

Council Appoints Commission, Calls For New Equipment Bids

Monday night, Littlefield's city council appointed three of five members to the Planning Commission to bid for new fire-fighting equipment to be installed on a new fire station.

necessary in specifications for the apparatus, councilmen called for the rebidding on the equipment.

The original specifications included a high pressure system, which the department decided it did not want at this time. Fire Chief Leon Durham was

present to express the department's desires.

Johnny Rasso was present to represent the John Bean company, which specializes in high pressure equipment.

Five vacancies were due to be filled on the Planning Commission, but only

three persons had consented to serve. Re-appointed to the commission were Hershel Randall and Warren Dayton. Also named to serve on the commission was Marcelino Duran. Two others are being sought and will be appointed at a later date.

Councilmen decided to defer a

decision on placing a street light in the 100 block of E. 23rd Street.

Councilmen approved a resolution authorizing the city to participate in the Regional Law Enforcement Communications Project. City Manager Jim Blagg reported that the city pays 25 percent of the cost of the equipment—or \$3,000 of the total cost of \$12,000. That amount will be budgeted next year.

Councilmen authorized Mayor J. E. Chisholm to sign a contract with Texas Municipal League for Workmen's Compensation insurance.

Other routing business included the approval of the minutes of the previous meeting, with one correction noted; the approval of payment of the bills; and the approval of departmental reports.

In closing, City Attorney Ted Sansom reviewed the telephone rate case proceedings. He informed them that the final hearing is scheduled to begin Thursday, June 27, when the court will determine what amount of income the company should be receiving.

Blagg presented a report of administrative activities for the month of May. The written report was included in the agenda folder.

"May 1, 1974 was the date all municipalities were required to comply with the National Fair Labor Standards Act of 1938 as amended. This act is more commonly known as the Minimum Wage Act. Although we are currently paying all of our employees above the minimum wage as set forth in this act, there are

overtime provisions for policemen and firemen that will certainly cause an increase in our overall personnel costs for the coming year. The biggest adjustment we will have to make is in the area of record keeping. The administrative staff has already made a complete reorganization of our payroll procedures to bring them into compliance with the Fair Labor Standards Act," Blagg stated.

"Arrangements were completed this month for the purchase of a new electronic billing machine. This machine will provide an update to our utility billing procedures, payroll procedures, and budget accounting. It will also replace a billing machine, accounting machine, and addressograph machine. In the area of utility billing, this new machine will provide faster, more accurate computation of the utility bills and provide better customer service," he said.

"The annual seal coating program for our paved streets was completed this month. W. D. Turner Construction Company of Lubbock did another fine job. With this maintenance program continued on an annual basis, we feel that the streets will continue to remain in excellent condition," he continued.

"Work began this month on preparation of the 1974-75 budget. Workpapers were given to all department heads on which to make requests for operating and capital funds for the 1974-75 fiscal year," Blagg concluded.

The deadline ended Tuesday for candidates with opponents in the first primary to file a final account of political expenses, contributions and loans.

Most of the candidates filed a third report, whether they won the office they were seeking or not. But three candidates did not file statements in the county clerk's office after the election.

County Judge elect Bill Angel showed additional expenses of \$107.00 for the third reporting period for a total of \$675.55.

G.T. Sides did not file after the election as required by the new election laws. In his report 10 days before the election, he showed expenses of \$595.14.

All three of the candidates for county clerk filed final statements. County clerk Mary Beth Willey showed additional expenses of \$651.44 in her third report for a total expenditure of \$1,907.82.

Betty Hall spent an additional \$194.69 for a total of \$975.89, and Kathryn Day spent an additional \$209.80 prior to the election for a total of \$1,201.70.

County Treasurer Lucy Moreland showed additional expenses of \$184 for a total of \$737.11 in her third report. Fannie Rogers' total expenditures through May 18 were \$481.17.

Commissioner of precinct 4, Hubert Dykes, spent an additional \$61.25 for a total of \$294.25. His opponent Eugene Young had \$80 in expenses before the election and spent a total of \$267.

For commissioner of precinct 2, commissioner elect Clarence H. Kelley showed additional expenses of \$37.20 for a total of \$241.47. T.L. "Buddy" Free's final expenses were \$122.90 for a total of \$365.95.

Neither of the candidates for justice of peace, precinct 4, filed a third report before the deadline. Stanley Doss filed the first two reporting periods but failed to turn in a third report. Jerry Collins filed one report but did not file 10 days before the election, nor a final account.

According to the new Texas Election Laws, any candidate who does not file sworn statements as required by law is subject to a fine of not less than \$100 nor more than \$5,000 or imprisonment of from one to five years, or both, upon conviction.

In addition the code allows for candidates to be required to pay double the amount of unreported contributions, loans or expenses to each candidate for any period statements are not filed. In addition unreported statements are civilly liable to the state of Texas for triple the amount of any such unreported statements for any of the prescribed reporting periods.

SITTING ON A modern 8-row cotton planter, B. Forman recalls "it was 70 years ago that I looked right over yonder," pointing to the township section, "and saw more antelope than I could count." He will be among those celebrating Anton's Golden Jubilee Aug. 3.

Drouth, Hail Damage Cause Sunday Opening

By NILAH RODGERS

For the first time in the history of the ASCS office, the Lamb County office and ASCS offices in 10 counties were open Saturday and are open today, Sunday, June 9, to take applications from farmers who have not been able to plant cotton due to the drouth and from farmers who had planted cotton and have been hailed out.

Richard Newman of the Lamb County ASCS office said the Littlefield office estimates 20,000 acres of cotton have been hailed out in the northern end of the county. And in the west and southwestern section of the county an estimated 30,000 acres are still too dry to plant.

Because farmers couldn't start filing failed acreage reports until Thursday, it is not known how many dryland farmers haven't planted due to dry conditions. "There could be as many as 50,000 acres of prevented planting," Newman added.

Newman said late Friday that his office was deluged with farmers filing prevented planting and failed acreage reports. Fifty to 60 requests were filed Thursday and the office handled another 50 to 60 requests Friday. Newman said desks were piled so high with the forms the staff hadn't taken time to count the number of applications nor the number of acres represented.

Under a new easement for producers who've received hail, farmers may come in and report hail and replant all but five percent without having to wait for an appraisal. "We're asking the farmers to leave every twentieth through," Newman said. This will allow for the five percent needed for an appraisal for damage, yet allow the farmer to get seed back into the ground.

In the northern part of the county, some farmers indicate they will replant cotton, and some said they will plant soybeans. Others who have received hail damage are taking a wait and see approach.

School Board Meets Monday

Six items of business will come before the Littlefield School Board when it meets Monday night, June 10, in the High School Lunchroom at 8 p.m.

Included will be a re-consideration of an accounting contract for 1974-75; a discussion of homestead exemptions; a discussion of personnel resignations and personnel employment; a review of the financial statement; and a discussion of the minutes of the previous meeting.

Old Timer Recalls Early Days At Anton

By ORVAL WILLIAMS

D. V. Forman had filed on a "quarter" of land in the New Mexico Territory in 1903 around what is now Elida, N.M., just across the border from Texas. Teddy Roosevelt's name was on the "proper papers", making it legally his if he did certain things...that of proving up his claim. To "prove up" this land, Forman had to be "on the place" once every six months and witnesses had to attest to his being there.

In getting to this land, the Formans had to cross what is now Hockley County near where the town of Anton stands. Many times they made this trip in a covered wagon to this new holding in the Mexico territory. On one such trip, the elder Forman brought along his 8-year-old son, Buren, "to help out" with the chores. It was Buren's job to look after the milkcow, brought along to provide milk and butter. B, as he is more commonly known today, recalls that time when they were coming on west after staying overnight at the "Hank Smith" house, the first house "this far west," near the present site of Crosbyton, that they arrived at the Spade Ranch gate, located just south of the new home of Ted Zant east of Anton.

"Just picture this scene," reminisces B. "an eight year old boy leading a milkcow in front of a covered wagon from Knox County up through the ranch country." Passing through this gate admits him to the great Spade ranch. One of the first sights he sees is a huge

herd of antelope, "so many," recalls B. "they couldn't be counted," grazing on that piece of land just to the right that is still called the Townsite Section, a piece of land that would later play an important part in the history of Anton.

Moving on west from the Spade gate, they followed a trail in a northwesterly direction that went from windmill to windmill. One overnight camp was made near the Yellowhouse Ranch headquarters in western Hockley County. There, B remembered seeing the tallest windmill in the world, a replica of which stands in Littlefield.

The trail the Formans took going from Knox County to Mexico was traveled from 1901 to 1909. There were no railroads to cross, no other barriers, but a few ranch fences. "Papa was sure aware of the danger of fire, though, and had been warned to be careful with camp fires," B recalls.

One story the old timer recalls was that of an uncle who had made passages through this section of the country even earlier than the Forman's first trip. This uncle had joined a buffalo hunting crew and had rounded up, killed, skinned out and hauled off the hides of more than 7,000 of the Plains' hairy inhabitants. This all took place in northwestern Hockley County.

Forman looks forward to Anton's Golden Anniversary Aug. 3 and will be "on hand, the Lord willin'," to visit with the other pioneers.

Multiple Sclerosis Drive Continuing

ing to Mrs. E. J. (Tena) Littlefield the response to the current Multiple Sclerosis drive "is good".

erving as chairman of the Littlefield Women's Club of Littlefield which is sponsoring the canvass drive.

Multiple Sclerosis— is the most crippling of young adults. It attacks between the ages of 20 and 30, in the prime years, when young people are moving ahead in their careers. Young mothers are raising children. MS affects the central nervous system, frequently mixing up the messages from the brain, blurring the coordination," she

continued. "The symptoms can be subtle at first, then slowly, progressively, they may become more severe and can lead to long years of increasing disability. No

one knows what causes it, nor what will cure it. But there is hope through the international research programs of the National Multiple Sclerosis Society," she concluded.

Library Friends Collect \$1,495

The Friends of the Library fund-raising event in the business area of Littlefield last Tuesday exceeded \$1,495, and there are some additional contributions to be reported later.

Co-chairwomen of the event, Lucy Moreland, Peachy Hampton and Twila Goheen, report that they are grateful to the response by the business people of Littlefield for their generous help. Plans are being made to conduct a similar drive in other towns of Lamb County.

These Friends of the Library believe this success indicates the people of

Lamb County are very much aware of the need for an adequate library facility in Lamb County that can better serve the needs of all the people of the county.

The women who organized this drive expressed their sincere thanks to the women who helped collect for these funds. Co-workers were Patricia Yarbrough, Majorie Pierce, Linda Elms, Shirley Hardin, Dwyce Ratliff, Frances Turner, Joan Austin, Juanita Siems, Lynda Spencer, Jackie Burks, Etta Mae Hogue, Arlene Fisher, Jean Streety and Helen Bassett.

Area Organizations To Meet Thursday

An open meeting for all members of the Chamber of Commerce and Agriculture, representatives from all organizations in the county, or any other interested persons, will be held Thursday night, June 13, at 8 p.m. in the Willy Room of Lamb County Electric Co-op.

Several items of business that would affect Littlefield and the surrounding trade area will be discussed.

The meeting will be a general report meeting of activities already underway, and some planning for upcoming events will be made.

The current membership drive will be discussed.

Festivities Days and plans for the annual event will be discussed. All

organizations that wish to operate booths or present a portion of the program are urged to attend and add ideas to the discussion.

Industry, and prospects for industry in this area will be discussed. Anyone with an idea for industry may present that idea during that portion of the evening's schedule.

Questions will be answered on the new commemorative coins which will be distributed in August.

Jim Tucker of Hereford, a member of the Chamber of Commerce Board of Directors there, will speak.

According to Bill Payne, C-C manager, "The public is invited and we encourage all persons to attend."

Irrigation

Littlefield water department has applied for rates this summer. If the dry conditions continue, it is expected that rates will not go on the special rates many wish they had.

Persons who use the irrigation rates will pay more than 12,000 gallons to pay on their water bill.

Tech Student On Honor List

LINDA DOBROVOLNY

Linda (Wade) Dobrovoly of Lubbock, daughter of Mr. and Mrs. J. E. Wade of Route 2 Littlefield, made the President's Honor List at Texas Tech this past semester.

Linda is carrying a double major in home economics education and foods and nutrition. To qualify for the honor list a student must make a straight "A" or a 4. average over at least 13 hours. Linda graduated from Whitharral in 1971 as valedictorian of her class. She is classified as a second semester junior at Tech, and is enrolled in the summer semester.

Angel-Griffiths Vows Read

Miss Dusty Elaine Angel and Prentice Lee Griffiths were united in marriage in a candlelight ceremony May 25 in the First Baptist Church of Littlefield.

Rev. A.J. Kennemer Jr. officiated for the reading of the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Billy J. Angel of Littlefield. Mr. and Mrs. H.L. Griffiths of Muleshoe are parents of the groom.

Given in marriage by her father, the bride wore a Gibson girl gown of white organza and Venice lace. The moulded bodice featured a sculptured portrait neckline of lace, and long bouffant sleeves banded in bobbin lace and gathered to wide cuffs.

A full circular skirt repeated the horizontal bands of bobbin lace and plastrons of Venice lace flowers and leaves were spaced over the skirt. Tiers of veiling were edged in Venice lace, also, and fell from a capulet of matching lace.

Her bridal bouquet of pastel spring flowers and baby's breath encircled a cluster of yellow rosebuds.

For something old, the bride chose a pearl necklace and earrings belonging to her mother. Something new was

her bridal gown. Something borrowed was a ring, belonging to the sister of the groom, and the traditional blue garter was her something blue.

The bride presented her mother with a red rose as she came down the aisle, and following the ceremony she presented her new mother-in-law with a yellow rose.

Maid of honor was Miss Beverly Jo Madderra, cousin of the bride from Austin. Other attendants were Miss Janet Ellis of Muleshoe, Mrs. Carol Sites of Austin, and Miss Monica Griffiths of Muleshoe.

The maid of honor wore an empire waist floor length dress of pale orchid satin overlaid with chiffon and designed with a portrait neckline. The other attendants were dressed in identical dresses of pastel blue, pink and yellow.

The groom's ecru Prince Edward dinner jacket of worsted candlelight brocade was trimmed in black satin. He wore a blue shirt edged in black, and black pants trimmed with satin.

The father of the bride was dressed in identical attire.

Don Locker of Muleshoe served the groom as best man. Groomsmen were John Young

of Muleshoe, Monte Angel of Littlefield, and Doran Reynolds of Austin. Groomsmen wore Italian knit dinner jackets with blue shirts and black pants with satin trim.

Ushers were Bill Bruns, Johnny St. Clair, and Jerri Weidebush of Muleshoe and Sam Feagley of Bryan. Candlelighters were Sam Feagley and Robbie Young of Muleshoe.

Flower girl was Amy Rodgers, daughter of Mr. and Mrs. Richard Rodgers of Lubbock. Ring bearer was John Hall, son of Mr. and Mrs. Johnny Hall of Littlefield.

Mrs. Don Trotter of Littlefield and Mrs. Clifford Black of Muleshoe registered guests.

Mrs. Pat Boone accompanied Miss Jan Sisson who sang "Because," "The Twelfth of Never," and a closing prayer "Savior Like a Shepherd Lead Us."

The bride's mother wore a floor length pastel yellow dress of chiffon over satin with matching yellow accessories. Her corsage was pale yellow rosebuds.

The groom's mother wore a floral chiffon over pale yellow, with yellow accessories. Two baby orchids formed her corsage.

The bride's grandmother, Mrs. H.M. Hash of Clyde, was unable to attend.

Grandparents of the groom are Mr. and Mrs. Ray Griffiths of Muleshoe and Mrs. Chester Allen of Austin. Mrs. Griffiths wore a formal length blue crepe gown with lace sleeves. Mrs. Allen wore a pale ice blue formal gown. Both wore corsages of white carnations trimmed with pastel colors and rhinestones.

The church was decorated with an arch of greenery, clusters of pastel spring flowers, and streamers. Candelabra of 15 candles on each side were decorated with clusters of pastel flowers and ribbons.

The bride and groom lit the memory candle beneath the archway at the closing of the ceremony.

A reception followed the ceremony. Misses Sharon Angel, Gayla Angel, and Martha Vanek, cousins of the bride, served the four-tiered cake and punch from a table decorated with clusters of white net and pastel flowers.

Mrs. Sam Feagley attended the groom's table which was covered with a white hand-drawn cloth. A candelabra with pastel candles and a

Jodie Withrow Honored

BULA— Miss Jodie Withrow, bride-elect of Freddie Maxwell, was honoree at a miscellaneous shower Thursday afternoon in the Bula Church of Christ parsonage.

Honored guests for the occasion were mothers and grandmother of the couple: Mrs. Lola Lentz of Littlefield and Mrs. J. W. Withrow of Sudan, grandmothers of the bride; and Mrs. Martin Maxwell and Mrs. E. W. Parmer, both of Sudan, grandmothers of the groom; mothers, Mrs. J. C. Withrow and Mrs. Raymon Maxwell.

Both mothers and grandmothers, along with the honoree, were presented corsages of kitchen gadgets to wear during the afternoon.

The serving table and the gift table carried out the bride's chosen colors of white and blue, and were laid with white lace over blue. Centering the serving table was an engagement picture of the bride and groom, with the date

"June 25, 1974", in silver glitter on a white satin bow with a tiny bride and groom figure standing in the center of the bow. The sheet cake was iced in white and decorated with blue roses. Punch, nuts and mints were served by Jackie Withrow and Ann Harlan.

Mrs. Jerry Teaff registered approximately 45 guests at a table marked by the white feathered pen and brass holder.

The honoree was assisted in opening and registering her lovely wrapped gifts by her sister, Carla, and mothers, Mrs. J. C. Withrow and Mrs. Raymon Maxwell. Among the gifts received by the couple was a blue velvet bedspread as a gift from the hostess.

Hostesses for the courtesies were Mmes. Cecil Jones, Ashel Richardson, F. L. Simmons, Nolan Harlan, John Hubbard, Gene Bryan, J. D. Rowland, Cecil Testerman and John Blackman.

Junior Band Camp Slated At SPC

Youngsters in the sixth, seventh and eighth grades can sign up now for the second annual South Plains College Junior Band Camp, which is scheduled for June 17-21.

Students planning to enroll need to have at least one year's training in a school band, said Jack Nowlin, SPC band and camp director.

Band I for first year students and Band II for second and third year students, Nowlin said.

Camp musicians will stage a public concert at 3 p.m. on June 21 to conclude the festivities.

The band camp will be staffed by Nowlin; Marlin Lindsay, band director of the Levelland High School band; Jim Hutson, director of the Levelland Junior High Band; and Barbara Lindsay, twirling instructor.

Band instruction, twirling sessions, and private instrumental instruction will be offered.

The five-day camp, now in its second year, will be from 9 a.m. to 5 p.m. daily in the Fine Arts Building on the SPC campus.

The camp will be divided this year into two bands

Double-Ring Vows Pledged By Couple

Mr. and Mrs. John Ray Harrell were united in marriage Sunday afternoon, June 2, in the First Baptist Church of Levelland. Pastor of the church, Rev. J. Prentiss McGee performed the double ring ceremony.

The bride is the former Miss Sue Elizabeth Hamill, daughter of Mr. and Mrs. L. Peyton Reese. The groom's parents are Mr. and Mrs. Sealy Harrell.

Background for the ceremony was an arched candleabra holding peach colored candles and an arrangement of pastel garden flowers. This was banked by jade greenery, spiral candleabras and tall silver epergnes containing bouquets of the pastel flowers, all linked together with loops of smilax roping. Pews were marked with nosegays of carnations, baby's breath and English ivy tied with ribbon bows in the different pastel colors.

The remembrance table held a three pronged silver candleabra, with a memory candle in the center which was lit by the couple after the vows were repeated.

Wedding music was provided by Mrs. Tom Post of Stephenville, cousin of the bride, at the organ. Soloist, Joe Whitten of Big Spring sang Schubert's "Ave Maria" and "Bless This House." Miss Kristy Brack sang "The Wedding Song."

"Trumpet Voluntary" was used as the processional as the pages, Gregory and Jeffery Althof, cousins of the groom of Roscoe, unrolled the white satin aisle cloth and as the attendants came in.

The bridal chorus from "Lahengren" was played as the bride came down the aisle on the arm of her father.

She presented a rose to her mother as she came to the altar, and one to the groom's mother after the ceremony.

The bride wore a gown of candlelight English net over summer peau, styled by Banca. The fitted empire bodice was accented with appliques of valencian lace, re-embroidered in seed pearls. The lace outlined a sheer yolk and stand-up collar. The long sleeves ended in a lace ruffle over the hands.

The A-line skirt formed a chapel train with lace appliques and a band of the lace at the hemline. Her chapel-length veil was of hand embroidered valencian lace, gathered to a headband of stephonotis and English ivy. She carried a cascade of white roses, stephonotis and English ivy over a white Eastern Star Bible which was carried by her mother in her wedding. Her blue garter was borrowed from her cousin, Mrs. Jerry Bawcom of Fort Worth. In her shoes she wore pennies minted in the years of the couple's

birth's. She wore a gold diamond drop a gift from the groom.

Miss Jane Hamill of Dallas, attended her sister as maid of honor. She was gowned in a peach colored floral flocked organza made with a fitted empire bodice with a small stand-up collar and short puffed sleeves. Her matching straw hat was tied with streamers of the organza. She carried an old fashioned bouquet of coral sweet heart roses, peach carnations and English ivy tied with peach colored ribbon streamers and lily of the valley caught in love knots. She wore a gold locket, a gift of the bride.

Bridesmaids were Misses Pam Stinnett of Levelland, Jan Garrison cousin of the bride of Vernon, Debbie Heisig of Baytown, and Camille Lindquist of Crystal Lake, Ill. They were dressed identical to the maid of honor in pastel shades of green, yellow, blue and pink. They carried nosegays of carnations matching their gowns and all wore lockets which were gifts from the bride.

Harrell was attended by his brother, Bill Harrell of Levelland as best man. Groomsmen were Robert Hamill of Levelland, brother of the bride, Harold Althof of Roscoe, cousin of the groom, Randy Hamilton and Ricky Pace both of Levelland. Jon Crunk and Doug Howell both of Levelland were ushers.

Candles were lighted by Miss Marta Whitten of Big Spring and Miss Judith Post of Stephenville, cousin of the bride. Their dresses were fashioned like the bridesmaids in ivory and peach organza. They wore nosegays of peach carnations, baby's breath and English ivy with ribbons and lily of the valley in their hair.

Flower girls were little misses Stephanie Smith of Levelland and Amy Marie Bawcom of Fort Worth, cousin of the bride. They were dressed like the candlelighters and carried white lace baskets of rose petals.

The ring bearer was Mr. Tod Grizzell of Levelland, nephew of the groom.

Guests were registered by Miss Jacque Pastor of McKinney, Texas.

For her daughter's wedding, Mrs. Reese chose a coral chiffon gown featuring long sheer sleeves and a lace bodice. Mrs. Harrell, mother of the groom wore a pastel floral chiffon made with an empire bodice outlined in seed pearls and long sleeves. They both wore gardenia corsages.

For the reception which followed in Fellowship Hall of the church, Mr. and Mrs. Harrell were assisted in receiving guests by their mothers and the feminine attendants.

The bride's table was

overlaid with a candlelight alencon lace cloth over satin, an arrangement of pastel garden flowers in a tall silver epergne with peach candles served as a centerpiece. The four-tiered bride's cake was topped with white satin and lace bells and lily of the valley. Mrs. Jerry Bawcom was assisted in serving the cake by Mrs. Dan Boggs. Mrs. Dusty Duprie presided at the punch bowl. Pastel bon bon mints and nuts completed the bride's table.

The groom's table was covered with a peach colored hop sacking cloth edged in ball fringe. The memory candle encircled by the bridesmaids nosegays was used for a centerpiece. Mrs. Tom Post served the double wedding ring German chocolate cake. She was assisted by Miss Patti Green. Miss Lauri Sylvester presided at the silver coffee service.

Other members of the houseparty were Mmes. Thurman Flowers of Ralls,

aunt of the groom, Hugh Davis, Odene Garrison, Draper Keene all of Levelland and Mrs. Garge Keene of Lubbock, all aunts of the bride.

For a wedding trip to Santa Fe, N.M. the bride chose a white linen costume suit. The sleeveless a line dress was topped with a sheer linen jacket. Her accessories were red and she wore a gardenia corsage.

After June 9, the couple will be at home at Shalamar Apts. 78, San Marcos, where both will be enrolled this fall at Southwest State University.

Both Mr. and Mrs. Harrell are 1972 graduates of Levelland High School.

Mrs. Harrell is a junior physical education major at Baylor University.

Return The Penny

By MRS. MARY BROOKS
Director of the Mint

"I'm calling on every American, especially young people, to get the penny back in circulation and keep it there.

I'm calling on the banking industry to welcome the return of pennies during the month of June. I'm urging schools, churches, charities, retail establishments and others to examine ways and means to involve their members in collecting pennies for deposit.

The price of copper has retreated, closing at \$1.10 per pound on May 24. There will be no aluminum penny. The 62 billion pennies produced during the past 15 years have no numismatic value and because of the huge mintage they will never attain great value.

Nevertheless, speculators and hoarders of pennies have caused what seems to be a shortage of pennies in certain areas of the country.

But there is no shortage of a supply of pennies.

Creating a shortage where it does not exist can adversely affect every public spirited citizen, taxpayer and conservator of the earth's resources. It is inflationary should merchants start to round off sales to the next nickel due to lack of pennies to make change.

Again, I'd like to emphasize. There are plenty of pennies. But they are in the wrong places.

It is estimated that over 30 billion pennies are in circulation—doing the job for which they were intended. Somewhere in this vast country of ours, however, in excess of 30 billion pennies are in hiding. These are the pennies I'm looking for. They are in dresser drawers, shoe boxes, pickle jars; most anywhere you can think of that will get them out of pocket and out of sight. They are unwanted, unused and unappreciated.

For the Mint to be forced to continue increasing its penny production to meet the current extraordinary demand is wasteful. Wasteful of a natural resource—copper—that cannot be replenished by man. And wasteful of the taxpayers' hard earned money. One billion pennies returned to circulation will save the taxpayers \$10,000,000.

The current price and supply of copper allows us to continue production

and distribution of the copper bearing cent. During the past 15 years, the Mint has pumped out over 62 billion pennies using some 202,000 tons of copper in their manufacture.

This year alone the Mint expects to use 33,000 tons of copper in cent production—making about 35 million pennies each working day.

If just 15 billion pennies could be lured out of hiding, the Mint, at current production figures, wouldn't have to make pennies for almost 2 years and it would represent a saving of \$150 million.

Fifteen years ago, the reverse design of the Lincoln cent was changed from wheat to a view of the Lincoln memorial. The Mint produced 25.7 billion Lincoln wheat pennies during a 50 year period.

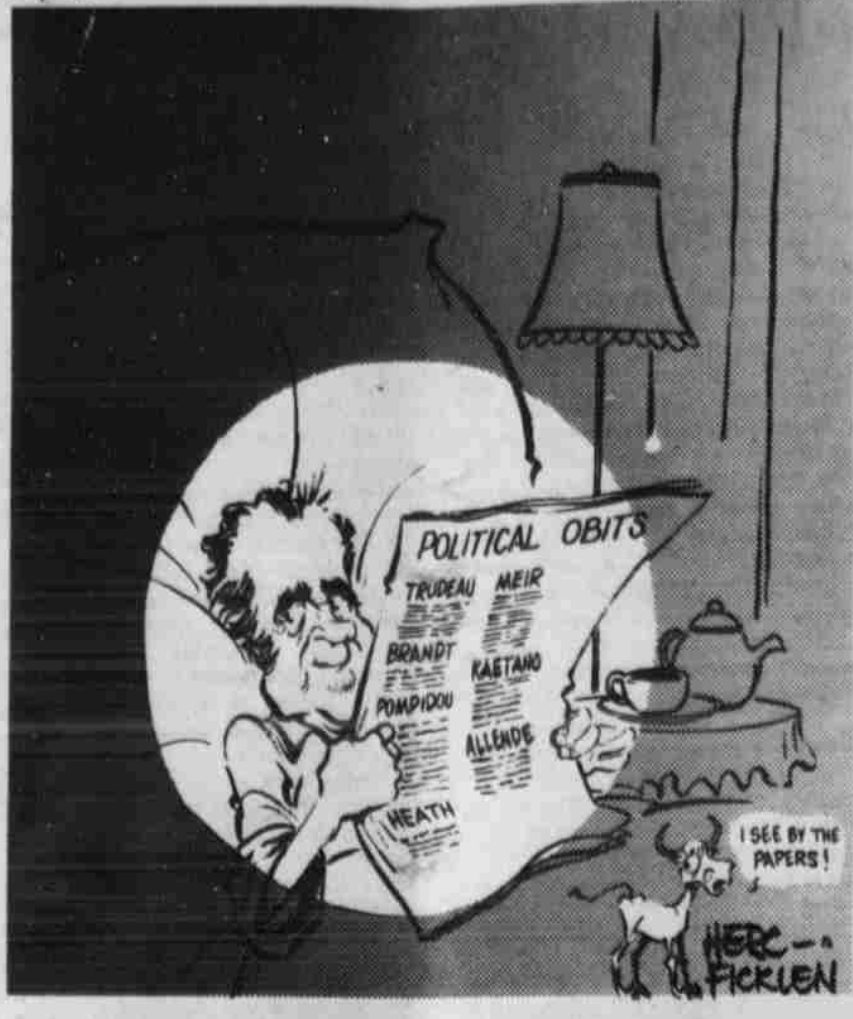

The Lincoln wheat pennies do enjoy collector interest—some years commanding more numismatic value than others. Rarity is one of the determinants in establishing value of almost any collective item. Especially this holds true for coins. A general rule of thumb is the lower the mintage of a given coin, the higher the numismatic value. Coin collecting is a very wholesome hobby. I'm happy to have young people looking at their coins.

Sixty-two billion pennies of identical design, however, can never qualify as numismatic rarities and so cannot ever reach great numismatic value. The true collector knows this and collects only those pennies needed to complete his coin collection sets. The true collector likes bright, uncirculated coins also. Not the dull and discolored ones, unless they are rare.

For every \$25, or more, worth of pennies cashed in at a bank, the Treasury Department is prepared to issue a special citation to the individual or group responding to the penny drive.

Obviously, this campaign to get the penny back in circulation will require the cooperation of the banks and others in forwarding the names to be cited for an award to Mary Brooks, Director of the Mint, 55 Mint Street, San Francisco, California 94175.

Truly this is a challenging project for anyone who participates. It will give every American family a chance to help control inflation, protect the environment and cut government expenses.

A Woman's View

By PEARL BRANDON

AMONG ALL my friends, I know of none who are not in sorrow or who doesn't have great problems to solve.

Some young people have health problems with families to support. Some with incomes so low that both have to work to make ends meet, especially if they have several children to support and educate.

EVEN THE very young have problems. Some feel the burden of broken families and are pulled in both directions when their parents remarry. Some from low income families have a hard time getting the things the schools require for them to keep up with their class mates.

THEN THERE are the older people who have worked hard all their lives and saved their money so they could enjoy their retirement and maybe travel a little, or fish, but other things happen to keep them from it. Perhaps one of them passes on and the other is left to go on alone—or the children get sick or have heavy burdens to bear.

IN FAMILIES that care about each other, when one hurts they all hurt.

To bear all this, you would think there is no happiness in all the world, and there wouldn't be, if you allowed yourself to dwell only on your heart-aches and problem, but there is another side to life.

The life of joy and trust in God—of loving our neighbors and friends and

sharing with our families—of going on from day to day trusting in God for the tomorrow.

The sun still shines, the flowers still bloom and friends are still there when we need them. There is still joy in fellowship one with another, and we can still be happy just looking on the brighter side of life and with hope in the life to come.

MOST OF US dread death because we are not able to see on the other side.

Jesus Christ is the only one who has ever been able to see beyond the grave and He said to the thief on the cross, "This day shalt thou be with me in paradise."

Jesus wasn't afraid to die. He dreaded the pain as all of us do, for He said "If it be Thy will let this cup pass from me," but He wasn't afraid to die. He knew He would be safe with His father when He had crossed over the river of death.

MANY OF OUR earthly fathers have passed on. Won't it be wonderful to be folded into their living arms again.

As Jesus met His Father over there, so will we meet ours and what a happy meeting that will be!

THOSE WHO have gone on would not want us to spend our days in grief for them.

They loved us and want us to be happy, so let us hold up our heads and look toward tomorrow with glad expectancy. It will hold a lot of sunshine too.

Dear Editor,

The library staff of the Lamb County Library want to express our appreciation to every person who worked so diligently on the "Friends of the Library" drive, last week. We also want to thank every person who gave to the drive, so that we may order new books for the library.

Words can't express the happiness one derives from seeing the sparkle in the eyes of a reader when they see new books to choose from on the shelves of the library.

Also, as librarians, one can't imagine the joy we get from ordering books that we know will help the reader, whether they are small, the junior to high school students or the adult reader.

Thanks to the news media for their publicity and we are hopeful by this time next year we will have a new library started on the lot of Rowe and 9th street, that the Duggan family was so generous to give for the Lamb County Memorial Library.

But, we can't stop, we have to keep working, as we have a wonderful project ahead of us, and without work and money we will never accomplish what we need so badly.

Sincerely,
s/Nora M. Hicks

'We Will Mine--Only If. . .'

On March 5, 1974, in a message to Congress about surface mining of coal—more commonly known as strip mining—the American Mining Congress stated flatly, "We will mine—only if the land can be reclaimed."

This is as clear a statement of environmental responsibility as we have seen. Yet, in the rush to clamp restraints on the mining industry, some members of Congress—and everyone else, for that matter—seem to have ignored this pledge.

Why? Well, for one thing, too many critics and much of the media seem to have made the mining industry the whipping boy for everything that is wrong with our environment. Now, we'll admit that mining is dirty work—but it's not a dirty business. In fact it is the one industry most basic to our standard of living and most vital to our security. There is almost nothing that is not affected by mining.

proach to evaluate the possibility of a stand of cotton despite hail damage.

In the dryland areas in the south and western part of the county, some farmers are holding off on prevented planting requests still hoping for rain.

Some producers say they could still make a fair cotton crop if they could plant by the 15th or 20th. But for all practical purposes, the planting deadline is past or looms in the immediate future.

And for the hundreds of farmers whose livelihood depends upon crops, this is a critical time.

The ASCS office hasn't had as many failed acreage reports since 1972 when 28,000 acres were hailed out in one night. Neither is this the first time for drouth conditions so critical that farmers have been unable to plant.

Lamb County joins counties all over the South Plains where hail damage has been extensive this year. An area-wide report shows 325,000 acres of cotton lost to hail in 10 counties this season.

Drouth conditions are preventing planting in dryland areas of this county, the south half of Bailey, part of Hockley, Cochran and Yoakum and extending to Scurry County.

Coal, in particular, is again coming to the forefront as a key fuel after being upstaged by oil and gas for so long. America has hundreds of years of known coal reserves waiting to be used...most of it of the cleaner low-sulfur variety. Ironically, some elements of Congress seem bent on making it harder to get at this low-sulfur coal at the very time our energy needs call for every ton of coal we can possibly get out of the ground. It just makes no sense, either in terms of energy or the environment.

We've been trying to figure out—Why this vendetta? And all we can think of is that some very vocal elements remember old pictures of scarred landscapes and they hold an unreasonable grudge against miners.

Yet, it makes about as much sense to blame today's miners for yesterday's land misuse as it does to blame today's candlemakers for the Chicago fire.

Isn't it time to put aside prejudices and misconceptions and allow our miners once again to "dig in" without needless restraints?

If you agree maybe your Congressman or Senator ought to know about it.

THE ABUNDANT LIFE

Not For Praise

THE VALUE OF PRAISE is well known. It is a source of encouragement and motivation, and serves other useful purposes. It is important that we give praise to whom praise is due.

We know how much praise means to us, and how good it makes us feel; when it is appropriate to our behavior.

PRAISE IS "the expression of a favorable judgment, a commendation". It is not flattery. Flattery is insincere praise, or excessive praise. The praise that helps must be honest and sincere.

ALTHOUGH PRAISE IS HELPFUL, and appreciated; we must not seek praise. We must work, and serve, and do, and give because it is right to do so; and we must have sufficient insight and dedication to enable us to find the fullness of satisfaction in the knowledge that we have done our best.

We must do what we do because it needs to be done, and "not for praise".

"IT IS NOT he who searches for praise that finds it." —Rivarol.

IF WE EXPECT PRAISE for everything we do, we have a faulty expectation; and we will be disappointed and discouraged.

Occasionally, some people will be thoughtful enough and kind enough to commend our actions; but much that we do will go unnoticed.

WE CAN BE THANKFUL for the praise we do receive, and let it help us to grow and learn how to serve better; but we must learn how to grow and serve better without the praise of others.

A job done well, or a necessity performed, can be satisfying to ourselves. If there should be praise from someone, this is a bonus.

THE WISE PERFORMANCE is "not for praise". The duty is in the area of moral and the action to be taken is praise.

We recognize our obligations because it is our duty. Of course our duties will be seen as praise. We must act efficiently and cheer, and remember that the joy and contentment in doing just because it is our duty.

"THE CONSIDERATION of happiness and moral duty separately connected will also time to prompt us to promote by inculcating the practice." —Washington.

IF WE COVET PRAISE for everything we do, we do disappointment that comes. It is a very serious ego flaw, and us entirely too dependent on people.

With this attitude, we will be duties; and will not be doing extras which are so helpful to our tainment of self-fulfillment.

LET US BE GENEROUS to others, when we can praise but let us not make the praise depending upon the praise for our motivation and our

Turn Row COMMENTS

By EMIL MA

GOT A CHUCKLE OVER a remark made by a government official who is employed by the Small Business Administration in Dallas. As the story goes, an individual was applying for a SBA Loan to open an antique or curio type general store and was told by this particular representative from SBA that they didn't have the money.

The individual was persistent and said he wanted to fill out an application anyway. He was then told that the only way he could get the money is to be a member of a minority race. He replied that he was not a member of the minority, but that his wife was half Japanese and he (SBA man) said that they could loan the money to his wife.

I'm not too familiar with SBA, but I want to know who is the minority. In some sections of the country the minority is the majority. And if we take another look at the so-called majority, we can check their ancestry and find that most of them have a blood line to a minority race. Looks to me that his so-called minority thing is an excuse for discrimination.

GOT A GRIPE. Many of us have been deceived to some degree when we buy a hot water heater for our home. I've been led to believe that those water heaters that have glass or glass linings would have a glass inside of them to give the tank a longer life.

I had seen a glass cylinder once and the person who owned it said her

husband took it out of a water heater. I decided I wanted a cylinder day, so I started cutting into a so-called glass lined water heater. I was disappointed when I did not find glass inside the tanks. I asked people if they thought I had misinterpreted the glass label. SBA indicated that they thought it was the fiber glass around the tanks. Others thought as I did. The possibility that there is a glass inside the tank, but not a glass cylinder, is a possibility.

HAD A COUPLE OF people come to me this past week and wanted what side I was on in reference to Hail Suppression Program. It has been making a few comments types of airplanes that seed the clouds.

The reason for these remarks is to let the readers know what type of aircraft they are concerned to watch for, if they are concerned to accuse any airplane that is to be flying over when we have hail and turbulent weather.

By knowing what type of plane engaged in cloud seeding, it can be identified in the ulcer department.

IT IS NOT enough that you brave upon occasions, for a requisite; you must have a good head does a nation more than a hundred strong arms. Experienced general, than a valiant soldiers.

UPLE Exchanges Vows Levelland Ceremony

Miss Elizabeth Ann daughter of Mr. and Mrs. Harlan of Bula, the bride of Rodney Marshall, son of Mr. and Mrs. Keith Marshall of Thursday afternoon, June 6, in the Cactus Church of Christ at Silverton, of the groom, Keith Marshall, of Silverton, of the double ring

The couple stood beneath an arch of yellow roses, entwined with garlands of fern greenery. Musical selections given by a chorus from the Church of Christ Bible Choir were: "Sunrise Sunset", "A Time for Us", "More", "One Hand One Heart", and the "Lord Bless and Keep You". Soloists were Mr. and Mrs. Bill Hughes.

Escorted and given in marriage by her father, the bride wore a wedding gown worn by her mother 20 years ago. Ivory satin with high rounded neckline, with lace yoke insets trimmed in seed pearls, and long tapering sleeves. The full skirt features a panel of lace in front. The soft gathered skirt had fullness in the back and sides that flowed into a brush train. The veil of ivory lace hung in three different lengths, was trimmed in lace and seed pearls. This was held by a bandeau of lace and seeded pearls.

The bride carried a bouquet of yellow roses surrounded by baby's breath and stephanotis tied with white satin love knots. Carrying out the tradition for luck she wore a penny in each shoe with the date of their births.

Jackie Withrow of Sudan, friend of the bride, was maid of honor. Miss Debi Stancell of Lariat, friend of the bride, was bridesmaid, and Miss Yovanna Marshall, sister of groom, was junior bridesmaid. Kathy Kroese, cousin of the bride from Adams, Neb. was flower girl.

The attendants wore floor-length gowns of blue satin, flocked with flowers, short puffed sleeves and V neckline. The junior bridesmaid dress was the same as those of the maid of honor and bridesmaid, only it was of tan satin with flocked flowers. Each carried a long-stemmed yellow rose.

Tim Marshall of Silverton was his brother's best man. Groomsmen were George Hensley of Levelland, and Scott Hutsell of Silverton. Ushers were David Campbell of Midland and Chris Gill

of Silverton. A reception followed the ceremony in the fellowship hall of the Church of Christ Bible Choir. Serving at the bride and groom's table were Miss Jackie Withrow of Sudan, friend of both the bride and groom, and Mrs. James Corder of Eugene, Ore., aunt of the bride. Centering the table was the bride's bouquet.

The rehearsal dinner, hosted by the groom's parents, Mr. and Mrs. Keith Marshall, was held Wednesday evening at the Chat and Chew restaurant in Levelland.

The bride, a graduate of Sudan High School, has completed her freshman year at South Plains College, where she was active in Epsilon Chi.

The groom has attended one semester at Tarleton Junior College and graduated in May from South Plains College. He was active in drama and Epsilon Chi.

Mother of the bride was attired in a blue crepe, floor-length dress, with long sleeves and a V shape neckline, and wore white accessories. The mother of the groom was dressed in a pink crepe floor-length, high waist line dress with long puffed see-through sleeves. She also wore white accessories.

Following the wedding, the couple left for a short wedding trip to Lake Proctor, in central Texas. Monday, June 10, the newlyweds will be at home in Whitharral. For traveling, the bride was dressed in a pink pant suit.

Out-of-town guests for the wedding were Mr. and Mrs. James Corder, from Eugene, Ore. and Mrs. Gordon Kroese and girls, Kathy and Leisa, from Adams, Neb. Also the bride's grandmothers, Mrs. Lula Harlan and Mrs. Mary Britt both of Amherst.

SOCIETY CALENDAR
FRIDAY, JUNE 14
A HOUSEWARMING party for Mr. and Mrs. Omer Neeley will be given at 8 p.m. at their home, 611 N. Sunset. All friends of the couple are invited.

MRS. RODNEY KEITH MARSHALL

Mr., Mrs. Stan Sadler At Home In Ft. Worth

Double ring wedding vows were exchanged in a home wedding Sunday afternoon, May 19, between Carol Lee Huffman of Horn Hall at Lubbock, and Stanley Floyd Sadler of Whitharral.

Vows were repeated in the bride's parents' home in Conroe. Chrysanthemums and assorted spring flowers decorated the living and dining room areas for the ceremony.

The bride's parents are Mr. and Mrs. Roy Huffman of Conroe, and the groom's parents are Mr. and Mrs. Floyd E. Sadler of Whitharral.

Both of the bride's parents presented their daughter for marriage. She wore a floor-length gown fashioned by her mother of candlelight ivory lace, and featuring fitted, long sleeves. Her fingertip mantilla veil was also designed by her mother. The bride carried a bouquet of assorted spring flowers arranged by the bride and her friends.

Joy Huffman of Conroe was her sister's maid of honor. Lisa Terry of Lubbock served as matron of honor. Michael Sadler of

Bloomington, Ind. was his brother's best man. Serving as groomsmen was John Bullock of Austin, the groom's brother-in-law.

Bride's attendants wore floor-length multi-colored pastel fitted gowns of silk organza.

A medley of musical selections were played on a string guitar. Following the wedding, a reception was served in the home of the bride's parents. Friends served punch and butter cake from the bride's table, and coffee and chocolate cake from the groom's table.

Following their wedding trip to San Antonio and Kansas City, Mo., the couple will reside in Fort Worth, where the groom is employed by Price Waterhouse and the bride will continue to study toward her bachelor of arts degree at Denton.

The bride has been a fine arts major at Texas Tech University in Lubbock.

The groom graduated from Texas Tech in May with a bachelor's degree in business administration (accounting).

Teague-Smith Vows Exchanged

Wedding vows were pledged by Miss Malva Teague and Hershel Smith in a double ring ceremony Friday night in the Anton First United Methodist Church.

Officiating was Rev. Delton E. Fisher, pastor of the Baird First United Methodist Church.

The bride is the daughter of Mr. and Mrs. Douglas D. Teague of Anton. The parents of the groom are Mrs. Roxie L. Smith of Lubbock and J. W. Smith of Dimmitt.

Given in marriage by her father, the bride wore a Victorian style gown of candle-light organza featuring a fitted waistline with satin trim and tiered ruffles at the hemline. She carried a colonial bouquet of apricot, ivory, and gold flowers.

Miss Patti Branch of Dallas was maid of honor for the bride. She wore an old-fashioned dress of apricot dotted-swiss organza trimmed in ivory lace and carried a bouquet similar to the bride's.

Flower girl was Miss Shannan Morris of Richardson, cousin of the bride. She wore an apricot floor-length

dress of dotted-swiss organza with floral bodice and sleeves, and carried a basket of multi-colored flowers.

Monty Hobgood of Lubbock served the bridegroom as best man. Ushering the guests were Dennis Schlegel of Pampa, brother-in-law of the bride, and Jim Bob Martin of Portales, N.M. All male attendants wore western attire.

Musical selections were presented by Mrs. Everett Butler of Anton, organist, and Mike Paulk of Lubbock, vocalist.

The church decorations included redwood candleabra with chimney glass over ivory tapers which were designed and constructed by the bride's grandfather, H. M. Coffman. Pew markers were coiled lariat ropes with floral centers.

For the reception in Fellowship Hall, the serving table was laid with an ivory lace cloth over apricot. The center piece was a memory candle under chimney glass surrounded by multi-colored flowers and placed in a red wood bowl made by the bride's grandfather. The three-tiered

ivory wedding cake was made and designed by Mrs. Louis Spruiell of Abernathy, aunt of the groom. Guests were served by Mrs. Dennis Schlegel, sister of the bride, and Miss Sherry Smith, sister of the groom.

The bride is a graduate of Anton High School and received a B. S. degree in clothing and textiles from Texas Tech University in 1972. She is an August candidate for an M. S. degree in home economics education from Tech.

The bridegroom is a graduate of Lockney High School and attended Texas A&M University and South Plains College. He is an honor graduate of the School of Farrier Sciences in Las Cruces, N.M.

After a wedding trip, the couple will reside at Post, where he is engaged in ranching.

Calling All Homemakers Brought To You By

BERT & CAROL WALLACE FURNISHING AN OVERLOOKED SPOT IN YOUR HOME

Oddly enough, many home makers forget to furnish one of the most appealing parts of a room. How many people think to put chairs or tables in the area immediately in front of a window—and yet this can be an ideal place because you can take advantage of natural light and a view of the outdoors, and add extra beauty and convenience to your interior decor.

What are some of the ways you could decorate this area?

Here are several ideas. This could be the perfect spot for a sewing table, a desk or game table. Or you might want to put a small table and chairs by the window for snacks or light entertaining. Or, even more simply, how about just one comfortable chair and companion table by the window as an ideal spot for reading or just sitting and day-dreaming.

We're speaking not only of the living room, but other rooms, too, such as the bedroom where you can use space in front of windows very imaginatively with various combinations of different tables and chairs. You might want to use a make-up table by a bedroom window, or a telephone table and chair where you can talk and look outside at nature's beauties at the same time.

And, for all your furnishing needs and ideas we invite you to shop here.

Mary Beth Willey OES Worthy Matron

Open installation for officers of Littlefield Chapter No. 742 Order of the Eastern Star for 1974-1975 was held Saturday night, June 1, in the Littlefield Masonic Hall.

Officers installed were: Mary Beth Willey, Worthy Matron; Oscar Tomlinson, Worthy Patron; Mary Jo Weige, Associate Matron; Bill Weige, Associate Patron; Minnie Matthews, secretary; Edith Bridges, treasurer; Alma Roberts, conductress; Sandra Boleyn, associate conductress; Finus Branham, chaplain; Leon Burch, marshal; Frances Carter, organist; Janice Aaron, Adah; Hazel Stevens, Ruth; Georgia DeBusk, Ester; Joyce Branham, Martha; Lois Lee Tomlinson, Electa; Sidney Roberts, Warder and James Boleyn, Sentinel.

Serving as Installing Grand Officers were: Flora Besst Boone, Past Grand Matron, Grand Chapter of Texas, Order of the Eastern Star, Installing Grand Officer; Patricia Oliver, Past Matron of Levelland Chapter No. 797, Installing Grand Marshal; Doris Frey, Past Matron of Littlefield Chapter No. 742, Installing Grand Chaplain; Loraine Hopping, Past Matron of Littlefield Chapter No. 742, Installing Grand Organist; and Jane Orman, Past Matron of Sundown Chapter No. 926, (aunt of the incoming Worthy Matron) Installing Grand Secretary.

Guests were registered from, Littlefield, Spade, Amherst, Earth, Shallowater, Levelland, Pampa and Borger by Barbara Gee, sister and daughter respectively of the incoming Worthy Matron and Worthy Patron. Assisting with the registration duties was Nancy Tomlinson, sister-in-law and daughter-in-law of the incoming Worthy Matron and Worthy Patron. The registration table was laid with a white net over white satin cloth edged with white and pink lace and centered with a large pink anniversary candle surrounded with flowers in shades of pink.

Preceding the installation ceremony, the Holy Bible was presented by Lewis Willey, son and grandson respectively of the Worthy Matron and Worthy Patron. The Square and Compass were presented on a white satin pillow with pink trim by Kathy Gee and the Holy Bible Marker was presented by Robbie Gee, niece and nephew of the Worthy Matron and the grandchildren of the Worthy Patron. The Holy Bible Marker of white satin with the letters OES and the emblem of the Scales of Justice outlined in pink beads and sequins was made and given to the Worthy Matron by Mrs. Faye Holladay.

During the installation, Frances Carter of Littlefield accompanied Bobbie McKennon from Shallowater as she sang "Fill My Cup, Lord" and "Sweet Holy Spirit".

The newly installed Worthy

The regular meeting of Texas TOPS No. 102 met in the dining room of Medical Arts Hospital Tuesday night with 17 members present.

After being weighed and measurements were taken. The meeting was called to order by Hazel Davis. Roll was called and minutes read by Trudy Bryant.

One member had eight weeks' perfect attendance. A new contest was started and will run a month. Each member will bring a towel or wash cloth to be put in a box and the winner gets all.

Secret pal cards and gifts were distributed. Queen of the week lost 4 lbs. and the runner up lost 1 1/4 lbs.

Monthly queen lost 1 3/4 lbs. and two runners up lost 1 1/2 each.

Meeting was dismissed by saying the pledge in unison.

Mr. and Mrs. L. Davis are the parents of a baby boy, Billy Dee Davis, born in Medical Arts Hospital at 5:50 p.m. on May 31, 1974. He weighed 4 lbs., 15 ozs. The Davis family resides in Littlefield.

Matron was presented a gift from her family by her four and five year old nieces, Laura Gee and Misti Tomlinson. An engraved gavel was presented to the Worthy Matron by her new officers. Decorations for the ceremony were centered around the incoming Worthy Matron's theme for the year, "Justice", and many scales of justice holding pink flowers and pale pink Doves of Peace decorated the chapter room and the dining hall.

The Worthy Matron's chosen colors of shades of pink were also used in the decorations and the motto, "To thine own self be true, and it must follow as the night the day, Thou canst not then be false to any man," will be used throughout the year.

The 1974-1975 OES year was dedicated to Lois Lee Tomlinson, mother of the Worthy Matron and wife of the Worthy Patron.

At a reception held in the Masonic Dining Hall, the serving table was laid with a gathered white net over white satin cloth edged with pink and white lace. It featured a gold and crystal teardrop Scales of Justice holding pink doves and centered between two gold and crystal teardrop candleabras fitted with pink tapers.

Cake, fruit punch, nuts and mints were served from crystal appointments and gold-ware. A gold coffee service completed the ap-

pointments. Presiding as hostesses were Janice Aaron, Mary Jo Weige and Bettye Smith.

MARY BETH WILLEY stands between her emblem and a pair of justice scales used in the open grand installation of chapter 742 Order of Eastern Star Saturday night when she was installed as Worthy Matron. Her father Oscar Tomlinson was installed Worthy Patron.

NEWLY INSTALLED officers of the Order of Eastern Star are, back row, left to right, Finus Branham, chaplain; Leon "Runt" Burch, marshal; James Boleyn, organist; Bill Weige, associate patron; Oscar Tomlinson, Worthy Patron, and Sidney Roberts, Warder. Middle row, left to right are Joyce Branham, Martha; Janice Aaron, Adah; Sandra Boleyn, associate conductress;

Georgia DeBusk, Esther; Hazel Stevens, Ruth; Edith Bridges, treasurer; and Frances Carter, organist. Front row, left to right, Alma Roberts, conductress; Mary Beth Willey, Worthy Matron; Flora Besst Boone, installing grand officer; Mary Jo Weige, associate conductress; Lois Lee Tomlinson, Electra; and Minnie Matthews, secretary.

Methodist Pastors Receive Assignments

Several of the area United Methodist Churches will be receiving new pastors, due to the transfer of present pastors to other churches.

Changes for the Plainview district, which includes this immediate area, include:

AMHERST—New pastor, James House who has pastored the Tell and Estelline United Methodist Churches one year. He will fill the pulpit vacated by George W. Butler who is going to the Christ United Methodist Church in Levelland. He has been at

Amherst three years.

EARTH—New pastor will be Walter White, who comes from Munday's United Methodist Church after two years of service. He fills the post vacated by Charles Dunnam, who has been at Earth three years, and who is going to Agape United Methodist Church at Lubbock.

LITTLEFIELD—Wesley N. Daniel will come to the First United Methodist Church of Littlefield from Spearman, where he has served as pastor nine years. He fills the

vacancy left by David Hamblin, who is going to Aldersgate United Methodist Church in Abilene after four years of service in Littlefield.

OLTON—Elton Wyatt is being moved from the Hale Center and Halfway United Methodist Churches to the Olton Church after six years of ministry there. Al E. Jennings, who has served the Olton church four years, is being moved to the Abernathy United Methodist Church.

SUDAN—The new pastor for Sudan United Methodist

Church is Lee Roy Baker, who comes from Fritch United Methodist Church following three years of service. Aubrey White is moving to Fluvanna's United Methodist Church after five years at Sudan. The remainder of the area churches will keep their pastors.

ANTON—B. J. Foster will continue to serve the Anton and Spade churches.

The ENOCHS and BULA churches still do not have an assigned pastor.

MR. AND MRS. J. D. Rowland drove to Lovington Monday for a niece Debbie

Clawson, who will be spending a week or more with them. MR. AND MRS. L. H. Medlin Jr. enjoyed having all of their children and grandchildren visit with them the past week. Mr. and Mrs. Dennis Medlin and children Beckey, Dewayne and Jason from Corsicana, Mrs. Glen Salyer and children, Shelly and Greg from Felt, Okla. and Mrs. Rocky Dewbre and son, Michael from Lubbock. Glen came for his wife and children Wednesday and got to visit until Friday.

MR. AND MRS. Paul Young drove to Hamlin Sunday to attend the Young family reunion. This was held at the high school cafeteria in Hamlin. Ninety-two relatives and friends were in attendance.

MR. AND MRS. Clyde Hogue and Mr. and Mrs. Jack Hicks of Littlefield were dinner guests Sunday with Mr. and Mrs. Luke Aldridge near Littlefield.

VISITING with Mrs. Rowena Richardson Sunday were her son, John and wife, and son, Jack from Lovington.

MRS. MARGARET KROESE and girls Kathy and Leisa of Adams, Neb., arrived Monday to visit with the Nolan Harlans and her grandmother, Mrs. Lula Harlan, resident of the Amherst Manor. They will also get to visit with her parents, the James Corders from Oregon.

MR. AND MRS. Clarence Cannon, along with their daughter and husband, Mr. and Mrs. R. E. Martin of Lubbock, returned home Friday from a visit and sightseeing tour that took them through 11 states. They spent three days and nights with Martin's mother, Mrs. Edna Martin, and two sisters, in Richmond, Ind. Among highlights of the trip was a visit to Mrs. Cannon's grandfather's old place in eastern Tennessee, and a visit with some of her cousins in that part of the state. They attended a night session of the Grand Ole Opera at Nashville, took a boat ride and visited several museums and battle grounds of the Civil War.

DINNER GUESTS with the F. L. Simmons Sunday were Mrs. Darmon Simmons from San Diego, Calif., Oliver Simmons from Lubbock, Mrs. Lee Carroll Simmons and two boys, and Mrs. Bill Murphy and girls all of Littlefield.

broken. Her husband lived only two days after the accident.

MR. AND MRS. Joe Price and son, Timmy of Olton spent Monday night with her

parents, the J. C. Withrows. MISS JUANA YOUNG, librarian at University of Arkansas, made a short visit the past week with her parents, the Paul Youngs. She

came Thursday and had to leave Saturday. She is planning a Caribbean tour with a group of friends soon. MRS. LYNN DRUM and children from Dallas are here

for a visit with her parents, Mr. and Mrs. Raymon Maxwell, and other relatives. THERE WILL be a meeting of the Women's Cotton Promotion Association

Wednesday, June 12, in the lounge at the Claunch Gin at 3 p.m. A report will be made by the nominating committee and new officers for this year will be elected. Come and cast

Boxing Tourney Set To Honor Rusty Price

The 1974 AAU Region IX Junior Olympic Boxing Tournament, having boxers from three states, Texas, Louisiana and Mississippi trying for berths in the AAU National Junior Olympic Tournament, will open in Hereford on Friday and Saturday, June 7 and 8 at 8 p.m. at the Bull Barn in Hereford.

Opening ceremonies at this tournament will honor the late Russell Scott (Rusty) Price who was active 4 1/2 years in the Golden Glove Boxing programs throughout Texas and New Mexico and had represented Lubbock in the State Tournament in 1973.

Rusty's parents, Mr. and Mrs. Billy Price, and brother, 12 year-old Dusty, will be guests of honor at the opening night, Friday, June 7.

Rusty was a nephew of Mr. and Mrs. Forrest Price of Littlefield.

All persons interested in seeing amateur boxing matches should attend both nights.

Many outstanding young fighters will be attending from Lubbock, Plainview, Hereford, Muleshoe, Amarillo, etc., and from the other states.

Major League Girls Rebound From Loss

The Littlefield major league All-stars were still alive in the national Little Dribbler tourney at presstime Friday. They were to meet Lacassine, La., Saturday at 8 a.m. in the double-elimination tournament in Levelland.

The locals dropped their opening round game to Lacassine, but rebounded strongly to defeat Meade, Kan., and New Deal in successive games.

In Littlefield's first game Wednesday, they fell behind quickly to Lacassine, La., and could not get the points back. After the first period, they trailed 16-1.

"They (Lacassine) made 100% of their field goal attempts in the first quarter," said Coach Cathy Mills. "They had a very good fast break, and most of their points came on layups. We just weren't used to playing a fast breaking team, and before we knew it we were way behind. They had some big and fast girls, but we stayed with them after the first quarter and actually beat them the rest of the game." The final score was 38-25.

Brenda Williams paced the locals with 10 points. Jamie Lee tossed in four, Robin Messer and Christi Mixon had three, Lavonna Sanderson and Sandra Healy had two and Gloria Brockington had one. Littlefield had a much easier time Thursday against the Meade, Kan., team. They vaulted ahead 5-0 after one period, built their lead to 15-2 at the half and coasted in for a 22-9 win.

"We really should've beat them worse," Coach Mills commented. "They were real slow, but I guess when you play a slow team you usually play slow too. We didn't play exceptional ball, just well enough to win."

Robin Messer's six points led Littlefield. Sandra Healy and Brenda Williams popped for four, and Jamie Lee, Christi Mixon, Pam Fisher and Lavonna Sanderson added two each.

Balanced scoring and tough defense did the trick for Littlefield against New Deal Friday. The locals led 11-6 after one period, then increased it to 22-10 at the half. New Deal rallied in the third quarter to pull within five at 27-22, but Littlefield grabbed back the momentum and won going away, 37-26.

Robin Messer ripped the cords for eight points, and she was closely followed by Jamie Lee and Sandra Healy with seven each. Brenda Williams added six, Jana Jones had four, Christi Mixon and Gloria Brockington threw in two, and Lavonna Sanderson scored one.

Lori Bingham topped the losers with 16 points.

LITTLEFIELD IN ACTION AT NATIONAL TOURNEY

Firemen Win Doubleheader To Move Into Second

It was an interesting half-week in local Little League play. Lightning struck twice in the same place in the minors, and FireDept. played a doubleheader in the majors—and won both games to vault into a tie for second place.

The league leaders, Tasty Taco and WOW, both won easily to maintain their margins, but there was quite a shakeup in the rest of the standings.

Last week, VFW scored five runs in the last inning to edge Carlisle-Oldham 13-12. Thursday, the Veterans notched three scores in the bottom of the last inning to beat Carlisle-Oldham again. And by an identical 13-12 score. Moreover, the winning pitcher in both games was Joshua Rangel.

VFW won the game without producing a hit. Their last inning rally was achieved mostly by walks issued by the Carlisle-Oldham pitchers, Larry Wormley, Steve Hampton, Scott Hensley and Joe Martinez all cracked singles for the losers.

In the other minor league game, Tasty Taco scored in every inning to coast past Security State 19-5 Tuesday.

Adrian Solis was the winning pitcher and socked a double offensively. Adam Solis had the hot bat for Taco, slapping two singles and a double. Johnny Logan, Rusty Ray, Jimmy Duenes and Miles Gilliam added singles.

Pat Torres got the only Banker hit, a single. Fire Dept. made their move to the top Wednesday when they won both ends of a doubleheader, dropping Rotary 9-6 and edging Birkelbach 9-7. The games were makeup contests that had been rained out.

The Firemen were down to Birkelbach 7-4 going into the top of the last inning. But they pulled the game out of the flames with five runs on homers by Brady Bradley and Ricky Silvas.

Bradley added two singles to his total against Birkelbach. Bobo Lewis slashed two singles and a double, and Lynn Duffey, Leslie Yarbrough, Bruce Payne and Clark Pylant singled. Silvas went all the way on the mound.

For the losers, Jamie Rangel pitched and Noe Rangel, Mark Newton and Mike Williams had singles.

Bobo Lewis held Rotary to five hits and Ricky Silvas supplied two homers in Fire Dept.'s other win. Lewis, Brady Bradley and Lynn Duffey knocked singles.

Robert Flores handled the Rotarian's pitching and joined Rudy Rangel, Jerry Hernandez, Raymond Perea and Tommy Williams with hits.

Tuesday, WOW pushed across five runs in the first inning and held on for a 9-5 win over the Lions.

Mark Yarbrough blasted a pair of homers to lead the Woodmen. Pitcher Joe Rodriguez notched two singles, George Brockington doubled, and Scot Yarbrough and Mark McCanlies singled.

David Duenes pitched for Lions and popped two singles. Herbert Spencer and Raul Villafranco had singles.

Rotary gained a share of second place Thursday with an 18-8 mauling of Pay & Save, highlighted by Tommy Williams' grand slam homer.

Pay & Save looked to have the game put away after five and half innings with a sturdy 8-1 lead. But the Rotarians touched home plate 12 times in the fifth to gain the victory.

Williams added a double and two singles to his homer. Ruben Torres, David Guajardo, Raymond Perea and Jerry Hernandez drilled singles.

James Johnson collected three hits for the losers. Alvin Contreras, and Kerry Rainbolt doubled, and Todd Upton, Jimmy Sexton, Greg Scott and Jerry Jones had singles.

Pee Wee League Opens Season

The Pioneers opened the 1974 Pee Wee League season Tuesday with a 15-0 swamping of the Lions, and came back Friday to top the Tigers 13-4 and take the early lead.

Freddie Hernandez pitched the Pioneers to their win over the Lions. He joined Ace Bridwell and Cris Ayala as the top Pioneer hitters.

Heath Reynolds was the leading Lion batter.

Against the Tigers, everyone on the Pioneer squad had at least two hits, and Ronald Hernandez collected the mound win.

Ronnie Guthrie pitched for the losers.

In the second game Tuesday, the Tigers edged the Roadrunners 11-10. Bruce Kidd handled the Tigers' pitching.

Friday, the Chiefs scored six times in the first two innings and seven in the third for a 19-5 win over the Lions.

Scott McAnally paced the Chief batters with a homer and two singles. John Lee, Steve Coston and Brian Pace had three hits each. Billy Savala was the winner.

Victor Varý blasted a homer for the losers and pitched. Mike Pierce, Rene Mendez and Todd Blevins collected hits.

NEW 1974 Logan GROUND COTTON HARVESTER

TRIPLE YOUR RECOVERY at HALF THE COST with "Buy Back Guarantee"

Today, the LOGAN ground cotton recovery cost per bale is the lowest ever achieved in the industry.

The LOGAN'S pickup efficiency and LOGAN'S 50% greater capacity coverage triples your recovery three rows at a time... in one pass.

The three row LOGAN harvests more acres, recovers more cotton, in less time and at the lowest cost per bale. LOGAN pays its own way and makes the cotton grower a profit, too.

Take no chances with a LOGAN. It is lowest in cost and highest in recovery and gives you the optional "Buy Back Guarantee" if it fails to do the job. Place your order promptly. It is most important to your delivery. Write or phone today.
