

## First Pageant Entry In, Sorority Seeks Beauties

Plans are completed for the third beauty pageant in connection with Festivities Days.

Beta Sigma Phi is sponsoring the pageant that will name the 1971 Miss Lamb County on Friday night, August 27, in time for the beauty to preside over the festival and head the big parade down Phelps Avenue the following Saturday morning. Miss Linda Horn was named Miss Lamb

County last year when 19 beauties competed for the title. The first pageant drew 28 contestants, and Miss Kathy Minyard of Sudan was crowned winner.

Mrs. Gary Fitzgerald is pageant chairman this year and she said the sorority is expecting about 24-25 entries.

Each girl entering must be at least 16 years of age and no older than 22 on August 1. Each entrant must be sponsored by a civic or service club or a business

establishment in Lamb County. An entry fee of \$10 and a recent picture should accompany each official entry blank turned in to Mrs. Fitzgerald. Entries must be postmarked by this Friday, August 6.

Entry blanks have been distributed to club and organizational secretaries and businessmen. Additional entry blanks may be obtained from Mrs. Fitzgerald or at the Leader-News office.

### DRY SALT FLAT WAS RACE TRACK

## Lake No Longer 'Drawback'

When R.M. (Bob) Smith started leasing the land where Bull Lake is, the body of water, when there was water, was a drawback. Most of the time the lake was a dry salt flat, and when it did rain, the water was so salty cattle wouldn't drink it.

As long as all the land surrounding the lake remained in grass land, there was so little runoff that there was seldom any water in the lake, but after the land was broken out, the lake started filling up, and the lake has never been completely dry since 1941 when big rains dropped 40 inches or more.

That was the beginning of the recreation spot. When people learned there were fish in the lake they started asking Smith if they could get into the ranch. With people going in and out, Smith couldn't keep his finances up, so he locked the lake up.

"I finally told five or six people that they could fish the next Saturday," he said. "But I told them I was going to put someone out there to charge. A newspaper don't spread the news like fishermen," he added. "The next Saturday there were 75 boats on that lake and I hadn't told anyone but those few who had phoned me wanting to get in. And we've been running ever since."

When Smith saw that charging to let people in might make a little money, he built some outhouses and put up a concession stand. And when the big highline was built through the property, he got the big spools the wire was rolled on and put them around the lake for picnic tables. In one night someone piled all the tables up and burned them. "If it's made of tin, they'll drag it," Smith said, "and if it'll

R. M. (BOB) SMITH

burn, they'll burn it. They tied on to the outhouses and drug them, leaving pieces here and there."

Smith said the vandalism is done by prowlers and not by boaters and fishermen. Today there are adequate docking facilities, but the tables, concession stands and other facilities were not rebuilt.

Some people go to the lake for fishing. Catfish do well in the slightly salty water, and Smith added another 4,500 little "bullheads" to the lake last year. But the lake is used mostly for water skiing. As many as 100 boats have been on the lake at the same time.

People from the Littlefield area as well

as Levelland, Lubbock and plenty from New Mexico frequent the lake. It's round shape is ideally suited for skiing, without the confinement of following the channel of a river.

Smith said the lake has been dry more years than filled. Back in the 1930's the lake was used for car races. The salty bottom was perfect for racing. "And it was three or four miles around the thing," Smith said. "But it hasn't been dry enough for a car to get in since 1941."

The bottom is as level as a floor. "If it's got an inch of water in it, it's an inch all the way across," he said. When the lake has been very low, Smith said he has seen the time that all the water would blow to the south end when the wind was from that direction. "Then if the wind changed directions, all the water would blow back to the other end of the lake."

At the present time he estimates that the water is six feet deep.

Almost all the water results from rains. There is a natural spring but it only feeds the lake and won't support it. The spring was hand made by the C-C camp during the Thirties. Smith noticed a wet spot on one side of the pasture, and when he dug down he found a little water. The C-C boys

IF ALL THESE shave permits can't keep Efton Graham out of jail during Festivities Days, nothing will. Jim Jones is in charge of the Lions Club beard growing contest and shave permits, and he pins another badge on Graham for good measure. Permits for the clean shaven are 51, and one badge is enough. In addition to the jail that will be put up on Phelps Avenue, the Lions will have a dunking tank the two days of the festival, with a Lion on the board that will get doused by anyone who can hit the target with a baseball (at three tries for a quarter).

## Tractor-Shredder Kills Sudan Man

Lamb County's first directly farm-related fatality in 1971 was recorded Friday evening when a Sudan farmer was killed when he fell beneath a shredder.

T. (Tyne) Fite, 93, was driving a tractor with an attached shredder, cleaning around his farm home six miles southwest of Sudan about 5 p.m. Friday when he apparently ran under a clothes line. He was jerked from the tractor, thrown to the ground and slashed to death by the shredder.

Relatives found his body about 7:30 p.m. after becoming concerned when he didn't come in for supper.

W. T. Vereen, Sudan justice of peace, pronounced the farmer dead at the scene. Ironically, the death occurred during "Farm Safety Week."

Funeral services will be at 5 p.m. today in the Sudan Church of Christ.

## Assault Charge Filed On Man

Willie Lee Young is in the Lamb County jail on charges of assault with intent to murder. Bond has been set at \$5,000.

Twenty-eight-year-old Young is charged with shooting Frankie Lee Johnson five times in the arm, shoulder and stomach late Wednesday evening. The victim was brought to the Littlefield Hospital and transferred to the Methodist Hospital in Lubbock the following day.

City police received a call on the incident at 10:45, and James Cox and Truman Burrows were investigating officers.

A 16-year-old Negro male was jailed Tuesday on the same charge this week. He was jailed Tuesday on a charge of forgery and attempting to pass and was released Wednesday. He was arrested again Thursday for forgery and attempting to pass a check, and remained in jail at press time.

Two of the three juveniles arrested last week and charged with several recent burglaries of the Littlefield VFW post appeared before County Judge G.T. Sides Thursday. The 15 and 16-year-old are to make proportionate restitution and were probated to their parents until they are 17 years old. Hearing for the 14-year old was deferred.

Camilo A. Lovato, 24, of Littlefield, was arrested by sheriff's officials Friday and charged with violation of the liquor law.

## Cigarette Machines Vandalized, Robbed

Two cigarette machines were broken into late Thursday night or early Friday morning at two different businesses.

Clint Penn reported that someone had pried the front off a cigarette machine in Crescent House Restaurant sometime during the night. Officers were unable to determine how the subject entered the building.

There was no money in the machine, and damage to the machine was about \$8.

Ralph Mendez at Tasty Taco reported that entry was gained to their building sometime the same night, when the back door was pried open with a one-inch bar.

After the subjects entered the building, they used the same bar to pry open the cigarette machine. Taken were some cigarettes and about \$2 in cash. Damage to the machine was about \$8.

## School Studies Begin Aug. 25

Littlefield students have a few more days of summer vacation before they have to go back to their studies.

According to Superintendent Paul I. Jones, school buses will run for the first time this fall on Wednesday, Aug. 25.

High school seniors will register at the high school Monday morning, Aug. 23, and the juniors will register that afternoon.

Sophomores are asked to meet at the High School building Tuesday morning, when they will go through orientation prior to registration.

## Age Limit Lower For GED Testing

Persons who did not complete their high school work for a diploma, and who wish to receive a certificate which is equivalent to a high school diploma, may now take the general educational development test at Littlefield High School.

According to Principal Beryl Harris, persons who are 17 years old or older who have been out of school at least a year, may now take the test to see if they qualify for a certificate.

Formerly, the test could only be taken by 19-year-olds or older persons who had not completed high school work.

If the test is passed, a certificate will be issued by the state, and will be accepted by many employers who require diplomas. Some colleges accept the certificate as a prerequisite for entrance, if the scores are high enough.

The five areas included on the test are: 1. vocabulary, grammar and spelling; 2. social studies; 3. science; 4. literature; and 5. mathematics.

If persons are interested in taking the test, they are asked to contact Harris at the high school building, 385-5683, for an appointment.

## Chapmans Continue 'Marine Tradition'

During World War II, Mrs. Jonnie Chapman's "Five Marines" were the equivalent of the Navy's famous "Five Sullivans"—no other family in the nation had as many sons serving in the Marine Corps at the same time.

When Mrs. Chapman's grandson, Duke Chapman of Dimmitt, enlisted in the USMC last week, he started a new chapter in a family and Marine tradition that goes back more than 30 years.

The new Marine recruit's father, Jimmie Chapman, was one of the "Five Chapmans" of the Marine Corps in WWII.

Duke, 19, is the first son of any of the original Five Chapmans to join the Marines. However, the Five Chapmans' sister, Mrs. Frances Gamble of Corcor, Calif., has two sons in the Marine Corps now.

That's a total of eight Marines from the

same family in the last three decades. No member of the Chapman family has served in any other branch of service during that time.

In addition, Duke's brother-in-law, James Leinen of Los Angeles, recently completed a tour of duty with the USMC. He is the son of Mrs. Lucy Leinen of Nazareth.

The original Five Chapmans of WWII were:

—John Henry, navigator with the Marine Air Corps who was killed in action over Villa la Villa in the South Pacific after serving two and one-half years. VFW Post 4854 in Littlefield is named for him.

—Charles, a gunnery sergeant who served 23 years in the Corps before he died in California in 1966.

—Lloyd, a USMC master sergeant who

See MARINES, Page 2

A NEW CHAPTER in the Chapman family Marine Corps tradition was added last week when Mrs. Jonnie Chapman's grandson, Duke, enlisted in the USMC. Mrs. Chapman, a long time Littlefield resident, is shown with pictures of her five sons who served with the Marines during WWII. Duke is the son of Jimmie, fourth from left. John Henry, third from left, was killed in action in the South Pacific. The Chapman Marine tradition started during the Civil War with the Chapman boys' grandfather. The Chapman family has had a Marine in service continuously since 1937.

# HOMMAGE TO STEAKS

By CORNBALL BLEVINS

ONE OF THE MOST distasteful kind of people, as far as I am concerned, is that worthy that travels through the country panhandling the churches.

These we have quite frequently. Their method of operation is to inquire about the various churches and to learn the name of the preacher or an officer. Then they start placing the phone calls.

THEIR STORIES are all very much alike. They're traveling through the country, always on some emergency mission, when they have had luck of some kind, or other. Since they're members of your particular church and are your spiritual brother, couldn't you please help?

Usually, the cash contribution is what they want. They don't appreciate, very much, your offer to BUY them a meal, or to accompany them to a station and fill their tank with gas.

ABOUT TEN YEARS ago, there was a couple in town working TWO different congregations simultaneously!

The woman came to the church where I worship, while the man was working the denomination down the street. They happened to meet at the same cafe the wife and I had selected for our Sunday hamburger.

THEY SAT DOWN in the booth behind us and were comparing notes while waiting for their STEAKS to cook! It was interesting to learn which of these religious groups was the biggest sucker!

My hamburger gave me indigestion!

ONE TIME ABOUT the same year, we were taken in by a man and his supposedly orphaned kids. After about a week we got rid of him by finding him a job! He left town.

My memories of these things were stirred this past week by the voice of a young sounding female, on the phone. Seems she and her father were traveling through our town, on the way to Ft. Worth. They needed a place to spend the night and something to eat.

"Well," I said "We can't give you any money, but, it just so happens that I have an empty apartment, at my place, where you can spend the night and I'll see that you have supper and breakfast."

EVEN THO SHE ASKED directions to my place, they never came! (And, I really didn't expect them to.) Still, I couldn't help but wonder how many churches she became a member of, before they left town.

No, I'm not a preacher, but I do hold office in our congregation. One of my primary concerns is that I don't let these goings-on harden me so that I use my influence to cause us to turn our backs on the deserving--It COULD, you know!

I'M SURE, we're supposed to give others the benefit of the doubt, but the behavior of some, causes my doubts to get bigger and bigger. Anyway, I doubt if a deserving person would hide behind the skirts of his young daughter--Not many skirts would hide a very BIG man, anyhow!

## What Our Readers Think

### 'Thanks To All'

Dear Editor,  
We would like to express our deep appreciation to everyone who helped with the Community Day Camp. The 80 campers showed their appreciation with their wide grins, happy enthusiasm, and active participation.  
Without the help of all the people who gave their time and money, the camp would not have been possible.  
A special thanks goes to those who

worked daily as adult workers and counselors.  
Also, to the doctors from Littlefield Medical Arts Hospital who graciously participated in all camp activities.  
It was truly a Community effort, the day camp a huge success. Our thanks go to all.

## THE ABUNDANT LIFE Ideals Limited

FORMING IDEALS, and living under their influence can be a blessing or a curse.

A standard of perfection, or beauty, or excellence can serve a very useful purpose in one's life, or it can be the downfall of one's life.

TOO MANY PERSONS expect everybody, everything and themselves to come up to all requirements of their acknowledged ideals.

Some of these, too many in fact, become violently impatient with all who fall short.

THERE IS A RIGHT WAY and a wrong way to relate ourselves to our ideals, and our ideals to other people and situations.

The ideals are not to be used as a base from which to downgrade, reprove, vilify, curse and condemn to destruction everybody and everything that is something less than ideal.

IDEALS SHOULD BE USED as goals to guide us in our direction of movement.

I may choose the ideals for my life, but I have no right to try to impose them upon others, or to become hostile toward those who do not have the same ideals.

IDEALS MUST BE LIMITED. Common sense will limit some. Practical considerations limit others. The most obvious limitation of ideals must surely be our basic human limitations.

Reality is another limitation. Ideals which are set in the realm of the impossible are of no value, and cause some of the worst human tragedies.

MUCH THAT IS GOOD in our life is being completely ignored and grossly abused by others just because they see some imperfections and shortcomings.

Much of what they say and do is excusable, but we are told that idealists and should be tolerated.

This kind of thinking is almost destructive. By their own lips they prove that they are not content with ideals.

HYPERCRITICISM is widespread, unduly censorious action, however proper expression of sensible thought.

Of course, in all persons and in all actions, we can find something to praise. Everything human will be imperfect, but this is not just cause for much destructive faultfinding. The helpful.

DO SOMETHING TO IMPROVE make better, to encourage, to help, to help, become part of the solution than part of the problem.

This is the idealism that is strong upward pull. It generates a compulsion that works for good in individual society.

IDEALITY IS ONLY the avatar of the mind, and when that HEALTHY AND NORMAL STATE I hold it to be a prophecy that can follow."--H. Mann.

Ideals limited may still be beyond our reach, but they will along a useful, helpful and constructive way. Nothing is better than this.

MRS. RALPH GERALD MAURER

## Gallagher-Maurer Vows Solemnized

Miss Virginia Lee Gallaher, daughter of Dr. and Mrs. Paul Clarke Gallagher of Shaonee, Okla. became the wife of Dr. Ralph Gerald Maurer Saturday evening, July 31. Dr. Maurer is the son of Dr. and Mrs. Ralph Elmer Maurer of Littlefield.

The wedding vows were read in Stubblefield Chapel, one of the earliest Baptist Churches in Oklahoma.

Rev. Dr. Dan Cooper, pastor of the First Baptist Church of Shaonee, officiated for the double ring ceremony.

The sanctuary was lighted by aisle candelabras on the pews and at the altar. A large garland of smilax was on the wall of the chapel back of the altar. On either side of the altar were baskets of white stock and gladioli surrounded by greenery.

Mrs. James Tanner, organist, and Joseph Goodman, Oklahoma City violinist, played the prelude music. Paul Clinton Gallagher, violinist and brother of the bride, joined Mrs. Tanner and Goodman in a trio arrangement of "Jesu, Joy of Man's Desiring," by Bach, just after the mothers were seated. As the bride entered, the organist played the processional march "Trumpet Voluntary," by Purcell, and after the ceremony, the recessional march "Trumpet Tune," by Purcell.

The bride, given in marriage by her father, wore a gown of ivory peau de soie, fashioned with re-embroidered Duchess lace and a seed pearl collar. The full skirt and train were adorned with the same lace and pearls in medallions. She wore an antique, handmade, Seville lace full-length veil, which was draped over a Spanish comb. Her bouquet of white orchids and roses was fastened to a white satin-covered prayer book, which had belonged to her great-grandmother.

Miss Elizabeth Jay, of Akron, Ohio attended Miss Gallaher as her maid of honor. Her dress was of deep raspberry and white-dotted swiss. She carried a cluster bouquet of pink, red, blue and yellow field flowers. Her headress was of matching flowers.

Miss Melinda Witt, five-year-old niece of the bride, wore a matching dress. She carried a white basket filled with flowers as she preceded the bride.

Robert Maurer, brother of the groom, served as best man. Richard Maurer, also brother of the groom, and Gallaher served as ushers.

Mrs. Gallaher's gown was fashioned of beige chiffon. The low neckline on the Empire bodice was outlined with brown bugle beadwork. Full long sleeves gathered at the wrist and a full circular skirt completed her ensemble. Her flowers were pink cymbidium orchids.

The groom's mother wore a gown of Williamsburg blue Quiana crepe. Rounded type binding formed the self-fabric trim at the neck, down the front of the bodice, around the waist and at the wrists of the long sleeves. Her corsage was fashioned of pale yellow cymbidium orchids.

Immediate members of the two families, relatives, and out-of-town guests attended the wedding.

Following the ceremony, Dr. and Mrs. Gallaher entertained with a large Fiesta in the gardens of their home. The Fiesta featured a four-piece jazz ensemble, which played for dancing on the patio. The flower beds and trees were lighted for the event, and the center of interest was a lighted Spanish fountain.

The bride's table held a five-tiered wedding cake and a silver punch bowl. Mrs. Dan F. Witt and Mrs. Martha Storm, sisters of the bride, presided at the table.

**Gayle's BAKERIES**

By GAYLE MILLS  
LEADER-NEWS SOCIETY EDITOR

I RECEIVED a real nice letter the other day from Sybol Moncrief of Sudan. She stated that she was "one of those collectors of recipes".

In my last column I made mention of a sweet potato pie recipe that I had run back in October of 1970 for Mrs. Wayne Cowen.

Sybol mentioned that somehow she missed clipping out this particular recipe and asked if I would re-run it for her as she had frozen sweet potatoes in the freezer and thought that this would be a way to put them to good use.

So if any of you other gals need to use up your frozen sweet potatoes—here's a good way.

I also had a recipe for "Sweet Potato Cobbler" in that issue and thought I would re-run it again too.

THANKS for writing, Sybol. Hope you enjoy these recipes.

**SPICY SWEET POTATO PIE**  
15 or 20 small sweet potatoes  
2 tsp. mixed spices  
1 tbs. canned milk  
2 eggs, slightly beaten  
1/3 stick margarine or butter  
Dash of salt  
1 1/2 c. sugar  
Pastry or graham cracker crumbs

Boil potatoes; peel and mash. Blend in spices, milk, eggs, margarine, salt and sugar. Line a 9-inch pie plate with pastry or graham cracker crust. Pour potato mixture into pie crust. Bake at 300 degrees until done.

Peel potatoes; slice 1/4-inch thick. Put into a large kettle; cover with water and cook until tender. Cut shortening into flour and salt, adding enough water to make dough stiff.

**STORING FRESH FRUITS**  
When you store fresh fruits, the temperature and humidity are very important. Extension foods and nutrition specialists at Texas A&M University remind. Poke a few small holes in plastic bags of fruit to provide ventilation and to let out some of the moisture that will accumulate.

The circle voted to have their meetings in the evenings for a year, as several members are employed.

Mrs. Bill Bradley and Mrs. Willson and Mrs. Vic Reynolds are to plan their annual picnic, to be held at Willsons, Aug. 16. Mrs. Charles Jones read the

prayer calendar and offered prayer for the missionaries having birthdays.

Following adjournment, refreshments of fudge marshmallow cake and punch were served to Mmes. James Holland, Bill Bradley, Charles Jones, Charles Mixon, Don Carter, T. L. Bennett, Willson and the hostess.

MR. AND MRS. Melvin Dutton and Mr. and Mrs. Claude Montgomery were honored with a going away party Friday night at the Fieldton Co-op Gin office. Homemade ice cream was served to about 30 people. The Duttons and the Montgomerys are both moving to Petersburg, where they will be working with the Co-op Gin there.

MR. AND MRS. Noah Spencer of Sunnyside visited Saturday night with Mr. and Mrs. Earl Phelan.

MR. AND MRS. Larry Lindsey of Corpus Christie are the parents of a new baby girl born July 24th. She was named Lady Loran. Maternal grandparents are Mr. and Mrs. Don Joynier. Paternal grandparents are Mr. and Mrs. L. L. Lindsey of Shallowater. This is the Lindsey's second child.

BRYN AND HOLLY Wilson of Duncan, Okla. are visiting their aunt, Rev. and Mrs. David Burum.

# WORSHIP IN CHURCH

and get a spiritual lift for the whole week

## They Believe in Each Other

You get a wonderfully warm feeling when you see kids stop scrapping, patch up their differences and start sharing for a change. Often they become friends for life.

Doubtless you get the same warm feeling when you see old friends greet each other after a long separation. They hang on by hand as they slap backs and maybe brush away a tear or two.

There is nothing quite like a good friend; someone to trust and believe in. True friendship evolves from mutual belief in and respect for each other. It is a silent answer to the unspoken question. A being there without really having to be.

A doing without being asked to do. A giving without questioning why, how much will it cost, or what will I get out of it.

True friendship means automatically becoming God's Good Samaritan without pondering the consequences.

Try sharing laughter with your friend. Share an ice cream cone. Better yet, share God.

YOU IN THE CHURCH THE CHURCH IN YOU

A LUBBOCK RUNNER steals second as Littlefield All-Star Gary Brown attempts a tag at second base. Lubbock won over the Littlefield, Amherst, Sudan All-Stars, 8-1, in the Jr. Babe Ruth State Tournament.

**FOR STATE CROWN**

**Stars Lose Bid**

The Littlefield, Amherst and Sudan All-Stars bowed to Lamesa, 8-3, in the State Jr. Babe Ruth playoffs Wednesday at Dumas. The local squad dumped Graham, 6-3, in their first game of the day and paused long enough for a brief snack and went on to meet Lamesa for their second game of the afternoon.

The Littlefield All-Stars started strong as they scored two runs in the bottom of the first for a two run lead. In the second inning they got another run to lead Lamesa, 3-0.

Lamesa came alive in the third and crossed the plate three times without a hit on five errors and a walk.

Both teams were scoreless in the fourth. Lamesa came back in the fifth with two runs on a pair of singles and a couple of errors. They clinched the win with two more runs in the sixth and another in the seventh.

Littlefield's Gary Brown led the local team in the hitting department with a double. Sudan's Donnie Noles and Richard Tamplin connected with singles.

White, Heald and Kilgore got base hits for Lamesa.

Heald was the winning pitcher allowing three hits. Tamplin hurled for the losers.

**David Turner Signs With AC**

David Turner, a four-year letterman from Olton High School, has signed an athletic scholarship agreement at Amarillo College, according to an announcement from Amarillo College golf coach, Bobby Hudson.

Turner is son of Mr. and Mrs. Joe L. Turner of Olton, and his father is the superintendent of schools there. Turner joins four other linksters who have already signed with the college for next year.

He was named the Most Valuable player on the Olton squad this past season. He has played in area tourneys this summer, and captured a third place medalist honors in the Floydada tournament.

Other members of his team will be returners Donnie Ray Henderson and Jim Shankle, along with Kenneth Robbins and Alan Williams.

**IN STATE PLAY-OFFS**

**Villafranco, Brown Lead Hitters In Play-Off Games**

Junior Babe Ruth All-Stars selected from Sudan, Amherst and Littlefield were finally stopped by Lamesa, 8-3, after district and advancing mid-way in State Junior Babe Ruth play-offs.

The Littlefield All-Stars won the district tournament by shutting out Plainview in their first game, 5-0. They continued the advance to the District Crown by dropping Tulia, 17-1, blanking Olton, 5-0, and shattering Plainview again in the Championship game, 5-2.

The second win over Plainview gave the local All-Stars a ticket to the State Play-offs at Dumas, last week.

In the state tourney, Manager Jerry Williams and Coach Gary Fitzgerald's team were shaken by Lubbock 8-1 Monday.

In the double elimination tournament, Littlefield was to face Graham Tuesday night. The game was rained out and rescheduled for Wednesday at noon.

Johnny Villafranco relieved by Danny Cushion hurled the local All-Stars to a 6-3 win and stayed alive in the tourney. The Littlefield, Amherst and Sudan All-

Stars dropped their third game with Lamesa, 8-3, and lost their bid for advancement to the Championship in the State Finals.

In the district and state tournament, Donnie Noles held a pitching record for the local all-stars with a three win and one lost record. Richard Tamplin had one win and two losses. Danny Cushion recorded a win.

Johnny Villafranco was the leading hitter by getting 13 hits out of 31 tries for an average of .42.

Gary Brown batted an even .400 by hitting 12 out of his 30 tries.

Mark Hanna connected eight times at 25 attempts for an average of .320.

Richard Tamplin and Kenny Owens both had a batting average of .280 in tournament play. Each got seven hits during their 25 tries.

Danny Cushion recorded a .333 batting average. He hit one out of three.

Danny Brockington batted a .1000 by hitting two for two.

As a team in the batting department, 63 hits were recorded for the 239 times at bat for an average of .263.

A LUBBOCK PLAYER stretches off first base in an attempt to pick Littlefield's Kenny Owens at first base during the State Play-off of the Babe Ruth All-Star Tournament.

**Branding Law In Effect Sept. 1**

All brands and marks on Texas livestock must be recorded with the County Clerk after Aug. 30 according to a new law passed during the last session of the state legislature.

The new law is a result of efforts by state county clerks and farm organizations as well as the locally-organized High Plains Association of County Sheriffs and Cattlemen.

The organization, formed early this year, applied pressure to state legislators to get better and more uniform brand laws passed. Several were considered by the last legislature, including the County Clerk's bill.

Producers will be given a six-month period (Aug. 30, 1971 through Feb. 29, 1972) on which to register these brands and marks and the location on the animal which they are currently using. After this time, any unrecorded brand will be available for use on a "first come, first served" basis.

The law further states that all such brands and marks must be re-recorded every 10 years. Each county clerk records for his given county only, so many producers may need to record their brands in additional counties if their operations are extensive.

The owner shall have the right during this six-month period to file the mark and brand now recorded in his name. In the event it cannot be determined from the records who first recorded the brand and mark in the county, then the person who

has been using such mark and brand longest shall have the right to be recorded in his name.

It will be illegal to brand livestock without first properly recording the brand with the county clerk in the county in which the livestock are held.

When the brand or brands are recorded the location on the animal on which the brand is to be applied must be designated. If the brand is to be applied to more than one location on the animal, it must be recorded and each additional location the brand on the animal shall constitute separate recording of that brand.

There is no limit to the number of brands or marks which may be recorded in a county by a single person as long as the requirements of this law governing recording and re-recording of brands are met. Minors may have brands or brands separate from that of their guardian, which must be re-recorded as provided by the law.

The county clerk must assume the responsibility of recording any brand for a person on the same location of the animal in his county. Therefore no two persons in a county may record the same brand on the same location. Also, it is the responsibility of the county clerk to make certain that no part of the animal on which the brand is to be placed be designated. Failure to do so is punishable by a fineable offense of more than \$10 or more than \$50.

LATEST HOLE-IN-ONE artists are Alvin Webb, left, and Conal Norried, right. Both golfers got a hole-in-one recently on the fifth hole at the Littlefield Country Club Golf Course. Norried was the first local golfer to get a hole-in-one this season. Webb just repeated history as he got a hole-in-one 20 years back on the same hole.

**BULL LAKE . . .**

Continued From Page 1

dug down to the spring and laid hollow tile then covered it over, and piped the flow down the draw.

Smith said he can't explain it, but the spring gets stronger every year, and water is coming out of the ground six feet higher than it was and now runs a three-inch stream.

Smith and his son Hollis own and lease 4,000 acres of land around the lake.

If the proposed Texas Water Plan should ever become a reality, almost every acre of the leased land will be covered with water, and the shoreline will come up next to the Smith land. Smith has offers for his land, but he says he is going to keep it for his grandkids just in case it's really worth something some day.

"And tell your girl friend I DO mind running next door and calling you to the phone!"

**Last Call Is Issued For 'TEXAS'**

A last call is being issued to citizens who wish to see 'TEXAS' as it is presented in Palo Duro Canyon.

Deadline for calling in reservations and paying the \$10 fee is Monday, Aug. 2, at 5 p.m. in the Chamber of Commerce office at City Hall.

The \$10 fee covers the cost of the bus fare, reserved seat tickets at the showing of 'TEXAS' and the barbecue meal before the show begins. A bus has been chartered by the Chamber of Commerce, and tickets are going fast, according to CC manager Bill Payne.

The tour will leave from the east side of City Hall at 4:30 p.m. Friday, Aug. 6.

**Sunnyside Baptists Celebrate Anniversary**

Sunnyside Baptist church, located north of Littlefield on Highway 385, celebrated its 50th Anniversary on Sunday. Rev. M. D. Durham will bring the message at the morning worship service at 10 a.m. and Rev. Murlie Phipps at the afternoon service at 2 until 4 p.m. A reception following in the church was organized in 1921 with ten charter members. The church is now living. They are Mrs. Turner of Dimmitt and Mrs. Asa Wilson of Athens. Seven candidates were received for baptism the day the church was organized. Four of these are surviving and are Carl, Aubrey and Ruby Wimberly (Baker) and Virginia Phipps (Hill). On April 12, 1960 all of the church buildings including the parsonage were destroyed by a tornado. They were replaced by the present church building and parsonage. All former pastors, former members, friends, and present members are invited to attend this special day.

**Postal Services  
To Reach \$150,250**

How much more will Littlefield residents and local business establishments have to pay for postal services this year than last?

An estimate, based upon their expenditures in prior years, is now available. It shows that they will have to fork up an additional \$26,000 in the next 12 months.

The added cost, which comes to about 21 percent, will result from rate increases put into effect recently by the newly-constituted U. S. Postal Service.

The service, created last year under the Postal Reorganization Act, replaces the former Post Office Department. It is now a semi-autonomous body in the form of a government corporation, removed from Congressional control.

The purpose is to improve mail service and to put it on a self-sustaining basis, financially.

The increase in rates, which became effective on May 16th, was intended to reduce the annual operating deficit and to permit a start on an ambitious modernization program.

Under the new rates, the Postal Service

expects its total revenue will be \$1.45 billion more than in 1970, with the great bulk of the rise coming from first class letter mail, which has gone from 6 cents to 8 cents.

What this amounts to, for the Littlefield resident who mails an average of one letter a day, is \$7.30 more per year.

For commercial mailers who use second class, chiefly newspaper and magazine publishers, the rate hike is also huge—about 20 percent.

Much of the additional \$1.45 billion will be needed, it is stated, for pay increases for the 750,000 workers.

The latest figures released by the government show a total of \$124,170 spent in Littlefield per year for postal services. During the current fiscal year, it is estimated, it will rise to \$150,250.

Despite the \$1.45 billion hike that the Postal Service will be getting this year, it will suffice only for part of its needs, leaving little leeway for modernization. More money will be needed in the future for that purpose, it states.

**FOR INFORMAL MARRIAGES**

**Age Limits 14, 16**

Change has been made in the age limit for informal marriages, effective immediately, according to Mary Beth [unclear], county clerk. Under the law passed last year that required persons who had been living together to file such a statement and be considered as informally married, there was no age limit. The youngest to file in Lamb County for an informal marriage certificate was a 12-year-old girl. County clerks throughout Texas worked under an age limit of 14 for females and 16 for males, and this age limit is now in effect. Under the legislative measure any female 14 years of age or older but under 16 years of age, and any male 16 years of

age or older but under 19 who declares an informal marriage without parental consent is subject to having the marriage voided at the discretion of the court on the petition of a parent, a guardian or next friend for the benefit of the underage party. To bring such a suit, it must be filed within 90 days after the date of the informal marriage. Three informal marriages were filed in Lamb County last year. One involved a 13-year-old pregnant girl and a 16-year-old boy. The other two were declared by older couples. Two 22-year-olds with children declared an informal marriage when he was drafted, and another couple aged 27 and 29 declared an informal marriage soon after the law passed.

**Bill Payne Attending Institute**

W. M. "Bill" Payne of Littlefield is among 200 Chamber of Commerce executives from an 11-state area attending the fourth annual Southwestern Institute for Organization Management being held July 25-30 at Texas Christian University. Now in its 51st year, the annual and sequential program of personal development and advancement planned by the Chamber of Commerce of the United States offers voluntary organization executives the knowledge and skills needed for success.

The week-long seminar has as its theme "An Investment in Excellence" and provides opportunity for continuing in-depth study of current issues and latest management philosophies. Planned for the Chamber of Commerce officer to attend progressive levels throughout his professional career, the work shops have no cutoff point, and progression is one of both design and substance.

Arranged through TCU's Division of Special courses, the Fort Worth Institute is being coordinated by Dr. Joseph Steel, dean of TCU's M. J. Neeley School of Business. Manager will be Arnold R. Mathias of Dallas, Southwestern division manager of the U. S. Chamber of Commerce.

The Institute at TCU, the 98-year-old private church-related institution located on a 243-acre campus that is one of Fort Worth's best known landmarks, is one of six being held during the summer on university campuses.

**Lamb County Is Sixth In Texas Cotton Totals**

The report of the Texas Crop and Livestock Reporting Service on 1970 acreage, yield and production of Texas cotton, just released, shows 1,762,350 bales (500 pounds gross) produced in the 25 High Plains counties represented by Plains Cotton Growers, Inc. The 1970 total is up from 1,418,600 bales produced in 1969, constitutes just over 55 percent of the 3,196,000 bales grown in Texas, and about 17 percent of the 10.1 million bales harvested across the entire cotton belt.

The TCLRS report for 1970 shows an average yield per harvested acre on the Plains of 389 pounds, up from 349 pounds in 1969. Irrigated cotton in the area, of which there was 1,448,200 acres, yielded an average 458 pounds of lint per acre, while the 828,600 acres of non-irrigated cotton produced only 264 pounds per acre.

Adverse weather conditions caused abandonment of 4.5 percent of the area's 2,277,200 planted acres, leaving 2,174,700 acres for harvest.

The U. S. Bureau of Census earlier reported the High Plains total production in "running" bales, as opposed to 500 pound bales, at 1,734,767 bales, and the State running bale total at 3,144,192 bales.

The ten top cotton producing counties in Texas were found on the High Plains in 1970. In the order of production volume, they were Lubbock, Dawson, Hockley, Hale, Lynn, Lamb, Crosby, Terry, Gaines and Floyd counties.

The chart below shows planted acres, harvested acres, percent abandoned, dryland, irrigated and average yields and total production for each of PCG's 25 counties.

THIS WEEK'S  
 CARDS ARE GREEN

**Dollars**

**IN BINGO BUCKS**  
**THIS WEEK**

Pick up your **GREEN**  
**BINGO CARDS** for this week at  
 The Participating Littlefield Merchants

**HERE'S HOW IT WORKS**

**PICK UP FREE BINGO CARDS:** Each week (adults only, please) pick up your FREE Bingo cards from any of the sponsoring merchants listed below. Rates of the game allow the merchants to give you only one card on each store visit. However, you may make as many visits as you wish each day of the week. **THE MORE CARDS YOU PLAY—THE BETTER ARE YOUR CHANCES OF WINNING.**

**HOW TO PLAY:** Check the ads in each week's issues of The Leader-News. The ads of the merchants listed below will contain one or more "Newspaper Bingo" numbers in the "Bingo Bug" symbol (shown above). Occasionally numbers in the "Bingo Bug" symbol may be found elsewhere in the newspaper. Be sure to check the Classified Ad section for additional numbers. **IF YOU CAN MATCH JUST CIRCLE OR "X" THE MATCHING NUMBERS: ALL 24 NUMBERS ON ANY ONE OF YOUR BINGO CARDS WITH THE NUMBERS PUBLISHED IN THE SUNDAY AND THURSDAY ISSUES OF THE LEADER-NEWS—YOU HAVE A "BINGO"—AND YOU ARE A WINNER!!!**

**AT LEAST \$26 WEEKLY!!!** Winners will share a weekly prize of \$26.00 in "Bingo Bucks"—they spend the same as cash with any of the sponsoring merchants listed below. If there is only one winner, he wins all of the \$26.00. If there is more than one winner, all winners will share the \$26.00 in equal amounts. If there are no winners any week, the \$26.00 weekly prize will be added to the following week's prize fund.

**CHECK EACH ISSUE OF THE PAPER:** Each game is complete in each week's Sunday and Thursday's issue of The Leader-News. A new set of Bingo numbers will be published each week in the sponsoring merchants ads and possibly elsewhere in the paper. A new color of Bingo cards for each week's game will be available at the sponsoring merchants' stores. To be eligible to win, you must play Bingo cards of the correct color for that week's game. The color of the cards for each week's game will be announced on this page.

**IF YOU ARE A WINNER:** If you have a winning Bingo card, ON WHICH ALL 24 NUMBERS HAVE BEEN MATCHED WITH THE NUMBERS APPEARING EACH WEEK IN THE SUNDAY AND THURSDAY ISSUES OF THE LEADER-NEWS, print your name, address, phone number, and the name of the store where you got your winning card, and mail to this paper at Box 72, Littlefield, Texas 79228; the envelope containing your winning card must be received by 5:00 p.m. Tuesday of the following week—or bring your winning card to the office of this newspaper at 211 W. 4th Street, Littlefield, Texas by 3:00 p.m. Tuesday of the following week.

IT'S FUN  
 TO FIND  
 THE BUGS

**RULES OF THE GAME**

**NO OBLIGATION OR PURCHASE NECESSARY:** There is no obligation or purchase necessary. A copy of the paper is available for playing the game at the office of this newspaper also at the public library—also a Bingo card and/or copies of The Leader-News containing the Bingo numbers may be obtained by mailing your request to this newspaper; please print your name and address clearly. You may play as many cards as you wish—they are free. Get additional cards—one at a time—each week.

**DIFFERENT COLORED CARDS EACH WEEK:** The color of the cards changes each week. The winner, you must play Bingo cards of the correct color for that week. Mutilated or altered cards will not be honored. ALL 24 NUMBERS ON A CARD MUST BE MATCHED TO WIN.

**CHANCE DETERMINES NUMBERS:** Bingo numbers for each week's game are drawn strictly random at the office of this newspaper. Some duplication of Bingo numbers may appear in the merchants' ads or elsewhere in the paper. This duplication does not affect the game or the numbers drawn. All numbers for each week's game will appear somewhere in the sponsoring merchants ads and possibly elsewhere in the paper. Employees of this newspaper and members of their families are not eligible to win any of the prizes. Newspaper Bingo is a program copyrighted and registered by Marketing-Research Associates, Minneapolis, Minnesota.

**SKIN CHANGES**  
If you have a fair complexion that sunburns rather than tans; if you have to (or wish to be) out in the sun all the time-watch out for skin cancer, warns the American Cancer Society. If local changes occur your skin-most often the face, hands or lips-see your doctor if they do not clear up in two weeks.
