

Olton Mustangs Roll Over Wildcats In Rain, 40-8

WARREN
Littlefield Wildcats and the Olton Mustangs met on a cold, wet, foggy Friday night, but before the game blew, it was all sunshine for the Mustangs as they defeated the Wildcats, 40-8.

The Wildcats managed only 37 net yards rushing and the 'Cats' premier running back, Bill Turner, was held to one of his lowest rushing total figures of the '74 season as he gained 42 net yards on 17 carries. Turner left the ballgame with 8:27 seconds left in the third quarter with a knee injury and saw very limited action for the remainder of the game.

For the first time this season, the 'Cats' passing yardage exceeded the rushing yardage as Ronald Parmer threw the ball 20 times and completed 7 in what has to be an outstanding performance in wet weather. On at least two occasions Wildcat receivers dropped the slippery pigskin on plays

that seemed to be destined for long-gainers. The 'Cats' only tally came with nine seconds left in the ballgame as Sammy Schlottman broke a kickoff return for 77 yards up the middle for the score. Parmer's pass for the two extra points to end Gary Lichte gave the 'Cats' their 8 points for the night.

Littlefield ended its season with a 3-win, 6-loss and 1-tie record while Olton won its eighth game of the year against 1 loss and the Mustangs have the one regularly scheduled game against Dimmitt left to play. The first quarter was scoreless by both teams but Olton wasted little time in the second quarter to score. The Mustangs received the ball on the Cat 44 following an exchange of punts. Runs by Johnson and Jimmy Parker advanced the ball to the Littlefield 21-yard line and on a first and ten situation, Joe Alcorta scored his first TD of the night by sweeping the right side of the line for the score. Parker added the two extras on a keeper and the score was 8-0 with 10:51 left in the second quarter.

Neither team was able to move on their next possession as Wildcat defenders rose to the occasion to shut down Olton and the Olton team did likewise. Steve Cruz, Ronald Barton, Reginald Payton, Ben Farmer, Rick Hopping, Stanley Patterson and Turner all turned in good defensive performances for the 'Cats and their neighbors to the northeast did likewise the entire game.

Shoplifting, Bad Checks To Be Studied In Workshop

SELECTED members of the Littlefield Chamber of Commerce and Agriculture are shown after their meeting Thursday morning. Directors, left to right Tom Hilbun, Carol Black, Dale Walthall, B. D. Bennett and Paul Bennett who were elected to three year

A two-hour workshop on the control of shoplifting and bad check losses will be held Monday night at 7:30 in the XIT Room of Security State Bank, according to J. L. Marcum, president of the Littlefield Chamber of Commerce. As a service to businessmen of the area, the workshop is presented by the Littlefield Chamber of Commerce, other civic organizations, local law enforcement officers, and the Small Business Administration. According to Philip J. O'Jibway, District Director of the Lubbock SBA, a panel consisting of representatives of the District Attorney's office, the chief of police and other public officials will be present to answer question and explain what the individual businessman can do to protect himself against these losses.

J. L. Marcum, president of the Littlefield Chamber of Commerce said, "Every year our local shopkeepers lose many thousands of dollars through the activity of shoplifters and check artists. No one knows how much these losses add up to in a year's time, but any retail businessman can tell you that they can be a very heavy drag on a small business enterprise. "But the small businessman cannot afford to hire special policemen and he cannot afford the expensive and more elaborate electronic devices large firms use to thwart the efforts of both the professional and amateur 'light finger artists' who make off with merchandise or cash without getting caught," he concluded.

Councilmen Take Action On Business

At a session Thursday night, the city council took action on business items. Councilmen decided to table the proposal of allowing the placement of gas stations in the downtown area, and to rule against making changes on the 24-inch water line from the sandhills unless such changes previous contractual agreements between the city and the sandhills owners along the route. Councilmen appointed Mrs. Christelle Bennett to serve as a member of the Littlefield Association of Governmental Abuse Committee. Councilmen discussed granting property rights to individuals at Bull Creek and agreed a concession stand for the summer park area. Councilmen decided to work up a continuing certain percentages of gross receipts be given to the city property owner, Dr. Wallace. Councilmen voted to continue its affiliation with the Texas Utility Advisory Council, which is an affiliate of the National League, and to pay the dues for a year. Councilmen passed a resolution approving the lease of 80 acres of farm land

owned by the city to J. L. Marcum, who's high bid was \$176 per acre. On the last "new business" item, councilmen decided to continue a study on the proposal by the Environmental Research Associates, Inc., of Lubbock for the joint treatment of waste water for the cities of Littlefield, Brownfield and Levelland. City Manager Jim Blagg explained that Ralph Douglass, a prime researcher on waste water treatment at a pilot plant in Lubbock, had approached the city with the proposal, and that the plant would be constructed at Levelland.

The plant would accept and treat all raw sewage from the three cities at 15 cents per 1,000 gallons (paid by the cities), and that the water reclaimed would be sold to oil companies for use in flooding underground oil beds. Blagg explains that currently, it costs the city 23 cents per 1,000 gallons for sewage treatment. Blagg also explained that the city would not have any claims to the water after it left here. Councilmen decided to wait on the matter, due to the pending industries that may be brought into Littlefield, which could utilize the water.

Veterans' Day Breakfast Set For Monday

The traditional Veterans' Day breakfast will be held at the VFW on Monday morning from 5:30 to 8:30. The breakfast is sponsored by both the Veterans of Foreign Wars and the American Legion during the breakfast.

More Rain, Cold Weather Add To Farmers' Woes

Spotted showers, heavy cloud coverage and high humidity the last of the week did nothing to improve optimism among farmers waiting to harvest crops. Grain farmers who have been waiting from weeks to two months to cut their sorghum term this fall "just another '72." The grain sorghum situation has worsened with cool, damp weather. Now a killing frost and possibility of high winds threaten the crop. Test weight has been running far below the 1973 test because of weather conditions earlier this year. Farmers are worried about lodging because of hot, dry conditions in late summer when rains would have been welcomed. Add to these worries the fact that the cotton crop outlook is the lowest in 24 years. Each succeeding yield estimate pegs the High Plains cotton crop lower. The joint November estimate of the Lubbock Cotton Exchange and the Plains Cotton Growers Inc. places the potential Lamb County bale count at 72,000, off 16,000 bales from their Oct. 1 estimate. Even with the short crop, the price

4 Women, 2 Men Jailed This Week

County authorities jailed six persons this week on various charges. Felony theft and misdemeanor theft charges were filed on two women this week following shop lifting reports. Josie Gonzales and Mary Ann Garcia were each charged with one felony theft and one misdemeanor theft from Anthony's and Pazaz, respectively. Bonds were set at \$2,500 each on the felony charge and \$1,000 each on the misdemeanor theft charges. The two were arrested less than three minutes after the sheriff's office received the call reporting the shop lifting. In other activity this week, two Earth women were arrested Thursday on warrants from Deaf Smith County. They posted \$200 bonds. A Littlefield man was arrested on a warrant, and another Littlefield man was arrested on a misdemeanor theft charge.

County Library Week Kicks Off 3-Year Drive

Monday, the Lamb County Memorial Library Corporation will begin a three-year fund raising drive for a new Lamb County Library building. Total funds needed to build the building are 250,000, and members of the committee hope that construction can begin early in 1976. To date, the site has been donated and approved by the Texas State Library Board, and some funds have been received from foundations, including the Ewing Halsell Foundation and other interested individuals. Lamb County Judge G. T. Sides has issued a proclamation designating this week as Lamb County Memorial Library Week throughout the county. The Lamb County Memorial Library Corporation is non-profit and all donations are deductible under IRS file A 1227-309:DB. According to Herschel Randall, president of the Corporation, "Donations or pledges may be made in 1974-1975 and in January of 1976 in order to meet the requirements of the Texas State Library Board. Compliance with these regulations may result in a grant for Federal funding participation." Randall continued, "Since this is a local project without paid solicitors or fund raisers, we are asking our Lamb Countians to contribute voluntarily. Contribution cards will be available in several locations in each community. Should a card not be available, contributions may be mailed to Box 586, Littlefield, 79539." In concluding his proclamation, Judge G. T. Sides stated, "Now, therefore, I, G. T. Sides, Lamb County Judge, do hereby proclaim Monday, Nov. 4 as the beginning of Lamb County Memorial Library Week. I call on all citizens of Lamb County to support the efforts to secure funds for the building of this library facility, of which we can all be justifiably proud." Officers of the corporation are H. C. Randall, president; James T. Lee, vice president; Mrs. Simon D. Hay of Sudan, treasurer; and Mrs. Pat Lewis of Earth, secretary. Other trustees are V. M. Peterman of Littlefield, Mrs. Mary A. Wicker of Littlefield, Mrs. Beryl C. Vann of Spade, Mrs. Lillie M. Silcott of Olton, Mrs. Laverna Thompson of Olton, Kenneth Ware of Littlefield, Judge Pat Boone Jr. of Littlefield, Judge G. T. Sides of Littlefield, Paul Carmickle of Littlefield, Hubert Henry of Littlefield, Mr. and Mrs. C. O. Stone of Littlefield and Bob Wear of Monahans.

Library Building Plans On Agenda

The commissioners court will consider several items of county business when they meet in their regular second Monday meeting tomorrow. Tuesday's general election returns will be canvassed and expense accounts for conducting the election will be considered. At 1 p.m. a committee from the Lamb County Library will talk to the court on proposed new library facilities. Other scheduled business includes payment of the monthly bills, acceptance of all the monthly reports from the various offices and services, and the appointment of an alternate presiding judge for voting precinct 16.

Several Primary Students Scarlet Fever Victims

A number of Littlefield students have apparently contacted scarlet fever or scarlatina, according to Dr. J. H. Oyer, county health officer, and Littlefield's school nurse Joyce Oliver. Mrs. Oliver said Thursday that she had seen approximately 20 primary students she believed had the contagious disease. "And so many students coming in with sore throats raises the index of suspicion," she added. Dr. Oyer said scarlet fever or scarlatina are the same thing with the only difference a matter of degrees. High fever, sore throat and sometimes vomiting occur before a rash breaks out. The incubation period is two to seven days. Most cases of scarlet fever occur between the ages of two and eight. The rash resembles red "goose bumps" and starts around the neck and chest and spreads over the rest of the body. The rash is rarely seen on the face. Temperatures may be as high as 104 degrees. The throat is usually very red and tonsils may be inflamed. Whitish coatings on the tongue, then "strawberry tongues" and swollen neck glands are other indications. A slight peeling of the skin and scaling palms after the height of the rash are sure indications of scarlet fever, according to Dr. Oyer. Infection is caused by a streptococcus and is acutely contagious. It is contracted by direct contact or from books, clothing, toys, and other contaminated objects. Complications can lead to ear, gland, kidney infections, and rheumatic fever. Arthritis frequently follows scarlet fever. The disease is very responsive to penicillin therapy, Dr. Oyer said.

Woman's Club Scholarship Dinner Scheduled Tuesday

Members of the Woman's Club will serve their annual scholarship dinner in the Community Center Tuesday night at 7:30, and the public is invited. Jack Wicker, president of Security State Bank, will deliver the main address on "Inflation—Where Do We Go From Here?" The meal has been prepared by the club members, and will be served buffet style. Tickets are \$3 each and may be purchased from Mrs. Lena Jones or Mrs. Hazel Kimbrough by calling 385-4460 or 385-3977 respectively. Troy Armes will serve as master of ceremonies, and dinner music will be provided by Miss Jan Sisson. Wicker is a native of Bell County, as he was born in Killeen. He has lived in Belton and Temple, and attended Abilene Christian College. After World War II, Wicker moved to Midland where he was cashier of Midland National Bank. In 1948, he was elected chief executive officer of that bank. Other positions he held while in Midland were: President of Midland Chamber of Commerce; chairman of a diagnostic Cancer clinic; member of the board of trustees of Abilene Christian College; chairman of the Seventh District of Texas Banker's Association; member of the Administrative Council of the Association from 1955 to 1958; and chairman of the finance committee for the city of Midland. In 1958, Wicker moved to Littlefield as president of Security State Bank. He has served as president of the Littlefield Industrial Corporation, Rotary Club and Chamber of Commerce, and is now the director of the Independent Banker's Association of Texas and the West Texas Chamber of Commerce.

Turkey, Sausage Dinner Served At Center Today

The Parish Council of the Sacred Heart Catholic Church will be serving its 38th annual Turkey and Sausage Dinner today from 11 a.m. to 2 p.m. in the Lamb County Community Center, located at West Third and Ripley Streets. Tickets may be purchased at the door at \$3 for adults and \$1.75 for children. Last year, more than 1,000 persons ate more than 450 pounds of turkey and 700 pounds of homemade sausage. Some sausage will be sold to take home customers if there is enough left after the dinners are served.

School Trustees To Meet Monday

The Littlefield School Board of Trustees will meet at 8 p.m. Monday in the high school auditorium for their regularly scheduled monthly meeting. At 7:30 p.m., the board will assemble at the Primary School to tour that facility. On the agenda, under school business are the following six items: minutes from previous meeting, financial statement, central office location, Plan "A" report, personnel and miscellaneous business.

Bowman-Moreland Vows Exchanged In Church

A double-ring wedding ceremony united Miss Donna Janette Bowman of Littlefield and William Gregory Moreland of San Angelo in marriage Saturday evening, Nov. 9, in the chapel of the First Baptist Church of Littlefield.

Rev. A. J. Kennemer officiated for the reading of the vows before an archway entwined with greenery and decorated with blue bows and blue carnations. Spiral candleabras, with blue tapers, flanked each side of the archway.

Parents of the couple are Mr. and Mrs. Harold Ray Bowman of Littlefield and Mr. and Mrs. W. D. Moreland of San Angelo.

Given in marriage by her father, the bride wore an Empire styled, floor-length wedding gown of bridal satin overlaid with silk chiffon. The lace-appliqued bodice of her dress featured a semi-high round neckline encircled with pre-pleated, ruffled trim. Lace ap-

pliques and ruffles also completed the cuffs of her long, gathered sleeves. The appliques were featured above the wide, gathered flounce of her hemline that extended in back to form a chapel-length train. Her veil of silk illusion was attached to an appliqued headpiece encrusted with satin bows and tiny seed pearls. The bride's gown was designed and made by her aunt, Mrs. Donald Cowen and grandmother, Mrs. Wayne Cowen.

She carried a Simplicity bouquet of white feathered carnations with a lift-out corsage.

For "something old", the bride wore a string of pearls, belonging to her great-grandmother. "Something new" was her wedding gown and something borrowed and blue" was the traditional blue garter, belonging to her mother. She had a six pence in her shoe for

good luck.

Attending the bride as maid of honor was Daria Bond of Pecos. Bridesmaids were Vicki Moreland of San Angelo, sister of the groom and Sharrise Cowen of Littlefield, cousin of the bride. They were all fashioned in blue Empire styled, long sleeved dresses, and carried nosegays of feathered white carnations with long flowing blue streamers.

Flower girl was Michelle Mills, daughter of Mr. and Mrs. Ernest Mills, and ring bearer was Rocky Bowman, brother of the bride. Miss Mills carried a lace basket with blue petals.

The candles were lighted by Connie Bowman, brother of the bride and Al Moreland, brother of the groom. They also served as groomsmen.

Ushers were Dennis Cowen and Glen Short, cousins of the bride.

Serving the groom as best man was Darrod Deremo of San Angelo.

Music was provided by organist, Mrs. Dewey Hulse and vocalist, Mrs. Donnie Bowman, aunt of the bride. Musical selections were "Twelfth of Never", "Hawaiian Wedding Song" and "Can't Help Falling In Love".

The wedding guests were registered by Tonya Bowman and Elisha Short, both cousins of the bride.

A reception followed in the parlor of the church. Serving were Connie Cannon and the bride's cousin, Marilyn Cowen. For a reception followed in the parlor of the church. Serving were Connie Cannon and the bride's cousin, Marilyn Cowen.

For a wedding trip to Carlsbad, N.M., the bride wore a navy blue pants suit and the corsage lifted from her bridal bouquet.

Following their honeymoon, the couple will reside in San Angelo.

The bride is a graduate of Littlefield High School and attended Angelo State University in San Angelo.

The groom is a graduate of San Angelo Central High School.

Texas TOPS No. 102 met Tuesday night in the dining room of Medical Arts Hospital for their regular meeting with 12 members present.

Members were weighed and measurements taken as they arrived.

The meeting was called to order by Juanita White and the roll called.

Plans for the trip to Dimmitt were concluded, and more plans for the Nov. 14 family supper were discussed.

Queen for the week lost 1 1/4 lbs. and runner-up lost 1 lb. Monthly queen lost 7 1/2 lbs., runner-up lost 4 1/4 lbs.

After the business meeting secret pal cards and gifts were distributed and the meeting dismissed.

FOUR MORE YEARS!

BY LONNIE BROWN

A Woman's View

By PEARL BRANDON

I AM SURE most of you have seen the news reels on tv about the starving people of Bangladesh, India and other countries of the world.

It was so pitiful, seeing all those hungry children scrapping the last bite out of their bowls and licking their hands. I thought if we could only bring those children over here.

Each town could adopt a few and feed them without missing what they ate. Most of us throw out enough food as table scraps to feed a hungry child.

DURING World War Two I heard a lovely lady, whose son was a prisoner of war, say she hated to feed her dog, she knew her son would have been glad to have those table scraps.

IN THE convention at Lousanne, Switzerland recently where Christians gathered from all over the world to discuss evangelizing the world, Billy Graham gave the closing address.

He knew that some of those people there would go back to their countries in actual physical danger to spread the word of God.

He said, "One day Jesus Christ will show Himself openly and you who have come to Lousanne from Malawi, from Chad, from Sikkim, from China, from America, from the Soviet Union, from everywhere—you will share in the glory of His coming—The King is coming!"

"You will leave Lousanne to go back, in some cases, to dangerous situations. You may be misunderstood, misquoted, and misused. Paul lived in suffering all the time.—In the midst of danger God will be there."

IT IS HARD for us, living in beautiful America, to conceive of such great hunger and persecution going on in any part of the world.

They are having a message that they can find solutions to their problems of feeding the hungry in their great distress.

One news man said food sent to these countries, but reaching the people because their governments were using their own gain.

Let us pray that those overthrown and that good their places.

I DON'T BELIEVE we will have peace in the world as long as we are starving people.

Jesus said, "Come unto me and I will rest." He was able to feed with only a few loaves of bread fish. The world needs us desperately. May He hear the hungry children and suffering and come to their rescue.

The last verses of the Bible which testify these things are, "Surely I come quickly. Amen. So, come, Lord Jesus." The Lord Jesus Christ be with us Amen.

MAY THIS happen soon, that of Christ be to all people everywhere. For where He is there is peace, hearts even through hardship. In Isaiah 41:31 we have this, "that wait upon the Lord shall not be weary; they shall mount wings as eagles; they shall not be weary; they shall not faint."

Where ever the Gospel of Christ is taught and accepted, the people are lifted to a higher plane of living. Pray that this will happen all over the world soon.

THE FOLLOWING IS a part of an article that appeared in the Dimmitt paper this week. I thought that it deserved reprinting, because each community faces the same problems in some degree as our neighbors to the north.

AS OF TODAY, there's a standing \$5,000 reward on the head of every drug-pusher in Castro County.

IN ONE of the toughest anti-drug moves in Texas history, concerned parents have put up the \$5,000 reward "for information leading to the arrest and conviction of any person or persons making narcotics or prohibited drugs available to minors in Castro County, Texas."

And they're ready to pay the reward "as many times as necessary, until we have ridged our county of pushers," a spokesman for the parents' group said. The first \$5,000 was gathered within four days over the weekend, and the parents' group is asking more pledges to spread out the expense of future rewards.

"WE INTEND for this to be a continuing thing," the parents' spokesman said. "This will be a permanent reward, and we're all willing to pay it. The main

MR. AND MRS. Davis May of San Antonio visited her mother, Mrs. Oby Blanchard this week. They visited her daughter, Mrs. Tommy Adams and family in Lubbock and his father and sister, R. L. May and Mrs. R. P. Reed and family in Kress Wednesday. They returned home Thursday.

MRS. AUDRIE Warren of Lubbock visited her brother, Guy Hufstедler and family Sunday night.

MR. AND MRS. Leroy Nuttall and Wade of Friona were Tuesday night supper guests of his mother, Mrs. Annie Nuttall.

MR. AND MRS. Lamar Kelly were in Muleshoe Tuesday afternoon and attended funeral services for Henry Harvey. He was the father of Rudolph Harvey of Canadian, a former Amherst resident. Their son Pat returned home with the Kellys for the night and his parents picked him up Wednesday as they returned home.

MRS. EMERY BLUME and her mother, Mrs. Agnes Phelps remain in Houston to be near Emery as he continues his treatments at M. D. Anderson Hospital and Clinic.

FUNERAL SERVICES for J. L. Harris, 77, of Portales, N.M., were conducted

there Tuesday afternoon. He died in Lovington following a lengthy illness. He had lived in Portales since 1929. Survivors are a daughter, Mrs. Clara Stokes of Amherst and sons, Edwin Harris, Portales; Irby Harris, Tatum; and Lowell Harris of Bassier City, La. His nephew and wife Mr. and Mrs. Luther Harris of Cisco visited Amherst friends as they returned home.

CASSIE MOTE celebrated her 13th birthday last week. Before the game at Sudan they all ate supper at the Amherst Drug. After the game they returned to Amherst for a slumber party at her brother, Butch Mote's home. Cokes, snacks and games were enjoyed by Kelly Tomes, Tanoo Landers, Charla Carpenter, Terri Cowan, Carri Rogers, Nancy Bass and the honoree Cassie.

MRS. Clara Stokes took her granddaughter Lonnie Williams home last weekend. She had attended first grade in school here this term. Her infant brother was not well there. They made the plane trip to Washington, D. C. The Williams live in near by Maryland, where he is stationed, in the service.

MRS. JIM Templeton and her daughter, Mrs. Vernia Lee Rose

of Littlefield, and brother, Roy Brannon of Portales went to Azle, near Fort Worth Tuesday of last week and visited relatives and attended to business. They returned by Vernon Saturday where they visited Mrs. Templeton's sister-in-law, Mrs. Delois Brannon and family.

MRS. GENE TEMPLETON and daughters, Jennifer and Lesa of Earth, visited in the Jim Templeton home Tuesday.

MRS. DELLA THOMAS attended the art class of Mrs. Lucile Stewart in the Reddy Room in Littlefield Wednesday afternoon.

DON CRISWELL of Lubbock visited Mrs. Annie Nuttall Wednesday.

Lower your thermostat to 65-68 degrees during the day and 60 degrees at night. If these settings are six degrees lower than those maintained last year, you could save up to 15 percent in heating costs.

Alpha Lambda Zeta Conducts Session

Members of the Alpha Lambda Zeta Chapter of Beta Sigma Phi met Monday evening, Nov. 4, in the XIT Room of the Security State Bank.

Business was discussed and Darlene Maxfield presented the program "All Together Now." Charla Rountree won the door prize.

Hostesses, Linda Charlton and Carol Haile, served vegetable salad empanadas, french bread, orange muffins, and hot apple punch.

Inaugural Services Set For Former Sudan Women

SUDAN—The inauguration of Dr. Evelyn L. Milam, formerly of Sudan, as the ninth president of Cottey College, a two-year liberal arts college for women, will be held Nov. 23 with Dr. John D. Moseley, president of Austin College at Sherman, delivering the inaugural address.

A native of Texas, Dr. Milam is the daughter of Mr. and Mrs. John K. Milam of Sudan.

She holds the Ph.D. degree from the University of Wyoming, the M.A. degree from Texas Tech University, and the B. A. degree from West Texas State University.

Before assuming the presidency of Cottey College Aug. 1, Dr. Milam was professor of education and psychology at Austin College, where she had been a member of the faculty and staff since 1962. She had served as administrative officer for the department of teacher education and as director of admissions and financial aids. In 1972, the Austin College teacher education program received a distinguished achievement award from the American Association of Colleges for Teacher Education.

In 1967, Dr. Milam was the recipient of the M. Margaret Stroh International Fellowship

Calling All Homemakers
 BROUGHT TO YOU BY

BERT AND CAROL WALLACE

SOME THOUGHTS ABOUT MAKING A GOOD ENTRANCE
 The entrance, or foyer, of your home, whether it's large or small, wide or narrow, is where you welcome your guests—and for that matter, yourself. It's the one room everybody sees—it's the one room everybody has to pass through.

The impression it makes can be lasting. Is it hospitable? Is it useful? Is it pretty?

So many foyers show the console and mirror arrangement that you would think there is no other way to decorate this very important part of your home.

A good looking nest of tables is one practical and helpful way to substitute for the usual console table—or, you might want to try an elegant slim table that gives you more room and more beauty in your entrance way. Those are just two of the many possible ideas.

If a foyer is large enough, it may be used as part of your living area with a small pair of chairs and when you entertain a large group, it will provide much needed additional seating.

Once the furniture has been chosen, you can concentrate your energies on finding accent pieces. We are here to help you in the selection of your foyer furnishings—and help you be sure you have a good entrance at your house.

Good Records Is Key To '74 Census

The 1974 Census of Agriculture, the largest agricultural statistical project of the past five years, will begin in January. It will be conducted by the Bureau of the Census, part of the Department of Commerce's Social and Economic Statistics Administration.

From Alaska to Florida, from Maine to Hawaii, farmers and ranchers will receive census forms in the mail around the first of the new year. The report forms are to be filled out and mailed back promptly.

Farmers themselves have participated in deciding what information is collected in the census. Representatives of farm organizations such as the Farm Bureau, The Grange, Farmers Union, National Farmers Organization, and Farmers Cooperatives serve on the Advisory Committee that recommends to the Bureau the

questions that should be included in the census.

Three kinds of information are requested about operations during 1974: first, a count of farm resources, number of farms, area of farm land, acres of cropland and pasture, number of each kind of livestock and poultry, number of persons working on farms, number of various kinds of farm equipment; second, a record of farm products produced and sold during 1974; and third, selected farming activities during 1974 such as number of days of off-farm work by the farmer, amount spent for farm labor, for custom work, for feed, for gasoline and oil.

To report this kind of information, a farmer will need to have a few simple records.

The Census Bureau is urging each farmer to have his records of quantities harvested, products sold, major farm expenses and the like readily available so that he can easily and accurately fill out his census report when it comes.

It is from the Census of Agriculture, conducted every five years, that data are taken to form the basis for programs of the U.S. Department of Agriculture, Congressional farm legislation, farm organization policies, farm programs established and administered by State departments of agriculture, and many other services provided by colleges, business firms, manufacturers, publishers and broadcasters.

The Census of Agriculture is the only source of statistics on agriculture that are comparable from county to county nationwide. It is the sole source of comprehensive data tabulated for each State and for the U.S. for farms classified by size,

tenure, type of operation, market value of products and type of farm enterprise. Every farmer's report is confidential by law. It is seen only by sworn employees and may be used for statistical purposes. The census method retains confidentiality. And it allows farmers to complete his report at his convenience with accurate information from his records.

Agly Heads Membership Drive

"Buster" Feagley of Lamb County Sorghum Producers Association director urges area producers to mail in their membership dues early this fall.

GSPA fall membership drive was launched Oct. 1 and is progressing now. GSPA is one of the nation's influential commodity groups, especially in Washington, according to A. W. Anthony, president of GSPA.

He said GSPA directors serve on several top level advisory committees, including the Federal Energy Advisory Committee, USDA's Feed Grain Advisory Committee, and the National Cost of Production Advisory Committee. Other GSPA county directors serve on state and county-level committees, advising ag officials of the sorghum growers' viewpoint.

Feagley stated that "membership in GSPA is one of the best bargains available. For just \$10 annually, you get representation in Congress, contribute to world-wide market development and have your production problems gain the attention of prominent sorghum researchers. You also receive the GRAIN SORGHUM NEWS without additional charge."

Citing some of GSPA's goals, Feagley said, "We stand solidly opposed to any type of embargo on sorghum exports, we will continue to work to guarantee our farmers an adequate supply of fuel, and we are putting a great deal of time and effort into solving the problems of increased production costs."

Feagley said membership dues application cards are now being mailed to all producers on the GSPA mailing list. Anyone who wishes to join GSPA may do so by sending a \$10 check with his name and address to: Grain Sorghum Producers Association, 1708-A 15th Street, Lubbock, Texas 79401.

PCG Presents Summary For 1973 Cotton Crop

This year's cotton crop in Lamb County won't come close to the 1973 production of 153,000 bales.

According to a summary by Plains Cotton Growers, Inc., this county's five year average cotton production is 109,180 bales, and the 10-year average total production is 120,810.

The present crop may be the lightest since 1969 when hail, an early freeze and other weather factors figured heavily in the low bale county of 70,200.

In '69 Lamb County planted 166,400 acres and harvested 123,100. The yield was only 273 pounds per harvested acre.

In 1970, 168,200 acres were planted and 159,800 acres were harvested. The '70 crop produced 370 pounds per acre, with a total production of 123,300 bales.

The 1971 crop showed 178,100 acres planted with 165,000 acres harvested which produced 257 pounds per acre, and a total of 88,300 bales.

For 1972, producers planted 172,600 acres; 144,400 acres were harvested. This yielded 369 pounds per acre and gave the county a total production of 110,900 bales.

Last year's crop was the best in the PCG records, showing 167,300 acres planted and 165,700 acres harvested. The yield was 444 pounds per acre, and the county's total production hit 153,200 bales.

The 2,888,700 bale cotton crop on the High Plains in 1973 was the largest ever produced in the 25 counties represented by Plains Cotton Growers, exceeding by almost 450,000 bales the previous record of 2,443,900 bales produced in 1961. Per acre yield for 1973 averaged 498 pounds against the 513-pound record yield established in 1965. Average yield per acre in 1972 was 457 pounds and total production was 2,242,850 bales.

In grade, the crop was 75 percent White, 24 percent Light Spot and 1 percent Spot and "others," as compared to 33 percent White, 35 percent Light Spot and 32 percent Spot and "others" from the crop of 1972.

Staple length for the 1973 season averaged 31.06 thirty-seconds of an inch, a significant decline from the previous year's 3.4 thirty-seconds of an inch. Only 27.8 percent of the 1973 crop stapled one inch or longer, compared to over 43 percent of the 1972 crop. The drop in average staple length on the

Plains was largely the result of an increased percentage of acreage being planted to the shorter staple, faster maturing varieties following the poor micronaire year of 1972.

Micronaire average for 1973 came to 4.13, well above the 3.2 average of 1972. Both improved weather conditions during the growing season and the varietal switch were factors in the increased micronaire average. 89.4 percent of the 1973 crop had micronaire readings of 3.5 and above, as compared to only 24.2 percent of the 1972 crop.

Pressley, or fiber strength (zero gauge) averaged 81,940 pounds per square inch on the 1973 crop with 90.8 percent 75,000 pounds and above. Corresponding figures for the 1972 season were 75,500 pounds per square inch and 51.7 percent.

Elongation—the percentage of stretch a given cotton will experience before breaking—averaged 7.5 percent for 1973, a little below the 8.6 percent average for 1972. This was to be expected in view of the greater strength of the 1973 crop, since there is a direct inverse correlation between fiber strength and elongation.

Requests for assistance with the interpretation of the information in this report, as well as suggestions for how it can be improved, should be directed to Plains Cotton Growers, Inc., P. O. Box 10425, Lubbock, Texas 79408. Telephone: 806-762-0553.

HOSPITALITY HOUSE NEWS

By JONNIE CHAPMAN

Helping Hands, Mrs. Wilhelmina Williams, Mrs. Rangel and Mrs. Howell were visiting their grandmothers, Mr. and Mrs. Ed Seely Sunday.

GAYLA JEWELL hosted a Halloween Party for the residents of the Home last Friday night. The lobby was appropriately decorated, and the children of the employees were all dressed up in different costumes. It was very colorful. We had a cake walk, with the wheel chair residents first. Dee Lafon furnished piano music for the walk and for singing after which we enjoyed the cakes with punch.

MRS. CLARENCE Albus and Mrs. Leonard Albus, visited their mother-in-law, Mrs. Victoria Albus Monday.

MR. AND MRS. Cecil Ayers were visiting her mother, Mrs. Minnie Carrell Saturday.

MRS. THELMA Wood from Alfus, Okla. is visiting her mother, Mrs. Edna Hanks this week.

MRS. Charlene Hawley, Amy and Bryan of Ventura, Calif. are visiting her grandmother, Mrs. Mel Kennedy and other relatives this week.

MRS. NORMAN Emfinger visited several in the home Wednesday.

MRS. DIXIE Pickard of Seymour, former LVN at Hospitality House, was visiting several of the residents Saturday night.

CHURCH SERVICES were conducted as usual Sunday afternoon, with Tommy Lobaugh leading the singing and Ellen Messingill at the piano. Ed Lobaugh, minister of Lawrence St. Church of Christ, and cousin to Tommy conducted the lesson. We had several visitors. Carolyn Spies sang two solos.

MR. AND MRS. Guy Phillips of Dayton, Ohio were visitors at the church services.

MRS. Patricia Cary and Stephanie of Clovis, N.M., daughter and grand-daughter, and Mr. and Mrs. J.E. Shultz, parents, visited with Weldon Shultz Wednesday.

LOUISE BANKS of Hereford visited her aunt, Miss Arma Banks Thursday.

QUINCY ARNOLD of Clovis, N.M. visited with Ed Ary Thursday.

Former Earth Resident Named District Agent

Mrs. Judy K. Sanders of Chambers, Colorado and Fort Bend Counties. Also, Galveston, Hardin, Jackson, Jefferson, Liberty, Matagorda, Orange, Victoria, Waller and Wharton Counties.

Mrs. Sanders is a member of the Texas and American Home Economics Associations, the State Nutrition Council, and the Texas and National Associations of Extension Home Economists. She is listed in "Who's Who of American Women."

She and her husband, Sam, have two children, Brad, 13, and Matt, 7.

AMHERST NEWS

ALSO HUNTING in Colorado in another group were Barry, Bearden, Winston Cummings, Hudson Cantrell, Neil Duffy III, Glen Eagle, Ricky Humphreys, Joe and George Thompson, John Allen Humphreys of Sudan, Gaylen Long of Denison joined them there.

MR. AND MRS. Carlton Bowman, Judy Bowman and Jana Heath of Hale Center visited the Harold Ray Bowmans in Littlefield Sunday.

MRS. JOHN FAUST spent Sunday in Lubbock with her son, Eddie Mac, and family. Her granddaughter, Kathy, celebrated her birthday.

Mrs. Judy K. Sanders of Chambers, Colorado and formerly of Earth, has been named District Extension Agent-Home Economics for the Houston area and surrounding counties, effective Dec. 1.

She is the daughter of Mr. and Mrs. Paul Wood of Earth. Dr. John E. Hutchison, director, the Texas Agricultural Extension Service, The Texas A&M University System, made the announcement Friday, Nov. 1.

Mrs. Sanders will supervise county Extension agents-home economics in Extension District 11, which includes Harris County and 16 other counties to the east and southwest.

Mrs. Sanders is currently serving as Extension agent-Expanded Nutrition Program in Lubbock.

A native of Tarrant County, she lived seven years in Lamb County, and is a graduate of Springlake-Earth High School. She holds B.S. and M.S. degrees in home economics from Texas Tech University and plans to earn a doctorate.

"In her capacity as Extension agent-ENP, she has had the responsibility for supervising both professionals and paraprofessionals in the Lubbock area—the Lubbock ENP unit has been considered one of the most outstanding and productive in the state," Hutchison said.

Also commenting on the appointment, Claudia Williams, state Extension agent, added, "With her outstanding background, education and experience, we look forward to the effective leadership for home economics and related programs that Mrs. Sanders will provide in District 11.

WILDCATS

and 0 for Littlefield.

The 'Cats were unable to move on their first possession of the second half but the Mustangs wasted little time in adding to their point total.

On their second play, Johnson broke through the middle of the Littlefield line to go 65 yards virtually untouched to make the score 20-0.

Two possessions later, Olton was again on the scoreboard as this time Johnson scored from one yard out with 2:36 left in the quarter. The try for two points was good this time as Johnson took a pitchout from Parker and scooted across the goal.

Littlefield was unable to move on their next possession near the end of the third quarter and as the final period began, Olton had the ball on their own 30 yard line. Johnson's running, aided by a 15 yard penalty against the 'Cats, moved the ball to the Wildcat 34 yard line where Alcorn scored his second TD of the night behind good blocking by J. D. Caudle to up the tally to 34 to 0.

The wet weather began to take its toll in the middle of the fourth quarter as Olton fumbled twice with Barton recovering one fumble and Doug McCain the

other one. Littlefield lost a fumble during this period as it was recovered by Olton's Buster Lloyd.

The Mustangs Bryan Alcorn intercepted a Wildcat pass in the middle of the fourth quarter and turned in two other fine pass defensive plays also in this period. Olton was the only one to

capitalize on these turnovers however as they came off Lloyd's fumble recovery to score their final touchdown with 20 seconds left as Alcorn scored his final TD to make the score 40-0.

Shlottman's kickoff return averted a Wildcat shutout.

VALLEY 14 AMHERST 7 Two touchdown runs by halfback Brent Guest provided the margin for the Valley Patriots in their 14-7 win over the Amherst Bulldogs in District 2-B play.

Guest scored first in the second quarter with a 10-yard scramble which was followed by Ernie Lucero's PAT.

Early in the second half Guest took off again, this time on a 22-yard scoring sprint. Lucero again converted.

The Bulldogs challenged during the third period with a 15-yard pass from Richard Holley to end Frankie Williams and a PAT by Curtis Ivey.

The Amherst effort proved too little and too late, however, as the fourth period went scoreless. The game was fairly even statistically, with Valley making 10 first downs to Valley's 11 and Valley holding a slight margin of 181 total yards to Amherst 174.

SHALLOWATER 34 ANTON 20

The Shallowater Mustangs put up 12 unanswered points in the final quarter to nail a seesaw 34-20 non-conference win over the Anton Bulldogs here Friday night.

Shallowater, a District 5-A representative, ran its record to 3-6, while Anton, representing District 2-B (South Zone), dropped to 4-4-2.

Mustang tailback John Gates was the hero for the visitors, scoring three touchdowns, in-

cluding the all-important two in the final period, which came on runs of 18 and one yard.

Gates also latched onto a 20-yard pass from quarterback Bobby Reeves in the second period.

Anton's scores came on runs of nine yards by quarterback Zane Butler and 13 yards by halfback Donald Willis. Butler also lofted a 62-yard scoring pass to wingback Greg Couch.

Junior Varsity Wins Fifth Game

The Littlefield Wildcat Junior Varsity won their fifth game of the season Thursday night by shutting out Dimmitt, 6-0.

Rudy Ayala scored Littlefield's touchdown on the last play of the first half as he scampered around right end for 20 yards and the score. The try for two extra points failed, but the six points were all that the JV's needed as the defense shut the young Bobcats out the rest of the game.

Coach Eddie Hooper singled out the play of Ayala as probably the most outstanding offensively and defensively along with Leslie Kirby, David Jones, Ray McKinnon and Brent Garland.

The Littlefield freshmen lost to the Dimmitt fish by a score of 20-6.

Littlefield's only score came

on the first series of plays of the second half as Jeff Birkelbach threw a 35-yard scoring pass to Randy Taylor.

Coach Buddy Comer stated, "this was one of our better games of the year as several boys turned in good performances."

Offensively the play of Jeff Ratliff, Willie Don Mason, James Kemp, David Goen, Ronnie Milligan and Bret Middlebrooks drew praise from the coach as did the play of Greg Moreland, Ratliff and Milligan on defense.

The eighth grade lost to the Dimmitt team, 14-0.

Coach Mark Hulin said that the team gave a good effort overall.

Hulin spotlighted the play of Richard Morgan, Rudolph Smith, Richard Soria and

Ronnie Martin in the game. The seventh grade team won their first game of the year as they defeated Dimmitt 14-6.

Greg Scott scored the first TD on a long run and Tracy Birkelbach intercepted a pass for Littlefield's second touchdown. Scott also scored two extra points after the second touchdown.

The play of Todd Upton, Hoby Phillips, Craig Hammock, Joe Yberra, Tommy Boleyn, Dale Bryant and Jimmy Clayton were spotlighted by the coaches.

The seventh grade has been using three teams throughout the season and the coaches contribute this system to allowing many boys to play and develop who might not have otherwise.

HALFBACK JAKE MILLER (23) ran for three touchdowns and 153 yards for the Springlake-Earth Wolverines in Wolverine Stadium Friday night before a homecoming crowd to lead the Wolverines to a District 3-A win over the Kress Kangaroos. His scoring runs covered 47, 8 and 12 yards and he collected his yardage total on 14 carries. He is assisted here by Doug Jones (32) and Brent Bebo (53). Rodney Geissler (33) made a 2-yard TD. Final score was 5-0. (Staff Photo by Joella Lovvorn)

SPRINGLAKE-EARTH 29 KRESS 7
It was homecoming for the Springlake-Earth Wolverines and they responded with a resounding 29-7 victory over the Kress Kangaroos here Friday night.

The win keeps the Wolverines alive in the District 3-A title chase. They are 3-1 in district, Kress 2-2 and now out of the title scramble.

Jake Miller paced the Wolverines with three TDs and 153 yards on 14 carries.

He scored midway of the first period on a 47-yard dash.

Kress came back to score its only tally on a 35-yard pass from Barry Street to Kelly Durham.

Then Springlake-Earth took over possession of the scoreboard for keeps. Miller scored two second periods on runs of 8 and 12.

The Wolverines' last touchdown came when fullback Rodney Geissler plunged over from the 2-yard line. The Wolverines, now 5-4, also got a couple of points on a fourth period safety.

SPADE 76 McADOO 43

Four Spade cagers, led by Gaylon Reed, scored in double figures here Friday night to lead the Longhorns to a 76-43 victory over McAdoo.

The victory was Spade's seventh straight against zero losses. McAdoo fell to a 7-2 mark. Reed totaled 27 points during the contest, followed by teammates Jay Burchfield with 16, Marvin Matthews with 12 and Tommy Batson with 11.

McAdoo's offensive attack was led by Paul Cornelius and Tom Rigsby who totaled 15 and 14 points, respectively.

Spade's girls took their second win in seven games when they passed McAdoo 47-36. Vivian Thompson led Spade with 25 points and Gayla Neff was McAdoo's high point individual with 20.

WILDCAT BAND TWIRLERS Karen Carter and Cindy Drake, participated in the University Interscholastic League Marching and Twirling competition in Lubbock Wednesday morning. Karen, left, received a I rating in her solo competition while Cindy received a II rating. (Staff Photo)
