## Festivities Days Planning Underway

PER STICKERS advertising the Third Annual Lamb County Festivities Days are now being distributed through the Littlefield Chamber of Commerce office. Chamber Secretary Susanne Hunsinger places one of the new red and black stickers on her car.

Plans for the Third Annual Lamb County Festivities Days are well under way, and the program is shaping up.

All organizations throughout the county have been invited to contact the Littlefield Chamber of Commerce if they wish to participate in any way on the program.

Scheduling for the two-day event—Aug. 27 and 28—is not complete and other items of interest are welcome.

Representatives from all organizations throughout the county are also invited to enter the contest in distributing tickets for the prizes to be awarded during a drawing Saturday, Aug. 28.

The tickets are now available in the Littlefield Chamber of Commerce office at City Hall, and may be picked up there.

Items to be given away include a 1971 gold-colored Plymouth Cricket from Garland Motor Company; a blue 1971 Indian motorcycle from the Cycle Shop; and a 1971 18" Sylvania colored portable television set from Ken's TV and Appliance.

The top three clubs or organizations which handle the most tickets will receive cash prizes of \$75, \$50 and \$25.

Theme for the Festivities Days Parade this year is "The Greatest Show On Earth", and entries are open in the float, antique car, horses, steam engine, or other categories.

Organizations or individuals who are interested in entering the parade are asked to contact Buck Ross, parade chairman, or call Bill Payne in the Chamber of Commerce office.

Cash prizes of \$75, \$50 and \$25 are being offered to the three best floats in the parade, and trophies and certificates will be awarded to winners of other phases of the parade.

The parade will assemble on Phelps Avenue, south of the Lamb County Courthouse by 2:30 p.m. Saturday, Aug. 28, and the parade will begin promptly at 3 p.m.

Entries are also being sought for the

Fiddlers' Contest, to be held sometime during Festivities Days.

Cash prizes of \$50, \$37.50 and \$25 will be awarded to those judged the three best fiddlers.

Those who wish to enter are invited to contact Buck Ross or the Chamber of Commerce office, 385-4451.

## Showers Give Thirsty Land Wanted Drink

The kind of moisture farmers dream about this time of year started falling early Tuesday morning, and the light drizzles continued until afternoon.

An average of .6 fell in the Littlefield area, but rains of more than 1.5 were recorded over parts of the county.

Some farmers in the Earth area had measured 1.7 inches by Tuesday noon and most producers north of the sandhills shut their irrigation wells down Tuesday noon.

The Olton area reported rains of 1 inch or more and Royce McFadden said Wednesday morning that the fields in the Olton area were too wet to work in following the showers.

Most of the Spade area got showers of an inch or better. Ray Smith north of Spade reported an inch Tuesday morning, and Ed Mitchell, north of Spade, had an inch by Tuesday noon.

Unfortunately the showers were lightest in the dryland areas. Crops are still needing more rain in the Bula and Pep areas, where only light showers were reported, and the Beck Gin area, another dry spot, received only 5 or less.

## 'TEXAS' Trip Set Aug. 6

A chartered bus tour to Palo Duro Canyon is being worked up by the Littlefield Chamber of Commerce, and anyone who is interested in seeing a presentation of 'TEXAS' is urged to contact the C-C office.

The tour, scheduled to depart from the east side of City Hall at 4:30 p.m. Friday, Aug. 6, will cost individuals \$10. This will cover the costs of the bus fare, reserved seat tickets at the showing, and the barbecue meal before the show begins.

According to Bill Payne, Chamber manager, tickets are going fast and others who wish to go are asked to make reservations early.

## Cry 'Bingo' And Collect \$50 Prize

The second group of newspaper bingo numbers for the first game appear in today's issue of the Leader-News.

The first game is being played on blue bingo cards, and the first group of bingo bug numbers appeared in sponsoring merchants' ads Sunday.

Check out both issues and mark every number on your bingo card that matches a bingo bug in an advertisement.

Completed cards, with all numbers matched and marked, must be turned in to the Leader-News office by Tuesday, July 27, at 5 p.m.

A new game will begin Sunday on orange cards, with another \$50 prize offered.

If there is more than one winner this week, the \$50 will be divided, and if there are no winners, the \$50 will be added to next week's prize.

You can play as many cards as you wish and you may make as many visits to any one store as you desire. The bingo cards are given to adults on the basis of one per visit to the participating store.

Check both issues of this week's Leader-News—you may have a winner!

RAINS WEREN'T exactly "load floaters" Tuesday, but the .6 moisture in Littlefield was enough to bring out a few frogs. Tag Price, the four-year-old son of Mr. and Mrs. Forrest Price, gives a captured toad a close inspection.

## Commissioners Vote 'Aye' On Housing Authority

A resolution declaring a need for a housing authority to be created in Lamb County and adjacent counties was filed in the county clerk's office Tuesday morning.

The resolution was passed in a regular session of the Lamb County commissioners' court last Monday following an earlier public hearing.

In other action, the court considered seven other items of business during the regular meeting and passed on five other county matters in two other called sessions last week.

During the regular session the court:

1. Approved payment of precinct and county wide bills.
2. Approved the quarterly treasurer's report.
3. Approved monthly and departmental reports.
4. Approved the transfer of \$20,000 from the general fund to the officers' salary fund.
5. Approved the bond of J. P. Gressett as public weigher for justice precinct 3.
6. Approved a notice to bidders for the purchase of a front end loader for precinct 4.

7. Approved the notice to bidders for a used motor grader for precinct 3.

In the called session Tuesday morning, commissioners approved the renewal of a two-year contract between Lamb County and Latham-Stults-Rash and Company, the firm that equalizes taxes on oil and mineral rights, and approved payment of \$4,547.95 to the company for 1971.

The court was adjourned and the commissioners continued in session as a board of equalization and set taxes for the county for 1971. Changes in taxes were upped \$1,000 on Wallace Theatres, and the L. Peyton Reese renditions were upped from \$11,000 to \$13,500.

Commissioners met again Friday and accepted Travelers Insurance Company's Hartford Connecticut policy for Lamb County employees, effective August 1, with the county paying two-thirds and county employees paying one-third of the premium.

An increase of \$50 per month was granted to Mrs. Ina Mae McQuatters, effective August 1, for work involving the county insurance.

## Officials Investigate Burglaries

Cases of burglary have been reported to city police and sheriff's offices during the weekend, when the subjects broke a window glass

in the door and pried the lock off the outside of the door.

Taken was \$350 worth of equipment, including a black Craig tape recorder, valued at \$92; four Zenith clock radios, valued at \$100; one Zenith eight-transistor pocket radio in a box, valued at \$6; one Zenith radio, valued at \$35; one nine-transistor portable radio in brown case, valued at \$39.85; one nine-transistor portable radio valued at \$30; one used white Zenith radio, valued at \$5; one used Channel Master radio, valued at \$5; one portable RCA television set which belonged to a customer; one white portable Truetone television set, belonging to a customer; two UHF converters, valued at \$30; and one eight-track Artisan player, valued at \$42.50.

An attempted burglary occurred at John Richey's service station sometime during the weekend. The subject or subjects attempted to enter the building by breaking the window to the garage door at the rear of the building.

Ralph Roberts at the Gulf Station on the Highway 84 and FM 54 intersection at the

by-pass reported that entry was gained to their building sometime late Sunday night or early Monday morning.

A glass in the back door was broken with a piece of 2x4 plank, and the subject reached inside and opened the door.

Taken were a chinaware coffee pot, valued at \$5; an RCA record player, valued at \$20; and a guitar with leather case, valued at \$25.

One case of vandalism was reported by a citizen at the Littlefield Community Center. Six window screens on the north side of the Community Center were cut in an arc sometime Saturday or Sunday.

Police jailed one male Monday and charged him with minor consumption and resisting arrest. He is still in the city jail and is being held for the sheriff's office.

Two other males were jailed at the same time, but their cases have been tried and they were released.

They were charged respectively with consumption, excessive speed and resisting arrest; and drinking.

## Officers Check Left, Jail Five

County sheriff's officers investigated one theft and jailed five persons

Ray Guess, 18, Hart, was charged with burglary and passing Wednesday and was set at \$1,500.

Edward Posando, 25, Earth, paid a \$25 fine for destruction of private property.

Alarcon, 20, of Amherst, was charged with possession of stolen property and \$50.

A juvenile and a young man were charged with profane and abusive language and disturbance and abusive language.

The juvenile was released to his parents and the adult was fined \$25.

McCurry reported the theft of a number of assorted tools off his combine tractors at his shop on a farm six miles north of Littlefield.

## Horse Vaccine Administered This Week

Charles G. Nace, Littlefield veterinarian, will be vaccinating throughout the area the rest of the week, and his schedule has been released.

He will immunize horses at the Venezuelan Equine Encephalitis at Morton. He will be there the entire day there.

He will be at the Spade County fair from 10 a.m. to 1 p.m., and will move from there to the Show Barn in Littlefield until

Friday, he will visit Maple, and Pep. He will be at Pep from 10 a.m. to 7 p.m.

He will be in Anton Sunday from 10 a.m. to 7 p.m.

Vaccine is being distributed through the area and veterinarians in the area are being paid by the USDA.

RAY LYNN BRITT, Lamb County district clerk, gives the new jury wheel a spin. Selection of juries by mechanical means is mandatory in this county following recent state legislation. The names of the more than 7,000 registered voters in this county will go into the drum, including 18, 19 and 20-year-olds. Under the new law, the only exemptions for jury duty will be persons over 65 and females who have legal custody of children under 10 years of age. S. D. Pugh of Amherst constructed the jury wheel.

DAY CAMPERS who are participating in the Community Day Camp this week, are taught various types of skills and handcraft during the sessions. Mozelle Tapley, leader of the Camp Arrowhead division of the camp, prepares to make a sign to identify the group, as members look on. Rain drove the campers inside, but camping went on as planned.

**PEP NEWS**

MR. AND MRS. E. V. Meyer and Mr. and Mrs. Paul Meyer and daughters of Levelland visited in the home of Mr. and Mrs. Conrad Demel recently.

MRS. E. J. Meyer of Buffalo, and Mrs. Conrad Demel and girls, Roxanna and Elizabeth visited in the home of Mr. and Mrs. E. V. Meyer Sunday.

Stick candy was the first confection made in the United States.

**Activities**  
 FRIDAY, JULY 23  
 THE LITTLEFIELD BOWLING Association will have a board of directors meeting at 8 p.m. in the bowling alley of Littlefield.

**Miss Wright Is Honored**

AMHERST-- Miss Jan Wright, bride-elect of David Heim was honored with a miscellaneous shower in the home of Mrs. Dean Tressie Carpenter.

The refreshment table was laid with a sheer white cloth over pink. An arrangement of pink peonies, white lovebirds, roses and lily-of-the-valley, six white candles and greenery centered the table. Carolyn Byrum, Ralynn Mills and Linda Edwards served iced fruit punch and white cake squares with pink trim.

The many gifts on display included a set of club aluminum in green, and an electric can opener from the hostesses Mmes. Tressie Carpenter, Winnie McClelland, Mary Edwards, Mary Campbell, Golda Roberts, Oleta Norwood, Lanore Rose, Melva Dean Mote, Avis Schroeder, Dorothea Nichols, Willie Bolton, Clota Templeton, Anna Blanchard, Thelma Love, Bertha Black, Ola Dunn, Rita Wagner, Allie Taylor, Rita Long, Alice Mills, Helen Mixon, Ladune Yantis, Doris Stone, Evalon Franks, Carolyn Harmon, LaVell Hardwick, Buelah B. Humphreys, Linda Hensley, Polly Greener, and Faye Sawyer.

The Wright-Heim wedding is to be held August 6, at 2:30 p.m. in the Rocky Ford Baptist Church.

By GAYLE MILLS  
 LEADER-NEWS SOCIETY EDITOR

**HAVE YOU EVER** had a mysterious phone call? Back in October of 1970 I went out shopping for an hour or so, left my teenage daughter in charge. While I was gone a woman phoned for me.

Knowing better, my teenager failed to take down her name and phone number. But she did remember the woman wanted a recipe for sweet potato pie.

Well, I ran one in the paper for the "unknown" woman. Recently I happened to run into an acquaintance that I hadn't seen since my husband and I were fishing at Falcon Lake about three years ago. And guess what, we got to chatting and she identified herself as the woman who phoned my house asking for the sweet potato pie. She was Mrs. Wayne Cowen.

Anyway Mrs. Cowen asked me if I would mind giving her the recipe for my mother's "Pumpkin Cake", and "Frosting", which I ran in the Leader-News back in December of 1970.

She stated "I made the cake for Wayne and myself, and we sure did enjoy it, but somehow the recipe got misplaced, and I would like to have the recipe again."

I'm prejudiced, naturally, but it is a delicious cake, and quite moist. Good anytime of the year, too.

Mother made the cake while she was down here last Christmas and I brought some for the girls here at the office. They all enjoyed it too.

"Hats off to you" Mrs. Cowen for identifying yourself, and I do

**Trudie Grizzle On 'A' List**

Trudanella Grizzle, daughter of Mr. and Mrs. L.G. Grizzle of Littlefield, was named to the all "A" list at Texas Woman's University in Denton.

Trudanella, a senior music major, achieved the high scholastic average during the spring semester at the University, according to Dr. Leslie R. Kreps, vice president for academic affairs.

Students earning a 3.0 average are included on the all "A" list. Those earning 2.3 or better are on the Special Honor Roll.

**DEAFNESS**  
 Temporary deafness can be caused by exposure of even a short duration to a noise level between 100 and 125 decibels. The figure signifies imperative need for meaningful noise pollution control mechanisms.

**RON MAHAFFEY**, counselor for the pioneering badge, instructs Littlefield Scouts of Troop 600 building of a monkey bridge at Camp Tres Ritos. Yohner is Scoutmaster for the troop.

**Boy Scout Troop 600 Attends Camp Tres Ritos**

Boy Scout Troop 600, sponsored by the First Baptist Church of Littlefield, attended Camp Tres Ritos July 11 through July 17.

The camp area, located in the Carson National Forest, is maintained by the South Plains Boy Scout Council, which provides instructors in scoutcraft skills, along with a mountain man program where the Scouts have the opportunity to backpack in the Pecos wilderness.

A new ecology program was begun this year, when the Scouts learned about man and nature relationships.

Scouts attending summer camp this year were Greg Bruton, Timmy Cannon, Wayne Carlisle, Tony Cowan, Mark Culp, Jordan Giles, Bruce Harlan, Paul Harlan, Quinn LeBoeuf, Tommy Malone, Chuck Robinson, Jack Speck, Rudolph Smith, Mike Williams and Paul Williams.

Boys who completed merit badge work are: Bruce Harlan and Paul Harlan, camping, cooking, conservation of natural resources and pioneering; Greg Bruton and Tommy Malone, camping, cooking and pioneering; Quinn LeBoeuf, camping cooking, and pioneering; Tommy Malone and Paul Williams, camping and cooking; and Chuck Robinson, pioneering.

Four Scouts, Jordan Giles, Tommy Malone, Mike Williams and Paul Williams, completed a 28-mile hike to Jicerita Mountain, where nature-related merit badge work was studied.

Completing a night hike for the camping merit badge were Greg Bruton, Bruce Harlan, Paul Harlan, Quinn LeBoeuf, Tommy Malone and Paul Williams.

Friday night, the Order of the Arrow conducted a tap-out

Courts have decide that meteorites belong to the owners of the land on which they are found.

MRS. J. B. McSHAN 385-4337

Mr. and Mrs. A. B. Hilbun left last Friday to spend a few days at their summer home in Ruidoso.

Mr. and Mrs. Mancil Hall spent Thursday night in Amarillo visiting friends.

Mr. and Mrs. Leon Wilson and children, Charles, Kim and Robert Matt spent the weekend with his grandmother, Mrs. A. F. Wilson. They are from Cabot, Ark. Saturday night they had a family get-together at the home of Mr. and Mrs. Dub Berries.

Mr. and Mrs. W. R. Kimbrough have recently returned from a month tour of the country. In Canada they visited Waterton, Banff and Jasper National Parks; the Glacier Park in Montana; and Black Hills in South Dakota. In Chappell, Neb. they were guests of Mr. and Mrs. Bart Armstrong.

Mr. and Mrs. Jack Christian left Friday for Abilene to spend the weekend with her mother, Mrs. W. A. Wofford.

Mrs. Bonnie Pressley and her sister-in-law, Mrs. Hallye Christian of Lubbock returned Thursday from a 6000 mile tour of the country. They went up the coast of California into Oregon, Washington and visited Lake Louise in Canada. Then through South Dakota and Colorado. In San Siemon, Calif. they went through Randolph Hurst' palace. They attended the Passion Play in Spearfish, S. D. and went through a gold mine in Lee, S. D. They also spent a few days in El Paso with her son, Perry Allen Pressley and family.

Mr. and Mrs. J. D. Fraley, Mr. and Mrs. Larry Fraley and their grandson, Bryan from Riverside, Calif. visited his

sister, Mr. and Mrs. H. P. Elliott.

Mr. and Mrs. Bill Lyman of Hereford spent the weekend with his parents, Mr. and Mrs. Ben Lyman.

Mr. and Mrs. George Kirk of Amarillo, former Littlefield residents, were in town visiting friends over the weekend.

Mr. and Mrs. Jim Traughott and daughter of Arizona, formerly of Littlefield, was in town visiting friends the past weekend.

Miss Shannon Traughott and her grandmother, Mrs. Stephens of Slaton visited in Littlefield Saturday. Shannon was honored with a gift tea Saturday afternoon in the home of Mrs. Donald Brestrup. Shannon is the daughter of Mr.

and Mrs. Jim Traughott. She and Mike Grissom will be married next month.

Rev. and Mrs. Waynad Stephens of Long Island, N. Y. were in town over the weekend to attend the gift tea for their niece, Miss Shannon Traughott. Waynad is the brother of Mrs. Jim Traughott and Mrs. George Kirk.

Mr. and Mrs. Charles Barrett left Tuesday for Oklahoma City, where they will leave there by plane with other Anthony Store managers for a 10 day expense paid vacation in Jamaica.

A number from this area attended a Hukill family reunion last weekend at Cleburne. Among those from Littlefield attending were Mr. and Mrs. Paul Carmichael, Thelma Hukill, and Iva Canada, also Mr. and Mrs. Gene Pratt.

HARRAL RESIDENTS took a look at the new gold-colored Plymouth Cricket will be awarded to the lucky ticket holder during a drawing here Aug. 28. The car was displayed in that community during their Band Boosters Mexican supper last night.

## 'Wildcat' Staffer Slates Workshop

High school newspaper and yearbook staffers learn quickly about deadlines, and they'll be learning how to meet them during the 14th Annual Summer High School Publications Workshop to be conducted on campus at Texas Tech University July 25-30.

Mary Elizabeth Shotwell, second-year "Wildcat" staff member, will be attending the workshop, which annually attracts several hundred student journalists to Tech, and features intensive training in three sections for yearbook, newspaper and photography.

Workshop director Ralph L. Sellmeyer, professor of journalism at Tech, said advance registration for participation in the photography section has already filled it to capacity due to limitations of space and equipment, but he emphasized that enrollment is continuing full speed ahead for students who can benefit greatly from training offered in the sections devoted to yearbook and newspaper.

"Today's society is making greater than ever demands on its newspapers and all other forms of print media," said Sellmeyer, "and the journalist—whether a New York Times reporter or a member of a high school newspaper or yearbook staff—is faced with greater than

## Bankers Attend Dallas School

Doyle Patton Jr., vice president and cashier of Security State Bank of Littlefield, and Kenneth L. Burgess, vice president of the Olton State Bank, are among 407 Texas bankers who are attending the 14th Session of the Southwestern Graduate School of Banking in Dallas this summer.

Nearly 650 students are expected to attend the school July 25 through Aug. 6, at Southern Methodist University.

Patton is included in the Intermediate Class XII Credit majors, and Burgess is in the Freshmen Class XIV Credit majors.

To qualify for graduation, a student must attend three resident sessions, and in addition, complete extension problems and write a thesis. The case method, as well as lectures, is used during the summer sessions.

George Washington's second inaugural address of 134 words was the shortest in the history of America.

## Shower Honors Miss Traugott

A bridal shower honored Shannon Traugott, bride-elect of Mike Grissom Saturday afternoon, July 17, in the home of Mrs. Donald Brestrup.

The table was decorated with the brides chosen colors of yellow and green.

Hostess gift was an electric skillet and a fondue set. Hostesses were Mmes. Clayton Cowan, Eldon Hill, Tommy Brawley, Marsene Holt, Alvis Jones, Bobby Short, Paul I. Jones, Jimmy Jones, Tom Hilbun, Allen Purdy, Don Brestrup, and Ethel McBride.

**JANICE OLDHAM** of Littlefield is spending the summer vacation months on the counselor staff at Kickapoo Kamp for girls, in the Texas hill country near Kerrville. Janice is horseback riding counselor at the camp this summer.

**TEMPORARY LOSS**  
The operation of a power lawn mower requires certain precautionary measures, including protection for the operator's hearing mechanism. Many power mowers generate sound levels exceeding 105 decibels, which is intense enough that it could cause temporary deafness. As a safeguard, power lawn mower operators should use properly fitted ear plugs when operating mowers that generate high sound levels.

## Stop Mosquitoes!

### STOP VEE

The role of the mosquito in spreading disease has been dramatically emphasized by the recent movement of Venezuelan Equine Encephalitis in Texas. In just a short time, the disease has crossed the Rio Grande into Texas and resulted in a statewide alert. While its primary victim is horses, VEE can affect humans with a flu-like illness, says the Texas State Department of Health.

Villain in the spread of VEE is the mosquito. If a mosquito bites an infected animal, it can spread the disease by biting another horse—or a human. All mosquitoes should be looked on as possible spreaders—vectors—of VEE, however, a mosquito must have bitten an infected animal or human before it can spread the disease. Even if it isn't carrying some disease, a mosquito still is a pest to be eliminated.

With mosquitoes as the target in controlling VEE, you can do a lot to help yourself.

The simplest and most effective method of cutting down or controlling the mosquito

population is to eliminate the breeding places.

Mosquitoes cannot hatch unless they are in water, so all standing water around your premises should be eliminated. Water can be caught in discarded bicycle and automobile tires, tin cans or old jars, in birdbaths, unused fishponds, shrubbery or a flat roof. Eliminate these water traps, being careful to check behind shrubbery.

Septic tanks, cisterns and tubs provide excellent breeding places unless they are tightly covered. Recent rains may have left stagnant ponds where mosquitoes can breed. If there is standing water on your premises, spraying it with an insecticide or a small quantity of kerosene will kill the larvae—sometimes called wigglers. To check for larvae, dip up a cupful—preferable with a white cup—weekly and look for the larvae.

Residual spraying of human habitations, screening sleeping and living quarters (or use of mosquito netting), will help control mosquito bites.

If you are in the open, especially at dusk, dawn or during the nighttime, use a repellent to lessen the risks of mosquito bites.

A vaccine has been released through the United States Department of Agriculture for horses, and aerial spraying has taken place in South Texas. Halting the movement of horses, mules and donkeys from the affected areas will further limit the spread of the disease. By containing the disease in small areas, or pockets, more effective control measures can be employed in a shorter length of time.

But, says the State Health Department, an individual can play an important part in this activity by practicing good vector control in his own environment.

Persons with further questions on vector control may contact their local health departments.

TUESDAY MORNING showers brought natural go-togethers like little boys, puddles of water and handfulls of frogs. Larry Sides, the 12-year-old grandson of Mrs. Ernest Sell, found frog catching easy around Laguna Park Tuesday, and releases a handful of the little toads at the corner of the Community Building.

### PAUL HARVEY

## Spaceman's View

ORBITING SPACEMEN looking down saw, then photographed, the dirtiest dirt on planet earth. Guess where?

Gemini 12 astronauts, orbiting planet earth at an altitude of 170 miles, saw a white line across the western United States. It was a white line long enough and wide enough to hide 10,000 square miles.

They photographed it. The photograph, studied later, showed that this line began on the Navajo Indian Reservation near Mesa Verde National Park where the corners of Arizona, New Mexico, Colorado and Utah converge.

IT TURNED OUT to be smoke from a coal-burning power plant. One power plant which every day belches into the sky more particulate matter than New York City and Los Angeles combined!

This damning evidence was photographed by the Gemini 12 mission in 1966. In the years since not only has that dirty chimney continued to make a sewer of your sky but now four more similar power plants are being built in that area!

YOU AND I have been hearing some backlash from the ecological crusade. The next president of the American Chemical Society is pleading for patience. Dr. Max Tishler says the violent public outcry on pollution issues has shocked some government regulatory agencies into drastic and unwise action.

Yet government, itself, continues to be a prime polluter.

THE COAL-FIRED smokestack I'm talking about in the Four-Corners area is part of a federally approved electric power project.

And the additional four plants under construction plus a fifth which is con-

templated, will vomit 200 tons of fly ash, 1,365 tons of sulphur oxides and 1,000 tons of nitrogen oxides every day.

THE EFFECT on the fragile desert ecology is already apparent and the smog potential is greater than the National Environmental Police Act allows.

Arguing for the project are 20 southwestern utilities insisting there is no other source for 36 million kilowatts of electricity urgently to be needed by the expanding cities of Phoenix, Tucson, Las Vegas, San Diego, Los Angeles.

YET THESE AREAS have available proved reserves of underground steam heat adequate to generate more than enough electricity without pollution, yet these geothermal power sources remain largely undeveloped while industry, with government sanction, continues to despoil more land with strip mines to get more coal to create more pollution.

A coalition of environmental organizations and Indians from the immediately affected reservation are protesting. The Native American Rights Fund, Environmental Defense Fund, National Wildlife Federation and such have asked Interior Secretary Rogers Morton to hold off until we know the "whole price" we are paying for this increasing electricity.

THE SENATE INTERIOR and Insular Affairs Committee is holding hearings, considering alternatives.

That committee could hold up a "stop sign" which would require the development of geothermal power and accelerate research into solar energy sources—almost limitless—almost unexplored.

## THE ABUNDANT LIFE

### Good Days

By BOB WEAR

OUR DAYS CAN BE good days if we are willing for them to be, and do not adopt unreasonable expectations for ourselves. Of course, the Pollyanna attitude is not justified.

It is not honest, because it is not true to life. It is an irrepresible optimism, and the tendency to find good in everything. Even so, this is better than the life filled with daily pessimism and gloom.

WE MUST NOT make too much of our problems and difficulties. It seems that many people expect their days to be problem-free, but this is too much to expect.

These people do not understand that the living experience is made up of trying to solve problems, and working to overcome difficulties. These, however, must not be permitted to fill our life with bad days.

WE HAVE NO RIGHT to expect everything to work out exactly the way we think it should. There must be some disappointments, and some reverses, and some losses, and some sorrow, and even some despair.

These are real, but they are never the whole of one's life unless they are made to be so. We must not do this.

These things cannot keep our days from being good days unless we permit them to crowd out, or over-shadow everything else.

SOME PEOPLE insist upon making their days bad ones.

Some make no effort to control themselves; they make no efforts to meet their obligations; they have no sense of gratitude for any of their blessings; they do nothing to help others; and they have no feelings of appreciation for anything or anybody.

A DAY IS NEITHER good nor bad, but it is what we make it. "I am more and more convinced that our happiness or unhappiness depends far more on the way we meet the events of life than on the nature of those events themselves."—Humbolt.

We can learn to make our days good days.

ONE ESSENTIAL to good days is usefulness, and all of us can find something useful to do. If we want to be useful, we will be useful.

Of course, if we expect or demand that our actions be accompanied with glory and honor we have ruined our chances for seeing good days. Let us be useful in every way we can, because a day of useful living is never a bad day.

WE MUST DO our best. Even if our best is never anything really outstanding, it will still serve the purpose of building a life of good days.

This action will give us the wholesome satisfaction and the sense of well-being so much a part of profitable living.

WE CAN LOVE LIFE and see good days. This opportunity is open to all.

## Representative Clayton Attending Conference

State Representative Bill Clayton of Springlake is one of ten House members accompanying Texas House Speaker Gus Mutscher this week in Tulsa for the 25th annual meeting of the Southern Conference of the Council of State Governments.

The Texas delegates are participating in the meeting, which began Tuesday, with legislative leaders from 15 southern states.

Mutscher, a member of the Southern Conference Executive Committee, selected Representative Clayton as a delegate saying, "he has exemplified the attributes of conscientious legislative service and has a solid background in several areas of vital legislative concern."

## 7 Civil Suits On Docket Call

One civil case was settled by the jury, two civil cases were settled out of court, two were passed and two scheduled civil cases waived trial by jury and were to be heard by the district judge in jury settings that began here Monday.

At presstime Wednesday, the jury was still debating the suit brought by Terry Chisholm, et al. versus Robert E. Moore and the Borden Company for collision and property damage.

A jury was picked Monday and evidence was heard in the case of Israel Zamora, et al. versus Danny O'Hair, collision and personal injuries, but the case was settled out of court when the jury returned Tuesday for deliberation.

Topics scheduled for discussion during the conference include federal-state revenue sharing, methods of improving the legislative process, the future of public education, environmental protection, court reform, drug abuse, and mass transportation.

Mutscher said the meeting will help prepare the Texas delegates for "their roles as leaders during future legislative sessions."

Representative Clayton is serving his fifth term as a member of the Texas House. During the 62nd Session, Clayton was chairman of the Counties Committee and vice chairman of the Banks and Banking Committee.

## Police Check Two Wrecks

City police investigated a one-vehicle wreck on West Delano Tuesday morning. A 1970 Chevrolet truck tractor, driven by Ricky Lynn Tomison of Paducah, was traveling west on Delano, when the truck hit a puddle of water. He lost control of the vehicle and struck two utility poles, belonging to Southwestern Public Service Company, which were located about 60 feet apart.

The poles were valued at \$400.

Friday night, police investigated a two-car accident on East Sixth Street.

A 1968 Ford Galaxie, driven by Dennis Deion Walker of Littlefield, was going east in the 600 block of East Sixth and struck the left rear of a 1965 Ford Mustang. The Mustang, owned by Atliano Castillo of Littlefield, was parked on the south side of the road, facing east in the parking area of the street.

# OBITUARIES

### MRS. J.D. BUCHANAN

Funeral services for Mrs. J. D. Buchanan, 81, member of a pioneer Plainview family who died Tuesday morning in a Plainview hospital where she had been a patient more than eight weeks, will be conducted this morning at 11 a.m. in the Grace Presbyterian Church in Plainview.

She was the mother of Mrs. W. O. Willingham of Sudan.

Rev. Frederick Kierekoper, pastor of the Grace Presbyterian Church, will officiate, and burial will be in the Plainview Cemetery with Wood-Dunning Funeral Home in charge.

Mrs. Buchanan was born Sept. 6, 1889 in Paducah, Kan. and moved to Plainview with her parents when she was 1 1/2 years old. The George M. Schick family lived in a dugout on their place nine miles southeast of Plainview in the Bellview community.

Mrs. Buchanan had taught school classes in the Liberty, Hooper and Bellview schools.

Surviving are her husband; a son, Ray F. Buchanan of Plainview; another daughter, Mrs. William Gardner of Shreveport, La.; a sister, Mrs. Carl Sissel of Dumas; a brother, George M. Schick Jr. of Plainview; five grandchildren; and two great-grandchildren.

### ROY M. JENNINGS

SPRINGLAKE—Roy M. Jennings, 51, of Grand Prairie, died Friday, July 16, in a Grand Prairie hospital.

He was son of Rev. and Mrs. Ernest Jennings, pastor of the Cumberland Presbyterian Church in Olton.

Funeral services were conducted Monday afternoon in the First Presbyterian Church of Grand Prairie, with Rev. David Hubler officiating. Burial was in Southland Memorial Park with Southland Funeral Home in charge of arrangements.

Jennings attended Olton public schools and was a veteran of World War II. He had lived in Grand Prairie 26 years.

He was a cousin of Rev. Al Jennings, pastor of the First United Methodist Church of Olton, and of J. R. Jennings of Olton.

Other survivors are his wife; three sons, Jerry Jennings, Randy Jennings and Ronnie Jennings, all of Grand Prairie; two daughters, Mrs. Janeen Galloway and Mrs. Linda Langston, both of Grand Prairie; another brother, Homer Jennings of Detroit, Mich.; and three grandchildren.

### ROY BLANK

Funeral services for Roy Blank, 76, father of Mrs. Alvin Webb of Littlefield, will be at 2 p.m. today at Bunceon, Mo.

Blank died about midnight Monday in Bunceon.

Other survivors besides Mrs. Webb are his wife; another daughter, Mrs. C. M. Stuetz of Decatur, Ill.; two sons, Harold Blank and John Blank, both of Lubbock; six grandchildren and four great-grandchildren.

## Credit Rating List Not Necessarily 'Black'

Jerry Burke has 25,000 persons on his credit rating list at the Retail Merchants Association (RMA) here in Littlefield.

And contrary to what most people think, there is more good news in his records than there are black marks. "The big problem is that everyone thinks that credit records are a black list," Burke said. "But the thing about it is that the biggest majority of the files are good."

Almost every credit application ends up in this office. This is where oil companies, chain stores, and big and little firms get their information when anyone buys cars, furniture, appliances, or credit cards, clothing purchased at local department stores, or revolving credit plans.

"Some people try to use credit to increase their pay checks," Burke said. "And they can't do it. But they can buy something and be using it while they pay for it at the same time."

Good and bad credit doesn't know any age limits, according to Burke and his wife, Beverly. "Some very young people have good credit ratings and some older ones have bad credit records," Mrs. Burke said.

The Burkes maintain one file for abnormal inquiries. "Something's wrong when you get three or four inquiries in a month," Burke said. That something is probably too much credit, a common occurrence with some.

## Police Check Two Wrecks

City police investigated a one-vehicle wreck on West Delano Tuesday morning.

A 1970 Chevrolet truck tractor, driven by Ricky Lynn Tomison of Paducah, was traveling west on Delano, when the truck hit a puddle of water. He lost control of the vehicle and struck two utility poles, belonging to Southwestern Public Service Company, which were located about 60 feet apart.

The poles were valued at \$400.

Friday night, police investigated a two-car accident on East Sixth Street.

A 1968 Ford Galaxie, driven by Dennis Deion Walker of Littlefield, was going east in the 600 block of East Sixth and struck the left rear of a 1965 Ford Mustang. The Mustang, owned by Atliano Castillo of Littlefield, was parked on the south side of the road, facing east in the parking area of the street.

### MR. AND MRS. GLENN COUSAR

Services for Mr. and Mrs. Glenn Couzar, 35 and 37 respectively, of Amarillo were struck and killed by lightning Tuesday afternoon as they took shelter under a tree about 12 miles southeast of Amarillo, N. M., will be at 2 p.m. today at the Ladisau-Evans Funeral Home in Enid, Okla.

Glenn Couzar was vice president of Littlefield-based ElectricCar Co. and was frequently in Littlefield taking business for the firm.

Officiating will be Rev. Charles pastor of the Davis Park Christian Church with burial in the Memorial Cemetery in Enid.

Two others, Windon Campbell and Quaine Palmer, 13, also of Amarillo, were killed at the same time. All were on motorcycles and dune buggies, and shelter under the tree during a downpour of rain.

The four that were killed were on the ground under the tree. The others were injured while sitting in a buggy. Seven others were not injured.

The Couzars had lived in Amarillo for past 11 years. They were school graduates in Enid, Okla., and graduated from school in Tulsa.

Employees of the Bureau of Helium Division and the Shamrock Corp. have established a fund for the two surviving Couzar daughters, the First National Bank in Amarillo.

### I. E. 'BUCK' HULSEY

SPRINGLAKE—Last rites are being held today (Thursday) in Monteca, Calif. E. 'Buck' Hulsey, 65, who died Sunday evening following an attack of a heart attack.

Hulsey was son of Mr. and Mrs. Hulsey of Olton, and had lived in Olton in the Olton area.

He was born July 21, 1906 at Delano had served in the Army 20 years employed by the city of Monteca several years.

Surviving are his wife; two sons, Hulsey of Monteca and Grant Hulsey of Stockton, Calif.; his parents, brothers, Tommy Hulsey of California and Dale Glenn Hulsey of Fort Worth, Hulsey of Tide Water, Ore., and Hulsey of Robstown; five sisters, Fred Gordon and Mrs. A. Smith, Olton, Mrs. Nell Stephens of Amarillo, Mrs. Allie Douglas of Rockwall, and Inez Gordon of Lubbock.

## Retail Luncheon Informs Merchants

Few persons know that IBM computer printed cards on payments are sent to the local agencies regularly. When accounts past due, the RMA is a collector, too.

Anytime an account is placed in collection, this goes into the computer file. Burke collects accounts on a mission. "I try to collect accounts on a basis that if I help a person clear his record, I help him," Burke said. "A collection record goes into a credit file that stays there seven years. Burke pays person that way, and points out without good credit, a little bit might be refused admission to a business."

At the present time, the Littlefield has about 300 individual accounts about 10 local merchants and some town bureaus.

"If all merchants would report their accounts, people would be more informed when they know this information used against them," Burke said.

## Police Check Two Wrecks

City police investigated a one-vehicle wreck on West Delano Tuesday morning. A 1970 Chevrolet truck tractor, driven by Ricky Lynn Tomison of Paducah, was traveling west on Delano, when the truck hit a puddle of water. He lost control of the vehicle and struck two utility poles, belonging to Southwestern Public Service Company, which were located about 60 feet apart.

The poles were valued at \$400.

Friday night, police investigated a two-car accident on East Sixth Street.

A 1968 Ford Galaxie, driven by Dennis Deion Walker of Littlefield, was going east in the 600 block of East Sixth and struck the left rear of a 1965 Ford Mustang. The Mustang, owned by Atliano Castillo of Littlefield, was parked on the south side of the road, facing east in the parking area of the street.

He outlined strict procedures for out information on credit rating public records. He noted also that person who knowingly and willfully obtains information on a consumer credit bureau under false pretenses can be fined up to \$5,000 or imprisoned one year, or both.

**Drug Seminar Set For Area**  
 The most up-to-date information on drugs of abuse and the status of the many drug abuse programs and efforts now underway in Texas will be available to all health professionals and community officials in the 15 counties in the South Plains area in August.  
 The Texas State Department of Health will conduct a two-day seminar on "Drug Abuse-Its Community Health Implications" on Aug. 24-25, at the Biology Auditorium in the Texas Tech University campus in Lubbock.  
 All physicians, pharmacists, nurses, public health personnel, and voluntary health agency personnel are urged to attend the seminar.  
 In addition, city councilmen and mayors, county commissioners and judges, management personnel from the mass media, and others who are concerned with the problems of drug misuse and abuse are urged to attend.  
 No charge will be made for any of the sessions.  
 The seminar will focus on four key areas of concern: (1) the development of a total community effort against drug abuse; (2) the role of law enforcement and how the community can help; (3) the development of an adequate drug education and community information campaigns on drugs; and (4) drug regulation, and the role of the pharmacist, physician, nurse, and other health professionals.  
 Current research, community action, and the health aspects of drug misuse and abuse will be highlighted during the day and a half seminar.  
 Health professionals and community officials from the following counties are urged to attend: Bailey, Cochran, Crosby, Dickens, Floyd, Garza, Hockley, King, Lamb, Lubbock, Lynn, Motley, Terry, and Yoakum.  
 Application to attend the seminar can be made to the Division of Public Health Education, Texas State Department of Health, 1100 West 49th, Austin, Texas 78756.

**New Recruit Assigned**  
 TSgt James Neal has been assigned to duty as Force Recruiter and is responsible for the County Area.  
 Sgt. Neal will visit Littlefield the second and fourth of each month and will be contacted at the VA Office courthouse from 1 p.m. to 5 p.m.  
 Sgt. Neal added that he is unable to meet with his days indicated are to visit him in Lubbock, Tex. of the New Federal Bldg. 1206 Texas, or call him for an appointment.

## Authority On Writing To Conduct Workshop

Mrs. Jean Z. Owen will conduct a three-day writers' workshop Aug. 11-13 in the Flame Room of the First National Bank-Pioneer Building, 1500 Broadway in Lubbock.

The South Plains Writers Association will sponsor the course, which will offer duplicate instructions in morning classes from 9:30-12 noon and from 7-9:30 p.m.

A widely-published author, Mrs. Owen lives in Carmichael, Calif. a suburb of Sacramento, and has taught creative writing courses in Sacramento Junior College and American River College.

Much in demand as a teacher, lecturer, and panelist, Mrs. Owen has conducted numerous workshops for writers and is the author of "Fiction Writing For Today," which will be released later this year, published by The Writer, Inc.

Mrs. Owen has published other books: "The Medical Receptionist", "Widows Can Be Happy", and "It's More Fun To Be Thin", which was syndicated through King Features, Sunday magazine supplements, a chapter per week.

In addition, Mrs. Owen authored six magazine-length novels which were printed in Redbook, Good Housekeeping, American, and The Toronto Star Weekly.

One of Mrs. Owen's works was released as a motion picture titled "According To Mrs. Hoyle", and two of her plays appeared on television's Philco Playhouse and Studio One.

The writer's real name is Mrs. Earl J. Giovannoni, but over 200 short stories and articles have appeared under the pseudonym, Jean Z. Owen. Equally proficient in fiction and non-fiction, Mrs. Owen has published many self-help articles, interview profiles, and informative articles in such

periodicals as Reader's Digest, Redbook, McCall's, Ladies' Home Journal, Parents Magazine, Writer's Digest, The Writer, Writer's Yearbook, Family Circle, Today's Health, Woman's Life, Medical Economics, and many others. Reprint sales of her writings have gone to more than 80 countries.

In the three-day course, Mrs. Owen will teach both fiction and non-fiction. Fee for the three classes is \$25. Conferences with Mrs. Owen are available and should be arranged as soon as possible in order that writers may complete individual forms requested by her.

Pre-registrations for the workshop may be made by contacting Miss Arline Harris, 1724 13th St., telephone 763-7575, or Etta Lynch, 5101 41st St., telephone 799-4850.

## Sunnydale HDC Has Meeting

The Sunnydale Home Demonstration Club met in the home of Mrs. C. F. Bryce, Thursday, July 15.

The meeting was called to order by Louise Bryce with six members present. Lorene Perkins gave the devotion.

Roll call was answered with "the best way of scolding your child."

Lorene Perkins and Ina Aldridge presented a program on "Growing and Use of Herbs and Spices."

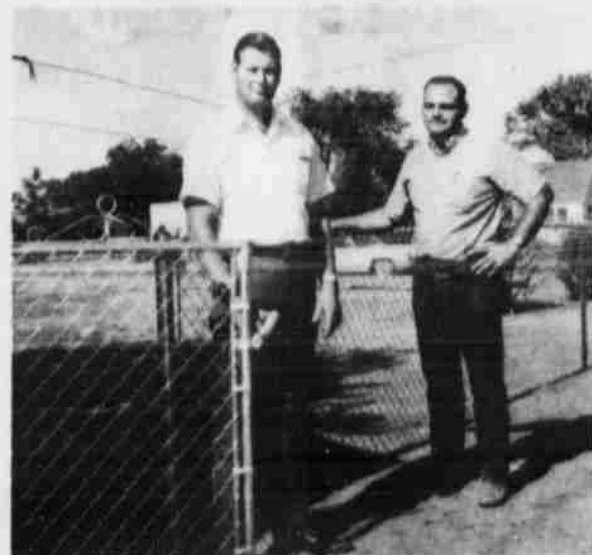

There will be no regular meeting in August.

A family gathering will be held at the home of Ina Aldridge, August 6, at 8 p.m. Ice cream and cake will be served.

All Home Demonstration members and their families are invited to attend.

# AMHERST

MRS. LESTER LA GRANGE

246-3336

MRS. CLYDE BROWNLOW entertained with a "get-acquainted" coffee Friday morning honoring Mrs. James Lindsey and Mrs. Darrell Berryhill, wives of the technicians at the local hospital. Katie Sue Hufstetler and Mary Lois Campbell served an assortment of fruit, nut breads slices, with coffee and fruit juice from a pottery service. An arrangement of summer garden flowers decorated the serving table.

MR. AND MRS. Harvey Patterson and family were given a house warming, at their new brick home Saturday night. The home is east of Amherst in the Rocky Ford community. The large hostess group presented a framed picture, and other gifts were received. The hostesses served punch, coffee and cookies. Mrs. Patterson's sisters, Pat Coffee of Dallas and Nelyod Thays of Powell, Wyo. and families were there with their parents, Mr. and Mrs. David Harmon.

GUESTS OF Mrs. Willie Crain were her brother, Mr. and Mrs. Casey Moore for the weekend.

MR. AND MRS. Bill Workman spent several days with her sister, Mr. and Mrs. Otis Jones who have a mobile home at Lake Brownwood.

MRS. CHARLSIE WEBB and Mr. and Mrs. George White of Ackerly visited relatives during the weekend.

BILLY GENE and Jemma Blessing of Lubbock spent last week with their grandparents, Mr. and Mrs. Ray Blessing. Jedd and Jean came for them Sunday and were here for the day.

MR. AND MRS. Fred Hamm of Hart visited their daughters, Mrs. W. P. Holland Jr. and Mrs. Gerald Coffey and families Thursday.

MRS. EARL SANDS and Carrie returned home early last week after a visit with her parents, Mr. and Mrs. V. A. Hinds. They are from Prague, Okla. Mr. and Mrs. Hinds and granddaughter, Charlotte took them home.

REV. AND MRS. George Butler, Debbie Holland, Verena Stagner and Kyla Harmon were at Ceta Canyon Monday to Friday last week for a "Youth in Dialogue" group study. Mrs. Jomeryl Harmon, Jacqueline and Holly took the girls Monday, and Mrs. Holland and Craig went for them Friday. They stopped in Hart with her parents for a short visit.

MR. AND MRS. Ronnie Coffee and Lance of Dallas and Rev. and Mrs. Jarrell Tharp, Lisa and Stephens of Powell, Wyo. were here with their parents, the Dave Harmons for the weekend. The Tharps remained for a longer stay with his parents.

MRS. EDITH COWAN of Fort Worth visited her aunt Monday through Wednesday of last week. Raymond Duvall's mother of Poolville accompanied her.

MR. AND MRS. Sammy Maxfield and daughter visited their parents during the weekend.

MRS. ADDIE MAE Spence of Portales, N. M. visited Mrs. Ben Fisher in the local hospital Sunday.

MR. AND MRS. Eryle Abbott went to Elk City, Okla. during the weekend for her mother, Mrs. Etta Jones. She had spent a week with her sister, Mrs. Ora Smith.

MR. AND MRS. Calvin Taylor and Mrs. F. W. Butler of Vernon spent the weekend with relatives.

SPENDING SATURDAY night and Sunday with Rev. and Mrs. George Butler were his mother and sister, Mrs. Nina Butler and Susan of Denver, Colo. They were enroute to College Station.

WEEKEND GUESTS of Mr. and Mrs. Aubrey Jones were his brother, A. C. Jones of Albuquerque, N. M. and their nephew and wife, Mr. and Mrs. Joe Shepherd of Arlington, Va.

MRS. WILL NEUMEYER of Manitou, Okla. is visiting her sisters, Mrs. C. V. Harmon and Mrs. Harry Phelps and other relatives.

MR. AND MRS. Bill Weaver were in Petersburg Sunday and attended the family reunion of Mrs. A. Z. Weaver of Littlefield. LOU BISHOP of Ponca City, Okla. returned home Sunday after a visit with her grandmother, Mrs. Sterl Harmon. She

accompanying her friends, Rev. and Mrs. R. W. Sevey and son of Lubbock who formerly lived in Ponca City.

MR. AND MRS. Van Oxford of Manitou, Okla. visited the Victor Oxfords and D. D. Yantis during the weekend.

FIFTY-NINE attended the Taylor family reunion, held at the Amherst Community Center

Sunday. They were here from Vernon, Beaumont, Portales, Earth, Littlefield, Borger, Pampa, Ponder, Muleshoe, Sudan, Austin and Fort Worth. PAM HOLLAND, Denise Cornelius and Randy Bales attended the 4-H Electric Camp sponsored by the Southwestern Public Service Company, near Cloudercroft, N. M. last week.

# Local LL All-Stars Eye Crown

Littlefield Little League All-Stars took one giant step toward the All-Star Tournament Championship as they downed the Anton All-Stars 6-5 at Muleshoe Monday.

The Littlefield squad was tied by Anton 1-1 in the first inning and then Anton broke lose in the second, and scored four runs with a bases-loaded home run to lead the Littlefield squad 5-1.

Littlefield scored their second run in the third and tied the game with three runs in the fourth.

Richard Rogers scored the winning run on an error in the fifth inning for the Littlefield All-Stars.

Other details of this game will be in Sunday's Leader-News.

Littlefield will play Plainview American tonight and the winner of this game will face Plainview National in the championship play-off Tuesday.

### RURAL LAND

Nearly three-fifths of the Nation's land area is privately owned rural land. A high percentage of this land is in crops, pasture, range or other non-forest agriculture. Thus the watersheds that sustain municipal and industrial uses are largely agricultural. And even the most highly urban populations, whether they realize it or not, must look to farmers and ranchers for protection of their basic resources.

# SPORTS

THE LITTLEFIELD Little League All-Stars advanced in the All-Star Tournament by downing Anton 5-6 Monday. The local All-Stars are: top row, Richard Rogers, Norva Simington, Steve Jackson and James Kemp. Center row, Coach Ronnie Fisher, Tommy Twitty, Rudy Ayala, Ralph Mendez, Jeff Ratliff, and Coach Troy Gardner. Front row, Bucky Healy, Kevin Gardner, Jay Lee, Kyle Shipley and Stan Jackson. Not pictured is David Cutshall.

# Babe Ruth Stars Advance

Littlefield, Amherst, and Sudan All-Stars advanced in the Junior Babe Ruth Tournament Monday as they shut out Plainview, 5-0, at Plainview.

Sudan's Donnie Noles allowed six hits before blanking out Plainview in the double elimination tourney.

The local All-Stars scored twice in the top of the first inning.

Littlefield's Johnny Villafranco led off with a single; Sudan's Mark Hanna hit a fielder's choice, forcing Villafranco out on second. Hanna got on first, stole second and then advanced to third on a hit by Littlefield's Gary Brown. A pass ball gave Hanna time to score the first run.

The second run was scored by Brown as he was knocked in by Sudan's Richard Tamplin.

Two more runs were scored by the winners in the second inning as Brown drove in Villafranco and Hanna.

The final run of the game was scored in the third inning by Tamplin when he connected for a home run.

Hitters for the winners were Tamplin with a homer and a single. Brown, Villafranco, and Hanna with two singles each. Littlefield's Kenny Owens and Kelly Pratt each connected for a base hit.

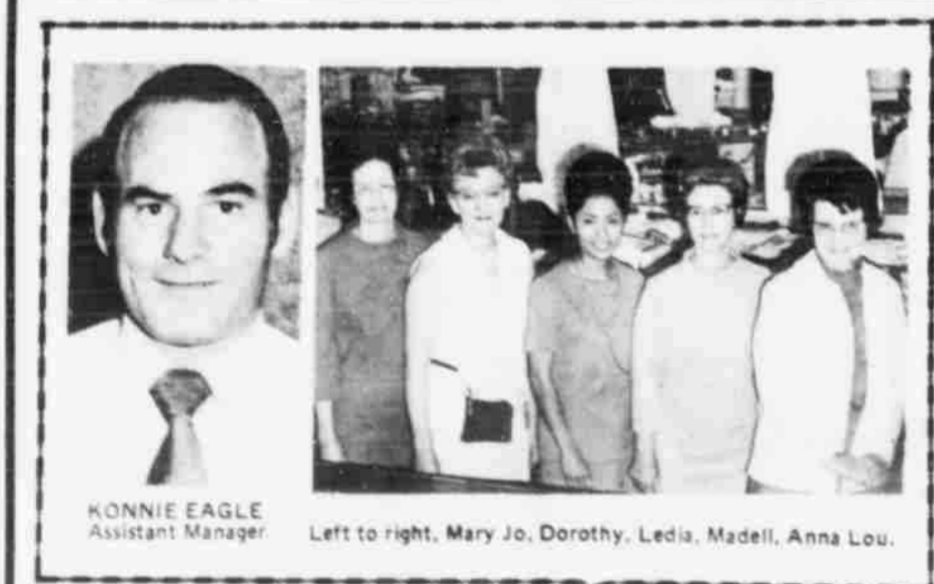

Valento Chavez was the leading hitter for Plainview with a double and a single. James Jackson got a pair of base hits. Danny Huffhine and Tim Field each got singles.

Noles was the winning pitcher.

LITTLEFIELD, AMHERST and Sudan All-Stars downed Plainview Monday to advance in the Junior Babe Ruth All-Star Tourney in Plainview. The All-Stars are: top row, Gary Brown, Richard Tamplin, Carroll L. Coach Gary Fitzgerald and Manager Jerry Williams. Center row, Coach Cushion, Danny Jefferies, Pat Henderson, Donnie Noles and Mark Hanna. Front row, Craig Ratliff, Danny Brockington, Clodis Twitty, Villafranco, Kenny Owens and Kelly Pratt. Terry Bryson and Tom Hutson are not shown.

Darrell Holley pitched for Plainview. The local All-Stars played Tulia Wednesday. Details of this game will be in Sunday's Leader-News.

KONNIE EAGLE Assistant Manager. Left to right, Mary Jo, Dorothy, Ledia, Madell, Anna Lou.

Michelin makes one grade of tire The best.

This steel belted Radial Tire carries the Michelin Warranty for 40,000 miles of tread wear. (Many owners get much more.) Puncture resistant Michelin's stop faster, corner better, give more traction on wet surfaces. Yet they cost less per mile of driving than any tire you can buy. Now there are Michelin's for all domestic cars. Why not stop in and select "the best" today for yours.
