Indians have eight starters

"Larry Thompson, their fine tailback and safety, has outstanding speed and is a threat to score every time he touches the ball. Jerry Silhan is an outstanding defensive end and also plays fullback. David Palmer is a standout at tackle and linebacker, and Pete Soliz is also an outstanding linebacker. We'll be facing one of the best passing quarterbacks we've seen all year in Ralph Mason. They have a strong balanced attack: they can pass as well as any team we've faced and have some good running backs. Potentially, they could have a great offensive team, and they unquestionably have a great defense.

"They've allowed only 45 points this season, and no team has scored more than one touchdown on them," Blakely warned. "So we'll have our work cut out for us."

Gametime is 7:30 p.m. in Wildcat Stadium.

The Cats gained their enviable position atop the district race by besting Friona 35-19 Friday. "Naturally, we're always tickled to death when we win, but I was a little disappointed in our overall play," Blakely said. "There were times when we played a little ragged, and I don't feel like we played hard on every down. I'm afraid we relaxed some after getting ahead 28-7.

"We did have some individuals who had outstanding games. Ricky Richards had his best offensive game of the year See WILDCATS, Page 7

Deposits at the six Lamb County banks, the Anton bank and Littlefield Federal Savings and Loans show a whopping, near 11 million dollar increase in deposits from the bank call date last fall.

Deposits at the eight banking institutions totaled \$74,356,029 on the Oct. 17 Federal bank call date this year compared to \$63,431,381 in October 1972. This is a total increase of \$10,924,648.

Loans and discounts for 1973 total \$36,905,529, up \$4,062,835 from loans of \$32,842,694 last year at this time.

The almost 11 million dollar increase in deposits reflects a combination of continuing inflation, tendencies to hoard savings accounts rather than spend, a seven day later bank call date this year than last, and more grain sorghum cut and sold at high prices.

Security State Bank in Littlefield showed the biggest increase in deposits, with \$3,726,021 up from this time last year. Deposits for this quarter totaled \$18,348,398, compared to \$14,622,377 last October. Loans and discounts at Security are up \$1,015,930, from \$6,827,591 last year to \$7,843,521.

Deposits are up \$2,324,414 at the Olton State Bank where deposits this quarter totaled \$12,719,281 compared to \$10,394,867 last October. Loans and discounts at the Olton bank total \$8,269,797, up \$1,597,976 from the L&Ds of \$6,689,821 last year.

Littlefield Federal Savings and Loans show an increase in deposits of

\$2,245,425, with \$17,976,701 on deposit on Oct. 17 compared to \$15,731,276 for the bank call date last year. Loans at Littlefield Federal are up to \$12,101,113, an increase of \$309,074 from last year's \$11,792,039.

The First National Bank of Amherst shows a total increase in deposits of \$1,173,560. This year's deposits total \$6,525,937 over last October's \$5,352,377. Loans and discounts at the Amherst bank are up \$90,615, totaling \$1,368,708 this year and \$1,278,093 on last year's call date.

The First National Bank of Littlefield had deposits of \$6,723,614 this quarter, up \$770,227 from last year's deposits of \$5,953,387. Loans and discounts totaled \$2,224,336 this quarter, up \$44,662 from last October's \$2,179,674.

At Citizens State Bank in Earth, deposits totaled \$4,599,251, up#\$425,007 from last year's third quarter deposits of \$4,174,244.

Loans and discounts at the Earth bank were down \$33,674, from \$2,352,359 last year to \$2,318,685 this quarter.

Citizens State Bank in Anton showed deposits of \$3,138,601 this quarter, up \$198,909 from \$2,939,692 on deposit in October 1972. Loans and discounts were down slightly, from \$1,527,006 last year to \$1,501,591 this reporting period.

The First National Bank in Sudan had deposits totaling \$4,324,246, up \$61,045 from last October when deposits totaled \$4,263,201. Loans and discounts were down \$136,901, from \$1,414,679 to \$1,277,778.

Five Arrested, Hogs Stolen In Weekend Police Activity

Lamb County sheriff's officers and highway patrolmen arrested five over the weekend.

The Anton Swine Breeders, Inc. reported the theft of 14 head of hogs valued at \$1,200. Various offense reports, thefts, and minor accidents filled the police blotters over the weekend.

Larry Manuel at Anton Swine Breeders, Inc., northeast of Anton, reported the theft of 14 hogs weighing from 235-245 each. The theft loss is set at \$1,200.

Two were charged with driving while intoxicated and one with aggravated assault at the county jail over the weekend. Pablo Martinez of Littlefield and Raymond Casares of Olton were charged with DWI. Casares was fined a total of \$156, and Martinez was released on a \$1,000 bond. Mike Casares, also of Olton, was fined a total of \$156 on aggravated assault charges. County officers arrested a Littlefield juvenile girl on an assault charge and later released her to her parents, and a Lubbock man was jailed on a drunk charge.

City officers investigated a one-car accident which overturned five and onehalf times, with the driver escaping injury. The wreck occurred at W. Delano and Business 84 about 8:10 p.m. Saturday. Izear Lewis of 1029 E. 14th was traveling west and went into the 20 mph speed zone curve at too great a speed, according to the investigation report. Three other city accidents were checked. Friday afternoon cars driven by Clemons G. Viertel of Aspermont and Bill Goforth of Houston were involved in a minor accident when the first driver turned around at the crossover and pulled into the left rear quarter of the second vehicle.

Cars driven by Jewell Butler of Anton and Alvin Wayde Streety of Littlefield collided in the 700 block of 4th Street about 5:30 Saturday evening.

About 2 p.m. Sunday, cars driven by Harvey Lee Bishop of 1015 W. 1st and C. C. Serratt of 1211 W. 3rd collided at 100 Sunset Ave.

Highway patrolmen investigated an accident south of Amherst on U. S. 84 Sunday night. Paul Booth, formerly of Amherst and now of Lubback, and Trinidad Trevino of Littlefield were both eastbound in their vehicles.

Trevino reportedly sideswiped the Booth car when he attempted a left turn from the right lane, then left the scene of the accident and was apprehended by the other driver. There were no personal injuries.

Offense reports at City Hall included the report of the theft of two girls mini bikes from the Carlton Tanner residence at 118 E. 26th, and the theft of a fivespeed bike owned by Jerry Fields of 301 E. 15th from the Deep Rock Service Station.

Three were jailed by city officers on drunk in public charges.

Girl Scout Campaign

IN A TIME when the earth has been orbited and the atom smashed, it becomes a problem to keep up with the changing needs and the new knowledge of our young people.

Yet unless they are guided and educated in the important qualities that make fine citizens, they can well lose sight of the meaning and importance of living the good life, even in so frightening an age.

GIRL SCOUTS of the U.S.A. is dedicated to the belief that by teaching young girls how to be happy, resourceful individuals today they are helping train America's citizens for tomorrow

The Girl Scout who lives in the age of the atom promises on her honor to do her duty to God and her country. She chooses to serve, in her home, her hometown," and she is learning to become a useful citizen in her country and in the world.

LAST YEAR, Girl Scouts in the U.S.A. gave a total of some seventy million hours of service in home, community and to the nation ... and to many international friendship projects in our fifty states and Puerto Rico.

In Littlefield, our 136 registered Girl Scouts from 7 to 17 years old have given of their time to such important community projects as the spook house, "get out the vote" campaigns, and baby sitting during election time.

More than 28 men and women in our town serve in Girl Scouting. These dedicated men and women help make the fine Girl Scout program a reality for Girl Scouts in our community.

IN A TIME when the earth has been orbited and the atom smashed, Girl Scouts still cling to the old fashioned, but still important virtues of service and concern for our fellows.

By giving generously to this year's Girl Scout Fund Drive in Littlefield, you

Cindy McNeese Wins Contest

Cindy McNeese missed only one game to take first place in the Leader-News Football Contest this week.

Cindy was the only contestant to pick 15 games correctly, and wins the \$5 first prize.

There was a six-way logjam for second, but the family team of Jean and Stanley Patterson beat out Dennis Jackson, Kevin Hutson, Maurice Sexton and Doug Perrin. Stanley missed the two tie-breakers by only two points, and his mother, Jean, was off the mark by

Jackson upped his seasonal lead over Larry Price to three games. Jackson now has 97 predictions for the season, while Price is alone in second with 94.

Kim Hill, Cindy McNeese, Bennie Pickrell and Elaine Turner are tied for third with 93. The winner of the seasonal contest will win two tickets to the Cotton Bowl in Dallas plus \$25 for expenses.

OBSTINACY IS UNDESIRABLE, but rather common in human behavior. Most of us, perhaps all of us, are obstinate once in a while about some of our opinions and our desires.

This undesirable obstinacy means "a perverse or unreasonable persistence." The worst feature about such conduct is that it most frequently appears in the areas where we should be most eager to contribute to agreement and its pleasant and constructive influence.

TOO MANY OF US WANT to have our way, regardless. There is nothing to be gained, most of the time, unless it be ego satisfaction; and there is no profit in feeding such a sick ego.

The truth is that such behavior is one of the most certain ways to lose everything that is essential to sound personal well-being and to meaningful human associations.

We can destroy the happiness of our home; we can jeopardize employment opportunities; friendships will be few or none at all; and we eventually become disgusted with ourselves.

IT IS BETTER to "agree quickly" in matters of opinion, when a settlement is necessary. Of course, in many instances, no settlement is required and the difference in opinion is not important.

In such instances, there is no need for discussion; and certainly no justification for heated controversy. If there is a discussion, it can be and must be amiable

Spade Homecoming Queen Candidates

But then, I evidently wasn't the only one out of time. Those Philidelphia Eagles must have forgotten to set their clocks back, also. I noticed they started playing football about an hour before the Dallas Cowboys. And they were playin' on the same field!

ANYWAY I SPENT the rest of the day settin' the various clocks about the place, while tryin' to get myself physicked into believing the clocks were tellin' the truth. Did very well too, even

long day, seeing as that is about I'd been gettin' out of bed for the months. -Just GOTTA syncro cat!

GUESS YOU KNOW, our 'Cat much better last Friday night I that little let-down in the third but they soon recovered and strong! - A good sign.

I think we'll be ready for theu Injun raid this week. It won't but we think our 'Cats will con the fracas with their scalps still -GO GET 'EM CATS!!

WONDER WHAT THE cotton merchant really wants the farmer to produce? Last year they wanted good cotton, this year they must want a lower grade of cotton than what is produced this year by the West Texas farmer.

At present there is no market for good white cotton with a quality staple. Some buyers won't even quote a price, but they do have a market for shorter staple cotton.

Everything looked like a bed of roses for the farmer until last week when the cotton price dropped about \$80-\$90 per bale with no or low market quotes on most qualities of cotton. Some buyers did comment that the market may go up, but who knows when.

THE HAIL THAT some area residents received early Saturday morning played havoc to some of the area crops. Some farmers reported that they noticed some cotton knocked off the stalk and the threshing of some grain. Most of the damage occurred north of Littlefield and toward the north side of Spade.

BACK TO COTTON. Farmers who have harvested some of their cotton have noted that they have been getting a short staple. According to the U.S.D.A. classing office in Lubbock, cotton staple in general is running short. This is the rule with all varieties of cotton because of the hot July and August. The weather

increased the mike, but shorte staple. RECYCLING IS BECOMIN

popular now that there seems shortage of most everything the neighboring towns have newspaper drives. They have central depositing stations sope deposit their old newspapers.

What would be wrong with put of the city's Dempster Da behind city hall so that our citi deposit their old newspapers!

THANKS TO THE judges i our float second place homecoming parade.

In case some of you wonder placed and did not see any mo float than you did, is that we units in our float, but apparent we had passed the judges ou didn't want to follow the leader had to unhook it. Therefore the the spectators did not get to complete float.

Guess we will use more tape time.

MORTON AT LITTLEFIELD 7:30 P.M.

WILDCATS OF THE WEEK for the Friona game are Bill Turner (10), Gary Lichte (50) and Ricky Hopping (75). Turner was commended for his play at safety and split end, and recovered two fumbles that led to Cat touchdowns. Turner, a sophomore, fractured his ankle in that game and will be out for the season. Lichte, a junior, was cited for his play at outside linebacker, and Hopping, a sophomore, was outstanding at defensive tackle and offensive tackle. (Staff Photo)

The Cats lost Turner for the season when he fractured his ankle. Turner, only a sophomore, has been used extensively this year, starting in the secondary, kicking extra points, punting, and sharing the split end duties with Stanley Patterson. "It (Turner's ankle) was a clean break," Blakely said, "and the doctors assured us he'll be fine. It's just a matter of time for it to heal."
