists.

The commended students' names are reported to other scholarship-grant agencies and to the colleges they named as their first and second choices when they took the NMSQT in February 1969.

Although commended students cannot advance further in the National Merit Scholarship Corporation, Mr. Edward C. Smith, president of the NMSC, feels they deserve public recognition. Mr. Smith urges them to develop their intellectual talent. The NMSC encourages these students to make every effort to continue their education.

MR. MAYLON SMITH answers questions as he staples recent pop tests.

SKAT STAFF

The SKAT is edited by the first period Journalism students of LHS and published each Thursday by the Leader-News without expense to the school or taxpayers.

The SKAT invites other media to use stories or articles therein.

Kat Klub Aids LHS Spirit

The Kat Klub met Tuesday, Sept. 30, in the woodshop. They discussed whether or not the Klub would have a separate decorated section at the pep rallies, and all Klub members who are not in band or football would sit there. It was also discussed whether the Kat Klub would dress alike.

A committee was appointed by Mr. Ford, sponsor, to make spirit boosters for the football boys and the Kat Klub members to wear Friday. The purpose of these boosters is to lift the student body spirit and show the team that the Kat Klub is backing them all the way.

Members of this committee are chairman Kathy Bryson and Evah Tucker, Mary Tucker, Kay Jackson, Joan Timian, Linda Horn, Leanne Parson, and Marshall Allen.

The first six weeks in the past. You either barely passed or something rewarding. Whichever the case may start now to better your and your future success.

Monday is the beginning of a brand new six weeks settle for average grades, your goals and when you get them, set them higher. It's hard for these goals and let yourself be satisfied with the second best.

Buy Your Snug Bug From any Student Council Member.

***THE WAY IT IS

By DONAREX BOWEN
I had almost forgotten it felt to cram for a test very last available week. However, my memory restored this week and I sure everyone knows reason why.

The same idea is probably going through everyone's mind - only five more weeks to go. I admit I noticed it passing through mind several times this week and really, that's only because if you seriously dread school - there's something wrong somewhere.

I know a few people who only go to school because more or less have to, or that's the impression I get. They seem to dread every activity about school, even the activities.

However, there are those who really enjoy going to school. If you would yourself a chance, you can gain something from it. There are plenty of opportunities available and at least should fit your interests.

Are you on the falling Do you make good grades? least try to make good grades? Do you even care? That's it! The keyword is "care".

Do you care about your school? If so, open up your mind let the knowledge flow. Improve yourself. You're only cheating yourself when you stay in your own. Open your eyes, and just see what is happening in the world. Don't you want to be a part of all these great events? Give yourself a try and try to make something of yourself. Be top-notch whatever you do no matter how unimportant it may seem.

The first six weeks in the past. You either barely passed or something rewarding. Whichever the case may start now to better your and your future success.

Monday is the beginning of a brand new six weeks settle for average grades, your goals and when you get them, set them higher. It's hard for these goals and let yourself be satisfied with the second best.

SUGGESTED FOR IMMATURE AUDIENCES

Happiness Is...

Studying?????

THIS HAS TRULY been a quiet week with minimum issued by Mr. Brawley for weeks tests. All we have been subjected to education since Aug. 28th is about to be up. The copy machines have ground out papers, and teachers have given us that down. Cramping has been the chief of most of us fools. Oh well, maybe it will be well for us to settle down this six from the very beginning.

DEBBIE SORLEY: "It's a great last year of junior high. We aren't really big guys, but we are examples for the seventh and eighth graders. It is not only the last year of junior high but the first year of high school. Subjects begin to be harder and everyone has to think harder, but what do you expect, being a freshman? This year is really wonderful! You have your problems, like noisy halls, threats, and the like, but that's all a part of it. All the activities seem to be more important to us and mean more to us because this is our last year and we want to make the most of it. The band is good, as always, just like the rest of this year. I just hope it stays that way!"

DAVID BARTON: "I enjoy my extracurricular activities, such as football, band, Spanish, and student council. Most of the other classes are interesting too, but they seem harder this year than last year. I also feel that school spirit is pretty low, but will surely improve in time."

THE FHA OFFICERS and sponsors met in Mrs. Keeling's Home Economics room Wednesday, Oct. 1. They planned the activities for the 1969-70 school year. The first of these will be the installation of officers which will be Tuesday, Oct. 14, in the home economics room of the junior high building. All relatives and friends of FHA members are invited to attend. The FHA members are having a Bake Sale Saturday, Oct. 11. They will be selling a variety of foods. If you wish to order, please contact any of the members before then.

WHEN YOU WALK down the halls of L.J.H., you see the intelligent faces of the students, the hard-worked faces of the teachers, and what do you hear: SLAM, BANG, CRASH, POP, CHATTER, POW, STOP!!!!!! We can't stand it!! Sometime when you're hurriedly on your way to class stop, just stop and listen. Loud, isn't it? You just never realized how loud it really is. You didn't think your voice trailing down the hall, and your locker door opening and slamming every hour would make that much difference, did you? Well, it does. Now you know that every little bit hurts. So what are you going to do? Plenty! First of all, is it really that necessary to slam your locker door quite so hard? And when you just walk to talk to your buddy, couldn't you whisper? Or let it wait till noon, or after school? The student council is working hard to keep the noise down. And they could use a little co-operation! We're not asking for complete silence, just a little less noise! Keep it down to a low roar, at least! Several people are really working hard to keep this noise down. Can YOU help?

FOOTBALL is really going strong this year. We hope everyone is supporting the team! We are having a game tonight at Abernathy for the Frosh, so everyone try to go! Good Luck, boys!

Care for some animal funnies: A caterpillar was watching a moth in flight directly above him. "By heaven," he vowed. "They'll never get me up in one of those contraptions!"

THE PARROT in the pet shop said, "I can talk, Dad; let's see you fly!"

We leave you with this thought: "Choose your friend, him that is wise and good, secret and just, ingenious and honest."

Have a good week and..... BEAT ABERNATHY!!!!

CALENDAR OF WEEK
Monday, Oct. 9, 3:30—Pep Rally
Tuesday, Oct. 9, 5:30—Freshman Football (at Abernathy)
Oct. 10—"Sweatshirt Day"—Everyone wear a sweatshirt.

KNOWING MORE about people, a better understanding and friendship develops. This week we plan to do "Past and Present" on L.J.H. teachers:

Leon Burch teaches ninth grade algebra this year at L.J.H. His early childhood spent in Hennipen, Okla. Later he moved to Woodland, Okla. He has been an avid participant in sports most of his life. In high school he was on the All State Basketball Team, and at Wayland Baptist College he also played football. He still holds the record for shotput. He majors in college were P.E. and Social Science.

Burch has played professional baseball and basketball and, would you believe, played in the 2nd World Series Softball Tournament? He was a former Sports Editor of the Plainview paper.

Key to success and happiness is staying busy—hunting, fishing, rock collecting and doing some of his favorite activities. Other things he raises pigeons, makes birdhouses and flowers.

Burch is a member of the Baptist Church. His comment on L.J.H.: "I love it—It's great to work with such a great group of people."

It's great to have you too, Mr. Burch. You are certainly an asset to our school!!!!

When we were asked to put the following in our paper, there's a lot in it, don't you think?

A TEEN-AGER'S CODE
Don't let your parents down, they brought you into the world and think before you drink. Don't get into dirty thoughts fast, or they'll ditch you. Don't get off driving is juvenile. Don't act your age. Be smart and obey; you'll be giving orders and, someday, you'll be obeyed. Be careful of your friends carefully; you are what you are with them. Don't use a date fit for a mate. Don't go steady, unless you are ready. Go to church regularly. God gives you a gift when you give him back an hour. Be careful. The soul you save may be your own.

THINK ABOUT IT.....

ANNETTE HENRY is back with us after a long, glorious, weeks of being absent. We don't know what she thought of returning, and she said, "It's great to be back, but gosh, it's hard!" And it is. But we're all glad she's back. Annette, why don't you stay in OK?

The week's opinions on L.J.H. were given by the seventh and eighth graders. This week we chose the eighth graders for their thoughts on L.J.H.

Auto Insurance Rates Effective Nov. 1

Higher automobile insurance rates were adopted by the State Board of Insurance, but they are not as high as had been originally predicted. Statewide, the increase in rates on Nov. 1 will be 9.9 per cent. Insurance Board's staff earlier had recommended an 11.4 per cent increase.

This smaller increase was accomplished by accepting the recommendation of Gov. Preston Smith's study committee that the percentage allowed insurance companies for acquisition costs be cut from 25 to 22.5 per cent of the premium. Another recommendation of the study committee headed by former Gov. Price Daniel was that the Board should include investment income of insurance companies in setting the rates.

Board Chairman Ned Price said the Board would give careful consideration to inclusion of investment income from unearned premium and loss reserves as "profit and contingencies." He added that "we may have further comment on this at a later date."

However, Price also warned that it may not have as much effect on the price of insurance as had been thought. He said "The Board has consistently recognized and considered in its regulatory acts that the companies have other income than that from underwriting." Price also said that the Board will begin, "as time and circumstances permit," a detailed study of automobile rate-making formulae. He said the study of the present formula used in setting rates would be made during the coming year.

The formula, he said, "will be reviewed with the objective of determining if rates can be made more precisely by another formulae."

Board Chairman Ned Price said the Board would give careful consideration to inclusion of investment income from unearned premium and loss reserves as "profit and contingencies." He added that "we may have further comment on this at a later date."

Consumer Day Is Planned

LADY CLARE PHILLIPS
County HD Agent

The Lamb County Home Demonstration Council, in cooperation with the Texas A&M University, will sponsor a Consumer Day Oct. 15.

A demonstration will be presented on preparation of Proten beef. Mrs. Ruth Knight, Home Economist for Furr's will give the demonstration.

The meeting will begin at 1 o'clock in the Will Room at the Lamb County Electric Coop. Anyone interested in seeing this demonstration is urged to attend. Helpful hints on the preparation of beef will assist any homemaker in better meals for her family.

Come and bring a friend to see this meat preparation demonstration. Many bulletins are available from the Extension Service office. Call 385-4004.

Mod Party Given By Kenny Dukatnik

WHITHARRAL—A mod party was held Saturday night by Kenny Dukatnik.

A rock and roll band furnished entertainment. Boys in the band are Ronald Pence, Kenny Dukatnik, Ruben Martinez, and Mike Lopez Jr. Refreshments of chips and dip, soft drinks, cookies and candy were served to Darlene Burns, Beth Pelfry, Barbara Glass, Linda Strickland, Melana Wilson, Rex Avery, Johnny Graham, Dewey Waldrop, Freddie Forbus, Neal Pelfry, Terry Rodgers, Randy Wade, James Hayes, Joe Paul Tedder, Loyd Strickland and Carl Hoelscher.

Youth Service Slated Sunday

Rev. Adolphus Cleveland of Lubbock will preach for the Annual Youth Service at Irvin Street Baptist Church Sunday afternoon.

The 3 p.m. service will feature three of the church's choirs, the sub-junior choir, youth choir and the senior choir, in special music presentations.

Rev. Cleveland is pastor of the New Jerusalem Baptist Church in Lubbock, and will speak to members and guests of Irvin Street Baptist Church. Mrs. Ruth McCarty is youth director and will be in charge of the program.

FFA Pig Sale Slated Oct. 18

The annual Springlake-Earth FFA pig sale, cooperating with the Lazbuddie and Wilson FFA chapters, will be conducted Saturday, Oct. 18, at the Show Barns in Earth.

The sale will begin at 12:30 and pigs will be sifted down to 250 for the sale.

Food will be served on the grounds and E. G. Gaston of Earth may be contacted for further information on the sale.

Principals Slate Four-Day Meet

High School Principal Beryl Harris and Junior High School Principal Tommy Brawley will be among more than 1,200 members of the Texas Association of Secondary School Principals who will gather in Corpus Christi Oct. 12-15 to take their own reading on the ideas being tried today for the classrooms of tomorrow.

The four-day conference, 46th in the history of the association, will feature six general sessions and a series of 10 group meetings all keyed to the 1969 theme, "Education—Meeting the Challenge."

IT PAYS TO TRADE IN LITTLEFIELD

If you find your name in small print among the ads on this page, you may go to that advertiser and collect \$2 with no obligation.

Farm Bureau Insurance Designed For Farmers

The Littlefield Farm Bureau agency offers all lines of insurance designed specifically for farmers—fire, casualty, growing crop and hail, farm liability, life, accident and health.

And when you need help with your insurance problems, Jack Wattenbarger, agency manager of the Farm Bureau here, is as close as your telephone. He is a member of the National Association of Underwriters.

Ed Jennings works through the Littlefield FB office as special agent and Ray Shelton is the staff adjuster.

Wattenbarger knows Farm Bureau insurance inside out. He has been with the FB firm since August, 1951.

In addition to serving all the members in his insurance program, Wattenbarger is active in scouting, church work of the Littlefield United Methodist Church, and he is a Mason and Shriner.

He and his family moved to Littlefield from Lamesa in 1954. Mr. and Mrs. Wattenbarger have two children, Duffy, a Littlefield High School sophomore, and Cindy, an eighth grader.

The Farm Bureau offers its members a tire and battery program, also. Through this service, members may purchase these items at a discount.

Membership in Farm Bureau is voluntary. It is an organization of farmers and ranchers to get things done for them on the legislative, research, promotional and marketing levels.

Phyllis Cutshall and Betty Graves are Wattenbargers "girl Fridays."

Wattenbarger is presently troop committeeman for Boy Scouts and has been in Boy Scout work for several years.

In church work, Wattenbarger has served in every capacity. He has been on the church board and has been on the membership and evangelistic committee and is a lay leader of the church.

The Littlefield Farm Bureau office is located at 708 W. Delano. Wattenbarger and his staff invites anyone with an insurance need to come by or phone 385-3444.

Texas Second In Angus Number

Texas Angus breeders registered 32,966 head of new bred Angus calves during the 1969 fiscal year and sold 27,061 head to rank the state second in the nation in both categories, according to D. Miller, secretary of the national beef registry with headquarters in Joseph, Mo. During the 12-month period ending Sept. 30 about 454 new Angus were registered in the state and took out life memberships in the American Angus Association. Approximately 182 Texas youngsters joined the Association as junior members, enough to rank the state third in the nation in both categories. Nationwide sales of Angus cattle were up 10% in the 1969 fiscal year compared to 1968, and average prices were also higher. Total transfers were 338,971 head compared with 308,082 the previous year. The average price for all cattle sold at auction was \$490, up \$26 per head over last year. Registrations of new Angus calves were 388,888, more than the total reported by any other breed association, but down about 4% from last year's record high. The decline in registrations was attributed to a change in fees and ages for registering Angus that went into effect April 1.

OLTON, WHITHARRAL

District Battles On Tap

MIL MACHA
News Sports Writer

Each area team will play on its home field, with the exception of Olton who will journey to Springlake-Earth, and Bula who will have an open date.

Olton will play host to Dimmitt in their second conference tilt and will be spring boarded with Homecoming. Dimmitt is rated 8th in the state and is powerful on both offense and defense.

Olton has the capability to upset this team and should the Mustangs do so this Friday night, it could very easily be "Watch out for Olton" the rest of the year. Olton has a record of 1-2-1.

Whitharral will host Smyer in another homecoming and conference tilt this Friday night.

Whitharral's defense clicked last Friday night when they brought down the Sterling City Eagles, 13-6. The Panthers were able to take advantage of the breaks and were alert in the fumble recovery department.

Whitharral begins conference play with a 2-2 record.

In a non-conference tilt, Sudan will play host to Plains. Sudan, who has a 2-2 record, suffered defeat in its last two games. They came out strong against top-rated Seagraves, losing by 12-6.

Springlake-Earth, the only team in the area with a 3-1 record, will host another area team, Anton. Anton's record is 0-3. It was Springlake-Earth all the way last Friday night when they traveled to Amherst and won by 47-0. Anton enjoyed an open date last Friday night

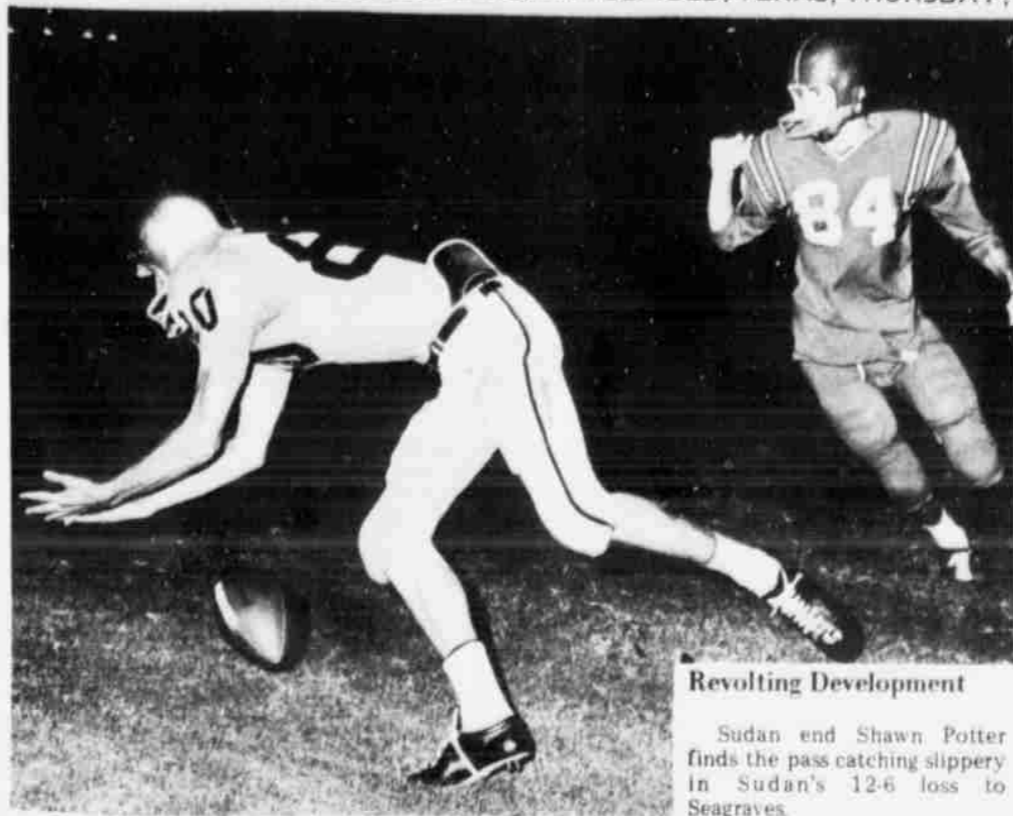

and will be all out to get on the high side of the scoreboard.

Amherst will tangle with Hart this Friday night at Amherst. The Bulldogs will be trying their best to come out on top after suffering defeats the whole season.

Amherst has been out-classed in all games this season. It could be easier going for them once conference play is started.

Littlefield will meet Lamesa on home grounds and hope to finish ironing out the bugs in their offense so they will be ready for conference play Oct. 17.

Littlefield lost to Tullia last Friday night by 10-7. It was nip and tuck ball the whole game until the final minutes when a 22-yard field goal upset the Wildcats.

Revolting Development

Sudan end Shawn Potter finds the pass catching slippery in Sudan's 12-6 loss to Seagraves.

LITTLEFIELD 7th GAMES

The 7th grade will travel to Levelland Monday night for a game at 4:30 and a second game at 6 p.m.

BOYS 8 THROUGH 13 — SIGN UP NOW FOR OUR PUNT, PASS & KICK COMPETITION!

WIN A TROPHY AND COMPETE AT NFL GAMES

Yes, the best thing in life are free! Just bring your mom, dad or legal guardian with you to our dealership and sign up for Punt, Pass & Kick. There's nothing to buy and you may end up a trophy winner.

We are awarding a 1st, 2nd and 3rd place trophy for each age group. 18 local trophies will be complete only against boys' yard coverage. And, if you're lucky, you can go on to more advanced competitions. Imagine your parents watching you compete at NFL games. You may even become a National Football star and go to the NFL Play-Off game in Miami, Florida and tour Cape Kennedy and the Air Space Museum.

When you register you also get a free Tips Book which is loaded with stories and tips on punting, passing and kicking by top NFL stars.

SPORTS

Wildcats Host Lamesa

Continued from Page 1

Estacado, Lamesa then beat Levelland, 14-0, a game in which they lost their first string quarterback for the season. After that, however, the Tor offense really began to jell. They came over strong over Slaton, 66-7, and again last week in their 38-0 victory over Sweetwater.

Bennie Williams is the Lamesa tailback and the big gun in the Tor attack. The 165-pound senior gained 110 yards on 21 carries against Sweetwater.

Fullback Aaron Manuel also is a bruiser. He jammed his 175-pound frame for 60 yards on 14 trips last week.

Lamesa is led defensively by linebacker Ronald Hester, a 172-pound senior described by Littlefield's scouts as "the best defensive boy" among a strong corps of defenders.

Another man to watch is Middle Guard Kirby Marshall, 192-pound nose guard who has ripped into opponents' backfields with regularity throughout the season.

The Wildcat line-up will be the same as last week on defense, but one change is known in the offensive starters. Guard Richard Ayala, 191-pounder, has been moved into the slot previously occupied by Chuck Bleivins, who is just now getting over a bout with the flu.

Bula Drops 28-18 Game

BULA—The Bula Bulldogs hosted Klondike last Saturday night before a homecoming crowd and exhibited great football capability before falling to Klondike 28-18.

It took the Bulldogs a little time to overcome a fumble on the first play of the game.

Things began popping when Bula's Tom Newton charged 15 yards for a TD, and later Ron Risinger scampered 5 yards for another Bula tally.

Klondike's Jimmy Ethridge scored once on a 5-yard run and Russ Dunbar scored twice in the first half with runs of 10 and 5 yards.

At the half it was 22-12 in favor of Klondike.

In the third quarter, Ethridge ran 6 yards for

Klondike's final score in the game. At the end of the third quarter Bula trailed 28 to 12.

Bulldog Ron Risinger broke loose in the fourth quarter with the longest scoring run in the game and bulled 18 yards for a TD.

Bula, which has a 0-4 record for the season, has an open date this Friday.

Whites 12-0 Over Maroon In 7th Grade

Littlefield's 7th grade Maroon and White teams battled here Monday night in a game that was scoreless until the middle of the last quarter.

Little 4' 6", 60-lb. Ricky Parker went wild for the White team and scored their first TD for the night with a 70-yard run. Parker liked the feeling of being in the end zone and before the final gun, charged over the Maroon team and scored again after a 3 yard scamper.

At the final gun it was the Whites 12, Maroons 0. Parker and Mark Thornton led the charge for the White team. The defense for the White team was spirited also by Parker.

The Maroon team's charge was led by Tommy Wilson. Rodney Logsdon and Jerry Soria led the Maroon defense that held the Whites to a scoreless tie until the middle of the 4th quarter.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Charles K. Warren; the unknown Trustees, the unknown successors and their unknown assigns of the Estate of Edward K. Warren, deceased, whose names and addresses are to the plaintiff unknown; the unknown Trustees, their unknown successors and their unknown assigns of the Estate of Charles K. Warren, deceased, whose names and addresses are to the plaintiff unknown; Pohman, Flanders & Pohman, a partnership, whose places of residence are unknown to this plaintiff; the unknown successors and assigns of said partnership, whose places of residence are to this plaintiff unknown; H. Work, J. J. Beyer, S. C. Groth, George T. Trimble and G. N. Consey, whose addresses are to the plaintiff unknown, the unknown heirs of H. Work, J. J. Beyer, S. C. Groth, George T. Trimble and G. N. Consey and their unknown wives, if living, and if deceased, their unknown heirs, their unknown legal representatives, the unknown heirs of the unknown heirs of the said named defendants are deceased, whose places of residence are unknown to the plaintiff, and the unknown owner or owners of the property hereinafter described, or any interest therein; and any and all other persons, including adverse claimants, owning or having any legal, equitable or applicable interest in or lien upon the property hereinafter described, and all persons claiming any title or interest in land under a certain quitclaim deed from Clarence A. Pohman, et ux, to Gerald C. Pohman, dated April 29, 1943, and filed May 12, 1955, recorded in Vol. 168, Page 233 of the deed records of Lamb County, Texas; to which said deed and the records thereof, reference is hereby made for all purposes; and to all persons claiming any title or interest in land under said deeds and to all of the unknown owners or claimants of property under said deeds, and if any of the above named defendants may be corporate defendants or otherwise, together with the unknown successors, heirs and assigns, of such corporate officers, trustees, receivers and stockholders, the residence of all of said parties being unknown to the plaintiff; also the unknown owners and claimants of any interest in and to the hereinafter described property; all of the above named parties, being designated as defendants, in the suit filed by The Fourth National Bank and Trust Company, Wichita, Wichita, Kansas, as plaintiff.

MRS. CARL ENLOE is a patient early this week in M. D. Anderson Hospital and recovering from last week's surgery. The doctors there have not decided at this time to perform additional surgery.

PVT. E.2 GLEN Eagle of Fort Sill, Okla., spent the week with his wife. She is here with her family, the Gerald Coffers, while he is in training. He is an artillery trainer.

MR. AND MRS. Fred Wilson are at Lake Graham for fishing.

MR. AND MRS. Bill McDaniel of Sod House returned Friday from a vacation trip through

described land and premises, situated in Lamb County, Texas, to-wit:

The South One-Half (5/2) of Section of Survey Number Twenty-Eight (28) in Edward K. Warren Subdivision Number One (1), Block W, Lamb County, Texas, containing 320 acres of land.

That on said date, defendants unlawfully entered upon and dissevered plaintiff of such premises, and withheld from it possession thereof, to which possession it was and is legally entitled. Plaintiff further pleads the five (5), ten (10) and twenty-five (25) year statutes of limitation.

The officer executing this process, shall promptly execute the same according to the law, and make due return as the law directs.

Issued and given under my hand and seal of office, at office in Littlefield, Texas, this 9th day of September, 1969.

ATTEST: /s/ Ray Lynn Britt
Ray Lynn Britt
District Clerk,
Lamb County, Texas,
154th Judicial District.

SHERIFF'S SALE

The State of Texas County of LAMB

NOTICE IS HEREBY GIVEN that by virtue of a certain order of sale issued out of the Honorable 99th District Court of Lubbock County, on the 17th day of September, 1969, by J. R. Dever, Clerk of said court for the sum of Four Hundred Thirty and No/100 (\$430.00) Dollars plus interest at 7% per annum from August 29, 1967, plus \$100.00 attorney's fees and costs of suit, under judgment, in favor of Municipal Investment Corporation in a certain cause in said Court, No. 58870 and styled MUNICIPAL INVESTMENT CORPORATION vs. LESLIE A. MARSHALL and wife, GERLENE MARSHALL, placed in my hands for service, I, E. D. MCNEESE as Sheriff of Lamb County, Texas, did, on the 6th day of October 1969, levy on certain Real Estate, situated in Lamb County, Texas, described as follows, to-wit:

Lot's Nine (9), Ten (10), Eleven (11) and Twelve (12), Block Sixty-Three (63), Original Town of Oton, Lamb County, Texas; and levied upon as the property of LESLIE A. MARSHALL and wife, GERLENE MARSHALL and that on the first Tuesday in November 1969, the same being the 4th day of said month at the Court House door of Lamb County, in the City of Littlefield, Texas, between the hours of 10 a.m. and 4 p.m., by virtue of said levy and said order of sale I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said LESLIE A. MARSHALL and wife, GERLENE MARSHALL.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the NEWS AND LEADER, a newspaper published in Lamb County.

Witness my hand, this 6th day of October 1969.

E. D. MCNEESE
Sheriff Lamb County, Texas

MCNEESE as Sheriff of Lamb County, Texas, did, on the 6th day of October 1969, levy on certain Real Estate, situated in Lamb County, Texas, described as follows, to-wit:

Lot's Nine (9), Ten (10), Eleven (11) and Twelve (12), Block Sixty-Three (63), Original Town of Oton, Lamb County, Texas; and levied upon as the property of LESLIE A. MARSHALL and wife, GERLENE MARSHALL and that on the first Tuesday in November 1969, the same being the 4th day of said month at the Court House door of Lamb County, in the City of Littlefield, Texas, between the hours of 10 a.m. and 4 p.m., by virtue of said levy and said order of sale I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said LESLIE A. MARSHALL and wife, GERLENE MARSHALL.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the NEWS AND LEADER, a newspaper published in Lamb County.

Witness my hand, this 6th day of October 1969.

E. D. MCNEESE
Sheriff Lamb County, Texas

AMHERST

Mrs. Lester LaGrange 246-3336

LAYMAN'S DAY will be observed at the United Methodist Church, next Sunday, Oct. 12. Clyde Brownlow is Lay Leader. Judge M. C. Ledbetter of Morton is Brownfield District Lay Leader. Clyde's father-in-law will be guest speaker. Men and boys will occupy the choir.

SR. MSGT. Bobby Ray Vaughn and Mrs. Vaughn visited her relatives in Greeley, Colo., since his leave and before he leaves Oct. 26 for duty in Vietnam. They have rented the former Zachary place on West 10th Street where she will reside during his absence. The place is owned by Guy Hufstader Sr.

MRS. CARL ENLOE is a patient early this week in M. D. Anderson Hospital and recovering from last week's surgery. The doctors there have not decided at this time to perform additional surgery.

PVT. E.2 GLEN Eagle of Fort Sill, Okla., spent the week with his wife. She is here with her family, the Gerald Coffers, while he is in training. He is an artillery trainer.

MR. AND MRS. Fred Wilson are at Lake Graham for fishing.

MR. AND MRS. Bill McDaniel of Sod House returned Friday from a vacation trip through

described land and premises, situated in Lamb County, Texas, to-wit:

The South One-Half (5/2) of Section of Survey Number Twenty-Eight (28) in Edward K. Warren Subdivision Number One (1), Block W, Lamb County, Texas, containing 320 acres of land.

That on said date, defendants unlawfully entered upon and dissevered plaintiff of such premises, and withheld from it possession thereof, to which possession it was and is legally entitled. Plaintiff further pleads the five (5), ten (10) and twenty-five (25) year statutes of limitation.

The officer executing this process, shall promptly execute the same according to the law, and make due return as the law directs.

Issued and given under my hand and seal of office, at office in Littlefield, Texas, this 9th day of September, 1969.

ATTEST: /s/ Ray Lynn Britt
Ray Lynn Britt
District Clerk,
Lamb County, Texas,
154th Judicial District.

SHERIFF'S SALE The State of Texas County of LAMB

NOTICE IS HEREBY GIVEN that by virtue of a certain order of sale issued out of the Honorable 99th District Court of Lubbock County, on the 17th day of September, 1969, by J. R. Dever, Clerk of said court for the sum of Four Hundred Thirty and No/100 (\$430.00) Dollars plus interest at 7% per annum from August 29, 1967, plus \$100.00 attorney's fees and costs of suit, under judgment, in favor of Municipal Investment Corporation in a certain cause in said Court, No. 58870 and styled MUNICIPAL INVESTMENT CORPORATION vs. LESLIE A. MARSHALL and wife, GERLENE MARSHALL, placed in my hands for service, I, E. D. MCNEESE as Sheriff of Lamb County, Texas, did, on the 6th day of October 1969, levy on certain Real Estate, situated in Lamb County, Texas, described as follows, to-wit:

Lot's Nine (9), Ten (10), Eleven (11) and Twelve (12), Block Sixty-Three (63), Original Town of Oton, Lamb County, Texas; and levied upon as the property of LESLIE A. MARSHALL and wife, GERLENE MARSHALL and that on the first Tuesday in November 1969, the same being the 4th day of said month at the Court House door of Lamb County, in the City of Littlefield, Texas, between the hours of 10 a.m. and 4 p.m., by virtue of said levy and said order of sale I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said LESLIE A. MARSHALL and wife, GERLENE MARSHALL.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the NEWS AND LEADER, a newspaper published in Lamb County.

Witness my hand, this 6th day of October 1969.

E. D. MCNEESE
Sheriff Lamb County, Texas

For Classifieds Dial 385-4481

MIDNIGHT has been on the bottle since he was a day old, and he'll roll over and hoist the bottle in all directions at the sight of a nipple. Midnight's Siamese mother was killed when he was just hours old, and Gloria Guzman raised him on a baby bottle. He is about four months old now but still prefers his bottle to any other method of eating, retrieving it himself from window ledges, or jumping high in the air for it when a member of the Guzman family waves it above him.

County Reaches Red Cross Goal

Lamb County Chapter of Red Cross has revealed that its goal of \$1,146 for relief of Hurricane Camille victims has been reached.

Red Cross Board members met in regular session Friday, with Chairman Mrs. Bonnie Haberer presiding.

An itemized account of expenses involved in the tornado at Earth May 6 was presented by Mrs. Lyle Brandon, fund chairman.

Total cost was reported at \$697.87.

Red Cross Executive Secretary Mrs. Ruth M. Wade reported that the "Ditty Bags", for distribution to servicemen

overseas, were shipped from Littlefield Sept. 25.

Attending the meeting were Mmes. Lester LaGrange, Bonnie Haberer, D. R. Leonard, Blanche Dodgen, Lyle Brandon, Ruth Wade, Mr. and Mrs. Ray Smith, and Rev. C. P. McMaster.

SECOND, FIRST AND ONLY

International Nickel Thompson, Manitoba facility is the free world's second largest nickel-producing center. It is also the first and only fully integrated plant for mining, concentrating, smelting and refining in a single plant area.

Give Us An Opportunity To Say Yes

A PORTABLE PORKER PAYS PROFITS!

Fed hogs convert 3.2 # dry feed to 1 # meat. This means up to \$6 per 100 # for your grain sorghum. You and your banker will love it!

PORTABLE PORKERS are easily moved from farm to farm - ideal for tenant farming and taking your hog operation to the grain supply saves haulage!

Easily cooled in summer with foggers - heated in winter with infra-red.
