

Interception Again Preserves Victory

Perfect fall football weather Friday night, Littlefield Wildcats recorded a straight victory of the young season with a 10-2 win over the Tigers.

The Tigers, who were heavily favored in the quarters, had their hands full to depend upon two goal-line players to preserve the victory.

On Friday night, Littlefield's premier player, Bill Turner, had his third 100-yard-plus rushing night as he picked up 105 net yards on 18 attempts. Payton rushed for 22 yards, Twitty had 10, Steve Cruz had 6 and Hopping had 4. In addition to the goal-line stands, the Cat defense was standing in the second half of the ground game as they limited the Tigers to only 35 yards on the ground for the second half.

FIRST QUARTER

Turner kicked off to the Tigers and they were in operation at their own 30. By McClesky and a five-yard penalty moved it up to the 44. On the second play, McClesky carried the ball into the end zone. On the second play near mid-field, ball-hawk Hopping came up with a Tiger fumble. The Cats had their first possession on their own 45.

Turner's first play by the 'Cats, Ronald Twitty, the 'Cats' quarterback, moved the ball to the Tigers' 36-yard line on a 15-yard personal foul penalty. Twitty moved the 'Cats even to the goal.

Turner picked up 9 yards on the next

play and then on a handoff from Palmer, Turner scooted to the 6.

Payton picked up one yard and then as Turner carried next time, the 'Cats were penalized 15 yards for clipping and the ball was moved back to the 25.

Turner picked up three yards on the next carry and then a Palmer pass to Greg Moreland was incomplete and a field goal was attempted by the 'Cats on the fourth down play.

Danny Martinez attempted to run the ball, but he was swarmed at the 30-yard line.

Slaton was unable to move on their series and the Tigers were forced to punt.

Littlefield took over on their own 23-yard line with 5:42 left in the first quarter.

Cruz gained one yard on the first play and then Palmer unloaded a touchdown pass to Turner to put the 'Cats ahead 6-0, with 4:59 left in the first quarter.

Turner's point after kick was good and Littlefield took a 7-0 lead.

Slaton was unable to move and they were again forced to punt.

The 'Cats took over following the punt on their own 45.

Payton carried for one yard to the 46 on the first carry and carried for two more yards on the second play.

Palmer, who continues to execute well each week, pitched out to Twitty for the first down and moved into Tiger territory.

Slaton's defense toughened however and the 'Cats had to punt from Slaton's 38.

Turner's punt set the Tigers up on their own 15-yard line and runs by the Tigers' tailback moved the ball to their own 31 before the first quarter ended.

SECOND QUARTER

Once again the 'Cat defense toughened and Slaton was forced to punt.

The 'Cats took over following the punt on their own 23.

Cruz carried to the 25 and then the 'Cats fine running back broke through to the Tiger 35 but Littlefield was caught for clipping downfield and the ball was brought back to the midfield stripe.

Two plays saw the 'Cats on their own 48 as a result of a bobbled pitchout and one more play netted one yard and the 'Cats punted to the Tiger 9-yard line with 8:22 remaining in the first half.

Slaton was unable to move and were forced to punt. However the kick was touched downfield by the 'Cats and Slaton got a big break and the Tigers maintained possession.

Runs by McClesky and Tumlinson moved the ball to the 'Cat 25 and on a fourth and 12 situation, a Tiger pass was incomplete and Littlefield took over with less than two minutes left in the first half still maintaining their 7-0 lead.

Three running plays found the 'Cats back on their own 25 and Turner was forced to punt from the 'Cat 20.

With 13 seconds left, the Tigers advanced the ball to the Littlefield 30-yard line aided by a 15-yard penalty against Littlefield. On Slaton's first play, the 'Cats were penalized again on a pass interference call and Slaton had the ball on Littlefield 20.

A fine defensive play by Cruz knocked down a long pass and the half ended with the 'Cats still holding their 7-0 lead.

SECOND HALF

The 'Cats took the opening kickoff on their own 21 yardline.

Turner picked up four yards on the first carry and then a half yard on the next attempt.

A pitchout to Turner moved the ball to the 30, but short of a first down.

McClesky took the punt on his own 25 and moved the ball up to the 45 before being brought down by Ronnie Milligan.

It was the Tigers' penalty time now, and a clipping call moved the ball back to the 30. On the Tigers' first play, the 'Cats' opportunistic defense recovered a Tumlinson fumble and the Wildcats set up housekeeping on Slaton's 30 with 9:42 left.

Three plays moved the 'Cats to within a yard of a first down and then Palmer

Council Authorizes Fire Agreement, Okays Water-Sewer Negotiations

By JOELLA LOVVORN

In their regular meeting Thursday night, Littlefield's City Council authorized Mayor J. E. Chisholm to sign the rural fire protection agreement with the county commissioners, decided to have Mayor Chisholm approach

Congressman George Mahon about the disagreement with the Federal Aviation Agency over airport funds, decided to further study and negotiate with prospective builders of a new business area for Littlefield over water and sewer extensions, and decided to let City Attorney Ted Sansom study the proposed agreement on street lighting with Southwestern Public Service Co. before agreeing to accept the document.

All councilmen were present for the meeting, along with the mayor, city manager, and city attorney.

The fire protection agreement as signed by County Judge Bill Angel and Mayor Chisholm will begin Oct. 1 and end Sept. 30, 1976. The city will provide the fire fighting equipment in response to fire calls from points beyond the city limits as determined by the fire chief or other officers that he directs, and that the county agrees to pay to the city \$100 for each call responded to by the city outside the city limits.

After discussing the situation regarding what the Federal Aviation Agency claims is an overpayment of \$23,565.14 in funds for a federal grant for airport construction and what the city claims is \$13,000 short of the FAA's promised amount fund payments, councilmen agreed that Mayor

Chisholm should approach Congressman George Mahon with the facts and see if the congressman can get it cleared up in Washington.

A prospective business concern that will house approximately five businesses in 60,000 square feet of floor space has plans for construction at the corner of Phelps Avenue and Highway 84 By-Pass, and has requested that the City of Littlefield provide water and sewer facilities in a dedicated easement at no cost to the business, except the cost for tapping fees.

City Manager Jim Blagg reminded the councilmen that the basic policy for extension of water and sewer facilities is that the city extend those facilities a distance of 150 feet per customer at the expense of the city. The prospective business has indicated that they will have three revenue producing services in the initial stage, and has requested an extension of 450 feet of both the utilities.

He also reminded "At the present time, we do have funds available for sewer extensions which are part of a 1968 bond issue. The only funds available for a water extension of this nature would come from current budget appropriations, and there are not sufficient funds in the new 1975-'76 budget to cover

County Clerk Is A Food Processing Dynamo

LAH RODGERS

"You can't see the reaction many have when you mention how much canning she does," says Mary Beth Willey.

She can and freeze foods she does, and in unbelievable quantities. This year she has canned over 600 jars, and filled two 400-gallon freezers with frozen goods. Four hundred ears of corn-on-the-cob are among the frozen goodies. "It will all be eaten by the time the garden is ready next year," this food processing dynamo added. "This year I had an early garden, and when I started canning and freezing July 1, all I had left from last year were two dozen ears of corn, two dozen jars of beans and a few odd jars of peas."

Not only her husband, Jeff, and one son, Lewis, it is surprising that one can consume such astronomical amounts of food. But it seems they have a lot of help.

In her outspoken manner, the Lamb County Clerk declares that the Willey family is a free boarding hotel for all the relatives from east to west.

"I have 10 brothers and sisters," she said. "Half of them live in East Texas, the other half lives in Arizona, and we live in Littlefield. If I didn't do all this canning and freezing, there would be times when I wouldn't be able to feed them."

"I have one sister who is like 5' 11", and her husband is 6'7" and weighs 350 pounds. They have five kids, one boy is 10 and weighs 325 pounds."

Over the year from Memorial Day through Labor Day weekend she and company every single weekend except one. You can imagine how much like that can eat."

Mary Beth Willey has been canning since she was in her teens, not since the jar lid was invented.

"I started canning by myself when I was about 13," she said. "My sister was the one who got ready to pick up Mother and Daddy were called out on a death message. My sister had the bright idea that we would can peaches and can peaches while our parents were gone. Until then, about all that was done was wash jars and watch pressure on the cooker. Well, we know that you put peaches up by the bath method. We pressured four jars of peaches. Besides ruining those peaches, we wasted all that

sugar. All four dozen jars had to be thrown away."

That was just the first of a comedy of errors, which must account for such a vast knowledge of preserving all types of foods. In her own words, she admits that her methods for the most part have been self taught. It never occurred to her in those early years that there were books that told how to can, freeze and jell.

The year that she and Jeff married, she did all her canning by herself for the first time. "That was the year all the tomatoes ruined," she said. "They didn't seal. I had them in a back bedroom closet. There was this funny smell. And it kept smelling and smelling and smelling. Oh Lord, it was awful!"

That was the year that she learned to put jelly up in small amounts, too, and not to double or triple a recipe.

"I was making grape jelly and I wanted to get it done in a hurry. So I increased the recipe like six times. I had every pot in the house on that stove. I cooked and cooked and couldn't get it to jell. I didn't have any jars, so I poured it up in every bowl and glass in the house. Then I put paraffin on them and took them around to all my neighbors, saying 'how about a little jelly?'"

Some of her earlier experiences shows a shocking lack of botanical knowledge. For all that she knew about canning, she didn't know much about the growing process. "Mother had always picked the beans, and I picked the black-eyed

peas," she said. "The second year I was married, I decided to pick some beans and can them. Jeff said they were ready, but I went to the garden and looked and I couldn't see any beans. I thought the things grew on top of the bushes like peas. I didn't know you had to look under them to find the beans. I didn't know potatoes grew underground, either. I thought they grew like squash."

Some of her exploits make interesting conversation, but that is all behind her now. A seasoned preserver, she now puts up unusual items like pickled okra, pickled zucchini squash and quartered dill tomato pickles.

It was needing jars for some pickled okra this summer that almost caused her to have a hair pulling.

"I always buy my jar lids back in the winter," she said. "And I buy a case at a time, or 60 dozen. That way, I know I'll have plenty when it is time to start canning. But I'd used all the lids I had and still needed some lids for my pickled okra. I was in Furr's and I asked the checker if she knew anyone who would like to exchange three dozen lids for a dozen jars."

"A woman behind me looked down her nose and said, 'Oh, do you have lids?' I said, yes, I bought 60 dozen last winter. She looked down her nose again and said, 'no wonder there aren't any lids. It's people like you who hoard all the lids that keeps the rest of us from canning.'"

"From the way she looked, I'd guess that she never spent a day canning. And there I was with my hands all swelled up and red from scraping potatoes and slicing okra and squash. She just doesn't know how close she came to getting her hair pulled."

"I told her I'd have her know that I didn't hoard lids. That everyone of mine were used," she added with a toss of her red hair and her brown eyes lit with angered remembrance.

"I hadn't missed a single weekend for six weeks working all hours putting up fruits and vegetables. And I'd taken a week of my vacation to can. One morning that week I'd been up til 2 o'clock, another until 3 in the morning, and once I didn't get to bed until 5 a.m. when I had to cook off some zucchini pickles."

Mary Beth admits she gets help from her husband when it's time to pick the vegetables. "Jeff helps," she said. "He does a lot of picking and he helps shell the beans and peas. But all the time he is picking or shelling, he gripes."

Now that all that hard work is behind them, though, there's just a lot of good eating ahead.

MARY BETH WILLEY displays just a few of some 600 jars of canned fruits and vegetables she processed this year. Besides the canned food, she has two freezers for frozen fruits and vegetables. Although there are only three in the Willey family, an abundance of company depletes the hoard of food each year. (Staff Photo)

Johnny Guthrie Injured In Fall

A Lamb County Electric Cooperative employee, Johnny Guthrie, was seriously injured Thursday afternoon when he fell approximately 20 feet while trimming trees surrounding an electric line west of Whitharral.

Guthrie was brought to Littlefield by ambulance, then transferred to Lubbock Methodist for treatment of a compressed vertebra in his back, several broken ribs and an injured ankle.

Scabies Epidemic Now In Schools

Lamb County and the surrounding area are in the midst of an epidemic of scabies—better known as the seven-year itch—according to County Health Officer, Dr. J. H. Oyer, MD.

According to Dr. Oyer, there have been several cases referred to physicians from the schools here by the school nurse, Mrs. Joyce Oliver.

Dr. Oyer says the symptoms are small red spots that itch, particularly at night and when the victim gets warm.

Culprit for the itch is a small mite that burrows under the skin, and Dr. Oyer advises persons to contact their physicians if they feel they have the scabies.

LAMB COUNTY'S FIRST BALE of cotton was ginned at 9:15 p.m. Wednesday, Sept. 17, at Gage Gin of Amherst. Shown with the 440-lb. bale in front of the bank at Amherst are Jim and Jeanne Gage, left, and the growers Myrtle and Bill Elms. The Paymaster 202 cotton was hand pulled by Arnaldo Barrerra's family from a field 1 1/2 miles northwest of the Gage Gin. The 1,800 lbs. of seed cotton yielded 700 lbs. of seed. Gage Gin paid Elms a premium of \$150 per ton for the seed, free ginning, and a guarantee of 75 cents per pound for the cotton. (Staff Photo)

CLIPS & TIPS

By JOELLA LOVVORN

ONIONS OFFER outstanding nutritive value. They're low in calories and have only a trace of fat. They're a good source of calcium and Vitamins A and C. They contain iron, riboflavin, thiamine and niacin.

I found these recipes and hints about onions and thought you'd like them.

ONION TIPS

1. Small onions can be peeled in a jiffy. Simply cut off the tops and roots, cover onions with boiling water, and let stand a minute or two. Then the skins will slip off easily.
2. If peeling onions makes you cry, try doing this job under cold, running water.
3. To chop an onion without letting it "get away", cut it lengthwise in half from root to stem; peel. Place flat cut surface down and slice lengthwise several times. Then cut crosswise. One medium onion will make about 1/2 cup chopped.
4. Onion juice is no problem if you use your lemon squeezer. You'll find "squeezing" an onion twice as fast as grating it. For 1/4 cup or more, hold juicer over glass measuring cup for exact amount.
5. To remove the odor of onions from your hands, rub them with a little lemon juice or vinegar, then wash in soap and water.
6. Onions can be placed in a shallow pan and frozen. After freezing, put loosely into a jar or other container, from which the chopped onions can be scooped as needed.

BAKED ONIONS

Allow 1 or 2 medium sized onions per person. Do not peel them. Just set them on the rack in a 300-325 degree oven, and bake until they are tender when poked with a toothpick. Allow to stand out of the heat for a moment, then easily slip off the skins. Serve hot with butter, salt, and freshly ground pepper.

SELF-PICKLING DILLED ONIONS

Cut onions in 1/4 inch slices. Cover with leftover dill pickle juice, plain or Kosher style. Refrigerate 2 or 3 days, covered, to absorb dill pickle flavor. Serve as slices in sandwiches or separate into rings and use as relish or as a salad or cold meat or fish garnish. Juice may be used over and over.

A SAUCE FOR FISH

Equal parts of chopped Sweet Spanish Onions, Kosher-style dill pickles, a few pitted ripe olives and a little mayonnaise to hold them together. Serve cold. This sauce is also good on hamburgers.

FRENCH-FRIED ONIONS

6 medium Bermuda or mild white onions, sliced 1/4 inch thick
2 cups milk
3 eggs
All-purpose flour
Salt

Separate onion slices into rings. Combine the milk and eggs; beat thoroughly and pour into shallow pan. Drop onion rings into pan. With your fingers, swish rings around till well coated. Lift onions out; shake over pan to drain. Then drop in pan of flour, a few rings at a time, coating each well. Place in wire French-frying basket (don't fill more than one-fourth full). Shake off excess flour by giving basket a sharp slap.

Fry in deep hot fat (375 degrees), stirring once with fork to separate rings. When onions are golden, drain on paper towels. Just before serving, sprinkle

onion rings with salt. Serve hot. Makes 8 servings.

CHEESE STUFFED ONIONS

Peel 6 medium onions; cook in boiling salted water till just tender, about 25 minutes; drain and cool. Remove centers; chop 1/2 cup onion centers and combine with 3/4 cup cottage cheese, 2 Tbls. fine chopped green pepper, 6 slices crisp-cooked bacon, crumbled, 1/2 tsp. garlic salt, and dash salt. Stuff onion shells and place in 1-1/2 quart casserole. Top with 1/2 cup buttered bread crumbs and 6 strips pimiento. Cover and bake at 350 degrees for 20 minutes; uncover and bake 10 minutes longer. Serves 6.

ONION PIE

9 or 10 slices bacon, cut in 1-inch pieces
5 medium onions, thinly sliced (about 3 cups)
1 Tbsp. all-purpose flour
1 tsp. salt
1/4 tsp. pepper
1 cup light cream
4 slightly beaten eggs
1 9-inch unbaked pastry shell
Dash nutmeg

Cook bacon till crisp; drain on paper towels. Pour fat from skillet, reserving 1/4 cup. Cook onions in reserved fat till tender but not brown, stirring occasionally. Stir in flour, salt and pepper. Add cream; cook, stirring constantly, till mixture thickens. Remove from heat; add small amount of hot mixture to eggs; return to hot mixture. Pour into pie shell; sprinkle with nutmeg. Bake in a hot oven (400 degrees) about 20 minutes or till knife inserted halfway between outside and center comes out clean. Let stand 5 minutes before serving. Makes 6 servings.

FOR FAVORITE MEALS

Pot roast with onions cooked atop it; roast beef served with cooked onion slices covered with cream sauce, a dusting of Parmesan cheese and slivers of butter-toasted almonds; broiled steak or ground beef and pan-fried onions with soy sauce or sherry wine cooked in; beef, veal or lamb stew with butter-browned quartered onions added a bit before serving.

Hunter Safety Class Scheduled

Pat Donnelly, game warden with the Texas Parks and Wildlife Department, advises that anyone who was born after 1949 who plans to hunt elk, deer and other wildlife in New Mexico and Colorado and certain other states must attend a hunter safety class and become certified.

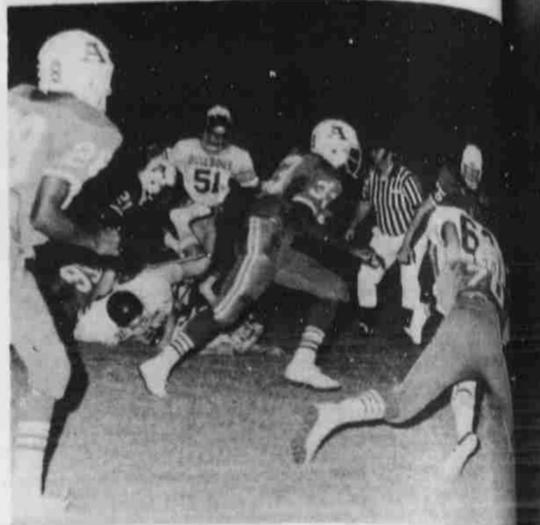

A certified hunter safety class has been scheduled for Sept. 22-24 at the Lubbock Adult Learning Center, 13th and Ave. U in Lubbock.

The school, sponsored jointly by the TPWD and the National Rifle Association, will be taught by civilian instructors from Lubbock.

The classes will be from 7-9:30 each night and the instruction will include gun safety, firearms handling, cleaning of firearms, first aid, survival, hunting ethics and conservation.

Cost of the course will be \$1 per person, with money going for books and registration.

More information is available by phoning the Lubbock TP&WD office at 744-0213.

ANTON 32 AMHERST 30

In a battle of the Bulldogs, Anton squeezed by Amherst 32-30 in Amherst Friday night.

Despite 392 yards of total offense, the Anton Bulldogs had to withstand a second half Amherst rally to win. Anton opened the scoring with 4:38 remaining in the first period on a 6-yard run by Zane Butler. Lon Timms kicked the extra point.

Anton struck for 13 points in the second quarter and Amherst answered with its first TD of the night on a 1-yard plunge by fullback Donald Johnson. Johnson also ran for two points to end first half scoring with Anton on top 20-8.

Amherst came back in the third quarter with a 1-yard run by Johnson with 10:25 left in the quarter.

Both teams exploded to score 28 points in the final quarter with Amherst's Johnson completing a brilliant offensive effort with a 2-yard run. Anton held off the 16-point fourth quarter surge by Amherst to finally win the game 32-30.

The Anton Bulldogs rolled up 13 first downs with 248 yards on the ground and 144 through the air. Amherst tallied 15 first downs on 208 yards of total offense. Both teams records now stand at 1-2.

DIMMITT 29 SPRINGLAKE-EARTH 0

Dimmitt scored in the first and fourth quarters Friday night and captured its first victory of the season, a 20-0 win over previously-undefeated Springlake-Earth, which fell to 2-1.

Dimmitt scored in the opening period when quarterback Fred Dullaney threw a four-yard pass to halfback Thompson Mayberry. Springlake-Earth had fumbled inside its own 10-yard line to set up the score. Mayberry ran for the two points.

In the final period, the winners scored on a 68-yard pass and run play from Dullaney to fullback Tony Washington. The PAT try failed.

Later in the quarter, Larry Bossert ran one yard for a TD to close the scoring. The extra point try was no good.

Mayberry carried 33 times for 93 yards and Springlake-Earth's Rodney Geissler was 15-84 in the rushing department.

OLTON 29 LOCKNEY 6

Fighting back from a sudden Lockney lead, the Olton Mustangs defeated the Longhorns 29-6 in Olton Friday night.

On the first play of the game Longhorn flanker Roland Bennett and quarterback Vernie Ford communicated for a 56 yard scoring pass play. The extra point pass failed.

In the second quarter, Mustang Mark Stroebel snared a 19 yard toss from quarterback Jimmy Parker to score. Mustang tailback Glen Johnson added to Olton's 183 yard rushing total when he scored on a two yard run.

Olton's Jimmy Parker scored from one yard out and kicker Kevin Workman ended the melee's scoring with a successful extra point to make it 29-6.

pany's proposed street lighting agreement will go into effect March 1, if accepted.

The proposed agreement calls for .0065 cents per kilowatt hour for each .05 cents increase or decrease in cost of fuel per 1,000 BTU above or below 60.0 cents per 1,000 BTU in fuel adjustment.

The proposed agreement would reflect a 14.8 percent increase per month, or \$269.60. Current cost for 514 lights and 61,514 kilowatt hours is \$1,824.25 per month. The proposed cost would be \$2,093.85 per month for the same amount of usage.

The council went into executive session to discuss personnel.

Required for the complete job would be an 8-inch sewer line laid from the alley between 20th and 23rd streets to the buildings and 8-inch water lines to be tied into lines on Phelps Avenue—all at a total estimated cost of \$10,000.

Councilmen decided to have City Manager Blagg contact the developers, advise them of the city's policy and of funds available, and negotiate some kind of agreement.

House Speaker Plans Tour To Explain Constitution

The proposed state constitution will be the topic under discussion at local meetings with Speaker of the House Bill Clayton, beginning Monday, Sept. 22-25. Everyone is invited to attend.

Speaker Clayton will hold a meeting in the Sudan School from 5 to 5:45 p.m. Monday, the 22nd.

He will then be at the Springlake-Earth School Cafeteria from 7:30 to 8:15 the same evening.

From 8:30 to 9:30 p.m. Monday, the Speaker will meet at the Olton School

Auditorium, and on Tuesday evening, the 23rd, from 8 to 9 p.m., he will meet in Littlefield at the Lamb County Agriculture and Community Building.

The proposed revisions to the Texas Constitution will be voted on in a referendum Nov. 4. Eight propositions will be put to the voters, and Speaker Clayton will answer any questions area residents might have on the proposals.

Every household in the state will receive a copy of the proposed charter.

Homecoming Dance Slated After Game

Littlefield Ex-Student's Association is sponsoring a homecoming dance following the homecoming game with the Muleshoe Mules Friday night, Sept. 26, at the Country Club.

The dance is scheduled from 10 p.m. to 1 a.m.

Country and western music of the 50's and the blues will be played by Firecreek of Lubbock.

OBITUARIES

AMOS M. GARLITZ

Funeral services for Amos M. Garlitz, 76, of Coleman were conducted Thursday afternoon, Sept. 11, in Stevens Memorial Chapel in Coleman.

Robert Bostick officiated. Graveside services were conducted later that afternoon at Lawn Haven Cemetery in San Angelo, beside his first wife, Fannie Ruth.

Garlitz died at 2:50 a.m. Tuesday, Sept. 9, in Overall-Morris Memorial Hospital of an apparent heart attack.

He had been a resident of Coleman since 1973. He was a retired farmer and a Methodist. He was born Aug. 9, 1899 in Kaufman.

He married Dora Malanax Martin in Coleman June 10, 1973.

Surviving are his wife, Mrs. Dora Garlitz of Coleman; two daughters, Mrs. Frankie Dusek of Littlefield and Mrs. Marie Legg of Sterling City; a son, Elmer Garlitz of Eldorado; a step-daughter, Mrs. Ike (Mae) Jones of

Coleman; two sisters, Mrs. S. E. Star Big Lake and Mrs. Jewel Gessert of Spring; a brother, August Garlitz of Cross Plains; eight grandchildren; three great-grandchildren.

Pallbearers were Bobby G. Legg, Jones, George Page, Lewis Legg, Kenney and O. C. Bertrand.

ROY SCOTT BENNETT

Funeral services for Roy Scott Bennett, 70, of Dallas, who died Friday night at 11:55 at Littlefield following an apparent heart attack, were conducted Friday afternoon in Dallas.

Burial was in Restland Cemetery, Dallas with Restland Funeral Home of Dallas in charge of arrangements.

He was visiting his sister and brother here at the time of death.

Bennett was born June 28, 1905 in Paradise in Wise County, and came to Littlefield when 13 years old. He moved to Dallas in the 1930's after attending schools here. He was on the first football team at LHS.

He was a retired plant security guard for Ford Motor Co. in Dallas, and wife preceded him in death to Mrs. Bennett of Garland; two sisters, Mrs. Docia Phillips of Littlefield and Mrs. Burleson of Rochester; a brother, Bennett of Littlefield; six grandchildren and two great-grandchildren.

STORMY McCLAIN

Graveside services for Stormy McClain, the 17-month-old daughter of Mrs. Bedeborah McClain Fester of Bella Vista, Ark., were conducted Thursday morning in Olton Cemetery with Rev. Sherman Lawson, pastor of the Hopewell Baptist Church near Olton, officiating.

The child died Sunday in Arkansas. Survivors include her mother, grandparents, Mr. and Mrs. Bud Coleman of Bella Vista, Ark.; and her grandparents, Mr. and Mrs. C. Jackson of Littlefield.

Local Highway Office Slates Open House

In observance of National Highway and Transportation Week, Sept. 21-27, the local Texas Highway Department office, located on West Delano, will conduct an open house from 12 noon to 6 p.m. Thursday, Sept. 25.

Mayor J. E. Chisholm has signed a proclamation designating the special week for Littlefield, and urged "all citizens to lend their support to the State Department of Highways and Public Transportation."

According to Rhea Bradley, area supervisor, the public is invited to view and tour the local facilities.

Coin, Hobby Show Set By Coin Club

Lamb County Coin Club members are finalizing plans for their Wildcat Show Sunday, Nov. 2, in the Lamb County Agriculture and Community Building.

Kuehler-Sowder Vows Edged At Morton

Double-ring wedding ceremony was held Saturday, Aug. 16, in St. Ann's Church at Morton. Joan Marie Kuehler of and Terry Glenn Sowder of the couple are Mr. Louis Kuehler of and Mr. and Mrs. Bill Star Route, Enochs, Nicholas Schneiders, for the reading of the couple stood on an altar archway decorated with apricot and Lily of the Valley. The archway were

baskets of white gladiolas and apricot carnations, and can delabras holding apricot candies.

The organist, Gail Lassater, accompanied Marilyn Greener as she sang "The Wedding Song" and "Ave Maria".

Louis Kuehler presented his daughter for marriage. She wore a formal gown of fashion organza in an empire design, with a full-length chapel train and sheer sleeves. Her veil of bridal illusion was edged with chantilly lace.

She carried a bouquet of white carnations and apricot roses

atop a prayer book belonging to her mother.

Debbie Rice of Canyon was matron of honor. Bridesmaids were Betty Lyon of Morton, Joyce Risinger of Maple and Vicki Kuehler of Morton. They wore formal dresses of apricot dotted Swiss, and carried nosegays of white and apricot carnations.

Jerry Sowder of Enochs was best man, and groomsmen were Donnie Kuehler of Morton, Pat Risinger of Maple and Nick Rice of Canyon.

Lighting the candles were Lisa Lyon and Julie Lyon, both of Morton.

Ushering the guests to their pews were Steve Newton of Lubbock, Wayne Kuehler of Wheeler, Clem Kuehler of Lafayette, La., and G. W. Lyon of Morton.

Following the wedding, a reception was served in the Parish Hall.

Serving at the bride's table were Mrs. Wayne Kuehler, Mrs. Clem Kuehler, Mrs. Glen Kuehler and Miss Shirley Shelton.

Miss Donna Lynskey assisted at the groom's table.

Following their wedding trip to Ruidoso, N.M., the couple is now at home in the Enochs community.

The bride graduated from South Plains College and attended Texas Tech.

The groom also is a graduate of South Plains College, and attended West Texas State University and Texas Tech. He is presently engaged in farming.

Bula-Enochs Lions Meet

BULA—The Bula-Enochs Lions met Thursday evening in the Bula community center, with wives and friends.

During the business session, further plans were made for the purchase of the community fire truck. 12 hours of training on how to drive and operate the

truck will be given free. Two women of the community have volunteered to take the training along with several men.

Mrs. Quinton Nichols made a report from the Enochs Home Demonstration Club, that they will sponsor, with the assistance of the women from the Bula community, a rummage sale Friday and Saturday Oct. 3 and 4th. This will be held at the community center, and proceeds will go toward the fire truck fund.

Following the meeting, refreshments of ice cream and cake were served.

Mrs. James Sinclair, Mrs. George Tyson and J. D. Rowland provided the music for the evening.

'Bulldog' Staff Attends J-Day

ANTON— "Bulldog" annual staff members attended J-Day at Texas Tech University Saturday.

J-Day included lectures on news gathering, yearbook organization and lay-out, photography, radio-tv, business

management, and newswriting. Those attending the J-Day activities and the football game between Texas Tech and Florida State were Nancy Webb, Kendra Bishop, David Morales, Kathy Bailey, Lon Timms, Janette Bishop, and Mrs. Beth Martin, Advisor.

Norman Appointed Postmaster

ANTON—Sammie S. Norman has been appointed postmaster for the U.S. Postal Service in Anton.

Norman is a career postal employee, having been employed 10 years as a clerk and postmaster at Hurlwood.

He is a 1954 graduate of Frenship High School, Wolf-orth, and has been a Hurlwood resident 33 years. He attended school in Anton in 1941-42 for the first and second grades.

He was married in 1955 to Betty Wright of Hurlwood. They have two children, Kimberley, age 13, in the eighth grade; and Scottie, age 9, in the third grade.

He has served on the operations and staffing survey team for the Lubbock Sectional Center where he visited first and second class offices in the Sectional Center.

The past year he served on the

operations and staffing team where he visited third class offices in the Sectional Center.

He presently serves as Trainer Postmaster for new postmasters of third and fourth class offices in the Lubbock 792, 793 Sectional Center.

His wife is presently employed at Methodist Hospital, Lubbock as eighth floor medicine nurse where she will continue to work. She has been employed at Methodist Hospital eight years. She is a graduate of Lubbock Vocational School of Nursing in 1956.

Mr. and Mrs. Norman are Baptists.

His hobbies are attending basketball games (Little Dribblers to college). He served the past summer as assistant coach of a Little League baseball team.

Postmaster Norman said,

"The people of Anton have been very, very nice and friendly and we are looking forward to moving to Anton and becoming a part of the community. Anton has great possibilities for growth if the housing situation can be remedied with the fine school and other nice facilities the city offers. Anton is an excellent city in which to raise a family."

He continued, "Anton has a strong post office with very efficient clerks and rural carrier. All residents of the Anton trade territory are invited to visit the office for their mailing needs. Good, friendly service is our No. 1 goal!"

LIGHT SEASONING

Season lightly when preparing casseroles for freezing. Pepper and cloves, in particular, become strong and better when used in frozen foods.

Woman's Club Dignitary Speaks To Local Group

On Wednesday, Sept. 17 in the home of Mrs. Otto Jones, 46 members of the Woman's Club and five guests were present to

PROGRAM PERSONNEL for the annual Woman's Club Luncheon Wednesday included Lena Jones, chairman of the hostess committee who offered her home for the luncheon; Mrs. J. W. Walker of Plainview who is Caprock District Parliamentarian; Lorene Hulse, president of the Littlefield Woman's Club; and Esther Martin, executive director of South Plains Texas Chapter of the National Multiple Sclerosis Society. (Staff Photo)

enjoy a luncheon and afterwards to hear an entertaining and challenging lecture by Mrs. J. W. Walker of Plainview, a well-known officer, past and present, in Texas Federation of Women's Clubs.

Mrs. Walker did not confine her lecture to the Federation's objectives only but went on to include some worthwhile food for thought concerning the coming Bi-Centennial celebration. To the group she said, "In this land of plenty, enjoying the many blessings and privileges that America offers its people, be not proud and boastful, for it was given to us by those who came to a wilderness and endured hardships beyond our imagination. Be humble, remembering our many errors: the unfair treatment of the Indians, which even surpasses that of the Negroes, the wanton killing of the native animals, the misuse of the land and wastefulness of our natural resources. Our celebration should be one of humility."

The second part of Mrs. Walker's lecture dealt with woman's place in American History. "One hundred years ago, a woman's place was in the home, over the cook stove, wash-board, or whatever. She was little more than chattel, the property of her husband or her father," Mrs. Walker said. "Most were not educated, but a few women like Susan E. Anthony, a great reformer; Jane Addams, who founded the famous Hull House; Emily Dickinson, who expressed in poetry her bitterness; Willa Cather, and a few others dared to strike out for the rights of women; and it is our duty to

carry on where they left off. We have the means."

She reminded the club women that the Federation of Women's Clubs is a great tool for American women to use to gain equal rights. It should be supported, be real and meaningful. "Too many women today are afraid to speak out for their rights because of their past role in life, but, they have been accepting their privileges and shunning responsibility, which they fear. Those women want to have their pie and eat it, too. We mature women should be tired of that attitude, should shoulder our share, and stand with our men not behind them. The future is unknown, but we should take the risk; there is a terrible waste of Women Power. Women's clubs can do their share in bringing about this revolutionary change in the status of the American Woman."

Mrs. Walker closed her lecture with this poem followed by a final word on America's greatness:

"What is a woman's club?" you ask.

A meeting ground, a place where kindly words are said, And kindlier deeds abound and hearts are fed. Where wealth of fellowship for poverty atones, Where hand clasps hand, and soul finds touch with soul.

"We are great today. We are the richest, most prosperous nation on earth, or that has ever been on this earth. We have the highest standard of living ever achieved by any civilization. We have all the trappings of greatness, the opportunity, the possibility. Never has so much beckoned to such a chosen few. Can we fail so great an opportunity? Can we avoid such a great responsibility?" she asked.

Hostesses for the meeting were: Mmes. Otto Jones, chairman, Pat Donnelly, John Bellar, O. I. Bennett, Sr., W. R. Kimbrough, C. A. Duval, Kenneth Houk, T. L. Dunlap, J. G. Johnson, and Jack Wicker.

HOSTESSES for the annual Woman's Club Luncheon, held Wednesday in the home of Mrs. Otto Jones, were, left to right, Tena Wicker, Lucille Johnson, Ernestine Bellar, Lorene Hulse, Lena Jones, Louise Bennett, Thelma Duval, Gladys Houk, Hazel Kimbrough, Beulah Dunlap. The luncheon opened the 1975-'76 club year, and was well attended. (Photo)

kept the ball for two yards and a first down on the Tiger 19.

A Palmer pass was incomplete to Jimmy Durham and then the 'Cat quarterback kept to the Tiger 9-yard line for a third and one situation. Payton bulled his way for the first down and Littlefield threatened for the first time since earlier in the game.

Payton then carried to the four. A pitchout to Turner lost three yards as the Tiger defense tightened.

On the third down play, Palmer's pass was barely deflected out of the grasp of Turner and the 'Cats again lined up in field goal position and this time it was good and the 'Cats added an important three points to go ahead 10-0 with 5:59 left in the third quarter.

Slaton was unable to move and they were forced to punt from their own 38-yard line. Littlefield took over on their own 21 following the punt.

The 'Cats netted one first down on the drive, but were forced to punt from their own 41.

After Turner's 48-yard punt, Slaton was in business at their own 17 with a minute and a half left in the third quarter.

The two teams exchanged punts again and Littlefield started their final possession of the third quarter on their own 25.

On the first play, the pigskin eluded the grasp of Hopping and Slaton had possession on the 'Cat 25.

The 'Cats didn't take to that action though as Larry McDonald recovered a Tiger fumble on the 'Cat 21.

The 'Cats moved the ball to their own 31 and then it was fruitcake turnover again as Slaton recovered a Wildcat fumble.

A Tiger pass promptly moved the ball to the 'Cat 9-yard line. Fine defensive play led by Hopping dropped the Tigers

back to the 14.

A run by McClesky and a procedure penalty moved the ball to the Littlefield 4 before the tough 'Cat defense held under the shadows of the goal post on the Tigers' fourth down play.

The 'Cats took over deep in their own territory with 8:10 left to play.

The Wildcat offense was unable to move and with 5 minutes left, Littlefield punted to their own 40-yard line where Slaton took over.

A Slaton pass moved the ball to the 'Cat 24-yard line with 4:10 left. McClesky then rambled to the 7-yard line before being stopped by Payton.

Three plays netted the Tigers only three yards and once again the 'Cat defense was called upon to stop a touch-down drive by Slaton, with 1:50 left.

And once again the 'Cat defense answered the call as they stopped the second Slaton threat of the half.

On the first play from scrimmage following the goal-line stand, Payton was dropped in the end zone for a safety to give Slaton their only two points of the night.

With 1:39 left, Littlefield had a 10-2 lead.

Turner's free kick went to the Tiger 10 and McClesky returned it to his own 37.

Three plays moved the ball to midfield with less than a minute left. With the ball near the 50, the Tigers faced a fourth down and two situation with 43 seconds left.

Tumlinson's pass was complete for an apparent first down but a personal foul moved the Tigers way back in their own end of the field with 36 seconds left on the clock.

Tumlinson's final desperation pass of the night was intercepted by Rudy Ayala and Wildcat fans breathed easy for the first time in the second half in recording their third straight victory.

Lobo JV Drops

Littlefield JV

Levelland's JV capitalized on the Littlefield JV's mistakes Thursday evening to grab a 28-6 win.

Levelland made their first score on a bad fumble when Littlefield tried to field a punt. A second TD was made on a long pass to put the JV at the short end of a 14-0 score at halftime. They scored again on another fumble and a blocked punt.

Jeff Ratiiff scored for the Littlefield JV in the last quarter.

Coach Hooper named Stan Jackson and Kevin Wallace for a good offensive game, and Wayne Lucas, David Goen and Jeff Birkelbach on defense.

7th, 8th Boys

Lose To Slaton

The Littlefield 7th graders took a 42-0 defeat from Slaton Tuesday, and the eighth graders lost 32-8. Tracy Birkelbach scored a TD for Littlefield, and the defense made a safety.

Levelland frosh rolled over the Littlefield freshmen 42-6 Thursday evening. Donny Green made the lone score on an 80-yard kickoff return in the last play of the half. Coach Comer cited Donny Green, Roy Mendez and Johnny Ortiz for their defensive efforts.

PLAINS 16 SUDAN 7

Danny Bell passed for one touchdown and ran for another as the Plains Cowboys whipped the Sudan Hornets 16-7 Friday night in a close defensive ball game in Sudan.

Sudan led 7-6 at the half, but Plains mounted two scoring drives in the third quarter. Sudan's record fell to 1-2. Plains is now 1-1-1.

Bell began the scoring in the second quarter after the Cowboys muffed the only first quarter threat by missing a field goal. The Cowboy quarterback threw three yards to Chris Blundell. The conversion kick missed.

Sudan countered before the half with a one-yard run by Kyle Martin, who also kicked the extra point. The TD was set up by a 60-yard pass, Craig Pickett to Joel Williams.

Plains scored in the third period on a Chris Winn field goal and Bell's 24-yard keeper. Winn added a conversion on the last score.

Both teams garnered 13 first downs and Plains outgained the Hornets 246 yards to 235.

Cowboy runners were led by Martin Duran's 86 steps on 16 carries and Sudan's best rusher was Danny Williams, with 67 yards on 18 tries.

NEWS FROM **AMHERST**

MRS. LESTER LaGRANGE 246-3336

CINDY CROSBY is taking a course in nursing in her college work at West Texas University, Canyon. A "capping" ceremony was held in the activities center at the college Sept. 6. One hundred and twenty five were capped in the impressive candle-lit ceremony. Mr. and Mrs. W. H. (Bo) Crosby and Mr. and Mrs. Joe Chambers were there for the occasion. Cindy is a member of the Chi Omega sorority, one of the most active on the campus.

MRS. JOHN MORTON, Levelland, Mrs. Onetta Bell Allen, Mrs. Pauline Snelson, Fort Worth and Mrs. Mary Ruth Woodson of Lubbock, visited their uncle Guy Hufstader Sr. and Mrs. Hufstader. Wednesday. Guy is a patient in the

local hospital and has had pneumonia and is improving. Guy's sister, Mrs. Audrie Warren of Lubbock accompanied the nieces.

JOHN BUTLER, a resident at Amherst Manor has been in the local hospital several days with pneumonia. He is improving, it is reported.

MR. AND MRS. R. T. Watts of Pampa were recent guests of his sister and husband, Mr. and Mrs. Floyd Rowell.

COURTNEY EWING of Winchester, Tex. will be here with her grandparents, the Don Ewings and the Rowan Youngs until the last of next week when the Ewings take her home.

MR. AND MRS. Jim Templeton and their daughter and husband, Mr. and Mrs. John Norwood, attended Mrs. Templeton's family reunion, the Brannons, at Quartz Mountain Lodge, near Altus, Okla. last week. Mrs. Templeton saw cousins they had not seen in 25 years. The week before the Brannon reunion the Templeton family reunion was held at Possum Kingdom. Johnny Norwood of San Antonio was there for the reunion.

THE GOSPEL meeting at the Amherst Church of Christ will be held Sept. 21-26. Sunday the Bible classes will be 10 a.m., worship 10:50 a.m., and 6:30 p.m. Monday through Thursday 10 a.m. and 6:30 p.m. Evangelist will be Jack L. Mackey and song leader B. W. Briggs.

Olton Hosting Dance, Lessons

The Swinging O's Square Dance Club in Olton is beginning square dance lessons starting Tuesday, Sept. 30.

Maurice Stevenson of Lubbock will be teaching every other Tuesday through the first of the year, then every week. There will be 20 lessons for a very nominal charge.

Everyone who is interested is invited to attend.

Hap Pope, who is the regular club caller for Circle Eight in Littlefield, will be calling for the Olton group Thursday night, Sept. 25, in the new Agriculture Building at 2nd and Ave. E.

Senior Citizens Meet At Amherst

AMHERST—Senior Citizens enjoyed an ice cream and cake party Tuesday evening, Sept. 16th.

Members of the Senior Citizen group provided the homemade ice cream and cakes.

Members having birthdays in September were recognized and "happy birthday" was sung to them.

Fifty-seven were present for the social.

The next meeting will be a covered-dish supper, Tuesday, Sept. 30 at 7 p.m.

All senior citizens are invited and requested to bring a covered dish.

A FIRST SIGN

An unexplained change in your ability to hear clearly could be the first sign of a developing hearing loss problem. If the condition persists you should seek proper hearing care assistance.

FINGER PAINTING is a special means of expression being taught each Thursday morning at Williams Kindergarten by Mrs. Stacey Armes. Shown at work at the tables are the Jack and Jill girls. (Staff Photo)

ENOCHS

MR. AND MRS. Kenneth Millsap of Tulsa and daughter, Valerie, attended the Tulsa and Morton Football game and then spent the night with their mother, Mrs. Alma Altman. Tulsa won the game.

MR. AND MRS. Kenneth Coats went to Hobbs last Saturday to help their son, Keith, prepare their trailer home to move to Levelland.

MR. AND MRS. Jack Spence of Glenn, Calif. surprised their cousin, Mrs. Alma Altman Sunday afternoon. Jack was a former resident of Littlefield in the 1920's, so Monday they were taken on a tour of Littlefield area and they were surprised at the vast changes. They admired the Main streets of the town itself and the beautiful crops. The windmill near the Depot, and the pumping oil wells, right in town. They made the remark California does not have all the beauties, Texas has a few.

MRS. WINNIE BYARS visited her children, Mr. and Mrs. Tom Byars and their two babies, Scott and Alice Ann at Friona.

RAYMOND WILKINS was the speaker for Sunday morning's services in Enochs Baptist Church. He spoke in behalf of TANE. His home is at Slaton. THOMAS GAGE filled the pulpit Sunday night at Enochs Baptist Church.

REV. CHARLIE SHAW was able to be in both church services, Sunday and during the night he became ill and was taken to Littlefield Hospital.

AMY LYN LYTAL, daughter of Mr. and Mrs. Jimmy Lytal of Morton, was honored with a baby shower at the Enochs-Bula Community Center last Wednesday afternoon. The serving tablecloth was covered with a pink lace cloth. Cookies, peanuts, and punk punch were served to the guests. Many useful gifts were unwrapped and enjoyed by the mother, Mrs. Sharon Lytal and grandmother, Mrs. Myrna Turney. Hostesses were Mrs. Betty Medlin, Betty Tiller, Peggy Sowder, Joyce Risinger, Rhea Lynn Newton, and Linda Fred.

The hostess gift was a diaper bag, car seat, a jumper, and a large blanket.

AMHERST NEWS

MRS. MARTIN WHITE and her daughter, Mrs. Lavelle Hardwick, were in Tahoka Saturday, Sept. 13 and attended the wedding of Mrs. Billie White and Warren Embry. It was held in the chapel. A dinner was served later for relatives and friends attending.

MR. AND MRS. James Burks of Wichita Falls are guests of his cousin, Mrs. Guy Hufstetler Jr. and family this week.

MR. AND MRS. Richard Lemer, Joe and Jeff were at Lake Brownwood last weekend with her sister, Mr. and Mrs. Laverne Long who have a cabin there.

ENOCHS

MRS. ALMA ALTMAN

MR. AND MRS. Quinton Nichols spent the weekend at Raton, N.M.

MR. AND MRS. Harrold Layton and their house guest, Tomoyo Kunisawa from Japan, attended the District State Line Butane meeting at the Koko Inn at Lubbock. This was a director and managers meeting.

MRS. J. D. Bayless gave a birthday dinner for her twin brothers, Clyde Coffman of Morton and Claude of Muleshoe. Their wives attended also. This was their 77th birthday.

MRS. G. R. NEWMAN returned home after a week's visit with her daughter, Mr. and Mrs. Al Reasoner. In the afternoon her nephew and his wife from Hobbs came to see her.

MR. AND MRS. J. W. Layton visited his brother, Mr. and Mrs. Frank Layton at Midland. Friday they had dinner with their sister, Mandy Terrell and then they returned home Saturday.

LITTLE Becky Petree, daughter of Mr. and Mrs. Kenny Petree of Clovis, N.M. spent several days with her grandparents, Mr. and Mrs. Chester Petree of Enochs.

CROPS got a refreshing rain last weekend. We also had some damaging hail in spotted areas. The first load of grain has come into the Coop Elevator. Cotton is maturing and since the good rain, wheat land is being prepared and sown in wheat. The country is beautiful with its crops.

MR. AND MRS. Gene Autry and boys from Dimmitt spent the weekend with their parents and other relatives, Mr. and Mrs. Ed Autry.

MR. AND MRS. L. T. Lytle of Conroe visited their sisters, Mr. and Mrs. Fred Locker and family of Bula and Mr. and Mrs. Shorty McCall of Enochs.

Members present were Bonnie Stephens, Kyra Cox, Pat Mott, Pat Stubbs, Judy Vaughn and Kris Bean. Guests included, Freddie Duke, Janice Graves, Dorothy Powell, Sharon Brown and Shiela Hanlin.

Wedding Solemnized In Seminole

BULA—Mrs. Ester Blevins of Grants, N.M. and J. W. Judeman of Bartlesville, Okla., were united in marriage Monday night, Sept. 15, in the home of Mrs. Blevin's daughter, Mr. and Mrs. Sam Spikes of Seminole.

Mrs. Blevins' son, Ollie Blevins, a Baptist missionary to the Indians in Ramah, N.M. performed the wedding ceremony. She was given in marriage by another son, Roy Blevins from Grants, N.M.

Mrs. Ken Gray, daughter of Mrs. Blevins, from Lawton, Okla. was matron of honor for her mother.

Rudy Judeman, brother of the groom from Odessa, was best man.

Following the wedding, a reception was held in the Spikes home, where wedding cake and punch were served by Mrs. Ruth McCormack, daughter of Mrs. Blevins and Cindy Spikes, granddaughter, to the 25 relatives and close friends who attended.

The bride was attired in a pink silk blend two-piece suit with matching floral scarf and white accessories.

The new Mr. and Mrs. Judeman flew to Montana for a few days' honeymoon. They will be making their home in Bartlesville, Okla.

Attending the wedding from here were Mr. and Mrs. John McCormack and children, Danny, Heather and Cornell.

AVOID SLIPPAGE
To keep soft fabrics from slipping off the surface while sewing, place a towel on the sewing machine surface to the left of the needle.
SCRUB REFRIGERATORS
Refrigerator interiors should be scrubbed periodically with suds to reduce odors and bacteria.

Beta Chi Chapter Holds First Meeting

The regular meeting of the Beta Chi Chapter of Beta Phi was held Monday at the Reddy Room.

The meeting was called to order by president Bonnie. The roll was called and there were five members present. A visit by Pat was at Plainview. There were five guests present.

Old business was read and the treasurer's report was given. Then each member was asked to relate for the duties her office there was also a com- view.

The program was given from the new program book entitled "Heritage and the Woman." The title of the program for the evening was "Woman, her heritage and her hope." The members and guests were asked to have some fun by compiling on construction paper from pictures from magazines their ideas of what a modern total woman consisted of. Everyone enjoyed their composites of "Modern Women."

The meeting was dismissed and members and guests were invited to browse through Beta Sigma Phi items on display at

the "Let Heritage Ring" table. The table was set in Heritage red, white and blue with a bell centerpiece. The bell had the letters Beta Sigma Phi and "Let Heritage Ring" inscribed upon it. Items on display were the Torch magazines, Beta Sigma Phi Jewelry, cookbooks and partybooks.

Refreshments were served and guests and members enjoyed "Our Special Banana Punch, and a cake in the shape and colors of the Beta Sigma Phi crest. The table was set in white with crystal and gold appointments. The centerpiece

THE NAME THUNDERBIRD, taken from the god of many American Indian tribes—a namesake the Air Force Thunderbirds are proud of. Here the camera lens, the sun and the Thunderbird aircraft capture the feeling of grace and power attributed by many American Indian tribes to their god, Thunderbird. They will be featured in open house ceremonies at Reese AFB Wednesday, Sept. 24, and at Cannon AFB at Clovis, N.M. Saturday, Sept. 27. (Air Force Photo by SSgt Henry Dutcher)

Army Parachute Team To Perform At Cannon

The world champion U.S. Army Parachute Team, the "Golden Knights", will demonstrate their free-fall jumping skill on Saturday, Sept. 27th at the Cannon AFB annual Open House. The open house will run from noon until 5 p.m. and will also feature a variety of other events including a performance by the Air Force's aerial demonstration team, the "Thunderbirds".

While maneuvering in free-fall from altitudes of up to 13,000 feet, the "Knights" will plunge earthward at speeds nearing 200 mph before opening their parachutes to glide to a stand-up landing in the demonstration area.

While free-falling, the jumpers will perform various intricate maneuvers visible to

spectators by a trail of smoke emitting from smoke grenades clamped to the jumpers' boots. After the jumping is completed, the "Knights" will remain in the area to give interested spectators a chance to see how a parachute is packed and to answer questions about both parachuting and the Army.

Having performed more than 145 thousand jumps, this championship team has delighted more than 85 million spectators in twenty-four foreign nations and throughout all fifty states.

The Cannon AFB open house is an excellent opportunity for the whole family to see the most breathtaking parachute performance in the United States. The first jumper will exit the aircraft at 2:10 p.m.

Alpha Lambda Zeta Chapter Holds Meeting

The Alpha Lambda Zeta Chapter of Beta Sigma Phi, met Sept. 15, in the Southwestern Public Service Reddy Room, with President, Brenda Denton presiding.

Janice Sebring, service chairman, reported that the Eye Screening, to detect the lazy eye in children, will begin Monday, Oct. 6. The Chapter will test kindergarten, first and second grades in Public School.

Members attended a workshop in February to qualify with the Texas Prevention of Blindness in order to do the testing. This will be one of the main service projects for the year.

The members decided to order "Save and Win" books to sell as a Ways-and-Means project. The books feature do-it-yourself crafts made from several different materials as well as a section of favorite recipes.

Items to be sold at the Christmas Bazaar, Dec. 6, were discussed, and all members were urged to complete their crafts for the Bazaar.

The main topic for discussion was Rush. Final plans were made for the Rush parties.

An all-girl party will be held Monday, Sept. 22, in the XIT Room of Security State Bank. Theme will be "Back to School" with members and guests wearing their favorite style from their school days.

A "Night in Las Vegas" will be held Saturday, Sept. 27, in the

Lamb County Electric Willey Room. A salad supper will be served to the couples attending.

The final activity of Rush, The Model Meeting, will be held Monday, Oct. 6, in the XIT Room of Security State Bank.

The cultural program for the evening was entitled "What Women are Heir To," and was presented by Ruan Richardson and Janice Appleton. Ruan presented the cons to Womens Lib and Janice presented the pros.

Each of the girls were dressed to represent their respective parts on the subject. During the enlightening debate, matron Richardson touched on such ideas as women should not smoke, wear trousers or be educated. Ms. Appleton countered by saying that women could do anything a man could do, only better.

Turning to a more serious side, Janice read of several historic accomplishments women had made through the years.

The door prize was won by Darlene Maxfield.

Hostesses Cathy Hufstelder and Charla Rountree served refreshments of individual pizzas, tossed salad, frozen fruit dessert, sock-it-to-me cake, Coke and Dr. Pepper to: Brenda Denton, Linda Charlton, Ruan Richardson, Linda Jones, Darlene Maxfield, Deanna Friday, Janice Appleton and Janice Sebring.

INSUR-MATION
Ed Jennings 385-4489
Southern Farm Bureau Life Ins. Co.

How does the cost of life insurance compare now to what it was twenty years ago?

It is probably the only service-oriented product that serves a long-established need and continues to go down in price per thousand at any given age. There are many good reasons... competition being one of the biggest. Contrary to popular belief, life insurance rates are not set by any government regulatory body. As the insurance industry has become more sophisticated with the use of automation and modern business methods, so have the field representatives... a smaller, more professional sales force... helping people simplify their problems. People live longer and insurance companies invest their money more wisely. Therefore, you have a better product at a cheaper price with reduced administration costs.

Which new Olds is right for you?

THE 1976 *Oldsmobile* PERSONALITY QUIZ

There are 1976 Oldsmobiles for fun-lovers, hard workers, families, career women, people on a budget, introverts, extroverts, skin divers, sky divers, just about everybody. Take the Oldsmobile Personality Quiz, and find out which one is for you. Then see the new Oldsmobiles at your Olds dealer.

For those who need the room of a station wagon but appreciate all the advantages of an Oldsmobile—the durability, the luxury, the style—Olds has two of the classiest wagons you can buy anywhere. With the room and the comfort that only Olds can give you.

1. I need a station wagon in the summer...
 - a. So I can put our water skis inside and head for the beach.
 - b. So I can put the sails to our sailboat inside and head for the Club.
2. I need a station wagon in the winter...
 - a. So I can carry the kids and their hockey equipment.
 - b. So I can carry the kids and their skis.
3. I'd like my station wagon to be...
 - a. The mid-size car of my dreams turned into a wagon.
 - b. The full-size car of my dreams turned into a wagon.

a. The Vista Cruiser:

Surprisingly economical, this is one mid-size wagon that will stand up to families, to heavy loads, to just about anything. With standard equipment like a Rocket 350 V-8, automatic transmission, power steering and power brakes, it still carries a lower price tag than many other wagons. The Vista Cruiser is no ordinary wagon.

b. The Custom Cruiser:

A station wagon in the tradition of the Olds 98—the one wagon with many of the 98's quality touches—wall-to-wall cut-pile carpeting, electronic message center, deep foam seats with a center armrest on the front seat, and much more. Exceptional luxury in an exceptionally hard-working wagon.

Vista-Cruiser and Cutless Supreme Cruiser standard features include: Rocket 350 CID V-8 engine • Turbo Hydra-matic transmission • Catalytic converter emission control system • 116-inch wheelbase • Vari-ratio power steering • Steel-belted radial tires • Power brakes (front/disc and rear/drum) • Front seat center armrest • Deluxe vinyl upholstery • Plush pile carpeting • Rocker panel and wheel-opening moldings • Simulated wood grain body side panel (Vista-Cruiser). **Available equipment includes:** Rocket 455 CID V-8 engine • Tempmatic air conditioning • Sport wheels • Fuel economy meter • Rear-facing third seat (includes rear vent windows).

Custom Cruiser standard features include: Rocket 455 V-8 engine • Turbo Hydra-matic transmission • Power steering • Power brakes (disc/front, drum/rear) • Power ventilation • Wall-to-wall cut-pile carpeting • Bench front seat with center armrest • Electronic message center • High-energy ignition system • Catalytic converter emission control system • Steel-belted radial tires • 127-inch wheelbase • Dual rectangular headlamps • Rear wheel-opening covers • Divided second and forward-facing third seat (3-seat models) • Roof drip, side-window and wheel-opening moldings • Spare tire extractor. **Available equipment includes:** Tempmatic air conditioning • Night light door lock illumination • "Invisible" theft alarm system • Fuel economy gauge • AM/FM stereo radio • Anti-spin axle.

WHICH FULL-SIZE

As always, we're taking care of the full-size car buyer, too. Providing the kind of quality and dependability you'd expect from Olds, at a price lower than what you might expect. There are some things common to all

1. I think a full-size car should . . .

- Show people I know a good deal when I see one.
- Show people I've got good taste.
- Show people I know how to combine the very practical and the very elegant.
- Show people I've got good taste and don't mind flaunting it a little.
- Show people I know how to enjoy myself.

2. The stock market is . . .

- Too much of a gamble for me.
- Something I'd try if I had more money.
- Worth trying if you find a stock that's not too risky.
- Worth taking a chance on.
- An exciting challenge.

3. When my daughter started college, I warned her about . . .

- Asking me for more spending money.
- Co-ed dorms.
- Not spending enough time studying.
- Calculus.
- Joining the wrong sorority.

a. Delta 88:

For the person who knows how to get a lot for his money. A lot of dependability, a lot of room inside, a lot of comfort and good economy.
