# Cats Put Tigers In Tank

Wildcats used a pair of first-half touchdowns, then on two second period Slaton to roll up a 34-0 victory over the Tigers here Friday night.

muddy, but friendly grounds of Wildcat Stadium.

LITTLEFIELD scored on its third play from scrimmage when Tailback Ralph Funk ripped off left tackle on a 51-yard touchdown run.

Funk, who rushed for 201 yards in 28 carries during the game, ran for two more touchdowns in pushing his season scoring total to 48 points in three games.

Fullback Dennis Hartley also had a

great night, rushing for 94 yards in 13 tries, including a 50-yard touchdown run.

And, for the first time this year, Littlefield made its pass attack go. The biggest toss of the night by QB Jay Trammell was a 32-yard touchdown aerial to Flanker J. E. Johnson for the Wildcats' second score.

Trammell hit on 6 of 12 passes for the game, including an extra points toss to Tight End Matt Giles.

PUT ALL THAT offense together with

another outstanding job by the "Marauding Maroon" defense, and you have it, 34-0.

The defense, led by Giles, Hartley, Tackle Danny Estrada and linebackers Lenerl Lewis and Bill Hamblin, limited Slaton to 54 yards on the ground and only 118 overall.

The victory put the Cats at 2-1 in the records as they closed the pre-season and prepped for the District 3-AA opener

## Mom Completes College Do 'Something Different'

RODGERS

does a wife and mother do when children are grown—and washing, and keeping house are no longer a job?

Alvin (Janie) Webb wanted to do something different. "I was tired of being around," she said, "and I didn't want to do at home like I had had."

Two years ago she enrolled at South Plains College. At first, her schedule included only subjects she liked, without any thought toward getting a degree.

After two years Mrs. Webb attended the college she made all "A's" except "B". She graduated from SPC the week her son Steven graduated from High School.

After finishing at South Plains, I said I was going to get my degree," Mrs. Webb said. "I didn't want to go to school, but I had to do it to enjoy going back to school."

It is the fact that many of her students were the age of her sons didn't help her rest for learning. "I really like to see older people going back to school," Mrs. Webb said. "They're more interested in studying. And I've always felt that education should be something that everyone should have."

She is making many new friends. "I have new friends and mothers who had children go to school," Mrs. Webb said. "I think the younger students are very friendly to the older students."

Her oldest son, Bill, attended college for a time and he and his wife are in Lubbock. Steven enrolled at South Plains after graduation, and moved on to graduate school. So when the next fall semester Mrs. Webb was a junior student at college.

She said she'd meet Steven at the graduation building and we'd talk," she said. "The morning I got on a bus to go to campus, and someone said 'Hi, I looked around and there was no one there.'"

She said the idea of his mother being a teacher, especially considering she was on the dean's honor list every year and graduated with the highest average with a 3.89 grade point average at school of education.

"I was all real proud of me," Mrs. Webb said. "I had a husband and two sons, and I didn't know she had won the honor in her graduating class. When she read the Sunday paper the day after her graduation this August, she was not wishing to attend commencement exercises wrote notes to the principal to be excused. When Mrs.

Webb decided to complete her degree in the second session of summer school this year, she applied for a teaching position in the Littlefield school system. Teacher in-service training started August 16th, and the TTU graduation was August 20th.

"So I didn't even go to my graduation," she said. "I knew I had a good grade average, because I'd worked very hard. But I didn't know I was the top graduate in the school of education until I read about it Sunday morning. I was very pleased."

It is in Mrs. Webb's makeup to work diligently at everything she does.

Mrs. Webb said she studies her lessons every night trying to stay ahead of the ninth graders in her English classes. She teaches reading to one seventh grade class.

Until now her only teaching experience was 10 years of teaching adults bridge. "Now I don't even have time to play bridge," she concluded.

## Soakers Deluge Area, Total Tops 6 Inches

Soaking rains which dumped as much as six inches in the county continued to fall steadily throughout the Littlefield area through Friday of this week before overcast skies finally cleared enough for the sun to shine through about noon Saturday.

By Friday noon some rain gauges had recorded over six inches, and the already over-soaked croplands had absorbed all the rain water they could take. Saturday fields were standing in puddles, and playa lakes all over the Littlefield area were filled again.

Some extreme amounts of moisture this week included the Amherst area where an official 6 inches fell, and several farmers reported amounts exceeding six inches.

Olton showed 5.37 through late Friday. In the immediate Littlefield area, precipitation was measured at 4.70.

Spade recorded an even four inches. Sudan had 3.60 through Friday afternoon, and Anton showed 2.20.

Many gauges overflowed and some farmers quit reading the rainfall, replying "enough" when asked how much rain they had received.

The grain harvest came to a screeching halt with the onset of wet weather Wednesday.

Both sorghum and cotton crops are

needing dry warm weather from now until harvest.

The bubbling optimism of farmers for the 1971 crop is subsiding, but area farmers are still hoping for one of the best cotton crops since 1965.

Agriculturalists say the chances are dimming, however, unless warm dry weather prevails.

## Fly-In Breakfast Conducted Today

Local flying enthusiasts are hosting their First Annual Fly-In Breakfast at Littlefield Municipal Airport today, beginning at 7 a.m.

Free breakfasts are being served to those who fly in, but a charge will be assessed to local pilots. Serving will close at 10 a.m.

Trophies will be awarded for spot landing, sloppiest landing, youngest pilot, oldest pilot and the pilot traveling the farthest distance.

## Law Enforcement Grant Approved

South Plains Association of Governments, Lubbock, will continue operation of its regional law enforcement training program in Lamb County and 15 other counties with a grant approved by Governor Preston Smith.

The award, \$32,326, comes from the Criminal Justice Council. This body oversees statewide law enforcement planning and administers funds from the U.S. Department of Justice for crime control projects in Texas.

A local in-kind contribution of \$48,100 by the participating cities will match the CJC grant.

This is the third year of CJC funding of law enforcement training for South Plains police agencies.

In the coming year it is expected that 50 officers will be trained in two 240-hour basic classes. Seven one-week advanced courses will be offered.

The South Plains academy is approved by the Texas Commission on Law Enforcement Officer Standards and Education.

The award was among 39 action grant applications and one for a planning grant considered by the Criminal Justice Council at its monthly meeting. Applications were for a total of \$2,705,274.

## City Council Approves Budget Of \$719,837

City Councilmen approved a budget of \$719,837 for fiscal year 1971-72, and passed an ordinance to accept the tax roll and let the ad valorem tax rate remain at \$1.29, during a called meeting here Thursday night.

No one appeared to contest the budget as it was presented during the public hearing, and councilmen unanimously adopted it.

The new budget is \$22,793 over the budget for fiscal year 1970-71—which was \$697,044.

"Total funds available for the fiscal year of 1971-72 amount to \$747,975, thus allows a contingency of \$28,138," City Manager Pat Bradley told the councilmen.

The program of municipal services for the fiscal year beginning Oct. 1, 1971 and ending Sept. 30, 1972, contained herein establishes anticipated revenues in balance with estimated expenses with no increase in the ad valorem tax rate. This financial plan for the coming fiscal year is hereby submitted for your approval," Bradley told the councilmen in the program commentary.

He continued, "General funds available amount to \$410,099, while expenses are projected at \$394,905, leaving a \$15,194 contingency, or 3.9 percent. Funds available in the water and sewer fund are anticipated at \$217,143, while expenses, including a \$40,000 transfer to the general fund and payment of a \$5,000 note to the Security State Bank, amount to \$208,182. A contingency of \$8,961, or 4.3 percent, is anticipated in this fund."

"The 1971-72 debt retirement expenditures of \$87,574.50 will reduce the long-term general obligation outstanding principal from \$726,000 to \$676,000. Water and sewer revenue bond requirements amount to \$69,174.40, and will in turn reduce the outstanding principal from \$1,000,000 to \$1,080,000."

"Approximately \$37,000 has been transferred into personnel costs, including workmen's compensation insurance premiums, Texas Municipal Retirement

System participation, and city costs for hospitalization insurance, thus providing a more accurate account of personnel services."

"The 1971-72 program of municipal services provides for 50 full-time em-

ployes, 12 part-time employees and five city council members," Bradley said.

In final action Thursday night, councilmen re-appointed Ben Noble to the office of Municipal Court Judge for another year.

## Stereo Equipment Target Of Thieves

Four citizens reported thefts of stereo equipment from their automobiles Friday.

Friday morning, Mrs. June Jackson reported that someone had taken three 8-track tapes from her car while it was parked at the telephone office.

She reported that an unsuccessful attempt was made to get the tape player from the auto.

Friday night, during the Littlefield-Slaton football game, thieves took stereo equipment from automobiles while parked on 14th Street.

Randall Clark reported that his left door glass was broken out and that a tape deck

and 20 tapes, valued at \$7.25 each, were taken.

Johnny Robertson reported that entry was gained to his El Camino pickup when the right door glass was broken out. Taken were a Motorola tape player and 15 tapes. Also taken was a beige and brown purse which contained money, keys and important papers.

Bruce Hall reported that an auto stereo, tape player, ear phones and 10 tapes were taken from his Dodge. He stated that a window was partially open, and the thieves reached inside and unlocked the door.

THIS WEATHER is fine for ducks but farmers and even farmers' daughters found it hard to smile after three consecutive cloudy days that dumped almost five inches of rain in and around Littlefield and amounts of more than six inches in the Amherst area. Natalie Nelson, the four-year-old daughter of Mr. and Mrs. Bobby Nelson of Littlefield, looks up at the rain-drops on her umbrella as rain continued to fall Friday afternoon.

FAMOUS German sausage and all the trimmings were served to approximately 154 Pep farmers and Littlefield merchants Thursday night at the Annual Pep Farm Appreciation Dinner at Pep. Members of the Phillips Altar Society, well known for their cooking talents, served the food for the event.

**Thurman-Snead Vows Said In Lovington**

Wedding vows were exchanged before a background of orchid mums, gladiolus and candlelight by Marsha Janice Thurman and Ronald Wayne Snead at the First Christian Church, Saturday, Sept. 11 in Lovington, N. M.

Officiating at the double ring ceremony was Cecil Hook, minister of the Church of Christ in Lovington.

The bride is the daughter of Mr. and Mrs. F. C. Thurman of Lovington, N. M., and is

granddaughter of Mr. and Mrs. Joe Ancinec Sr. of Littlefield. The groom is son of Mr. and Mrs. R. P. Snead of Denver City.

Traditional music was provided by Mrs. Stan Ancinec of Loop, an aunt of the bride. Soloist was Bill Sumruld, Lovington, cousin of the bride. He sang "Twelfth of Never" and "The Lord's Prayer" accompanied at the piano by Miss Pam Roberts of Lovington.

Decorating the church was a candelabra entwined with greenery and flanked by two baskets of white mums and white gladiolus. Family pews were marked by orchid satin bows.

The bride was given in marriage by her father. She presented her mother with a rose, and after the ceremony, presented one to the mother of the groom.

Candlelighters were Miss Dana Ancinec of Loop, and Miss Teresa Harkey, Lubbock, cousins of the bride.

Ushers were Randy Thurman, brother of the bride; Steve Snead, brother of the groom; and Craig Ancinec, cousin of the bride.

The bride's formal length traditional gown was of chantilly lace with a fitted bodice, scalloped neckline and long petal point sleeves. The skirt was tiered lace with scattered clusters of pearls and sequins and at the back waistline, a bow topped with a white rose. The back skirt formed a chapel train. Her veil was of layered silk illusion falling from a crown of seeded pearls and crystal beads. Her bouquet was a cascade of white sweetheart roses and white carnations.

Traditionally, for something old, she carried a handkerchief that belonged to her grandmother, new was her gown; borrowed was a pearl pendant; blue, the traditional garter; and in her shoe a penny minted in the year of her birth.

Mrs. Neil Goodman of Dallas, served her sister as matron of honor. She wore a formal length gown of purple. It was sleeveless, styled with an empire waist, and a sweetheart neckline. She carried a nosegay of violets and forget-me-nots with purple and orchid streamers. In her hair, she wore shades of purple and orchid flowers.

Brides-matrons were Mrs. Jerry Love of Lovington and Mrs. John Carruth of Denver City, sister of the groom. Their gowns were fashioned as the matron of honor. They carried nosegays of purple and orchid flowers and wore flowers in their hair.

The flower girl, Miss Stacie Bellah of Lovington, wore a dress similar to the other attendants, carried a lace basket with orchid petals and wore forget-me-nots in her hair.

The ring bearer was Keith Goodman of Dallas, nephew of the bride.

Ronald Moose of Denver City served as best man. Groomsmen were James Spurgeon and John Carruth of Denver City.

For her daughter's wedding, Mrs. Thurman chose a purple double knit dress with grey accessories. Mrs. Snead wore a gold dress with brown accessories. Their corsages were of white carnations entwined with lily of the valley.

A reception was held following the ceremony at the fellowship hall. Presiding at the guest register was Mrs. Bill Spencer of Plains. The bride's chosen colors were carried out

MR. AND MRS. RONALD SNEAD

on the serving table. Fresh cut mums and orchid gladiolus were flanked by orchid tapers in silver and crystal holders.

The tiered wedding cake was separated by Grecian pillars and decorated with orchid flowers, topped with a bride and groom. The table was laid with a white cloth. Mrs. Jerry Giese of Lubbock and Mrs. Polo Rendon of Hobbs served at the table.

Chocolate cake and coffee from a silver service was served from the groom's table. It was laid with a lace cloth over purple and centered with a wedding candle. Serving at the table was Miss Sandy Harkey of Lubbock and Mrs. Bill Spencer of Plains, cousins of the bride.

The bride's traveling outfit was a purple knit dress with white accessories. Her corsage of white sweetheart roses was lifted from the center of her bouquet.

After a wedding trip to Ruidoso and Mexico, the young couple will be at home in Denver City.

The bride was graduated from Eunice High School, attended New Mexico Junior College two years majoring in business and art; and for the past year has been employed by Gibson's in Hobbs.

The bridegroom was graduated from Denver City High School, served three years in the armed forces and completed a tour of duty in Vietnam. He plans to continue his education and is presently employed by Allied Oil Field Service in Denver City.

Out-of-town guests were: Mr. and Mrs. Joe Ancinec, Sr. of Littlefield, grandparents of the bride; Mrs. Evelyn Busby and Mrs. Nola Graves of Electra, grandmother and great-grandmother of the groom; Mrs. Etta Thurman of San Antonio; Mr. and Mrs. E. R. Harkey, Sandy, Teresa and Alan of Lubbock; Mr. and Mrs. L. Neil Goodman, Keith and Dana of Dallas; Mr. and Mrs. Jerry Giese of Lubbock; Mrs. Layde Deaton of Oklahoma; Mr. and Mrs. Joe Ancinec, Jr. and Brad of Plains; Mr. and Mrs. Stan Ancinec, Monty, Craig, Dana and Darren of Loop; Mrs. Frances Goodman and Mrs. Ruth Gardner of Eunice; Mr. and Mrs. L. F. Dusek of Littlefield; R. P.

Snead and Terry of City; Mr. and Mrs. Paul of Hobbs; and Mr. Calvin Moose of Denver City.

## Sally Davidson Plays Lead Role

Miss Sally Davidson, daughter of Mr. and Mrs. James E. Davidson of Littlefield has a leading role in the first play of the Temple Buell College theater season.

Miss Davidson, a sophomore student at the four-year liberal arts college for women in Denver, is majoring in theater.

The play is "He Who Gets Slapped" by Leonid Andreyev.

The college's premiere play of this season is a tragedy-comedy by a Russian playwright born in the gloomy atmosphere of depression of the nineties.

Andreyev appeared on the literary stage at a period when the old generation of Turgenyev and Dostoevsky had already passed away and when Chekhov had begun to demonstrate to the reader the gloom and colorlessness of Russian life.

Story line of this play concerns a defeated and lonely man who joins a circus and becomes one of the clowns. He falls in love with Consuelo, a lovely bare-back rider. Rather than see her married to a degenerate millionaire by her money-seeking guardian, he poisons her and then commits suicide.

Andreyev, educated for the legal profession, became a journalist on a Moscow paper. A short story of his, published in 1897, attracted the attention of Grok and started Andreyev on his way to success.

The play will be presented from Sept. 30th to Oct. 4 in the Houston Fine Arts Center in Denver.

## Bigbee served as hostess for the wedding.

A reception honoring the couple was held in the Orval Toole home following the ceremony.

Those assisting with the serving were Miss Pat Kinser of Liberal, Kans., Mrs. J. L. Vore of Kendall, Kans., Mrs. Earl Bigbee, Mrs. George Lee, Mrs. Will Toole, Mrs. Leslie Kinser, Miss Alice Toole, Mrs. John Cox and Mrs. Luster Toole, all of Hugoton.

After their wedding trip, the newlyweds and Kim and Trent will be at home in Plains, Kans., where Pierce is employed by Ulysses Irrigation Pipe Co., Inc.

Parents of the groom, Mr. and Mrs. Curtis Savage of Sudan, were hosts to a rehearsal dinner Friday evening, Sept. 10, for the couple.

The tables were decorated with the bride-elect's chosen colors. Floral arrangements of blue and white centered the tables.

Invited guests included Mr. and Mrs. Earl Bigbee, Mr. and Mrs. Marvin Miller, Mrs. Rieka Toole, Mr. and Mrs. Orval Toole, all of Hugoton; Mr. and Mrs. Richard Pittman of Satanta, Kim and Trent Slocum, Mr. and Mrs. Terry Toole and Amy, Mr. and Mrs. Jack Vore and David of Oklahoma City, Okla. and Carl Vore of Kendall.

## 2nd Debut with CEF...

### Cosmetic Face Lift From Europe Turns Back The Clock on Facial Lines and Wrinkles...in just Days!

Now... women over 30 can look younger! If you're concerned about your skin, you can anticipate the aging process. New 2nd Debut LOTION with Super-Moisturizing CEF 1200 was specially developed for you. Yes... CEF really cares for your skin!

It is by making moisture available to these areas in the right way that surface lines are first softened and then smoothed. This discovery by a famed doctor of physiology and his associates at their European clinic was considered so important, scientific journals in many countries heralded it as a major contribution to knowledge of skin care.

**UNIQUE PATENTED INGREDIENT**

The basis of this cosmetic face lift can be found in only one source in the United States—2nd Debut with CEF. CEF—an ingredient so unique it is protected by U. S. Patent #3033755. It offers the assurance of proven, positive results without risk, pain, heavy expense, harsh lines or sagging facial contours later. Your 2nd Debut lift can be as permanent as you want it to be. A regular, easy application of 2nd Debut Lotion with CEF twice a day will guarantee that your young look will remain with you.

**WHAT IS CEF?**

Synthesized to replace a natural element of the skin, CEF's function is limited solely to restoring the skin's critical moisture balance. More than just a moisturizer, skin softener or protective base, CEF speeds this revitalizing process. CEF is NOT a hormone or a steroid.

When 2nd Debut's CEF 1200 LOTION is applied to your face, it hydrates surface cells. Facial lines begin to smooth out... become less visible with each application. Within days, the morning and evening 2nd Debut European Beauty Ritual helps to bring you a more radiant youthful complexion... lifting your spirits as it smooths age lines!

**YOUR BEAUTY RITUAL**

Begin your nightly face lift by removing your makeup with 2nd Debut's Liquid Cleanser or Cleansing Cream. Then the cool exhilarating Skin Freshener to make certain your skin is properly prepared. It is non-alcoholic and gentle, to enhance the potent action of 2nd Debut's exclusive ingredient—CEF. Now... smooth a small amount of non-oily pleasantly scented 2nd Debut Lotion over your face and neck. Or, non-greasy 2nd Debut Nite-Lift for the woman who prefers the luxury of a night cream. Spread either one with a gentle circular motion of your fingertips until it vanishes. Your cosmetic face lift begins... no cutting—no stretching—no peeling—nothing more than just a simple and delightful few minutes each night before retiring. Repeat in the morning when you rise to greet the dawn of a new day... continue to use CEF 1200 as a moisturizing makeup base. Instead of "lifting" your face in the usual sense, you will accomplish a similar effect by actually lifting the harsh age signs from the surface of your face. Your zest for living will be enhanced, for to LOOK younger is to FEEL younger. We call it a "BEAUTY SYNDROME". Once you've achieved it, you'll agree that it's a lot better than the other syndromes in today's hectic world. To assure all your beautiful tomorrows, buy 2nd Debut with CEF today.

**2nd Debut with CEF**

## Cancer Society Meets To Discuss Materials

Members of the Lamb County Cancer Society met Tuesday night in the home of the C. L. Houchins at Earth.

Mrs. Houchin is president of the organization.

Educational materials for the coming year were distributed to representatives from Littlefield and Earth, in an effort to keep the public informed of services provided by the Society.

Representatives heard District Cancer Society Representative Dan Harris of Lubbock make a report on the state meeting, which was held at Houston in August.

Organizations or schools who wish to acquire free program materials and instructive films are asked to contact the American Cancer Society, 1611 Ave. M, Suite 110, Lubbock, or contact one of the county representatives mentioned below.

Attending the meeting from Earth were Mrs. Thurman Lewis, Mrs. Marshall Kelley, Mrs. Marvin Sanders and Mrs. C. L. Houchin.

Those from Littlefield were Mrs. Edna Mae Mangum, Mrs. Gwen Nace and Hubert Henry.

## Solesbee Circle Conducts Meet

AMHERST—Mrs. Bobby Brantley was hostess for the WMU Ruth Solesbee Circle meeting Monday night.

Mrs. Jimmy Cowan presided. Prayer sisters for the past year were revealed, gifts were exchanged and names were drawn for the new year.

Mrs. Eugene Young conducted games for a recreation period.

Members attending were Mmes. Dick McDaniel, Jimmy Cowan, Keith Tomes, Raymond

Duvall, Winston Ferguson, Donnie Jones, Eugene Young, Verdell Burton, Gaylon Long and a new member, Mrs. Laverne Nicholson.

## Census Survey To Be Taken

Questions on consumer buying and home improvement expectations will be asked by a representative of the Bureau of the Census in this area during the first week in October, according to Walter A. Freeman, Jr., Director of the Bureau's Data Collection Center in Denver.

Representative from this area is Mrs. Rosemary McNeese of Amherst.

The survey is made four times yearly as a part of a nationwide effort to guide governmental agencies in developing programs based on consumer spending patterns.

A sample of residents in this area will be asked if they expect to buy a house, car, or major household appliances during the next year and if they have made recent purchases of these items.

Homeowners will be asked about home improvements and repairs made during the last three months and any planned for the future.

The July 1971 survey indicated no significant change from earlier plans this year to buy houses, but intentions to buy cars and major household appliances had declined somewhat.

Information supplied by individuals participating in the survey is kept confidential by law and will be published only in the form of statistical totals.

are Mr. and Mrs. Melvin Dutton. The Duttons are former Fieldton residents who have recently moved to Petersburg.

THE FIELDTON WMU met Monday for their week of prayer program. Those present were Mmes. Royce Goynes, Earl Phelan, Jay Pike, Don Joyner, Paul Hukill and Ray Muller.

THE FIELDTON Brotherhood met Tuesday night for their monthly meeting. Rev. Ted Nehr of Rocky Ford was guest speaker. Others present were Earl Phelan, Ray Muller, Don Joyner, Royce Goynes, Archie Howard, and Rev. David Burum.

SUNDAY DINNER guests of Mr. and Mrs. Claude McCain were Mr. and Mrs. R. J. Trulock of Littlefield, Mr. and Mrs. Forrest Durham and Mr. and Mrs. Earl Phelan.

THE FIELDTON area has received between four and five inches of rain during the past week. Some areas received more.

REV. JOHN ROGUS, a student at Wayland Baptist College, was guest speaker Sunday at the Fieldton Baptist Church during the absence of the pastor, Rev. David Burum. Rev. Burum was holding a youth revival at Bula.

MRS. MINNIE BALL is a patient in the Littlefield Hospital.

DUBIOUS LANDMARK

The Federal Government's debt at the end of 1970 passed the \$400 billion mark for the first time. The gross public debt outstanding then, \$401.1 billion, represents almost a \$20 billion increase over December 1969, the Commerce Department reports.

A LIFE SAVER

Think in terms of two's when in or around the water. When swimming or boating your buddy can be more than just a friend—he can be a life saver.

DIFFERENCES

"Socialism will work only in two places: In heaven, where it is not needed, and in hell, where they already have it. Capitalism is the unequal distribution of wealth. Socialism is the equal distribution of poverty. Communism is nothing but socialism with a gun at your back."—Sir Winston Churchill.

THE PAINTINGS

Paintings will be on display at the new hospital in Littlefield. The project is sponsored by the Houston Art Association.

THE RODEO

Most of the 15,500 inmates of the Texas Department of Corrections are looking forward to the 40th Annual Texas Prison Rodeo held each Sunday in October at Huntsville, and most of them are wondering who will emerge as champion of the 1971 series.

However, oldtimers are looking to John Wesley of Navasota, serving a 12-year prison term at the Huntsville Unit, TDC, who last year finished a strong third while competing in only two events—bareback bronco and bull riding. Because of his riding ability, he won the coveted silver "best bareback rider" belt buckle.

In addition to the convict cowboy contests, this year's show will highlight some of the best known country and western celebrities as guest artists.

Dottie West and the Heartaches will appear Oct. 3, followed by Connie Smith and Nat Stuckey Oct. 10; Charlie Walker Oct. 17; the Waylon Jennings Show on Oct. 24, and the Porter Wagoner Show on Oct. 31.

Chuckwagon races and the popular chariot races will be featured as added attractions during each of the performances.

Reserved seats are at \$3, \$4, \$5 and \$6, obtained by writing Prison Rodeo, Box 100, Huntsville, Texas 77301. Check or money order.

Net proceeds from sales are used in treatment programs for inmates of the Texas Department of Corrections.

The rodeo is held in the stadium in Huntsville, showtime being 7:30 Sunday.

**THE ABUNDANT LIFE**

**Work Or Waste**

By BOB WEAR

**WORK IS A DIVINE imperative.** We are created to be working beings. From the very beginning, it has been so; and we depart from this established life-pattern to our own peril.

**"A MAN IS A WORKER.** If he is not that he is nothing."—J. Conrad. Work is a blessing, and not the curse which many seem to think it is. It may not be the cure-all, but it is of some value to all persons in all conditions of life. In most situations, nothing but work will serve all needs.

**"NONE SO LITTLE** enjoy themselves, and are such burdens to themselves, as those who have nothing to do. Only the active have the true relish of life."—Jay. The choice is between "work" and "waste."

**WORK IS MORE THAN** a means of livelihood. It is essential to life fulfillment. All except the totally disabled can do some kind of useful work.

Let us do what we can do, and be busy doing it; and let our doing be accompanied with a continuing feeling of gratitude.

**I SHALL NEVER FORGET** the good example of a man who, though confined to his bed, established and operated a suc-

**PUBLIC CONCERN**  
The growing public concern over noise pollution is an encouraging development. The recent enactment of noise control laws and ordinances in various cities and states is a step forward.

**MARKET DIRECTORIES**  
The latest changes among business trends have produced more than 2,400 net additions to Dun & Bratstreet's 1971 Million Dollar and Middle Market Directories. The set is a widely used desk-top marketing service compendium.

cessful business. He used the telephone and newspaper to let people know about the services he could provide.

Of course, the people he served told others, too. The point is, he worked. He worked even though no one would have expected him to work. He not only worked; he was able to help and encourage most of the people who conducted business with him.

**"LET HIM LABOR,** working with his hands the thing that is good."—Bible. Such instruction points out the undesirability of idleness.

Idleness cannot even be dignified by calling it rest, because; if there be no labor, there is no rest. Here is a proverb of great meaning and value: "The sleep of a laboring man is sweet, whether he eat much or little."

**WE MUST WORK** enthusiastically, and with the full realization that we are doing something useful.

All necessary work is useful, even if some of it is relatively more useful than some other, but all constructive work is useful to the worker, and, to some extent, to other people, too. It is work or waste; waste life and opportunity.

**WE WORK TO PROVIDE** for ourselves, and for those who may be dependent upon us. We will also be able to help those who are not physically or mentally able to work.

Referring to those able to work, Inspiration teaches: "This we commanded you, that if any would not work, neither should he eat."

**NO ONE IS OBLIGATED** to me to provide for me. It is not the responsibility of the community, the church, the government, or my neighbor to provide for me, so long as I am able to provide for myself.  
Life is work or waste.

What Our Readers Think

**'Thank You'**

Lamb County Leader-News  
Mr. Bill Turner

Dear Bill:  
I would like to take this opportunity to say thank you to you and many others for making our Annual Sidewalk Art Show a success.

Thank you for the news coverage before and after the art show. Your paper is to be commended for such excellent coverage by keeping our area artists and public informed about the art show.

We would also like to express our gratitude to the area art clubs and associations, and Hart-Thaxton Hardware, Littlefield Glass Works and The Gallery for their assistance.

We would be unable to sponsor a successful art show without the cooperation and gifts of these people and businesses and are grateful for all the assistance and interest.

**HONNY GRITS**

By CORNBALL BLEVINS

**I INVITE** your attention to an article in the Sept. 20th issue of "U. S. News and World Report."

The question raised, Page 71, is: "Should churches use their funds to force social change?"

**WHILE I PLEAD** complete ignorance to the proper answer of the question asked, I stand amazed at the information given in this article.

In the first place, I take a dim view of the church name being used in any place in political questions. I have trouble seeing a religious "Bloc" being used as a threat to any candidate or "movement".

**THE THING THAT'S** amazing, is: That religious groups and big wheels have the presumption to take "The Widows Mite" and use it to play the stock-market, invest it in bonds, and the like.  
Someone needs to tell us again, just to

what purpose we make our contribution to the church!

It is estimated that somewhere between 11 and 20 BILLIONS of church money is being circulated in such investments!

**THIS, WE THOUGHT,** was to be used for "The Spreading Of The Gospel", and the "Care Of The Widows And The Orphans". We remember that Christ drove the "Money Changers" from the temple. Now, we find that the same old clan is operating "In His Name".

**WE'D THINK THAT** if any people could be sold on the idea that "You Can't Take It With You" it should be those that proclaim the name of Christ. To what purpose are they amassing their wealth?

Is this the reason they stand in the pulpit and wheedle and coax their members to "Give 'Til It Hurts"—In order to have more to invest in stocks?

**IS IT A MARK** of prestige for a religious body to have a large bank balance, while there is so much ignorance of Christ in the world?—While there is so much starvation and nakedness around us?

These people are concerned about such questions as: "Should they withdraw their money from such firms as breweries, tobacco companies, those who don't have fair employment practices, those that aren't trying to preserve the ecology, and the like."

**WHILE I'M TRYING** to give their concern some serious thought, I keep seeing, in my minds eye, the sacrifice of conscientious church members. Some even deny themselves and families, in order to pour more money into the coffers of these institutions.

Until there are no people that haven't heard the Gospel, and, until there is no starvation and nakedness, I can find no justification for any religious group having any sizable bank account, much less, money with which to play the stock market!

PAUL H. H. H.

**The Other Foot**

**YOU ARE HEARING** some whimpering from overseas financial and industrial circles. They say the United States is sabotaging their economies to protect its own. When an American President puts American interests first, they're not accustomed to that.

For long enough the shoe has been on the other foot. We have allowed neighboring nations to gobble up more and more of our gold, our dollars and our markets.

**JAPAN'S INVASION** and takeover of our marketplace has been called an "economic Pearl Harbor." And it redoubled just this past year.

And it's not just cars and bikes and electronics, steels, textiles and ceramics: In recent years foreign shoe manufacturers have captured more than one-third of all shoe sales in our country.

**AND EVERYTHING WE** buy there is not made here, so both dollars and jobs have been "exported."

America's hard-hat workers generally applaud the President's effort to bring those jobs back home. Not all of their hard heads do. Some of Big Labor's leaders are demonstrating an unworthy petulance and recalcitrance.

Labor Secretary James Hodgson finally had to shame into acquiescence the president of the AFL-CIO. He said, "George Meany has fallen back, sadly out of step with the workers he is supposed to represent."

**PARADOXICALLY,** it was some of Mr.

Meany's unions which demanded the disproportionate wage increases overpriced American products.

The President is trying to get buyers and those jobs back home.

You have other critics. President should have frozen prices "a long time ago."

**YET THE RESISTANCE** countered from some individuals indicates that he had now—it had to become a situation—before such restrictions supported with any degree of

What will happen after freeze? It will have to be at least in part. You and I have the practicability of keeping wages over \$3 an hour—home and abroad, catch up.

**AFTER ALL,** the Japanese remarkably insensitive to unemployment.

The six West European nations have practiced practices themselves.

France has been stockpiling while leaving her long-time unpaid.

**PRESIDENT NIXON'S** to knock some cents back home. Dollar will pinch some, home and abroad and at home.

It's not a gesture to be applauded.

## Extra Point Failure Mostly For Mustangs

made the difference at Olton night as the visiting Tahoka passed past the Olton Mustangs, Mustangs tried to tie the game in the minutes of play, but a run for extra point failed.

Fullback Marlos May, drove up the field and got loose for a 48-yard run in the Mustangs in the lead in the quarter. A conversion attempt by Ladd Roberts went over from the line and Louis Zedlitz kicked the extra point in the lead in the second quarter. Jeff Atwell scored on a quarterback and Zedlitz kicked again to 14-6 in the fourth quarter.

Back Keith Workman, at the end of the play, added the touchdown that, successful conversion, would have tied the game.

## Bulldogs Nip Whiteface, 24-0

11 nipped the Whiteface 24-0, in a home game Friday night. The game was unscoring in three outings.

William Williams, 195 senior halfback, led the Bulldogs on another win when he scored 22 yards in the first quarter.

Quarterback Tommie Betts added a third touchdown in the third period with a three-yard run.

Betts scored again for the Bulldogs in the fourth period with a 12-yard run.

After tries on all four TDs, the Bulldogs had this was of little consequence in the passing attack. In comparison the Antelopes got 66 yards rushing and 14 yards in passing.

## Hart Longhorns Borden County Blasts Whitharral

Whitharral quarterback Carl Hoelscher scored for the Panthers on a keeper on the wet homefield Friday night, in a 48-6 drubbing from Gail's Borden County Coyotes.

The Coyote win was the third for them in as many pre-district encounters.

Borden County got off to a running start, racking up 26 points in the first quarter, then scored again in the other three quarters.

Whitharral is winless in their pre-loop play.

## WILDCATS

Continued from Page 1

against Lockney here next Friday night.

**THE FIRST TWO** Wildcat touchdowns were picture plays and, from the Littlefield point of view, things of beauty.

After the Cats stopped Slaton's opening possession at the Littlefield 39, Funk carried twice and reached the 49.

Then the 195-pound senior broke off left tackle, through a gaping hole, gave a linebacker the slip and simply outran the remaining Slaton defenders.

Larry Hobratschk kicked the extra and Littlefield had a 7-0 lead with 6:55 left in the first period.

**THE TIGERS** and Cats swapped the ball the next two possessions, with Littlefield taking over at the Tiger 45 with 1:39 left in the quarter.

Funk went wide right for 15 yards, and QB Trammell kept the Tigers' minds on the big tailback. He faked to Funk into the middle of the line, then dropped back to throw.

The Tigers took the bait as they climbed all over Funk. Flanker Johnson was a picture of loneliness 32 yards away at the goal line, and Trammell laid the ball right in his arms for a 13-0 lead.

Hobratschk's kick was plenty long enough, but wide with the clock showing 30 seconds left in the first quarter.

**SLATON** came back with its best drive of the night as the game Tigers, led by QB Darrell Eastman's running and passing, rolled to the Littlefield 27.

Eastman hit a fourth down, 10-yard pass to End Curtis Woolever, but the gain was inches short of a first down at the Wildcat 17.

Outside linebacker Lener Lewis got the Wildcats rolling again late in the second quarter when he recovered a Slaton fumble at the Tiger 27.

The Cats stalled, but QB Trammell threw to Split End Hobratschk on fourth down. The 11-yard gainer put the Cats on Slaton's 11, where Funk raced for the TD on first down.

Tight End Giles made a diving catch of a Trammell pass for two extras and the Cats had a 21-0 cushion with the clock showing 2:57 left in the half.

**A MINUTE LATER**, Littlefield got the ball back on a Slaton fumble at midfield.

After three gains and a Cat penalty, FB Hartley carried on a draw play. He weaved through the secondary and, using Johnson as a screen on the final Slaton defenders, romped 50 yards for the Cats' fourth TD.

Hobratschk's kick was good and the Littlefield lead went to 28-0 at halftime.

The third quarter was scoreless, although Littlefield used half the quarter in driving to the Tiger 5.

Slaton's problems with the Maroon defense seemed to mount with each play, as the Cats allowed only one first down in the second half.

The final Littlefield touchdown came with 11 minutes left in the game, following an 80-yard march that took 10 plays.

Trammell passed to End Larry Brikelbach for one first down, then gave the Tigers a steady diet of Mr. Funk.

Ralph carried four straight times from the Tiger 25, going in from the three. The PAT failed and the score was final at 34-0.

The rest of the way, the Tigers and Cats exchanged the ball with neither team making a threat.

QB JAY TRAMMELL(14) dives for three yards in the first quarter of the Littlefield-Slaton game. Other Wildcats in on the play are Dennis Hartley (24) and Larry Hobratschk (80).

MIKE CARTER (85) defends as Slaton completes a pass early in the Wildcat win over the Tigers.

RALPH FUNK climbs over a Slaton tackler for yardage on the wet Wildcat field Friday night.

## Dimmitt Edges S-E Wolves, 8-7

A two-point conversion in the last quarter gave the Dimmitt Bobcats an 8-7 edge over the Springlake-Earth Wolverines on the muddy Dimmitt field Friday night.

The first half of the defensive battle favored the Wolverines with S-E keeping the Bobcats jumpy as they possessed their territory, allowing Dimmitt to get in scoring position only once.

The Wolverines got in scoring range three times before S-E's multi-talented Hoyt Glasscock slanted over left guard from the 15 and scored standing with only 1:33 left in the first half. Fullback Glasscock kicked the extra point, a penalty wiped out the play, then he booted another good one, and S-E was 7-0.

S-E came into the game with 131 points scored in two outings. Of the 222 yards rushing for the night, S-E gained 169 of those in the first half. Glasscock gained 82 yards rushing at the S-E fullback slot of the wishbone formation.

The Bobcat TD came on one of two interceptions. In the fourth period, Daniel Feierson put the Bobcats on the scoreboard with a 10-yard run, then ran the conversion for the winning point.

In the passing department, S-E completed six of 13 for 100 yards. Dimmitt got 40 yards on three out of eight passes.

The Wolverines fared better in the penalty department, too, giving up 35 yards on five infractions. Dimmitt was penalized seven for 85.

### Hog Cholera Restrictions Lifted

The portions of Hockley and Lamb counties that were operating under state and federal swine movement restrictions for hog cholera no longer exist according to Gilbert R. Hollis, area swine specialist of the Texas Agricultural Extension Service. This means that permits are no longer needed for movement of swine in these areas. Inspection of farms in the Hockley-Lamb County area has progressed satisfactorily and is expected to be completed by the end of this week. The specialist points out that the quarantine area in northeast Lubbock County is still in effect and movement permits for swine are still required. Inspection of farms in this area continues and the quarantine will be removed just as soon as the threat of disease spread has been eliminated. Even though there is no restriction on movement within the state for swine not under quarantine, Hollis reminds producers that any animals moved must be held at the premises of the purchaser for 30 days and no movement from such premises, except for slaughter, is allowed for the 30 day period. This is the only requirement remaining from the original state-wide quarantine issued in March of this year. Hollis adds that barrow pig sales are not affected in any way by the federal quarantine remaining on northeast Lubbock County with the following exceptions. Any producer inside the boundary of the quarantine who wishes to consign pigs to a barrow pig sale must have a permit for movement. Also if the sale is receiving consigned animals from inside a quarantined area then a permit for conduction of the sale is required. The specialist urges any producer who has sickness in swine to notify their veterinarian, county agent or Animal Health Officials at the Ramada Inn in Lubbock at 763-9343. Hollis will also take reports at 763-9451.

## DODGE LEADS WITH ITS STRENGTH.

# Polara/Monaco—the all-new look of '72 at familiar '71 prices.

## ALL-NEW STYLING... SAME OLD PRICES.

In a year when most new cars look a lot like last year's, Dodge Polara and Monaco do not. They've been restyled for '72. The emphasis in the design of these new cars has been on strength, solidity, and silence. Their strong, expressive styling achieves an attitude of distinction with clean, fresh lines. And while the styling is all new, the prices of the '72 Polara and Monaco, and all Dodges, will remain the same as those offered on comparably equipped 1971 models. Prices may never be lower.

**1972 DODGE MONACO** Designed for the man who wants excellence without extravagance. The restyled 1972 Monaco has a look that sets it apart from the rest of the medium-priced field... like smooth lines, hidden headlights, and a streak of protective side moulding. It's equipped with the features you'd expect in a car as distinguished as Dodge Monaco. The new 360 two-barrel V8 engine, precise power steering, power front disc brakes, and Dodge's famous, smooth TorqueFlite automatic transmission are all standard.

**1972 DODGE POLARA** Dodge builds the Polara with a little extra size and riding comfort, and at the lowest possible price. You get such easygoing features as power steering, TorqueFlite automatic transmission, and a powerful, yet economical, 318 V8 engine standard.

**CHRYSLER MOTORS CORPORATION**

**DART DEMON COUPE** Our lowest priced Dart. It just goes to prove an economy car doesn't have to be a little car. Dart Demon seats five adults comfortably. Dart Demon. It's very big about saving you money.

**DODGE DART** Dodge Dart for '72 has the styling, size, comfort, and performance to be your only car. Untemperamental and predictable, it does what it's supposed to—give you economy and dependability.

**DODGE CHARGER** The Dodge idea of what a family-sized sports car should be. It's large enough to seat six, and its sporty styling adds a new dimension to the old-fashioned family cars. Check it out today!

**DODGE CORONET** The convenience car. The perfect idea for a family car because Coronet is designed solely to be a four-door family sedan. Full-sized room for six people, and styling that you'll be proud of.

AN INNOVATIVE spring steel bumper support system that greatly reduces low impact collision damage is being introduced on the 1972 Oldsmobile Delta 88's, 98's and the Custom Cruiser station wagon. Shown here is the Ninety-Eight Coupe.

THE 1972 OLDSMOBILE Cutlass Supreme series consists of three body styles, a hardtop coupe (shown above in two views), a convertible, and a hardtop sedan.

## Marcum Shows New Oldsmobile, Pontiac, Cadillac

For a look at three lines of new cars and the 1972 GMC trucks, Marcum Olds-Pontiac-Cadillac is the place to stop.

The new Oldsmobiles, Pontiacs and Cadillacs, along with the GMC truck line went on display Thursday.

All three lines of cars incorporate several engineering advancements, including a spring steel bumper support system designed to greatly reduce low impact collision damage.

### Area Servicemen

#### RAMON C. RODRIQUEZ

Army Private Ramon C. Rodriguez, 20, son of Mr. and Mrs. Jose L. Rodriguez of Littlefield, recently completed eight weeks of basic training at the U. S. Army Training Center, Infantry, Ft. Polk, La. He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and Army history and traditions.

#### ENRIQUE C. GARCIA

Army Private Enrique C. Garcia, 20, son of Mrs. Dominga C. Martinez of Littlefield, is assigned to Ft. Ord, Calif., where he is training under the modern volunteer Army field experiment.

The new concept, called Volar, combines basic and advanced individual training into a single 16-week program. Decentralized instruction at the unit level and a reduction of formations and inspections gives the soldier more time to train and increased off-duty time.

Fewer restrictions on off-duty travel and improved living facilities are other benefits of the Volar concept.

Pvt. Garcia began his

training on Aug. 25 and is scheduled to complete the first phase on Oct. 15.

The private attended Littlefield High School.

#### THOMAS S. MIGUEL JR.

Army Private First Class Thomas S. Miguel Jr., whose parents live in Earth, is serving with the U. S. Army Strategic Communications Command Long Lines Battalion-North, Korea.

He is a member of Company A of the Battalion, completed eight weeks of basic training at Ft. Ord, Calif., and was last stationed at Ft. Gordon, Ga.

The 20-year-old soldier is a 1970 graduate of Springlake-Earth High School.

SLEEK STYLING, driving convenience, safety and engineering innovation blended into Pontiac Motor Division's 1972 Grand Ville (top) and new Luxury LeMans. The Grand Ville, available as a two-door hardtop, convertible and four-door sedan, features a new energy-absorbing front bumper that is standard on all big Pontiacs. Highlighting the Luxury LeMans are a distinctive grille, lower body side moldings, rear wheel opening covers and special interiors. It is offered in two and four door hardtop models.

THE 1972 CADILLAC Sedan De Ville highlights a front end with a new grille arrangement, a new grille and an improved bumper. The traditional Cadillac hood grille has horizontal accent bars, and appears to float within the hood molding that frames the grille. For 1972, the parking lamp has been moved to bumper area to a location between the head lamps, and features a Cadillac crest on the lens. The 1972 front bumper impact capability has been increased to withstand a five mile-an-hour car-to-car impact. All standard Cadillacs are powered by a 472 cubic inch engine.

# PLAY NEWSPAPER BINGO

## RULES OF THE GAME

**NO OBLIGATION OR PURCHASE NECESSARY:** There is no obligation or purchase necessary. A copy of the paper is available for playing the game at the office of this newspaper-also at the public library-also a Bingo card and/or copies of The Leader-News containing the Bingo numbers may be obtained by mailing your request to this newspaper (please print your name and address clearly). You may play as many cards as you wish-they are free. Get additional cards-one at a time-each day

**DIFFERENT COLORED CARDS EACH WEEK:** The color of the cards changes each week. To be a winner, you must play Bingo cards of the correct color for that week. Mutilated or altered cards will not be honored. ALL 24 NUMBERS ON A CARD MUST BE MATCHED TO WIN.

**CHANCE DETERMINES NUMBERS:** Bingo numbers for each week's game are drawn strictly at random at the office of this newspaper. Some duplication of Bingo numbers may appear in the merchants' ads-or elsewhere in the paper. This duplication does not affect the game or the total numbers drawn.All numbers for each week's game will appear somewhere in the sponsoring merchants ads-and possibly elsewhere in the paper. Employees of this newspaper and members of their families are not eligible to win any of the prizes. Newspaper Bingo is a program copyrighted and registered by Marketing-Research Associates, Minneapolis, Minnesota.

## HERE'S HOW IT WORKS...

**PICK UP FREE BINGO CARDS:** Each week (adults only, please) pick up your FREE Bingo cards from any of the sponsoring merchants listed below. Rules of the game allow the merchants to give you only one card on each store visit. However, you may make as many visits as you wish each day of the week. THE MORE CARDS YOU PLAY-THE BETTER ARE YOUR CHANCES OF WINNING.

**HOW TO PLAY:** Check the ads in each week's issues of The Leader-News. The ads of the merchants listed below will contain one or more "Newspaper Bingo" numbers in the "Bingo Bug" symbol (shown above). Occasionally numbers, in the "Bingo Bug" symbol, may be found elsewhere in the newspaper. Be sure to check the Classified Ad section for additional numbers. IF YOU CAN MATCH (JUST CIRCLE OR "X" THE MATCHING NUMBERS) ALL 24 NUMBERS ON ANY ONE OF YOUR BINGO CARDS WITH THE NUMBERS PUBLISHED IN THE SUNDAY AND THURSDAY ISSUES OF THE LEADER-NEWS-YOU HAVE A "BINGO"-AND YOU ARE A WINNER!!!

**AT LEAST \$50 WEEKLY!!!** Winners will share a weekly prize of \$50.00 (in "Bingo Bucks"-they spend the same as cash with any of the sponsoring merchants listed below). If there is only one winner, he wins all of the \$50.00. If there is more than one winner, all winners will share the \$50.00 in equal amounts. If there are no winners any week, the \$50.00 weekly prize will be added to the following week's prize fund.

**CHECK EACH ISSUE OF THE PAPER:** Each game is complete in each week's Sunday and Thursday's issue of The Leader-News. A new set of Bingo numbers will be published each week in the sponsoring merchants ads-and possibly elsewhere in the paper. A new color of Bingo cards for each week's game will be available at the sponsoring merchants' stores. To be eligible to win, you must play Bingo cards of the correct color for that week's game. The color of the cards for each week's game will be announced on this page.

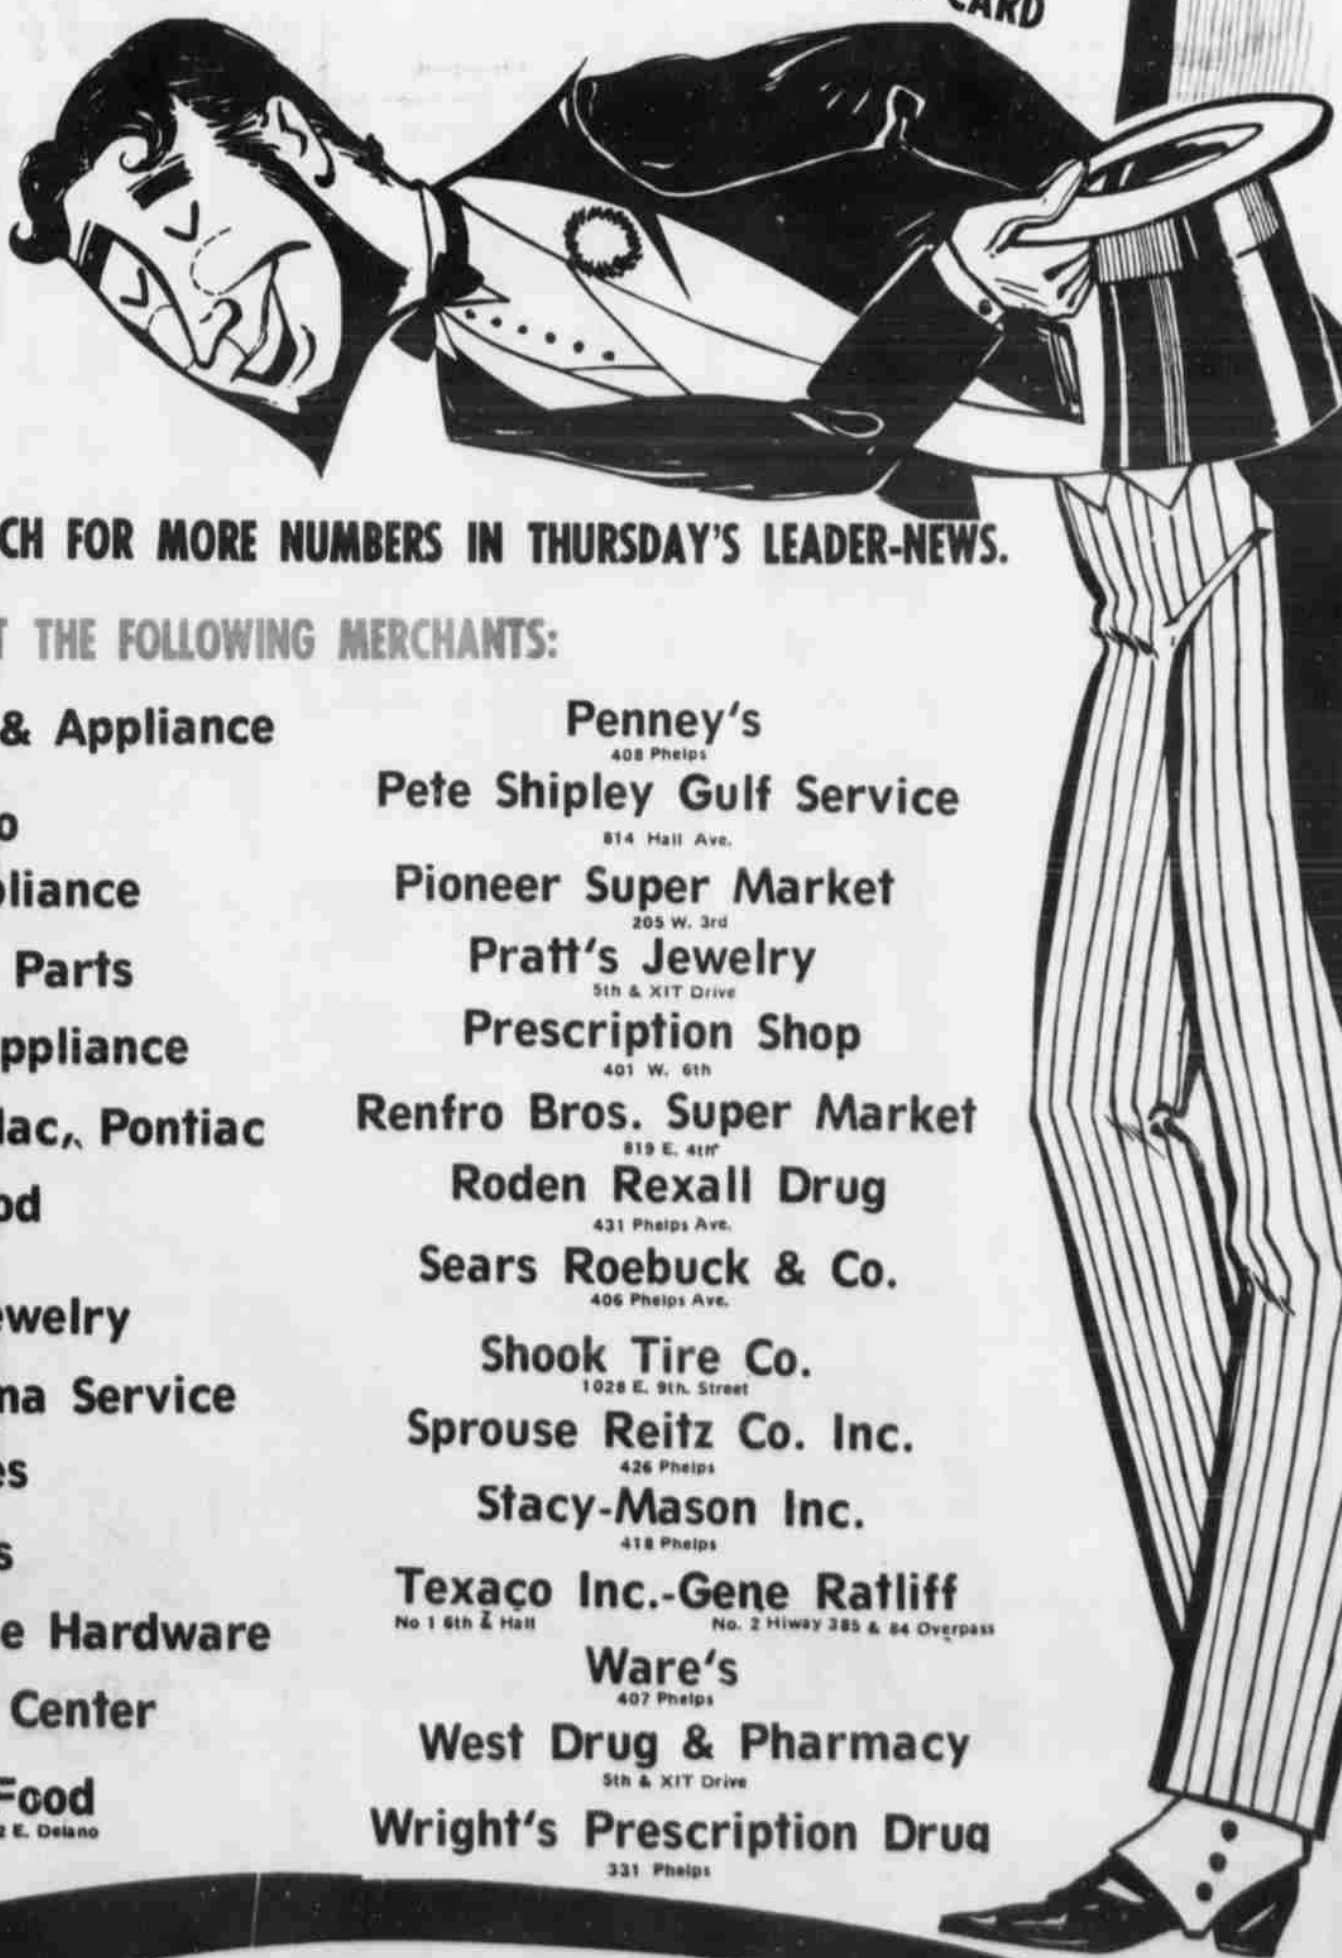

**IF YOU ARE A WINNER:** If you have a winning Bingo card, ON WHICH ALL 24 NUMBERS HAVE BEEN MATCHED WITH THE NUMBERS APPEARING EACH WEEK IN THE SUNDAY AND THURSDAY'S ISSUES OF THE LEADER-NEWS, print your name, address, phone number, and the name of the store where you got your winning card, and mail to this paper at Box 72, Littlefield, Texas 79329 (the envelope containing your winning card must be received by 5:00 p.m. Tuesday of the following week)-or bring your winning card to the office of this newspaper at 313 W 4th Street, Littlefield, Texas by 5:00 p.m. Tuesday of the following week.

YOU MAY WIN

\$50

IN CASH VALUE BINGO BUCKS

## Promotion Time

ITS Promotion Time . . . Sunday School Commencement time. Every youngster longs for this time of year. They have done well and must be promoted. They are moving ahead, making progress in the teachings of God. In that there is delight.

Perhaps Promotion time should be just as important to adults as to the young. Maybe we should check our progress in Christian living. If we had to earn our yearly promotion where would we be? Are we going to church more? Have we increased our giving? Do we help more in various church programs? Do our lives reflect deeper religious beliefs? Would my pastor O. K. my promotion? Would my family give me a card? How about my relatives, friends and business associates? It is Promotion time and can we meet the challenge? Can we truly say it is Time for us To Move Up.

ACTEEN OFFICERS elected Wednesday include: top row, left to right, Pat Glazner, mission action chairman; Gail Williams, prayer chairman; and Mrs. A. J. Kennemer, speaker. Seated, left to right, are Cathy Nelson, social leader and scrapbook chairman; and Shelia Harrell, president and program chairman.

## Acteens Officers Take New Duties

Wednesday evening, the parlor of the First Baptist Church was the setting for the installation of officers for the High School Acteens.

Mrs. A. J. Kennemer, installing officer, used the theme "The Living Circle", based on the song by that name from the folk musical, "I Looked For Love."

After playing a recording of the theme song, by way of introduction, Mrs. Kennemer presented each with a scroll inscribed through a small ring. On the scroll, which was in the form of a circle, were the words to the song. She reminded the young women that, in order to fulfill their duties, they should "ask Him to please forgive . . . then, . . . promise for Him (to) live." Thus, "peace of mind" and "strength," could be found.

She exhorted them to remember that their purpose in all they do is "to help others find the Saviour," too. In concluding her words, Mrs. Kennemer reminded the young women that the entire world is a circle. "Your Living Circle, which can reach to infinity," she said, "must include all mankind."

Acteen officers are Shelia Harrell, president and program chairman; Pat Glazner, mission action chairman; Gail Williams, prayer chairman; Denise McCurry, mission chairman; and Cathy Nelson, social leader and scrapbook chairman.

Acteen leaders are Mrs. Aaron Williams and Mrs. Albert Perkins.

Following the installation, guests were invited to the tea table where lime ice, mixed nuts, mints, and miniature cake squares were served. The ice, mints, and cake squares carried out the Acteen colors of green and white.

Members and guests present were Misses Lynn Ann Bussanmus, Pat Glazner, Shelia Harrell, Cathy Nelson, Beth Williams and Gail Williams; and Mrs. Harley Bussanmus, Freddy Harrell, A. J. Kennemer, Ralph Nelson, Albert Perkins, Aaron Williams, and Gene Williams.

## WMU Circle Views Skit

AMHERST-The Annie Armstrong Circle of the Baptist WMU met Monday night with Mrs. A. O. Dickson as hostess.

Mrs. Glenn Wilson led the opening prayer and Mrs. James Holland, program chairman, conducted an amusing skit.

She described "the lovely group I'm in" and led in a game, "Personalities". The "clues" were given as to the identity of each one present.

It was a fun game of guessing. Old movies of WMU and church activities were shown to add to the merriment.

Prayer sisters were revealed, gifts were exchanged and new names were drawn for the new year.

In the absence of the Circle chairman, Mrs. Don Carter, vice chairman, presided.

The nominating committee presented the officers for the new year, and they were elected. Chairman is Mrs. Don Carter; vice chairman is Mrs. Maurice Brantley; secretary-treasurer is Mrs. Bill Bradley; social chairmen are Mrs. T. L. Bennett and Mrs. Vic Reynolds; Bible Study chairman is Mrs. J. P. Brantley; mission study chairman is Mrs. James Holland; Mission action chairman is Mrs. A. O. Dickson; program chairman is Mrs. Charles Nixon; prayer chairman is Mrs. Charles D. Jones; yearbook committee members are Mrs. Maurice Brantley, Mrs. T. L. Bennett and Mrs. A. O. Dickson; and song leader is Mrs. Carter.

Refreshments of cheese roll on party crackers, cherry pie a la mode and coffee were served to Mmes. Bill Bradley, T. L. Bennett, Glenn Wilson, James Holland, Charles D. Jones, Charles Nixon, Don Carter, and Dickson.

### HANDICAPPED

Youngsters who are considered behavioral problems, or even "just plain dumb," may be suffering from hearing handicaps. One of the most tragic aspects of hearing losses among youngsters is that the problems often are not recognized by the victim, his parents or his school teachers.

### HOLIDAY FUN

Holidays are a lot of fun. Don't spoil them by not concentrating on your driving. Vacationing is only fun if you get there.

## Anton Study Club Plans Activities

ANTON—Theme of the Anton Study Club meeting Monday night was "A time to care for our club." Mrs. Orval Williams was hostess for the meeting with Mrs. Johnie Harper Sr. serving as co-hostess.

Mrs. C. E. Sliger, president, presided at the business session. The departmental chairmen and president who attended the Caprock District Workshop in Lubbock Saturday reported on their meetings.

Members will make and fill ditty bags for the soldiers in Vietnam. These are due Oct. 1.

Mrs. Harper, chairman, and Mrs. Claude Couch and Mrs. Carl Harrington were appointed to the committee.

Members of the club were asked by the Texas Federation of Women's Clubs to conduct a post card campaign to members of Congress on the "Save the Big Thicket" project.

The Caprock District Board meeting will be held Oct. 16 at South Plains College, beginning at 8:30 a.m.

Letters of appreciation were read from Carolyn Hodges, who attended Girls State; and Judy Motl, the Carolyn Grundy Scholarship recipient.

Mrs. Claude Couch, program leader, reviewed the Anton Study Club constitution and discussed parliamentary procedure for conducting meetings.

The program was presented by Mrs. Beulah Houston and Mrs. Ed M. Hart, charter members and past presidents.

Mrs. Hart stated that the club was organized at her home on Oct. 5, 1938, sponsored by the Sudan Study Club, and was federated with the General Federation of Women's Clubs Jan. 3, 1939.

Mrs. Carolyn Grundy was the first president. Some of the club projects have been the purchase of a slide projector for the school, paying the sidewalks in front of the school, placing street signs and house numbers, paid for half of the irrigation system in Spade Circle, beautification of the cemetery, printed cookbooks, sponsored girls to Girls State five years, and awarded \$100 scholarships nine years.

Mrs. Houston discussed highlights of the early years of the Anton Study Club. Two members attended the state convention of TFWC in 1941. For three years they had a Club Jester.

With Sudan and Littlefield Clubs, they had Evelyn Oppenheimer of Dallas to present a book review on "The Foundation Stone", Dec. 2, 1940.

Mrs. Houston said, "We had guaranteed her \$75 plus expenses and for the time the situation was critical as the 40-cent tickets were not going very fast."

Sixteen members were served refreshments by the hostesses. The next meeting will be Oct. 4 in the home of Mrs. Elmer Houston.

highest scorers in their states on the National Merit Scholarship Qualifying Test which was given last February to more than 655,000 students in 16,600 schools nationwide. Semi-finalists constitute less than one per cent of the graduating secondary school seniors in the U.S., and represent the country's most intellectually able young people.

If young Rogers advances to the finalist standing on a second examination he will be considered for Merit Scholarship awards next spring.

High School grades, accomplishments, leadership qualities and extracurricular activities of finalists are evaluated, along with test scores, are considered in selecting Merit Scholarship winners.

The National Merit Corporation identifies students with exceptional intellectual attainment and promise and concentrates on individual promise of students.

Rogers is the only LHS student attaining semi-finalist this year.

Burl Harris, LHS principal, said in the past few years several students have received letters of commendation after taking the test, but added that Mark is the first student in several years named semifinalist.

 Start Winning  
**RULES  
 OF THE CONTEST**

All you have to do to be eligible for the weekly cash prizes is complete the form below and turn it in to the Leader-News office. In each merchant's block is a "Breaker" box, put the scores you believe will lose. Then in the "Breaker" box, put the scores you believe each of the teams will make. Judging will be based on the total guessed correctly. In case of a tie-breaker will be used to determine top winners. Decision of the Leader-News scoring judges will be final.

To be eligible for the 2 free tickets to the New Year's Game at the COTTON BOWL, the total number of correct guesses must be totaled through the 12-week season.

Entry forms must be in the Leader-News office, 313 West 4th Street, no later than 5 p.m. Friday. Forms mailed to the Leader-News, P. O. Box 72, must be postmarked Friday. All late entries will be voided by the judges.

LIMIT—One entry per contest per week.

BE SURE to complete the form and PRINTING plainly your name and complete address. Contest winners will be announced in each Thursday's issue of the Leader-News.
