

TAILBACK RALPH FUNK travels for a short gain in the second half of Littlefield's 6-2 loss to Levelland Friday night. Other Wildcats are J. E. Johnson (45), Chuck Blevins (65), Ricky Sanchez (72) and Dennis Hartley (24).

FIVE STRAIGHT TURNOVERS TOO MUCH

Lobos Trap Wildcats

A first quarter blocked punt that led to the only touchdown of the game and turnovers the first five times Littlefield had the ball were the keys to a 6-2 victory by the Levelland Lobos over the Wildcats here Friday night.

Only a stalwart Littlefield defense kept Levelland from pouring it on, as the Wildcat offense had trouble finding the handle on a ball made slippery by constant rain and 47-degree temperatures.

The Lobos gained possession three times at the Littlefield 35, once at the 30 and once at the Wildcat 6-yard line as the Cats lost the ball five times in the first half.

THE LEVELLAND TD came with 3:03 left in the first period following the blocked

punt which allowed the Lobos to take over at the Littlefield 6.
On third down from the four, Lobo FB L.C. Clewis broke a tackle at the three-yard line and bounced into the end zone for the only touchdown of the night.

"We just broke down on the punt," said a disappointed Coach Jerry Blakely Saturday morning. "We were late getting it off, or the man who blocked it (Linebacker David Hood) couldn't have gotten to us in time, block or no block."

HARVEY makes fishing lures and rods for his favorite pastime. The rods are made from northern Minnesota bucktail. Mrs. Harvey is an artist who paints in the east room of their second floor studio at their home, and she makes his jigs and fishing rods in the work room in the west studio.

Sherman Cal Harvey makes Own Equipment

RODGERS
Cal Harvey's spare time is fishing, and when he's not fishing, he's making jigs and flies or fishing rods for the next fishing trip. He has fished 55 of his 60 years for the past 15 plus years most fishing trips have been the salt water fishing in San Carlos Bay off Guaymas, Mexico. It takes about 100 flies, and he casts the lead in molds at Bob Harvey's shop and completes the fishing rod by adding hooks and dyed feathers.

made two over the weekend between ball games," he added. "And I ordered cork and fiberglass for 50 more last week."
He is making his wife, Dorothy, a rod for their deep sea fishing trip to Mexico next month. She says it's light enough that she can handle it. Harvey calls it "sissy" rod.
The heavier rods and jigs are needed for deep sea fishing, so he has more calls for fishermen in Hobbs and Albuquerque, N. M., Lubbock and numerous local enthusiasts who prefer custom-made rods.
Harvey claims no one would believe him if he told how many fish he has caught. Each trip they take a 10-foot electric freezer with them and bring it back loaded with filets of yellow tail, dolphin, grouper and all varieties of ocean fish. "You never know what you're going to catch," Harvey said. "That's the fun of it."

Sentenced On Bond Charges

Judge Pat Boone Jr. heard four pleas and sentenced four more during non-jury trials Wednesday and Friday of this week.
A. Cano was found guilty of probation and sentenced to five years in the state penitentiary. He will be for burglary.
Samuel V. Martinez was convicted of probation, also, and was sentenced to three years for violation of probation.
Don Jackson, charged with destruction of private property, was found guilty and was given three years in the state penitentiary.
Mack Hollis was found guilty of driving while intoxicated, subsequent to a conviction and was given one year in the state penitentiary, and fined \$100.

Cold, Moisture Bring Chilling Temperatures

Cold, wet autumn weather tumbled the mercury to the low 50s here early Friday morning and sent residents scurrying for coats and blankets before a final drop to a cold 39 degree mark early Saturday morning.
A rain-filled cloud complete with the rumble of thunder and lightning fireworks sneaked into the Littlefield area late Thursday evening after building up in the Sudan area and clobbering the Beck area with hail.

The fast-moving cloud dumped rainfall up to two inches over the area and pelleted parts of the Bula, Sudan and Whitharral communities with hail that stripped some crops bare.
A strip of hail about a mile wide and approximately five miles long heavily damaged numerous crops west of the Bull Lake area and back toward Sudan. Farmers reporting heavy crop losses include Adrian Martin, Bill Boyles, Arton Wim-

berly, Tray Gaston and Elgan Baccus. Two-day rainfall totals in the Sudan-Beck area measured an average of 2 inches.
Rainfall in the Pep-Bula communities averaged 1.5 to two inches.
The heaviest precipitation was in the Whitharral area where rain was gauged up to three inches. Another strip of hail pounded crops west of Whitharral including those of Robert Avery, Bufford Meyer and Don ...
In the Springlake, Citon, Spade, Fleidton and Hart Camp areas, rainfall varied from .5 to two inches.

B-R-R-R!—The temperature reached 39 degrees here early Saturday morning, and it served as a chilling reminder of Security State Bank's "Freezer Contest," in which residents are guessing the day, hour and minute the time-temperature clock will hit 32 degrees. A first place cash prize of \$100 is being offered to the person coming closest with the first freeze guess.

WITH EMERGENCY PROGRAM

Salvation Army Continues

"The Salvation Army is still in business and very active in Littlefield and Lamb County," says Doyle Patton, chairman of the Salvation Army Service Unit in Littlefield.
Patton also states that while there is no longer a Salvation Army Officer stationed in Littlefield, the emergency welfare program of The Salvation Army continues as before.
There are three separate Salvation Army Service Unit Committees that serve the citizens of Lamb County.
Oilton has an 11-member committee

under the direction of Chairman Basil Sherman.
Earth has its 10-member committee, where Ross Middleton is chairman.
The Littlefield committee serves not only Littlefield but also Amherst, Spade and Sudan. Members of the committee are:
Doyle Patton, chairman; Warren Dayton, vice-chairman; Charles Duval, treasurer; Rev. David Hamblin, welfare secretary; and Mrs. Susan Wilemon, Mrs. George White, Gerald Kehoe, Bruce Porcher, Ross Lumsden, Kip Cutshall, James Settle, Father Joe James, F. A. Fitzgerald, Mrs. Jim Humpheries and Joe Bailey.

Antique Car Rally Slated Here Today

Area antique car enthusiasts will bring their cars to Littlefield today for a rally and parade down Phelps Avenue, beginning at 2 p.m.
The rally will be held at the Community Center, where the autos will be on display prior to the parade.
A watermelon feed will be given for those participating, following the meeting and parade.

This committee makes all decisions as to who will be helped and the amount of assistance to be given. There is no "red tape involved and evident needs can be helped at once."
Salvation Army assistance is available to both local residents and stranded transients.
Patton also points out that all Salvation Army state programs and facilities are available as needed.
This past Wednesday, the local committee had a noon meeting at the Tasty Taco to discuss present problems and to make future plans.

Highway Department Slates Open House

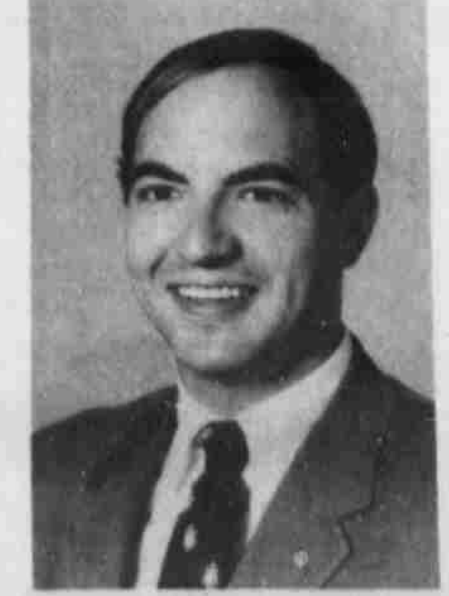

The office of the Texas Highway Department in Littlefield will hold open house for the public Friday, in observance of "Highway Week in Texas."
Rhea Bradley, resident engineer, and Grady Trotter, maintenance foreman for Lamb County and Littlefield employees, will answer questions regarding the part the Highway Department plays in the theme for this year's observance, "Roads and Streets—The Backbone of Total Transportation."
Governor Smith, by official proclamation, designated Sept. 19 through Sept. 25 as "Highway Week in Texas."

RURAL MINISTER OF YEAR

Littlefield Native Honored

A former Littlefield man who says he has always known that he wanted to be a minister is the youngest man ever named Texas Rural Minister of the Year.
Jim Ford, the 24-year-old son of Mr. and Mrs. Don Ford of Littlefield, was selected for the 22nd annual Texas Rural Minister of the Year award by the Town and County Church Committee in cooperation with the Texas Agriculture Extension Service and the Progressive Farmer magazine.
This young Littlefield native lives at Wolfe City where he is minister of the Wolfe City Church of Christ. A dynamic community leader, Ford currently is president of the Wolfe City Kiwanis Club and has served selflessly on many community projects and committees.
He will receive an engraved silver tray from The Progressive Farmer during the annual Town and County Church Conference at Texas A&M University Oct. 14 and 15.
Ford was born in Littlefield and attended Littlefield schools from the first grade through high school graduation. He first started preaching while in high school.
Prior to entering the ministry, he attended Lubbock Christian College and Texas Tech, graduating with majors in speech and English. Ford married Sharron Gill of Woodrow in 1967.
"Drug and liquor have copped out on the young people today," he said, and they're

coming back to something which has endured for 2,000 years—religion. Slowly people are coming back to Christ. This is where it is. Everything else, like drugs, is playing out. It's a positive movement. People are seeking a positive relationship with God."

MINISTER JIM FORD

MO DUNAGIN AND J. P. Ray received 25-year service pins at the sixth annual Littlefield Volunteer Firemen's barbecue at the Community Center Saturday night. Charles Smith, Bill Weige and Pete Hill were presented with 15-year pins. Dickie Lee right received a five-year service pin and was voted "Firemen of the Year" by the other 29 volunteer firemen.

MRS. ANTONIO DUENEZ

Contreras, Duenez Vows Solemnized

Wedding vows were read for Miss Lidia Contreras and Antonio Duenez Saturday afternoon, Sept. 18, in the Sacred Heart Catholic Church of Littlefield.

Rev. Joseph James officiated for the reading of the double ring ceremony.

Parents of the couple are Mr. and Mrs. Raymond Contreras and Mrs. Daniel Duenez of Pawnee, Texas.

The church decorations featured candelabras, and pews marked with white bows adorned with pink roses.

Musical selections were presented by a choir and Mrs. Molly Martinez, organist.

Given in marriage by her father, the bride wore a wedding gown of white chiffon with an Empire waist. The bodice of her dress featured lace crocheted motifs extending halfway down her camelot sleeves. Her train fell to cathedral length, and her veil, designed by her sister, was caught to a headpiece of crystals and pearls in a flower design.

She carried a bridal bouquet made of white chiffon roses and crystals, made by Mrs. Henry Contreras of San Marcos, aunt of the bride.

Maid of honors were Chris Contreras and Precilla Contreras, cousins of the bride, both of Levelland. Mrs. Pete Estrada of Littlefield attended as matron of honor.

Bridesmaids were Janie Castillo, Marie Rodriguez and Janie Sierra; and Mmes. Francis Sierra, Manuel Duenez, Manuel Montalvo, and Phillip Munoz.

The attendants were fashioned in Empire style gowns of light pink featuring brocaded bodices and chiffon skirts. They wore white picture hats and carried nosegays of pink roses.

Flower girl was Melony Hernandez of Littlefield.

Yolanda Contreras and Christopher Martinez of Littlefield served as ring bearers. Altar boys were David Duenez and Danny Duenez.

Pete Estrada served the groom as best man. Groomsman and ushers were Adolph Sierra, Manuel Duenez, Manuel Montalvo, Phillip Munoz, and Frank Rodriguez.

For her daughter's wedding, Mrs. Contreras wore a light orchid tulle gown, with white accessories, and a white rose corsage. The groom's mother wore a dress in shades of brown, with black accessories, and a white rose corsage, also.

A reception, dinner, and dance followed the ceremony. Assisting were Mrs. Stella Contreras, Mrs. John Hernandez, Irene Contreras, Genny Contreras, cousins of the bride from San Marcos.

For a wedding trip, the bride wore a pink tulle dress with matching accessories.

The bride attended school in Littlefield, and the groom attended school in Pawnee, Texas. He is employed at McWortors in Lubbock.

SHARON HARP

Sharon Harp To Attend Texas Tech

Sharon Kim Harp, a 1967 graduate of Littlefield High School, will begin graduate study in Clinical Psychology at Texas Tech University this fall.

Miss Harp was on the Dean's list with a semester average above a 3.00 or B throughout her study as an undergraduate, which she completed in seven semesters.

Kim is a member of Psi Chi, National Honor Society in Psychology, affiliated with the American Psychological Association, and she served her first as secretary and then as President of Tech's Psi Chi Chapter. As President she was selected to act as hostess to Dr. Karl Menninger, when he was a guest speaker at Tech in 1970.

Kim was elected the Doak Hall nominee for Homecoming Queen. She was United Fund Chairman of Women's Service Organization, and a member of Poet's Corner, Tech's Poetry Club for three years.

Kim is the daughter of Mr. and Mrs. Cecil Harp of Dallas, formerly of Littlefield, and is the granddaughter of Mrs. Effie P. Wood of Littlefield.

EDITORIALS

A Sick American

(EDITOR'S NOTE: This article began as an unsigned essay mailed to the Cincinnati Enquirer newspaper. Its publication brought immediate response and widespread republication. In fact, it has now traveled throughout the entire country. It was taken from the "Steering Wheel".

By An Unnamed Author
THERE ARE THOSE who claim ours is a "sick" society; that our country is sick; that we are sick. Well, maybe they're right. I submit that I'm sick... and maybe you are, too.
I am sick of having policemen ridiculed and called "pigs" while cop killers are hailed as some kind of folk hero.
I am sick of being told that religion is the opiate of the people but marijuana should be legalized.

I AM SICK of commentators and columnists canonizing anarchists, revolutionaries and criminal rapists, but condemning law enforcement when such criminals are brought to justice.
I am sick of being told that pornography is the right of the free press, but freedom of the press does not include being able to read the Bible on school grounds.
I am sick of paying more and more taxes to build schools while I see some faculty members encouraging students either to tear them down or burn them.

I AM SICK of Supreme Court decisions which turn criminals loose on society—while other decisions try to take away my means of protecting my home and family.
I am sick of pot-smoking entertainers deluging me with their condemnation of my moral standards on late-night television.
I am sick of being told that policemen are mad dogs who should not have guns—but that criminals who use guns to rob, maim and murder should be understood and helped back to society.

I AM SICK of being told it is wrong to use napalm to end a war overseas—but if it's a Molotov cocktail or a bomb at home, I must understand the provocations.
I am sick of not being able to take my family to a movie unless I want to have them exposed to nudity, homosexuality and the glorification of narcotics.
I am sick of riots, marches, protests, demonstrations, confrontations, and the other mob temper tantrums of people in-

tellectually incapable of working within the system.

I AM SICK of hearing the same sick slogans, the cries of people who must chant the same thing like zombies because they haven't the capacity for verbalizing thought.
I am sick of those who say I owe them this or that because of the sins of my forefathers—when I have looked down both ends of a gun barrel to defend their rights, their liberties and their families.
I am sick of cynical attitudes toward patriotism; I am sick of politicians with no backbone.
I am sick of permissiveness.
I am sick of the dirty, the foulmouthed, the unwashed.

I AM SICK of the decline of personal honesty, personal integrity and human sincerity.
Most of all, though, I am sick of being told I'm sick. I'm sick of being told my country is sick—when we have the greatest nation that man has ever brought forth on the face of the earth. Fully 50 percent of the people on earth would willingly trade places with the most deprived, the most underprivileged among us.
Yes, I may be sick; but if I am sick, I can get well. I can also help my society get well—and help my country get well.

TAKE NOTE ALL of you... you will not find me throwing a rock or a bomb; you will not find me under a placard; you will not see me take to the streets; you will not find me ranting to wild-eyed mobs.
But you will find me at work, paying taxes, serving in the community where I live.
You will also find me expressing my anger and indignation to elected officials.

YOU WILL FIND me speaking out in support of those officials, institutions and personalities who contribute to the elevation of society and not its destruction.
You will find me contributing my time, money and personal influence to helping churches, hospitals, charities and other establishments which have shown the true spirit of this country's determination to ease the pain, suffering, eliminate hunger and generate brotherhood.
But most of all, you'll find me at the polling place. There—if you listen—you can hear the thunder of the common man. There, all of us can cast our vote—for an America where people can walk the streets without fear.

OBITUARIES

SALLIE WALDEN

Mrs. Sallie Walden, 86, a longtime Cochran County resident, died in her home at Morton Thursday afternoon.
Funeral services were conducted Saturday afternoon in the East Side Church of Christ, with Fred White, minister, officiating.
Burial was in the Morton Memorial Cemetery with Singleton Funeral Home in charge of arrangements.
Mrs. Walden was born at Bryson and had lived in Ropesville before going to Cochran County in 1931.
Surviving are two daughters, Mrs. Innis Stewart of Morton and Mrs. Louise Armstrong of Littlefield; two sons, Eugene Walden of Liendrieth, N. M., and Mike Walden of Morton; a sister, Mrs. Margaret Youngblood of Lubbock; nine grandchildren and 13 great-grandchildren.

GEORGIA CAROL MORRIS

Graveside services were conducted Friday afternoon in Resthaven Memorial Park at Lubbock for Georgia Carol Morris, infant daughter of Mr. and Mrs. David Morris of Anton.
Rev. Max Browning, pastor of Shallowater United Methodist Church, officiated, and Franklin-Bartley Funeral Home was in charge of arrangements.
The child died a few hours after birth Wednesday in Lubbock Osteopathic Hospital.
Surviving besides the parents are a brother, David Morris Jr., and a sister, Connie Sue Morris, both of the home; her grandparents, Mr. and Mrs. Carl W. Morris of Clarendon and Mr. and Mrs. L. A. THE ABUNDANT LIFE

Cope With Life

IF WE DO OUR BEST, we can prevent many or most of the problems and difficulties which can make living so distressful and sometimes discouraging. This requires the right kind of foresight, which can be developed; and good judgment which can be acquired by observation and learning from our own experiences.
Of course, we must apply the foresight and the good judgment. This requires self-discipline as a total replacement of self-indulgence.

THERE WILL BE problems and difficulties, even after we have done our best to prevent them. We must face up to these, because they will not fade away.
They are real, and we must see them as part of the reality which involves us. Unless we have foolishly compounded our troubles, we can handle them; and if we have made them unnecessarily numerous and difficult, we can find appropriate assistance.

WE CAN COPE with life. This is the truth to remember. We can find satisfactory ways to overcome our problems and difficulties. We may not be able to do so as quickly as we wish, but this must not be permitted to discourage us.
In time, with the right kind of effort, with patient endurance, and sometimes with help from others; we can make sufficient progress.

EACH VICTORY WON will give both

additional strength and personal resources for more victories. This being true, perseverance is our need. So many persons fail to cope with life, because they quit. They give up, and this is most certainly not what brings us to a suitable level of life and seeing good days.

"THE CONDITIONS of life are not always easy. We have but to endure awhile, believe always, and turn back."—Simms.
Living by this formula has successful time and time again the problems and difficulties which quitters permitted to overcome being overcome each day by those who persevere in the best guiding light.

NO ONE IS EVER overcome who gives up. This means that we have choice, and everybody has some choice to make. It may appear some to cope with life than for it to be so.
Nevertheless, the point is that we can overcome our problems and difficulties. One sure way is to never stop trying, even if it is to sustain this kind of effort through the last mile of the way.

THOSE WHO NEVER STOP lose some of the battles, but win the war.
We can cope with life.

PAUL HARLAN

Welfare Mother

NO WELFARE ABUSE has aroused more resentment than ADC subsidy for illegitimacy. When a mother is paid more aid money for each child, she can collect a sizable sum.
But the abusers are susceptible to abuse by fathers demanding payoffs.

THE BUREAUS of census and labor statistics report 29 of every 100 nonwhite families are now fatherless. This is a significantly higher ratio than was revealed in the 1960 and 1960 reports, indicating a deterioration of the Negro family.
Dr. Robert Hill of the National Urban League says this is an unfair conclusion. He blames news media for accentuating the negative, when it should be lauding the 71 out of 100 hard-working father-dominated black families.

DR. HILL'S doctorate is in sociology and he says the inverted statistical emphasis tends to exaggerate the problem in the public mind, "creating the false impression that instability and pathology are characteristic of most black families."
One-fourth is not most.
Daniel Moynihan's controversial federal report on the Negro family used the term "socially pathological" to describe fatherless families.

AND DR. HILL agrees that families headed by women are more vulnerable to economic and social ills, if only because women as heads of families are likely to earn less.
That statistics do not necessarily reflect

the "whole truth" is further demonstrated by the black-white comparison Census Bureau's findings.
The figures say that the proportion of fatherless families is three times as high for blacks than for whites.

BUT THIS DOES NOT take into consideration the fact that white babies out of wedlock are more readily adopted: 33 percent for whites, 10 percent for blacks.
Federal analysts insist that the decline in illegitimacy is due to the fact that more women are on the increase among blacks.
Critics of ADC are inclined to all on welfare payments "rewarding illegitimacy."

SOME STATES are seeking to limit the number of children eligible for welfare payments. Those states have measurable decline in welfare payments.
But many states continue to "pay head", so that a mother of eight may collect almost \$1,000 per month.
A CRUEL BACKLASH has been seen in some areas.
One black Chicago mother complains she is blackmailed by the seven of her several children. That she collects \$890 per month, ADC, and of physical violence she must pay men \$25 each per month.

There is no way to know how many women those same men are mistreating.

THE FARMER'S WIFE The 'Freeze'

By LIBBY MUDGETT

SOMETHING LIKE two or three weeks ago, I promised to write on the wage-price freeze. I shall now explain the delay.
(Honest, boss, this is the way it happened.)
I read up on the wage-price freeze, studied it, could see no reason to expect very much from it, so called Washington and asked to speak to President Nixon.

I WAS TOLD he was too busy listening to George Meany to come to the phone and would be until mid-November when phase 2 of the whole mess was supposed to be ready.
So I asked to speak to any spokesman that knew what he was talking about on the wage-price freeze and was honest.

I WAS TOLD to take my choice, I couldn't have both, so I decided to ask for an honest one.
That's what caused the two to three weeks' delay.
Finally, though, Honest Spokesman was found and I did my best.

I ASKED HIM just exactly what was freezing the status quo of anything supposed to accomplish when it was the unsatisfactoriness of the status quo that caused the whole freeze to come about.
He said not to be silly, it wasn't supposed to accomplish anything. The purpose of the

freeze was to give everybody time to think and dicker.

I ASKED WHO was everybody.
He said well, there was labor and management and government and business and the unemployed and probably some more.
I said I had just one small suggestion.

HE SAID boy howdy, it was a red letter day when anybody calling Washington had just one small suggestion, fire away.
I said I'd just have to leave the matter of pricing up to somebody else, since being a farmer's wife I'd never been in a position to fix the prices on anything I had to sell, but I had drawn wages and it seemed to me that there was only one fair way to raise any one person's wages.

HE SAID to please not tell him I was going to suggest something naive like more or better work.
I replied that I did sort of have that in mind. I had always thought that it was the person that could do something better, cheaper or faster that got the most reward. As far as that goes, why couldn't that apply to business too?

HE CHOKED and said that was the most out-dated idea he had heard in a long time. I asked him what was the matter with it. He said for goodness sake, didn't I know that that's not the way bargaining was done nowadays.

I STAMMERED that I'd still like to know what was wrong with it.
He said well, since he was honest, he'd have to admit there really wasn't anything exactly wrong with it, but it just didn't go over anymore with anyone, didn't I know that everybody was supposed to be equally paid for equally working.

I SAID SURELY he wasn't naive enough to think that everybody equally worked, doing equal jobs in equally the same manner with equally the same results.
He said no, he was honest but not that dumb. He also realized that all businesses weren't that equal, either, but that was irrelevant.

I SOBBED that I just didn't see how I was going to be able to write at all intelligently on the wage-price freeze.
He said to go ahead and write on it anyway, everybody else was.
So I did.

The Harvard Cooperative Society has described Dun & Bradstreet's Date Universal Numbering System (D-U-N-S Numbers) as useful in identifying suppliers because of its advantages of fewer clerical errors, faster order processing and simplified order tracing.

One Is Injured In Car Wreck

Glen William Polk of Lubbock was taken by Hammons Ambulance to Littlefield Hospital for first aid treatment Friday afternoon following a two-vehicle wreck at the intersection of Phelps Avenue and Marshall Howard Blvd. (Highway 84 Bypass).

Polk was driving a 1970 Chevrolet gravel truck, owned by Hammock Construction Company, southward on Phelps Avenue and pulled into the eastbound lane of traffic into the path of a 1971 Chevrolet Impala, driven by Merritt Howard Neilson of Dallas.

The right front wheel, front end, fender and bumper of the truck were damaged, and the left front fender, door, bumper and grill of the Impala were damaged.
Thursday morning, Police Chief Fitzgerald investigated a two-car wreck on the high school parking lot.

A 1965 Chevrolet Impala, driven by Randy Earl Trotter of Littlefield, had been parked at the parking lot curb, began backing and backed into the right front end of a 1968 Ford Galaxie, driven by Melvin Deleon Johnson of Littlefield.
The Chevrolet was damaged on the left rear fender and bumper.

Both chapters met together for refreshments. Hostesses were Linda Merrifield of Texas Tau Chi Chapter and Paula Schroeder of Xi Nu Nu.

Members present were Jeni D. Brunson, Mary Lynn Kochanowsky, Jane Maddox, Renee Williams, Kathie Fitzgerald, Glynda Young, Kathy Eddings, Carol Brooks, Linda Merrifield, and one guest, Martha Kluting.

TEXAS TAU CHI Chapter of Beta Sigma Phi Sorority installed officers Monday evening, Sept. 13 during their meeting in the Reddy Room of Southwestern Public Service. New officers are (back row), left to right, Kathy Eddings, recording secretary; Renee Williams, treasurer; Linda Merrifield, corresponding secretary; and Glynda Young, extension officer. Seated, left to right, are Kathie Fitzgerald, vice-president, and Carol Brooks, president.

Xi Nu Nu Sorority Has First Regular Meeting

The Exemplar Chapter of Beta Sigma Phi held its first regular meeting for 1971-72 in the Reddy Room Monday evening, Sept. 13.

A program was presented by Claire Sawyer and Darla Crone.

Installation of officers was held and new officers elected were: President Joan Johnson; Vice President Darla Crone; Recording Secretary Paula Schroeder; Corresponding Secretary Loretta Winfield; Treasurer Claire Sawyer; Extension Officer Carolyn Spies; and Council Representative Janet Houk.

The two Beta Sigma Phi Chapters, Xi Nu Nu and Texas Tau Chi, will sponsor parties this year for a education class in the building.

Paula Schroeder, and Carolyn West, previously had achieved Exemplar Degrees, and presentation of Exemplar Degrees to Darla Crone, Houk, Joan Johnson, Miller, Claire Sawyer, Spies, Vada Walker, Loretta Winfield.

'A Time To Care' Is Theme For Anton Study Club

ANTON--The Anton Study Club held a re-assembly dinner at the Villa Inn in Lubbock, last Saturday noon. Mrs. Hoyt Cranfill, program leader, introduced Mrs. C. E. Slinger, president.

Mrs. Slinger presented her theme for the year, "A Time To Care". She stated "Let us care enough to get involved in our service to God, for our families, for others, for our community, for our environment, and for our country."

Mrs. Reece Pritchard, vice-president, previewed the program for the year and presented the 1971-72 year-books.

The banquet table was centered with a floral arrangement of roses, which is the club

flower. The center of the table was a large clock face with hands pointing to 12 o'clock.

Hostess for the meeting Mrs. Sidney W. Lee, assisted by Mrs. Leann social chairman.

Guests were Mrs. Tucker and Mrs. Alexander.

Members of the Anton Club are Mmes. Jerry Pat Byrum, Jim Claude, Claude Couch, Earl Jack Grace, Johnnie Carl Harrington, Ed Bettie Herrin, H. W. Houston, Emmett Love, S. M. Monroe, Rendelman, Orval and Edith Whitfield.

Associate members Mmes. Ashley Cox of Al Herrin, and K. W. Sol Gann and Mrs. Gilbert.

The next meeting will be 20 in the home of Mrs. Williams. The program "Know your Club" present charter members of the

Lorene Perkins called the meeting to order and Mrs. Birkelbach gave the devotion. Roll call was answered with "a new food product used recently." A council report was given by Twyla Woodring.

A garage sale was discussed for the benefit of the Club and the sale will be held Friday and Saturday, Sept. 24 and 25, at 811 South Sunset.

There has also been a time change in the meetings. Instead of meeting at 2 p.m., the club will meet at 2:30 p.m. until the first six weeks of school is over.

The program was presented by Lorene Perkins, titled "Know Yourself and Your Food Habits."

After the meeting the members were treated to hamburger dishes, prepared by each member.

The next meeting will be in the home of Lola Prentice, 1403 West 9th, Oct. 7. All members are encouraged to attend.

Food For Future

Glandless cottonseed may be the food of the future.

According to University of Texas Natural Fibers Economic Research (formerly Cotton Economic Research), the day may not be very far off when people will be eating toasted cottonseed nuts and cottonseed brittle candy.

The glandless cottonseed, besides providing flour, could be used as a substitute for casein (a milk derivative) in baking products, powdered coffee creamers and ice cream mixes.

A big plus factor for the cottonseed is its adaptability to most of the countries that have fast population growth, but acute food and protein shortages.

Finding major mineral deposits is an expensive undertaking. In 1970, one nickel producer, International Nickel, spent nearly \$32 million in exploration activities throughout the world, principally in Canada.

NEW OFFICERS for Xi Nu Nu, Exemplar Chapter of Beta Sigma Phi Sorority, were installed Monday evening, Sept. 13 during their first regular meeting, in the Reddy Room of Southwestern Public Service. Officers installed were (back row), left to right, Carolyn Spies, extension officer; Loretta Winfield, corresponding secretary; Claire Sawyer, treasurer; and Paula Schroeder, recording secretary. Seated are, left to right, Darla Crone, vice-president, and Joan Johnson, president.

DRIVER OF THIS VEHICLE was not injured Friday, when it struck a gravel truck at the intersection of Phelps Avenue and Highway 84 Bypass. Merritt Howard Neilson of Dallas was driver of the car and escaped injuries, but Glen William Polk of Lubbock, driver of the truck, was treated and released at Littlefield Hospital.

Farmers Union Meets Monday

Lamb County Farmers Union will conduct a meeting Monday night at 8 p.m. in the Willie Room of the Lamb County Rural Electric building, when the Washington, D. C. fly-in will be discussed, and plans will be

made for the annual meeting in October.

According to Dean Faver, the organization also plans to discuss a stand of opposition on the new cotton trailer lighting regulations.

Whitharral Scouts Reorganize Tuesday

A meeting to complete the reorganization and re-registration of Cub Pack 608 in Whitharral will be held at the Whitharral School Cafeteria on Tuesday, Sept. 21, at 7:30 p.m.

Parents of all boys from eight through ten years old are invited to bring their sons to this meeting as new boys will be registered at this time.

Scout Executive Marc Wittenberg and Warren Green will be present to assist local leaders with the re-registration of the Cub Pack.

Don't leave your profit in the field

Roll-A-Cone

Pick the profit off the ground with the time-tested combine attachment.

Use the superior design cone principle of the Roll-A-Cone Combine attachment to harvest the irregular, leaning, tangled, fallen or flat grain sorghum. Get more bushels per acre in less time. The Roll-A-Cone gets far better results than other gathering methods. It is simple to install and operate. You haven't harvested all your grain unless you've used the Roll-A-Cone.

Universal Corn Header

Now corn and milo farmers, for the first time ever, can harvest both crops with one inexpensive attachment.

Costs about half as much as other corn headers. Cuts any size row 20" to 40".

Crops need not be standing to do a good job. Positive chain drive prevents stops from clogging. Picks up fallen crops.

Why go to the field with less than the best...

Amherst Offense Toppled By Sudan Sting, 38-0

The Sudan Hornets dropped the Amherst Bulldogs, 38-0, in "ducky" weather Friday night at Sudan for their second non-conference win of the season.

The cold, rain and drizzle took its toll as both teams had trouble hanging on to the football.

The stubborn Amherst defense held the Hornets to one touchdown in the first quarter. The Bulldogs, although unable to move the ball against Sudan, did manage to play ball control as they recovered several of Sudan's fumbles in the first quarter.

Roger Boyles sprinted 30 yards for the opening score in the first period. The point-after try was no good.

With 8:07 left in the first half, Sudan blocked an Amherst punt and Ernest Jefferson later went 25 yards for the second Hornet TD. Boyles booted the extra.

Keith Downs intercepted an Amherst pass and returned it 66 yards for a Sudan TD with 3:04 left in the second period.

The run for the extras was foiled by a fumble.

Jefferson capped the first half by scoring on a 76-yard run with 27 seconds left before half-time. The kick for the extra point was no good. Sudan led at the half, 25-0.

Amherst opened the second half by kicking to Sudan. Bulldog Lonnie Burton recovered a Sudan fumble, but Amherst then lost the ball on an interception by Gary Edwards.

The interception set the stage for a TD by Boyles as he bulled eight yards for his second six-pointer. The kick was no good. Sudan led, 31-0, with 9:33 left in the third quarter.

The Bulldogs gave up the ball on downs and the Hornets started a drive from their own 27. Mark Hanna scored the final TD on a five-yard plunge with 2:21 left in the third period.

Bo Lance booted the point after to give Sudan its 38-0 cushion.

Sudan was unable to score in the final period of play as Amherst stopped Hornet drives three times.

D. J. Johnson pounced on a Sudan fumble to stop the Hornets on the five-yard line.

After a series of ball swaps, Mark Nicholson led the Bulldogs and stopped Kevin May just two yards from the goal on a fourth down play.

Doug Cummings led the Amherst defense and stopped the Hornets on the Bulldog 20-yard line with just seconds left in the game.

BULLDOG KIM HARMON circles around left end after grabbing a pass from QB Jesse Sutfon. Hornet Brad West puts a stop to the play just beyond the line of scrimmage. Bulldogs Sandy Moore (40) and Terry Lemer (80) rush in on the action.

AN UNIDENTIFIABLE Hornet stopped Amherst Back Sandy Moore in the Sudan-Amherst encounter Friday night at Sudan. Sudan won the game, 38-0.

SECOND WIN

S-E Wolverines Blank Hale Center Owls

Springlake-Earth rushed for a total of 297 yards while holding Hale Center to only 12 yards rushing to skunk their opponents again for the second consecutive time.

Fullback Hoyt Glasscock led the Wolverine scoring that battered the Owls, 50-0 on the Wolverine's soggy homefield. The game was plagued by fumbles because of the wet turf and constant drizzle throughout the evening.

Glasscock opened with a five-yard TD run, and quarterback Mike Cleavinger scrambled 20 yards for another touchdown play, plus a safety, to give the Wolverines a 14-point lead in the first quarter.

Runningback Eddie Alair plunged five for another TD and Glasscock made the conversion good. A second safety in the second half gave the Wolverines a 23-0 margin at halftime.

Glasscock barreled over from the 10 and kicked the extra in the third stanza for a hefty 30-0 margin.

End Greg Slover fogged it on an 18-yard

run in the fourth quarter. Glasscock plowed for 12 and scrambled 80 yards for another TD, plus adding two extra points to roll the Wolverines to the half century figure before the game ended.

Panthers Dropped 8-0 By Loop Longhorns

The Whitharral Panthers held the Loop Longhorns off until the third quarter when Loop sloughed through to the goal line to rain out the Panthers, 8-0, in their first non-conference home game this season.

Loop scored on a QB sneak and added the two points after, then held the Panthers scoreless even though Whitharral got to the Longhorn five-yard line on an intercepted pass in the fourth quarter.

Mules Kick Mustangs, Capitalize On Fumbles

The Muleshoe Mules kicked up their heels for a 14-6 win over the Olton Mustangs Friday night at Muleshoe.

The win gave AAA Muleshoe its second victory of the season. Class AA Olton has an 0-2 record.

Fumbles recovered by the opposition set up all of the scoring.

Olton's drive in the opening period was stopped on the Muleshoe five-yard line by a fumble.

Muleshoe scored twice in the second stanza. Both scores were set up by Olton fumbles.

Donny Wheat scored the first TD of the night on a two-yard plunge for Muleshoe. Don Heathington booted the point-after to give the Mules a 7-0 lead.

David Wheat gave a repeat performance for Muleshoe as he shared his brother's spotlight with a three-yard drive for a six-pointer. Heathington booted the conversion with 37 seconds left in the half.

Muleshoe went to the dressing rooms at the half leading, 14-0.

Olton came back in the third quarter with Marlos May charging 13 yards for a Mustang touchdown. A passing try for the extras failed and it was 14-6.

The fourth quarter was a series of ball swaps as neither team was able to score. Olton finished the game on the Muleshoe 22-yard line but had to give up the ball on downs.

Gaylen Long and Kurt Gregory were defensive standouts for Olton. Steve Lewis and Jimmy McCurry shined in the offensive department for the Mustangs.

Steve Owens 'Player Of The Week'

A pair of linemen captured weekly Bronco Booster Club "Player Awards" following the surprising 23-10 conquest of Ranger College in NMML's season opener weekend.

Steve Owens, a 6' 2" split end, was named "Player of the Week" award for his outstanding pass receiving performance in Ranger showing 106 yards of real estate to lead offensive thrust.

Spry Mitchell, also a 6' 2" who weighs 205 pounds, was named Defensive "Player of the Week" in the Ranger game. Mitchell, a defensive end, was particularly outstanding in the Bronco defensive unit as a instrumental in Ranger showing 106 yards in lost Wool Bowl last week. He showed the top film grade as a Bronco coaching staff, as did the hail from Florence, Ala. when he stood out high school performance at High School.

Littlefield JV, Frost Defeat Roosevelt

Littlefield's Junior Varsity and 9th Grade teams racked up six-point victories at Roosevelt Thursday night.

The Junior Varsity, behind 6-0 at the half, came back with two TD's by Pat Henderson to post a 12-6 victory.

Henderson scored on a counter play that traveled 45 yards to tie the ball game at 6-6 in the third period.

Then on a broken play with two minutes left in the game, Henderson went down the left sidelines for 65 yards and the winning touchdown.

Coach Lewis Boomer named Henderson, QB Kelly Pratt and Lineman Ricky Richards as outstanding on offense. Top defensive stars were Floyd Smith, tackle; Nato Trejo, defensive end; and Chris Pope, outside linebacker.

In the 9th Grade game, Bennie Williams broke a 12-12 halftime tie with a pass interception return in the third quarter. Williams raced 40 yards for the TD that proved to be the winning margin, 18-12.

Littlefield's first two touchdowns came on first and second quarter drives climaxed by three and two-yard scoring runs by Buddy Jungman.

Coach Robert Bolton named the offensive standout of the game Tackle Jimmie Stanford for the defensive player of the game.

In Floydada Tie

Littlefield's 7th and 8th grade teams traveled to Floydada Tuesday and came home with a tie and a win.

The 7th battled to a scoreless tie while the local 8th graders dropped a decision when Floydada scored a minute of play.

The Littlefield team had been since the first quarter on Ricky four-yard TD run. Outstanding player for the 8th grade team was Jim according to Coach Robert Bolton.

Anton Bulldogs Chew Lions, 18-0

Anton's Quinn Williams lived up to pre-season predictions of "All-State Potential" again Friday night as the Bulldogs soaked the New Deal Lions, 18-0.

New Deal stumbled and fumbled a dozen times throughout the dreary, rain-soaked night while Williams rushed for 249 yards and did all the scoring.

The first Bulldog score was on a two-yard leap, and Anton retired at halftime with the 6-point lead.

Williams scrambled for another TD in the third quarter, and the big tailback put the game out of the Lions' sight in the fourth with a 20-yard gallop.

Tight end Bill Walthall and fullback Robby Kiser put on a defensive show for the Bulldogs as New Deal repeatedly fumbled the wet pigskin on the Lion field.

TIGHT-END Matt Giles catches the only completed pass in the Friday night game. The pass from QB Alan Mackey carried the Wildcats to the Lobo 15-yard line in the last minute of play, but Littlefield was unable to get the winning touchdown.

THIS WAS AN example of the bonecrushing Littlefield defense as the Cats held off the Lobos in Wildcat territory through the first three quarters. Cats are Matt Giles (43), Mike Carter (85), Danny Estrada (74) and Allen Grisham (66).

ALAN MACKEY, Wildcat quarterback, is downed by a Lobo tackler as Ricky Sanchez (72) comes in on the play.

TIME AND TEMPERATURE FREEZE CONTEST
 1st Prize — \$100, 2nd Prize — \$50, 3rd Prize — \$25. In event of tie, prizes will be divided.
 1. Everyone is eligible to enter except Officers, Employees and Directors of Security State Bank or their families. Only one entry per person will be accepted.
 2. All entries must be made in the Security State Bank, Littlefield, Texas, giving your estimate of the month, day, hour and minute that the temperature will first register 32 degrees on our time and temperature clock this year. All entries must be made at least 24 hours prior to the temperature reaching the 32 degree mark.

Judging

1. Official source for the exact date, day, hour and minute when the temperature first reaches 32 degrees in Littlefield, for purposes of the Time and Temperature Freeze contest, will be the time and temperature clock at the corner of Security State Bank, Littlefield, Texas.
2. The clock has been wired to stop when the temperature reaches 32 degrees on the clock's thermometer. The clock will continue to flash the minute the 32 degrees was attained until the bank officials have it reset.
3. Judges will be the officials of the Security State Bank, Littlefield, Texas. Their decisions will be final.
4. The contest will close when the temperature reaches 32 degrees, as certified by the judges.

Just pick the month, day, hour and minute you think 32 degrees will hit.

Then fill out an entry blank at Security State Bank. If your guess is closer than anyone else's, you win \$100!

PLAY NEWSPAPER BINGO ... with us!

Read Today's And Next Thursday's Leader-News To Find The Bingo Bugs And Numbers.

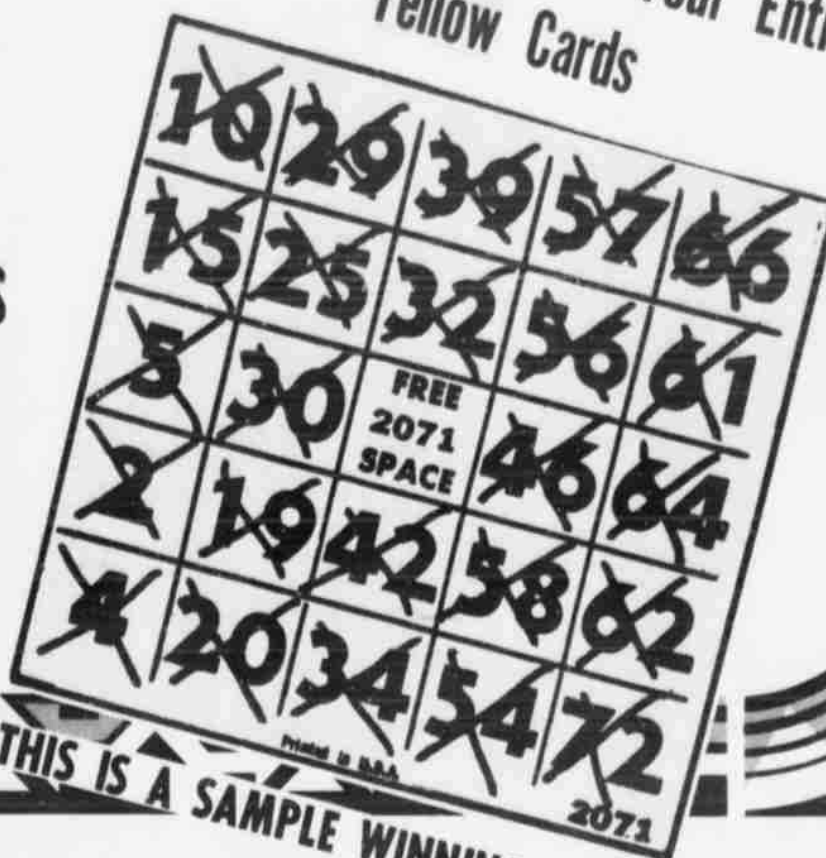

YOU MAY WIN

\$50

IN CASH VALUE BINGO BUCKS

This Week's Cards Are **YELLOW**

Completely Blackout Your Entire Yellow Cards

THIS IS A SAMPLE WINNING CARD

HERE'S HOW IT WORKS...

PICK UP FREE BINGO CARDS: Each week (adults only, please) pick up your FREE Bingo cards from any of the sponsoring merchants listed below. Rules of the game allow the merchants to give you only one card on each store visit. However, you may make as many visits as you wish each day of the week. THE MORE CARDS YOU PLAY—THE BETTER ARE YOUR CHANCES OF WINNING.

HOW TO PLAY: Check the ads in each week's issues of The Leader-News. The ads of the merchants listed below will contain one or more "Newspaper Bingo" numbers in the "Bingo Bug" symbol (shown above). Occasionally numbers, in the "Bingo Bug" symbol, may be found elsewhere in the newspaper. Be sure to check the Classified Ad section for additional numbers. IF YOU CAN MATCH (JUST CIRCLE OR "X" THE MATCHING NUMBERS) ALL 24 NUMBERS ON ANY ONE OF YOUR BINGO CARDS WITH THE NUMBERS PUBLISHED IN THE SUNDAY AND THURSDAY ISSUES OF THE LEADER-NEWS—YOU HAVE A "BINGO"!—AND YOU ARE A WINNER!!!

AT LEAST \$50.00 WEEKLY!!! Winners will share a weekly prize of \$50.00 (in "Bingo Bucks" - they spend the same as cash with any of the sponsoring merchants listed below). If there is only one winner, he wins all of the \$50.00. If there is more than one winner, all winners will share the \$50.00 in equal amounts. If there are no winners any week, the \$50.00 weekly prize will be added to the following week's prize fund.

CHECK EACH ISSUE OF THE PAPER: Each game is complete in each week's Sunday and Thursday's issue of The Leader-News. A new set of Bingo numbers will be published each week in the sponsoring merchants ads-and possibly elsewhere in the paper. A new color of Bingo cards for each week's game will be available at the sponsoring merchants' stores. To be eligible to win, you must play Bingo cards of the correct color for that week's game. The color of the cards for each week's game will be announced on this page.

IF YOU ARE A WINNER: If you have a winning Bingo card, ON WHICH ALL 24 NUMBERS HAVE BEEN MATCHED WITH THE NUMBERS APPEARING EACH WEEK IN THE SUNDAY AND THURSDAY'S ISSUES OF THE LEADER-NEWS, print your name, address, phone number, and the name of the store where you got your winning card, and mail to this paper at Box 72, Littlefield, Texas 79239 (the envelope containing your winning card must be received by 5:00 p.m. Tuesday of the following week)-or bring your winning card to the office of this newspaper at 313 W. 4th Street, Littlefield, Texas by 5:00 p.m. Tuesday of the following week.

RULES OF THE GAME

NO OBLIGATION OR PURCHASE NECESSARY: There is no obligation or purchase necessary. A copy of the paper is available for playing the game at the office of this newspaper-also at the public library-also a Bingo card and/or copies of The Leader-News containing the Bingo numbers may be obtained by mailing your request to this newspaper. (please print your name and address clearly). You may play as many cards as you wish-they are free. Get additional cards-one at a time-each day

DIFFERENT COLORED CARDS EACH WEEK: The color of the cards changes each week. To be a winner, you must play Bingo cards of the correct color for that week. Mutilated or altered cards will not be honored. ALL 24 NUMBERS ON A CARD MUST BE MATCHED TO WIN.

CHANCE DETERMINES NUMBERS: Bingo numbers for each week's game are drawn strictly at random at the office of this newspaper. Some duplication of Bingo numbers may appear in the merchants' ads-or elsewhere in the paper. This duplication does not affect the game or the total numbers drawn. All numbers for each week's game will appear somewhere in the sponsoring merchants ads-and possibly elsewhere in the paper. Employees of this newspaper and members of their families are not eligible to win any of the prizes. Newspaper Bingo is a program copyrighted and registered by Marketing-Research Associates, Minneapolis, Minnesota.

WORSHIP IN CHURCH

and get a spiritual lift for the whole week

Calling Signals

When Bart Starr barks his signals for the Green Bay Packers, the modern football world listens and moves into action. That's because Bart Starr is a disciplined, dedicated believer. He believes in an Omnipotent Power. He is a member of the Administrative Board of the First United Methodist Church. He extends his religion into all his world. He believes in America and Democracy. Comparatively small in a world of giants, he worked and studied his way to the top. Bart Starr believes in people, his great team mates, his family, his neighbors, his friends, his community. Generous and understanding, he is active in dozens of civic and charitable causes.

A churchman and a real man, Bart Starr turns to ashes all those reservations about churches being for sissies. He believes in himself. He is brilliant and tough on the field, generous and sympathetic in every day life. He says faith helped him lead the Packers to two super bowl victories and two all time pro passing records. He puts his passes in the hands of his belief and his receivers. Yes, belief calls the signals for Bart Starr. It will call them for you, too, at your place of worship this week.

Lay Witness Mission Set For Littlefield

VIVIAN GREEN

First United Methodist Church has scheduled a Lay Witness Mission Sept. 24, 25 and 26. During this weekend, about 65-70 lay people from across the state will share their witness with our community. These lay people come from all walks of life, and donate their time and efforts during the mission. Dwayne Lynch, the owner-operator of a Department Store in Ralls will direct the mission.

He has been engaged in a program for some time. He serves on the board for the Lay Witness Program of the General Board of Christian Evangelism of the Methodist Church. The schedule for the mission includes a covered dish at the Lamb County Center Friday evening at 6:30. Following the hour, a service will be conducted in the church.

Miss Green Completes First Year Of Nursing

Miss Vivian Green, a student of the 1973 class of Northwest Texas Hospital School of Nursing, has finished the first year of her nursing education which includes 36 weeks of college courses and six weeks of high-level wellness/nursing process. She will begin her second year of nursing, Aug. 23, with the advanced nursing curriculum. Upon completion of this final phase of nursing, Miss Green will be eligible to take the State

Board of Nursing Examination for licensure as a registered nurse. She will graduate in May of 1973. Vivian is the daughter of Mr. and Mrs. Franklin Green of Pep.

Clinic Slated For Children

The quarterly session of St. John's United Methodist Church Crippled Children's Clinic will be held from 1 to 5 p.m. Saturday, Oct. 2, at the church, 15th Street and University Avenue in Lubbock. Conducted quarterly, the clinic is free for crippled children of the South Plains area.

Singing Saints Elect Officers

The Singing Saints of the First Baptist Church held their September meeting in the home of Mrs. M. T. McKinnon for choir practice and the election of officers. Elected were President Bill Jeffries; Vice President J. D. Evins; and Secretary Gladys Houk. Belinda Jordan directed the work session, and refreshments of salads, cake and ice cream were served to those attending. In attendance were Mr. and Mrs. Glen Blackman, Curtis Chisholm, J. D. Evins, Jack Fore, Pryor Hammons, Bill Jeffries, and Buck Ross.

Four Orthopedic Surgeons and the sponsors for the clinic, the Fellowship Class of St. John's United Methodist Church, will supervise activities. Physicians will be assisted by city-county health nurses from several area counties. The clinic is financed through contributions, and clinic personnel arrange for braces and further care when needed.

Mmes. Rose Bass, Velma Cooper, Flora Boone, J. O. Brooks, Lora Accord, Gladys Houk, Ella Lindley, L. L. Massingill, H. C. Robertson, E. S. Rowe, C. E. Toney, Lupe Torres, and Belinda Jordan. Miss Ellen Webb, U. E. Kelly, A. J. Kennemer, Mrs. M. T. McKinnon, and Mrs. Brantley.

Braces and appliances have been provided for 295 patients through the clinic. Approximately 750 pairs of shoes have been given to children since the first clinic session was conducted in 1963. Children going to the clinic for the first time are to be accompanied by a parent or guardian.

Mann, Slover, Stevens Elected

Lamb County school administrators elected officers for the 1971-72 school year at their first meeting in the Olton school cafeteria last Thursday night. Bill Mann, superintendent of the Springlake-Earth schools, was named president; Cecil Slover, principal of the Springlake-Earth Junior High School, was elected vice president; and Roy Stevens, Lamb County superintendent, was named secretary. The group planned programs and set dates for Nov. 15 in Springlake-Earth, Jan. 17 in Amherst, and April 15 in Littlefield. Coffee trees bear fruit for about 20 years.

O. L. WALKER who farms five labors of dryland in Lamb County is shown with a good cover crop of rye planted on diverted acres.

Small Grain, Sudan Cover Walker's Land

"We are going to need some good cover this winter and spring. That is our land," said O. L. Walker who farms approximately 800-850 dryland acres south and southwest of Littlefield.

Walker has planted a cover crop of small grain for a grain cover crop and sorghum or sudan for a dead litter cover crop on all the land that is unprotected and is subject to wind

or water erosion. The cover crop is a protector against both wind and water erosion besides adding organic matter to the soil which increases moisture intake, improves aeration, and fertility, and the holding capacity of the soil.

Walker stated that the cover crop not only protects and improves the soil but also cuts the expense of labor and fuel by not having to use mechanical means to keep the soil from blowing.

The Lamb County Soil and Water Conservation district board of supervisors urges all who have land that does not already have cover on it to plant one. Anyone needing information on how and what to use for a cover crop can contact any of the personnel of the SCS office in the basement of the courthouse.

RULES
 OF THE CONTEST:

All you have to do to be eligible for the weekly cash prizes is complete the form below and turn it in to the Leader-News office. In each merchant's block is a game. Mark out the team in all blocks you believe will lose. Then in the "Breaker" box, put the scores you believe each of the teams will make. Weekly judging will be based on the total number guessed correctly. In case of a tie, the tie-breaker will be used to determine the top winners. Decision of the Leader-News scoring judges will be final.

To be eligible for the 2 free tickets to the New Year's Game at the COTTON BOWL, the total number of correct guesses will be totaled through the 12-week season.

Entry forms must be in the Leader-News office, 313 West 4th Street, no later than 5 p.m. Friday. Forms mailed to the Leader-News, P. O. Box 72, must be postmarked Friday. All late entries will be voided by the judges.

LIMIT—One entry per contestant per week.

BE SURE to complete the forms by PRINTING plainly your name and complete address. Contest winners will be announced in each Thursday's issue of the Leader-News.
