

3-2 COUNT

Split Vote On School Board Backs Principal's Decision

By BILL TURNER
Editor, Leader-News

The question at Monday night's regular meeting of the Littlefield School Board, on the surface, was simple enough and seemingly not of earth-shaking import. Should the Wildcat Band play "Southern Special" at the pep rally? But that one brought on an inferred deeper question: Should a school board instruct changes in decisions already made at the administrative level by administrators? The answer turned out to be "No" to both questions, but there was some debate before it reached a 3-2 vote.

THE QUESTION came up in the latter part of the less-than-two-hour meeting when Trustee Glenn Batson asked why the band was not playing the tune that includes a few bars of "Dixie." Supt. Paul I. Jones told the board that High School Principal Beryl Harris had ruled out the song because of student body problems he thought might arise if it were continued.

"There were some rumors which he felt he should nip in the bud, so to speak," Jones said. "I don't think we should give in to rumors, and I don't think they amounted to anything anyway," said Batson. "I understand the students went to see the principal with a petition asking that the song be allowed, but it wasn't, and they weren't told why," he continued. "I move that the band play the song at the pep rally Friday." Board president Wayne Streety immediately said, "I can't go along with that,

we're getting into administration. That's no way to do an administrator."

That brought on more discussion, including some comments on the song, itself. BOARD MEMBER Pat Downs said he personally liked the tune, "but I'm opposed to going against the administration. It comes too close to the school board running the school." Streety added: "It would be a case of us

interfering with the administration of the school." "I still make the motion, and I may never get a second, but you have the motion," Batson said. Bob Roden seconded. The vote then was called for, and Batson and Roden signalled aye. Streety, Downs and Doug Walden voted no. Trustee Dick Hopping declined to vote, asking Secretary Sid Hopping to show him

as abstaining. Another board member, Werner Birkelbach, could not attend the meeting.

THEN SUPT. JONES told the board he had another question, this one dealing with the Wildcat Band's planned trip to Corpus Christi next spring. "The band director has asked if the trip might be changed to Six Flags at Dallas, instead of Corpus," he said. "He gave the reasons that he felt there will be more musical talent and more competition there than at Corpus, that the trip wouldn't be as expensive and that accommodations would be more adequate."

Although Batson and Roden contended for a time that the decision might be "administrative," Trustee Downs came with a motion: "I move the band be allowed to go to Dallas or Corpus according to the wishes of the students, the director and the parents."

Roden seconded Downs' motion and the board voted yes, unanimously. IN OTHER activity, the board set a policy on jury duty for teachers, authorized transfer of \$5,000 to the lunchroom operating fund, determined the size to operate on two new buses, appointed a textbook committee and approved the monthly financial statement.

A report on an irrigation project for the junior high practice field that was to be made by the absent trustee, Birkelbach, was postponed until the December meeting of the board.

TAKING UP the question on jury duty, Supt. Jones explained that two teachers, See TRUSTEES, Page 13

Cold Cash Winners Told In First Freeze

The early bird may get the worm, but four persons who waited until Friday to guess when this season's earliest freeze would come got the money in Security State Bank's freeze guessing contest.

The time and temperature clock showed 32 degrees at 2:50 Sunday morning, Nov. 7. Gene Autry Bitner, formerly of Littlefield and now living in Texico, won the first place \$100 prize money with his guess of 2:45 a.m. Nov. 7.

Second and third place prizes of \$50 and \$25 were split three ways. Three contestants chose Sunday, Nov. 7 at 3 a.m., and Eusebio Piedra of Amherst, Lawrence Massengale of Littlefield and David Walden of Grapevine each won \$25.

More than 1,600 entries were entered in the freeze contest. Of this number, 115 came in Friday, including all four of the winning guesses.

The Nov. 7 date for the earliest freeze stands alone in 77 years of recorded temperatures. The exact date of Nov. 7 hasn't been recorded since official records were started in 1894.

The average earliest date with temperatures 32 degrees or below is Nov. 3. For Lamb County, Oct. 7 is the earliest recorded freeze, and Nov. 22 is the latest early freeze.

Temperatures of 32 degrees or lower were recorded in Lamb County on Oct. 7 in 1970 and in 1952. The late Nov. 22 freeze was recorded in 1934.

When the temperature reached the freezing mark on the bank's clock Sunday morning, the time and temperature continued to flash. According to the official gage at Pioneer Natural Gas Company, a low of 31 was reached early Sunday.

Although this was the first freeze in downtown Littlefield, freezing temperatures hit other parts of Lamb County on Oct. 31 when freezing temperatures and frost were recorded north of the sandhills and in the Earth-Springlake communities.

Mechanical harvesting of cotton crops not defoliated usually gets underway about 10 days after the first killing freeze. With the first freeze for 1971 history, this year's cotton harvest is just around the corner.

Defendant Favored In Case

In a civil suit brought by Juan Salazar versus Triangle Manufacturing Company, the jury found in favor of the defendant Tuesday.

The plaintiff was asking for \$4,750 for medical expenses, pain and suffering connected with the loss of two fingers in an accident.

The suit filed by DeJuan Strickland versus Gene Mixon for negligent farming and land damage, which was scheduled for trial this morning, was settled out of court. The next jury week will be Dec. 6.

FREEZING TEMPERATURES came to downtown Littlefield early Sunday morning as shown on the Security State Bank's time and temperature clock. Gene Autry Bitner won the \$100 first place prize, and three persons won \$25 each in the contest. Eusebio Piedra, Lawrence Massengale and David Walden had the second best guesses.

'Must' Victory Needed By Cats

"Last week we were trying to stay in the race. This week we are playing for the championship."

With those words, Littlefield Wildcat Coach Jerry Blakely set his sights on the Morton Indians, final foe of the regular 1971 season.

A victory would give Blakely's Wildcats no less than a co-championship of District 3-AA, an 8-2 season record, and the right to represent the district in the state playoffs. A loss could mean an outright Floydada title, or a three or four-way tie for the top.

The tie would develop if Morton upset the Wildcats and Abernathy defeated Floydada, putting the latter into a deadlock. In such an event, Lockney could join the scramble by defeating Friona. "We're looking at it strictly from the point of view that we must win, because that would rule out all the other possibilities," Blakely said.

BLAKELY INTRODUCED 21 senior team members as "Wildcats of the Week" at Tuesday night's Quarterback Club meeting.

He paid tribute to their efforts all year long, saying that "a team does well if its seniors do well."

Blakely said, "You have to remember that these boys remained in football the past three years when things were tough and they weren't able to win many games."

"It's a mark of character that they're still playing football, a tremendous compliment to them that they were able to come back this year and have a winning season."

"Five or six of these boys haven't been able to play as much as they'd like to, or as much as we'd like them to. But they've been out there working all the time, giving

VFW To Host District Meet

The John Henry Chapman VFW Post will serve as host to the two-day District Thirteen Meeting of the Veterans of Foreign Wars of the United States in Littlefield this weekend.

Registration will begin at 1 p.m. Saturday at the VFW Post Home 4854, and representatives from approximately 15 VFW posts in the district are expected to attend—along with members of the Littlefield post.

A dinner and social hour for department representatives will begin at 6 p.m., followed by a dance.

Fees for the event are \$3.50 for singles and \$7 for couples. Sunday morning, the program will get underway at 8 a.m., when registration begins.

A joint meeting of the VFW and Auxiliary members will be conducted at 9 a.m., when Bill Payne, manager of the Littlefield Chamber of Commerce, will deliver the welcome address.

A memorial service, honoring all deceased VFW and Auxiliary members, will be conducted prior to separate meetings of the VFW and Auxiliary. Jan Sisson will sing and Mrs. Duane Phillips will play the piano.

Department Adjutant Billie L. Dorris of Austin will speak during the VFW session, and Ylavia Williams of Lubbock, newly-elected Auxiliary president, will speak during the Auxiliary meeting. Both sessions begin at 10:30 a.m. at the Post home.

R.E. Pugh is commander of the John Henry Chapman Post and Stella Pugh is president of the Auxiliary. District commander is Wayne Driskill and District Auxiliary president is Kay Flowers.

their best, running the opposition's plays in practice, and they've been a tremendous asset to this team."

Seniors introduced were Randy Trotter and Jay Trammell, quarterbacks; Dennis Hartley, Ralph Funk, Jerry Kemp and Porfirio Cristian, backs; Dennis Cowan, Mike Carter, Matt Giles, Brent Whiteaker and Larry Birkelbach, ends; Jose Rangel, Chuck Blevins, and Danny Estrada, tackles; Delon Walker, Scott McNeese and Kenny Pratt, guards; Sid Jacobs, David Friday and Allen Grisham, centers; and Danny Meers, manager.

FRIDAY NIGHT'S game at Morton will see the Wildcats go against an up-and-down team. The Indians looked great in See WILDCATS, Page 9

Crowd Attends Annual Coin Club Exhibition

The Fourth Annual Lamb County Coin Show brought more than 400 persons from Texas and New Mexico to the Littlefield Community Center Sunday to view the 21 exhibits and visit with the coin dealers.

Larry Sanderson, the club's treasurer and general chairman for the show stated he "was well pleased with the turnout". Dealers from all over the state of Texas and New Mexico had tables set up displaying their coins, and giving free appraisals, exchanging and selling coins and currency.

Trophy winners for the coin exhibits were all from out of town, but are members of the Lamb County Coin Club.

D.O. "Jop" Joplin of Levelland placed first in the U.S. division with his exhibit of the only Morgan dollar struck at the Denver mint. In the foreign division, James Hogue of Levelland won a first place trophy for his display of different types of Roman coins. Joe Markham of Sudan won a first place in Medals division for his exhibit of silver medals of the confederate states.

In the junior division, Brian Steger of Lubbock won first place for an exhibit of

1883 proof coins; Alton Logsdon of Levelland won a first place trophy for his display of large paper notes; Alton Logsdon won in the visitors' division with U.S. coins and currency.

In addition to the silver dollars that were given away hourly, a drawing was held at 5 p.m. for \$5 and \$20 gold pieces. Earl Robison of Littlefield won the \$5 gold piece and Joe Markham of Sudan, president of the Lamb County Coin Club won the \$20 gold piece.

The coin club meets in the Reddy Room of Southwestern Public Service every fourth Tuesday of each month. New memberships are always welcome and anyone is invited to visit the meetings.

MORE THAN 400 visitors viewed coin exhibits and looked over the dealers' coin and currency displays during the Fourth Annual Lamb County Coin Show in the Lamb County Community Center in Littlefield Sunday. Visitors and dealers were registered from a wide area in Texas and New Mexico.

DO YOU HAVE a paper problem at your house, or, is this thing limited to me?—Paper, paper everywhere, and what do you do with it?

Seems our house must be the trash basket of the United States. Keeps us busy carrying the stuff out.

ASIDE FROM TAKING a daily paper and the bi-weekly local, there's paper coming through the mail on every trip to the mailbox. Magazines, circulars, "come-ons" and whatcha got.

These, to say nothing about the bills and duns, (now there's some paper I could REALLY do without!)

ANYHOOO, YOU TURN your back for a little while and the stuff's taken over the whole place.

Now, there's a city ordinance against burning the stuff outside and since I don't have a fireplace I surely hope we don't burn it on the inside (which I get to worryin' about sometimes.) So?—We just keep totin' paper out to trash barrels, and those things seem to stay full!

YEAH, I'VE HEARD about the stuff bein' "Recycled", but I don't know of a "Cycle" hereabouts, much less a recycler! Guess you know if you take a daily paper, you're just stuck. As if the paper itself weren't enough, they keep including those fold-ins with them.

TAKE THE Reader's Digest, and Carolyn Davis and Mr. Fingerhut keep your mailbox full of contest propaganda and the various promotion deals they keep moving.

AND, everybody that IS anybody must have a few credit cards. This opens the gate to a multitude of merchandisin' schemes.

Our box is constantly offerin' special bargains to the "few" special credit card holders. Nothin' down and six months to

the first uneasy payment. Anything from a jig-saw puzzle to a homesite on the shores of Lake Havasomethin'!

THEN, ONCE UPON a time, I had an easy credit plan with a couple' mailorder stores.—They want to keep reminding me that my credit is still good at their place, on their revoltin' credit plan.

(I used this plan for a while, until I finally figured up the interest they were chargin' me.)

ADD TO THESE things the volunteer insurance feelers and the other "come-ons" and the paper keeps the trail hot goin' through our place.

Now, they tell me, that paper comes from wood (elementary, my Dear Watson!) and wood comes from trees.—Then it must follow that they're cuttin' down those trees for the sole purpose of sendin' all this junk-paper to my home so's I've gotta somehow dispose of it?

WHAT A SHAMEFUL WASTE!—No wonder our poor mountains are shiverin' in their cold nakedness!

Betcha if I could reconstruct the material that's come through my place for the last ten years, I could have a sizable forest right out in my own back alley!

REALLY, (Turner'll kill me for this:) I PREFER my advertising to be on radio and tv.—Right in the middle of a good ballgame. This gives me time to get another cup of coffee, or, a Coke, re-adjust the pillow in the ol' easy chair and settle back down.

The beauty of this system is that, when the game is over, all I have to do is turn the thing off.—Not carry it out and dump it in the alley!

HOPE OUR 'CATS ARE READY FOR MORTON!—GET AFTER 'EM, CATS!!!!

LAWRENCE MASSENGALE receives his \$25 check as one of three second place winners in the Security State Bank freeze guessing contest. Gene Bifner won the \$100 prize for guessing within five minutes of the freeze time of 2:50 a.m. Sunday, Nov. 7. Eusebio Piedra of Amherst, and David Walden of Grapevine and Massengale all guessed 3 a.m. Sunday. Carol Black, bank secretary, makes the presentation.

THE ABUNDANT LIFE

Drop-Out Complex

By BOB WEAR

DROP-OUTS DIFFER from group to group. I have just read well-written articles about two of these groups, and neither one merits serious consideration; except from the standpoint of pity.

The reasons they give for being drop-outs, and re-forming their own establishment are, at best, very poor excuses. They have not helped themselves, and have only added to the complexities and difficulties of society with its time-tested and adequate institutions.

THEY HAVE NO ANSWERS, and have created more questions. They show no marks of wisdom or good judgment, but an obtuseness and foolishness unbelievable. Giving some of them credit for being sincere and conscientious does not change the emptiness of their actions and their lives. Many of them are misguided, and a few are evil and self-seeking. The "few" are exploiting the "many".

THE DROP-OUT COMPLEX is not new, and I doubt if the comparative number of people in this category has increased very much percentage-wise over any period of the past.

They may receive more attention, more publicity and more considerations. This drop-out complex has been part of the human scene all of my life, and history reveals its existence throughout past generations.

SOME PERSONS withdraw from "the establishment", from part of "the establishment". These hold on to that part of the established order from which they receive selfish benefits.

Then, there are the "bums", those who will not accept their personal responsibility. These are lazy, undisciplined, self-

hating and useless persons.

All of these, both groups, the "parasites" and the "bums", use the imperfections they see in "The establishment" as their excuses for dropping out.

THEY DO NOT help themselves, and they have deserted the only way in which there is any hope for them.

They talk about insincerity, about hypocrisy, about failures of one kind or another in the people they know. They, however, by their own behavior, become the biggest hypocrites of all.

THEY TURN FROM the relatively minor defections in parents, home, community, school and church to the wastefulness of drugs, liquor, immorality and general meaninglessness.

Those who shun these life perversions revel in the bog of distorted and maudlin emotionalism or imposed, sadistic severities.

THESE DROP-OUTS "strain at a gnat and swallow a camel". They leave that which may have flaws (nothing human is perfect), and go to a way of life that has "no" good.

Most of them, perhaps all of them, are running away from life, and they are headed in the wrong direction.

THEY FORSAKE the plains of imperfection, weakness and neglect; and go to the valleys of debauchery, degradation, bitterness, nothingness, darkness and hopelessness.

It is better that we face up to life, accept the challenges, busy ourselves with doing our best to make the world better by making ourselves better.

THE FARMER'S WIFE

Not That Sick

By LIBBY MUGDETT

IF I SEEM to pick on doctors and hospitals, it's because I intend to.

They're always picking on me, or at least my pocketbook. I'd rather they'd pick on me. I'm bigger than my pocketbook by a long shot.

THE OTHER DAY I went to the pharmacy to have a couple of prescriptions refilled.

"Have you talked to your doctor about these prescriptions?"

"No. I'm trying to keep from having to talk to him. That's why I want those bottles refilled."

"But the date on these is last May."

"Well, that figures. That's the last time I needed medicine."

"What makes you think you need the same medicine now?"

"Because I feel the same way now."

"How's that?"

"Tight chest and sinus."

"How do you know that's what it is?"

"Because that's what the doctor said last May."

"He'll want to see you again before prescribing anything."

"I don't want him to prescribe anything. I just want you to refill what he's already prescribed."

"But that was last May!"

"I'm a pretty smart girl. I can remember clear back to last May and I feel exactly the same way now."

"But you may not be right."

"An \$8 office visit, a \$5 lab report and a \$10 x-ray says I am."

"That was then, not now."

"I had 22 bucks then, not now. That was besides what I had to pay for those two bottles of medicine."

"It was only \$12.50 for both bottles."

"Coming to \$34.50 for a tight chest and sinus."

"But all of us acting together may have ward off pneumonia."

"If you'll just refill those bottles, you and I can ward it off again all by ourselves."

"Lady, I can't! I simply can't!"

"You afraid of the doctor?"

"That's ridiculous. You can borrow our phone to call him and ask if you can have these refilled."

"You call him. He'd charge me for a phone visit."

"It wouldn't do any good. I know exactly what he'd say."

"So do I, and I just got through telling you I'm not thirty-four fifty sick—just \$12.50."

"Do you have any fever?"

"Not yet, but I'm fast getting it trying to get some medicine."

"Well here. This is a good commercial cough medicine and here's some good commercial sinus medicine. Go home and take these and some aspirins."

"These only come to \$4.50. You're losing \$8.00."

"I'm here to serve the public."

"You're afraid of the doctor."

"I am not! If you're not better in a day or two, you'd better go see him anyway."

"He'll just charge me \$22 and I'll be right back to get the very same prescriptions that you won't refill right now."

"If that happens, I'll give you back your \$4.50 for the commercial cough and sinus medicine."

FERTILIZER COSTS

It looks as though farmers can expect their fertilizer bill to go up this year. U. S. Department of Agriculture officials are predicting a 10 percent increase in fertilizer prices over those in 1970. The reasons—rising wages, costs of raw materials, and transportation charges. Fertilizer prices started to inch their way upward last year after reaching near-record lows in 1969.

TESTING IRRIGATION

The Extension Service Soil Testing Laboratory at College Station has the equipment to analyze irrigation water samples and soils for soluble salts, according to Dr. Charles Welch, Extension soil chemist.

SHARRISE COWEN

SINCE THIS is the last week of football, we hope everyone will have lots of Spirit!!

LAST TUESDAY night the seventh and eighth grade played Dimmitt. The seventh grade lost 14-6 and the eighth grade lost 14-8.

Mrs. Aaron: Why are you late?
Johnna W.: I was just following the sign.
Mrs. Aaron: What sign?
Johnna: The one that says "School Ahead, Go Slow."

Congratulations to the eighth grade for winning the Spirit Stick!

MONDAY the basketball team traveled to Slaton. Tuesday night they played here at the High School gym, against Lubbock Christian.

Q. What do you call a small joke?
A. A mini-ha-ha!

TODAY is the last football game for the Freshmen. They will travel to Shallowater and play at 5:30.

Q. Why is football such a cool sport?
A. It has so many fans.

THIS WEEK will be the Junior High's last pep rally, we hope everyone will please come! It will be at 3:30.

THE SEVENTH graders request, "More respect from the Freshmen!"

Q. What nation always wins in the end?
A. Determi-nation.

SUGGESTED FOR IMMATURE AUDIENCES

Happiness Is . . .

SPIRIT!?!?

LAST THURSDAY the Freshmen played Dimmitt and lost 33-0.

TUESDAY the seventh and eighth grade played at Abernathy. The result of the game will be told next week.

HAPPY BIRTHDAY—Cheryl West and Perry Bussanmas!!!

FOOTBALL COACH: Johnny here's your big chance! You can play end, guard and tackle all at the same time.
Johnny: Gee, coach, thanks. But how can I do that?
Coach: Sit at the end of the bench, guard the water bucket, and tackle anyone who gets too close to it.

THE FRESHMAN girls won their scrimmage against Sudan Nov. 1. The score was 31-30. Congratulations!!! The seventh and eighth grade lost.

Coach Bolton: Do you know what the Great Plains are?
Rhonda B.: Sure — the jumbo jets, 747's!!

Kathy W. — Knock, knock.
Loretta M. — Who's there.
Kathy — Goliath.
Loretta — Goliath who.
Kathy — Goliath down!

Daffynition: Earthquake — Mother Nature doing the twist!
Hair — Ear to ear carpeting.

THE FRESHMEN honor English class is working on a Thanksgiving play.

DEAR EDITOR

What Our Readers Think

Stop Sign 'Absurd'

Dear Editor:

I agree completely with the "anonymous" writer of the letter to Mr. Bradley & City Councilmen in the Nov. 7 issue of the Leader-News.

As far as I'm concerned too, the stop sign at XIT and 6th is really absurd.

I have noticed, when coming down XIT going north, that so many "dumb" people either run the stop sign, or stop half way out in the middle of the intersection when it suddenly dawns on them there was a stop sign, and two, that I know of, have gone around the stop sign on the left hand side. Evidently some people aren't up to date on their driving rules.

Also one morning while I was stopped at a stop sign at 7th and XIT, my car facing east, there were three cars blaring down XIT going north, the first car hit the brakes suddenly and went halfway out into the intersection, and the other two cars right behind that car had to stop suddenly too—there was almost a three car pile-up. In fact, the second car swerved out to the left to keep from hitting the first car.

If the city manager and city councilmen want to do something for the safety of the city, in my opinion, it would be a good idea to have parallel parking, instead of diagonal parking on the one-way streets.

So many times I have nearly gotten trying to get across the intersection.

You have to get your car angled out in the middle of the street. The way is clear to cross. The cars have parallel parking, not diagonal parking on one-way streets. One-way streets are too narrow to begin with.

City Police Investigate Theft, Six Wrecks

City police are investigating the theft of a 1965 model refrigerator from the home of a citizen on East 8th Street.

The theft was reported Tuesday.

One adult male was jailed Tuesday night, charged with drunk in public.

City patrolmen have checked six wrecks within a week's time.

Wednesday afternoon, a 1967 Chevrolet, driven by Gladys Douglass Joplin of Littlefield, and a 1971 Toyota, driven by James Michael McGaha of Littlefield, were both traveling south on Phelps Avenue.

They were approximately 90 feet from the intersection with West 10th Street, when the Toyota attempted to make a left turn, and the Chevrolet cut to the left to miss the Toyota.

The Chevrolet hit the Toyota in the left front door with the right front fender.

Saturday was a busy day, when three wrecks occurred, and a Levelland woman was involved in two of them.

According to the investigating officer's report, Dortha Jones Morrow of Levelland began backing a 1961 Chevrolet pickup from the building on Furr's Super Market parking lot and ran into a parked 1969 Chevrolet owned by Horace Beauford Tharp of Littlefield.

Later that afternoon, Mrs. Morrow was traveling south on

Phelps Avenue, had struck the traffic light, when the Oldsmobile, driven by Morris of Littlefield, struck the rear of the pickup.

Saturday night, Janice Ray of Littlefield was making a U-turn on Harrall in Chevrolet, and struck a Ford, driven by August Clark of Littlefield, going east on Third Street.

Sunday noon, two cars involved in a mishap at the end of Business 84. John Williamson of Antero, driving a 1970 Chevrolet west on Business 84 and Scott Neuman of Mata, driving a 1970 Oldsmobile on Business 84. The Oldsmobile had made a U-turn in the go back west and the Chevrolet pulled to the right to cross the ditch. The Oldsmobile, ran off the road, was damaged on the grill, motor supports, right panel and right rear tire.

Tuesday afternoon, Sorensen of Littlefield parking a 1965 Buick in a block of Phelps Avenue, the car jumped the curb, knocked out a 8'x6' window in a vacant building. The car was valued at \$200. The automobile was not damaged.

OFFICIAL LHS NEWSPAPER

Word Watching Keeps English Students Awake

By DRUANNE WILKINSON

Mrs. Hazel Ward's English III class has been taking common sayings and changing them in uncommon ways. They use common expressions and convert them into exaggerated sentences.

Shown below are some examples written by some of the students of LHS. The common saying is in quotation marks.

"Lost time is never found." Inexistence or emptiness of duration or occasion will not be reestablished.

"There are no gains without pains." The occupation of profit and good fortune in the absence of grievance and mortification.

"Never leave that tomorrow which can be done today." Not in any degree, way, or condition depart without removing the kind or thing specified to the day after the present which one is able to accomplish at the present.

"Every cloud has a silver lining." Each mass of visible vapor possesses an inner layer which is a lustrous, pale gray color.

"Look before you leap." Use your sense of sight preceding a bound.

"Knowledge is power." The body of truth, information, and principles acquired by mankind is the ability to act or produce an effect.

"To have a friend is to be one." To stand in relationship to a person attached to another by esteem or affection is to have an objective existence as the same.

"A rolling stone gathers no moss." A rotating or revolving singular concentration of earthy or mineral matter collects no very small green plants.

"Pride goeth before destruction." The proper sense of personal dignity, worth, and honorable self-respect precedes demolition and ruin.

"The love of money is the root

of all evil." A warm attachment or devotion to something generally accepted as a medium of exchange is the source for every sorrow, distress, or calamity.

The purpose of this work is to learn dictionary usage. This helps the students to use more original expressions and not the common or trite ones, according to Mrs. Ward.

Carla Owens Elected As Band Sweetheart

By WANDA COTTER

Before a capacity crowd of 3,500 Friday night, Carla Owens was crowned Band Sweetheart at pre-game ceremonies preceding the Littlefield-Floydada tilt.

She was escorted by Bob Grissom, Wildcat Band president.

Members of the band voted by secret ballot to elect the 1971-72 Sweetheart. Miss Owens, an LHS senior, is the daughter of Mrs. JoAnn Owens and Kenneth Owens. Besides being Band Sweetheart, this blonde-haired, blue-eyed senior is an active member of the Wildcat Band. She is a twirler with the organization as well as band secretary.

Carla is a member of FTA and business manager of the "Wildcat" annual staff. She

works at Pratt's Jewelry after school and on Saturdays. During her spare time, Carla enjoys sewing and decorating. She was "very excited and proud" to be named Band Sweetheart.

Other nominees for the honor were Linda Horn, Gail Williams, and Amy Owens.

Linda Horn, the senior daughter of Mr. and Mrs. N. C. Horn, is a member of Kat Klub and FTA, councilman-at-large of the Student Council, and a DE student employed at Connell's Office Supply. This brown-haired student enjoys water skiing, talking, and watching football. She thought it was "pretty neat" to be named a sweetheart candidate.

Gail Williams, daughter of Dr. and Mrs. Aaron Williams, is a member of FTA, secretary of National Honor Society, and treasurer of the Student Council. This brown-haired, green-eyed LHS senior is an active member of the Baptist Church. Gail enjoys playing the piano, sewing, and snow skiing. She was "fantastically happy and a bit awed" at the honor.

Amy Owens is a blonde-haired, green-eyed LHS senior. Her parents are Mr. and Mrs. Buster Owens. She is parliamentarian of Student Council, GAA secretary, FTA historian, and a Wildcat Band twirler as well as president of her Girl Scout troop. She enjoys swimming, skiing, and reading. Amy was "really excited" to be named a sweetheart candidate.

Tammy Owens, a first grader, carried the roses which were presented to her big sister.

Scott Blakely, second-grade son of Coach and Mrs. Jerry Blakely, was crown bearer for the event.

Bruce Hall, David Williams, and Anthony Pierce also participated in the ceremonies as escorts for the candidates.

Cars for the ceremonies were provided by Mitchell Ford, Garland Motor Company, and Ray Keeling Buick.

SHE'S A SWEETHEART—Miss Carla Owens, daughter of Mrs. JoAnn Owens, is escorted from the field being named band sweetheart. She is escorted by Bob Grissom, son of Mr. and Mrs. Landon Grissom, candidates for the honor were Linda Horn, daughter of Mr. and Mrs. N. C. Horn; Amy Owens, daughter of Mrs. Buster Owens; and Gail Williams, daughter of Dr. and Mrs. Aaron Williams.

Posters Given To Students

A one-week magazine sale in September by LHS students will help raise money for a foreign exchange student, according to a Student Council representative. Students selling the most subscriptions were awarded prizes. Students wanting free posters had to sell only \$10 worth of subscriptions in order to receive a poster.

Those receiving more than one poster were Carol Sanders, Bill Brewer, Phyllis Owens and Julie Payne. One poster went to Annette Henry, Shelly Grant, Karol Terry, Tina Russell, Ann Cuffman, Jeanne Clark, Vicki Vandenburg, Tandy Talburt, Dona Davis, Pat Sevier, Vicki Davis and Gail Williams.

Industrial Arts Considers Projects

Industrial Arts Club met Tuesday, Nov. 2 at 8:30 p.m. Projects such as repairing the stadium seats, making something in appreciation of the coaching staff, making magazine racks to sell, making name plates for teachers, making signs for different businesses, decorating a window for Christmas, making signs for industrial clubs and having a garage sale were discussed.

Thirteen members were present.

Choir Tryouts For All-Region Set At Lubbock

Littlefield Acappella Choir will represent LHS Saturday, Nov. 13 when representatives and Mrs. Koma Sue Donworth will travel to Lubbock for All-Region Choir tryouts. The members going are Sheila Harrell, Shirley Priboth, Darla Sanderson, Mark Rogers and Jim Bob Harris.

Velvet Sounds, a small group in the choir, met Monday, Nov. 1, to practice on the coming programs they are going to present in November.

FLASHBACK Mrs. Ruth Cortney Wade, mother of Wildcat tackle, Bill Wade, was named homecoming queen for the first LHS annual homecoming in 1959.

LHS SPEAKS OUT Time Change

The question this week for LHS Speaks Out has to do with the effect of the time change on the students.

Opinions ranged from total indifference to anger over not getting enough sleep.

Here are a few student opinions:

LENEARL LEWIS—"The time change doesn't affect me, because I like for the darkness to come quick."

DAVID BARTON—"I wake up at 6 instead of 7."

DOROTHY WILLIAMS JR.—"I enjoy this time. It seems as if I get to sleep more. It seems as if it's really day time when I come to school instead of night."

DON TROTTER—"Time has changed my life from staying home to going out."

JULIE PAYNE—"I just wish they would leave it alone and not change it anymore. I'm always sleepy now."

GLENN SHORT—"It gives you more sleep."

JIM HALL—"I like this time better than day-light savings

time; this way I can get more sleep, or at least I think I am."

JUDY CURRY—"It really

hasn't affected me in any way."

DENNIS HARTLEY—"It hasn't affected me in any way yet."

VIRGINIA THOMPSON—"It hasn't, it just made things better."

TIM MCGAHA—"None."

GARY THOMPSON—"I had to buy a new watch to tell time by central standard time."

Students Finish Famous Tragedy

Finally finished!

That is what the students of Mrs. Irene Lynn's English IV B classes are saying. They just completed reading one of William Shakespeare's greatest tragedies, "Macbeth," written in 1605-1606.

It tells the story of a man who lets his ambitions drive him to betrayal and murder and eventually to his own physical and spiritual breakdown. Urged on by the witches' prophecies and his ambitious wife, Macbeth murders Duncan, King of Scotland, and takes his throne. To stay in power, Macbeth commits further murders and treacheries. Torn by guilt, his wife commits suicide, and life for Macbeth becomes "a tale told by an idiot, full of sound and fury, signifying nothing." Macbeth is finally killed by Macduff.

Throughout the play, the students exchanged parts each day to give every one a chance to read.

NEW TEACHER

Crafty Counselor

By CATHY NELSON

Counseling related to orientation, test profiles, choices of courses, occupations, scholarships and personal problems are only a few of the jobs of Mrs. Ima Roycroft, counselor of Littlefield Public Schools.

A native of Luling, Mrs. Roycroft is a graduate of Gonzales High School and Southwest Texas State University, San Marcos.

Having majored in journalism and minored in English, she received her B.S. degree in 1960. Returning to college during the summers, the counselor was granted her M. Ed. degree with a major in counseling and a minor in English.

Mrs. Roycroft spent three years at Rankin High School, Rankin, teaching English, journalism, and history. Moving to Denver City, she worked for the newspaper and taught four years of freshmen English and journalism. Living in Oklahoma City for one year, Mrs. Roycroft did office work. She says, "Oklahoma City is too big for me. I like West Texas and the sand better than humidity."

The counselor and her husband, Raymond, reside at 126 East 23rd. Raymond has a B.A. degree from Texas A&M University and a masters from Southwest Texas State University. He teaches seventh

and eighth grade math, eighth grade science, and is assistant principal at Littlefield Junior High School.

Mrs. Roycroft says of her students and family, "I have no children except the ones at school, and they're all mine."

Working with crafts is one of her spare time fillers. She and her husband enjoy camping and going to the mountains. "We are going to summer school this summer and plan to go somewhere in the mountains, like Wyoming or Colorado," says the counselor, with a flare of excitement in her eyes.

CATHY COMMENTS Know Yourself

By CATHY GILES

Though many people may think that they know a person intimately, no one except the individual knows the real truth. No one can read your mind or expose your emotions. These things are personal possessions and something that no one can take away.

The big question is whether or not you really know and understand yourself. The mind is a very complicated mechanism and sometimes very difficult to understand. Spend some time examining your moods and actions and try to analyze your personality. Above all, be yourself. Too many people try to be something which they are not. Fate will eventually expose them as a fraud. No matter how dull you may feel, be yourself, for an individual personality is a wonderful thing.

LADY MACBETH (better known as Molly Green around LHS), takes the dagger from her husband to complete the dastardly deed, while poor Macbeth (Matt Giles) asks sadly: "Will all great Neptune's ocean wash this blood clean from my hand?" Senior English classes, under the direction of Mrs. Irene Lynn, are now studying "Macbeth."

FOR BEING TARDY

What's Your Excuse?

By JERRY MCCARY

You won't believe this but... What is your excuse for being late in the morning or for being tardy?

Here are a few gems that Mrs. Edna Mae Mangum, LHS secretary, has collected over the years.

"You won't believe this but I had four flat tires."

This brings up the question of whether a car could have four flat tires at the same time.

How about this one: "I couldn't get the bed off my back." Or try: "There was a monster standing in the door."

Somebody even said that a solid wall dropped down in front of them. Who would expect Mrs. Mangum to believe that? Everybody.

Then there are the old standbys like "My car wouldn't start," "I got stuck," "I wasn't sitting down in my chair when the bell rang," "I ate too much," or "I forgot my book."

Then there are the ones that sound real good, but that is all. "I had to take my brothers and sisters to school," or "I had to work," or "I missed the bus or "I had to pay a ticket."

If you are dead or in an ambulance on the way to the

hospital dying, you may be excused tardy. But don't hold your

Morton In Littlefield Path To District Championship

Jerry Blakely isn't counting chickens. Roosevelt may be the road a few miles, but it's too early to say Morton is the concern is Morton.

and the District 3-AA championship. Morton, said Blakely, "so we're taking dead aim at them. If we win that, then we'll take dead aim at Roosevelt—but not until we beat Morton."

Littlefield was a game back of Floydada entering the game last week. Now, however, it could wind up in a four-way tie. To create this situation, Morton would have to beat Littlefield, Abernathy best Floydada and Lockney win over Friona.

This projection would leave the Wildcats, Floydada, Abernathy and Lockney tied for the championship.

LITTLEFIELD HAD to come up with its best defensive effort of the season to get the tie, said Blakely.

"We just played great defensively, but so did Floydada. They have a fine team. Offensively, we didn't play that bad; we played good enough to look outstanding against some people. But you have to play great against Floydada to score."

"Just before we got the ball the last time, we told our quarterback (Jay Trammell) to check with the officials to see about the first down count. We thought we were ahead two or three, but weren't sure."

"But we found out we were ahead 13-8 and felt if we could get one first down we'd run out the clock. But we didn't, they got

the ball and we were fortunate to hold them to one more first down before the game ended."

A STANDING ROOM ONLY crowd of 3,500 saw Littlefield's Ralph Funk carry the ball 40 times for 151 yards, but the league's top scorer with 126 points was held out of the end zone. Fullback Dennis Hartley carried 10 times for 50 yards.

Both were right at their season averages for rushing, as Funk pushed his yardage total for nine games to 1,417, a mean of 157.5 yards per contest. Hartley's total went to 451, or 50 per game. Both are rushing at the rate of about six yards per carry.

THE LITTLEFIELD PENETRATION came with five minutes left in the game when QB Trammell hit a 15-yard pass to End Larry Birkelbach, who went down at the Floydada 15. The Cats fumbled away that opportunity at the 7, but the tying penetration was safely tucked away.

Floydada's lone entry inside the Littlefield 20 came with less than four minutes until the half, when the 'Winds reached the Cat 9. A play later, a holding penalty moved the ball back to the 26 and the Wildcats held with great defensive

secondary play against Floydada's four straight pass attempts.

Littlefield was inside the Floydada 40 five times. The closest the Whirlwinds came, other than their penetration, was one effort that reached the Cat 34. Those two excursions, in fact, were the only times Floydada penetrated the Wildcat side of the 50-yard line.

"IT WAS A real headknocker. There were some fine hits by both sides. We thought Danny Estrada did a fine job defending opposite their big man in the line, Kim Rose, (6-4, 220-pound offensive guard)," said Blakely, who now has guided the Wildcats to a 7-2 mark in his first year, from a 1-9 ledger last fall.

"They got their penetration on a pass, which was ironic, since they have such a powerful running attack," said Floydada mentor L. G. Wilson, who has a 35-7 record for four years at the Mean Green helm.

"We felt our kids did a good job of containing them. They're a physically strong team and run right at you," he said.

AT THE SAME TIME the two leaders were battling, Abernathy kept its hopes bright by blanking Dimmitt 14-0, Friona bombed Morton 39-6, and Lockney outscored Olton 26-21.

Louis Lee scored four times, on runs of 22, 10, 7 and 1 yard, in the Friona triumph, although fullback Bill Bailey rushed for 148 yards without scoring.

Marlos May scored three times and rushed for 228 yards for Olton.

Bobby Rogers scored in the first period for Abernathy, then the Antelopes held the Dimmitt crew on the goal as the half expired.

SPADE HOMECOMING

Longhorns Split Pair

Football action Saturday night at the Longhorns won the girls game before a capacity crowd.

The highlights of the evening was the crowning of Debra McCoy as Homecoming Queen. Debra is the daughter of Mr. and Mrs. Gayle McCoy. She was crowned by Bonnie Thompson, 1970 Homecoming Queen. Bonnie's parents are Mr. and Mrs. Carl Thompson. Her court consisted of Bennie Mills the daughter of Mr. and Mrs. Bob Mills and Debbie Myers the daughter of Mr. and Mrs. Bob Myers. Toni Richardson was the flower girl during the coronation. Toni's parents are Mr. and Mrs. Johnny Richardson.

In the girls' action Saturday, Gayla Freeman took command and sparked the Spade feds to a 50-38 win over Adrian. Gayla sank 25 points during the game, missing only three shots. Debbie Myers followed by sinking 16 points for the winners.

Terry Hale paced the losers with 19 points and Brenda Martinez hit 17.

In other basketball action Saturday, the Spade boys bowed to Adrian, 46-39, in a see-saw game.

Both teams were tied 11-11 at the end of the first period and Spade trailed by only three points at the half. The third stanza was up and down as Spade tied Adrian and then fell behind several times before falling behind by six points at the end of the quarter. Adrian bucketed 10 points in the final period and Spade hit for nine before bowing to the visitors.

Gaylon Reed was high-point man for the Longhorns, sinking 14 points. David Gray made 13.

Tim Jobe and Ronny Wann were high for Adrian. Jobe connected for 16 and Wann hit 13.

Tuesday night the Spade feds made their season record 4-2 as they beat Christ the King at Lubbock, 43-28.

The girls trailed by two points at the end of the first quarter and squeaked past Christ the King by one point at the half to set the stage for the win.

Debbie Myers made 19 points for the winners and Gayla Freeman hit 15.

The losers were led by Debby Mosser who hit 20 of the 28 points made.

In boys' action Friday night, the Spade Longhorns were cold as they went down to Christ the King, 57-30.

The Longhorns connected nine of their 36 tries from the field and hit 12 out of 31 free throws.

Gaylon Reed was the high point man for Spade by sinking 12 points.

Ribordy hit 20 for the winners and Dessire hit for 18.

Spade travels to Bledsoe Saturday, Nov. 13, for more cage action.

JILL OWENS (14) goes up for a two-pointer in a home game with Lubbock Christian High School varsity. Pam Turvaville (11) helps by holding her mouth just right. The LHS junior varsity was edged out, 18-16.

Lubbock Varsity Edges JV Girls, 9th In Close One

Lubbock Christian High School's junior varsity girls edged out the Littlefield 9th graders, 20-16, here Tuesday evening.

Janice Gonzales and Shebra Johnson hit seven each for the home team. Defensive nods went to Rhonda Bean and Kay Wesley.

Littlefield's girls' junior varsity basketball team was nipped 18-16 by the Lubbock Christian High School varsity here Tuesday evening.

Jill Owens led the scoring with eight and Pam Turvaville added six. Barbara Kemp, Donna Bowman and LaQuinta Clark were lauded for a good defensive game.

Seventh, 8th and 9th graders play Muleshoe there at 4 p.m. Nov. 18. The next JV game is at Seagraves on Nov. 23.

WHAT A DIFFERENCE WINNING DOES MAKE

The difference between an 0-9 football season and a 7-2 is exactly \$1,677.25.

At least that's the monetary gain chalked up in the share of gate receipts for Littlefield after all but one game of the 1971 regular season.

Total for the year is \$7,330.75, an average of \$814 per game.

That compares with \$5,653.50, the total for nine games last year, an average of \$628 per game.

The Crosbyton, Levelland, Lockney, Olton and Dimmitt games were very near this year's average of \$814 per contest.

The Littlefield Homecoming game against Friona was above average with \$981.25 and last week's battle with Floydada saw each school receive \$1,501.10.

The below average games for gate receipts were with Slaton, \$304.68, and Abernathy, \$541.65.

RESULTS: Littlefield 9, Floydada 0; Abernathy 14, Dimmitt 0; Friona 39, Morton 6; Lockney 26, Olton 21.

SCHEDULE: Abernathy at Floydada, Dimmitt at Olton, Friona at Lockney, Littlefield at Morton.

WILDCAT FOOTBALL FANS come in all sizes, and these three sons of Littlefield coaches are learning the techniques early. They attended the pep rally Friday afternoon, and helped boost the Wildcats to a victory over the Floydada Whirlwinds. Shown, left to right, are Tim Boomer, 2-year-old son of Coach and Mrs. Lewis Boomer; Chris Carter and Shane Carter, 2 and 4-year-old sons of Coach and Mrs. Kenny Carter.

New Foes Scheduled In Cat '72 Roster

Next year's football schedule will show three new opponents and a differently organized district for the Littlefield Wildcats.

The Cats still will be in District 3-AA, along with Dimmitt, Friona, Morton and Olton.

The other members of this year's 3-AA, Floydada, Lockney and Abernathy, have been placed in 4-AA with Idalou, Ralls and Tulia.

Other members of this year's 4-AA, including Roosevelt, Slaton, Tahoka, Freship, Denver City and Post, will be joined by Cooper, up from Class A, to form 5-AA.

New opponents for the Wildcats next year will be Amarillo Alamo Catholic, which Littlefield will meet here in the 1972 opener on Sept. 8, Muleshoe and Roosevelt.

They replace Crosbyton, Lockney and Abernathy.

The new schedule gives Littlefield six home games in 1972, and with Alamo

their season opener, beating Plains, the 5-A champion, 38-6.

And they played well in the district opener against Abernathy, losing a 10-7 battle.

They reached a peak against Dimmitt, surprising the Bobcats with a 30-8 wallop.

"Morton has been down the past two weeks, but we have to prepare for them on the basis that they'll play like they did against Dimmitt and Abernathy," Blakely said.

Blakely said Morton's long suit is its offense and tremendous backfield speed.

From the wishbone, Morton runs a 10.1 halfback, 155-pound Larry Thompson, and another back, Elton Patton, who is almost that fast. Patton broke the opening kick-off against Abernathy, going 80 yards for a TD.

The quarterback, Keith Embry, is a four-year starter, and Wildcat fans may remember the running job he did against the Cats last year when Littlefield salvaged a 1-9 season with a 33-27 win.

"Morton's best football player is their fullback (Kevin Kuehler). He weighs 180 and hits the line quickly. On defense, he goes to tackle and is probably their top defensive player," Blakely said.

Another leader in the Morton defense is 195-pound tackle Tony Bramlett. The defensive secondary is led by Allan Joyce, a 165-pound senior.

THE WILDCATS came out of the narrow victory over Floydada with no serious injuries, although several starters have been slowed some by the normal bumps and bruises of two successive hard-fought games.

Offensively, the Cats will go with Trammell at quarterback, Funk at tailback, Hartley at fullback and J. E. Johnson, a junior, at flanker.

In the line will be Birkelbach and Larry Hobratch, a junior, at ends; Blevins and Rickey Sanchez, a junior, at tackles; McNeese and Pratt at guards; and Grisham at center.

Defensively, Littlefield will have six juniors in the starting line-up. Sanchez and Jerry Cox will be in the front four along with seniors Estrada and Grisham. At linebacker, Johnson, Lenearl Lewis and Bill Hamblin join senior Matt Giles.

In the secondary, junior Alan Mackey will be starting along with seniors Hartley and Carter.

Junior High Girls Drop Three Games

Littlefield 7th, 8th and 9th graders all dropped to Slaton Monday night.

Monica Phillips scored six and Rhonda Hollingshead got four for Littlefield 7th graders in their 20-12 loss. Vrondia Porter and Penny Sexton got defensive game honors.

Littlefield 8th graders fell to Slaton 30-21. Shelly Collins swished the nets for 11 and Lisa Garland added 6. Defensive standouts were Rachael Green, Debra Johnson and Carla Price.

The 9th graders tripped, 40-19. Janice Gonzales hit nine for Littlefield and Tomi Gardner made five. Defensive players were Mary Thompson and Liz Harlan.

Catholic agreeing to play here again in 1973, five home games in 1973.

AREA SERVICEMEN

RICHARD BUNDICK

Army Private Richard E. Bundick, son of Mrs. Nelda J. Cheshier of Littlefield, recently completed eight weeks of basic training at the U. S. Army Training Center, Infantry, Ft. Polk, La.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and Army history and traditions.

ROY ROBERTSON

Navy Fireman Roy L. Robertson, son of Mr. and Mrs. Roy S. Robertson of Route 1, Littlefield, has graduated from the Naval Submarine School at the Submarine Base in Groton, Conn.

He received two months of intensive instruction in the fundamentals of submarine operation and procedures.

DAVID DAVILA

Army Sergeant David Davila, 23, son of Mr. and Mrs. Domingo Davila of Littlefield is participating with more than 11,000 troops in exercise Reforger III in Germany.

He is a team leader in Company C, 2D Battalion, 16th Infantry of the 1st Infantry Division at Ft. Riley, Kan. His wife, Rosa, lives at 502 W. First.

The "Big Red One" division consists of three brigades. The 1st and 2nd Brigades are based at Ft. Riley and the 3rd Brigade is permanently stationed at Augsburg, Germany.

The men of the 1st and 2nd Brigades, with support units, flew to Germany to join the 3rd and move to the exercise area extending from Munich to near the Czechoslovakian border. Emphasis in the exercise was placed on testing procedures for receiving, assembling and

deploying Army units once they arrived, rather than on rapid air transport from the U.S.

In the field maneuver phase of the exercise, units of the 1st Infantry Division and the Canadian 4th Mechanized Battle Group engaged in simulated combat with the aggressor forces of the U.S. 1st Armored Division (regularly stationed in Germany) and the German 35th Panzer Grenadier Brigade.

Exercise Reforger III is the third annual operation in the series. The exercises are designed to fulfill U.S. commitments to NATO and those made in the 1967 trilateral agreement between the U.S., the United Kingdom and the Federal Republic of Germany.

(ED. NOTE: The movement to the exercise area began Sept. 26. Ft. Riley troops will return by the first week in Nov.)

9 out of 10 new Chryslers registered in the last 10 years are still on the road.

1962 Chrysler

That should tell you a lot about the cars we sell.

Every Chrysler Imperial is road-tested at the factory.

If our cars aren't right, we don't want you to have them. For example, every Imperial is put through a road test at the factory that includes over 100 different checks before it reaches you.

This year every Chrysler car offers a new optional electronic ignition system that does away with the points and condenser that can wear out. This helps keep the engine tuned longer. And a tuned engine means cleaner exhaust.

From our lowest-priced Chrysler Royal to our big, luxurious Imperial, Chrysler cars are built to last. The same is true of every Chrysler-engineered car we sell—Valiant, Duster, Cricket, Satellite and Fury.

We think that's the kind of car America wants. That's the kind of car we'd like to show you. Come see us today.

Whether you own a big or small car, pay a little or a lot, the one thing you don't need from a car is trouble. You want a car that will hold up. A car that's built to last.

Well, we're with you. Just look at this figure:

9 out of 10 new Chryslers registered in the last 10 years are still on the road.

This includes all the various owners, any kind of terrain, and numbers of miles. But every Chrysler is designed and built the way you want it—to last. So even if you won't be keeping a car for years and years, it's good to know you've got all that quality going for you in your first year as well as in later years.

Newport Royal 2-Door Hardtop

You gotta have heart. The quality of a Chrysler starts deep down in the heart of the car. That's where you've gotta have it. That's where you get it. With such time- and road-proven features as Chrysler's torsion-bar suspension and Torque-Flite automatic transmission. The rigid strength of unibody construction. And a 7-step dip-and-spray anti-rust process. Extra care like that is why so many Chryslers stay in great shape.

Coming through with the kind of dealer Americawants.

HUNDREDS of Wildcat fans whooped it up Friday in a pep rally in Wildcat gym, and the 'Cats fought tooth and nail to keep the Floydada Whirlwinds scoreless. Although the Whirlwinds held the 'Cats in front of the goal line, Littlefield won the game on first downs.

Journey To The Past

BY EVALYN SCOTT

(EDITOR'S NOTE: This is a story of the Mutt Hufstedlers of Amherst, as related by Norma Rae Phillips Hufstedler. Hufstedler's father spelled the name Hufstutler, but the name was later changed to the present name.)

H. J. "Mutt" Hufstedler came to Lamb County and made Amherst his home in 1930 from Manitou, Tillman County, Okla.

He is the son of Carrol Jefferson Hufstutler and Augusta Marie (Harris) Hufstutler, and had 10 sisters and one brother. When he was a youth, his parents moved in covered wagons from their former home in Lampasses County, to Oklahoma.

All of his grandparents were hardy pioneers and Indian fighters of Texas. Two were born in Texas before it became a Republic.

His father became ill before reaching Oklahoma, and died in December of that year, 1916.

For many years, the remainder of the family remained in Oklahoma. When most of the older sisters were married, Mrs. Hufstutler moved near her daughter to McKinney, Tex. Two other daughters went with her.

While in Oklahoma, Mutt met Iyona Margaret Miller who later became his wife. Iyona, was the daughter of Mary Frances (Godfrey) Miller and John Walter Miller who resided at Frederick, Okla.

Iyona was also from a family of twelve children—her parents, too, moved to Oklahoma in 1916. They came to Tillman County by train from Etowah County, Ala.

Iyona came to the Texas Plains in order to learn hair styling, after finishing school in Frederick. She learned her trade as beauty operator and received her license while living in Lubbock.

Mutt and Iyona were married in Portales, N. M. April 16, 1933 and made their home in Amherst.

Mutt worked as a service station manager and later as a grain elevator manager.

Iyona's father built her a beauty shop northwest of the downtown area, and she began to practice her trade.

As was the custom, the newly married couple were given a "chivaree" and for these occasions, the Amherst fire truck and many "volunteers" were used. They were driven downtown on the truck where the new couple could properly be welcomed to their new community.

On May 27, 1936 the first arrival to the family appeared. She was named Norma Rae Hufstedler. Iyona continued her profession until Norma was old enough to begin school. Norma remembers some early sketches of her childhood around the beauty shop.

The machine permanent wave. The machine was a tall apparatus with long cords hanging down, and on the ends a clamp-like vise was attached. When clamped on a special pad, in which the rolled hair was placed, would form a steam which would "set" the wave.

You not only received a head full of curls, but also a few scalp burns, too. A few years later, the new "machineless wave" came in to existence. The machine was gone, but the process was still the same steam method. Still one could get those scalp burns.

Today we have the "cold wave". The burns have at last vanished, but, what a smell. Oh well, what price, beauty.

In 1941 the Hufstedlers purchased a home in Northeast Amherst, only a few blocks from the school. They still reside there. Iyona had sold her shop and prepared to settle

down to more in matters such as PT mother and etc.

Mutt was a member of the Lion's Club, and the Baptist Church. Iyona, a time member of the church, was an active member.

church, taught a junior class, superintendent department, and served WMU, PTA, and various organizations, until that she returned profession as hair dresser.

On July 13, 1947, she once again was expanded the arrival of their son, M. Hufstedler. When was a year old, Amherst also celebrating day—25 years. Ron, another year-old young Guy Douglas Hufstedler, pictured in the local commerate the occasion.

Norma married Phillips, son of Millie Docia Phillips, Nov. Both were juniors in high school and finished their education following year.

When Ronnie was a tragedy struck. Mutt was with spinal meningitis.

For three weeks, no given for his recovery family kept constant bedside in Lubbock Hospital.

Churches held special services, friends came their hearts and helping overflowed with good things.

Then a miracle happened. Condition improved, going to live. A little later the man whom doctors thought would always "vegetable" was restored former self and healthy as able as he was before.

Judge Has Final Say On Quail Hunt Issue

Lamb County Judge G. T. Sides broke two tie votes in a commissioners' court meeting Monday with the result that again this year the setting of the quail season is under the jurisdiction of the commissioners' court and the hunting season is shorter than that proclaimed by the Texas Parks and Wildlife Commission.

Eight persons met with the court asking that the season be returned to the jurisdiction of the Texas Parks and Wildlife.

In a recent proclamation issued by TP&WL Commission, open season on quail was set at 76 days or from Dec. 1 through Feb. 15.

But this proclamation was subject to approval or disapproval by the com-

missioners' court, since the Lamb County quail season is regulated by the court through special legislation.

During the regular meeting Monday, Commissioner Jack Peel moved that Lamb County's quail season be set by the Texas Parks and Wildlife, and the motion was seconded by Hubert Dykes.

A. J. Spain and Buddy Free voted against Peel and Dykes.

Judge Sides broke the tie by voting "no" on the motion.

Then Spain moved to disapprove the Texas Parks and Wildlife proclamation on a 76-day quail hunting season, and Free seconded Spain's motion. Again the vote was tied, two for and two against, and

Judge Sides voted to disapprove the quail hunting proclamation.

Disapproval of the TP&WL proclamation means that the quail season in Lamb County reverts to the general law of 46 days hunting.

Thus the quail season in Lamb County will begin on Dec. 1 and extend through Jan. 15, rather than Feb. 15.

Mrs. E. E. Carter and Kenneth Largent, were on a jury panel called for Thursday. Teachers are no longer exempted from jury duty.

Mrs. Ray Lynn Britt, district clerk, was on hand to discuss the situation, which Supt. Jones said places the school with a problem of finding suitable substitute teachers.

"In some cases, like that of Mr. Largent, it is very hard, maybe impossible, to find a suitable substitute in his physics class," Jones said.

Mrs. Britt said she understood the problem, but that it is no longer possible for people to pick up the phone and be dismissed from jury duty.

"They must report, and of course, after that, the judge will decide if there is reason for a person to be dismissed," she said.

The question of pay for a teacher called to jury duty came up and the school board decided that such teachers would receive their normal salary, but that any money paid the teacher for jury duty go toward payment of the substitute teacher.

"I don't want to see a teacher penalized," said Streety, "but they also should not make a profit from jury duty. This way, there is no loss, no profit."

Troop 638 Attends Camp Out

Troop No. 638 camped out at White's Ranch November 6 and 7. Those attending were: Randy Whitson and Kenneth Harrell, Scoutmasters; Connie Black, Gary Parson, Ken Turner, Steve Jackson, Stan Jackson, Mike Williams, Felix Klein, Jim Bob Harris, Chuck Russell, John Richey, and Ricky Bennett.

Steve Jackson, Stan Jackson, and Mike Williams hiked into the camp site to pass part of the first class rank. Connie Black passed his cooking for first class.

The troop held a camp fire with Troop No. 102 and their Scoutmaster, Stan Harrell from Lubbock. The troops presented skits and sang songs. Ricky Bennett was master of ceremonies.

A church service was held Sunday morning. Mike Williams was song leader and Jim Bob Harris and Ricky Bennett gave devotionals.

DISCUSSING the lunchroom, Secretary Sid Hopping said an additional \$5,000 would be needed in the lunchroom operation. The board previously had authorized \$3,000 to subsidize the lunchroom.

He said there was \$6,420 in unpaid lunchroom bills, and that the school would be \$5,000 short in meeting these debts.

"We have approximately \$5,800 due us from the state," the secretary said, "but these bills have to be paid before that arrives."

The board agreed and authorized transfer of the money.

Trustees asked, however, for a report next month on the details of the lunchroom operation, including figures for the number of free lunches given.

Sec. Hopping said he felt the total of \$8,000 now added to the lunchroom funds should take care of the balance of the year.

"Of the \$8,000 we should recover about \$6,000 from the state," he said. That would make the year's subsidy total \$2,000.

Last year, the secretary said, the board authorized \$3,000 additional lunchroom money and \$2,000 was paid back, making the subsidy \$1,000.

The figures are higher this year for several reasons, he said. "We aren't taking in as much money, our grocery bills are a little higher, and salaries are up a little, too."

TWO NEW buses which will be ordered by the school this year will be the 48-passenger size, the board decided. The cost will be around \$12,000, within the budgeted amount.

The buses should arrive about six months after the date of order, Supt. Jones said.

Named to the school textbook committee were Paul I. Jones, chairman; Mrs. Lou Driskill, Beryl Harris, Harry Ford, Daphne Smith, Tommy Brawley, Ruby Reid, Nancy French, Raymond Roycroft, Jack Christian, Virginia Chambers, James Settle, Annie Ray, Nettie Hilburn, Forrest Martin, Marjorie Richey, and Johnnie Carl.

Chamber Board Of Directors Plans Election, Membership Drive

The board of directors of the Littlefield Chamber of Commerce met Tuesday at the Crescent House Restaurant to discuss several items of business.

Taking top billing at the meeting were the coming membership drive and the election of new members to the board of directors.

Members also discussed the new membership plaques, the Christmas program in the city, the community club and organization sign, the 1972 program of work and chairmanship, and the Annual Chamber of Commerce Banquet.

The directors were informed that approximately 250 prospect cards have been prepared for the upcoming membership drive, to begin as soon as a chairman is named.

The ballot for the election of four new members of the board of directors will be mailed Monday to members, and should be

returned to the Chamber of Commerce office no later than 12 noon Wednesday, Nov. 24.

The 12 nominees on the ballot are Otis Bennett, Ernest Connell, Rev. David Hamblin, J. L. Marcum, John McAnally, Ralph Mendez, Nelson Naylor, Bette Smith, Cliff Smith, Jerry Tunnell, Dr. Craig Wallace and Doyle Winfield.

Membership plaques were discussed, but no decision was made.

The board directed the staff to prepare ledger cards on businesses, and suggested that each business be contacted for donations toward Christmas decorating on an annual basis. Another suggestion was that each business donate 50 cents per store front foot.

The staff was authorized to use whatever funds that were necessary for the 1971 Christmas program, out of the Contingency Fund 2.

The staff informed the board that there are approximately 12 organizations that

wish to place their time and meeting places on signs which will be placed at the edge of town. Byron Ford's Industrial Arts Class is working on the design and is figuring the cost of constructing the sign.

Doyle Patton, president elect of the board, was appointed as chairman of the 1972 program of work committee.

The staff was directed to contact each club and organization in the community and ask for nominations for the "Woman of the Year" and "Citizen of the Year", to be recognized at the annual Chamber of Commerce Banquet Jan. 29.

All nominations for the honor are to be someone who has done an outstanding job in civic work within the city. A committee will be appointed to select the recipients of the awards from the nominees.

Don Avery, banquet chairman, was directed to take care of arrangements for the banquet. Price of the tickets were set at \$4 each.

GARDEN CLUB members give their attention to Mrs. W. M. Alexander of Anton as she demonstrates dried material and its use in flower arrangements. The club met Tuesday afternoon in the Reddy Room of Southwestern Public Service Co.

Charles Massegee Brings Message At Olton Church

OLTON—Charles Massegee, minister, is delivering "a new message for a new day" at the First Baptist Church in Olton that began Nov. 8 and goes through Nov. 14.

The messages are being brought at 10 a.m. and 7:30 p.m. Bob Gabriel of Houston is leading the song services.

Rev. John E. Lewis, pastor, extends a cordial invitation to everyone to attend any or all of the services. Massegee ministers to thousands of teenagers and college students each year.

Questionnaires To Be Returned

A notation from the Veteran's Administration office in the Lamb County Courthouse states that this is the time of year when veterans, widows and dependent parents will receive a questionnaire with this month's check.

DO NOT throw these questionnaires away, as they must be filled out and sent back to the office in order to receive checks in January.

The VA office will be open until 5 p.m. each afternoon during November to assist in filling out the questionnaires.
