When Lingnau got to the door, he noticed the aircraft taking off at the north end of the runway.

On investigation, a tow bar was located in the space where the aircraft was sitting in the hangar.

Stubblefield was contacted to see if he had given permission to take the aircraft, and no one had been given the authority.

City police officers were called and they determined the plane had been stolen. Notification was sent to the Federal Aviation Agency and all stations in Region 5, and the FBI is now making investiga-

## 4-H Gold Star Winners to be honored at banquet

Dina Jo Hampton and Dean Walden are among 38 outstanding 4-H'ers who will be special guests of honor at the District 2 4-H Gold Star Awards Banquet in Lubbock at Coronado High School Monday night.

The program begins at 6:30 p.m. in the high school's cafeteria.

Billy C. Gunter and Catherine B. Crawford, district agents for the Texas Agricultural Extension Service, say some 450 persons, including parents, distinguished guests and special friends of 4-H will be on hand to congratulate the youths.

A boy and girl from each of the 10 counties in District 2 are eligible to' receive this highest county award each year. The award is based on outstanding achievement, leadership and contribution to the county 4-H program.

The event is sponsored annually by the following 12 member-owned electric cooperatives serving District 2: Bailey, Dickens, Lamb, Deaf Smith and Swisher counties, and Lea County, New Mexico. Also, Caprock, Lighthouse, Lone Wolf, Lyntegar, Midwest and South Plains electric cooperatives.

Speaker for the special occasion will be Jim Cobb, general manager of Texas Electric Cooperatives, Inc., Austin.

Senator Kent Hance will be master of ceremonies and Spike Wideman, farm services director for KKYN Radio in Plainview, will narrate the presentation of awards.

Special guests will include parents, adult leaders, Extension Service officials, representatives of electric cooperatives and other supporters of the 4-H program.

To qualify for the special award, a 4-H'er must be at least 13 years of age, have completed at least three years of club work and be currently active in 4-H.

According to the district agents, the Gold Star Award is intended to stimulate winners through higher achievements and to encourage other young people to participate in the county 4-H program.

## **County gets \$425.57** in mixed drink tax

Comptroller Bob Bullock said Thursday he has sent checks totaling \$3.1 million to 300 cities and 190 counties for their share of the mixed drink tax for the July-September quarter.

Lamb County's total tax revenue was \$2,837.11 and the county's 15% remittance total was \$425.57.

'Another \$7.6 million raised by the tax during that same period will remain in the state general revenue fund," Bullock said.

"The total collection for the quarter -\$10.7 million- was some \$1.5 million more than collected for the same period a year ago," he said.

Collected by the Alcoholic Beverage Commission, the tax represents 10 percent of all gross receipts from the sale of mixed drinks.

Bullock explained that his office remits to the counties and cities 15 percent of the total mixed drink tax collected within their boundaries. The balance goes into the state general revenue fund.

The tax is collected and a share returned to the cities and counties on a quarterly basis.

The 190 counties will receive a total of \$1.6 million for the July-September quarter and the 300 cities will receive checks totaling about \$1.5 million.

Total sales reported for other major cities included Dallas, \$17.9 million; Fort Worth, \$4.2 million; San Antonio, \$8.3 million and El Paso, \$4.6 million.

## Officers check offense reports

County officers have had five theft and burglary reports recently

Edgar Schulz reported the theft of a butane hot plate and radiant heater last Friday. Richard C. Martin reported the

theft of a Winchester pump shotgun, a Marlin 30.30, and a High Gain CB radio with upper and lower side bands taken out of his pickup. Emil Birkelbach reported two

black steers and a charolais missing from a farm northeast of Littlefield. Rosa Guthrie reported the theft

of a vacuum cleaner and two wagon wheels taken from a farm house northeast of Spade.

W. T. McCain reported a burglary at a farm house northeast of Spade. Missing were tools and drills valued at \$150 to \$200.

CHRISTMAS DECORATIONS are nearly all in place on Phelps Avenue in Littlefield. A crew from Southwestern Public Service Company worked Friday merning in an

attempt to place this snowman's head atop one of the concrete canopies in the 400 block.

About 7,000 booklets were available this year for distribution to students wishing to compete in the spelling contest, and is sponsored again by the Lubbock Avalanche-Journal regionally.

The practice booklets, featuring a blue and gold cover design, are sold on a first-come, first-served basis to competing students.

Entrants compete on classroom and school levels in oral competition before champions are selected in county contests. The county winners then participate in the regional event.

Classroom and school winners will receive white and blue ribbons, respectively, and county champions will be awarded plaques.

The regional winner receives an expense-paid trip to the National Spelling Bee, slated June 6-11 in Washington, D. C.

South Plains students are eligible to enter the competition if they have not completed the eighth grade and are not older than 15.

A little girl who had been taken to church regularly was asked the question, "Who are the Saints"? Her reply was, "They are the people the light shines through."

For the past 27 years, Girlstown, U.S.A. has provided a home, education, training and security for over 1,300 girls from throughout the United States. This has only been possible because of the people who let their lights shine .... through their support of Girlstown, U.S.A.

Girlstown exists in order to give effective help, food, shelter, clothing, education, understanding and hope to girls from infancy to maturity. Some are wards of the court and products of disorganized homes. They are girls who are experiencing disturbed relationships with schools, or with society, and suffer from emotional or physical neglect.

Girlstown is licensed and nonprofit. Our present cacacity on the three campuses at Whiteface, Borger and Austin is 129. Girls are accepted, when openings occur, on the basis of greatest need and regardless of whether financial support is available. The need is great... we have had to turn away 590 girls since the beginning of this year, who desperately needed help, because we were filled to capacity or lacked personnel to care for them.

We need your participation. Your contribution will go directly to the support of a girl who badly needs your help. Your tax-deductible gift will be greatly appreciated...and again, your light will shine through, illuminating the path to the future for a child in need.

Jesus was a human, but He had the feelings and desires of other men. He must have looked down on the little village below and felt a great loneliness as He saw the lights of the little homes and the men going home to their families and a good night's rest.

He knew that was not for Him as He knew His life was short and soon would die on the cross.

HE WAS a young man and healthy. He must have cried in His heart and said, "Why, Father, why me"

But then He saw the pain, and suffering and sin and knew He was the only One who could bring peace to all men who would receive

He knew one of His men was a traitor and some day would betray Him and turn Him over to cruel men to be crucified.

the father say, "Thou art my beloved son. Be still and know that I am God.

A great peace must have filled His soul at that time and he could live down on the ground and sleep.

Tomorrow would be another day and many people would be waiting to hear His voice or touch His garments.

In Psalm 66 it says, "Make a joyful noise unto God, all ye lands, Sing forth the honour of His name; make His praise glorious. Say unto God 'How terrible art Thou in They works! Through the generations of Thy power shall thine enemies submit themselves unto Thee.

All the Earth shall worship Thee, and shall sing unto Thee; they sing unto thee.

Read Psalm 66. It is a beautiful psalm, but I don't have room in this article for all of it.

NOW, about me, I am still in the hospital, but am much improved and hope to be released in a few days.

Of course, I feel homesick, but it is really very pleasant here, however, there is no place like home.

THE ABUNDANT LIFE

## Appreciate self

SELF-CONCEIT, vanity and such like are not desirable attitudes and personal traits. They are not recommended, because they are hurtful and become barriers between us and others.

On the other hand, self-abasement and related attitudes and practices are just as undesirable. If there is any difference, these attitudes and practices are more undesirable.

IT IS A MISTAKE for us to have an exaggerated opinion of our own qualities and abilities, but it is also a mistake, perhaps a bigger mistake, to sell ourselves short; to fail in the establishment and maintenance of a justified "appreciation of self"

## City rejects proposals from county, state

The Littlefield City Council turned thumbs down on proposals from the County and the State in their Thursday night meeting.

The County had proposed a new ambulance contract. The city rejected the contract summarily and then discussed whether it was the city's or the county's responsibility to provide ambulance service.

Eleven businessmen and residents met with the council to oppose the Texas Highway Department's method for traffic control along the intersections of FM 54. LFD Drive, Phelps and XIT. The proposal would involve placing curbs and medians in front of the businesses

TODAY'S THOUGHT Thanksgiving is a traditional American holiday. The Pilgrims, back in 1621, set the day aside for feasting and to give thanks for their excellent harvest which followed a severe winter. In recent years, even with attempted crop curtailment, our harvests recorded

in the history of mankind. As we give thanks this year and celebrate our stomach satisfying day, we should think of those who hunger elsewhere. Even the clouds must seem sad when they release rain on a people inhabited soil that does not and can not yield even a semblance of meager food in

new, astounding yields; the largest

famine stricken lands. The Pilgrims not only gave thanks for their harvest, they shared their feast with Indians in the area. In our era, a beneficent and kind Creator has made it possible for us to celebrate Thanksgiving every day of the year. Since this is so, shouldn't we give thanks and share our bless-

## **ACP** violations call for forfeit

Any person participating in the Agriculture Conservation Program (ACP) may be required to refund or forfeit payment if that person adopts or participates in an action which tends to defeat the purpose of the program. In such cases, the producer will be required to refund or forfeit all or any part of the cost-share which was paid or would otherwise be due under the program for the year in which a violation occurs.

Violations of this provision include such action as: knowing failure to maintain practices performed with cost-sharing under a previous program; deliberate burning of any annual crop residue; and other willful acts that violates reasonable conservation principles or offsets conservation accomplishments.

Kristi Lynn Kesey, daughter of Mr. and Mrs. C. J. Kesey of Pecos, Tex., and granddaughter of Mrs. S. A. Purdy and Mr. and Mrs. M. V. Kesey, all of Littlefield, was named the 1976 Baylor University Homecoming Queen.

Miss Kesey, a sophomore business student, was chosen from among 47 nominees for the title. She was the nominee for the sophomore class.

She received her crown Nov. 4 at the beginning of a weekend of Homecoming activities, including a parade and football game, as she was escorted by John Kramp, a junior from Garland.

Miss Kesey, 19, is 5 ft., 5 inches, has blond hair and blue eyes, and is a member of Alpha Omega, woman's society club; and is on the club service committee.

He spent three years in the U.S. Army cavalry prior to WWII and 31/2 years in the U.S. Navy in the submarine service during WWII. He has a major's commission in the Civil Air Patrol where he has been chaplain.

## Student Council conducting drive to help the hungry

ANTON- The Student Council is conducting a fund drive this week to help the statewide Texas Association of Student Council's project to help alleviate world hunger.

The state president, Little Cypress-Mauriceville High School chose this as their project for 1976-77.

The funds collected from the candy machine in the main half will all be used for this project. The Council has voted to give the funds collected to Cal Farley's Boys' Ranch, Tascosa.

This emphasizes to students that while they are eating candy and snacks many young people in the world are either hungry or living on marginal diets.

In the council meeting Wednesday, the group decided to be a candidate for the office of parliamentarian of South Plains Association of Student Councils. The campaign theme chosen was "Up, Up and Away, With Anton.'

lia Sanders, residents of Earth, recently made a trip to Ireland, sponsored by Amarillo Hardware

They flew to Dublin, then toured numerous places, including Waterford, Lemerick, Cork, and Galway Bay.

In portions of her summary of the trip, Miss Sanders stated "we have been many places and in several lands and do know that Ireland must surely be the cleanest place in the world.

'Their antiquities are in states of preservation. Vandalism, as we know it must have been rare indeed. The country has been vandalized in many other wayssome of them not unknown to us. The great forests of beech and birch and many of the wild things that were known even in the 16th and 17th centuries have completely disappeared. The Viking, Norman and British overlands seem to have used up everything around

but the Irishmen.'

Miss Sanders said the Irish have planned to plant more than one million acres of trees in the fast growing Canadian Hemlock, Scandanavian Fir and Spruce with one third of this proposed region

already reforested. They saw only two freshly tilled fields, but saw beets being harvested, mostly by hand. There are large numbers of dairy cattle, but only a few beef cattle.

Miss Sanders stated, "The dairy products are fabulous; butter with every meal and pure cream that you could cut with a knife with every Irish coffee. Their fish is very fine. We had one excellent meal of leg of lamb.

## Meistersinger Chorus to appear

The 65-member Lubbock Christian College Meistersinger Chorus will present a wide variety of religious songs when they appear at the Crescent Park Church of Christ, at 6 p.m. tonight.

Under the direction of Charles E. Cox. of the Lubbock Christian College Music Department, the group will sing a large selection from their repertoire, including hymn arrangements, sacred songs, spirituals and special concert numbers.

Highlighting the program will

be the "Sermon in Song", "Jesus, Jesus, Jesus" which includes five hymns bridged together with narration so that with the lyrics and narration, the listeners hear a sermonette.

Two small groups, drawn from the chorus, will also perform on the program. They are a men's quartet and a women's octet.

"The primary purpose of the chorus is to spread the good news of Jesus," according to Cox. "The singing groups at Lubbock Christian College have the tradition selecting music with which average person can identify. phasis is placed not so much cultural values of music, but on spiritual values."

The chorus represents a b cross section of the Lubb Christian College campus group includes freshmen the seniors and students who majoring in everything from ministry to music and education agriculture.

Located in the West Texas of Lubbock, the college founded in 1957. It now of bachelors degree programs in fields and has more than I academic students.

## Texas Tax Forum slated in Lubbock

Comptroller Bob Bullock reminded Lubbock taxpayers that his office will conduct one of its 16 statewide Texas Tax Forums in

that city on Tuesday, Nov. 9.

The Forum begins at 2 p.m. at the City Council Chamber, 916 Texas Avenue. The public is urged to participate.

"We would like to hear from anyone with a gripe or a suggestion dealing with taxes. We have always said we don't have all the answers," Bullock said.

The Comptroller said he welcomes testimony on a wide range of tax related issues, ranging from confusing or duplicative tax forms to the types and the rates of the many different taxes Texans pay.

Information gleaned from the public Tax Forums will be considered by the department for streamlining tax collections and for recommendations to the Texas Legislature, which convenes in January, Bullock said.

Representatives of more than 700 organizations interested in state tax laws have been invited to testify at the hearings.

Joining Bullock's office in the Forums are legislators serving on the House Ways and Means Committee.

## Alpha Lambda Zeta Chapter planning holiday socials

The Alpha Lambda Zeta Chapter of Beta Sigma Phi met Monday evening, Nov. 15, at 7:30 in the home of JaLee Slate. The roll was called and the minutes were approved as read.

The Ritual of Jewels for Dolly Monroe and the Pledge Ritual for Kathy Sorelle were held.

Ruan Richardson, membership chairman, read a letter from International explaining the new

design of the organization's pin. The style was changed to fit in with the modern trend of today. Ruan also announced that the chapter had received the third place award in the Scrapbook contest.

Extension officer, Brenda Denton, reported that the Executive Board had appointed Dolly Monroe as new recording secretary after the resignation of Charla Rounthe members of the chapter and their husbands, will be held Dec. 11 at 6:30 p.m. in the home of Brenda Denton. Dinner will be served and enter-

tainment is being planned.

Alpha Lambda Zeta is in charge of the decorations for the Thanksgiving dinner to be held Thursday, Nov. 18, at 7:30 p.m. in the Willie Room of Lamb County Electric.

The dinner is for the members of the four Beta Sigma Phi Chapters in Littlefield and their husbands.

The business meeting was adjourned and the cultural program for the evening entitled "Art-Sculpture', was presented by Brenda Denton. Brenda explained that sculpture is expressing form in three dimensions. The purpose of the program was to help each member appreciate sculpture and make each one more aware of what an art it really is.

Members stood for the Closing Ritual and then joined hands for the Mizpha.

Hostesses, JaLee Slate and Dolly Monroe, served banana-nut cake, frozen chocolate-chip dessert, Coke, and spiced-tea to Linda Charlton, Ruan Richardson, Doris Waters, Cherlyn Perkins, Darlene Maxfield, Brenda Denton, and Kathy Sorelle.

Cherlyn Perkins won the door prize.

Returning for the Bobcats are Jerry Schaeffer, Keith Crum, and Johnny Hampton, Schaeffer made the honorable mention-all south plains team last year, while Crum and Hampton were on the second team all-district.

Leading the Chiefs back into the thick of things is all-district postman, Mark Neill. Others to lead

the attack are Keith Martin who averaged eight points per game last year, Jeff Whiteside and Koty Kothman.

The Littlefield Wildcats with an 18-14 season record, the best in twenty years will return lettermen Narva Simington, a 6-1 senior with a 12-point scoring average, 5-8 senior, Ralph Mendez who averaged nine points, and seniors Rudy Ayala and Richard Rogers who both averaged 4 points per game. The Cats could surprise alot of people again in 1976-77.

Five lettermen will return to the Mules team after a 7-18 rebuilding record last year. The Mules will be a new face in district 3-AA. Returning for Muleshoe are lettermen Mike Wisian, Dean Northcutt, Jimmy Ybarra, Billy Vinson, and Mark Washington.

Muleshoe will have good depth and average quickness. This year the Mules are expected to be a much more competitive and improved team.

Olton picked to finish in the cellar in pre-season polls will return six lettermen.

Returning for the Mustangs are 6-0 senior Steve Johnson who averaged five points per game. Brad Allcorn, another top Mustang prospect who averaged five points per game will return. Other lettermen include Wendell Averyhart, Joe Rivera, David Johnson, and David Daugherty.

The Dimmitt Bobbies are picked to repeat in district hopes. The main factor is that the Bobbies are returning four starters. All-stater, Beth Cleveland will play a major part in Dimmitt's success in win-

Mulettes were tied with Dimmitt to win the district crown. Leading the return of veterans are all-district picks Sheryl Stovall and Cynthia Isaac. Tanya Burton, all-district second team, Elizabeth Isaac, and Nancy Ramm will also be great factors in the Mulettes success.

Littlefield's fems team will re-

Other standouts returning for the Cats are Melissa Sawyer, Carol Sexton, Pennie Sexton, Rhonda Hollingshead, Kim Fisher, Kim Daniel, Karen Carter, and Debbie Spencer. Any of these girls are ready to go in if needed.

The Olton Fillies return two all-district players, Elaine Rodriguez, and Jennie Davis. Miss Rodriguez was the Fillies top scorer last year. Dusty Kinnison, Kimmie Foster, Larenda Couch, Debbie Lacy and Alanna Spain will be be trying to start on the squad.

Morton Squaws are picked to finish in last place.

District 3-AA is considered as the toughest AA district in the State due to the fact that both Morton and Dimmitt are both in the same district. It is also considered tough because each team in the district 3-AA can resume the role of spoiler.

with all but four players returning, next year could be another year of power for Whitharral.

Harrold with a squad full of seniors outplayed the Panthers on the scoreboard but on the field the game was somewhat different as Harrold led the first down department 17-15. Although in the second half Whitharral led the Hornets 9-8 in first downs and only trailed Harrold by 20 yards in total

In the first quarter of play, each team had two possessions of the ball and defense was the name of the game as neither team could cross over the others goal line until Adolph Anzaldua from a double hand-off ran three yards to score the first tally of the game with 29 seconds left in the initial stanza. The PAT was good as Harrold took the lead.

In the second quarter, Whitharral could not get the ball moving from their 23 as John Dukatnik, Jimmy Polk and Bobby Avery took turns in trying to punch the ball out. On the fourth down Harrold put the rush on Gary Chavez and caused him to miss the punt thus giving the Hornets good field position again.

On the fourth down a 13-yard pass play to Rodney Raines gave Harrold another score with 7:28 left in the half and again the PAT was good. The score stood 16-0 in favor of the Hornets.

On the next possession, it was a repeat performance for the Panthers as Polk, Bobby Avery and Dukatnik taking turns in carrying the ball. This time, Chavez did get the punt off and drove the Hornets back to the 20-yard line.

Again the Panthers had to become defensive players as Mitch Grant, Bobby Avery, Jimmy Avery, Walter Kristinek lead the

Game Friday at Paducah. Two unidentifiable Panthers paved the way by taking down a Harrold

defender. Jimmy Polk [20] and Jimmy Avery [33] are seen in the

After a couple of first downs that brought the ball to the 19, Harrold took four more downs and drove over from the 11 when Larry Gates scored for the Hornets.

Again the kick after the TD was good and Harrold led, 24-0 with 3:06 left in the half.

On the kick-off, Bobby Avery brought the ball to the mid-field stripe. On the first down Polk busted through for a first down. Another nine yards was gained by Polk on the next down and to cap the drive off, Polk bombed to Jimmy Avery for the first Panther TD with 1:51 left in the half. Chavez PAT attempt was blocked.

Whitharral gambled on a side kick, but it didn't work as Harrold took the ball on the 31 and on the third down, Gates took a pass and scored again for Harrold with 1:23 left in the half.

Kristinek charged through and blocked the PAT attempt.

It was as smooth as silk for Whitharral in their next possession as Polk rushed for eight vards on their first down to the 35, Grant went to the 30. Polk connected with Jimmy Avery for a first and fifteen to the 15 and then a 15-yard pass play from Polk to Jimmy Avery gave Whitharral another TD as the clock ran out at the half. Chavez booted the two point conversion to make the halftime score 30-14 in favor of Harrold.

Harrold came back fast in the third period by scoring on a pass from Anzaldua to Carlos Alaniz that netted 20 yards with 7:12 left in the third quarter. The kick bounced on the uprights. Harrold lead, 36-14.

In the final quarter, Harrold scored first with 6:59 to go in the game on a plunge through the middle by Clifton Gilmore on a 36-yard run to give the Hornets a

42-14 lead. The PAT was good and the score stands Harrold 44. Whitharral 14.

From this point on the ball game belonged to Whitharral as they controlled the ball and ground out yardage to not three first downs before Dukatnik bulled over from the one for a six-pointer. Chavez split the uprights with his toe and the score is now 44-22 with 3:40 left in the game.

Whitharral fought back Harrold's next scoring drive and ran the clock out.

GOOD

When you buck Lost Heat . . . you save money on heating bills.

The best way is with an electric heat pump.

The heat pump is an electric heating system that squeezes warmth from outside air even at very cold temperatures

The electric heat pump is the most efficient way to have clean, modern heating and also save energy. And when you save energy, you save money. Call the Electric Company for complete information on the heat pump.

### High Potency Vitamin E

## **Sexual Potency** Quickly Improves With New 'E-Pill'

NEW YORK, N.Y. (Special)-An amazing new "super-charged" vitamin E-Pill has recently been developed that reportedly "quickly increases and rejuvenates sexual drives and potency for both men and women of all ages. It also makes them feel healthier and more youthful". It is now available to the American public.

The new high potency E-Pill not only seems to increase sexual ability of both sexes but also "actually perks up sexual interest and stimulates a persons desires," according to a spokesman for the

ALSO IMPROVES GENERAL HEALTH This new, easy-to-take E-Pill contains newly formulated, highly concentrated vitamin E. It tends to quickly build up and strengthen

the natural physiological processes of the body that are believed to be basically responsible for its potency, youthfulness, health and long life.

HELPS 4 OUT OF 5 PEOPLE

Indications are that the new E-Pill gives quick and effective results to as high as 4 out of 5 people (80%) who have used it. Some people report no great change but feel the high potency of vitamin E in the pill does quickly make them feel better

from a general health standpoint. Other reports also show it tends to "lessen daily tension and give more relaxed, happier outlook

**NOW AVAILABLE** The use of these high potency

(one-a-day) E-Pills is perfectly safe and are now available without prescription from the manufacturer by mail order only. To get your supply, send \$6.95 for a 2 week supply, (or \$10.95 for a 30 day supply, or \$17.95 for a 60 day supply) cash, check or M.O. to: E-Pill, Dept. 516, 447 Merrick Road, Oceanside, N.Y. 11572. Littlefield came storming back in the second period of play and outscored the Dog's 16-13 to tie the score at 26 all at the half.

After three full periods of play the score was still deadlocked at 36-36. Both teams scored 10 points in the third period.

The Bulldogs outscored the 'Cat's in the initial period of play, 19-12. Tahoka was able to extend their lead by a technical called on a Littlefield player, two free throws, and possession of the ball after the free throws.

The Wildcats were paced by Kevin Gardner's 12 point output. Others contributing to the 'Cat's score were Ralph Mendez with 10. Richard Rodgers with 6, Narva Simington with 4, David Jones with 4, Tommy Twitty with 4 and Layne McKinnon with 4. Rudy Ayala and Keith McCain each had a buckett.

David Graves was high point for Tahoka with 17 total points.

## JV boys edged by Tahoka

In a comeback second half attempt that fell short, Littlefield's JV boys were edged out by Tahoka, 42-38, Friday at Littlefield.

The local squad, 0-1, in season play was down by 11 points at the half and narrowed the edge in second half desperation.

Leading the scoring attack for Littlefield was John Shipp with 14 points, Eddie Elms swished the nets for 10, Rudolph Smith got eight, David Goen four and Dennis Jackson two.
