Littlefield School Gets Accreditation

Littlefield schools have been given an accreditation approval by the Education Agency (TEA). The approval follows a visit from an accreditation team during the 1968-'69 school year.

The accreditation approval was received from the TEA. This accreditation came after a visit to Littlefield schools Oct. 15-16.

A letter to Superintendent Jones, Covin, TEA consultant, praised the noteworthy areas based on the visitation and observations.

Mr. Covin's report said all personnel were employed and qualified in areas of instruction.

A remedial reading was given an excellent rating and the staff was commended for enthusiastic devotion to the learning students in small groups with individual attention.

The report observed that the health program was operating in a very satisfactory, effective manner, with services provided for children in separate, well-equipped rooms by a trained nurse and nurse's aide.

The survey indicated the district's records and accountabilities were organized and maintained.

Consultant Covin said the library aide was doing a very acceptable job under the supervision of a qualified librarian, and library materials were available, used and maintained with accession records up to date and under current expansion.

The report also noted the efficiency of administrative office clerk, and food services and selection of instructional materials and equipment.

A system-wide text book committee proposed text books for the 1970 school year was appointed at the 11th meeting of the board of trustees.

Superintendent Jones will be chairman of the committee that will present their recommendations for adoption this spring.

Crime Clinic Planned Today

Littlefield citizens, retailers, and employees will be given an opportunity to attend a Crime Prevention Clinic today in the District Courtroom of the courthouse.

Two 1½-hour sessions will be held to accommodate more people. Sessions are scheduled at 10 a.m. and 2 p.m.

The sessions will feature colored movies on hot topics and shop lifting, presented by Bill Tipton of Lubbock who is assistant assistance officer of Small Business Administration.

Participants will have prepared packets of literature for those who wish to take them home.

Attorney Curtis Wilkinson and Chief F. A. Fitzgerald will be available to answer questions and present reports on the subjects.

Most citizens prefer to present their reports before Thanksgiving, so that reports are prepared for the Christmas season, Tipton said.

Library Friends Meet

Friends of Lamb County Library will conduct their annual meeting Sunday afternoon in the District Courtroom.

Austin Hoover of El Paso, field service consultant for Texas libraries, will be the featured speaker for the 3rd meeting.

Musical selections will be presented by local talent during the afternoon's program.

Following the meeting, the Book Club will serve refreshments for the open house in the Lamb County Library, located in the basement of the courthouse.

A new feature at the library, according to Librarian Jack Hicks, is record books, which will be available for check-out beginning Aug. 15.

A 'DO-IT-YOURSELFER' who could get no help, decided she'd tackle the problem of trimming her 40-foot cedar tree. Mrs. Forbes Tatum borrowed a sectioned 36-foot ladder from Nelson Naylor, climbed to the top and began clipping. She was prompted to do the job because she's heard we're in for a hard winter and didn't want her 33-year-old tree to break down under the weight of ice and snow. The inset is a close-up view of Mrs. Tatum who brushed aside the clippings.

STATE DIGNITARY DUE

VFW Convention Set

VFW Post Commanders and Auxiliary Presidents from 15 cities, including Littlefield, are expected to attend the District Thirteen Meeting of Veterans of Foreign Wars of the United States in Littlefield Saturday and Sunday.

The District meeting is being sponsored by the John Henry Chapman Post 4854, with Allen Purdy as commander and Stella Pugh of Littlefield as local Auxiliary President.

Mrs. Robert O. (Thelma) Pugh, of Houston, state president of the Ladies Auxiliary to the veterans of Foreign Wars, will be making an official visit to the District this weekend during the meeting.

District 13 is one of 28 districts in the state she will visit while serving as state president during the 1969-70 term.

Registration begins at 1 p.m. Saturday in the Post home.

A reception and social hour for department representatives will be conducted between 6 and 7 p.m., followed by a dance, accompanied by "Tiny Lynn," at 9 p.m.

A memorial service and joint meeting of the VFW and Auxiliary will begin at 10 a.m., following registration and a

morning program, followed by presentations by Department Commander Elmer Chappell and Department Auxiliary Representative Thelma Pugh.

Lunch will be served at the Post home at 12:15, followed by a meeting directed by District Commander Shorty Flowers at 1:30. At the same time, the Ladies Auxiliary will meet at the Post home, with Eupha Mae Griffin, district president in charge.

State President Thelma Pugh will make a presentation prior to adjournment.

Mrs. Pugh is head of the more than 16,000 member organization, and has coffee and doughnut period beginning at 9 a.m.

Littlefield's Mayor J. E. Chisholm will present a welcome address during the chosen hospital work as her special project this year.

She is the first ex-service woman to be elevated to the office of president in Texas. She served three years in the Air Force.

According to Stella Pugh, Littlefield Auxiliary President, Mrs. Thelma Pugh is well known in community and veterans' circles. See VFW, Page 4

CARROTS, CABBAGE CROPS GOOD

Green, Gold Harvest Starts

Harvest went into full swing this week, not only on grain and cotton, but vegetables, too.

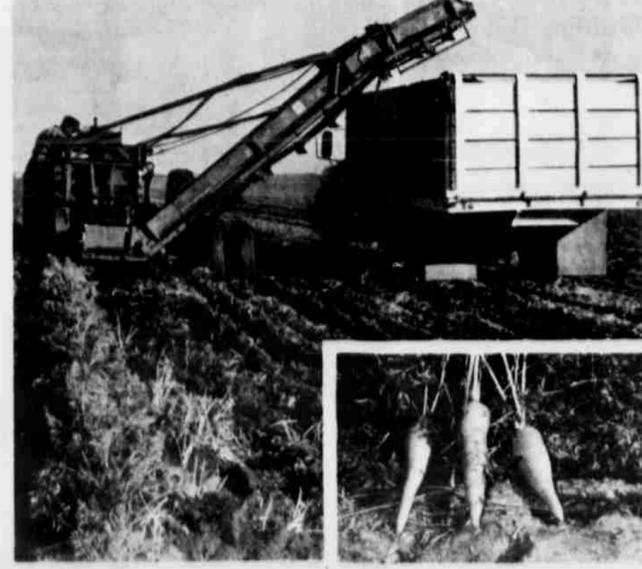

And some farmers who dared to raise vegetables are finding that this was a better choice than the traditional crops in this area.

Spade Young Farmers who banded together in a carrot venture are harvesting their golden crop. Dale Stanley, Don Bell, Don Caldwell, Howard Keener, Larry Lockwood, Joynny Richardson, Don Tindal and Gayle McCoy are in the process of machine-harvesting about 130 acres of carrots.

The carrots were planted six rows to a bed. A machine digs and cuts off the tops and dumps them in a truck which hauls the vegetables to a processing plant in Dimmitt. Safeway Groceries are the principal market for the Lamb County grown carrots that are bringing the farmers \$40 a ton for number ones and \$30 for jumbo-sized carrots.

Walter Hobgood is harvesting 53 acres of cabbage on two farms. The cabbage is making 20 tons or more per acre and Hobgood predicts his income from the vegetables will be considerably more than cotton planted on the same acreage.

Cabbage heads will be hand-cut two or three times and are being sold in truck and car-load lots to various firms over Texas.

A GOLDEN HARVEST is going on in the Spade area where about 130 acres of carrots are being machine-harvested. The farmers are getting a 30 per cent turnout after planting two and one-half pounds of seed to the acre.

School Board Plans District Re-Appraisal

More Funds Needed For '70

Board members favored an increase in tax values to raise an additional \$48,000 needed for the 1970-71 school year at a regular meeting Monday night.

In a lengthy session, the board of education discussed increasing tax rates and/or tax values and decided on a district re-appraisal.

The board agreed that re-evaluation was needed, anyway, with the last evaluation about seven years ago.

Rather than increase taxes for this school year, the Littlefield school system is paying \$22,500 in increased operating costs out of surplus money which will be depleted at the end of this school term.

Teachers' salaries in Littlefield schools will increase \$96,600 with the local district's portion increasing \$19,320. This amount, plus the deficit operation this year and an increase in maintenance makes the \$48,000 additional revenue necessary.

If the re-appraisal plan is followed, the tax rate will remain at \$1.80 per \$100 of assessed valuation. Where the district value is now assessed at \$23,500,000 the new assessed district value will be \$26,500,000, providing the additional money to the increased expenses.

Superintendent Paul I. Jones said all property in the school district will be appraised in the re-appraisal, and that property on the tax roll will be affected individually, not "across the board."

DANNY SPIES is now enjoying the comforts of home again, since he came home from Methodist Hospital in Lubbock Saturday afternoon. His hand puppets, rag monkey and other familiar recreational items make being at home even better. Danny particularly likes to hear the purr of his pet cat "Sin" - a name which was derived from its color, "black as sin".

'GOD'S MIRACLE'

Danny Comes Home

A longtime dream came true for the Gene Spies family Saturday afternoon when their 8-year-old son, Danny, came home from Methodist Hospital in Lubbock.

Danny was injured Aug. 30 in Laguna Park while watching a motorcycle demonstration during Festivities Days, and the rider fell from the two-wheeled vehicle, leaving it free-wheeling into the crowd.

"Dr. Holmes, Danny's pediatrician at Lubbock, says Danny is doing real well as far as his physical condition is concerned," Mrs. Spies said Wednesday morning.

"We'll go back the 25th to see if he will be able to sit up," she continued. "He's taking exercises three times a day."

and his neurosurgeon, Dr. W. Evans, says that within a period of two to three years, another part of his brain can be taught to motivate his left side.

"I believe it's God's miracle that Danny is alive today. I've never seen a See DANNY, Page 4

LARRY POLLARD GRID WINNER

Larry Pollard of Lamesa picked 14 winning teams this week for first place in the Leader-News football contest.

Five tied for second place with 13 correct predictions and tie-breaker scores were used to determine Nadine McDonough of Petersburg second place winner and Dennis Chambers of Littlefield third place winner.

Maylon Smith and James Trammell of Littlefield, and Lamar Pollard of Levelland also picked 13 winners.

Doc Bowman still leads in the season standings with 116. Floyce Pierce is in the second slot with 113, and Leon Burch and Linda Hood are tied with 112 correct picks each.

See page 11 for the top 30 in the grid contest.

Free Turkeys

With Thanksgiving Day only two weeks away, there's a chance you could win a free turkey just by registering at one of 14 Littlefield stores between now and Thanksgiving.

Stores giving away free turkeys are Anthony's, Connell's, Foust Food, Moss Shoes, Newton's, Leader-News, Pat's Record Center, Penney's, Pioneer Super., Market, Pay 'N Save, Pratt's, Renfro Bros., Roden Drug, and West Drug.

Registration starts today in all 14 stores. The drawing will be Monday, Nov. 24.

Salvation Army Opens Drive

The Salvation Army Maintenance Fund Drive opens today and continues through next Thursday, Nov. 20.

Doyle Patton is chairman of the general campaign drive that has set a goal of \$6,500.

Under the leadership of Captain Daniel Hudson, who came to the Littlefield post Aug. 31, these funds will be used to provide lodging, meals, clothing and gas for transient welfare.

Under family welfare, clothing orders are filled, rent and utilities are paid, grocery orders taken and transportation furnished.

Clothing and furniture donations for the recently established Thrift Store on Phelps Ave. are welcomed and will be picked up.

Under the new leadership of Capt. Hudson, activities at the Salvation Army Building have increased from two per week to 20 each week.

In addition to Sunday school and Sunday night services, there are Bible classes for young people with \$100 for college for graduating seniors who have first class certificates all the way through.

Other youth programs include a singing company every Wednesday night, Sunbeams and Guards (similar to Brownies and Girl Scouts) every Saturday See DRIVE, Page 4

CAPT. DANIEL HUDSON

Forum Hears Teacher

Mrs. Dorothy P. Davis was guest speaker at the recent meeting of The Forum which convened in the home of Mrs. Mike Cotter.

Mrs. W. Dow Smith introduced the speaker, a second grade teacher in the Lubbock Public Schools, who has studied at Oxford, England, and Mexico, and who is presently a doctoral student at Texas Tech.

"An enriching professional experience" was the phrase used by Mrs. Davis to describe her summer activities. Instead of taking a trip or relaxing as many teachers do, Mrs. Davis has served as a language arts teacher at the Mountain View State School for boys for the past three summers. The Gatesville school, a facility of the Texas Youth Council, is a maximum security institution for serious juvenile offenders of the law. Currently, there are 425 boys residing at the school, and their crimes include arson, robbery, rape, narcotics, murder, and other offenses.

Classes are in session during all 12 months of the year with half of each day devoted to academic studies and the other half spent on vocational training.

Boys in the school range in age from 15-21 with the

median age of residents being 17. The length of time inmates spend in the institution is dependent upon the individual's degree of rehabilitation.

The speaker stated that classroom discipline is almost perfect, for upon the slightest infringement of the rules, a student is sent to solitary confinement.

Mrs. Davis said the first thing she does at the school is to get acquainted with the students. She tells them that she is there because she wants to be, that she doesn't know why they are there, and that the reasons are immaterial to her. "I tell them I want to treat them as adults and how I will continue to treat them will depend upon their reactions," she said. Apparently the boys respond to her trust in them because one boy said to her, "Mrs. Davis, you could walk anywhere in the compound and no one would harm you, because we have faith and confidence in you." A Negro student presented her a hand-drawn certificate labeled "SOUL TEACHER."

During the Forum's subsequent business session, it was decided that the club would write to its congressmen in support of continued appropriations for programs

MRS. W. DOW SMITH, left, program chairman, introduced Mrs. Dorothy P. Davis, teacher, who was the guest speaker for the Forum Club meeting at the home of Mrs. Mike Cotter recently.

now training personnel to give cancer tests.

In further business, a committee including Mrs. Hubert Henry, Mrs. Mike Cotter, and Mrs. Robert Richey, was appointed to investigate obscene literature and movies in Littlefield and to encourage TV networks to decrease violence in their programs.

The next meeting of The Forum will be in the home of Mrs. Frank Cummings. Mrs. Robert Richey will present a program on religion.

THE MEN OF Hart Camp Baptist Church met Monday night for their regular monthly meeting. Blanton Martin, president, was in charge of the meeting. Ed Kinsky resigned from the office of program chairman and Rev. J. D. Nelson was elected to fill the position. Plans were discussed for a Christmas project for the organization. Refreshments were served following the meeting. Men present were Ed Kinsky, Blanton Martin, D. R. Leonard, L. W. Sullivan, Edwin Oliver, Elma Burleson and Rev. J. D. Nelson.

First Fall Coin Show Draws Crowd Of 300

Two hundred-fifty persons registered at the Lamb County Coin Club's first fall show and another 50 persons or more "came in the back door."

C. L. Grimm of Lubbock won the \$20 gold piece and J. R. Chamberlain of Spade and Leonard Symington Jr. of Littlefield won the \$10 and \$5 gold coins.

Larry Sanderson of Littlefield won first place in special exhibits and second in foreign coins.

D. O. Joplin of Levelland took second and third in

special exhibits, second in U. S. coins, and first in foreign coins. Mrs. Joplin won third in the visitors' display and the Joplin's son won first in the junior display.

Darla Sanderson of Littlefield won first in the visitors' division and Jeral Atwell placed second.

A Muleshoe man, O'Neil Rockey, won first in U. S. coins, and Alton Logsdon of Levelland took third. E. L. Pitzer of Levelland won third place with his foreign coin display.

Representatives Attend Meeting

Mrs. Jean Cheshier, Mrs. Darla Armistead and Kenneth W. Knight attended the 20th annual convention of the American Nursing Home Association at the Shamrock Hilton Hotel in Houston, Nov. 5-7.

"Much of the discussion was centered around testimony regarding Medicare and Medicaid that the association recently presented to the House Ways and Means Committee, as well as around the future development and structure of the association itself," said Mrs. Cheshier.

The American Nursing Home Association, whose national office is in Washington, D. C., represents both proprietary and nonproprietary nursing homes.

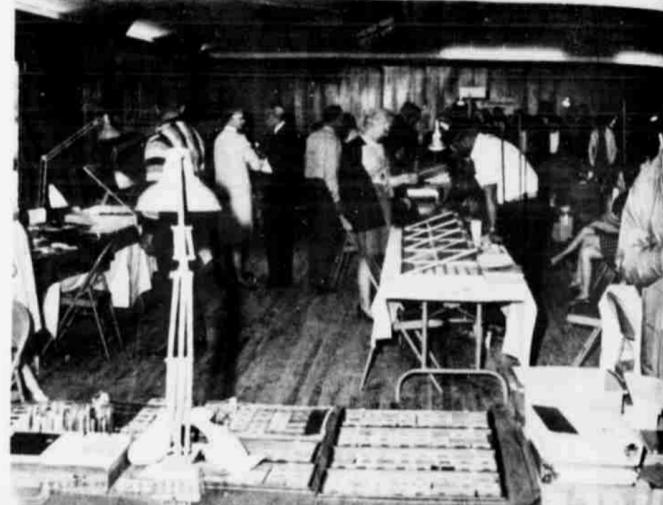

Approximately 7,200 homes with in excess of 415,000 beds are members. All member homes are licensed by their respective state agencies.

About 3,000 individuals attended the convention.

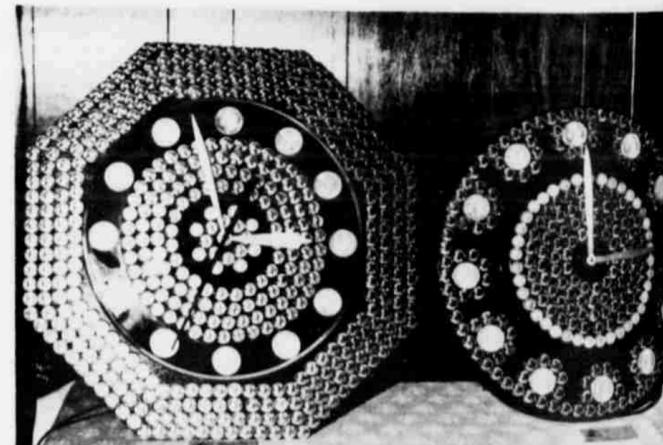

In addition to Nov. 6-7 meetings of the House of Delegates, which heard reports and adopted policies for the future, the association elected officers for 1970.

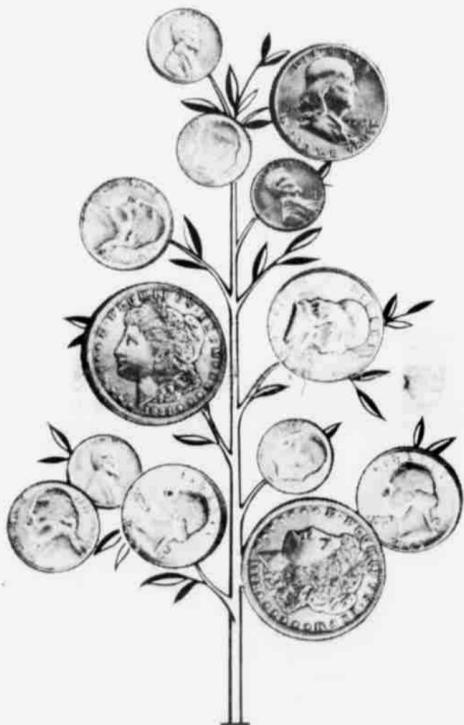

CHARLES BARRETT of Littlefield was one of coin dealers to set up tables at the first fall coin show sponsored by the Lamb County Coin Club.

250 PERSONS registered at the fall coin show held in the Littlefield Community Center. Silver dollars given hourly, free appraisals, buying and selling brought the good crowd.

ON DISPLAY at the Coin Show Sunday in the Community Center were these clocks which were made by E. G. Alexander of Littlefield. The clocks decorated with pennies and mercury dimes. Silver dollars denote the hours.

Farm Bureau Convention Begins Sunday

Featured speakers at this year's Texas Farm Bureau convention scheduled for San Antonio Nov. 16-19 include prominent leaders in agriculture and state government.

Texas Farm Bureau President Sidney Dean of Victoria will present his annual address at the Nov. 17 morning general session.

House Speaker G. F. (Gus) Mutscher of Brenham and Rep. W. S. (Bill) Heatly of Paducah, chairman of the House Appropriations Committee, will address the Tuesday morning general session.

Vesper speaker on opening day, Nov. 16, will be the Rev. Estes L. Lewis, pastor of the Martindale Baptist Church and "1969 Texas Rural Minister of the Year."

Outstanding authorities in a number of fields will speak at nine special conferences slated for Tuesday afternoon, Nov. 18.

MR. AND MRS. JOHN H. WITHROW

Withrow Children To Honor Parents

The children of Mr. and Mrs. John H. Withrow will honor their parents, Sunday, Nov. 16, with open house in observance of their golden wedding anniversary.

Calling hours will be from 2:30 to 4:30 p.m. at the Withrow home at 224 Ave. M in Sudan. Friends of the family are invited to attend the reception, but the couple

requests that no gifts be brought.

The former Annie Mowrey and John Withrow were married Nov. 14, 1919, at Wapanucka, Okla. They moved to Sudan in 1927 where Mr. Withrow farmed until his retirement a few years ago.

They have two children, J. C. Withrow and James Withrow, both of Sudan, and 10 grandchildren.

Spade Homecoming Scheduled Saturday

"Homecoming '79" has been scheduled for all ex-students, ex-teachers, and ex-residents of the Spade community Saturday, Nov. 15, at the Spade School.

All present Spade residents are invited to the festivities too.

The Spade senior class of '70 is sponsoring the "happy time with a tinge of nostalgia—a time when there comes a welling of memories of the days that used to be—a pleasant time—and a big Texas welcome to all Spade Exes and to the Spade Community."

Registration begins at 4 p.m., followed by a meal of barbecue and all the trimmings in the lunchroom at 5 p.m. Proceeds from the meal will go to the senior class. Tickets are \$1.50 for adults and 75 cents for children 12 years old and under.

The Spade Ex-Student Association will meet at 6:15 for a business session and fellowship.

Spade High boys' and girls' basketball teams will be playing Shallowater teams, beginning at 7:30 in the gymnasium.

During halftime activities of the boys game, a homecoming queen will be crowned. The ex-student who traveled the farthest distance and the earliest graduation senior present will receive prizes, immediately following the queen recognition.

The Spade Longhorn girls' team is defending bi-district champions of 1968-'69, and Coach Jimmy Kirkland is

anticipating another exciting year.

Lottie Moon WMU Conducts Study

AMHERST—The Lottie Moon Circle of the Baptist WMU met Monday for Bible Study. Mrs. Johnnye Smith presided in the business session, led the opening prayer and conducted the study. Mrs. B. THE FARMER'S WIFE

Practical Inventions

By LIBBY MUDGETT

WELL, I SEE THAT Katherine Hepburn is going to play Coco Chanel in a new play opening on Broadway.

Since both of these ladies are pretty fabulous creatures, the play will probably be a hit and then a movie.

Which will start a revival of interest in fashion a la Chanel. And that is a pretty dressy style.

So I'm going to get in my licks first with some pleadings for all those fashion setters before they start setting.

FIRST, THERE'S THE MATTER of hose. That is probably the biggest racket in the whole consumer market.

I know full well that somebody somewhere can invent some hose that look like those that DO NOT RUN. Tell me not it can't be done when I see on my own TV set men walking on the moon.

Virtually every pair of hose has a built-in destruct button that goes off about the third wearing. And pow! Another buck and a half shot.

Which brings us to the subject of those pills that darken the skin. You know, the ones that all those writers take while they go live with the dark-skinned ones long enough to gather material to write a book about their experiences and get rich.

NOW IF THAT'S POSSIBLE, why can't a pill be invented that would darken only that part of the anatomy one wanted darkened? Such as legs, thereby eliminating the hose problem altogether.

Or darken the face just enough to make everyone think you've already put your makeup on.

Or be deep copper colored to wear a white dress and pale, pale flesh-colored to wear with a black dress? (Depending upon whose flesh is concerned, of course.)

SINCE CHANEL is famous for her suits, there will undoubtedly be a trend back to the dressy suit.

And that spells disaster for those of my caliber that can't abide women's suits.

If it's cold enough for a jacket,

it's cold enough for a coat. But try putting on a coat over a jacket and you soon take off the jacket, thereby wasting the money you spent on the jacket.

If it's warm enough to go without a coat, it's too warm for that silly lined jacket, and once more you leave the jacket at home and you might as well have just bought a skirt and blouse.

OF COURSE, ONE CAN go ahead and wear the skirt, blouse and matching jacket and freeze from the rear down.

Or skip the blouse, but this can end disastrously in case you get in an overheated room and start perspiring and people keep inviting you to take off your jacket.

So please, fashion designers, don't go overboard on those Chanel-type suits like you did several years back to the point of forgetting to design some dresses for those cantankerous people like me.

THEN THERE'S FOOTWEAR. Keep putting out boots, please, for those of us that don't believe in being fashionable to the point of freezing.

But enough of those square-toe clomp-clomps that look as though they were manufactured by the LSD crowd.

Everyone's toes are not square, and how about some more heels? And I don't mean those two inch square things that look like factory stacks.

I mean those high graceful heels that were thin as cathedral spires. Now those made a lady feel really dressed up!

Now in the cosmetic realm, how about a lipstick that will stay on? Or maybe a pill that would turn lips red, or orange, or pink, or rose?

AND A STAIN REMOVER for teeth like dentists use that one could get at the local drug counter?

Oh well, maybe I'm expecting too much. Or just too pessimistic. After all, it was Chanel herself who said that women used to dress to please men, now they dress only to astonish one another.

KATHY DEAN ROBISON, six-months-old daughter of Mr. and Mrs. Carl Robison, examines the stem of a pumpkin that could easily be turned into an old-fashioned jack-o-lantern. She is wearing a full-length old-fashioned dress and bonnet which was made by her mother.

THE ABUNDANT LIFE

Our America

By BOB WEAR

MUCH MORE IS being written and said about our America than ever before. As might be expected, some things are true and right, but others are false and wrong. All of this concerns us because we are America.

More people are giving serious thought (long overdue) to the value of the unique ideology known as Americanism. There is, in fact, a growing feeling or urgency for finding ways to preserve it.

There is obviously a justified increase of knowledgeable concern among the people. This comes from the unbelievable disorder and foolish turmoil of our time, and the sobering realization that the very life of America is being threatened.

THE PRESENT DISTURBED National feelings and uncertainties about "our way of life" indicate that we have not previously had a clear understanding of it. For the most part, too many of us have just enjoyed it and used it selfishly. We have not given enough intelligent

consideration to the essentials of its life, or its survival needs.

Now, we are trying to correct this neglect. We are trying to recover some of what has been lost. We are trying to discover where we have gone wrong. The present climate of tension and sharp conflict is the result. We long for the time when we can move out of the present darkness into the light of a better day.

THE PRESENT HAPPENINGS may prove to be disastrous. God forbid! On the other hand, they may eliminate the indifferent, unconcerned and lazy attitudes of the great majority of people.

If, out of the present turmoil, there emerges a new strength, a clearer understanding and a well-defined national purpose; there may be another time of national peace and unity. We must work together toward this time.

WHAT IS AMERICANISM? As it concerns us, it is more than a word. It is a way of living in which the sovereignty of God is given pre-eminence, and the worth of man highly regarded. It probably means different things to different people, but it means freedom for all.

Our America offers wonderful privileges, but gives no one the right to do as he pleases. Our privileges are limited, and rightly so, by our responsibilities.

The life view known as Americanism has been hallowed by the sacrifice and devotion of our forefathers. Each succeeding generation has made a substantial payment for its preservation. It has long been a vital force in the well-being of mankind, and can continue to be if all of us do our best to protect and perpetuate it.

THE STORY OF AMERICA must never be permitted to lose its freshness, its hope or its universal appeal. Let us be reminded daily that Americanism is the freedom to worship God, the right to speak freely, and the unabridged dissemination of information.

It is the right of franchise which enables, and gives us the privilege of petition for redress of grievances. All to be done through established channels, not by riot and other disorder.

It is the peaceful public assembly, the security of person, of property, and of personal effects. It is the public school, the open highway, the well-ordered homes of the people and the orderly, thriving community. It is all of this and more.

OUR AMERICA. We must understand it, love it and give it our full measure of devotion; or lose it.

PAUL HARVEY

Fancy Groceries

WHEN PEANUT BUTTER recently went to 71 cents a jar at the store where the Harveys shop for groceries, Mr. Harvey became borderline indignant: "What are they trying to do to us!"

But before I could launch a proper tirade against the peanut-butter people, I heard from a housewife in Glidden, Iowa, Mrs. Frank West.

SHE MADE HER FOOD budget of 1960 and her more recent one available to the Des Moines Register.

And Mrs. West just about has me convinced that food is not more expensive now than then. Let's hear her out:

RECENTLY MRS. WEST ran down the supermarket's cash register tape seeking to ascertain why such a small number of purchases came to more than \$24 and she discovered that much of what she is now buying at the grocery store is not groceries.

There are paper towels and paper napkins, \$1.66. In the old days Mrs. West and the Harveys and you took time to home launder and re-use cloth towels and napkins.

Here's 59 cents for dog food. In the old days, Rover used to eat table scraps.

\$1.79 for bug spray to execute what we used to swat.

89 cents for fabric softener where we formerly depended on a windy day.

\$1.59 for shampoo and Band-aids. In 1960 some of us were shampooing with soap and bandaging with strips of worn-out shirt.

\$3.75 for light bulbs and

Thermos bottle; items formerly showed up on "hardware" bill.

WE'VE BEEN COMPLAINT about the high cost of eating home when many or most of the items which we pay for at a grocery store are inedible.

Mrs. West discovered that, of \$24 grocery bill, groceries cost less than \$16.

Adding the Harveys' expense to hers and dividing by two, I was similarly surprised to see that one-fifth of the floor space supermarket is occupied by frozen or prepared foods which are unavailable 10 years ago.

TWO-FIFTHS of the store is likely filled with nonfood items. That leaves only two-fifths of the grocery store displaying plain foods.

It may be that you do not buy frozen foods or TV dinners or pre-prepared items, but your housewives now do.

And the grocery list is likely include snacks and pop and candy too.

SOME HAVE BEEN charged "the exorbitantly high cost of groceries" such things as liquor, beer, seltzers and toothpaste, magazines and cosmetics, kid magazines, even some dishes, nylon stockings.

Anyway, Mrs. West, who kept categorized records, discovered that her food bill in 1960 was \$971.57. Household items that year came to \$347.50.

THIS PAST YEAR she paid \$3 more for food. For household items, she paid \$725.82!

Archie Tiller Remembers His Days As GI

Continued from Page 1

Archie Tiller of Littlefield is one of the doughboys of the 1st Division who left their marks from Africa to Germany.

The 1st Division, known as "The Fightingest Outfit", was commanded by Gen. Eisenhower and then "Blood and Guts" Patton.

"I've seen Patton go out ahead of the guys lots of times," Tiller said. "You could see him up on top of a hill looking everything over."

Tiller was in Company D, 1st medical battalion, and was in all the invasions all the way through from Africa to Czechoslovakia. During these campaigns he met another famous American, Ernie Pyle.

Tiller said this war correspondent was one of the best guys he ever met. "I met him once," Tiller said. "He came over and sat down and talked to us for hours. He'd bunk down with the guys on the ground instead of going to sleep in the officers' quarters."

Tiller served three years, one month and 13 days overseas and is one of the servicemen Patton paid the compliment of saying: "Div. 1 is a special pride of service and a high state of morale never broken by hardship nor battle."

"That bunch of guys was willing to do anything they had to do," Tiller said. "I don't want any credit for myself. There are lots of people right here in Littlefield who had plenty to do with helping win the war."

Hats are off to all these servicemen and women in official recognition of Veterans Week.

town work and pray together like Littlefield has," she continued. "We've received a lot of strength and faith because of this, and even Danny praises and thanks God daily for the progress he's making."

Mrs. Spies says Danny remembers names of his friends, but appears to suffer with amnesia on a few things. "He usually remembers, after we remind him, though. He likes for us to get him to answer questions, and can still say his ABC's and count as far as he wants to go," she said.

"He eats as well as anyone in the house, and is gaining all the time."

When this writer visited Danny Wednesday morning, he said "My Mother's the most beautiful mother in the world!" He says he's very glad to be at home with his little brother Dean and with his mother and daddy.

Concerning brotherly love, Mrs. Spies said that while Danny was in the ambulance coming home, he said he felt like he was going to fall. "Dean patted Danny and said, 'Brother, I won't let you fall!'"

Dean's been missing his brother's companionship tremendously," she concluded.

morning, a music class at 11 a.m. Saturday and a boys' club with a soccer team in the near future.

"The Answer", a drop-in for teen-agers on Saturday nights, is planned. This comes from the Salvation Army's "Christ is still the answer." Game refreshments "to give area a something to do besides drag Man's aim.

"We, The Women" club members be taking donations in the bank of the drive.

Directors are Jim Jones, Anzeline, Chick Conway, Charles E. Charlie Duval, Kenneth Ware, Beth Jerry Kehoe, Curtis Wilkinson, Wilemon, Bill Turner, Tom Hibbs, Bawcom, Pat Downs, John Mel James Walker, Kip Cutshall, Jim Brittain, M. M. Brittain and L. Smith.

Presently Capt. Hudson is trying to operate a \$11,695 budget on \$2 from last year's drive and a \$100 subsidy from Dallas headquarters. To maintain and extend its services in the community, the Salvation Army asks help in "beating the big drum," which is more than a one in Littlefield.

organizations because of her outstanding activities in contributing to the community.

Her latest was the conferring of the Freedoms Foundation Teacher's Award upon her for her outstanding contribution to the American way of life. She was given and participated in a week scholarship at Freedom Foundation at Valley Forge, Pennsylvania which she received three doctoral credit at Texas A&M.

Mrs. Pugh is a teacher at Houston Sterling Senior High School in Houston and resides with her husband, Robert, Houston.

THE PHILOSOPHER

Russian Problems

(Editor's note: The Sandhills Philosopher on his Johnson grass farm claims he's found out something new about Russia.) Dear editor:

Every once in a while some news gets out of Russia through the Iron Curtain that a thinking man feels like kicking himself for not having known without being told.

For example, according to an article I read last night in a newspaper that caught on the north side of my backyard fence—it's a sure sign of winter when newspapers start lodging on the north instead of the south side—Russia is having trouble with, of all things, laziness.

A check at one factory showed that the workers, after a hard day on the job, had put in, after you subtract the time spent around the water cooler, numerous breaks for smokes, tinkering with equipment, talking, and such like, exactly three hours of actual production. In another factory, Pravda, the official Russian newspaper, found that only 96 of 280 workers actually put in a full day's work.

You mean to say everybody in

Russia isn't born with equal energy? You mean to say some people over there work harder than others and conversely some just aren't interested in working much at all?

I thought Russia had abolished human nature. I thought they'd proved that any time a man didn't care about working it was bound to be society's fault. Bring in the perfect society and you'll have nothing but perfect men.

Not only are some of the men not enthusiastic about working but, according to this Pravda article, some women are similarly afflicted.

"A healthy woman whose children are grown should be in the shop or factory," the article said. "not sitting around in the courtyard gossiping." It demanded that something be done about it.

I'll tell you, when Russia sets out to stop women from gossiping and some men from loafing, she hasn't got just a five-year plan on her hands. She's got a million-year plan.

Yours faithfully, J. A.

DEAR EDITOR

Boosters

Dear Mr. Turner,

As cheerleaders of Littlefield High School we would like to thank the people of Littlefield for their spirit and support during the '69 football season.

The boys notice the number of people at the pep rally and at the game.

The pep rallies are more spirited when there are people from downtown present than they are when only a few adults are there.

Since this Friday is the last pep rally and game of this season, we would like to encourage everyone who can to attend the BEAT SLATON pep rally at 3:25 Friday afternoon and travel to Slaton to see our WILDCATS TAME THE TIGERS.

Sincerely, Kay Armistead, Dianne Perkins, Diane Maner, Jan Christian, Cyd McKinnon, Carol Chisholm, LHS Cheerleaders

P. S. Basketball season is just around the corner so everyone is invited to support the Wildcat Cagers. The first game is Nov. 25 at Abernathy.

Applauds

(EDITOR'S NOTE: Littlefield Chamber of Commerce Manager Jim Kelly brought this letter to us this week, and felt Littlefield citizens should share the information in the letter.)

Sunday Evening Chamber of Commerce, Littlefield, Texas Dear Sir:

We wish to show our gratitude for your hospitality in furnishing "Free" overnight parking for travel trailer and campers, on Hi-way 385, by writing and thanking you for this privilege.

We are residents of Denver, Colorado.

Thank you so much, as we think all places should have spots for parking close to stores as we need supplies as we go along.

Students Present Style Show

The Sophomore and Junior homemaking students presented a style show recently for the PTA called "Styles Around the Clock". The girls modeled garments they had made themselves, including some of the garments which they have made for the "Make It With Wool" contest.

The girls will go to Springlake Earth today for the Lamb County "Make It With Wool" contest. Those entering are Christie Adams, Linda Hopper, Debbie Gregson, Janice Reed, Sandy Holmes, Bonnie Thompson, Cyndi Moore, Markeeta Leonard, Debra McCoy, Debbie Myers, and Terri Wallace.

THERE ARE TWO SIDES to Mrs. Forbes Tatum. Besides her tree-trimming activities as shown on page one, Mrs. Tatum spends a lot of her time making purses from wooden boxes, and designing them with greeting card figures using the repossé 'decoupage' method. She's done several trunks with the design which calls for filling in raised designs from the cards to come up with a three-dimension effect.

FHA Has Monthly Meeting

SPADE—The Spade Chapter of FHA had their monthly meeting recently.

An initiation ceremony was held and eight new members were initiated. They were Denise Harrison, Janet Nichols, Diane Williams, Karyn Vrabel, Barbara Johnson, Lupe Guerrero, Diane Gonzales, and Cindy Thompson.

Junior Degrees were also awarded at the meeting. Those who received degrees were Bonnie Thompson, Christie Adams, Janice Reed, Debbie Myers, Markeeta Leonard, Debbie Gregson, Debra McCoy, Linda Hopper, Cyndi Moore, and Terri Wallace.

Money-making projects were discussed. It was decided to have a Bake Sale Nov. 22 and to sell candy and Christmas wrapping paper.

Hog & Cattle Company Is Open For Business

Now there is a market place in this county for livestock. The Lamb County Hog and Cattle Company one mile east of Amherst is owned and operated by Mr. and Mrs. L. B. Eady. Eady has been a cattle raiser for over 20 years. Eady is encouraging farmers to raise livestock as another cash crop by providing a marketing place close to home and paying top competitive prices for both hogs and cattle. Eady buys all types of hogs and cattle but specializes in top hogs that are ready for market. Market-ready hogs go directly to San Antonio in all buying transactions. Eady pays top prices and competes with markets anywhere in the area. Fat calves go directly to a San Antonio market too. Eady buys feeder cattle for area feed lots, and buys and sells stocker cattle. Now is a good time for farmers to buy some light cattle and stalk feed cows to put on feed stubble. Eady has a 19-foot covered trailer to haul out for hauling. Facilities at the

Lamb County Hog and Cattle Company are sufficient for all operations. The loading chute will load double or single deck trucks. Pens accommodate 300 head of cattle and a 40 x 60-foot hog barn holds up to 250 hogs at a time. The 15,000 pound capacity scales are government tested and Eady is bonded for your protection. The Eadys live just 300 yards southeast of the new business, and are ready to assist anyone who breaks down and must come in at odd hours. This is the first cattle market in this county since the old Peyton Packing days, and it is the first and only hog and cattle market. L. B. Eady may have the only market in the county, but the way he buys and sells you'd never know it, because his prices are as good as can be found at Lubbock, Amarillo, Clovis or any marketing place. Give him a call at Amherst 246-3693, or drive out to the location one mile east of Amherst on U. S. Highway 84, south side of the pavement.

Five-Man Board Named By District

The Lamb County Soil and Water Conservation District recently elected new officers for 1970. The five-man board of directors will govern the local district. W. L. Barton of Earth will serve as chairman, W. B. Jones of Spade as vice-chairman, Marvin Bowling of Sudan as secretary, and T. C. Favor of Littlefield and Frank Struve of Olton as members. Chairman W. L. Barton stated that he thought the Lamb County Soil and Water Conservation District would have a good year in 1970. "The importance of conservation in this country is getting greater each year", Barton said. "Our chance to do something on the local level can be achieved through the Soil and Water Conservation District." All land owners and operators in Lamb County invited to attend all meetings in 1970. Meetings will be held the Thursday of each month 7:30 p.m. in the Court House. LENHARD G. JANZEN, Radarman First Class, husband of the former Wanda S. Wimberly of Littlefield, participated in an amphibious demonstration aboard the attack cargo ship USS Taniguchi (LST-1162) in Vietnam. The demonstration conducted by Task Group 70.1 in connection with Vietnamese Awards ceremony held aboard the Task Group flag ship. The Union, an element of the Task Group, participated in one of several ship demonstration formations. Impala's hidden persuaders:

- ① **350-cu.-in. engine**
 A new more powerful standard 250-hp V8 makes the 1970 Impala move with all the more assurance. On good oil regular gas.
- ② **Anti-theft column lock**
 A locking system is built right into the steering column. When you take your key with you, you lock not only your ignition but your steering wheel as well.
- ③ **Aluminized exhaust system**
 It simply means that your original muffler, tailpipe and exhaust are going to last longer than you'd probably expect them to. Fair enough?
- ④ **Side guard beams**
 They look like highway guard rails, and they're built into both sides of the car for extra protection in case of impact. Not too many cars have them.
- ⑤ **Inner fenders**
 Up inside every fender is another fender to protect against slush and mud and help keep your Impala looking young.
- ⑥ **Flush and dry**
 We build the car so that rain and wash water can run down through the inside of the rocker panels, then out. Air follows to do the drying.
- ⑦ **Full Coil suspension**
 Huge coil springs at all four wheels are four big reasons why a Chevrolet Impala rides smoother and quieter than a low-priced car has any right to.

OBITUARIES

WILLIAM R. NORFLEET
Funeral services for William R. (Bob) Norfleet, 93, a resident of the Valley View community 65 years, were conducted Monday in Olton's First United Methodist Church.
Rev. Tommy Nelson, pastor, and Rev. Wayne Gray, pastor of Valley View Baptist Church, officiated.
Burial was in Plainview Memorial Park, with Parsons Funeral Home of Olton in charge of arrangements.
Norfleet, who was born in 1876 in Tom Green County, died Saturday evening in Plainview Hospital where he had been a patient for three weeks.
He first came to the South Plains area in 1891 when he went to work on the Spade Ranch while he was 14 years old.
He married the former Fannie Norris Oct. 6, 1909.
Norfleet was a retired rancher, a member of the Masonic Order, and a member of the Hart Church of Christ.
After working on the Spade Ranch several years, he purchased a ranch near Valley View, where he lived until recently.
Surviving are his wife, Fannie; four daughters, Mrs. Gladys Campbell of Canyon, Mrs. Katherine Reed of Carlsbad, Mrs. Helen Montgomery of Grand Junction, Colo., Mrs. Mary Hope Herrington of Levelland; three sons, Robert Norfleet of Westville, Okla., Owen Norfleet and John Norfleet, both of Olton; a sister, Betty Jameson of Fritch; 19 grandchildren; and 25 great-grandchildren.

THELMA B. PERDUE
Funeral services for Mrs. Thelma Perdue, 63, who died Saturday night at home in Amarillo, were conducted Monday afternoon in Boxwell Brothers by Chapel. Mrs. Perdue was mother of Mr. C. Peel of Olton.
Alfred White and O. R. Clarke, Christian ministers, officiated for the burial which was in Davidson, Okla., Tuesday afternoon.
Mrs. Perdue was born in Oklahoma Territory and was a licensed vocational nurse.
Other survivors include a son, Dewayne Dixon of Amarillo, step-daughters, Mrs. Dee Roberts of Dallas, Okla., Mrs. Cynthia Gore of Dallas, Mrs. Gaines of Shreveport, La., and Mrs. McCollum of Placerville, Calif.; two sons, Marion Cecil Dixon of Pecos and Wesley Dixon of Sun Valley, Calif.; brothers, Robert Baxley of Hastings, Okla., Charlie Calvin Baxley of Okmulgee, Okla.; six grandchildren.

RETTIE H. EDGAR
Funeral services for Mrs. Rettie H. Edgar, 83, of Crosbyton who died Saturday at Crosbyton Memorial Hospital, were conducted Monday afternoon in the Primitive Baptist Church at Crosbyton.
She was a sister to Mrs. Millie Littlefield.
Elder L. M. Handley of Crosbyton officiated.
Burial was in the Afton Cemetery, with Parsons Funeral Home in charge of arrangements.
Mrs. Edgar was a native of Comanche County, went to the Afton community in 1922, and to Crosbyton in 1955.
Other survivors include a daughter, Alpha McCarthy of Crosbyton; son, Johnnie Edgar of Houston, Calif.; Ed Fountain, Colo.; Donald Lee Edgar of San Diego, Calif.; Loyd Edgar of Baytown, Texas; Edgar of McAlistar; two brothers, Joe Afton and John Hale of Mineral Wells; and grandchildren.

JOHN BRYANT
Services for John Bryant, 55, who died 2:30 p.m. Tuesday in Littlefield Hospital, were today at Hammons Funeral Home with Rev. M. C. Williams of Levelland and Pervis Williams of Seminole, officiating.
Burial will be in Littlefield Memorial with Hammons Funeral Home of Littlefield in charge of arrangements.
Survivors include his wife, Jephtha Littlefield; two daughters, Mrs. Wade Littlefield, and Mrs. H. W. Baker of New York, Calif.; five brothers, J. C. of Alex, Okla.; Levelland, Earl of Paradise, Calif.; W. Morton, Jewel of Quanah; two sisters, Monroe Whittington of Longville, La., and Raymond Burch of Alex, Okla.; and grandchildren.

COY A. SINKS
Services for Coy A. Sinks, 51, of Amarillo who died Monday morning in Northwest Hospital, were Wednesday in Eastside Church of Christ with Alfred White, minister, officiating.
Burial was in Llano Cemetery by Griggs and Sons Funeral Directors.
Mr. Sinks, born in Collins County, had lived in Amarillo for 27 years. He was a member of Eastside Church of Christ.
Survivors include a brother, Earl of Amarillo, and two sisters, Mrs. Jewel Shires of Amarillo and Mrs. Opal Gilley of Littlefield.

J. D. COOPER
Services for J. D. Cooper, 48, who was found dead at his home in Levelland Monday of a self-inflicted gunshot wound at 4 p.m. Wednesday in the George P. Funeral Home chapel.
The Rev. Glenn Wilson, pastor of the First Baptist Church in Amherst, officiated at the burial in the Sundown Cemetery.
Survivors include his wife, Genevieve; Lewis Sessums of Amherst; his father, J. Cooper of Electra; three brothers, Joe of Angelo, Harvey of Texarkana, and Billy of Lindsey, Okla.; and two grandchildren.

SPORTS

Wildcats Want No. 4 Against Slaton's Tigers

Littlefield's Wildcats close their 1969 football season on Friday night, and the team will be trying to salvage a fourth victory to break the "3's" that have plagued them the past three years. The Cats, who finished with a season record of 3-7 in both 1967 and 1968, now stand 3-6. It'd like nothing better than to rise at 4-6 in their final game in Class AAA.

After 11 straight seasons in the AAA bracket, the Wildcats are scheduled to play Slaton in District 3-AA next Friday night.

The Slaton Tigers also will play in Class AA football after Friday night's game. Next year they will be in 4-AA.

A lot of pride will be at stake in Friday night's game because of the similar circumstances, and also because Slaton and Littlefield will be tangling in the district schedule early next year.

But there's reason to believe Slaton may be "hopping" for the Wildcats, having an upset loss last Friday night to lowly Brownfield.

The Tigers found they could do nothing right that night.

Coach Deverelle Lewis says the Tigers weren't themselves against Levelland and points to the Tigers' victories over Sweetwater, Kermit, Brownfield and Lakeview as reasons to respect the Slaton team.

Slaton is led by 212-pound tailback Larry Moore, a big, strong runner who has speed to go with his poundage.

Littlefield will go into the game with all the Wildcats back in reasonably good shape. Steve Owens, split end and tri-captain, was back last Friday night in the Cats' 7-0

win over Brownfield, and was a standout with his pass receiving.

The game is the final one for 20 Littlefield seniors, including tri-captains Owens, Eddie Hickman and Monte Trotter, along with QB Charlie Holt, HB L. D. Holt, HB Bobby Crittenden, FB Randy Mitchell, FB Gary Johnson, SE Mark Jordan, TE Gary Nace, TE John Tucker, Tackles Kim Kloiber, Jim McCary and Jerrel Haberer, Guards Charles Carter, Richard Ayala, Gary Garrison and Rodney Phillips, Center Randy Parkman and Kicker Alan Newton.

Edsoe Tops
 Pep, 57-46

The Pep boys bowed to Edsoe, 57-46, at Pep Tuesday. It was catch-up balling the whole game for Pep. Edsoe was a little too fast for the Pep cagers. Billy Demel was Pep's high scorer with 12 points, while Edsoe Demel followed with 10.

The Boys A and B teams play Causey next Tuesday. The Boys A will play Edsoe at Pep Friday, Nov. 14.

Pep Girls Win
 The Pep girls defeated the Edsoe girls, 30-28 in football action at Pep. It was nip and tuck balling the second half with the score up 28-28, with only 15 seconds left in the game, Edsoe Demel sunk the winning field goal.

Terri Gerik was high scorer for Pep with 12 points, and Edsoe Demel followed with 10.

 Make Work Bid

Lamb County Commissioners accepted a bid by Rowe Abstract and Title Company for copying work for county clerk's office at a meeting Monday.

In other action, commissioners voted to pay 20 percent of rehabilitation and hospitalization approved county bills and reports of the county culture and assistant cultural agents, home demonstration agent, county water, county clerk and county trapper.

Two-Car Accident, One-Car Turnover Reported This Week
 Tragedy was narrowly missed in a two car accident near the Earth-Sprinklake schools Saturday morning when a '66 Ford driven by Ulmer Loyd Lowery of Dimmitt and a '64 Chevrolet driven by Norman Gene Ellis of Earth collided near the center of the pavement on FM 302 five miles north of Earth.

Ellis was headed east and said he failed to see the Lowery car coming from the north. After impact the Lowery car spun around and went backward 75 feet before hitting a utility pole with the back bumper, according to Bill Angel, investigating Highway Patrolman.

Angel investigated a one-car turnover Monday. A '67 Renault driven by Willie Watson Burke of Lubbock whipped, ran off in the right ditch and flipped over 3 miles east of Littlefield on U. S. Highway 84.

There were no personal injuries in either accident.

WILDCAT EDDIE HICKMAN led in ground gaining with 52 yards in nine carries against Brownfield Friday night. Hickman is one of 20 LHS seniors who will be playing their last high school football game against Slaton Friday night.

Sudan-Farwell Clash For All The Marbles

The curtain is beginning to fall on this football season as Friday night will be the end of grid action for some of the area teams this year.

Sudan is the only team in the area still in contention for a district crown.

Springlake-Earth's hopes went astray when they were defeated by Sudan a couple of weeks ago.

Olton was coming up strong in District 3-AA football, until the Ponies were defeated by Floydada Friday before last.

This Friday, Sudan will travel to Farwell with hopes of defeating the Steers and defending the 3-AA championship. Sudan and Farwell are both undefeated in district play and the winner goes into the playoffs.

Amherst will journey to Anton for a class B tilt. Both teams only have one victory in district play. Amherst lowered the boom on Meadow last

Friday night, 46-6, while Anton lost to Sundown, 55-7.

Springlake-Earth will play Kress at Kangaroo Stadium this Friday night. The Wolverines dumped Vega, 50-6, last week.

Bula will entertain Union this week in an 8-man clash. Bula is still searching for its first win this season.

Whitharral, another 8-man team will have an open date this week. The Panthers were to play Southland, but Southland forfeited the game.

They will play Three Way Friday week.

Olton finished its grid-season last week with a 6-0 victory over Friona.

SCHEDULE FOR WEEK:
 Sudan at Farwell, 7:30 p.m.
 Springlake-Earth at Kress, 7:30 p.m.
 Amherst at Anton, 7:30 p.m.
 Union at Bula, 7:30 p.m.
 Littlefield at Slaton, 7:30 p.m.

Football Fans Invited To Eat

Littlefield football fans have been invited to eat at a spaghetti supper in Slaton prior to the Littlefield-Slaton game Nov. 14.

The supper, sponsored by West Ward PTA, will be served from 5 to 7 p.m. in West Ward Elementary Cafeteria,

located at 615 W. Lubbock Street in Slaton. Tickets are \$1.25 for adults and 50 cents for children under 12.

Slaton for the menu are spaghetti with meat sauce, tossed salad, bread, drink and cake.

Bobby Clayton Is On Football Honor Roll

Amherst's Bobby Clayton is on this week's South Plains School Boy Honor Roll following the 47-6 thumping the Amherst Bulldogs gave the Meadow Broncos Friday night.

Clayton scrambled for 246 yards on 28 carries for a chunk of Amherst's 385 yards rushing against only 50 for the Broncos. Clayton scored four TDs on runs from three to 78 yards and was credited with 18 tackles.

This long-awaited first season win is no less sweet to the Amherst Bulldogs.

The entire Amherst defensive team drew praise from Coaches Lewis Sessums and Dean Elliott. Fine blocking by Larry Black, Larry Edwards and Kenneth Tomes allowed Clayton to score on opening plays. Blocking by Mickey Johnson, Aurelo Rivas and Jimmy Humphreys allowed scoring on a successive play.

Halfback Rickey Miller knocked down numerous Bronco passes and shut off several sweeps along with Clayton and Tony Jimenez.

ENMU Tickets Now On Sale

Eastern New Mexico University Greyhound basketball fans who held reserve season tickets last year in Greyhound Arena have until Nov. 14 to claim the same seats for the coming season, reports Loyd Waters, athletic business manager at Eastern.

Reserve seats will be sold for \$20 for the 12 home games featuring the 1969 NALA basketball champions. After the Nov. 14 cut off date, reserve seats will be sold on a first-come, first-serve basis, according to Waters.

Ticket requests and information should be directed to Loyd Waters, athletic business manager, Eastern New Mexico University, Portales, N. M. 88130. Telephone number is 562-2153.

Lumsden Crowned Band Sweetheart

At halftime during the Littlefield-Brownfield game, Miss Carolyn Lumsden, a 5'2" senior at LHS, was crowned Band Sweetheart of 1969-70.

In a mid-field ceremony, Miss Lumsden was crowned by band president, Steven Rountree, and presented with a bouquet of roses from vice-president Allen Hobratisch.

Escorted on to the field by Rountree and Hobratisch, the three candidates, Tonya Bingham, Kay Burk and Carolyn were presented to the crowd by Mr. Phil Anthony, band director.

When asked how she felt about being Sweetheart, Carolyn said it was one of the greatest thrills of her life, and she was elated to receive such an honor.

Carolyn is a member of FTA, FHA, the student council and is head majorette of the band this year.

A list of her favorites include Homemaking, the color green, fried chicken and the television program "Then Came Bronson."

CAROLYN LUMSDEN, newly elected band sweetheart, was crowned during half-time Friday night. Other nominees were Kay Burk and Tonya Bingham.

Student Council Wins SPASC Secretary Office

The Student Councils of Littlefield High School and Junior High School attended the South Plains Association of Student Councils (SPASC) convention Saturday, Nov. 8 in Denver, Colo., with approximately 250 persons attending.

Our council ran for the office of secretary of the district Lamesa High School gave a two minute speech nominating the LHS Student Council and enumerating their qualifications.

Then, Sudan High School seconded the nomination to put Littlefield officially in the race.

The convention started at 8:30 a.m. and lasted until 3:30 p.m. Saturday afternoon. The

theme used was, "Involved Youth—Tomorrow's Leaders." Rev. Frank Pollard of Denver, Colo. spoke at the first general session on "Involvement of Youth."

The campaign consisted of hot pink posters in the shape of a heart bearing various slogans such as "Littlefield has its heart set on Secretary, 69-70" and "Littlefield has a welcoming heart. Lfd for Secretary."

Hot pink construction paper was fashioned into about 300 name-tag hearts saying "Littlefield has its heart set on Secretary 69-70." These were passed out to all students from other schools attending the convention. Candy was also passed out to encourage votes.

The Student Council had two work shops to make posters and get ideas for the convention.

Members of the Student Council who organized the campaigns are Lynn Barton, Jan Christian, Martha Brown, Tonya Bingham, and Dianne Perkins.

A head discussion group was also organized. Members of this group were Nina Manley, Tonya Bingham, Lynn Barton and Kay Armistead. The purpose of this group was to determine "Student Council's role in developing good leadership."

Winning secretary brings the district convention to Littlefield next year.

Mr.-Miss DE, Sweetheart Elected

The members of the Distributive Education Club elected Cyd McKinnon as DE Sweetheart and Patti Foley as Mr. and Miss DE.

Cyd, who is a junior, is a member of the Wildcat Band and a cheerleader.

Randy, a senior, is a member of the varsity football team and Patti, a junior, is a member of the Wildcat Band and Business Club.

The club elected these students at the meeting, Nov. 4

in the Industrial Arts Room, with 14 members present. Randy Brestrup presided over the meeting.

It was decided that the DE bake sale, a money making project, would be moved to a different location due to possible cold weather. The new location is not yet definite.

The cloth calendars, to be sold by members, will probably be here by the end of the week. Anyone wishing to purchase a cloth calendar is asked to contact Mrs. Joycelyn Henry, DE sponsor, or any DE student.

PATTI FOLEY and Randy Mitchell, Mr. and Miss DE, and Cyd McKinnon, Sweetheart, proudly display the emblem of their club after being elected.

STUDENT COUNCIL delegates display their campaign slogans as they won the office of secretary for the district.

Kangaroo Court Brings Laughs To LHS

Due to lack of interest by the girls, the slave day activities, which were scheduled for Thursday, Nov. 6, were canceled last week. Instead, a Kangaroo court assembly was held.

The Kangaroo Court, a series of trials in which the verdict is always "guilty", was held in the auditorium. Since it was TWIRP Week, only girls were tried and comical punishments were given and carried out in front of the entire student body and faculty.

Members of the court cast were Steve Owens, who portrayed the part of the unreasonable judge, Mark Jordan and L.D. Holt, prosecuting attorneys; Nina Manley and Martha Brown, defense attorneys; and the jury which consisted of twelve one-track minded boys.

Eight cases were brought before the unscrupulous court. Persons tried were Junnie Gray, whose punishment was to push a peanut with her nose across the stage. She was charged for not having carried L.D. Holt's books or opening the doors for him during TWIRP week.

Tonya Bingham was tried for having cold hands and her punishment was to impersonate five farm animal sounds.

Miss Janice Kraushar was charged with making eyes at Coach John Goubeaud. Miss Kraushar had to shave a balloon.

Dianne Perkins was tried for telling nasty jokes and not understanding them. Dianne

denied this and called Jan Christian a witness. As a result of this, both Dianne and Jan were found guilty and punishments were assigned to both.

Carol Chisholm was charged for impersonating a girl. The basis for this is the fact that Carol wears her hair slightly shorter than most girls. Carol, along with Jan and Dianne

were told to act as the three monkeys who saw no evil, heard no evil, and spoke no evil.

Margaret Fain was tried for having worn an Aggie garter to school. This was thought as unpatriotic by the court, consequently she was found guilty. Margaret had to give a two minute speech praising our principal, Mr. Beryl Harris.

Mrs. Marti Toulmin was charged with impersonating a journalism teacher. She and Gary Garrison, her accuser, impersonated a cat and dog fight for their punishment.

Randy Parkman and Charlie Holt, were the policemen who brought the defendants in from the audience.

FHA Sells Cookbooks

The Future Homemakers of America met in the homemaking lab, Monday, Nov. 10, to kick off the selling of cookbooks called Favorite Recipes of Home Economics Teachers.

These cookbooks sell for \$3.50.

The girls will be selling these cook books until the end of the year. Anyone wishing to purchase one, please contact Mrs. Frances Jones, sponsor, or any FHA member.

The girls are also selling Watkins Vanilla at \$1.95 and Black Pepper at \$1.69. These sales are being held in order to fly two lucky girls to the state convention at Austin in April.

The girls decided to hold a short meeting after school on Nov. 24 to finish the yearbooks.

Mrs. Jones suggested Monday, Dec. 4, as a date for their annual Christmas party at her house. Everyone agreed unanimously.

Time Out For Sports

Friday night the Wildcats will travel to Slaton for the last game of the 1969 season. The Wildcats will meet the Tigers who have a well balanced team and a good record for the year to go along with it.

Last Friday the Wildcats got down to the nitty-gritty and pulled out a tough defensive battle against Brownfield, with a score of 7-0.

The defense was outstanding with the fine work of Larry Purdy, Jerrel Haberer, Monte Trotter and Randy Parkman. These five front players set the Cubs for a loss many times.

Danny Estrada and Randy Mitchell made key plays on defense.

The offense did a great job too. The offensive line held the Cubs and enabled quarterback Charlie Holt to hit 12 of 21 passes, one of which was to halfback Ralph Funk.

The pass, during the second quarter, was good for six points. It came about as the field goal unit faked a kick. Holt, who was holding, whiled around, completing the pass to Funk who went in for the TD. Alan Newton kicked for the seventh point.

This was the beginning as well as the end of the scoring for the night. From then on, it was a defensive battle.

The Littlefield Junior Varsity will battle the Slaton JV in Wildcat Stadium Thursday night.

The JV walloped Brownfield 20-2 Thursday night.

Scoring for Littlefield was Jay Trammell with a touchdown and also an extra point. Porfirio Cristian scored with a three-yard touchdown in the second period and Leroy Danford made the longest scoring play of the night with a 70-yard run in the last quarter.

Outstanding on defense were Matt Giles, Dennis Hartley, Mike Talburt and Leonard Huey.

NMSQT Given Juniors, Feb.

Mrs. Jo Ann Jordan, counselor of Littlefield High School, announced today that students who expect to complete their secondary school requirements and to enter college in 1971 can now register to participate in the 1970-71 National Merit Scholarship Program.

Taking the National Merit Scholarship Qualifying Test (NMSQT) is the first step for all students who wish to enter the nation-wide Merit Scholarship competition. This test will be given on Tuesday, Feb. 17, 1970.

NMSQT participants must pay a test fee of \$1.25. If an unusually promising student is unable to pay the fee, it will be paid by NMSC at the request of his principal.

Taking the NMSQT is a first step for students who wish to participate in other scholarship programs administered by the National Merit Scholarship Corporation. These programs include the National Achievement Scholarship Program for outstanding Negro students and Special Scholarship programs administered by NMSC for business and industrial firms.

When his NMSQT scores are reported, each participating student will receive a handbook to help him understand his scores and compare his test performance with that of other high school students across the country.

The handbook, which contains information about making college choices and financing a college education, is furnished as a part of reporting the students' test results. Other interpretive materials are sent to the school.

The highest-scoring students in each state will be named Merit Program Semifinalists

and will be eligible for Merit Scholarship consideration.

In addition to the National Merit Scholarships financed by NMSC, more than 400 business corporations, foundations, colleges, professional associations, unions, trusts, other organizations and

individuals offer scholarships through the Merit Program.

About 21,800 students won Merit Scholarships, 14 programs to approximately 3,123 winners of Merit Scholarships entered college this fall.

Wayland Hutto was chosen first out of about 50 first sopranos at All-Region Choir auditions Saturday, Nov. 8. This automatically put her in a position to try for the All-State Choir on Jan. 17 at Coronado.

There were 342 students from 21 area schools auditioning at Lubbock. Out of the 14 who went from LHS, five came back with recognition.

FTA Candle Sale Begins

The Future Teachers of America are selling candles to raise money for the use of chapter activities.

These candles are red, blue, green, and gold. They come in three different assortments. The regal and the cathedral sell for \$1.25.

The other candle, which is glittered and has flowers surrounding it, sells for \$1.50. Most of the candles have a scent of pine and bayberry.

Participating in the selling of these candles are 43 of the 47 members.

Mrs. Daphne Smith, advisor, states that there is great enthusiasm being shown by the members concerning the sale of these candles.

"Hippie" Explains Abuse Of Drugs To Students

Most of the students at LHS were just a little surprised at the beginning of an assembly held Monday morning, Nov. 10, when they were confronted with a long-haired, chanting "hippie".

He chanted a poem showing sarcasm of the hippie movement. The "hippie" was actually Paul J. Siebenmann, educational secretary of the Texas Alcohol Narcotics Education, Inc. (TANE).

After his skit, Mr. Siebenmann talked to the student body about the dangers of barbiturates, amphetamines, narcotics, alcohol, and LSD.

It is estimated that one half of the barbiturates and amphetamines manufactured legitimately finally reach the "black market" to be sold illegally. Laws have been passed demanding strict records be kept to restrict this abuse of drugs but the problem is still a major one.

Many people do not know that alcohol plus barbiturates can cause death. Concerning LSD, even many hippies are now afraid of it because of the affects it has on chromosomes.

Sometimes addiction is completely accidental, when one is given a prescription for sleeping and gets to where they do without them. Addiction is a physical need for the drug. An addict can't just think he needs them, could die without them.

Some addicts choose "the cure", a period which they go through. In this time, they have terrible convulsions, some may die.

There were samples of dangerous drugs on display for students to examine at the assembly.

A film on amphetamines and barbiturates followed Siebenmann's talk. It showed the painful results of addiction. The film included an interview with an 18-year-old boy who had been sentenced to death by electric chair for murdering a man. His advice to teen-agers was "Keep away from people that mess with drugs and dope and stay that."

SUGGESTED FOR IMMATURE AUDIENCES

Happiness Is... Going Steady!!!

Mary Shotwell

YOU MAY NOTICE that more people are steady this week than last week. You know why? 'Cause last week was TWIRP and the girls had the advantage over the boys. Golly, what can a girl ask him to be her steady? Oh well, boys, you're "stuck" now, so be the best of it!!!

UNDERSTAND that our Student Body had a groovy time in Denver City last Friday. But wasn't it rought when that 'ole Jerry went off at 5:00 a.m.??? WOW!!! Terry, you'd better get another clock!!! Or your date Friday night???

Copying a K. T. original: "Wooly-bully-bully-bully"!!!!

YOU EVER SEE so many pretty little girls as you did last Friday night? That was the "best-smelling" game ever!! Some of the girls that got bouillonieres from the gals were Craig, Monte, Darrell, Ben, Jay, Alan, Boone, Terry, Kenny, Lynn, Emmett, Jon, Chris, Michael, Dennis, Mike, Eddie, Glenn, Ronny, Kelly, Bruce, Dan, Roy, Ricky, Connie, John, Jim and not least, Hunchback!!! (Ain't that Terry B.?) Chisholms really made a profit on girls!!!

Dedicated to Mr. Dusek:

little chemist,
green little day,
some green little chemicals,
green little way,
green little grasses,

IS THE LAST football game the man will ever have in Littlefield Junior Touching, isn't it? 'Cause its over! Let's this one the best, in every way, okay??!

Beat those Tigers!!

past week the freshman football team past the Brownfield Cubs in a 6-0 victory. IT UP!!!!

the eighth grade teams took a hard loss to the Cubs. Final scores: A team-30-0; B team-8-6. That's okay. Just keep that fighting spirit high!!!!

seventh grade white team really did to the maroons with a 6-0 victory. This was last Monday.

the eighth grade teams travel to Slaton for their final game, also GOOD LUCK BWS...And bring home a victory!!!!

the night the frosh will "tickle the tigers" at Wildcat Stadium. The J. V. will play at the "mighty band" will be there, playing marching. Try to come and support us. It's moment for all us freshman, (Sob-Sob) we'll all be smiling, as we SLAUGHTER BWS!!

King Leon Hodge on football: "We are to win this game tonight, and we're going to right. This isn't any "SOUL TALK", just plain 'ole BLACK AND WHITE BWS!! He was right!! C'mon team! Let's BATTER and BEAT SLATON!!!!

ASH!!! Only 24 School Days till the end!!! YAAAAAAY!!!!

the PAST TUESDAY the F.H.A. had a "Swap-and-Trade" party. (Read next week!!!)

WANT TO HEAR a couple of dillies???

Dilly.

Phillis Booth Talks To Lions

Phillis Boothe, Anton representative to Lions International Convention in Japan last summer, showed colored slides to emphasize the personal side of her trip to Hawaii, Tokyo and Osaka, Japan. Phillis was with a group of more than 40 young Texans who spent seven weeks overseas as good will ambassadors.

HELP WANTED

If interested call George Davis at 385-4492 for an appointment.

Stays Fresh Longer

Spade PTA Has Meeting

Spade PTA met in regular session Thursday night, Nov. 6 in the school auditorium. PTA president, Mrs. Duane Gray, presided for the business session.

The Pledge of Allegiance was led by Mrs. Duane Gray. Gary Bizzell, Spade Agriculture teacher, presented the meditation.

A program in the form of a style show was presented by the Sophomore and Junior Home Economic classes. Using the theme "Styles Around The Clock," the girls modeled garments they have made this semester. The show was narrated by Mrs. Carlton Taylor, Spade home economics teacher.

In the business session, Mrs. Lucille Johnson gave a report on the fall workshop which was held in Petersburg Oct. 16. Mrs. Bill Ivins gave a report on the Bi-County PTA Council meeting which was held in Littlefield Nov. 4.

Refreshments were served by the Freshmen mothers.

STALK DESTRUCTION
Cotton stalks left standing after harvest and re-growth after shredding provide food for boll weevils and pink bollworms. All stalks should be shredded and along with regrowth cotton should be plowed under. This practice, when carried out on a community or countywide basis, will cut down on next year's cotton insect problems.

MR. BURCH came up with a brilliant idea. (Believe it or not). He suggested that we ask some people a question about a word they have never heard of. After they've answered, they can look the word up, and see what a fool they made of themselves. It's hard to explain, but it went like this: Six people were asked, "What would you do, if on a dark, lonely night, in a back alley, you met an honest-to-goodness jerkin?" A jerkin is really an article of clothing, but at the time, these people didn't know that. Here are their replies:

Pat Kirby: "Scream"!!!!
Stella Rodriguez: "Start whistling 'Dixie'!!!!"

Marvin Smith: "Turn around and run like mad"!!!!

Thriess Bingham: "I'd do the jerk with him! (he's a jerkin)"!!!!

Donna Bowman: "Turn and run—the other way"!!!!

Jeanie Reast: "I'd eat it"!!!!
Pretty cool, huh? They all thought it was a real wooly-buger!! Can you imagine, being afraid of clothes? Try it sometime, with just any 'ole word, and see the reaction you get!!!!

MRS. BADGER: Watch your tongue!! Things like that are not to be discussed, especially in an Honors English Class!!!

C.C., T. B., D. W.: Don't play with pay phones!! It could get you in trouble!!!

WHO'S AGNES?????

T. W.: Is it true blondes have more fun?

P. W.: What really happened at Denver City?

C. P. to S. H.: "I heard about our wedding!!"

S. G., T. P., D. S., K. T.: Stay off the football field!!!

C. A.: How's K. S.???

J. C.: On a diet??!

CELIA: You talk too much!! Right Mrs. B.??!

V. G.: "What's "Teen Town"?"

MRS. KEELING: To 2nd and 4th period classes: "You call those dresses?"
To 5th and 6th period classes: "You call those biscuits?"

BUY YOUR SWEETHEART (or mother) a pillow case for Christmas. Any FHA member will be more than glad to sell you one!!!

T. C.: What's my band grade? You ought to know!!!

NEXT WEEK is six-weeks-test time!!! START STUDYING!!! You'll flunk anyway!!!

D. S. & B. S.: Better keep an eye on Little Sis!! Especially when K. A. and V. R. are around!!!

WHO SAW J. B. and D. W. under the bleachers last Friday night? They said they were going to get a hotdog! We knew better!!!

ARE ALL YOU band members ready? Contest is only 6 days away!!!

HAVE A GOOD WEEK and..... BEAT SLATON!!!!!!

Direct Support Rate Set At 16.80 For '70 Cotton

Lamb County cotton producers will be able to count on a direct price-support rate of 16.80 cents per pound for their 1970 cotton crop, according to announcement coming from the Lamb County Agricultural Stabilization and Conservation Service office.

The new rate is more than two cents higher than the 14.73 cents direct support rate for the 1969 cotton crop now being planted.

The U. S. Department of Agriculture set the new price support loan and interest rates Oct. 31.

The national average price support loan for middling 1-inch cotton at average prices has been set at 20.25 cents per pound for the 1970 crop—same as for the 1969 crop.

Price-support loans available to farm cooperators for different quality grades will be based on the 1-inch rate—the same as has been applied to the 1969 crop.

The price-support payment rate of 16.80 cents per pound in 1970 is in addition to the price-support loan. It is amount necessary in addition to the price-support loan at least 65 percent of total farm allotment.

The increased direct payment rate of 16.80 cents per pound is expected to assist land owners and producers to make more definite

plans in regard to leasing or selling before planting season.

The 16.80 rate amounts to 10.92 cents per pound when figured on 65 percent of whole allotment when leasing or selling. So, according to some producers, the new leasing figure now may go higher.

Leasing costs dropped last year when the 14.73 rate figured at 9.57 cents on 65 percent of whole allotment.

Small farms with allotments of 10 acres or less with projected production of 3,600 pounds or less from the allotment can plant the entire farm allotment. In addition to the price-support payment on domestic allotment, these small farms can receive payment of 11.95 cents per pound on projected yield of 35 percent of the farm allotment. This was a new feature of the 1969 program and is carried over for 1970.

The new rate provides cotton producers basic information on next year's program prior to mail referendum, Dec. 1-5, which will determine if cotton marketing quotas apply to the 1970 crop as in previous years.

In the December referendum, at least two-thirds of upland cotton growers voting must approve marketing quotas before the essential features of the program can go into effect.

If more than one-third of the growers vote "no", the only cotton program will

be price support at 50 percent of parity for growers who do not exceed their acreage allotment.

The 1970 loan rate was established under legal provisions calling for a level which will reflect—for middling 1-inch upland cotton at average location in the United States—not in excess of 90 percent of the estimated average world price for the 1970-71 marketing year.

The new loan rate will continue "one-price" cotton, making it possible for U. S. cotton to move in either domestic or export channels without an export payment.

The carryover of upland cotton as of Aug. 1, 1970, is expected to fall to the lowest level since 1953.

In view of the small carryover, payments will not be offered in 1970 for diverting acreage from cotton. Diverting is out.

Previously revealed were upland cotton quotas, national and state acreage allotments, national and farm domestic allotments, national and state projected yields, skip-row planting provisions, the lease and sale of allotments, and the national export market acreage.

Payments under the program would be subject to any limitation that might be required by Congress in the Department of Agriculture appropriations.

In other words, Congress may tie some limitations to its appropriations.

Livestock Survey Set This Month

Approximately 40,000 Texas ranchers and farmers, including a representative number from Lamb County, will be involved in the 1969 state livestock survey.

County Agent Buddy Logsdon said that during the last half of November, survey questionnaires would be mailed to the selected livestock producers by the Texas Crop and Livestock Reporting Service. "Each should fill out the questionnaire as soon as possible and return it in the enclosed envelope," Logsdon emphasized.

"The reports will be used," explained the county agent, "by the state statistician in making an accurate estimate of the cattle, hogs and chickens on the farms and ranches of Texas."

"There are many uses, both in and out of Texas, for this information. We use it here in the county," Logsdon said, "in connection with our program building activities and in conducting educational programs involving livestock."

"The more questionnaires returned, the more accurate will be the estimates; therefore, it is important that each producer in Lamb County who receives a questionnaire, complete and return it immediately," Logsdon concluded.

Dividends Set

The Board of Directors of Pioneer Natural Gas Company, at their regular meeting in Amarillo, declared a quarterly dividend of 20 cents per share on the outstanding common stock, payable Dec. 2 to stockholders of record on Nov. 21.

Burton P. Smith, president, announced that in additional action the board ratified the consummation of the acquisition of TransState Tire Company. The acquisition of TransState was effective as of Oct. 31.

Shred Stalks To Control Southwestern Corn Borer

Corn has become an increasingly important cash crop on the Texas High Plains and with it has come a menacing insect, the southwestern corn borer.

"However, certain cultural practices this fall can be effective in reducing overwintering populations of this insect pest," points out Buddy Logsdon, Lamb County Agricultural Agent.

"Shredding stalks can destroy large numbers of the corn borers as they spend some time in the base of old stalks before moving down into the tap roots where they spend the winter. This, combined with a thorough job of plowing under refuse, can greatly reduce the number of overwintering larvae," says Logsdon.

Looking at next season, a combination of early planting and use of early maturing hybrids will aid in reducing damaging populations of the insect later in the year.

The southwestern corn borer begins damaging young corn plants in late spring by

feeding on the leaves. Later the insect bores into the stalk and begins tunneling up and down the pith. The action causes the stalk to weaken and lodge or fall, thereby inflicting substantial grain losses.

There are from one to three generations of the corn borer each year, explains the county agent. The adult female moth emerges from the pupal stage in mid-spring and lays from 300 to 400 eggs on the underside of corn leaves. The young larvae go through their destructive cycle in the following months and then overwinter in the full-grown larval stage.

Logsdon advises in-season control where the corn borer is present in damaging numbers. Timing of spray applications is critical since satisfactory control can only be obtained early in the season before the larvae bore into the stalk.

Additional information on controlling the southwestern corn borer can be obtained at the Lamb County extension office.
