

LHS Homecoming slated Thursday

COUNTY JUDGE Ruth Forbis and Mayor J. E. Chisholm examine proclamations they signed Thursday morning designating Saturday, Oct. 2, as "Health Fair Day" in Littlefield and Lamb County. The fair will reach as many persons as possible with information and screening for

blood pressure, Sickle Cell Anemia and Diabetes, as well as providing exhibits in several health-related areas. The Family Living Committee, and County Extension office are sponsoring the fair which is set from 10 a.m. to 6 p.m. in the Lamb County Ag and Community Center. [Staff Photo]

The 1976-'77 Littlefield High School homecoming parade and bonfire have been scheduled for Thursday, Sept. 30.

The parade will assemble on the Santa Fe depot lot and begin down Phelps Avenue at 7:30 p.m., then break up on the south side of the courthouse.

Theme for this year's parade is "Wildcat Ways", and is to feature the Wildcat Band, the football homecoming queen candidates, and various decorated floats and cars.

A bonfire is set for 8:15 p.m. in the parking lot at Wildcat Stadium, following the parade.

Free Health Fair slated Saturday

"Are you interested in a career in the field of health?" asks Mrs. Dorothy Powell, Lamb County Extension Agent. "If so, the Health Fair will give you an opportunity to visit with people who work in all phases of the health profession. We hope you will come and visit with them."

The Health Fair will be held from 10 a.m. to 6 p.m. Saturday, Oct. 2, in the Lamb County Agriculture and Community Building, 17th Street and Hall Avenue in Littlefield.

Area residents are invited to take advantage of the free screenings which will be conducted for diabetes, and sickle cell anemia. You can also have your blood pressure checked free of charge.

Educational exhibits will be set up on care of the teeth, cancer, heart disease, drugs, lung disease, arthritis and emergency medical service. A special demonstration will include the use of a braille typewriter and other devices to assist blind people.

A film festival will be included and will run throughout the day.

Agencies cooperating include: March of Dimes, Myasthenia Gravis, Heart Association, Littlefield Police, City of Littlefield, Early Risers Lions Club, Texas State Department of Health, Resources Expanded Nutrition, Commission for the Blind, Cancer Society, Family Planning, Hospital Auxiliary, Red Cross, Arthritis Foundation, American Lung Association and Cystic Fibrosis.

Expelled S-E boys are back in school

The 10 students of Springlake-Earth High School who were expelled last Wednesday, were back in school Monday morning for classes.

All but one returned to school with their hair trimmed to the specifications of the school dress code, and he was sent back home. He later returned with his hair trimmed to meet specifications.

High School Principal Bob May, Mr. Conklin and Melvin Chisum measured their hair to check on their meeting specifications.

The boys were to resume where they left off, and ball players will be qualified to play if their grades permit.

ROBERT POWERS

Robert Powers to head March of Dimes

Robert Powers of Littlefield has been appointed Lamb County Campaign Chairman for the March of Dimes, according to Dr. James Shotwell, chairman of the Lamb County Chapter of the March of Dimes.

"The March of Dimes formerly worked and conquered polio, and now works on conquering birth

defects and hereditary diseases," Powers emphasized.

Powers will be going to Dallas today through Tuesday for a training conference.

The Lamb County Crusade will be conducted in the near future, with the date to be announced later. Workers are needed locally to help with patient services, and persons

interested are asked to contact Dr. Shotwell.

Powers is a member of the Early Risers Lions Club, and is past secretary of that organization. He has participated in many Lion fund-raising activities.

He is employed as a conservationist with the Soil Conservation Service.

Community-owned hospital recommended

Darrell Reeves, a representative of Hospital Affiliates International, told the Lamb County Hospital Authority Thursday night that Littlefield should build a community owned hospital.

Reeves said a community owned hospital could be in operation in 13 to 15 months after the hospital authority gave HAI the word to proceed.

Under the AFI plan, both hospitals would close when the new facility opened. AFI would manage the community-owned hospital. No taxes would be involved. The funds would be raised through revenue bonds.

Reeves explained that by having

a community-owned hospital that the costs to patients would be much less than if a new privately owned facility were built. The community would support the publicly owned hospital much more than it would a privately owned hospital, according to Reeves.

Reeves estimated that Littlefield would need a 60-72 bed hospital now and recommended that it be built so that additional rooms could be added as Littlefield grows.

The hospital authority unanimously voted to hear a detailed financial report on the proposed hospital from HAI. The meeting will be held in about two weeks.

'Cats fall to Lockney in heartbreaker, 18-14

By JERRY TIDWELL

Now you have it, now you don't was the name of the game Friday night as the Littlefield Wildcats lost a heartbreaker to Lockney by an 18-14 tune.

Lockney was the perfect host for the first 45 minutes and 54 seconds

of the contest. The Wildcats led all the way up until Longhorn Clint Riddley rambed 14 yards for what proved to be the winning score with only 2 minutes and 6 seconds left in the game. That gave Lockney an 18-14 advantage, but until the closing seconds it looked as if the hosts might turn hospitable again and hand the victory back to the 'Cats.

With only 31 ticks left on the clock, Ralph Mendez neatly snagged a pass from Rudy Ayala to give Littlefield an apparent lead. But the Wildcats were found guilty of offense pass interference on the play and the score was rubbed out.

The Wildcats turned the ball over on the next play and the Longhorns ran out the clock to record their third victory against only a single loss. Littlefield's record fell to 0-3.

FIRST QUARTER

The first quarter saw the two teams jockey for field position. The Wildcats punted twice and Lockney once, but neither team

Ed Hart Memorial dedicated at Anton

ANTON— A memorial to Ed M. Hart, one of the founders of Anton, was unveiled Friday afternoon in a dedication program.

Ed M. Hart, "Mr. Anton" came to Anton on Thanksgiving Day 1924 with R. F. Duggan of Dallas, who promoted the town. They tagged all of the lot sites and prepared for opening day.

Dec. 3, 1924 was a cold, sandy day when about 800 people lined up behind a barbed wire fence by the railroad tracks until the gate was opened. The buyers tagged the lot they wanted and went to the townsite office to pay for it.

Hart saw Anton grow from open prairie to the three-lined streets and brick homes of 1976. He took part in every worthwhile activity in Anton. He was a charter member and president of the Anton Lions Club.

He and his wife, Virginia, had two children, Eddie of Mesa, Ariz., and Mrs. Bettie Herrin of Anton. They have three grandchildren, Mrs. Ricki Fisher, Randy, and Nancy, all of Anton; and one great-grandchild, Brandon Fisher.

Mrs. Herrin is counselor for Littlefield High School. One of the favorite festivities in Anton for many years was an open house hosted by Ed and Virginia Hart at Christmas. People from far and wide came to enjoy the warmth and hospitality of their home.

Friends and neighbors contri-

buted the funds to purchase the marker that was placed in the Anton City Park Friday. Clarence Matthews, Levelland, long-time friend of Ed Hart gave the dedicatory remarks. Orval Williams introduced Matthews.

The marker has an engraved bust of Ed M. Hart, 1898-1974, and the statement, "Who dedicated his personal life and devoted

his professional skills for 50 years to the community of Anton, Texas. He gave so much and asked to so little."

The marker faces a beautiful memorial rose garden that has been a project of Mrs. Hart with the help of Mrs. Mary E. Grace and Mrs. W. M. Alexander. The rose garden has an abundance of roses of many colors and a decorative rock path in the center.

A BRONZE PLAQUE was dedicated Friday to the memory of Ed M. Hart, known to Anton citizens as "Mr. Anton". It now stands near the Memorial Rose Garden inside the Spade Circle in Anton. Unveiling the plaque was Clarence Matthews of Levelland, right, as

members of the Hart family and hundreds of friends watched the procedure. Standing to the left is Hart's daughter, Mrs. Bettie Herrin; to the right of the plaque is Hart's widow, Virginia Hart; and his son, Eddie Hart of Mesa, Ariz. [Staff Photo]

Alpha Lambda Zeta
Beta Sigma Phi
Littlefield, Tx.

An open letter to all civic, church, school and social organizations in Lamb County:

The Alpha Lambda Zeta chapter of Beta Sigma Phi is sponsoring a rollicking, frolicking, fun-filled Hallowe'en Carnival on Oct. 30 from 6 till 10 p.m. at the Lamb County Agricultural and Community Center on Hall Avenue in Littlefield.

"The observance of Hallowe'en, or All-hallow Eve, is a tradition handed down from the druids, who celebrated their harvest festival on the last day of October. The next day was All-hallows, or All Saints' Day, and so they called the festival All-Hallowe'en."

The success of the Lamb County Hallowe'en festival depends not upon druids but upon your effort, co-operation and involvement!! The children of our community will bring their imagination, their zest for merriment and their unflinching fund of good humor to the carnival. It is up to us, the organizations and

interested groups of Lamb County, to meet them with equal enthusiasm and to provide them with a supervised night of entertainment.

Besides adding a thrilling supernatural night of delight to the memories of little witches, goblins and good-fairies, the Hallowe'en Carnival will enable your organization to raise funds to supplement your treasury. The carnival is not only for the youngsters but for the young-at-heart as well!

So plan a "bobbing for apples" or a costume contest, bingo or "fish pond," a "Haunted House," "cake walk" or fortune teller's booth.

Come up with something fun, original and profitable for your organization or group and let's make Saturday, Oct. 30 a "red-letter" day in Lamb County! Alpha Lambda Zeta will host a refreshment stand with goodies for hungry goblins.

Booth sections can be leased in advance for \$10 from Alpha Lambda Zeta. You may set up Friday or Saturday and your group will be responsible for cleaning its lot after the carnival. The deadline for reserving space is Saturday, Oct. 23, so make your plans now.

If you are interested in participating, send a check or money order for \$10 per space, along with booth description to:

Alpha Lambda Zeta

Amherst, Texas 79312

or to:
Alpha Lambda Zeta
c/o Ruan Richardson
606 E. 12th St.

A Woman's View

By Pearl Brandon

A FEW YEARS ago a lot was heard about "happiness is."

Happiness, to me, comes in many different forms. It may be a beautiful clear morning with the green grass and flowers covered with dew, or it may be a quiet evening with a beautiful sunset.

It may be a cold, rainy day when we turn on the fire and read or sit quietly and enjoy the family-feeling thankful to God for all His blessings.

HAPPINESS can even be in times of great sorrow and your heart is aching fit to burst when friends come bringing in great bowls of food and offering loving prayers for you. It can be when great heaps of flowers surround and cover the coffin of a loved one when the preachers say words of comfort and the singers sing your own beloved humns.

Happiness is being a mother and watching sons grow tall into fine young men and your daughters into beautiful young ladies.

It is wonderful to grow old even when you can't get around as well as you used to.

It is happiness to be "Granny" and have the confidence of your grandchildren.

SOME OF the most happy times of my life were when my grandchildren told me, "Granny, I have received Christ in my heart."

Then, too, as we grow older—having gone through many hardships—we grow closer to God and feel His presence all the time.

Life is good here on earth and we cling to it as long as we can, but

the real happiness will come when we cross over the river of death into that glorious Holy land which is called Eternal Life.

A POEM came out in the "Guidepost" this month, written by a man, James D. Smith, who is serving time in the U.S. penitentiary at Leavenworth, Kans., which I thought you might enjoy.

The title is "Hands."
Hands express many things
Sorrow, gladness, fear,
Hands can push someone away,
Or hold them very near.

Hands can create beautiful things
And some hands can destroy
Hands can spank a naughty child,
Or mend his broken toy.

But there's another use for hands,
Which everyone can afford.
And that's when you reach out and say,
"Take my hand, please Lord."

HAPPINESS is really living from day to day in our own little place in life and trusting in the Lord all the time.

Lately, when I have been sick so much and problems come up I say, "I'm just going to turn this problem over to the Lord and trust in him."

It is surprising how many things come out right—the way I would like for them to.

With David I say, "Praise the Lord all ye people, praise ye the Lord."

SECOND QUARTER
Lockney punted to the Wildcat 23 on the first play of the second period. Littlefield quarterback Rudy Ayala gained four yards on a sneak.

On the next play Rudolph Smith split wide to the left and Bradley Allen flanked to the left. Ayala threw a perfect bomb to the sure-handed Smith and he legged in to complete the 73 yard scoring play. Ralph Mendez toed the PAT through the crossbars and Littlefield led 7-0 with 11:06 to go in the half.

Following an exchange of interceptions, the Longhorns began to march from their own 15. On the first play Glen Lane zigged and zagged 42 yards to the 'Cats 43.

Riddley carried for a 20 yard game. Smith's tackle saved a touchdown. Then on fourth and one, Riddley gained three and 'Horns had first and goal from the nine.

Three plays gained eight yards and on fourth down Lockney needed to make only inches for the touchdown. Rodriguez got the call and he was met by the entire Wildcat line for no gain.

Littlefield's brilliant goal-line stand had preserved the lead. But Lockney also had a trick up their sleeve.

Three quarterback sneaks by Ayala wedged the ball out to the fourth yard line. On fourth down Ayala went into deep punt formation. He took the snap near the back line of the end-zone. Longhorn defenders poured through and blocked the kick.

Earlee Mathis fell on the ball for the touchdown and Lockney trailed by only a single point. The Longhorns shunned going for the tie and instead went for the lead with a two-point conversion attempt. Lane's pass was intercepted by Ayala and Littlefield maintained its 7-6 lead.

THIRD QUARTER
The third quarter was scoreless. The Wildcats were forced to punt three times in the quarter. Lockney punted once and gave up two interceptions. Jeff Ratliff picked off the second interception at the Wildcat 46.

On the final play of the quarter and the first play of the drive, Ayala scampered 19 yards on a keeper.

FOURTH QUARTER
The Wildcats needed eight plays to drive to the 'Horn 16. Ayala then lofted a perfect pass to the leaping Mendez in the endzone with 8:35 left in the game. Mendez kicked the EP and the 'Cats were ahead 14-6.

The 'Horns then stamped the length of the field in only two plays. Lane hit Allen Sterling with a pass that gained 42 yards to the Littlefield 35. Rodriguez then went around right end, slipped a tackle at the 20 and scored the TD.

Lockney went for the two point conversion but Lane was downed by Terry Foley and David Jones and Littlefield still led by a 14-12 count with 8:05 to go.

Littlefield fumbled the ball away on the kickoff and Lockney went to work on the 33. Two running plays gained a first down on the 23 and the 'Cats were in deep trouble.

On first down Lane fumbled the snap and recovered for no gain. Clark tried left end and ran into Blake Wood, Ronnie Milligan and Jeff Ratliff and lost a yard. Clark then tried to go around right end

thousandths, for your smaller measurements. Then like-wise multiply by tens, hundreds, or thousands, for your longer measurements. Thus, you travel the full distance from millimeters to kilometers in the measure of length, width, or thicknesses. Simple??

NOW YOU'RE ready to start training your mind to the idea of thinking in these terms, rather than inches, feet, yards, and miles. (That is, if it hasn't already cracked up, or blown a circuit!)

If I sound confused, it's because I am, but just wait 'til you get into capacities, displacements, volume, and vacuum. The poor ol' mechanic doesn't have a chance!

and lost four on David tackle.

On fourth down and the faded back but was chased the pocket by Lewis Willey headed up field with Willey pursuit. Willey nailed the quarterback short of the end and the Wildcats were in with only 5:45 left.

Three running plays seven yards and then Ayala scored on a run around the end and Lockney had the lead first time with only 2:06 left.

Lane dumped a pass to the right side for a first down 14. On the next play Rodriguez scored on a run around the end and Lockney had the lead first time with only 2:06 left.

Rodriguez was tackled at the goal on the conversion and score remained 18-14.

Littlefield couldn't handle on the kickoff and set up shop on their own 14. Rodriguez passed incomplete before thrown for a seven yard gain. 'Horn Gregg Taylor. On the down Ayala's pass was just the reach of Allen.

On fourth down with 17 seconds for the first on their own 14 Wildcats mixed a punt and for the first down. Ayala punted Mendez at the 42 was over but a pass interference penalty gave Littlefield a first down new life.

Smith caught passes of 13 yards from Ayala to move Wildcats to the 31. Ayala punted for three yards before Mendez in the end-zone for apparent winning TD on the play. It went for naught when offensive pass interference penalty rubbed out the score and the ball back to the 23. Ayala rushed hard on the next play fumbled. The 'Horns recovered and then ran out the lock.

The Wildcats host Florida the Homecoming game Friday night at 7:30. The Quarter Club will review the Lockney and hear a scouting report on Whirlwinds in their meeting 7:30 p.m. Tuesday in the Room.

OBITUARIES

JIMMIE W. JAMES

Services for Jimmie Wayne James 46, of Paducah were conducted in the First Baptist Church of Paducah Saturday afternoon with Rev. Herman Lancaster, pastor, officiating.

TODAY'S THOUGHT

We all have emotions whether we are emotional or not. Love, hate, trust, pride, fear, resentment, sympathy, laughter, joy, sorrow and anger are only some of our emotions.

At times, because of restrained inner emotion, we try not to show outer emotion.

For example, we can and should say words of kindness; we can and should express our love to loved ones. At times, because of shyness or pride, the words are not said.

Pride or stubbornness, for example, break up homes when kind words could avoid it. In times of bereavement, kind words are often said but the words can not be heard by the one for whom the words would have meant a lot.

We can and should express affection when affection exists. Fancy words are not needed. Some people say they don't have to say such things because the loved one knows it anyway. Maybe so. Maybe not. Why risk it?

We should never be reluctant or refuse to say the nice to hear things. We deepen our own sorrow when the words are said too late. That sort of sorrow is a hard to dispel emotion of our own making.

By CORNBALL BLEVINS

DID I TELL YOU that old gossips never die? They just lose their sense of rumor.

WELL, SO NOW you have all the answers. If, that is, you heard the debate between Mr. Carter and Mr. Ford. As of now, there shouldn't be any question to the problem of making up your mind as to who will be the best president for this country.

The only problem about the whole situation, however, BOTH SIDES WON! If you don't believe that, just ask any backer of either man.

WHICH GOES TO say, that, if you were confused before, you're still in that same shape. On the other hand, if you're like a fellow I heard today, you can still say: "I don't care what they say, I'm a -----, and that's the way I'm gonna vote!"

Kirby-Pace wedding vows read

Double-ring wedding vows were exchanged between Leigh Kirby and John Ansel Pace, both of Littlefield, Saturday evening, Sept. 18 in the First United Methodist Chapel in Littlefield.

Parents of the bride are Mr. and Mrs. Jerome W. Kirby of Littlefield.

The groom's parents are Mr. and Mrs. Ronald Pace of Littlefield.

Rev. Wesley Daniel, pastor of the church, officiated for the reading of the vows as the couple stood at the altar.

As Jerry Kirby presented his daughter for marriage, she wore a floor-length ivory gown of Tudor Princess design, and carried a bouquet of daisies.

Rose Mary Phillips of Littlefield was her maid of honor and Gary Pace of Littlefield, brother of the groom, served as best man.

The "Wedding Song" was played by Chris Bradley of Littlefield.

A small family reception was served following the wedding in the bride's home.

They will reside on Highway 385.

The bride is a senior in Littlefield High School and is employed part-time at The Gallery.

The groom attended Littlefield High School and is now an employe of R&W Supply of Littlefield.

Basic furniture repair course set at SPC

The basic techniques of repairing and refinishing furniture will be offered next week in a community service short course at South Plains College in Levelland.

"Furniture Refinishing," a 10-week course, will meet from 7 to 10 p.m. Mondays, starting Sept. 27. Bill Richards, associate professor of machine shop and chairman of the occupational training division at SPC, will be instructor. Cost is \$25 a person.

Richards will discuss basic refinishing materials, such as natural oil finishes and commercial finishes, including shellacs, varnishes and lacquers.

Oil staining, paints as a finish, removal of the old finish and preparation of the wood surface for a new finish, also will be emphasized.

Richards also will stress the importance of repairing furniture, such as regluing joints, replacement of missing parts and stripping off the old finish.

Students should bring a lightweight, portable piece of furniture to work with, Richards said. "It also will be to the students' advantage to furnish most of their own materials," he added.

Part of the classtime will be devoted to special problems encountered by students in their refinishing projects," he said.

The refinishing class is being offered through the

SPC Division of Continuing Education. Interests may register at the Continuing Education Office located in the Technical Arts Center, 894-4921 for more information.

Sautell brothers in Little Britches

Chris DeSautell and his brother, John, were winners in the recent Little Britches Association at Lubbock. Chris, 17, won the senior division of bull riding while John, 15, won the division of the same name. The brothers won cash for their champion performances, which the Little Britches circuit for the season. John won his division score of 63 while Chris posted a 67. In bull riding, the contestants stay on the horse for eight seconds to

qualify for the event. Two judges score both the stock and the rider on a 0-50 basis. The two scores are then added for the final tally. Although 100 is the highest score possible in the event, both Cliff and Chris say it's very hard to even score in the 90s. Cliff has been rodeoing for three years, but Chris has been active in the sport for eight years. Chris also participates in bareback riding and is a rodeo clown too.

The brothers are the sons of Mr. and Mrs. Warner DeSautell of Rt. 2, Slaton.

Cliff is a senior and Chris is a junior at Slaton High School.

Arts-Crafts Festival slated in Plainview

The second annual Running Water Draw Arts and Crafts Festival will begin Friday, Oct. 15 at the Hale County Agricultural Center in Plainview.

The festival, featuring 100 booths with 97 artists and craftsmen from the tri-state area, will open at 10 a.m. Friday morning.

Opening time for the festival Saturday will again be 10 a.m., and closing time for both days is 9 p.m.

Sunday hours will be 12 noon to 5 p.m. Admission prices are \$1 for adults and 25 cents for students daily.

The second annual festival is again co-sponsored

by the Llano Estacado Museum and the Plainview Rotary Club and promises to be as successful as the first festival.

The festival, rapidly becoming a Plainview tradition, involves many of the finest artists in the area, with a wide range of prices for visitors interested in buying Christmas gifts early this year.

Noted artists displaying oil and watercolor include Ruth Barnett, Marie Stalcup, and Deane White of Hale Center; Marguerite Butler, Peg Noel, Harold D. Paxton, Patsy Payne, Mr. and Mrs. W. M. Sisemore,

and Suzanne Teykl of Plainview; Melba Mabry and Sandra Lange of Lubbock; Ted Bell and Penny Gollightly of Floydada; and John Birdsong, William Hughes, Michael Clayton McCullough and Justin Wells of Amarillo.

Visitors to the festival will find the metal and bronze sculpture of such artists as Pam Trotter of Hereford and Paul Wylie of Levelland, and the pottery of R. J. Delwaide of Arlington, Lisa Mosley of Lockney and Tommy Eaton of Lubbock.

Of special interest to festival visitors will be the

"rock babies" of Frances Flaherty of Happy, the paper quilling of Kay Fleming of Lubbock, and the carved birds of Irad Arnold of Tucumcari, the silhouettes of Paul Hoyte of Truth or Consequences, the Faberge eggs of Jane Skaggs of Whitewright, and the dulcimers of Stinson Behlen of

Slaton. With the art and craft-work of these and many other artists, as well as entertainment by Ballet Folklorico and other dance groups, the festival will offer opportunities for visitors to enjoy and begin or add to their collections of original work.

County Library qualifies for TSL membership

The Lamb County Library is among 24 libraries in the 29 counties served by the Lubbock Area Library System that have qualified for system membership in the year that began Sept. 1.

The system will receive a grant of \$266,756 to carry out programs to improve library service in the area.

Ten regional systems have been organized under provisions of the Texas Library Systems Act that is administered by the Texas State Library. Funds are available to the systems to carry out cooperative activities to improve library service to users of system member libraries.

Like other systems, the Lubbock Area Library System is developing service programs particularly suited to the library needs of its region. These include special consultant services to libraries, books-by-mail for residents of the five counties that have no library service, collection development, and purchase and circulation of films and filmstrip-cassettes.

Lubbock City-County Library serves as the Major Resource Center for the system.

The High Plains Bookmobile which operates out of Muleshoe and serves a four-county area is a unique member of the state system.

Members of the Advisory Council, a six-person group elected by representatives of each library in the system, are Barbara Fine, Monahans; Mrs. Tommy Hicks, Brownfield; Shirley Igo, Plainview; Mrs. John H. Redfern, Midland; Greely Sanders, Slaton; and Nona Szenasi, Odessa. Composed of interested citizens, this council advises in the development of the system program.

Mrs. Frances C. Williams, director of the Midland County Public Library, serves as a member of the five-member Advisory Board that advises the State Library in the development of the ten state systems.

A COMBINATION RECEPTION this afternoon from 2:30 to 4:30 in the Fellowship Parkview Baptist Church will honor Rev. and Mrs. A. M. Averett, right and left, mother, Mrs. Maude Averett of Olney, who is celebrating her 91st birthday. The also marks the first anniversary of Rev. Averett's pastorate at Parkview. They have several relatives in Littlefield, and all relatives, friends and church members invited to attend the reception. [Staff Photo]

Littlefield Woman's Club opens year with luncheon

Littlefield Womans opened its new year luncheon at the Wash Inn for the executive committee. Special was Mrs. Jack Akin, Caprock district president, Denver City. The club had its meeting at the Pioneer Gas Flame Room. Meeting was called to order by the new president, B. C. Rogers. New members were introduced. Mrs. Jack Wicker presented the new year books. Special guest was Mrs. Akin. Caprock district president from Denver who Mrs. T. L. Dunbar introduced in a clever way spelling out her name. It went as follows: "Hands up" a program we must do the next two year. It will be a familiar action-just listen to achievements, she is president. zealous is the right for this lady, we have and joy in her.

E—eager for every club woman in Caprock district to share in her project-Girlstown, U.S.A.
 L—long live Federation. Her theme- Volunteer with Vision- Action with Goals will prove to us her heart is in Federated Clubs.
 A—another thing for us to remember is that our new state president, Mrs. Robert Tipps, is from our speaker's home town, Denver City.
 K—kept us waiting to hear about her family, she and her husband have a daughter, Jackie, a graduate of Texas Tech. She is a registered pharmacist and owns a drug store.
 I—in the future 1976-77, she will be an administrator we will remember.
 N—never can forget this Federation Day in Littlefield, Texas, when Hazel Aikin Caprock district president presents our required Federation Program.
 Mrs. Akin first brought greetings from the General Federation president, Mrs.

Harry Wagner, whose theme is: "Arise! Activate Dreams."
 The speaker reminded that Federation started with study clubs learning from each other. Clubs provide millions of dollars in scholarships. A great number of the libraries in our nation were started by Woman's Clubs.
 Listed are some of the achievements of Federated Clubs:
 1. In 1907 we helped distribute the first Christmas Seals.
 2. We always work for continuing education.
 3. We are active in community improvements and civic endeavors.
 4. We work with safety drivers education and helped introduce safety belts in 1960.
 5. Night lights are another project.
 6. We believe in the American Way. In 1955 the Federated Clubs of America re-vamped the first floor of Independence Hall at a cost of \$200,000.

MRS. JACK M. AKIN
 7. We work for good roads and in 1955 helped secure reflectors.
 8. In 1950-51 we worked for Juvenile Courts for Justice.
 9. In 1904 we worked to save the Alamo.
 10. We helped to secure Sam Houston's home.
 11. We helped with the first resolution for Palo Duro Canyon.
 12. The Big Thicket is also our project.
 Mrs. Akin reminded members that the theme of the state president, Mrs. Tipps, is "Out of Our Dreams We Join Hands in Action." She left this thought, "Hands Up- Help Stop Crime."
 The Club Collect was led by Mrs. Harry Phelps.
 Hostesses were: Mrs. C. A. Duval, chairman, Mrs. H. C. Randall, Mrs. Roy Hicks, Mrs. Otto Jones, Mrs. Pat Boone Sr., and Mrs. G. M. Nickelson.

Pep get-together is well attended

By IDA SIMNACHER
 PEP—The community get-together and first meeting of the year for Pep P-TA was well attended Friday, Sept. 17.
 All the teachers, school employees and their families and a good representation of the entire community attended.
 The theme, "New Spirit of '76, the P-TA Dream" was displayed behind the main table.
 The first meeting of the P-TA was conducted by

President, Mrs. Max Demel. The group was led in prayer by G. O. Smith.
 Colors were presented by the Junior Girl Scout Troop 210 and Cadet Troop 315. Lisa Kester led the group in pledges.
 Mrs. Gary Skaggs, secretary, read the minutes and they were approved. Treasurer's report was given by Mrs. Raymond Marek.
 Membership chairman, L. V. Hague reported that 83 members had been signed for 1976-77. He thanked all who helped sign up members.
 Mrs. Carroll Bowen, project chairman reported the project selected was to help

buy books for the school library.
 Members attending the South Plains Area Council meeting in Springlake-Earth, Sept. 14, were president, Mrs. Max Demel, Mrs. Gaubert Demel and Mrs. Raymond Marek, treasurer.
 The president announced that the fall workshop would be held in Amherst on Oct. 5, and that the Pep P-TA is to have the next South Plains Area Council meeting on Nov. 9 at 10 a.m.
 Superintendent Homer Edwards introduced the one new teacher, Mrs. Lester Bownds.

Edwards also told of the different bills before Congress that will affect our school, as well as others.
 Banner was voted to the seventh grade.
 Mrs. Demel thanked Mrs. Alice Kester and Lester Bownds and their students for readying the dining room at the Parish Hall for the community get-together. The girls also served the coffee and tea at the supper.
 The meeting was adjourned and supper was served to all present.
 Next Pep P-TA meeting will be Oct. 11th at 7:30 p.m. in the school auditorium.

Panthers trip Three Way

By EMIL MACHA

Whitharral continued their winning ways by downing the Three Way Eagles, 36-19, Friday at Three Way in six man football.

A first half scoring rampage by the Panthers was enough to give the winners the edge for the remainder of the night. Three Way tried every trick in the book to play catch up football.

In six man football the QB is only allowed to hand-off or pass the ball, the only time he can run with it is when the ball is either passed or handed back to him.

It is not uncommon to see a couple of hand-offs and then a pass or a couple of passes in the backfield before a toss downfield. All players must be able to hit like a pro, have stamina like soccer players, pass with the accuracy of a rifle, be able to tackle on the fly.

The field is 80 yards long and it takes 15 yards to make a first down.

Back to the game, Whitharral took the opening kickoff from their 16 and drove to the mid-field strip before having to give up the ball after the fourth down charge by Jimmy Polk was short.

Three Way gained possession, rushed for nine yards in four attempts and gave up the ball on downs on their 31.

Bobby Avery stepped off eight yards for the Panthers before being stopped by Adam Rodriguez. Polk bulled for 16 more and and a Whitharral first down. He was stopped by Ronnie Altman on the 25.

Richard Nichols caught Bobby Avery behind the line for a one yard loss, but Polk made up the difference when he plowed to the Eagle 13 before being

tripped up by Adam Rodriguez. Jimmy Avery drove to the nine for a Panther first down before being brought down by Jerry Waltrip. It was one-two punch as Bobby Avery scored the first Panther TD with 4:04 left in the game. The two point kick attempt was blocked and the score stood, 6-0.

Three Way took the kick-off on their 21, drove to the mid strip with Albert Rand, Craig Kirby, Louie Key and Donnie Young taking turns in carrying the ball before having to punt after Mitch Grant. Brent Gage, Jimmy Avery taking turns in leading the Panther defense.

Polk covered the short punt on the 39 with two plays left in the first stanza. Bobby Avery made a first and ten by driving to the 14. Polk carried the ball to the eight as the buzzer was sounding the end of the first quarter.

On the first play of the second quarter, Whitharral scored again when Bobby Avery charged over from eight yards out to make the score 12-0 for the Panthers.

The Eagles covered the kick-off on their 30, tried passes on the next two plays that fell incomplete and had their third pass attempt intercepted by Jimmy Polk on the 19. Polk carried the ball the next two downs for the Panthers.

Gage climaxed the drive with a 29 yard scamper to make the score read, 20-0, in favor of the visiting team. Gary Chavez kicked the two point conversion with 8:31 left in the half.

half. The kick after TD went wide.

Whitharral took the kick-off on their 24, made a couple of first downs, got a 15 yard penalty and had a pass intercepted by Key for the Eagles on the 37 to set the stage for a drive to the eight with the aid of nine carries and another Panther penalty. Waltrip went over to make the score 22-12 with six seconds left in the half. The kick by Adam Rodriguez was short.

It was a scoreless third quarter until the final second as Whitharral drove from the 30 to the seven before Bobby Avery bulled over to make the scoreboard read 28-12. Chavez booted the two point conversion.

The next scoring drive belonged to Three Way as they took the kick-off on their 11, drove back to the Panther 18 and then Rand burst through for an Eagle six pointer with 7:01 left in the game. Bill Hodnet carried over for a one point conversion. The scoreboard read, 30-19, in favor of Whitharral.

Whitharral scored again with 10 seconds left in the game when Bobby Avery scampered for about 12 yards to ice the win for the Panthers.

Whitharral, 4-0, hosts Southland, Friday.

Three Way, 2-1, entertains Western Academy, Friday.

Wolverines win over Silvertown

Oh, how sweet it is, could be the thoughts of football fans from Springlake-Earth after the Wolverines won over Silvertown, 27-20, for their first win of the 1976 football season at Springlake-Earth, Friday.

The Wolverines (1-3) started the game with winning ways when Mark Barton ran the opening kick-off 90 yards for his first of three touchdowns in the first quarter.

George Flores booted for the extra point.

Silvertown, who seemed to have revenge on their mind, tried to give the fans a repeat performance of Barton's run back except with a Silvertown ball carrier when David Strange took the Wolverine kick-off after touchdown and ran the ball back 70 yards before being stopped on the Wolverine 19 yard line. Two plays later Gary Younger punched in from the five to make the scoreboard read 7-6 in favor of the host team. The kick after the TD was wide.

With 5:20 left in the initial period Barton crossed over from the four yard line for his second TD of the game. The PAT was no good. The score stood 13-6.

After a bit of ball swapping, Barton sprinted 53 yards for TD number three for him and the Wolverines, again the PAT failed. The score stood, 19-6, at the close of the first

quarter, neither team scored for the next two quarters.

Springlake-Earth blasted open the scoring in the final quarter when quarterback Kevin Kelly plowed for eight yards to give the Wolverines a 25-6 edge with 10:20 left in the game. Barton carried the ball over for a couple more points to make the score, 27-6, in favor of the Wolverines.

The remainder of the game belonged to the visiting team as Brent Brannon scored from six yards out and then passed to Jackie Vaughn for the points after the touchdown with 7:14 left in the game.

Again Silvertown scored with 5:32 left on a pass from Strange to Carl Wilson for nine yards. The point after attempt was stopped.

Neither team was able to cross over from this point and the Wolverines got their first win, 27-20.

Friday, Springlake-Earth travels to Plains for another non-district tilt.

Amherst wins district game

Amherst opened their conference season in fine fashion by dumping visiting Smyer, 39-14, Friday.

The Bulldogs scored three times in the first two quarters before allowing a Smyer TD midway in the second quarter.

Johnny Rosemond opened the scoring rampage for the Bulldogs when he galloped 63 yards to score with 11:06 left in the first stanza. Gary McDaniel's toe made the scoreboard read, 7-0, in favor of Amherst.

About three minutes later, Webster Johnson punched through the middle for three yards and another Bulldog TD. PAT failed.

Johnson plunged through from the three again to score for Amherst with 10:24 left in the second period of play. McDaniel booted the extra to give the Bulldogs at 20-0 scored in the opening minutes of the second quarter.

Danny Gholson got Smyer's only first half score with 5:21 left in the half on a 65 yard run. The two point conversion was stopped short.

Valley flooded by Sudan, 30-12

Valley was flooded again, this time it was by Sudan who pulled opened the dykes to win over their host team, 30-12, in conference play Friday.

Although the first quarter was scoreless, Sudan began to make waves in the second quarter as they made 13 ripples on the scoreboard for a comfortable 13-0 halftime lead.

A 70 step pass play from

Craig Pickett to Jerry Williams with about seven minutes left in the first half gave the Hornets a 6-0 lead.

Dennis Flowers capped Valley's scoring line and blocked a punt with about minutes left in the half recovered the ball endzone for another touchdown. Jerry Williams kicked the extra to give Sudan a 13-0 intermission.

With four minutes the third quarter, Martin intercepted a pass and ran 31 yards to give the Hornets a lead.

It was catch up the fourth quarter when Valley's Darrell Dowd ran on a 19-yard run to give host team their first of the game. A touchdown conversion was short.

A couple of minutes later, Sudan got the score when Joel Williams ran 31 yards to give Hornets a 29-6 edge. Williams booted the extra.

Kenneth Helms back for Valley and with 1:40 left in the on a 19 yard scamper Lonnie Williams booted the kick after the TD to ice the win for Sudan, 30-12.

Hornet Coach, Stewart stated the Hornets as a whole made a team effort to win the district game.

fourth quarter when they mustered 19 points and held their opponents scoreless.

Rosemond scored from four yards out for his second TD of the evening and McDaniel booted the extra. With 5:23 left, Johnson hit paydirt from two yards out. Amherst got their final tally to ice the win when Rosemond plunged three yards to give the Bulldogs a 39-14 lead with 1:25 left in the game.

Friday, Amherst, 2-1 in season play and 1-0 in conference play, travels to Sundown for another district tilt.

'Winds blow over crippled Mustangs

Olton, crippled by injuries received in the Lockney game, knuckled under the Floydada Whirlwinds aerial attack, 41-0, at Floydada Friday.

The Whirlwinds passed for 201 yards against the Mustangs and ground out 178 on the ground and dominated the whole game.

In the first stanza Mickey Minnett scored on a 30 yard scamper for the Whirlwinds. Later in the same stanza, Jay Womack plowed over form the three to make it 14-0.

The Mustangs allowed Floydada only one score in the second half and that was a short yardage plunge by Womack to make the score 20-0.

Womack scored from the

one in the third period the first of 21 second points for the Floydada squad.

Steve Westbrook made a Womack pass and ran on a 23 yard pass to make another TD for the host team. The final of the evening was a yard pass from Tom Morris to Morris to make the final count.

In the first down of the second half, Floydada charged 21 and Olton 10, rushing. Floydada had a total of 378 to Olton's 111.

Floydada hit on 11 passes for the night. Olton tried six and was unable to complete any. The Mustangs have an open date Friday.

Bulldogs chew Meadow in 33-7 Homecoming victory

By RICHARD ROGERS
The Anton Bulldogs came away with not just one, but two gems Friday night.
A homecoming victory for a sellout crowd, and their first district win in as many tries.
For Anton, it was no gimmicks or frills, just good solid football. Occasional outbursts by runningbacks Rex Jones and Lonnie Timms and the passing combination of Zane Butler to Timmy Belcher spelled the doom of the Meadow Broncos, 33-7.
After each team failed in its opening series, Anton set up shop on their own 41. Timms took the ball to the

right side and scooted downfield for 23 yards. Six plays later, it was Timms again. This time for a one yard punch that put Anton ahead 7-0.
Meadow failed to progress the ball with its next possession, leaving Anton with good field position on the 40. After two plays with no gain, Butler dropped back to pass under good protection and tossed a 60 yard scoring bomb to Belcher putting Anton on top, 14-0. Later in the game, Butler hit Belcher with identical scoring passes from 14 and 27 yards.
The Anton defense allowed Meadow to move the ball between the thirties, but allowed the Broncos only one score. Richard Alvarado, and Belcher picked off Meadow aeriels to halt possible scoring threats.
Anton's other score came on an 85-yard take punt run by Timms on the last play of the first half.
Anton dominated the game statistically compiling 16 first downs and 374 total yards to 11 first downs and 219 yards for Meadow. The game produced relatively few turnovers, but had an amazing seven face-mask violations.
Offensive standouts for Anton include Timms, who rushed for 195 yards on 19 carries and Belcher who nabbed three tosses for 102 yards. Defensively, the

play of 118-pound junior Steve Green and Alvarado led the Bulldogs.
Next week, the Bulldogs face another tough district opponent in Smyer.

Howe'en carnival planned by sorority

Darlene Maxfield, secretary of the Alpha Lambda Sorority, announced the Howe'en carnival will be held on the evening of Sept. 27 at the Tri-County Savings and Loan Association.

The business meeting was adjourned and Linda Charlton and Brenda Denton proceeded with the cultural program for the night. The program, based on physical science, dealt basically with organic chemistry and physics. Linda reviewed some primary differences between natural and synthetic substances including fibers, insecticides, drugs, dyes and nutrients. Brenda presented information on electricity and entertained the chapter with experiments demonstrating positive and negative electrical charges.

Following the cultural program, Judie Huddleston was officially and ceremoniously installed as corresponding secretary.

MR. AND MRS. J. Calvin Young will be honored today by their daughter and family, Margaret and Don Dodd, with a reception from 2:30 to 5 p.m. in the First United Methodist Church Fellowship Hall. A Banker's Viewpoint....

Our electric bill has gone up drastically.

So, of course, has yours.

We don't like it, and neither do you.

But before we call for lynching of the meter reader or disenfranchisement of the power company, let's take a look at what's happening. When we take such a look we realize that probably the power company isn't happy either.

Of all the sources of energy in this country, oil accounts for 44 per cent and natural gas for another 31 per cent. Coal delivers 21 per cent, and all other sources - hydroelectric, nuclear, solar, and so on, add up to only 4 per cent.

So 75 per cent of our energy comes from oil and gas, from the petroleum industry. This energy, in about the same proportion, generates our electricity. And its cost has gone up.

It is a pity, but it is true, that since the Arab nations multiplied the price of their oil, American production of oil and gas has dwindled, not increased as we could have expected it to do. This is not due to recalcitrance of the petroleum industry, but can be laid at the door of our politicians.

Right along with Arab antagonism toward the United States and other industrial nations, there developed a bitter antagonism among eastern congressmen against oil companies in this country.

There is price limitation on domestic oil and gas. And there's a continuing threat in Congress to break up the oil companies entirely.

Result: The oil companies are forced onto a standby basis, waiting to see what political punishment may be dealt out to them before they risk too much of their stockholders' money in a search for new oil.

There does happen to be a bright side. The eastern liberal environmentalist battle against oil drilling off the coasts of eastern states has finally been lost. Now the oil companies can determine - at their own risk - whether any oil is there.

If there is oil there, at least a fair percentage of the easterners may realize that the oil companies are not vicious after all. Perhaps from there it may become unpolitical to flagellate an industry that has created 75 per cent of the energy that keeps our industrial nation going - and that makes possible the electric comforts in our homes.

'Kiss A Baby Week' slated at Amherst

Amherst Mayor Robert A. Dysart has signed a proclamation declaring Sept. 26 through Oct. 2 as "Kiss A Baby Week" in Amherst.

The Breath of Life Campaign is conducted annually by the Lone Star Chapter of the Cystic Fibrosis Foundation which supports research, care and education programs for children suffering from lung-damaging diseases.

Mayor Dysart urged citizens to support this campaign. "If you've ever had trouble breathing," he said, "you know it can be a terrifying experience. For the millions of children with lung-damaging diseases, breathing is an every day struggle. These children need our help."

Mrs. George W. Tooley, chairman of the 1976 "Kiss A Baby" fund-raising drive, stressed that parents especially should know the signs of lung-damaging diseases.

"This awareness can facilitate early diagnosis and treatment of these diseases," she explained. "Particularly with cystic fibrosis, early treatment can help prolong a child's life."

Signs of lung-damaging diseases are recurrent wheezing, persistent coughing with excessive mucus, pneumonia more than once, excessive appetite but poor weight gain and clubbing or enlargement of fingertips.

Other signs that are peculiar to cystic fibrosis are a salty taste of the skin, persistent and bulky diarrhea and nasal polyps.

Diagnosis and treatment of cystic fibrosis and other children's lung-damaging diseases, Mrs. Tooley pointed out, are provided by a nationwide network of more than 100 Cystic Fibrosis Centers supported by the Cystic Fibrosis Foundation.

"The most serious of these children's lung diseases, cystic fibrosis is the number one genetic killer of children," she explained. "Cystic Fibrosis affects one out of every

1,500 infants born each year and occurs when a child inherits two genes for the disease, one from each parent. The parents don't have cystic fibrosis, but they are among the 10 million carriers of the gene."

Although presently incurable, cystic fibrosis can

be effectively treated. "Advances in treatment have lengthened the expected life span for children suffering from cystic fibrosis," according to the campaign chairman.

She explained that when the Foundation was established in 1955, most chil-

dren with cystic fibrosis didn't reach age 10. "Now, more than 50 percent of those who have the disease can live past age 10. The treatment developed for cystic fibrosis also helps children with other lung-damaging diseases."

West Texas Writers plan writing contest

Highlighted by a serious fiction/non-fiction writing contest, the second season for the West Texas Writers' Guild will open Tuesday night, Sept. 28, with a "sharing" meeting.

Interested persons throughout the area are invited to attend the meeting at 7:30 p.m. in the parish hall at St. Luke's Episcopal Church on the Sundown Highway, said John Holmes, guild president. Writing efforts, experiences and ideas will be shared at the informal session.

Anyone interested in writing, either professionally or as a hobby, is invited to join the guild, Holmes said. Dues are \$5 a year.

Deadline to submit entries for the fall writing contest is Oct. 26. Entries, which should be of a serious nature and may be

Study Club hears speaker

ANTON— Ford Mitchell, Lubbock businessman, was guest speaker for the Anton Study Club Monday evening. He gave a slide program on the life and times of George Washington. Mitchell wears a replica of the clothing worn by Washington as taken from a painting called, "Washington's Last Minuet."

He also showed some Washington memorabilia, including a copy of the Washington coat of arms, and a letter written by the President. He distributed to each present a copy of the "Independent Chronicle" giving the first proclamation of a "Day of Thanksgiving and Prayer" issued by a President of the United States.

The club, in its business session, voted to serve slices of pies and cakes at the noon meal for Homecoming Friday. A gift of \$10 will be sent to Girlstown in the name of Fort Mitchell.

Refreshments were served to the members and

guests, Mrs. Jack Love of Hudson, Fla.; Mrs. Harlan White; Mrs. Jack Hill; and Mrs. Truett White by the hostesses, Mrs. Thomas James, Mrs. Kenneth Grace, and Mrs. Mary Emma Grace.

The next meeting will be Oct. 4 in the home of Mrs. Jim Copeland. It will be a panel discussion by Mmes. Jack Conkin, Ed Hart, Jerry Biffle and Mary E. Grace on conservation. Miss Tressie Gilliam will give a report on her trip to Bluebonnet State.

Methodist Women conduct meeting

The United Methodist Women of The First Methodist Church met Monday at 7 p.m. in the church parlor for their regular meeting.

Seretha Tisdale, chairperson, presided over the business meeting. Several of the ladies planned to attend the district meeting Saturday, Sept. 25, at Earth.

Doris Fry led the group in prayer, after which Thelma Byers, program leader, gave an interesting review of the book, "A New Joy", by Colleen Townsend Evans.

Lola Dyess, hostess, served refreshments to: Bertha Arnold, Ethel Bundick, Thelma Byers, Rachel Byrd, Eros Caldwell, Mattie Lou Clark, Doris Fry, Jewell Grant, Jess Harlin, Ruth Hinds, Lois Pharris, Hazel Stevens, Seretha Tisdale and Sybil Legate.

Three area homemakers attend THDA meeting

Three area homemakers attended the 50th anniversary celebration of the Texas Home Demonstration Association during the annual statewide meeting Sept. 21-23 on the Texas A&M University Campus at College Station.

HD meets at Whitharral

WHITHARRAL— The Home Demonstration Club met Tuesday, Sept. 21 for an all-day meeting and luncheon in the home of Mary Munselle.

Marcy Clevenger had charge of a short business meeting.

Mary read a poem "Human Anatomy" and Agnes Duker read "The Parable of the Little Red Hen". In the afternoon, Linda Pitman County agent had charge of the program "Accepting the Adolescent."

Other club members present were: Iva Pair, Opal Mixon, Alma Kilgore, Edna Waters, Vera Rodgers, and Pearl White.

Visitors were: Willie Bryant, Agnes Decker, Mr. and Mrs. Phillip Simmacher, James Mixon, and Gene Munselle.

Mrs. Simmacher won the door prize— a bottle of hand lotion.

The next meeting will be Oct. 5th in the home of Opal Mixon. Lillie Thetford will have charge of the program on child abuse.

WHITHARRAL NEWS

POST MASTER Kay Herring has recently returned from a Postmaster's conference in Phoenix, Ariz. After the conference she and Postmaster Jennie Schooler of Loop made a trip to Las Vegas. They saw several shows starring big name entertainers.

MRS. JUDY MCCARTHY and son of Round Rock have been visiting in the home of Mr. and Mrs. Ralph Wade. Sunday, Sept. 19th, they enjoyed a birthday dinner honoring Judy and Ralph. Others attending were: Mr. and Mrs. Larry Wade and children and Kathy Wade of Littlefield.

MR. AND MRS. Stanley Sadler of Fort Worth, Mr. and Mrs. John Bullock and children of Lamesa and Joy Huffman of Lubbock visited in the home of Mr. and Mrs. F. E. Sadler over the weekend.

WILLIE BRYANT visited in Midland over the weekend with her son and family, Mr. and Mrs. Joe Bryant.

MRS. MARION POLK and Mr. and Mrs. W. J. Terry spent Sunday in Big Spring.

Gleaners Class hosts social

AMHERST— The Gleaners Sunday School class of the First Baptist Church met Sept. 16th in the home of Mrs. S. E. Lance for their monthly social.

The meeting opened with a reading from First Timothy and a talk on "Riches and Religion" by Blanche Royal. Della Thomas brought the devotional from II Samuel 14-17 entitled "To Glorify".

In a business session members voted that the teachers and officers would remain the same as the past year.

Refreshments of sandwiches, strawberry shortcake, pineapple punch and coffee were served to Mmes. Jewel Enloe, Della Thomas, Maude Young, Lola Gonzales, Irene Benson, Frances Enloe, Myrtle Love, Blanche Royal and a visitor Mrs. N. E. Humphries and the hostess.

Reese AFB to sponsor
Open house Oct. 11

Colonel Edward Mendel, commander of Reese Air Base's 64th Flying Wing has announced that the base will have a public open house on Monday, Oct. 11, from 12:30 and 4:30 p.m. The event will honor the anniversary of Reese's active service as a member of the Air Force Base and the separate operating on Sept. 18, 1947. U.S. Army's "Golden Knights" parachute team and S. Air Force's "Thunderbirds" aerial demonstration team will be featured during the day's activities. "Golden Knights" is scheduled for "Thunderbirds" at 3 p.m. The "Thunderbirds" will again be flying the T-38 Talon jets flown by student pilots at Reese in the later part of their year-long program. Some of the Air Force's latest high performance aircraft are scheduled to be on display for inspection along the line. Among the aircraft will be flown from Air Force bases about the country to the static display are the F-4 Phantom II, A-37 Thunderbolt II, C-130 Hercules, KC-135 Stratotanker, F-106 Thunderchief, F-105 Starfighter, F-111D, OV-10 Bronco,

and RF-4 Phantom. A T-37 "Tweety Bird" and a T-38 Talon from Reese will also be on display. The Confederate Air Force will also send an old T-6 Texan trainer of the type formerly flown from Reese and a Japanese VAL bomber. The Lubbock SPARKS, a radio controlled model airplane club, will demonstrate their version of the Thunderbirds maneuvers and have some of their exotic models on display. Two area bands will also perform. Lubbock Army Air Field (later to become known as Reese AFB; came into existence on June 23, 1941. The field was officially opened Jan. 22, 1942, and remained active throughout World War II until it was closed down Dec. 31, 1945. The base was reactivated by the Air Force Oct. 5, 1949, and officially named Reese AFB Nov. 5, 1949, in memory of First Lieutenant Augustus F. Reese, a Shallwater native killed in combat in 1943. Reese has remained continuously active since 1949 and to date has graduated more than 20,000 pilots from its training program. Experience in global war convinced the American people that a separate organization should be established to specialize in air operations at all levels of warfare. Accordingly, the Air Force began functioning as the Nation's primary air power source on Sept. 18, 1947.

Xi Xi Nu Nu Chapter hears 'Communicators'

The Xi Nu Nu Chapter of beta Sigma Phi met Sept. 20 in the Flame Room with President, Ann Manning presiding.

The program titled "Communications" on the different kinds was presented by special guest speakers, B. J. Hefner of KMCC Television and Don Jackson from KEND Radio Station. Peggy Johnson and Doris Simpson were in charge of the program.

Committee reports were made. Ways and Means Chairman, Jane Byers, reminded members of the annual balloon sale which will be Oct. 1 at the homecoming football game. Balloons will be sold at 25 cents each. Proceeds from the sale will be used toward the scholarship fund.

Service Chairman, Judy Vaughn, reported to members of the Swine Flu Immunization Clinic. Members voted to help with the clinic.

A card was received from International stating the chapter earned a Three Star Chapter rating this past year.

A thank you note from Mike Williams was read in appreciation of the scholarship he was awarded.

City Council Representative, Sheila Hanlin, gave a report stating that new officers would be installed Oct. 4.

Doris Simpson was elected to represent the chapter as their Valentine Sweetheart.

The pledge ritual will be held at the next meeting for pledges Nancy Archer and Cindy Walker.

Dinner consisting of hot chicken salad, broccoli casserole, green salad, watermelon fruit bowl, hot rolls, and cake topped with whipping cream was served to members and guests.

Jane Byers and Paula Schroeder were hostesses. Members present were

Ann Manning, Sheila Hanlin, Marilyn Parker, Kay Pace, Doris Simpson, Loretta Winfield, Peggy Johnson, Edith Birkelbach, Nancy Archer, Janice Sebring, Judy Vaughn, Carolyn West, Paula Schroeder, Jane Byers, and Pat Conway.

Guests present were Mr. and Mrs. Don Jackson and B. J. Hefner.

Patsy Lively Chapter FHA elects officers

The Patsy Lively Chapter of the Future Homemakers of America of Littlefield High School held the election of officers Sept. 7 in the Homemaking department.

Results of the election are: president, Janice Cowan; first vice president, Mary Ellen Echevarria; second vice president, Penny Jones; third vice president, Jill Hinckley; secretary-treasurer, Tana Ratliff; and historian, Tony Aguilar.

Members attending the first meeting were Esmeralda Aguirre, Helen Alvarado, Tony Aguilar, Janice Cowan, Sue Thompson, Penny Jones, Tana Ratliff, Frankie Nichols, Michelle Lowrance, Tina Black, Jill Hinckley, and Cathrina Helms.

More recent new members include Patti Bryant, Sherri Claunch, Shirley

Davis, Elaine Ellerbe, Lisa Fowler, Renay Mullenix, Phyllis Smith and Janice Tiller.

Sponsors of the organization are Mrs. Dorothy Keeling and Mrs. Lina Harbin. Refreshments were served after the meeting.

Sudan residents attend annual church assembly

SUDAN—The annual assembly of the Church of God of Prophecy convened Aug. 24-29, in Cleveland, Tenn., at the worldwide headquarters for the organization in the recently constructed 10,000-seat ultra-modern assembly auditorium.

The week-long meeting moderated by the General Overseer, Bishop Milton A. Tomlinson, registered approximately 24,000 delegates representing each

state and over 50 mission fields.

Sudan residents attending were Rev. and Mrs. Jimmie Chance, Melba Richards, Maudie and Tracy Wood, and Kenneth, Mamie and Kenna Sue Richards.

While at the assembly Kenneth Richards recorded a L. P. album including four songs he has written himself. He should receive the records in approximately three weeks.

Preferential Tea honors new Xi Nu Nu members

Sunday, Sept. 12th, the parlor of the First Baptist Church was the setting of a Preferential Tea given by the Xi Nu Nu Chapter of Beta Sigma Phi.

Being honored by the tea were Cindy Walker, Nancy Archer, and Janice Sebring, new members of the chapter.

Guests were served from a formal table covered with a white satin cloth with a white net overlay. Appointments for the table were in gold. The centerpiece was a gold and crystal candelabra accented with green-

ery, baby's breath, and yellow roses. Frosted punch was served from a gold punch bowl.

Refreshments consisting of miniature cupcakes decorated with yellow roses, pecan tassies, and finger sandwiches, were served to members: Cindy Walker, Nancy Archer, Janice Se-

bring, Ann Manning, Sheila Hanlin, Janice Doris Simpson, Knox, Pat Conway, Winfield, and Marilyn Parker.

The tea concluded with the presentation of long-stemmed yellow roses to the new members of the sorority.

School Board meets

The regular meeting of the Sudan Board was held Sept. 13. The agenda was given by James Withrow, and the minutes of the previous meeting were read and approved, as were the superintendent's financial report for the month of August. The tax collector's report for August was received. The membership in the Texas Association of Community Schools at the state and regional levels was approved. The purchase of four new drums from Earl Ray Company for the band was approved. McNewell and Wilson received approval to attend State Principals Conferences. Mrs. Tollett's attendance at the Texas Business Teachers meeting was approved. Following was a discussion relating to Sudan Trips and to the possibility of their being continued. It was the decision of the Board on this matter for further discussion to the Student Council and the senior class. The school liability policy was changed to cover all school staff, a blanket coverage for all employees of the school system. Attendance at the Texas Association of School Administrators and the Texas Association of School Administrators Conference at San Antonio was discussed and the following making the decision to attend: James Withrow, Wayne Swart, Connie Hill, Cardwell, and Kenneth Noles. A pay raise was approved for Gene Pickard, principal at the school. The enrollment as of Sept. 1, was reported at 434. The filming and developing expenses for Sudan Hall and other programs that are filmed was discussed. The color film for 1976 will run \$20 per 100'. The decision was made to increase the amount paid for filming and travel to Don Ham to \$100 per game. The ambulance situation in Sudan was discussed with no definite action being taken at this time. The school will continue in the use of the school-owned car for the present time. A discussion followed on the requirements for graduation - in the quarter units. This was tabled for a later time. The misuse of school excused absences for extra-curricular activities was again discussed. The school policy has, in the past, been abused. The principal and administration feel that the policy should be implemented with a maximum number of days excused as excused absence. Therefore a policy to effect shall be "No student will be excused for more than a total of nine days per year for these activities. (Judging, livestock shows, contest, etc.) The transfer of \$7,500 to the athletic fund was approved. Payment on a new bus was approved. The purchase of a chest-type deep freeze for the school was approved. Remodeling on the school-owned residence was approved with Kenneth Richards doing the work. A dedication was given by Halbert Harvey.

Emergency Livestock Loans deadline is December 31

The last chance is approaching for livestock producers facing financial problems to take advantage of the Emergency Livestock Credit Act of 1974, a temporary Farmers Home Administration program.

Act provides for emergency financial help to the producer whose business has a good chance of success if it can survive the current liquidity crisis.

"The revised Act now in effort has changes to make it more palatable to both

the borrower and lender," points out Dr. Wayne Hayenga, project leader in farm management for the Texas Agricultural Extension Service.

Some of the conditions are:

1. A "line of credit" is permitted, whereas the original Act permitted only a single loan.
2. Anyone with a "substantial operation" in breeding, raising, fattening or marketing is eligible. (This includes one who devotes at least 25 per cent of his time to, derives at least 25 per cent of his income from, or has at least 25 per cent of his capital invested in livestock operations).
3. The Act terminates on Dec. 31, 1976.
4. The loan period can be up to seven years, with

possible renewal for three years.

5. The guarantee by the Farmers Home Administration is increased from 80 per cent of the loss to 90 per cent of the loan principal and interest.

6. The line of credit has been increased from the previous \$250,000 to \$350,000 per loan.

7. Secondary financing of the guaranteed portion of loans may now be made by the Federal Financing Bank, thus increasing the marketability of the securities to the lender.

8. The total authorization under the Act was reduced from \$2 billion to \$1.5 billion.

Emergency Livestock Credit Act should help them protect their operations from financial disaster in the coming months.

Hayenga advises stockmen to contact their local Farmers Home Administration office or their lender for particular details. This must be done before the Act expires on Dec. 31.

Because they had refused to worship his golden image, these men were thrown into a huge oven. It had been heated to such a degree that their guards were instantly killed as the flames leaped out of the raging inferno.

If they are walking in close fellowship with Jesus, however, they too will that the hottest flames of trouble cannot actually hurt them, for God will not allow Satan to triumph over them. Undergirded by the ONE who never leaves nor forsakes us, we too are "fireproof" believers—ever blessed by our testings but never burned!

But the testimony of this faithful trio never wavered, and what happened astounded those who sought their execution. The ropes which had bound the three were burned off so that they were able to rise and walk freely in that whitehot chamber.
