

**Hail, Rain  
Meeting Set  
for Monday**

Residents will hear details of the 1972 hail suppression and rain program at a county-wide meeting in the district court room in the Lamb County Courthouse Monday night.

Lamb County has been in a multi-county hail suppression program for the past two years. Hale and portions of Lamb, Tarrant, Swisher, Crosby and Lubbock counties supported the program through payments of 32 cents per acre.

The hail suppression program drew attention, especially from dry land farmers who claimed that seeding the clouds to prevent hail broke up some of the hail which they thought would have been with rain. In 1971 an advisory group formed to try to prevent hail damage from obtaining a contract for seeding clouds. The fight was won in Austin where the state water court ruled in favor of the cloud seeding.

The process to the one that stops or slows hail can produce rain. Weather modification like that planned in the cloud seeding projects involves efforts to create beneficial rain to head off droughts. The plan calls for seeding precipitation from potentially severe storm clouds.

The version of the hail suppression program for Lamb County calls for rain seeding measures. Hale County has a contract for seeding clouds in that county for buffer zones, and funding requests were mailed this week.

Lamb County can't raise enough money to support the program, the county board for this year. Lamb County will operate on a similar basis, since money must be paid before the contract with Atmospheric, Inc. is signed. Data showing all 1971 flights, and a number of pyrotechnics used and information will be given at the

There are five pounds of sweetness inside that heart-shaped box, and Corey Stovall, 3-year-old son of Mr. and Mrs. Andy Stovall, and Tracey Mott, 2-year-old daughter of Mr. and Mrs. Bill Mott, are anxious to get a look at it.

**Doyle Patton To Lead  
1972 Easter Seal Appeal**

Doyle Patton, Jr. will head the 1972 Easter Seal Appeal in Lamb County, according to Rodney D. Hargrave of Dallas, president of the Easter Seal

Society for Crippled Children and Adults of Texas.

Residents of Lamb County will receive the annual Easter Seal Appeal letters in the mail beginning Feb. 28. The Easter Seal Appeal, conducted yearly to provide disabled persons and their families treatment and services, will continue through Easter Sunday, April 2.

Patton is one of 223 men and women throughout Texas who are serving in this capacity. The cost of the statewide Easter Seal program is over one million dollars, financed mainly by the Easter Seal Appeal. Almost 90 per cent of all funds raised by the Easter Seal Appeal remain in Texas to support the growing needs of the disabled in the State.

Special emphasis is being given in the 1972 Easter Seal Appeal to the disabled citizen or his family in Lamb County who may need assistance and not know where to obtain it.

Any disabled person can contact Patton at the Security State Bank in Littlefield, and he will refer the request for services to the Easter Seal Society. A determination of the extent and type of assistance needed and the most efficient means of obtaining that assistance will be made. Arrangements for needed treatment or service will be made by the Easter Seal Society.

May morning in 1913 when Alice Kling bought the land of Indians from the land of the Crosbyton window of the Crosbyton store. She exclaimed to her sister: "Oh, they've got a skating pond." The pond turned out to be the tin supply store, and the only other besides the one with the shining hotel, were a blacksmith shop and a post office.

When Kling bought a labor of land in Lamb County, Alice persuaded her dad to get a job. She was working at the Hotel when Littlefield hosted the birth of July celebration on the passenger train came through

was a big barbecue with all the and a band played for the when there was Guy Willis from Willis came to the hotel that he told a friend: "That curly is mine if I never get him."

It was two or three months before the couple dated. "He was so shy," Mrs. Willis said. "He'd come to the hotel all the way from Olton and sit there all afternoon. I knew why he came, but he couldn't get up the nerve to ask me for a date."

Meantime, Alice's dad built a two-story house for the Kling family, broke out land, and established a 30-35 cow dairy farm. "There were six of us girls in the dating age," Mrs. Willis said. "There weren't a dozen houses in the whole town, but on Saturdays quite a few cowboys came in from the ranch."

After Guy Willis and Alice Kling married, Willis ran a barber shop in a little frame building in the 300 block of Phelps (about where Thornton's cafeteria is now), Guy's brother, Clyde, and his mother and dad, Mr. and Mrs. W.H. Willis, put in a confectionary in the other half of the shop.

"Oh, I used to drink orange julp by the gallon," Mrs. Willis declared. Mrs. Willis made her own ice cream. Clyde carried the mail from here to Abernathy, brought ice back with him, and Mrs. Willis made ice cream eight gallons at a time.

**Enochs Man Dies  
In Refuse Lake**

No official ruling has been made on the cause of death of R. P. McCall, 55-year-old Enochs man, after his body was found floating in the city sewer lake one-half mile east of Littlefield early Thursday morning.

Justice of Peace Stanley Doss ordered an autopsy. The findings of the autopsy will not be available until Monday or Tuesday of this week, and Doss said he would not complete his report until then.

The victim was a former Bailey County commissioner for 22 years, and was a rancher and cattle buyer at the time of his death. McCall was driving his pickup west on the Spade highway when the vehicle went off the left side, struck a metal post, and traveled about 75 feet after leaving the pavement before going into the lake.

Gary Lightfoot, Lamb County sheriff's deputy, discovered the pickup and body at 6:25 a.m. Thursday. The pickup, with the door on the driver's side open, was in about four feet of water some 25 feet from the

McCall Pickup In Lake

edge of the water. McCall's body was about 40 feet from the bank.

Texas Highway Patrolman Weldon Parson said the accident probably occurred about midnight Wednesday. Arctic cold temperatures Thursday morning, whipped by gales, dropped the chill factor to 15 degrees below zero.

Doss said he ordered the autopsy to help determine whether the accident was a result of a heart attack, or whether a heart attack resulted from the accident. Doss said the impact of the water was not enough to open the door.

Funeral services were held in Morton Saturday afternoon.

**Merchandise  
Is Trouble  
For Driver**

A bread truck delivery man made the mistake of hauling the wrong kind of merchandise to Littlefield on his day off Thursday.

The 25-year-old Lubbock man, Horace Winston Baize Jr., who delivers bread for a Lubbock firm to Littlefield grocers and cafes, was arrested early Thursday morning and charged with liquor law violation.

Melburn Jacob, city policeman, noticed the truck approaching E. Delano and E. 9th about 4:40 a.m. without any clearance or tail lights on. A routine check revealed seven cases of beer in the panel.

Baize was booked at the county sheriff's office and released on a \$500 bond.

**Coin Groups  
Schedule Meeting**

District 9 Texas Numismatic Association luncheon and joint meeting is slated today, with the luncheon to begin at 1:30 p.m., followed by the meeting in the Lamb County Community Center here in Littlefield.

TNA President Lyman Bartee of Austin, will be the featured speaker. Other expected guests from TNA are Stanford M. Kennedy of Austin, treasurer, and Fred Clark of San Angelo, second vice president of the association.

Governor of District 9, D.O. "Jop" Joplin, from the Levelland Stamp and Coin Club, is expected to be present.

The public is invited to attend both the luncheon and open meeting, as well as all members from the District 9 Clubs.

Lunch will be prepared by Mrs. Joe Macha of Littlefield, and price of tickets is set at \$1.50 per person.

Members from the Lamb County Coin Club, Levelland Stamp and Coin Club and Lubbock-South Plains Coin Club are expected, and the club having the most members present will be awarded a trophy.

**Icy Highways Cause  
Three Auto Wrecks**

Ice and snow covered highways contributed to three county wrecks in about one hour early Friday morning.

Four persons complained of minor injuries from a two-car accident 12 miles north of Earth about 8:20 a.m. Friday. A Springlake-Earth student, Kent Lewis, attempted a left turn at the intersection of FR 1055 and 2901 and his vehicle was hit in the left rear by a car driven by Nancy Landis. Both drivers were bruised. Mrs. Landis' four-year-old son, Jim, and a sister Kathy Kelly, were also checked at a clinic for possible injuries.

The Landis car was totaled, and damaged of \$750 were estimated to the Lewis vehicle.

A Tyler woman rolled her 1971 car six

miles west of Sudan early Friday morning.

Highway Patrolman Weldon Parson said Leatrice Barfield was driving too fast for the icy road condition and skidded off the roadway and overturned in the bar ditch on the left side.

A Clovis man driving a truck auto carrier jack-knifed on the icy, snow-covered highway two miles west of Olton about 8 o'clock Friday morning. The truck slid off the road on the left side and hit a tree and utility pole.

There were no personal injuries in a truck-pickup accident near Fieldton Tuesday morning, but damage to the pickup was extensive. Thomas Marion Waller of Hale Center was driving a late model truck-trailer north and was attempting a left turn. Joseph Eli Knight of Littlefield was attempting to pass at the same time and collided with the truck.

**CIVIL DEFENSE TRAINS  
FOR SEVERE WEATHER**

Persons interested in learning about severe weather, and those wishing to help "watch" and "warn" during the tornado season, are invited to attend the Civil Defense Team's training session in Olton Monday night at 7:30.

The session, to be held at the Olton fire station, will be presented by the National Weather Service to teach detection of possible severe thunderstorm clouds, and which cloud formations will or will not develop into severe weather.

**Pistol Stolen**

A new .357 calibre magnum pistol has been taken from the gun counter at Gibson's Discount Center, according to the store's manager.

The pistol is a new .357 calibre magnum, single action with a six-inch barrel, blue finish with light colored grips, and police are investigating the theft.

City police jailed an adult male Thursday morning, and charged him with drunk in public. He was tried, fined and released.

Another man was jailed Friday morning, charged with drunk in public. He was tried, fined and released.

An adult male was jailed early Saturday morning and charged with disturbance. He was tried, fined and released.

**Jim Ford Appointed  
City Tax Officer**

A 25-year-old Littlefield native, Jim Ford, began work Wednesday as Littlefield's new city secretary and tax assessor-collector.

City councilmen made the appointment during their last regular meeting, and City Manager Pat Bradley informed Ford of the new job the following day.

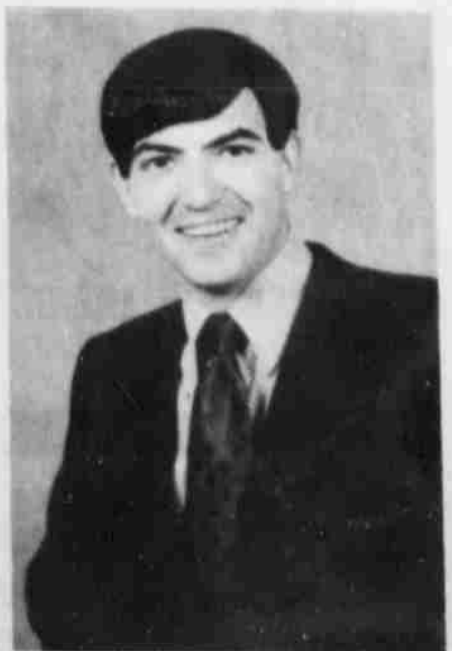

Ford and his wife, Sharon, moved to Littlefield last week from Wolfe City, where they were residing while Ford was attending East Texas State University. He received his BS degree in educational psychology from ETSU in December.

Ford is a 1965 graduate of Littlefield High School and attended Texas Tech a while prior to transferring to ETSU. He is son of Mr. and Mrs. Donald Ford of Littlefield, and is a member of the Crescent Park Church of Christ.

While attending ETSU, he was affiliated with Phi Kappa Delta, a member of the Kiwanis Club and the Chamber of Commerce, and is a 32nd Degree Mason.

He was nominated for "Personalities of the Southwest" for 1970-71.

His wife is a native of Woodrow, a community south of Lubbock.

MRS. GUY WILLIS proudly displays a painting of the barber shop her husband operated on Phelps in Littlefield's early days. Mrs. Willis helped her husband four years in his job as one of Lamb County's first county clerks, then Mr. and Mrs. Willis recorded abstracts and deeds from 1922 until 1961 when Mr. Willis died.

## Vegetable Specialist Is Guest Speaker Here

Dr. Roland Roberts, area vegetable specialist, from the Extension Service, in Lubbock, was guest speaker at the Littlefield Garden Club meeting Tuesday, in the Reddy Room of Southwestern Public Service.

Dr. Roberts was introduced by Lady Clair Phillips, county home demonstration agent.

Following a lecture on "Good Garden Practices", a question and answer period was held.

### SECOND LARGEST

The United States ranks second behind the United Kingdom as the world's largest importer of red meats.

Mrs. Herbert Dolle, president, presided during the business. Plans for an essay and poster contest, entitled "Action Against Pollution", were discussed.

Red and white Valentine arrangements decorated the room. Mrs. Roy McQuatters served refreshments to Dr. Roberts, Mrs. Phillips, Mrs. Roy Carden of Anton, Mr. and Mrs. R. L. Tisdale and Mmes. R. N. Nicholas, M. Parmer, A. H. Scivally, A. E. Gardner, Belle Dow, Comer Hall, Floyd Dyer, Dolle, C. H. Messer, Mary Davis, Frankie Dusek, Joe Ancinec and G. T. Corry.

DR. ROLAND ROBERTS, area vegetable specialist from the Extension Service in Lubbock, spoke to the Littlefield Garden Club members Tuesday afternoon on

"Good Garden Practices". Dr. Roberts is discussing gardening with the women during a question and answer session.

## 16 County 4-H'ers Set Houston Show

Sixteen members of the Lamb County 4-H Club will show entries in the junior division of the Houston Livestock Show and Rodeo, Feb. 23 to March 5.

Participating members will include Jim Fields, Rodney Logsdon, Kenan Lichte, Bruce Bridges, Danny Carter, and Gary Lichte showing two steers each; Cory Logsdon, Stephanie Carter, both showing one steer each.

Gary Lichte showing three sheep as is Loretta James; Kent Lewis, Sheila Lewis, Gary Lichte, and Kenan Lichte showing one Duroc and one Crossbred barrow.

Petra Lewis showing a Duroc and a Hampshire barrow; Brad Bridges showing one Duroc and one Crossbred barrow; Brent Been showing a Poland barrow; Alan Been showing a Duroc barrow; Scott Carter showing one Hampshire and one Chester White barrow; and Rodney Logsdon showing two Duroc barrows.

A record number of entries and premium money will make this year's Houston show the largest livestock show in the world. Classes are provided for 10 beef breeds, 4 dairy breeds, 6 swine breeds, 11 sheep breeds, 6 horse breeds, 5 rabbit breeds, 22 poultry breeds and Angora goats.

Among other programs benefiting youth on a statewide basis are the scholarship and research programs. The Houston Livestock Show and Rodeo annually presents scholarships to outstanding FFA and 4-H Club members in the amount of \$4,000 each.

Fifty students are currently attending college on scholarships provided by the Houston Livestock Show and Rodeo. Twenty-four scholarships of \$1,000 each will be awarded to winners in each of 24 counties participating in the show's GO-TEXAN program.

The Research Program, established in 1970 by the show, is being carried on in twelve Texas agricultural colleges. Much of the work is done by students, thus providing jobs for those college students who need to work.

The knowledge shared through this \$200,000 Research Program directly benefits Texas agribusiness.

Dates for the 1972 Houston Show are Feb. 23 through March 5, with the first two days set aside solely for livestock judging and sales.

A spectacular rodeo is planned this year to celebrate the 40th anniversary of this great civic event. Every day will bring different stars to the Astrodome.

Tickets may be obtained by writing the Houston Livestock Show and Rodeo, P. O. Box 20070, Houston, Texas, 77025.

## Scouting Benefits

Editor's note: This piece was written by a Girl Scout who has set goals for work in the organization. She submitted this for publication, so that citizens in the area will have an idea of what girls do in Scouting, at least one phase of it.

I am working on my God and Community badge.

I hope to learn more about the functions of my church such as leading a prayer group or any other service that a girl of 15 can do for her church.

I have memory work such as the books

of the Bible and Ten Commandments and others.

I hope to become a better Christian and a more forgiving person.

I hope that as a teenager I may be able to contribute something personal to my church.

Maybe the adults will not have to say, "This younger generation, what is it coming to, because of me!"

EIGHTEEN COUNTIES of Soil and Water Conservation Districts (SWCD) were represented at the semi annual SWCD meeting at the Lamb County REA building here Tuesday. Shown are Frank Gray, state board member; Gilbert Fawver, president of the South Plains Association of SWCD; W. B. Jones, chairman of the Lamb County SWCD; and Duane Crawford, Texas Tech engineer who presented a program on high pressure recharge of playa lakes. Six lakes in the Tech study since 1961 have from 2 to 49 surface acre feet. An acre foot of water contains 325,829 gallons, or water one foot deep spread over one acre of land.

## Wise Acceptance

IT IS SELF-EVIDENT that some things cannot be changed. Of course, some things can be changed.

When changes can be made, and need to be made, or when we want to make changes, we may do so, if we know how and are willing to put forth the effort.

Nevertheless, we must be discerning enough and honest enough to see and admit that some things cannot be changed; at least, not by us.

MANY PERSONS who are frustrated and generally unhappy have no just for being so. They are in an acceptance life situation, but they refuse to accept it.

Some not only refuse to accept it, but pretend that it doesn't exist.

These people make a bad situation with the pretensions. They do not actually change the situation which they refuse to accept, but they do make a bad situation where none existed before.

SOME PEOPLE REFUSE to accept themselves, and refuse the life role that they could fill very well. They pretend to be something that they are not, and keep forcing themselves into personal failures by assuming a role they cannot fill.

All of these persons would do better, make more substantial progress, and have the respect of other people, and would respect themselves, if they would stop play-acting.

WISE ACCEPTANCE IS essential to personal well-being, and is the beginning point of rewarding self-improvement. If I am a successful employee, and have sound reasons to believe that I am not capable of

being the manager, I must place as an employee.

It is so much better to be an unsuccessful worker than to be an unsuccessful boss. All of our limitations, and we must accept graciously.

IF I AM ABLE to wear clothing, it is so much better to accept this fact than it is for me to make a show by wearing clothing I cannot afford.

THE BEHAVIOR PATTERNS we pretend to be smarter than we are, we pretend to have more than we do, we pretend to be doing better than we are, kind of self-made prison from difficult to find release.

WISE ACCEPTANCE, with plans for improvement and the only basis for successful living. This is so much better, and desired than the "make believe" that, sooner or later, leaves us exposed for the "take" by the

SOME THINGS SHOULD be without protest, because it is a protest is useless.

We, if we are wise, will just best of these things.

WISE ACCEPTANCE IS also than futile efforts to change what should not be changed.

It is much better than a foolish pretense and make-believe.

"LET THE LAW of the land become the religion of the people."—Lincoln.

We might just do that, if we can find out what it is, courtesy of the Supreme Court. We're not sure, one day to the next, what the law is supposed to be!

ANYONE KNOW WHY the farmers seem to be in a touchy frame of mind, following a visit in the local ASCS office?

"You can't take it with you." They're always sayin'. — Shux at the present prices, a bunch of us won't even be able to go! (Guess I heard that somewhere.)

GUESS ONE of the most frustrated personalities I've ever seen was an old "settin' hen" my mother used to have.

I remember one year, when nature brought out the motherhood mood in this of gal. My mother gave her a bunch of DUCK aigs to hatch.

FAITHFUL TO THE cause, she didn't seem to mind the extra weeks "settin'", but stayed with the job, 'til it was finished. The comical part of the incident came the

day she was turned out into the barnyard with her brood.

Just so happened that we had a large earth tank out by the windmill, that was used to store irrigation water for the garden. The mother hen made the mistake of leadin' her brood too close to it.

Cheeping in wild delight the baby ducklings ran, with reckless abandon, right out into the water and began swimmin' around! — To say that the old hen was dismayed and horrified is a sizable understatement! This was against all chicken endowments of self preservation!

CLUCKIN' AND CALLING her babies, the mother ran up and down the tank rim in an all-out frenzy. Then she'd wade out in the tank as far as she could, and try to coax the "chicks" out of the water. This was to no avail. They seemed to think she was joinin' in on the fun!

Finally, and seemingly near nervous prostration, the mother started back toward the chicken house, not without a few anxious looks back over her wings, at the earth-tank.

SURE ENOUGH, but with some reluctance, the baby ducklings began to file out of the tank and follow her!

Seems there oughta' be a moral here, somewhere. I'm not sure whether it'd be about hatchin' strange eggs, or leadin' in the right direction. YOU can take it from here.

JUST TO PROVE that the first liar don't have a chance, a former friend of mine claims to have the smartest cat on the South Plains. Says this cat will eat a chunk of cheese, then sit and blow into a mouse-hole — with baited breath!

What Our Readers Think

### Scout Awards

Dear Editor: I have nine girls working on their Girl Scout God and Community Awards, eight of them Protestant and one Catholic.

These girls are small rose buds that are on the verge of opening up into what ever kind of flower their upbringing makes them.

They are very special and I hope by working on this award, they will learn more about their church and its functions, taking part in a service project to the

church and the true meaning of being faithful.

I pray that they will have a feeling so good, that those who are around them or come in contact in any way will smile a little bit at her presence.

I hope they will have a stronger feeling about their country. They can not fight for their country, but they can be true and loyal in every way.

### Police Protection Good

Dear Bill,

I feel the people in this area should know that we are well protected by our law enforcement officers. Sunday evening my family and I, who live eight miles South of Littlefield on Highway 385, left for church in Littlefield. We returned home about 7:30 and found our 1968 Dodge car missing from the front yard. We spent about 10 minutes trying to find out if a neighbor borrowed it for some emergency. Then we called Hockley County Sheriff Weir Clem. He put it on teletype and said he would be right there. It is about 14 miles to Levelland.

A few minutes after we reported the car

stolen we received a call from Littlefield saying Littlefield police had found our car.

It took a total of about 15 minutes from when it was reported to when it was found and involved officers from Hockley and Lamb counties. I want to say thank you to officers from both counties and let the citizens of this area know that we should be proud of our Law enforcement people. When I picked up the car I saw highway patrol. Lamb County Sheriff's Department, Hockley County Sheriff's Department, Boots Crews of Anton, and the city police of Littlefield, and there was no damage to the car.

**THE SANDHILLS PHILOSOPHER**

**Wild Notion**

(Editor's note: The Sandhills Philosopher on his Johnson grass farm comes up with some sort of a science fiction notion this week. Winter must be hanging heavy on him.)

Dear Editor:  
It's not every day a man can think up an idea to eliminate 50 percent of the world's pollution, which is why I intend to take off the balance of the week to rest up from it.  
Now here's the thing. Everybody agrees that most of the air pollution is caused by automobiles, and air pollution is pollution in its worst form. You can drive by a polluted river or an eye-sore of a junk pile and survive, but if you can't get enough fresh air to breathe you're in for it.

All right. Look at the smog over any city in the world and you know it came mostly from automobile exhaust, and as hard as manufacturers may be trying, an exhaust-free car is not in sight yet.

The answer of course is an electric car, but before you sneer "Huh, what's new about that?" let me say I don't mean an electric car that operates off a trunk and back seat full of batteries.

I mean an electric car that has electricity broadcast to it through the air. If man can send a television picture in color from the moon to earth and can send a radio signal to a camera circling Mars and tell it when to turn on and off, why can't he figure out a way to send electricity from a tower to my car.

I know somebody's going to say, aw, electricity has to travel down a wire, you need a metal conductor. Won't work.

That's because people are hide-bound. They're talking about electricity that was invented 200 years ago and that they've been satisfied with ever since. It's amazing that electricity hasn't been improved on since it was first put in use.

What scientists ought to be working on is 20th century electricity, electricity you can broadcast through the air and turn the motors in the millions and millions of cars now pouring their gasoline fumes into the atmosphere. Just raise a small antenna in your car, tune in to the nearest electricity-broadcasting station and take off silently and fumelessly.

Once this new electricity is perfected, the rest will be easy. You can't make me believe the power companies haven't got the ingenuity to develop a meter in your car that'll see that you're properly billed.  
Yours faithfully,  
J.A.

## Abraham Lincoln Rail Splitter and Union Restorer

"Most governments have been based, practically, on the denial of equal rights of men...ours began by affirming those rights.

They said some men are too ignorant and vicious to share in government. Possibly so, said we; and by your system, you would always keep them ignorant and vicious. We proposed to give all a chance, and we expected the weak to grow stronger, the ignorant wiser, and all better and happier together."

"Nearly 80 years ago, we began by declaring that all men are created equal; but now from that beginning we have run down to the other declaration that for some men to enslave others is a 'sacred right of self-government.' These principles cannot stand together. They are as opposite as God and mammon, and whoever holds to the one must despise the other."

"Let us discard all this quibbling about this man and the other man, this race and that race and the other race being inferior, and therefore they must be placed in an inferior position...let us discard all these and unite as one people, throughout this land, until we shall once more stand up declaring that all men are created equal."

# OBITUARIES

#### VIOLA MAE GRIMSLEY

Services for Mrs. Viola Mae Grimsley, 63, who died Sunday, Feb. 6, in Brawley, Calif., were conducted Thursday morning in Sweet Street Baptist Church in Tahoka. Rev. Rupp, pastor, officiated and burial was in the Tahoka Cemetery with White's Funeral Home in charge of arrangements. She was a sister of Sam Stone of Sudan. Mrs. Grimsley is a native of Clairette, had lived in Lynn County from 1944 to 1949, when she went to Lubbock. She moved to Brawley five years ago from Lubbock. Besides the son, she is survived by her husband; three daughters, Mrs. Alta Marie Gaddy of Brawley, and Mrs. Rosey Lee Burrell and Mrs. Bobbie Cook, both of Lubbock; a son, Johnny Lee Graves of Oro Grande, Calif.; two sisters, Mrs. L. B. Thompson of Tahoka and Mrs. Jessie Eary of Comanche; two other brothers, David Stone of Mosheim and Nugent Stone of Comanche; 13 grandchildren and 10 great-grandchildren.

#### ORIE ALVIE MCCOY

Services for Orien Alvie McCoy, 74, of Odessa, who died Tuesday night, Feb. 8, in Medical Center Hospital in Odessa following a long illness, were conducted Thursday afternoon in Hubbard-Kelly Funeral Home Chapel in Odessa. Rev. Tom Strothers, pastor of St. Luke's United Methodist Church, officiated and burial was in Sunset Memorial Gardens. McCoy was father of Ray McCoy of Olton, and was a retired pumper for Gulf Oil Co. He went to Odessa in 1950 from Whiteface. Besides the Olton son, surviving are his wife, another son, Ector County Attorney Bill McCoy; six grandchildren and three great-grandchildren.

#### R. P. MCCALL

Services for R. P. McCall, 55, an Enochs man who was found dead beside his pickup in Littlefield's city sewer lake Thursday morning, were conducted at 3 p.m. Saturday in Morton's First Baptist Church. Rev. Charles Vanlandingham, pastor of the Baptist Church at Raton, N. M., and Rev. Rex Maulding, pastor of Morton's First United Methodist Church, officiated. Burial was in Morton Memorial Cemetery, with Singleton Funeral Home of Morton in charge of arrangements. McCall, a farmer and rancher, had lived in Enochs since 1926 and had served as a Bailey County commissioner 22 years — from 1948 through 1970. He was a member of the First United Methodist Church in Morton. Surviving are his wife, Pauline; two daughters, Mrs. Carolyn Roberts of Enochs and Mrs. Marilyn Medlin of Brownfield; two sons, Donny McCall of Muleshoe and Roddy McCall of the home; three brothers, E. N. McCall of Enochs, G. H. McCall of Harlingen and John I. McCall of Detroit, Mich.; and seven grandchildren.

#### MURL VERMILLION

#### SOLOMAN JABEZ HANDLEY

Funeral services for Solomon J. Handley, 75, of Floydada who died Thursday, Feb. 10, following a long illness, are set for 2:30 p.m. today in New Salem Primitive Baptist Church in Floydada. Handley was a brother of Mrs. L. M. Smith of Littlefield. Joe Jackson, pastor, and L. M. Handley will officiate, and burial will be in the County Memorial Park with Moore's Funeral Home in charge of arrangements. Handley was a Justice of the Peace in Floydada nine years, and was a president and served on the board of directors of the West Texas Justice of Peace and Constable Association. He was a well driller from 1920 to 1930 and served as a deacon in the New Salem Primitive Baptist Church. He was married to Lillie May Rind in at Wheeler and they went to Floydada in July of 1930. Surviving are his wife; four sons, Handley of Fritch, Randall Handley of Lubbock, Carell Handley of Amarillo, Ben Handley of Lubbock; two daughters, Mrs. Jerry Lunn of Albuquerque and Mrs. Fed Nixon of Lubbock; three sisters, George Heath of Lubbock, Mrs. M. Crawford of Hollis, Okla., and Mrs. L. M. Smith of Littlefield; a brother, J. Handley of Carmel, Calif.; and 22 grandchildren; and one great-grandchild.

#### MRS. C. P. SMITH

Services for former Littlefield resident Mrs. C. P. Smith, 89, a longtime Angelo resident who died at the Memorial's Geriatric Hospital, were conducted Saturday, Jan. 28, at Johnson's Funeral Home Chapel in Angelo. Rev. Benny Hagan, pastor of Immanuel Baptist Church, and Rev. Roy Shook, officiated. Burial was in Fairview Cemetery in San Angelo. Mrs. Smith had been a patient of the hospital since August, and had lived in Angelo 28 years. She and her late husband moved to Littlefield in the early 1920's, and later southwest of town. They went to Angelo in 1941. Surviving are two daughters, Mrs. M. Carwile of San Angelo and Mrs. M. Bobbin of Albuquerque, N. M.; a son, James W. Smith of Corpus Christi; a brother, Ed Kirkpatrick of Bellville; and 22 grandchildren.

## An important message for people who prepare their own income tax returns. Maybe you've been cheating yourself all these years.

Every year, between January and April, millions of people sit down to do battle with Uncle Sam. Some are "self-styled" accountants. Others think they can save a few dollars doing it themselves — so why not?

The sad truth is, however, no matter what their reason was for starting, many of them end the same. On the short end.

You see, when it comes to income taxes, amateurs should depend on H & R Block. We have all the facilities to help you make "income tax time" a pleasant experience. To begin with, H & R Block now has over 6,000 conveniently located offices manned by thousands of specially trained personnel who are anxious to help you. They'll sit you down over a free cup of coffee and show you some things about your income tax that you might never have known existed. For example, do you know

all about deductions for child care and casualty losses? And maybe you were aware that if your income increased last year, you may be able to save tax dollars by "income averaging."

Well, when it comes to income taxes, H & R Block is aware of just about everything because we're a company that eats, sleeps, and thinks tax returns 24 hours a year.

Yes, maybe you can save a couple of bucks by doing your own return, but it really may be costing you a lot more by not having your return done by H & R Block.

DON'T LET AN AMATEUR DO  
HAR BLOCK'S JOB.

### Mass Tetany May Affect Beef Cattle

You've noticed beef cows in your herd acting rather nervous, irritable and impatient, there's a good chance they are suffering from tetany.

The condition results from a mineral imbalance and usually occurs during cold, wet weather," notes Dr. Armstrong, veterinarian at the Texas Agricultural Experiment Station Service. "If it is ignored, muscular spasms, convulsions and death will result."

Tetany often affects late pregnancy or those cows giving up a great deal of energy to support their calves.

Unfavorable weather conditions add additional strain on the

lack of magnesium and in the animal's diet is a main cause of grass tetany," points out Armstrong. "A low energy diet also contributes to the condition."

To overcome conditions that lead to grass tetany, the veterinarian recommends the use of mineral blocks containing magnesium oxide as supplemental feeding that provide cows with additional energy.

Armstrong advises livestock owners to reduce the animals' exposure to wet weather as much as possible and to maintain some legume pastures. Legumes supply up to three times as much magnesium as most other forages.

Animals are acting in an abnormal manner or appear to be stressed, it's always a good idea to call a veterinarian at once," suggests Armstrong.

### Farmers Union Meet

The Bailey County Farmers Union met Thursday, Feb. 3, in the Farmers Insurance office at Bula. Members were in attendance.

**Indians Pierce Cats**

The Morton Indians turned a 10-7 first quarter lead into a 62-30 win over the Littlefield Wildcats Friday night in Class 3-AA basketball.

The 'Cats held the Indians to only 28 points at the half as they slowed the game with their delay tactics, but the 'Cats tumbled in the final half and Morton romped on for 34 points and the win.

Elton Patton paced the winners with 21 points. Keith Embry added 19 and Jim Harvey 14.

Littlefield was led by Alan Mackey with 13. Pat Henderson, eight, Larry Hobrantsch, six, Randy Dayton, three, and J. E. Johnson, two.

J. Silhan bucketed 31 points to lead the Morton JV basketball team to a 70-42 win over Littlefield.

Morton led 17-9 at the end of the first

quarter but only had a 26-24 lead at the intermission as the local JV team sank 15 points in the second stanza in a catch-up attempt.

Randy Cook swished the nets for 12 points to pace Littlefield. Chris Pope hit nine, Gary Brown, Craig Ratliff and Kelly Pratt each got six.

**LJHS Teams Drop 2 Of 3**

Morton's freshmen edged the Littlefield frosh 50-45 in a non-district tilt there Thursday evening.

Littlefield took a 20-11 first quarter lead then fell behind on free throws and a broken defense.

Doug McCain hit 11, Tommy Batson, 10, Benny Williams and Ricky Hodge, nine each, and Connie Bowman, six. Williams led the rebounding with 11 and Hodge and Bowman rebounded nine a piece.

The frosh hit 47 per cent of their free throws, down from the 60 per cent in past games. Littlefield freshmen are 9-8 for the season, with the final game scheduled with Tulia there Monday.

Littlefield eighth graders grabbed a 30-26 win from Morton's eighth Thursday. Coach Kenny Carter termed the victory one of the best games of the season since Morton previously beat Littlefield's eighth out of the Muleshoe tournament by 10 points.

Kicky Hopping scored 10 points, John Marquez, 8, Mike Williams, 5, Bill Turner, 4, and Doug McDonald, 2. McDonald pulled in the most rebounds. A deciding winning factor was the 50 per cent on free throws.

The Morton seventh bombed the Littlefield seventh 58-8 Thursday. Rudy Ayala, Gary Wisenhunt, Paul Harlan and Dennis McCain scored two each.

All three junior high teams travel to Tulia Monday for the last round of play.

**SPORTS**  
**Spade Edges Anton For District Title**

The Spade fems took a 39-37 win over Anton Friday to win their second game in the District 5-B playoff and won the

opportunity to challenge Bula in Bi-District.

District 5-B ended in a three way tie with Cotton Center, Spade and Anton.

In the round robin tourney held in the Dome at South Plain College in Levelland, Spade came out victor, dumping Cotton Center 46-37, then went on to squeak past Anton for the district 5-B title.

Anton dominated Spade during the first half, leading 16-6 in the first quarter and 27-17 at half. Spade narrowed the gap in the third period to only a three point deficit in their uphill climb.

In the final stanza, Gayla Freeman gave Spade their first lead, 34-33, by hitting a field goal with 6:52 left in the game.

Carolyn Hodges' long field goal gave Anton a 35-34 lead after a minute had passed. The game see-sawed as Debbie Myers' two-pointer made the score 36-35, with 3:58 left. Pam Bell scored from underneath for a 37-36 lead for Anton with 2:17 remaining. Gayla Freeman sank a free shot to tie the game and then came back with 20 seconds left for a two-pointer to give Spade a two point win.

Debbie Myers and Gayla Freeman each hit 17 points to pace the winners. Brenda Hopper hit five.

Pam Bell scored 25 for Anton, Christi Stone eight and Carolyn Hodges four.

In the first game of the District 5-B round robin tourney, Spade edged out Cotton Center, 46-37, Thursday night at the Dome.

Cotton Center with a seven-point deficit came back in the second stanza to tie the score 20-20 at the half but fell in the second half as Spade bounced back into the lead and nine point win.

Debbie Myers scored 24 points to pace the winners. Gayla Freeman hit 12 and Brenda Hopper 10.

Maryjohn Mills scored 14 for Cotton Center, Pam Black 13, and Pattie Robertson 10.

Spade will play the Bula girls for the bi-district title Tuesday night at 8 p.m. in the Littlefield High School Gym.

Bula has not lost a game this season and Spade has lost three district games.

ANTON'S DORENDA TIMS (35) jumps with Spade's Gayla Freeman and Debra Myers (24) for a rebound. Anton guards Janie Synath, Diane Davis (31) stand ready for a play. Brenda Hopper (22) springs action for Spade. Spade won the district play-off, 39-37.

IT'S NOT TIP TOE through the tulips but a district championship battle as a Cotton Center forward mixes it up for a rebound with Spade's Glazner (51) and Cindy Thompson. Marketta Leonard (45) is in the situation.

Penney Penquins Thursday night in sixth grade girls' basketball.

It was a defensive duel for the first quarter as neither team scored. The Penquins led 5-4 at the half and trailed 11-10 going into the fourth quarter.

Christene Cristan led the Michlenettes in scoring by hitting the basket for nine points. Elaine Ellerbe swished the nets for six. Tommie Shaw and Sylvia Cristan each got two.

In fifth grade girls' basketball West Drug Pill Rollers downed Mitchell Ford T-Birds, 15-9.

The Pill Rollers turned a one point deficit at the end of the first quarter into a two point halftime lead and their second win for the season.

DeEnna Blakely paced the winners with seven points, Rundia Conwright hit six and Gene Westmoreland two.

The T-Birds scoring department consisted of Karla McCanlies with six points, Rhonda Rogers two and Kelli Hampton one.

Tuesday night's action will begin at 6:30 with the 1-1 Mitchell Ford T-Birds versus the 0-2 Renfro Thriftway Raiders. At 7:45 the 2-0 Perry's Variety Girls will be pitted against 1-1 Shook Tire Michlenettes.

**Whirlwinds Fling Olton For Loss**

The Floydada Whirlwinds whirled past the Olton Mustangs, 71-52, Friday night.

It was a tied-up ball game at the end of the initial stanza but the Whirlwinds took a six-point lead at the half and went on for the win.

Charles Jackson paced the winners with 20 points and Marlos May hit 12 for Olton.

ers will hear details of the 1972 hail suppression and rain program at a county-wide meeting in the district in the Lamb County Courthouse Monday night.

County has been in a multi-county hail suppression program for the past two years. Portions of Lamb, Swisher, Crosby and Lubbock counties supported the program through payments of 32 cents per acre.

The hail suppression program drew attention, especially from dry land farmers who claimed that seeding the ground to prevent hail broke up some of the hail which they thought would have been with rain. In 1971 an organization formed to try to prevent hail damage, Inc. from obtaining a contract for seeding clouds. The fight was fought in Austin where the state water court ruled in favor of the cloud seeding program.

The hail suppression program for Lamb County calls for rain seeding measures. Hale County has a hail seeding program in that county buffer zones, and fund-raising were mailed this week.

County can't raise enough money to support the program, the board for this year. Lamb County operates on a similar basis, since money must be paid before the contract with Atmospheric, Inc. is signed. Data showing all 1971 flights, number of pyrotechnics used and information will be given at the

"WELL, LET'S GET IT OPEN!" are sentiments of these two young "cupid-struck" lovers. There are five pounds of sweetness inside that heart-shaped box, and Corey Stovall, 3-year-old son of Mr. and Mrs. Andy Stovall, and Tracey Mott, 2-year-old daughter of Mr. and Mrs. Bill Mott, are anxious to get a look at it.

Doyle Patton To Lead  
1972 Easter Seal Appeal

Doyle Patton, Jr. will head the 1972 Easter Seal Appeal in Lamb County, according to Rodney D. Hargrave of Dallas, president of the Easter Seal

Society for Crippled Children and Adults of Texas.

Residents of Lamb County will receive the annual Easter Seal Appeal letters in the mail beginning Feb. 28. The Easter Seal Appeal, conducted yearly to provide disabled persons and their families treatment and services, will continue through Easter Sunday, April 2.

Patton is one of 223 men and women throughout Texas who are serving in this capacity. The cost of the statewide Easter Seal program is over one million dollars, financed mainly by the Easter Seal Appeal. Almost 90 per cent of all funds raised by the Easter Seal Appeal remain in Texas to support the growing needs of the disabled in the State.

Special emphasis is being given in the 1972 Easter Seal Appeal to the disabled citizen or his family in Lamb County who may need assistance and not know where to obtain it.

Any disabled person can contact Patton at the Security State Bank in Littlefield, and he will refer the request for services to the Easter Seal Society. A determination of the extent and type of assistance needed and the most efficient means of obtaining that assistance will be made. Arrangements for needed treatment or service will be made by the Easter Seal Society.

SCOUTS of all ranks examine the folder titled, "Money? Why Do They Need Money From Me?", which answers questions concerning donations go. The door-to-door Girl Scout Fund Drive begins Monday at 5:30, when mothers will make contacts. Looking at the folder are Harrell, Senior Cadet in Troop 36, Kristy Altman, Junior Scout in Troop 203; Velva Lee, Senior Scout in Troop 203; and Christi Champion, Scout of Troop 214.

GUY WILLIS

Early Days Recalled

RODGERS

Willis was almost 15 when her parents decided to move their family from the city of Chicago to West

May morning in 1913 when Alice and her family moved to the land of Indians from the north window of the Crosbyton Hotel. She exclaimed to her sister: "Oh, they've got a skating pond." The pond turned out to be the tin supply store, and the only other besides the one with the shining hotel, were a blacksmith shop and a post office.

When Kling bought a labor of land in Lamb County, Alice persuaded her dad to take a job. She was working at the Hotel when Littlefield hosted the fourth of July celebration on the passenger train came through

was a big barbecue with all the and a band played for the. There was Guy Willis from Littlefield. Willis came to the hotel that he told a friend: "That curly hair is mine if I never get him."

It was two or three months before the couple dated. "He was so shy," Mrs. Willis said. "He'd come to the hotel all the way from Olton and sit there all afternoon. I knew why he came, but he couldn't get up the nerve to ask me for a date."

Meantime, Alice's dad built a two-story house for the Kling family, broke out land, and established a 30-35 cow dairy farm. "There were six of us girls in the dating age," Mrs. Willis said. "There weren't a dozen houses in the whole town, but on Saturdays quite a few cowboys came in from the ranch."

After Guy Willis and Alice Kling married, Willis ran a barber shop in a little frame building in the 300 block of Phelps (about where Thornton's cafeteria is now). Guy's brother, Clyde, and his mother and dad, Mr. and Mrs. W.H. Whillis, put in a confectionary in the other half of the shop.

"Oh, I used to drink orange julp by the gallon," Mrs. Willis declared. Mrs. Willis made her own ice cream. Clyde carried the mail from here to Abernathy, brought ice back with him, and Mrs. Willis made ice cream eight gallons at a time.

Enochs Man Dies  
In Refuse Lake

No official ruling has been made on the cause of death of R. P. McCall, 55-year-old Enochs man, after his body was found floating in the city sewer lake one-half mile east of Littlefield early Thursday morning.

Justice of Peace Stanley Doss ordered an autopsy. The findings of the autopsy will not be available until Monday or Tuesday of this week, and Doss said he would not complete his report until then.

The victim was a former Bailey County commissioner for 22 years, and was a rancher and cattle buyer at the time of his death. McCall was driving his pickup west on the Spade highway when the vehicle went off the left side, struck a metal post, and traveled about 75 feet after leaving the pavement before going into the lake.

Gary Lightfoot, Lamb County sheriff's deputy, discovered the pickup and body at 6:25 a.m. Thursday. The pickup, with the door on the driver's side open, was in about four feet of water some 25 feet from the

McCall Pickup In Lake

edge of the water. McCall's body was about 40 feet from the bank.

Texas Highway Patrolman Weldon Parson said the accident probably occurred about midnight Wednesday. Arctic cold temperatures Thursday morning, whipped by gales, dropped the chill factor to 15 degrees below zero.

Doss said he ordered the autopsy to help determine whether the accident was a result of a heart attack, or whether a heart attack resulted from the accident. Doss said the impact of the water was not enough to open the door.

Funeral services were held in Morton Saturday afternoon.

Merchandise  
Is Trouble  
For Driver

A bread truck delivery man made the mistake of hauling the wrong kind of merchandise to Littlefield on his day off Thursday.

The 25-year-old Lubbock man, Horace Winston Baize Jr., who delivers bread for a Lubbock firm to Littlefield grocers and cafes, was arrested early Thursday morning and charged with liquor law violation.

Melburn Jacob, city policeman, noticed the truck approaching E. Delano and E. 9th about 4:40 a.m. without any clearance or tail lights on. A routine check revealed seven cases of beer in the panel.

Baize was booked at the county sheriff's office and released on a \$500 bond.

Coin Groups  
Schedule Meeting

District 9 Texas Numismatic Association luncheon and joint meeting is slated today, with the luncheon to begin at 1:30 p.m., followed by the meeting in the Lamb County Community Center here in Littlefield.

TNA President Lyman Bartee of Austin, will be the featured speaker. Other expected guests from TNA are Stanford M. Kennedy of Austin, treasurer, and Fred Clark of San Angelo, second vice president of the association.

Governor of District 9, D.O. "Jop" Joplin, from the Levelland Stamp and Coin Club, is expected to be present.

The public is invited to attend both the luncheon and open meeting, as well as all members from the District 9 Clubs.

Lunch will be prepared by Mrs. Joe Macha of Littlefield, and price of tickets is set at \$1.50 per person.

Members from the Lamb County Coin Club, Levelland Stamp and Coin Club and Lubbock-South Plains Coin Club are expected, and the club having the most members present will be awarded a trophy.

Icy Highways Cause  
Three Auto Wrecks

Ice and snow covered highways contributed to three county wrecks in about one hour early Friday morning.

Four persons complained of minor injuries from a two-car accident 1.2 miles north of Earth about 8:20 a.m. Friday. A Springlake-Earth student, Kent Lewis, attempted a left turn at the intersection of FR 1055 and 2901 and his vehicle was hit in the left rear by a car driven by Nancy Landis. Both drivers were bruised. Mrs. Landis' four-year-old son, Jim, and a sister Kathy Kelly, were also checked at a clinic for possible injuries.

The Landis car was totaled, and damaged of \$750 were estimated to the Lewis vehicle.

A Tyler woman rolled her 1971 car six

miles west of Sudan early Friday morning.

Highway Patrolman Weldon Parson said Leatrice Barfield was driving too fast for the icy road conditions and skidded off the roadway and overturned in the bar ditch on the left side.

A Clovis man driving a truck auto carrier jack-knifed on the icy, snow-covered highway two miles west of Olton about 8 o'clock Friday morning. The truck slid off the road on the left side and hit a tree and utility pole.

There were no personal injuries in a truck-pickup accident near Fieldton Tuesday morning, but damage to the pickup was extensive. Thomas Marion Waller of Hale County was driving a late model truck-trailer north and was attempting a left turn. Joseph Eli Knight of Littlefield was attempting to pass at the same time and collided with the truck.

CIVIL DEFENSE TRAINS  
FOR SEVERE WEATHER

Persons interested in learning about severe weather, and those wishing to help "watch" and "warn" during the tornado season, are invited to attend the Civil Defense Team's training session in Olton Monday night at 7:30.

The session, to be held at the Olton fire station, will be presented by the National Weather Service to teach detection of possible severe thunderstorm clouds, and which cloud formations will or will not develop into severe weather.

Pistol Stolen

A new .357 calibre magnum pistol has been taken from the gun counter at Gibson's Discount Center, according to the store's manager.

The pistol is a new .357 calibre magnum, single action with a six-inch barrel, blue finish with light colored grips, and police are investigating the theft.

City police jailed an adult male Thursday morning, and charged him with drunk in public. He was tried, fined and released.

Another man was jailed Friday morning, charged with drunk in public. He was tried, fined and released.

An adult male was jailed early Saturday morning and charged with disturbance. He was tried, fined and released.

MRS. GUY WILLIS proudly displays a painting of the barber shop her husband operated on Phelps in Littlefield's early days. Jim Ford Appointed  
City Tax Officer

A 25-year-old Littlefield native, Jim Ford, began work Wednesday as Littlefield's new city secretary and tax assessor-collector.

City councilmen made the appointment during their last regular meeting, and City Manager Pat Bradley informed Ford of the new job the following day.

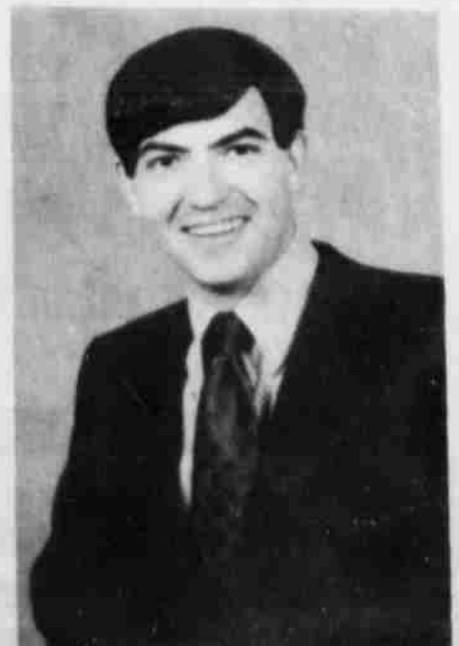

Ford and his wife, Sharon, moved to Littlefield last week from Wolfe City, where they were residing while Ford was attending East Texas State University. He received his BS degree in educational psychology from ETSU in December.

Ford is a 1965 graduate of Littlefield High School and attended Texas Tech a while prior to transferring to ETSU. He is son of Mr. and Mrs. Donald Ford of Littlefield, and is a member of the Crescent Park Church of Christ.

While attending ETSU, he was affiliated with Phi Kappa Delta, a member of the Kiwanis Club and the Chamber of Commerce, and is a 32nd Degree Mason.

He was nominated for "Personalities of the Southwest" for 1970-71.

His wife is a native of Woodrow, a community south of Lubbock.

## 16 County 4-H'ers Set Houston Show

Sixteen members of the Lamb County 4-H Club will show entries in the junior division of the Houston Livestock Show and Rodeo, Feb. 23 to March 5.

Participating members will include Jim Fields, Rodney Logsdon, Kenan Lichte, Bruce Bridges, Danny Carter, and Gary Lichte showing two steers each; Cory Logsdon, Stephanie Carter, both showing one steer each.

Gary Lichte showing three sheep as is Loretta James; Kent Lewis, Sheila Lewis, Gary Lichte, and Kenan Lichte showing one Duroc and one Crossbred barrow.

Petra Lewis showing a Duroc and a Hampshire barrow; Brad Bridges showing one Duroc and one Crossbred barrow; Brent Been showing a Poland barrow; Alan Been showing a Duroc barrow; Scott Carter showing one Hampshire and one Chester White barrow; and Rodney Logsdon showing two Duroc barrows.

A record number of entries and premium money will make this year's Houston show the largest livestock show in the world. Classes are provided for 10 beef breeds, 4 dairy breeds, 6 swine breeds, 11 sheep breeds, 6 horse breeds, 5 rabbit breeds, 22 poultry breeds and Angora goats.

Among other programs benefiting youth on a statewide basis are the scholarship and research programs. The Houston Livestock Show and Rodeo annually presents scholarships to outstanding FFA and 4-H Club members in the amount of \$4,000 each.

Fifty students are currently attending college on scholarships provided by the Houston Livestock Show and Rodeo. Twenty-four scholarships of \$1,000 each will be awarded to winners in each of 24 counties participating in the show's GO-TEXAN program.

The Research Program, established in 1970 by the show, is being carried on in twelve Texas agricultural colleges. Much of the work is done by students, thus providing jobs for those college students who need to work.

The knowledge shared through this \$200,000 Research Program directly benefits Texas agribusiness.

Dates for the 1972 Houston Show are Feb. 23 through March 5, with the first two days set aside solely for livestock judging and sales.

A spectacular rodeo is planned this year to celebrate the 40th anniversary of this great civic event. Every day will bring different stars to the Astrodome.

Tickets may be obtained by writing the Houston Livestock Show and Rodeo, P. O. Box 20070, Houston, Texas, 77025.

F. C. RUTHERFORD

## Rutherford Celebrates 90th Birthday Here

Former Anton resident, F. C. Rutherford, celebrated his 90th birthday Wednesday, Feb. 9, at his present residence, Knight's Rest Home, in Littlefield.

His family and friends helped him celebrate the affair.

Rutherford was born Feb. 9, 1882, at McKinney, in Collin County, shortly after his parents moved there from Rutherford County, Tenn.

He married Linnie Lambert at Denton, Tex., Dec. 23, 1914. They moved to Anton in 1930 and bought a farm north of Anton, off the Spade Ranch

property, where they farmed until he retired in 1955.

Mr. and Mrs. Rutherford have five children, Robert Rutherford of El Paso; Jack Rutherford of Oklahoma City, Okla.; Glen Rutherford of Livermore, Calif.; Mrs. Agnes Womack of Chula Vista, Calif.; and Mrs. Vivian Matthews of Spade.

His daughter, Vivian Matthews said "he was an active member of Bethel Baptist Church in Anton, and loved to play dominoes, as long as he was able."

## Scouting Benefits

(Editor's note: This piece was written by a Girl Scout who has set goals for work in the organization. She submitted this for publication, so that citizens in the area will have an idea of what girls do in Scouting—at least one phase of it.)

I am working on my God and Community badge.

I hope to learn more about the functions of my church such as leading a prayer group or any other service that a girl of 15 can do for her church.

I have memory work such as the books

of the Bible and Ten Commandments and others.

I hope to become a better Christian and a more forgiving person.

I hope that as a teenager I may be able to contribute something personal to my church.

Maybe the adults will not have to say, "This younger generation, what is it coming to, because of me!"

**EIGHTEEN COUNTIES** of Soil and Water Conservation Districts (SWCD) were represented at the semi annual SWCD meeting at the Lamb County REA building here Tuesday. Shown are Frank Gray, state board member; Gilbert Fawver, president of the South Plains Association of SWCD; W. B. Jones, chairman of the Lamb County SWCD; and Duane Crawford, Texas Tech engineer who presented a program on high pressure recharge of playa lakes. Six lakes in the Tech study since 1961 have from 2 to 49 surface acre feet. An acre foot of water contains 325,829 gallons, or water one foot deep spread over one acre of land.

## THE ABUNDANT LIFE

### Wise Acceptance

IT IS SELF-EVIDENT that some things cannot be changed. Of course, some things can be changed.

When changes can be made, and need to be made, or when we want to make changes, we may do so; if we know how and are willing to put forth the effort.

Nevertheless, we must be discerning enough and honest enough to see and admit that some things cannot be changed; at least, not by us.

MANY PERSONS who are frustrated and generally unhappy have no just for being so. They are in an acceptance life situation, but they refuse to accept it.

Some not only refuse to accept it, but pretend that it doesn't exist.

These people make a bad situation with the pretensions. They do not actually change the situation which they refuse to accept, but they do make a bad situation where none existed before.

SOME PEOPLE REFUSE to accept themselves, and refuse the life role that they could fill very well. They pretend to be something that they are not, and keep forcing themselves into personal failures by assuming a role they cannot fill.

All of these persons would do better, make more substantial progress, and have the respect of other people, and would respect themselves, if they would stop play-acting.

WISE ACCEPTANCE IS essential to personal well-being, and is the beginning point of rewarding self-improvement. If I am a successful employee, and have sound reasons to believe that I am not capable of

being the manager, I must place as an employee.

It is so much better to be a successful worker than to be an unsuccessful boss. All limitations, and we must be graciously.

IF I AM ABLE to wear clothing, it is so much better to accept this fact than it is to make a show by wearing clothing I cannot afford.

THE BEHAVIOR PATTERNS we pretend to be smarter than pretend to have more than pretend to be something we pretend to do better than kind of self-made prison from difficult to find release.

WISE ACCEPTANCE, plans for improvement and the only basis for successful life.

This is so much better, and desired than the "make believe" that, sooner or later, leaves exposed for the "fake" the

SOME THINGS SHOULD without protest, because it is a protest is useless. We, if we are wise, will just best of these things.

WISE ACCEPTANCE IS should not futile efforts to change what should not be changed.

It is much better than a following pretense and make-believe.

## HOMINY GRITS

By CORNBALL BLEVINS

"LET THE LAW of the land become the religion of the people."—Lincoln.

We might just do that, if we can find out what it is, courtesy of the Supreme Court. We're not sure, one day to the next, what the law is supposed to be!

ANYONE KNOW WHY the farmers seem to be in a touchy frame of mind, following a visit in the local ASCS office? "You can't take it with you." They're always bawny! — Shux at the present prices, a bunch of us won't even be able to go! (Guess I heard that somewhere.)

GUESS ONE of the most frustrated personalities I've ever seen was an old "settin' hen" my mother used to have.

I remember one year, when nature brought out the motherhood mood in this ol' gal. My mother gave her a bunch of DUCK aigs to hatch.

FAITHFUL TO THE cause, she didn't seem to mind the extra weeks "settin'", but stayed with the job, 'til it was finished. The comical part of the incident came the

day she was turned out into the barnyard with her brood.

Just so happened that we had a large earth tank out by the windmill, that was used to store irrigation water for the garden. The mother hen made the mistake of leadin' her brood too close to it.

Cheeping in wild delight the baby ducklings ran, with reckless abandon, right out into the water and began swimmin' around! — To say that the ol' hen was dismayed and horrified is a sizable understatement! This was against all chicken endowments of self preservation!

CLUCKIN' AND CALLING her babies, the mother ran up and down the tank rim in an all-out frenzy. Then she'd wade out in the tank as far as she could, and try to coax the "chicks" out of the water. This was to no avail. They seemed to think she was joinin' in on the fun!

Finally, and seemingly near nervous prostration, the mother started back toward the chicken house, not without a few anxious looks back over her wings, at the earth-tank.

SURE ENOUGH, but with some reluctance, the baby ducklings began to file out of the tank and follow her!

Seems there oughta' be a moral here, somewhere. I'm not sure whether it'd be about hatchin' strange eggs, or leadin' in the right direction. YOU can take it from here.

JUST TO PROVE that the first liar don't have a chance, a former friend of mine claims to have the smartest cat on the South Plains. Says this cat will eat a chunk of cheese, then sit and blow into a mouse-hole — with baited breath!

What Our Readers Think

## Scout Awards

Dear Editor:

I have nine girls working on their Girl Scout God and Community Awards, eight of them Protestant and one Catholic.

These girls are small rose buds that are on the verge of opening up into what ever kind of flower their upbringing makes them.

They are very special and I hope by working on this award, they will learn more about their church and its functions, taking part in a service project to the

church and the true meaning of being faithful.

I pray that they will have a feeling so good, that those who are around them or come in contact in any way will smile a little bit at her presence.

I hope they will have a stronger feeling about their country. They can not fight for their country, but they can be true and loyal in every way.

## Police Protection Good

Dear Bill,

I feel the people in this area should know that we are well protected by our law enforcement officers. Sunday evening my family and I, who live eight miles South of Littlefield on Highway 385, left for church in Littlefield. We returned home about 7:30 and found our 1968 Dodge car missing from the front yard. We spent about 10 minutes trying to find out if a neighbor borrowed it for some emergency. Then we called Hockley County Sheriff Weir Clem. He put it on teletype and said he would be right there. It is about 14 miles to Levelland.

A few minutes after we reported the car

stolen we received a call from Littlefield saying Littlefield police had found our car. It took a total of about 15 minutes from when it was reported to when it was found and involved officers from Hockley and Lamb counties. I want to say thank you to officers from both counties and let the citizens of this area know that we should be proud of our Law enforcement people. When I picked up the car I saw highway patrol, Lamb County Sheriff's Department, Hockley County Sheriff's Department, Boots Crews of Anton, and the city police of Littlefield, and there was no damage to the car.

MRS. LUCY MORELAND, service unit chairman for the current Girl Scout Fund drive, explains that a big portion of the funds collected during the February drives are toward payment on this modern Girl Scout Hut, located at the corner of Westside Third Street. The house-to-house drive begins Monday night.

**THE SANDHILLS PHILOSOPHER**

**Wild Notion**

(Editor's note: The Sandhills Philosopher on his Johnson grass farm comes up with some sort of a science fiction notion this week. Winter must be hanging heavy on him.)

Dear Editor:  
It's not every day a man can think up an idea to eliminate 50 percent of the world's pollution, which is why I intend to take off the balance of the week to rest up from it.

Now here's the thing. Everybody agrees that most of the air pollution is caused by automobiles, and air pollution is pollution in its worst form. You can drive by a polluted river or an eye-sore of a junk pile and survive, but if you can't get enough fresh air to breathe you're in for it.

All right. Look at the smog over any city in the world and you know it came mostly from automobile exhaust, and as hard as manufacturers may be trying, an exhaust-free car is not in sight yet.

The answer of course is an electric car, but before you sneer "Hub, what's new about that?" let me say I don't mean an electric car that operates off a trunk and back seat full of batteries.

I mean an electric car that has electricity broadcast to it through the air. If man can send a television picture in color from the moon to earth and can send a radio signal to a camera circling Mars and tell it when to turn on and off, why can't he figure out a way to send electricity from a tower to my car.

I know somebody's going to say, aw, electricity has to travel down a wire, you need a metal conductor. Won't work.

That's because people are hide-bound. They're talking about electricity that was invented 200 years ago and that they've been satisfied with ever since. It's amazing that electricity hasn't been improved on since it was first put in use.

What scientists ought to be working on is 20th century electricity, electricity you can broadcast through the air and turn the motors in the millions and millions of cars now pouring their gasoline fumes into the atmosphere. Just raise a small antenna in your car, tune in to the nearest electricity-broadcasting station and take off silently and fumelessly.

Once this new electricity is perfected, the rest will be easy. You can't make me believe the power companies haven't got the ingenuity to develop a meter in your car that'll see that you're properly billed.

Yours faithfully,  
J.A.

"OLE SOL" turned his warm face toward the earth Friday morning, and the small amount of snow that fell earlier began to thaw. Patches of snow were still on the ground in the shade of buildings when the sun went down, and reports ranged from one-fourth to an inch of ground cover before it melted.

**SPADE NEWS**

Mrs. Evone Oliver  
385-5729

MRS. LARRY STANLEY will be honored with a baby shower Monday, Feb. 14, at 2:30 p.m., in the home of Mrs. Kerwin Oliver, five miles east of Littlefield on the Spade highway, and a half mile south. All friends and relatives are invited to attend.

MR. AND MRS. Larry Stanley have recently adopted a new son, born Jan. 22. He weighed 8 lbs., and was 22 inches long. They have named him Brad Alan. Maternal grandparents are Mr. and Mrs. George Tollett of Littlefield, and paternal grandparents are Mr. and Mrs. Gene Stanley of Spade.

MR. AND MRS. Ernest Mills attended the South Plains Coin Club meeting last Tuesday night, in Lubbock.

BERTHA AND TILLMAN Mote recently visited in Littlefield with Billie Ramage.

MRS. H. W. BRADLEY and Gayle, and Mrs. Kerwin Oliver and Elisa visited with Mrs. Larry Stanley and Brad Friday afternoon.

DALE STANLEY was in University Hospital last week.

MR. AND MRS. Bill Thompson and Vivian went to Abilene Saturday to see their daughter, Belinda Thompson, play basketball. She plays for the Rang-Ann Junior Varsity, from Ranger Junior College.

They were in a tournament at Hardin-Simmons University. Ranger won the first place trophy by beating the Texas Tech girls team 67-34. Belinda was high point with 24 points. She made 100 per cent from the free throw line. The Rang-Anns were the only junior college entering the tournament.

MR. AND MRS. Larry Stanley and Brad visited Sunday night with Mr. and Mrs. Kerwin Oliver and Elisa.

VIVIAN MATTHEWS of Spade visited Wednesday, Feb. 9, with her father, F. C. Rutherford, a resident at Knight's Rest Home, in Littlefield. Rutherford was celebrating his 90th birthday.

**ENOCHS NEWS**  
MRS. ALMA ALTMAN

REV. CHARLIE Sandingham of Clayton died in Enochs last Monday with his parents while his mother is seriously ill. He has been in the Cochran Memorial Hospital for several weeks, and the doctors suggestion they referred him to Methodist Hospital in Lubbock, last Monday, where he underwent an x-ray. He is reported to be improved.

George and Marthann and Brent and Mr. and Mrs. Rusty Rowden, Chris, and twins, Kerry and Kim, all of Lubbock visited Mr. and Mrs. E.N. McCall of Enochs over the weekend.

REV. CHARLIE SHAW is teaching the book of "Job" this week at the Enochs Baptist Church.

BULA SCHOOL has been dismissed several days this week because so much flu among the pupils and also the faculty.

EDD AUTRY is still in the hospital at Littlefield. He has been there about two weeks.

MRS. ALMA ALTMAN went to Muleshoe last Saturday to visit her children, Mr. and Mrs. Kenneth Millsap and their daughters, Kena and Valerie.

MR. AND MRS. J.D. Bayless went to Muleshoe last Saturday to visit her brother the Claude Coffmans. He has been home from the hospital for a few days.

**MRS. WILLIS**

Continued from Page 1

the depot every Sunday afternoon to watch the train come in, picnicking in the sandhills. "If nothing else," Mrs. Willis said, "we'd just get in a buggy and ride out to a windmill with our lunch baskets. We had taffy pullings, there was a lot of singing, dances and parties."

"If we saw Bob Smith strike off out across the prairie we'd know there was a party somewhere. Twice a year Spade had an all-night dance, and we'd eat breakfast before we came home. That was when the tickle toe was popular, and we did the

schottische, one-step, two-step, and hesitation waltz."

In 1918 Willis was elected Lamb County clerk, and they moved to the county seat at Olton. He served two two-year terms. Willis bought out the abstract office in Olton after that. It was the only abstract office in the county. When the county seat moved to Littlefield, the Willis' moved along with it. They operated the office until Willis died in 1961. All the deeds were recorded in longhand then.

"I got a chance to look at volume one the other day," Mrs. Willis said. "It was one of the few things saved when the first old frame courthouse burned in 1922. Oh, I just enjoyed looking back. I knew everyone who bought land back then."

### Rail Splitter and Union Restorer

"Most governments have been based, practically, on the denial of equal rights of men...ours began by affirming those rights.

They said some men are too ignorant and vicious to share in government. Possibly so, said we; and by your system, you would always keep them ignorant and vicious. We proposed to give all a chance, and we expected the weak to grow stronger, the ignorant wiser, and all better and happier together."

"Nearly 80 years ago, we began by declaring that all men are created equal; but now from that beginning we have run down to the other declaration that for some men to enslave others is a 'sacred right of self-government.' These principles cannot stand together. They are as opposite as God and mammon, and whoever holds to the one must despise the other."

"Let us discard all this quibbling about this man and the other man, this race and that race and the other race being inferior, and therefore they must be placed in an inferior position...let us discard all these and unite as one people, throughout this land, until we shall once more stand up declaring that all men are created equal."

# OBITUARIES

**VIOLA MAE GRIMSLEY**  
Services for Mrs. Viola Mae Grimsley, 63, who died Sunday, Feb. 6, in Brawley, Calif., were conducted Thursday morning in Sweet Street Baptist Church in Tahoka. Rev. Rupp, pastor, officiated and burial was in the Tahoka Cemetery with White's Funeral Home in charge of arrangements. She was a sister of Sam Stone of Sudan. Mrs. Grimsley is a native of Clairette, had lived in Lynn County from 1944 to 1949, when she went to Lubbock. She moved to Brawley five years ago from Lubbock. Besides the son, she is survived by her husband; three daughters, Mrs. Alta Marie Gaddy of Brawley, and Mrs. Rosey Lee Burrell and Mrs. Bobbie Cook, both of Lubbock; a son, Johnny Lee Graves of Oro Grande, Calif.; two sisters, Mrs. L. B. Thompson of Tahoka and Mrs. Jessie Eary of Comanche; two other brothers, David Stone of Moshem and Nugent Stone of Comanche; 13 grandchildren and 10 great-grandchildren.

**ORIEN ALVIE McCOY**  
Services for Orien Alvie McCoy, 74, of Odessa, who died Tuesday night, Feb. 8, in Medical Center Hospital in Odessa following a long illness, were conducted Thursday afternoon in Hubbard-Kelly Funeral Home Chapel in Odessa. Rev. Tom Strothers, pastor of St. Luke's United Methodist Church, officiated and burial was in Sunset Memorial Gardens. McCoy was father of Ray McCoy of Odessa, and was a retired pumper for Gulf Oil Co. He went to Odessa in 1950 from Whiteface. Besides the Odessa son, surviving are his wife, another son, Ector County Attorney Bill McCoy; six grandchildren and three great-grandchildren.

**R. P. McCALL**  
Services for R. P. McCall, 55, an Enochs man who was found dead beside his pickup in Littlefield's city sewer lake Thursday morning, were conducted at 3 p.m. Saturday in Morton's First Baptist Church. Rev. Charles Vanlandingham, pastor of the Baptist Church at Raton, N. M., and Rev. Rex Maulding, pastor of Morton's First United Methodist Church, officiated. Burial was in Morton Memorial Cemetery, with Singleton Funeral Home of Morton in charge of arrangements. McCall, a farmer and rancher, had lived in Enochs since 1926 and had served as a Bailey County commissioner 22 years — from 1948 through 1970. He was a member of the First United Methodist Church in Morton. Surviving are his wife, Pauline; two daughters, Mrs. Carolyn Roberts of Enochs and Mrs. Marilyn Medlin of Brownfield; two sons, Donny McCall of Muleshoe and Roddy McCall of the home; three brothers, E. N. McCall of Enochs, G. H. McCall of Harlingen and John L. McCall of Detroit, Mich.; and seven grandchildren.

**MURL VERMILLION**  
Funeral services for Mrs. Murl Vermillion, 44, a Lamb County native, died in a Burnet hospital Tuesday. Services were conducted at the Main Street Church in Elk City, Okla., Thursday afternoon. Officiating was Rev. Jess B. Baskin, pastor, and burial was in the Park Cemetery with Martin Funeral Home in charge of arrangements. Mrs. Vermillion was born in Lamb County and went to western Oklahoma in 1944. She was a clerk in several stores.

Surviving are her husband, Murl Vermillion; a daughter, Mrs. Linda Vermillion of Fort Leonard Wood, Mo.; two sons, Sonny Vermillion of Blanchard and Vernillion of the home; five sisters, Juanita Johnson, Mrs. Grandes Eary and Mrs. Betty Ward, all of Littlefield; Mrs. Bernice McCain of Marble Falls, M.; five brothers, Wayne Cowen, Albert Cowen, both of Littlefield, H. Cowen of Grand Junction, Kendall Cowen of Albuquerque, N. M. and Roland Cowen of Tyler; and four grandchildren.

**SOLOMAN JABEZ HANDLEY**  
Funeral services for Solomon J. Handley, 75, of Floydada who died Thursday, Feb. 10, following a long illness, are set for 2:30 p.m. today at New Salem Primitive Baptist Church in Floydada. Handley was a brother of Mrs. L. Smith of Littlefield. Joe Jackson, pastor, and L. M. Hagan will officiate, and burial will be in the County Memorial Park with Morton's Funeral Home in charge of arrangements. Handley was a Justice of the Peace in Floydada nine years, and was a past president and served on the board of directors of the West Texas Justice of Peace and Constable Association. He was a well driller from 1930 to 1940 and served as a deacon in the New Salem Primitive Baptist Church. He was married to Lillie May Handley at Wheeler and they went to Floydada in July of 1930.

Surviving are his wife; four sons, Handley of Fritch, Randall Handley of Lubbock, Carell Handley of Amarillo, Ben Handley of Lubbock; two daughters, Mrs. Jerry Lunn of Albuquerque and Fred Nixon of Lubbock; three sisters, George Heath of Lubbock, Mrs. W. Crawford of Hollis, Okla., and Mrs. L. Smith of Littlefield; a brother, J. Handley of Carmel, Calif.; and one great-grandchild.

**MRS. C. P. SMITH**  
Services for former Littlefield resident Mrs. C. P. Smith, 89, a longtime Angelo resident who died at the Memorial's Geriatric Hospital were conducted Saturday, Jan. 29, at Johnson's Funeral Home Chapel in Angelo. Rev. Benny Hagan, pastor of Immanuel Baptist Church, and Rev. Roy Stegall officiated. Burial was in Fairview Cemetery in San Angelo. Mrs. Smith had been a patient of the hospital since August, and had lived in Angelo 28 years. She and her late husband moved to Littlefield in the early 1920's, and later southwest of town. They went to Angelo in 1941. Surviving are two daughters, Mrs. Carwile of San Angelo and Mrs. M. Bobbin of Albuquerque, N. M.; a son, James W. Smith of Corpus Christi; a brother, Ed Kirkpatrick of Bellville; and 22 grandchildren.

## An important message for people who prepare their own income tax returns. Maybe you've been cheating yourself all these years.

Every year, between January and April, millions of people sit down to do battle with Uncle Sam. Some are "self styled" accountants. Others think they can save a few dollars doing it themselves — so why not? The sad truth is, however, no matter what their reason was for starting, many of them end the same. On the short end. You see, when it comes to income taxes, amateurs should depend on H & R Block. We have all the facilities to help you make "income tax time" a pleasant experience. To begin with, H & R Block now has over 6,000 conveniently located offices manned by thousands of specially trained personnel who are anxious to help you. They'll sit you down over a free cup of coffee and show you some things about your income tax that you might never have known existed. For example, do you know all about deductions for child care and casualty losses? And maybe you aren't aware that if your income increased last year, you may be able to save tax dollars by "income averaging."

Well, when it comes to income taxes, H & R Block is aware of just about everything because we're a company that estimates, audits and prepares tax returns 365 days a year. Yes, maybe you can save a couple of bucks by doing your own returns but it really may be costing you a lot more by not having your return done by H & R Block.

AND MRS. R. B. Mass Tetany may Affect Beef Cattle

you've noticed beef cows in herd acting rather nervous, irritable and agitated, there's a good chance they are suffering from tetany. The condition results from a mineral imbalance and usually occurs during cold, wet weather," notes Dr. Armstrong, veterinarian at the Texas Agricultural Experiment Station. "If it is not treated, muscular spasms, convulsions and death will result."

tetany often affects late pregnancy or those calves. During that time cows give up a great deal of nutritional intake and are unable to support their calves. Unfavorable weather conditions and additional strain on the

lack of magnesium and calcium in the animal's diet is the main cause of grass tetany. "A high energy diet also contributes to the condition," says Armstrong. "To overcome conditions that lead to grass tetany, the veterinarian recommends the use of mineral blocks containing magnesium oxide. Supplemental feeding that provides cows with additional energy. Armstrong advises livestock owners to reduce the animals' exposure to wet weather as much as possible and to maintain some legume pastures. Legumes can fix up to three times as much magnesium as most other plants."

Animals are acting in an unusual manner or appear to be stressed, it's always a good idea to call a veterinarian at once, suggests Armstrong.

**JV SCALPED, TOO**

**Indians Pierce Cats**

The Morton Indians turned a 10-7 first quarter lead into a 62-30 win over the Littlefield Wildcats Friday night in Class 3-AA basketball.

The 'Cats held the Indians to only 28 points at the half as they slowed the game with their delay tactics, but the 'Cats tumbled in the final half and Morton romped on for 34 points and the win.

Elton Patton paced the winners with 21 points. Keith Embry added 19 and Jim Harvey 14.

Littlefield was led by Alan Mackey with 13. Pat Henderson, eight, Larry Hobratchk, six, Randy Dayton, three, and J. E. Johnson, two.

J. Silhan bucketed 31 points to lead the Morton JV basketball team to a 70-42 win over Littlefield.

Morton led 17-9 at the end of the first

quarter but only had a 26-24 lead at the intermission as the local JV team sank 15 points in the second stanza in a catch-up attempt.

Randy Cook swished the nets for 12 points to pace Littlefield. Chris Pope hit nine, Gary Brown, Craig Ratliff and Kelly Pratt each got six.

**LJHS Teams Drop 2 Of 3**

Morton's freshmen edged the Littlefield frosh 50-45 in a non-district tilt there Thursday evening.

Littlefield took a 20-11 first quarter lead then fell behind on free throws and a broken defense.

Doug McCain hit 11, Tommy Batson, 10, Benny Williams and Ricky Hodge, nine each, and Connie Bowman, six. Williams led the rebounding with 11 and Hodge and Bowman rebounded nine a piece.

The frosh hit 47 per cent of their free throws, down from the 60 per cent in past games. Littlefield freshmen are 9-8 for the season, with the final game scheduled with Tulia there Monday.

Littlefield eighth graders grabbed a 30-26 win from Morton's eighth Thursday. Coach Kenny Carter termed the victory one of the best games of the season since Morton previously beat Littlefield's eighth out of the Muleshoe tournament by 10 points.

Kicky Hopping scored 10 points, John Marquez, 8, Mike Williams, 5, Bill Turner, 4, and Doug McDonald, 2. McDonald pulled in the most rebounds. A deciding winning factor was the 50 per cent on free throws.

The Morton seventh bombed the Littlefield seventh 58-8 Thursday. Rudy Ayala, Gary Wisenhunt, Paul Harlan and Dennis McCain scored two each.

All three junior high teams travel to Tulia Monday for the last round of play.

**SPORTS**  
**Spade Edges Anton For District Title**

The Spade fens took a 39-37 win over Anton Friday to win their second game in the District 5-B playoff and won the

opportunity to challenge Bula in Bi-District.

District 5-B ended in a three way tie with Cotton Center, Spade and Anton.

In the round robin tourney held in the Dome at South Plain College in Levelland, Spade came out victor, dumping Cotton Center 46-37, then went on to squeak past Anton for the district 5-B title.

Anton dominated Spade during the first half, leading 16-6 in the first quarter and 27-17 at half. Spade narrowed the gap in the third period to only a three point deficit in their uphill climb.

In the final stanza, Gayla Freeman gave Spade their first lead, 34-33, by hitting a field goal with 6:52 left in the game.

Carolyn Hodges' long field goal gave Anton a 35-34 lead after a minute had passed. The game see-sawed as Debbie Myers' two-pointer made the score 36-35, with 3:58 left. Pam Bell scored from underneath for a 37-36 lead for Anton with 2:17 remaining. Gayla Freeman sank a free shot to tie the game and then came back with 20 seconds left for a two-pointer to give Spade a two point win.

Debbie Myers and Gayla Freeman each hit 17 points to pace the winners. Brenda Hopper hit five.

Pam Bell scored 25 for Anton, Christi Stone eight and Carolyn Hodges four.

In the first game of the District 5-B round robin tourney, Spade edged out Cotton Center, 46-37, Thursday night at the Dome.

Cotton Center with a seven-point deficit came back in the second stanza to tie the score 20-20 at the half but fell in the second half as Spade bounced back into the lead and nine point win.

Debbie Myers scored 24 points to pace the winners. Gayla Freeman hit 12 and Brenda Hopper 10.

Maryjohn Mills scored 14 for Cotton Center. Pam Black 13, and Pattie Robertson 10.

Spade will play the Bula girls for the bi-district title Tuesday night at 8 p.m. in the Littlefield High School Gym.

Bula has not lost a game this season and Spade has lost three district games.

ANTON'S DORENDA TIMS (35) jumps with Spade's Gayla Freeman and Debra Myers (24) for a rebound. Anton guards Janie Synatch Diane Davis (31) stand ready for a play. Brenda Hopper (22) springs action for Spade. Spade won the district play-off, 39-37.

IT'S NOT TIP TOE through the tulips but a district championship battle as a Cotton Center forward mixes it up for a rebound with Spade's Giazner (51) and Cindy Thompson. Marketta Leonard (45) in situation.

WILDCAT J.E. JOHNSON (44) is being challenged by a Morton player on a rebound during the Wildcats' encounter with Morton Friday. Randy Dayton (32) is set to get in the action.

Penney Penquins Thursday night in sixth grade girls' basketball.

It was a defensive duel for the first quarter as neither team scored. The Penquins led 5-4 at the half and trailed 11-10 going into the fourth quarter.

Christene Cristan led the Michlenettes in scoring by hitting the basket for nine points. Elaine Ellerbe swished the nets for six. Tommie Shaw and Sylvia Cristan each got two.

In fifth grade girls' basketball West Drug Pill Rollers downed Mitchell Ford T-Birds, 15-9.

The Pill Rollers turned a one point deficit at the end of the first quarter into a two point halftime lead and their second win for the season.

DeEnna Blakely paced the winners with seven points, Runda Conwright hit six and Gene Westmoreland two.

The T-Birds scoring department consisted of Karla McCanlies with six points, Rhonda Rogers two and Kelli Hampton one.

Tuesday night's action will begin at 6:30 with the 1-1 Mitchell Ford T-Birds versus the 0-2 Renfro Thirtway Raiders. At 7:45 the 2-0 Perry's Variety Girls will be pitted against 1-1 Shook Tire Michlenettes.

**Whirlwinds Fling Olton For Loss**

The Floydada Whirlwinds whirled past the Olton Mustangs, 71-52, Friday night.

It was a tied-up ball game at the end of the initial stanza but the Whirlwinds took a six-point lead at the half and went on for the win.

Charles Jackson paced the winners with 20 points and Marlos May hit 12 for Olton.
