Thieves at Horns LHS

Band instruments were from the Littlefield High Band Hall sometime night or early Wednesday morning, according to Chief F. A. Fitzgerald.

Subject or subjects broke out of a door and reached to unlock the door to gain entry.

Smith reported to someone had broken in the door on the east side of the building.

Two Cases

Charges of driving while intoxicated, a liquor law violation and a check law were among offenses of a number of persons over the weekend.

Burden, 49, of Hale was arrested by county officers Saturday for driving intoxicated. Burden was from the county jail after paying a \$142 fine.

Alfred Dendy, 41, of was picked up by officers Monday and with driving while intoxicated. Dendy paid a \$146.50 fine and was released.

Torres, 32, of St. Littlefield, was arrested for law violation Saturday. Torres was released Sunday on \$1,000 bond.

Joe Mario Salazar of was charged with theft. Salazar was set at \$160 plus jail.

Taylor of Anton was county authorities Saturday on a check law violation. Taylor's bond was set at \$100 and he was released Monday.

LITE A BIKE DAY in Littlefield will be Saturday and about 300 kits for bicycles are available. Youngsters are asked to bring bicycles to the Community Center at 10 a.m. so that reflective tape may be placed on them. City firemen and policemen will assist sponsors, the VFW and Ladies Auxiliary, in taping bicycles. Gerald Merrifield, 4½-year-old son of Mrs. Wayne Barrett, watches his grandmother, Mrs. Stella Pugh, demonstrate how the taping procedure will go.

Census Forms Go In Mail

Questionnaires for the 1970 Census of Population and Housing will be distributed by the Post Office beginning Saturday to all households in this area, according to George Thompson, official in charge of the Littlefield office.

Distribution of this form before the start of the house-to-house canvass gives the family a chance to assemble information about each member and about the house in advance of the census taker's visit.

The District Manager, R. L. Butler of Amarillo, urges all residents to fill out the forms and have them ready for the

TROY GARDNER, Littlefield letter carrier, takes a look at the stack of Census '70 forms he will deliver Saturday. Three large boxes and one smaller box of the forms are to be distributed through this office.

One-Fourth Is Raised

More than \$18,000 has been raised here in less than one week by those hoping to be included in the pilot hail suppression program.

This figure is more than one-fourth of the total amount of money Lamb County residents will have to collect to be included in the hail suppression program slated to begin here in May.

The largest of all crowds yet was present for the Monday night meeting of the Lamb County Weather Improvement Association. About 150 persons filled the district courtroom for the second weather improvement meeting.

H. L. Messamore, Association president, said committee chairmen are very pleased with the way people are helping with the hail suppression fund drive.

The association is in its second week of soliciting funds of 32 cents per acre from farmers and \$25 for town residents. Farmers who live in town are not being asked to pay again on their city property, Messamore said. Businessmen are helping pay for the program without any set amount asked, with each business owner paying at his own discretion.

Lamb County will be included in the cloud seeding of all threatening hail storms if county residents raise their share of the approximately \$127,500 to cover the program from planting time until harvest for the 1970 crop year.

TONIGHT AT COURTHOUSE

Citizens To Talk Streets

A huge town hall meeting is being planned for tonight to discuss repair and improvement of city streets, and all citizens who wish to make their wishes known on the subject are asked to be there.

The meeting is scheduled for 7 p.m. in the district courtroom of the county courthouse.

City officials, faced with deterioration of city streets following heavy rains and freezes this past fall and winter, will present possible solutions to the problem.

City Engineer Bill McMorries and City Financial Consultant Joe Smith will be on hand to explain what needs to be done and how it may be financed.

Two plans for completing street repairs have previously been discussed by the city council, and will be discussed in full detail at the meeting.

Mayor J. E. Chisholm estimates that the city has "completely lost" 20 or 30 blocks of streets in the past two years, despite putting "every available cent into street repairs."

Plan 1, described as the "maximum desired plan",

would cost about \$361,097, and would involve more double seal coating, less single seal coating and more hot mix overlay than Plan 11, or the "minimum plan", which would cost about \$269,764.

Costs quoted here do not include work the mayor said needs to be done at the airport. Approximately \$26,000 in work is needed out there, and citizens will be asked to express an opinion on whether they want to include this project in the same package, or eliminate it.

In addition to Plans 1 and 11, without the airport, an additional cost of \$18,000 to \$20,000 annually would be incurred on seal coating to keep streets in top shape. The city would seal coat one-fourth or one-fifth of the streets in the city each year and the city would be covered every four or five years.

"We want to get everyone out to the meeting, so we can discuss the situation and come to some decision," Mayor Chisholm said Tuesday afternoon.

Amherst Board Re-Votes, OK's Coaches' Contracts

Amherst school board members met in a called session Sunday night and renewed the contracts of coaches Lewis Sessums and Dean Elliott.

This action followed a previous special meeting on March 16 when board trustees voted four to two against renewing the contract of head coach Lewis Sessums.

In the same meeting, no action was taken on the contracts of assistant coach Elliott, nor on the contracts of Billy Pierce, social studies teacher, and W.

M. Byrd, science and chemistry teacher.

In the Sunday night session, renewal of the two coaches' contracts brought three to three decisions, and, in both cases, board president Sam Harmon cast the deciding vote.

After board action was taken last Monday, 50 Amherst High School students signed a petition asking Amherst trustees to reconsider the rehiring of the two coaches and to renew Pierce's contract.

"The board meeting was called to consider the petition," Superintendent Lamar Kelly said, "but action taken was not due to the petition."

Kelly said a board member had changed his mind and wanted to change his vote. "This was

the purpose of the called meeting," Kelly stated.

Board minutes in the school tax office show that in the Sunday, March 22, meeting, D. D. Yantis made a motion to rehire Sessums as head coach and math teacher at \$2,000 above the state salary. Winston Cummings seconded the motion. Three board members voted for and three voted against the move. The tie was broken in favor of renewing Sessums' contract by board president Harmon.

Leon Robinson made a motion to elect Dean Elliott as assistant coach at \$1,500 above state salary. Yantis seconded this motion. The vote was three for and three against, and Harmon again broke the tie.

Farm Bureau Awarded School Fire Insurance

Southern Farm Bureau currently has the school's insurance on buildings and contents, at the same total figure (\$1,813,300) of the new policy, which is effective April 12, 1970.

Three years ago, Farm Bureau was the low bidder with a net premium due of \$16,318 for the three-year period, and financing at 3 per cent.

80 per cent coinsurance on all eligible buildings, deviated 20 per cent from published rates, with a \$100 deductible applying to each building on each loss caused by hail or windstorm.

A third agency, Mangum-Hilburn, wrote that it was "unable to submit a proposal on the basis of the proposed values."

Agent Tom Hilburn, in a letter to the board, said "the proposed amount of insurance is grossly inadequate because the construction costs of public buildings have increased nearly 30 per cent during the past three years..."

The underwriting requirements of my companies will not permit the insuring of properties unless the amounts of insurance are equal to 80 per cent or more of the actual cash value or the replacement cost."

After consideration of the two bids and the letter from Mangum-Hilburn, the board voted unanimously to accept the bid of Southern Farm Bureau. Motion was by Jack Barton, with F. L. Newton seconding.

The three-year policy is for \$25.70 per year, and at no interest.

The other bidder, Keithley and Co., submitted a three-year premium price of \$21,675, with 40 per cent down, and interest on the remainder at 8 per cent.

A TELETYPE TRANSCIEVER was installed in the city police office Thursday afternoon and Florence Dunn, dispatcher, tries it out. A grant from the Texas Criminal Justice Council was awarded the city for financial assistance in installing and operating the communications system. Other dispatchers who will operate the machine are Jude Thornton, Ginger Rainbolt and Geneva Gonzales.

'We, Women' Plans Projects

Members of "We, The Women", a Chamber of Commerce affiliated, women's organization, met for its third monthly session this year Tuesday noon in the Willie Room of Lamb County Electric Co-op.

Reports on the windmill landscaping, cookbook promotion and the Phelps Avenue improvement were heard.

Diane Mitchell reported that yellow roses will soon be set out near Littlefield's "Tallest Windmill". Plans are in the making for pouring concrete benches to go on the site. Forms for the benches are available, and members were asked if they knew anyone who could do the work.

President Betty Smith recommended, "We need a big move on our cookbooks and other members suggested ways in selling the book. Eloise Cox suggested that the organization conduct another cook sale and have the books available at the sale. Janice Sebring suggested that a Mother's Day cook sale be conducted.

A definite decision on any of the suggestions was not made, but members will think about it awhile.

Betty Smith reported that Mayor Chisholm and City Manager Jim Sherer suggested that "We, The Women" wait on a decision to improve South Phelps Avenue, until citizens decide on the bond issue for city street improvements.

Eloise Cox and Joella Lovorn were appointed to represent "We, The Women" at the town hall meeting Thursday night to discuss the city street paving situation.

A "special drawing" was conducted by President Smith. She gave blank papers to each member and asked them to draw a picture of the project each felt the organization needs to work on this year. All of the sketches were placed in a bag

COOL OUT M. FRIDAY

Vacation will be the scheduled until the school in May.

Sudan Residents Elected To Association Membership

The board of governors of the International Platform Association has revealed the election to its membership of Mr. and Mrs. Randall E. Scott of Sudan. Mr. and Mrs. Scott were chosen because of their interest in history and research. The International Platform Association, with offices in Cleveland Heights, Ohio, was founded by Daniel Webster in 1831 as the American Lyceum Association, and is a non-partisan organization of distinguished and dedicated persons from 27 nations. Both Mr. and Mrs. Scott are members of the Lamb County Historical Survey Committee and were chairmen for the 1969 Historical Appreciation week in Sudan when they assisted with programs on local history at the schools, and spoke to civic organizations on the importance of establishing a County museum. Scott assisted his wife, Evelyn Parrott Scott, with the photography and research for the

three history books she has published, including "A History of Lamb County". He has his own darkroom and did the developing as well as the photographing of historical spots in the county, one being the ruins of the old Comanchero Trading Post north of Sudan. Both are listed in "Personalities of the South." Both are members of the Texas State Historical Foundation. Mrs. Scott is a member of the National Genealogical Society and was the instigator of the movement of a Lamb County Museum fund, having made the first contribution to the Lamb County Historical Survey Committee. She assisted with the organizing of the Llano Estacado Genealogical Society and is a director. They have two children, Mrs. Charles Heffington of Littlefield, and Randy of the home.

Allen Williams Has Been Named 'Distinguished'

Lon Allen Williams of Littlefield has been named a Distinguished Student at Texas A&M University.

The undergraduate honor is awarded students who have excelled academically at A&M. Recipients must earn at least a 3.25 grade point ratio (out of a possible 4.0) during the grade period.

In addition to a 3.25 or higher GPA, a student qualifying for Distinguished Student honors must have been enrolled in a minimum of 12 hours during the summer sessions and have no grade lower than a "C".

Distinguished Student ranking is limited to 10 per cent of A&M's undergraduate enrollment.

Williams, a freshman pre-veterinary medicine major, is the son of Dr. and Mrs. Aaron J. Williams, 101 E. 20th St.

Dr. B. I. Klein Is Re-Elected To Membership

Dr. Barney I. Klein, Jr., Littlefield has been re-elected to active membership in the American Academy of General Practice, the national association of family doctors.

Re-election signifies that the physician has successfully completed 150 hours of accredited postgraduate medical study in the last three years.

Members become eligible for re-election at the end of the third year following their election to membership.

The Academy, the country's second largest national medical association, is the only national medical group that requires members to keep up with medical progress through continuing education.

The Academy, founded in 1947 and headquartered in Kansas City, Mo., has been instrumental in the establishment of a new primary medical specialty in family practice.

The new specialty is expected to increase the numbers of family physicians available to serve the public in the future.

The Academy's postgraduate education program is the foundation of eligibility for family doctors now in practice who apply for certification in the new specialty.

Turkey For Easter? Choose A Big One

If you choose turkey for Easter, here's a reminder--buy a large enough bird to provide left-overs.

Mrs. Lady Clare Phillips, Lamb County Home Demonstration Agent, says you can save time, energy and fuel by allowing 1 1/2 pounds of turkey per serving.

This provides generous servings and enough left for immediate uses or freezing.

Most turkeys on the market today are frozen but defrosting the bird need no longer present a problem.

Research studies now provide a basis for more convenient methods of thawing fresh-frozen birds.

The method you choose depends on the size and when you wish to cook your turkey:

1. Cook it day after tomorrow--leave in original wrap and place on tray or drip pan and thaw in refrigerator. It will take from 1 to 3 days.

2. Cook it later today--leave in original wrapper. Thaw in cold running water or water that's changed frequently. Thawing time--3 to 7 hours. Cook or refrigerate immediately.

3. Cook it tomorrow--leave in original wrap. Place frozen turkey in brown paper bag and close ends or wrap in 2 or 3 layers of newspaper--thaw at room temperature. Thawing time: under 12 pounds--10 to 18 hours; over 12 pounds--18 to 30 hours. Check often during last hours of thawing. Cook or refrigerate immediately.

LOTS OF PEOPLE According to a 1962 census the Principality of Monaco is the most densely populated territory in the world--37,687 people per square mile.

HEART DOLLARS Since 1949 more than 160 million Heart Fund dollars have been channeled into medical research aimed at the conquest of the heart and blood vessel diseases.

Texas Lutheran Convention Set

Pastoral and lay representatives from 275 Texas Lutheran congregations will meet in Houston's Rice Hotel March 30-April 2 for the 43rd Convention of The Lutheran Church-Missouri Synod's Texas District.

Six hundred are expected to attend. The four-day Convention will act on a proposal to join the Texas jurisdictions of two other Lutheran bodies, The American Lutheran Church and the Lutheran Church in America, in forming a "Lutheran Social Service of Texas" as a common agency for operating homes for the aged, caring for unwed mothers, placing children for adoption and providing Lutheran chaplains for hospitals.

Dr. William H. Kohn of St. Louis, Executive Secretary of the Lutheran Church-Missouri Synod's Board of Missions, will deliver a three-part convention essay titled: "The Word in Mission Till the End." International "Lutheran Hour" speaker, Dr. Oswald C. J. Hoffmann, will preach at the climactic, closing service of the Convention.

The Convention will elect a president, four vice presidents, a Board of Directors, and a number of other boards for four-year terms.

EASTER EGGS

Appearance, the shell color and the size are what counts in selecting eggs for Easter coloring. Brown shelled eggs color equally as well as white shelled eggs. Brown shells give bright, vivid colors; white shells are best for pastels.

Wright Drug Fills All Prescriptions

Wright Drug is headquarters for this area's prescriptions and miscellaneous needs.

Fred E. Wright, owner and operator of Wright Prescription Drug, has been dispensing prescriptions in the 300 block of Phelps Avenue for 31 years.

Emphasis at Wright Drug is on the prescription department where any and all doctors' prescriptions can be filled exactly as ordered.

A large supply of patent medicines and first aid supplies are also carried at Wright Prescription Drug.

Mr. Wright came to Texas in 1938 from Oklahoma where he earned his B. S. degree from the University of Oklahoma at Norman.

For the first few years Wright lived in Littlefield, he was pharmacist for W. H. Madden.

Early in 1944, Wright bought in with Mr. Madden as a partner, and the

drugstore was called Madden-Wright Drug until 1960 when Mr. Wright bought out Mrs. Madden's interest.

Four complete lines of cosmetics are carried at this conveniently located store: (1) Allecram cosmetics, for those with sensitive skin and allergies; (2) Coty creams and cosmetics are staples at Wright's; (3) Wright Drug has a franchise on Dorothy Perkins products; (4) Clairol cosmetics and a complete line of Clairol hair care products are also carried at Wright's.

Other staple sundries at Wright Prescription Drug includes a large selection of birthday and greeting cards, both modern and contemporary. A good selection of magazines and paperback books can be found here, too.

Cigars, cigarettes, and candy are offered in a good selection, too. Wright has a franchise in Littlefield on King's Candies.

Need Help With Your Tax Return?

Need help with your income tax return?

If the answer is yes and you seek professional help, be sure to select only qualified and reputable advisors, the Internal Revenue Service said today.

A taxpayer can have someone else prepare a return, but it is the taxpayer who is responsible for the accuracy of the data entered and for the full payment of any additional tax, penalties, and interest charged, advises IRS District Director Ellis Campbell, Jr.

While most tax practitioners are competent and honest, Campbell alerted taxpayers to these potential danger signals: Never sign a blank return; Do not sign a tax return prepared in pencil, it can be changed later;

Avoid the advisor who "guarantees" refunds, wants a percentage of the refund, or supposedly knows all the angles; and

Be on your guard if it is suggested that your refund check be mailed to the advisor.

Outstanding Athletes Honored At Banquet

Saturday night, March 21, at the All-School Athletic Banquet held in the Junior High Cafeteria, certain athletes were honored.

The Most Valuable Football Player Award, the Junior Varsity Basketball Most Valuable Player Award, the Fighting Heart Award in basketball and the Most Valuable Basketball Player Award were the awards given.

For the first time in LHS history, there was a tie for the Most Valuable Football Player Award. This honor was awarded to Eddie Hickman and Steve Owens. Steve Owens was also recognized for having made

the West Texas Academic Team. Steve was picked on a basis of outstanding ability and his high scholastic average. He has an average of 96.

Ralph Funk was the recipient of the JV Most Valuable Basketball Player award. Kim Hill was given the Fighting Heart Award and Charles Carter was awarded the Most Valuable Varsity Basketball Award.

These boys were chosen by their teammates.

Also recognized at the banquet were the track team, which has brought home two first place trophies, the tennis team and the girls' volleyball

team, which has lost only five games this year and won first at the West Texas State Tournament and second at the South Plains tournament.

The banquet was kicked off with the meal, which included chicken casserole, salad, rolls, peach delight and tea. After the meal, the athletes were honored, and to close the banquet, entertainment was presented by the "Henchmen". Among the songs sang were "Cherish", "Don't It Make You Want To Go Home," "More", and "Hair".

MANY PEOPLE, such as Randy Parkman, Junnie Gray and Mark Jordan, experienced a feeling of excitement at the All-School Banquet. After being served "Seagull Supreme", the banquet continued with the announcing of the awards.

Cooks, Custodians Keep LHS Going

There are certain people in high school from whom we do not hear much. And, even though we hardly notice that they are there, without them we would not have a school. We could call them the "Labor Administration of LHS" for they are the cooks and custodians. The cooks give us food to eat and the custodians give us a clean, functioning school to attend.

When we hear of custodians, we automatically think of men who clean. But, believe me, that is not all they do! The cleaning part of the duties of the custodian is what is understood to be done, but all the plumbing and fixing comes with it.

You could call an LHS custodian a "handy man" because he does everything from fixing, to taking students home when they get sick. Some of their duties include fixing locks, desks, door checks, electric work and putting in lights.

Also, who do you think has to be there to open and close and gym or school when meetings are to be held--you guessed it--the custodians. They regularly open the school at five o'clock in the morning and usually leave at six o'clock in the afternoon.

The job of a custodian is a very difficult one. LHS custodians, Mr. A. L. Massey, Mr. Emilio Abeyta and Mr. Bera Hodge, work year 'round and get two weeks off during the summer months.

Mr. Massey has been with the Littlefield Public Schools for 23 years, and Mr. Abeyta has been working here for six years. Mr. Hodge, who has been working for the Littlefield Public Schools for four years, does all the yardwork. John Fuentes, an LHS sophomore, helps the custodians after school.

During the summer, their task is to prepare the school for student attendance in the fall. They must clean, mop, scrub, wax, and seal ALL the

MRS. JUDE MOORE and Mrs. Mary Foley, LHS cooks, have fun preparing their favorite meal, fried chicken.

Choirs Rate At Contest

The Littlefield Girls' Choir and A Cappella Choir traveled to Wayland Baptist College in Plainview early Wednesday morning, March 18.

The Girls' Choir sang, "O Taste and See" by Williams, "Now I Lay Me Down To Sleep" and "Rosemary (II A Sad Song)" both by Thompson, in concert judging and received a III rating on the performance.

They made a III rating on sightreading, also.

The A Cappella sang, "FaUna Conzone" by Vecchi, "Sweet Day" by Williams and "From Sea to Shining Sea" by Ward-Whitney, as their concert numbers and received a III rating.

The sightreading judge gave A Cappella a II rating. With a II rating the choir received a certificate of honors.

English III Adopts New Southwestern Literature

For the first time in LHS history, the English III classes are going to study Southwestern literature. The literature covers the Southwestern part of the United States.

Mrs. Daphne Smith, English III teacher, stated, "Tech is going to set up a museum over Southwestern literature. In years to come, I will take classes on field trips to Tech to view the museum."

The classes are now reading books concerning Southwestern

literature. Some of the books being read are "The Cowboy," "Sam Houston", "Chisholm Trail", and "George W. Littlefield". The English III students have been giving oral reports all week on these books.

Annual Sends 106 Pages

The Wildcat Annual Staff met their first deadline March 25. One hundred and six pages were sent to Taylor Publishing Company.

Football, basketball, junior sophomore class pages, organizations, student life, title page, dedication and ad pages were all sent for the annual.

The next deadline will be May 6, when half of the remaining pages will be sent to the publishing company. The rest and final pages will be sent June 5.

Annual sales will begin in about a week. The editor and assistant editor, Donarex Bowen and Jan Christian, urge all students to purchase their annuals during the two week annual sale.

The annuals may not be sold at the annual party sometime in August.

***THE WAY IT IS

Easter is a spiritual holiday. It is based on the Christian belief that Jesus Christ was crucified, rose from the dead and still lives today.

To those of us who believe in the Resurrection, death is not the end, but the beginning. After death, our spirit is reborn and renewed.

Just as Christ was crucified and resurrected nearly two thousand years ago, so are we today.

We as humans crucify and are crucified. The evil in us crucifies the Christ in us, but always there is a resurrection and good conquers.

Ask yourself four questions. How much light comes from darkness? How much good comes from evil? How much beauty comes from ugliness? How much life comes from death?

Our human experiences are filled with paradoxes. One of which is that beauty blooms in the shadow of ugliness. From the agony of war comes some of the most beautiful acts of love and sacrifice.

The Easter season also brings an example of a paradox. Christ, the compassionate friend of everyone, God's only begotten son, died in an ugly, brutal crucifixion. But God brought beauty to this. He was revealed to man and love was fulfilled.

FHA Holds Bake Sale

The Future Homemakers of America are having a bake sale Saturday, March 28.

The sale will be held all morning long at Pat's Record Center.

Cakes, pies, brownies and cookies will be on sale.

Everyone is invited to come out and help support the FHA girls.

The profit will be used to send the state delegates to state convention in Austin, April 23-25.

LHS Speaks Out

QUESTION: "Do you think that Laos will become another Vietnam?"

Mary Jane Sanchez (Sr.): I don't know too much about Laos, but it could become another Vietnam if the situation does not calm down.

Rita Munger (Sr.): I am not sure, but if things go on as they are now, it may very well happen.

Happiness Is... Spring!!!

SUGGESTED FOR IMMATURE AUDIENCES

Q: How do you keep a herd of elephants from charging?
A: Take away their credit cards.

Q: All extremely bright men are conceited.
A: Oh, come now. That isn't true, I'm not.

Q: What song do cats like the best?
A: "Three Blind Mice"

Q: F. H. A. had its monthly meeting last Tuesday. After discussing the sale of numerous items, the girls had a panel discussion on "Dating". They closed with refreshments.

Q: Will you pass the nuts?
A: Dusek: Yes, I suppose I will, but I really should flunk them.

Q: I'm going to sneeze!
A: At who?
A: At-choo!

Q: Can you stand on your head?
A: No, it's too high.

Q: When they pulled the absent-minded professor, half drowned, from the lake, he sputtered, "How exasperating! I've just remembered that I can swim!"

Q: Name two pronouns.
A: Who, Me??

Q: I often pause and wonder at fate's peculiar ways. For nearly all our famous men were born on holidays.

Q: My daughter has arranged a little piece for the piano.
A: Not-so-fond neighbor: Good! It's about time we had a little peace.

Q: What's the difference between a lemon and a head of cabbage?
A: I don't know.
A: Boy, you'd be a fine one to send after lemons.

Q: What happens to a ball player when his eyesight begins to fail?
A: Cotter: They make an umpire out of him.

Q: Ugh! What's worse than finding a worm when you bite into an apple?
A: Finding half a worm.

Q: Student who is half an hour late: "You should have been here at eight-thirty."
A: "Why? What happened?"

Q: We want to congratulate Stella Rodriguez. Her paper on "Why I've got a lot to live" was chosen to represent Littlefield in area competition. Her composition could go on to win state and national and lots of money!!! Honorable mention were Donald Britt, Shelly Grant, Carol Sanders, and Mary Showell. Congratulations, all of you!!!
