

Yankee Held On Spy Charge By Hungary

BUDAPEST, Hungary, Nov. 22. (AP)—Hungary announced today it had arrested Robert Vogeler, an American businessman, and Edgar Sanders, a Briton, on charges of spying and sabotage.

Vogeler is an assistant vice president of the International Telephone and Telegraph Co. and its eastern European representative, with headquarters in Vienna. Sanders represents the company in Budapest.

Hungary also announced the arrest of Imre Geiger, managing director of Standard Electric Co., Ltd., of Budapest, a subsidiary of I.T.T. He, too, is held on a spy charge.

The Hungarian foreign office yesterday denied it knew anything about reports of the arrest of Vogeler, who disappeared Friday morning during a business trip to the Hungarian capital.

The Hungarian Government announcement said Vogeler and Sanders had confessed to sabotage and spying.

(In Vienna, Vogeler's wife said Hungarian agents had been shadowing her husband. Reports there said the files of the I.T.T. in Budapest had been confiscated when he and a person reported to be his secretary were arrested.)

(Mrs. Vogeler speculated in Vienna before the Hungarian announcement was made that her husband was being held in a Budapest jail until he agreed to sign "some sort of confession of espionage or sabotage." Other informed sources in Austria made a similar conjecture.)

Battle Reported Raging in Isles

MANILA, Nov. 22. (AP)—Constabulary headquarters reported tonight a big battle was raging between Communist-led Hukbalahaps and constabulary forces in Batangas Province, about 60 miles south of here.

About 300 dissidents, using French mortars and machineguns, engaged two constabulary companies, the report said.

There was no immediate report on casualties.

Brig. Gen. Alberto Ramos, chief of the constabulary, said he would leave for the battle scene early tomorrow.

They are among the 14 who walked off the Haida. Four others were taken off in stretchers following their three-day ordeal on life rafts in the Atlantic. (AP Wirephoto via radio from Bermuda).

T&P To Remodel Its Passenger Station Here

Rail passengers here are due to board trains in new and modern surroundings early next year.

The T&P has plans for a complete remodeling project at its passenger station here and the estimated cost has been included in the company's budget for next year.

W. T. Alexander, division superintendent, advised chamber of commerce directors of the plan Monday.

Although details have not been formally announced by T&P, it is understood that extensive changes will be made at the local passenger station. Generally, the remodeling plan is expected to be completed on the second floor in 1949.

The ticket office, as it now exists, is due to disappear, and in its place will be a modern counter in a sort of horse shoe shape. Waiting rooms will get face liftings, new seating and heating facilities, and the front entrance will undergo vast changes.

Walls, trim work, floors, etc. will be similar to those on the second floor.

In addition to the waiting room, two offices will be located on the first floor to absorb expansion from the division headquarters.

The project here is expected to begin as soon as a contractor finishes work on the T&P station in Odessa, probably early in January. Estimated cost is approximately \$60,000.

Quake Recorded At California U.

BERKELEY, Calif., Nov. 22. (AP)—An earthquake described as "large" and 5,800 miles distant was recorded at 5:04.05 last night on the University of California seismograph.

The university seismographic station reported the direction from Berkeley was undetermined.

CHEST FUND AT \$20,000 LEVEL

Contributions and pledges boosted the Community Chest total slightly past the \$20,000 level today.

This was approximately 55 per cent toward the over-all goal of \$37,000, a figure which represents the support of six welfare and character-building agencies—the YMCA, Salvation Army, the Boy Scouts, Girl Scouts, the Chest for minor administration, and the Alcoholics Anonymous, for home maintenance only.

A few large pledges accounted for bulk of the gain, Ted O. Groebel, general chairman, announced.

There were some miscellaneous employee contributions adding materially in the gain of about \$1,000 over the previous report. Some were 100 per cent, but fell short of the perfect record of the Day's Pay plan.

Groebel, working feverishly to leave the campaign in as good shape as possible before leaving tonight for a necessary out-of-town business trip, appealed to all workers to pitch into their contacts and complete them.

"I plead earnestly with all who have accepted the civic responsibility of canvassing under the Chest banner to discharge that responsibility at once. We need urgently that this be done by the end of the week and that reports be made to headquarters as quickly as possible."

He emphasized the necessity of reports, regardless of status, by the end of the week.

When the chairman returns, he needs all available information as a basis for analyzing the progress of the campaign to reconstitute it and reorganize for a final clean-up push.

"Our experience in checking returns has shown conclusively that the biggest job is in getting the contacts made. While some obviously have not understood that they were giving to six agencies in one gift, most support to the Chest has been representative. It's largely a question of contacting the people."

Another need is that of volunteer workers. There are still a number of kits which have not been placed. Individuals with a real concern for the success of the campaign and the support of the agencies are asked to call at Chest headquarters. All of the kits have a modest number of contacts and can be made in short order.

DAY'S PAY HONOR ROLL

The number of employee groups giving 100 per cent under the Day's Pay plan to the Community Chest remained at 20 today.

Officials urged concerns to call Chest headquarters at 3444 or call in person at headquarters in the Empire Southern Gas office as rapidly as the goal is reached.

The weekend produced another addition to the list of employee groups giving 100 per cent under the Day's Pay plan to the Community Chest.

Latest to report was Hardesty's Crawford drug store.

The honor roll includes: Westex Oil Co., H. W. Smith Continental Oil Co., C. L. Rowe Humble Oil Company & Phillips No. 1, Packing House Market, Jordan Printing Co., Dr. E. O. Ellington Staff, Dr. Dick Lane Staff, Hilburn Appliances Co., Thomas Typewriter.

Kate Morrison Faculty, Big Spring Herald, Hamilton Ophthalmic, W. M. Gage Gulf Oil, Taylor Implement Co., Horace Reagan Insurance East Ward Faculty, Chamber of Commerce, West Texas Sand & Gravel, Hardesty Drug.

26 Bodies Recovered From Wreckage Of Crashed Dutch Plane

Cotton-Picker Held In Rape, Murder Of Tot

FRESNO, Calif., Nov. 22. (AP)—An itinerant cotton picker, Paul Gutierrez, was held under strong guard on a murder booking today for the vicious rape-killing early Sunday of 17-month-old Josephine Yanes.

Police said he gave them a statement, admitting he took the baby from her parents' car and spanked her, but contending everything after that was "blank" until he woke up at his cabin later in the day.

Gutierrez was arrested yesterday afternoon, picking cotton in a field six miles west of Huron. It was near Huron, 40 miles southwest of Fresno, that the baby was taken from her parents' car, violated and thrown face down in a furrow in a field, her head shoved into the mud.

The parents, Ranch Worker Joe Yanes, 29, and his wife Teysa, 22, had gone to a Saturday night dance to pick up Mrs. Yanes' sister. When Josephine began to cry, Yanes left the car to get his wife. When they returned, Josephine was gone.

Searchers found her tiny body Sunday night, a few hundred yards from the dance hall. The child had been stripped naked, except for her bonnet and one shoe. There were tooth marks on her body. She had been beaten. Her liver was lacerated, indicating she had been squeezed violently, officers said.

Lewis Blocks New Trustee

WASHINGTON, Nov. 22. (AP)—The determined figure of John L. Lewis is reportedly standing today between former Federal Judge Charles J. Dawson and a seat on the board of trustees for the United Mine Workers welfare fund.

The UMW leader was said to have prevented Dawson from formally taking his seat as operators' trustee at a stormy three-hour session yesterday. Lewis, representing the miners, is chairman of the board. Senator Bridges (R-NH) is neutral member.

Lewis' action apparently leaves Dawson's status up in the air until the trustees next meeting, scheduled for Friday, Dec. 2.

As the date for the ending of that trustee approached, a Pittsburgh survey showed that householders and industries in eastern states were buying coal steadily. But in only one state—Illinois—were customers reported buying more than their usual requirements.

President Truman has said he would use the Taft-Hartley labor law or any other act on the books to halt a coal emergency if one arises. The labor act provides for obtaining an 80-day court injunction to keep the miners at work.

According to the report, Lewis' main reason for blocking Dawson was that Ezra Van Horn, the man Dawson was to replace, is involved in litigation over spending of the funds and has not officially resigned to the trustee board. Van Horn sent in his letter of resignation to the mine owners who had appointed him.

VA Hospital Engineer To Be Transferred

Louie G. Bradley, project engineer of the Veterans Administration hospital here, is being transferred to El Paso effective Dec. 1.

Bradley, however, will retain his status as project engineer of the installation here, now in the final phases of work.

At El Paso he will be assigned as project engineer at the White Sands proving grounds. In addition, he will be assistant to the engineer in charge of the El Paso sub-district for the U. S. Corps of Engineers, and as such will check work at several points, including Alamogordo, and Roswell, N. M., El Paso and Monahans. He has been looking after the latter project, a minor installation, while assigned here.

His schedule will be such that he will be able to visit Big Spring weekly to keep an eye on progress of construction, now slated for completion by March 5, 1950.

Bradley, who has been with the corps of engineers since 1942, came here late in 1947 to make advance preparations for the six-million dollar general medical and surgical hospital here, and to supervise its construction for the government.

Ann Sheridan Files \$350,000 Law Suit

LOS ANGELES, Nov. 22. (AP)—Ann Sheridan has filed a \$350,000 breach of contract suit against RKO Radio Pictures, Inc.

The actress' suit, filed yesterday, claims she was contracted to play the feminine lead in the film "Carriage Entrance," but that the studio gave the role to Ava Gardner.

Byrnes Urges Cut In Taxes, U. S. Debt

BLOOMINGTON, Minn., Nov. 22. (AP)—A former cabinet officer made a sharp attack on government fiscal policies last night and called for a drop in taxes and the national debt.

In his second assault on the Truman administration, former Secretary of State James F. Byrnes told the Southern Governors' Conference that federal taxes and the public debt constitute the real trouble now besetting this country.

The cure, added the former administration stalwart, was to be found neither in a larger public debt nor in a heavier tax load, but he saw no immediate remedy.

Deficit spending will continue, he declared.

Byrnes' first attack on the administration came in a recent speech at Washington and Lee University. There, he charged the federal government with "statism," with taking over more and more the powers and prerogatives of local governments.

Last night he told the south's chief executives:

"The spenders, while deploring deficit during the Roosevelt administration... But who can forget that in 1929 the banks of the nation were closed, farmers whose mortgages were foreclosed were deserting the farms, factories were idle and the unemployed walked the streets hungry?"

"Only a spender with no sense of responsibility could fail to see the difference," said the former U. S. Supreme Court Justice. "Today we have 'unexampled prosperity.' If the government cannot live within its income, what will it do should we have a serious recession in business?"

Action To Free Jailed Consul Seen

WASHINGTON, Nov. 22. (AP)—A score of more nations are expected to fall in line promptly with an American proposal for concerted action to free Consul General Angus Ward from the Chinese Communist jail.

Officials looked for the first responses today to the personal message asking intervention with the Peiping regime. Secretary of State Acheson sent it out over the weekend to the foreign ministers of 30 governments, including Russia.

The big question mark was whether Moscow and the four other Soviet bloc nations would agree to take part in the international move, which diplomats said was without precedent.

There appeared little doubt that Britain, France, and most of the others would agree to bring pressure on the Communists through their representatives in China to release Ward and the four members of his staff from their four-week captivity at Mukden.

Moscow at the moment seemingly is in a more co-operative mood toward the West than at times in the past. After first refusing, Soviet Deputy Foreign Minister Andrei Gromyko consented last week to pass on to the Russian-backed Communist regime in North Korea an American demand for the release of two officials connected with the Economic Co-operation Administration.

Rising German Nationalism Worries Western Officials

BERLIN, Nov. 22. (AP)—Is the old spirit of German nationalism on the march again?

Western allied officials in Berlin have been piling up a file of evidence that points that way.

"The bugaboo of Communism may soon have to take a back seat. There's competition around," an American political authority commented today.

All four occupation powers—Britain, France, Russia and the U. S.—appear to be sensitive to the rebirth of the old Bismarck creed of "Germany for the Germans."

Recent examples of this are: In London, Member of Parliament Brigadier Frank Medlicott said "signs of the return of Nazism in Germany are increasing." In Washington, Chief War Crimes Counsel Telford Taylor asserted the Germans are trying to "soft pedal" the war crimes trials behind a rising nationalism.

In Paris, the French have consistently resisted proposals to halt

dismantling of German industry which they call war potential.

In Ottawa, Canada, Field Marshal Lord Wavell forecast that Germany would eventually become a greater problem for the West than the Soviet Union. He called the Germans the "most dangerous people in Europe."

The Russians, flirting with ex-Nazis to win political strength, ran into old German stubbornness only this month. They gave civil rights back to former Nazis, then ordered the Communist puppet government they set up in the eastern zone to install Communist ideas.

Immediately the former Nazis banded together within the National Democratic Party, lashed out against turning private enterprise into so-called peoples-owned industries.

On top of that, the Socialist Unity (Communist) Party acknowledged the existence of the "nationalist" spirit within its own ranks and ordered a widespread purge. They called it "Titoism," but most

observers calculate that the "ism" was around long before Yugoslavia's Marshal Tito broke with the Kremlin.

How much of the growing German spirit of independence is "nationalist" and how much is pure Nazi is a matter of debate. However, almost any major Nazi who has escaped trial for war crimes up to now can face most German courts without too much fear; unless he is personally linked with an individual war crime.

Last week two German men invaded a Jewish synagogue near Bayreuth and ripped the American flag off the wall.

France, Poland On Strained Terms After Arrest Of French Embassy Man

PARIS, Nov. 22 (AP) — France and Poland were on sorely strained diplomatic terms today after the arrest in Warsaw of a French consulate employe and the retaliatory detention in Paris of a Polish air-liner and its crew.

The Frenchman, Andre Simon Robineau, was charged with espionage involving two other French diplomats, Armand De Bressin de Mere and Fernand Beneux, members of the staff of the French Embassy in Warsaw.

Robineau was arrested Friday as he was boarding a Polish plane.

From Warsaw it was reported the government there had ordered his two alleged accomplices to leave Poland. They were scheduled to leave for Paris by train today.

Because they had not been of-

ficially notified of Robineau's arrest, French authorities filed homicide charges against the seven crew members of the Polish airliner that was to have brought Robineau to Paris. The crew at first said here that Robineau had boarded the plane.

Their plane was impounded. The crew was held for a time at the interior ministry, then was allowed to go to a hotel, under restriction.

The Polish Embassy filed a formal protest against the detention with the foreign ministry. The note demanded the crew's release.

Police said the homicide charges against the plane crew would have to be dropped if the report of Robineau's arrest was officially verified. A foreign ministry spokesman said the French ambassador

in Warsaw had been instructed to demand permission to see Robineau.

The Polish radio announced that Robineau, who is the son of the secretary-general of the French Institute in Warsaw, had confessed to the espionage charges and would appear in a Polish court later.

French circles in Warsaw described the espionage charges as nonsensical and said the accusations resulted from an attack of spy fever growing out of a new decree to protect state secrets. These sources also doubted that Robineau had made a confession attributed to him by the Polish authorities.

Conductor Shoots Three To Uphold Jim Crow Law

BIRMINGHAM, Ala., Nov. 22 (AP) — A streetcar conductor shot three Negro passengers Sunday night after one of them took a seat in the section reserved for whites, police reported.

Detective R. A. MacMurdo said two of the men were wounded accidentally. The third, Sammy Lee Williams, 34, suffered a serious wound of the abdomen.

Conductor M. A. Weeks protested when Williams sat down in the white section, the detective said. An altercation and the shooting followed.

Amos Crosby, 24, was wounded in the leg and John Garlington, 3rd, 21, suffered a hip wound.

Weeks was not arrested last night. Detective MacMurdo said he is still investigating the incident. Streetcar conductors are allowed to carry weapons for their protection.

Lamar May Get Pasadena Bid

PASADENA, Calif., Nov. 22 (AP) — Sponsors of the fourth annual Junior Rose Bowl game will select the Eastern junior college representative on Saturday and the Western team next Monday.

Game Chairman Art Hannifin of the Pasadena Junior Chamber of Commerce, said that Lamar, Tex., JC and Little Rock, Ark., are the foremost contenders for the Dec. 19 contest.

Lamar, unbeaten in nine games, still has to play Tyler, Tex., another contender. Little Rock is undefeated in eight games.

On the coast, either Santa Anna or East Los Angeles JC will get the nod, Hannifin said.

Sailor Held In Painter's Death

TEXARKANA, Nov. 22 (AP) — A young sailor was held in jail today, charged with murder without malice in the automobile death of an elderly painter.

Dist. Atty. Maxwell Welch said yesterday that Commissaryman Third Class Carmel Striplin, 35, signed a statement saying he was drunk when the car overturned on a little used road.

Charles W. Gould, 64, formerly of Detroit, was found dead in the wreckage at sunrise yesterday.

Striplin was on furlough from the Patuxent River, Md., Naval Air Station. He said in his statement that he left the accident scene in search of help but was too intoxicated to return to the wreck.

Two other young men were in the car. They also signed statements.

Welch said no authorities were notified of the mishap. The car was traced through its license to Striplin's brother-in-law. He said he had loaned the car to Striplin. The sailor was held in lieu of \$2,500 bond.

Tree-Climbing Rats Apparently Doomed

MISSION, Nov. 22 (AP) — Tree-climbing, orange-eating rats get a double dose of poison today.

Grower E. M. Goodwin hopes this will kill the rats that have been causing an estimated \$100 damage daily to his orange groves.

E. E. Callender of McAllen, area rodent control officer, said he expected 500 pounds of poison grain to arrive today. The grain will be coated with about twice as much strychnine as that which halted a rat invasion of tomato fields.

SANTA MONICA, Calif., Nov. 22 (AP) — Thanksgiving came early for a flock of pelicans and seagulls who gobbled up a deckload of sardines from a fishing boat here while the captain and crew were ashore.

The boat, Dunkle, out of Santa Barbara, had tied up for refueling.

Hundreds of hungry pelicans and gulls swooped down and gorged themselves until many were unable to fly. They floated around the harbor, listing blissfully.

Pie Manufacturer Guilty of Assault

DALLAS, Nov. 22 (AP) — H. C. Marshall, 77, owner of a string of pie factories, was fined \$1,000 in county criminal court yesterday after a jury found him guilty of aggravated assault against a 15-year old girl.

The girl, an employe at a Dallas pie factory, accused Marshall of indecent attentions to her.

Pumphouse Blast Injures One Man

ELECTRA, Nov. 22 (AP) — A pumphouse explosion and fire at the Waggoner Refinery last night sent one man to the hospital with third degree burns and caused several thousand dollars damage.

George M. Reich, about 60, suffered third degree burns on the face and hands.

The fire destroyed the pumphouse at the refinery, a mile and a half west of here. Wind blew the flames away from an office building, stills, laboratory and storage tanks.

Reich said he entered the pumphouse, because the lights were out, and threw a switch. The explosion followed. Reich was blown out a window as the pumphouse collapsed.

The blast was heard for four or five miles. Flames could be seen three miles away.

J. O. Walker, refinery superintendent, said the 5,000-barrel a day plant would be shut down several days. He said no estimate of the damage could be made immediately but "it will run into the thousands of dollars."

Coal Consumers Not Worried Over New Strike Possibility

PITTSBURGH, Nov. 22. (AP)—The nation's coal consumers apparently are not greatly concerned yet over the possibility John L. Lewis' miners may resume their strike Nov. 30.

There have been no indications of panic buying although coal stockpiles are described as low in some states. Only in Illinois were householders and industries reported buying more than their normal requirements.

Lewis' 400,000 soft coal diggers are all at work now but those east of the Mississippi River are scheduled to go out on strike again the end of this month. Anthracite diggers may join them once more.

In Pittsburgh, a new cold wave—with the mercury dropping to 20 degrees above zero last night—did not bring a concerted rush to retail coal yards.

"There's coal of some kind for everyone," said Howard D. Gibbs

of the Retail Coal Merchants Assn. "Nobody will go cold."

Here's the picture as reported yesterday in other states:

Indiana — J. S. Weber, executive secretary of the Indiana Coal Merchants Assn., said there were no signs of hysterical coal buying with dealers allocating coal on the basis of need. Mines are working six days a week.

New York and New England states — no coal shortages reported with buying orderly.

West Virginia — demand reported normal for the period. Island Creek Coal Co., largest southern operator, is working a six-day week.

Kentucky — A large backlog of orders with demand still ahead

of supply. However, there is no apparent run on supplies.

Illinois — Dealers said consumers are ordering twice the usual quantities of coal with schools and hospitals getting a stock expected to last several weeks. Miners are working a six-day week for first time in over a year. Illinois Central Railroad reports all available rolling stock busy carrying coal from mine to market but still more cars needed.

Missouri — Kansas — Oklahoma — Burdette, Yeo, secretary of the Midwestern Retail Coal Assn., says "We're looking for coal business in this area."

Nebraska — Ample supplies reported by Omaha dealers. Omaha public power district says it has a two-month supply on hand.

KIDNEY TROUBLE
 Man, age 32: This patient had been getting treatments for kidney trouble for some time, but noticed that he was getting no better and nervousness was increasing was constipated, caught colds easily, and just felt low. When he came to the Chiropractic Clinic for X-ray examination and spinal analysis, the cause was found to be nerve interference causing defective energizations of kidneys and digestive tract. Corrective adjustments restored alignment of subluxated spinal bones which removed nerve interference and permitted normal energization. Patient discharged feeling full of pep and without any symptoms.

The offices of Dr. Page and Dr. McLaughlin are scientifically equipped for complete Chiropractic analysis.

Murder Charge Is Filed Against Truck Driver In Blonde's Death

BROCKTON, Mass., Nov. 22. (AP)—A charge of murder was placed against a 33-year-old truck driver last night in the noon-day shooting of blonde Muriel Beal, 25, a bookkeeper for the Brockton Enterprise.

The charge was lodged against Robert S. Lundin, described by police as a rejected suitor, as he lay on a hospital cot suffering from a self-inflicted bullet wound in the chest.

He is under around-the-clock guard at Brockton Hospital. Attached said his name has been removed from the danger list. He is expected to recover.

Police said Lundin fired three shots at the girl in front of the newspaper office yesterday while a crowd stood by reading news bulletins.

One shot struck the girl in the back, another in the leg and a third hit the newspaper office building, Lundin turned the weapon—a German luger—on himself, police said, as they trapped him in an alley.

Police quoted him as saying that he "told so many friends I was

Texan Facing Five-Year Term In Embezzlement

WICHITA FALLS, Nov. 22. (AP)—John Frederick Becker, 43, former assistant cashier of the First National Bank of Paducah, faces a five year prison sentence on charges of embezzling \$48,386.15.

Federal District Judge William H. Atwell sentenced Becker to Leavenworth Penitentiary yesterday after receiving Becker's guilty plea. Becker also pleaded guilty to six counts of false entry in accounts of bank deposits.

Atwell told Becker he had taken more than \$100,000 since 1941, but prosecution was outlawed because of statute limitations.

Becker was sentenced on charges covering a period from Jan. 1, 1947 to March 25, 1949.

C. C. Renfro, Becker's attorney, said the defendant had sold his large dairy interests and home at Paducah to repay more than \$34,000.

Search Underway For Jail Escapee

HUNTSVILLE, Nov. 22. (AP)—A state-wide search is on for Charles Norcutt, 21, who broke out of the Walker County jail as he was awaiting transfer to the state prison.

Norcutt escaped late Saturday night by digging out 20 bricks around a second story jail runway window and dropping about 18 feet to the ground.

Norcutt was sentenced to 16 years in prison when convicted in Dallas and Grayson Counties for auto theft.

New Movement To Draft Ike Underway

BURLINGTON, Vt., Nov. 22. (AP)—A new movement to induce Dwight D. Eisenhower to seek the Republican nomination for President in 1952 is under way here.

A similar effort collapsed two years ago when the retired Army general refused to be a candidate.

George Abbott, a real estate broker, said the sponsors of the local Eisenhower-for-President Club asked the Columbia University president a week ago to sanction the movement.

Despite the fact that he did not answer, Abbott said "We're going ahead with the movement, anyway, until such time as Eisenhower says he will refuse the Republican nomination in 1952."

A public meeting was held in city hall auditorium last night to boost Eisenhower for the Republican nomination.

Abbott said posters proposing him for President would carry the slogan: "First in war, first in peace and first in the heart of humanity."

Dozen Of Chicken Dishes Vary Late Fall Menus For Housewives

Chicken spells excellence for fall menus—low in cost, high in vitamins and in plentiful supply. Versatility sums up the always popular chicken dishes. There are dozens of ways to prepare and combine chicken for hearty meals—with dumplings, rice, with biscuits for a meat pie forcemeat or barbecue.

A judicious use of spices such as chili powder, ginger, nutmeg and paprika add no effort to the preparation and much to the flavor, as in the Chicken Mexicana recipe listed.

Cornmeal dumplings give a new slant to the traditional favorite, chicken and dumplings.

Cornmeal Dumplings
 1 cup sifted enriched flour
 1 cup enriched cornmeal
 1/2 teaspoon salt
 1/2 teaspoon baking powder
 3 tablespoons shortening
 1/2 cup milk
 2 beaten eggs
 Sift together flour, cornmeal, salt and baking powder. Cut in shortening until mixture resembles coarse crumbs. Add milk and egg, mixing lightly. Drop dumplings from a tablespoon into boiling stew. Cover tightly and cook for 12 to 15 minutes, without lifting the cover. Serve immediately.

Decrease milk to 2-3 cup when using white cornmeal.

Chicken Paprika
 1 3/4 to 4 pound chicken, jointed
 2 tablespoons fat
 1 teaspoon salt
 1/2 teaspoon pepper
 1/2 teaspoon leaf thyme
 1/2 teaspoon onion salt

1 teaspoon paprika
 2 cups chicken stock
 2 tablespoons flour
 3 tablespoons cold water
 1/2 cup sour cream

Make stock by boiling giblets and neck. Melt fat in frying pan and add chicken; brown lightly. Sprinkle with seasonings. Pour stock over chicken, cover and bake in moderate oven, 350 degrees, for 1 to 1 1/2 hours or until tender.

Place chicken on serving platter and keep warm. Mix flour and water to paste. Stir into gravy in pan. Cook until thickened, stirring constantly. Add sour cream and bring to a boil. Pour over chicken. Chopped giblets may be added to gravy if desired. Makes 5 to 6 servings.

Barbecued Chicken
 3 pound chicken, cut up
 1/2 cup fat or salad oil
 5 tablespoons Worcestershire sauce
 Few drops tabasco
 3 tablespoons sugar
 2 tablespoons vinegar
 2-4 cup catsup
 1 clove garlic
 1 large onion

Brown chicken in fat. Mix Worcestershire sauce, vinegar, sugar catsup and tabasco and add to chicken. Chop garlic and onion and tie in cheesecloth. Add to sauce. Cover. After bringing to a boil, cook slowly for 1 hour or until chicken is tender. Remove cheesecloth bag. Makes six servings.

Meat Pie with Biscuit Topping
 1 onion, diced
 1 1/2 tablespoons table fat
 1 1/4 cups cubed cooked meat
 1 tablespoon flour
 1/2 cup vegetable or meat broth
 2 teaspoons Worcestershire sauce, biscuits
 2-3 cup canned peas
 2-3 cup sliced cooked carrots
 2-3 cup diced boiled potatoes

Dough for 6 to 8 baking powder biscuits

Brown the onion in fat, add meat cut in 1-inch cubes and heat well. Remove meat and onion from the frying pan and add flour, milk or broth and Worcestershire sauce. Blend well. Grease a baking dish, fill with meat, vegetables and thickened sauce in alternate layers. Roll biscuit dough 1/4-inch thick. Cut dough for biscuits and bake in hot oven (425 F.) until light brown, about 10 minutes. Place biscuits on meat and vegetable mixture; complete baking until pie is thoroughly heated and biscuits are delicate brown, about 20 minutes.

Chicken Mexicana
 1 frying chicken disjointed
 Seasoned flour
 1/2 cup shortening or salad oil
 1/2 onion, chopped
 1 to 1 1/2 tablespoons chili powder
 1 clove garlic, minced
 1 8-ounce tomato sauce
 1 can tomato soup
 1 1/2 cups water
 Salt and pepper

Dredge chicken with seasoned flour; brown on all sides in hot fat. Add remaining ingredients, cover and simmer 30 minutes or until chicken is tender. Serve on hot fluffy rice. Serves four.

Ginger of nutmeg adds interesting flavor to this recipe.

Chicken Gumbo
 1 fowl
 1 quart fresh-skinned chopped tomatoes or canned tomatoes
 1 large onion, chopped
 1 sprig parsley
 1/2 pound cured ham
 1 quart sliced okra
 Salt to taste
 Dash cayenne

Disjoint the fowl into pieces for serving. Place the pieces in a kettle, add lightly salted water to cover, partly cover the kettle and cook until tender. Simmer, do not boil. Allow 3 to 4 hours. When the bird is about half done, skim off the fat and add to the chicken and skinned broth the tomatoes, onions and parsley. Then dice the ham or cut in strips, brown the pieces in the kettle. Wash and stem

chicken is a fairly thick consistency. Add salt to taste and a dash of cayenne. Serve with flaky cooked rice.

For a full-bodied leftover recipe, here's a chicken risotto.

Chicken Risotto
 2 cups or more chopped, cooked chicken
 1 quart chicken broth
 1 onion, chopped
 2 tablespoons butter or other fat
 1/2 cup rice, grated cheese

Take the meat off the bones and chop it. Stew the bones in enough water to make a quart of broth and add any leftover gravy that will furnish chicken flavor. In a

the okra and cut in one-half inch slices.

In the ham drippings brown the okra and add it also to the chicken. Continue to cook slowly until the large frying pan cook the chopped onion for a few minutes in the fat and add the chicken broth. When it boils up rapidly, sprinkle the rice in slowly. Cover the pan, simmer the rice for about 25 minutes, or until the grains swell and become soft. Shake the pan from time to time to keep the rice from sticking, but do not stir it unless absolutely necessary. By the time the rice is done, the grains will have absorbed the broth, and the grains will be large and separate. Then add the small pieces of chicken and salt to taste, turn the mixture onto a hot platter, and sprinkle generously with grated hard cheese.

Brown Chicken

Fricassee Sauterne ...
 1 (4 to 5 pound) stewing chicken cut in pieces for serving
 3 tablespoons bacon drippings or chicken fat
 1 1/2 cups Sauterne, or other white table wine
 1 1/2 cups boiling water
 1 onion, diced
 1 carrot, sliced
 1 stalk celery, sliced
 Several sprigs of parsley
 1 teaspoon salt

Saute pieces of chicken in bacon drippings until nicely browned on all sides. Put chicken in a kettle; add wine, water, onion, carrot, celery, parsley and salt. Cover tightly and simmer gently for 2 to 3 hours, or until chicken is tender. Remove chicken. Strain broth and skim off as much of the fat as possible. Make gravy as follows:
 3 tablespoons chicken fat, butter or margarine
 3 tablespoons flour

2 1/2 cups strained chicken broth (Add wine or water to make up that amount, if necessary.)
 1/2 cup creamed or undiluted evaporated milk
 1 egg yolk
 2 tablespoons chopped parsley
 Salt and pepper to taste

Blend chicken fat and flour in a saucepan; add chicken broth and cook, stirring constantly, until mixture is thickened and smooth. Beat cream and egg yolk together, slowly stir into gravy. Add parsley, salt and pepper. Return chicken to gravy and heat thoroughly before serving.

Stories of Famous Hymns

by
HORACE B. POWELL

I Shall See the King

I shall see the King,
Where the angels sing,
I shall see the King some day
In the better land,
On the golden strand,
And with Him shall ever stay.

In the land of song,
In the glory throng,
Where there never comes a night,
With my Lord, once slain,
I shall ever reign
In the glory land of light.

I shall see the King,
All my tributes bring,
And shall look upon His face;
Then my song shall be
How He ransomed me,
And has kept me by His grace.

By Horace B. Powell
What a glorious gift this hymn has been to the gospel services of America!
It is of rather recent origin; it was written by the Rev. William C. Poole, a Delaware Methodist minister, just in time for the early meetings of the late Rev. William A. (Billy) Sunday.
Mr. Sunday always considered it one of his favorite hymns and, according to Homer Rodeheaver, popular gospel singer and composer, usually liked to lead the singing when it was used in his tabernacle meetings. In the role of song leader, it is said, the great evangelist used to take off his coat and engage in all of the unusual gestures for which he was famous.
The hymn was taken up eagerly by other evangelists of the day, too, and it is still to be heard in revival services and mission meetings in many communities.
B. D. Ackley, Mr. Sunday's secretary and pianist, wrote the music for the song.

Princess Back With Husband

VALETTEA, Malta, Nov. 22. (AP)—Princess Elizabeth was a happy naval officer's wife Monday. Her husband's ship was swinging at anchor in sight of her window.
Elizabeth joined Prince Philip here Sunday night arriving in time for at least a part of her wedding anniversary. Her plane had been delayed in London 24 hours by fog.
Philip bounded up the steps to his wife's plane as soon as it landed and welcomed her privately inside the cabin. Outside she faced photographers, and greeted Malta's governor, Sir Francis Creasy, and Archbishop Gonzi. But ceremony was at a minimum.
The royal couple is staying at Villa Guardamangia. The villa overlooks the harbor where the anchored ships include the Destroyer Chequers. Philip is second in command of the Chequers.

Fruity Breads Are Something Super Special

Whatever the type of bread, be it yeast, quick or steamed, you can depend upon it being something pretty special if it contains ready-to-eat bran and raisins. These two ingredients complement each other and are the key to the popularity of these breads.

Raisin Bran Bread

1 egg
1/2 cup sugar
1/4 cup molasses
1 cup sour milk or buttermilk
2 tablespoons melted shortening
1 cup ready-to-eat bran
2 1/2 cups sifted flour
2 teaspoons baking powder
1 1/2 teaspoons salt
1/2 teaspoon soda
1/2 cup chopped raisins.
Beat egg well. Add sugar, molasses, milk, shortening and bran; mix well; let stand until most of moisture is taken up. Add sifted dry ingredients with raisins and stir only until flour disappears.

Spread in greased loaf pan with waxed paper in the bottom. Bake in moderate oven (350 F.) about 1 hour.
Yield: 1 loaf (4 1/2 x 9 1/4-inch pan).

Steamed Brown Bread

1 cup ready-to-eat bran
1/2 cup raisins
1/2 cup buttermilk or sour milk
1-3 cup light molasses
1 cup sifted flour
1 teaspoon soda
1/2 teaspoon salt
Combine bran, raisins, buttermilk and molasses. Sift flour with soda and salt; add to first mixture, stirring only until flour disappears. Fill greased cans two-thirds full; cover tightly and steam for three hours.
Yield: 2 loaves (4 1/4-inch cans, 2 1/4-inches in diameter).

Raisin Yeast Bread

1 cake compressed or 1 package granular yeast
1/2 cup lukewarm water
1/4 cup scalded milk
1/4 cup shortening
1/2 cup sugar
1 teaspoon salt
2 eggs
1 cup ready-to-eat bran
3 1/2 cups sifted flour
1 cup chopped raisins

'Meat-Type' Hogs Are Being Raised

Bigger and better pork chops and hams for future meals may be the upshot of a new "meat-type" hog being raised by U. S. Department of Agriculture.
Many people think of the "ideal" hog as one yielding chiefly ham, chops and bacon. Not so says USDA which thinks the ideal "meat-type" hog is one which if its live weight were about 225 pounds
Soften yeast in water; add to milk which has been cooled to lukewarm. In large bowl, blend shortening, sugar and salt. Add eggs, one at a time and beat well. Add yeast and milk mixture, bran, flour and raisins. Mix thoroughly to form a soft smooth dough. Place in greased bowl; brush with melted shortening. Cover and let stand in warm place until double in bulk, about 2 hours. Punch down; put into greased large bread pan. Cover and let rise until double in bulk, about 1 hour. Bake in moderate oven (350 F.) about 45 minutes.
Yield: 1 loaf (9 1/2 x 5 x 3-inch pan).

would dress out about one-half its weight as preferred cuts. In this class are hams, loin, bacon, butt and picnic shoulder.
Also it would have enough fat, but not excess fat, to assure quality cuts.
Recently a 217-pound "meat-type" hog from the Landrace-Poland China crossbred foundation stock was slaughtered along with a 210-pound "fat-type" hog.
Preferred cuts from the "meat-type" hog totaled 54 per cent of the live weight and from the "fat-type," 47 per cent, a difference of almost 15 pounds in favor of the "meat-type" hog. Cutting fat from the two weighed 12.9 per cent for the "meat-type" and 18.8 for the "fat-type," 8.3 pounds more fat for the "fat-type."

We Might Do More And Say More About Benefits Of Atomic Power

Now that there seems to be a consensus that Russia has touched an atomic explosion, Soviet mouthpieces have begun to talk freely about it—of course in broad terms.

They have insisted, however, that the reported explosion was not of an experimental type, but was being utilized to "mope mountains." The object of this monumental project, to which the Russians lay claim in a rather extravagant manner, is diversion of water to a desert area.

Earnest Participation In Sales Course Can Be Of Great Help

There is still time for employers and employees to get in on the major portion of series of three sales lectures underway here. These continue at the high school gymnasium at 7:30 p. m. today and Wednesday.

Of course, in the basic sense, most people who have been at selling and service for any length of time have an idea of the requirements and opportunities. But like the farmer that said he already knew how to farm better than he was, they fail to put into action the knowledge they have.

Barkleys Loll Under Georgia Palms; Luxurious Resort Is Destination

By CHARLES BARRETT
AP STAFF
SEA ISLAND, Ga., Nov. 23.—The nation's number one newlyweds, Vice President Alben Barkley and his bride lolled under palm trees today in their honeymoon haven.

"We just want to take it easy," said the portly Barkley as the couple settled down in a swank apartment overlooking the Atlantic Ocean.

Last night, they won seclusion almost for the first time since their wedding in St. Louis Friday. A respectful distance from their Shangri-La.

This quiet, luxurious resort in South Georgia's golden isles was their secret destination through a leisurely three-day drive from St. Louis.

The 71-year-old vice president and his pretty, 38-year-old wife were tired but still laughing and joking on their arrival.

"Mr. Barkley was just like one of our 22-year-old grooms," said hotel manager Irving Harrod.

He showed the Barkleys their apartment, including a huge glass walled living room leading to a balcony over the surf and a handsome bedroom and kitchenette.

Mrs. Barkley, the former Mrs. Carlton Hadley, was reminded that she could brush up on her cooking and ironing.

"She's been avoiding that job so far," said the vice president.

Apparently the couple planned a week or more here.

The hotel prepared a birthday cake for the vice president's 72nd birthday Thursday, Thanksgiving Day.

The resort calendar called for a breakfast Wednesday for all honeymooners. Barkley said he would like to try a little swimming in the pool and "maybe in the surf."

The island retreat is a favorite for newlyweds. Sarah Churchill, daughter of Britain's wartime Prime Minister Winston Churchill.

Mrs. M. E. Harlan brought the Thanksgiving devotionals from Hebrews 12:1. Prayers were offered by Mrs. R. C. Hatch and Mrs. W. J. Alexander.

During the program, Mrs. Harlan gave a reading, "If You Don't Know, Christ You Are Deceived."

Mrs. J. T. Colquhoun spoke on the subject, "If Baptists Do Their Part, Christ Will Help Each of Us."

Refreshments were served to Mrs. R. C. Hatch, Mrs. M. E. Harlan, Mrs. W. J. Alexander, Mrs. Lee Jenkins, and Mrs. J. T. Colquhoun and the hostess.

RIBBON RAMBLINGS

By Mildred Young

The Big Spring High School chorus, under the direction of Mary Jane Hamilton, and the Rev. R. Gage Lloyd, pastor of the First Presbyterian church, will be main features of the school's Thanksgiving program to be presented Wednesday at 2 p. m. The chorus has a membership of 45 girls.

Musical selections will include: "They Didn't Believe Me," "Shine On Harvest Moon," "I'll See You In My Dreams," "The Voice In The Old Village Choir," "The Rosary," "God Is The Light Of The World," "Come Ye Thankful People, Come," and "The Lord's Prayer."

Incidentally, the chorus is still raising money for robes. If you have any ideas along that line, you might pass them along.

They say they bought standing room tickets for last night's opening of the 65th Metropolitan Opera season in New York. All seats for the performance were sold in advance. That probably will not be the case when the junior class presents their annual play at the municipal auditorium tonight at 8 o'clock, but those who attend will probably be glad they did.

Seems like everyone is going in for Christmas shopping this year. With Thanksgiving still two days away, there seems to be more Christmas shopping talk than there has been in several seasons.

We hear a lot of talk about the need for cotton pickers in this area. But with all we see a little farther north, we wonder how there could be a need. But, we've got some crop this year.

Thanksgiving Banquet Held By Church Class

The Rev. J. S. Parks brought the devotionals, "A Good Neighbor," from Mark 2:1-4 at the Glenners Sunday school class Thanksgiving banquet at the East Fourth Baptist church Monday evening.

The Thanksgiving motif was carried out in the decorations. The table was centered with a large pumpkin, surrounded with autumn leaves and berries interspersed with miniature fruit bowls and turkeys.

Billy Rudd, educational director for the church, gave the inspirational address, "Teamwork Together."

Special music was presented by Jimmy Bennett and Melba Ray who sang, "Come Ye Thankful People, Come," accompanied by Mrs. J. S. Parks, Jimmy Bennett gave a chalk talk, "The Rugged Cross," at Melba Ray sang, "Must Jesus Bear the Cross Alone."

The Rev. James S. Parks offered the invocation and Mrs. R. T. Lytle pronounced the benediction.

Those present were Mrs. Ross Hill, Mrs. J. B. King, Mrs. V. C. Barber, Mrs. C. E. Suggs, Mrs. Mrs. Arthur Leonard, Mrs. Earnest Rainey, Mrs. J. C. Harmon, Mrs. R. T. Green and pink was the color scheme which was carried out in the decorations.

The refreshment table was centered with a silver bowl of varicolored chrysanthemums. White candles completed the arrangement.

Mrs. Rayford Martin and Mrs. Clyde Biffar were at the refreshment table. Mrs. R. D. Ulrey and Mrs. J. E. Hardesty provided musical selections.

Christ's triumphant entry into Jerusalem was portrayed on the flannel graph. Chrysanthemums were placed on the work tables.

Approximately 30 persons called. Teachers present were Mrs. J. O. Sallee, superintendent, Mrs. A. R. Malines, Mrs. Baker Willis, Mrs. Ray Odum, Mrs. R. D. Ulrey, Mrs. Clyde Biffar, Mrs. Rayford Martin, Mrs. Paul Sledge, Mrs. B. F. Faulkner, Mrs. Jack Eubanks and Mrs. A. L. Hobbs.

District Meeting Is Held In Pecos

Mamie Mayfield, local Business and Professional Women's Club president, was one of approximately 100 delegates who attended a district meeting in Pecos over the weekend.

Special guests for the meeting were Mrs. Dora Davis of Wichita Falls, state president, Mrs. Florence Clifton, past state chairman of public affairs, Olive McDougle, state recording secretary, Stamford.

Cloytha Christensen of Odessa, was elected a member of the state nominating committee. The alternate is Jewel Barton of Big Spring.

Mrs. Ruby Br. of McCamey, was elected district director. McCamey was named the next district meeting site.

Midland won the silver cup for attendance.

Longhorns Wind Up Conference Play Thursday

The Big Spring Steers will be seen in action more for the first time in more than a month Thursday afternoon, at which time they terminate their 1949 football season in a 3:00 o'clock game with the rugged Sweetwater Mustangs.

Technically, the Mustangs still have a chance to tie for the championship, though Abilene has already been designated to play in the bi-district game with the 6AA winner.

Sweetwater could achieve that trick by thumping Big Spring while Abilene was suffering a defeat at the hands of San Angelo. Sweetwater will be favored to win but Abilene doesn't figure to lose to the Bobcats.

The Mustangs are fielding a typical Sweetwater club, fast, rugged and smart. The Odessa Bronco and Abilene have handed the Ponies defeats this year but the Coyotes recently topped Angelo by two touchdowns and only last week pulverized Brownwood.

A victory by Big Spring Thursday would perhaps be the state's biggest upset but the Longhorn will be striving for that very thing. The Steers feel they are capable of better ball than they've shown in their last several games and will be out to prove it.

Wink, Haskell Meet Thursday In Sweetwater

Class A schoolboy football hits the layoff trail this week with 16 first round games.

The field of 32 district (10) lists includes six teams with perfect records and five that are unbeaten but tied.

Rosebud and Lampasas open the first round of the five-week play-off at Temple Wednesday night. The other games will be played Thursday, Friday and Saturday.

New Braunfels' mighty Unicorns, a finalist last year when Class A teams played their first state championship, are favored to take the title this year.

Coach Weldon Bynum has a team that has scored more than 400 points to slightly more than 50 for nine opponents.

Phillips, which gained the play-off when Canyon upset Dalhart, may be the Panthers and West Texas's strongest entry in the play-off. It's favored to knock off Little Lefors this week.

Unbeaten, untied teams bidding for the state title are New Braunfels, Kaufman, Mexia, French (Beaumont), Lefors and Edna. Unbeaten but tied are Uvalde, Levert's Chapel, Bowie, Arlington and Ballinger.

First round games match these district representatives:

1. Phillips vs. Lefors (2) at Phillips Saturday.
 2. Spur vs. Littlefield (4) at Littlefield Thursday.
 3. Wink vs. Haskell (6) at Sweetwater Thursday.
 4. Ballinger vs. Ranger (8) at Ballinger Thursday.
 5. Bowie vs. Burk Burnett (10) at Wichita Falls Friday night.
 6. Arlington vs. Garland (12) at Garland Friday night.
 7. Honey Grove vs. Atlanta (14) at Mount Pleasant Thursday.
 8. Mineola vs. Levert's Chapel (16) at Kilgore Friday night.
 9. Kaufman vs. Grand Saline (18) at Kaufman Friday night.
 10. Lavea vs. Mexia (20) at Waco Thursday.
 11. Rosebud vs. Lampasas (22) at Temple Wednesday night.
 12. Brenham vs. New Braunfels (24) at Brenham Friday night.
 13. Alvin vs. French of Beaumont (26) at Beaumont Friday.
 14. El Campo vs. Edna (28) at El Campo Friday.
 15. Freer vs. Mission (30) at Alice Thursday night.
 16. Edison of San Antonio vs. Uvalde (32) at Uvalde Friday night.

LOOKING 'EM OVER

With Tommy Hart

This reporter was privileged to watch the Southern Methodist-Baylor football game in Dallas Saturday night. The outing gave us another opportunity to see the great Doak Walker of SMU in action.

Some of the critics seemed to think The Doaker had a bad afternoon. If so, we'd like to see him when he's really hot. In our opinion, Walker is the greatest all-around player in the history of the Southwest Conference, bar none.

Walker doesn't do everything to perfection. For one thing, he can't throw an accurate long pass every time. However, he's deadly on spot and flat zone tosses. He runs with the power of a 200-pounder. Perhaps the only boy who can rival him as a ball lugger is his team mate, Kyle Rote. The Doaker also kicks like a champion.

Walker apparently doesn't play as much on offense as he used to, but Coach Maffey Bell always sends him in when the Pony goal is being threatened.

Doak has already scored the amazing total of 287 points during his college career, exclusive of his bowl game appearances. He appeared in only five games in 1945 but scored five touchdowns. In 1947, considered his big year, Walker banked 87 points. Last season, he came in for 88, already has 82 this season and still has two games remaining. (He was in the service in '46).

Lamar college, which is making an all-out bid to go to the Little Rose Bowl game, is fielding its last junior college team. The school is in process of becoming a senior college.

It's a good bet a colored boy almost unknown in these parts of the world will be the nation's total offense leader among college backs. That would be John Bright, a sophomore playing for Drake University of Des Moines. Bright has completed his season. His record shows he gained 1,950 yards. Frankie Sinkwich of Georgia holds the all-time record with 2,187 yards. Frankie played in 11 games whereas Bright took part in but nine.

Wisconsin University, with its new football program booming, plans to increase the size of its stadium to 50,000 by next fall. That's 5,000 more than the plant now boasts.

Sterling City's Flock is probably the only six-man football club in Texas which has its games broadcasted.

George Schepps, the head of the Schepps baseball domain, apparently was favorably impressed with at least five members of the Big Spring Bronco of the 1949 season.

Schepps is making inquiries about Julio Ramos, Jorge Lopez, Francisco Perez, Ace Mendez and Bert Garcia, apparently toying with the idea of drafting them if the opportunity arises.

Jackie Robinson, the National Baseball League's most valuable player the past season, insists he plans to quit the work after one more season in the big time. He says he wants to work with kids, may become manager of a housing project to make ends meet.

If you read the papers, you've probably seen where Clarence Fox is promoting a basketball coaching school in Lubbock Nov. 27-28.

That's the same Fox who used to stage similar clinics here. He's now a sporting goods salesman in Lubbock.

Jayhawks Oppose McMurry Tribe Tonight In Abilene Fieldhouse

Harold Davis' Howard County Junior college Jayawks descend upon Abilene this afternoon to engage the McMurry Indians in an 8 o'clock basketball game in the McMurry fieldhouse.

The Hawks scrimmaged Texas Tech last week but this is a regulation game, Davis stated. The McMurry club is due to be made up of freshmen and sophomores, however, since most of the veterans have been working out with the football team and haven't acquired their basketball polish yet.

Coach Mel Jewell, the McMurry coach, wanted a warmup game before his team tackles the powerful Tech outfit.

Davis indicated this morning he would start Bill Fletcher, Del Turner, Louis Stallings and possibly Frank Dunn and B. B. Lees. Cui Grigby may work into the starting five while Melvin Norris, Paul Deatherage and Leon Blair are certain to see a lot of action.

Fletcher is a Dallas boy who led the Hawks in scoring last year. Turner was an all-district performer for Big Spring two years ago. Stallings is a very bright prospect from Stanton high school. Both Norris and Dunn hail from Louisiana. Lees and Grigby are local prod-

Buckeyes Sure Of Trip West

PASADENA, Calif., Nov. 22 (AP)—California's Golden Bears and the Ohio State Buckeyes have the official okay today to collide in the Rose Bowl for the second time in 29 years.

On Monday Jan. 2, 103,048 fans will jam into the big Arroyo Seco stadium to watch the granddaddy of all bowl games. Another million will jam Colorado Street for the traditional floral parade.

Unanimously, faculty representatives of the Big Nine and the Pacific Coast Conferences gave their normal approval yesterday.

Ohio State, co-champion with Michigan for the Western Conference title, earned the bid by tying Michigan, 7 to 7 last Saturday. Agreement between the two leagues makes Michigan ineligible this time. Big nine teams may play here only once every three years.

On paper anyway, the unbeaten, untied Californians are two touchdowns better than the Buckeyes. Ohio State has lost one and tied two of its nine games, scoring 190 points for an average of 21 points per game.

In 10 contests, the Bears have rolled up 365 points for a 36½ point average.

The teams have had two common opponents: Ohio State tied with USC, 13 to 13, and the Bears beat USC, 16 to 10; Ohio State whipped Wisconsin, 21 to 0, and Cal beat the Badgers by 35 to 20.

California also has a better defensive record. The Bears' opponents averaged 11 points per game against them. Ohio State's foes averaged 15½ points.

These two clubs met here last in 1921, before the Rose Bowl was built. California's wonder team won that one, 28 to 0. This will be Cal's sixth appearance.

Berry Is Third In Aerial Work

DALLAS, Nov. 22 (AP)—Ball-carrying and passing leaders of the Southwest Conference appear in good position to stay that way as the football campaign enters its final week.

Bob Smith of Texas A&M, who tops the runners with 671 yards on 123 carries, is 84 yards ahead of Gordon Wyatt of Rice. Geno Mazzanti of Arkansas is third — just nine yards back of Wyatt.

Thursday Smith plays against Texas at College Station and Saturday Wyatt makes his last appearance of the season against Baylor at Houston. Mazzanti plays his final game Saturday against Tulsa at Fayetteville.

Wyatt and Mazzanti will have to have a great day in order to overtake Smith.

In passing Adrian Burk of Baylor leads by 85 yards over Paul Campbell of Texas. Eighty-five yards in passing, the way the boys

Bovine Cagers Begin Drills Next Friday

Coach Larry McCullough has called the first official basketball workout at Big Spring high school for Friday afternoon, the day after football seasons ends.

The Longhorns due to be a factor in the District SAA race this season, play a practice game as early as Dec. 6, at which time they invade Lamesa to take on the Golden Tornados, defending champions of District SAA.

The Longhorns are also booked to play in Lubbock Dec. 9 and Midland here on Dec. 13.

The return of such lettermen as Howard Jones, Harold Rosson, Amos Jones, Howard Washburn, Floyd Martin and Wayne Brown give the Steers a strong first line. The team may still be a bit shy of height but should make up for it in speed and craft.

Several good prospects are also coming up from the B string, among them such tall boys as Ross Word and W. C. Blankenship, Jr.

Watson Finest Center In SW Loop History

HOUSTON, Nov. 22 (Sp1)—Joe Watson of Rice Institute is the best center in Southwest Conference history—even better than K. J. Aldrich of TCU—in the opinion of three outstanding Owl pick men of the past who were back at the Rice homecoming game with Arkansas.

Percy Arthur, captain of the 1934 Rice championship team; Ken (Tuffy) Whitlow, captain of the 1940 team; and Buck Sloan, pivot man on the 1941 eleven, were the trio, and they are eminently qualified to make a choice.

Arthur, who coached at Rice after graduation and saw Aldrich in his best days, was the most emphatic:

"This conference never saw a center like Joe Watson, and that includes Aldrich," Arthur said. "Offense, defense, play diagnosis, speed—he's got everything. He's the best center I ever saw play football."

Whitlow, the light-heavyweight champion of all hard tacklers—he weighed only 175—pointed to Watson's rounded ability:

"Most football players specialize one way or the other, go for defense or offense," Tuffy said. "That guy is an all-around football player, and though most people may not fully realize it, he may be an even better player on offense than he is on defense. I think he's better than Aldrich; in fact, he's the best I ever saw."

Sloan is sold on Watson's defensive alone: "One time he's 30 yards up the field defending on a pass, the next time he's making the tackle at the line of scrimmage. He's my best."

have been going this season, isn't half as tough getting as 84 rushing. But it's a good lead for a passer like Burk.

Burk has thrown 189 passes and connected on 99 for 1,318 yards. Campbell has completed 81 out of 165 for 1,233 yards. Andy Berry of Texas Christian is only 35 yards back of Campbell and could win the passing title. He has completed 89 out of 193 for 1,195 yards.

In pass-receiving, Ben Procter of Texas leads with 38 catches for 645 yards. J. D. Leon of Baylor has gathered in 36 for 411 and Morris Bailey of Texas Christian has shared 33 for 462. Procter's lead isn't safe at all.

Berry leads in total offense with 1,421 yards on 306 plays. He's 172 yards ahead of Burk who has rolled up 1,249 yards on 193 plays.

Kyle Rote and Doak Walker of Southern Methodist are one-two in punting. Rote with an average of 43.4 on 15 kicks and Walker with 41.6 on 22. Bobby Dillon of Texas leads in punt returns, averaging 39.5 yards on 16. Berry is second with 17.6 on 19.

Rice is the league's offensive team leader, averaging 359 yards per game. Texas is second with 355. Texas is the defensive topper, giving up only 213 yards per game. Baylor is second with 217.

Bears Replace Oklahomans As Nation's No. Two Team

By JACK HAND AP STAFF

NEW YORK, Nov. 22 (AP)—California has replaced Oklahoma as the runner-up team behind Notre Dame in the Associated Press weekly football poll.

By thumping Stanford, 33-14, to move into the Rose Bowl as the Pacific Coast Conference champion, California took up the rugged task of chasing Notre Dame.

Only a Notre Dame disaster in its remaining games could send California over the top because the Golden Bears finished their regular season against Stanford, last Saturday.

The Fighting Irish from South Bend, Ind., captured 113 of the 131 first place votes from football writers and sportscasters across the nation.

California drew 34, Oklahoma 11, College of the Pacific 12 and Army one.

Notre Dame has led the poll seven straight weeks since Michigan took the opener. The final vote will be taken next week.

The "Big Four" of Notre Dame, California, Oklahoma and Army still dominate the picture. They run 1-3-3-4 with California edging past Oklahoma.

Ohio State, California's Rose Bowl foe, won that right by a 7-7 tie with Michigan. They share the big 10 title but Michigan can't go to Pasadena this year according to the regulations. The win boosted Ohio into fifth place in the poll.

Michigan is a strong eighth, followed by Rice and Minnesota. Next come Baylor and Tulane. They ousted Southern Methodist and Virginia from the top ten. Baylor moved up on a 35-26 win over SMU and Tulane bombed Virginia from the unbeaten ranks, 26-14.

Only three teams drew as many as 1,000 votes, figured on the basis of 10 for first, nine for second and so on. Notre Dame maintained a comfortable lead with 1,459 to 1,366 for California and 1,173 for Oklahoma.

California, Ohio State, Michigan and Minnesota ended their regular seasons last week. All the others in the top 10 finish this week except Notre Dame. The Irish have a Dec. 3 date at Southern Methodist.

Local Youths Get Valuable Training In Sandlot 'Pass-And-Touch' Games

Any one who takes the time to watch a game of sandlot football as played by Big Spring's budding athletes will understand why Southwestern teams have become so famous for their razzle-dazzle. The athletes who graduate into the big time come by their wide-open football naturally.

With the competing teams, it's usually throw, throw, throw. The youngsters rarely scrape enough equipment together for a game of regulation football. So, they settle for a contest of 'pass and touch', which is just what the game implies.

Rules vary in the sport but, in most games played in this vicinity, the following regulations are usually followed:

1. There is no renewal of downs. If the attacking team goes all the way in four downs or the ball goes over.

2. Point-after-touchdown tries are out, usually because there is no uprights at which a ball can be aimed.

3. All players, including the center, are eligible for passes. In some instances, captains will agree that backs can run the ball without passing in one of four downs but that statute is unpopular unless seven to ten players make up the side.

As few as four boys can choose up and have a game. Too many participating tends to slow up the action.

The athletes in such games might forego the tackling but the blocking is oftentimes crisp and sure. The lads learn to give their passers

and ball carriers fine protection. The ball carrier ordinarily is 'down' when the defense tags him on any portion of his body. In some games, however, both hands must be applied to the ball lugger to stop him.

The rules make for some high-scoring contests, all of which serve to build up the endurance of the competing athletes and prepare them for better things to come.

One of the benefits derived from such activity is that it enables all that lead to handle the ball at one time or another. They learn to be 'at home' with the oval long before they officially begin training with the supervised clubs within the city.

Yearlings Play Coahoma Today

The Junior high school Yearlings invade Coahoma this afternoon to play the Coahoma C string. Starting time was to be 3:30 o'clock.

The Yearlings, tutored by Roy Baird and Earl Crawford, have come a long way since the campaign opened and have managed to roll up some very impressive victories.

Last week, the eighth grade club plastered a 59-38 defeat upon the Midland Bulldogs.

Today, both the eighth and ninth graders will be in action.

Cactus Jack Is 81 Today

UVALDE, Nov. 22 (AP)—Cactus Jack is 81 today.

That's another milestone for John Nancy Garner, 32nd, vice president of the United States, toward a personal ambition to live to be 82.

Garner, ruddy faced and white haired, said when he retired from politics in 1941 that he wanted to live that long. "So that more than half my life can be that of a private citizen."

For 46 years, Garner was in public life — as a Texas legislator and congressman, speaker of the National House of Representatives and vice president.

There's been no announced plan for any celebration of Garner's birthday. He doesn't hold for much of that. Last year he and an old ceremony, Ross Brumfield, were deer hunting on the day he became 80.

Garner is the only Texan ever to become vice president. Twice he sought the Democratic nomination as President. Each time it went to Franklin Delano Roosevelt, the man with whom he served as running mate two terms.

HUNGARY BELIEVED TO BE HOLDING U. S. EXECUTIVE

By ENDRE MARTON AP Staff

BUDAPEST, Hungary, Nov. 22.—The U. S. Legation said today it was asking the Hungarian Government about the fate of an American telephone company executive reported arrested Friday by Hungarian police.

The legation confirmed that Robert A. Vogeler, Jr., 38, assistant vice president of the International Telephone and Telegraph Co., left Budapest by automobile Friday for Vienna and had not been heard from since.

In Vienna, Vogeler's wife said she believed her husband was being held incommunicado by the Hungarians. She said she had no idea why he might be under arrest.

Vogeler, I.T.&T. representative in eastern Europe, is the son of Robert A. Vogeler, Sr., of Jackson Heights, Long Island.

Mrs. Vogeler in Vienna said her husband told her by telephone last Wednesday that he was being followed constantly by the Hungarian police.

The wife said she did not know why her husband had been arrested.

Mrs. Vogeler said her husband left the American legation in Budapest at 9 o'clock Friday morning to return to Vienna. He was driving alone in a late model American sedan. She has received no other information on her husband and Austrian authorities have found no record that he passed the frontier station on the main Vienna-Budapest highway, Mrs. Vogeler said.

The woman said she was also worried about the whereabouts of

Cactus Jack said he was going to retire from politics after he swore off Henry Wallace as his successor in 1940. He did just that. He has taken no part in local, state or national campaigns. But he's still remembered and respected by the nation's leaders. Last year, President Truman stepped off his campaign train for a big "Texas" breakfast with Garner.

Up early, tending to chores around his "Uvalde ranch," the nine acres with the big pecan trees, doing what he wants is the daily routine Garner has followed.

About the only change these days is the fewer fishing and hunting trips he makes.

Born in Red River County, Nov. 22. He later moved to Uvalde. It is the role of an Alger hero. He walked to and from a crude school house three miles from home, studied law at Vanderbilt University in Tennessee for a year, started practicing at Clarksville, Tex., when he was 2. He later moved to Uvalde. It was here he found ambition to be a statesman "burning upon him like the Texas sun on a prairie dog village."

Irish Willing To Fight For Six Northern Counties

PITTSBURGH, Nov. 22 (AP)—Gen. Thomas Barry, hero of the rebellion that preceded Ireland's independence, says his countrymen are willing to fight to regain the six British-controlled counties of northern Ireland.

The six counties have remained under British supervision since Irish independence and was partitioned by England.

Speaking here yesterday at an anti-partition rally of the United Irish societies of western Pennsylvania, Gen. Barry said:

"We had to take the 26 counties of southern Ireland by force. We will probably have to use the same methods in Ulster (Northern Ireland)."

Gen. Barry, who is on a month-long tour of the U. S., said the Irish Government has set aside \$100 million to buy guns, adding:

"We have all the money we need. Our air force is weak and our navy has only a few sloops but we have the manpower where it counts."

Panama Changes Heads In Coup

PANAMA, Panama, Nov. 22 (AP)—This little Central American country, site of the Panama Canal, changed presidents over the week end in a bloodless night-time revolt staged by police force leaders.

President Daniel Chavis, surgeon-political who has been president less than four months, resigned after helmeted police surrounded his palace. Vice President Roberto F. Chiari, 44, was sworn in as president at 6 o'clock Sunday morning.

Emerging as the new "strong man" of Panama's turbulent politics was Police Chief Col. Jose Remon, 41.

Chavis was swept out of office because he tried to fire Remon and two of his top aides in the 2,000-man police department that is Panama's only armed force. Chavis said he demanded the resignation of the three police leaders because they held interests in two monopolies outlived by the supreme court—beef slaughtering houses and commercial bus companies.

Instead of resigning, Remon ordered out his police and isolated the presidential palace. Radio broadcasting was suspended, newspapers were ordered to withhold their Sunday editions and telephone service was stopped.

The U. S. Bureau of Mines estimates zinc-lead deposits in the tri-state district of Missouri, Kansas and Oklahoma at 6,100,000 tons.
