Almost 27,000 bales of cotton had crossed gin scales in Lamb County by noon Friday when a bale count was made by telephone

ECONOMY STEADY

### Deposits Up \$1 Million

A bank call on Oct. 28 showed deposits up more than \$1 million dollars over the call date in 1969 and a further steady economy was reflected with loans down slightly.

One factor cited in increased deposits was the good grain crop and better milo prices than those paid a year ago. Milo crops also were cited as a reason for deposits being down in some instances, because some producers were still holding their grain crops hoping for a further price

Early ASC payment, better grain crops and a steady grain market were a at-tributed as factors in the drop of loans, since money from these two sources was repaid after the checks went out in the mail July 1.

DEPOSITS are up a total of \$1,276,404 over the Oct. 21 call last year in the six Lamb County banks, the Citizens State Bank at Anton, and Littlefield Federal Savings and Loans. Deposits and loans both were up at the

Security State Bank in Littlefield and Citizens State Bank at Anton both showed deposits up and loans down.

Loans and deposits were down at the First National Bank in Littlefield, the Citizens State Bank at Earth, and Amherst's First National Bank.

LITTLEFIELD Federal Savings and Loan had deposits of \$12,224,627 this quarter compared to \$11,793,397 for the same period last year, for an increase of \$431,230. Lonas were up \$63,522 from \$10,411,609 last year to \$10,475,131 on the call date for 1970.

Deposits were up at the Olton State Bank from \$7,669,061 a year ago to \$8,242,145 on the official federal and state call date this quarter. This is an increase of \$573,084. Loans at the Olton bank were up \$147,981 from a total of \$5,138,585 in Oct. 1969 to \$5,286,566 as of Oct. 28.

The Circle Gin and Jack Straw Gin had not put on night crews because of a shortage of gin labor.

GINS ALL OVER the county reported a shortage of help to keep gins humming. Ginners, suction feeders and men on the presses were needed at the crowded gin

Early cotton returns showed good grades, staple lengths and mic readings on the few grade cards returned, but most gins showed government classing behind several hundred bales.

Strict low middling and middling light spot seemed to be the predominant grade, with staple lengths running 31/32 with a micronaire in the premium range of 3.5 to 4.9. Price per pound was between 20.40 and 22.25 cents per pounds.

SIX GINS in the Earth area had tagged out 5,657 bales through Friday noon and another 1,000 bales were expected to be brought in before the day ended. The Earth area reported the best turnout of cotton produced in several years. The Nichols Gins at Pleasant Valley and Earth were not ginning around the clock because of a lack of crew. The Earth Gin Co. put on a full crew Tuesday and the Earth Co-Op vas to have a might crew for the first time

Six gins in and around Littlefield had issued 4,820 green tags through Friday noon. A night crew was hired Monday at the Littlefield Farmers Co-Op, and other gins were trying to hire enough hands to

run without shutting down one shift.
Four gins in the Amherst area had weighed in 3,921 bales, and a capacity was expected to be reached early this week with weather conditions remaining fair.

SPADE had tagged out 3,117 bales at the Friday noon call. The Spade Co-Op started 24-hour operations Monday and the

Hampton gin had one and one-half crews. Three gins at Sudan had a total of 2,950 and ginning was just getting started good there, due to some later crops than in other parts of the county.

Hart Camp and Fieldton had a combined total of 2,300 bales to cross the scales. The gin at Hart Camp and both Feildton gins were needing labor to put on night ginning

Springlake gins had weighed in 1,686 bales. Crops are late in this area, too, and ginning is just now getting up steam.

Farmers were complaining of not get-ting any grade cards back. Billy Braden, owner of the Springlake Gin Co., had not received a single return and termed the slowness "typical federal operations."

Floydada's Mean Green won the District 3-AA tilt, 21-3, but the state-ranked Whirlwinds, now 9-0 for the year, had to fight every inch of the way.

The Wildcats, although 0-9 and going nowhere except to the "Cellar Bowl" with Morton here next Friday night, gave the Whirlwinds their stiffest test of the year.

AND IT WAS a proud Wildcat team that left Floydada's Wester Field Friday night, for they put on a tremendous defensive effort in a game that was actually closer than the score indicated.

Floydada, ranked as high as second in the state this season, got only one offensive drive under way during the night.

It was a 13-play, 68-yard march in the first quarter, on which officials measured for first downs four times during the drive. FB Van Mitchell finally capped it with a

one-yard drive with 2:49 left in the first quarter. Greg Campbell kicked the first of three extras to give Floydada a 7-0 lead.

3 1/2 cups cornbread crumbs 3 1/2 cups white bread crumbs 1/4 cup butter, meltedp 3 tablespoons minced onion

cup chopped celery 2 teaspoons salt 1/2 teaspoon pepper teaspoon

seasoning 2 or 3 teaspoons sage egg, beaten slightly 1/2 cup milk

2 cups hot chicken broth Crumble bread in a large pan or bowl. Melt butter and lightly saute onion and celery . Add to crumb mixture; add other ingredients and mix well. If dressing seems too dry, add more broth. Bake in a shallow pans at 400 degrees for about 15 to 25 minutes.

TRY ADDING a pinch of salt to sugar for your frosting to prevent it from being grainy; and add a pinch of salt to egg white before you beat them and they will mound faster.

HAVE DIFFICULTY in removing a baked cake from the pan? Try placing the hot pan on a damp cloth for a few seconds; the steam helps to release the cake.

### The Best Men?

THE ELECTION behind us, some of the wounded and some of the fallen continue to complain that the party of the first part was unfair

Sen. Ed Muskie during the campaign was offended by a newspaper ad which said "The extremists need Muskie; the State of Maine does not."

Candidate Adlai Stevenson III in Illinois resented being reminded that he had called Chicago police "storm troopers."

These candidates and others protested that such campaigning linked them with violence and lawbreaking and lawbreakers.

Sen. Muskie called such campaigning "a perversion of our political process.

Now that returns are in and added up we can see that all these frightened expressions of indignation, all the protestations about keeping politics dignified, were unnecessary.

THERE IS NO evidence that the American people were swayed either way. There is evidence that even presidential and vice presidential cheerl ing could not prop up a loser.

### WOMAN'S VIEW

# Roads

By PEARL BRANDON

"I'll make a road for you." These were the words of a Mexican man s he walked along throug ahead of me

IT WAS mid-winter and the ground had been covered with snow and ice for six weeks Things were getting rough for those who made their living by working out

This was years ago when the county filled up with migrant workers every fall with part of them staying on through the winter. This particular year the weather was bad most of the fall and they had been able to save very little money

WHEN THINGS became drastic the City and County allocated money for food and fuel and asked me to do the envestigating. This Mexican man, who spoke English, offered to help. The snow was more than shoe-top deep

in Mexican town as we walked from shack to shack. . . he going ahead breaking the snow while I walked behind stepping in his tracks. I'll always remember his making a road for me. MANY PEOPLE go ahead making roads for others to follow. In the early day in this

country our fore-fathers cut roads through the forrest and built crude bridges over the streams. Once there were roads; many I can remember when men were

required to work on the road a certain

number of days a year in Oklahoma.

MOST OF US would like to leave easier roads in life for our children such as better clothes, better homes, better schools, better opportunities.

We would like to leave better spiritual roads also.

ONCE THERE was a mother praying and as she prayed to her God she prayed

"Father, take him and use him in thy work. . . he is fine, and talented and handsome and healthy. . . he could do great things for you."

THIS MOTHER was very much surprised at the answer from the Lord. "It is your life I can use, Mother,...you are the dedicated one."

SO THE MOTHER, somewhat disappointed, rededicated herself and endeavored to live the best she could for her God and for her family.

Then the son seeing the deep devotion of his mother sought his own road to God, resolving to live a strong, useful life.

HIS MOTHER'S prayers were answered after all.

Each of us must find our own particular road to God, then regardless of how rough it is, He walks ahead leaving tracks for us to follow "I'll make a road for you."

### AMHERST 2-1 IN DISTRICT

# Dogs Gnaw Nazareth, 42-6 In Loop Winner

Amherst hosted Nazareth and chewed them up by 42-6 Friday night.

Bobby Clayton was the magic word for the Bulldogs. In the initial period, Clayton put the Bulldogs out in front with three scoring runs. Clayton, All-South Plains last year and headed that way this year, scored from the three; 10, and six yard lines. Eddie Moates, who had another fine night for the Bulldogs, added the extra points after each of the Amherst scores.

Doug Cummings grabbed a blocked punt in the second quarter and was carried into the end zone of Nazareth by his momentum. Moates again added the extra point

Ricky Miller carried for seven yards and a TD in the second and Moates added the extra to give Amherst a 35-0 halftime lead. Keith Gerber connected with Ben Huseman for 10 yards and the score for Nazareth in the third period. The extrapoint run failed.

In the final period, Moates caught a 20yard pass from Cummings to score. Moates then kicked his soxth extra out of six attempts.

Moates missed on a 44-yard field goal earlier in the game. The ball hit the posts and bounced straight up only to fall the wrong way.

Amherst is now 2-1 for loop play. The Bulldogs will face Lazbuddie at home this Friday. Lazbuddie was upset Friday night by Matador, giving the Matadors sole possesion of first place in district 3-B.

RICKY MILLER of Amherst goes down in a swarm of Nazareth defensive men after running a punt back 25 yards. In on the tackle for the Swifts is Arnold Ehly, 61, and Keith Gerber, 10.

# After Anton Bites, Turks Tuck Feathers

It was a sad day for this Turkey Turks when they decided to visit Anton Friday night. Anton's Bulldogs chased the Turks home with a resounding 41-8 defeat.

Bulldog running back Quinnon Williams had one of his best nights of the season by running for 230 yards. The entire Bulldog team was responsible for the 711 yards that the backfield and receivers racked up.

Billy Vivens racked up the first score of the night for the Turks on a run from one yard out. Vivens then ran for the two extras on what was to be the sole score for the Turks.

Williams made the first Anton score on a run from the two-yard line. Williams then ran for the two extras on his own TD.

Bill Walthall caught a pass from Tommy Gilbert for 23 yards to make six more of the Anton points. The extra-point run Walthall then caught a 32-yarder from Gilbert and again the pointafter failed. Then to cap the second quarter Williams scampered eight yards for a TD. The extras failed and the Bulldogs led at halftime 26-8.

Danny Spradley was in the right spot for an 18-yard pass from Gilbert. Williams ran for the extra points.

Williams scored the final score of the game on a 70-yard connection from Gilbert. Randy Jones kicked the extra.

As well as Williams being a threat to the Turk defense, the Turkey squad had to contend with Tommy Gilbert. Gilbert hit 11 out of 13 passes for 251 yards and four TD's. Spradley and Walthall were his

favorite targets.
Anton is now 1-4 in non-district and 1-2 in district play.

The game began with both teams just about equal in offense and both with a pretty good defense. Sudan proved they were superior, though by scoring on their first possession and holding the lead.

After running five plays to the Hornet 49 Steve Edwards broke away for 51 yards and the first TD. Kim Engram booted his first extra point of the night to give the Hornets a handy seven-point lead.

When the Steers received the kickoff Larry Erwin bobbled it, dropped it, picked it up and then scampered 35 yards toward the Hornet goal. Only one man was between him and the six points, but for the Hornets that was enough. Farwell started out passing and picked up a first before the rushing machine bogged down and had to

Sudan kept the ball for the remainder of the first quarter. In fifteen plays Sudan marched for ward to the Steer 30-yard line.

On the first play of the second period Engram booted a field goal to add to the Hornet margin, 10-0.

After the kick-off, Gene Sheets moved his team down to the Sudan one-yard line. On first down from the one, Gary Erwin hit the line and fell across. Larry Erwin kicked the extra point to make the score

Later in the second period, David Weaver, on one of his great plays of the night, joined in a scramble and came up with a fumble for Sudan.

This time the Hornets moved 23 yards for a score. Gregory McNabb carried the last six steps for his TD. Engram kicked the extra point to give Sudan a 17-7 lead.

Sheets came on in the third quarter and found his mark. The mark was number 22 on the jersey of Randy Chandler. In the second half sheets completed 19 out of 30 passes for gains of 174 yards. His favorite

target was Chandler, a 185-pound senior. Sudan opened up the scoring in the third quarter when Weaver found a hole big enough to get through for 83 yards. With 6:49 left in the period Engram kicked his third extra point, giving the Hornets what appeared to be a comfortable 24-7 lead.

Sheets was now turned on to what had to be done. In 14 plays the Steers moved 81 yards. It was mostly behind three completions to Chandler for 28 yards and two to Sheets other favorite, End Johnny Franse. for 20 yards. Barry Williams bulled over

the Hornets tied for the District 3-A lead at from the two to make the six points. The extra-point run failed and the Steers trailed, 24-13.

After the kickoff, the Hornets ran three plays before the fired up Steers stole the ball from McNabb. It just took the Farwell squad 11 plays to reach the Sudan goal. This time two passes to Franse accounted for 20 yards and four to Chandler made 32 yards. The fourth-period TD was made on a five-yard pass to Chandler. Larry Erwin missed the extra-point kick to make ths score 24-19.

But later in the quarter, Sheets went into action. On a fourth and 13 situation he hit Derek Garner with a 14-yard pass and a first down. The next pass fell incomplete and then Sheets hit Chandler coming across with a 12-yarder. Another first and Steers were knocking at the 35 of Sudan. The next two passes were batted down and a third down and 10 got to situation arose. Sheets threw to Chandler and an interference call was made, giving the Steers another first at the 27. Sudan just could not stop them.

With this first Sheets hit Chandler on the sidelines to stop the clock with 1:34 left. This eight-yard pass led the Steers to the 19 of Sudan. Again Sheets threw to Chandler and again interference was called, this time for 14 yards. The Steers were at the five with a first down. Larry Erwin hit the line for one yard.

With less than a minute to go, Sheets dropped back on forth down. Several econds later he found Chandler open and hit him at what appeared to be the goalline.

The referees ruled that his forward progress topped at the one-foot line and the ball went over to Sudan. With 34 seconds left, the Hornets drove out to their own 30 to end the ball game at 24-19.

The fans were shouting "We're number to bring to a close probably one of their closest homecoming games.

David Weaver, Gregory McNabb and Steve Edwards were the top three players of the night on both the offense and the defense. Weaver was in on 23 tackles and made four by himself. Besides his performance on the defense, the Senior running back gained 204 yards rushing. McNabb picked up 20 yards and was in on 10 assisted tackles and made five of his own. Edwards gained 108 yards and helped with 18 assisted tackles and one

# Three Way Eagles Claw Bula, 67-6

By EMIL MACHA

Leader-News Sports Writer

The out manned Bula Bulldogs bowed to the Three Way Eagles Friday night at Bula, 67-6.

The scrappy Dogs started off with their timing somewhat off, but coaches Halbrooks and Risinger saw the problem and made an adjustment which led to a better timed defense and offense for the Bulldogs. But it still wasn't strong enough to stop the clawing Eagles. Three Way, on its first possession

charged down field for three first downs and a score on a 20-yard run by Allan Joyce. The two-point run was stopped by Bula, to hold the Eagles, 6-0.

The Bulldogs' first play after the kick off was intercepted by Jerry Roberts on the Bula 38. A pass from QB Johnny Fergurson to

Paul Nino netted 22 yards and another Larry Neutzler ran for the two extras to make it 14-0. Bula's return trip was set up by Gene Stroud as he took the kick off on the 22 and

ran back to the 30. Their charge back was

stopped after a couple of incomplete passes by Ron Risinger and the Bulldogs were forced to kick on fourth down. Five plays later, the Eagles crossed the goal on a 32-yard pass play from Ferguson

to Paul Nino. George Duarto booted the extra and the first quarter ended with Three Way over Bula, 21-0. An intercepted pass and a fumble set up

key scoring situations for the Eagles as the Bulldogs tried to play catch up ball in the second quarter. The second quarter netted 27 points for

the Eagles. A nine-yard run by Allan Joyce, and a 29-yard pass play from

Ferguson to Nino, with Duarto kicking the extra, made the score 34-0. A pass to Gino Abbe was good for a dozen

yards and the Eagles third TD for the A Bula pass was intercepted by Three

Way's Duarte, who ran 19 yards for another Eagle score. Nino charged over for the two extras to

make the score 48-0 at the half. Three Way scored in the first few

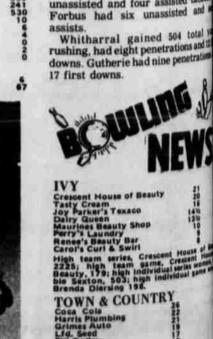

seconds in the third quarter on a 35-yard run by Joyce. Duarte kicked the extra to give the Eagles a 55-0 lead. Bula came back with a new game as

Stroud took the kick-off on the 20 and charged back to the 34. Jimmy Risinger ran for a first down. Two plays later, Jimmy Risinger prenetrated the Eagle line for another first. Another first was made on an eight-yard pass to Craig McDaniel. Then Jimmy Risinger plowed over from the two for a score.

But the Eagles scored once more in the third quarter with Joyce running back the kick-off from the Three Way 11 for a sixpointer.

The last quarter saw the Eagles try two field goal attempts in vain before scoring one on one-yard surge by Ronnie Richardson.
