

Pluck! Eagles Spoil Homecoming

"about-is-fair-play" was the Eagles' motto Friday night as the shambles of the Littlefield homecoming game just as the 'Cats did homecoming a year ago.

The Eagles racked up 374 net yards total offense in their 32-0 whitewash of the Wildcats which saw the 'Cats get a net yardage figure of 160 yards.

Littlefield received the opening kickoff on the north end of Wildcat Stadium as Bill Turner took the ball on his own 15 yard line and returned it 16 yards to the 'Cat 31. On the first play from scrimmage, quarterback Ronald

Parmer rolled around the right side for a five yard pickup. Turner picked up two yards over the middle to put the 'Cats on their own 38 in a third down and three situation. However, the 'Cats set the pattern for the game on this play as Turner advanced to the Eagle 43 yard line and then lost the ball on a fumble.

The 'Cats denied the Eagles a score on this possession despite a 44 yard pass

play from quarterback Jeff Anderson to end Lon Pierce that put the ball in a first and goal situation on the Wildcat 8 yard line.

The 'Cat defense recovered an Eagle fumble in the end zone on the first play to give the 'Cats possession on their own 20 yard line.

The next three series of plays saw

Beauticians Circulating Petitions Stop Barber Takeover In Hair Cutting

DISTINGUISHED LIONS CLUB members represented at the Lions World Service Day ladies' night meeting in Littlefield Tuesday night include Jim Jones, deputy district governor; Bill Payne, zone chairman; Michelle Jones, district Lions Club queen; Hack Lasater, District Governor; Benny Zahn, president of the Littlefield Noon Lions; Kip Cutshall, past district governor; and Bill Weige, president of the Littlefield Early Risers Lions Club. (Staff Photo)

Some Littlefield women are hot under the collar over a proposed hair cutting law pending in the legislature.

Local beauticians are joining hair dressers all over the state in circulating petitions that will prevent barbers taking over the women's hair cutting business.

Under present proposed legislation a woman will not be allowed to visit her favorite hair salon for styling without first having her hair cut by a barber.

Beauticians say that unless enough women and concerned citizens band together and flood the offices of representatives in Austin the Barber's Union will succeed in dealing what could be a deathblow to many beauty salons

Rotary Club To Serve Chili

Littlefield Rotary Club is sponsoring a chili supper Friday, Oct. 18, prior to the Dimmitt-Littlefield football game.

Home-made chili and all the trimmings will be served in the High School Cafeteria, 1100 W. 10th, between 5:30 and 7 p.m.

The cost of the tickets is \$1.75 for adults and \$1 for children under 12, and may be purchased from any club member in advance or at the door that night.

Besides chili, the meal will include iced tea and homemade cake for dessert.

The public is invited.

Tickets Available For Cowboy Game

The Littlefield Chamber of Commerce and Agriculture still have some tickets available for a Dallas Cowboy football game and trip, set for Dallas Sunday, Nov. 3.

The Cowboys will be hosting the St. Louis Cardinals, and area residents now have the opportunity to be there in person for the kick-off as a result of the special C-C promotion.

Arrangements have been made with the Dallas Cowboys to provide the C-C with a football autographed by the Cowboy players as gratitude for the game promotion.

According to Bill Payne, C-C executive, the ball will be given away in a drawing on the bus enroute to the game.

The group will leave Saturday morning, Nov. 2 for the game, and will return to Littlefield from Texas Stadium immediately after the game.

Total cost for the trip is \$47.50 per person—which includes all transportation and the game ticket.

Persons wishing to make reservations for the game are asked to contact the Chamber of Commerce office, 385-4451, or go by the office in the City Hall.

Judge G.T. Sides said the budget submitted reflects in equipment and supplies but no money was made for any in 1975 for county of supplies and courthouse em-

the budget is on file in the clerk's office.

Items on the agenda include a pickup for precinct 3, payment of precinct and hearing monthly reports at the offices, the quarterly report, and appointment of the presiding election judge for precinct 16.

Slaton and various cabinet members and Lions dignitaries from all clubs in this district attended the combination meeting recognized as Lions World Service Day. Zone Chairman Bill Payne planned the special meeting.

Immediate past district governor Kip Cutshall of Littlefield received a plaque and, pin from Lions International for organizing four new clubs in the district while serving as governor. The 100 percent award was presented by Benny Zahn who is president of the Littlefield Noon Lions.

Deputy District Governor Jim Jones presented Hack Lasater with a \$25 check made out to the eye bank on behalf of District 2-T2 clubs.

Bill Weige presented perfect at-

tendance pins to 11 members of the Early Risers Lions Club. Receiving the pins were Weige, Orville Bassett, Robert Richards, Sedell Black, John Clayton, Cliff Smith, David Thompson, Junior Nicholas, Larry Sanderson, David Jones and Jimmy Drake.

Also recognized was Michelle Jones of Anton who recently won over all other contestants for the title of District Lions Club Queen. Cari Tollett was recognized as sweetheart for the Early Risers.

A trio from Girlstown, U.S.A. provided the entertainment.

Officers from the 10 clubs met for a short cabinet meeting following the dinner and program.

First Frost Date Predicted Oct. 15, May Freeze Nov. 1

Pryor Hammons predicts this year's first frost will be Oct. 15 and the first killing freeze will come about the first of November.

Hammons has been predicting weather in this area for many years. "But I might be wrong this year," Hammons said. "I don't know exactly when we had our first wind out of the north in August. We were so busy and torn up about Lenton Smith that I actually forgot to check on the wind change," the funeral home operator added.

Scout Trap Shoot Re-Scheduled Today

Due to the fact that the trap shoot that was scheduled for last Sunday was rained out, Cub Scout Pack 638 has re-scheduled the event for 1:30 p.m. today.

All participants may either bring their own shells, or purchase them at the site, at the intersection of Sunset and the U.S. 84 Bypass.

Hammons has been predicting freezes and frosts since 1905 when a Nocona resident told him how Indians foretold the first frost and freeze dates by counting from the first northerly wind in August.

Counting 70 days ahead from the first wind from the north in August gives Hammons his predicted date of a frost on Oct. 15.

Most farmers are hoping for a late frost and freeze this year due to the heavy rains in August and subsequent cool cloudy weather which has delayed crops from maturing as they should.

With micronaire and grades already lowered, farmers say an early, heavy freeze will clean their plows.

Last year's first reported frost and skim of ice on Oct. 1 set a record for early frosts and light freezing.

The average earliest date for temperatures to dip to 32 degrees or below is Nov. 3.

Oct. 7, 1952 is the earliest freeze here on record. Nov. 22 is the latest first freeze date.

Young Homemakers Install Officers

The Littlefield Young Homemakers of Texas met Thursday in the Flame Room of the Pioneer Natural Gas Company.

New officers were installed for the new year. Linda Harbin, chapter advisor, installed Alice Potts, president; Shirley Savage, first vice president; Janey Raney, second vice president; Brenda Coffey, secretary; Bobby Magruder, treasurer and funds; Pat Stubbs, historian and Janice McElroy, parliamentarian and reporter.

Janey Raney, outstanding president, presented the Chapter with an engraved gavel. A flower arrangement was presented to Ellen Massengill, outgoing chapter advisor.

The Littlefield Chapter was recognized for Outstanding New Chapter participation at the Area Convention held in Plainview in September. Janey, Ellen, Shirley, Brenda and Linda Harbin attended the Convention.

Janey read a letter from the

children the Chapter sponsors, and a gift was sent to the one having a birthday in October.

A contribution was also sent to Candy Chaney, a Future Homemaker, that the Club sponsors. A new sewing machine will be donated to the Future Homemakers Junior Chapter. Plans were also made to sell stationery as a money-making project.

Linda Elms served refreshments to Ellen, Linda Harbin, Alice, Shirley, Janey, Bobbye and Brenda.

A salad supper is planned November 14 with prospective members as guests. The Littlefield Chapter meets in the Flame Room the second and fourth Thursdays at 7 p.m.

Walter-Stembridge Wedding Vows Read

MRS. GARY STEMBRIDGE

Miss Pris Walter and Gary Stembridge exchanged double-ring wedding vows in "The Blue Suite" at South Park Inn in Lubbock Saturday night.

Rev. Hoytt W. Rachels, pastor of the Happy Valley Baptist Church, solemnized the vows. Parents of the bride are Mr. and Mrs. Paul B. Walter, Sr., of Littlefield.

The bridegroom is the son of Mrs. F. D. Stembridge of Gilmer and the late Mr. Stembridge.

The bride, escorted and given in marriage by her father, wore a soft ice-blue formal-length gown of imported French Acelon Lace over peau-de-soie, featuring a deep scooped neck, long richly embroidered sleeves and a full gathered skirt. Scalloped lace flounces adorn the neckline, hemline and sleeves. Seed pearls and re-embroidered Acelon lace trim the entire gown and accented the wide-brimmed southern belle hat. Large peau-de-soie roses are featured on the hat.

The bride carried a basket bouquet of white roses and white miniature carnations.

Mrs. Pam Hlavaty of Lub-

bock, sister of the bride, was matron of honor and Michelle Walter, bridesmaid.

They wore identical floor-length gowns of Duchess satin with blue seed pearls and embroidered Acelon trimmed the bodices. The brides carried long-stemmed roses. Hats were identical.

Serving the groom was Delbert Starnes of Fort Worth.

After repeating vows, the couple lit a candle symbolizing the becoming one.

A champagne toast followed the ceremony and d'oeuvres were served.

The bride is a 1969 graduate of Coronado High School in Lubbock.

The couple will be at 6466 Ridgcrest in Dallas.

Anton Study Club Hears Guest Speaker

ANTON— Mrs. Harold (Bettye) Green, president of Caprock District, Texas Federation of Women's Clubs was guest speaker at the Monday night meeting of the Anton Study Club.

Mrs. Green is a graduate of Baylor University and the wife of Harold Green, Tahoka attorney. They have two children, Richard and Laura.

Mrs. Green is active in the First United Methodist Church where she is director of music and a member of the Administrative Board. She is also director of the Tahoka Community Chorus.

In the Phoebe K. Warner Study Club, she has held every office locally and has served on Caprock District Board since 1960.

She has chosen for the theme of her administration, "Cornerstones of Freedom" which she used as the theme of her address to the club.

Mrs. Greene pointed her address toward the coming Bicentennial to be celebrated by all United States citizens in 1976. She stated that the "Cor-

nerstones of Freedom" were laid out by the Pilgrims in the Mayflower Compact, by Roger Williams, and by Thomas Jefferson in the Declaration of Independence. Those basic freedoms, she stated, are Religious Freedom and Man's Human Rights.

Mrs. Green also stated, "The United States is a 'Covenant Nation'— the only one in existence based on Christian principles."

Major projects of the General Federation of Women's Clubs are observance of the Bicentennial, "Speak Up" (which encourages women to speak up on local, state, and national problems), and "Poll Power" (which is a project to get 75 percent of the eligible voters in the US out to vote.)

The Texas Federation of Women's Clubs statewide project this year is Girlstown, USA. Each club is encouraged to contribute enough to Girlstown to buy one pair of shoes.

Mrs. Emmett Kerr presided during the business session where the club members voted to contribute \$25 toward the Girlstown Endowment program

for an educational fund, \$10 toward the state Girlstown project.

The club also voted to spend \$12.50 for a quarter page in the high school annual where the 1974-75 scholarship recipient, Jerria Peacock will be featured.

The Caprock District Board meeting will be held at Floydada next Saturday. Members of the district board are Mrs. Emmett Kerr, Mrs. E. C. Sliger, Mrs. Reece Pritchard, Mrs. Orval Williams, and Mrs. Sidney Landers.

Mrs. Jack Grace, hostess, and Mrs. Wilson Williams, co-hostess, served refreshments to fourteen members and guests, Mrs. Helen Collins, Tahoka, and Mrs. Bob Harris.

The next meeting will be held Oct. 21 at the home of Mrs. E. C. Sliger. The program will be, "Birds— A Conservation Must."

Reasons For Increase In Sugar Prices Noted

By DOROTHY POWELL, County Extension Agent

"Why the big increase in sugar prices?" is a frequently asked question these days.

Although there is no one answer, one consumer marketing information specialist suggests that the biggest reason for the jump in the cost of sugar is the same reason that has upped many other food prices—demand has increased.

"As people around the world are becoming more prosperous, they are buying and using more sugar," Mrs. Gwendolyn Clyatt with the Texas Agricultural Extension Service, The Texas A&M University System, pointed out this week.

Supplies are not keeping up with the demand. The sugar industry has not been an expanding business. Historically, sugar has always had a small profit margin, and investors are not anxious to put their money into sugar mills and refineries when other investments promise greater financial returns, she explained.

"This, along with tripled building costs, does not suggest any immediate increase in the building of sugar mills and refinery facilities.

"Another deterrent to building new facilities is the uncertainty of the supply of raw product. The largest part of our sugar comes from sugarcane, with nearly one-third of our domestic supply produced in Hawaii, Louisiana, Florida, Puerto Rico, and the Virgin Islands," she said.

Sugar cane production has decreased about 10 per cent in the last decade. Expansion of sugarcane production is not a speedy process as it takes nearly two years for sugarcane to get into commercial production.

But what can consumers do?

"Sugar can be decreased or omitted altogether in canning and freezing. Ripe fruits may be canned in water, fruit juice, or a light syrup instead of a medium

Larry Lobaugh Is Graduated From Training

Marine Pvt. Larry G. Lobaugh, son of Mr. and Mrs. Tommie Lobaugh of Littlefield, and whose wife Debbie is the daughter of Mr. and Mrs. Kip Cutshall of Littlefield, graduated from recruit training at the Marine Corps Recruit Depot, San Diego.

Physical conditioning, discipline and teamwork are emphasized during Marine recruit training.

Classes include instruction in close order drill, Marine Corps history, first aid, uniform regulations and military customs and courtesies.

or heavy syrup," Mrs. Clyatt suggested.

Small fruits such as berries can be frozen whole on trays without sugar and then packed into freezer containers.

But the specialist noted that we can't eliminate sugar in jams and jellies because sugar is essential for a high quality product which keeps well.

"Also, with obesity a major nutritional problem in this

country, many of us could well afford to cut out some of the sugar in our diets. Many times we add sugar out of habit to foods that really don't need any additional sweetening such as ripe berries and grapefruit.

Another way to reduce the use of sugar is to serve custard, pudding, fresh fruit and other less sweet desserts to replace pies, cakes and cookies, the specialist suggested.

Square Dance Lessons Offered

Lessons Offered

A free square dancing lesson will be offered to Levelland area residents Monday night, Oct. 14, at South Plains College.

The class will meet from 7:30 to 9:30 p.m. in the SPC Women's Gym and will be under direction of Eldred Parker, longtime square dance caller from Lubbock.

If you like the introductory lesson, you may sign up for a square dancing short course being offered this fall at SPC. Fee for the nine-week class is \$15. Classes meet for two hours each Monday night in the Women's Gym.

Besides the basic steps of square dancing, Parker also will teach western dance steps, too, like the waltz, and steps to "Cotton-Eyed Joe" and "Put Your Little Foot."

Contact the Office of Continuing Education at 894-4921 to register for the class or for further information.

To The EDITOR

October 5, 1974
Editor, Lamb County Leader
Littlefield, Texas

Dear Editor,

I lived in Littlefield for 40 or more years, and I built the "free" camper park in 1967 or 1968. I spent many hours in my effort, drawing plans on how to build.

No one knew what I was doing on 385, I had a great interest in it.

I found a three-acre plot where I built it, that belonged to Lamb County. I met with the county men and they let me have the plot for \$1 per year. I then met with the City of Littlefield and asked them to keep it up.

I had no help from the Chamber of Commerce. Every dollar I spent on it was raised by me without help from the Chamber of Commerce.

This was built with eight businessmen furnishing the money for the concrete tables and seats, they did not know how I was going to build them, but they furnished the money.

Three machine shops furnished and built the metal frames for tops and roofs. Ready-mix business sold me the material at cost. I had a very hard time building forms for tables and seats. The two lumber yards furnished material for forms.

Two very faithful carpenters built the forms. Each table and seat required around 300 feet of reinforced steel, the lumber yards sold me this wholesale.

Buck Ross and Harvey Thompson were very capable and should be

remembered for helping me at no cost. It took nine days to cure out the concrete tables and seats. I had to keep them wet with gunny sacks.

I knew we would have to have an outline. I went to the Telephone Company, R.E.A. and the Southwestern Public Company and they gave me 300 thirty-foot length posts. I had to have them cut into 5 foot lengths which they cut and delivered to me.

Then I had to have 300 holes dug, each two feet deep and these firms didn't work on Saturday, so they let their men dig the 300 holes.

I went to Tom Hilburn, scout master. He took this scout bunch and put the posts up and painted them for me.

In the middle of the yard, I wanted grass, so I plowed with my tiller and the City furnished the grass seed which planted and watered for 2 months.

The Southwestern Public Service put in a post and light free. The City put in water at each table. The machine shops built the barbecue stands.

The first year we had no sewage, but the city put it in the second year.

Now that is how the PARK was built. Everyone donated.

I worked hard on this project, but it was fun and it taught me how everyone wanted to help. I found everyone in Littlefield willing to help, and wanted to donate all I needed to build this.

Sincerely Yours,
s/E. B. Luce

Beef Predicaments

DISAPPROVAL of "intemperate protest acts such as the proposed wasteful destruction of hundreds of cattle" in Stephenville was passed in the form of a resolution at the quarterly directors meeting of the Texas and Southwestern Cattle Raisers Association Oct. 2-3 at College Station.

More than 250 cattlemen and their guests from around the state attended the two-day event. Hilmar G. Moore, of Richmond, president of the Association, presided over the general session.

THE RESOLUTION stated that in lieu of protest acts such as the aborted destruction of approximately 1,000 head of cattle in Stephenville, other action should be taken.

These included prohibition of unrestricted meat imports, allocation of more funds for beef promotion, increased research efforts for the industry, fiscal responsibility at all levels of government and continued efforts to fight inflation so that the average consumer will have more disposable income.

IN ADDITION, Moore announced plans to travel to Washington to meet with Secretary of the Treasury William Simon and to New York to meet with vice-presidential designate Nelson Rockefeller to brief them on the cattlemen's plight.

School Lunch Week

NATIONAL SCHOOL Lunch Week, an annual celebration recognizing the National School Lunch Program, is set for Oct. 13-19.

The week, as proclaimed by President Ford, is to recognize this program that provides nutritious and well-balanced meals to more than 26 million children across the nation.

THIS U.S. Department of Agriculture program is in its 28th year of operation. In Texas last year about 1,387,000 students in more than 5,000 schools ate the school lunch daily.

RECENT NATIONAL goals of the National School Lunch Program include extending the program's benefits to schools that do not have lunch or other food programs for their students. And there is a stepped up effort to increase student participation at schools that already have a lunch program.

As the President said in his proclamation, "Only healthy, well-nourished students can realize their fullest mental and physical potential and transform equality of opportunity from an ideal into a reality."

THE NATIONAL School Lunch Program is administered in Texas by the Texas Education Agency in cooperation with USDA's Food and Nutrition Service.

A Woman's View

By PEARL BRANDON

AS MOST OF you know, my husband, Lyle Brandon, has been very seriously ill.

He entered the Methodist Hospital in Lubbock Sunday, Sept. 29, and had lung surgery Friday afternoon, Oct. 4th. He came through the surgery very well and the doctor said he was very well pleased with what he was able to do.

We still haven't received all the reports.

AT THIS WRITING, (Thursday) he seems to be doing well. At least the doctors seem pleased with his recovery.

We surely want to express appreciation to all our friends and loved ones for helping us through this trying time.

Mrs. Valera Young of Hereford, Mrs. Florence Hancock of Morton, Mrs. Janet Sikes of Thousand Oaks, Calif., Mrs. Vivian Nebbet of Morton, Mrs. Delores Drake of Littlefield, Mrs. Pearlene Glasrude of Hayward, Calif., and Mrs. Fern Piret of Maryland; five brothers, Kenneth, Gurnie and Burnie Bestall, all of O'Donnell, R. H. Bestall of Morton and Ovis Bestall of San Antonio; and five grandchildren.

MRS. MELVA G. SMITH
Services for Mrs. Melva Gene Smith, 51, of Tulla, who died at 5 p.m. Tuesday in Central Plains General Hospital at Plainview, were conducted Thursday afternoon in the First United Methodist Church at Silverton.

Rev. Carl Nunn, pastor of Tulla First United Methodist Church, officiated. Burial was in Flomot Cemetery by Wallace Funeral Home of Tulla.

Mrs. Smith was born at Flomot and had lived at Tulla three years.

Surviving are two daughters, Mrs. Jerry Bob Smith of McCamey and Mrs. Ronald Mullins of Turkey; her mother, Mrs. Mary Washington of Tulla; four brothers, Arnold Washington of Springlake, Jay Washington of Tulla, George C. Washington of Ralls, and Earl Washington of Hereford; two sisters, Mrs. Betty Jo Watson of Springlake and Mrs. Jerry Dannecker of Fort Lauderdale, Fla.; and three grandchildren.

THE ABUNDANT LIFE A Great Work

THERE ARE MANY wonderful people in our world. Some of these are people with good intentions, but are not able to do all of the good things they would like to do; but they are doing their best, they try.

Then, there are many who are always thoughtful, and say and do the things they are able to do to encourage and build up others.

MANY OF THESE FOLK are aware of one of the greatest and most helpful areas of service; a dual service. It is a service that contributes to the betterment of others and of themselves, too.

It is a valuable outgoing service, a thoughtful outreach prompted by the understanding of a basic human need; and by the willingness and kindness to supply the need. This is "a great work", in which people are helping to build up and sustain the spirit of other people.

THIS WHOLESOME BEHAVIOR will not solve all human problems, or eliminate all difficulties; but it will strengthen and otherwise help equip us to cope with these problems and difficulties.

Is it possible that many of us are inclined to let the pressures of present-day living cause us to neglect to maintain "this wholesome behavior"? We must not do this, but, rather let us keep remembering how very important and helpful it is.

THIS IS "A GREAT WORK" all of us can participate. In some very good ways, it is work. For one thing, it is an effort; but is always profitable. It can be done, as we go about our usual day-to-day activity; in the office, the market place, other areas of our association with fellowmen.

IT IS VERY HELPFUL to our self-esteem, to realize that we are doing something worthwhile. It is "a great work" which we can find much of the satisfaction that is so very much of our sense of well-being; and this satisfaction in the realization we have said and done that we could do to help other people.

WE MUST NEVER FORGET easy it is to help others and, at the same time, help ourselves.

A kind word, or a kind thoughtful compliment; the needed reassurance; letting know that we understand; appropriate sympathy and manifesting forgiveness, love and patience whenever indicated; and behaving so as to reveal our recognition of the value and importance of some of the elements of "the work" we can do.

By CORNBALL BLEVINS

IF YOU HAVE normal, healthy children, pause a while and give thanks. There are many who are not so fortunate.

We speak in an off-hand manner about "normal", yet we're not sure just who has the standard of measurement. I suppose by normal, we mean average. Any deviation from this standard is purported to be abnormal.

THUS, A CHILD of superior intelligence or talents would qualify, as being "abnormal". I suppose anyone would be proud to have a child who is abnormal in this manner.

Such, however, is not always the case. In fact, it is the exception. Most abnormal children are on the other side of the ledger. They are on the "slow" side. That is actually the meaning of the word "Retarded". This is not a condition that the child has willfully placed himself in, nor is it a condition that can be laid to a fault of his parents. I don't suppose anyone has a pat answer to the cause of mental retardation.

YET MANY OF our unfeeling, and uneducated society are prone to treat the parents of these children as if they had committed some terrible sin, which has brought about the condition of the child, and treat the child as if he were unclean. This is wrong!

Sometimes the parents are prone to regard this tragedy as a personal affront that God has visited upon them in punishment for their wrongs. They try to seclude themselves from society and keep the child in solitary confinement. Some try not to admit that their child is abnormal, nor try to acquire help for him. Thus they punish themselves, as well as the child.

MENTAL ILLNESS and defects can show up in the best of families, to the most affluent people. One need to be educated to these things can be caused by a temporarily exceptionally high fever in infancy.

But, above all, God should be blamed for so punishing a child to get even with the parents. God does not operate in that manner!

MONEY HAS BEEN set aside waiting to be spent, for and for the most part, for the unfortunate. Lately, there are more and more people who are willing with them. It's remarkable preference a little special help can come of these people. Surely they wouldn't want to deprive their child.

Everyone should recognize mental illness and retardation as a tragedy that can be prevented, to this time. Certainly, humorous so as to be laughed made light of. Either of us or our children could have had the defect. — Count your blessings.

THE FACT REMAINS that these people can, and are being. While many of them will live normal lives, their conditions improved. This is a place where little improvement can be made. On the other hand, some are enough to do paying jobs.

Whichever the case, most of us in our local Satellite School enjoy the privilege of being together doing things together. Most of us "graduate" but, to say the least, get some enjoyment out of it. That's what living is all about.

Turn Row COMMENTS

By EMIL MANN

"SMALL WONDER the cattlemen are in a bind. Wonder how many pounds of grain it takes to produce a pound of meat, anyhow? (I guess Turn Row might have the answer. —He seems to be on speaking terms with the bull.)"

The preceding paragraph was written by a guy by the name of Cornball Blevins in the last edition of the Leader-News. What I'd like to know is what he meant by saying that I was on speaking terms with the bull?

But, I will give him an answer on the other question that he printed in the same paragraph, and that is about the number of pounds of feed that is required to produce a pound of meat. Of course each animal is different, like human beings. Some require more feed and others require less, and the weather plays an important part in feeding out animals.

Again depending on the cattle, conversion of feed to gain varies. For example, at the present time, heifers that are brought to a feed lot in this area that weigh from 400 to 450 pounds and are sold at 800 requires 7.5 to 7.6 pounds of feed to gain a single pound. Now steers that weigh from 600 to 700 pounds when brought to the feedlot and sold at 1,000 to 1,100 pounds convert 7.9 to 8.2 pounds of ration into a pound of gain.

A ration made of grain, filler type feeds and protein supplements cost around \$125 to \$130 per ton and an expectation of the same ration going to \$140 per ton in the near future.

At \$140 per ton, the ration costs cents per pound. Heifers require 1 1/2 pounds of feed to get a pound of gain. That brings the cost to produce of heifer beef to 52 1/2 cents per pound and steer beef cost an average of 67 cents per pound to produce.

At today's market price for beef it is no wonder that the cattlemen are beginning to panic. And Cornball didn't have to speak to any bull to get this information. As a matter of fact there are no bulls where the information was obtained.

FOR YOUR INFORMATION, local 3-AA football district, Lyle Bill Turner leads top 14 in the individual rushing. Turner carries the ball so far this season that he has a homecoming game, 157 times for 678 yards, an average of 4.3 yards per carry. In the top 14 listed, Dingo six boys listed, Olton's Glenn, Jimmy Parker and Joe Alford are on the list. Friona and Morton are two on this list. These stats are for October 4th and does not include night's game.

A GOOD SOLUTION for wars is that no nation should be allowed to enter a war until it has paid last one.

YOU KNOW THAT life is what you make it and 90 percent take it.

OBITUARIES

DON BOYLES
Funeral services for Don Boyles, 65, former Sudan and Amherst resident who died Friday, Oct. 4, following a heart attack after being taken to a hospital in Knox City, were held Monday morning, Oct. 7, at the First United Methodist Church of Munday.

Boyles had been in ill health for some time.

Officiating were Rev. Cole, pastor, and Rev. Bernard of the Goree Catholic Church.

Burial was in the Munday Cemetery with arrangements made by McCauley Funeral Home.

Boyles had half interest in the gin at Amherst for 20 years. He was also a cotton buyer in Munday and surrounding areas, and in Harlingen.

Surviving are his wife, Kathryn of the home in Munday, one son, Jim Boyles of Dallas; four sisters, Mrs. Gladys Terry of Amherst, Mrs. Terry Bengtsson of Houston, Mrs. Sid Clarkson of Duncan, Okla., Mrs. G. Moss of Oklahoma City, Okla., and a brother, Clark Boyles Jr. of Norman, Okla., and six grandchildren.

Crosbyton and Mrs. Jean Christian of Moore, Okla.; a brother, Alonzo Burrows of Coleman; three sisters, Ida Johnson of Long Beach, Calif., Leslie L. Guyer of Bangs, and Nellie Townsend of Coleman; 14 grandchildren; and two great-grandchildren.

RUSSELL W. COTTON
Funeral services for Russell W. Cotton, 57, were conducted Saturday afternoon at 2:30 in the Whitharral Baptist Church.

Burial was in the Whitharral Cemetery. Smith Funeral Home of Levelland was in charge of arrangements.

Investigation in the cause of death continues after the family requested an autopsy.

Cotton was found dead at his home west of Whitharral Thursday morning. He was found by rural mail carrier Leroy McCormick and a neighbor, Clinton Fagan. It is believed the man had been dead six days or a week at the time he was found.

McCormick said the man had not taken mail out of his box since Friday, Oct. 4. When the mail carrier noticed that both of Cotton's vehicles were still parked in the same place Monday and that his mail was still in the box he mentioned the fact to Fagan. McCormick said the man's dog was still tied up in the same place each day and was barking and howling.

When Fagan noticed some of Cotton's cattle were out Thursday morning, he met McCormick at his mailbox and asked him to go with him to check on the man's welfare. The two couldn't rouse him, and they looked through a window and saw him lying on his bed.

They summoned Hockley County officials and an ambulance. According to sheriff's deputies, they believed the death was from natural causes.

Cotton was a farmer and rancher and had lived in Hockley County 33 years. Several years ago Cotton's wife, his only child and only grandchild were all killed in a wreck that claimed the lives of seven Whitharral residents.

He remarried, but his second wife had a home and farming interest in another county. Except for weekend visits, Cotton continued living in his house and seeing after his cattle on his home place.

Survivors include his mother, Lucy Cotton of Abernathy; two brothers, Ernest Cotton of Spade and Leroy Cotton of Eagle Mountain, Calif.; three sisters, Amerson Cotton of Abernathy, Jeanette Hayes of Levelland and Josephine McBride of Odessa.

BEA KITTERMAN
Services for Mrs. Richard W. (Bea) Kitterman, 53, of Wichita Falls, were conducted Saturday morning at Edmere Church of Christ in Wichita Falls, with Whit Harrington, minister, and Leonard Waggoner of Abilene officiating.

Burial was at Crestview Memorial Park under direction of Hampton-Vaughan Funeral Home of Wichita Falls.

Mrs. Kitterman died at 10:45 p.m. Wednesday in a Dallas Hospital.

She moved from Fort Worth to Wichita Falls, where she had lived the past 19 years.

Survivors include her husband, Dick; two daughters, Mrs. Sandra Halter of Wichita Falls and Miss Delayne Mercer of Honolulu, Hawaii; two sons, H. Lynn Mercer of Lubbock and David Mercer of Stephenville; her mother, Mrs. Viola Waggoner of Morton; seven sisters,

Horseshoe and screen star Chill Wills; and well-known area farmers, F. O. Masten and D. E. (Gene) Benham. Through the pages of "Howdy," you can almost feel that you've attended one of Pep's Thanksgiving spreads, ridden with the cowboys of the North Spade on the last round-up, or visited Old Emma, the town that used to be! Linda Roy of Slaton, edited the book and will greet guests along with western artist and illustrator, Kenneth Wyatt of Tulia.

Special guests will be those who have stories in "Howdy" and the public is invited to attend.

LABOR COSTS
Higher clothing costs are due more to labor cost increases than to increased costs for energy and petroleum.

ESA Has Social

SUDAN—The local chapter of ESA held its fall social Thursday, Oct. 3, in a box car with "Hobo Haven" as the theme. The group traveled to the box car by truck. Hosting the event

were Kathy Gatewood, Nancy Gatewood, Debbie Baker and Sandra Nix, who served a supper there.

Husbands were guests.

Following supper, the group went on a scavenger hunt with interesting items brought back and reports of receiving interesting looks.

They all returned to the home of Mr. and Mrs. Mark Baker for coffee and cake.

Those present were Messrs. and Mesdames Mark Baker, Kenny Fisher, Robin Davis, Pat Brown, Gary Gatewood, Jerry Bellar, Mike Nix, and Gary Eicke.

AROUND LITTLEFIELD

WITH THE LEADER-NEWS STAFF

MR. AND MRS. Tom Ivey spent the weekend in Quanah visiting Mr. and Mrs. Ralph Johns and other relatives.

VISITING OVER the weekend in the home of Mr. and Mrs. Mitchell Sisson were Mr. and Mrs. Billy Benyman of Denver, Colo.; Mr. and Mrs. Clyde Trolinger of Midland; and Mr. and Mrs. Calvin Petty of Dimmitt.

MR. AND MRS. Joe Young, Mr. and Mrs. Robert Young, and Mr. and Mrs. Jerry Young, Anita, Joe, Kay Lynn and Jenny, all of Littlefield were among relatives attending the annual reunion of the late J. M. Young at Brownfield Sunday.

Others present were Mr. and Mrs. Alton Elmore, the Rick Elmores, Mr. and Mrs. Dave Hubbard, Mrs. Ray Jolly, Carlton and Shirley, Mr. and

Mrs. Bill Hubbard, Karen, Patricia and Sandy, Mr. and Mrs. David Lester and Lauri, Mr. and Mrs. Tommy Elmore, Patrick and Shannan, Mrs. Tomas Jolly, Belinda, Daniel, Kacky, Jimmy and Tommy, and Mrs. Jay Hatchett, Marc and Amy.

BILL ANGEL is home recuperating from a virus that required a 10-day stay in Medical Arts Hospital.

AMONG LITTLEFIELD residents who are or have been in the Methodist Hospital in Lubbock are Lyle Brandon and Mrs. E. D. McNeese.

MR. AND MRS. Wayne Barnett left Friday morning for a few days visit with their son Max and his family in Norman, Okla.

MRS. GEORGE Thompson has been a patient in the Littlefield Hospital.

MRS. SYBLE RAY has been in Medical Arts.

MOZELLE TAPLEY and her mother, Stella Ueslton, will be honored with a housewarming at their farm home at 7:30 Tuesday night.

ALLEN RHODES is home from a lengthy stay in a Lubbock hospital.

BUDDY WELLS has been to Ponca City, Okla. to sing at the memorial service for his aunt.

MRS. ALBERT Perkins is recovering from surgery at St. Mary's in Lubbock. The Perkins daughter Dianne Johnson flew in from Houston to be with her mother.

JUDGE and Mrs. Pat Boone Jr. entertained 78 persons at the New Mexico ranch last Saturday afternoon. Their menu included home cooked barbecue and all the trimmings topped off with freezers of peach ice cream for dessert.

LITTLE 11-year-old David Jones broke his arm at the homecoming bonfire and pep rally Thursday night. He is in Medical Arts Hospital.

LITTLEFIELD city policeman John Despres was admitted to Medical Arts Thursday.

FUNERAL services for Mrs. Prentis (Exa) Caraway, 62, of Burnett were held in the Burnett Funeral Home Oct. 4. Mrs. Caraway is a former Littlefield resident. She had been in ill health for some time. Survivors include a daughter Mrs. Joyce Messer; her parents, Mr. and Mrs. N. J. Allen; one sister and one brother.

Refrigerator Interiors Require Care

Easy-to mold plastics are widely used in today's refrigerator interiors—but special care is required to keep them clean, Mrs. Dorothy Powell, County Extension Agent, pointed out this week. A recent survey identified odor retention and easy scarring as homemakers' most common problems in maintaining the original beauty of plastics. These plastics are softer than historically-durable porcelain enamel, and Mrs. Powell suggested some guidelines for their special care—use only nonabrasive cleaners—avoid letting flavored odors contact plastic

the state. The barbers propose is that the barbers must also take barber or hire a barber to do the hair in the shop.

Texas Hairdressers and Cosmetologists Association (THCA) of approximately 4,500 licensed cosmetologists and beauty salon owners is making the move by seeking changes on their customers' needs on petitions and by hiring a...

They say they feel the 125,000 cosmetologists in Texas should be allowed to cut the hair of any person who is trained. They add that the training of cosmetologists and barbers is basically the same and barbers are entitled to have their cut by one. It is the beauticians' view that when customers want their hair cut by a cosmetologist there is no reason why they should be prohibited from having their hair cut by a barber who doesn't do the shampooing, conditioning and comb outs.

female persons only and that barbers could cut hair on male persons only.

In April of 1972 the U.S. District Court in Dallas ruled that the male, female differentiation was unconstitutional and said cosmetologists and barbers could cut hair on males and females.

In June of this year, the judge of the 53rd District Court of Travis County held that the judgement of the U.S. Court just mentioned enlarged the provisions of the bill beyond what the legislature intended. This judge determined, among other things, that cosmetologists "shall not follow the occupation of cutting hair or practice as hair cutters in any beauty shops or hair dressing parlors or elsewhere for hire unless they held a barber's certificate issued by the Texas Board of Barber Examiners."

The trouble all started when cosmetologists started cutting men's hair in their beauty shops and barbers started styling women's hair in their shops.

Many barbers agree with cosmetologists who say that it is obvious that one license to cut hair—male or female—is all that's necessary.

Highway Commission Approves County Projects

Highway improvements in Lamb County are included in a \$50.2 million safety and improvement program for 1975 approved recently by the Texas Highway Commission.

District Engineer George C. Wall of Lubbock, said the work includes such projects as widening, providing additional surfacing, resurfacing, sodding, improvement of shoulders and other types of work.

The 1975 State Highway Safety and Betterment and Farm to Market Road Improvement Program statewide include 709 projects in 201 counties of the state, involving 4,328.2 miles of roads.

Fifty-two percent of the work is on US- and State-wide numbered routes, 47 percent is on Farm to Market Roads and one percent is reserved for later assignments.

Projects in Lamb County include: U. S. 84 from Bailey County Line to FM 37 - Seal Coat - 14.1 miles in length. \$230,000 Estimated Cost.

U. S. 84 from FM 37 to west city limits of Littlefield - Seal Coat - 4.6 miles in length. \$79,500 Estimated Cost.

Preparing Festival

Barbers have scheduled their annual Thanksgiving Festival on Thanksgiving Day, Thursday, Nov. 28. Famous sausage will be served with turkey, dressing and all the trimmings for two meals that day. The first meal is to begin at 12 p.m. and continue until 2 p.m. The second meal will be served from 5 p.m. to 8 p.m. Tickets are \$3 for adults and \$2 for children under 12.

Lamb County 4-H'er Is State Sheep Winner

Rodney Logsdon, a Lamb County 4-H member who has been in the sheep business since he was 9 years old, has been named the state winner in the

sheep program, according to state 4-H officials at Texas A&M University in College Station.

Rodney will receive an expense-paid

trip to the National 4-H Congress in Chicago, Dec. 1-5.

The trip is being sponsored by the Texas Wool and Mohair Warehouse Association. He will also receive a \$100 U.S. Savings Bond from the Texas Sheep and Goat Raisers' Association and a \$50 bond from Wilson and Company, Inc. Wilson and Company, Inc., provides six trips to Congress for national winners along with six \$700 scholarships. Rodney's award-winning record book will be entered in national competition.

The 4-H'er is the 18-year-old son of Mr. and Mrs. Buddy C. Logsdon of Littlefield, and is a senior at Littlefield High School.

Rodney has worked hard in learning about sheep production and has put into practice all the latest techniques to improve his herd and to maximize production. His record book on his sheep project was selected first alternate in state competition for the past two years.

He is an outstanding livestock judge, having been a member of the second place livestock judging team at the 1974 State 4-H Roundup. The team also competed in the national livestock judging contest at the Kansas City Royal Livestock Show.

Rodney has participated in the National 4-H Citizenship Short Course and Heritage Tour to Washington, D. C. He has also attended the State 4-H Congress and the district leadership lab.

He has been secretary of the Littlefield 4-H Club and a delegate to the county 4-H council.

Rodney, who has also raised beef cattle in addition to sheep, has exhibited numerous prize-winning animals at local and area livestock shows including the state fairs of Texas and New Mexico.

Five Chamber Directors To Be Elected By Ballot

Five people have been nominated to serve on the Littlefield Chamber of Commerce and Agriculture Board of Directors for a three-year term.

Those nominated include Paul Bennett, Mrs. Carol Black, B. D. Garland Jr., Tom Hilbun and Dale Walthall. Terms of Charles Ary, Ernest Connell and Kip Cushman are expiring.

Additional names, other than those above, can be nominated if received in the Chamber office before Oct. 20.

According to Chamber by-laws, each additional name must be submitted with a petition of 10 signatures from current

Chamber members before being placed on the ballot.

Ballots are to be returned to the Chamber office by 5 p.m. Nov. 4.

Board members who have two years to serve include, Joe Carlisle, David Jones, Carlton Tanner, Tom Tollett and Bert Wallace.

Those who have one year remaining include Benny Zahn, Ken Day, Rad Richardson, Wade Warren and Doyle Winfield.

After board members are elected, the 1975 officers will be elected from the board.

A very important meeting for all present Chamber board members has been set for Tuesday morning at 7:30 in the council room of City Hall.

Due to the nature of the business to be discussed, it is imperative that all board members attend.

Eighth Graders Whip Roosevelt

In four games played against Roosevelt Eagles this past week, the Littlefield Wildcats managed but one victory and that was a 34-0 shutout by the eighth grade team.

Rudolph Smith racked up three touchdowns for the victors with one TD coming on a pass from Richard Morgan.

The defense accounted for two more touchdowns as Richard Soria and Johnny Ortiz both recovered fumbles in the end zone for scores. Larry Heller, Ronnie Hopping, and Keith McCain all drew praise for the work.

penetrations with five to the Antelopes three.

The Antelopes scored first in the first quarter on a pass from Randy Johnson to Johnny Pietz.

The Bulldogs battled back in yard scoring run by quarterback Rex Jones. The Antelopes retaliated, scoring on a 1-yard quarterback sneak by Johnson.

In the third quarter Anton again came back, this time on a 4-yard pass from Jones to tight

end Sammy Peacock. But again the Antelopes struck back Pietz.

Anton tied the game on another Jones to Peacock pass for nine yards in the final quarter.

SUDAN 42
HAPPY 6

Kyle Martin scored four touchdowns and booted six PATs as Sudan ran over Happy 46-6 here Friday in a District 2-B North Zone game.

Martin scored once in the first, once in the second and twice in the fourth quarters for Sudan, now 4-2 on the season and 2-0 in zone activity.

Brad Pearson returned an interception 30 yards for another Sudan score and Danny Williams got the final TD.

Sudan picked up 203 yards rushing with Martin leading the way with 84 steps and added 67 yards through the air.

JUNIOR VARSITY

The Junior Varsity was defeated 36-14. Roosevelt got two breaks early in the game for easy scores and Littlefield was unable to catch up.

Danny Martinez scored Littlefield's two touchdowns on runs of 50 yards and 60 yards. Blake Wood added the two extra points following the last TD. Terry Foley was singled out by the coaches for his play offensively and defensively.

FRESHMEN

The freshmen were defeated by a score of 14-6. Stan Jackson threw a 65-yard pass to Duff Reel to set up Littlefield's TD and then Willie Don Mason scored from 11 yards out to give the 'Cats a 6-0 half time advantage. However, the Eagles came back with 14 points in the second half to ice down the victory.

Ronnie Milligan and Eugene Hernandez drew praise from the coaches for their play in the tough fought ball game.

SEVENTH GRADE

The seventh grade was shut out 28-0.

Blane Banner had a 50-yard touchdown called back on a clipping penalty and that was as

... WILDCATS

Continued from Page 1
Littlefield punt twice and the Eagles once.

Following the 'Cats second punt, Douglas Gentry broke through the Wildcat's defense on his own 46 yard line and it was a foot race between him and Sammy Schlottman for the goal line before Schlottman finally caught him at the Wildcat 13 yard line.

Four plays later however, the Eagles were on the scoreboard owning a 6-0 lead as Rudy Trevino scored on a five-yard TD blast.

Following the Eagles kickoff, the 'Cats set up possession on their own 33 yard line. Parmer was dropped for a 16 yard loss on the first play as he was back to pass and two running plays by Turner moved the ball only to the 25. Turner made his third punt of the night a good one as he got the ball high with a good roll on the end to give him a 54 yard total.

Following the punt which forced the Eagles back to their own 25 yard line, they moved steadily down field until with a first and ten situation on the 'Cat 28. Trevino scored his second TD of the night on a pass that caught the 'Cat defenders napping as Trevino was all by himself as he scored with 9:04 left in the first half. The score at this point was Roosevelt 12, Littlefield 0.

Littlefield ran the kickoff back to their own 32 yard line but three plays later found them back three steps and Littlefield was again forced to punt.

Two minutes and twenty-four seconds later, Roosevelt was again on the board owning an 18-0 lead.

It was three plays and punt again for the 'Cats as they were unable to generate any consistent offense the first half.

Roosevelt used the airways to score their fourth touchdown of the first half as Lon Pierce took a one yard pass for the TD. Roosevelt's point after touchdown try was good this time and they led at the half, 25-0.

Roosevelt received the second half kickoff and the 'Cat defense showed some spark in this first series of plays. The Eagles picked up 6 yards on their first attempt but Reginald Payton dropped Trevino on the next play for no-gain. Hard hitting by the 'Cats resulted in an Eagle fumble but it was recovered

by the visitors. On the fourth down punt, Steve Cruz blasted in to tip the punt and it went out of bounds on the Eagle's 40 yard line and the 'Cats had decent field position for one of the few times in the game.

Two running plays and an incomplete pass netted the 'Cats only one yard and on a 4th-and-9 situation, Turner scooted around his own right end on a fake punt but came up four yards short of the first and this drive was stalled.

Roosevelt scored their fifth touchdown of the night on this possession as substitute quarterback Roger Daniel passed 12 yards to Campbell for the touchdown. The PAT was good and Roosevelt had a 32-0 lead with 3:37 left in the third quarter. The Eagles used up five minutes of the third quarter in this drive.

Turner received the kickoff on his own 20 and returned it to the 38 before being brought down. Parmer passed to Lonnie Twitty for a nine yard gain on the first play and a Turner 3 yard run netted the 'Cats a first down on their own 47. Parmer then completed another pass to Kip Elms to move the ball into Eagle territory. Turner ran for seven for a first down on the Eagle 37. Parmer then threw another pass to Twitty to the Roosevelt 25 yard line.

A nine yard run by Turner as the third quarter ended put the ball on the Eagle 16. Stanley Patterson was then dropped for a three yard loss and on 4th down and three yards to go for Littlefield, Parmer's pass was over the head of Twitty and the 'Cat drive stalled at the Eagle's 19 yard line.

Roosevelt was unable to move on their next possession and the 'Cats took over following a punt on the Eagle's 40 yard line. Three plays netted only three yards and the visitors took over as a fourth down pass fell incomplete.

Littlefield's final possession of the game started after another Eagle punt on the 'Cats own 24 yard line. Runs by Schlottman and pass receptions by Patterson and Gary Lichte moved the ball to the Eagle 17 yard line but once again, Littlefield was unable to cross the goal line and the game ended, 32-0 in favor of Roosevelt.

The Wildcats host another tough team next week as the Dimmitt Bobcats come to town for the district opener for both teams.

REX JONES (12) moved the ball several times Friday night at Anton, as a homecoming crowd saw the Bulldogs tie the Whiteface Antelopes 18 to 18. Anton won the game on penetrations, 5 to 3. (Staff Photo by Joella Lovvorn)

LONNIE TWITTY (#25) manages to hang on to a Ronald Parmer pass late in the game as the 'Cats stage their best drive of the night. Twitty caught two passes for 21 yards. (Staff Photo by Bill Mott)
