Have You Joined The Chamber?

C-C Membership Drive **Currently Underway**

Thursday was a full day of activities for the Littlefield Chamber of Com-

Two teams, headed by David Jones and Kip Cutshall, were organized and given proper work materials for the new membership campaign, during an earlymorning meeting in the XIT Room of Security State Bank. Overall campaign chairmen are Rad Richardson and J. L.

During a joint meeting of Chamber of Commerce members, Lions Clubs, Rotary Club and "We, The Women" Thursday at noon in the Community Center, reports several phases of area work were presented.

Presiding for the meeting was Chamber of Commerce President J. L. Marcum, who introduced each as they made their reports.

Carol Black introduced Mrs. Wanda Legion of Bula, president of the District Women's Cotton Promotion Association, who made a report on recent cotton research as provided by Cotton Incorporated through the dollar-per-bale donations from farmers

She then introduced Faye Jones, president of the Bailey-Lamb County Women's Cotton Promotion Association:

Paul Bennett, business member of the board of Cotton Incorporated, presented a report on prospects of acquiring an open-end spinning and textile plant for

Littlefield. He reported that the openend spinning method can produce more yarn from cotton fiber than conventional spinning, and the new plant will utilize 60,000 bales of cotton per year.

Warren Dayton presented a report on the proposed new agriculture center. He displayed an architectural drawing of the 120x100-foot building, and credited the high school architectural students in working up the plans. The county commissioners will pay for the con struction of the building and the Chamber of Commerce, civic organizations, and other interested citizens have pledged to pay for the furnishings (approximately \$10,000).

Tom Tollett made a report on Festivities Days. He stated, "We just broke even this year". He said considerations are being made to discontinue Festivities Days for next year, and that citizens will make a concerted effort to promoting the huge Bicentennial celebration in the spring of 1976.

Rev. David Hamblin of Abilene, immediate past president of the Chamber of Commerce, presented plaques of appreciation to seven members of the board of directors for 1973, during his tenure as president. Only one of the directors was present to accept the plaque-Benny Zahn. Others recognized were Roger Lowe, Elouise

THE 'GOOD GUYS'

Cox, Bob Roden, Joe Carlisle, Doyle Patton and Carol Black

Rev. Hamblin also paid tribute to Bill Payne for his "outstanding service to the Chamber of Commerce and to his overall efforts for making the Littlefield area a better place to live." Payne has resigned his post as executive vice president to accept a similar post at Clevelland, Tex.

J. L. Marcum presented a \$100 set of the George W. Littlefield Com-memorative Medals to Payne in behalf

Kip Cutshall and David Jones, opposing team captains for the current membership campaign, kicked off the membership drive and encouraged each of their teams to get out and work.

At the close of the drive, the two teams will meet at the Country Club for a steak

and beans dinner Tuesday. Oct. 29. Winners of the contest will eat the steaks and the others will eat beans.

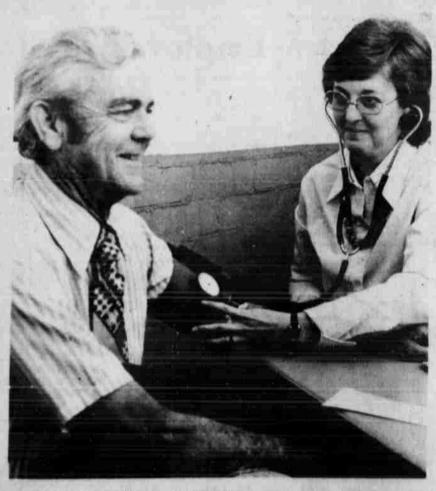

David Jones' "Bad Guys" team is composed of Steve Cox, Ken Day, Carlton Tanner, Charlie Duval, Orville Bassett, Billy Tom Grant, Leon Burch, Ronnie Smith, Johnny Hall, Sedell Black, Clinton Byers, Rad Bichardson, Jeni Brunson, Susan Head, Delbert Smith and Tom Hilbun.

Team members led by Kip Cutshall are the "Good Guys", J. L. Marcum, Wade Warren, Jim Jones, John Clayton, Carol Black, Janice Sebring, Warren Dayton, Ernest Connell, Tom Tollett, Benny Zahn, Doyle Patton, Jim Settle, Mary Beth Willy, Jim Lacky, Bobby Brunson, Susan Wilemon, Bert Wallace, Jim Upton, Buddy Wells and Phelps

District Sewing Contest Scheduled Here Nov. 2

Littlefield will host eight counties in the District "Sew It With Cotton Contest and Style Show," slated for Saturday,

In ceremonies held Wednesday, Oct.

23. in Lubbock's City Hall, South Plains

Association of Governments' president

Carolyn S. Jordan signed a \$1,078,770.00

contract with General Electric, Inc. to

provide new radio equipment for all law

enforcement agencies in the 15-county

SPAG region, including Lamb County

The new radio communications

system will be funded in part through a

grant from the Governor's Office,

Participating agencies will pay 25

percent of the total cost for the new

Criminal Justice Division.

The contest will be held in the Littlefield High School Auditorium at 4 p.m., followed by the show at 7:30. Contestants from eight area counties

will be modeling several categories of all-cotton clothing Prizes of \$50, \$35 and \$25 will be awarded to the first, second and third

places respectively in the various

Narrator for the show will be Mrs. Joy Breedlove, and Mrs. Wanda Legan, bookkeeper at a Bula Gin, who is District President of the Women's Cotton Promotion Association, will

serve as master of ceemonies. Anthony's will be in charge of decorating the state, and the Chamber of Commerce from Muleshoe and Littlefield are aiding with the program.

Door prizes donated by area merchants, will be given during the show.

The project will replace present ob-

solete equipment with a modern, four-

channel system for radio com-

munications. The Overload on the 37.180

frequency currently used by most

agencies in the area will be relieved with

each agency being assigned a separate

frequency. The multi-channel system

will allow agencies to monitor other

departments within the county, while

maintaining clear transmission and

Implementation of the system is

expected to begin within thirty days, and

will be completed within one year.

reception on other channels.

Standard Time Returns Today

Good morning! Welcome back to Central Standard Time!

In case you forgot to turn your clocks and watches back an hour last night, then do it now, because you are an hour ahead of the time.

We wake up today to CST, after having been on Daylight Saving Time for almost a year. Congress and President Ford have decided that DST didn't help the energy crisis very much, and now we're back where we started- "Spring forward, and Fall back."

Earth Deputy Files 3 Burglary Charges

A wholesale burglary was averted at Earth Friday, and three Mexican-American men are in the Lamb County jail charged with burglary with bonds set at \$2,500 each.

The three from Muleshoe are charged with breaking into Gary's TV at Earth. They had gained entry through the air conditioner on the roof. One stereo unit had been pulled out of the building at the time the breaking and entering was discovered by the Earth deputy.

In other bookings at the county jail, a Levelland man and an Amherst man have been jailed on charges of check law violation. A Littlefield man was picked up on district judge's orders for failure to pay child support.

Two Plainview men were jailed. One was charged with DWI and fined \$147 plus 20 days in jail, probated. The other was fined on a drunk charge. Similar charges were filed on two Amherst men. One was fined \$200 plus court cost and given 20 days in jail on a guilty pleas of driving while intoxicated. The other was charged with being drunk

Bad Check Losses, Shoplifting To Be Studied In Workshop

A two-hour workshop on the control of shoplifting and bad check losses will be held Monday, Nov. 11, at 7:30 p.m. at the XIT Room at Security State Bank, according to Philip J. O'Jibway, District Director Lubbock SBA.

As a service to businessmen of the area, the workshop is presented by the

School Board Action **An Apparent Violation**

The final action taken by the Littlefield School Board of Trustees at their last meeting, the extension of Superintendent Jack York's contract for a one-year term, was apparently a violation of the "Governmental Bodies-Open Meetings" law of the state of

Article 6252-17, Section 3A of Vernon's Civil Statutes states that "written notice of the date, hour, place and subject of each meeting held by a governmental body shall be given before the meeting

as prescribed by this section." The agenda did not list "personnel" or a similar topic as one of the items to be considered and therefore apparently does not meet the qualifications as stated in the above paragraph.

All board members voted on the

motion to extend York's contract. Trustees Werner Birkelbach, David Hampton, Mickey Ratliff, Doug Walden and Benny Zahn voted for extending the contract while Dick Hopping and Doyle Winfield voted against the extension. Littlefield Chamber of Commerce, other civic organizations, local law enforcement officers, and the Small Business Administration.

A panel consisting of representative of the District Attorney's office, the Chief of Police and other public officials will be present to answer questions and explain what the individual businessman can do to protect himself against these losses.

J. L. Marcum, president of the Littlefield Chamber of Commerce said, "Every year our local shopkeepers lose many thousands of dollars through the activity of shoplifters and check artists. No one knows how much these losses add up to in a year's time, but any retail businessman can tell you that they can he a very heavy drag on a small business enterprise.

"But the small businessman cannot afford to hire special policemen and he cannot afford the expensive and more elaborate electronic devices large firms use to thwart the efforts of both the professional and amateur 'light finger artists' who make off with merchandise or cash without getting caught," he

JIMMY DAVID CAMBRON

Wayne Willingham exchanged double-ring wedding vows Saturday night in the Spade United Methodist Church, as they stood before an altar centered with flared candelabra secorated with blue, lilac and

Flanking the candelabra were two candle trees, decorated with were Mrs. Gary Hairston of The bridesmaids' bouquets huckleberry foliage and babies

Officiating for the reading of the vows was Rev. Elroy Wisian Jr., pastor of the Spade United Methodist Church.

Parents of the couple are Mr. and Mrs. Bobby J. Myers of Rt. 1, Littlefield; and Mr. and Mrs. Joe M. Willingham of Garland. Bobby J. Myers presented his daughter for marriage. She wore a floor-length gown of white satin organza with Venice lace in the daisy pattern around the empire waistline. The bodice featured a jeweled neckline and lantern sleeves of satin organza over taffeta with bouffant organza extension cuffed by a narrow band of lace. The straight skirt was softly gathered in the back and flowed into a sweep train. Her formal full-length veil of illusion was attached to a Juliet headpiece of Venice lace with matching lace edging the veil.

She carried a tapered bouquet of blue, lilac and pink daisies and stephanotis, babies breath and English Ivy, with a removable corsage atop a white

EDITORIAL

In Good Faith

The Littlefield School Board of Trustees' action in voting on an item that was not listed on the official agenda is a violation of the "Open Meetings Law"

However, we do not think that it was a "conspiracy" or an attempt to "pull the wool" over the eyes of the public.

The board did not go into executive session behind closed doors, and the entire discussion and vote on the extension of the superintendent's contract was held openly

We feel that the board acted in good faith. While we do not always agree with their action, and likewise they do not always agree with ours, we have never observed the trustees to violate the people's trust by knowingly circumventing the laws under which they operate.

One word—personnel—on the agenda would have made the action "legal." As a matter of fact, an attorney for the Texas State School Board Associations stated in a telephone conversation Wednesday evening, that many school systems in Texas use a perfectly legal two-word agenda to cover the entire "subject" requirement of the law ... School Business

A revote on the matter, at a meeting whose agenda contains "personnel" as one of the topics, will surely solve the

Hmmfn, wonder why no one gets upset over buildings that leak, rocky playgrounds, building appearances, low teachers' salaries, etc. etc. etc.

-Wade A. Warren

Veterans' Day

ALMOST 200 years ago, defiant bands of American revolutionaries fought and died so that justice and liberty under law could become a reality through the formation of the United States of

On this Veterans' Day, Oct. 28, we pay tribute to them and every U.S. soldier who has placed duty and patriotism above personal consideration.

THE MEN and women of the Armed

Forces have been willing to make many sacrifices, even life if need be, to protect their country and the American ways of life. Through the efforts of such dedicated Americans, the U.S. has survived crises at home and abroad to emerge in its present role of leadership among the countries of the world.

Veterans' Day is one way for a grateful nation to say, "Thank you. We

Lamb County's Deposits Worth 21/2 Hours Toward National Debt

Since inflation started running rampant, the Leader-News quarterly reports of the county's bank deposits have shown steadily increasing

For this third quarter period, deposits at the seven banking institutions and the Anton bank showed whopping total deposits of almost \$87 million dollars. That is an increase of \$12 and one-half million dollars over the second quarter

Even though this figure is \$12 and onehalf million more than was on deposit in June, the fact remains that at the same time loans are up more than \$13 and onehalf million.

If that isn't a sobering enough thought, Nilah Rodgers asked accountant Benny Zahn's help in figuring out just how far this \$87 million would go toward the national debt. Considering that this nation's debt is something like \$300 BILLION annually, how long could this country run if somehow the federal government confiscated every Lamb County citizens' saving and deposits.

Zahn said the \$87 million would operate this country two hours and 32 minutes.

The thought could be considered frightening instead of just sobering.

Halloween Safety

DRIVER RESPONSIBILITY to young Oct. 31st. Halloween night.

Jim Arnold, administrator of the Governor's Office of Traffic Safety, has issued a reminder for all motorists to be mindful of their responsibility to the youngsters as they set out on their "trick or treat" adventure.

"Halloween is not statistically one of the more accident prone seasons, but it is a time for us to be aware of the children. These youngsters are going to he crossing streets with thoughts of having fun and ringing doorbells. Many will not be remembering their in structions to watch for cars. Therefore, I urge each motorist to be especially mindful of young goblins during the evening of Halloween." Arnold said.

ARNOLD EXPRESSED optimism to the small amount of accidents that actually occur during Halloween, but he added that it never hurts to be reminded of the responsibility.

"If children start out before dark and are reminded to cross at intersections after looking for oncoming cars, then maybe we can pass this period without injury or death to any young pedestrians. A car moving at a snail's pace has a much better chance of coming to a halt if necessary and this could result in saving a life," Arnold concluded.

CHILDREN SHOULD WEAR light colored clothing, carry lighted flashlights, and display reflective tape on their costumes to be seen from greater distances.

Coming

Littlefield youngsters are about to meet "Officer Bill.

"Officer Bill makes friends with children, teaches them safety rules, respect for parents and teachers, tells them about good people and bad people, and explains the role of the peace officer in a "let's get acquainted manner."

There are 415 five to eight-year-olds in the Littlefield school system who will meet Officer Bill through a visual aid program sponsored by the Early Risers Lions Club and presented by Littlefield city policemen.

Lee Simmons is initiating the program here, and he will be assisted by all the other Littlefield police officers in presenting the program.

Simmons, Chief of Police James Cox, and officers Cris Hern. Johnny Arroya. Ross Trevino, Martin Venezuella, John Dupree. Gale Morgan, and John Moore will take their turns being "Officer Bill

The kindergarteners, first and second graders will listen to Officer Bill talk about his uniform, job and duty. Constant movement with the visual aid and interesting dialogue is designed to keep the class interest at a high level.

Through the Officer Bill visual aids, the youngsters see and learn about safety rules, good citizenship, society and responsibility. But most important, they learn the policeman is their friend and protector

Along with the program, policemen will pass out a coloring book that has all the safety rules which have been talked

Officer Bill will present the students

with badges and give the class a special award for good behavior and thoughful

A visit to the police car and a demonstration of how officers use their radios, red lights, siren, loud speaker, and other equipment is part of the visual

The Early Risers paid \$200 for the visual aid charts, coloring books, and badges

The local police officers, who will be "Officer Bill" to the students, hope to follow up their first presentation once a year to renew the students' acquain-

Not only will the Littlefield students benefit from the program, but officers will be teaching the visual aid classes for the five to eight-year-olds in Spade, Whitharral, Anton, Amherst, Springlake-Earth, and Bula schools

Later this year the police department plans to expand the program by going to junior high school students with a similar method of informing students about drugs.

The Lamb County Farm Bureau plans to sponsor the programs on drugs.

In a program designed to advance with the students, the officers are looking at other programs for presenlation to high school students.

Visual aid programs along these lines were originally introduced by the Los Angeles and San Francisco Police Department.

Local officers are excited about the challenge, and school children in this area are looking forward to meeting

TUNING UP!

Woman's View

By PEARL BRANDON

WELL, HERE we are back home again and my husband is doing fine after lung surgery

The doctor said the glands around the cancer were not affected and he would not need further treatment- no cobalt

THIS IS THE second time he has had major surgery for cancer. The first time was in Jan. 1967 for cancer of the colon. This had been more than seven years ago and we thought he was past the danger period, however, the doctor said this was an entirely new one and of a different type.

It is amazing what they can do now if they can get to them in time

WE HAVE RECEIVED so many cards and letters, phone calls and visits, assuring us of your prayers and best wishes- we are so grateful for every one of them.

It is so good to be back home.

IN THE NEW Love translation of the Bible in John 13 it says, "Jesus knew on the evening of Passover Day that it would be His last night on earth before returning to His Father.'

I don't think we can really appreciate life until we have faced death.

WHEN MY mother was seriously ill and knew she hadn't long to live, she was anxious to know what we were all going to do when she was gone.

I have often wondered what it would

be like to know you had only one day to live. All the foolish things we strive after would lose their importance, and we would be concerned only for those loved ones we were leaving behind.

THIS CHAPTER also says, "Jesus knew that the Father had given Him everything and that He had come from God and would return to God. And how he loved His disciples!

He wasn't afraid for Himself, He only dreaded the pain and the ordeal of the cross. His concern was for those beloved disciples that He had lived with and trained the last three years and for other loved ones. He knew what they were going to have to face and was trying to prepare them for it.

Dear, dear children, how brief are these moments before I must go away and leave you!... And so I am giving a new commandment to you now- love each other just as much as I love you."

IT IS WONDERFUL to have a big family and lots of friends who crowd around and stand by in time of trouble. For this I am very grateful.

IT IS MORE wonderful to be able to lean on the everlasting arms of our Heavenly Father.

ses all power and can hold you up when nothing else can. Thanks again to all of you for your

help and concern.

OBITUARIES

SALLIE NICHOLSON

Services for Mrs. W. E. (Sallie) Nicholson, 77, of Amherst, were con ducted Friday afternoon at First United Methodist Church of Amherst with Rev. Hazel House, pastor, and B. W. Briggs, pastor of the Amherst Church of Christ,

Burial was in Amherst Cemetery under direction of Payne Funeral Home.

Mrs. Nicholson died about 9 a.m. in South Plains Hospital at Amherst after a lengthy illness.

A native of Nocona, Mrs. Nicholson was the daughter of the late Mr. and Mrs. J. P. Harmon, who pioneered

She and her husband Ed returned to Amherst in 1924, moving from Frederick, Okla.

Mrs. Nicholson organized the American Legion Auxiliary of Amherst and was president of the organization.

BILL PAYNE, executive vice president of the Littlefield Chamber of Commerce, was presented a \$100 set of the George Littlefield Commemorative Medals in recognition of his service to the C-C. He has resigned to accept a similar post at Cleveland, Tex. (Staff Photo)

She was an active member of the Methodist church

Survivors include her husband; her

four daughters, Mrs. Anna Lee Self of Decatur, Ark., Maurine Nicholson of Amherst, Mrs. Edith Humphreys of Sudan and Mrs. Karen Carey of Littlefield; her son, Lavern Nicholson of Amherst: three sisters, Mrs. Bertha Thompson, Mrs. Annie L. Stagner and Mrs. Allie Durham, all of Amherst; four brothers, Charlie, George, David and Sam Harmon, all of Amherst; 12 grandchildren and five greatgrandchildren.

L. C. RHODES

Services for L. C. Rhodes, 66, of Amherst, were conducted Saturday afternoon in Amherst Church of Christ with B. W. Briggs, minister, and Rev. Glen Willson, pastor of First Baptist Church of Amherst, officiating.

Burial was in Littlefield Memorial Park under direction of Payne Funeral Home in Amherst. Rhodes died about 8:45 a.m. Thursday

at Amherst's South Plains Hospital, after a lengthy illness, of an apparent heart attack. A native of Oklahoma, Rhodes moved

to Amherst in 1920. He had been employed as ginner for 20 years by Producers Coop in Amherst and later at the Sudan Coop Gin. He retired due to ill health. Survivors include his wife Agnes; a son, Kenneth of San Diego, Calif.; a

sister, Mrs. Tressa Brooks of Pawnee, Okla.; three brothers, Clyde and Guy Rhodes of Littlefield and LeRoy Rhodes of Houston; and two grandchildren. Pallbearers were E. E. Gee, Horace

Holt, Gerald Coffer, Bob Clayton, Homer Harper and Homer Campbell.

BOBBY TOLER

Graveside services for Bobby Lee Toler, 33, of Aztec, N.M., will be at 10 a.m. Monday at City of Levelland Cemetery with Bob Reynolds, minister of Cactus Drive Church of Christ in Levelland, officiating

Toler was found dead in his parked pickup about 8 a.m. Thursday near a trip tank at Southern Union pump station outside Aztec by a Southern THE ABUNDANT LIFE

Listening

EFFECTIVE TALKING is a great art, and a very important one; but the "art of listening" may be even more important.

Most of us put forth some effort learning how to talk, and some of us do special work in this area; but how many of us try to learn how to be good listeners?

MANY UNFORTUNATE happenings occur because somebody does not listen. Much of the failure, perhaps most of it, is not intentional. The persons involved just don't listen. All of us know, to some extent, the

importance of "listening" to what others

are saying; but many of us do not listen; not as we should listen. WE OFTEN HEAR what people are saying, but we don't really listen. In

some instances, we have had occasion to

be very sorry that we did not listen. Perhaps we try to fix things up by saying that we didn't understand, but we are reluctant to admit that we did not pay attention; we did not listen.

MISUNDERSTANDINGS are much too frequent and cause too much unhappiness, in the lives of too many people. We know that there are a number of different causes of these misunderstandings; but somebody's failure to listen is generally considered the most common cause.

Much of this is just carelessness, but it is a kind of carelessness we cannot af ford; and should want to overcome.

RUDENESS IS ADMITTED the reasons for not listening P is more nearly accurate to se listening is rudeness Then ferent ways to be rude, but as most frequent ways is in not in not paying attention to a per

may be talking to us. This is one expression of rule we should certainly try to a

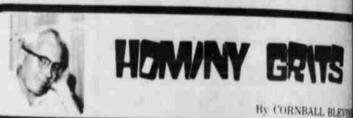

and it can be overcome. All rudeness is undesirable rudeness of not listening may sidered the most despicable of all special kind of insult which the of respect and regard for a fellow

SOMEONE WHO WILL LIST often do more to help than those willing to give advice. Of course, a time for talking; but there is time for "listening". There are when "listening" is the only way

It is an established fact that if times when all of us have a great talk to someone who will lister w in whom we can confide, some will keep our confidence

"ONE OF THE GREATESTY in our times of stress and stres understanding people who are will listen." -DeLoach.

In the communication es meaningful associations, both and listening have a place "listening" is probably more in than talking.

ASK, AND YOU shall receive.-Early Thursday morning, James Settle delivered into my hand a copy of the Amendment I'd written about in that day's paper.-The Equal Rights Amendment, that is,

Haven't had time to really study the thing, but a quick scan bears out most of the rumors I'd heard -A nation of nonentities!

ON THE ROAD back from down country the other day came the painful realization of the number of roadside stops, a less comfort stations.-An over

Library Boasts 13,500 Books, Offers Additional Research Hel The Doctor Who Made House

The Lamb County Library has much to offer. There are 13,500 Calls by Milton R. Bass books and at least 600 periodicals. These volumes offer Other Stories by Ashirley Ann boundless enjoyment and facts. Grau And patrons are not limited to

this library alone. The Texas State Library Communications Newtwork Friend by Mildred Newman (T.S.L.C.N.) is at the public's disposal five days a week. If the Joffo county library is unable tosupply you with the book or information needed, the first step is to give all information to Howatch the librarian. Then the librarian will call collect to her Major Resource Center (M.R.C.) which is the Lubbock City County Library.

The M.R.C. will search their shelves and if unable to fill the request, they will teletype the information to T.S.L.C.N.which is in the Texas State Library at Austin, here the request is found or forwarded to other libraries.

Through the Interlibrary Loan Service, the patron has access to many libraries. What does it cost? Only the postage to return the request when finished with it. Sometimes the request can be filled in two or three days, others may take longer. This is your Lamb County Library. Take advantage of your tax dollar

The following new books are recent additions to the Lamb County Library. A change of Heart by Helen

awarded the safety to the 'Cats hadn't been seen since 'ol John Wayne told Geronimo that the "fire-water" he had been drinking was just that- water!

If you returned to the scene of the battle today, you might still find some folks a-pointin' and a-poundin' about that official's call and whether it was a fumble or an incomplete pass. But what it was folks, was a fumble. The man in the striped shirt said so!

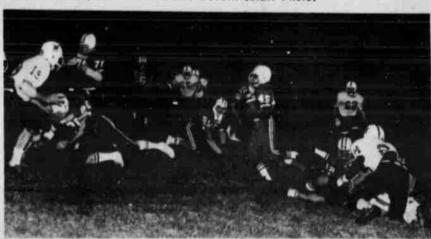

To set up the winning score, let's go back to where there's 5:56 left in the game and the 'Cats have the ball on their own 16-yard line following a Morton

On the first play in this series, Ronald Parmer, under a strong pass rush, threw an incomplete pass to end Gary Lichte, Bill Turner, who gained 174 yards on 32 carries, loses a step on the next play and with an even five minutes left, it was looking as the 'Cats would have to be satisfield with an edge in

penetrations and 0-0 on the scoreboard. However, Parmer, who threw 16 times and completed 5 for 52 yards, threw a bullet to halfback Stanley Patterson who

SCOTT HARMON, Pep Squad King, escorts Gina Young, Homecoming Queen, off the field following coronation ceremonies in the Amherst Bulldog Stadium Friday night. Other candidates for queen were Darla Hedges, Tonya Bearden, and Gay Weaver. Other candidates for King were John Booth, Stanley Miller and Eddie Duvall. (Staff Photo)

JOHNNY ROSEMOND (45) gained several yards for the Amherst Bulldogs early in the game Friday night against the Motley County High Matadors, but was taken out permanently with a broken leg early in the game. Here he gained five yards with the help of his teammates Stanley Miller (20), Red Hudgins (70), David Booth (50), Gary McDaniel (66), Eddie Duvall (52), and on the ground to the right Dwain Tucker (42) and Scott Harmon (31). (Staff Photo by Joella Lovvorn)

look it just off the grass to give the Wildcats a first down by inches.

Two plays net the 'Cats only one yard and again the hustlin' 'Cats were faced with a third and long yardage situation. In comes Patterson with the call from Coach Jerry Blakely and again, Parmer hit Patterson on basically the same play as he did on the previous third and long situation and the Wildcats set up housekeeping again on their own 40-yard

Turner carried again for five yards and then an incomplete pass put the 'Cats into another crucial third down

No pass this time, as Turner broke through the Indian line to pick up 12 yards and a first down.

2:20 left on the clock Parmer's pass to Lichte incomplete. Seconds ticking away... 2:14 left as Turner is dropped for a two-yard loss. Another crucial third and long yardage situation... this time, third and 12. And then... FIRST DOWN... as Parmer rifles another pass, this time to Turner on the Indian 33-yard line with 90 seconds left to go and visions of a field goal began popping out over the stadium

First down.... Parmer's pass incomplete to Turner. Only five seconds have elapsed and then Ken Standmire of the Indians picked off a Parmer pass that went for naught as he was tagged for pass interference and the Wildcat fans breathed a sigh of relief.

First down again and this time on the Indian 24-yard line with 1:16 remaining on the clock.

On the first play following the first down. Sammy Schlottman broke through the defensive line and appeared headed for pay dirt before he was stopped at the Indian 14-yard line.

Another first down, this time with less than a minute to play.

On the first down, Turner picked up a hard-earned yard and Parmer carried to the 9 on second down with :33 showing on the clock.

Only 17 seconds remained now as Parmer scooted around right end to the 6-yard line before he was dropped.

The 'Cats lined up in field goal position with Turner back to kick but his boot was off to the left of the crossbars and it looked like it was all over but the

But with only two seconds remaining, it hadn't even started good yet. The hometown Indians lined up in a

shotgun formation at their own 20-yard line with only two ticks of the clock remaining in the tilt.

Ray Dean Thompson took the snap from center 10 yards back and he kept fading back until he was deep into his own end zone, and as he was being pursued by a whole host of Wildcats, the cry of "throw it! throw it!" could be heard from his team mates.

But he didn't. He fumbled the ball, recovered it in his own end zone and as the clock ran out, the Wildcats had a 2-0 victory via a safety.

There were certainly no peace pipes in sight as the Morton coaches and players vigorously protested the final play of the

The Wildcats showed some offensive punch that had been missing in previous games as they amassed 230 yards of total offense as compared to the Indians' 116 yards. The 'Cats controlled the ball

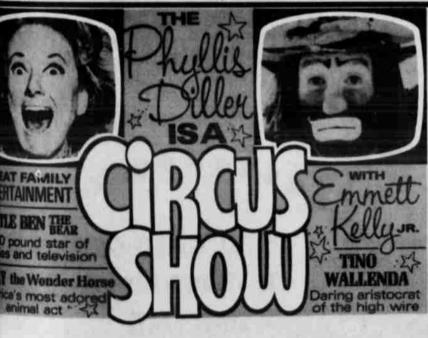

throughout the entire game as they ran 63 plays as compared to the opponent's 46 and Littlefield had 16 first downs as compared to 9 for Morton.

Littlefield threatened on the first series of downs as they marched from their own 37 to the Indians two-yard line before the drive failed. Penalties aided in stopping drives by both teams as Littlefield had three flags tossed against them and Morton had four. An apparent 60 yard TD pass to Gary Lichte was called back for holding and Morton had one called back for the same infraction.

The Wildcats host Friona this Friday night in the third district game of the

JUNIOR TAILBACK Bill Turner picks up yardage enroute to his game total of 174 yards on 32 carries for a 5.4 yard average per carry. For the year, Turner has amassed 967 yards rushing on 224 attempts for a season average of 4.3 yards per carry. Adding 164 yards gained on pass receiving gives Turner a net yardage total of 1131 yards for the season. Littlefield defeated the Morton Indians Friday night 2-0 to even their district mark to 1-1. (Staff Photo by Bill Mott)

JV's Win Fourth Game

The Littlefield Junior Varsity ran their record to four wins and three losses Thursday night as they defeated the Muleshoe JV's 22-16

In what was described as Littlefield's best offensive night of the year, coach Eddie Hooper's team amassed 175 yards rushing on 55 attempts for

their come from behind victory. Muleshoe scored first, but their lead didn't last long as the Wildcats scored on their first possession on a one-yard run by Terry Foley. The two extra points were scored by Blake Wood and the scored was tied 8-

Muleshoe came right back to go ahead 16-8, but later in the quarter, the combo of Foley and Wood added eight more points to tie the game up in the second quarter.

The winning score for Littlefield came on a pass play from Rudy Ayala to Danny Martinez to put the 'Cats ahead 22-16 for good.

All of the scoring was in the first half of the game.

Hooper described the game as our greatest effort so far. The Mules had a good team but we just outplayed them. Our of fensive line did a great job all night. Hooper singled out the play of Wood and Brent Garland for their play in the game.

FRESHMEN The Freshman team lost to Muleshoe 8-0.

Coach Buddy Comer said the Frosh had a good defensive effort, but the offense never could jell. Bradley Allen (who intercepted a pass), Louise Willey and Greg Moreland all had good defensive games.

"Hustler of the Week."

EIGHTH GRADE The eighth grade Wildcats tied the Mules, 6-6

Coach Mark Hulin had praise for his entire team as he stated "all the players were ready to play and they all gave a tremendous effort.

Jeff Lust scored the Cats' only touchdown and the 'Cat defense shut out the opposition until the last 30 seconds of the game when
