

**Calls Go Toll Free Wednesday**

Beginning Wednesday morning, July 22, at 8 a.m., Littlefield and Amherst citizens will begin calling one another on a toll-free basis, by just dialing the listed telephone number of the person," said Ed F. Kehoe, district manager of the General Telephone Company of the Southwest. This was made possible by the fact that both city councils approximately two years ago, and have been pending arrival and installation of the required tele-equipment," Kehoe said.

The extended area service will be a first for the people of Amherst, and for Littlefield. It will be a welcomed addition. Presently, Spade, Pep, Whitfield, Fieldton, Bula, and Anmay be called on a toll-free basis," Kehoe said. There will be no change in rates to Littlefield tele-equipment subscribers, but there will be a change in the rate for Amherst customers. The business line in Amherst will be \$11.25; straight line service will be \$5.75 per month; two-party residence service will be \$4.75 per month; the residence extension will be \$1.25.

**Cupid Leads Hooger Man'**

**First Of '70**

Both cupid and the devil are dragging their feet in the marriage and divorce annals of Lamb County, compared to the past two years. Dan Cupid holds a four-point edge on Satan with 76 marriages compared to 19 divorces granted for the first six months of 1970. At the present rate, court business will have to pick up before the year is out. Both marriages and divorces will be down from the 169 marriages granted last year and 54 divorces granted. In addition to the 19 divorces for the first half of this year, 10 others filed for divorce but these cases were dismissed.

**Teen Town Sets New Schedule**

Teen Town will begin opening its doors on a new schedule Wednesday night, July 22, and will remain on the new schedule until school starts. Teen Town, located in the block of Phelps Avenue, will be open from 8 to 10:30 p.m. every Wednesday, Friday and Saturday. New membership cards are being sold and will be good for one month after the purchase date. Anyone in grades seven through twelve is eligible to purchase a ticket from any board member, or the door. Teen Town officers are also selling the tickets for the "give-away" in August.

DIANE PERKINS returned from Sweden Wednesday night and lost little time getting back into the swim of things at the Crescent Park pool where she is a life guard. In Sweden, she sun-bathed on the beach two weeks and didn't get a sun tan, and only swam twice because the water was so cold. On summer nights everyone wears coats when they go out, Diane said.

**Girl Surprised At Attitudes On Religion, Sex And Politics**

By NILAH RODGERS  
Leader-News Staff Writer

Diane Perkins liked the mosquitoes in Sweden least, the families she stayed with the most and was surprised at finding so many professed atheists and so much free love among the Swedish youth. "Yes, it's true about their morals," Diane said. "The Swedish people can't get married under 25 years unless they write the king. So they just live together. There is a lot of that. In fact, they can't imagine getting married without living together first. "They say, 'How do you know you want to marry someone if you don't live with them for a while?' " "They don't seem to think much about an unmarried girl having a baby. What's wrong to them is very young people getting married. Everyone is 25 years or over before they marry. And their government supports children born out of wedlock. "Most parents give their daughters birth control pills," Diane continued. "Or I guess

they do, both families did where I stayed. "But when you're there, somehow it doesn't seem bad because sex isn't such a big thing over there. Everything is clean and out in the open, and the children discuss sex with their parents, and I think that is good. And their divorce

**Firewood Available**  
Need Firewood?  
Anyone who wishes to pick up free firewood may go to the city dumpgrounds and cut up trees which are being taken from curbs near city streets in the street improvement program.  
Mayor J. E. Chisholm reports there are several trees at the dumpgrounds, and anyone wishing to "retrieve" the wood for their fireplaces may do so.

**City Purchases New Equipment**

Littlefield will purchase a used gravity feed tailgate gravel spreader and a used pneumatic pull-type roller, following action taken by city councilmen Thursday night during their regular session. Councilmen also discussed the purchase of a rotary street broom to be used in the street maintenance program, but decided to wait until later to make a decision on the matter. The four-gate unit tailgate gravel spreader will cost the city \$344 and the roller will be purchased for \$400. In other matters of new business discussed during the brief session, councilmen received and accepted the report from the Board of Tax Equalization. Councilmen received letters for filing, concerning the Airport Grant problem, and received a filing copy of the 1971 Migrant Health Budget. In the line of routine business councilmen approved the minutes and payment of monthly bills.

**Pageant Entries Sought**

This week members of Beta Sigma Phi began distributing entry blanks for the Miss Lamb County Beauty Pageant to be held as part of Littlefield Festivities Days August 28 and 29. Businessmen and service clubs at Olton, Amherst, Spade, Springlake, Earth and Sudan were visited this week, and entries will be given to Littlefield merchants and organizations tomorrow. Each sponsor pays a \$10 entrance fee. Each entrant must have an organization, civic club, or business in Lamb County as a sponsor. Girls entering must be residents of Lamb County between 16 and 22 years, single, and enter the contest before the August 7 deadline. There will be bathing suit and evening gown competition and each girl will answer a question drawn during the pageant, Friday, August 28, at 7 p.m. in the Littlefield Junior High Auditorium. The winner and runners-up will ride in the downtown parade the following Saturday morning.

WHILE EVERYBODY talks about the hot weather, April Sansom finds a way to beat the heat. April "plays lady" decked out in her mother's dress and accessories. Mrs. W. D. T. Storey's front porch with wicker chairs offers inviting shade, and just for good measure April equipped herself with a parasol and fan to play it cool even with temperatures zooming past 100 degrees again this week. April is the daughter of Mr. and Mrs. Ted Sansom, 409 E. 13th.

**Annual Incomes, Spending Up**

Incomes in Lamb County were up in the past year and, as a result, consumer spending continued at a high level. The figures show that many local merchants equalled or exceeded their previous year's volume, due in part to the higher prices for goods and services. Just how much was spent by local families for food, cars, furniture, clothing and other commodities is detailed in a new market data report, released by the Standard Rate and Data Service. It gives comparable figures for families in all parts of the country. In Lamb County, food stores got a sizeable piece of the retail dollar. They accounted for approximately 22 cents out of every dollar that was spent. Elsewhere in the United States, 21 cents went for food and, in the West South Central States, 19. For grocery stores, supermarkets, bakeries, meat markets and other food emporia in the area it added up to a sales volume of \$7,552,000, as against the prior year's \$7,179,000. This was solely for take-home food. It does not include

expenditures in outside eating and drinking places. If this outlay for food were divided equally among all local families it would average \$1,033 per family. Compared with the expenditure for food in most other areas of the country, this was a relatively large amount. The SRDS report shows that consumer buying of other kinds of merchandise was also sturdier than might have been expected. Sales of automobiles, motorcycles, boats and other automotive equipment amounted to \$6,102,000. Department stores and other shops carrying general merchandise accounted for \$1,178,000. Apparel stores and specialty shops handling dresses, hats, shoes and other articles of clothing ended the year with a total of \$1,813,000. Sales of furniture, household appliances and home furnishings came to \$1,307,000. In recent months, reports

indicate, consumers across the country are showing more restraint in their spending, reflecting their concern over the war and inflation.

**Seal Coating Begins Monday**

Jake Dief Dirt and Paving Inc. of Muleshoe, contractor for Littlefield's \$365,000 street improvement program, will begin shooting seal coating on city streets Monday. City Manager Pat Bradley said the city or contractor will try to contact residents so that their cars may be moved from the streets during the brief-as-possible seal coating projects. "We realize this will be an inconvenience to citizens," Bradley said, "but in order to do the best possible job, we solicit the patience of each citizen as we complete these jobs with a minimum amount of inconvenience."

**LOCAL AGENTS GIVE VIEWS**

**Auto Insurance Rise Discussed**

Littlefield insurance agents blame "just the times," being caught in the inflation for the rising costs of insurance rates. Add to this today's "delicate" cars that cost several hundred dollars to repair after a minor accident, and the picture of almost a 10 per cent increase in rates last year and an expected minimum 10 per cent rate increase this year is a little easier to understand. Littlefield agents say the terrific rise in hospital rates have affected auto insurance, also. Newton cited a claim for \$2,500 resulting from a "minor" city

wreck of two weeks ago that sent one person to the hospital. Inflatable air bags that will be mandatory in 1972 are expected to reduce bodily injuries by a wide margin. "And people don't die like they used to," said Jack Wattenbarger, Farm Bureau agency manager. "Even after a catastrophic accident, sometimes people live for years with today's medical care," he said. In addition to increased medical rates, Wattenbarger adds injury costs as another factor in higher priced insurance. Recently Gov. Preston Smith's insurance study com-

mittee said the enactment of a mandatory system of liability insurance would be "highly desirable." Wattenbarger would like to see a mandatory financial responsibility, but thinks there are other ways of forcing such a responsibility than through insurance. Bill Kelly thinks such legislation would make rates jump because rates have risen in other states where mandatory insurance has been tried. One theory for this is that mandatory insurance would force below-average drivers, who are usually uninsured, into the insurance pool causing the rise

since there would be a greater proportion of losses from these bad drivers than there would be premiums collected from them. Kelly said it would also cause plenty of red tape and demand too much from the poor people. As it now stands, most motorists have to protect themselves against uninsured drivers by adding this protection to their insurance. Even then, the insured are protected for bodily injury, only, and not for property loss. "Every four out of five drivers you meet are uninsured," Wattenbarger said. "Many say they can't afford insurance, but

they buy gasoline. Most in this category don't pay school or county taxes, and if they lose their driver's license or total a \$150 car that they still owe for, that's not much to lose. But property owners must have insurance to protect themselves. Local insurance agents seem to agree that Littlefield repairmen are pretty ethical when it comes to repairing insured vehicles, but that the trend will run to "all the traffic will bear." "They have book rates to go by," Kelly said, "and I don't know of any in town who are getting rich off insurance com-

panies," he said. At the same time, the flat rate has increased from \$6 an hour here to \$8 over the past three or four years, according to Wattenbarger. Newton said the way late model cars are built makes repairs jump, and added that many people demand a new bumper at \$100 to \$125 just because theirs has a scratch, when oftentimes they collect the money and leave the old bumper on. "People are honest until it comes to insurance," he said. Insurance agents say their companies are just depositories for premiums and are not making money on auto insurance.

"As a matter of fact, we turn down more people than we write policies for," Newton said. State Farm does a billion dollar business annually on premium incomes. "And last year the company lost \$39 million on auto insurance," Newton said. He thought a loss on auto insurance would hold true for the average auto insurance company. Other types of insurance haven't been left untouched by inflation, either. Some lines of fire insurance jumped 24 per cent last year, and is still rising. Following hail and wind damage claims paid last year, one large eastern concern made

a wholesale cancellation of insurance in 40 West Texas agencies. And after the tornadoes this year, companies are getting the jitters again. One company paid out an excess of \$600,000 to Whitharral and Whiteface residents this year, "and you can just imagine the number of other companies involved," Wattenbarger said. "People pay out more money for insurance, and know less about it than for any other thing they pay for," Newton said. "I think it would help to have an educational program of some kind, instead of talking about rates all the time."

## Finch-Brunson Wedding Vows Are Solemnized

Miss Jennifer Deweede Finch of Pampa and Bobby G. Brunson of Littlefield were united in a double ring ceremony, Saturday evening, July 11, at the Central United Methodist Church in Dalhart. Rev. Leeland Spurrier, assistant pastor at Polk Street Methodist Church in Amarillo, officiated. The bride used her paternal grandmother's wedding ring.

Parents of the couple are Mrs. Allyn D. Finch and the late Allyn Finch, Mr. and Mrs. J. G. Brunson of Crane.

The bride given in marriage by her grandfather, O. H. Finch Sr., wore a Priscilla of Boston, formal wedding gown of silk organza applied with beaded Alencon lace. Lace accented the demure empire Victorian bodice, over the shoulders and onto the full sheer sleeves. Her wide ruffled cuffs and high stand away collar were circled with appliques of lace and buttons. Small bows accented her cuffs and down the back of the dress. She carried an arm bouquet of Phalpas with white velvet ties and streamers, entwined in the bow was a handkerchief carried by her mother at her wedding.

Honor attendants were Mrs. Gary Finch, of Dalhart, sister-in-law of the bride and Mrs. J. W. Bales of Abilene, Bridesmaids were Mrs. Jerry Citek of Rolling Meadows and Mrs. Johnny Wright of Amarillo. They wore floor length gowns of lime shake green voile, enhanced with white eyelet embroidery. The empire bodice was designed with a fitted Victorian eyelet neckline and sleeves, accented at the arms and waist with scallops of embroidery.

Flower girl was Staci Kay Finch, niece of the bride and she wore an identical dress to the attendants. Ring bearer was Tod Swift of Mertzon.

Serving the groom as best man was Jerry Swift, groomsmen were Gary Finch, brother of the bride; J. G. Brunson, father of the groom and James Brunson, brother of the groom.

The church was decorated with woodwardia ferns, jade and emerald leaf, interspersed with votive candles on the altar railing and the ends of the pews. The aisles were carpeted with white satin.

The brides mother was attired in an original Elizabeth Brynes azure blue alaskine, with jeweled neckline and cuffs. She wore matching shoes, and carried a beaded hand bag. The grooms mother was fashioned in a pink worsted silk sheath with matching accessories.

A reception followed at the Dalhart Country Club. Decorations of massive bouquets of white gladiolus and white mums were used. The table was covered with a white satin cloth draped with simlax and a center piece of silver eperne, holding white tapers and white butterfly roses. Silver appointments were used.

Grooms table was laid with a mint green cloth, with gold cording. Gold appointments and tiered green candles in gold holders carried out the decor.

For their wedding trip to Hawaii the bride chose a two piece, ice blue linen suit, with beige shoes and bag.

The bride graduated from Texas Christian University and was a member of Delta, Delta, Delta sorority. She has been

## Baker-Obenhaus Vows Exchanged

SUDAN--Betti Arrawanna Baker of Sudan and Lerry Leon Obenhaus of Muleshoe were united in a double ring ceremony Saturday evening, July 18 at the home of the brides parents.

REV. J. R. Manning, pastor of the Sudan First Baptist Church officiated for the reading of the vows.

Parents of the couple are Mr. and Mrs. Dexter Baker Sr. of Sudan and Mr. and Mrs. Virgil Obenhaus of Muleshoe.

The bride given in marriage by her father, wore a formal length Princess style gown of white angelskin peau de soie, featuring re-embroidered Alencon lace overlaying the bodice and front panel of the flaring A-line skirt and sabrina neckline. It featured Camelot designed sleeves accented at the shoulder and cuffs with lace. She wore a lace mantilla and a wide chapel length train.

Attending the bride as matron of honor was Mrs. Kay McCollum of Galveston. She was fashioned in a blue crepe formal length gown, featuring an empire waist, round neck and puffed sleeves.

Serving the groom as best man was Allen Groom and Larry Baker as usher, both of Sudan.

The home was decorated with white gladiolus and blue tapers. Musical selections were "Oh Promise Me," "Wither Thou Goest," and the "Wedding Prayer."

A reception was held following in the home of the brides parents. Presiding at the serving table was Mrs. Allen Groom, Connie Lance, and Nancy Fields. Guests were registered by Miss Rene Markham.

The couple will make their home in Polk Village, S. C.

## Brunch Honors Miss Nancy Hall

Miss Nancy Hall, bride-elect of Randy Aduddell, was honored with a brunch Saturday morning, July 11, at the Tea Room of Hemphill Wells in Lubbock.

Hostess for the occasion was Mrs. J. H. Carl, aunt of the honoree.

The bride-elect's chosen colors of pink and white were used in the decor. An arrangement of pink and white carnations centered the table.

Hostess gift was a piece of pottery in the bride-elect's chosen pattern, and a mini-recipe file for which each guest brought two favorite recipes.

Special guests were Mrs. Joye Hall and Mrs. Jack Aduddell, mothers of the couple. The guest list also included Mrs. John Downey and Mrs. Edsel Hall of Hale Center, and Mrs. Owen Hall of Lubbock, aunts of the honoree; Mrs. Kenneth Overland and Mrs. John Dick Carl of Lubbock, and Misses Carla Chambers, Janie Hyatt, and Diane Kelsey.

The couple will be married August 4.

### Mrs. McDowell Honored At Tea

Johnna McDowell was honored with a Bon Voyage tea recently by the CWF of the First Christian Church at the home of Ruby Reid, 228 East 23rd St. Miss McDowell will be leaving, July 25, to join her husband who is stationed in Nuenburg, Germany.

The home and table decorations was carried out in a treasure hunt theme. A red treasure chest filled with white daisies formed the centerpiece on the table. Fresh cut garden flowers were used.

Refreshments of cookies, nuts and punch were served the guests.

Johnna was presented a treasure chest full of money, as a parting gift. Also she received a "pot of gold" coins to be used as postage.

Hostesses were Blanch Dodgen, Cornia Evans, Lena Lewis and Ruby Reid.

TWO 4-H MEMBERS were awarded blue ribbons for their 4-H projects during the annual 4-H Dress Revue, Tuesday afternoon, July 14. Vicki Cook, left, was winner in the Senior Division and Jennifer Templeton, right, in the Junior Division. They are daughters of Mr. and Mrs. Fred Cook of Littlefield and Mr. and Mrs. Gene Templeton of Earth.

### Scholarships Are Available

THE American Petroleum Institute has granted two \$250 scholarships to South Plains College for the 1970-71 school year.

Due to numerous requests the deadline for applying has been extended to July 20.

Interested individuals may request an application from Dean Frank Hunt, Technical-Vocational Division, South Plains College.

The API has stipulated these eligibility requirements:

1. Parents must be connected in some way with the oil industry.

2. Student will major in some area beneficial to the petroleum industry. Awards will be made Aug. 1, 1970.

### TOP COUNTY AGENTS

The highest honor which the National County Agricultural Agents Association can bestow on members--the Distinguished Service Award--will go to seven agents in Texas. Winners for 1970 are Paul Graves, Howard County; Gene Graves, Tarrant County; Fred Wilkinson, Crane County; Richard Gary, Erath County; Gilbert Heideman, Calhoun County; John Murphy, Brooks County; and William Curtis Henderson of Kimble County.

**NATIONAL 4-H WEEK**  
National 4-H Week will be observed in 50 states Oct. 4-10. The theme is "We Care."

Mrs. Hyatt has been with the bank since its opening in 1947, and Mrs. Jackson has been employed there about 12 years.

**VMU Circle Has Meeting**

Mrs. E. G. Brumson was hostess to the Mary Francis Nichols Circle Monday night. Mrs. Ila Sewell read the prayer calendar and led the prayer for the Missionaries. The program was a Bible study taught by Mrs. Brumson from the book of Ephesians which contains the great doc-

trines describing the walk of Christians. Mrs. Brumson served refreshments to Mmes. Less Barker, J. L. Barnard, J. D. Evins, K. Houk, Jack Hardin, W. Hogan, Walter Martin, M. Street, W. B. Wilborn, Miss Frankie Stephens and Miss Alice Gordon.

**4-H INFORMATION**

Information on how to get involved in 4-H can be obtained from the County Extension Service office.

Guests were Mrs. Pat Boone Sr. and sister, Mrs. Lillian Hayne of California, Mrs. L. L. Massingill, Mrs. Ila Sewell, and Mrs. Bess Coen.

**Melton-Garry  
Vows Said**

OLTON--Miss DeAnn Melton and Patrick Franklyn Garry were united in a double ring ceremony, Friday evening, July 10 in the garden of her grandparents, Mr. and Mrs. A. D. Melton.

The Rev. Darvey D. Laverder of Lubbock officiated for the reading of the vows.

Parents of the couple are Mrs. Don Melton of Lubbock and the late Don Melton and Mr. and Mrs. J. G. Garry, also of Lubbock.

The bride was given in marriage by her grandfather, wore a formal length gown, fashioned with princess lines, featuring short fitted sleeves, a scoop neckline and lace circling the hemline.

Her mantilla veil of silk illusion and lace fell to chapel length. She carried a bouquet of stephanotis and cladium leaves, with antique gold and white streamers.

For "something old," she wore a diamond cross necklace which had been a gift to her grandmother from her father. "Something borrowed" was a six-pence in her shoe and she wore the traditional blue garter, a gift of Mrs. R. H. Campbell.

Attending the bride as maid of honor was Miss Patty Jones of Lubbock and bridesmaid was Miss Karren Praul. Flower girls were Renea and Jenea Garry, both of Lubbock.

The attendants were attired in formal length gowns of avocado silk velvet, styled with empire bodices, featuring jeweled necklines and antique gold accenting the high waistlines. They carried nosegays of pom poms.

Serving the groom as best man was Steve Davis of Lubbock. Tim Gristy was groomsman. Guests were seated by Miles Melton, Mark Melton and Rusty Bailey, all of Lubbock.

The church was decorated with bows of white satin ribbons marking the bridal aisles from the patio to the nuptial area. Baskets of garden flowers in shades of yellow and orange flanked the greenery entwined archway. Pots of Pedantus and a prayer bench completed the decor.

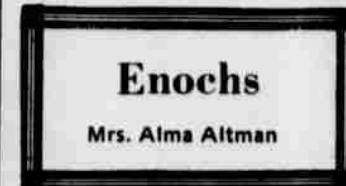

Musical selections of "A Time For Us", and "The Lord's Prayer", with Steve Davis, soloist accompanied by Harold Dean Carson on the organ.

A reception followed in the grandparents home. Presiding at the table were Miss Karren Praul, cousin of the bride, Beck Garry, sister of the groom and Mrs. Jerry Moulder of Kentucky, cousin of the bride.

Following a wedding trip to Lincoln and Ruidoso, N. M. the couple will be at home at 3719 31st Street in Lubbock.

The bride is a 1969 graduate of Monterrey High School and attended Texas Tech. She is employed by Family Service Association of Lubbock.

The groom is a 1968 graduate of Monterrey High School and is a sophomore at Texas Tech. He is presently employed with Merchants Fast Motor Lines in Lubbock.

# HOMINY GRITS

By CORNBALL BLEVINS

LEST WE BECOME complacent, and show signs of enjoying life, the crisis-makers keep coming up with new ideas to worry us, day by day.

THEY REVIVE THE OLD ATOMIC-BOMB SCARE, THAT'S WHAT!

Nearly one-half of a late edition of our suburban paper was given to the terrorfulness of the bomb and its capabilities.

I'VE BEEN convinced, for some time, that between the USA, IVANS, AND THE RED-SLANT-EYES, there's enough ATOMIC and HYDROGEN-powered missiles stored up to reduce the earth to a smoldering puff of smoke.

WHAT AM I supposed to do? -- Lay awake nights and worry about it?--Suppose it did happen while I'm asleep, could I have prevented it, had I been awake??

The Bible teaches, and predicts, that the world will be destroyed by fire: should I be surprised, if it is??

ANYHOW, WHEN, and if this happens, it'll solve a bunch of our problems, --Like ecology, high taxes, inflation, crooked politics, messed-up farm program, past due bills, and the like!

No more worrying about the welfare of the world in general, about civic problems, and such.

SHUX, we won't even need any credit cards!

Tonight, I'm going to bed with the full intention of getting a good night's sleep.--And, if we're still around tomorrow, I intend to report to the mill, and try to put in an honest day's work.--I'll greet and enjoy my friends, and try to conduct myself, and my business as the I thought I'd be here a million years.

AT ANY rate, a good many years ago, I staked out a claim in the GREAT-BEYOND that I've been trying to keep on current basis.-- If those nuts get too trigger-happy with those buttons, I may be looking it over a little quicker than I think.

The only difference would be that instead of making the rip alone, I would be traveling in a large crowd!

"This must be the hardest course in the whole world!"

## A WOMAN'S VIEW

### Heard His Voice

By PEARL BRANDON

WITH SO MANY theories going around and being kicked about by educated men with diversified opinions concerning God and religion we are often confused on what to believe.

We are living in world of science... of education... of adventure in space... of hurry and bustle... of striving... of traffic jams... of big business and big government.

WHERE IS THE SIMPLE belief in an all-wise God?

Where is the gentle Saviour that hushed the waves of the sea and spoke peace to men's souls?

IN SPITE of the roar of a confused world I am still inclined to believe in the same Father God whose presence I have felt through the years.

THE STILL, small voice still speaks within. I hear the skeptics say:

ONCE DURING the depression we owned an equity in a small west Texas farm, which was our only means of livelihood.

IT WAS THE HOING season and I was in the field alone that day, I

was deeply burdened with what could happen to us that Fall when we would have to give up the farm.

AS I HOED back to the other end of the field I wondered how this could be since they were already foreclosing and we couldn't possibly raise the money to pay them.

BUT A FEW DAYS later "Ma" Ferguson, who was governor of Texas at that time declared a moratorium during which no one could foreclose on a farm.

SURE THIS WOULD have happened anyway if I hadn't been praying out there on the prairie alone that day, but I wouldn't have had the peace of mind that I had in the weeks that followed.

HE IS THE SAME GOD today, he still cares about us and hears us when we pray... and if we are quiet enough and listen we can hear Him.

SOME PEOPLE ARE careless about their appearance, and, with this attitude, they are as likely to wear their clothes wrong side out as to wear them right side out.

WE MUST NOT permit the undesirable and unpleasant experiences to crowd the good and the desirable things out of our lives.

TOO MANY RAW edges are showing in human conduct in these troubled times. This is the result of having the wrong side out.

MEANNESS IS ONE reason for so much of the unsightly side of life. The people deliberately and with pre-meditated ferocity go forth to do all of the damage they can.

SOME are deceived, but the harm they do is just as harmful. They are blind followers of leaders who are either blind or engaged in hard core subversiveness.

IDEALISM BEYOND SENSIBLE limits motivates some of the people whose rough edges are showing. They are wrong side out. The idealism does not prevent these unrealistic and impractical per-

sons from adding to the confusion and disorder of human society. They, in some ways, cause more difficulty than any other group.

All of us have weaknesses, there are some failures among our experiences, we have problems, and each one has his share of trouble.

WE MUST NOT permit the undesirable and unpleasant experiences to crowd the good and the desirable things out of our lives.

# WORSHIP IN CHURCH

and get a spiritual lift for the whole week

## The Ages of Man

Here they are pictured from One to Seventy... from infancy to old age. It seems a long, long time from one to seventy, but it is only a little while from Seventy to One. The point is, we don't have much time here. The clock's face shows the hours ticking swiftly away. Then, since eternity is so much longer, perhaps we should spend more time getting ready for the life to come. Better not to have been born at all than to spend your life in riotous living. Rededicate yourself. Support your church, give to the needy and be an influence for good. It won't make much difference how much land one owns when the bell rings. But don't forget... it matters much how one lives before the bell rings.

**The BEST CROWD to FOLLOW is the CROWD GOING to CHURCH**

GREG HUMPHREYS

## Sudan Boy Is Injured In Fall

Greg Humphreys, 6-year-old son of Mr. and Mrs. John Humphreys of Sudan, fell at his home Saturday and fractured his wrist bone.

The fracture punctured a recent skin graft and he was returned to the Shrine Burn Hospital in Galveston for treatment.

The graft was made after he suffered burns in an explosion last January.

Greg is grandson of Mr. and Mrs. Dewey Haragan and Mr. and Mrs. Arlis Humphreys of Sudan.

### BE A 4-H'ER

Boys and girls between 9 and 19 years of age can join a 4-H Club or sign up for short-term projects.

## Put Hosiery To Good Use

Do you have any old hosiery you can't use any more? It doesn't matter whether they have runs, snags, or whether or not they are the whole stocking-the Order of Rainbow for Girls, No. 63, can put them to good use.

They can even use panty hose if you have them. The hosiery will be sent to rehabilitation hospitals for patients to make pillows and other handcraft items.

For direct pick-up service, call Lynn Harry at 385-6093, and she'll arrange to have someone pick up the hosiery.

## Contest Slated For Students

Texas Agriculture Commissioner John C. White has announced plans for an art contest for high-school age artists to be held in connection with opening of the Texas Department of Agriculture's "Food and Fiber Pavilion" during the State Fair in Dallas in October.

Various commodity groups have joined with the Texas Department of Agriculture in providing three \$150 scholarships which will be awarded to the winners in each of three categories.

Competition is open to high school juniors and seniors. The entries will be selected from

each of the state's twelve designated areas.

Final judging will be Oct. 2, but all work initially selected will hang in the Food and Fiber Pavilion, which has been completely revamped by the Texas Department of Agriculture, during the Fair's sixteen-day reign.

Thus far, more than 800 students have indicated their willingness to participate.

School art teachers should be responsible for having their schools; entries judged and then should see that the works of the winners, complete with information about the artist, are sent to Dallas.

# Area Babe Ruthers Heading For State

The Almo Babe Ruth All-Stars with players from Littlefield, Amherst, Olton, and Muleshoe, dumped the Lubbock Babe Ruth All-Stars two games straight to give them the best of three series and the North District title and a regional win.

The first of the three-game series took place at Olton, Thursday night, when the country boys on the Almo squad smacked the city boys, 1-0. The winning run was scored in the fifth by Roger Boyles of Amherst.

Littlefield's Gary Nace got one of the two hits for the winners with an infield single, Joe Dale Chitwood of Olton got the other with a line single.

Muleshoe's Monty Barnes was the winning pitcher allowing only three hits.

A double header was supposed to have been played at Lowery Field in Lubbock, Friday night but the country boys just wanted to play one and wrapped up the best of three series by dumping Lubbock, 10-9.

Almo took the lead and maintained it in every inning except the fifth when the game was tied, 5-5.

In a desperate surge for the win, Almo shot out of the 5-5 tie with five runs. Two singles and a walk loaded the bases and then two wild pitches, two walks and a two-run double by Randy Fields of Muleshoe put the winners ahead for keeps.

The winner's hitting department consists of Muleshoe's Darrell Mathews with a couple of hits; Gary Robinson of Amherst with a pair; Roger Boyles

and Tony Barton of Amherst with one each; and Olton's Terry Bridge and Muleshoe's Randy Fields.

Robert Hatford was the leading slugger for Lubbock.

Amherst's Gary Robinson was the starting hurler for the area squad. Monty Barnes relieved in the seventh for the save.

Scott Rhodes is charged for the loss for Lubbock.

The area All-Stars will leave Littlefield this morning at 9 a.m. for San Antonio to play South San Antonio for the state championship. This will be the best of three game series with the first game to be played Monday night at 8 p.m.

The winner of this series will represent Texas in the National Tournament in Cheyenne, Wyo., July 29.

LITTLEFIELD HURLERS--Getting ready for the Little League tournament play next Tuesday at Olton are these three local hurlers, from left, John Marquez, Bill Turner, and Ronald Parmer. The local all-stars' first game is against Antonio 2 p.m. Tuesday.

### Gas Line Repaired Thursday

The trans-country Phillips gas line, carrying several types of unrefined gas, cut by a county maintainer about noon Wednesday was repaired about 5 a.m. Thursday.

Millions of cubic feet of butane, propane and natural gas were lost before company officials from Hobbs, N.M., got the flow stopped. A pipeline crew closed the valves about mid-afternoon Wednesday, but so much pressure was in the line that gas continued flowing until about 9 p.m. Wednesday.

washed deeper and deeper over a period of years. On the return trip down the ditch, the maintenance man was preoccupied with trash someone had dumped in the ditch recently.

Although there was grave danger of an explosion for a time, the gas did not ignite and property damages and personal injuries were averted.

### Two Jailed, Theft Reported

Bill Pointer reported to Police Wednesday that a Deluxe Firestone black sidewall tire 825 x 15, mounted on a gray and orange wheel, had been taken from a pickup at the residence.

Officers are making investigation of the theft.

Two adult men are in the city jail, charged with drunk in public and disturbance.

One was arrested Saturday, July 11, charged with drunk in public, and is serving out his fine with time in jail.

Another was jailed Friday night, charged with disturbance, and was still in jail Saturday morning at presstime.

Perhaps you've never thought of life insurance as "happiness." But it is in many ways, it helps you get rid of financial worries, you can live a little better. Each dollar you put in cash-value life insurance works like four. It works as a protection dollar. As an emergency dollar. As an opportunity dollar. And as a retirement dollar. Four ways Ready money whenever you need it. That's a lot of happiness!

**Happiness is what I sell.**

And have enough hot water left to do the uniforms.

A GAS WATER HEATER does it all, and does it better, because with gas there's always plenty of hot water when you need it... at the cost you want.

Here are seven reasons why a gas water heater is best:

1. Fast recovery keeps your gas water heater way ahead of every demand.
2. The thermostat on your gas water heater automatically maintains a constant temperature, even when you use large amounts of hot water.
3. Gas is efficient. Gas burners start up instantly, deliver more heat to the water. And gas is clean too.
4. Nothing is more dependable than gas.
5. Automatic gas water heaters cost less to buy and install.
6. Gas burners last longer and give years of trouble-free use. That's another saving.
7. Gas costs so little to operate that you can afford to use all the hot water you want.

So, if it's hot water you need, and plenty of it, you need an automatic gas water heater. Call your plumber or gas appliance dealer soon.
