Value of homes on rise locally

in Lamb County are finding
the homes they own are much
valuable than they had ima-

gined. Many of them are worth more
than twice as much as they paid for
them.

Their value has gone sky-high
because of inflation and because the
demand for homes, now that the
economy is improving and mortgages
are easier to obtain, has risen sharply.
In many areas they are in short supply
because there has been very little
construction for several years.

An official of the American Savings
and Loan Association reports that
prospective buyers are out in such
force in some communities that they
are outbidding each other for whatever
is available. Prices are shooting up as
a result.

The equity that Lamb County resi-
dents have in their homes, over and
above the mortgage debt on them, is
now approximately \$33,071,000 and is
rising steadily. The figure applies to
one-family, non-farm dwellings that
are owner-occupied.

The facts and figures on the housing
situation, locally and elsewhere in the
United States, are based upon data

gathered by the Department of Com-
merce, the National Association of
Home Builders and others.

They show that the average price in
the United States of a new single-
family house has gone from \$37,900 to
\$42,300 in the past year alone. For
used properties, the jump has been
from \$33,850 to \$37,200. In some areas
prices are higher than these and, in
others, lower.

In Lamb County the increase has
been considerable since 1970. At that
time the median value of the 3,843
local dwelling units was \$8,300 and
their total value, \$31,897,000, accord-
ing to the Census Bureau.

The current value of one-family
homes in the area, applying the
average rate of increase locally, comes
to approximately \$68,898,000.

The figures show that most homes
in the United States—three out of five
of them—have mortgages on them.

As for the local regional area, some
60.5 percent are mortgaged, according
to the most recent government fig-
ures.

SUSIE GILES won the title of the
Bicentennial 'Miss Lamb County'
Saturday night and will reign during
1976-77. She received her crown from

Pam Parrott, last year's 'Miss Lamb
County'. Named first runner-up was
Tammy Williams of Olton. Second
runner-up was Janette Bishop of

Anton. The pageant was sponsored by
the Tau Chi Chapter of Beta Sigma
Phi.

Pattersons to celebrate 50th wedding anniversary

SUDAN— Mr. and Mrs. Ves Patterson of Sudan will celebrate their Golden wedding Anniversary Sunday, June 13, with an open house at their home from 3 to 5 p.m.

The Pattersons, who have been Sudan residents for those 50 years, went to Sudan shortly after their marriage in 1926, when they opened a small shoe shop. Through the years it expanded from shoe repairs to include combine canvas repair work and mattress manufacturing. During the World War II years, when gas, sugar and even shoes were rationed, Ves made sandals from his leather rations and "put a lot of Sudan folks in shoes" for the duration. His sandals of the 40's were very similar to those of today.

Later, Patterson's expanded again to include dry goods and the manufacture of canvas irrigation sleeves.

They retired in 1968 to do some fishing. They have one daughter, Mrs. Jesse Hays of Austin and three grandchildren, Tim Gage of Houston, Tracy and Tanya Hays, also of Austin, who are hosting the celebration.

Other out-of-town relatives who will be visiting the Pattersons over the weekend are Mr.

and Mrs. Fred Mince and Mr. and Mrs. Glen Patterson, all from Dallas. Mrs. Patterson's sister, Miss Ruby Mince is a Sudan resident.

Members of the houseparty will include Mrs. Hays, Mrs. Mince, Mrs. Gage, Mrs. Dick West, Mrs. Buford Walsler, Ruby Mince and Misses Tracy and Tanya Hays.

The Pattersons invite their friends to help them celebrate, but request "no gifts, please!"

Sudan Lions elect officers, plan projects

SUDAN— Lion Boss Malcolm Martin reported to the Sudan Lions Club May 26 that Glen Cardwell, first vice president of the club, had resigned as president-elect for the 1976-'77 Lion year due to personal reasons.

The club elected Al Scott to serve as president for 1976-'77. Randy Humphreys is first vice president, Pat Brown is second vice president, Jimmy Williams third vice president. Don Ham secretary and Mike Nix treasurer.

The Sudan Lions donated money to help with expenses of the Sudan Girls' Little Dribblers' state tournament in Dalhart.

They will be serving a barbecue Saturday, July 3, from 11 a.m. to 1 p.m. in the Sudan Community Center. Tickets for barbecue and all the trimmings are \$2.50 per person.

Beef was donated to the Sudan Lions by Sudan Livestock and Feeding Company.

The Lions also plan to help with the parade at 10 a.m. July 3 and will have a Coke stand set up during the Bicentennial activities on both July 3 and 4. Carroll Legg joined the club during that meeting.

At the upcoming board meeting, new state-level committees will be organized for the 1976-77 term. Committees will study legislation, professional consultation, teacher education, curriculum and instruction, teacher rights, and human relations.

Poe-Gohlke wedding solemnized in Sudan

Miss Raylene Poe Gohlke were in a double-ring ceremony May 21, at the First Baptist Church of Oklahoma. Shuler of Oklahoma Presbyterian Church officiated.

The couple are Mrs. Bill Poe of Littlefield and Mrs. Gohlke of Oklahoma. The church altar was decorated with a large bouquet of flowers in-cluding gladioli, carnations, baby's breath and greenery flanked with spiral candelabra, arched candelabra and two smaller candelabra which all held pink candles with greenery and flowers tied with pink ribbons.

The kneeling bench, of white velvet, was trimmed with greenery and flowers. Pews were marked with hurricane lamps holding pink candles surrounded by flowers in the rainbow hues and ties

with pink ribbons. Given in marriage by her father, the bride wore a white chiffon gown over bridal satin styled with a natural waistline accented with Venetian lace, a sheer V-shaped yoke edged in matching lace with scattered embroidered flowerlets, and a stand-up collar of the Venetian lace, that her sister, Mrs. Tommy Seymore, wore at her wedding. The bride's bouquet was yellow roses centered with a lift-out orchid corsage, baby's breath and stephanotis.

As she came down the aisle, she kissed her mother and presented her a long-stemmed yellow rose. "Something borrowed" was an old veil, blue garter, her gown was "something new," and she wore pennies in her shoe.

Matron of honor was the bride's sister, Mrs. Seymore. She was attired in a pastel green floor-length gown with flocked flowerlets fashioned with empire waistline and wedding-ring collar trimmed with ribbon.

Bridesmaids were Kathy Campbell, who was dressed in blue, and Melody Poe, sister of the bride, dressed in pink. Their attire was the same as that of the matron of honor. They each carried nosegays of rainbow-colored carnations, baby's breath stephanotis and ribbon.

Nita Whiteaker sang "The Wedding Song" and "Whither Thou Goest" and was accompanied by Mrs. Randy Humphreys on the organ. Prior to the ceremony, Mrs. Humphreys and Mrs. Kathy Jayhau, pianist, alternated playing traditional wedding music.

Best man was Steve Fain of Dell City. Groomsmen were Roger Karr and Cameron Morgan. Ushers were Brett Poe, brother of the bride, Steve Ritchie, Derwin Beauchamp and Mike Hill.

Candle lighters were Michelle Hanna and cousins of the bride, Tina Butler and Theresa Butler both of Conroe. Their dresses were also in colors of the rainbows. Registering the guests was Linda Gohlke, sister of the groom.

For her daughter's wedding, Mrs. Poe wore a beige floor-length gown, orchid corsage and white accessories.

As the couple left the church, they paused for the bride to present the groom's mother a yellow rose. The groom's mother was attired in a floor-length gown of beige and wore an orchid corsage.

The bride's table at the reception was covered with a floor-length white chiffon cloth over satin and was decorated with a silver candelabra holding pink candles and rainbow-colored flowers, greenery and baby's breath.

Serving the three-tiered white wedding cake decorated with rainbow-colored flowers of icing and topped with a miniature bride and groom, fruit punch, mints made by the groom's aunt, and nuts from crystal and silver appointments were Ann Poe of Denver City, Bernadette May and Sonja Kerbe of Farwell.

The groom's table was laid with a blue denim cloth and decorated with the groom's hat which held the bridal bouquet. The chocolate-iced double-layered horse shoe-shaped cake, edged with green icing, with the couple's names lettered in yellow, was served with coffee, mints and nuts by Sherri and Carolyn Hobratsch of Littlefield, and Sheryl Gohlke of Farwell.

Distributing the rice bags at the reception was Leann Conley and Diann distributed the scrolls.

Women in the houseparty were Mrs. Leroy Young, Leonard Pierce, Louis Kessler, and Mrs. Liza Kaltwasser. The rice bags were in forms of flowers with the rice bag forming the center of the flower and were placed in a topiary tree.

For the honeymoon trip, the new Mrs. Gohlke wore a green-knit western suit with a white shirt and the orchid corsage from the bridal bouquet.

Mr. and Mrs. H. E. Gohlke hosted the rehearsal supper of the wedding party May 20 at their Littlefield home when barbecue and all the trim-

LEADER-NEWS ASKS:

Who's your favorite hero?

WILAH RODGERS asked our readers who their favorite American hero was and present. It was a question that stumped some, but after a long time it was apparent that recent publicity, scandals concerning heroes have done their part to disillusion people if not their faith in our heroes.

PAT BEHNKE said, "I know if I have an American hero, it's Samuel. He's hero is Samuel because he was fired, because he started the massacre by firing a gun behind a billboard. I appreciate William F. Garrison because he was a hero." Pat said. She is a secretary of Sacred Heart's hero is Samuel because he was fired, because he started the massacre by firing a gun behind a billboard. I appreciate William F. Garrison because he was a hero.

When asked to go way back to the fourth to fifth grade and name an American hero out of the past, he named John Kennedy. Ahh, youth! DANIEL BANNER While visiting at the barber shop, we posed the same question to Babe Banner and Craig Ratliff. "Dr. Salk is my national hero," Banner said, "because of his polio vaccine." CRAIG RATLIFF Craig Ratliff had to think a long time before he answered. "There are so many I don't know who to pick," he said. "Benjamin Franklin is the one I'd pick from the past because of his knowledge and inventions. And a present hero is Jerry Lewis because of what he's done for muscular dystrophy."

ANDY ROGERS College student Andy Rogers picked Davy Crockett after only a moment's hesitation, "because he killed a

quarterback there is," Bagwell said. "You bet I'm a Dallas Cowboy fan."

GARY DONATHAN A barber at City Barber Shop, Gary Donathan, in rapid succession nominated John Wayne, Staubach, Fran Tarkenton and Bobby Riggs, then narrowed it down to Riggs.

"Bobby Riggs is my hero," Donathan said, "because he is a male chauvinist pig, that's why."

PHIL HARGUESS The young associate minister of the Crescent Park Church of Christ, Phil Harguess, picked Abraham Lincoln for a hero out of the past. "I liked what he stood for," he said. "he was an honest politician. We don't have too many any more."

"I don't really have anyone I'm that impressed with enough to name as a present hero," he added.

WANDA GOSS "My first thought is to name George Washington," said Wanda Goss, a pastor's wife. "but they keep digging up scandals about him, too. I guess I'd have to name him, anyway. He was the father of our country and a great leader."

"I think a lot of the things that are being dug up about our historical leaders is just a plot to undermine our faith in everything and everybody."

"I'd have a harder time naming a present hero. Most of them don't even bother to deny they're rotten. I'm sure there are plenty of good men, it's just the bad ones we read about."

Senior Corner

By DON PITTS Littlefield needs a meal program for Senior Citizens. The Dunbar Club has started to sponsor one on a limited basis.

Last month when we delivered a meal to a man he started to cry. He was having coffee and a piece of toast for lunch.

There are older people in our community, who, because of physical disabilities, financial problems or just loss of interest in cooking for themselves, are not getting a good meal.

Littlefield had at one time a "meal on wheels" program. The program died, partially because of a lack of community money to support it.

The Dunbar Club, one of the Senior Citizens groups in town, has started to sponsor a meal on a once a month basis.

Community Action, the Early Risers Lions Club, The Rotary Club, the Methodist Church and some individuals have decided to support the meal. A meal is distributed from the community action building and is delivered to the homes of those who request it.

The next meal is scheduled for Monday, June 7, at 12 noon. A 50-cent donation is

requested for those who have it. No one is refused.

More support is needed to serve more than just once a month.

A monthly pledge or a single gift from a church, club or individual could make the difference.

Ladies to cook on a once-a-month basis and drivers to deliver the meals are also needed. Call me at 385-5425 if you would like to help.

BULA

A SENIOR CITIZEN'S party was given at the Enochs-Bula Community Center last Friday night. The Home Demonstration Club ladies were hostesses. Mrs. Ann Sinclair supplied the piano music, and singing and playing games were led by Mrs. Dorothy Nichols. Cake, cookies, coffee and ice tea were served with the fellowship. There were about 30 who attended.

MR. AND MRS. John Blackman attended the funeral Wednesday afternoon in the Greggs Funeral chapel, Amarillo for his aunt, Mrs. Verna Edwards of Amarillo. They drove to Clarendon Tuesday and spent the night Tuesday with his brother, Mr. and Mrs. Roy Blackman.

Sudan Dribblers make nationals

Place second in Dalhart tourney

The Sudan major league girls Little Dribblers came away from the West Texas layoffs in Dalhart last week with a second place finish and a berth in the national tournament at Levelland.

Sudan was 3-2 in the Dalhart event played Wednesday through Saturday. Their only two losses came at the hands of Hale Center, which won the division and will be a favorite in the national tournament which started yesterday.

Sudan's minor league all-stars went 2-2 in the tourney and finished fourth in the seven-team field.

The major league all-stars opened the tourney with a 27-15 win over host Dalhart. Barbara Wooley scored 12 points for the winners, while teammate Renee Ingle added four more.

In the second round game against Springlake-Earth, Miss Wooley hit for 13 and Sudan won 37-26. Lisa Wood also scored in double figures with 10.

That brought on the first game against Hale Center. Holding a 25-24 lead with just seconds to go, Sudan looked to have a good shot at the victory. But Hale Center dumped in a long-range field goal and pulled out a 26-25 win. Janet Nix scored 11 in a losing cause.

Unfortunately for Sudan, that loss forced them into playing twice on Saturday, the final day of the playoff. They opened at 1 p.m. against Crosbyton and won 39-35 in

overtime behind nine points apiece from Miss Wooley and Miss Wood. Miss Nix chipped in six.

In the finals at 7:15 Sudan never hit on the right combination and went down to Hale Center 35-17. Miss Wooley again led the weary Sudan players, this time by popping for 11 points.

The major league team consists of Janet Nix, Barbara Wooley, Renee Ingle, Cathy Williams, Shelley Gore, Lisa Bishop, Lisa Wood, Shanda Vernon, Debra Scott, Debbie Hill, Sherbob Taylor and Judy Wiseman. They are coached by Calvin Vernon, LaDelta Vernon and Pam Humphreys.

The minor league squad's two losses came against the two teams who qualified for the national meet—Idalou and Abernathy. Idalou eventually won first place by dropping Abernathy in the finals 23-19.

Sudan opened with a 51-42 win over Abernathy. Then they lost to Idalou 48-28 after knotting the game 17-17 at the half.

In a third-round matchup they whacked Crowell 45-22, then were eliminated by Abernathy 47-38.

Missy Fisher scored 104 points in the four games, a total that topped the minor league competitors. Her high

game was the first round contest against Abernathy when she poured in 31 points.

Bankers rally past Sudan for victory

Security State won their second Jr. Babe Ruth game of the season Friday, but only a wild finish enabled them to beat Sudan 11-10.

Behind 8-3 after five innings, Sudan rallied with seven runs in the top of the sixth to take a 10-8 lead. The Bankers had one last shot to win it in the bottom of the seventh, and responded with three runs for the victory.

Dennis Abeyta ripped a pair of singles for the winners.

Steve Vargas slapped a double, and Fabrian Perez smacked a double and two singles offensively.

John Chester suffered the loss for Sudan, now 3-4 on the year.

B&C PUMP 12 ANTON 1

B&C Pump riddled Anton pitchers with runs in every inning Monday to win their eighth game in a row 12-1.

B&C is running away with the Jr. Babe Ruth title with their 8-0 record. No other team

has less than two losses.

Joe Rodriguez fired a three-hitter for the winners, and Eddie Gregory popped a double and single, Alvin Contreras slugged a double, and Luis Cristan, Richard Soria, Jimmy Clayton, Gary White and Mark Newton each chipped in a single.

Danny Garcia, Zane Ham and Johnny Rendon hit singles for Anton. Tim Oakley was charged with the loss.

Littlefield third in playoffs

The Littlefield girls Little Dribblers turned in some fine performances at the West Texas playoffs in Dalhart last week, but just missed making the national tourney by placing

fourth in the double-elimination tourney.

Abernathy wound up winning the championship by beating runner-up Dalhart 3-0. Dalhart also lost in the national finals in Dalhart, which started yesterday.

"I was real pleased with the way our girls played," said Littlefield coach Brenda Davis. "In our game against Abernathy, we stayed close for the most part and just lost by a narrow margin. They had at least three players taller than our tallest one, and our team played really well to do as well as they did."

Littlefield lost its first-round game to Dalhart Thursday night, but then bounced back with a 2-0 knockout of Bovina.

Friday night against Anton, Littlefield was ahead after one period and led at the half 30-1, and won an extraordinary de-

fensive performance by winning 44-6.

Robin Messer came off the bench in the second period to pour in 12 points. She finished as the game's leading scorer with 18.

Sandra Healy popped for eight, Jamie Lee had six, Bridgett Twitty four, Linda Glover added three, Sally Wilkinson and Pam Fisher notched two each and Gloria Brockington hit a free throw.

The locals faced Abernathy in the semi-finals Saturday, and their opponent's height advantage finally took its toll.

"We were just never able to rebound with them," said Sarah Tollett, president of the Littlefield LD association. "It seemed like all they'd do was bring the ball downcourt and pass it into one of their big girls. One was 5-11, and our tallest girl is just 5-5."

Abernathy jumped out to a 14-7 first quarter lead, and kept Littlefield at arms' distance the rest of the way. They ended up with a 44-33 win.

Miss Twitty's 13 tallies led the locals. Miss Brockington added five, Misses Wilkinson and Healy hit four each, Misses Messer, Glover and Geanice Ward had two, and Miss Lee scored on a free throw.

The new edition of your telephone directory is going to press soon.

If you have only a single listing, a lot of people are going to have trouble looking up other members of your family.

Certainly, your wife deserves her own listing. And giving a teen-ager a place in the directory is a nice way of saying "You're growing up."

To add or change a listing just call our business office. They can tell you how little extra an additional listing will cost.

Summer camp schedules released for Girl Scouts

The Caprock Girl Scout Council has revealed its summer camping schedules and is now accepting camp registration fees, according to Mrs. W. C. Griggs, council president.

Established Camp Rio Blanco is open to any girl age 9 through 17, and day camps at Lubbock, Tule Lake, Floydada, Idalou, Silver Falls, O'Donnell, Brownfield, Littlefield, Levelland, and Friona are open to any girl age 6 through 17.

The first session at Camp Rio Blanco, located in canyonland along the White River near Crosbyton, is scheduled for June 13.

In its five camping sessions, Rio Blanco features swimming, hiking, singing, cooking out, snorkeling, star gazing,

nature study, archery, backpacking, camp skills, and dramatics. In addition, certain sessions will include water ballet activities, primitive camping, water safety programs, and mountain backpacking in New Mexico.

Campers at Rio Blanco will live in covered wagons, tents, or screened shelters, supervised by a qualified camp director, Red Cross swimming instructors, a first aider or nurse, and counselors. Through various outdoor and group activities, the girls learn to appreciate nature and to enjoy working and playing together.

Caprock Council day camps, which have already registered some 600 girls, offer similar activities aimed at promoting camping and craft skills and an

understanding of nature. During day camp sessions, the girls return home each afternoon. The 12 day camps will last for one week each, with the first scheduled for June 7. Special features in Lubbock's day camp program this year will include a sailing unit offered by the City of Lubbock Parks and Recreation Department and horseback unit.

Registration fees include: one-week established camp: Scouts \$40; non-Scouts \$45; two-week established camp: Scouts \$60; non-Scouts \$65; day camps range from \$3.50 to \$7.50.

For enrollment and further information interested persons may contact the Girl Scout Council at 2567 74th Street, Lubbock, Texas, (806) 745-2855.

Firemen get rival's help

Fire Dept. needed some help from old rival Lamb Co. Electric Saturday night, and the Electricians were more than happy to oblige.

The Firemen, who lost last week to LCE to drop them to second in the major league, were rooting for the Electricians Saturday against Birkelbach. And when LCE came through with a 4-2 win, Fire Dept. took the undisputed lead for the first time this season.

Boosted by a pair of wins over Rotary and the Lions, the Firemen now own a 7-2 record. Tied in a heated battle for second is Birkelbach and Lamb Co. Electric, both at 6-3.

LAMB CO. ELECTRIC 4 BIRKELBACH 2

LCE broke a 2-2 tie with two runs in the top of the last inning to double up Birkelbach 4-2.

Kerry Rainbolt held Birkelbach to just three singles, and had a big night at the plate with a homer, double and single. Sam Jackson and Derek Twitty knocked two singles each, and Jimmy Sexton and Von Porter both added hits.

Mike Williams, David Medina and pitcher Todd Butler got hits for Birkelbach, which had defeated the Electricians earlier by the same score.

FIRE DEPT. 19 LIONS 12

In a game highlighted by two grand-slam homers, the Firemen jumped on the Lions for nine runs in the first inning and won a high-scoring battle 19-12 Friday.

Leslie Yarbrough slugged a grand slam for FD, while Todd Simpson cleared the bases with a blast for Lions.

Curtis Williams was the winning pitcher, and Clark Pylant helped out with a pair of singles.

Bradley Byers singled for the losers.

FIRE DEPT. 15 ROTARY 3

Curtis Williams ripped a grand slam homer in the third inning Monday to pace a seven-run outburst that carried the Firemen over Rotary 15-3.

Brian Pace picked up the win, while Leslie Yarbrough slashed a double.

Steven Tisdale, Pat Torres and Beate Alzaldia each cracked singles for the Rotarians, who got all their runs in the first two innings. Raymond Sierra was the losing pitcher.

Fireballs overcome weather for victory

game shortened by wind rain Monday night, the Fireballs were named winners of the Roadrunners by an 8-5 score.

Fireballs, now 6-2 on the season and tied for second in the Littlefield Pee Wee league, were ahead 8-2 in the rain hit. Coaches of both teams decided that the Roadrunners would play only five runs per inning by Pee Wee rules, the game would be ahead at the end of the inning anyway and the game was granted the win.

Ristvedt was the winner on the mound. Ray Sierra and Larry Reed, the only girl pitcher, were named MVPs. Reed, the only girl pitcher, was named MVP. The second game Monday was cancelled because of weather.

The Promise Of God

By CARL F. KASTEN

"But where sin abounded, grace did much more abound." Romans 5:20

I have been asked, "what is this world coming to?" "Surely things cannot go on much longer like they are." And I suppose, some people in every generation have asked this same question. So in fear of utter calamity and despair, they crawl deeper into the shell of despondency and close out any possibility of light.

The Bible promises that in the midst of rampant evil, God is at work. In the midst of the darkness of sin, crime, violence, false religions, materialism, political corruption, and moral misbehavior in the lives of government leaders, God's light is shining. The darker the night, the brighter the light shines.

At no time in the history of Christendom, has there been a greater opportunity to hear the message of the Gospel. Every church in town attests to the fact, there is a light.

Every book store has a variety of Bibles, Christian reading, Children's Bible

McGavock at 652-3461.

Positions on the street will be assigned by a drawing. Owners of all booths are asked to donate ten percent of their profits to the Floyd County Fair Board Association which is sponsoring the rodeo in Lockney June 18-20.

GOD IS SPIRIT

Men are not to be too heavily censured for thinking of God as having the body of a man, though we know He is a Spirit.

Too many times, in an act of praise and worship, figures of speech leap to our minds which, in a physical way, describe a great and powerful act of God.

Moses said God wrote the Ten Commandments on stone with His finger! Daniel saw fingers writing on the wall of the palace! And Jesus, in Luke 11:20 says, "But if I with the finger of God cast out devils, no doubt the kingdom of God is come upon you."

No, men ought not to be too severely criticized when they are taught by Him to say, "Our Father, who art in heaven."

-Paul M. Stevens

Incoming Early Risers president Barton Spencer presented a plaque to outgoing president Larry Sanderson, in recognition of his service to the club, and Linnie Sanderson received a gold Lion pendant with the Lions International emblem on it.

Early Risers Queen Cindy Drake and Sweetheart Debbi Burks presented a gift to Governor Jim Johnson.

The two new presidents, Al Scott and Barton Spencer jointly rang the gong on the Lion bell to close the meeting.

Special guests for the meeting were Linnie Sanderson, Charla Johnson,

Kay Powers, the District governor's wife, Charla Johnson and their son, Chris; and Lavonna Sanderson.

Special guests of the Sudan Lions were Cindy Moss, queen; Bernadette May, sweetheart and incoming queen, and her escort Stanley Miller; and Lauri Harper, incoming sweetheart and her escort, Mart Davidson.

Special guests of the Early Risers Lions Club besides the queen and sweetheart were Karen Carter, Peggy Vandiver, the club's cook; and Joella Lovvorn of the Leader-News.

Serving as master of ceremonies for the evening was Robert Powers, outgoing secretary. Singing was led by Bob Bryant of the Sudan Club, the "Pledge of Allegiance to the Flag" was led by Early Riser Bill Weige, and the invocation was led by Early Riser Jack Peel.

The Sudan Lions Club was organized by the Early Risers seven months ago, and has raised more than \$3,000 for the Sudan community and state and national Lions Club projects.

Among local projects undertaken by the Sudan Lions Club are: Collected 135 pairs of used eyeglasses to be distributed by the District Eye Bank;

purchased eyeglasses for two elementary students; purchased vent-hood for the stove in the community center, provided labor to paint the community center; prepared and hung Christmas decorations for the city of Sudan; sponsored a toy drive and distributed them to the needy; donated a trophy to the Sudan Basketball tournament; helped with a broom sale for the Lighthouse for the Blind; collected funds for the Eye Bank Drive; donated \$1 per member (approximately 44) to the Area Livestock Show in Littlefield; purchased uniforms for a Junior Babe Ruth team; donated towards a trip for Little Dribblers teams; and was the steering organization for the Sudan Bicentennial Celebration which is set July 3.

The Early Risers Lions Club has existed three years and has raised and circulated more than \$10,000 for community service projects.

The Early Risers' membership increased from 32 to 58 members recently, raised more than \$1,200 for the memorial tennis courts at the school, erected a new marquis at the new Lamb County Ag and Community Center, chartered the Sudan Lions Club, raised \$640 in a stew supper, raised \$200 in a bake sale, donated \$100 to the Satellite School, solicited 500 pairs of eyeglasses to be given to the needy in Central and South America, raised \$458 for the District Eye Bank and solicited 40 eye donors, awarded two \$200 scholarships to graduating seniors this May, elected Lion Bill Weige as Eye Bank director for the upcoming year, donated \$60 to the Lions' Crippled Children's Camp at Kerrville, obligated \$500 in funds to the Lamb County Memorial Library Fund, entered Queen Cindy Drake into the District Queen Contest, hosted Distributive Education students and their sponsors to a breakfast, elected Don Stubbs as "Lion of the year", and co-hosted the District Cabinet meeting in October.
