

# Wildcats Claw Tigers 29-0 In First Victory

NOTT  
ed and the Cats won their first  
eference victory of the season  
ne loss and one tie, beating  
to tip.  
ly 27 seconds left in the first  
Quarterback Ronald Parmer  
ly fooled everyone and  
ed 23 yards for the Cats' first of  
d downs. Bill Turner's kick for  
point made it 7-0.  
in the second quarter, with only

16 seconds left in the half, Parmer handed off to Bill Turner on the reverse to Sammy Schlottman, and again fooled the Tigers and ran 13 yards for the Cats' second touchdown in the first half. Turner's extra point kick made the Cats' score 14, Tigers 0.

The Cats didn't score again until 8:46 left in the fourth quarter, with the fine passing of Ronald Parmer to Kip Elms. They took the ball on two receptions

from the Cats' 38-yard line to the middle line stripe.

On first and 10 from the 50, Parmer passed to Stanley Patterson for a 50-yard touchdown with only 8:46 left in the game. Bill Turner's kick for the extra point was good to make it Cats 21, Slaton 0.

The Cats kicked off to Slaton, but it wasn't Slaton's night, as they fumbled on the second play on the Slaton 25 with 7:30 left. The Cats couldn't move the ball

and were forced to hand the ball over to Slaton on downs on the Littlefield 20, with 6:12 left in the game, only to have the ball given back to the Cats by a Slaton fumble on the second down on Slaton's 18-yard line with 6:03 left in the game.

After a 15-yard penalty, against Littlefield for offensive pass interference on the fourth down, Bill Turner attempted a 47-yard field goal. See WILDCATS, Page 16

STANLEY PATTERSON (41) caught two touchdown passes Friday night in Wildcat Stadium and earned 12 points for the Wildcats against the Slaton Tigers. Here he was just stepping across the goal line, avoiding the pursuit of two Tigers. Final score was 29 to 0 in favor of the Wildcats. (Staff Photo by Joella Lovvorn)

## Farmers Hate To Complain Of Too Much Rain -- Yet...

Farmers hate to complain about much rain in this part of the state. Some feel that "Old Man" is a little withholding crop sustaining

moisture during the winter, spring and hot summer months when it was desperately needed, now he is dumping it at a time when farmers need sunshine for area cotton crops.

Although the prolonged wet, cloudy weather could have come at a much more opportune time for cotton and grain sorghum farmers, those who ventured to plant alfalfa, wheat, oats and rye are overjoyed by the rains.

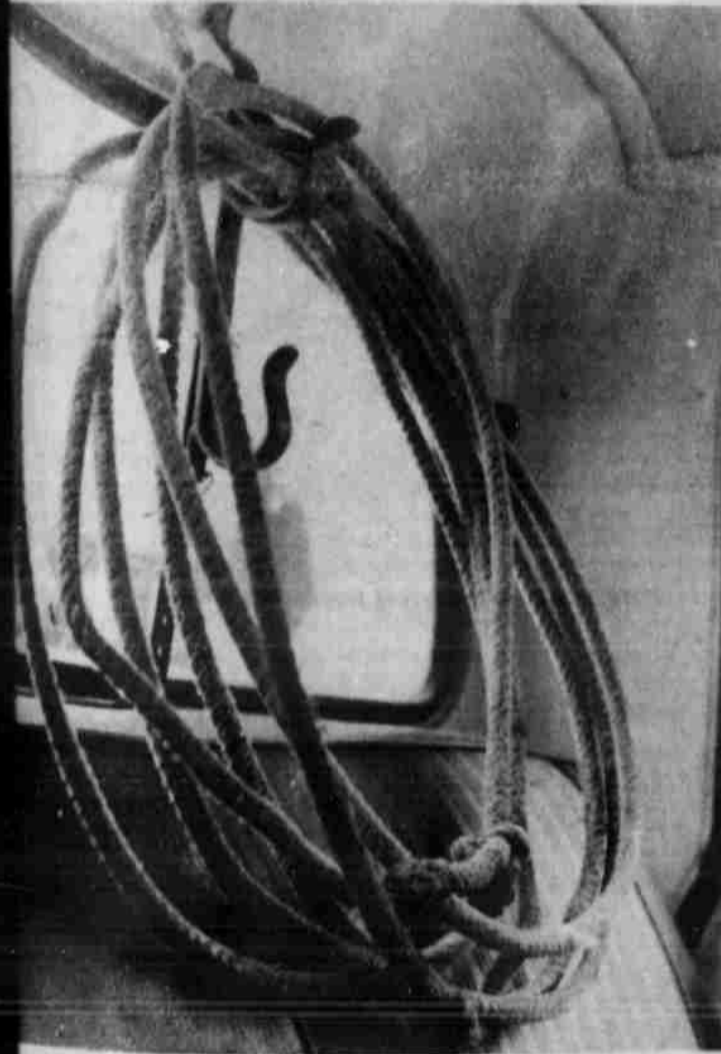

And in this great "next year" country, there isn't a grower who'll attest to the fact that rain anytime helps provide needed underground moisture.

Although cotton was too far gone to be helped in dry areas and too mature to benefit from rains on irrigated land, some sorghum will make use of the late rains. On the other hand, much sorghum has been discolored.

A miracle will be needed to prevent poor micronaire readings on area cotton. The recent rains are just too much moisture for cotton this time of year—and the temperatures took a drop the time when the "mike" will surely be affected.

Temperatures have ranged generally between the late 50s at night and in the low 60s during daytime hours for the past several days. The rainfall totals this week vary from just below two inches to more than four inches.

These figures added to recent rains of six to 10 inches in the August and September figures past "normal" rainfall for this time of year.

HOPE—Farmers say they hate to holler calf rope when it comes to those with cotton and grain sorghum, this week's rains on top of August rains is just the opposite of the dry warm days needed for crops. Farmers are taking an optimistic approach and adding that there is a start toward underground moisture for next year. And those who have planted small grains and alfalfa and ranchers who are on grasses for feeding say "let it rain!" (Staff Photo)

## 'Sew It With Cotton' Contest Set Oct. 12

The Bailey-Lamb Women's Cotton Promotion Association has scheduled its annual "Sew It With Cotton" contest for 1974 Saturday, Oct. 12, in the Littlefield High School Auditorium.

Garments will be judged at 2 p.m. that day, and the style show will begin at 7:30 p.m.

Entry blanks may be obtained from Mrs. Cecil Jones, Box 853, Bula, 79320, and must be returned to her by Oct. 5.

Materials used in the garments must be 100 percent cotton, and a small amount of trimming of another fabric will be acceptable. Cotton bonded to a synthetic is not allowed and a portion of the ensemble may not be bought ready-made.

Accessories which are items not permanently attached, such as belts, dummies, scarves, detachable collars and cuffs, may be any natural or synthetic fabric or other materials such as leather, plastic, etc.

The seamstress must be at least 9 years old by date of the contest, and an original design or commercial pattern

may be used, and the items must be made specifically for the "Sew It With Cotton" contest. After the contest, they may be entered in any other type of contest exhibit or style show.

The contestant will not be limited to the number of entries, and garments formerly entered in a county contest may not be entered in another.

First, second and third prizes will be given to models in each category, and duplicate prizes will be given both boys and girls in the lollipop and play time categories.

Judging will be based on appearance, which is broken into categories of fit, 25 points; suitability of style, 20 points; and eye appeal, 25 points.

The contestant's modeling ability will not be judged, and detailed workmanship will be considered in case of a tie.

Professional seamstresses may not enter, such as currently employed home economics instructors, home demonstration agents, etc.

See 'SEW IT', Page 4

## Water, Sewer, Refuse Rates To Be Increased

Thursday night, Littlefield city councilmen passed ordinances increasing monthly water, sewer and refuse collection rates for the city's residential and commercial users, and heard a proposal from Bill Payne, executive vice president of the Littlefield Chamber of Commerce, who presented guidelines for Littlefield's participation in the Bicentennial Celebration.

In a memorandum to Mayor J. E. Chisholm and the members of the city council, City Manager Jim C. Blagg stated, "Based on 1972-73 cost figures, it now costs the city approximately \$47 per thousand gallons to produce and distribute city water. The revenue for that same period was \$51 per thousand. The cost for collecting and treating waste water for 1972-73 was \$35 per thousand. During this same period, the revenues were only \$23 per thousand, reflecting a net loss for treating the waste water. The overall system had a total of \$65.90 more revenue than cost for the fiscal year 1972-73.

He continued, "Due to the small margin of revenues over costs and due to the fact that since the end of fiscal year 1972-73 (Sept. 30, 1973) we have experienced numerous cost increases, it is therefore recommended that the following rate increases be placed into effect on Oct. 1, 1974: (1) That the water rate schedule be increased by 5 cents per thousand and that the minimum remain at \$3.50; and (2) That the sanitary sewer rate be increased from \$1.50 per month to \$2.50 per month."

Monthly charges for garbage collection are presently \$1.50 for single

family residences, and will go to \$2.50 per unit with the increase. Multi-family residences, or mobile homes with a maximum of four units, will be charged \$2 per unit.

In the commercial category, single offices will be charged \$4; while others will be charged \$6, \$8 or \$10, according to the amount of refuse that has to be hauled off.

The present rates went into effect in 1964.

"We have had an occasion in the last year to examine in depth the operation of our sanitation department. In conjunction with this examination, we have also had the opportunity to look at our cost-revenue relationship. It became quite evident during this study that in order to correct this cost-revenue relationship, that not only would a more efficient system of collection need to be installed, but that our rate structure would also need to be adjusted."

He illustrated the facts with figures. Actual costs for 1972-73 were \$87,410, compared to actual revenues for the same period of \$50,908, leaving a deficit of \$36,502 that had to be subsidized from other city funds.

He further illustrated, that with the new system, when it is finally in operation, he estimated at about the

## PP&K Competition Signup Now Open

It's time to sign up for the Ford dealers 14th Annual Pass, Punt and Kick competition.

The PP&K contest is for grade school and junior high youngsters 8 through 13 years of age. Registration is from Sept. 3 through Oct. 4, and local competition will be held Oct. 5.

Each entrant must be prepared to furnish legal proof of age, such as a birth certificate. Seven-year-olds who will reach their eighth birthday by Dec. 29 may compete. A 13-year-old who becomes 14 on or before Dec. 29 will not be eligible.

There is no cost nor purchase required. Contestants must register on official entry forms at any participating Ford dealership. Each contestant's parent or legal guardian must countersign the official entry form.

Each contestant may enter only once and may not participate in more than one local competition.

Contestants will compete in three categories—punting, passing and kicking. Judges will score one point for each foot the ball travels on the fly, minus one point for each foot the ball lands to the right or left of the center line. Those 8, 9, and 10 will use a junior-size football. Those 11, 12 and 13 will compete with a regulation size ball.

Trophies will be given to the top three winners in each category. Local winners advance to zone competition and may go on to district, area, division semi-finals or even national.

## Voter Qualification Outlined For November General Election

Nov. 5 election date ahead matter of weeks, voters and voters are asking questions concerning election laws. The present "permanent" system, persons who voted in a presidential election, or were registered, still are qualified to vote in the Nov. 5 election. Persons who have not voted previously may make application for a voter registration certificate through the registrar for the general

Voters who have moved since the last election should notify the tax assessor-collector's office in person before Oct. 30 and give their change of address.

At the time of the address change, the voter will be informed of his new precinct polling place.

If a person has lost his registration receipt, he will be able to vote anyway, because the voter's name will appear on the list at the precinct where he casts his vote.

Qualified persons 18 years and older may vote. No proof of age or residency is required for voter registration, but deputies in the tax office should determine a person is of voting age and a resident.

Persons who move from one county to another must re-register 30 days prior to the upcoming election if they wish to vote in their new place of residence.

A cancellation of voter registration certificate will then be mailed to the registrar of the previous county.

People who are unsure of their registration status and re-register through the verification process and create a

real headache to the registrar and all election officials.

The tax office has a record of qualified voters. Anyone who is unsure of their voting status should contact the tax office on the first floor of the county

courthouse and check on their status. Within one 12-month period, six changes were implemented into the voting procedure. The many changes in the voting laws has prompted the state association of tax assessor-collectors to formulate a petition for reform.

## Highway Office Sets Open House Friday

Sept. 22-28 is officially proclaimed Highway Week throughout District Five.

The Littlefield Highway Department in Lamb County will hold an open house Friday, Sept. 27, from 1 to 6 p.m. All interested citizens are invited to attend.

Country music star Eddy Arnold is the national chairman for the observance of National Highway Week, and has used his role as national chairman to call attention to the need for improved highway safety.

"Much has been done to improve highways in recent years," he said. "Our modern Interstate Highways are the safest man has built. Increased em-

phasis has been placed on safety features in the motor vehicle itself. That leaves you and me—the drivers," he said.

Highway Week is sponsored by the American Association of State Highway and Transportation Officials and member state agencies.

In Texas the Texas Highway Department will sponsor a variety of activities during the week, according to State Highway Engineer Luther DeBerry.

Theme for this year's observance is "Better Roads—Better Living." DeBerry said the theme was par-

## Working Class For Adults

Interested in taking an adult class, which is to begin Oct. 7, at Littlefield High School campus. The class is to meet Monday night, 7 p.m. in the woodworking shop. A fee of \$25 will be charged for materials, and classes will meet at 7 p.m.

THURSDAY— Burritos, green salad, corn, strawberry delight and milk.

FRIDAY— Sandwiches, salad, French fries, apple cobbler and milk.

**Ison-Grisham Vows Pledged In Levelland**

Miss Donna Kay Ison and Allen Leon Grisham were united in Holy Matrimony Saturday, Sept. 14, in the College Avenue Baptist Church of Levelland.

The double-ring ceremony was performed by Rev. J. Douglas Thomas, minister of the church.

Vows were spoken before an archway covered with greenery and blue and white flowers and lighted with candles in votive cups.

Parents of the couple are Mr. and Mrs. Ison of Levelland and Mr. and Mrs. Fred Grisham of Littlefield.

The bride, given in marriage by her father, wore a formal-length wedding gown with a natural waist, semi-circular a-line skirt and attached sweep train in polyester organza. The trim was of satin venice lace with a matching waistline veil.

Her bridal bouquet consisted of a cascade of baby white carnations and baby's breath.

For "something old" the bride carried a handkerchief belonging to her grandmother; "something new" was her bridal gown; "something borrowed" were two pearl pins belonging to her mother to attach her bridal veil. She also wore the traditional blue garter and pennies in her shoes minted in the years of their births.

Miss Gail Ison served her sister as maid of honor. She carried a nosegay of white mums and baby's breath.

Bridesmaids were Miss Kathy Kieser and Miss Vicki Blackledge of Levelland. They carried nosegays of white mums and baby's breath. The attendants' dresses were identical formal-length gowns of medium blue polyester crepe with gathered empire-style waist and long puffed sleeves with V-necks.

Brad Grisham was best man for his brother. Groomsmen were Sid Jacobs of Littlefield and Jimmy Risinger of Lubbock.

Flower girl was Lonnie Williams of Amherst. She carried a miniature nosegay fashioned after the bridesmaids'. She wore a formal-length gown of light blue, polyester crepe, fashioned with a gathered waistline, puffed sleeves and jewel neckline.

Carl Krueger of Pueblo, Colo., cousin of the groom, was ring bearer.

Organist was Mrs. Bob Thomman of Levelland, and Miss Cindy Caswell of Levelland presented vocal selections of "O Promise Me" and "The Twelfth of Never".

After repeating the vows, the couple lit the Unity Candle from two smaller tapers symbolizing the two lives becoming one. The stand was decorated with blue and white flowers.

For her daughter's wedding, Mrs. Ison chose a rose formal-length, long sleeve gown of polyester crepe, voile sleeves and silver accessories.

Mrs. Grisham chose a formal-length gown of light

pink chiffon over satin with long voile sleeves.

Each mother wore a corsage of pink carnations.

Mrs. Norris Pool, sister of the bride, presided at the register table.

The reception was held in the Fellowship Hall of the church.

The table was laid with a white lace cloth over blue, featured with a crystal teardrop candle holder with blue candles and blue and white flowers in the center.

The three-tiered wedding cake featured medium blue roses and topped with white wedding bells and bridal wreath. The cake and blue mints, mints and nuts were served in crystal appointments.

Those in the houseparty included Mrs. F. J. Fetsch, Mrs. Curtis Epperson and Miss Melanie Frazier of Levelland, Mrs. Homer Peel of Amherst and Mrs. Leonard Krueger of Colorado.

For their wedding trip to Creed, Colo., the bride wore a princess style dress of light blue and navy with long sleeves and white accessories. Her corsage was lifted from her bouquet.

The couple will reside in Lubbock.

MR. AND MRS. ALLEN GRISHAM

**Anton Study Club Begins 38th Year**

ANTON— The Anton Study Club began its 38th year as a member of the General Federation of Women's Clubs.

and Canrock District Federation of Women's Clubs with a re-assembly meeting the Hayloft Dinner at Lubbock.

The club saw form World— U.S.A. Link, starring in "Chameleon." Other members cast are Calva and Michael Gross. Mrs. Emmet Ke selected for her home for the year. Begins With Us." The Bicentennial will be observed in program projects for the year. Members of the program committee are Mrs. Jack chairman, Mrs. Ed M. Hart, and M. Monroe.

Other officers of the coming year are: Grace, vice president; Pat Byrum, secretary; Mrs. Harrington, corresponding secretary; Mrs. Houston, treasurer; Conkin, parliamentarian; Mrs. Sid Landers.

Mrs. Harold president of Caprock of Tahoka will be speaker at the next meeting held October 7 at Mrs. Jack Grace. Seventeen members Mrs. Bettie Mrs. Joe Garner, Mrs. Watson, Mrs. Roy Gr Mrs. K. W. Wells, member attended the and play.

JACKIE HOWELL AND KYLA MARIE HARMON

**Harmon-Howell Wedding Date Set**

Mr. and Mrs. Jomeryl Harmon wish to announce the engagement and approaching

marriage of their daughter, Kyla Marie, to Jackie Ray Howell, son of Mr. and Mrs. Donny Howell of Littlefield.

The couple will exchange vows on the evening of Nov. 16, at 7:30 in the First United Methodist Church of Amherst. All friends and relatives are invited to attend.

**Fidelis Circle Conducts Meet**

The Fidelis Circle of The United Methodist Women of Littlefield, met in the home of Miss Charlene Smiley Monday night.

Guests and members present were Mrs. Sybil Legate, Seretha Tisdale, Cecil Lora Brown, Mildred Smiley, Lois Phariss, Ina Mae McQuatters, Jess Harlin, Laverne Seay, Hazel Stevens, Mattie Lou Clark, Eros Caldwell, Ruth Wade, Jewell Grant, and the hostess, Miss Charlene Smiley.

Chairperson, Mrs. Ina Mae McQuatters, presided over a brief business session, after which Mrs. Laverne Seay gave the devotional.

The program, "Justice, Liberation, and Development" was led by Mrs. Ruth Wade.

Refreshments were served to the guests and members by the hostess, Miss Charlene Smiley.

**Early Risers To Hear Speaker**

The Early Risers Lions Club will meet at 7 a.m. Tuesday in the Community Center for their regular meeting.

A representative of the West Texas Chapter of the Arthritis Foundation, Mrs. Gee Gee Privitt, will be present to speak on the problems of arthritis.

She is a native of Tahoka, attended the University of Texas in Austin, and served 10 years as a medical secretary in Brownfield.

Prior to becoming district director of the Plains Division of the West Texas Chapter of the Arthritis Foundation, she was the employes insurance coordinator at Texas Tech four and one-half years.

Sodell Black is program chairman for the Early Risers Lions, and will introduce Mrs. Privitt.

**Spade Church Begins Revival**

Revival services will begin tonight at 6 p.m. at the Spade United Methodist Church.

Weekday services will begin at 7:30 Monday through Wednesday, with Johnny Ray Watson leading the singing. Four evangelical Methodist ministers will lead the worship services.

Included will be Rev. Wesley Daniel of Littlefield's First United Methodist

church, who will preach tonight; Rev. Ed Robb of St. Luke's Methodist Church in Lubbock will speak Monday night for youth night; Rev. Carlton Thompson of Plainview will speak Tuesday night; and Rev. Max Brownning of Shallowater will preach Wednesday night.

Rev. Elroy Wisian, pastor, extends an invitation to the public to attend any or all of the services.

**CHEVROLET FOR 1975. CARS THAT MAKE SENSE FOR TODAY.**

Nova LN Sedan

Monza 2+2

**MONZA 2+2** The small car of tomorrow will probably be a little more powerful, handy and comfortable than ever. The 1975 Monza 2+2, shown above, offers this today. It has advances like rectangular headlights set in a soft front end, fold-down rear seat, and a new 4.3-liter V8 engine available.

**NOVA** In the background above, our new Nova LN Sedan. A luxurious Nova with thick carpeting and wide-back reclining front seats. For 1975, all Novas have been emphatically refined along the lines of elegant European sedans. Nova's always been good. Now it's beautiful.

**CAMARO** Our sensibly sporty compact. It looks like a million and drives like it looks.

**WAGONS** Big ones, small ones, in-between ones. Practical wagons that make sense for America. And you.

**IMPALA** America's favorite car continues to provide the room many families need plus plenty of quiet and comfort. Still the great American value.

**CHEVELLE** Mid-size, easy to drive, room for six, mid-priced, strong reputation for value. America's most popular intermediate.

**MONTE CARLO** Its special ability: making you feel good. About the way it looks and drives. About your own taste and judgment.

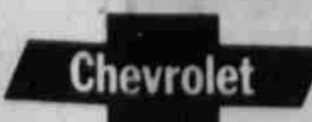

**CHEVROLET'S NEW EFFICIENCY SYSTEM FOR 1975** It's the key part of a program aimed at helping our new cars run leaner (more economically), run cleaner—and save you money every mile.

The Efficiency System is standard on all 1975 Chevrolets with V8 or 6-cylinder engines. It's a series of significant engineering improvements working together for the very first time.

Components include High Energy Ignition, catalytic converter, Early Fuel Evaporation and steel-belted radial ply tires. In sum, the System is designed to lighten the pleasure and lower the cost of driving a 1975 Chevrolet—to bring you a better running car in many ways, along with improved fuel economy, more miles between recommended maintenance and an engine that stays cleaner internally because of no-lead fuel.

Your Chevrolet dealer will gladly give you the details and answer your questions. See him and the sensible 1975 Chevrolets starting September 27.

... When buying used  
... refrigeration appliances,  
... check the amount of motor  
... noise. Former installation on  
... an uneven floor may have  
... caused unusual noises and  
... internal problems.

# Young Homemakers Meet At Whitharral

... WHITHARRAL— Monday,  
... Sept. 16, the Whitharral Young  
... Homemakers met in the Lions  
... Club Building for a salad  
... supper and installation ser-  
... vice.

... Mrs. Charles Addington, the  
... advisor, conducted the in-  
... stallation program. She began  
... with an emblem service,  
... explaining that the emblem is  
... a picture or figure sym-  
... bolizing and suggesting a  
... significant idea. The nine  
... sides of the emblem represent  
... the nine purposes of the  
... organization, and the colors  
... symbolize courage and love  
... the family must experience

... (or red); and truth, honor  
... and spiritual values to be  
... shared by the family mem-  
... bers (for white).

... The flower is the red car-  
... nation, which symbolizes the  
... quality of a happy home.

... Charlie Addington provided  
... music during the meal.

... Those attending were Freda  
... Kristinek, Alicia Addington,  
... Sandy Mills, Lois Avery,  
... Treva Hyatt, Debbie Avery,  
... Peggy Lorenz, Shirley Grant,  
... Glenda White, Jonnye Polk,  
... Betty Stafford, Barbara  
... Grant, Patty Tripp, Esta Mae  
... Hisaw, also Joli Grant, the  
... past little sister and Connie  
... White, the incoming little  
... sister.

... Oct. 15th, Betty Hord from  
... Levelland will teach a class on  
... rub out painting.

... The chapter voted to sell  
... sevens as their money making  
... project.

... There was a drawing for  
... door prizes, and those who  
... won prizes were Glenda

## National Highway Week

COUNTRY MUSIC STAR Eddy Arnold is the national chairman for the observance of National Highway Week, Sept. 22-28.

Arnold has used his role as national chairman to call attention to the need for improved highway safety.

"Much has been done to improve highways in recent years," he said. "Our modern Interstate Highways are the safest man has built. Increased emphasis has been placed on safety features in the motor vehicle itself. That leaves you and me—the drivers," he said.

HIGHWAY WEEK is sponsored by the American Association of State Highway and Transportation by the American Association of State Highway and Transportation Officials and member state agencies.

In Texas the Texas Highway Department will sponsor a variety of activities during the week, according to State Highway Engineer Luther DeBerry.

THEME FOR THIS YEAR'S observance is "Better Roads—Better Living." DeBerry said the theme was particularly fitting because of Texas' dependence on the highways as the

prime mode of transportation for this state.

"Take the food on the table, for example," he said. "Dallas, Fort Worth and San Antonio receive nine-tenths of their fruits and vegetables over the highways and Houston, even with its superb combination of transportation resources, receives almost 90 per cent of its produce shipments by truck."

THE HIGHWAYS are important to industry and commerce. Practically everything Texans buy, sell or manufacture make at least part of the trip from producer to consumer over the streets or highways, he said.

Further, the highway system has opened opportunities to individual Texas families by widening their range in which to seek jobs, education and recreational opportunities, DeBerry added.

"Even so, we have some 14,000 miles of primary highways in Texas which are in need of reconstruction," DeBerry said. "Funds available for this work as well as needed maintenance always have been tight."

"Inflation has further cut into money available. It is estimated that highway expenditures in Texas this year will be \$133,000,000 short of actual needs."

## ... 'Sew It With Cotton'

Continued from Page 1

Women who sew for the public are not considered professionals and may enter garments for themselves, or make garments for others.

The first place winners or alternates in each category will enter the District contest to be held in Littlefield High School auditorium Nov. 2.

Official categories for models will include: 1. Lollipop—boys and girls, ages 1 through 5, better dress clothes. 2. Sugar Plum and Little Esquire—boys and girls, ages 6 through 12, better dress clothes.

3. Play Time—boys and girls, ages 1 through 5, play clothes.

4. School Time—boys and girls, ages 6 through 12, school wear.

## ... WATER, SEWER

Continued from Page 1

First of the year), proposed costs for 1974-75 will be about \$79,332, and with the new rates, the proposed revenue would be approximately \$80,000, leaving \$668 in revenue over cost.

Councilmen unanimously adopted the proposal and passed the ordinances increasing the rates as proposed.

New rates will become effective Oct. 1, and the increases will be included on the customer's bill he receives around Nov. 1.

Regarding the proposed Bicentennial participation, Bill Payne advised them that a Bicentennial committee for a participating city should be appointed by the mayor of that city, and that the committee should include representatives from the communications media, trade and professional fields, educators, Chamber of Commerce, Ministerial Alliance, civic, service, cultural, patriotic and historical organizations, and elected city officials.

Payne also advised that the committee should be representative of the community with a balanced membership of race, sex and age.

Three goals and programs should be adopted to reflect the national American Bicentennial Commission goals of (1) heritage, (2) festival, and (3) horizons. Heritage reflects projects tied to the local history; festival, those

1. Sports—ages 13 and over, short suits, pant dresses, pants and tops, and western suits. Long pants may include regular or bell bottom (party pants not included).

4. At Home Wear—ages 6 and over, coffee coats, robes, granny dresses, and hostess wear.

7. Fashion Time—ages 18 and over, better dress, suit or ensemble.

The following three categories must be modeled by the seamstress.

1. Junior Miss—ages 9 through 13, school wear.

2. Teen Time—ages 14 through 18, school wear.

10. Young Fashions—ages 9 through 17, better dress, suit or ensemble.

projects designed to involve all the citizens in the community, as well as attract U.S. and foreign guests; and horizons, those projects or subjects that provide for the future of the community.

After hearing Payne's presentation, councilmen voted to authorize Mayor J. F. Chisholm to appoint a Bicentennial Committee.

In other business matters, councilmen authorized the mayor to sign a proclamation designating the week of Sept. 23-28 as "Highway Week in Littlefield and urge all citizens to lend their total support to the Texas Highway Department."

As a matter of old business, councilmen discussed the rented property owned by the city, described as 80 acres of Labor 11, League 658 of State Capitol Lands. Councilmen decided not to make any change in the agreement now, because the lease is not up until another year passes.

Councilmen advised City Attorney Ted Sanson and City Manager Jim Blagg to speak with the renter about the property, and other possible transactions.

Councilmen authorized the city manager to take \$2,208.37 from the Water and Sewer Contingency Fund to help pay for the new utility billing machine.

## A Woman's View

By PEARL BRANDON

WE HAVE LOST so many of our fine young men recently, it reminds us that we all have a rendezvous with death, possibly just around the corner.

Lenton Smith, Gene Pratt and Clayton Cowen were all up-standing men in the prime of life. They should have had at least 20 more good years.

IT IS SO HARD to understand and accept, but that is the way of life and death—none of us know what to expect next. We just have to be prepared for whatever comes, living and enjoying each day as it comes.

Jesus Christ was only 33 years old when He died on the cross. He is also the only man who knew what to expect on the other side of death. He seemed to dread only the pain of the crucifixion, not death itself, for He talked with His Father as if He knew He would be with Him again in a short time and it would be for eternity.

IN Corinthians 15:20 we have this: "But the fact is that Christ did actually rise from the dead and has become the first of millions who will come back to life again some day."

In Ecclesiastes 12:7 we have this: "Then shall the dust return to the earth as it was; and the spirit shall return unto God who gave it."

TO US having to give up a loved one is such a terrible thing, but God doesn't look at it that way. Our span of life is so

short here even if we live down to old age. With God life is eternal and time means nothing.

He loves us—we are His children and He knows He has so much better things planned for us in the life to come.

I DON'T MEAN God doesn't know our pain—He does, just as we know when our children cry and we comfort them in our arms.

If we can just believe in Him and lean on Him things are not near so hard.

MY NIECE'S husband is dying with brain cancer. I said to her "You will know peace of mind and contentment again some day."

She says "I know that is true from observing other people who have gone through great sorrows, but I can't see it now."

Of course she couldn't, her heart was aching too much and her eyes too full of tears then, but God has a way of healing deepest hurts.

DEATH is a debt we all have to pay sooner or later. Sometimes I think those who die young are the lucky ones.

It is very bad to live beyond your usefulness and become dependent on others for all your needs.

TO YOU who are in such great pain now from losing your loved ones, I would say, lean on our Father, He will hold you up in His everlasting arms.

## OBITUARIES

RENA GANN

Services for Mrs. Rena Elizabeth Gann, 81, of Sudan, were conducted Thursday afternoon at the First Baptist Church of Sudan, with Elder Glenn Williams of the Zion Rest Primitive Baptist Church of Muleshoe, officiating. Burial was in Sudan Cemetery, under direction of Hammons Funeral Home of Littlefield.

Mrs. Gann died Tuesday in Dinuba Hospital in Dinuba, Calif.

Mrs. Gann, a native of Eastland, was a former resident of Sudan who had lived in Cutler, Calif., for the past five months.

She was a member of the Zion Rest Primitive Baptist Church of Muleshoe. Survivors include her daughter, Mrs. Gladys Nichols of Cutler, Calif.; three sons, Delma of Sudan, Harold of San Francisco, Calif., and Marvin of Fresno, Calif.; three sisters, Mrs. Lillie Drury of Olustee, Okla., Mrs. Trannie Stevens and Mrs. Noma Basy, both of Eastland; six brothers, Lon, Charlie, Ernest and Earl Norris, all of Eastland, Jim Norris of Brownwood and Fred Norris of El Dorado, Okla.; 12 grandchildren and 20 great-grandchildren.

WILLIE LEE JOHNSTON  
Funeral services for Mrs. Willie Lee Johnston, 81, of Kingston, Okla., former Sudan resident who died at 7:15 p.m. Thursday in West Plains Hospital in Muleshoe, are scheduled for 2:30 p.m. today (Sunday) in the Sudan Church of Christ.

Cecil Bunch, minister from Bovina, will officiate, and burial will be in the Sudan Cemetery with Singleton Ellis Funeral Home of Muleshoe in charge of arrangements.

Mrs. Johnston was born July 4, 1893 in Paris, Tex. She had lived in Sudan from 1924 to 1948. She went to Kingston, Okla. in 1952.

She was a member of the Church of Christ in Kingston.

Surviving are four sons, Elmer Johnston of Portales, N.M., Elvin Johnston of Bovina, Kenneth Johnston of Kingston, and A. M. Johnston of Huron, S. D.; four daughters, Mrs. Ruby Shannon and Mrs. Larue West, both of Sudan, Mrs. Elva Hollingsworth of Korman, Calif., and Mrs. Arlene Sanders of Orangevale, Calif.; 23 grandchildren; and 32 great-grandchildren.

DONALD SOPHER

Services for Donald Frank Sopher, 27, of Olton were conducted Saturday afternoon in the First Baptist Church in Olton with Rev. Randal Scott, pastor, officiating.

Burial was in Olton Cemetery under direction of Parsons Funeral Home.

Sopher was dead on arrival at Central Plains General Hospital in Plainview shortly after 11:15 a.m. Thursday after suffering electrical shock when he grabbed the nozzle line pump while standing on wet ground.

An electrical short in a gas pump was blamed for the accident. Sopher reportedly was pumping gas into a pickup at his farm when he was shocked.

His wife was nearby and attempted to aid her stricken husband. She suffered a minor shock as she turned off the electric pump, but was not injured seriously enough to require treatment.

A farm employe attempted to revive Sopher en route to Plainview in an automobile.

Survivors include his wife, Terri; his parents, Mr. and Mrs. Doug Sopher of Olton; his maternal grandmother, Mrs. Mavis Bass of Olton; and his paternal grandmother, Mrs. H. L. Witten of Olton.

## THE ABUNDANT LIFE

### Don't Rub It In

MANY THINGS ARE INVOLVED in pleasant and continuing desirable human relationships, but not too many. All of us should be cheerfully doing our very best to achieve the greatest degree of success we can in all of them.

There would probably be different opinions about which one of these things is most important; and it may be that no one thing is most important. Nevertheless, all of us will agree that "understanding" is certainly essential to satisfactory and meaningful interactions.

THIS UNDERSTANDING is a broad-based ingredient in happy associations, and is expressed in different ways. The most helpful is in the generous attitude toward the mistakes of others.

Mistakes are going to be made by all of us, but one of the very worst mistakes is in the faulty behavior of the persons who "rub it in". Such people make too much to do about the mistake, and continue talking about it and reminding the person who made it, about it.

SOME HAPPENINGS, involving mistakes and wrongdoings, must be dealt with; but many can be ignored. Most of the people making mistakes or engaging in wrongdoings will feel unhappy enough, because of what they have done. It is cruel for others to "rub it in".

Once in awhile, there may be sound reason for reminding someone of a mistake that has been made. When this is done, it must be done in the very best way: with compassion and understanding.

"DON'T RUB IT IN", when you make a mistake. It is better to do what we can to help someone throw off the discouragement and embarrassment which may be his by what has happened. This is positive and constructive way to use our lives.

All of us are better off, if we do the things that will build up instances we can ignore the wrong or forgive and forget. When this is just exactly what we need.

"I TOLD YOU" that you were wrong, may be a necessary reminder in awhile, but most of the time it is not necessary. When this is necessary, for the purpose of accomplishing a well-defined purpose, it must be made with the greatest humility and kindness.

"Don't Rub It In." In most instances it will be necessary to exercise the greatest degree of restraint. Effort is more than justified.

THERE IS A GENERAL principle toward the harmful and non-productive of "rubbing it in": to refine our attitudes and increase sympathetic understanding, and less of it.

We will actually help others and find renewed courage and determination to continue the venture of living.

A MISTAKE is a mistake, but "rub it in".

GUESS I WAS GIVEN a new lease on life today. I broke a mirror. Everyone knows that's supposed to give you seven years (more) bad luck.

NOTICED IN THE paper where the electric company is building a multi-million dollar plant, up in the Pnhandle.—When I look at my bill I found out where they're going to get the money.

HEARD A FELLOW SAY, today, that Mother Eve was the first woman to eat the family out of house and home.

GETS TIRING, DOESN'T IT?—Hearing so much criticism and groaning going on. You'd think that the whole world is going to the dogs, and God has hidden all the leashes.

One claims that inflation is killing us, while others predict a depression right around the corner. We'll freeze to death this winter, unless we starve to death first.—Worry, worry, and gloom!

WE HAVE AN AIR of waiting for, we know not what. We expect the worst, and are not happy unless others do the same. We see evil in every occurrence. Bad omens are in demand and plentiful supply.

Even if we survive the winter, by summer, the President or Congress will have us sold down the river to our enemies, and/or the almighty dollar. Whatever happens is bound to be bad!

WE GET A NEW President, and waste no time in picking him to pieces. We like to take them apart, just to see what makes them tick! Serious-faced men, with furrowed brows, like to take the prime-time on the tube to tell us just what they're doing wrong, and the dire consequences of their actions. This is the same treatment that crucified the last

## Turn Row COMMENTS

By EMIL MAGEE

HAD A BRAINSTORM this week that could put an end to all special fundraising drives in the city of Littlefield. It seems that only a few contribute to various drives, be it a drive for the Cancer Fund, Heart Fund, Boy Scouts or Girl Scouts, and in most instances the quotas are never met.

Some communities use the United Fund to support the various drives, but for some reason that does not work here either. Since most of these drives are for quotas that must be reached within the city of Littlefield, I propose that a small percent of the city sales tax be earmarked for our various quotas and be distributed to meet the needs of our various drives.

In doing it this way, (if it is legal) all will be contributing, no drive necessary, and quotas will be well as the burden will not be on just a few individuals.

NOTICED THAT SOME in the industry are suing some of the grocery stores for price fixing. This is the result of a meeting of friends of mine attended about a year ago. This one particular person resides in Friona, stated that more like attending a "Wake" than a business meeting.

HEARD ANOTHER "Can't This" story the other day. It was his particular individual had a problem in closing her refrigerator door and tried, but could not get it to close. She called her appliance man and he was not able to come immediately. A friend or two dropped in and they couldn't get it to close. A bit of tugging and pushing and an examination, it was detected that a vegetable tray was not in all the 'has keeping the door from closing.

THE OTHER SIDE of some records—like the flip side of some records—not so popular.

DOUG McCAIN, Wildcat captain leads the Wildcat team onto the floor of Wildcat Gym Friday afternoon during a pep rally. (Photo by Lisa Roberts)

## Highway Patrol Investigates Rural Wrecks

The Texas Highway Patrol investigated 12 accidents on rural highways in Lamb County during the month of August, according to Sergeant Thurman Keffer, Highway Patrol supervisor of this area.

One person killed and five persons injured.

The rural traffic accident summary for this county during the first eight months of 1974 shows a total of 70 accidents resulting three persons killed and 44 persons injured.

These crashes resulted in

# FOOTBALL CONTEST

Enter Our Contest Each Week  
Nothing To Buy - Just Pick Winners

It's so easy...  
Anyone can enter!  
Read the rules...  
Start Winning

## RULES OF THE CONTEST:

All you have to do to be eligible for the weekly cash prizes is to complete the form below and place (or mail) it in the designated box at the Leader-News office. It is the contestants responsibility to see that the form has been placed in the entry box and the Leader-News assumes no responsibility for blanks lost, or delayed in the mails.

One game is listed in each advertisement. Pick the winner and insert the name of that team in the OFFICIAL ENTRY BLANK below. Then in the "Tie Breaker" section, put the scores you believe each of the teams will make. Weekly judging will be based on the total number guessed correctly. In case of a tie, the tie-breaker will be used to determine the top winners. Decision of the Leader-News scoring judges will be final.

To be eligible for the 2 free tickets to the New Year's Game at the COTTON BOWL, the total number of correct guesses will be totaled through the season.

LIMIT—One entry per contestant per week.

BE SURE to complete the forms by PRINTING plainly your name and complete address and turning in the entry blank only. Contest winners will be announced in each Thursday's issue of the Leader-News.

MRS. BERTHA MOUSER

**Bertha Mouser Honored On Birthday**

Bertha Mouser of Littlefield was honored on her 90th birthday Wednesday, Sept. 18, at the home of her son Mr. and Mrs. Mouser of Spade.

Hosts for the occasion were two other sons and their wives, Mr. and Mrs. Ben Mouser of Tahoka.

Present were two granddaughters, Mrs. Mamie Davis and Mrs. Keitha Davis of Tucumcari, N.M., and Mrs. Ina Roswell, N.M. was also present.

Also attending were Mrs. Pat Mouser and a great-granddaughter, Mandi Mouser of Wilson.

Twenty-four guests registered during the afternoon.

Mrs. Mouser was born in Itich Hill, Mo. and as a child moved with her family to Indian Territory where she married the late Joseph A. Mouser. They moved to Spade in Jan., 1931.

Mrs. Mouser has 11 grandchildren and 15 great-grandchildren.

**Littlefield Woman's Club Plans Year With Luncheon**

The Woman's Club of Littlefield of the Texas Federation of Women's Clubs, Caprock District, will have a "Go! Go! Luncheon" at noon, Sept. 23, at the home of Mrs. Hulse at a "Go! Go! Luncheon" at noon, Sept. 23.

The purpose of the meeting was to hear the proceedings for the 74-75 year of the club.

Some members were present to hear Mrs. Hulse report on the year which will be the 74-75 year of the club.

Mrs. O. L. Bennett introduced 12 new members. Mrs. Pat Donnelly reported on the year book.

Wicket reported that the club drive totaled to \$600.00 which was donated to M.S. She also reported the plaque that was given to the club by the guest speaker, Bill Johnson.

The community table reads: "To our fellow citizens who suffer from Schlerosis. In

enlisting public support you have hastened the day when this crippling disease of young adults will be brought under control."

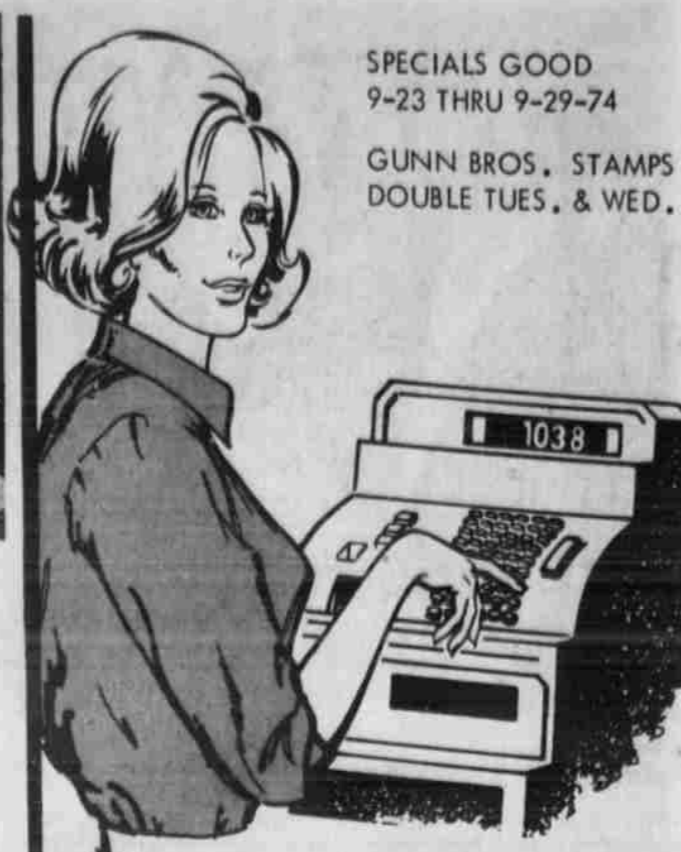

Mrs. Beulah Dunlap introduced the speaker for the day's program, Mrs. Robert M. Tipps, first vice-president of Texas Federated Women's Clubs of Denver City.

Mrs. Tipps talked of the vital programs of the Littlefield club but emphasized the vigorous programs of the District and the state.

Members of the Women's Club who were hostesses of the day served a salad dinner. The house was decorated with flowers from the gardens of Mrs. C. A. Duval.

The hostesses were Mrs. Dewey Hulse, Pat Donnelly, John Bellar, H. C. Randall, O. L. Bennett, W. R. Kimbrough, C. A. Duval, Kenneth Hook, T. L. Dunlap and J. G. Johnson.

A COMMUNITY A community is a larger family of families. Each one contributes to the situation that affects the generalized welfare of all families within the community.

# Edwards-Anderson Vows Read In Sudan

Miss Linda Gail Edwards, Littlefield, were united in marriage Saturday, Sept. 7, at 11 a.m. in the home of the bride's parents, Mr. and Mrs. Bobby Edwards of Sudan. The groom's parents are Mr. and Mrs. Bill Anderson of Littlefield.

Rev. Eddie Freeman, pastor of The First Baptist Church of Sudan officiated the reading of the double ring wedding vows.

Decorations included two baskets of greenery in gold stands on each side of the wedding party.

Given in marriage by her father, the bride wore a floor length empire styled gown of light blue sheer polyester with tiny white flocked flowers, a scooped neckline, short puff sleeves trimmed in wide white lace, and a deep ruffle at the bottom trimmed with white lace. She carried a bouquet of white carnations and baby's breath with a lift-out orchid, and blue ribbon streamers.

The wedding gown served as "something new". For "something old" the bride wore her Grandmother Gray's bracelet. A blue garter, belonging to the bride's new sister-in-law, Mrs. Bruce Anderson, served as something borrowed and blue. The bride also wore pennies in her shoe minted in the years of the couple's births.

The maid of honor was Miss Ann Nix of Sudan who wore a light blue floor length dress with a high neckline. She carried a bouquet of white carnations and blue daisies, baby's breath, and blue ribbon streamers.

Serving as best man was Bruce Anderson of Fort Worth, brother of the groom.

The mother of the bride wore a long blue princess style dress with white lace sleeves, and black accessories. The groom's mother wore a long

MR. AND MRS. CARY ANDERSON

beige dress and multi-colored accessories. Both wore white carnation corsages.

Following the wedding ceremony, a reception was held in the Edwards home. Fruit punch, nuts, blue mints, and white wedding cake decorated with light blue flowers and topped with a miniature bride and groom, were served from crystal and silver appointments. Misses Debra Edwards, sister of the bride, and Ann Nix, presided. A white linen cloth edged in lace covered the serving table which was centered with a blue and white floral arrangement.

The couple resides in Littlefield where the groom will be farming. The bride attended Sudan schools, and the groom attended Littlefield school.

Attending the wedding were

parents of the couple; the bride's sister, Debra Edwards; her brother, Pete Edwards; brothers of the groom, Mr. and Mrs. Bruce Anderson of Fort Worth and Mr. and Mrs. Craig Anderson of Littlefield; and the bride's grandmother, Mrs. C. W. Bolton of Sudan.

## Ticket Sales Moving Fast For SPlains Fair

Ticket sales for the Panhandle South Plains Fair stage attractions are running ahead of last year, general manager Steve L. Lewis said Saturday.

"They're even running ahead of 1972, the last time Charley Pride was here," Lewis added.

Pride, who holds the box office record here for a two-day stint, will be returning to the fair lineup this year along with Loretta Lynn, top female country and western singer, Mel Tillis and the Emmett Kelly Jr. one-ring circus.

Loretta Lynn opens the eight-day run with four shows on Saturday and Sunday and Pride follows her for two more days. On Sept. 25-26, Tillis returns to the coliseum.

The circus closes out the 57th annual exposition on Sept. 27-28.

RICKEY AND SANDRA Bryant and Rickey's girl friend from Portales visited their grandparents, Mr. and Mrs. W. M. Bryant. The children are from Clayton, N.M.

MR AND MRS. Danny Shaw were here from Post to visit their parents, Mr. and Mrs. Charlie Shaw.

RAIN AND MORE rain is falling on the land. Farmers have planted wheat and some still plan to sow more. It will be good for grazing, since there was a small amount of feed raised due to drought through the summer.

## Sorority Holds Garden Supper

Members of the Xi Nu Nu Exemplar Chapter of Beta Sigma Phi were guests at a "Garden Supper" held Monday night in the Flame Room of the Pioneer Natural Gas Building.

The menu for the evening consisted of baked squash, fried okra, potatoes, peas, corn, pickled okra, relishes, cornbread, muffins, tea and coffee. Cobbler and cream were served for dessert.

Several games of bingo were played as the entertainment of the evening.

Members present were Loretta Winfield, Sarah Talley, Paula Schroeder, Doris Simpson, Ann Pullig, Carolyn West, Jane Ann Byers, Judy Newman, Peggy Johnson and Myriene Bridwell.

Hostesses serving were Kay Pnce, Twila Goheen, Marilyn Parker, Mary Knox, Carolyn Spies, and Ann Manning.

CHECK LIFE INSURANCE Life insurance programs should reflect current changes in the economy and in the family situation. Young families often find that their insurance needs grow as their family grows, while middle-aged families may be able to decrease their life insurance needs as their children leave home. Life insurance is also needed to protect a business and to supplement other income-producing assets. Many different types of life insurance programs are available to fit your particular needs.

## Enochs News

VISITING in the home of Mr. and Mrs. Chester Petree were their children, Mr. and Mrs. Danny Petree and family of Lubbock and Mr. and Mrs. Kenneth Petree and family of Clovis, N.M.

MRS. CLARA Coffman of Muleshoe honored her husband, Claude, and his twin brother Clyde of Morton with a birthday dinner Thursday, Sept. 12. Those attending were Mr. and Mrs. Clyde Coffman of Morton, Mr. and Mrs. J. D. Bayless, S. D. Harvey and daughter, and Mrs. W. L. Sneek. This was their 75th birthday.

MR AND MRS. Fitz Adair of Lubbock visited Mr. and Mrs. J. D. Bayless. They checked and prepared blackbead peas.

MR AND MRS. Rusty Bowden and children visited their parents, Mr. and Mrs. E. V. McCall. Mrs. McCall is doing well recuperating from an accident she was in.

MRS. ALMA ALTMAN and all her children, Mr. and Mrs. Kenneth Coats, and their children Mr. and Mrs. Robert Jones of Clovis, and Mr. and Mrs. Kenny Coats, Mr. and Mrs. Vic Byrum of Tucuman, N.M., Mr. and Mrs. R. H. Baker and their children, Mr. and Mrs. Forrest Baker, Dwayne Susan, Rodney, and Sharita, Mr. and Mrs. Wayland Baker and Mitzi and Bonnie and Mr. and Mrs. Kenneth Millsap, Kena and Valerie from Tulia. There were family there from Morton, Levelland, Clovis, Tucuman, Tulia, Maple, Detroit, Post, Littlefield, Earth, Lubbock, and Brownfield. This reunion (the Ben Altman) family was held at the Community Center at Littlefield. There were 103 people there. Everyone brought dinner and everyone had a good time. An uncle, Mr. and Mrs. Martin Altman from Lubbock and an aunt, Mrs. Dee Kirk from Anton. This is an annual affair.

THE REVIVAL at Enoch's Baptist Church closed with a dinner at the Fellowship Hall. Had a large crowd and quite a few visitors. Had good crowds all week in both services each day. On Friday night we were surprised to have a group of singers from Portales who brought special music.

I. E. POLLARD Sr. was taken to Littlefield Hospital by

... in Tour- ... Mulvey's Round ... and Bit Kelley ... each alertly ... slippery pigskin in ... gem for TSU. ... macher scored two ... safety by tackling ... Boudreau in the ...

Meanwhile, when the BCC passers managed to get the ball into the air, the TSU secondary thwarted their opponents aerial efforts, allowing only four complete passes for a meager 32 yards.

Defensive back Terry Bryson (Littlefield) was robbed of six points following a clean interception of a Warrior pass, when the referees called back his 23-yard TD run because of an offside call.

In fact, numerous questionable calls by the Louisiana officials kept TSU from putting even more points on the scoreboard. In all, Tarleton was penalized fourteen times for 152 yards.

Offensively, three quarterbacks threw touchdown strikes for the Texans, with starter Mike Perry (Petersburg) starting the fireworks with a 32-yard TD toss to fleet Bubba Grooms early in the opening stanza.

In the third quarter, freshman Johnny Gann (Gatesville) fired 45 yards to Grooms for Tarleton's third touchdown of the night. In all, Gann enjoyed a perfect night in the pocket, completing all four of his passes for 66 yards.

Lance Blackwell (Early) came on in the closing period to finish the scoring with a picture-perfect 27-yard pass to Thomas White. Blackwell's six-point pass was his only throw of the game, but as the sophomore QB stated, "I was just glad to get to help our team."

David Kannenburg (Irving) who normally plays in the offensive line, surprised the Warriors with two touchdown thrusts from a fullback position to round out the offensive onslaught for TSU.

The Texans, now 1-1, will enjoy a week off to mend and get ready for Sul Ross. The Lobos lost their first 1974 encounter Saturday, dropping a 17-17 decision to Eastern New Mexico.

From the players' standpoint the win over BCC just stands as a glimpse at the future for the Tarleton Texans Co-captain Tarl Lloyd said, "We know we are capable of going down to Alpine and beating Sul Ross, and you can bet we'll beat a lot more people this year, too."

Freshman Gary Douglas from Sundown gives a warning and a prediction to Texans foes, stating that, "With this group of people we have right now, Tarleton will win the LSC title in a couple of

years and I intend to be a part of that team."

For Tarleton football fans, Saturday night's win may have been the kickoff for the start of Buddy Fornes' rebuilding program that loyal Texan Fanatics have been waiting for, for a long, long time.

## Two Counties In Panhandle Open To Hunt

An overall 35 percent decrease in Panhandle antelope herds has prompted Texas Parks and Wildlife Department wildlife officials to limit this year's hunt in the area to two counties: Dallam and Oldham.

Based on surveys of herds, biologists have recommended that 33 permits be issued to Dallam County landowners and 61 permits to Oldham County ranchers.

The season in those two counties will run from Sept. 23-Oct. 1, with a limit of one buck antelope by permit only.

## Benefit Roping Contest Slated

POST—Olin Young of Peralta, N. M., newly crowned 1974 world champion, will head a field of 32 of the nation's top steer ropers from five states competing in the fourth annual O. S. Ranch Benefit Steer Roping near here Sunday afternoon, Sept. 29, for a cash jackpot of about \$15,000.

Young who won the recent National Steer Roping Finals in Laramie, Wyo., has earned an all-time record of \$12,416 in Rodeo Cowboy Association sanctioned steer roping events this year.

Ten of the top 16 steer ropers in 1974 money winnings will be in the field.

An estimated 100 roping teams, 40 invited calf ropers, and 50 or more women's barrel racers will compete Saturday, Sept. 28 in the ranch's big roping arena in the first day of the OS benefit, all proceeds of which go to West Texas Boys Ranch at San Angelo.

The other part of the big benefit weekend will take place in the renovated OS Ranch house the same two days when 40 of the nation's best cowboy and western artists put over \$225,000 worth of paintings and sculpture for exhibit and sale.

THE WILDCATS were honored in a pep rally prior to gametime Friday afternoon. (Photo by Lisa Roberts)

## Waterfowl Stamps Now Available

Federal duck stamps, required for all hunters 16 years of age or older who hunt migratory waterfowl, are now available at all U.S. postal offices.

In addition to the duck stamp, sportsmen hunting out of their county of residence must also have in their possession a valid state hunting license.

Revenue from the Migratory Bird Hunting Stamps, which cost \$5, is used by the U.S. Department of Interior to purchase waterfowl nesting, resting and wintering areas.

Since the issue of the first stamps in 1934, more than 2 million acres of land have been purchased with annual receipts of more than \$11 million through the purchase of duck stamps by hunters.

You don't have to be a duck hunter to purchase the stamps, according to Texas Parks and Wildlife Department officials.

Persons interested in conservation may purchase the stamps with the assurance that the money they spend will be used to insure the future of waterfowl and other numerous species of birds, mammals and fish directly dependent upon wetlands.

The Lonely Heart

Continued from Page 1  
but it was off to the right.

Slaton took over on their own 20-yard line with 5:04 left in the fourth quarter. After moving the ball five plays, they rumbled the ball back to the Cats with 2:41 left on play.

The Cats took control of the ball on the Slaton 10-yard line, with second and 5. Parmer misfired to Gary Lichte, but had a pass interference call against Slaton on the 14 with 1:44 left.

Parmer, on the keeper for 2 yards,

second and 8. Lonnie Twitty carried from the 12 to the 6-yard line, and on third and two, Ronald Parmer hit Stanley Patterson for their fourth touchdown in the end zone with 53 seconds left in the game. On the extra point attempt, he had snap from center turned into a two-point conversion as Kip Elms carried the ball in the end zone.

Bill Turner had another good night's workout as he carried 33 times for 132 total yards. Sammy Schlottman carried four times for 32 yards. Rick Hopping also had a good night with eight carries for 33 yards. Ronald Parmer made six carries for 22 yards.

For the season, Bill Turner has carried the pigskin 103 times in three games for a total of 500 yards. Rick Hopping has carried 19 times for 58 yards, and Sammy Schlottman has carried eight times for 47 yards.

The Wildcats' defensive unit also deserves loud praises for their shutout of Slaton. Special recognition goes to three defensive standouts: Steve Cruz, Rick Hopping and Doug McCain, for their night's work.

Littlefield's defensive only gave up a total of 38 yards for the night.

So it'll be ON TO MULESHOE next Friday night to take on the Mules.

### AREA SCORES

**ANTON 12**  
**AMHERST 7**

In a battle of the winless teams, Anton came up with a fourth quarter touchdown to defeat the Amherst Bulldogs 12-7 in Anton Friday night.

Anton scored first in the initial quarter when halfback Gene Caswell scored on a 15-yard dash.

Amherst countered with only seconds left in the half when Duane Tucker scored on a 12-yard run.

Then with about five minutes remaining, and Amherst leading 7-6, Anton scored their winning TD when Harold Wills dove over from a yard out.

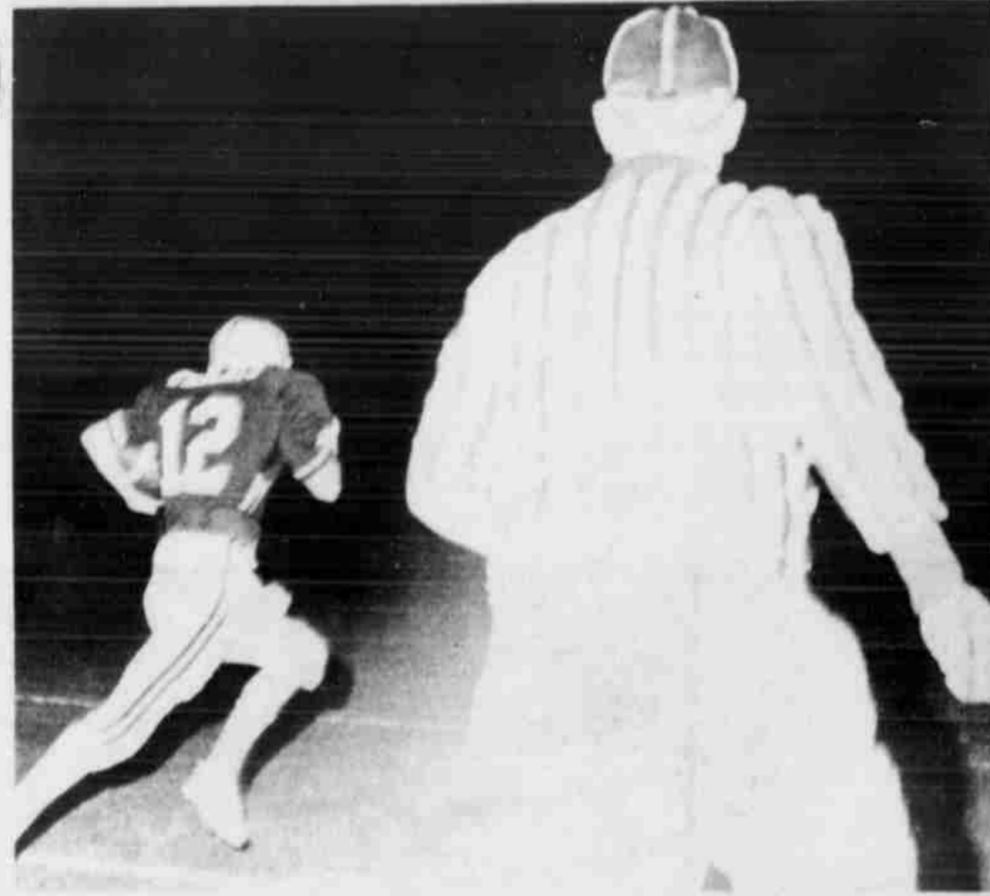

So far the Amherst Bulldogs boys will have to look to next week to try to put a victory in the win column.

**DIMMITT 33**  
**SPRINGLAKE-E 6**

The AA Dimmitt Bobcats opened an A Springlake-Earth Wolverines for 20 unanswered points in the first half en route to a 33-6 thumping over the outmanned Wolverines in Dimmitt Friday night.

The Bobcats, 3-0, recovered an enemy fumble on the visitor's 30 only three plays into the game and quarterback Ronny Lawson went 9 for 20 yards out with 9:57 remaining on the clock.

Then with 4:36 remaining, halfback Robert Mayberry topped a 51-yard drive with a

RONALD PARMER ran 23 yards for the Wildcats' first touchdown Friday night in their game against the Slaton Tigers. The Wildcats won 29 to 0. (Staff Photo by Joella Lovvorn)

90-yard burst up the middle. On the first play of the second quarter, Dimmitt halfback Gene Veals plunged over from two yards out to give the hosts a 20-0 halftime advantage. The score was set on a 32-yard pass from Lawson to end Robert Mayberry.

In the third stanza, with 8:52 remaining, Mayberry breezed 27 yards to the Wolverine one-

yard line and on the next play, Goals went over for the score.

The solo score by Springlake-Earth came on a 70-yard drive later in the third period, sustained by two fourth-down desperation attempts. Halfback Jake Miller took the ball across from nine yards out.

Mayberry ended the scoring with 10:32 left in the game on a 17-yard run.

### Calling All Homemakers

BROUGHT TO YOU BY

BERT AND CAROL WALLACE

### DECORATING ON A LIMITED BUDGET

What can you do if your budget is limited, and yet you would still like to make your home more attractive and more comfortable?

In previous columns we've discussed, and in future columns we will continue to discuss, the ideas you can use to brighten your home. And today, we present a way in which you can start on a program of beautifying your home without spending a great deal of money all at once.

You can begin your program by buying one thing at a time whenever you can, and thereby regularly and continually add new dimensions to your home without a big strain on your budget.

You might want to start your decorating program with one bright chair to offset drabness of a living room.

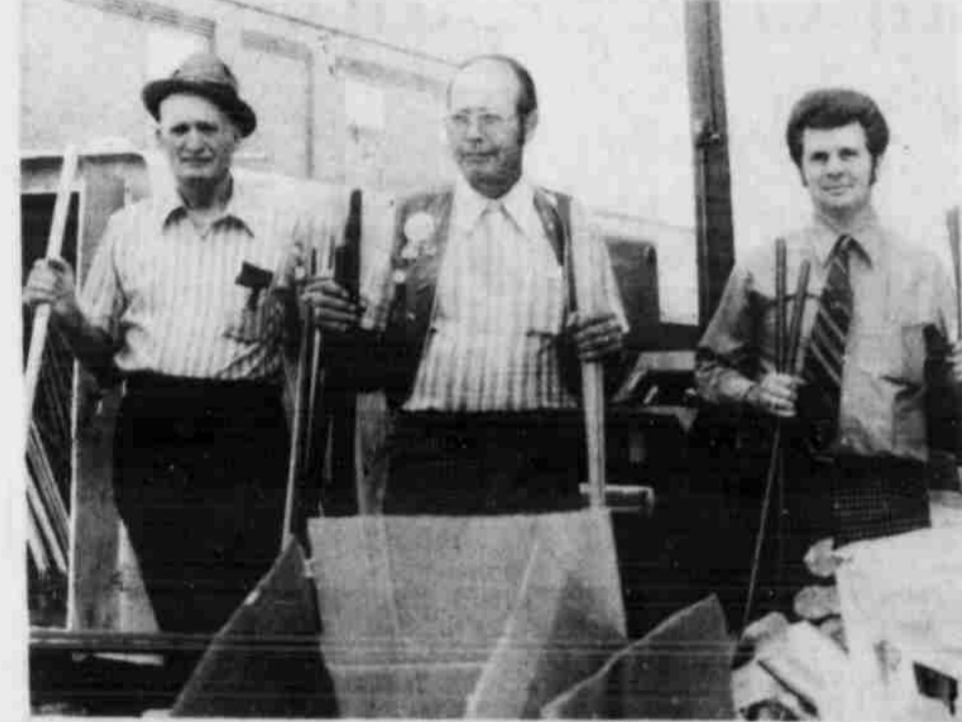

Perhaps an attractive table lamp would make a great difference.

Maybe you could use a handsome, framed mirror to hang over your sofa, credenza or dresser.

You may have been thinking about replacing your old cocktail table with a pair of the new smaller tables.

Or, how about an elegant headboard to replace the ordinary looking bedstead you're now using? The important thing is to think about a regular program of making your home ever more attractive, and starting when you can. When you are ready to shop, we are here to help you.

### South Plains College Offering Courses

Community service short courses in motorcycle safety, shorthand and powder puff mechanics will begin next week at South Plains College.

Registration may be completed at the first class meeting or in the office of Don Yarbrough, dean of continuing education at SPC. The short courses will meet one night a week from 7:30 to 9:30 p.m.

David Hamilton, deputy sheriff of Hockley County, will instruct a course in Motorcycle Safety on two Monday nights, Sept. 23 and Sept. 30. "It's basically a defensive driving course to teach motorcycleists how to avoid collisions, the correct road position and how to observe traffic," Hamilton said.

The class will meet in 103 Technical Arts Building. Fee is \$2.

Margaret Ingraham, instructor in business administration at SPC, will teach a Brief Forms of Shorthand course beginning Tuesday, Sept. 24. "The direction of the course will depend on what the students want, what they are aiming

for. Basically it will be a review course of brief forms of shorthand for those who have already had a course in shorthand," she said.

"We also will work on intensive speed building, using brief forms of shorthand as a speed building technique."

Fee for the six-week shorthand course is \$10. The class will meet at 203 Technical Arts Building.

A Powder Puff Mechanics

course will begin Wednesday, Sept. 25, under instruction of Jesse R. Hittson, assistant instructor in diesel mechanics at SPC.

The course is designed to acquaint women with the basic operations for roadside emergencies.

Hittson has had 25 years of experience in the mechanics field. He worked as service manager for Frontier Dodge before joining the SPC faculty three years ago.

health courses, said students will learn to prevent or recognize cardiac complications and perform cardiopulmonary resuscitation.

In addition, those enrolled will learn the proper structure and electrical hazards of the coronary care unit.

Application for Continuing Education Recognition Points has been made with the Texas Nursing Association in Austin.

Interested persons may enroll in the registrar's office in the Washington Street Administration Building.

### AC Sets Course In Coronary Care

A short-term health course in coronary care will be offered by Amarillo College beginning Sept. 25.

Classes will be held from 7 to 10 p.m. Wednesday and Friday at Northwest Texas Hospital.

George Nussbaum, registered nurse, will instruct students to interpret the needs of the patient, utilize cardiac monitoring equipment and recognize cardiac arrhythmia patterns.

Mrs. A. L. Crawford, supervisor of short-term
