Local People Escape
Lubbock Twister's Harm

Phil Gates, a Littlefield Junior High teacher, and his wife lost everything except the clothes they were wearing when the tornado hit Lubbock Monday night.

The Gates and another Littlefield teacher, Mrs. Marjorie McCown, and her husband, lived in the Tech Village Apartments.

Gates was in Lubbock and couldn't be contacted and Mrs. McCown was sponsoring an end-of-school party with her class and couldn't be reached Wednesday.

Several persons from Littlefield were in Lubbock when the tornado struck.

Ray Keeling was going into town on business and had just crossed the railroad tracks south of the mobile homes sales offices on University when a sales glass suddenly exploded.

Keeling said "as heavy as I am," he wasn't heavy enough at the time, because the rear end of the new auto he was driving was lifted up and fishtailed around.

Then a large piece of tin hit the back of the car, sailed over the top and hit the hood as the back edge of the tornado ripped through the Hub City.

Keeling said he looked across at all the unroofed buildings "And that's when I turned tail and came home," he said.

Lloyd White was in Lubbock when the twister struck. He up until the early morning hours helping people along Avenue Q get their cars from under service station canopies that had caved in on them.

C-C manager and secretary, Mr. and Mrs. Jim Kelly, and their two and 10-year-old sons were in the Town and Country Shopping Center across from Texas Tech when the funnel came down. They went into an ice cream parlor to wait out the rain and hail, and during most

of the tornado stood at the window and looked out, not realizing what was going on until the manager, a brother of J. E. Eller of Littlefield, turned on a portable radio.

"Then we got scared and huddled in the back room on the floor and prayed and everything," Mrs. Kelly said.

Following the storm the Kellys were more than 30 minutes driving their station wagon two blocks. They spent the night in the Roadway Inn, after crunching their way through glass and litter in the darkness. Air conditioning was off and they slept with the door open.

The next morning they found the swimmingpool filled with furniture, and when they went down to the Dunkin' Donut Tuesday morning for breakfast, the business was completely gone.

The Nelson Naylor's were attending a function at the Fair Grounds Monday night and couldn't believe a tornado had hit even when they saw the rear glass in their car gone.

Police wouldn't let persons leave the building for some time because of the downed not wired.

They came home by driving out on the Platinview Highway, and literally dipped water out of their car.

Bryan Edwards reported that a Gold-Master boy's bicycle was taken from the Elementary II building sometime last week. The bicycle was painted gold with silver fenders.

Taken from City Wrecking sometime between Tuesday afternoon and Wednesday morning was a 283-Chevrolet crankshaft. A. D. Ward reported the theft to police.

Nine wrecks have been checked since Tuesday, May 5. Monday, May 11, a 1968 Ford pickup and a 1963 Pontiac coupe were shot two times.

Party Delegates Elected

Returns from Lamb County's Democratic and Republican conventions last Saturday revealed that Lamb County followed regional trends in resolutions from the 18th Congressional District.

Fifteen delegates to the state Democratic party convention were named at the convention and will be headed by Billy Hall, who served as temporary convention chairman.

Jerry Kirby was chosen as permanent convention chairman during the session.

Delegates are J. D. Smith, Curtis Wilkinson, Bob Roden, Paul I. Jones, Glenn Batson, Dickie Hopping, Guy Walden, Don Bryant, Glen Exter, Kenneth Harrell, J. R. Duke, Wilton Bodkin, V.M. Peterman and Vernon Qualls.

Delegates adopted resolutions commending Gov. Preston Smith, Texas National Committeeman Robert Strauss, and

calling for party unity in the November general elections.

Six Republican delegates to the state convention will be headed by Peyton Reese, county and convention chairman of the Lamb County Republican party.

During the convention Saturday, Republicans adopted resolutions which supported President Nixon and law enforcement agencies in the "war against crime;" favored the Electoral College system of electing the President; and favored retaining the voting age of 21.

They also adopted a resolution commending the efforts of Mrs. Margaret Suits and Dr. William Rector in party affairs.

Other delegates chosen were W.E. Thomas Jr., L.E. Sullins, Pat Downs, A.B. Brown and Jim Davidson.

A report to the Republicans showed that the Republican Primary vote this year was increased by 20 percent.

Rifles, Pistols,
Shotguns Stolen

An arsenal was taken in a major break-in of the City Trading Post late Sunday night or early Monday morning.

K. Houk, owner of the business located west of Nelson's Hardware, valued the stolen merchandise at \$1,400.

Missing guns include about 20 pistols, seven rifles and shot guns, a 30.06 with four power scope, and one relic.

Lamb County sheriff's deputies said the business was entered by prying plywood off the north side of the building and knocking in the sheet rock interior.

Trustees Hire
5 New Teachers

Five new teachers were employed and resignations were accepted from three faculty members by Littlefield school trustees as they met in regular session Monday night.

The new teachers next fall will be Mrs. Janice Aaron, sixth grade; Madge L. Cannon, fifth grade; Mrs. Mary Barton, first grade remedial reading; Marilyn P. Blessingame, special education; and Mrs. Patricia Tripp, girls physical education.

Two of the teachers, Mrs. Aaron and Mrs. Cannon, will be graduated from Texas Tech in May, and a third, Mrs. Tripp, received her degree from the same school last December.

Mrs. Aaron is a Littlefield resident, Mrs. Cannon resides at Bula and Mrs. Tripp at Whitharral.

Mrs. Barton, of Littlefield, is now teaching in the Amherst remedial reading program, and Mrs. Blessingame is now teaching fourth grade at Spade.

Resignations were accepted from Mrs. Janelle Trees, special education; Mrs. Martha Shackelford, fifth grade; and Mrs. Grace Smith, first grade remedial reading. All three resignations are effective at the end of this school term.

In other activity, the board approved the final day of school this term as Wednesday, May 27, one day earlier than originally planned, and heard plans for the annual summer maintenance program.

Also approved was a revision in the policy in the use of the school cafeteria by non-school-related organizations. The board rules such organizations must use cafeteria preparation of meals when meals are served, and that no outside catering may be used.

School-related banquets may be prepared by the cafeteria staff, or may be catered, as in the past.

Trustees authorized installation of two outside lights near the band hall, for added protection against burglary or vandalism.

One certain trip for band members and two other possible jaunts, received board approval.

Approximately 30 Littlefield Junior High and High School bandmen will be going to Austin for All-State tryouts May 28. The board okayed the trip in the school's maroon-and-white bus.

A trip for the entire Wildcat band which is allowed every third year was approved for next year by trustees if the band meets award-winning requirements set up under the plan.

And a possible trip for this year's Junior High Band next February to the Texas Music Association Convention was okayed by the board. A tape of the band's Division I concert performance has been sent to TMA officials, and if LJHS is invited as the band to represent this region, the band will be allowed to go.

Local Bands Set
Concert Tonight

"This Wonderful world of Music" will be theme of the annual spring concert by the Littlefield bands Thursday, May 14, at 7:30 p.m. in the Junior High Auditorium.

The award winning Junior High Band will open the concert with a tuneful rendition of "Tara Theme". "Amparito Roca March", "Mancini", and "America."

Next on the program will be the sixth grade Beginning Band. They will play "Beginners Tango", "Concord Stage", "Grandfather's Clock", and "Entry of the Lancers."

Immediately after the beginning band's portion, the Junior High Stage Band will take the spotlight with "swinging" arrangements of "Coo's Blues", "I Can't Get Started", and the "Waddle."

"Gallant Eagle March", "Theme and Variations", "La Nuit", and "Born Free" will be the offering of the seventh grade Intermediate Band, next on the program.

The evening's concert will be climaxed by the one hundred-piece Wildcat Band. They will present "Selections from Victory at Sea", "Puerto Alegre" (Port of Fun), and "Cherish."

MRS. DAN COTHAM planned to park in front of Sprouse-Reitz Variety and go to the drug store to get a prescription filled about Saturday noon, when the car she was driving jumped the curb and plowed through Sprouse-Reitz's two glass doors and plate glass display window. Damage to the building was estimated at \$900 and \$300 was estimated on the car. Mrs. Cotham was treated at the Littlefield Hospital and released.

EDITORIALS

Sound Familiar?

(Editors Note: To the best of our knowledge, this article was first printed in the Bartlesville Examiner-Enterprise in 1919. It was reprinted again in 1946 in the New World News, after the Florida attorney general secured it from a known member of the communist party, who acknowledged that it was then still a part of the com-

munist program. The Leader-News reprints it from the Dec. 1969 issue of "The Texas Freemason.")

In May of 1919, at Dusseldorf, Germany, the Allied Forces obtained a copy of some of the "Communist Rules for Revolution". Nearly 50 years later, the Reds were still following them.

Communist Rules For Revolution

1. Corrupt the young; get them away from religion. Get them interested in sex. Make them superficial; destroy their ruggedness.
2. Get control of all means of publicity, thereby:
3. Get people's minds off their government by focusing their attention on athletics, sexy books and plays and other trivialities.
4. Divide the people into hostile groups by constantly harping on controversial matters of no importance.
5. Destroy the people's faith in their natural leaders by holding the latter up to contempt, ridicule and disgrace.
6. Always preach true democracy, but seize power as fast and as ruthlessly as possible.
7. By encouraging government

8. extravagance, destroy its credit, produce fear of inflation with rising prices and general discontent.
9. Incite unnecessary strikes in vital industries, encourage civil disorders and foster a lenient and soft attitude on the part of government toward such disorders.
10. By specious argument, cause the breakdown of the old moral virtues--honest, sobriety, self-restraint, faith in the pledged word, ruggedness.
11. Cause the registration of all firearms on some pretext, with a view to confiscating them and leaving the population helpless.

THAT IS QUITE A LIST, isn't it? Now, stop to think--how many of these rules are being carried out in this nation today?

LITTLEFIELD AREA RESIDENTS sympathize with Lubbock residents who suffered severely from the tornado that hit the Hub City Monday night. Knowing the progressiveness of this South Plains city, and the helpful nature of West Texas and good American neighbors, we wish everyone the best in restoring Lubbock to a bigger, better and more progressive city. What Our Readers Think

Now We Know

Dear Editor,

Did you know an Amherst boy qualified at the state track meet in Austin as a polevaulter?

Eddie Myles won fifth in state.

Did you know an Amherst boy qualified at the state track meet in the 100 and 220-yard dash?

Key Lee Young won fifth in both of them.

Did you know Amherst has a girls' mile relay team at the state track meet at Abilene this weekend?

Shirley Chillard, Kathy Tomos, Doris Kirtvel, and Rita McAdams are members of the team.

Did you know an Amherst girl is running in the 200 yard dash in the state meet?

Doris Kirtvel runs in the state meet.

Did you know that Claudia Cook represented Amherst in the literary events at number seven held in Lubbock.

Charged Twice

May 9, 1970
Dear Mr. Turner:

I wonder if any of your other readers have had the same unhappy experience our family had when we went to the movie last night.

Our daughter and some of her friends left the theater for about ten minutes and when they returned they each were charged another dollar to get back in.

When my husband returned after the movie to try to clear up what we thought must have been a mistake, the manager's wife admitted that she saw the girls when they went out, but they didn't "ask permission", so she refused to return the money.

Isn't it think any business should charge twice for the same item or service, and isn't it help but wonder how many times a week or a night that this same thing happens.

Wouldn't it be more business like and honest for them to return stubs to you when you go in with your ticket at other theater, auditoriums, and coliseums?

YESTER'S S NOTE: Name of the writer, which was signed at the bottom of the letter, has been withheld on her request. To prevent further embarrassment to my daughter.

HOMINY GRITS

By CORNBALL BLEVINS

I'M NOT SO SURE that the president's plan of troop withdrawal from the battlefield is going to be so popular, after all--Of course, I'm aware that the opinion of some of his critics is that it'll NEVER HAPPEN the way he's planned it.

But I'm still of the opinion that the president is sincere, and confident that he can turn the trick, if the radical and MILITANT DOVES don't wreck his plans, before he has a chance to carry them out!

IT'S A FUNNY THING about the colleges of this day--They seem to be more strict than the schools of yesterday--even many of the freshmen, are suddenly, experts on affairs of state!

ONE THING I'm sure of is: that the way to save the ship of state,

is surely, to blow the bottom out of it!

The president may be mistaken, or wrong in his decisions, but he is STILL PRESIDENT!--No one is wise enough to know for sure, until a plan has been tried, if it will work, or not work.

Seems we can be magnanimous with everyone but our high officials.

THE REASON I say that the withdrawal plan may not be so popular is that the troops being withdrawn, may not WANT TO COME HOME!--When they take a close look at this country they've been fighting for, they may decide they don't want it!

AT ANY RATE, it seems unfair to call the president a liar, subversive, or a selfish double-dealer until he's proven that's what he is!!
When he does, I'LL HELP YOU!!

A WOMAN'S VIEW

Loneliness

By PEARL BRANDON

"FOXES HAVE HOLES, and the birds of the air have nest; but the Son of Man hath no where to lay his head."

The day Jesus said this, He must have been comparing Himself with other men. He was a lonely wanderer, going from place to place serving mankind.

WE THINK OF JESUS as not having the feelings of ordinary man; that he enjoyed living the solitary life.

That he enjoyed opening the eyes of the blind, casting out Devils and healing the sick.

I think he did. He never complained, but there must have been times when He longed to be like other men and to have a life of His own.

AS FAR AS WE KNOW, Jesus never earned any money or had anything of His own. All of us need a little money; our clothes wear out and we have to replace them--We need a chair to sit on and a bed to sleep in.

When the weather is bad we need a roof over our heads, and we have to eat. Jesus had none of these. He had to depend on other people for everything he needed, even the clothes he wore.

NIGHT MUST HAVE FOUND him many times with no place to go. When no one invited him to their homes, he must have wandered up

the mountain-side to spend the night in prayer.

As he looked down on the villages where men lived with their families He must have suffered great loneliness.

HE KNEW HE was the Son of God, but He was also a son of the human race and had like desires of other human beings.

He knew His destiny and shirked not His duties, but some of the hardest things He had to bear must have been not belonging anywhere, or having anything of His own.

HE COULD HAVE had everything. He had the power to take a few fishes and a little bread and feed a multitude of people.

He could turn water into wine, he did not use any of these things for himself.

He chose to walk the lonely road, to follow His own destiny, even to death on the cross.

HE ADMITS US to think not of what we shall eat, or what we shall wear, but to seek God and His righteousness and all these things shall be added unto us.

This Jesus Christ had nothing, yet He promised everything to us. "The Father knoweth you have need of all these things. . . ask and you shall receive, seek and you shall find; knock and it shall be opened unto you."

THE ABUNDANT LIFE

Life Not Futile

By BOB WEAR

IS LIFE FUTILE? Some say that it is.

Obviously, based on much of the observable behavior, many persons say, "Yes, life is futile."

This is a sad conclusion, and an unjustified one.

Of course, the degree of futile feelings may vary from little to a degree beyond the point of no return.

SOME SEEK FUTILITY as inevitable. For some reason or reasons, they set themselves on this course of life.

They do not even take the hopeful way when it is pointed out to them.

It is almost as if they think they have been born to some sort of cruel fate.

LIFE IS NOT ALL SUCCESS for anyone. There must be some failure. Our days are not all sunny.

There are some shadows in each life. Living is not a constant experience of happiness. There is some sorrow.

Life is not a series of related achievement and fulfillment. There will be some setbacks and disappointments.

At best, living is a mixture.

THIS MIXTURE of the desirable and undesirable is often misconstrued. In some way, the undesirable is seen all out of proportion.

It gets bigger and bigger until the life perspective becomes unbalanced. The feeling of futility grows.

The people, intentionally or unintentionally, feed it.

THE SENSE OF FUTILITY must be fought constantly. It has a kind of fascination, unique to its nature.

It attacks the weaker elements of our humanity.

More than this, it makes us weak. The encouraging fact is that it can be resisted; it is not invincible.

THERE IS A STRONGER POWER than futility.

PAUL HARVEY

Science Fiction?

ANYTHING MAN can imagine he can invent.

Historically science fiction has become science fact in 10 years from today.

WE CAN PROVE IT.

The evolution of man learning to fly has spanned only 66 years from Kitty Hawk to the moon!

It's been just 42 years since Lindbergh's first solo transatlantic flight.

TODAY A JETLINER carries an average 100 passenger at 30,000 feet, above the weather, at 600 miles an hour. And such flights now cross the ocean once every eight minutes.

With each new development in the Air-Space Age, science-fiction writers had raced on ahead to anticipate what's next by about one decade.

AS EARLY AS 1925 the biplane no longer made sense. It was heavier and slower than single-wing aircraft.

The cantilevered, internally monoplane wing on a steel tube fuselage was more efficient--but you could see the single-wing plane only in science-fiction, while aircraft builders and buyers stubbornly resisted the inevitable improvement.

THEN CHARLES LINDBERGH with his 'Spirit of St. Louis' and Henry Ford with his tin goose broke the ice--others followed--and by 1945 there was hardly a biplane in the air, either civilian or military.

Meanwhile, the dreamers had again rushed on ahead to anticipate "flying boats."
By the time amphibious aircraft were a reality, man's imagination

It is called hope; or anticipation or confidence; or expectation; perhaps you call it faith. It is of these and more.

It is life; life that honors Creator who gave it; the life is life indeed.

A PROPER SENSE OF life is the difference between futility and hope.

This is the matter of our personal choice. If we choose inferior life values, we are choosing a sense of futility. There, however, a better choice.

We can choose the time-honored and time-honored life values, the spirit of faith and confidence which make life worth the living.

LIFE IS NOT FUTILE unless we choose to make it so, or through carelessness, we just drift our course into the bogs of futility.

Assuming that life is futile, can be no other way, is a false assumption. It is senseless condemnation.

THE DOMINANCE of materialism in a life will inevitably produce the natural fruit of futility.

It is a life that tries to live on bread alone.

A creeping malnutrition develops and devalues the individual until the feeling of futility is over.

LIFE REALITY IS MORE physical matter.

It is impossible to explain being and processes and phenomena (manifestations) or results matter.

The highest values and objects do not lie in a material world or in the furtherance of material progress.

TRUE REALITY INCLUDES spiritual values.

These values comprise the enduring reality.

When we give priority to these values, we live a life of faith, hope, and meaning. This life is not futile.

had reached into the future of helicopters and jet engines.

EVOLUTION, at its most accelerated pace, is agonizingly gradual the visionary.

For example, it made no sense all for industry to waste money time developing and marketing intermediate prop-jet.

Aviation writer were ready the era of jet flight 10 years before the manufacturers and the public were.

AS EARLY AS 1937, science-fiction illustrators were sketching "rocket planes."

It was 10 years later--October 1947--before Chuck Yeager straddled one of these flying blowtorches, his bristles and flew through sound barrier into the era of supersonic flight.

Now, what next?

AVIATION PIONEER George Loening says again, inevitably, aviation is lagging behind where it ought be--by 10 years.

We are proceeding with development of bigger airports, longer runways farther from town.

BUT JUST AS the dreamers rush on ahead of the doers to accept earlier innovation, the pages of science-fiction publications today the dawn of 1970, are showing a graphic picture of your future in 1980.

Airplanes are taking off and landing straight up and down, minimizing air traffic congestion, reducing most hazards to nil, bringing air transport back downtown where it belongs.

THIS IS THE inevitable future. But equally inevitably, we will spend most of the next decade sitting on a nest of stale eggs.

lided in the intersection of West Third and South Westside. The Ford, driven by Danny Melvin Harrell of Littlefield, was traveling east on West Third and the Pontiac, driven by Nathan Woods of Littlefield, was traveling north on Westside. Both drivers claimed they had the green light.

Sunday night, a 1965 Chevrolet, driven by Mary Nino Rios of Littlefield, was traveling west on East Ninth and a 1966 Chrysler, driven by Grace Swinney Findley of Littlefield, was traveling south on Farwell Avenue, had stopped at the stop sign, didn't see the Chevrolet, and proceeded into the intersection.

Early Sunday morning, a 1955 Chevrolet, owned by Esquiel Estorga of Littlefield, was parked at the curb on West Ninth, when a 1968 Plymouth, driven by Charles Winston Holt, struck it in the rear and knocked it 75 feet into the yard of the next residence.

Saturday morning, a 1962 Ford pickup, driven by Henry D. Sims of Littlefield, had just backed out of a driveway onto West Ninth and was attempting to proceed east on Ninth, when a 1967 Ford pickup driven by Billy Dwayne Ricks of Littlefield came from behind and struck it in the rear. Ricks said the sun was in his eyes and he could not see the other vehicle.

Early Saturday afternoon, Mrs. Lida Thompson Cotham of Littlefield was driving a 1965 Buick north on Phelps, and made a right turn to park in front of Sprouse-Reitz Variety Store. The car jumped the curb, hit two glass doors, a plate glass window and brick front. The entire front of the Buick was damaged and Mrs. Cotham was treated at Littlefield Hospital for what were thought to be minor injuries.

Thursday night, a 1961 Chevrolet, driven by Benito Guzman Trevino of Hart, was traveling east on West Third and a 1962 Ford, driven by Myrtle Christine Minor of Littlefield, was traveling west on West Third and made a left turn into the path of the oncoming vehicle, and the two collided.

Wednesday morning, a 1963 Pontiac, driven by Francisco Mendoza of Littlefield, was traveling east on East Sixth, when a 1967 Dodge, driven by Vertner Stokes Newman of Enochs, was traveling north on Twitchell, had stopped at the stop sign then started across East Sixth into the path of the Pontiac.

Tuesday night, a 1956 Chevrolet, driven by A. Z. Dunn was backing out of a driveway on South Westside Avenue, was struck in the rear with a 1963 Oldsmobile, driven by Richard Max Houk. Neither of the drivers saw the other vehicle.

Earlier Tuesday, a 1970 Chevrolet pickup, driven by Walter Merton Kesey of Littlefield, and a 1960 Oldsmobile, driven by Jimmy Leon Gray of Littlefield, collided near the intersection of U. S. 84 (Business) and FM 54 near the railroad.

Both vehicles were traveling west on FM 54. The Gray vehicle had stopped at a stop sign when the Kesey pickup struck it in the left rear fender. After the collision, Kesey continued across highway 84, went west on FM 54 and then to residence at 111 E. 19th.

'Whisker' Gifts Sent To Two

Fly Thornton and Jim Vandenburg recently received souvenir "walrus whisker" tooth picks from Ouida Paden of Fairbanks, Alaska.

Mrs. Paden visited in Littlefield recently with her mother, Mrs. Grady Simpson, and heard the two discussing the Alaskan frog recruiting problem for the National Frog Jumping competition.

She said, "We do appreciate your sympathy on our behalf, so I'm sending you and your partner a gift to last a lifetime. The conservationist won't let us develop our oil, so we have to utilize our national resources even to the last whisker!"

The Padens have lived in Alaska the past 22 years, but "I still enjoy visiting Texas though," she concluded in her letter.

BOY SCOUT TROOP 600 has recently been organized in Littlefield, and is being sponsored by First Baptist Church. 5 MILLION VETS MORE ALLOWANCES
More than five million veterans were insured during 1969 in five government life insurance programs valued at \$38 billion, the VA reported recently.

More than 777,000 veterans, servicemen, wives, widows and children will receive increased educational allowances under a bill signed recently by the President, according to the VA.

Newly Organized Troop Goes On Sunday Outing

Seven Littlefield boys attended church services Sunday, Mother's Day, at First Baptist Church, where they were recognized as members of Troop 600 Boy Scouts.

The church sponsors the troop, and members meet every Thursday from 7:30 to 9:30 p.m.

Following church services Sunday, the Scouts ate at a drive-in and went bowling at Lamb Bowling Lanes.

Those present for the Sunday outing were Greg Bruton, Bruce Harlan, Paul Harlan, Quinn LeBoeuf, Chuck Robinson, Richard Rogers, Paul Williams and Scoutmaster Bill Yohner.

Two Woodman Rangers, Chuck Robinson and Richard Rogers, presented the newly organized Scout troop with American flag in behalf of Woodmen of the World Camp 3871 of Littlefield.

The simple ceremony explained the origin of the meaning of the stars, stripes and what the colors stand for.

The presentation was made during the troop's first meeting, Thursday, May 7.

VA Chief Donald E. John says volunteer workers contacted more than nine million hours of service last year at 166 VA hospital and outpatient clinics. Yet more volunteers are needed.

Baptists Schedule Camp Meeting Day

An "Old Fashioned Camp Meeting Day" is being planned by members of First Baptist Church May 24.

R.G. Lee, well-known Baptist minister, will preach for the service under "The Big Tent" on the back parking lot facing Seventh Street, south of the church.

Directing the singing for the day's events will be Joe Frusell of Brownwood.

The day's special service begins with Sunday school 9:30 a.m., with a goal of 100 set for attendance. At 10:30 a.m. classes will be dismissed by the tent, and at 10:30 an evangelistic service will begin.

R.G. Lee, now residing in Memphis, Tenn., still does evangelistic preaching throughout the Southern Baptist Convention. He was a lifetime pastor of Bellevue Baptist Church of Memphis, Tenn., and has preached around the world to millions of people.

Joe Trussell has been leading singing for more than 30 years to the accompaniment of his wife at the piano.

A basket "dinner on a ground" will be served at 1:30, and beginning at 1:30, an old-fashioned singing service featuring quartet and by singing, will be conducted.

Night services will be cancelled.

United Vacation Church School Is Shaping Up

Plans are getting underway concerning the United Vacation Church School which will be held June 8 through June 12.

Members of the participating congregations, United Methodist, St. Martin's Lutheran, First Presbyterian, Salvation Army, and First Christian, are impressed with the program planned.

All children in (or visiting in) Littlefield are urged to make plans to participate in the school.

Theme for the school is "Neighbors!"

In addition to the material which will be shared, refreshments will be served and an over-all fun-filled and challenging week is being planned.

While there are presently five congregations sponsoring this event, all congregations in the area are invited to share their children and talents.

For additional information, contact the church office of any of the aforementioned churches.

Co-Op Gin Burglarized

The Farmers Co-op Gin office was broken into Saturday night for the second time in less than two weeks.

Entry was gained through a warehouse door on the east side of the building.

The cash register front was pried off in the gin store, and the cigarette machine was pilfered. About \$60 in store money and \$25-\$30 cash was taken from the cigarette machine. Cigarettes valued at \$250-\$300 were taken and efforts had again been made to enter the office vault.

Hockley County officers investigated Sunday morning.

NOTICE TO BIDDERS

Sealed proposals addressed to the President of the Board of Trustees of the Whitharral Independent School District, Whitharral, Texas, will be received at the office of the Secretary, Whitharral, Texas, until 8:00 p.m. on May 28, 1970, on two (2) separate contracts as follows:

1. A contract for furnishing all necessary materials, machinery, equipment, superintendence and labor for the construction, remodeling and repair of the grade school building, high school building and present gymnasium.

2. A contract for furnishing all necessary materials, machinery, equipment, superintendence and labor for the construction of a new gymnasium of steel and brick construction, and a combination bus barn and agricultural department building of steel construction.

Bidders shall submit their bid on the forms attached to the specifications and must submit therewith a Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of the Whitharral Independent School District, in an amount not less than five per cent (5%) of the largest possible bid submitted on the Project as a guaranty that the Bidder will enter into a contract and execute bond and guaranty in the forms provided within fifteen (15) days after notice of award of contract to him.

The successful Bidder must furnish bonds on the forms attached to the specifications in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the Owner.

The Owner reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid.

Bidders are expected to inspect the site of the work, and to inform themselves regarding all local conditions under which the work is to be done.

Information for Bidders, Sealed Proposal Forms, Specifications and Plans are on file at the office of the Secretary, Whitharral Independent School District, Whitharral, Texas.

Local, Area Schools State Funds Raised

Littlefield and area schools will benefit from an increased per capita support for local school districts.

The State Board of Education last Monday approved the increase from \$114.40 to \$117.65 for each student, based on the census roll.

The lower rate had been based on estimates made in July, 1969. Action came after the Board received a revised estimate from State Comptroller Robert S. Calver, showing \$280 million available for distribution to districts for the 1969-70 school year ending August 31.

Springlake-Earth Hosts Festival

Springlake-Earth School was host Saturday to more than 2,000 band students from 38 schools throughout the West Texas and New Mexico area who competed in the Junior High Band Festival.

Seven sweepstakes winners in the event were bands from Abernathy, Anton, Brownfield, Clovis, N.M., Friona, Idalou and Seagraves. Their bands received a first division rating in concert and sight-reading divisions.

The Littlefield Intermediate band received a division I rating in sight-reading and a division II in concert-playing.

The Intermediate Band is the second largest performing group in Junior High. It is 70 members strong and is made up entirely of seventh graders.

Sight-reading judge was Littlefield High School band director, Phil Anthony.

Concert judges were O.T. Ryan of Plainview High School and Gary Zook of Canyon High School.

Hill's 2-Hitter Clinches Title For Anton Nine

Anton won the 3B baseball playoff at Plainview Tuesday in an 8-0 shutout over Nazareth. Darrell Hill was the winning pitcher, and didn't allow a base hit until the bottom of the seventh inning when he gave up two scratch singles.

Hill has a 4-0 season record and the Anton team has a 6-1 district record.

Hill and James Turnbow got two hits each during the championship game.

Anton is set for the be-district game, but the opponent and site had not been decided at press time.

X-Ray Unit Slates Visit

The Mobile X-Ray unit of the West Texas TB Association will be in four cities of Lamb County this month.

Monday, May 18, scheduled stops are made for Anton and Olton and the following day it will be in Springlake.

It will be in Littlefield all day Thursday, May 21.

SKATING NIGHTLY

MIKE PARSONS of Olton captured second place in the state AA UIL mile run for the second straight year. Parsons posted a 4:19.8, the best time of his career, in the race Friday, and was only four steps behind the winner. This slices off more than five and one-half seconds from his 4:25.4 win last year.

ANTON'S DAVID RODRIQUEZ was second in the state Class B 440-yard dash. Rodriguez's time was 50.1 in the state meet.

Panhandle Game Is Increasing

The rugged and rolling Texas Panhandle is experiencing growth as a major game-producing area of the State.

Texas Parks and Wildlife Department officials point out that nine important game birds and animals in the 33-county Panhandle area have either remained stable in population or have extended their range dramatically in recent years.

Mule deer, white-tailed deer, pronghorn antelope, turkey, quail, sheep, ringneck pheasant, lesser prairie chicken and bobwhite and blue quail are found in many of the counties and all have a considerable economic impact.

Department project leader Dick DeArment of Wheeler reports that the white-tailed deer herd has done well, with some unusually large animals harvested recently.

A total of 1,377 pronghorn antelope have been killed in six Panhandle counties from 1965 through 1969.

Quail sheep released in the Palo Duro Canyon have increased from an original herd of 44 in 1957 to an estimated 600 in seven counties.

Ringneck pheasants are reported to be extending their range, and increases in the

Senior BR '9' Nips Olton, 7-5

The Littlefield Senior Babe Ruth nine had a practice session with Olton here Tuesday night and came from two runs behind to win, 7-5.

Chuck Blevins, Gary Nace, Dennis Cowan, and Keith Slaughter each had a single to pace the locals.

Joe Chitwood had a single for the losers.

Keith Slaughter was the winning hurler allowing only one hit.

Pimentez was the losing pitcher.

Two Tracksters Head For State

Two Littlefield girls racked up 32 points to place eighth out of 24 schools at the state qualifiers meet in Seagraves, Saturday.

Doris Ashley took two first places again as she won the 100-yard dash with a time of 11.3. She also competed in the 60-yard dash and won it with a time of 7.3.

Shirley Durham placed second in the discus with a throw of 97'10", losing to a 101'3" throw to Kathy Whitefield of Wink.

Miss Durham placed fourth in the shot put throwing 33'2".

Both girls will go to state this Friday in Abilene.

Total points for the teams that entered are Borden County, 80; El Dorado, 62; Seminole, 44; New Home, 37; Panhandle, 36; Loop, 34; Ira, 34; Littlefield, 32; Idalou, 18; New Deal, 18; Slaton, 15; Wink, 10; Amherst, 10; O'Donnell, 10; Meadow, 8; Dawson, 6; and Aspermont, 6.

SUDAN'S 440 RELAY made it all the way to state, but their high hopes fell with the drop of the baton Saturday. Jerry Bellar started a step too soon and missed the baton handoff from Jefferson at the third post. Bellar finished the race in the fourth spot, but the team was disqualified.

STEVE OWENS of Littlefield failed to place as a state finalist in the 330 intermediate hurdles, but shows fine form here. Owens best time this year was 39.1. The year's state winner finished in 38.2.

Area Athletes Place In State Track Meet

Anton golfers dropped their first place Class B lead in the UIL state finals in Austin Saturday, but came home with the second place trophy.

Friday, Anton was seven shots ahead of Alief with a 337 total. But the team lost 17 strokes Saturday, and finished second with a 762, nine shots behind Alief.

Mauriceville was third at 822, and Rule was fourth with 840.

Team members were Randy Jones, Tommy Gilbert, James Turnbow, Jeff Hobgood and Randy Herrin.

ANTON'S David Rodriguez grabbed the second spot in the state Class B 440-yard dash. Rodriguez did the 440 in 50.1, bettering his regional time of 51.1, but fell a little short of his 49.7 best time of the year.

Rodriguez took second in the UIL meet behind Gary Pell of Celina, who finished in 50 seconds flat.

SUDAN'S 440-yard relay team members Jerry Bellar, Larry Hanna, Billy Gore and Harry Jefferson, and alternate Roger Bellar had their sights set on the state Class A crown, but were disqualified in the race Saturday after dropping the baton.

Bellar apparently started a

step too quick and missed the baton pass on a handoff from Jefferson at the third handoff post, but went on to run the race anyway.

The fumble dropped the team from a second or third place and they finished fourth, minus the baton and were disqualified.

AMHERST was represented at the state track meet by two athletes in three events.

Eddie Moates placed sixth in Class B pole vaulting Friday with an 11-0. Moates fell more than a foot behind his state preliminary 12-1 jump.

Amherst's Roy Lee Young took two fifth places in the meet. Young was fifth in 100 with a 10.2 time. Joe Young of New Waverly was winner 10.1 and runners from Van Hookett, Alief, and Rule were second, third and fourth 10.2 times also.

Young did the 220 in 28.1 for a fifth place in the finals. James Hampton Celina had the best time of 28.1 followed by three with

Graduating Seniors Plan Interesting Futures

MARY DIANE MANER Mary Diane Maner, LHS cheerleader for three years, is a very active senior girl. Most of her activities were connected with cheerleading, although she participated in other things also.

RITA MAE MUNGER Rita Mae Munger has attended LHS for one and a half years after transferring from Sudan High School.

ALAN LAMAR NEWTON Alan Lamar Newton has attended Littlefield High School for three years. Newton has participated in band for three years. He has also been a member of the stage band for two years.

DONNA JO LUCAS Donna Jo Lucas is planning to attend a vocational school after graduation. Miss Lucas will possibly attend South Plains taking a business course.

JIM McCARY Jim McCary has attended Littlefield High School for three years. During this time McCary has participated in track for one year, basketball for two years and football for three years. McCary has also been active in journalism during his three years at LHS, his senior year he was on the SKAT Staff, as a reporter.

This year, Miss Moreno is the feature editor of the Kat Kater. She won the Forum Award, given to the most outstanding Latin American student, this year.

RANDAL ELBERT MICHELL Randall Elbert Mitchell participated in basketball and football during his three year career in Littlefield High School. He lettered in basketball as a sophomore and received a sweater. As a senior he was awarded a football jacket along with the honors of being named on the All-District Honorable Mention squad.

Along with Miss Maner's cheerleading duties, she also gave her services to the Kat Klub her junior year. Miss Maner was in the Journalism department her junior year. She was a reporter for last year's Gamp Courier.

She participated in the all-school play her senior year. Miss Munger plans to attend South Plains College in the fall and become a secretary.

Doris Ashley on to state in 100-yard dash.

Time Out For Sports

Steve Owens took seventh place in the state track meet held in Austin, May 8-9. Owens ran the 330 Intermediate Hurdles with a 40.3.

Two members of the Littlefield girls' track team participated in the state qualifiers meet held in Seagraves, Saturday.

Doris Ashley placed two firsts Saturday. Miss Ashley won the 100-yard dash with a time of 11.3. She also won the 60-yard dash with a time of 7.3.

Shirley Durham placed a second and a fourth. Miss Durham placed second in the discus with a toss of 97'10". She also placed fourth in the Shot Put with a throw of 33'2".

The girls travel to the state track meet to be held in Abilene, May 15-16.

Shirley Durham hurls discus and shot tomorrow.

Miss Maner has contributed some of her time to the Student Council. She served as junior and senior representative. She was a flute player for the Wildcat Band her sophomore and junior years.

SKAT STAFF The SKAT is edited by the first period Journalism students of LHS and published each Thursday by the Leader-News without expense to the school or taxpayers.

Miss Maner is continuing her education at Amarillo College. She has planned to study to be a dental assistant.

Copy Editor—Cathy Smith. Sports Editor—John Tucker. Reporters—Phil Chambers, Pernicia Savage, Max Hutchins, Jim McCary, Gary Garrison. Advisor—Mrs. Marti Toulmin.

Miss Martinez is a reporter of the Business Club and was membership chairman her junior year. She has been a member of the National Honor Society for two years.

Several awards were presented at the banquet, the Chapter Star Farmer award went

to Pat Boone, Star Greenhand Farmer award went to Ferris Foley and Outstanding Student in Ag went to Stacy Carr. The livestock judging team also received a special award.

The guest speaker for the event was Pete Brown. He spoke on the modern day cotton industry.

Miss Moreno plans to attend South Plains College and study nursing.

CARON RENE KIERCE Caron Rene Kierce has attended LHS for three years. Miss Kierce has been a member of the band two years and a member of the girls' choir one year. She was also on the volleyball team her sophomore year.

During his three years in LHS, Bufus Lee has been a member of Vocational Industrial Clubs of America and Future Farmers of America.

He plans to take IBM computer training at South Plains College and then to Oklahoma Technical School.

He has been very active in athletics. He played football for two years, basketball for three years and ran track for two years.

This year Nace has been a member of the National Honor Society. He has also received sweater awards in geometry, Algebra II, and government.

Nace will attend the University of Houston starting in the fall. He plans to major in biology. After graduation from college, he hopes to become a marine biologist.

Banquet Plans Made For Seniors

Plans for the Junior-Senior Banquet are under way. Every committee is hard at work trying to meet the deadline, May 16.

Committee chairmen were chosen by Mrs. Daphne Smith, junior sponsor. Committees are table setting, Billie Richey, chairman; wall decorations, Dena Reast, chairman; prophesy, Rachel Harlan, chair-

man; and place cards and letters, Steve Berry, chairman. Several juniors are helping pitch in on the committees. Their assistance where needed. Committee chairmen agree that more members needed to meet the deadline.

Mrs. Smith would like many juniors as possible stay after the banquet to clean.

NEWLY ELECTED cheerleaders for the coming 1970-71 season are first row, (left to right), junior cheerleaders Linda Horn and Debra McAnally. Second row, (left to right), are senior cheerleaders Kay Armistead, Kathie McBride and Rachel Harlan.

Littlefield bands have a concert tonight at 7:30 in the Junior High School Auditorium. The admission is 50¢ for students and \$1.00 for adults. The theme is "The Wonderful World of Music" and different from any other concert. Be sure and don't miss it!

Mrs. Blackmon-What is a cannibal?
Kim Wood-I dunno.
Mrs. Blackmon- If you ate your parents, what would you be?
Kim: An orphan.

Policeman: I've had my eye on you for some time now, young lady.
Thriess: That's funny - I thought you were arresting me for speeding.

Young bride: Oh, darling, I'm going to cook and darn your socks.
New husband: Just darn them, please, dear.

Bobby: What grows down as it grows up?
Fackye: Gee, I don't know!
Bobby: Aduck!

2,500 Tech Students To Receive Degrees

More than 2,500 students have applied for degrees at Texas Tech University's commencement exercises May 16.

Dr. Philip Handler, president of the National Academy of Sciences will deliver the principal address at the 8 p.m. exercises in Lubbock Municipal Coliseum.

The list of degree candidates from Littlefield includes:

Bachelor's degrees:
College Of Agricultural Sciences--Haynes L. Melton and James Lewis Settle.
College Of Arts And Science--Judy Fay Penn, Janice Renfro Aaron and Keith Eugene Kisner.

College Of Business Administration--Ruby Arend, David Ross Bawcom, Richard Wayne Breedlove, Carol Sue Nickelson and Randall Lenton Smith.

College Of Education--Frances Carolyn Bawcom and Mary Lu Grant.
College Of Engineering--Clarence John Albus, Jr.

Master's degrees:
Robert Earl Bolton, Master of Education, and Louis Singer Glass, Master of Science in Agricultural Economics.

Changing a pattern observed in recent years, university administrators will honor 1970 graduates, their families and friends at an informal reception from 2:30 to 4 p.m. Saturday, May 16, in the ballroom of the Texas Tech Student Union Building.

In previous years, graduates were honored at separate reception sponsored by the university's several schools and colleges.

VA AND JOBS
The VA is moving to promptly implement recommendations of the President's Committee on Vietnam Veterans relating to jobs, education, loans and other benefits.

Because there's no limit to road hazards, there's no limit to our Road Hazard Warranty.

Shook Tire Company, the largest tire dealer in Texas, has a "No Limit Guarantee" on all Lee pickup tires. There's no limit on months. No limit on miles. No limit as to roads. No limit as to speed.

Stop by Shook soon and see the tires that can take loads of punishment. Our Lee truck tires resist wear and injury. And they have deep treads for extra mileage. Dollar for dollar, you won't find a better tire for your pickup than Lee. Or a better place to buy them than Shook. Because Shook has a heart as big as the Panhandle, and a Road Hazard Warranty to match.

BRANTLEY ANDERSON

LLOYD HOELSCHER

Whitharral Co-Eds Head 1970 Graduates

Lloyd Hoelscher is valedictorian of the Whitharral senior class with an average of 92.95. Miss Brantley Anderson, with an 89.75 average, is salutatorian of the 1970 class.

Baccalaureate will be this Sunday evening at 7 p.m. in the Whitharral First Baptist Church.

Seniors will graduate at 7:30 p.m. Friday, May 22, in the school cafeteria.

Eighth graders will graduate Thursday, May 21, at 7:30 p.m. in the cafeteria.

Joli Grant is valedictorian with a 97.31 average. Eighth grade salutatorian is Terri Howard, who has a grade average of 95.64.

The public is invited to attend, and refreshments will be served following the meeting.

Book Review Set Friday

"I Didn't Come Here to Argue" by Peg Bracken will be reviewed in the Lamb County Library tomorrow morning, Friday, at 10.

The book gives the answers to those who feel a little dizzy on the marriage-go-round with "Notes for Lecturers Nobody Ever Asked Me to Make."

If your generation gap is showing, then hear what Miss Bracken has to say in "Don't Trust Anybody Over Fifteen or Talk to Anybody Under Forty."

For anyone tired of friends who are going to dash off a best seller when they can spare a little time, she tells how to make big money at home in spare time.

And if anyone needs a greater sense of participation in this age of sinning, hear "It's a Funny Thing About Me, But Not Very," in her blending of wit with common sense.

Miss Selma Rae Henry, an outstanding reviewer and head of the catalogue department of the Lubbock County Library, will give the review.

ELIGIBILITY
The VA says both "honorable" and "general" discharge certificates issued by the military service are completely and equally acceptable in determining eligibility for veterans benefits.

It's planting time again, and Yohner's Feed and Seed has everything needed for planting. Planting supplies are plentiful whether for a window box, a garden or several acres.

In the farming department, Yohners have Asgrow and DeKalb grain sorghums and seeds.

Yohners always carry several racks of packaged flower and vegetable seeds. This is the place to get those bulk seeds for gardens, too.

Yohners have seeders for loan when you get ready to plant your grass seed, and spreaders are loaned when you purchase fertilizer here.

Good brand names here include Wayne's Feeds, Fertiloam insecticides and fertilizers and a complete line of Ortho garden care products.

There is even a free booklet to tell gardeners what their problems are and what to do about them.

Gladiolas, and other bulbs are arriving at Yohners.

For better prices as well as finest quality, let Yohners know your needs regarding trees, shrubs, roses and bedding plants. Many of these are now in stock and if they don't have it, they can get it for you.

A new shipment of roses has just arrived, along with a large supply of bedding plants, and a variety of vegetable plants including a plentiful supply of sweet pepper, hot pepper and tomato plants.

If you've got a bug problem or weeds, Yohners can take care of these, too. They have the chemicals to keep down weeds in lawns. And the sprays for whatever is bugging your roses, shrubs, and trees.

Concrete fountains and bird feeders are something new here. There are all kinds of pottery, too, as well as redwood buckets and marble rock for flower beds.

Hose sprayers, hand sprayers, yard tools and sprinkler cans are offered in a plentiful selection, too.

Whatever your feed, seed or gardening needs, go by Yohners. They take a personal interest in your problems.
