

PLAYERS Dennis Hartley, left, and JV griddler Kenny Owens, were heralded Most Valuable Players at the Littlefield Quarterback Annual Football Banquet Thursday night. They flank head coach Blakely and the district 3-AA trophy. Blakely was named Class AA Coach of the Year for 1971. He garnered coach of the year honors two years as a mentor.

Athletic Banquet Honors Wildcats

COACH RODGERS... Cowboy didn't make it to the Quarterback Club's Athletic Banquet Thursday night, but QB members, coaches and administrators abundantly clear they weren't missing Dixie when they turned out for the district football champs and varsity.

Blakely, the Wildcat head coach, led the 1970 celler dwellers in 3-AA into the dream team that won district crown (and earned himself Coach of the Year honors), and individual grid awards. Blakely and Danny Estrada received defensive back and defensive line awards. Previously both made the All-South Plains and second team All-State. Blakely and the Avalanche-Journal's Class AA Coach of the Year nod.

Scott McNeese got the Fighting Heart Award for his best efforts for himself and team.

backbone Dennis Hartley and Kenny Owens got the MVP nod for the junior varsity. Blakely was named All-District halfback, was named All-South Plains elite and All-State.

presented with individual QB Club members gave Coach Blakely a watch and assistant coach Weaver, Rod Hench, Lewis Blakely, Robert Bolton and Blakely received Wildcat head tie

Hartley was crowned Football MVP and presented with a dozen red ribbons. Blakely, Mary Davidson and Blakely were chosen by the players. Blakely was escorted by Giles, Hartley and Blakely.

Reception Honors Students... Reception will honor all Lamb County students who participated in the VFW-sponsored "Voice of the Community" contest.

CITY COUNCILMEN MEET

Gas Bid, Remodeling OK'd

Littlefield city councilmen accepted the low bid of \$8,283.28 from Bawcom Butane for one year's supply of gasoline and oil to be used in city vehicles, during their first regular session of the calendar year Thursday night.

Councilmen discussed and okayed several changes to be made in the city hall remodeling project, and decided to lock the sanitary landfill operation on weekends and at night.

Gasoline and oil bids submitted by eight companies were received by the councilmen and opened at the beginning of the meeting, and comparisons of the bids revealed that Bawcom's bid was the lowest.

Gene Ratliff's bid was the second lowest — \$8,365.50 for the year's estimated consumption of gasoline and oil.

Third lowest bid was submitted by Gulf

Oil — \$8,433.

Others submitting bids were Oscar Wilemon Oil Co., Pierce Oil Co., Littlefield Butane, Jim's Conoco, and Texaco, Inc.

Councilmen discussed the possibilities of utilizing upstairs office space in a different manner than is presently used, and decided the change would be better.

City Manager Pat Bradley explained a sliding map arrangement for the front of the council room, and recommended to the councilmen that the east windows be closed in from the inside. The appearance from outside would not be changed, and louvered shutters will be installed between paneling and the windows.

Beginning March 1, the city's sanitary landfill operation will be locked after 5 on week days, and all weekend, in compliance with a state law.

The grounds will be open from 8 a.m. until 5 p.m. weekdays, and will be manned during that time. Other portions of the law require that there be no burning, no scavaging, and limited access be made.

Councilmen granted a request for placement of a street light on Griffin Street, and read a letter from Diversified Communication Investors, Inc.,

Reward Set For Arson

A reward is offered for information that leads to the conviction of the person or persons who set fire to the Pete Estrada home at 1101 E. 15th late Friday night.

One of Estrada's neighbors called the fire department just before midnight Friday.

One bedroom was completely gutted before the fire was extinguished. Leon Durham, fire chief, said he estimated about \$7,000 in damages.

Mr. and Mrs. Estrada were both working at the time of the fire. They do janitorial work after closing hours for several Littlefield businesses.

Fire chief Durham said the fire was definitely arson. The department recovered a can that was used to pour coal oil over the house. Fingerprints have been turned over to authorities, also.

The bedroom that was destroyed had had coal oil poured over it. Papers were spread from that bedroom into the other rooms of the house and coal oil had been poured over the papers. The carpet in the living room had been saturated, also.

The standard \$100 reward is offered for information leading to conviction of the person or persons responsible. In addition, further rewards may be offered.

Pep Homecoming

The Annual Homecoming of Pep Ex-Students Association will begin with registration at the school at 5:30 p.m. Saturday, Jan. 29. A banquet will follow at 6:30 p.m. in the school cafeteria, with M. G. Gary serving as master of ceremonies.

Several recognitions are to be made, and the 1972 Homecoming Queen will be crowned.

Flu Rampages Through County

Flu has continued to keep down much of the adult population and approximately 13 percent of students in Littlefield schools the past week, according to a check with Lamb County Health Officer Dr. J.H. Oyer, and a Littlefield School Superintendent Paul Jones.

Dr. Oyer states that Littlefield does have an epidemic of the flu, and that the best advice he can give to patients is to "stay in bed, drink lots of water, and take aspirin for the pain."

According to Mrs. Edna Mae Mangum at Littlefield High School, an average of 30 students were absent every day this past week—nearly 10 percent of the 350 students enrolled.

Mrs. Maurine Chisholm in the Superintendent's office noted that a few of the teachers were out of service due to the flu.

Dr. Oyer states that he has recently treated outbreaks of chicken pox, Rubella measles, strep throat and now the influenza. Each appeared to have their own epidemic periods, then another would begin.

Most schools in cities in the Panhandle-South Plains area have suffered drops in attendance because of the flu or pneumonia, and Floydada's schools were closed Thursday to allow students to recuperate by Monday.

Many hospitals in the area have reported full rooms, and are admitting only the worst cases.

FIRST GRADE TEACHER Jan Martindale takes her medicine pleasantly while consoling her student, Tomla Westmoreland, after receiving her TV test Friday morning in the nurse's office of the Primary building. Mrs. Alpha Peterson, RN, from the TB Control, Region 10, Lubbock, gives her the test, while Christelle Harvey, LVN, looks on. Approximately 22 rooms of students took the tests, including primary students, junior high, Satellite children and state children. Barbara Simington, RN and Doris Scott, RN, were on hand to assist.

No Deadline

There is no longer a deadline for registering to vote, but registration at the tax-assessor-collector's office is at about the same point or possibly ahead of the number who had registered last year when the deadline was the last day of January.

Voters are urged to get their registration in since this is an election year.

Under the new system, a person eligible to vote must register 30 days before an election.

Last year the 18-19 and 20-year olds who registered were kept separate from those 21-years-old and over, but this year there is no reason to separate the newly enfranchised young voters since they can vote in city, county and district elections as well as state and national.

This year may be the last year voters have to register, if they exercise their voting rights. Under the new state law, when a person registers now it will be for three years. Then by voting in any election during those three years, the registration is automatically renewed for another three years.

Applications for registration were mailed out with tax statements. Registering is a very simple matter if these applications are signed and brought in or mailed to the tax office.

Several county officials' terms are expiring this year. The primary election will be May 6. Then the general election will be in November.

The tax-assessor-collector's office will mail extra voter registration forms if necessary.

Those who are about to become 18 years old may register 30 days before their 18th birthday, or any time thereafter.

There is no single voter registration deadline under the new system, but each election carries its own deadline.

The county has to have its first voter registration list ready by March 1, so voters are urged to register as soon as possible.

Wildcat Band Members Take All-Region Awards

Wildcat Band members walked away with a majority of the All-Region Band awards after a series of individual tryouts in Lubbock last Saturday.

Eighteen LHS Wildcat Band members were selected to fill approximately 115 positions on the AA, A and B Region 16 All Region Band from among 32 school bands.

Wildcats making the All-Region honors are Thriess Bingham, Barbara McBride

and Mari Bennett on the flute.

Carol White, Karol Terry, Debbie Sorley and Karen Walker are All-Region clarinet selections.

Shannon Hatley is Littlefield's All-Region alto clarinetist.

Mark Rogers and Annette Henry will play the bassoon in the All-Region concert.

Karen Drake made the elite list on her alto sax.

Johnny Wimberly and Tandy Talburt are All-Region selections for coronet players.

Jill Owens and Carol French will play the French horn in the concert.

Wayne Debusk and Andy Rogers are All-Region basses; and David Barton is the baritone.

Rehearsals for the concert begins Thursday night, continues all day Friday and through Saturday morning. The All-Region concert will be performed at Coronado High School at 7 p.m. Saturday, Jan. 29.

Dimes Drive Begins Monday

Littlefield mothers will march throughout the city Monday night ringing doorbells and soliciting funds for the March of Dimes campaign.

The annual campaign is on behalf of the Mothers' March against birth defects, and funds are spent on research in medicine and treatment for birth defects.

Jane Maddox, chairman of the drive, has asked that citizens support the drive. "Until we can protect approximately a quarter of a million infants every year from lifelong handicaps, everyone must help," she explains. "In recent years, an increasing number of men have offered their help, too."

She cited the rubella vaccine, Rh serum and rapid advances in treatment at birth "exciting progress in the quest for a healthy birthright for all children."

Volunteers interested in helping with the drive may call Joan Johnson, co-chairman at 385-4310.

MRS. ADDIE ABERNATHY, Lamb County March of Dimes chairman, looks over the campaign newsmakers booklet for the 1972 March of Dimes drive. The drive begins in Littlefield Monday night. Mrs. Abernathy has served the county-wide chairmanship six years, and states that the drives have helped several nurses and doctors with scholarships, and aided several children in correction of birth defects.

Police Investigate Vandalism, 1 Jailed

Employees at Case Power and Equipment reported to city police Thursday that a soft drink bottle had been thrown through the plate glass window on the north side.

Police are making investigation of the incident.

Saturday morning, police arrested an adult male, and charged him with drunk in public. He was still in jail at presstime Saturday, pending trial by the judge.

An adult woman, who was serving time in the city jail to pay off two fines she owed before she was jailed recently for disturbance by affray, was released to Lubbock authorities Thursday. She was picked up on a traffic warrant.

Probated Sentences Given Two Men

Two Littlefield men were sentenced in district court in Hereford Friday.

Trial proceedings started Thursday for Gene Mixon and Chip Stewart who were charged with felony theft of grain from an elevator in Deaf Smith County last January.

Mixon received a 10-year probated sentence and Stewart got a four-year probated sentence.

"All tied up" usually suggests that one's movements are restricted.

But to us, "all tied up" means good things. For example, this year we'll complete building a transmission line that will enable us to move electric power to the Public Service Company of Oklahoma... maybe even as far away as the East Coast. Or, to bring electric power into our system from far-away places.

Either way, it's a good deal for you — our customer. It means efficiency in the distribution of electric power and it means firming up dependability.

ELECTRICITY—IT DOES SO MUCH GOOD

Yes, "all tied up" means we'll be — so you won't be!

A PICKUP pulling a load of cotton to the gin was side-swiped by this cattle truck Thursday and resulted in extensive property damage. The accident occurred about two miles west of Sudan on U. S. 84. Porfirio Salamanca was driving the pickup owned by Ray Wood of Sudan. Both vehicles were traveling east. Patrolman Weldon Parson said the truck driver apparently misjudged the speed of the trailer and started to change lanes too late. The truck cab hit the rear of the trailer than skidded into the median. Allen Hinchey of Chilton was driving the truck owned by Bill Smith of Lott.

Patrol Investigates Eight Wrecks

The Texas Highway Patrol investigated eight accidents on rural highways in Lamb County during the month of December, according to Sergeant Kelfer, Highway Patrol supervisor of this area.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region during the calendar year of 1971, shows a total of 97 accidents resulting in five persons killed and 47 persons injured.

These crashes resulted in four persons injured. The rural accident summary for this county during the calendar year of 1971 shows a total of 264 persons killed and 3,594 persons injured.

GUESS, AS FAR AS our local firemen are concerned, Hell will be full of burning grain-elevators!

MR. GEO. MAHON says that at the present rate, the national debt will soon amount to "Googol"—Looked the word up (or looked FOR it) in mu' dictionary (Twass't there). Anyhoo, for the benefit of you uneducated, it means, "The Most"—Shucks, so THAT'S what our young'uns have been talkin' about! Don't sweat it tho, we're only droppin' about forty billions in the hole this time—Pocket change,—eh?

HEARD A FELLOW say, the other night, "I don't belong to ANY political party—I'm just a plain ol' Democrat!"

SOMEHOW, that certain uneasy feelin' comes over me when I hear that Congress is in session again!

"KEEP POLITICS outta' Congress," advises Nixon. Shux, we'd be better off if we could keep the "POLITICIANS" outta' Washington!

WANTA' KNOW HOW it feels to be ignore?—Might ask Sen. Kennedy.

NOW THAT the Supreme Court has a full house once more, wonder how long it'll take them to eat up the rest of the constitution?

THE LITTLE NOTATIONS on mu' paycheck, tell me I'm still payin' Social Security. Oh, well, I can dream, can't I?

THEY TELL ME that livin' in the past is a sure sign of old age. Well, one thing for sure, the past don't hurt like the present, and the prospect of the future!

YUP, TIME FLIES.—But not nearly so fast as a Christmas bonus!

Forever...

HOW LONG is forever? It depends upon who you are.

To an innocent child born with the burden of a defect of mind or body, it is literally as long as he lives—unless we all help.

AND WE CAN HELP. The National Foundation-March of Dimes says.

New breakthroughs in genetics, immunology and other medical sciences are showing the way to actually prevent these tragic "accidents of nature" that strike some 250,000 American babies each year.

TODAY IT IS POSSIBLE to discover and cope with certain of these tragedies even before birth—and even earlier, even before conception. Genetic counseling can tell prospective parents what the risks are of their having a child with some kind of defect.

Vaccines against rubella (German measles) and Rh blood disease can prevent literally thousands of cases of blindness, deafness, heart damage, mental retardation and other defects.

THESE, AND OTHER scientific marvels still in the laboratory stage, can reduce the toll. But only if we help, only if we lend a hand to the March of Dimes.

It supports more than 100 medical science programs around the country which attack the problem from every level: research, treatment, rehabilitation, prenatal care and professional and public health education.

Let's get behind the March of Dimes tomorrow night. They deserve our support.

To put it the March of Dimes way: "Birth defects are forever... unless you help."

HIGHLIGHTS AND SIDELIGHTS

From The State Capital

By —Bill Boykin
Texas Press Association

AN INTERESTING political poll was taken at the Gulf Coast Press Association's board of directors' meeting in Houston Jan. 8. Fourteen newspaper publishers were asked: "Who do you think will win the 1972 Governor's race in Texas?"

Seven said Lt. Gov. Ben Barnes, four named Dolph Briscoe and two listed Gov. Preston Smith.

The same editors were asked about their vote.

Eleven voted for Dolph Briscoe, two for Lt. Gov. Ben Barnes and one for Governor Smith.

SENATE CAMPAIGN—

The 1972 political campaigns moved into full swing with announcement by former U.S. Sen. Ralph W. Yarborough that he would make a comeback try for a Senate seat.

Yarborough, 68, revealed his plans in a series of whirlwind news conferences at Austin, Houston, Dallas, Fort Worth and San Antonio. He seeks the Democratic nomination to oppose Republican Sen. John Tower.

Barefoot Sanders of Dallas, already running for the Senate as a Democrat, welcomed onetime political ally Yarborough to the race as "one of our fine senior citizens." He said both Yarborough and Tower "are out of touch with the majority of Texans."

Yarborough said he had never had so successful a campaign opening day. He stressed his nearly-14 years' experience as a progressive senator, and said in answer to questions about his age: "I'll be around campaigning as long hours as anybody else, if not longer."

The former senator's entry took some of the spotlight away from the warming governor's race where Gov. Preston Smith, Lt. Gov. Ben Barnes and Uvalde rancher Dolph Briscoe are starting to mix it up.

Five Democratic candidates are moving around the state in the lieutenant governor's race.

Treasurer Jesse James, Comptroller of Public Accounts Robert S. Calvert and Commissioner of Agriculture John C. White during the last week announced for re-election. Calvert and James are expected to draw some opposition.

State Rep. Francis Farenthold of Corpus Christi announced she is "taking a serious look" at prospects for a gubernatorial race, but has not ruled out challenging Atty. Gen. Crawford Martin.

DECISION APPEALED

The State Board of Education voted unanimously to appeal the monumental federal court decision that the Texas property tax method of financing schools is unconstitutional.

Meanwhile, the Board assumed responsibility for drafting a new plan for supporting the school system and ordered a task force be formed to do the study job in the event an appeal to the U.S. Supreme Court fails.

The state, according to Texas Research League, has several options. One is full state financing, which by 1974 would require an expenditure of a billion dollars a year just to maintain the status quo.

Another alternative is state-local financing that would provide approximately equal resources for each child. The League suggested redrawing district boundaries to redistribute property values or superimposing multi-district taxing regions over present operating districts to provide equalization by regions.

A decision, the League noted, must be made as to whether the goal is educational expenditures at the present level in rich districts or at a lower "average level." The latter would mean reducing the number of teachers and lowering salary supplements in some districts to create more positions and higher salaries in the poor districts.

REPUBLICANS EAGER—

Texas Republicans in a recent meeting here boasted of wide-open opportunities in 1972 presidential and U.S. Senate races, for doubled state legislative strength and possible election of a governor.

Scandals in state government and prospects of single-member House (legislative) districts offer the GOP its biggest chance to elect candidates and achieve reform through two-party government, the Republican State Executive Committee was told repeatedly.

The GOP issued verbal invitations to unhappy Democrats and Independents, regardless of political philologies, to enlist in Republican ranks.

AG OPINIONS—

Atty. Gen. Crawford C. Martin declared the controversial new code of ethics for state and local officials unconstitutional, and was commended by Governor Smith and Secretary of State Bob Bullock.

In other recent opinions, Martin concluded:

* A school of veterinary and zoological medicine at Texas Tech University can be approved by simple majority vote of the Coordinating Board, Texas College and University System. New and separate institutions require a two-thirds vote of the Board.

* A witness in a criminal case under subpoena is entitled to mileage and witness fees.

* Jim Wells County Commissioners redistricting of commissioners precincts August 11 is void due to failure to publish notice of changes.

* Fees dedicated to the Real Estate Research Center at Texas A&M University are not in the state treasury and do not need to be appropriated by the legislature.

CUTS ORDERED—

The State Insurance Board has directed lower collision insurance premiums for motorists whose cars are equipped with new damage-resistant bumpers. No domestic manufacturers have yet certified cars that meet the standards, however.

Twenty percent discounts were offered for 1972 cars with bumpers that can stand a five-mile-per-hour collision, front or rear, without damage. Fifteen percent discounts will be in force for new cars with bumpers which can stand a five-mile-per-hour end crash and a two-and-a-half-mile-per-hour end bump.

Ten per cent reductions apply to autos sustaining a five-mph front and a half-mph rear collision with damage to lights, fuel, exhaust, cooling, latching systems or to the bumpers themselves.

URANIUM MINING EYED—

Street-by-street tests with scanning equipment to record abnormal radioactivity for uranium operations will be made in the South Falls area.

Air and ground surveys by the Health Department have disclosed evidence of public health hazards. None is anticipated by S.H.D. However, health problems have been reported in Colorado where gas released by uranium remained in tailings or wastes after uranium is extracted. The wastes were used for construction fill.

Towns to be covered in the surveys include Floresville, Karnes, Kennedy, Three Rivers, George, Tilden, Pleasanton, Leming, Hobson, Falls City, Helena, Panna, Coy City, Lenz, Caesar, Pawnee, Oakville, Simmons, Caliham, Peggy, Campbellton, Christine, and Caughran. Uranium mills operate in Falls City and near Three Rivers.

PARTY REFORM

New state Democratic reform rules generally-favorable reaction in a hour public hearing before a 23-member sub-committee here.

A final draft is due to be reviewed by State Democratic Executive Committee sub-panel January 29 before passed along to the full SDEC in February. SDEC Chairman Roy DeSoto predicted approval of the guidelines in essentially the same they were offered at the hearing.

The rules are designed to insure conventions and encourage participation by minorities, youth, women and labor of rival presidential candidates. Activities will be open to 18-year Governor Smith predicted the proposed would give Texas a "challenge" delegation to the Miami Democratic national convention.

APPOINTMENTS—

Governor Smith appointed Hon. Cannady of Port Arthur to the Val Land Board.

Smith also named Tate McGee Palestine 87th district judge; Les Sandel of Huntsville 12th district judge; E.T. Summers Jr. of Cuero to Board of Blanco River Authority board of directors (reappointed) William A. Clifton Lubbock as Canadian River Commission; Harry O. Reardon of Paso and Edwin J. Terry of Beaumont the Real Estate Commission; Charles Duke of San Antonio, Beeman Fahn Fort Worth to Texas Turnpike Authority.

The governor selected Charles (Chick) Morris, formerly of Lubbock, his assistant press secretary.

SHORT SPORTS

Governor Smith is considered recommendation for a statewide stamp program which would call for \$17 million in state aid to counties would produce \$286 million in assistance for the needy.

Industrial development of Texas year may rank second only to record according to Texas Industrial Commission.

The Texas Supreme Court on Wednesday (Jan. 19) review of a case which State Rep. Jack Blanton Carrollton seeks to force Dallas Democratic Chairman Earl Land accept his state senate filing fee. He claimed Blanton hadn't lived in the long enough.

Rural development may be the key to pollution, urban crowding and poverty, Agriculture Commissioner C. White contends.

The governor asked President Nixon declare Bowie, Delta, Fanning, a disaster area due to recent flooding.

An advisory council for technical vocational education has started conferences over the state.

The 1972 Miss Texas Universe pageant will be held in San Antonio 10-15.

THE ABUNDANT LIFE

Serving Our City

By BOB WEAR

IT IS STRANGE, but true, that many people in a community assume a somewhat detached attitude.

Some are as nearly completely withdrawn as possible.

THERE IS NOT ENOUGH of "we", and there is too much of "they". From many sources, and in a variety of ways, people can be heard to say, "Why don't they do something?"

This may be a justified question once in a while, but most of the time it is not.

MORE COOPERATION, and less criticism will always help all of us; and improve the common good. Many people who try to serve the city in which they live eventually give up, because of the unbalance in distribution of community responsibility.

Too many people drag their feet. Some even work as obstructionists.

IT IS TRUE that some persons, because of background and training, may be able and willing to do more than others.

This is as it should be; however, each inhabitant can make a worthwhile contribution of service to his city. In a very real sense, whatever we do in this area of service, we do for ourselves, too.

EACH INDIVIDUAL, and all ages of persons can contribute to the beauty, the cleanliness, the good order, the friendliness, the neighborliness and to the general betterment of the city.

We do these things by doing our best with what we have, where we are, and when we can.

PRIDE AND APPRECIATION should

be the dominant feelings we have toward our community.

Too many of us, perhaps all of us to some degree, are inclined to take for granted the benefits we receive from our city. Many of us may not fully realize just how many good things we are receiving.

How many of us know all that is involved in the creation and maintenance of these services?

YES, WE PAY for some things, but, in many instances, we do not pay on the basis of real value.

Eliminating the things for which we pay, there are numerous remaining benefits available to us. Do we accept these blessings with or without an awareness of the attending obligations?

ARE WE GRATEFUL, or just indifferent? If our attitudes are right and intelligent, we will not only be grateful; but will express our gratitude in word and deed.

We will actually become an asset to our city. This is so much better than being a liability.

CHEERFUL SERVICE is the debt we owe. We can serve as individuals, or as members of organized groups.

We can serve by supporting and encouraging those who are serving in special ways and in key positions.

"DOING GOOD is the only certainly happy action of a man's life." — Sidney.

YOU, IN YOUR WAY, and I in my way, and all of us working together can help make our city a better place to live.

CURTIS C. OVERMAN

Funeral services for Curtis C. Overman, 62, of Wilson and former Whitharral resident, who died Tuesday morning in Lubbock's University Hospital following an apparent heart attack, were held Thursday afternoon in New Home Baptist Church.

Rev. M.D. Durham of Lubbock and Rev. Paul McClung of Morton, officiated. Burial was in the Tahoka Cemetery, with White Funeral Home in charge of arrangements.

Overman was a native of Winters, and moved to Lynn County in 1960 from Whitharral. He was a farmer, and was a longtime member and deacon of the New Home Baptist Church.

Surviving are his wife, Ruby; two daughters, Mrs. Linda Kennedy of Lubbock and Mrs. Carolyn Wright of Albuquerque, N.M.; three sons, Jerry L. Overman and Rodney Overman, both of Lubbock and Randy Overman of the home; a sister, Mrs. Jewel Smith of Albuquerque, N.M.; and six grandchildren.

G.L. "Dave" McLELLAND

G. L. "Dave" McLelland, 63, of Amherst, died Friday, Jan. 21, in Medical Arts Hospital in Littlefield following a long illness.

Funeral services are scheduled for 2:30 p.m. today at the First Baptist Church in Amherst. Rev. Glenn Willson, pastor, will officiate, and burial will be in Littlefield Memorial Park, with Payne Funeral Home of Amherst in charge of arrangements.

McLelland came to Lamb County in 1945, and lived in the Fieldton community for many years before going to Amherst two years ago because of illness.

He is survived by his wife, Winnie Mae; three sons, Bill McLelland of Tyler, Max McLelland of Amherst and Arthur McLelland of Littlefield; three daughters, Mrs. Wanda Thompson of Spade, Mrs. Betty Mott and Mrs. Joyce Richie, both of Lubbock; three brothers, Tom McLelland and Chess McLelland, both of Los Angeles, Calif., and Bob McLelland of Downey, Calif.; and 18 grandchildren.

Lengthening Skirts

By FRANCES JONES

DAME FASHION says that skirts in certain types of dresses and suits must be longer.

If you have a knitted suit with a longer than average coat or overblouse, here is a method of adding length that works like a charm. The top part of a pair of old panty hose does the trick.

DOES THE SKIRT have an elastic top? If so, this makes the job even easier. Remove the elastic and rip the hem from the top of the skirt. There probably will be no waist darts to remove, and often the skirt is tubular without a side seam.

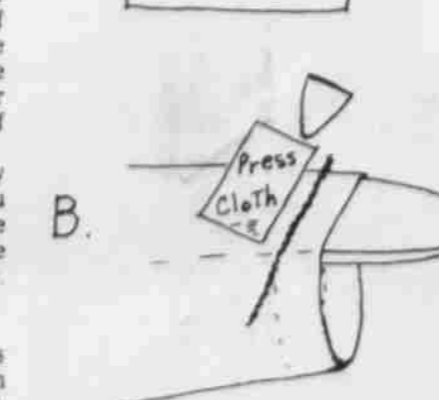

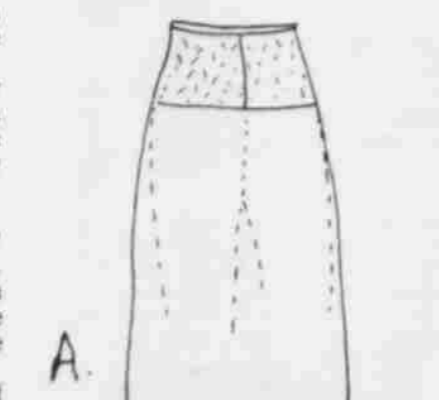

Cut as much as you need from the top of the panty hose and zig-zag a row or two of stitching to reinforce the cut edge. The panty hose seams may be lined up with the center front and center back of the skirt, or they may be lined up with the locations of the side seams.

If the skirt top is a little too large, simply stretch the panty hose to make it fit. If you have measured correctly the overblouse will cover the alteration and no one will be the wiser, but of course you will be richer. Figure A.

IF YOU ARE cutting a new pair of pants from cloth and do not have quite enough this method can be adapted to extend the length at the top.

If you have to remove an old hem to add length, the crease and stitch marks must be taken care of. If the old hem is worn thin along the crease you are in real trouble. But if it is pretty good shape, brush the lint away and press (with steam) on the wrong side to open the hem.

Now turn to the right side and place a length of damp twine right over the old crease.

PLACE A PRESS CLOTH on top and press well. Use that trusty wooden beater if you wish to hold the steam in longer. Figure B.

In case you are working with cottons or cotton blends dip an old tooth brush in white vinegar and brush the hem crease and the old stitch marks.

This works wonders and almost never spots or circles. However, it is wise to test the vinegar treatment on an inside seam.

MR. AND MRS. Royce Lane from Canyon spent the weekend with their parents, Mr. and Mrs. C. R. Seagler of Enochs.

GRANDMA HENDERSON, formerly of Enochs, passed away in California last Wednesday. Jake, of Enochs, Ted, of Andrews, and their sons, Elwin, of Fort Stockton, and Carl, of Enochs, left immediately for the funeral.

MRS. JERRY ELLIOTT of Houston spent a week with her husband's parents, the Claude Elliots. Her husband, Jerry, is in the service.

THE WMU Ladies of Enochs Baptist Church had their weekly meeting Tuesday morning with their monthly business meeting. Wandy Layton was in charge of the program. Mrs. L. E. Nichols Lee in Prayer. Those attending were Wanda Layton, Rose Shaw, Etta Layton, Rose Nichols, Alberta Bryant, Flo Nichols, Essie Seagler, Dovie Dane, Wilma Petree, and Ellen Bayless.

GOVERNOR Preston Smith and Dr. John E. Hutchison, Texas Agricultural Extension Service director, discuss the proclamation which designates this week as '3.76 in '76 Week in Texas.

'3.76 In '76 Week' Now Being Observed

The week of Jan. 17-23 has been designated as "3.76 in '76" Week by Governor Preston Smith.

"3.76 in '76" is the slogan of the statewide program of the Texas Agricultural Extension Service designed to increase agricultural income to \$3.76 billion by 1976.

The income boosting program was initiated in January, 1970, with the objective of increasing Texas' gross agricultural income by \$1 billion over a six-year period.

Total cash receipts from agriculture in 1971 totaled just over \$3.5 billion, according to Dr. John E. Hutchison, Extension Service director. This was a \$287 million, or nine per cent, increase in agricultural income over 1970.

"We are well on the way to reaching our goal of \$3.76 billion in agricultural income by 1976," notes the director. In fact, at the present rate of increase, we should exceed the \$4 billion mark in annual agricultural income by 1976.

Of the 1971 total cash receipts, crops accounted for \$1.195 billion while livestock accounted for \$2.213 billion. An additional \$110 million in income came from agriculturally related activities such as timber production, fish farming and recreational activities.

Agricultural income as relates to the program does not

take into account government payments.

"Intensified educational programs are underway in cooperation with other agencies and organizations concerned with Texas agriculture," points out Hutchison. "We are focusing on reaching the full potential of each economically important agricultural commodity produced in the state."

Production guidelines have been prepared on most agricultural commodities which are based on the latest research information relating to increasing production and marketing efficiency.

Hutchison emphasizes that the income boosting program is supported by each county in the state and that County Program Building Committees are active in planning programs to accomplish the goal of "3.76 in '76."

These committees also provide annual measurements of progress for each commodity important to their county.

MEDICARE BILLING

If you're sending in a Medicare billing form for payment, be sure to enter your name and number as shown on your Medicare card. Remember to sign the form in the signature block in the center. Contact any social security office if you need help in completing the form.

AMHERST

MRS. LESTER LaGRANGE
246-3336

GUEST IN the Homer Campbell home early last week was her cousin, Leroy Cansler of Hartley.

MR. AND MRS. Allan White returned home Monday from Oklahoma City where they had been with their daughter, Mrs. Eugene Kindred.

MRS. VERNON VENERABLE of Ennis is visiting her sister, Mrs. Gene Enloe.

G. L. McLELLAND of California was guest in the Max McLelland home. They visited his brother, Tom McLelland, a

patient in the Medical Arts Hospital, at Littlefield.

MR. AND MRS. Ray Blessing visited their son, Pat and family in Lubbock last Sunday.

MR. AND MRS. J. E. Williams of Earth visited their daughter, Mrs. Raymond Duvall and family Saturday. They took their grandchildren, Eddie and Sandra, and Kathy Kelly to Littlefield, to see the film, "North Country."

VANCE SMITH of Fort Stockton was a weekend guest of Kathy Tomes and her parents, Mr. and Mrs. Keith

Tomes. Sunday he took to Ranger, where he is a student at Ranger College.

MRS. PAULINE has heard from her son, Sgt. Bobby Ray since his arrival in Vietnam on a tour of duty. He will be home in January from Colorado. His wife is with her parents, Greeley, Colo. and is absent.

MR. AND MRS. Carl Canyon are here for a weekend with her parents, Ben Greeners.

An important message for people who prepare their own income tax returns. Maybe you've been cheating yourself all these years.

Every year, between January and April, millions of people sit down to do battle with Uncle Sam. Some are "self styled" accountants. Others think they can save a few dollars doing it themselves—so why not?

The sad truth is, however, no matter what their reason was for starting, many of them end the same. On the short end.

You see, when it comes to income taxes, amateurs should depend on H & R Block. We have all the facilities to help you make "income tax time" a pleasant experience. To begin with, H & R Block now has over 6,000 conveniently located offices manned by thousands of specially trained personnel who are anxious to help you. They'll sit you down over a free cup of coffee and show you some things about your income tax that you might never have known existed. For example, do you know

all about deductions for child and casualty losses? And maybe you are aware that if your income increased last year, you may be able to save tax dollars by "income averaging."

Well, when it comes to income taxes, H & R Block is aware of just about everything because we're a company that eats, sleeps, and does tax returns 365 days a year.

Yes, maybe you can save a couple of bucks doing your own return. It really may be costing you a lot more by not having your return done by H & R Block.

DON'T LET AN AMATEUR H&R BLOCK'S JOB. H&R Block. The income tax people.

A D

or

B C

Each evening when the television is turned on, we must decide which show to watch. In like manner, we must decide which religion to follow. And the only way to decide is by investigating all the alternatives and then selecting the one that best fulfills our needs.

Yes, we must investigate. We must look A D to the New Testament and the life and teachings of Jesus Christ. Then we must look B C to the Old Testament and the lives and teachings of the prophets. Afterwards, we must compare each side and reflect on what we have learned before we can decide between the traditional prophetic B C or the new, fulfilled A D. Choosing a television show is a minor decision compared with choosing a religion and yet some people are more concerned with the television. Many parents don't care which church their children attend, but they spend much time deciding which shows they should be allowed to watch. After all, they don't want their youngsters to be wrongly influenced by some TV show but their religion makes little difference to them.

A D or B C? Which one for you?

"1.76 IN '76" WEEK

Governor Preston Smith has designated the week of Jan. 17-23 as "1.76 in '76" week, and will be dedicated to the statewide program of the Texas Agricultural Extension Service to increase agricultural income by \$1 billion so as to reach the \$3.76 billion-dollar-a-year mark by 1976. Total cash receipts from agriculture in 1971 totaled just over \$3.5 billion.

ACORNS AS A FOOD?

Several graduate students at Texas A&M University are studying acorns for potential human use. And they are using a panel of squirrels as taste testers. The study involves two approaches—finding nuts of top taste and nutrition, and developing a processing technology to cheaply and quickly remove bitterness found in nearly all acorns.

Oil Exploration Is Scheduled

BTA Oil Producers has staked location for a west offset to an indicated discovery, eight miles southeast of Littlefield in Lamb County.

Designated No. 2 7112 JV-D Anton, the venture is located 660 feet from north and west lines of Labor 21, League 686, State Capitol Lands survey.

It is 1,730 feet west of the firm's No. 1 7112 JV-D Anton, which has indicated production from a section in Clear Fork at 6,648 to 6,663 feet. That zone pumped 38 barrels of new oil, plus 198 barrels of water during a 24-hour test.

The wells are approximately 1 3/8 miles north of production in the Anton, West (Clear Fork) field of Hockley County, although separated from that area by a depleted well.

DEBBIE HAFLEY was crowned Football Queen at the QB Club's Annual Football Banquet Thursday night. Miss Hafley was escorted by Scott McNeese who got the Fighting Heart Award. Candidate Mary Davidson, left, was escorted by Matt Giles, outstanding defensive back. Shelly Grant, right, was escorted by Dennis Hartley, the Wildcat's most valuable player.

TWO COVETED honors went to Scott McNeese Dennis Hartley, McNeese, left, got the Fighting Heart honor. Dennis Hartley was named the Wildcat's valuable player at the Annual Football Banquet Thursday night.

AMHERST

Mrs. Lester LaGrange
246-3336

MRS. BEA GRIFFING has moved to Abilene. For the past several months she had made her home with Mrs. Lula Harlan in Bula.

BRYAN TOMES of Amarillo visited his grandparents, Mr. and Mrs. Aaron Tomes for the weekend. He was accompanied by Sue Barr also of Amarillo.

MR. AND MRS. Frank Palmatier of Summerville, N. J. are visiting her sister, Mrs. W. P. Hedges and other relatives this week. Thursday they all spent the day with the Leroy Bodkin family in Hereford. Mrs. Hedges' daughter from Plainview, Ark. accompanied them here.

MR. AND MRS. Sam Harmon and Mr. and Mrs. Jack Durham went to Falcon Lake for fishing early this week. The Harmons became ill, with the flu, it was reported and returned home Wednesday. They left their boat in Del Rio as they returned home.

REV. AUBREY WHITE, pastor of the First United Methodist Church at Sudan, was guest speaker for the Lord's Acre program and banquet Wednesday night, in fellowship hall of the church. This project was begun to pay off indebtedness of the parsonage. This was completed last year and is now being carried on for improvements to be made on the church and parsonage where necessary.

MRS. WHITE accompanied Rev. White here for the meeting.

MR. AND MRS. Purdy Braker were at their mobile home on Lake Kickapoo near Wichita Falls for the weekend. Their daughter and family, Mr. and Mrs. Bill Seabrook and Reed of Oklahoma City met them there for a visit.

OPEN WIDE

When you open wide at the dentist's office remember to ask for a complete mouth check. It's one of the ways to detect oral cancer early, according to your American Cancer Society.

County Sheriff's Office Jails

Four persons were booked into the Lamb County jail this week, three on charges of driving while intoxicated, subsequent offense, and one on a felony check law violation.

Bond of \$3,000 was set on John Flores Jr., 18-year-old Littlefield resident, after he was charged with forgery, a felony.

Robert Melvin Lewis, 41, Olton, was arrested Thursday by Olton officials and charged with driving while intoxicated. He was released on \$500 bond Friday.

An Amherst man, Ora Jewell

Moreland, 45, was charged with driving while intoxicated, early Friday.

Billy Ray Hill, a 33-year-old Marble Falls resident, was arrested at 2:30 a.m. Friday and charged with driving while intoxicated and carrying a pistol. Bond was set at \$10,000 on each of the two charges.

An Olton resident reported the theft of rifles, a box of shells, a new tape player and speaker from two pickups.

Greg Smith who lives two miles south of Olton said someone had taken a Winchester 270, a 22 rifle and a box of .45 calibre shells from one pickup, and a second pickup had had a new tape player and speaker removed.

IRS Tax Book At Post Office

A booklet that gives information on how to fill out federal tax returns will be sold at the post office in Littlefield, postmaster George Thompson announced today.

"Your Federal Income Tax" was written by the Internal Revenue Service and contains many examples to illustrate how the tax law applies to actual situations. A special feature of the booklet is the sample, filled-in return, Form 1040, keyed to pages where explanations can be found for each entry on the return.

The 160-page booklet sells for 75 cents a copy.

"By selling this booklet at the post office in Littlefield we are offering a convenient service to our customers," Postmaster Thompson said. "We are participating in a nationwide program to make the tax booklet available to the public in 15,000 postal facilities."

This publication answers many questions businessmen have about federal income, excise and employment taxes and also contains a 1972 tax calendar with dates for various tax and information returns and payments.

Unwelcome Buck Lands In Lap

You've heard of bees in the bonnet, in the pants and bats in the belfry.

Are you ready for a deer in your lap? Bob Magouirk, superintendent of Eisenhower State Park, near Dalhart, escaped serious injury recently when a car struck a seven-point buck crossing S. Highway 75 near here. The thrashing animal shared the front seat with Magouirk after crashing through the windshield.

Luckily, the thrashing buck expired about the same time Magouirk got the vehicle stopped. The driver was treated at a local hospital for minor cuts and released.

KEITH WORKMAN (43) comes down with a rebound only to find himself encased by Wildcats Alan Mackey (30), Larry Hobratchsk (12) and Randy Dayton (32). Mustangs Marlos May (33) and Dale Parsons (23) look on. Littlefield won the game, 74-67.

AMY OWENS was crowned Basketball Queen in ceremonies prior to the Littlefield Olton game, Friday. Amy's court consisted of Eileen Hinckly and Karol Terry. Flower girl was Tammy Boomer. Littlefield won the game, 74-67.

Cats Break Drouth

It was a thrill a minute for the spectators and a dream come true for Coach Dee Blevins and his Wildcats as they dumped the Olton Mustangs, 74-67, here Friday night.

The win keeps the Mustangs in the cellar in District 3-AA basketball and ends a 20-game dry spell for the Wildcats.

The Wildcats trailing at half-time used the opening second half tip-off to their advantage. The tip went to Randy Dayton who passed to Larry Hobratchsk who sank a two-pointer and gave Littlefield a one point lead over the Mustangs and the go ahead for the win.

The 'Cats broke loose in the opening stanza and raced to a 21-12 lead at the end of the period.

The Mustangs turned the tables in the second quarter by mustering 24 points and allowing the 'Cats 14 points to take a 36-35 lead at intermission.

In the third quarter the Wildcats took an early four point lead before Olton nudged the lead back to only one point at the end of the third quarter.

Littlefield leading 51-50 going into the fourth quarter spread the gap to as high as 11 points at one time but was choked down by Olton in the closing minutes of the game to the 74-67 win.

J. E. Johnson not only led the 'Cats in scoring with 21 points, but also collected 15 rebounds. Four more Wildcats hit in the

double figures against Olton. They were Randy Dayton and Larry Hobratchsk with 12 points each. Jay Trammel and Kenny Carter collected 10 apiece. Alan Mackey hit six.

Olton was paced by Dale Parsons who took game honors by sinking 22 points. Marlos May hit 11 and Keith Workman netted 10.

The Mustangs out per-cented the Wildcats on free throws as Olton averaged 64 per cent and Littlefield hit 56 per cent. The winners hit 43.5 percent from the field.

Bulldogs Nip Cotton Center, 88-51

The Anton Bulldogs gave Cotton Center their first loop defeat with a 88-51 thumping Friday night.

The district Bulldogs 5-0 were led by Leroy Medlock with 38 points. All five Bulldogs hit in the double figures during the encounter.

Terry Bradshaw scored 14 for Cotton Center.

Pam Bell sank 22 points toward a losing cause as Cotton Center dumped the Anton fens, 57-49. Marilyn Mills scored 24 for Cotton Center.

LITTLEFIELD'S RANDY COOK is surrounded by Mustang John Sudduth's (23) arms and is confronted by Olton's Jimmy McCurry (41) while trying to get the ball to Littlefield's Gary Brown (40) in the JV game. The Littlefield JV on the encounter, 42-28.

JV Cats Claw Olton Freshmen

The Littlefield JV added another win to their collection Friday night by dropping the Olton JV, 42-28.

With one of the best basketball seasons posted by any Littlefield basketball team, the JV led Olton at the end of every quarter. The score was 10-6 at the end of the first period, 19-17 at halftime, 30-25 at the end of the second quarter and then allowed Olton

three points in the final stanza for a 42-28 point win.

Gary Brown took game honors for the winners with 14 points. Chris Pope hit 13. Kelly Pratt sank seven, Craig Ratliff hit six and Randy Cook netted two.

Olton was paced by Randy McCoy with 11. Monte Chitwood hit seven, and Stan Sampler six.

Pheasant Hunters Not Successful

One-day Texas Panhandle pheasant hunting was down from last year, according to Texas Parks and Wildlife Department officials.

This year took approximately 10,000 pheasants compared to 12,000 last year.

Officials for the department blamed the decrease in harvest on a number of factors including a lower population of pheasants this year and rain and snow before the season.

Bad weather before the season forced farmers from turning under the fields of crop stubble, and during the season pheasant hunters had a difficult time in hunting areas due to the mud. Only 35 per cent of the hunters this year

got birds compared to 57 per cent last year.

1972 Play Days Starting Today

The Lamb County Sheriff's Posse opens its 1972 Play Day season today at 1:30 in the Sheriff's Posse Arena at the old fair grounds in Littlefield.

Riders from throughout the area are expected to participate in various riding events in an attempt to compile points for awards at the end of the season.

There is no admission charge to see these events. Riders will pay a small fee to participate.

CITY COUNCILMEN MEET

Gas Bid, Remodeling OK'd

Littlefield city councilmen accepted the low bid of \$8,263.28 from Bawcom Butane for one year's supply of gasoline and oil to be used in city vehicles, during their first regular session of the calendar year Thursday night.

Councilmen discussed and okayed several changes to be made in the city hall remodeling project, and decided to lock the sanitary landfill operation on weekends and at night.

Gasoline and oil bids submitted by eight companies were received by the councilmen and opened at the beginning of the meeting, and comparisons of the bids revealed that Bawcom's bid was the lowest.

Gene Ratliff's bid was the second lowest — \$8,365.50 for the year's estimated consumption of gasoline and oil.

Third lowest bid was submitted by Gulf

Oil — \$8,433.

Others submitting bids were Oscar Wilemon Oil Co., Pierce Oil Co., Littlefield Butane, Jim's Conoco, and Texaco, Inc.

Councilmen discussed the possibilities of utilizing upstairs office space in a different manner than is presently used, and decided the change would be better.

City Manager Pat Bradley explained a sliding map arrangement for the front of the council room, and recommended to the councilmen that the east windows be closed in from the inside. The appearance from outside would not be changed, and louvered shutters will be installed between paneling and the windows.

Beginning March 1, the city's sanitary landfill operation will be locked after 5 on week days, and all weekend, in compliance with a state law.

The grounds will be open from 8 a.m. until 5 p.m. weekdays, and will be manned during that time. Other portions of the law require that there be no burning, no scavaging, and limited access be made.

Councilmen granted a request for placement of a street light on Griffin Street, and read a letter from Diversified Communication Investors, Inc.,

FIRST GRADE TEACHER Jan Martindale takes her medicine pleasantly while consoling her student, Tomla Westmoreland, after receiving her TV test Friday morning in the nurse's office of the Primary building. Mrs. Alpha Peterson, RN, from the TB Control, Region 10, Lubbock, gives her the test, while Christelle Harvey, LVN, looks on. Approximately 22 rooms of students took the tests, including primary students, junior high, Satellite children and state children. Barbara Simington, RN and Doris Scott, RN, were on hand to assist.

Reward Set For Arson

A reward is offered for information that leads to the conviction of the person or persons who set fire to the Pete Estrada home at 1101 E. 15th late Friday night.

One of Estrada's neighbors called the fire department just before midnight Friday.

One bedroom was completely gutted before the fire was extinguished. Leon Durham, fire chief, said he estimated about \$7,000 in damages.

Mr. and Mrs. Estrada were both working at the time of the fire. They do janitorial work after closing hours for several Littlefield businesses.

Fire chief Durham said the fire was definitely arson. The department recovered a can that was used to pour coal oil over the house. Fingerprints have been turned over to authorities, also.

The bedroom that was destroyed had had coal oil poured over it. Papers were spread from that bedroom into the other rooms of the house and coal oil had been poured over the papers. The carpet in the living room had been saturated, also.

The standard \$100 reward is offered for information leading to conviction of the person or persons responsible. In addition, further rewards may be offered.

Flu Rampages Through County

Flu has continued to keep down much of the adult population and approximately 13 percent of students in Littlefield schools the past week, according to a check with Lamb County Health Officer Dr. J.H. Oyer, and Littlefield School Superintendent Paul Jones.

Dr. Oyer states that Littlefield does have an epidemic of the flu, and that the best advice he can give to patients is to "stay in bed, drink lots of water, and take aspirin for the pain."

According to Mrs. Edna Mae Mangum at Littlefield High School, an average of 30 students were absent every day this past week—nearly 10 percent of the 350 students enrolled.

Mrs. Maurine Chisholm in the Superintendent's office noted that a few of the teachers were out of service due to the flu.

Dr. Oyer states that he has recently treated outbreaks of chicken pox, Rubella measles, strep throat and now the influenza. Each appeared to have their own epidemic periods, then another would begin.

Most schools in cities in the Panhandle-South Plains area have suffered drops in attendance because of the flu or pneumonia, and Floydada's schools were closed Thursday to allow students to recuperate by Monday.

Many hospitals in the area have reported full rooms, and are admitting only the worst cases.

Pep Homecoming

The Annual Homecoming of Pep Ex-Students Association will begin with registration at the school at 5:30 p.m. Saturday, Jan. 29. A banquet will follow at 6:30 p.m. in the school cafeteria, with M. G. Gary serving as master of ceremonies.

Several recognitions are to be made, and the 1972 Homecoming Queen will be crowned.

PLAYER Dennis Hartley, left, and JV griddler Kenny Owens, were heralded Most Valuable Players at the Littlefield Quarterback Annual Football Banquet Thursday night. They flank head coach Blakely and the district 3-AA trophy. Blakely was named Class AA Coach of the Year for 1971. He garnered coach of the year honors two years as a mentor.

Athletic Banquet Honors Wildcats

RODGERS

Cowboy didn't make it to the track Club's Athletic Banquet Thursday night, but QB members, coaches and administrators abundantly clear they weren't "snoring Dixie" when they turned over the district football champs to the junior varsity.

Blakely, the Wildcat head coach and the 1970 celler dwellers in 3-AA, turned over the district crown (and earned himself Coach of the Year honors), to the individual grid awards.

Giles and Danny Estrada received defensive back and defensive end honors. Previously both made the all-district and team All-State selections, and Funk earned All-State and the second team All-State honors.

The coaching staff presented Ralph Blevins running back trophy to Blevins gained the offensive MVP nod for the junior varsity.

Blakely was crowned Football MVP and presented with a dozen red roses. Mary Davidson and Blakely were chosen by the players.

Hostesses Debra McAnally, Debbie

Sorley, Cynthia Adair, Carolyn Gray, Carol French and Tonya Pickrell were recognized for the spirit they promote. These six and bell ringer Linda McAnally and mascot Marsha Starnes were applauded.

The element of surprise that surrounded the banquet speaker turned out to be Stuttering Sam Hunter from Tulsa, Okla. In the guise of killing time until the speaker arrived, the head scratching, stuttering pro was introduced as a grid scout from WTSU. He got his tongue wrapped around his eye teeth and said he was glad to be in an institution of this "snort" where you can meet and "shake each other down." Then he used his "canoodle" and made his point that the 50 states were like 50 teams all working for the same goal.

New QB Club officers are Billy Grant, president; Warren Dayton, vice president; David Hamblin, secretary-treasurer; Russell Blevins and Orville Bassett, directors.

See other photos page 12.

MRS. ADDIE ABERNATHY, Lamb County March of Dimes chairman, looks over the campaign newsbooklet for the 1972 March of Dimes drive. The drive begins in Littlefield Monday night. Mrs. Abernathy has served the county-wide chairmanship six years, and states that she drives have helped several nurses and doctors with scholarships, and aided several children in correction of birth defects.

Wildcat Band Members Take All-Region Awards

Wildcat Band members walked away with a majority of the All-Region Band awards after a series of individual tryouts in Lubbock last Saturday.

Eighteen LHS Wildcat Band members were selected to fill approximately 115 positions on the AA, A and B Region 16 All-Region Band from among 32 school bands.

Wildcats making the All-Region honors are Thiess Bingham, Barbara McBride

and Mari Bennett on the flute.

Carol White, Karol Terry, Debbie Sorley and Karen Walker are All-Region clarinet selections.

Shannon Hatley is Littlefield's All-Region alto clarinetist.

Mark Rogers and Annette Henry will play the bassoon in the All-Region concert.

Karen Drake made the elite list on her alto sax.

Johnny Wimberly and Tandy Talburt are All-Region selections for coronet players.

Jill Owens and Carol French will play the French horn in the concert.

Wayne Debusk and Andy Rogers are All-Region basses; and David Barton is the baritone.

Rehearsals for the concert begins Thursday night, continues all day Friday and through Saturday morning. The All-Region concert will be performed at Coronado High School at 7 p.m. Saturday, Jan. 29.

Dimes Drive Begins Monday

Littlefield mothers will march throughout the city Monday night ringing doorbells and soliciting funds for the March of Dimes campaign.

The annual campaign is on behalf of the Mothers' March against birth defects, and funds are spent on research in medicine and treatment for birth defects.

Jane Maddox, chairman of the drive, has asked that citizens support the drive. "Until we can protect approximately a quarter of a million infants every year from lifelong handicaps, everyone must help," she explains. "In recent years, an increasing number of men have offered their help, too."

She cited the rubella vaccine, Rh serum and rapid advances in treatment at birth "exciting progress in the quest for a healthy birthright for all children."

Volunteers interested in helping with the drive may call Joan Johnson, co-chairman at 385-4310.

No Deadline

There is no longer a deadline for registering to vote, but registration at the tax-assessor-collector's office is at about the same point or possibly ahead of the number who had registered last year when the deadline was the last day of January.

Voters are urged to get their registration in since this is an election year.

Under the new system, a person eligible to vote must register 30 days before an election.

Last year the 18-19 and 20-year olds who registered were kept separate from those 21-years-old and over, but this year there is no reason to separate the newly enfranchised young voters since they can vote in city, county and district elections as well as state and national.

This year may be the last year voters have to register, if they exercise their voting rights. Under the new state law, when a person registers now it will be for three years. Then by voting in any election during those three years, the registration is automatically renewed for another three years.

Applications for registration were mailed out with tax statements. Registering is a very simple matter if these applications are signed and brought in or mailed to the tax office.

Several county officials' terms are expiring this year. The primary election will be in May 6. Then the general election will be in November.

The tax-assessor-collector's office will mail extra voter registration forms if necessary.

Those who are about to become 18 years old may register 30 days before their 18th birthday, or any time thereafter.

There is no single voter registration deadline under the new system, but each election carries its own deadline.

The county has to have its first voter registration list ready by March 1, so voters are urged to register as soon as possible.

Police Investigate Vandalism, 1 Jailed

Employees at Case Power and Equipment reported to city police Thursday that a soft drink bottle had been thrown through the plate glass window on the north side.

Police are making investigation of the incident.

Saturday morning, police arrested an adult male, and charged him with drunk in public. He was still in jail at presstime Saturday, pending trial by the judge.

An adult woman, who was serving time in the city jail to pay off two fines she owed before she was jailed recently for disturbance by affray, was released to Lubbock authorities Thursday. She was picked up on a traffic warrant.

Probated Sentences Given Two Men

Two Littlefield men were sentenced in district court in Hereford Friday.

Trial proceedings started Thursday for Gene Mixon and Chip Stewart who were charged with felony theft of grain from an elevator in Deaf Smith County last January.

Mixon received a 10-year probated sentence and Stewart got a four-year probated sentence.

Loretta Reid Presides At Sorority Meet

SUDAN—The Iota Eta Chapter of Epsilon Sigma Alpha met for their regular meeting Thursday, Jan. 6, in the home of Alma Lumpkin, with Martha Markham as co-hostess. President Loretta Reid presided during the business meeting, when plans were discussed for a clothing drive for the Lubbock State School. A "thank you" letter, from the State School, was read, stating their appreciation for the Christmas stockings from Iota Eta Chapter. A note was also read from Gristown thanking them for a gift of linens. Tu Tu King was elected to represent the Sudan Chapter in the Beauty Contest which will be held in Tulsa at a later date. The program "Drug Interactions" was presented by Loretta Reid. Attending were Glynna Harrison, Mary Cowart, Waynette Fisher, Charlene Blume, Pam Wiseman, Ruth Vincent, Tu Tu King, Loretta Reid, Mary Tollett, Maxine Nichols, and Alma Lumpkin and Martha Markham.

Be-Little Club Names Queen

The Be-Little TOPS Club members named Dana Dirickson queen for the week during their regular meeting Tuesday night. Runner-up for the title was Audrey Long, who had lost next to the most pounds. Hazel Davis, chairman presided for the session, and Allene Dirickson was presented a gift in recognition for a years perfect attendance. Dona Dirickson was recognized for having attended eight weeks in a row. A poem, "Food For Thought", was read by Rose Zubra, and a letter from the Snyder Club concerning the A.R.D., to held March 25, was read to the members. Twelve members were present, and secret pal cards and gifts were exchanged.

Mrs. Hollis Smith Guest Speaker For Study Club

AMHERST—The Amherst Study Club met Monday evening, in the home of Mrs. Lester La Grange, for their "Americanism Day Program." Mrs. Ray Blessing and Mrs. Sterl Harmon were co-hostesses.

The program was, "Today's Task: Improving the Quality of our Surroundings." Mrs. Hollis Smith of Littlefield was guest speaker. Her subject was "Personal Concerns and Action — Civic Pride." She was introduced by Mrs. Homer Peel, program chairman. Roll Call was answered with "an ecology tip I'd like to share."

Program On Crafts Presented To Forum

The Forum met Thursday night, Jan. 13, in the home of Mrs. Oleene Gibson. Mr. and Mrs. Raymond Roycroft presented the program, demonstrating how to do some crafts, and then had members to participate in trying them. In a business session, presided over by Mrs. Robert Richey, Forum president, the Benevolence Committee reported acknowledgement of the reception of a box of Christmas presents sent by The Forum for patients at the State Hospital at Wichita Falls. The Fine Arts, Education, and Religion Committee reported the local art news that Mrs. Hazel Ward's high school art class is making preparations to paint storybook murals on the walls of the Primary School halls. Mrs. Richey reminded members that one of the scheduled projects of the club is the upcoming March of Dimes campaign.

Mrs. T. L. Dunlap, a guest, showed and discussed with members decorations which The Forum is being asked to make for use at the district convention of Women's Clubs, which will be held in the spring at Lubbock.

Sorority Plans Dimes Drive

Glenda Young, member of Texas Tau Chi Chapter of Beta Sigma Phi, stated she "would like to remind the public of the March of Dimes Drive Monday evening, Jan. 24, beginning at 6:30 p.m." Members of Beta Sigma Phi will be going from door to door, asking for donations to this worthy cause. "It would be helpful and appreciated if people would turn on their porch lights," Glenda added.

HARD JOB
Pick a day to quit smoking cigarettes. It's not always easy to quit, the American Cancer Society admits, but it could save your life from lung cancer.

"All tied up" usually suggests that one's movements are restricted.

But to us, "all tied up" means good things. For example, this year we'll complete building a transmission line that will enable us to move electric power to the Public Service Company of Oklahoma... maybe even as far away as the East Coast. Or, to bring electric power into our system from far-away places.

Either way, it's a good deal for you — our customer. It means efficiency in the distribution of electric power and it means firming up dependability.

ELECTRICITY—IT DOES SO MUCH GOOD
Yes, "all tied up" means we'll be — so you won't be!

A PICKUP pulling a load of cotton to the gin was side-swiped by this cattle truck Thursday and resulted in extensive property damage. The accident occurred about two miles west of Sudan on U. S. 84. Porfirio Salamanca was driving the pickup owned by Ray Wood of Sudan. Both vehicles were traveling east. Patrolman Weldon Parson said the truck driver apparently misjudged the speed of the trailer and started to change lanes too late. The truck cab hit the rear of the trailer than skidded into the median. Allen Hinchey of Chilton was driving the truck owned by Bill Smith of Lott.

Patrol Investigates Eight Wrecks

The Texas Highway Patrol investigated eight accidents on rural highways in Lamb County during the month of December, according to Sergeant Keffer, Highway Patrol supervisor of this area. These crashes resulted in four persons injured. The rural accident summary for this county during the calendar year of 1971 shows a total of 97 accidents resulting in five persons killed and 47 persons injured. The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region during the calendar year of 1971, shows a total of 6,509 accidents resulting in 264 persons killed and 3,594 persons injured.

FELLOW DOWN TOWN declares that the reading of my wanderings is a waste of HIS time. Notice he's always ready with his criticisms when I get too far off his ideas—Guess he's still wastin' his time.

IF PHASE II is workin', guess we'll SURE be in trouble, come phase III.

FINALLY, some bright politician will come up with the idea that the best way to cure inflation is to raise taxes again. When we don't have any money left AFTER taxes, we're sure to stop our wild spendin'.

NO, NO DALLAS COWBOY showed up at the football banquet, Thursday nite. Many of us are STILL wonderin', what happen?—Well, somebody kinda 'loose-herded' th' truth!

GUESS, AS FAR AS our local firemen are concerned, Hell will be full of burning grain-elevators!

MR. GEO. MAHON says that at the present rate, the national debt will soon amount to "Googol"—Looked the word up (or looked FOR it) in mu' dictionary. ('Twasn't there). Anyhoo, for the benefit of you uneducated, it means, "The Most"—Shucks, so THAT'S what our young'uns have been talkin' about! Don't sweat it tho, we're only droppin'...

about forty billions in the hole this time.—Pocket change.—eh?

HEARD A FELLOW say, the other night, "I don't belong to ANY political party.—I'm just a plain ol' Democrat!"

SOMEHOW, that certain uneasy feelin' comes over me when I hear that Congress is in session again!

"KEEP POLITICS outta' Congress," advises Nixon. Shux, we'd be better off if we could keep the "POLITICIANS" outta' Washington!

WANTA' KNOW HOW it feels to be ignore?—Might ask Sen. Kennedy.

NOW THAT the Supreme Court has a full house once more, wonder how long it'll take them to eat up the rest of the constitution?

THE LITTLE NOTATIONS on mu' paycheck, tell me I'm still payin' Social Security. Oh, well, I can dream, can't I?

THEY TELL ME that livin' in the past is a sure sign of old age. Well, one thing for sure, the past don't hurt like the present, and the prospect of the future!

YUP, TIME FLIES.—But not nearly so fast as a Christmas bonus!

THE ABUNDANT LIFE

Serving Our City

By BOB WEAR

IT IS STRANGE, but true, that many people in a community assume a somewhat detached attitude. Some are as nearly completely withdrawn as possible.

THERE IS NOT ENOUGH of "we", and there is too much of "they". From many sources, and in a variety of ways, people can be heard to say, "Why don't they do something?"

This may be a justified question once in a while, but most of the time it is not.

MORE COOPERATION, and less criticism will always help all of us; and improve the common good. Many people who try to serve the city in which they live eventually give up, because of the unbalance in distribution of community responsibility.

Too many people drag their feet. Some even work as obstructionists.

IT IS TRUE that some persons, because of background and training, may be able and willing to do more than others.

This is as it should be; however, each inhabitant can make a worthwhile contribution of service to his city. In a very real sense, whatever we do in this area of service; we do for ourselves, too.

EACH INDIVIDUAL, and all ages of persons can contribute to the beauty, the cleanliness, the good order, the friendliness, the neighborliness and to the general betterment of the city.

We do these things by doing our best with what we have, where we are, and when we can.

PRIDE AND APPRECIATION should

be the dominant feelings we have toward our community.

Too many of us, perhaps all of us to some degree, are inclined to take for granted the benefits we receive from our city. Many of us may not fully realize just how many good things we are receiving.

How many of us know all that is involved in the creation and maintenance of these services?

YES, WE PAY for some things, but, in many instances, we do not pay on the basis of real value.

Eliminating the things for which we pay, there are numerous remaining benefits available to us. Do we accept these blessings with or without an awareness of the attending obligations?

ARE WE GRATEFUL, or just indifferent? If our attitudes are right and intelligent, we will not only be grateful; but will express our gratitude in word and deed.

We will actually become an asset to our city. This is so much better than being a liability.

CHEERFUL SERVICE is the debt we owe. We can serve as individuals, or as members of organized groups. We can serve by supporting and encouraging those who are serving in special ways and in key positions.

"DOING GOOD is the only certainly happy action of a man's life." — Sidney.

YOU, IN YOUR WAY, and I in my way, and all of us working together can help make our city a better place to live.

EDITORIAL

Forever...

HOW LONG is forever?

It depends upon who you are. To an innocent child born with the burden of a defect of mind or body, it is literally as long as he lives — unless we all help.

AND WE CAN HELP. The National Foundation-March of Dimes says.

New breakthroughs in genetics, immunology and other medical sciences are showing the way to actually prevent these tragic "accidents of nature" that strike some 250,000 American babies each year.

TODAY IT IS POSSIBLE to discover and cope with certain of these tragedies even before birth — and even earlier, even before conception. Genetic counseling can tell prospective parents what the risks are of their having a child with some kind of defect.

Vaccines against rubella (German measles) and Rh blood disease can prevent literally thousands of cases of blindness, deafness, heart damage, mental retardation and other defects.

THESE, AND OTHER scientific marvels still in the laboratory stage, can reduce the toll. But only if we help, only if we lend a hand to the March of Dimes.

It supports more than 100 medical service programs around the country which attack the problem from every level: research, treatment, rehabilitation, prenatal care and professional and public health education.

Let's get behind the March of Dimes tomorrow night. They deserve our support.

To put it the March of Dimes way: "Birth defects are forever... unless you help."

OBITUARIES

CURTIS C. OVERMAN

Funeral services for Curtis C. Overman, 62, of Wilson and former Whitharal resident, who died Tuesday morning in Lubbock's University Hospital following an apparent heart attack, were held Thursday afternoon in New Home Baptist Church.

Rev. M.D. Durham of Lubbock and Rev. Paul McClung of Morton, officiated. Burial was in the Tahoka Cemetery, with White Funeral Home in charge of arrangements.

Overman was a native of Winters, and moved to Lynn County in 1960 from Whitharal. He was a farmer, and was a longtime member and deacon of the New Home Baptist Church.

Surviving are his wife, Ruby; two daughters, Mrs. Linda Kennedy of Lubbock and Mrs. Carolyn Wright of Albuquerque, N.M.; three sons, Jerry L. Overman and Rodney Overman, both of Lubbock and Randy Overman of the home; a sister, Mrs. Jewel Smith of Albuquerque, N.M.; and six grandchildren.

G.L. "Dave" McLELLAND

G. L. "Dave" McLelland, 63, of Amherst, died Friday, Jan. 21, in Medical Arts Hospital in Littlefield following a long illness.

Funeral services are scheduled for 2:30 p.m. today at the First Baptist Church in Amherst. Rev. Glenn Willson, pastor, will officiate, and burial will be in Littlefield Memorial Park, with Payne Funeral Home of Amherst in charge of arrangements.

McLelland came to Lamb County in 1945, and lived in the Fieldton community for many years before going to Amherst two years ago because of illness.

He is survived by his wife, Winnie Mae; three sons, Bill McLelland of Tyler, Max McLelland of Amherst and Arthur McLelland of Littlefield; three daughters, Mrs. Wanda Thompson of Spade, Mrs. Betty Mott and Mrs. Joyce Richie, both of Lubbock; three brothers, Tom McLelland and Chess McLelland, both of Los Angeles, Calif.; and Bob McLelland of Downey, Calif.; and 18 grandchildren.

WILLIE EDD BYRD

Funeral services for Willie Edd Byrd, 82, of Amherst, who was dead on arrival at South Plains Hospital after he collapsed in his yard early Wednesday afternoon, were conducted Saturday morning in the First Baptist Church of Amherst.

Rev. Glenn Willson, pastor, officiated, and burial was in the Littlefield Memorial Park, with Payne Funeral Home in charge of arrangements.

Byrd had lived in Hall County 14 years and in Gray County near McLean a year prior to moving to a farm southwest of Amherst in 1929.

Surviving are a son, Roy Byrd of Vivian, S.D.; four daughters, Mrs. Gladys Evans of Deming, N.M., Mrs. Jewel Wood of Moab, Utah, Mrs. Ruth Mogg of Hale Center, and Mrs. Fay Cawthon of Tucumcari, N.M.; three sisters, a brother; and 27 grandchildren.

MRS. MARY CAMP

Funeral services for Mrs. Mary Camp, 84, of Amherst, who died Friday night, Jan. 21, in South Plains Hospital in Amherst following an extended illness, are scheduled for 4 p.m. today in Amherst's First Baptist Church.

Rev. Glenn Willson, pastor, will officiate, and burial will be in the old Runnels Cemetery at Ballinger Monday. Payne Funeral Home of Amherst will handle the arrangements.

Mrs. Camp had resided in Amherst since the death of her husband in 1958.

She is survived by three sons, D. B. Camp of Levelland, Bernis Camp of Muleshoe, Joe Camp of Clovis, N.M.; three daughters, Mrs. Loyd Pryor of Amherst, Mrs. Marvin Drake of Bula and Mrs. Tommie Seymour of Sudan; a sister, Lillian Barnett of Ballinger; 16 grandchildren; and 16 great-grandchildren.

JIMMIE JOE INMAN

Funeral services for Jimmie Joe Inman, 40, of Borger, who was found dead Thursday morning at an oil well he was treating with acid northwest of Sunnett, were conducted Saturday afternoon in the Gardner Street Church of Christ in Borger.

An autopsy revealed that he apparently died of a heart attack.

He was a brother of Mrs. Annetta Atkins of Littlefield.

Officiating was J. R. Chism, minister, and burial was in West Lawn Memorial Park Cemetery, with Simpson Funeral Directors of Borger in charge of arrangements.

Inman was an employe of Road Runner, Inc., a Borger tank-trucking firm that treats wells. He was pronounced dead at the scene by R. S. Christian, Hutchinson County justice of the peace.

He had lived at Sunnett 30 years, and was a long time resident of Borger.

Survivors include his wife; two daughters, Marsha Inman and Patti Inman, both of the home; his mother, Mrs. V. J. Richardson of Fritch; and one sister, Mrs. Annetta Atkins of Littlefield.

HIGHLIGHTS AND SIDELIGHTS

From The State Capital

By — Bill Boykin
Texas Press Association

AN INTERESTING political poll was taken at the Gulf Coast Press Association's board of directors' meeting in Houston Jan. 8. Fourteen newspaper publishers were asked: "Who do you think will win the 1972 Governor's race in Texas?"

Seven said Lt. Gov. Ben Barnes, four named Dolph Briscoe and two listed Gov. Preston Smith.

The same editors were asked about their vote.

Eleven voted for Dolph Briscoe, two for Lt. Gov. Ben Barnes and one for Governor Smith.

SENATE CAMPAIGN—

The 1972 political campaigns moved into full swing with announcement by former U.S. Sen. Ralph W. Yarborough that he would make a comeback try for a Senate seat.

Yarborough, 68, revealed his plans in a series of whirlwind news conferences at Austin, Houston, Dallas, Fort Worth and San Antonio. He seeks the Democratic nomination to oppose Republican Sen. John Tower.

Barefoot Sanders of Dallas, already running for the Senate as a Democrat, welcomed onetime political ally Yarborough to the race as "one of our fine senior citizens." He said both Yarborough and Tower "are out of touch with the majority of Texans."

Yarborough said he had never had so successful a campaign opening day. He stressed his nearly 14 years' experience as a progressive senator, and said in answer to questions about his age: "I'll be around campaigning as long hours as anybody else, if not longer."

The former senator's entry took some of the spotlight away from the warming governor's race where Gov. Preston Smith, Lt. Gov. Ben Barnes and Uvalde rancher Dolph Briscoe are starting to mix it up.

Five Democratic candidates are moving around the state in the lieutenant governor's race.

Treasurer Jesse James, Comptroller of Public Accounts Robert S. Calvert and Commissioner of Agriculture John C. White during the last week announced for re-election. Calvert and James are expected to draw some opposition.

State Rep. Francis Farenthold of Corpus Christi announced she is "taking a serious look" at prospects for a gubernatorial race, but has not ruled out challenging Atty. Gen. Crawford Martin.

DECISION APPEALED

The State Board of Education voted unanimously to appeal the monumental federal court decision that the Texas property tax method of financing schools is unconstitutional.

Meanwhile, the Board assumed responsibility for drafting a new plan for supporting the school system and ordered a task force be formed to do the study job in the event an appeal to the U.S. Supreme Court fails.

The state, according to Texas Research League, has several options. One is full state financing, which by 1974 would require an expenditure of a billion dollars a year just to maintain the status quo.

Another alternative is state-local financing that would provide approximately equal resources for each child. The League suggested redrawing district boundaries to redistribute property values or superimposing multi-district taxing regions over present operating districts to provide equalization by regions.

A decision, the League noted, must be made as to whether the goal is educational expenditures at the present level in rich districts or at a lower "average level." The latter would mean reducing the number of teachers and lowering salary supplements in some districts to create more positions and higher salaries in the poor districts.

REPUBLICANS EAGER—

Texas Republicans in a recent meeting here boasted of wide-open opportunities in 1972 presidential and U.S. Senate races, for doubled state legislative strength and possible election of a governor.

Scandals in state government and prospects of single-member House (legislative) districts offer the GOP its biggest chance to elect candidates and achieve reform through two-party government., the Republican State Executive Committee was told repeatedly.

The GOP issued verbal invitations to unhappy Democrats and Independents, regardless of political philopies, to enlist in Republican ranks.

AG OPINIONS—

Atty. Gen. Crawford C. Martin declared the controversial new code of ethics for state and local officials unconstitutional, and was commended by Governor Smith and Secretary of State Bob Bullock.

In other recent opinions, Martin concluded:

* A school of veterinary and zoological medicine at Texas Tech University can be approved by simple majority vote of the Coordinating Board, Texas College and University System. New and separate institutions require a two-thirds vote of the Board.

* A witness in a criminal case under subpoena is entitled to mileage and witness fees.

* Jim Wells County Commissioners redistricting of commissioners precincts August 11 is void due to failure to publish notice of changes.

* Fees dedicated to the Real Estate Research Center at Texas A&M University are not in the state treasury and do not need to be appropriated by the legislature.

CUTS ORDERED—
The State Insurance Board has directed lower collision insurance premiums for motorists whose cars are equipped with new damage-resistant bumpers. No domestic manufacturers have yet certified cars that meet the standards, however.

Twenty percent discounts were offered for 1972 cars with bumpers that can stand a five-mile-per-hour collision, front or rear, without damage. Fifteen percent cuts will be in force for new cars with bumpers which can stand a five-mile-per-hour end crash and a two-and-a-half-mile-per-hour side impact.

Ten per cent reductions apply for autos sustaining a five-mph front and a half-mph rear collision without damage to lights, fuel, exhaust, cooling, latching systems or to the occupants themselves.

URANIUM MINING EYED—

Street-by-street tests with scanning equipment to record abnormal radioactivity from uranium operations will be made in the South Plains area.

Air and ground surveys by the Health Department have disclosed evidence of public health hazards. None is anticipated by S.H.D. Health problems have been reported in Colorado where gas released by uranium in tailings or wastes after uranium is extracted. The wastes were used for construction fill.

Towns to be covered in the scans include Floresville, Karnes, Kenedy, Three Rivers, George, Tilden, Pleasanton, Leming, Hobson, Falls City, Helena, Pampa, Coy City, Lenz, Caesar, Pawnee, Oakville, Simmons, Calham, Wagon, Peggy, Campbellton, Christine, and Caughran. Uranium mills operate in Falls City and near Three Rivers.

PARTY REFORM

New state Democratic reform rules generally-favorable reaction in a public hearing before a 23-member sub-committee here.

A final draft is due to be reviewed by State Democratic Executive Committee rules sub-panel January 29 before passed along to the full SDEC in February. SDEC Chairman Roy DeSoto predicted approval of the guidelines in essentially the same form they were offered at the hearing.

The rules are designed to insure conventions and encourage participation by minorities, youth, women and other rival presidential candidates. Activities will be open to 18-year-old Governor Smith predicted the proposed would give Texas a "chance" proof" delegation to the Miami Democratic national convention.

APPOINTMENTS—

Governor Smith appointed Ben Cannady of Port Arthur to the Ye Land Board.

Smith also named Tate McCullough of Palestine 87th district judge; Jerry Sandel of Huntsville 12th district attorney; E.T. Summers Jr. of Cuero to Guadalupe Blanco River Authority board of directors (reappointed) William A. Clifton of Lubbock as Canadian River Commission; Harry O. Reardon of Paso and Edwin J. Terry of Brown as the Real Estate Commission; Charles Duke of San Antonio, Beaman Felt of Fort Worth to Texas Turpicks Authority.

The governor selected Charles (Chick) Morris, formerly of Lubbock, as his assistant press secretary.

SHORT SNORTS

Governor Smith is considering recommendation for a statewide stamp program which would call for \$17 million in state aid to counties would produce \$266 million in assistance for the needy.

GOVERNOR Preston Smith and Dr. John E. Hutchison, Texas Agricultural Extension Service director, discuss the proclamation which designates this week as '3.76 in '76 Week in Texas.

'3.76 In '76 Week' Now Being Observed

The week of Jan. 17-23 has been designated as "3.76 in '76" Week by Governor Preston Smith.

"3.76 in '76" is the slogan of the statewide program of the Texas Agricultural Extension Service designed to increase agricultural income to \$3.76 billion by 1976.

The income boosting program was initiated in January, 1970, with the objective of increasing Texas' gross agricultural income by \$1 billion over a six-year period.

Total cash receipts from agriculture in 1971 totaled just over \$3.5 billion, according to Dr. John E. Hutchison, Extension Service director. This was a \$287 million, or nine per cent, increase in agricultural income over 1970.

"We are well on the way to reaching our goal of \$3.76 billion in agricultural income by 1976," notes the director. In fact, at the present rate of increase, we should exceed the \$4 billion mark in annual agricultural income by 1976."

Of the 1971 total cash receipts, crops accounted for \$1.195 billion while livestock accounted for \$2.213 billion. An additional \$110 million in income came from agriculturally related activities such as timber production, fish farming and recreational activities.

Agricultural income as relates to the program does not

take into account government payments.

"Intensified educational programs are underway in cooperation with other agencies and organizations concerned with Texas agriculture," points out Hutchison. "We are focusing on reaching the full potential of each economically important agricultural commodity produced in the state."

Production guidelines have been prepared on most agricultural commodities which are based on the latest research information relating to increasing production and marketing efficiency.

Hutchison emphasizes that the income boosting program is supported by each county in the state and that County Program Building Committees are active in planning programs to accomplish the goal of "3.76 in '76."

These committees also provide annual measurements of progress for each commodity important to their county.

An important message for people who prepare their own income tax returns. Maybe you've been cheating yourself all these years.

Every year, between January and April, millions of people sit down to do battle with Uncle Sam. Some are "self styled" accountants. Others think they can save a few dollars doing it themselves - so why not?

The sad truth is, however, no matter what their reason was for starting, many of them end the same. On the short end.

You see, when it comes to income taxes, amateurs should depend on H & R Block. We have all the facilities to help you make "income tax time" a pleasant experience. To begin with, H & R Block now has over 6,000 conveniently located offices manned by thousands of specially trained personnel who are anxious to help you. They'll sit you down over a free cup of coffee and show you some things about your income tax that you might never have known existed. For example, do you know

all about deductions for child casualty losses? And maybe you are aware that if your income increased last year, you may be able to save tax dollars by "income averaging."

Well, when it comes to income taxes, H & R Block is aware of just about everything because we're a company of experts, sleep, and do tax returns 365 days a year.

Yes, maybe you can save a couple of bucks doing your own return - it really may be costing you a lot more by not having your return done by H & R Block.

DON'T LET AN AMATEUR DO H&R BLOCK'S JOB.

H&R Block.
The income tax people.

Butz, Congressman Bob Price has called for the development and announcement of an additional wheat diversion program for 1972.</p> <p>Congressman Price pointed out that current projections for wheat production indicates that farmers will be faced with a surplus in 1972 which would be considerably larger than the surplus crop of the 1971 year.</p> <p>The Congressman emphasized that the 1971 wheat crop produced 128 million bushels more than the 1970 crop and that there are currently 3.5 million acres more of winter wheat under production than at this time last year.</p> <p>The Congressman concluded, "It is evident that unless some action is taken we will be faced with a near record crop, resulting in an unacceptable reduction in farm prices."</p> <p>On another matter, Congressman Price has received word from the Department of Agriculture that Rural Environmental Assistance Program funds for</p> <p>the State of Texas for total \$17,450,000. This \$5 million more than had been approved, about as a result of the Office of Management Budget to approve an additional \$5.5 million 1972 REAP Program amount approved for 1972 now compares with the 1971 REAP total of \$12,490,000.</p> <p>REAP funds are used and water conservation pollution prevention abatement practices, administered by Agricultural Stabilization Conservation Service its farmer-elected com-</p> <p>Congressman commented, "I have to support the REAP in the Congress and that these funds will be available to the benefit of Northwest Texas area and ranchers, both in sound conservation and for providing the supplemental income."</p>

Each evening when the television is turned on, we must decide which show to watch. In like manner, we must decide which religion to follow. And the only way to decide is by investigating all the alternatives and then selecting the one that best fulfills our needs.

Yes, we must investigate. We must look A. D. to the New Testament and the life and teachings of Jesus Christ. Then we must look B. C. to the Old Testament and the lives and teachings of the prophets. Afterwards, we must compare each side and reflect on what we have learned before we can decide between the traditional prophetic B. C. or the new, fulfilled A. D. Choosing a television show is a minor decision compared with choosing a religion and yet some people are more concerned with the television. Many parents don't care which church their children attend, but they spend much time deciding which shows they should be allowed to watch. After all, they don't want their youngsters to be wrongly influenced by some TV show but their religion makes little difference to them.

A. D. or B. C.? Which one for you?

1.76 IN '76' WEEK
Governor Preston Smith has designated the week of Jan. 17-23 as "1.76 in '76 Week, and will be dedicated to the statewide program of the Texas Agricultural Extension Service to increase agricultural income by \$1 billion so as to reach the \$3.76 billion-dollar-a-year mark by 1976. Total cash receipts from agriculture in 1971 totaled just over \$3.5 billion.

ACORNS AS A FOOD?
Several graduate students at Texas A&M University are studying acorns for potential human use. And they are using a panel of squirrels as taste testers. The study involves two approaches—finding nuts of top taste and nutrition, and developing a processing technology to cheaply and quickly remove bitterness found in nearly all acorns.

Oil Exploration Is Scheduled

BTA Oil Producers has staked location for a west offset to an indicated discovery, eight miles southeast of Littlefield in Lamb County.
Designated No. 2 7112 JV-D Anton, the venture is located 660 feet from north and west lines of Labor 21, League 686, State Capitol Lands survey.
It is 1,730 feet west of the firm's No. 1 7112 JV-D Anton, which has indicated production from a section in Clear Fork at 6,648 to 6,663 feet. That zone pumped 38 barrels of new oil, plus 198 barrels of water during a 24-hour test.
The wells are approximately 1 3/8 miles north of production in the Anton, West (Clear Fork) field of Hockley County, although separated from that area by a depleted well.

DEBBIE HAFLEY was crowned Football Queen at the QB Club's Annual Football Banquet Thursday night. Miss Hafley was escorted by Scott McNeese who got the Fighting Heart Award. Candidate Mary Davidson, left, was escorted by Matt Giles, outstanding defensive back. Shelly Grant, right, was escorted by Dennis Hartley, the Wildcat's most valuable player.

TWO COVETED honors went to Scott McNeese and Dennis Hartley. McNeese, left, got the Fighting Heart honor. Dennis Hartley was named the Wildcat's valuable player at the Annual Football Banquet Thursday night.

County Sheriff's Office Jails

Four persons were booked into the Lamb County jail this week, three on charges of driving while intoxicated, subsequent offense, and one on a felony check law violation.

Bond of \$3,000 was set on John Flores Jr., 18-year-old Littlefield resident, after he was charged with forgery, a felony.

Robert Melvin Lewis, 41, Olton, was arrested Thursday by Olton officials and charged with driving while intoxicated. He was released on \$500 bond Friday.

An Amherst man, Ora Jewell Moreland, 45, was charged with driving while intoxicated, early Friday.

Billy Ray Hill, a 33-year-old Marlin resident, was arrested at 2:20 a.m. Friday and charged with driving while intoxicated and carrying a pistol. Bond was set at \$500 on each of the two charges.

An Olton resident reported the theft of rifles, a box of shells, a new tape player and speaker from two pickups.

Greg Smith who lives two miles south of Olton said someone had taken a Winchester 270, a 22 rifle and a box of .45 calibre shells from one pickup, and a second pickup had had a new tape player and speaker removed.

IRS Tax Book At Post Office

A booklet that gives information on how to fill out federal tax returns will be sold at the post office in Littlefield, postmaster George Thompson announced today.

"Your Federal Income Tax" was written by the Internal Revenue Service and contains many examples to illustrate how the tax law applies to actual situations. A special feature of the booklet is the sample, filled-in return, Form 1040, keyed to pages where explanations can be found for each entry on the return.

The 166-page booklet sells for 75 cents a copy.

"By selling this booklet at the post office in Littlefield we are offering a convenient service to our customers," Postmaster Thompson said. "We are participating in a nationwide program to make the tax booklet available to the public in 15,000 post offices."

This publication answers many questions businessmen have about federal income, excise and employment taxes and also contains a 1972 tax calendar with dates for various tax and information returns and payments.

Unwelcome Buck Lands In Lap

You've heard of bees in the bonnet, in the pants and hats in the belly. Are you ready for a deer in your lap?

Bob Maguirk, superintendent of Eisenhower State Park, near Deason, escaped serious injury recently when a car struck a seven-point buck crossing S. Highway 75 near here. The thrashing animal shared the front seat with Maguirk after crashing through the windshield.

Luckily, the thrashing buck expired about the same time Maguirk got the vehicle stopped. The driver was treated at a local hospital for minor cuts and released.

Cats Break Drouth

It was a thrill a minute for the spectators and a dream come true for Coach Dee Blevins and his Wildcats as they dumped the Olton Mustangs, 74-67, here Friday night.

The win keeps the Mustangs in the cellar in District 3-AA basketball and ends a 20-game dry spell for the Wildcats.

The Wildcats trailing at half-time used the opening second half tip-off to their advantage. The tip went to Randy Dayton who passed to Larry Hobratchk who sank a two-pointer and gave Littlefield a one point lead over the Mustangs and the go ahead for the win.

The 'Cats broke loose in the opening stanza and raced to a 21-12 lead at the end of the period.

The Mustangs turned the tables in the second quarter by mustering 24 points and allowing the 'Cats 14 points to take a 36-35 lead at intermission.

In the third quarter the Wildcats took an early four point lead before Olton nudged the lead back to only one point at the end of the third quarter.

Littlefield leading 51-50 going into the fourth quarter spread the gap to as high as 11 points at one time but was choked down by Olton in the closing minutes of the game to the 74-67 win.

J. E. Johnson not only led the 'Cats in scoring with 21 points, but also collected 15 rebounds. Four more Wildcats hit in the

double figures against Olton. They were Randy Dayton and Larry Hobratchk with 12 points each. Jay Trammel and Kenny Carter collected 10 apiece. Alan Mackey hit six.

Olton was paced by Dale Parsons who took game honors by sinking 22 points. Marlos May hit 11 and Keith Workman netted 10.

The Mustangs out per-cented the Wildcats on free throws as Olton averaged 64 per cent and Littlefield hit 56 per cent. The winners hit 43.5 percent from the field.

Bulldogs Nip

Cotton Center, 88-51

The Anton Bulldogs gave Cotton Center their first loop defeat with a 88-51 thumping Friday night.

The district Bulldogs 5-0 were lead by Leroy Medlock with 38 points. All five Bulldogs hit in the double figures during the encounter.

Terry Bradshaw scored 14 for Cotton Center.

Pam Bell sank 22 points toward a losing cause as Cotton Center dumped the Anton feds, 57-49. Marilyn Mills scored 24 for Cotton Center.

LITTLEFIELD'S RANDY COOK is surround by Mustang John Sudduth's (23) arms and is confronted by Olton's Jimmy McCurry (41) while trying to get the ball to Littlefield's Gary Brown (40) in the JV game. The Littlefield JV on the encounter, 42-28.

JV Cats Claw Olton Freshmen

The Littlefield JV added another win to their collection Friday night by dropping the Olton JV, 42-28.

With one of the best basketball seasons posted by any Littlefield basketball team, the JV led Olton at the end of every quarter. The score was 10-6 at the end of the first period, 19-17 at halftime, 30-25

third quarter score and then allowed Olton

three points in the final stanza for a 42-28 point win.

Gary Brown took game honors for the winners with 14 points. Chris Pope hit 13. Kelly Pratt sank seven, Craig Rathliff hit six and Randy Cook netted two.

Olton was paced by Randy McCoy with 11. Monte Chitwood hit seven, and Stan Sampler six.

Pheasant Hunters Not Successful

One-day Texas Panhandle pheasant hunting was down from last year, according to Texas Parks and Wildlife Department officials.

This year took approximately 12,000 pheasants compared to 12,000 last year.

Officials for the department blamed the decrease in harvest on a number of factors including a lower population of pheasants this year and rain and snow before the season.

Bad weather before the season kept farmers from turning under the fields of crop stubble, and during the season hunters had a difficult time hunting areas due to the mud.

Only 35 per cent of the hunters this year were successful. For classifieds call 385-4481.

1972 Play Days Starting Today

Wolverines Win Three

The Springlake-Earth Wolverines ran their second half loop record to 2-0, Friday night as they downed Bovina, 72-62.

Bovina had a 21-18 lead at the end of the first quarter but was capsized in the second stanza as Greg Slover hit a couple of fast Wolverine buckets to lead at the half and the go ahead for the win. Carl Sulser pulled the team out of trouble in the final minutes with a couple of field goals and rebounds in the final quarter as Bovina got within two points of the winners.

Sulser was the top scorer for the Wolverines with 14 points. Slover and Glasscock hit 12 points each. Bryan Sanderson sank 11, Guy Davis hit 10, Mike Cleavinger bucketed eight and Larry Thomas sank five.

Davis took game honors for the losers with 16 points. McMeans and McCain each

got 13 and Steele hit 12. The Wolverines hit 12 out of 22 free shots and Bovina sank 17 of 35.

In the girls' game the Springlake-Earth fens shot off a last quarter threat by Bovina to win, 55-42.

The 15-9, 8-1 girls broke away from a 12-12 first quarter tie to win their second

game in the second round. Janet Brittain bucketed 28 points for the winners. Toni Sanders hit 20, Lisa Morgan five and Darlene Sulser two. Chris Dent led the defense in rebounds.

The Hutto girls, Twilla and Nancy, hit 28 and 16 for the losers.

In "B" boys action, Springlake-Earth dropped Bovina, 63-38.

Spade Clobbers Nazareth Twice

In a District 5-B clash, Spade outpointed Nazareth, 56-37, Friday.

Randy Gray and Gaylon Reed each chipped in 16 points to pace the winners.

Bill Wellhelm hit nine for the losers.

In girls' action, Debbie Myers chunked in 27 points for Spade to lead the Spade fens to a 49-29 win over Nazareth. Judy Kellman had 14 for Nazareth.

AN OLTON GUARD gets the ball during the Littlefield versus Olton girls game only to be towered by Littlefield's Jill Owens (44).

Olton Girls Hit LSH

Jill Owens hit 21 points to a lead as the Littlefield JV girls fell behind. Littlefield had a two-point lead at the end of the first period but tripped in the second quarter as Olton bucketed and allowed the local fens to pass the stanza while Olton hit 13 to give the 20 lead going into the final quarter. Another high scorer for Littlefield Pam Turvaville with nine points. Olton's scorers were Denise Miller, 17, Cynthia Norfleet, 16, Jimmie Miller, 13, Cynthia Johnson, six, and Helen three.

Bula Take Pep In 2 Overtime

In a thrilling Class 6-B encounter, Bula outdistanced Pep, 77-74, in the overtime. The game was 67-67 at the regulation play and 74-74 at the end of the first overtime. Ron Risinger scored two points. Jerry Sowder hit one in the overtime to give the Bulldogs a triumph. Pep did not score in the overtime. Risinger led Bula with 33 points. Dave Shannon scored 27 for Pep. The teams are now tied 4-4 in play, trailing Bledsoe by one game, 16-6 in season play and Pep is 18
