

Wildcats scalped by Friona Chiefs, 26-6

Littlefield collides with cross-county rival Olton this week. The

winner of the contest will stay alive in district warfare while the loser

FRIONA QUARTERBACK Keith Martin is dragged down by Wildcat Ralph Mendez after a 10-yard run early in the second quarter Friday night. Martin and running

mates Glen London and Kelwin King led the rampaging Chieftains attack to the 26-6 win. Friona now leads the district. [Photo by Daryl LeBouef]

will begin to turn its thoughts to next year.

Friona was on the warpath the entire contest. The Chieftains' defense completely stymied the Maroon Machine. It was the first time this year the Cats had failed to score at least two touchdowns in a contest.

Two little Indians, quarterback Keith Martin and tailback Kelwin King, along with big Chief fullback Glen London ran at the Cats' defense successfully all night long.

FIRST QUARTER

Littlefield took the opening kickoff and couldn't move and punted to the Chieftains, who ran five plays before punting back to the Cats. The Cats ran six plays before punting back to the Indians.

King, London and Martin took turns carrying the ball and Friona marched 74 yards in nine plays. London scored from the one with 24 seconds left in the first quarter and Edward Castillo added the PAT.

SECOND QUARTER

The Cats lost a fumble and Friona used their excellent backs to score again. Ernest Mills scored on a four-yard pass from Martin to cap the 30-yard, seven-play drive. The PAT was blocked and the Cats trailed 13-0 with 9:14 to go in the half.

The Maroon Machine brought

hope to Littlefield fans with a great 65-yard scoring drive following the kickoff. On first down Rudy Ayala hit fullback Blake Wood with a swing pass for 19 yards.

Ayala then kept for nine and Jett West picked up three yards and the first down. Ayala kept twice for four yards to the Friona 30. Rudolph Smith rambled for eight yards.

Ayala then hit Smith with a pass at the 10-yard line. Smith cut back across the grain and then twisted and slithered into the end zone with a host of Chieftains hot on his heels. The PAT was blocked and the Cats trailed 13-6 with 5:48 to go in the half.

Friona's Terrific Threesome once again combined on a scoring drive. The Indians moved the ball 56 yards in eight plays. Tailback King had the biggest gains with runs of 3, 13 and 6 yards. London bulled in from the two at the 2:13 mark. The kick was again blocked and Friona led at half 19-6.

THIRD QUARTER

The third quarter was scoreless. Littlefield threatened late in the period after Ayala intercepted a pass and returned it to the Friona 39. Smith ran for 11 yards and first down. Then on fourth and four, Ayala found Bradley Allen open for an 8-yard gain to the 14-yard line.

The drive then fizzled. On fourth down Ayala was thrown for a 15-yard loss by Friona's Eddie Bermea.

FOURTH QUARTER

Littlefield held Friona and the Chieftains punted to the 8-yard line. On third down Friona's Terry Wilcox intercepted a pass at the 22 and returned it for the final TD. Castillo added the EP and Friona held a 26-6 lead with only 5:39 left in the contest.

SCORING

FIRST QUARTER

Friona-Glen London, one yard run (Edward Castillo kick), 0:24.

SECOND QUARTER

Friona-Ernest Mills, four-yard pass from Keith Martin (kick blocked), 9:14.

Littlefield-Rudolph Smith, 27-yard pass from Rudy Ayala (kick blocked), 5:48.

Friona-London, two-yard run (kick blocked), 2:13.

THIRD QUARTER

Scoreless

VOLUME 54 NUMBER 50 30 PAGES, 3 SECTIONS TAX INCLUDED

City studies intersection problem; discusses updating ambulance contract

In their relatively short business meeting Thursday night, Littlefield City Councilmen discussed seven items of business.

Besides the approval of the minutes from the last meeting, councilmen discussed a letter from the Highway Department concerning traffic study of intersections at Highway 54 at LFD Drive, Phelps Avenue and XIT Drive; authorized the purchase of an additional blower for the sewer plant at a cost of about \$3,400; authorized the calling for bids for the purchase of a truck cab and chassis for the street department; discussed a

letter from County Judge Ruth Kirby regarding the ambulance contract with the county; authorized a proposal from Texas Tech and the South Plains Association of Governments to update the Comprehensive Plan; authorized the repair of a fire engine pump motor on a 1972 fire truck at an estimated cost of \$400; and went into executive session to discuss personnel matters.

In the letter from the State Department of Highways and Public Transportation, they advised that they could do nothing more to correct the heavy traffic problem at

the intersections of Highway 54 at XIT, Phelps Avenue and LFD, until the city "controls traffic at the business establishments and on the city streets as previously suggested" (by the SDHPT.)

The letter was written to the former city manager, Jim C. Blagg, upon his request to the SDHPT regarding the matter. The Department had outlined a plan a few years ago, but for some reason, the council felt the standards could not be met at the present time.

Regarding the ambulance service contract with the county,

County Judge Ruth Kirby advised in a letter that the county would like to continue sharing some of the cost of ambulance service, but at a reduced rate from the past.

The contract was officially expired as of Sept. 30, but Judge Kirby wrote that she was "heretofore giving written notice of the County's cancellation of the contract, effective Nov. 30. By Dec. 1, the County and the City of Littlefield should be able to agree on a mutually satisfactory arrangement for continuing this cooperative effort."

Mrs. Kirby continued, "The County values this opportunity to work with the City in a spirit of continued harmony. The excellent ambulance service has been a source of pride. However, it will be necessary to effect a substantial

reduction in the County's expenditure for ambulance service during the next contract period."

Acting City Manager Greg Ingham reported that total expenditures for the past fiscal year—from October 1975 through September, 1976—has amounted to \$34,430.73. Total revenues collected amounts to \$10,597.25, which leaves \$23,833.40 that the county has had to pay.

Councilmen asked Greg Ingham to check into charges for runs, as compared to other cities, and to check into the possibilities of collecting for transfers before they are made. Ingham is also making a detailed accounting of expenses and where they are made—whether within the city limits, or elsewhere in the county.

Chamber of Commerce enlists 33

Thirty-three new members have been signed up by the two Chamber of Commerce teams during the annual Chamber of Commerce Membership Drive this week.

According to Ron Lawliss, membership chairman, "We appreciate the support of the new members. They will be joining our present members in the future growth and prosperity of Littlefield."

Hubert Henry's "Good Guys" won the team competition and ate steaks at the close-out dinner at

K-Bob's Friday noon.

Richard Wall's "Bad Guys" were served hamburgers.

New Chamber of Commerce members enlisted include: Jim Francis' Body Shop, Atex Oil Co., Cactus Square, Sport's World, Gibson's Discount, Sonic Drive-In of Littlefield, Ballard Glass & Mirror Co., Robison Upholstery and Carpet, Kirby Sales and Service, Sidney Hopping, Frontier, Haberer Trucking, Virginia W. McCarty, Ernest Mills Cotton and Coins, Robert Kloiber, Western

Merchants warned about checks

Littlefield and Lamb County area merchants are being warned by County Attorney Curtis Wilkin-son that they should take precautions in accepting checks from anyone— unless you know them. The holiday season is coming, and unscrupulous persons take advantage of passing bad checks during this season.

This week, one man was arraigned in County Judge Ruth Kirby's court for passing nearly \$2,000 worth of bad checks to a grocer in Littlefield.

Merchants and their employees are reminded to get all possible identification on check writers, such as driver's license number, telephone number, street address, description of the check passer, etc.

And a warning is issued too, to those who pass bad checks.

Bad checks are considered a form of theft, and the violation of the law is punishable by fine or imprisonment, or both— according to the amount of the check.

Standard Time returns Oct. 31

Central Standard Time will be returning to Texas next Sunday morning at 2 a.m., when Daylight Saving Time makes its exit.

Therefore, Sunday will be a 25-hour day, and citizens may take it out in an extra hour of sleep Sunday morning.

So, turn your clocks back an hour before you retire Saturday night, so you won't be disturbed by the alarm too early.

Activity picking up in absentee voting

A great deal of interest in the general election has been shown in this county with some 165 persons voting absentee through Friday, and an additional 60 or more ballots had been mailed, according to Mary Beth Willey, county clerk.

The county clerk said she expects the clerk's office will be a very busy place this week, with a heavy turnout of absentee voters.

There are only four days remaining for persons to vote absentee at the counter in the clerk's office or for persons to request absentee ballots be mailed.

County offices in the courthouse will be closed Monday, so all voting and requests must be in by 5 p.m. Friday.

Not everyone can get away to vote on election day.

Uncle Sam understands. That's the reason for absentee ballots.

So the county clerk and deputies expect several hundred Lamb

County voters to exercise their right to vote although they never go to their precinct polling place.

Many of the absentee voters are and will be older people who do not want to stand in line on election day and who spend some time marking their ballots.

But the absentee voter ranks are composed not only with the elderly.

People of all ages and with all kinds of excuses vote absentee. Any registered voter can make application for an absentee ballot. Now is the time to make that application.

There are a number of reasons why voters decide to cast their ballot absentee. Some of these are:

*If they expect to be absent from the community on election day.

*If they are 65 years of age or older.

*If they have been appointed as

See VOTING, Page 2

LETTERS

To The EDITOR

October 14, 1976

Dear Friends:

Once again on Nov. 2nd, general election day, we will be voting on two proposed constitutional amendments. As usual I would like to give you some information pertaining to these constitutional amendments so that you might be better informed when you vote.

The two amendments deal with water. The first concerns water supply. The second amendment deals with water quality.

Proposal 1 would authorize an additional \$400 million in Texas water development bonds. It will be one that should be of vital interest to all areas of the State and particularly those areas where water development will be needed in the next few years.

Proposal 2 deals with water quality and would add \$100 million to the water enhancement fund for the purposes of making grants and loans to cities to update their sewage treatment facilities to meet federal standards, thereby qualifying Texas cities for matching federal funds for these purposes.

One of the reasons why Texas has been number one in drawing industry is simply the fact that we have ample water supplies and we also have good treatment supplies as far as returning that water and discharge from industry into our streams and rivers and through sewage treatment plants of our cities.

I do not want to prejudice you in voting on these issues, but would rather provide you with arguments for and against for both amendments so that you can make up your own mind and make your choice at the ballot box Nov. 2.

The following will be arguments for and against each amendment. I hope the information will be helpful.

FOR: AMENDMENT #1. Funds available in the water development fund for use in developing water projects have been almost depleted. Failure to provide additional funding will result in inadequate water supplies in the future. Money for development of all in-state water supplies can be provided through the Water Development Fund.

AGAINST: AMENDMENT #1. The authorization provided for the Texas Water Development Board to issue an additional \$400 million in water development bonds would double the Board's existing bond authorization and would further encourage the development of water supplies through the building of reservoirs which some say

would be a deterrent or a detriment to the environment.

FOR: AMENDMENT #2. The future of Texas depends upon the quality and supply of its water. Passage of the proposed amendment would make more funds available to assist local governments in providing necessary facilities, thereby enhancing both the quality and quantity of the State's water.

AGAINST: AMENDMENT #2. The experience of other governmental entities in the United States in relying on bonded indebtedness as a source of financing has not been good. Texas should cease reliance on long-term bonded debt and seek other avenues of financing needed projects.

I hope that you will study the amendments and if you need additional information my office would be delighted to supply it for you. I think that when we go to the polls to vote we should be informed.

Call us any time that we may help or assist you in any matter.

Sincerely yours,

s/ Bill Clayton
Bill Clayton
Speaker of the House
Texas Representatives

Dear Mr. Tidwell,

We, the Band Boosters of Littlefield, want to thank you for the great publicity you gave our pregame meal at the Pizza Inn. We had a super turn out, thanks to your front page picture and write up.

Your support of the Bands and Band Boosters is greatly appreciated.

Thanks again,
s/ Doris Graham, Secretary
Littlefield Band Boosters

Dear Editor:

The Littlefield Band Boosters would like to express our appreciation to Carol and Sedell Black for the work and support they have given the Littlefield Bands.

The Pre-game meal at the Pizza Inn was a great success.

Sen. candidate Alan Steelman schedules visit

U.S. Senate candidate Alan Steelman has increased the pace of his person-to-person campaigning and will visit Littlefield Monday, Oct. 25, on the fifth day of a whirlwind "Eleven Days for Steelman Tour", which kicked off in El Paso Thursday.

In his final dash for the U.S. Senate, Steelman will campaign in 35 Texas communities— from El Paso in far West Texas to the Golden Triangle on the Gulf Coast, and from the Panhandle at the top of Texas to the Lower Rio Grande Valley.

Activities will include a continuation of Steelman's "sweat and shoe leather" campaigning in shopping centers, plus plant tours, caravans and rallies, and formal speeches.

While in Littlefield, the 34-year-old challenger to incumbent Lloyd Bentsen will tour the American Cotton Textile Mill on Highway 54, beginning at 3:45 p.m.

STAR-SPANGLED HISTORY

HISTORICAL DRAWINGS BY JOSEPH BOGGS BEALE (1841-1920)

"ASSASSINATION OF LINCOLN"

On April 14, 1865, President Abraham Lincoln, his wife and some friends were attending a presentation of *Our American Cousin* at the Ford's Theatre in Washington, D.C. Just after 10 p.m., a shot was heard throughout the theatre. John Wilkes Booth, an actor, had shot the President in the back of the head. Booth then leapt from the President's box to the stage, breaking his leg in the process. Lincoln, unconscious, was taken to a house nearby. He died there at 7:22 a.m. on April 15 surrounded by family and friends. Lincoln was buried on May 4, 1865 at the Oak Ridge Cemetery in his hometown of Springfield, Illinois. From the collection of American National Insurance Company, Galveston, Texas.

A Woman's View

By Pearl Brandon

TODAY I AM writing about little children joining the church.

Many people hesitate to let their children join the church when they are young, afraid they don't know what they are doing.

I HAVE A little four-year-old nephew living in Lubbock. Shane is a bright little boy and has gone to church all his life. He has been taught from the very beginning to love the Lord and that Jesus loves him.

A few weeks ago, his mother took him to see a Billy Graham moving picture showing the crucifixion of Christ. When they got to the part where they were nailing Jesus to the cross, he looked up to his mother with tears streaming down both cheeks and said, "Why are they doing that to Jesus?"

His mother tried to tell him that Jesus wanted to die on the cross so all of us could live and go on living after we die.

It is pretty hard to explain to a little child why Jesus had to die.

LITTLE SHANE said to his mother, "I want to be on Jesus' side."

May I go tell the preacher?" His mother said, "Yes, but let's talk about it first. Can you wait?" and the little boy said yes, he would wait.

That day they talked, but the next time they went to church, little Shane got out of his seat and walked up the aisle alone and gave his hand to the preacher. Of course, his mother went and knelt by him at the altar.

THAT PUT me to thinking about little children. At the Methodist Church where I go, the children are baptized when they are tiny babies. Of course the babies don't know what is happening, but the parents take a vow to bring them up in the church and provide a Christian home for them.

When they grow older, during the Lenten season, the preacher holds classes teaching them the meaning of the church. Most of them come in and take the vows of the church in which they have grown up in.

To me, the children don't have much to confess. They have been taught to be a Christian all their lives and that is just one step forward.

To me there is nothing more beautiful than little children kneeling at the altar taking communion.

I am not trying to cram my religious beliefs down your throat, for I believe everyone should belong to the church of their choice, or maybe they can live Christian outside the church. But it is easier in the church, because you have fellowship of the other members.

It was Jesus who said, "Suffer little children to come unto me and forbid them not."

HE ALSO said, "Unless you become as a little child, you cannot enter the kingdom of Heaven."

Little children are loving and quick to forgive. They also have much faith in those around them, especially their parents.

Let us put our faith in God, even as a little child.

OBITUARIES

MABEL ALLEN

Services for Mabel Meredith Allen, 83, of Littlefield were conducted Thursday afternoon in the First United Methodist Church.

Rev. C. P. McMaster and Rev. Don Robertson of Grady, N.M., officiated.

Burial was in Littlefield Memorial Park, under the direction of Hammons Funeral Home.

Mrs. Allen died about 9:10 Tuesday, Oct. 19, in Littlefield Hospital. She was a native of Jewett and a former resident of the Spade Community. She was a member of the First United Methodist Church.

Survivors include her husband, D. H. Allen; one son, David Allen Jr. of Grady, N.M.; two daughters, Mrs. Alman Phillips of Muleshoe and Miss Edith Allen of the home; two brothers, M. G. Williams of Liberal, Kans. and A. G. Williams of Wichita Falls.

THETIS HADDAD

Services for Thetis Larue Haddad, 55, of Olton were conducted

Saturday morning in First United Methodist Church.

Burial was in Olton Cemetery under the direction of Parsons Funeral Home.

Mrs. Haddad died about 12:30 p.m. Thursday in Central Plains General in Plainview.

She was born in Lamb County and had been employed as a bookkeeper. Mrs. Haddad was a Methodist and a member of the Order of Eastern Star.

Survivors include her mother, Ruby Brown of Olton; a sister, Mrs. Dan Quigley of Olton; and two brothers, Jim and George E. Jr., both of Olton.

JOHN LATIMER

Services for John Benjamin Latimer, 88, of Littlefield were conducted Friday morning in First United Methodist Church, with Rev. C. P. McMaster and Rev. Russell McAnale of Merkle, officiating.

Latimer died at 6:48 a.m. Wednesday, Oct. 20, at his home.

Graveside services in Garden of Memory Cemetery, Paducah.

HOMINY GRITS

By CORNBALL BLEVINS

THIS BUSINESS about all men being equal is pure hogwash. I know a doctor who makes more money in one day, using only one finger, than I can make in a month!

HAVE TO BE amused at our suburban journal. They're promoting the re-election of President Ford all the way, but when it comes to George Mahon it's a very different story. Could you believe that Mr. Mahon's promise to preserve Reese Air Force Base could have any influence with them?

While it's true, I'd hate to think of the base being closed. In fact, I hate to think of ANY base being closed, (we're not too strong in the armed forces, now.) But doesn't it seem a bit of coincidence that it's Reese being spared, (by Mr. Mahon's power) just before election?

SEEMS IT'S BEEN the idea of most opinionists that if you want to get to the root of our troubles, in government, you'd need to start in congress. After all, when a guy's been a congressional fixture for some 40 years, I'd think he might get to thinking he owns the place. It wouldn't be any wonder that he'd think he's privileged to spend a part of it to buy a few votes.

I'm aware that it's near sacrilege to speak against the candidacy of Honorable Mr. Mahon, but if we're unhappy with the way things have been going, we need

let it be known. What will be heard?

I KNOW OF little concerning Mr. Mahon's office. At present, he's retired with few regrets. He sends an era of a big congress that's helped into a record-breaking structure in the establishment needs changing.

I stand with bowed heading my lumps. Should I be sorry about that?

WILL HAVE TO say those Cincinnati Reds. The merciful bunch. They've Yankees away, in four feet. Then, too, the cold weather have helped them make up minds to go ahead and go with.

Still think they're baseball thing into the ground much too late (and cold) playing baseball. I'm of the opinion they should have played world series thing about the week in September. Now, football!

QUOTE: Education is a thing. At 18 we knew answers— Forty years later the questions confuse us!

Then: Another explanation of the modern child's manners: too many woodsheds have converted into garages.

Continued from Page 1

-voting-

an election inspector in a precinct other than the one they vote in.

*If they can't attend the polls because of their religion.

*Or if a voter is confined in jail awaiting arraignment or trial.

"These applications must be made by the individual," Mrs. Willey said. "They can come to the counter or they can make their request in writing. The request should tell us their temporary address where the ballot is to be mailed, permanent address, the number on their voter registration card, and it must be signed.

All this must be received in the clerk's office by 5 p.m. Friday, Oct. 29.

If a man and wife are making application, each must apply individually. Each application must include a signature which is compared with the registration signature.

Most absentee voters who do not vote at the counter in the clerk's office return their ballots by mail. The clerk urges that these be

mailed early enough to insure delivery on election day.

Voting absentee does not mean that election inspectors know an individual voted.

"These ballots are opened election inspectors, the signature is checked and then they are put in the ballot box," Mrs. Willey said. "There's no way to tell an absentee from any other ballot, you're unable to go to the polls that is no excuse for not voting."

If there are further questions call the county clerk's office at 385-5173.

For election officials, there's no reason not to know the answers election day, either.

The county clerk's office will conduct a school on election procedure for presiding judges, alternate presiding judges, election clerks on Tuesday, Oct. 26, at 8 p.m. in the courtroom in the Lamb County Courthouse. All election personnel and all interested citizens are urged to attend.

Public meeting Cong. Mahon

A good turnout came to shake hands with Congressman George Mahon Wednesday morning when he was in Littlefield for a public reception sponsored by Democrats for Mahon.

In addition to many area residents who attended, a large number of students from Sudan, herst and Spade were present. Mahon told them they may be impressed with shaking hands with him, but he added that he had shaken hands with Winston Churchill, Charles DeGaulle, and with the seven presidents he served with.

Babe Banner presented the congressman with Mahon's first campaign card when he ran for office the first time in 1934. Banner found the card in a family Bible.

The postcard size placard Mahon's picture on one side and his platform on the other. Banner's wife, Jean, carried separated the front from the back and decoupage'd the two sides and the card for the congressman.

Mahon said the artistic work will be hung in the Mahon Library in Lubbock.

VA PHYSICIANS
The Veterans Administration employs about 5 per cent of physicians in the United States.

Green-Raschbaum vows read in Earth church

Parents of the couple are Mr. and Mrs. Clinton C. Green of Earth and Mr. and Mrs. Leopold R. Raschbaum of El Paso and the late Dr. Raschbaum.

Rev. David Burum, pastor of the church, officiated

for the reading of the vows as the couple stood at the altar centered with a silver Canaan cross and flanked with two candelabras holding 30 candles, and two baskets of blue and white carnations with babies' breath. In the center foreground stood the white memory candle set in a silver holder entwined with greenery, beside an open Bible.

As Clinton C. Green presented his daughter for marriage, she wore a formal-length white mirror mist gown of sheer over white satin, designed with a lace bodice, ruffled collar, long puffy sleeves with ruffles on cuffs. Seed pearls enhanced the bodice, neck and ruffled sleeves. Her dress was ruffled at the hemline which flowed into a train. Her fingertip veil of illusion featured three rows of pearls on the cap to which the veil was attached.

Joyce Green made her daughter's dress. She carried a bouquet of babies' breath, Stephanotis, white carnations, white roses, and two long-stemmed roses.

was her sister's matron of honor. Bridesmaids were Rose Raschbaum of El Paso, the groom's sister, and Becky Pittman of Earth.

They wore floor-length empire-style, flocked blue, sheer mirror-mist over baby blue satin gowns featuring short, puffed sleeves. They carried bouquets of blue roses with babies' breath. Their headpieces were of blue velvet bows with shoulder-length tulle, and they wore blue satin gloves.

Art Raschbaum of El Paso was his brother's best man. Groomsmen were Jerry Maxey of Lubbock and Mike Cooke of Lubbock.

Ushering the guests to their pews were Max Price of Earth and Louis Bustamante of El Paso.

Christi Robnett of Lubbock, cousin of the bride, registered the guests in the bride's book.

Distributing rice bags were Penney Robnett and Jason Robnett, both of Lubbock, the bride's cousins.

Candle lighters were Randy Green of Earth, the bride's brother; and Mar-

jorie Robnett of Lubbock, the bride's cousin.

As the bride advanced to the altar, she handed her mother a long-stemmed rose, and as they left the altar as a couple, she handed her new mother-in-law a long-stemmed rose.

For her daughter's wedding, Mrs. Green wore a floor-length blue dress with a blue belt and long sleeves.

Mrs. Raschbaum wore an emerald green empire-style floor-length dress with matching accessories.

Musical selections of "Wedding Song", "There Is Love", and "The Lord's Prayer" were sung by Sharon Hamilton of Earth.

David Crane played the prelude to the wedding in piano selections, then played the organ at the ceremony, and background music on the piano during the reception, which was served in the Fellowship Hall of the church.

Serving the wedding cake was Kelta Haberer of Earth, as Mona Price of Earth, cousin of the bride, served the punch. Centering the serving table was the bride's bouquet, flanked by two blue tapers in white glass holders.

For their wedding trip to the mountains of New Mexico, the bride chose to wear a dress made by her grandmother, designed Empire style with long sleeves.

They will reside in Apartment 12, 5502 49th Street in Lubbock.

The bride attended Wayland Baptist College, and Texas Tech University. She was affiliated with Phi Beta Lambda, the Wayland Band and Student Government.

The groom attended University of Texas at El Paso, and Texas Tech University where he graduated this year. He was affiliated with the American Society for Microbiology.

MRS. GEORGE R. RASCHBAUM

Donna Copeland of Earth

Dorcas Class has party

WHITHARRAL— The Dorcas Class of Whitharral Baptist Church had their monthly social Tuesday night, Oct. 12, in fellowship hall.

They enjoyed a covered-dish supper after which they played games, directed by Jo Waters and Mary Munselle.

Those attending were: Mr. and Mrs. John Waters, Mr. and Mrs. Hasty Walden, Mr. and Mrs. James Mixon, and Mr. and Mrs. Gene Munselle.

The next social will be Nov. 1st.

Woman's Club sets meeting

The Littlefield Woman's Club will meet Wednesday, Oct. 27, in the Flame Room of Pioneer Natural Gas Co. at 2 p.m.

Guest speaker for the meeting will be Dr. C. L. Kay of Lubbock Christian College.

School Menu

OCT. 25-28

MONDAY: Corn chip pie, green onion salad, buttered corn, western beans, vanilla pudding and milk.

TUESDAY: Croquettes, potato salad, broccolli-cheese, hot rolls, coconut fruit cup and milk.

WEDNESDAY: Meat loaf, salad, creamed potatoes, buttered mixed vegetables, orange wedges and milk.

THURSDAY: Cabbage-pepper slaw, braised beef-ribs, green beans, light bread, chilled peaches, pound cake, milk and orange juice.

FRIDAY: No school.

AMHERST

MR. AND MRS. Buddy Allen of Ruidoso visited her mother, Mrs. Marie Payne Saturday and Sunday who was a patient in the local hospital.

Dennis-Dunagan vows exchanged

CIRCLE— Miss Donna La Vern Dennis and John Steven Duanagan were married Friday evening, Oct. 8, in a candlelight ceremony officiated in Grace Lutheran Church, Paris, by the Rev. Bill Al Wardt, pastor.

The bride is daughter of Mr. and Mrs. Jerry Dennis of Blossom, formerly of Olton, granddaughter of Mrs. Vernon Nixon of Olton, and great-niece of Curtis R. Wilkinson and Mrs. Nettie M. Hall.

Mr. and Mrs. James Dunagan of Blossom are parents of the groom.

White Wicker baskets of white gladioli, gypsophila and leather leaf fern flanked the nuptial area. On either side of the altar was a nine-branched candelabrum fitted with white tapers. Placed on the altar were small basket arrangements of gladioli, gypsophila and leather leaf fern. Pews were marked by large ivory satin bows.

Dan Dennis of Denton, brother of the bride, presented organ arrangements of "Joy", "Whither Thou Goest", "The Lord's Prayer" and traditional wedding marches.

Escorted to the altar by her father, the bride wore an original gown of candlelight ivory peau de soie and lace.

The bodice was styled with a scooped neckline and an empire waistline outlined with scallops of lace. Gathered at the wrists on wide cuffs the long full sleeves were accented with matching lace inserts. The full floor-length skirt featured two wide bands of lace extending to the hemline.

The three-tiered veil of candlelight ivory illusion

was bordered in scalloped lace. The veil fell from a satin-covered crown embellished with seed pearls.

The bridal bouquet of miniature pink and white carnations, gypsophila and leather leaf fern was tied with love knots of ivory satin streamers.

For "something old" the bride wore a string of pearls which belonged to her maternal great-grandmother, Mrs. Sam Nafzger. "Something new" was her gown and "something borrowed" was a handkerchief of her mother's. She wore a blue garland and carried a penny in her shoe.

Mrs. Ronnie Langley of Blossom was matron of honor. Her formal-length gown of soft pink peau de soie was fashioned with scooped neckline, empire waistline and long full sleeves. She carried a nosegay of pink and white carnations, gypsophila and leather leaf fern with pink satin streamers.

Marci Nations, niece of the groom, was flower girl. Her gown was of pink satin and she carried a white lace basket filled with pink and white carnations and gypsophila.

Mark Dunagan, nephew of the groom, was ring bearer.

Scott Dunagan, brother of the groom, was candlelighter.

Seating guests were Brent Hamby of Olton and Lee Allen Miller of Iowa Park, cousins of the bride and Eddie Nations of Blossom, brother-in-law of the groom.

For her daughter's wedding, Mrs. Dennis selected a floor-length dress of apricot knit with beige lace trim. She wore beige accessories and a white carnation

corsage. Mother of the groom chose a floor-length dress with white accessories and added an orchid corsage.

The reception following the wedding ceremony was hosted by parents of the bride.

The party table was covered with a pale pink lace cloth over dark pink and centered by an arrangement of pink and white carnations and gypsophila. The traditional three-tiered wedding cake was decorated with tiny pink flowers and topped by a miniature bride and groom. Pink punch was served from a silver punch bowl.

Members of the house party were Mmes. Bonnie Outland, Rex Allen, Billy Emery, Bobby Rater and Miss Jerri Ann Box.

For travel the bride wore a red and black plaid skirt,

white blouse, and black, velvet vest and blazer. Her corsage was of white baby pom pom mums, miniature carnations and gypsophila.

The bride is a senior at Pairland High School.

The groom attended Paris Junior College and is a graduate of East Texas State University of Commerce. He is employed for the Ark-Tex Council of Government within Pairland School System.

Relatives attending the wedding from this area were Mr. and Mrs. Vernon Nixon, Mrs. B. Nicholas and Sharla, Mrs. Juanita Thomas, Mrs. Sharon Hamby, Sharissa, Brent and Crystal, and Mrs. Elmer J. Houston, all of Olton; Mr. and Mrs. Darryl Dennis and Cody of Lockney; and Miss Margaret Thomas of Plainview.

Whitharral Homemakers install new officers

WHITHARRAL— The Young Homemakers met Monday night, Oct. 11, for a salad dinner and the installation of the 1976-'77 officers.

Patty Tripp, outgoing president, installed the newly-elected officers. Kathy Roberts is president, Gail Rogers, first vice president; Sue Miller, second vice president; Joyce Clevenger, secretary-treasurer; and Peggy Lorenz, historian.

The group voted to enter a float in the Homecoming Parade, also to have a coffee for the community after the Wellman game. Secret pals of last year were revealed and those for the coming year were drawn.

Others attending were: Sandy Mills, Patricia Polk, Rosetta Polk, Glenda White, Esta Mae Hisaw, Betty Stafford, Illene Nicholson, Rosemary Corkery, Doris Kaye and Fredda Kristinek.

The next meeting will be Nov. 9th, and the program will be given by Mr. and Mrs. Danny Chronister on Ceramics.

LITTLEFIELD

VISITING in the home of Mr. and Mrs. Olan Williams last week were Mr. and Mrs. R. D. Williams of Prescott, Ark.

ORVILLE LATHAM of Abilene visited in Littlefield Sunday with friends.

WHITHARRAL homecoming queen and king candidates are Marcus Salinas, senior; Rhonda Bryant, senior; Cheri Hisaw, senior; Walter Kristinek, senior; Susan Corkery, junior; and Bobby Avery, senior. The winners were honored during the homecoming activities Friday night. Susan Corkery and Walter Kristinek won the titles. [Personal Photo]

Sudan School Board discusses long agenda

SUDAN— The invocation for the regular meeting of the Sudan School Board was given by Glen Cardwell.

The minutes of the previous meeting were read by secretary, Guy Walden, and approved as read. The superintendent's financial report for the month of September was given and accepted. The tax collector's report for September was given.

The audit for 1976 was reviewed and accepted as prepared by Mr. Coan. The preliminary application for funds was reviewed and accepted for the 1976-77

Whitharral honor roll

WHITHARRAL— Elementary students on the honor roll for the first six weeks are:

- Second grade: Jesse Barera, and Wade Pollard.
- Third: Lauren Corkery and Toby Miller.
- Fourth: Britt Eslinger, Jay Hodges and Joye Dell Mills.
- Fifth: Kip Grant, Bart Harlan, and Rhonda Pendergrass.
- Sixth: Angela Polk.

Local GFMAA

to meet here

Saturday at 3

The Local Chapter 153 of Germania Farm Mutual Aid Association has called a special meeting of members and policyholders Saturday afternoon, Oct. 30, at 3 p.m. in the Willy Room of the Lamb County Electric Co-op building.

A slate of officers will be elected, and all members are urged to be present. Refreshments will be served.

Thought For The Day

Sudan Ex-students plans 23rd Homecoming

SUDAN— All ex-students and ex-teachers are invited to attend the Twenty Third Annual Homecoming of the exes of Sudan High School.

The meeting will be held Saturday, Nov. 6, in the Sudan School Cafeterium.

The Sudan Future Teachers of America plan to serve a reception from 6 to 7 p.m. during registration. Dinner will be served by the Band Parents Organization at 7 p.m.

The classes to be honored this year will be classes of 1952, 1953, 1955, 1965, and 1970.

The Sudan Homecoming ball team will be Silverton at the Sudan net Stadium on Nov. 5, at 7:30 p.m. followed by a supper and cake concession in the Cafeterium by the Sudan Homecoming Club.

Amherst Study Club hosts study panel

AMHERST— The Amherst Study Club met Monday, Oct. 18, in the Home-making Department of high school.

Mrs. A. J. Mote presided for the "Educational" program. It was in the form of a panel with high school girls participating.

Mrs. W. P. Stone was moderator. The girls were Kathy Kelly, Joyce Johnson, Dana Young, Tanya Roberson and Sandra Duvall.

Other guests were their mothers, Mrs. Lamar Kelly, Mrs. Buddy Roberson, Mrs. D. J. Johnson, Mrs. Raymond Duvall and Mrs. Eugene Young. Mrs. Joyce Smith of the high school was speaker on "Education" and reported on school work in her department.

Refreshments were served by hostesses, Mrs. C. A. Thomas, Mrs. Mote, Mrs. Stone and Mrs. Delva Harmon.

The yearbooks were dis-

tributed.

The covers are in line with theme this year "Crime" for the Federation of the Clubs included in course of study.

Onstead included in 'Who's Who in Religion'

Norris Onstead, the First Baptist Killean, and son D. Onstead of Littlefield have been selected for inclusion in the second edition of 'Who's Who in Religion'.

about outstanding members of the religious field, national and regional church officials, clergy, religious educators, lay writers and editors of religious publications, as well as founders and directors of religious charities.

Selection for inclusion has been based upon outstanding contributions made to the field of religion or upon positions held.

Rev. Onstead, with his wife, Maxine, who is the daughter of Mrs. Buck Teague of Littlefield, went to Killean in July of 1972 to assume the pastorate of

the First Baptist Church. Since that time, the church has assisted the growth and progress of two other churches in the community. Nearly 700 members were released from the membership roll of the First Baptist to establish the Pershing Park Baptist Church, which up to that time had been functioning as a mission by the larger church.

First Baptist also provided financial underwriting of a loan which permitted the Pershing Park church to complete a badly-

needed building program. Presently, the First Baptist Church is nearing completion of a chapel-complex building which will be used for prayer meetings, weddings and Sunday School meetings. With the completion of that building, the total square footage building space will amount to 53,046. Total value of the buildings is approximately \$2 million. The annual budget of the church approaches \$260,000.

The decision to include Onstead in the publication involves his previous and local pastoral roles, his authorship of a book, his

NORRIS ONSTEAD

civic and denominational involvements and his preaching missions around the world, including New Zealand, Japan, Taiwan, Hong Kong and Australia.

Troy Armes elected to BGCT board

Troy Armes, local Chevrolet dealer in Littlefield, was elected to serve on a Texas Baptist board during the annual meeting of the 2.2 million-member Baptist General Convention of Texas.

Armes will serve on the board of trustees for Hardin-Simmons University.

The State Convention, meeting in San Antonio, launched "Good News

Texas," described by convention leaders as "the most comprehensive, unique evangelistic thrust in Texas history."

Plans include a statewide \$1 million mass media

campaign to climatize the state in support of Good News Texas through ministries of 4,400 Texas Baptist churches as well as the Convention's institutions, agencies and boards.

Iota Eta Chapter of ESA conducts business meet

SUDAN— The Iota Eta Chapter of Sudan ESA met in the home of Mrs. Felice Bryant, Thursday, Oct. 14.

Program director, Susan O'Rear, introduced Mrs. Margaret Smith, who gave a book review on "You Can Say That Again Sam", by Sam Levenson.

A business meeting was held after the program.

Following the meeting a meal was served by hostess, Felice Bryant, and co-hostess Kathy Gatewood.

Members present were: Jan Brown, Pam Bellar, Sandra Nix, Nancy Baker, Angela Eicke, Kathy Gatewood, Felice Bryant, Susan O'Rear, and Peggy Lowrance.

Miss Hall attends OEA conference

tended the Post-Secondary OEA Officer Training Conference Thursday through Saturday, Oct. 21-23, in Houston.

Accompanying her was Mrs. Dianne Bridges assistant professor of business administration at SPC and co-sponsor of the OEA chapter. Mrs. Bridges attended various planning sessions concerning the national OEA conference, scheduled May 7-10, 1977 in Houston.

Miss Hall, an SPC stu-

dent from Littlefield, who is serving her second term as chapter president, gave the roll call of chapters during the opening session Thursday in the Shamrock-Hilton Hotel. She also attended sessions on group communication, group participation in parliamentary procedures, officer and committee responsibilities and development of an effective chapter activities program.

Miss Hall is the daughter of Mr. and Mrs. Benny Hall of Star Route 2, Littlefield.

Marsalene, Paul Wiedeman honored with reception

SUDAN— The home of Mr. and Mrs. Curtis Savage of Sudan was the setting for a surprise belated wedding reception for their daughter, Marsalene, and Paul Wiedeman of Baton Rouge, La. Oct. 9. They married Sept. 9 in Baton Rouge.

BULA

MRS. V. C. Weaver is happy to be home after a stay of three weeks in the Amherst hospital. She had an appointment with Dr. Gordon in Lubbock.

A. P. FRED continues to be a patient in the Lubbock Methodist hospital. At last report he was thought to be some better.

The family had a dinner in the couple's honor Saturday evening, Oct. 9 at El Monterrey in Clovis.

Upon returning home the table was decorated with a yellow and bronze mum arrangement on each end of the table with a punch bowl with yellow punch and a three-tiered wedding cake decorated with yellow roses topped with three yellow bells, completely surprising the newly-weds.

Other guests in the Savage home for the occasion were Mr. and Mrs. Jim Savage and sons of Lindsey, Okla., Monte Pierce and Beth Duffy of Lubbock, and Mr. and Mrs. Earl Pierce of Plains, Kans.

SHEBRA JOHNSON of Littlefield is among 47 Angelo State University women now performing with ASU's talented drill team, the Angelettes. The drill team performs in local and area parades, during football season, in home basketball games and pep rallies, and assists in various civic functions in San Angelo. [ASU Photo]

Mrs. A.W. Thomas honored on birthday

CIRCLE— Mrs. A. W. Thomas, 88, of Floydada, grandmother of James Adair of Littlefield, was honored with a birthday party Thursday afternoon in the nursing home where she resides.

Relatives attending were her son and daughter-in-law, Mr. and Mrs. D. B.

Adair of Olton, the honoree's daughters, Mrs. Mary Morgan of Tulsa, Okla. and Mrs. Grace Key of Artesia, N.M. A granddaughter and family, Mrs. Penny Thigpen and three daughters, residents of Artesia.

Mrs. Thomas and her family moved from Bonham to Floydada in the 1930's.

UMW Circle One meets for study

Circle One of the UMW met Monday night in the parlor of the First United Methodist Church.

Ruth Hinds, program leader, concluded the study on, "The Nation Yet to BE." It was a unique and interesting experience, as the program began with a sacramental dinner where only two people were served steak dinners with ice tea. The rest of the group had a small serving of rice and a drop or two of tea. This was to emphasize the number of people that

go to bed hungry at night around the world, and even here in our own country.

A short business session followed with Seretha Tisdale, chairperson, presiding.

Refreshments were served by Ina Mae McQuatters and Jess Harlin to the guests and members; Delia Durland, Rachel Byrd, Thelma Byars, Eros Caldwell, Doris Frey, Jewell Grant, Ruth Hinds, Lois Pharris, Mildred Smiley, Hazel Stevens, and Seretha Tisdale.

S-E Band Boosters sponsoring carnival

The Springlake-Earth Band Boosters are sponsoring a Hallowe'en Carnival Saturday, Oct. 30, starting at 5 p.m. at the Earth Show Barn.

There will be many booths such as: Bean Guess, Bubble Gum Guess, Fortune Teller, Ring Toss, Bucket Pitch, Bingo, Go-Fishing, Cake Walk, Throw at the Bottles, Dart Throw at Balloons, Spook House, Bob-n' for Apples, Bean

Bag Throw, Basketball Goal, Football Swing, General Store, Spin Board, Cigarette Pack Pitch, Glass ware pitch, Kissing Booth, Jail House, Marrying and Divorce Booth and of course a concession stand.

"The Band is trying to raise money for a band trip this year," according to Mr. and Mrs. Dwane Jones, Band Booster president, Box 246, Springlake.

Hallowe'en carnival set at Sudan next Saturday

SUDAN— The Sudan ESA Hallowe'en Carnival will be held Saturday, Oct.

30. The activities will begin at the Community Center at 6 p.m. with the judging of the "spooks".

All spooks need to be at the Community Center by 6 p.m. for judging of costumes Saturday, Oct. 30. The spook parade will start at 6:30 p.m. Winners in the spook contest will be announced in the auditorium. Prizes will be awarded in the following categories:

I. Little Tots (ages 2-4): first and second place for best costume.

II. Grades k-4: first place for prettiest costume, most original costume, funniest costume, and spookiest costume.

Prizes will be awarded to everyone participating.

The spook parade begins at 6:30 p.m.

The queen's coronation will follow the spook parade at 6:45 p.m. in the High School Auditorium.

The 1976-77 Hallowe'en queen and king will be presented at this time by Mrs. Felice Bryant, the 1976-77 ESA Beauty Queen.

The Hallowe'en Carnival will follow the queen's coronation in the school cafeteria.

The carnival will be from 7 p.m. to 9 p.m.

A Banker's Viewpoint....

It is a mistake, of course, to oversimplify a problem.

But it can be an equal mistake to inject complications into a matter that is fundamentally simple. We believe a great many Americans, particularly those who happen to be members of Congress, look for complications when none are there.

We refer to efforts to improve the government and economy of this country.

The magic of the American system of government, which made this the most economically powerful nation in the world's history, is simple.

It is the concept that the power of the nation, its wisdom and the quality of its works, rests collectively in the unfettered freedom of the individual. That was a revolutionary idea when it was given expression in our Declaration of Independence and written into our Constitution.

But that simple thought, recognizing the power of the individual, brought this country an amazing growth, to world power, during the first century and a half of our history. The people of the United States became the envy of the world.

But in the last 50 or 60 years our lawmakers have succumbed increasingly to the temptation that is inherent in governments -- to seek a solution to every problem, transitory though it might be, by passing another law.

More of the federal programs established by law have been failures than successes. But Congress compounds the problems it creates by piling on new laws and amending the old. Complications thus become the breeders of more complications until the independence of the individual becomes more a memory than a fact.

The income tax law is a prime example. Beginning with a fairly simple doctrine of a tax on earnings, it has become such a hodge-podge of complications and contradictions that nobody, up to and including the Director of Internal Revenue himself, can really understand it.

This country would solve most of its economic problems, and create a new respect for government, if there were a genuine reorganization of the federal government -- one to rid us entirely of unneeded agencies and simplify those that were left. The object of the reorganization should be reduction in the interference from government and a return to the power of the individual to live his life, and operate his business, in his own way.

Every president subscribes to federal reorganization, and many make an effort in that direction. Congressmen and Senators, however, looking at the greeds as well as the needs of their constituents, drag their feet.

As free speaking individuals, the American people should exert the power they have left to insist that Congress get on with the job.

We believe in this country and its people. Like the writers of our Constitution, we believe that the strength and the real intelligence of government originates with the people. So we urge all our citizens, here and elsewhere, to do our part -- keep up with public issues and send our opinions about them to our elected representatives.

MR. AND MRS. Jeff Lynskey and Bradley of Lubbock visited Sunday with her parents, Mr. and Mrs. Bud Provenca and Darren. They celebrated the first birthday of Bradley.

Texas Tax Forum set in Lubbock

Comptroller Bob Bullock has revealed that his office and the Texas Legislature are sponsoring a series of 16 Texas Tax Forums around the state to tap public sentiment about existing state tax laws and regulations.

heritance tax exemptions or exempting residential utilities from the sales tax. The information gathered will be the basis for possible administrative changes or recommendations to the Legislature, which convenes in January, for legislative changes, Bullock said.

The Lubbock hearing is scheduled Nov. 9 at 2 p.m. in the City Council Chamber, 916 Texas Avenue.

The Forum panel will consist of Bullock, chairman; Rep. Joe Wyatt of Bloomington, chairman of the House Ways and Means Committee; Rep. Joe Allen of Baytown, a member of the House Ways and Means Committee; local members of the Legislature; Tom Henderson, director of the Comptroller's Sales Tax Division; Garry Mauro, director of the Comptroller's Field Operations Division; and a sales tax expert and local field office manager from the Comptroller's Office.

"Sometimes it's hard to hear the voices of the taxpayers in our granite office buildings in Austin," Bullock said. "We want to get out where the taxpayers live, and I hope they'll come and tell us their problems."

Bullock said that more than 700 organizations interested in state tax laws have received letters inviting their testimony.

The Comptroller said the issues on which testimony is invited range from confusing or duplicative tax forms to major proposals such as increasing the in-

KITZEL HOOVER of Dimmitt spent Saturday night with his grandparents, Mr. and Mrs. Bill Elms. Mr. and Mrs. Wilson Vaught of Littlefield went with them for a visit when they took their grandson home.

Bullock said that more than 700 organizations interested in state tax laws have received letters inviting their testimony.

MR. AND MRS. Homer Peel's daughter, Mr. and Mrs. Ben Williams and family of Amarillo will be moving to Topeka, Kans. the first of November. Ben is being transferred from Amarillo to Topeka. The Peels will assist them in the move.

Bullock said that more than 700 organizations interested in state tax laws have received letters inviting their testimony.

MR. AND MRS. C. A. Duffy Jr. returned Wednesday from a vacation at Port Aransas. They visited their son Pat in Abilene as they went to the coast and with her relatives in Hillsboro before returning home. They reported an enjoyable vacation with good fishing.

Bullock said that more than 700 organizations interested in state tax laws have received letters inviting their testimony.

BULA NEWS

MRS. JOHN LATHAM returned home Tuesday from the Amherst Hospital where she had been a patient for the past 10 days. To visit with her Sunday at the hospital were her mother, Mrs. Lillie Flowers and her sister and husband, Mr. and Mrs. John Eaker of Lake Thomas. Mrs. Flowers is remaining over to stay with her daughter for several days. Also to visit with her was another sister and husband, Mr. and Mrs. Leighton Knox of Tahoka, and her daughter and husband, Mr. and Mrs. Waner Dessatell of Slaton.

ON THE NEXT-TO-THE-LAST play of the game, Littlefield's Rudolph Smith romped for the Cats only long run of the frustrating night. Smith zipped 35 yards to midfield strip before being ambushed by the Chieftains. Friona completely dominated the game in their 26-6 win.

(Photo by Daryl LeBouef)

Ropes defeats Amherst Bulldogs, 12-7

In a defensive duel, Ropes turned a 7-6 deficit to a 12-7 win over Amherst Friday night at Ropes. With 10 seconds left in the game, Ropes took what looked to be a win from the Amherst Bulldogs as Gregory McNabb scored on a two-yard drive to upset the visiting team.

It was Amherst all the way, although the first half was scoreless as Amherst dominated the game with ball control and stopped the Ropes drive for two and a half quarters.

With 3:14 left in the third quarter, Webster Johnson scored the first score in the game as he dove over for three yards to give the Bulldogs a 6-0 lead over Ropes. The scoring drive was started 85 yards away with the big play prior to scoring being a 75-yard run by Johnny Rosemond.

Gary McCaniel booted the extra to make the score read 7-0 in favor of Amherst.

A recovered fumble by

Ropes about mid-way in the last stanza set the stage for the Eagles' first TD. With 7:34 left in the game, Steven Sims scored from two yards out. The point after failed and Amherst still led, 7-6.

Twice Ropes drove within the Bulldog 10-yard line and were driven back each time.

The clock read 3:23 left in the game and Ropes recovered a Bulldog fumble on the 10, four downs later they were at the six and had to give up the ball.

Amherst moved out of the hole to the 35 before losing the ball on a fumble. This time Ropes marched back to the Bulldog four with about a minute and a half left in the game. Again the Eagles were beaten back and had to give up the ball on the fourth down after using up their time-outs and trying every trick in the book to score.

The Bulldogs had a third down situation with 29 seconds in the game. A time out was called for the

Amherst squad, thus forcing a punt that netted 10 yards, two plays later with 10 seconds on the clock, McNabb scored to give Ropes the win.

Coach Gray stated that the entire defensive unit was stand-outs with Gary McCaniel, Webster Johnson, Kyle Robinson, Ricky Yantis and James Ivery leading the pack.

Johnny Rosemond led the offense with 107 yards gained in 13 carries.

Springlake-Earth squeezes Bovina 8-7

The Springlake-Earth Wolverines pulled out their second squeaker in as many outings by barely squeaking by Bovina 8-7.

Both teams were in a deadlock at the half as the contest was scoreless during the first half.

In the third quarter Bovina had something to smile about when the Bovina quarterback hit his receiver on a 40-yard TD pass with 9:05 left in the third quarter. The extra point was good for Bovina.

Springlake-Earth soon turned those Bovina smiles into frowns as they drove from their own 20-yard line to Bovina's 7-yard line. On the next play after being penalized for 5 yards Mark Barton kept the ball on a sweep and fumbled the ball in the air. Timmy Johnson just seemed to be in the right place as he picked off the fumble while in the air and went in for the TD. The Wolverines went for the 2 point conversion and the win and were successful on a sweep play by Timmy Thomas.

Bovina on their next pos-

session moved the ball to the Wolverines' 25-yard line before the Wolverine defense came to life and halted the drive. Bovina tried a 25-yard field goal but was not successful.

Defensive standouts for the Wolverines were Dickie Brown who had eight unassisted tackles and caused a fumble, Rodney Geissler who recovered one fumble, and Bryan Taylor who had three sacks on Bovina's quarterback and three unassisted tackles.

Those outstanding on offense were Geissler, who had 20 carries for 79 yards, Barton who had 66 yards on 16 carries, Thomas who had 55 yards on 12 carries and Ben Johnson who scored one TD and had 26 yards on 10 carries.

Morton ambushes Olton Mustangs 24-13

The Morton Indians ambushed Olton 24-13 Friday night before the home folks to further scramble the zany district 3-AA standings.

Friona leads the league with a perfect 2-0 mark. Dimmitt is next at 1-0-1. Littlefield and Morton are both 1-1 and Olton is next with an 0-1-1 mark. Muleshoe is last at 0-2.

Olton quarterback Steve Johnson teamed with wide receiver Wendell Averyhart for a 63-yard scoring bomb to open the scoring in the first period. The PAT kick sailed wide to the left and the Mustangs were out front, 6-0.

Morton knotted the score mid-way into the second period on a three-yard run

off-tackle by Larry Moore. The score climaxed a 54-yard drive. The PAT kick was blocked and at half the scoreboard read 6-6.

Early in the third quarter, Indian signal caller Dino Savala snuck over from the one to give Morton a 12-6 lead. The Tribe never relinquished the lead.

In the final stanza the fired-up Indians iced the game with two TD's. Savala scored again from one yard out and Johnny Green rambled 17 yards around left end for the Tribe's final score.

Olton gained 68 yards on land and 213 via the airways. Morton rushed for 153 yards and passed for 131.

BULLDOG ZANE BUTLER scores from six yards out in second half action against O'Donnell. The TD gave Anton the lead and the Bulldogs romped to a 27-6 decision over the plucked Eagles. Anton entertains Ropes this week. (Leader-News Photo)

Texas cities, counties spend revenue sharing

Comptroller Bob Bullock said Thursday that an analysis by his office shows that Texas cities and counties spent a combined total of \$212.2 million in federal revenue sharing funds during federal fiscal year 1975, which ended June 30, 1975.

Bullock said cities spent 72 percent of their \$132.3 million in revenue sharing allotments for capital improvements and the re-

maining 28 percent for operating expenses.

Counties, he said, spent 62 percent of their \$79.9 million in allotments on capital improvements and 38 percent on operating expenses.

The analysis of local government use of federal revenue sharing funds was contained in the Comptroller's September monthly financial statement.

Three Way Boosters plan enchilada supper

The Three Way Athletic Booster Club held its weekly meeting Tuesday night at the Three Way School Cafeteria.

Plans were made for the Booster Club to sponsor an enchilada supper at the homecoming game at Three on Nov. 5th.

Prices were set at \$2.25 for adults and \$1.50 for children under 12. Serving hours will be from 5:30 to 6:30 p.m. and immediately

Entries sought for Review

"We, The Women", a branch of the Littlefield Chamber of Commerce, are now taking entries for the "Hallow'en Costume Review" to be held Thursday, Oct. 28, in the High School Auditorium at 7:30 p.m.

They now have 15 entries. Boys and girls, ages 2-8, may enter.

The children will be divided into two age groups— 2-5 and 6-8.

Children wishing to enter are asked to contact Sherry Campbell 385-4451 or Sarah Tollett 385-3169 before Oct. 26.

following the game with Center.

The classes of 1947, 1967 of Bula and Three Way be honored during half-time activities. The homecoming football hero for each of the years will also be recognized along with the crowning year's queen and hero.

Candidates include: Freshmen: Robert Layton, Belinda Richardson. Sophomores: Ken Eubank, Beverly Dupler.

Juniors: Donnie Young, Princess Parkman.

Seniors: Craig Kirby and Simpson.

Coaches Pat Rinsinger and Newton then presented awards for the Loop game. Offensive player was Ken Eubank and defensive player was Cantu.

Skull awards went to Kirby, Jose Vidales, Adam Guez, Eddie Rodriguez, Cantu, Jerry Waltrip, Rand, Bill Hodnett, Louis Donnie Young and Ken Eubank. The Eagles are 3-1-0 in play.

Whitharral's record unmarred; Grady Wildcats dumped 49-14

MIL MACHA
Whitharral kept its 1976 record unblemished by dumping the Grady Wildcats, 49-14, Friday before a homecoming crowd at Panther Stadium.

one point conversion was incomplete.

Whitharral leads, 26-14. For the next six and half minutes it was ball swap as neither team legally crossed over the goal.

A fumble recovered by Whitharral at the mid-field strip set up Whitharral's last scoring drive in the first half. The drive was climaxed when Bobby Avery passed to Jimmy Avery to give the Panthers a 32-14 lead. Chavez booted the extra and Whitharral took a halftime lead, 34-14.

Grady received the ball in the second half but had to give up the ball on downs after Kristinek stopped their third down try and the Panther pass defense made the fourth down aerial fall incomplete.

Dukatnik made the first down as he carried the ball from the 37 to the 18. To end the drive, Dukatnik jumped over from the one foot line to make the score, 40-14 with 6:10 left in the third quarter. A pass from

Chavez to Jimmy Avery netted a point after the TD and the Panthers enjoyed a 41-14 lead.

With 3:46 left in the third quarter, Dukatnik got his third score of the night on a 25-yard scamper and Chavez tallied his final points of the night with his two point conversion to make the scoreboard read 49-14 in favor of the host team.

The final quarter was scoreless as each team swapped the ball twice on downs.

Dukatnik was the Panthers' leading ground gainer with 93 yards. Jimmy Avery collected 208 yards on his seven pass receptions.

Bobby Avery completed 3 of his six passes and Jimmy Polk hit six out of nine.

Whitharral got 13 first downs and Grady got 13 and the Panthers penetrated eight times, the Wildcats three.

Friday Whitharral travels to Cotton Center.

A STIFF LEFT from Jimmy Avery [33] unjoints a Grady tackler as he tries to push the runner out of bounds. Avery went for extra yardage to sum up 208 yards in seven pass receptions during the homecoming game against Grady, Friday.

Anton Bulldogs trounce O'Donnell

By RICHARD ROGERS

The Anton Bulldogs piled up nineteen second-half points to trounce the O'Donnell Eagles, 27-6, in a non-district battle Friday night.

The game was delayed for 45 minutes due to a power failure, and as a result, both teams showed signs of sluggishness in the early going. In fact, the Bulldogs did not earn their initial first down until the second quarter.

O'Donnell drew first blood in the contest when on their first offensive play from scrimmage, Arthur Garza scampered 77 yards for a touchdown. That put the Eagles up 6-0. But the Anton defense never allowed their visitors to score again even though they spotted O'Donnell four first-half fumbles.

The Bulldog offense got untracked late in the first half when they solidly marched 71 yards in 11 plays to knot the score at six. Richard Alvarado crossed the goaline from six yards out, but the Bulldogs failed to assume the lead because their take conversion attempt failed.

In the second half, Quarterback Zane Butler took command of the game when he darted six yards for the go-ahead score. The Bulldogs attempted the same fake play on the conversion but this time Belcher cradled in the pass that put Anton ahead 14-6.

Sammy Peacock set up Anton's next touchdown when he recovered a fumbled punt on the Bulldog 41. Back to back runs by Steve Green (one on a fourth and six from 30) put the ball on the six, and two plays later, Green dove one yard for the score.

Anton iced the cake with 8:02 left in the game, Butler threaded the needle to Belcher for a 41-yard pass play. Lonnie Timms booted the extra point and the scoring ended at 27-6.

The Bulldog defense hosted three standouts during the contest. Butler led the secondary with two interceptions which halted drives of the Eagles. Holding the defensive line for Anton was Blake Cate and Scott Goen who teamed their efforts for 18 tackles and 13 assists.

Anton stands at home next week against Ropes with hopes of improving their 6-2 season record.

GI BILL EDUCATION

Eight of every 10 veterans enrolled in apprentice or on-the-job training programs under the GI Bill, normally complete courses of instruction, the Veterans Administration reports.

Hornets lock in District title

The Sudan Hornets will represent the 2-B North zone champs as they wrapped an easy victory over Lazbuddie 50-7 to capture the zone title.

Kyle Martin led the Hornett attack as he scored the first five TD's. Martin scored his first TD with 21 seconds left in the first quarter from one yard out. Jerry Williams kicked the extra point.

With 8:10 left in the second quarter Martin again scored from one yard out. The extra point attempt by Jerry Williams was no good.

Martin went in for his third TD from 4 yards out with 35 seconds showing on the scoreboard before the half. Jerry Williams kicked the extra point to give the Hornets a 20 to 0 lead.

In the third quarter Martin got things started again as he went in from 5 yards out. Martin was also successful on the 2 point conversion.

With 4:04 showing in the same quarter Martin scored his final TD from 6 yards out. Jerry Williams kicked the extra point.

During the final quarter of action with 6:47 left in the game quarterback Craig Pickett hit Edger Tamplin on a 9-yard TD pass. Jerry Williams kicked the extra point.

Pickett hit his second TD pass with 2:27 remaining in the contest with a 32-yard pass to Joel Williams. Martin was called on to go for the 2-point conversion and was successful to give the Hornets a 50-7 zone championship. The Hornets will more than likely face Sunday for the district championship.

Lazbuddie's TD came on a 80-yard bomb from the Lazbuddie quarterback to his receiver.

The Sudan JV defeated the Amherst JV 18-0 in Thursday's contest to lift their season record to 5-2 and Amherst's record fell to 4-1.

Bob Graves scored all three TD's for the Hornets. Graves carried the ball 30 times for 123 yards.

Roy Don Dudgeon, Dennis Flowers, Lonnie Williams, and Haldon Messamore were tabbed as outstanding on defense for the Hornets.

Outstanding on offense for the Hornets were Martin, Pickett, Williams, Tam-

plin, Lonnie Williams, James Graves, and Terry Swart.

Wellman hallops Three Way

Wellman, with "get" on their minds, did as they walloped the Three Way Eagles, 62-43 Friday night at Wellman in football.

Apparently the whipping Eagles gave the Wild earlier in the season but set well for the host as they had a 36-24 lead and went on to score more points in the second half to ice the win.

Nunez and Larry Nunez each scored three touchdowns for Wellman in the scoring attack for Wellman.

Three Way was paced by Art Rand and Alan Phillip with two touchdowns each.

Wellman had 25 first downs and 10 penetrations.

Three Way gained 12 first downs and penetrated 10 times.

SUSAN CORKERY and Walter Kristinek [60] were crowned Homecoming Queen and Football Hero Friday night at Whitharral. Members of the court are left to right, Cheri Hisaw, Rhonda Bryant, Bobby Avery [11] and Marcus Salinas [72]. Flower and crown bearers are Tracy Miller and Chris Butner. The crowning was part of the halftime ceremony during the Whitharral vs. Grady football game.

JOHN DUKATNIK goes over head first with feet flying from the one-foot line to score for Whitharral Friday night as a couple of Panthers make a path for the scoring drive against Grady. Jimmy Polk [20] is the Panther in the background. Whitharral won the game, 49-14.

It's so easy...
Anyone can enter!
Read the rules...
Start Winning
**RULES OF THE
CONTEST:**

All you have to do to be eligible for the weekly cash prizes is to complete the form below and place (or mail) it in the designated box at the Leader-News office. It is the contestants responsibility to see that the form has been placed in the entry box and the Leader-News assumes no responsibility

One game is listed in each advertisement. Pick the winner and insert the name of that team in the OFFICIAL ENTRY BLANK below. Then in the "Tie Breaker" section, put the total score you believe the teams will make. Weekly judging will be based on the total number guessed correctly. In case of a tie, the tie-breaker will be used to determine the top winners. Decision of the Leader-News scoring judges will be final.

To be eligible for the 2 free tickets to the New Year's Game at the COTTON BOWL, the total number of correct guesses will be totaled through the season.

LIMIT - One entry per contestant per week.

BE SURE to complete the forms by PRINTING plainly your name and complete address and turning in the entry blank only. Contest winners will be announced in each Thursday's issue of the Leader-News.

All tied games are considered wrong unless called as a tie.

Early freeze taught Gordon Walden lessons

RODGERS
Walden is going this year's early freeze. One, he is going to cotton earlier next year, he isn't going to be long or as much. His cotton yield was a bale and a half on June 22nd, then frost and freeze.

"I'll be lucky if I get half a bale per acre," he said. "The hail hurt me all that bad, but my neighbors didn't. It cut my crop by at least 50 percent. Part of that is because I have a little too much, pointed to a James Steffey, as a neighbor who planted cotton this year. "Steffey planted April 4," he said, "and he has a really looking crop there. Somehow our crop have slipped a cog something. April has the place of May. Like it is warmer in May. I think I'll plant cotton a month next year."

Walden he intends to what he preaches comes to irrigating too. "I know that I'll get better cotton if I just look on the irrigation," he said. "But I want to see a crop that is suffering. I irrigated once this year, but if I'd just pre-irrigated, it would be good and not irrigated all through the year. I'd be way ahead. My neighbors don't irrigate at all

this summer has already stripped his cotton, and here I am with a field full of green bolls that didn't mature."

Besides a better yield, grades and mike, Walden would have saved much labor and the cost of fuel used irrigating. "I guess we will have to stop irrigating when we run out of water or when energy costs get so high we can't afford to irrigate," he added.

Walden has three 6-inch irrigation wells. His water table has dropped 17 inches in the last 25 years. That isn't good and it isn't bad. What is rough is that irrigation costs are three times as much now as they were just two or three years ago.

"When I bought this farm in 1948 it made a living for me, my wife and two boys and left room for making some improvements. But there is no way a man could buy this place and make a living for a family today," he added. "The days of the small farmer are gone."

Walden has been farming for himself since he and his wife married 37 years ago. He thinks it is the best life in the world for a family, but he waxes philosophical when it comes to the future of farming. "I could GIVE this farm to a young family man and he couldn't come out here and live and make a living. The last three years, most farm families could qualify for food stamps."

"If something isn't done to stop inflation, nothing is going to help us. Sure, we made a good crop in '73. But if it hadn't been for '73 there would be fewer farmers today. That crop got

them on their feet," he continued.

Walden said he contracted his grain for \$4 a hundred that year. "And I got a good price for my cotton," he added. Like a lot of other farmers, he bought a new tractor. "I paid \$10,800 for it," he said. "But that same tractor sells for \$23,000 today. And we're still getting the same price for our grain and cotton."

"If we don't get anything for our crops when we make a good yield, how are we going to make it when we have a crop failure, get hauled out or get an early freeze?"

Plenty of producers are asking the same questions. Hail and early freezes have reduced yields considerably in this portion of Lamb County over the past few years. Walden's yields used to average 845 pounds lint per acre. But his lint average is 605 pounds now. In 1967 and 1969 he was hauled out, and there have been several early freezes in between.

Too, wilt is becoming a problem to some extent. Because of the wilt he plans to plant Paymaster 303 next year because of its wilt tolerance.

This year all cotton is Paymaster 18, a stormproof variety planted the first week in May. This has been a standby for Walden because of its high mike.

"I tried some of the Paymaster dwarf a couple of years ago," he said. "and I really liked it. It grew off fast, and it was the only cotton I had that year that made over a bale to the acre. But when it was ginned and graded, it came back with low micronaires

of 2.4 and 2.5. So with mikes like that it just made it impossible for me to grow it. Some of the old varieties made good yields, but it is the mike we've got to have now."

Walden is optimistic about the effect the denim mill in Littlefield will have on the price farmers will receive for their cotton. "When the mill is in full production, it is going to be all right," he said. "Eventually it is going to improve the price we get for cotton. And it will benefit those who don't sell to the denim mill pool, too."

"Some say it will increase our price five to 10 cents per pound. People from the mill claim profit made from the mill will make farmers realize one extra crop every 10 years," he noted. "Right now, it is hard on those who have to borrow to make a crop, however. Because it is a full year before you get your money."

Walden usually plants about 50 percent of his land in cotton and the other half in grain sorghum, and he likes to rotate feed and cotton land every year. When there is enough moisture, he likes to break every year, also. This gets the stalks turned under and they decompose better.

As soon as he is through harvesting the grain sorghum, he shreds the stalks and runs a tandem a couple of times. When his son, Doug, needs the stalks for his cattle, they stack the stalks. "This helps get rid of the stalks and means not having to put on so much nitrogen," he said. "I like to get those stalks off there and in a stack. There's always plenty left for hu-

GORDON AND FRANCIS Walden hold portraits of their two sons and their families. [Staff Photo]

best Mexican food he's ever eaten anywhere. For the cooks here are a couple of Walden's favorite recipes.

PORK CHOP CASSEROLE

5 pork chops
1 can pork and beans
1 cup chili sauce
1 tsp. salt
1 Tbsp. brown sugar
1 tsp. worcestershire sauce
1 bell pepper
1/8 tsp. cracked black pepper

Brown chops thoroughly on both sides. Place chops in a greased three-quart casserole dish. Combine beans, chili sauce, brown sugar, worcestershire sauce, salt and pepper. Pour bean mixture over chops. Garnish with green pepper rings and bake one hour in a 375 degree oven.

GREEN ENCHILADAS

1 pound ground beef
1 pound ground beef
1/2 lb. sharp cheese
1 large onion

Cook ground beef and add onion and sharp cheese. Heat tortillas in hot shortening, then fill with meat mixture. Roll up and place in pan, then cover with this sauce:

SAUCE:
1/2 stick butter
4 Tbsps. flour
2 cups milk
1 small can peppers (mild or hot)
1/2 lb. velveta cheese

Melt butter, slowly add flour stirring constantly. Add milk, cheese and chilies. Cook until cheese melts. Pour sauce over tortillas and bake in 350 degree oven for 20 minutes.

Lutheran Women meet

The LWML (Lutheran Women's Missionary League) held its regularly scheduled meeting Tuesday evening, Oct. 12 at the parish hall of Emmanuel Lutheran Church.

The meeting was opened with the singing of "O Blessed the House What 'er Befall," followed by prayer and devotion by Waneta Siems entitled "I am the Life."

The program for the evening was brought by Audrey Ebert of Plainview who is presently serving the High Plains Zone of LWML as Christian growth chairman.

Mrs. Ebert gave an enlightened talk on several controversial issues: abortion, ERA (Equal Rights Amendment), Title IX of the Education Amendment Act of 1972 and how each of these affect our children, our schools, our homes and the church.

Following her presentation, Mrs. Ebert invited those attending to help

themselves to literature which would explain in more detail how Title IX will affect us and our children, how the Christian woman should look at abortion in our society, and the dangers of the phony ERA and how it will affect churches, private schools and our families.

Mrs. Ebert also asked any who might be interested to take one of the membership applications for the WWWW, Association of the W's, which was formed (1) to educate on issues which affect the moral and spiritual welfare of your family, and (2) to determine specific things each person can do, and (3) to unite our efforts for greater effectiveness.

Regular LWML members attending were: Ellen Will, Betty Ristvedt, Maisie Birkelbach, Betty Wilkinson, Waneta Siems and Ruth Bartley.

Visitors for the evening included: Mr. and Mrs. E. C. Hill, Laverne Carpenter,

Lillian Haynes, Pastor Ristvedt, Nina McBride, Arlene Lorenz and Mrs. Ebert.

Following the program those attending were served refreshments.

Lasagne buffet fetes sorority

Members of the Alpha Lambda Zeta Chapter of Beta Sigma Phi, their husbands and guests met Saturday, Oct. 16, in the Willie Room for a lasagne dinner and a "Crazy Bridge" party.

Lasagne, tossed green salad, French bread, fudge brownies and the tea composed the evening buffet. Ten hands of "Crazy Bridge" were played with prizes being awarded to high scorer, Robert Moore, and low scorer, Keith Kelton.

Attending the social were: Kathy and Robert Moore, Linda and David Jones, Brenda Denton,

CUB SCOUTS, Dean Spies "Carter" and Michael Stuart "Ford" debate the issues during a pack meeting Monday night. The issues such as planning to lower taxes at the school store before the Christmas rush to changing the school work week to three days were discussed. Reporters in the foreground presenting the questions are left to right, Mitchell Stuart, Danny Davis, Devron Duke, Jason Kellough, Paul Steadman and Paul Galloway, all from Pack 2. After the debate, vote was made by secret ballot and "Carter" won by a slim majority.

Student Book Fair to be Nov. 1

Elementary Schools in Littlefield will sponsor a student book fair from Nov. 1 to 5, when students will browse and purchase books from 9 a.m. until 3:30 p.m.

Books will be on display in the Elementary II Library.

The book fair committee invites all students, parents and visitors to attend the fair, encourage student interest in reading and in building home libraries, and will also contribute to a worthwhile project.

All profits will be used for books for the library.

Mrs. Marvin Dane will serve as book fair chairman. The committee includes room mothers and other volunteers.

The book fair display will include attractive new books from many publishers in all popular price ranges: books to read or to give as gifts. All reading interests will be represented, including classics, fiction, biographies, adventure stories, science, nature, crafts, mystery and reference books.

The committee is work-

ing with Educational Reading Service, a professional book fair company, to provide an individual selection of books for the fair.

Airman Anne McCasland completes basic training

Airman Anne E. McCasland, daughter of Mr. and Mrs. Joseph A. Michalik of Plainview, has been selected for technical training at Keesler AFB, Miss., in the Air Force communications systems operations field.

Highway Patrol investigates 15 accidents

The Texas Highway Patrol investigated 15 accidents on rural highways in Lamb County during the month of September, 1976 according to Sergeant Thurman Keffer, Highway Patrol supervisor of this area.

These crashes resulted in six persons injured. The rural traffic accident summary for this county during the first nine months of 1976 shows a total of 84 accidents resulting in no persons killed and 44 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for September 1976, shows a total of 567 accidents resulting in 15 persons killed and 306 injured, as compared to September 1975, with 551 accidents resulting in 29 persons killed and 314 persons injured. This was 16 more accidents, 14 less killed, and eight less injured in 1976 at the same period of time.

The 15 traffic deaths for the month of September, 1976, occurred in the following counties: Three each in Potter; two each in Wise; one each in Donley, Deaf Smith, Lubbock, Dallam, Gray, Moore, Wilbarger, Knox, Parker, Wichita.

New church dedication slated this afternoon

The new Highway 54 and Duggan Avenue Church of Christ will be dedicated this afternoon at 2:30, and the public is invited to attend.

Open house will be held at the building afterwards so persons may inspect the auditorium, kitchen and fellowship hall. Refreshments will be served.

Formerly called the Ninth Church of Christ, the congregation decided to build a new brick building in this better location.

The 6,000 square-foot building has all new furni-

ture. The large parking lot is completely paved. Appropriate landscaping has been added to premises before the formal dedication today.

This morning and this evening services will conclude a three day gospel meeting in the new facilities. Don Lacy of Canyon Hills Church of Christ in Canyon will preach the morning worship at 10:30 and the evening service is at 6 o'clock.

The congregation and guests will have a basket lunch following the morning service.

951 deer permits issued

Competition was heavy this year for the 951 permits to hunt deer on five Texas Parks and Wildlife Management Areas.

A total of 10,657 persons made application to the P&WD.

In a public drawing Oct. 7, department officials selected names to hunt to the Engeling, Kerr, Sierra Diablo, Gene Howe and Chaparral Areas.

Those selected in the drawing will be notified by mail of their hunt dates and asked to submit a \$20 fee to cover costs of conducting the hunts.

Hunters on the Kerr Area in the Hill Country will be allowed to take either white-tailed, axis or sika deer this fall.

And of the 200 permits issued for the Chaparral Area in South Texas, half went to hunters who will use only muzzleloading firearms.

All hunters who participate in the gun hunts will be required to wear a minimum of 400 square inches of daylight fluorescent orange material with 144 square inches appearing on the chest and back.

WHITHARRAL

THELMA OVERMAN and Mr. and Mrs. David Mitchell were recent visitors at Cloudcroft and Ruidoso.

Glorieta accepting summer applications

Glorieta Baptist Conference Center, a year-round religious retreat 18 miles east of Santa Fe, N.M., is accepting applications for employment on the 1977 summer staff.

Approximately 200 staffers will be employed to serve the 30,000 guests expected to attend the 13 weeks of conferences offered at Glorieta this summer.

Positions are available in the area of food services, housekeeping, day camp, preschool work, guest relations, transportation, registration, guest recreation, security, media center operations and auditorium/conference room operation.

Conference center personnel are interested in hiring Christian young people and adults who are willing to serve the guests while they are attending

conferences. Applicants must be between 17 and 25 years of age, a high school graduate before the end of 1977 and physically able to work at an elevation of 7,500 feet.

Work schedules include a weekly 40-hour week and weekend day shifts.

An extensive program of staff activities is maintained by the center. When not on duty, staff members can participate in staff choir, vocal ensembles, Bible study, missions, revival, planned recreation, drama teams, sports programs are planned for Friday night of the summer.

Glorieta Baptist Conference Center completes the wage and hour regulations of the state of Mexico and the government, and equal opportunity act.

Inquiries should be addressed to Staff Coordinator, Glorieta Baptist Conference Center, Box 181, Glorieta, N.M. 87538. Glorieta is owned and operated by Sunday School Board of the Southern Baptist Convention, is dedicated to Christian leadership training.

The airman recently completed basic training at Lackland AFB, Tex., and studied the Air Force mission, organization and customs and received special instruction in human relations.

Airman McCasland is a 1974 graduate of Plainview High School.

Her husband, Airman Johnny H. McCasland, is the son of Mr. and Mrs. John H. McCasland of Littlefield.

LITTLEFIELD SUPER MARKET

FROM the interest in the area was a sightseeing tour of Lubbock, tour of Muleshoe court house, and law enforcement offices, visited school in Sudan, visited at Portales, to see "Texas", tour of West Texas museum, and Carlsbad Caverns. They went to San Antonio from here for nine days, visited many historical places there. They are interested in the country's politics and had listened to the Carter and Ford discussion on T.V.

MRS. MARY BRITT of Amherst and her daughter, Adele Cole, and nephew Jeff Haithcock, of Carlsbad, were visitors Sunday at the Church of Christ and dinner guests of the Nolan Harlans.

WMU MET Tuesday afternoon for their regular weekly study, with only three members in attendance, due to so much illness with their members. Mrs. Battles read the call to prayer calendar and Mrs. Williams gave the prayer. The lesson was taken from their mission study book and they studied it together with no appointed leader of the lesson. They were Mrs. C. A. Williams, Mrs. E. O. Battles and Mrs. P. R. Pierce.

JAMIE COX celebrated his 13th birthday Friday by having friends, J. W. and Chuck Pickard from Sudan, spend the night with him. Mrs. Cox took the boys to the Pizza Hut in Littlefield for a Pizza supper. Later on in the evening they enjoyed punch and cup cakes at Jamie's home.

MR. AND MRS. P. R. Pierce, accompanied by Mr. and Mrs. Frankie Carpenter and boys of Muleshoe, drove to Lubbock Sunday afternoon and enjoyed a visit with the Pierce's other daughters at the home of Mr. and Mrs. Clifton Baker. Others to be with them were: Alma Lou Pierce, Mrs. Jean Jackson and daughter, Debbie Wall and baby.

THREE WAY homecoming has been set for Friday, Nov. 5, at the Three Way school. They will be host to Cotton Center that night, for football. All Ex Bula students are urged to attend. Since 1975, Bula school is no longer in operation and students attend Three Way school.

Writers' Guild slate meeting

Lee Stephenson, associate professor of English at South Plains College, will discuss "The Meaning of the Creative Act" Tuesday night, Oct. 26, at the meeting of West Texas Writers Guild.

The meeting, second for the fall season, is scheduled at 7:30 p.m. at St. Luke's Episcopal Church on the Sundown Highway. All interested persons are invited to attend.

"I will approach the question of why and what is literary art," explained Stephenson, "why one needs to do this."

Tuesday night also marks the deadline for the club's serious fiction/non-fiction writing contest. Entries, which should not exceed 3,000 words, are due at the meeting.

Membership dues are \$5 a year. The club is open to anyone interested in writing.

A GOOD SIGN

Cracks on the side of homemade bread during baking show that good flour has been used, the ingredients are in correct proportions, the dough has been well kneaded, and the baking temperature is exactly correct.

Amendments need approval

Knowledgeable leaders across Texas support both constitutional amendments which are on the Nov. 2 general election ballot.

Those who know the most about Texas water needs say both amendments should be approved, both to provide for future water needs for the state and to help towns upgrade their water systems to meet federal demands.

The following are remarks made by Arthur P. Duggan, Jr. of Littlefield, Duggan is Canadian River Compact Commissioner for Texas.

Statement to Texas Water Development Board Public Forum concerning a Texas Water Plan by the Canadian River Compact Commissioner for Texas.

THE STATE OF TEXAS IS AN INFANT!

A mere growing child in economic and population growth!

There are those who believe the State of Texas is at a point in growth where California was maybe fifty years ago. Only recently have the Plains of Texas taken over leadership in numbers of beef cattle on feed. Hardly yesterday have ultra-modern meat packing plants located in Hereford, Amarillo, Friona, Dumas and Plainview. Today the giant textile industry is entering Texas, with a multimillion dollar mill in Littlefield, joining only 42 textile mills in the State.

Only the past year or so has it become known the tremendous production and exportation of grain and cotton of the High Plains can be an important factor in alleviating worldwide hunger and clothing problems— together with saving the balance of United States payments in world trade, along with preventing virtual bankruptcy of the nation. The entire State

is bounding forward in industrial development.

One indispensable element in this growth has been the presence of WATER. There is enough water on hand to justify the present surge. But how about the future? Sure, enough water is in sight to sustain what we have now— and for another 25 years or so. But after the year 2000? Better vote FOR both Constitutional Bond Amendments next November 2.

Evidence is here that the great supply of water in the Ogallala formation in the High Plains is being used faster than it is being replenished. In order for the area, the State and the nation to hold their own and to grow further, it is essential the supply of water in all of the State of Texas and in the High Plains be supplemented.

Fortunately, there exist vast supplies of water in North America, surplus where found. Enough water, say engineers, not only to save the day, but indefinitely to sustain production, more people, more industries. Great quantities of water, good quality refreshing water, they say, are in Canada, Alaska, the Mississippi River system. Plenty of WATER. And, say the engineers, from an engineering standpoint, much of the water can be transported to the High Plains, with improvement to the environments of the nation, the State of Texas, and the High Plains.

In developing Texas' long range supplies of water, many studies have been made and publicized. Most studies concentrate on areas of the State other than the High Plains, and nearly all state and federal money and efforts have been and are being applied to areas other than the High Plains of Texas. Nearly all water development in the High Plains has been paid for locally.

Yet, the High Plains are of vast importance to the remainder of the state and to the nation, not to mention the entire world. It is high time for attention to be directed to the High Plains.

The food and fiber production of western Texas already have done much to relieve famine and to protect the nation's budget. They can do much more in the future, along with natural gas and oil production. With enough water, millions of dryland acres can be rendered more productive. So water must be brought in to maintain and enhance this happy situation.

The water supply exists. If brought to the area, it

must be stored in one place or another for distributing. Adequate storage locations are scarce in the High Plains.

Your attention is called to the fact that across the Texas Panhandle courses the Canadian River. One dam on the river now impounds water used in several cities. Maps of the Canadian River Basin indicate there are at least two other sites in Texas suitable for improved water storage. Preliminary engineering studies, not published and maybe not heretofore considered seriously by any Statewide water agency, I understand, indicate the presence of a reservoir site. There is reason to think these sites could be of extreme importance in connection with any water importation project, both for storage of water in transit and in improving the environment of the area.

The Canadian River provides perhaps the easiest gradient for lifting and carrying water from excess water regions of the Mississippi River system. In other words, it may cost less to bring the water up the Canadian River than by any other route— and storage areas are already in place.

Concern has been expressed over salinity of water coming from Lake Meredith. A salinity study has been undertaken by the Bureau of Reclamation to determine sources. The study indicates a considerable increase in chloride from natural sources present in the river channel primarily in New Mexico below Ute Dam. The sources, in the opinion of some, are the origin of 75 to 80 per cent of the chloride load in Lake Meredith. The goal is to eliminate these salts from Lake Meredith water.

Since the Canadian River traverses the state of New Mexico and Oklahoma, and well as Texas, use of water in the river and storage of same are subject to agreements among the three states.

At a meeting of the Canadian River Commission in Amarillo last March 1, both the Oklahoma Commissioner and the New Mexico Commissioner expressed interest in a regional water plan. A regional plan might include bringing water up the Canadian River for use in the three states. As a matter of fact, the State of Oklahoma is studying a plan to transport water from eastern Oklahoma to western Oklahoma. It was suggested the three states could cooperate in an overall plan, thereby reducing the cost of each state.

There is in existence another great reservoir for storage of imported water. The dewatered sands of the Ogallala underground water formation could take vast quantities of water and hold same without loss by evaporation.

In the High Plains there is a long range need for more water. There are areas where imported water can be stored en route. There is ample water in existence to bring to the area.

These matters are brought to the attention of the Texas Water Development Board with the urgent request that necessary studies be initiated— and that all possible efforts be made to see to it water be transported to the High Plains. Thereby the environment can be improved; and, more importantly, the starving, inadequately clothed masses of the world assisted, the budget of the United States aided, and the economic well being of the entire State of Texas protected.

ARTHUR P. DUGGAN JR., Canadian River Compact Commissioner for Texas

'Sanforset' process aiding denim market

A new process for treating cotton makes denim wrinkle-proof and shrink-resistant.

The process, with the trademark "Sanforset," has met with such good consumer response that already there is a shortage of the material.

Cotton Incorporated, the fiber company of U.S. cotton producers, is advertising and promoting products made with the "Sanforset" process to help secure more markets for cotton producers.

"The 'Sanforset' process also has great potential for helping cotton regain other markets," says James P. Hangley, Cotton Incorporated director of apparel marketing.

"A successful process for imparting durable press finish to 100 per cent cotton products could probably create a total market for more than 2 billion yards of cotton goods— enough to require an extra million bales of cotton," says Hangley.

"Of course that's not feasible right now, but that is the potential."

Fabrics treated by the "Sanforset" process are currently available only from Burlington Mills. The Blue Bell Corporation is buying the fabric and using it in its jeans, which are marketed under its Wrangler "No Fault" label and its Sedgely "Do Nothing" label. The H. D. Lee Company is using the fabric for its "Lee-Set" garments.

The new process is especially impressive because it leaves the fabric with a soft feeling, or a good "hand," comments Hangley.

The treated fabric also fades faster than regular denim to achieve the faded look that many young buyers want in jeans, says Hangley.

Burlington is installing a new line of equipment to meet demand for the fabric and Riegel and Graniteville are purchasing the equipment, Hangley says.

Potential for use of the new treatment could run as high as 90 million yards, or 48 million garments, according to Hangley.

"We think there is great potential," comments Hangley.

OSCARIAN BROTHERS CIRCUS was in Littlefield this week to entertain young and old citizens. Some of the proceeds from ticket sales went toward the Meals on Wheels program for the elderly. [Staff Photo]

Hallowe'en Carnival discussed during meet

At the regular business meeting of Alpha Lambda Zeta, which met Monday night, Oct. 18, at Tri-County Savings, a discussion of the Hallowe'en Carnival scheduled for Oct. 30 at the Lamb County Agriculture and Community Center, took precedence.

Sandwiches, hot dogs, pickles, hot and cold beverages and various confectionary delights will be sold at the refreshment stand. A hayride, also chapter sponsored, will begin at 6 p.m. to that younger children can ride before dark.

So far, eight booths have been officially registered for the carnival, but several more organizations will be registered upon receipt of their rental fees.

President Darlene Maxfield read a communique from H. C. Randall, who thanked Alpha Lambda Zeta for its contribution to the Lamb County Memorial Library Building Fund.

The evening's cultural program on poetry was presented by JaLee Slate and Penny Kelton. JaLee introduced the program by reading a poem entitled "A Friend in Need." Penny gave hints on how to read poetical works and reviewed various types including ballads and lyrical and narrative poetry.

A poetry composition contest among members concluded the presentation.

Following the Closing Ritual and Mizpah, Stella Randermann was honored with a surprise baby shower. A white lace tablecloth with a pink underlay covered the serving table and set the color theme which was chosen by hostesses Brenda Denton and Ruan Richardson. Banana Split Delight cake, sausage balls, mints and tea were served to the honoree and those members in attendance. Brenda Denton was in charge of recording the gifts.

Also, JaLee Slate was surprised with un-labeled canned goods which were

given to her as housewarming gifts.

Members present for the business meeting and festive activities were Stella Randermann, JaLee Slate, Doris Waters, Penny Kelton, Darlene Maxfield, Cherlyn Perkins, Judie Huddleston, Sharon Adams, Linda Charlton, Brenda Denton, Ruan Richardson, and Charla Rountree.

STEAM OFF WAX

To remove wax from wooden candlesticks without scratching, hold them over a steaming kettle for a minute and wipe off the wax with a paper towel.

Texas Guardsmen schedule Muster

Giving a new and good start, the Texas Guardsmen are again hosting a Muster of retired Texas Guardsmen.

The Texas Guardsmen Annual Muster will be held at the Texas Guardsmen from 10 a.m. to 3 p.m. at the Texas Guard headquarters in Austin, Texas, Nov. 7.

This year's Muster again be held at the Guard headquarters, Mabry in Austin, Texas, a.m. to 3 p.m., Nov. 7.

"We are inviting retired members to come over and see what we accomplished during the past year," claims Adjutant General Thomas S. B.

"We don't want tired Guardsmen to touch with the change to the modern Guardsmen would like them to what we are doing and we are building," he says. "We are proud of our accomplishments and want all our Guardsmen to be proud of them as well."

Anton Study Club members hear about Russian tour

ANTON— Miss Fannie Pillow, associate professor of Education at Texas Tech University, was the guest speaker at the Monday night meeting of the Anton Study Club.

Miss Pillow supervised student teachers and taught social studies for elementary teachers at Texas Tech. She also taught teachers overseas in Jamaica and Ethiopia.

Miss Pillow showed slides and spoke on the educational study tour of Russia which she took in 1971, supervised by the National Council of Social Studies. The tour was under the tourist organization of Soviet Russia. They traveled by bus in the cities and by plane from town to town.

Prior to embarking on the tour, she had been told to sew a loop in the neck of her coat which was used to check coats in all the buildings. Also they were told to bring an out-of-date courtesy card which they used to scrape ice from the windows of the bus as the tour was made during the Christmas holidays. Tourists are advised to bring only high speed film, as flash cameras are not allowed in the buildings.

Visitors to Russia are told to give no tips, but to take gifts to give those who served the visitors. Only 8 percent of the Russians belong to the Communists who knew more about the United States than the tourists did.

Women's Lib is no problem there as the women do the same jobs as the men— 80 percent of the doctors were women— the street cleaners were also women.

She toured both the Winter Palace and the Summer Palace. The Winter Palace is now called The Hermitage and is a museum. Most of the ornate Russian Orthodox Church are now museums which are kept spotless and guarded because the contents are invaluable.

Some of Miss Pillow's observations were that the common people of Russia looked and dressed alike and wore very solemn expressions. The schools were very clean and the children did not smile. There was no advertising as the state owns all the elements of production and there is no free enterprise. The subways are spotless and contain many lovely works of art. No one ever defaces a public building, as there is always someone to report it.

She said, "It was the only place in the world where I did not find Cokes." They do have drinking problem because Vodka was very prevalent and called "our anti-freeze."

During the business session, Mrs. Leon Wooten and Mrs. Orval Williams reported on the Caprock District Board meeting held at Ralls Saturday.

Each member of Texas Federated Clubs has been

asked to contribute one dollar toward the repair of the leaking roof of the TFWC club house in Austin.

A letter from Marshall Cooper of Girlstown, was read in which he expressed appreciation for the 20 hair driers collected in Anton.

The club voted to sponsor a girl for Christmas from Girlstown, USA.

Refreshments were served to guests, Mrs. Christene Buchanan and Mrs. Denny Belew, and 19 members by the hostesses, Mmes. Orval Williams, Louis Boothe, and Mrs. Wilson Williams.

The next meeting will be Monday, Nov. 1, at the First United Methodist Church where the club will host a luncheon for the Anton Senior Citizens. The program will be "Aloha, Hawaii" by Mrs. Louis Boothe, who will show slides of the Lions International Convention.

FANNIE PILLOW

Giant 'Wake Up America' Bicentennial rally slated

A giant "Wake Up America, Land That We Love" Bicentennial Rally, sponsored by the Revival Fires Ministries is slated for Saturday evening, Nov. 6 at the Lubbock Coliseum on Texas Tech Campus in Lubbock.

The services will begin at 7:30 p.m. with a 30-minute singing concert preceding the starting time.

Appearing on the patriotic program will be Cecil Todd, speaker for the nationally— televised "Revival Fires" program, the Good Twins and Special Guest Tom Netherton, one of the most popular singers on the Lawrence Welk TV Show.

Everyone in attendance will be given a duplicate copy of the Declaration of Independence signed on July 4, 1776 with the story of "What Happened to the Men Who Signed It!" Also, two flags will be on display for the occasion. (1) Our beloved American flag. This flag was flown over our nation's capitol on one of the first days of this year purposely for the Revival Fires-sponsored "Wake Up America" Bicentennial Crusade. (2) A replica of the authentic "Betsy Ross 1776 American Flag."

Todd said, "The purpose of the Bicentennial Rally is to bring freedom-loving Americans together and to emphasize our rich spiritual heritage as a nation that has preserved us to our 20th birthday" and for

ONE-ROOM SCHOOLS

There are a few people around who still remember the little one and two-room schools that served Lamb County a long time ago.

Early ranch managers just didn't hire anything but single men as cowboys, thus they could all live in a bunkhouse. And a common cookhouse served everyone. But distance and long rides were always a handicap. Nobody needed a school, and there just weren't any kids to go to school.

Finally times began to change. Line Camps on the out post of the ranches were established, and some of them hired married men and families, and schools for their children were necessary.

Sometime three or four ranches had a common school, built at a common point where the kids walked or rode horseback to classes.

From 1900 until 1925 there were several of these schools around Lamb County.

Olton had a small one-room school out northwest of town. This school was known as Burro College. Some folks say its name came because some wild

THE REAL THING

A recent clothing survey of female college students found they preferred cotton and cotton blend fabrics and real gold, silver, wood and other natural jewelry.

Pioneer Days

By V. M. [Pete] PETERMAN

Burrow froze to death there. This school lasted several years, or until a larger one was built in Olton.

Burro School, a one-room box and strip house, still stands, and the good people of Olton plan to move it to town and completely restore it, and make a museum out of it.

Springlake, over on the northeast side of the Hallsell Ranch, built a two-room school in 1908. This school served ranch kids from far and wide, and was the only school in that part of the county until 1925.

Today, one of the largest union graded schools in Texas stands just a short distance from where the little school was first established. Springlake-Earth School, as it is known today, is a complete school serving two organized towns, and several adjoining schools have been consolidated there.

Lamb County Historical Survey Committee has placed a Historical Marker on the site.

Pleasant Valley, on the northwest part of Lamb County, still has its organized school built in 1921, restored and made into a community center. This little original one-room school served ranch children for several years, and is still the pride and joy of the community.

Several other one-room schools built in Lamb County served their purpose and helped mankind with its every needs.

The first school here was held in the constructed house by Ewing Hallsell, two lumber yards established business little new town in 1913. He paid the school and school expenses several years.

Sudan, likewise, a little one-room school beginning.

Spade, Whitman, Pep also started one of those one and two establishments.

These little schools fond memories for the citizens, with wood, and water-hauled in a barrel drawn with a bucket rope.

Blackboards, chalk, and home seats, blue-back primers, arithmetic, physiology; cedar and big chief tables, staffs, and ink bottles, a dinner bucket.

It took them all to school, and a lot of the citizens of today had educational beginnings these small schools, that's the way it was.

Rheba Averett attending market
Jehovah's Witnesses banned in Argentina

Rheba Sue Averett of Littlefield is among nine fashion-merchandising students from South Plains College who left Friday, Oct. 22, for Dallas with area buyers for an annual spring market trip.

Tours are scheduled at Neiman Marcus, now in the midst of its Irish Fortnight festivities; Sears and J. C. Penney's distribution centers; Russell Newman's of Denton, manufacturer of women's and children's lingerie; and Mr. Fine's of Dallas. Students will be assigned to each buyer to observe spring selections, said Cindy Brown, instructor in fashion-merchandising at SPC.

Five buyers from Hemphill Wells and Dorothy Davis from Collins in Lamesa will attend, along with SPC students Janice Autry and Debora Perez, both of Lubbock; Miss Averett; Debra Davis and Holly Ann Herzer, both of Lamesa; Sandra Reid of Levelland; Kathy Roberts of Brownfield; Beth Terry of San Jon, N.M., and Jimmy Valentine of Whiteface.

Anton FHA attend meet

ANTON—Three Future Homemakers of America students from Anton High School attended the group leadership conference in Levelland High School Tuesday afternoon. They were Lisa Boothe, president; Susan Harper, historian; and Janette Bishop, senior.

The conference was led by Mrs. Lonna Carter, homemaking teacher; and FHA members Marilyn Gamble, and Kim Wright. Mrs. Ima Dora Haile of Plainview, area homemaking supervisor, was a consultant.

The FHA members at-

"Freedom of worship has been denied the Christian society of Jehovah's Witnesses and their 604 congregations throughout Argentina, by Decree Number 1867 signed by Jorge Rafael Videla, president of Argentina, under date of Aug. 31, 1976," according to Ronald N. Quasny, presiding overseer of the Littlefield English Congregation. "The branch offices of the society and all meeting places have been closed," he continued.

"Publishing and distributing Bibles and Bible literature is forbidden!" Quasny said a communication received from world headquarters of Jehovah's Witnesses in Brooklyn, New York, was considered by the Littlefield congregation. "We were shocked and surprised at this move by the Argentine government," Quasny said.

Quasny reported, "In ordering the activity of the religious association... prohibited in the whole territory of the nation," the decree, issued by President Videla stated that 'freedom of worship consecrated by Articles 14 and 20 of the National Constitution of course finds itself limited in the sense that the religious ideas should not imply the violation of laws or an attempt against public order, national security, morale or good customs.'

tended a discussion group on "Impact," which is directed toward the concerns for the local community, and "Encounter," which is the different levels of achievement the members may make.

Mrs. Bonnye Beadles, FHA sponsor and home-making teacher, attended the sponsor's meeting which involved 18 area schools.

"According to a bill passed by the Argentine Congress in 1949," Quasny explained, "all religious groups except the Catholic Church were required to register with the Department of Cults of the Ministry of Foreign Relations. Jehovah's Witnesses was denied and in August 1950 our work was officially proscribed.

"For five years following this proscription, close surveillance of Jehovah's Witnesses was maintained but, with the fall of Peron government in 1955, pressure began to ease somewhat and the following year a national public assembly was held attended by over 5,000 persons.

"In 1957, however, another national assembly was interrupted by the police who invoked the Public Meeting Edict of the Chief of Police. This abridgement of the freedom of worship and of meeting guaranteed by the Constitution was challenged by Jehovah's Witnesses, and on March 14, 1958, the sentence of the Chief of Police was revoked and eight articles of the Public Meeting Edict were declared illegal and unconstitutional."

"Following another change in government in 1958," Quasny said, "a number of appeals were made to various government officials and agencies to have the ban against the Christian activity of Jehovah's Witnesses lifted, but despite favorable responses from several officials, the government responded negatively in 1959."

Despite the de jure proscription of the work, however, de facto acceptance continued, two public assemblies being held that same year. In the years that followed, a new building housing branch offices and a printing plant of the society of Jehovah's Witnesses was built and later enlarged, and many new meeting places or Kingdom Halls were constructed. During the last twenty-five years, the preaching work of Jehovah's Witnesses was well received by people all over Argentina, the active number of Witnesses growing from 1,416 in 1950 to 31,140 in 1975.

"With this background of favorable activity and the response our work has received among the people of Argentina," Quasny said concerning President Videla's decree of August 31, 1976, "we find it difficult to understand why this action should be taken after 26 years, when obviously no attempt has been made by these Christians against public order, national security, morale or good customs," as stated by President Videla in his decree.

Obviously the position of Jehovah's Witnesses is misunderstood. It is our hope that liberty will soon be restored to Jehovah's Witnesses in Argentina."

CONGRATULATIONS

Dean Elms
For Producing The First Bale
Of Cotton Ginned At
Lumsden Gin
Littlefield, Texas
For 1976

DEAN ELMS, left, produced the first 1976 bale of cotton to be ginned at Lumsden Gin. The bale was stripped off four acres on the Bob Kirk farm seven miles west of Littlefield. Elms planted the Northern Star Cotton on May 8. Mills Cotton Company bought the bale. Also shown are Roberto Zuazua, ginner, and Robert Bolton, Lumsden Gin manager. We congratulate Dean on his achievement.
