

# Question-Mark Wildcats Travel To Crosbyton

field's Wildcats will start the regular season at Crosbyton Friday at 8 p.m. In that Cat coaches hope to see how the pluses will perform in the 1970 team uniforms of the 1970 team uniforms.

ing squad this year, and with their new uniforms and the team makes an awesome entrance onto the field. On the minus side are experience and speed. The Cats are short of both. How it all adds up Friday night may depend on still another factor---desire. "Crosbyton will be higher than a kite for Littlefield," says Jim Jefferies, assistant coach and chief scout. Jefferies

should know, because he's a former Crosbyton coach. The Wildcats have some desire of their own, however, because they're anxious to make a good showing following a pair of scrimmages with Tahoka and Muleshoe. The first one with Tahoka brought the forward-looking Cats back to earth, as it revealed that a good, scrappy little team like the Bulldogs could push around the big boys if they

really weren't ready to play. The second scrimmage with Muleshoe saw the Wildcats much improved, although the inexperience and lack of team speed still stood out like a sore thumb. But this time, the Cats wanted the victory...and they got it, one touchdown to none, thanks to some good defensive work that held off the Mules in the final series. Coach Lewis announced Tues-

day the following starting lineup for Littlefield: Offense--Leroy Danford, 185, or Keith Sitton, 148, and Kim Hill, 170, at ends; Brad Nace, 200, and Calvin Kilby, 260, at tackles; Chuck Blevins, 160, and Kenny Pratt, 195, at guards; Wayne Streety, 180, at center; Lynn Barton, 145, at quarterback; Ralph Funk, 190, and Wendell Horn, 145, or Danford, at the halves and Danny Estrada, 220, at fullback.

Defense--Larry Purdy, 145, at middle guard; Pratt and Nace tackles; Hill and Danford at ends; Blevins and Estrada at linebackers; Jerry Kemp, 165, at rover; Barton and Sitton at the halves; and Funk at safety. The Cats go into the Crosbyton game with two boys on the injury list and one out for the season. Dennis Hartley, 170-pound halfback, and Lynn Wright, 160-pound guard, may see only

limited action. Hartley has a pulled muscle and Wright a hurt arm and elbow. Bill Orr, a senior guard, is out for the season with a chipped elbow. One addition to the varsity squad this week is Alan Mackey, a sophomore quarterback who was brought up after impressive showings in junior varsity scrimmages against both Tahoka and Muleshoe.

BRUCE NOBLE made his own "Slip-N-Slide" into a patch of an unpaved city street Tuesday, afternoon following the brief rain. Only .15 of an inch of rain was recorded in the official rain gauge at Pioneer Natural Gas Co.

VOLUME 48

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, SEPTEMBER 10, 1970

NUMBER 39

### Grid Contest

### 72 NAMED FOR JURY DUTY

### Entries Roll In

## Criminal Trials Set For 12

Entries in the annual Leader-News Football Contest are rolling in to the newspaper office at a fast clip, indicating this year's contest is drawing its usual popularity. Sunday's edition carried the first in a series of 12 weekly

contests forms. Contestants can mail or deliver their entries to the Leader-News office. Deadline for bringing entries to the office is 5 p.m. Friday gametime or be disqualified.

Weekly winners will receive cash prizes of \$7.50, \$5 and \$2.50 for first, second and third places, and the winners will be announced in each Thursday's paper.

Regularly participating contestants will be vying for two free tickets to the Cotton Bowl classic on New Year's Day, plus \$25 trip expense money. The tickets will be awarded on the basis of the most number of wins over the 12-week season.

There's still time to enter, and the cash and tickets are awaiting the winners.

A panel of 72 jurors has been called to hear eight criminal trials beginning Tuesday.

Cases set to be heard are Alfred Johnson Jr., robbery; Harvey C. Wilson, Mamie Mae Smith and Harry Lee Brown, burglary; Josephine Sanders for forgery and passing; Robert Lee Walker, theft; Lonnie Stroud, forgery and passing; Jerry Davis, burglary; Placido A. Baca, burglary; and Facundo G. Baca, Adan Lucero and Joe Guadalupe Gutierrez, burglary.

Ronald E. Aills, whose trial was set for this session, entered a plea of guilty and waived a jury trial when he was arraigned on a charge of assault with intent to murder for stabbing H. B. Davison in the stomach about March 28. Judge Pat Boone Jr. found Aills guilty and sentenced him to eight years in the state penitentiary.

The panel called to convene Tuesday morning at 9:30:

## NOV. 3 GENERAL ELECTION

# Absentee Vote To Begin

qualified Lamb County voters who are eligible to cast absentee ballot by mail may make application to the county clerk, Mrs. Mary Beth Willey, for an absentee ballot for the Nov. 3 general election. Mrs. Willey stressed the fact that in order to vote absentee mail in this election, a voter must be unable to appear Nov. 3 at the polling place because of

sickness or physical disability; or 2. Expect to be absent from his county of residence on Nov. 3 and during the county clerk's office hours throughout the period of Oct. 14-Oct. 30, inclusive.

All applications for absentee ballots must be received in the county clerk's office at the Lamb County Courthouse not later than Oct. 30.

Details as to absentee voting procedure may be obtained from a voter's county clerk. Generally, these provisions apply:

A voter applying for an absentee ballot by reason of sickness or physical disability must mail his application to the county clerk.

It should be accompanied by the voter's registration certificate, and by a certificate of a duly licensed physician, chiropractor or accredited Christian Science practitioner certifying to the voter's illness or physical disability.

A voter desiring to vote absentee by reason of absence from the county may either deliver or mail his application for absentee ballot to the county clerk.

In the application, the voter must state that he expects to be absent from the county on election day and during the clerk's regular office hours for the entire period of personal appearance absentee voting, (Oct. 14-Oct. 30).

The absentee ballot then must be mailed to the voter at an address outside his county of residence. Also, the envelope in which the voter returns the ballot must be postmarked from a point outside his county of residence.

### Weather Meet Planned Monday

There will be an evaluation of the hail suppression program Monday night at 8:30 in the county courtroom when members of the Lamb County Weather Improvement association meet.

Voter registration in Texas this year hit an all-time high of 4,150,645, and on Nov. 3 voters will express their preference in state, district and local races, as well as on seven proposed state constitutional amendments.

## First Annual 4-H Club Fair Slated

Lamb County Adult Leaders Association will conduct the First Annual 4-H Club Fair to be held in Littlefield, Saturday, Sept. 12, from 10 a.m. to 5 p.m. The building near Garland's on Phelps Avenue will be the site for the fair. 4-H members in Lamb County will be allowed to enter projects in field crops, electrical, horticultural crops, pet projects and photography, crafts, hobbies, culinary, baked goods and textiles.

Not more than one entry in each class may be exhibited by a member. A class will be judged on the following system: Vegetables, Squash, one entry in the squash class. The awards will be presented at 4 p.m. and immediately following that time the cakes and other items that have been exhibited will be sold at auction.

A banner will be given to the senior girl and senior boy, junior girl and junior boy who acquire the greatest number of points by the following system: a cash award of \$5; \$3 will be given to the exhibitor who have the most points; for entering, one point; first place, blue ribbon, five points; second place, red ribbon, four points; and third place, white ribbon, three points.

Seniors are boys or girls who are 14 years of age before January 1 of this year.

## MIDI, MINI, MAXI, MO - - - Shall Up Or Down The Hemlines Go?

DESPITE RUMORS that this is the year for the mid-calf length dress, the thigh high mini is still the popular choice at LHS. Chunky heels, fringe and flare-

legged pant-suits are much in evidence, but a middy is hard to find. In the left photo is Debra McAnally. A little longer hemline is worn by Threiss Bingham,

center photo, flanked by a co-ed who chooses the midi length look in pants. Mary Shotwell, right photo, likes the just above the knee look. On Mary's left is Linda McAnally and to her right is Shelly Grant.

# DEAR EDITOR

What Our Readers Think

## Edition Commended

Shreveport, Louisiana  
September 4, 1970

Dear Sirs:  
On the night of Aug. 11, 1970 we had the pleasure of spending the night in the free campground your fine city has provided for tourists; it was the cleanest and nicest one we stayed in on ten one nighters in Texas, New Mexico and Colorado and every other one cost us from 2 dollars to 3 dollars a night. We

had to leave early the next morning and didn't get to spend to much time in your nice city but we could see that it was one of cleaneest places we stayed in. You are to be commended for having such a nice place for tired tourists to spend the night and may you city ever stay this clean and continue to grow.  
Thanks a million,  
E. J. Dillman

## A WOMAN'S VIEW

### Families

By PEARL BRANDON

ONCE WHILE working for county welfare I had occasion to take a Mexican woman to the State T. B. Hospital near Carlsbad.  
This woman had six children and it was a very sad and trying time for her. She was unable to care for her family and her condition was contagious. It was winter and the weather was cold.

WE LEFT ABOUT five in the morning. I had hoped we could get away before the children awoke. She and her husband were waiting outside the house when we arrived.  
As we loaded her things into the car the sobbing children came running outside in the dark to say goodbye.

I could hardly stand it. She cried awhile after we left, then dried her eyes and as we passed a house with a light in the kitchen, she said, "That woman is making breakfast for her man. I like to make breakfast for my man...and my children."  
I THOUGHT how wonderful it is to be able to get up in the early morning hours and fix breakfast for your family and see the children rush off to school scrubbed and clean and healthy.  
Sometimes we let our lives get

cluttered up with little things and spoil the happiness with our loved ones.  
WE SHOULD take time to worship God when the day is new and thank Him for our daily blessings of life and we should take time to let our family know we love them.  
Once while teaching a Sunday School class a girl said to me, "I'm cross as a bear in the mornings. I'm always spilling things or running into things while trying to get off to school."  
WE ALL FEEL this way at times, but I have found if we get up a little earlier and take a little time for a few moments prayer all this nervous, under-pressure feeling leaves us and we are serene and calm.  
"Be still and know that I am God," wrote the Psalmist long ago.  
INCIDENTLY you will be interested to know the Mexican woman came into my office about a year later with her family. She was smiling and happy. "I am well now and my family is well. I am so glad to be home."  
I was so glad to know that now she could again make breakfast for her man and her children.

## THE ABUNDANT LIFE

### Working Together

By BOB WEAR

WORKING TOGETHER for the common good is our only hope for better days.

In the first place, most of the conflict and strife is pointless and would cease almost overnight if all of us wanted it to cease.

The astronomical waste of life, time, ability and substance could be stopped. The dissipation of personal peace of mind and general human happiness is so unnecessary.

WE CAN DROP our suspicions, our prejudices, our vanity, our selfishness, our jealousy and all other barriers. We can begin helping and cooperating with each other in every constructive and worthwhile work.

If we can't help, we can, at least, refuse to join the faultfinders and obstructionists.

MANY IMPROVEMENTS can be made if we work together. These can begin in most homes. The unnecessary strife and conflict among members of the family are destroying many homes.

If parents and teachers really worked together, many of the problems and inadequacies of public education would disappear.

IF WE, THE PEOPLE, and law enforcement officers cooperated, we would overcome most of the lawlessness which now threatens to destroy us. In fact, there doesn't seem to be any other hope for us.

After all, law-abiding citizens are the people the officers of the law are protecting. We had better get our thinking straight in this area, and keep it straight. We must work together.

ALL PEOPLE AND ALL GROUPS of people must work together for the good of the community.

This spirit of "working together" is urgently needed today. We are going to stand or fall together. Benjamin Franklin could see the

need for "working together" in his time.

He said, "We must all hang together or assuredly we shall all hang separately." Surely we can see that this time has come again.

WORKING TOGETHER can mean so much to all of us. It is a very important kind of sharing, in which nobody loses, and everybody gains. Intelligent and wise sharing always enhances and enriches our lives. When we work together, we share our zest for life; our faith; our courage; our desire to do good; and our appreciation for the worth and dignity of mankind.

MUCH OF THIS COMBINED effort can be accomplished by our kind words and deeds; by our willingness to accept our full responsibility; by expression of appreciation to each other; by manifested understanding; and by our good examples of citizenship and service. This action will strengthen every facet of our social structure.

ARE WE AFRAID to share in our working together? We had better be afraid not. Of course, there will be some disappointments and failures; but the realizations and successes will offset these.

If we are wise in our choices and actions, the disappointments will be negligible. Someone has expressed this basic principle of sharing in the following words: "A candle used to light another candle loses none of its light."

"PARTICIPATION IS THE heartbeat of democracy." We cannot afford to sit around waiting for others to do what needs to be done. We must help, within the established system, in every way we can; when we can.

WE MUST JOIN HEARTS and hands in united efforts to meet all of the challenges of our time. We can work together.

Tandy Talburt

SUGGESTED FOR IMMATURE AUDIENCES

## Happiness Is . . .

### FRIDAYS!!!

FRIDAYS MEAN football games, the beginning of the weekend, the end of homework (sometimes), . . . and FUN!!

MONDAY we had a short holiday that was a lot of fun, but now we're ready to settle down again! (aren't we??)

HEY BOYS, how are you liking choir? Hey girls, how are you liking the boys?

HAVE YOU noticed the improvement in some of the girl's manners? Thank you, Mrs. Keeling!

MOTHER: Eat your spinach, Kim. It'll put color in your cheeks.  
KIM J.: Who wants green cheeks?

MARY KAY: Why did Humpty Dumpty have a great fall?  
LIZ: To make up for a miserable summer!

THE L.J.H. band has started marching. They are well on their way to a 1 at marching contest. Come on, big band! We're with you all the way!

GLYNDENE, are you having trouble going down the gym stairs? (Thump, thump, thump.)

STUDENT CREED: Laugh and the class laughs with you, but you stay after school alone!

THE FRESHMAN Wildcats had a scrimmage last Thursday with the Junior Varsity. Hang in there 'Cats. We're behind you all the way!

LAST WEEK we forgot to include Mr. Nathan Wilson in the list of new teachers for L.J.H. Sorry about that, Mr. Wilson.

CONFUCIUS SAYS: Girls who try to be walking encyclopedias should remember that reference books are never taken out!

TRACY POPE: This match won't light.  
GARY PARSONS: What's wrong with it?  
TRACY: I don't know. It worked all right a minute ago!

GIRLS, are any of you going to be willing or daring enough to try to climb the stairs in a maxi??

THERE WAS an FHA meeting Tuesday afternoon in the homemaking department girls elected officers for this year. The officers will be announced in next column.

"My subject for today's lecture, Mrs. Simmons, "is on lying. How many have read the 25th question in the book of your packet?"

Nearly all the students raised their hands. "Good! You're the ones I want to see said Mrs. Simmons. "There is no question."

WE WOULD like to thank the boys who put up the flags every morning, doing a great job! (Just wait till it gets though!)

BRUCE P. What do you call a man who crosses the ocean twice without taking a bath? DAVID W.-A dirty double-crosser!

MR. DUSEK-What is the fastest distance known to man?  
CINDY W.-Money!

HAVE A good week and . . . LAUGH!!!

## OBITUARIES

### CLIFFORD G. STURGIS

Funeral services for Clifford G. Sturgis of Amherst who died in Baylor Hospital, Dallas Saturday following an illness of one year, were conducted Monday afternoon at the First Baptist Church of Amherst with the Rev. Glenn Wilson, pastor officiating.

Burial was in Amherst Cemetery under direction of Payne Funeral Home.

Sturgis, a cafe and grocery store owner, moved to Amherst in 1935. He was born in Greentop, Mo.  
Survivors include his wife, Lola; his daughter, Edna Sturgis of Gainesville; and his son, Ed Sturgis of Waseka, Ill.; a daughter, Mrs. Emmert of Ennis; a stepdaughter, Mrs. Cornelia of Almodordo, N. M.; a brother, Sturgis of Amherst; and a sister, Mrs. Taylor of Amherst.

## PUBLIC RECORDS

### DISTRICT CLERK

John A. Humphreys, et al, versus Dewey J. Haragan, suit for personal injury filed Aug. 6.

James Mack Shafer, Ford pickup.  
Mrs. Bobbie Hurt, 1970 Ford 2 door, Keith Glover.

## PAUL HARVEY

### Pulled Punches

SOME OF US ARE FED UP with pulled-punches wars. Granted, it makes no sense constantly to harangue the President who obviously feels he is getting us out of this mess as fast as he can.

Meanwhile, however, ignored in the backwash of this dead-end war, are American sons awaiting trial for doing their duty.

THIS IS UNPRECEDENTED in the annals of war, ancient or modern. From the Roman legions through the Prussian general staff there has never been a soldier forced to defend himself in court for killing enemies in combat.

I've heard the hairsplitting attempt to make a distinction between "combat troops" and "civilians" in Vietnam. In war there are no civilians.

FURTHER, some American sons right now awaiting court martial were on a night mission in a free-fire zone.

The hypocrisy of our prosecution of this war was never brought into sharper focus than by this: that when our men destroy enemy villages with bombs we decorate them; when they do it with guns, we court martial them.  
And I'm not through.

THE MEN of Company B, 1st Battalion, 7th Marines, chipped in dimes and quarters and dollars to an American lawyer to try to rescue one of their buddies--a Pvt. Michael Schwartz--who has been convicted of premeditated murder and sentenced to life imprisonment.

With proper legal representation some accused have been sprung. Pfc. Tom Boyd has been acquitted

of a similar charge because an attorney went all the way from Indiana at his own expense to fight for that lad's freedom.

BUT OTHERS have been found guilty and are appealing. Others face trial.

And the embarrassed military and the sensitive Congress and the aloof White House are double talking and hairsplitting and nix-picking over who gave what orders to whom and meanwhile I have letters from men in the mud who are scared to follow orders and kill an enemy and take a chance on going to prison for life.

PRESIDENT NIXON jumped to a premature conclusion in the Manson case and opened the possibility of a monumental legalistic snafu.

That's not the first time. Last December Mr. Nixon jumped to the conclusion that it "appears there was certainly a massacre at My Lai and under no circumstances was it justified."

I MENTION BOTH only to show that we are all subject to being carried away by the prevalent public penchant for preoccupation with the rights of bad guys at the expense of good ones.

Sixty Americans including several officers stand accused of killing civilians or prisoners in Vietnam: 21 of them at My Lai.

A THREE-JUDGE federal panel in Atlanta, Ga., is right now preparing a ruling on whether our Constitution protects our soldiers while they wage war.

If it does not, God help them--and us.

## THE PHILOSOPHER

### Keep 'Em

(Editor's note: The Sandhills Philosopher on his Johnson grass farm seems alarmed over the census report.)

Dear editor:  
I have been reading the census figures for the whole country and find them almost completely alarming.

While the population is increasing, some of the big cities are losing people, some of them as much as 15 per cent, and you know what that means. It means they're moving out to the suburbs.

Now that in itself is all right, I never could see why people wanted to crowd up in inner cities, after all, the country is now safe from Indian attacks, no use in everybody huddling up inside the fort, but if you look ahead you know what's going to happen. The people who overcrowded the inner cities will before long over-crowd the suburbs. They're just moving from one unliveable spot to another.

So what's going to happen? Some real estate man, when his suburban development gets shook up, is going to start saying, "Look, the place to live is out in the country. Plenty of fresh air, room for kids to run, no traffic congestion, no

smog, etc. Get out of the unliveable suburbs and move to the country. Now I've got this tract of land about 20 miles out. . . . This is what's alarming about the whole thing and if our country people are smart we'll start a campaign to frighten the people away.

Point out, for example, that country living is exaggerated. Water wells are always going dry, water pumps break down right when you have guests, septic tanks clog up, snakes and other varmints are dangerous, you have to gravel your own road, you're too far from the fire station and besides there aren't any fire plugs, if you think it's hard to get a repairman in town try to get one in the country, there aren't any neighborhood schools, there aren't even very many neighbors, you'll get lonesome out there, you're ten times as far from your job or the supermarket, there aren't any busses or taxis, there's no garbage pick-up, no home-delivery of newspapers, say, the last thing you want to do is move to the country. Life is miserable out there, stay miserable where you are and save the cost of moving.

J. A.

## HOMINY GRAYS

By CORNBALL BLEVINS

THE TIME of year we've been waiting for is here: Harvest time and football.

We've been waiting for the harvest in order to see the results of a hard year's labor. We're also waiting to see what the results of a full forth from our football team.

WE'RE OPTIMISTIC about both --We think that the overall crop will be better than the rainfall would warrant, and we think, also, that with the fine coaching staff and the good bunch of lads we have out for football that the harvest here will also be very gratifying.

But, put them both together and we have what might be a dangerous situation!

WE INTEND to follow the team very closely. It's our intention, at this time, that we'll see every game of the season. That will do a good bit of nighttime driving.

We know, also, that there's going to be a very large number of the "Once-a-year" type of trucks on the highways. --These are the farmers' old model trucks that sit in mothballs all year long, and are pulled out just long enough to haul a few loads of grain or cotton to the elevator, or, gin.

MANY OF THESE vehicles just barely pass state inspection requirements, and when on the road, move

very slowly (as well as the large cotton trailers). Some of the vehicles will be poorly lighted.

You, in turn, may be a little late getting started to the game, and may be stretching the speed limit a bit. --Or, you may be driving home, and replaying the game with your passengers. --And, some of you will have had just one nip too many from your bottle. (Tch, Tch)

ANYWAY, the above situation is ideal for solving of the population explosion!

It's a pretty messy way of solving your problems when you drive under one of those farm vehicles. --besides it ruins your hair-do!

WE CAN'T ASK our farmer friends to stay off the highways just so's we can enjoy our ball games. But, we CAN ask them to put adequate lighting on their vehicles, and ask them to exercise extreme caution if they're on the roads with them at night. Trailers and all.

We can make it a point to start to the games in plenty of time. --We might ask ourselves if it's really worth the risk, when we're speeding. --And, by all means, we CAN leave our bottle at home, or else, stay from under the wheel!

ANYWAY, I hope we reap a bountiful harvest and win all our ball games! -- But, neither one is worth a bunch of messy funerals!

## Crain-Ray Vows Read

Miss Connie Rayvonne Crain and William Carroll Ray exchanged double ring wedding vows at the First Baptist Church parsonage in Amherst Friday, Sept. 4.

Rev. Glenn Willson officiated for the reading of the vows. Parents of the couple are Mr. and Mrs. Rayno Crain of Amherst and Mr. and Mrs. Monroe Ray of Littlefield.

Sue Crain attended her sister as maid of honor and Royce Stanley of Lubbock served the groom as best man.

After a wedding trip to New Mexico the couple will be at home in Littlefield.

## Red Cross Board Meets

Lamb County Red Cross Board met Friday afternoon for their regular meeting in the Red Cross office.

Mrs. D. R. Leonard, chairman, presided and Mrs. Lottie Orteg of Earth was elected to the Board as a new member.

The complete audit was reviewed and will be forwarded to the National Red Cross office.

Reports from the Olton, Littlefield, Spade, Amherst and Pleasant Valley communities were made on the "ditty bag" project for servicemen at Christmas time.

Those attending were Meses. Bonnie Haberer, Doris Frey, Blanche Dodgen, Ophelia Stone, Pearl Brandon, Anna Mae Miller, Lenore LaGrange, Ruth Leonard and Ruth Wate, and Judge G. T. Sides.

IMPROVEMENTS

Texas Highway Commission approved a \$50.4 million safety and betterment program for highways and farm to market roads for next year.

## LITTLEFIELD

MRS. J. B. McSHAN  
385-4337

Rev. and Mrs. Frank Brooks and two children of Brownsfield were guests in the home of Rev. and Mrs. Clem Sorley on Monday.

Guests in the home of Mr. and Mrs. Morley B. Drake Sunday were Mr. and Mrs. Henry Taintor, who were enroute from Ormond Beach, Fla. to make their home at Mission Viejo, Calif. When the Drakes operated the Lamb County Leader, Mrs. Taintor put on several circulation campaigns for the newspaper, and will be remembered by Littlefield women who participated in the campaigns, as Mrs. Ola Taintor. They have sold their home in Ormond Beach and purchased a home in California.

Guests last week in the home of Mr. and Mrs. A. L. Parrish were Mrs. Minette Propes of Woodward, Okla., and Marvin Tibbet of LaFera. They were school classmates of Mrs. Parrish years ago at Buck Creek school.

Mrs. Malvin Donelson and children, Devin and Laurie of Snyder spent Friday and Saturday with her parents, Mr. and Mrs. J. B. McShan.

Mr. and Mrs. Chris McClure of Canyon are parents of a baby girl, born Saturday, Sept. 5, in the Littlefield Hospital. She has been named, Christi Jay, and weighed 6 lbs., 4 ozs. The grandparents are Mr. and Mrs. Pat Downs of Littlefield and Mr. and Mrs. Buck McClure of Springlake. Mrs. McClure and Christi Jay were dismissed from the hospital on Tuesday and will be staying a few days in the home of her parents, Mr. and Mrs. Pat Downs.

Mr. and Mrs. Travis Winter and Mr. and Mrs. Harold Clement spent the Labor Day weekend in Ruidoso.

The XYZ Club meets Friday, in the Flame Room and lunch will be served at noon.

Randy Smith of Dallas spent the weekend with his parents, Mr. and Mrs. Lenton Smith.

Mr. and Mrs. J. P. Smith of Fitch spent Monday in the home of Mr. and Mrs. A. L. Parrish.

Mr. and Mrs. Cecil Harp of Dallas, former residents of Littlefield, were in town over the weekend visiting friends and relatives.

Mr. and Mrs. D. W. Bawcom returned Monday night from Austin where they spent the weekend with their son and wife, Mr. and Mrs. David Bawcom. David and wife attend the University.

Rev. and Mrs. Clem Sorley, Debbie and Ann Coffman were in Canyon and Plainview Sunday afternoon where the two girls attended a Presbyterian Senior High Youth meeting.

Mr. and Mrs. George L. White attended the funeral for E. E. Davis in Portales, N. M. on Monday.

Dr. and Mrs. B. W. Armistead and Kay and two of her friends, Marsha French and Charlott Hinds, spent the Labor Day weekend in Ruidoso, N. M.

Mr. and Mrs. Dan French and family spent the weekend in Ft. Worth visiting her parents, Mr. and Mrs. J. E. Caldwell.

Mr. and Mrs. Cecil Price and Mr. and Mrs. Lee Holtkamp viewed the Lawrence Welk show in the Municipal

## Amherst Juniors Sponsor Supper

A roast beef supper with all the trimmings will be served Friday, Sept. 11, by members of the junior class of Amherst High School.

The meal will be served prior to the Amherst vs. Springlake-Earth football game, and proceeds will go into the class fund for future projects.

Tickets for the meal include \$1.50 for adults and 75 cents for children under 12 years old.

Serving will begin at 5:30 in the Amherst High School cafeteria and continue until 7:30.

STAINED GLASS  
Oldest stained glass in the world represents the Prophets. It is in a window of the cathedral of Augsburg, Bavaria, Germany.

## County Red Cross Planning Christmas

Red Cross volunteers of the Lamb County Red Cross Chapter will begin Christmas shopping this month for the production of gift-filled bags to be

given to American servicemen and servicewomen in South Vietnam next Christmas.

"We are encouraging other community organizations, religious groups, business firms and individuals to help in the gathering of items, and in making the draw-string bags," remarked Mrs. D. R. Leonard, chairman of the Lamb County chapter. "This is the fourth year we have participated in the project in which Red Cross chapters throughout the nation assist," she continued.

"The Vietnam shop early 1970 program is only one way Americans can indicate their support of our men and women overseas, and our chapter has been asked to contribute 50 bags," she concluded.

Eight items are chosen for inclusion in each bag for use by the recipient. Among these are: ballpoint pens, plastic soap cases, small address books, washcloths, nail clippers, stainless steel mirrors, plastic snapshot holders, plastic cigarette cases, pen-size flashlights and batteries, toothbrush holders, and small vacuum-packed tins of nuts and hard candies.

Deadline for completing the Yuletide project has been set at Sept. 30.

## Mrs. Phillips Hosts Club Meet

The Oklahoma Avenue Club met Thursday, Sept. 3 in the home of Mrs. J. W. Phillips with Lady Clair Phillips bringing a program on storing and caring for flower bulbs. Mrs. Dorothy Crawford gave the devotional.

Mrs. Phillips served refreshments of cake from her 50th anniversary, nuts, mints, punch, coffee, sandwiches and chips.

Those present were Meses. Dorothy Crawford, Dewey Hulise, Ralph Gage, Dee Myers, C. P. Davis, Shine Miller, J. W. Bitner, Laura Alcord, Fred Lichte and J. M. Griffin.

LONG TRADITION  
Paleolithic drawings of archers indicate that bows and arrows are an invention of at least 20,000 years ago.

Coliseum in Lubbock Monday night.

Mr. and Mrs. Cecil Price and her mother, Mrs. John Ganzer were Sunday guests in the home of the Price's daughter and family, Mr. and Mrs. Mike Cunningham and Michel. They all had a barbecue supper.

The John McAnalley's and Bill William's camped out over Labor Day weekend, near Ruidoso, N. M.

Mr. and Mrs. Bill Mott and children are vacationing with friends and relatives at Tulia and Plainview.

MARY BESS SMITH

## Couple Slates Wedding Date

Mr. and Mrs. L.A. Smith of the Hart Camp community announce the engagement and approaching marriage of their daughter, Mary Bess to Lt. Michael Duane Allison, son of Mr. and Mrs. C.M. Allison of Brunswick, Ga.

Miss Smith is a 1968 graduate of Olton High School and has since attended South Plains College, Texas Tech and West Texas State University.

Allison is a 1966 graduate of Carlsbad High School in New Mexico. In 1968 he received his associate degree from South Plains College and received his Bachelor of Science degree in geology from West Texas State, in the summer of 1970.

While at South Plains, Allison was a member of Phi Theta Kapa, a national honor society. At West Texas he was a member of the Geological Society.

A home wedding is planned for Saturday, Oct. 17, at 3:00 p.m.

DIAL 385-4481 FOR CLASSIFIEDS

MEMBERS of the Women's Cotton Promotion Association are looking over materials and patterns for the annual "Sew-It-With-Cotton" contest, scheduled for Friday, Sept. 22, in the Littlefield Community Center. Left to right are Anna Black, secretary; Wanda ... president; Peggy Ray, style show chairman; Cordia Claunch.

## Crafts, Styles In Cotton Set

... Cotton Or Nothing is the theme of the annual "Sew It With Cotton" Style Show to be held September 22, 1970, in the South Plains College Auditorium under the sponsorship of the Hockley County Women's Cotton Promotion Assn.

The judging will begin at 10 a.m. with the winners announced and modeling open for public at 5.

First place winners of each category will be entered in the district show to be held at Ralls, October 3.

There will be a district craft show on October 3, at Ralls, this will be the same day as the district sewing contest.

Craft items must be made of cotton... aprons, stuffed pillows and covers, picture, bulletin boards, waste covers, house shoes... the goes on and on. Entries are just descriptions, but the (shod items) are to be sent Mrs. L.C. Unfred, Route 1, Home, Texas 79383, not later than September 26, 1970. Final judging rules will be Crafts Committee. However, items WILL NOT be judged on how well they are constructed, but on uniqueness, originality and usefulness, plus completeness of "How To Make" written instructions which must accompany each entry. There is no limit on entries per person or county. First Prize-\$10.00; 2nd Prize - \$7.50; and 3rd Prize - \$5.00. Prizes will be given to the County, not the individual. All entries are to be donated to the Trunk Show which already consists of 70-80 items donated mostly by the cotton promotion groups on the South Plains. This trunk of useful items has been shown without charge to clubs, church groups, FHA group, Home economics classes, and other groups over all of the South Plains. In early February, Mrs. Unfred showed it at the annual meeting of the National Cotton Council in Atlanta, Georgia. It has been shipped to Dallas, Lampasas and Arkansas. We've used this different way to promote cotton for more than a year. Many groups, after having seen it last year, have scheduled dates to show it again this year.

# 28 Demonstrations In Crops Tour

The Lamb County Extension Service and Lamb County Soil Conservation Service announced 28 interesting farm demonstrations on display which can be individually toured during the next few weeks.

The purpose of demonstrations over the county is to acquaint Lamb County farmers, businessmen and all other interested persons with what is being done to improve farming and to stimulate business in the county.

The demonstration program is backed by the Lamb County Program Building Committee, The Lamb County Crops Committee, and The Lamb County Soil and Water Conservation District, and takes the place of conducted farm tours that were previously sponsored here.

Buddy Logsdon and Joe Blevins encourage all interested

persons to take the time out from their busy schedule and visit as many of the stops as possible. Most stops are marked by special demonstration signs and easily accessible to private vehicles.

Additional information concerning any of the particular plots may be obtained from local cooperators or the Lamb County agent's office or local Soil and Water Conservation Service office.

Information on all plots will be published in a demonstration summary at the completion of this crop year and will be available for distribution.

Profits from cotton and the strength of the industry in Lamb County depends on the proper selection of varieties. Many varieties are available and some of the newer varieties in this area are incorporated into

the cotton variety demonstration this year.

The following demonstrations correspond with the accompanying map:

1. Driscoll Bryant, who lives two miles south of Bainer Switch, has 41 Northern Star, 42 Lankart 3840, 6 Stripper Cala S, 5 Stripper Cala N, 3 Lockett 4789-A, and 4 Lambright X-15-3; planting date was May 6.

2. Cecil Johnson has Paymaster 909, Lambright X-15-S, Coker 4104 and Tamcot 788 planted May 10. It is located five miles east and one-half south of Littlefield.

3. J. A. Streeby, at six-mile corner six miles east of Littlefield, has parallel terraces with sprinklers and a diversion terrace with waterway.

4. A broadcast cotton plot on the Scrub Messamore farm

two and one-half miles west of Amherst on Highway 84 has about 20 acres of Lockett 4789.

5. Dryland cotton varieties Paymaster 202, Stripper 31, Balew 5-B, and Dunn 56C are on the Marvin A. Bowling farm two miles north and three miles west of Beck Gin.

6. Paul Mathews and Gary Pickrell have parallel terraces and waterways four miles south of Sudan.

Narrow row cotton production offers certain advantages, and this method is being looked into as a way to increase cotton production and reduce production cost. Narrow row cotton production offers earlier maturity, higher micronaire, and greater fiber uniformity.

7. & 8. Bennie Harmon has both double rowed and solid 10-inch rows. The double-rowed crop is one-half mile west of Amherst on Highway

84. The solid 10-inch demonstration is west of V. M. Peterman's, just south of the sandhills. Varieties are Rilcot 90 and Lockett 4789.

9. Driscoll Byant one mile west and one-fourth of Bainer, has 7.8 acres of double rowed cotton, varieties CA 491 and CA 788-65.

10. & 11. Garry and Kenan Lichte have eight varieties each, for a total 16, with three rows of each variety in a 4-H cotton variety demonstration one mile west, two north, one west and one north of Littlefield.

12. Troy Moss and John Terry, two miles north of Littlefield, have Kleingrass S-75.

A 4-H nematode control demonstration by Dean and Brad Walden on the Gordon Walden place, four miles east and two north of Littlefield, shows the effects of .7 gallon of Fumazone 86 per acre on infested cotton.

14. Eldon Gohlke has six varieties of cotton planted on May 10, three miles north and one mile east of Bainer.

Grain sorghum continues to be an important money crop in Lamb County, and it is becoming more important to select a variety for particular farm situations considering maturity dates, amount of irrigation, water available and yield potentials.

15. Leslie Lichte has varieties Asgrow TTX, TE 66B, TE77, Pioneer 846, Pioneer 833 and NK 280 of irrigated grain sorghum planted May 13 on his farm two miles north and one mile east of Littlefield on the northeast corner of the section.

16. Lewis Fields, four miles west of Sudan, has Pioneer 846, Pioneer 820, Asgrow TTX and NK 222 planted May 5.

17. Cleo (Sonny) Whitmire, four miles north of Sudan, has a wheel-moved sprinkler irrigation system on alfalfa and corn.

**DEMONSTRATION**

BUDDY LOGSDON, county agent, and Eldon Gohlke, one of the cooperators this year's farm tour, discuss some of the 28 locations over Lamb County showing the latest methods of farming. Cotton and grain sorghum varieties, minimum tillage, nematode control, broadcast and narrow row production and water conservation are among the demonstrations that can be seen by touring the proposed tour this year.

18. Thurman Lewis, two and one-half miles north of Earth has Pioneer 846, NK 280 and DeKalb F65, planted April 29.

19. A. E. O'Hair, two and three-fourths miles north of Earth, has fescue grass KY-31.

20. Cecil Johnson, four miles east of Littlefield, has Lockett 4789 on which various applications of water at different plant stages of growth have been applied.

21. Eldon Gohlke has seven varieties of grain sorghum three miles east of Littlefield on Highway 84 with apparent differences in plant types. Varieties include Asgrow TTX, Asgrow Jumbo L, NK 270, PAG

515A, Pioneer X6439, Pioneer 845 and Asgrow H674.

22. Marvin A. Bowling, three miles west of FM 303 on Highway 1928 has three varieties of dryland grain sorghum planted skip row.

23. Lewis Fields, three miles west of FM 303 on 1928 and one mile north, has Asgrow Rico and Pioneer 866 in a dryland demonstration.

24. Tommy Alair, at the El Paso Gas corner five miles north of Springlake, has row crops and grasses on bench leveled land with a surface irrigation system.

25. Orville Cleavinger, five miles north and one and three-fourths west of Springlake has

a plot of minimum tillage beans following wheat.

26. Eight varieties of cotton are on the John Bridge farm three miles north of Earth. Varieties include FM 1055 and two miles Asgrow ASX92, Asgrow Pioneer 3308, Pioneer Pioneer 309B, Pioneer Pioneer 3306, and McKee were planted April 27.

27. Elmo Bryant has water recovery systems on his face irrigation on his seven miles north of Earth.

28. Minimum tillage following cotton is on the Armstrong farm one and one-half miles north of Earth.

## Minimum - Tillage Makes Sense

## Be-Little Club Conducts Meet

Juanita White was named "weekly queen" of the Be-Little TOPS Club when 13 members met Tuesday night.

Runner-up for weekly queen was Rose Zybura.

Chairman Hazel Davis presided for the meeting and each member answered roll call with the number of pounds lost or gained the past week.

A letter, concerning the A.R.D. Day at Hereford, was read to the members. Secret pal gifts were exchanged, and weights of the members were recorded.

### CHARMED INTO PLACE

Amphion, a son of Zeus, built the walls of Thebes by charming the stones into place with a lyre, according to Greek mythology.

# CHEVY'S NEW LITTLE CAR IS OPEN FOR BUSINESS.

We call it Vega. We also call it "the little car that does everything well." Because it does.

Everything? Everything. Vega moves well, stops well, steers well, rides well, handles well, responds well, passes well, travels well, parks well, wears well, and is priced well under what you'd expect to pay for such a talented little car.

In our highway tests, Vega has been getting gas mileage in the neighborhood of the little imports, which isn't a bad neighborhood.

Yet unlike your average little car, ours steps right out when you step on the gas.

The engine is a specially designed overhead cam four with a lightweight aluminum alloy block. It turns slowly and quietly at turnpike speeds, with power to spare.

Disc brakes are standard in the front. So are bucket seats, except on the truck.

How we doing so far?

Numbers speak louder than words.

The wheelbase is 97 inches. Total length is just under 170 inches, or nearly four feet shorter than a full-size Chevrolet.

Height of the coupe is just 50 inches, nine inches lower than the leading import.

Width: a nice stable 5 1/2 feet. Weight: 2,190 lbs. for the sedan. Engine displacement: 140 cubic inches.

Fuel economy: about 25 mpg, with the standard engine and transmission, in our highway tests.

Horsepower: 90. You can order 110. (80 and 93 hp, SAE Net.) Seating capacity: 4 adults.

What it all adds up to is a lot of little car.

Three cars and a truck. Vega turned out so well that we couldn't turn out just one.

So we're turning out four: the sporty little hatchback coupe shown open and closed in the foreground below; the sedan, on the right; the Kammback wagon, on the left; and the little panel truck, in the rear.

Oh, and a special GT version of the coupe and wagon which we'll show you later on.

September 10th is Opening Day. All 6,300 Chevrolet dealers are handling Vega, so you shouldn't have to go very far to see and drive one.

Chevy's new little car is open for business. Look into it.

# Area Teams Open Grid Season Friday

Football battle royals open with yells this week with all of the area teams out to win their opening encounters. All of the games will be non-conference, but football fever is running rampant with hometown fans.

Littlefield Wildcats will be testing their tentacles on their hold in the new AA district when they travel to Crosbyton to tangle with the Tigers.

Olton, who has been colored the dark horse in 3-AA this season, hosts Tulia for an opener. With 13 returning lettermen, the Mustangs are out to better their 7-3 second place standing this past season.

Sudan will be testing its backfield against Sundown in the revamped 3-A district come Friday night. The Hornets finished 7-3 last year and will be a team to watch in this

year's anything goes fortress. Favored 3-A Springlake-Earth Wolverines meet neighboring 5-B Amherst Bulldogs at Amherst tomorrow night. The 7-3 Wolverines are headed by an all new coaching staff and fans will be evaluating a rebuilt line.

Anton has 10 returnees and 10 freshmen to pit against Wilson as they hit the road for the first game with Wilson. District 5-B will be as tough a district as can be found in Texas B schools this year, and with two area schools fighting it out, that means more fun for area fans.

JOHNNY GRAHAM punts, runs and calls the plays for the Whitharral Panthers this year. Named honorable mention All-District this past year, Graham plays in the quarterback and half-back slots. In the background is Kirby White, football mentor.

# Panthers Preparing For Clash With Klondike

By GARY BRYSON  
Leader-News Sports Writer

The Whitharral Panthers have their spirits sky high this week as the first football game of the '70 season will be played tomorrow night at Panther Stadium.

Head Coach Kirby White will take his squad of three seniors, five juniors, four sophomores and three freshmen into a non-district tilt with Klondike. Whitharral and Klondike should be about evenly matched so White will have a chance to work out any remaining weaknesses that he can spot.

Whitharral will be competing in District 5-B, that has a tough Three Way team as the favored squad. White will be without six seniors that graduated last year and were instrumental in his offense. This season he will have only 15 boys to play in the eight-man team conference.

Senior Johnny Graham, at 160 pounds, will be a key offensive player at either a running back or quarterback. Graham, a 1969 All-District team member, runs the 100-yard dash in 9.9 seconds.

Another mainstay in the Panther attack will be Finis Tipton, also a senior weighing in at 140 pounds. Tipton plays guard for the Panthers on offense and also at defensive end on defense. He was named to the 1969 All-District team in both positions.

Neil Pelfry, another guard weighing in at 130 pounds, is the only other senior on the squad this year.

Junior Carl Hoelscher, 145 pounds, will be the most likely candidate for the quarterback post, as Graham will be White's first pick as running back. James Hayes, 125-pound junior, will be working positions at both back and end. Mile Lopez will be the other junior back, at 123 pounds. Randy Wade will be snapping the ball from the center post. He is a junior weighing 170 pounds.

With Tipton in the guard slot will be the other junior Jaukine Valdez, tipping the scales at 140 pounds.

Sophomores Freddy Forbus and Joe Lopez will share duties at ends. Both weigh 145 pounds. Rubeen Martinez, a 150-pound

sophomore, will share the guard position.

The new additions to the Panther team will be Tony Estorga, 150-pound sophomore, who will be in the backfield, and freshmen Bud Reding, Ricky Doshier and Benito Lopez. Lopez will play at back, Doshier at center and guard, and Reding at guard and end.

White likes to train his boys to learn more than one position because with as few as 15 on the team if anyone is hurt he will need a replacement

with some knowledge of the position. White is assisted by Jerry Both White and Dan Whitharral, and are on this season from 4 in '69.

The Panthers have scrimmaged games in three weeks with Dawson first game Dawson won touchdowns to one. Several changes the team came back in the scrimmage and down one to nothing.

FINIS TIPTON lends experience to the Panther playing guard and defensive end, Tipton mentioned both offensively and defensively last year's district team.

FRIDAY'S SCHEDULE	
Littlefield At Crosbyton	8

## Team's 13-Under Wins Am-Am

A 13-under par 58 carded by Frank Crone, Conal Norried, Mary Zoe Cowan and J.H. Barnett took top honors in the Littlefield Country Club's Am-Am Tourney Monday.

The event climaxed three days of golf, the first two of which saw 36 teams competing in the Sixth Annual Littlefield Partnership.

A pair of Lubbock golfers, Hal Saver and Larry Moorhead, ran away from the field in capturing the partnership title.

The duo carded an 11-under par 131 for the 36-hole low ball play.

A drawing for a set of aluminum-shafted irons and woods was won by Lloyd Jaquess and Norried.

Crone's team collected \$22 each for winning the Am-Am. Second place, worth \$13.75 for each player, was shared by two teams which scored 11-under par 60's.

The teams were Jacquess, Bowman, D. Boyd and David Hambleton and Steve Webb, Alvin Webb, Billy Web and Sue Bowman.

Fourth place, worth \$2.75 per player, was won by Dick Vandlingham, G.T. Sides, Scott Massie and Rick Monroe. They shot a 62.

Top teams in the partnership included:

- CHAMPIONSHIP FLIGHT**  
131--H Shaver-L. Moorehead, 135 D. Malaise-M Brouchart, 139-J. Johnson-D.
- FIRST FLIGHT**  
143--S. M. Monroe-R. Monroe, 146--J. Middleton-G. Houston, 147 T. Whillock-B. Silvers.
- SECOND FLIGHT**  
150--C. Brewer-M. Manley, 153--W. Tabor-Crawley, 154--L. Ross-J. Kuchotz.

## Rabies Case Is Confirmed

A definite case of rabies was confirmed Wednesday in a skunk that was killed on the Claude R. Cook farm early Monday morning.

Cook, who lives five and one-half miles north of Amherst on the Earth Highway, killed the skunk after he heard a commotion from his dog house late Sunday night or early Monday morning.

The rabid skunk had got into a litter of five pointer bird dog pups. The head of the skunk was sent to Clovis through the Muleshoe Veterinary Clinic, and following confirmation of rabies, Cook was advised to destroy all of the puppies and again vaccinate his older dogs.

Residents in this Amherst area are advised to vaccinate their pets against rabies.

## Whitharral YH Elect Officers

The Whitharral Young Homemakers met Tuesday evening, Sept. 1 in the Home Economics Cottage to elect officers for the coming year. They are Mrs. Polly Bryson, president; Mrs. Esta Mae Hisaw, vice pres.; Mrs. Patti Tripp, sec.-treas.; Mrs. Glenda White, reporter and historian, Mrs. Johnny Sue Polk, parliamentarian and Mrs. Alicia Addington of Whitharral, Home Ec. teacher is the advisor.

It was announced that Linda Wade, president of the Whitharral Future Homemakers was chosen as the Young Homemaker chapter "Little Sister" for 1970-71.

After the business meeting the group drove to Lubbock for dinner and the stage show "Where Did We Go Wrong?" at the Hayloft Theatre.

Those attending were Mrs. Johnny Sue Polk, Glenda White, Esta Mae Hisaw, Kay Herring, Polly Bryson, Johnnie Hood, Lois Avery, Becky Howe, Sarah Jones, Patti Tripp, Trudy Bryant and Shirley Grant, all members.

Visitors were "Little Sister" Linda Wade, Mrs. Erna Mae Wade, Mrs. Dorothy Hodges, Mrs. Jimmie Wade and Mrs. Alicia Addington, advisor.

Next meeting of the club will be the fourth Tuesday in September. At this meeting they will have a salad supper and installation of the new officers.

The Whitharral FHA chapter will have their first meeting of the year, Tuesday evening, September 8th in the High School Cafeteria. This will be a "Salad Supper" for members and their mothers. New officers, for the coming year, will be installed at this time, also.

## Crowds Expected For Crusade

"The entire religious area of Littlefield and Lamb County is growing enthusiastic about the coming James Robison Evangelistic Crusade," said R. B. Hall, general chairman. Some 300 persons have been involved in advance planning for this crusade, which is expected to attract crowds of 1,200-1,500 nightly.

Hundreds of youth of the Littlefield and surrounding area will be attending the crusade, Sept. 20-27.

James Robison is an evangelist with a special appeal to youth, and speaks directly to their problems and concerns with an honest approach which they hear and to which they respond," Hall said.

"Littlefield and area will experience a great spiritual uplift as a result of the inspired preaching of James Robison and the soul-stirring singing of John McKay," Hall continued.

The Junior High School Auditorium of Littlefield is being readied to accommodate the crusade crowds comfortably, and sound equipment is being installed to ensure everyone be-

## Young Farmer Week Set By Governor

September 20-26 has been officially proclaimed Young Farmer Week in Texas by Governor Preston Smith.

The proclamation signed recently gives recognition to this rapidly growing farm group. The State Association of Young Farmers of Texas is sponsored by the vocational agriculture departments in Texas high schools and by the Texas Education Agency.

More than 260 Young Farmer chapters have been organized on local school district or countywide basis to carry out educational activities which help members keep abreast of technological advancements in

the field of agriculture and to develop greater efficiency in management, production, and marketing.

Governor Smith points out in the proclamation that Young Farmers also incorporate in their planned chapter programs civic and community service projects and leadership activities designed to improve their communities, state, and nation, and to promote good citizenship.

## Annual Field Day Scheduled Today

Hundreds of High Plains farmers and businessmen are expected to attend the 14th Annual Field Day activities today at the High Plains Research Foundation to view the latest farm research work. Also, they can take a closer look at modern farm equipment on display for three-day farm equipment show.

The farm equipment show is co-sponsored by the Plainview Chamber of Commerce and will feature various agricultural products and machinery. It will be conducted through Saturday at the research farm near Halfway.

The Field Day and Farm equipment show will open simultaneously with field tours on the 310 acre research farm beginning at 1:30 p.m.

Senator Ralph Yarborough will be guest speaker for the Field Day evening program which begins at 5 p.m.

Door prizes and a grand prize of a vacation for two to Acapulco, Mexico also will be awarded during the evening program. The vacation trip plus \$500 expense money is sponsored by Plainview Coop Compress, Inc., City National Bank and Hale County State Bank.

The Field Day tours will feature three primary stops with Foundation scientists, Dr.

Dr. Tom Lopp Foundation director, the Field Day and farm exhibit should be one of the best agricultural activities held on the High Plains some time.

## Man Jailed, Bond Is Set

One adult male is still in the city jail, after he was jailed late Tuesday afternoon and charged with drunk in public.

He appeared before Judge Ben Noble Wednesday morning, pleaded not guilty and his bond was set at \$200.

His case will be tried later, Saturday afternoon, city police investigated one accident at the intersection of Westside and West First.

Both drivers claimed they had a green light.

A 1961 Chevrolet pickup, driven by Harvey N. Bennett of Littlefield, was traveling south on Westside, and a 1968 Chevrolet, driven by Domingo Carrasco Martinez of Littlefield, was traveling west on West First and collided in the intersection.

The pickup was damaged about \$250 on the left front fender, bumper, hood, left fender and right front fender where it struck a utility pole.

Damage to the Martinez Chevrolet was approximately \$800 to all of the front end, right front and back fenders.

MR. AND MRS. Bob Worley visited last week in Seymour. While there they attended the Golden Wedding Anniversary celebration honoring Worley's sister and husband, Mr. and Mrs. W. O. Bartos.
